READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

There are no restrictions on the republication of official documents appearing in the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted

proposal must be published in the *Pennsylvania Bulletin* before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

SUBSCRIPTION INFORMATION: (717) 766-0211
GENERAL INFORMATION AND FINDING AIDS: (717) 783-1530

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where "no fiscal impact" is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

THE COURTS

Title 246—MINOR COURT CIVIL RULES

PART I. GENERAL

[246 PA. CODE CHS. 500 AND 1000]

Proposed Changes to Rules of Civil Procedure Governing Actions and Proceedings Before District Justices

Introduction

The Minor Court Rules Committee is planning to recommend that the Supreme Court of Pennsylvania amend the following Rules of Civil Procedure Governing Actions and Proceedings Before District Justices ("Pa.R.C.P.D.J."), to wit: Nos. 504, 514, 515, 517, 519, 520, 1002 and 1008. The proposed amendments are intended to establish a more streamlined procedure in the process and management of landlord complaints for the recovery of possession of real property, and to conform to existing Legislation the time for taking appeals from judgments. The recommendations for amendment were prompted by amendments to the Landlord and Tenant Act of 1951 promulgated by Acts 33 and 36 of 1995, both approved July 6, 1995. The proposed amendments would, it is believed, establish a sound basis upon which the Legislative amendments to the Landlord/Tenant Act of 1951 can be implemented, insofar as is procedurally consistent with existing Rules and standards of due process.

The text of the proposed amendment follows:

We request that interested persons submit suggestions, comments, or objections concerning these proposals to the Committee through its Chair.

Carl G. Wass, Esquire, CALDWELL & KEARNS, 3631 North Front Street, Harrisburg, PA 17110, no later than Wednesday, February 14, 1996.

By the Minor Court Rules Committee

CARL G. WASS,
Chair

Annex A

TITLE 246. MINOR COURT CIVIL RULES

PART I. GENERAL

CHAPTER 500. ACTIONS FOR THE RECOVERY OF POSSESSION OF REAL PROPERTY

Rule 504. Setting the Date for Hearing; Delivery for Service.

The district justice, at the time the complaint is filed, shall:

- (1) Set a hearing date which shall be not less than seven (7) or more than [**twenty (20)**] **fifteen (15)** days from the date the complaint is filed.

* * * * *

Official Note: The hearing date in subdivision (1) of this rule was required to be set not less than seven days from the filing of the complaint because of the requirement of Rule 506C that service be made at least five days before the hearing. It was thought that the requirement that the complaint be served not more than [**twenty**] **fifteen** days from the filing of the complaint should

provide ample time to make the type of service required in these cases. However, the complaint may be reinstated upon written request of the plaintiff as in trespass and assumpsit cases. See Rule 314E and the note to Rule 314.

The notice for the defendant set forth in subdivision (4) of this rule varies somewhat from the notice required in trespass and assumpsit actions under Rule 305. There are a number of reasons for this. First, there can be no default judgment in these possessory actions and, secondly, it was thought that cross-complaints of defendants in these cases should be limited to those arising out of the occupancy of the premises.

Amended Oct. 17, 1975, effective in 90 days; June 30, 1982, effective 30 days after July 17, 1982; amended _____, effective _____.

Rule 514. Judgment.

* * * * *

C. Judgment shall be given at the conclusion of the hearing or within [**five (5)**] **three (3)** days thereafter and shall be entered on the original complaint form. The district justice shall promptly give written notice of the judgment to all parties, but if any party has an attorney of record named in the complaint form the written notice shall be given to the attorney instead of to the party. Notice of judgment shall contain advice as to the right of the parties to appeal, the time within which the appeal must be taken, and that the appeal is to the court of common pleas.

Official Note: Subdivision B of this rule makes provision for a money judgment for the defendant if he prevails in a greater amount on his cross-complaint.

Amended April 25, 1979, effective in 30 days; June 30, 1982, effective 30 days after July 17, 1982; amended effective Dec. 1, 1983; amended March 27, 1992, effective June 25, 1992; amended _____, effective _____.

Rule 515. Request for Order for Possession.

If the district justice has rendered a judgment that the real property be delivered up to the plaintiff, the plaintiff may, [**on or**] after the [**sixteenth (16th)**] **tenth (10th)** day following the date of the judgment, file with the district justice a request for an order for possession on a form which shall be prescribed by the State Court Administrator. The request form shall be attached to the order, including a statement of the judgment amount, return and other matters required by these rules.

Official Note: [**The fifteen days in this rule plus the fifteen days in Rule 519 will give the defendant time to obtain a supersedeas within the appeal period. See Rules 1002, 1008, 1009 and 1013.**] **The 1995 amendment to § 513 of the Landlord/Tenant Act (Act No. 1995-33) established a ten day period of time for an appeal from a judgment for possession of real estate; therefore, the filing of the request for order for possession is not permitted until after the period of time for appeal has expired.**

Amended June 1, 1971; amended April 25, 1979, effective in 30 days; June 30, 1982, effective 30 days after July 17, 1982; March 27, 1992, effective June 25, 1992; amended _____, effective _____.

Rule 517. Notation of Time of Receipt; Service of Order.

* * * * *

If you, and all occupants of this property not authorized by the owner to be present thereon, do not vacate this property within [**fifteen (15)**] **ten (10)** days after the date of this notice, the law authorizes me to use, and I must use, such force as may be necessary to enter upon the property, by the breaking in of any door or otherwise, and to eject you and all unauthorized occupants.

The date of the notice shall be the same as the date of the service.

Official Note: Under this rule, service must be made both by first class mail and delivery for service in the manner prescribed.

Amended Oct. 17, 1975, effective in 90 days; April 25, 1979, effective in 30 days; June 30, 1982, effective 30 days after July 17, 1982; March 27, 1992, effective June 25, 1992; amended _____, effective _____.

Rule 519. Forcible Entry and Ejectment.

A. If, on or after the [**sixteenth (16th)**] **eleventh (11th)** day following the service of the order for possession, the defendant or any unauthorized occupant remains on the real property, the officer executing the order for possession shall use such force as may be necessary to enter upon property, by the breaking in of any door or otherwise, and to eject the defendant and any unauthorized occupant and shall deliver possession of the real property to the plaintiff or his agent.

* * * * *

Official Note: Subdivision B of this Rule will permit the reinstatement, upon written request of the plaintiff of an order for possession which has not been executed on or after sixty (60) days following its issuance. The written request for reinstatement may be in any form and may consist of a notation on the permanent copy of the order for possession form "Reinstatement of order requested," subscribed by the plaintiff. The district justice shall mark all copies of the reinstated order for possession "Order Reinstated. Request for reinstatement filed on _____ (Date)." If it is necessary to use a new form or new form sets for the reinstated order for possession, the reinstated order for possession, except for service portions thereof, shall be an exact copy of the original order for possession, although signatures may be typed with the mark "/s/" indicating an actual signature. Since a reinstated order for possession is merely a continuation of the original action, there is no filing fee for reinstating an order for possession.

Amended April 25, 1979, effective in 30 days; June 30, 1982, effective 30 days after July 17, 1982; March 27, 1992, effective June 25, 1992; amended _____, effective _____.

Rule 520. Officer's Return.

[**The**] **Within five (5) business days following delivery of possession to the plaintiff or satisfaction by payment of rent in arrears and costs, the officer executing the order for possession shall make a return on the order for possession form. The return shall show:**

* * * * *

Official Note: Amended July 30, 1982, effective 30 days after July 17, 1982; amended _____, effective _____.

Rule 581. Acts of Assembly Suspended.

All Acts of Assembly or parts thereof inconsistent with the rules governing practice and procedure in actions before district justices for the recovery of possession of real property are suspended to the extent of such inconsistency.

THE FOLLOWING ACTS OF ASSEMBLY ARE SUSPENDED INSOFAR AS THEY ARE INCONSISTENT WITH THE FOREGOING RULES:

(1) **Act of July 6, 1995, amending the Act of April 6, 1951 (P. L. 69, No. 20), known as Act 33 of 1995;**

(2) **Act of July 6, 1995, amending the Act of April 6, 1951 (P. L. 69, No. 20), known as Act 36 of 1995.**

Official Note: Amended June 30, 1982, effective 30 days after July 17, 1982; _____, 1996, effective 30 days after _____, 1996.

CHAPTER 1000. APPEALS

Rule 1002. Time and Method of Appeal.

A. Except as provided in subdivision B of this Rule, [A] a party aggrieved by a judgment for money may appeal therefrom within thirty (30) days after the date of the judgment by filing with the prothonotary of the court of common pleas a notice of appeal on a form which shall be prescribed by the State Court Administrator. The prothonotary shall not accept an appeal from an aggrieved party which is presented for filing more than thirty (30) days after the date of judgment without leave of court and upon good cause shown.

B. A party aggrieved by a judgment affecting the delivery of possession of real property may appeal therefrom within ten (10) days after the date of the judgment by filing with the prothonotary of the court of common pleas a notice of appeal on a form which shall be prescribed by the State Court Administrator. The prothonotary shall not accept an appeal from an aggrieved party which is presented for filing more than ten (10) days after the date of judgment without leave of Court and upon good cause shown."

Official Note: The thirty day limitation in subdivision A of this rule is the same as that found in the Judicial Code, § 5571(b), 42 Pa.C.S. § 5571(b), as amended by § 10(67) of the Judiciary Act Repealer Act, Act of April 28, 1978, P.L. 202, No. 53. **The ten day limitation in subdivision B of this rule is designed to implement the time for appeal set forth in § 513 of the Landlord and Tenant Act of 1951 (Act No. 1995-33, approved July 6, 1995). The two subdivisions of this rule are intended to clarify that where the right of possession of real estate is at issue, the shorter, ten day period for appeal applies; where the judgment from which the appeal is taken is a judgment only for money under these rules, the thirty day period of time for appeal applies.**

The method of appeal is by filing with the prothonotary a "notice of appeal" on a form to be prescribed by the State Court Administrator. Copies of this same form will be used for service under Rule 1005. This permits use of the same form for filing and service. No useful purpose would be served by having two forms, one called an "appeal" for filing and another called a "notice of appeal" for service. No transcript of the record of the proceedings before the district justice is to be filed on appeal, for the proceedings on appeal are de novo.

The 1990 amendment is intended to encourage the complete utilization of the hearing process available before the district justice.

Adopted June 1, 1971. Amended April 25, 1979, effective in 30 days; June 30, 1982, effective 30 days after July 17, 1982; March 27, 1992, effective June 25, 1992; amended _____, effective _____.

Rule 1008. Appeal as Supersedeas.

* * * * *

B. When an appeal is from a judgment for the possession of real property, receipt by the district justice of the copy of the notice of appeal shall operate as a supersedeas only if the appellant [files with the prothonotary a bond, with surety approved by the prothonotary, conditioned for the payment of any judgment for rent and for damages growing out of occupancy of or injury to the premises rendered against the appellant on appeal. In lieu of such a bond, the court of common pleas may, by local rule applicable to certain classes of cases, permit rental payments becoming due during the court of common pleas proceedings to be deposited in an escrow account in a bank or trust company approved by the court, such deposits to be applied to the payment of any judgment of the kind mentioned above rendered on appeal. If the appellant files such a bond or is permitted to deposit rental payments in escrow in lieu of a bond], at the time of filing the appeal, deposits with the prothonotary a sum of money (or a bond, with surety approved by the prothonotary) equal to the lesser of three (3) months' rent or the rent actually in arrears on the date of the filing of the appeal, and, thereafter deposits cash or bond with the prothonotary in a sum equal to the monthly rent which becomes due during the period of time the proceedings upon appeal are pending in the court of common pleas, such additional deposits to be made within thirty (30) days following the date of the appeal, and each successive thirty (30) day period thereafter. In the event the appellant fails to deposit the sums of money, or bond, required by this rule, within ten (10) days following the date when such deposits are due, the prothonotary, upon praecipe filed by the appellee, shall terminate the supersedeas. Where the deposit of money or bond is made at the time of filing the appeal, the prothonotary shall make upon the notice of appeal and its copies a notation that it will operate as a supersedeas when received by the district justice.

* * * * *

Official Note: Subdivision A provides for an automatic supersedeas in appeals from trespass and assumpsit actions upon receipt by the district justice of a copy of the notice of appeal. It did not seem worthwhile to require bond or other security for costs as a condition for supersedeas in trespass and assumpsit appeals.

[Subdivision B, however, does require a bond, or an escrow deposit of rent if permitted by local rule, as a condition for supersedeas with respect to appeals from judgments for the possession of real property. The provision for local rules permitting an escrow deposit of rent in certain cases is intended to authorize local machinery for the handling of special categories of landlord and tenant problems. See the statute cited in Rule 1082(1).] Subdivision B, however, does require the deposit of

money or approved bond as a condition for supersedeas where the appeal is from a judgment for the possession of real property. This provision substantially incorporates the purpose and intent of the Legislative provision contained in Act No. 1995-33, approved July 6, 1995. The 1996 amendment provides a uniform, statewide procedure (except Philadelphia County: See: Philadelphia Municipal Court Rules of Civil Procedure), and establishes a mechanism for the application of a supersedeas or the termination thereof without the need for any local court rule or order.

The money judgment portion of a landlord and tenant judgment (see Rules 514 and 521) would be governed by subdivision A.

Adopted June 1, 1971. Amended April 25, 1979, effective in 30 days; June 30, 1982, effective 30 days after July 17, 1982; amended _____, effective _____.

Rule 1081. Acts of Assembly Suspended.

All Acts of Assembly or parts thereof inconsistent with the rules governing appellate proceedings with respect to judgments and other decisions of district justices in civil actions are suspended to the extent of such inconsistency.

THE FOLLOWING ACTS OF ASSEMBLY ARE SUSPENDED INsofar AS THEY ARE INCONSISTENT WITH THE FOREGOING RULES:

(1) Act of July 6, 1995, amending the Act of April 6, 1951 (P. L. 69, No. 20), known as Act 33 of 1995;

(2) Act of July 6, 1995, amending the Act of April 6, 1951 (P. L. 69, No. 20), known as Act 36 of 1995.

Adopted June 1, 1971. Amended April 25, 1979, effective in 30 days; June 30, 1982, effective 30 days after July 17, 1982; _____, 1996, effective 30 days after _____, 1996.

[Pa.B. Doc. No. 96-92. Filed for public inspection January 26, 1996, 9:00 a.m.]

Rule 1910.7. No Pleading By Defendant Required.

Question of Jurisdiction or Venue or Statute of Limitations in Paternity.

(b)*(1) [None of the questions raised in subparagraph (b) above will delay the domestic relations conference without an order of court obtained from the motions' judge] **If preliminary objections challenging venue or jurisdiction are filed, the proceedings shall be stayed and listed for argument in conformity with Local Rule 1930(b).**

Rule 1910.10. Alternative Hearing Procedures.

*(a) The Family Division, Court of Common Pleas, Allegheny County, adopts the alternative hearing procedure of Rule 1910.12.

Rule 1910.12. Office Conference. Hearing. Record. Exceptions. Order.

(b)(1)*(a) Unless a court order obtained from the motions judge directs to the contrary, the hearing will be held on the same day as the conference.

(c)*(3) Any motion by a party for a separate listing of the hearing and/or for a request for discovery shall be presented to the motions judge prior to the conference and hearing. Notice of the motion shall be served upon the opposing party or opposing counsel of record prior to presentation.

(e)*(1) Where a hearing officer has reserved decision on a case and the parties were not given a copy of the recommendation at the conclusion of the hearing, **three (3) days shall be added to the ten (10) day filing period for exceptions if notice of the recommendation is given by mail to the parties and/or counsel of record.**

*(h)(1) **Any party filing exceptions shall serve them upon all other parties and file a copy with the Exceptions Clerk in Room 616, City County Building by the end of the next business day following the filing of the exceptions with the prothonotary.**

(2) **Any party filing exceptions shall also order from the court reporter the transcript of testimony unless the parties stipulate to the contrary or unless the exceptions are not based on the testimony contained in the record.**

(3) **Each exception shall set forth a separate objection precisely and without discussion. Matters not covered by exceptions are deemed to be waived.**

(4) **A legible copy of the Hearing Officer's Recommendations and a copy of the transcript order form or stipulation that the transcript is not necessary or a statement that the exceptions are not based on the testimony contained in the record shall be attached to the exceptions.**

*(i) **Exceptions shall be placed on the next available "Support Argument List" occurring more than thirteen (13) days after the transcript of testimony and exceptant's brief are filed with the Exceptions Clerk in Room 616, City County Building. The Court shall serve notice on all parties of the date**

and place of argument. If the respondent files a brief, it shall be filed at least seven (7) calendar days prior to argument, with the Hearing Officer's Secretary in Room 616, City County Building. If cross-exceptions are filed, the cross-exceptionant's brief must be filed at least seven (7) calendar days prior to the argument and may respond to the first exceptionant's brief. The party filing the first exceptionant's brief may file a second brief, in response to the cross-exceptionant's brief, at least four (4) calendar days prior to argument. No brief for either party shall exceed ten (10) pages.

*(j) **Exceptions must be scheduled for argument no more than forty-five (45) days after exceptions are filed. Failure to schedule will result in an automatic termination of the exceptions on grounds of unreasonable inactivity. The exceptionant will not be permitted to reinstate the exceptions without written application to the Court for good cause shown.**

*(k) **If exceptions are filed to the Recommendation of a Hearing Officer recommending that the exceptionant be held in contempt, the exceptions shall immediately be placed on the next "support argument list" occurring more than five (5) days after the filing of exceptions. The party filing the exceptions shall title them "Contempt Exceptions" and serve notice on all other parties, [the Administrator's Office, Room 633 City County Building,] and the court reporter, of the date and place of the argument. The court reporter's fees shall be posted and the transcript prepared immediately after exceptions are filed. For purposes of this subsection the exceptionant shall file a brief at least three days prior to argument. If the respondent files a brief, it shall be filed at least one day prior to argument.**

*(l) **No exceptions may be filed to a recommendation of a Hearing Officer labeled "interim." The interim recommendation shall be entered as a temporary support order pending the entry of a final recommendation and order.**

Rule 1910.15. Paternity.

(b)*(1) Before terminating the conference, the domestic relations counselor may obtain an order of court directing the parties to submit to blood testing.

Rule 1910.19. Support Order. Modification. Termination.

(c)*(1) The following procedure shall be used to modify or terminate an existing support order.

(A) Where there is a material and substantial change of circumstances, any party may schedule before the domestic relations counselor a conference to request an increase, reduction, modification or suspension of an award. Both parties and their counsel shall attend this conference. If an agreement is not reached at the conference, the counselor may schedule the matter for a hearing before a hearing officer, which hearing shall be conducted in accordance with the procedures set forth in Rule 1910.12.

(B) [If the counselor chooses not to schedule a hearing, nothing contained herein shall limit the right of a party to petition the court to schedule a hearing on the request for an increase, reduction, modification or suspension of the award.] **The Hearing Officer may recommend the modification**

or termination of the existing order in any appropriate manner based on the evidence presented. Rule 1910.23-1. Judgment for Arrearages. Execution.

(a)*(1) Any party at any time may obtain from Suite 200, Allegheny Building, 429 Forbes Avenue, Pittsburgh, PA 15219, a statement of arrears according to the records of the Collection and Disbursement Division.

[(b) A plaintiff may obtain a judgment against a defendant who is thirty (30) days or more in arrears under order of court only through the following procedures:

(1) The Plaintiff shall serve on the defendant a written notice in the following form [See Next Page]

(2) On or after the thirtieth (30th) day following the service of the Notice of Intention to Enter Judgment, the plaintiff may file a praecipe for entry of judgment with the Prothonotary provided that it includes a certification that written Notice of Intention to Enter Judgment was mailed or delivered to the party against whom the judgment is to be entered and to his attorney of record, if any, at least thirty (30) days prior to the date of the filing of this praecipe and that the defendant has not filed with the Prothonotary any notice indicating that he or she disputes the claim. Upon the filing of this praecipe, the Prothonotary shall enter judgment in the amount set forth in the Notice of Intention to Enter Judgment.

(3) If the defendant disputes the claim, the plaintiff shall schedule a conference before a domestic relations counselor. If an agreement is not reached at the conference, a hearing on the plaintiff's claim for arrears shall be heard before a hearing officer pursuant to the procedures set forth in Rule 1910.12. The final order which is entered shall be a judgment in the amount of the arrears as determined by the court.

(4) The party scheduling a conference and hearing pursuant to subsection (c) may at the same time file a petition for civil contempt and/or a petition for attachment of wages and hearings on these petitions may be scheduled at the same time as the conference and hearing described in subsection (c).]

[Rule 1910.31. Pretrial Motions.

(a) Except as provided by subsection (b), all pre-trial motions shall be presented to the motions judge of the Family Division.

NOTICE OF INTENTION TO ENTER JUDGMENT TO: _____

DATE OF NOTICE: _____

IMPORTANT NOTICE

The undersigned party claims that you are in arrears on your support obligations in the amount of \$ _____ as of _____ and is seeking a judgment against you in this amount.

If you dispute this claim, you must within twenty (20) days indicate on the bottom of this form that you dispute the claim and return the form (by mail or in person) to the Prothonotary of Allegheny County, Room 516, County Courthouse, Pittsburgh, Pennsylvania 15219. If you fail to act within twenty (20) days, a judgment may be entered against you.

(Name)

(Address)

(Telephone Number)

I dispute the claim that I am in arrears on my support obligation in the amount claimed in this notice, and I request a hearing to oppose the entry of a judgment against me.

(Date) (Signature)

(b)(1) Arguments on preliminary objections, motions for judgment on the pleadings, and motions for summary judgment shall be scheduled by the Family Division Docket Clerk (Room 611, City County Building).

(b)(1) Arguments on preliminary objections, motions for judgment on the pleadings, and motions for summary judgment shall be scheduled with the Family Division Docket Clerk (Room 610, City County Building).

(b)(2) At least seven (7) days before argument, the moving party shall serve any brief which it intends to submit on the judge hearing the argument and on all other parties, and at least three (3) days before the argument, the responding parties shall serve any brief which it intends to submit on the judge and on all other parties.]

[Rule 1910.32. Order of Court.

No case scheduled in the Family Division before a judge, hearing officer or domestic relations officer will be continued without an order of court. If a motion for continuance is granted by the court, counsel for the party requesting the continuance is responsible for immediately providing the appropriate judge, hearing officer, or domestic relations officer with a copy of the Order.]

ACTION FOR CUSTODY, PARTIAL CUSTODY AND VISITATION OF MINOR CHILDREN

Rule 1915.3(b). *1 [Scheduling of Hearing Date.

No order of court setting a conciliation or hearing shall be presented to the court for signature unless accompanied by a motion setting forth compelling circumstances requiring a court order. In the absence of compelling circumstances requiring a court order,] Claims for full custody, shared custody, partial custody or visitation shall initially be scheduled for a conciliation or conference by the Family Division Docket Clerk (Room [601] 611 of the City County Building). When a claim is raised for physical custody of the children for a majority of the time the scheduling request shall be accompanied by a certificate of counsel as set forth in the Court Manual of the Adult Section of the Family Division.

Rule 1915.9. *(a) Pre-Trial Procedures.

1. Conciliations and Conferences

(i) All claims for full physical custody will be conciliated by a judge on praecipe of any party filed with the Family Division Docket Clerk (Room [610] 611 of the City County Building). All parties residing in Allegheny County must be present for the conciliation unless excused by the court. All other parties and those excused from attending the conciliation must be within immediate telephone contact.

(ii) All claims for partial custody, including partial custody with shared legal custody, or visitation or modification of partial custody or visitation must proceed to a conference before a court counselor prior to any hearing thereon. All parties residing in Allegheny County must be present for the conference unless excused by the court. All other parties and those excused from attending the conference must be within immediate telephone contact.

(iii) **In the event that an agreement relating to partial custody or visitation is not reached before a conference officer, the matters in dispute shall be referred to a Hearing Officer appointed by the Court in conformity with Pa.R.C.P. 1915.4-1 and 4-2.**

2. Pre-Trial Motions; [Court En Banc] Matters for Argument

(i) All motions, petitions, and applications that have not been scheduled before a particular judge shall be presented to, argued before, and determined by the Motions Judge unless this judge transfers the motion, petition, or application to a judge to whom the case has been assigned.

(ii) Motions, petitions, and applications which have not been assigned to a judge shall be presented to the Motions Judge at 1:30 p.m. **in conformity with Local Rule 1930(a).**

(iii) Preliminary objections shall be argued [**before a court en banc unless the particular judge to whom the case has been assigned hears argument on the objections prior to the argument date before the court en banc.**] **in conformity with Local Rule 1930(b).**

[**(d) Unless specifically scheduled, all arguments before the court en banc shall be held on the first Friday of each month or such other date designated by the court.**

(e) For all arguments before the court en banc, the moving party must file a brief at least seven (7) days prior to the scheduled argument date. If the responding party desires to file a brief, it must be filed at least three (3) days prior to the scheduled argument date.]

3. Pre-Trial Statements

(i) In all actions for full custody the parties shall, no **fewer** than ten (10) days prior to the hearing, file with the court and serve upon all parties a written pre-trial statement.

(ii) Pre-Trial Statements shall contain the names and addresses of all persons who may be called as witnesses, and shall have attached thereto copies of records and reports that may be offered into evidence. If any expert witness is to testify, **other than one appointed by the**

Court, a written report setting forth the expert's findings and conclusions must be attached to the pre-trial statement.

Rule 1915.12. Civil Contempt for Disobedience of Custody Order, Petition, Service, Order.

(a)*(1) The agency to be named in the notice accompanying a petition for civil contempt shall be:

Lawyer Referral Service
920 City-County Building
Pittsburgh, PA 15219
(412) 261-0518

Rule 1915.15. Form of Complaint. Caption. Order.

(a)*(1) The agency to be named in the order of court accompanying the complaint shall be:

Lawyer Referral Service
920 City-County Building
Pittsburgh, PA 15219
(412) 261-0518

Rule 1915.16. Form of Order and Notice, Joinder, Intervention.

* (c) The agency to be named in the order of court and notice under this rule shall be:

Lawyer Referral Service
920 City-County Building
Pittsburgh, PA 15219
(412) 261-0518

ACTION OF DIVORCE OR FOR ANNULMENT OF MARRIAGE**[Rule 1920.4. Service. Notice.***** (f) Military Service**

Editor's note: Rescinded; effective upon publication in Pa. Bulletin (July 2, 1983).]

Rule 1920.12. **Complaint.**

Local Rules Governing Contents and Filing of the Complaint.

***I. The Complaint.**

(A) The plaintiff in the complaint and the defendant in the answer, counterclaim or other petition shall set forth each claim as a separate count.

(B) If a claim is made by either party to the action for custody, partial custody, or visitation, the relevant count in the pleading must comply with the requirements of the applicable rules.

(C) If a claim is made by either party to the action for alimony pendente lite, alimony, or support, the party shall attach to the pleading as an exhibit the Family Division Support/Alimony Pendente Lite/Alimony Information Sheet. These sheets may be obtained from Room 621 of the City-County Building.

***II. Filing the Complaint.**

(A) All divorce and annulment complaints shall be filed and the filing fee paid in the Prothonotary's Office (Suite 200, Allegheny Building) where they will be assigned a docket number. The number given to the divorce will also be assigned to any other claim contained in the divorce complaint or other pleadings subsequently filed in this action. **If there is a prior action between the parties, the case shall be docketed in conformity with Local Rule 1930(f).**

[(B) After the filing of the compliant, the moving party shall obtain from Room 603 of the City-County Building, a form indicating whether any prior support, partial custody, or visitation actions have been filed.

Note: If it is determined that there is a prior family action, the Court will, on its own motion, consolidate the prior action for docketing and filing purposes at the new divorce case number.

(C) The moving party shall next file in Room 633 of the City-County Building, this form and two (2) copies of the complaint.]

(B) A party filing any secondary pleading to the divorce action (answer, counterclaim, or other petition [shall comply with paragraph (C) after filing the original pleading with the Prothonotary (Room 516 of the Courthouse] shall file such pleadings at the Family Division Prothonotary on the second floor of the Allegheny Building, 429 Forbes Avenue.

[(E) A party filing any pleading pursuant to a court order granting permission to file an amended complaint or other pleading shall comply with paragraph (C) after filing the original amended pleading in the Prothonotary's Office (Room 516 of the Courthouse).]

(C) If the divorce proceeding includes a claim for support, alimony pendente lite or counsel fees, any party seeking a conference/hearing on said claim shall file a praecipe in Room [633] 603 of the City-County Building requesting that a conference/hearing date be scheduled and further stating that there is no existing order of support and/or alimony pendente lite providing for the support of a spouse. The party seeking the conference/hearing shall provide a copy of the pleading raising the claim for support, alimony pendente lite or counsel fees and the Family Division Support/Alimony Pendente Lite/Alimony Information Sheet to the clerk in Room 603 at the time the praecipe for conference/hearing is filed. Where there is an existing order for support and/or alimony pendente lite providing for the support of a spouse, a hearing will be scheduled only pursuant to an order of court obtained [from the Motions Judge obtained] by following the procedures required for filing motions at Family Division Motions Court as provided in Local Rule 1930(a) [or, in the case of child support only, by filing the appropriate form in Room 603 of the City-County Building and appearing before a Domestic Relations Officer for approval.]

[Editor's note: Adopted May 15, 1981, effective immediately.]

Rule 1920.33. Joinder of Related Claims; Distribution of Property.

Local Rules for the Resolution of Claims for Equitable Distribution of Marital Property and Alimony

*I. Scheduling Conciliations for Contested Claims Raised Under [401(d)] §§ 3301 and 3701 [501] of the Divorce Code.

(A) A conciliation before the court shall be scheduled where either party has raised the claim of alimony and/or equitable distribution of marital property that is contested by the opposing party and (1) the parties are

divorced, have both filed affidavits of consent pursuant to 23 Pa.C.S.A. § 3301(c) or have been living separate and apart for two years and (2) there is compliance with the requirements of subpart B of this local rule. If both alimony and equitable distribution are raised, they shall be conciliated together.

Note: If either party has an outstanding claim for counsel fees, that claim must also be raised at the conciliation. Any outstanding claim for counsel fees that is not included in a final court order covering the alimony and equitable distribution claims shall be deemed to be denied by the court in the absence of specific language to the contrary.

(B) No conciliation shall be scheduled until both parties have complied with Rules 1920.31(a) and 1920.33(a) of the Pennsylvania Rules of Civil Procedure relating to the filing of an inventory and appraisal and income and expense statements. If alimony is the only claim before the court, only Rule 1920.31(a) need be complied with.

(C) Once both parties have complied with [Rules 1920.31(a) and/or 1920.33(a)] subparts A and B of this local rule, either party may schedule the conciliation [by obtaining a conciliation date from the Family Division Docket Clerk in Room 611 of the City-County Building] pursuant to local rule 1930(c).

(D) The party scheduling the conciliation shall notify the opposing party of the conciliation date.

(E) In the absence of compelling circumstances, all parties shall be present for the conciliation; however, upon written agreement between counsel for the parties (where counsel believes appearance by the parties would not be fruitful or necessary) parties may be excused from attendance at the first conciliation.

*II. Action to be Taken Where a Party Fails to Comply With Rules 1920.31(a) or 1920.33(a).

(A) On praecipe of any party who has complied with Rules 1920.31(a) and 1920.33(a), a rule shall be entered upon a non-complying party to file the inventory and appraisal and/or a statement of income and expense within thirty (30) days of the service of the rule.

(1) The praecipe.

(a) The praecipe shall be prepared substantially in the following form: "The plaintiff/defendant has complied fully with Rules 1920.31(a) and/or 1920.33(a) and the opposing party has failed to do so. Plaintiff-Defendant, therefore, requests that a rule be entered directing compliance with Rules 1920.31(a) and/or 1920.33(a) within thirty (30) days of the date of the service of the rule."

(2) The praecipe shall be filed in Room 621, City-County Building from where the rule will automatically issue. The party filing the praecipe is responsible for serving a copy of the rule on the opposing party.

(B) If it is necessary for the court subsequently to issue an order directing compliance with Rules 1920.31(a) and/or 1920.33(a), such order shall, in the absence of compelling circumstances, contain, inter alia, a provision for payment of counsel fees and costs to the moving party.

III. Scheduling Hearings for Uncontested Claims Raised Under Sections [401(d)] 3501 and [501] 3701 of the Divorce Code.

(A) Where a party has raised claims for alimony and/or equitable distribution of marital property and has reasonable grounds to anticipate that the opposing party does not intend to appear at any conciliation or court hearing to contest these claims, the claims shall be scheduled for a hearing before the court.

(B) A hearing is scheduled by filing a praecipe with the Family Division Docket Clerk in Room [610] 611 of the City-County Building. The praecipe shall allege that the party filing the praecipe believes that the claims will not be contested by the opposing party.

(C) The party filing the praecipe is responsible for serving the opposing party with the notice of the hearings before the court. This hearing notice shall also contain a statement to the opposing party as to exactly what relief is sought as well as a copy of the proposed order required by paragraph (E) below.

(1) Service of this notice of hearing and proposed order shall be made in accordance with Rule 1920.51.

(D) Prior to filing the praecipe, a party must have complied with Rules 1920.31(a) and 1920.33(a) of the Pennsylvania Rules of Civil Procedure.

(E) [**The party filing the praecipe shall submit a proposed order to court at the time of the hearing. This proposed order shall set forth the specific alimony award and a list of the property which the moving party seeks.**]

(F) At the uncontested hearing, the court shall hear only the essential facts required to enter an order. If the opposing party appears to contest the claim, the hearing shall be discontinued and the case shall proceed under Part I of this Local Rule.

Note: The purpose of Part III of this rule is to deal with the claims of alimony and/or property distribution where no consent can be obtained but there also appears to be no contest. It is contemplated that the Court will be able to expeditiously deal with cases particularly where property is minimal or where only a nominal alimony order is sought.

[*IV. —Conciliation Generally.

Editor's note: Repealed May 9, 1983, effective upon publication in Pa. Bulletin (July 2, 1983).]

*IV. Court Approved Settlements.

(A) Where the parties have reached an agreement on the issues of alimony and/or equitable distribution of marital property, and where court approval of the agreement is desired, the agreement shall be included with the proposed divorce decree. [**or presented. to the Motions Judge after review in Room 633 of the City-County Building.**] The agreement shall be signed by all parties and/or their counsel [**and a proposed order shall be attached indicating that the agreement is approved by the court.**]

Editor's note: Adopted May 15, 1981, effective immediately; amended May 9, 1983, effective upon publication in Pa. Bulletin (July 2, 1983).

Rule 1920.42. Affidavit and Decree Under Section 3301(c) or 3301(d) of the Divorce Code.

Local Rules for Obtaining Decrees for Divorce Claims Under Section 3301(c) or 3301(d) of the Divorce Code

(a) ★3(A) If a complaint and the 3301(d) affidavit have been filed under Section 3301(d) of the Divorce Code and

Twenty (20) days from service of the § 3301(d) affidavit have elapsed¹ and the responding party has not filed a contested responsive pleading within twenty (20) days of service of the affidavit, the moving party shall mail to the responding party's current address or otherwise deliver to the responding party a Notice of Intention as required by Pa.R.C.P. 1920.42(c) giving the responding party twenty (20) additional days in which to deny these allegations. [Copies of the court Notice to be mailed or delivered to the defendant are available in Room 633 of the City-County Building and a sample of the notice which must be used is shown below in paragraph (C). Note:] The twenty additional days to be given the responding party in the **Notice of Intention** begins to run on the date on which the notice is mailed or delivered. Registered or certified mail is not required. The **moving party** shall insert in the [**final paragraph of the**] notice a date on which the court is in session that is at least twenty days from the date of mailing or delivery.

(b) If the **responding party** has not responded to the additional **notice of intention**, the court, on praecipe in the form prescribed by Rule 1920.73, will review the complaint and the 3301(d) affidavit and, if appropriate, enter a final decree.

[**Note:**] An affidavit of service [**is necessary**] shall be filed for both the 3301(d) complaint and the 3301(d) affidavit. However, only one affidavit of service is necessary if the complaint and the 3301(d) affidavit were served at the same time.

(c)*3 In all cases the moving party is responsible for submitting a proposed decree **in a form required by Pa.R.C.P. 1920.76** prior to court review of the divorce claim.

[**(B) All divorce decrees shall contain the following statement: "The court hereby retains jurisdiction of any claims raised by the parties to this action for which a final order has not yet been entered."**]

(d) Scheduling a Conciliation Before the Court Under Section 3301(d)(1)(ii).

(A) Where the responding party has denied one or more of the allegations set forth in the moving party's affidavit under Section 3301(d) of the Code, either party may obtain a date for conciliation of the divorce claim **from the docket clerk, Room 611, City-County Building, and then filing a "Praecipe for Conciliation Date" listing such date with the Prothonotary, Suite 200, Allegheny Bldg., 429 Forbes Avenue, Pittsburgh, PA, 15219 and serving copies of same on all parties of record.**

(B) [**The party filing the praecipe with the Prothonotary shall deliver a copy of the praecipe to the docket clerk in Room 611 of the City-County Building in order to obtain a conciliation date. Unless there is compliance with this requirement, no conciliation of the divorce claim will be scheduled.**]

[**(C) The party filing the praecipe shall give notice to the opposing party of the conciliation date.**

Editor's Note: amended 5/9/83, effective upon publication in Pa. Bulletin (7/2/83).]

¹ Conforms to amended State Rule 1920.42(d)(1) effective January 1, 1996.

Rule 1920.46. [Representation of Defendant in Military Service.]

★(c) In all actions in divorce, except **3301(c)** claims, where the defendant is in the military service, the plaintiff shall, at the time of the filing of the complaint, petition the court to appoint an attorney to represent the defendant, setting forth in said petition the address of the defendant. A copy of the complaint must be furnished to the attorney thus appointed, who shall then send a copy to the defendant, together with a form of power of attorney authorizing the appointed counsel to appear for the defendant and to accept service of all papers.

Rule 1920.51. Hearing by the Court. Appointment of Master. Notice of Hearing.

Local Rule Regarding Contested and Uncontested Divorce Claims Under Sections **3301(a)** and **3301(b)** of the Divorce Code.

★(f) **Contested Actions.**

(1) All contested actions for divorce or annulment shall be first conciliated by the court. A conciliation date may be obtained from the Family Division Docket Clerk in Room **611** of the City-County Building. If the case cannot be settled at the conciliation, the following rules will apply.

(2) In all contested actions for divorce or annulment the case shall be heard by a master in the absence of a court order to the contrary. Unless the court directs otherwise, the moving party shall be preliminarily responsible for paying the master's fee for trial and preparation of the master's report, the reporter's fees and any costs or poundage due the Prothonotary; all of said sums shall be paid to the Prothonotary prior to the hearing before the master.

(3) Within ten (10) days after the fees are paid into court the master shall give written notice to the parties of a hearing to be held not more than thirty (30) days thereafter. At the time and place set forth in the notice, the master shall begin the hearing and, unless the court directs otherwise, shall continue the same from day to day until completed.

(4) All testimony shall be taken stenographically by one of the reporters of this court or a judge's secretary, and a transcript thereof shall be filed of record within thirty (30) days. Any additional costs of the transcript over the amount deposited shall be paid by the moving party. Any delay in this payment shall be grounds for dismissal of the proceedings unless adequate cause is shown for the delay.

(5) Within thirty (30) days of receipt of the transcript, the master shall file a report making findings of fact and conclusions of law and suggesting a form of decree; the master shall serve copies of the report on the parties and shall file an affidavit of service.

(6) Exceptions to the master's report may be filed by the parties within ten (10) days after receiving notice of the filing of the master's report. Copies of the exceptions shall be served on the opposing party. The acceptant shall, on the date of filing of the exceptions, give a copy of the exceptions to the docket clerk in Room **611** of the City-County Building in order to obtain an argument date.

(7) The master's fee and transcript costs shall be taxed as part of the costs and paid as directed in the final decree.

(8) The master appointed by the court to hear a contested divorce case shall, after prior notice to both parties, petition the Motions Judge to award the master's fees. The petition shall state that the master has filed a report with the Prothonotary and given notice to counsel of the filing thereof and that the master has no further duties to perform and the master shall include a detailed list of the services provided and the amount which the master considers to be reasonable compensation.

***(g) Uncontested Actions Under 3301(a) and (b) of the Code.**

(1) Actions for divorce or annulment which are uncontested shall be listed for hearing upon filing a praecipe for hearing and, except as otherwise provided by Rule 1920.62, depositing the Prothonotary the sum of \$3.00 to be applied as follows: Master's Fee—\$25.00; Court Reporter's fee—\$15.00; poundage and mailing expense—\$3.00 The amount deposited shall be taxed as costs.

(2) The praecipe for hearing shall be in the following form:

Praecipe for Hearing Date
(Caption _____ No. _____)

1. Kindly list the above captioned action for hearing.
2. Defendant was served under Rule [**1920.4(a)(1)(i), (a)(1)(ii) or 1920.4(2).**] **412 or 403.** Serve notice of hearing upon Defendant by ordinary mail addressed as follows:

(address)
or

2. Defendant was served under Rule [**1920.4(i)(1)(iii)**] **430.** Serve notice of hearing upon defendant by registered mail at defendant's last known address:

(address)

with a copy by ordinary mail to each of the following:

(list names and addresses of persons named in the investigation affidavit under [**1920.4(3)**] **430** as likely to know the present whereabouts of the defendant.)

or

2. An appearance has been entered for Defendant. Serve notice of hearing upon Defendant's attorney of record.

Attorney for Plaintiff

(3) All notices of hearing shall be mailed by the Prothonotary at least twenty (20) days before the hearing date, and proof of notice shall be filed of record in the form of a statement of the names and addresses of the persons notified.

(4) Notice of hearing shall be in the following form:

Notice of Hearing

To _____

You are notified that the case of _____ vs _____ No _____ Term _____ will be heard on _____ at _____ o'clock _____ M. (prevailing time) at [**5th Floor Courthouse Building, Grant Street,**] Room No. _____, _____, Pittsburgh, PA, when and where you may appear and be heard if you desire.

Prothonotary

Note: If a party is confined in prison and desires to appear, application may be made to the court for a writ of habeas corpus and testificandum.

(5) The daily list of uncontested actions shall be heard by one or more masters appointed by the administrative judge of the Family Division.

(6) The attorney of record for plaintiff must be available and ready to proceed at the time for which the hearing is scheduled or arrange to have a substitute appear for him, unless (1) the action has become contested or (2) upon cause shown by written motion, the hearing has been continued by court order.

(1) If the action is contested, the procedure for contested actions shall apply.

(2) If the hearing is continued, it will not be relisted for hearing until another praecipe for hearing is filed together with payment to the Prothonotary of the additional sum of \$1.00 to be applied toward the expenses of new service of notice of hearing.

(7) If the action has not become contested or the hearing has not been continued by court order and the plaintiff does not appear at the hearing, the master will be paid from the funds deposited and the action will not be relisted for hearing until another praecipe for hearing is filed and an additional sum of \$27.25 is deposited with the Prothonotary.

(8) The testimony shall be transcribed and filed within ten (10) days of the hearing. Within five (5) days after the testimony has been transcribed and filed, the master shall file a report and recommendations and serve notice thereof on all interested parties. The record, including the master's report and recommendations, shall be submitted to the court for disposition.

(9) In the event the moving party does not wish to file exceptions to the master's report and recommendations, the moving party shall submit a proposed decree in divorce to the court. In the event a party wishes to file exceptions to the master's report and recommendations, the party shall do so within ten (10) days from the filing thereof. The exceptions shall be filed in the office of the Prothonotary with notice to the court and opposing party. Also the acceptant shall provide a copy of the exceptions to the docket clerk in Room 611 of the City-County Building in order to obtain an argument date.

Editor's Note: Adopted May 15, 1981, effective immediately.

Rule 1920.55. Master's Report. Notice. Exceptions. Final Decree.

Local Rule Governing Exceptions

(c)*1. Any party filing exceptions shall immediately serve them upon all other parties and the court reporter and shall, **unless otherwise provided by order of court**, order the transcript of testimony, unless the transcript has previously been filed.

[2. Exceptions shall automatically be placed on the next "Argument List" occurring more than five (5) days after the filing of exceptions.

★3.] (2.) Briefs shall be filed and argument scheduled as provided by order of court after the period for filing exceptions has expired.

[Editor's note: Adopted May 15, 1981, effective immediately.]

Rule 1920.62. Proceedings by Indigent Parties.

(c)*(1.) Any person claiming to be an indigent party and who either desires to commence an action in divorce or is a party to a pending action in divorce in Allegheny County shall be referred to the Allegheny County Bar Association to make application under oath.

* (2.) The Allegheny County Bar Association is hereby authorized to assign an attorney from among its members to represent each applicant determined by it to be an indigent person.

* (3.) An order permitting a party to proceed without payment of costs may provide:

That the Prothonotary shall accept, file, docket and process all pleadings, orders, and decrees without prepayment of costs;

That the Sheriff shall make service and return of service without prepayment of costs;

That the master shall hear the testimony and make and file a report without prepayment of costs.

* (4.) In the event that it is determined that the applicant or any other person who is legally responsible to the applicants is or has become financially able to pay the costs, an order may be entered against that person for the payment of all or any part of costs including reasonable counsel fees.

Editor's note: Adopted May 15, 1981, effective immediately.

Rule 1920.71. Form of Notice.

* (a) The list of marriage counselors is available at **Suite 200, Allegheny Building, 429 Forbes Avenue, Pittsburgh, Pennsylvania 15219.**

* (b) The agency to be named in the notice to defend and claim rights shall be:

Lawyer Referral Service
920 City-County Building
Pittsburgh, PA 15219
Telephone: (412) 261-0518

[Editor's note: Adopted May 15, 1981, effective immediately; amended May 9, 1983, effective upon publication in Pa. Bulletin (July 2, 1983).]

Rule 1920.73.

(a)*3 Date of Service of **[Additional Twenty (20) Day Notice.] Notice of Intention to Request Entry of Divorce Decree**

Additionally, an affidavit of service must be filed in the Prothonotary's office setting forth facts which establish that the **notice of intention to obtain divorce decree** was mailed to the **responding party's** current address or otherwise delivered to responding party. The inclusion in the affidavit of an averment that the notice was mailed by ordinary mail to the **responding party** at his or her current address, with the return address of the sender appearing on the envelope of the mailing, and that such notice was not returned will meet this requirement.²

[(C) Additional Twenty (20) Day Notice.]

Rule 1920.76. Form of Decree.

[*(a) All divorce decrees shall contain the following statement:

² The provisions of this paragraph are superceded and rendered obsolete by amendments to state rule 1920.73 effective January 1, 1996, requiring proof of service within the form of the Notice of Intention to Request Entry of Decree.

(1) Any existing spousal support order shall hereafter be deemed an order for alimony pendente lite.]

Rule 1930.

***(a) Family Division Motions**

1. Family Division motions may be presented to the motions judge at 1:30 p.m. on each court day. Motions will not be heard at any other time.

2. The party who presents a motion shall include a notice of presentation and certificate of service in the absence of written consent thereto. The notice of presentation and certificate of service shall be contained on a separate page of the motion or petition following the identification sheet. This notice is required even if the opposing party is not represented by counsel. Seven (7) days notice of presentation of any motion is required absent an emergency or consent by the opposing party to a shorter notice of presentation.

3. On the same date that the motion is presented, the party who presents a motion to the motions' judge shall obtain any required hearing or conciliation date from the Family Division docket clerk and file with the Prothonotary the motion and the court order entered by the court. If a party fails to present the motion to the Docket Clerk **as required by this Rule [on the date signed]** the Docket Clerk shall refuse to give a hearing or conciliation date. If the signed order schedules a conference or hearing before a domestic relations officer, a copy of the pleading and order must be left with the docket clerk.

4. The *Pittsburgh Legal Journal* publishes a monthly list setting forth the dates that a judge assigned to the Adult Section of the Family Division will hear motions. Unless there are unusual circumstances, where a judge has been actively involved in the matter that is the subject of the motion, counsel should present the motion to the assigned judge.

5. Any motion which involves support payments that are assigned to the Pennsylvania Department of Public Welfare shall include Notice of Presentation to counsel for the Department of Public Welfare, 1403 State Office Building, 300 Liberty Avenue, Pittsburgh, PA 15222.

6. Any motion involving a matter under RURESA shall include Notice of Presentation to the County Solicitors Office, Fort Pitt Commons, 3rd Floor, 445 Fort Pitt Blvd., Pittsburgh, PA 15219 or other counsel of record.

***(b) Procedure for Preliminary Objections and Motions for Judgment on the Pleadings or Summary Judgment**

1. Preliminary Objections

Preliminary Objections shall be scheduled on the next available Friday Support Exception Argument List occurring more than thirteen (13) days after the Preliminary Objections are filed with the Prothonotary and the Hearing Officer's Secretary in Room 616, City-County Building. Objector shall serve notice on all parties of the time and place of argument. No preliminary objections shall be accepted for filing by the Hearing Officer's Secretary unless accompanied by a brief. Failure to file a brief with the Preliminary Objections shall be cause for dismissal of the Preliminary Objections. If Respondent files a brief it shall be filed with the Hearing Officer's Secretary at least seven (7) days prior to argument. The scheduling of Preliminary Objections shall stay all proceedings.

2. Motions for Judgment on the Pleadings or Summary Judgment

Motions for Judgment on the Pleadings or Summary Judgment shall be scheduled on the next available Friday Support Exception Argument List occurring more than forty-one (41) days after the motion is filed. Movant shall serve notice on all parties of the time and place of argument. Respondent's Answer, if any, together with any opposing affidavits shall be filed at least twenty-one (21) days prior to the argument date. Movant shall file a brief at least fourteen (14) days prior to argument. Respondent's brief, if any, shall be filed at least seven (7) days prior to argument.

***(c) Scheduling Conciliations**

Matters that are tried by a judge will not be listed for trial until they have been conciliated by a judge.

[A party filing an inventory may deliver a praecipe to the "Minute Clerk" in Suite 200, Allegheny Building, 429 Forbes Avenue requesting a Rule to be issued compelling the opposing party to comply with Pa.R.C.P. 1920.31 and/or 1920.33 to file his or her inventory.]

The following matters may be scheduled for a conciliation by filing a praecipe with the Docket Clerk in Room 611 of the City-County Building: conciliation on 3301(d) divorce claims; custody claims with order of court attached, see Pa.R.C.P. 1915.15(a) and (c); partition and equity claims and equitable distribution and alimony claims (provided that both parties have filed an inventory, appraisal, income and expense statement and that either (a) the parties are divorced, (b) both parties have filed an affidavit under Section 3301(c) of the Divorce Code or (c) both parties agree that they have lived separate and apart for at least two years and that the marriage is irretrievably broken). Form 1930*C1 is to accompany the praecipe for equitable distribution conciliation. In all cases where a party requests a conciliation on a claim for custody the party or counsel must sign a certification that a genuine issue involving physical custody for more than 50% of the time is involved. (Form 1930*C2) All parties involved in custody proceedings are directed by the court to view a film on custody prior to the first scheduled conference or hearing.

For other matters a party may present a petition to the motions judge which contains the factual background, the relief sought, and a request for conciliation.

***(d) CONTINUANCES**

Effective April 29, 1991, in accordance with the Prothonotary Fee Bill, no Order of Court continuing a conference hearing in the Adult Section of the Family Division, at the request of an attorney or party, will be accepted by the Prothonotary for docketing and filing without payment of the required \$15 filing fee.

1. Continuances of Conciliation, Arguments or Hearings Before a Judge, Hearing Officer or Domestic Relations Officer.

No conciliation, argument or hearing before a judge, hearing officer or domestic relations officer will be continued without an order of court. Notice of the presentation of the request must be given to the opposing party, including an opposing party who is not represented by counsel **in conformity with Local Rule 1930*(a).**

A scheduled DRO conference or hearing before a Hearing Officer may be "continued generally" by order of court or a stipulation signed by both parties or their counsel (Court Manual, Form 14). Any matter which is continued generally will not be relisted without a court order signed by the motions judge.

A copy of any court order or stipulation continuing a Family Division matter must be immediately given to the Family Division Docket Clerk in Room 611, City-County Building to prevent dismissal of the scheduled action.

Whenever a new date is obtained through a court order, counsel for the party obtaining the court order is responsible for notifying all parties of the time and date of the rescheduled conference or hearing. In a RURESAs case, the County Solicitor's Office must be given notice at Fort Pitt Commons, 3rd Floor, 445 Fort Pitt Boulevard, Pittsburgh, PA 15219.

A party unrepresented by counsel may obtain a continuance of a DRO conference and hearing before a Hearing Officer in the manner outlined above.

In addition, an unrepresented party seeking to continue or reschedule a DRO conference or hearing before a Hearing Officer may report to Room 603 of the City-County Building to meet with a screening DRO. The unrepresented party shall present information explaining why the conference or hearing should be continued. In the event that the screening DRO determines that a continuance is necessary, the DRO will obtain a court order continuing and/or rescheduling the conference or hearing. **ONLY NON-WELFARE CASES CAN BE CONTINUED AS EXPLAINED ABOVE.** Any request by an unrepresented party must be made at least five (5) days prior to the date set for the hearing so that the other side may receive sufficient notice of the continuance.

***(e) Enforcement of an Equitable Distribution Award**

A party seeking to enforce an equitable distribution award shall present to the motions judge a petition for enforcement with a proposed order requesting the court to schedule a conciliation or a contempt hearing before a hearing officer. No petition shall be presented unless notice of its presentation is given to the respondent. If the court enters an order permitting the petitioner to proceed, the petitioner shall obtain immediately from the Docket Clerk a date for the conciliation or contempt hearing, file the original copy of the petition with the Prothonotary, serve the respondent with the court order and file proof of service.

***(f) Use of Case Numbers in the Adult Section of the Family Division**

All pleadings filed with the Adult Section of the Family Division [**should**] **shall** be filed under the originally assigned case number for the involved family. After an original case number has been assigned all pleadings, regardless of the caption or nature of the case, [**should**] **shall** be filed under the originally assigned number. The caption [**should**] **shall** reflect the appropriate party initiating each original action as the plaintiff regardless of previous filings [**and**] each [**the**] caption [**should**] **shall** remain the same during the pendency of each action.

If counsel or a party believes that there may be a previously assigned case number, but the number is not known, the information may be obtained from the Prothonotary's Name Index located on the mezzanine level of the Prothonotary's Office in the City-County Building.

***(g) Court Manual**

Except as otherwise provided by the Pennsylvania Rules of Civil Procedure (Pa.R.C.P.) or by general rule adopted by the Court of Common Pleas of Allegheny County (Local Rules), practice in the Adult Section of the Family Division shall be gov-

erned by the Court Manual for the Adult Section of Family Division of the Court of Common Pleas of Allegheny County. Current copies of the Court Manual shall be available at the office of the Administrator, Adult Section of the Family Division.

Title 25—LOCAL COURT RULES

BRADFORD COUNTY

Rule of Civil Procedure 1910.10; No. 95IR000066

Order

And Now, this 3rd day of January, 1996, the court hereby adopts the following Bradford County Rule of Civil Procedure, to be effective thirty (30) days after the date of publication in the *Pennsylvania Bulletin*.

It is further ordered that the District Court Administrator shall file seven (7) certified copies of this Rule with the Administrative Office of the Pennsylvania Courts, two (2) certified copies to the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*, one (1) certified copy to the Domestic Relations Committee and one (1) copy to the *Bradford County Law Journal* for publication in the next issue of the *Bradford County Law Journal*.

It is further ordered that this local rule shall be kept continuously available for public inspection and copying in the Clerk of Courts Office.

By the Court

JEFFREY A. SMITH,
President Judge

Rule of Court 1910.10.

All support proceedings shall be conducted under the Alternative Hearing Procedure of Rule 1910.12 of the Pennsylvania Rules of Civil Procedure.

[Pa.B. Doc. No. 96-94. Filed for public inspection January 26, 1996, 9:00 a.m.]

NORTHAMPTON COUNTY

Orphans' Court Rule 14—Estates of Incapacitated Persons

Order of Court

And Now, this 30th day of December, 1995, the title of Northampton County Orphans' Court Rule N14.5.1 is amended to read "PAYMENTS DURING INCAPACITY". There is no change in the text of said rule, which was adopted December 7, 1995, and becomes effective January 22, 1996.

By the Court

ROBERT A. FREEDBERG,
President Judge

DEPARTMENT OF ENVIRONMENTAL PROTECTION

[Correction]

[25 PA. CODE CH. 86]

Surface and Underground Coal Mining: General

An error occurred in the document amending § 86.5 (relating to extraction of coal incidental to noncoal surface mining) which appeared at 25 Pa.B. 5821, 5831 (December 16, 1995). Subsection (d) was printed incorrectly. The correct version of § 86.5(d) is as follows, with ellipses referring to the existing text of the section.

This section will be codified in the *Pennsylvania Code Reporter* (Master Transmittal Sheet No. 255) (February, 1996).

§ 86.5. Extraction of coal incidental to noncoal surface mining.

* * * * *

(d) A person who has commenced incidental extraction of coal under a noncoal mining activity permit prior to December 16, 1995, may continue the extraction until February 14, 1996, after which no further incidental coal extraction may occur unless that person files an administratively complete request for exemption as described in subsection (g). Incidental coal extraction may then continue until the Department has made its final decision and written determination on the request for exemption.

Title 49—PROFESSIONAL AND VOCATIONAL STANDARDS

STATE BOARD OF CHIROPRACTIC

[49 PA. CODE CH. 5]

Examination Fees

The State Board of Chiropractic (Board) amends § 5.6 (relating to fees) pertaining to the requisite licensure examinations and corresponding fees for the May 1996, and subsequent examinations for licensure as set forth in Annex A.

Under section 812.1 of The Administrative Code of 1929 (71 P. S. § 279.3a) and section 502(d) of the Chiropractic Practice Act (act) (63 P. S. § 625.502(d)), examinations for licensure must be prepared and administered by a professional testing organization under contract to the Board. This amendment notifies candidates of examinations and examination fees commencing with the May 1996, examination.

In December 1995, the Board administered the Oral/Practical Examination in Chiropractic Technic and Jurisprudence (§45) as had been done in the past. However, for the May 1996 examination, the Board will only administer the practical part of the Oral/Practical Examination in Chiropractic Technic and Jurisprudence. The jurisprudence portion will consist of the new Pennsylvania Chiropractic Law Examination (§87), to be administered by a professional testing organization.

Public notice of intention to amend § 5.6 under the procedures specified in sections 201 and 202 of the act of July 31, 1968 (CDL) (P. L. 769 No. 240) (45 P. S. §§ 1201 and 1202), has been omitted as authorized under section 204(3) of the CDL (45 P. S. § 1204(3)), because the Board finds that these procedures are, under the circumstances, unnecessary. Public comment is unnecessary because section 812.1 of The Administrative Code of 1929 requires that candidate fees cover the cost of the examination. Persons affected by the amendment have been given actual notice of the Board's intention to amend § 5.6 in advance of final rulemaking under section 204(2) of the CDL.

Statutory Authority

This amendment is adopted under section 812.1 of The Administrative Code of 1929 and section 1101 of the act (63 P. S. § 625.1101).

Fiscal Impact and Paperwork Requirements

The amendment will have no fiscal impact on the Commonwealth or its political subdivisions. Candidates for licensure by examination will be required to pay an increased fee to cover contract costs for the examination.

Regulatory Review

Under section 5(f) of the Regulatory Review Act (71 P. S. § 745.5(f)), a copy of the amendment was submitted on December 8, 1995, to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the Senate Committee on Consumer Protection and Professional Licensure and the House Committee on Professional Licensure. In addition, at the same time, the amendment was submitted to the Office of Attorney General for review and comment under the Commonwealth Attorneys Act (71 P. S. §§ 732-101—732-506).

Under section 5(c) of the Regulatory Review Act, the amendment was approved by the House and Senate Committees on December 13, 1995, and approved by IRRC on January 3, 1996.

Additional Information

Individuals who desire information are invited to submit inquiries to Kathleen McLinn, Board Administrator, State Board of Chiropractic, P. O. Box 2649, Harrisburg, PA 17105-2649, (717) 783-7156.

Findings

The Board finds that:

(1) Public notice of intention to amend the regulation adopted by this order under the procedures specified in sections 201 and 202 of the CDL, has been omitted under the authority contained in section 204(3) of the CDL, because the Board has, for good cause, found that the procedure specified in sections 201 and 202 of the CDL, is in this circumstance, unnecessary, because section 812.1 of The Administrative Code of 1929 requires that candidate fees cover the cost of the examination.

(2) Persons affected by the amendment adopted by this order have been given actual notice of the Board's intention to amend the regulation in advance of final rulemaking under section 204(2) of the CDL.

(3) The amendment of the regulation of the Board in the manner provided in this order is necessary and appropriate for the administration of its authorizing statute.

Order

The Board, acting under its authorizing statute, orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 5, are amended by amending § 5.6 to read as set forth in Annex A.

(b) The Chairperson of the Board shall submit this order and Annex A to the Office of General Counsel and the Office of Attorney General for approval as to legality as required by law.

(c) The Chairperson of the Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall be come effective immediately upon publication in the *Pennsylvania Bulletin*, and apply to examinations given in May 1996.

RANDY W. MCCALL, D.C.,
Chairperson

(Editor's Note: For the text of the order of the Independent Regulatory Review Commission relating to this document, see 26 Pa.B. 284 (January 20, 1996).)

Fiscal Note: 16A-435. No fiscal impact; (8) recommends adoption.

Annex A

TITLE 49. PROFESSIONAL AND VOCATIONAL STANDARDS

License Restoration	\$25

[Pa.B. Doc. No. 96-96. Filed for public inspection January 26, 1996, 9:00 a.m.]

STATE BOARD OF COSMETOLOGY

[49 PA. CODE CH. 7]

Examination Fees

The State Board of Cosmetology (Board) amends § 7.2 (relating to fees) pertaining to increased fees for January 1996, and subsequent examinations for licensure as set forth in Annex A.

Under section 812.1 of The Administrative Code of 1929 (71 P.S. § 279.3a), and section 16 of the Cosmetology Law (act) (63 P.S. § 522), examinations for licensure must be prepared and administered by a professional testing organization under contract to the appropriate board. This amendment will change fees for examinations to candidates for licensure to reflect contract costs for examination services. Beginning with the January 1996 examination, the professional testing contractor will offer the written examination in two parts: State law and regulations and the NIC examination. The theory only examination will no longer be available. Also, contract costs will change for examinations given on and after July 1996.

Public notice of intention to amend § 7.2 under the procedures specified in sections 201 and 202 of the act of July 31, 1968 (CDL) (P.L. 769, No. 240) (45 P.S. §§ 1201 and 1202), has been omitted as authorized under section 204(3) of the CDL (45 P.S. § 1204(3)), because the Board finds that these procedures are, under the circumstances, unnecessary. Public comment is unnecessary because section 812.1 of The Administrative Code of 1929 requires that candidate fees cover the cost of the examination. Persons affected by the amendment have been given actual notice of the Board's intention to amend § 7.2 in advance of final rulemaking under section 204(2) of the CDL.

Statutory Authority

This amendment is adopted under section 812.1 of The Administrative Code of 1929 and section 16 of the act.

Fiscal Impact and Paperwork Requirements

The amendment will have no fiscal impact on the Commonwealth or its political subdivisions. Candidates for licensure by examination will be required to pay an increased fee to cover contract costs for the examination.

Regulatory Review

Under section 5(f) of the Regulatory Review Act (71 P.S. § 745.5(f)), a copy of the amendment was submitted on December 6, 1995, to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the Senate Committee on Consumer Protection and Professional Licensure and the House Committee on Professional Licensure. In addition, at the same time, the amendment was submitted to the Office of Attorney General for review and comment under the Commonwealth Attorneys Act (71 P.S. §§ 732-1—732-506).

Under section 5(c) of the Regulatory Review Act, the amendment was approved by the House Committee on December 13, 1995, deemed approved by the Senate Committee on December 26, 1995, and approved by IRRC on January 3, 1996.

Additional Information

Individuals who desire information are invited to submit inquiries to Sara Sulpizio, Board Administrator, State Board of Cosmetology, P.O. Box 2649, Harrisburg, PA 17105-2649, (717) 783-7130.

Findings

The Board finds that:

(1) Public notice of intention to amend the regulation adopted by this order under the procedures specified in sections 201 and 202 of the CDL, has been omitted under the authority contained in section 204(3) of the CDL, because the Board has, for good cause, found that the procedure specified in sections 201 and 202 of the CDL, is in this circumstance, unnecessary, because section 812.1 of The Administrative Code of 1929 requires candidate fees cover the cost of the examination.

(2) Persons affected by the amendment adopted by this order have been given actual notice of the Board's intention to amend the regulation in advance of final rulemaking under section 204(2) of the CDL.

(3) The amendment of the regulation of the Board in the manner provided in this order is necessary and appropriate for the administration of its authorizing statute.

Order

The Board, acting under its authorizing statute, orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 7, are amended by amending § 7.2 to read as set forth in Annex A.

(b) The Chairperson of the Board shall submit this order and Annex A to the Office of General Counsel and the Office of Attorney General for approval as to legality as required by law.

(c) The Chairperson of the Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall become effective immediately upon publication in the Pennsylvania Bulletin, and apply to examinations administered on and after January 1, 1996.

ANTONETTE J. GRYG0,
Chairperson

(Editor's Note: For the text of the order of the Independent Regulatory Review Commission relating to this document, see 26 Pa.B. 284 (January 20, 1996).)

Fiscal Note: 16A-452. No fiscal impact; (8) recommends adoption.

STATE BOARD OF LANDSCAPE ARCHITECTS

**[49 PA. CODE CH. 15]
Examination Fees**

The State Board of Landscape Architects (Board) amends § 15.12 (relating to fees) pertaining to increased fees for December 1995, and subsequent examinations for licensure as set forth in Annex A.

Under section 812.1 of The Administrative Code of 1929 (71 P.S. § 279.3a), and section 4(2) and (3) of the Landscape Architects Registration Law (act) (63 P.S. § 904(2) and (3)), examinations for licensure must be prepared and administered by a professional testing organization under contract to the appropriate board. This amendment will change fees for examinations to candidates for licensure. Contract costs for examination services increased beginning December 1995, under the

new contract with the Council of Landscape Architectural Registration Boards executed September 1, 1995.

Public notice of intention to amend § 15.12 under the procedures specified in sections 201 and 202 of the act of July 31, 1968 (CDL) (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202), has been omitted as authorized under section 204(3) of the CDL (45 P. S. § 1204(3)), because the Board finds that these procedures are, under the circumstances, unnecessary. Public comment is unnecessary because section 812.1 of The Administrative Code of 1929 requires that candidate fees cover the cost of the examination. Persons affected by this amendment have been given actual notice of the Board's intention to amend § 15.12 in advance of final rulemaking under section 204(2) of the CDL.

Statutory Authority

This amendment is adopted under section 812.1 of The Administrative Code of 1929 and section 4(2) and (3) of the act.

Fiscal Impact and Paperwork Requirements

The amendment will have no fiscal impact on the Commonwealth or its political subdivisions. Candidates for licensure by examination will be required to pay an increased fee to cover contract costs for the examination.

Regulatory Review

Under section 5(f) of the Regulatory Review Act (71 P. S. § 745.5(f)), a copy of the amendment was submitted on December 6, 1995, to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the Senate Committee on Consumer Protection and Professional Licensure and the House Committee on Professional Licensure. In addition, at the same time, the amendment was submitted to the Office of Attorney General for review and comment under the Commonwealth Attorneys Act (71 P. S. §§ 732-1—732-506).

Under section 5(c) of the Regulatory Review Act, the amendment was approved by the House Committee on December 13, 1995, deemed approved by the Senate Committee on December 26, 1995, and approved by IRRC on January 3, 1996.

Additional Information

Individuals who desire information are invited to submit inquiries to Dorna Thorpe, Board Administrator, State Board of Landscape Architects, Post Office Box 2649, Harrisburg, PA 17105-2649, (717) 783-3397.

Findings

The Board finds that:

(1) Public notice of intention to amend the regulation adopted by this order under the procedures specified in sections 201 and 202 of the CDL, has been omitted under the authority contained in section 204(3) of the CDL, because the Board has, for good cause, found that the procedure specified in sections 201 and 202 of the CDL is in this circumstance, unnecessary, because section 812.1 of The Administrative Code of 1929 requires candidate fees cover the cost of the examination.

(2) Persons affected by the amendment adopted by this order have been given actual notice of the Board's intention to amend the regulation in advance of final rulemaking under section 204(2) of the CDL.

(3) The amendment of the regulation of the Board in the manner provided in this order is necessary and appropriate for the administration of its authorizing statute.

Order

The Board, acting under its authorizing statute, orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 15, are amended by amending § 15.12 to read as set forth in Annex A.

(b) The Chairperson of the Board shall submit this order and Annex A to the Office of General Counsel and the Office of Attorney General for approval as to legality as required by law.

(c) The Chairperson of the Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall become effective immediately upon publication in the *Pennsylvania Bulletin*, and apply to examinations administered on and after September 1, 1995.

DAVID M. DUTOT, LA,
Chairperson

(Editor's Note: For the text of the order of the Independent Regulatory Review Commission relating to this document, see 26 Pa.B. 284 (January 20, 1996).)

Fiscal Note: 16A-611. No fiscal impact; (8) recommends adoption.

 - (10) Biennial registration fee..... \$125

[Pa.B. Doc. No. 96-98. Filed for public inspection January 26, 1996, 9:00 a.m.]

STATE BOARD OF PODIATRY

**[49 PA. CODE CH. 29]
Examination Fees**

The State Board of Podiatry (Board) amends §§ 29.13 and 29.83 (relating to fees; and examinations) pertaining

to increased fees for the radiology and licensure examinations for October and December 1995, respectively, and subsequent examinations for licensure as set forth in Annex A.

Under section 812.1 of The Administrative Code of 1929 (71 P. S. § 279.3a) and sections 4, 14 and 21.2 of the Podiatry Practice Act (act) (63 P. S. §§ 42.4, 42.14 and 42.21c), examinations for licensure must be prepared and administered by a professional testing organization under contract to the appropriate board. These amendments will change fees for examinations to candidates for licensure.

Public notice of intention to amend §§ 29.13 and 29.83 under the procedures specified in sections 201 and 202 of the act of July 31, 1968 (CDL) (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202) has been omitted as authorized under section 204(3) of the CDL (45 P. S. § 1204(3)), because the Board finds that these procedures are, under the circumstances, unnecessary. Public comment is unnecessary because section 812.1 of The Administrative Code of 1929 requires that candidate fees cover the cost of the examination. Persons affected by the amendments have been given actual notice of the Board's intention to amend §§ 29.13 and 29.83 in advance of final rulemaking under section 204(2) of the CDL.

Statutory Authority

These amendments are adopted under section 812.1 of The Administrative Code of 1919 and sections 4, 14 and 21.2 of the act.

Fiscal Impact and Paperwork Requirements

The amendments will have no fiscal impact on the Commonwealth or its political subdivisions. Candidates for licensure by examination will be required to pay an increased fee to cover contract costs for the examination.

Regulatory Review

Under section 5(f) of the Regulatory Review Act (71 P. S. § 745.5(f)), a copy of the amendments was submitted on December 7, 1995, to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the Senate Committee on Consumer Protection and Professional Licensure and the House Committee on Professional Licensure. In addition, at the same time, the amendments were submitted to the Office of Attorney General for review and comment under the Commonwealth Attorneys Act (71 P. S. §§ 732-1—732-506).

Under section 5(c) of the Regulatory Review Act, the amendments were approved by the House Committee on December 13, 1995, deemed approved by the Senate Committee on December 27, 1995, and were approved by IRRC on January 3, 1996.

Additional Information

Individuals who desire information are invited to submit inquiries to Shirley Klinger, Board Administrator, State Board of Podiatry, P. O. Box 2649, Harrisburg, PA 17105-2649, (717) 783-7134.

Findings

The Board finds that:

(1) Public notice of intention to amend the regulations adopted by this order under the procedures specified in sections 201 and 202 of the CDL, has been omitted under the authority contained in section 204(3) of the CDL, because the Board has, for good cause, found that the procedure specified in sections 201 and 202 of the CDL, is in this circumstance, unnecessary, because section 812.1

of The Administrative Code of 1929 requires that candidate fees cover the cost of the examination.

(2) Persons affected by the amendments adopted by this order have been given actual notice of the Board's intention to amend the regulations in advance of final rulemaking under section 204(2) of the CDL.

(3) The amendment of the regulations of the Board in the manner provided in this order is necessary and appropriate for the administration of its authorizing statute.

Order

The Board, acting under its authorizing statute, orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 29, are amended by amending §§ 29.13 and 29.83 to read as set forth in Annex A.

(b) The Chairperson of the Board shall submit this order and Annex A to the Office of General Counsel and the Office of Attorney General for approval as to legality as required by law.

(c) The Chairperson of the Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall become effective immediately upon publication in the *Pennsylvania Bulletin*, and apply to examinations administered on and after September 1, 1995.

STANLEY E. BOC, D.P.M.,
Chairperson

(Editor's Note: For the text of the order of the Independent Regulatory Review Commission relating to this document, see 26 Pa.B. 284 (January 20, 1996).)

Fiscal Note: 16A-441. No fiscal impact; (8) recommends adoption.

Annex A

TITLE 49. PROFESSIONAL AND VOCATIONAL STANDARDS

PART I. DEPARTMENT OF STATE

Subpart A. PROFESSIONAL AND OCCUPATIONAL AFFAIRS

CHAPTER 29. STATE BOARD OF PODIATRY LICENSES

§ 29.13. Fees.

(a) The schedule of fees charged by the Board is as follows:

Examination or reexamination.....	\$345
Effective June 1996.....	\$395
Initial license.....	\$25
Biennial renewal of license.....	\$175
License by reciprocity.....	\$105
Branch office certificate.....	\$20
Application for approval of educational conference .	\$50
Certification of licensure or scores.....	\$15
Verification of licensure.....	\$10

(b) Fees for examination or reexamination and initial license shall accompany the application. Refunds of fees for examination or reexamination and initial license shall be as specified in the application for examination.

(c) Other fees shall accompany applications and be made payable to the "Commonwealth of Pennsylvania" by personal check or money order. These fees will not be refunded.

PERFORMANCE OF RADIOLOGICAL PROCEDURES BY AUXILIARY PERSONNEL

§ 29.83. Examinations.

(a) An examination in radiology shall cover the subjects of anatomy, physiology and physics for technicians and radiographers, with emphasis being placed on the scope of the practice of podiatric medicine.

(b) Applications for examination shall be completed on forms furnished by the Board and submitted at least 60 days prior to the scheduled date of the examination to the State Board of Podiatry, Post Office Box 2649, Harrisburg, Pennsylvania 17105-2649.

(c) The fee for examination is \$87.

[Pa.B. Doc. No. 96-99. Filed for public inspection January 26, 1996, 9:00 a.m.]

STATE BOARD OF EXAMINERS OF NURSING HOME ADMINISTRATORS
[49 PA. CODE CH. 39]
Examination Fees

The State Board of Examiners of Nursing Home Administrators (Board) amends § 39.72 (relating to fees) pertaining to increased fees for October 1995, and subsequent examinations for licensure as set forth in Annex A.

Under section 812.1 of The Administrative Code of 1929 (71 P. S. § 279.3a), and section 7.1 of the Nursing Home Administrators Act (act) (63 P. S. § 1107.1), examinations for licensure must be prepared and administered by a professional testing organization under contract to the appropriate board. This amendment will change fees for examinations to candidates for licensure. Contract costs for examination services increased October 1995, under the new contract executed September 1, 1995.

Public notice of intention to amend § 39.72 under the procedures specified in sections 201 and 202 of the act of July 31, 1968 (CDL) (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202), has been omitted as authorized under section 204(3) of the CDL (45 P. S. § 1204(3)), because the Board finds that these procedures are, under the circumstances, unnecessary. Public comment is unnecessary because section 812.1 of The Administrative Code of 1929 requires that candidate fees cover the cost of the examination. Persons affected by the amendment have been given actual notice of the Board's intention to amend § 39.72 in advance of final rulemaking under section 204(2) of the CDL.

Statutory Authority

This amendment is adopted under section 812.1 of The Administrative Code of 1929 and section 7.1 of the act.

Fiscal Impact and Paperwork Requirements

The amendment will have no fiscal impact on the Commonwealth or its political subdivisions. Candidates for licensure by examination will be required to pay an increased fee to cover contract costs for the examination.

Regulatory Review

Under section 5(f) of the Regulatory Review Act (71 P. S. § 745.5(f)), a copy of the amendment was submitted

on December 7, 1995, to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the Senate Committee on Consumer Protection and Professional Licensure and the House Committee on Professional Licensure. In addition, at the same time, the amendment was submitted to the Office of Attorney General for review and comment under the Commonwealth Attorneys Act (71 P. S. §§ 732-1—732-506).

Under section 5(c) of the Regulatory Review Act, the amendment was deemed approved by the House Committee on December 13, 1995, deemed approved by the Senate Committee on December 27, 1995, and was approved by IRRC on January 3, 1996.

Additional Information

Individuals who desire information are invited to submit inquiries to Melissa Wilson, Board Administrator, State Board of Examiners of Nursing Home Administrators, P. O. Box 2649, Harrisburg, PA 17105-2649, (717) 783-7155.

Findings

The Board finds that:

(1) Public notice of intention to amend the regulation adopted by this order under the procedures specified in sections 201 and 202 of the CDL has been omitted under the authority contained in section 204(3) of the CDL because the Board has, for good cause, found that the procedure specified in sections 201 and 202 of the CDL is in this circumstance, unnecessary, because section 812.1 of The Administrative Code of 1929 requires candidate fees cover the cost of the examination.

(2) Persons affected by the amendment adopted by this order have been given actual notice of the Board's intention to amend the regulations in advance of final rulemaking under section 204(2) of the CDL.

(3) The amendment of the regulations of the Board in the manner provided in this Order is necessary and appropriate for the administration of its authorizing statute.

Order

The Board acting under its authorizing statute, orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 39, are amended by amending § 39.72 to read as set forth in Annex A.

(b) The Chairperson of the Board shall submit this order and Annex A to the Office of General Counsel and the Office of Attorney General for approval as to legality as required by law.

(c) The Chairperson of the Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall become effective immediately upon publication in the *Pennsylvania Bulletin*, and apply to examinations administered on and after September 1, 1995.

RONALD GABRIEL,
Chairperson

(Editor's Note: For the text of the order of the Independent Regulatory Review Commission relating to this document, see 26 Pa.B. 284 (January 20, 1996).)

Fiscal Note: 16A-621. No fiscal impact; (8) recommends adoption.

PROPOSED RULEMAKING

INDEPENDENT REGULATORY REVIEW COMMISSION

[1 PA. CODE CH. 101 AND 103]

Amendments to Final-Omitted Regulations; Regu- latory Review

The Independent Regulatory Review Commission (IRRC) published a proposed rulemaking at 25 Pa.B. 6103 (December 30, 1995). Regulatory review information was not deposited with the Legislative Reference Bureau and should have appeared as follows:

Under section 11(a) of the Regulatory Review Act (71 P. S. § 745.11(a)), on January 16, 1996, IRRC delivered a copy of these proposed amendments to the Chairperson of the Senate Rules and Executive Nominations Committee and redelivered copies of the proposed amendments to the Joint Committee on Documents (JCD) and to the Chairperson of the House State Government Committee. In addition to submitting the proposed amendments, IRRC has provided the JCD and the Committees with a copy of a detailed Regulatory Analysis Form. A copy of this material is available to the public upon request. If either Committee objects to any provision in the proposed amendments, it will notify IRRC of its objections within

20 days from the close of the public comment period. If the JCD objects to any provision in the proposed amendments it will notify IRRC of its objections within 30 days from the close of the public comment period. The notification shall specify the regulatory review criteria which have not been satisfied by that provision.

(Editor's Note: Under the Regulatory Review Act (71 P. S. §§ 745.1—745.15), the JCD assumes the role of reviewer normally held by IRRC in the case of rules proposed by IRRC itself).

Contact Persons

All interested persons are invited to submit written comments regarding the proposed amendments within 45 days from December 30, 1995, the date of publication of the proposed amendments in the *Pennsylvania Bulletin*. Comments should be submitted to Mary S. Wyatt, Chief Counsel, Independent Regulatory Review Commission, 333 Market Street, 14th Floor, Harrisburg, PA 17101.

Responses may be brought to the attention of the Joint Committee by contacting Gary R. Hoffman, Secretary, Joint Committee on Documents c/o *Pennsylvania Code* and *Pennsylvania Bulletin*, Room 647, Main Capitol Building, Harrisburg, PA 17120.

Secretary

[Pa.B. Doc. No. 96-103. Filed for public inspection January 26, 1996, 9:00 a.m.]

Maximum Lawful Rate of Interest for Residential Mortgages for the Month of February 1996

The Department of Banking of the Commonwealth of Pennsylvania, under the authority contained in section 301 of the act of January 30, 1974 (P. L. 13, No. 6) (41 P. S. § 301), hereby determines that the maximum lawful rate of interest for residential mortgages for the month of February is 8 1/2%.

The interest rate limitations under the State's usury statute were preempted to a great extent by Federal law, the Depository Institutions Deregulation and Monetary Control Act of 1980 (Pub.L. 96-221). Further preemption was instituted with the signing of Pub.L. 96-399, which overrode State interest rate limitations on any individual who finances the sale or exchange of residential real property which such individual owns and which such

individual occupies or has occupied as a principal residence.

Each month the Department of Banking is required by State law to compute and announce the ceiling rate on residential mortgages in Pennsylvania. This maximum rate is determined by adding 2.50 percentage points to the yield rate on long-term government bonds as published by the Federal Reserve Board and/or the U. S. Treasury. The latest yield rate on long-term government securities is 6.11 to which was added 2.50 percentage points for a total of 8.61 that by law is rounded off to the nearest quarter at 8 1/2%.

RICHARD C. RISHEL,
Secretary

[Pa.B. Doc. No. 96-104. Filed for public inspection January 26, 1996, 9:00 a.m.]

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Applications, Actions and Special Notices

APPLICATIONS

The following parties have applied for an NPDES permit to discharge controlled wastewaters into the surface waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions. These proposed determinations are tentative.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.6E.

Persons wishing to comment on the proposed permit are invited to submit a statement to the office noted above the application within 30 days from the date of this public notice. Comments received within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant.

Following the 30-day comment period, the Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, proposed effluent limitations and special conditions, comments received and other information are on file and may be inspected and arrangements made for copying at the office indicated above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

Applications for National Pollutant Discharge Elimination System (NPDES) Permit to discharge to State waters.

Northeast Regional Office: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, telephone (717) 826-2511.

PA 0020028. Sewerage, **Air Products and Chemicals, Inc.**, Richard Meiser, P. O. Box 351, R. R. 1, Tamaqua, PA 18252.

This proposed action is for issuance of an NPDES permit to discharge treated sewage into Neifert Creek in Rush Township, **Schuylkill County**. This is an existing discharge proposing a greater volume of wastewater.

The receiving stream is classified for the following uses: cold water fishery, aquatic life, water supply and recreation.

For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing downstream potable water supply (PWS) considered during the evaluation is the Borough of Pottstown Water Authority located on the Schuylkill River in Montgomery County.

The proposed effluent limits for Outfall 001 based on a design flow of 0.0075 mgd are:

<i>Parameter</i>	<i>Monthly Average (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25.0	50.0
Total Suspended Solids	30.0	60.0
Fecal Coliforms	200/100 ml as a geometric mean	
pH	6.0—9.0 standard units at all times	
Total Residual Chlorine	1.2	2.8

The EPA waiver is in effect.

Southcentral Regional Office: Regional Water Management Program Manager, One Ararat Boulevard, Harrisburg, PA 17110, telephone (717) 657-4590.

PA 0024228. Industrial waste, SIC: 2015, **Pennfield Farms**, Poultry Meat Division, P. O. Box 70, U. S. Route 22, Fredericksburg, PA 17026.

This application is for renewal of an NPDES permit for an existing discharge of treated industrial waste to Deep Run, in Bethel Township, **Lebanon County**.

The receiving stream is classified for warm water fish, recreation, water supply and aquatic life. For the purpose of evaluating effluent requirements, the existing downstream potable water supply intake considered during the evaluation was the Pennsylvania American Water Company located in South Hanover Township, Dauphin County. The discharge is not expected to impact any potable water supply.

The proposed effluent limits for Outfall 001 for a design flow of 0.600 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	20	40	50
Suspended Solids	25	50	75
NH ₃ -N			
(5-1 to 10-31)	1.5	3	3.5
(11-1 to 4-30)	4.5	9	10.5
Total Phosphorus	2.0	4.0	5.0
Total Residual Chlorine (Interim)	0.5	monitor and report	0.8
Total Residual Chlorine (Final)	<0.1	monitor and report	<0.2
Dissolved Oxygen	minimum of 5.0 at all times		
pH	6.0—9.0		
Fecal Coliforms			
(5-1 to 9-30)	200/100 ml as a geometric average		
(10-1 to 4-30)	2,200/100 ml as a geometric average		

The EPA waiver is in effect.

PA 0080829. Industrial waste, SIC: 2077, **Keystone Protein Company**, U. S. Route 22, P. O. Box 37, Fredericksburg, PA 17026.

This application is for renewal of an NPDES permit for an existing discharge of treated industrial waste to an unnamed tributary of Beach Run, in Bethel Township, **Lebanon County**.

The receiving stream is classified for warm water fish, recreation, water supply and aquatic life. For the purpose of evaluating effluent requirements, the existing downstream potable water supply intake considered during the evaluation was the Pennsylvania American Water Company located in South Hanover Township, Dauphin County. The discharge is not expected to impact any potable water supply.

The proposed effluent limits for Outfall 001 for a design flow of 0.250 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
BOD ₅	monitor and report		83.5
Suspended Solids	monitor and report		102.1
NH ₃ -N			
(5-1 to 10-31)	1.5	3.0	3.75
(11-1 to 4-30)	4.5	9.0	11.25
Total Phosphorus	2.0	4.0	5.0
Oil and Grease	15.0	30.0	30.0
Dissolved Oxygen	minimum of 5.0 at all times		
pH	6.0—9.0		
Fecal Coliforms			
(5-1 to 9-30)	200/100 ml as a geometric average		
(10-1 to 4-30)	400/100 ml as a geometric average		
Total Residual Chlorine			
(Interim)	0.9	monitor and report	1.5
(Final)	<0.1	monitor and report	<0.2

The EPA waiver is in effect.

PA 0080705. Sewage, SIC: 4952, **Fredericksburg Sewer and Water Authority**, P. O. Box 161, Fredericksburg, PA 17026.

This application is for renewal of an NPDES permit for an existing discharge of treated sewage to Deep Run, in Bethel Township, **Lebanon County**.

The receiving stream is classified for warm water fish, recreation, water supply and aquatic life. For the purpose of evaluating effluent requirements, the existing downstream potable water supply intake considered during the evaluation was the Pennsylvania American Water Company located in South Hanover Township, Dauphin County. The discharge is not expected to impact any potable water supply.

The proposed effluent limits for Outfall 001 for a design flow of 0.150 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25	40	50
Suspended Solids	30	45	60
NH ₃ -N			
(5-1 to 10-31)	1.5		3.5
(11-1 to 4-30)	4.5		9.0
Total Copper	monitor and report		
Total Phosphorus	2.0		4.0
Total Residual Chlorine			
(Interim)	0.39		0.67
(Final)	<0.1		<0.2
Dissolved Oxygen	minimum of 5.0 at all times		
pH	6.0—9.0		
Fecal Coliforms			
(5-1 to 9-30)	200/100 ml as a geometric average		
(10-1 to 4-30)	2,200/100 ml as a geometric average		

The EPA waiver is in effect.

PA 0083861. Sewage, SIC: 5812, **Tryon and Mary Benner (Benner's Restaurant)**, R. D. 2, Box 13-B, Millerstown, PA 17062.

This application is for renewal of an NPDES permit for an existing discharge of treated sewage to the Juniata River, in Delaware Township, **Juniata County**.

The receiving stream is classified for warm water fishery, recreation, water supply and aquatic life. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing downstream potable water supply intake considered during the evaluation was Dauphin Consolidated Water Company located in Susquehanna Township, Dauphin County. The discharge is not expected to impact any potable water supply.

The proposed effluent limits for Outfall 001 for a design flow of 0.0035 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25			50
Suspended Solids	30			60

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Oil and Grease	15			30
Total Residual Chlorine	1.5			2.5
Dissolved Oxygen	minimum of 5.0 at all times			
pH	6.0—9.0			
Fecal Coliforms	200/100 ml as a geometric average			
(5-1 to 9-30)	100,000/100 ml as a geometric average			
(10-1 to 4-30)				

The EPA waiver is in effect.

PA 0009288. Industrial waste, SIC: 8211, **Milton Hershey School (Founders Hall)**, P. O. Box 830, Hershey, PA 17033.

This application is for renewal of an NPDES permit for an existing discharge of treated industrial waste to an unnamed tributary of Spring Creek, in Derry Township, **Dauphin County**.

The receiving stream is classified for warm water fishery, recreation, water supply and aquatic life. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing downstream potable water supply intake considered during the evaluation was Dauphin Consolidated Water Company located in South Hanover Township, Dauphin County. The discharge is not expected to impact any potable water supply.

The proposed effluent limits for Outfall 001 for a design flow of 1.0 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
pH (s.u.)		6.0—9.0	
Temperature (°F)			
January		45°	
February		45°	
March		59°	
April		69°	
May		80°	
June		94°	
July		93°	
August		92°	
September		85°	
October		73°	
November		63°	
December		45°	

The EPA waiver is in effect.

PA 0081264. Sewage, SIC: 7948, **Mountainview Thoroughbred Racing Association, Inc.**, P. O. Box 32, Grantville, PA 17028.

This application is for renewal of an NPDES permit for an existing discharge of treated sewage to an unnamed tributary to Swatara Creek, in East Hanover Township, **Dauphin County**.

The receiving stream is classified for warm water fishery, recreation, water supply and aquatic life. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing downstream potable water supply intake considered during the evaluation was Dauphin Consolidated Water Company located in South Hanover Township, Dauphin County. The discharge is not expected to impact any potable water supply.

The proposed effluent limits for Outfall 001 for a design flow of 1.0 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25			50
Suspended Solids	30			60
NH ₃ -N				
(5-1 to 10-31)	2.0			4.0
(11-1 to 4-30)	6.0			12.0
Total Phosphorus	2.0			4.0
Total Residual Chlorine	<0.1			<0.2
Dissolved Oxygen	minimum of 5.0 at all times			
pH	6.0—9.0			
Fecal Coliforms	200/100 ml as a geometric average			
(5-1 to 9-30)	2,000/100 ml as a geometric average			
(10-1 to 4-30)				

The EPA waiver is in effect.

PA 0087211. Industrial waste, SIC: 5541, **Orville Orner, C and S Mobile Service**, 535 York Street, Gettysburg, PA 17325.

This application is for issuance of an NPDES permit for a new discharge of treated industrial waste to Rock Creek, in Gettysburg Borough, **Adams County**.

The receiving stream is classified for warm water fishery, recreation, water supply and aquatic life. For the purpose of evaluating effluent requirements, the existing downstream potable water supply intake considered during the evaluation was the City of Frederick located on the Monacacy River in Maryland. The discharge is not expected to impact any potable water supply.

The proposed effluent limits for Outfall 001 for a design flow of .0072 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
<i>Flow</i>	<i>monitor and report</i>		
pH	within limits of 6—9 standard units at all times		
Total BTEX	0.1	0.2	0.25
Benzene	0.001	0.002	0.0025
Toluene	monitor and report		
Ethylbenzene	monitor and report		
Xylene	monitor and report		

The EPA waiver is in effect.

Northwest Regional Office: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481, telephone (814) 332-6942.

PA 0041246. Sewage, **Fort LeBoeuf School District**, 122 East Second Street, Waterford, PA 16441.

This application is for renewal of an NPDES permit to discharge treated sewage to an unnamed tributary to French Creek in Mill Village Borough, **Erie County**. This is an existing discharge.

The receiving water is classified for warm water fishery, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing proposed downstream potable water supply (PWS) considered during the evaluation is Cambridge Springs Borough water supply, located 15 miles downstream in Cambridge Springs, Crawford County.

The proposed effluent limits for Outfall 001 based on average design flow of 0.0078 mgd are:

<i>Parameter</i>	<i>Effluent Concentration (mg/l)</i>	
	<i>Average Monthly</i>	<i>Instantaneous Maximum</i>
CBOD ₅	25	50
Total Suspended Solids	30	60
NH ₃ -N		
(5-1 to 10-31)	3	6
(11-1 to 4-30)	9	18
Dissolved Oxygen	minimum of 3.0 mg/l at all times	
Total Residual Chlorine	0.5	1.2
Fecal Coliforms		
(5-1 to 9-30)	200/100 ml	
(10-1 to 4-30)	5,200/100 ml	
pH	6.0—9.0 standard units at all times	

The EPA waiver is in effect.

PA 0038369. Industrial waste, SIC: 4941. **Sharpsville Borough Water Works**, 1 South Walnut Street, Sharpsville, PA 16150.

This application is for renewal of an NPDES permit to discharge treated industrial waste to the Shenango River in Sharpsville Borough, **Mercer County**. This is an existing discharge.

The receiving water is classified for the following uses: warm water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Shenango River and the Shenango Valley Water Company located at Sharon, approximately 2 miles below point of discharge.

The proposed discharge limits for Outfall No. 001 based on a design flow of 0.034 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
<i>Flow</i>	<i>monitor and report</i>		
Total Suspended Solids	30	60	75
Aluminum	0.58	1.2	1.5

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Iron	2	4	5
Manganese	1	2	2.5
Total Residual Chlorine	0.5		1.2
pH	6.0—9.0 at all times		

The EPA waiver is in effect.

PA 0102130. Industrial waste, SIC: 4941. **Evans City Borough Water Treatment Plant**, 220 Wahl Avenue, Evans City, PA 16033.

This application is for renewal of an NPDES permit to discharge treated industrial waste to Likens Run in Jackson Township, **Butler County**. This is an existing discharge.

The receiving water is classified for the following uses: warm water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is Connoquenessing Creek and the Zelianople Water Works located at Zelianople, 5.5 miles below point of discharge.

The proposed discharge limits for Outfall No. 001 based on a design flow of 0.123 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Flow	monitor and report		
Total Suspended Solids	30	60	60
Total Iron			
(Interim)	2.0	4.0	5.0

pH	6.0—9.0 at all times		

The EPA waiver is in effect.

PA 0104175. Industrial waste, SIC: 4922. **National Fuel Gas Supply Corp.**, Lamont Compressor Station, P. O. Box 2081, Erie, PA 16512.

This application is for renewal of an NPDES permit to discharge noncontact cooling water to Hoffman Run in Jones Township, **Elk County**. This is an existing discharge.

The receiving water is classified for the following uses: high quality cold water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is Clarion River and Western PA Water Company located at Clarion, approximately 36 miles below point of discharge.

The proposed discharge limits for Outfall No. 001 based on a design flow of 0.031 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Flow	monitor and report		
Oil and Grease	15		30

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>

PA 0221953. Sewage. **Wilmington Township Supervisors**, Robison/Adams SFSTF, R. D. 5, Box 469, New Castle, PA 16105.

This application is for a new NPDES permit to discharge treated sewage to UNT to Shenango River in Wilmington, **Lawrence County**. This is a new discharge.

The receiving water is classified for the following uses: WWF, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Western PA Water Company on the Shenango River located at New Castle, approximately 7.4 miles below the point of discharge.

The proposed effluent limits for Outfall No. 001 (after disinfection) based on a design flow of .0012 mgd are:

<i>Discharge Parameter</i>	<i>Concentration (mg/l)</i>			
	<i>Minimum</i>	<i>Average Monthly</i>	<i>Average Weekly</i>	<i>Instantaneous Maximum</i>
CBOD ₅		10		20
TSS		20		40
Fecal Coliforms		200/100 ml		
pH	6			9
Total Residual Chlorine		1.5		3.5

The EPA waiver is in effect.

PA 0001945. Amendment No. 1. Industrial waste, SIC: 3272 (Cement Manufacturing). **Medusa Corporation**, 3008 Monticello Boulevard, Cleveland Heights, OH 44118-1258.

This application is for an amendment no. 1 of an NPDES permit, to discharge treated sewage, treated industrial waste, noncontact cooling water and stormwater to Driver's Run (Outfalls 001 and 002) and UNT Beaver River (Outfalls 003, 004 and 005) in Wampum Borough, **Lawrence County**. This is an existing discharge.

This amendment permit is for the relocation of Outfall 005 to the two existing earthen treatment ponds. Outfall 005 has been renumbered as suboutfall 103.

The receiving water is classified for the following uses: warm water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Municipal Authority of the Township of N. Sewickley on the Beaver River located at N. Sewickley Township, approximately 7.0 miles below point of discharge.

The proposed discharge limits for Outfall No. 103 based on a design flow of 0.0088 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Flow (mgd)	monitoring only		
Total Suspended Solids	20	40	50
Oil and Grease	10	20	25
pH	6.0—9.0 at all times		

The EPA waiver is in effect.

PA 0221821. Industrial waste, SIC: 2421 and 2448. **Spartywood Products**, R. D. 2, Fairview Road, Spartansburg, PA 16434.

This application is for a new NPDES permit to discharge treated industrial waste to an unnamed tributary to East Branch Oil Creek. This is an existing discharge.

The receiving water is classified for the following uses: cold water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Allegheny River and is used by the Emlenton Water Company located in Emlenton approximately 82.60 miles downstream.

The proposed discharge limits for Outfall No. 001 based on a design flow of 0.341 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Flow	monitor and report			
Total Suspended Solids	monitor and report			
Total Dissolved Solids	monitor and report			
Copper	monitor and report			
Dissolved Iron	monitor and report			
Zinc	monitor and report			
pH	6.0—9.0 at all times			

The EPA waiver is in effect.

PA 0020044. Sewage. **Fredonia Municipal Authority**, Hadley Road, Fairview Township, PA 16124.

This application is a renewal of a Part I NPDES permit to discharge treated sewage to Mill Run in Fredonia Borough, **Mercer County**. This is an existing discharge.

The receiving water is classified for the following uses: trout stocked fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Municipal Authority of the Township of North Sewickley on the Beaver River located at North Sewickley, approximately 36 miles below point of discharge.

The proposed effluent limits for Outfall No. 001 (after chlorination) based on a design flow of 0.10 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25	40	50
Total Suspended Solids	30	45	60
Ammonia-Nitrogen			
(5-1 to 10-31)	4.5		9
(11-1 to 4-30)	13		26
Fecal Coliforms			
(5-1 to 9-30)	200/100 ml as a geometric average		
(10-1 to 4-30)	5,800/100 ml as a geometric average		
Total Residual Chlorine			
(Interim Limits)	monitor and report		
(Final Limits)	0.3		0.9
pH	6.0—9.0 at all times		

The EPA waiver is in effect.

PA 0103896. Industrial waste, SIC: 4953. **County Landfill, Inc.**, P. O. Box 237, Leeper, PA 16233.

This application is for a renewal/transfer of an existing permit for a discharge of treated industrial waste, septage and stormwater from a Municipal waste landfill. This is a minor discharge from a secondary industry.

The receiving water is classified for the following uses: cold water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is Emlenton Water Company on Allegheny River at Emlenton approximately 75 miles below the point of discharge.

NOTICES

The proposed discharge limits for Outfall No. 001 based on a design flow of .03 mgd are:

The EPA waiver is in effect.

PA 0026832. Amendment No. 1. Sewage. **Ellwood City Borough**, 525 Lawrence Avenue, Ellwood City, PA 16117.

This application is for an amendment of an NPDES permit to discharge treated sewage to the Connoquenessing Creek in Ellwood City, **Lawrence County**. This is an existing discharge.

The receiving water is classified for the following uses: warm water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the Municipal Authority of the Township of North Sewickley on the Beaver River located at North Sewickley Township, Beaver County, approximately 6 miles below point of discharge.

The proposed effluent limits for Outfall No. 001 (after the chlorine contact tank) based on a design flow of 2.1 mgd are:

The permit is being amended to remove final water quality based limits for cadmium, copper and lead. This decision is based on the applicant's Phase I, Toxics Reduction Evaluation (TRE) results and the Department's reevaluation of data.

The EPA waiver is not in effect.

Northcentral Region: Environmental Program Manager, Water Management, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448, telephone (717) 327-3666.

PA 0028282. Sewerage, **Eagles Mere Borough Authority**, P. O. Box 393, Eagles Mere, PA 17731-0393.

This application is for renewal of an NPDES permit to discharge treated sewage to an unnamed tributary of the Outlet from Outfall 001, discharge to Mackey's Run from Outfall 002, and discharge to an unnamed tributary to Double Run from Outfall 003. These are existing discharges.

The receiving streams listed above are classified for the following uses: high quality cold water fishery for Outfall 001 and 002, cold water fishery for Double Run, aquatic life, water supply and recreation. For the purposes of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing potable downstream potable downstream water supply (PWS) considered during the evaluation is Pennsylvania-American Water Company intake at Milton.

The proposed effluent limits for Outfall 001 based on a design flow of 0.066 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅			
(7-1 to 10-31)	15.0	25.0	30.0
(11-1 to 6-30)	25.0	40.0	50.0
Total Suspended Solids	30.0	45.0	60.0
N-NH ₃ -N			
(7-1 to 10-31)	3.0	4.5	6.0
(11-1 to 6-30)	9.0	13.5	18.0
Dissolved Oxygen	monitor and report		
Residual Chlorine	monitor and report—provide effective dechlorination		
pH	within limits of 6.0—9.0 standard units at all times		

NOTICES

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Fecal Coliforms (10-1 to 4-30)	2,000 lb./100 ml as a geometric mean		
(5-1 to 9-30)	200 lb./100 ml as a geometric mean		

The proposed effluent limits for Outfall 002 based on a design flow of 0.066 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅ (7-1 to 10-31)	15.0	25.0	30.0
(11-1 to 6-30)	25.0	40.0	50.0
Total Suspended Solids	30.0	45.0	60.0
N-NH ₃ -N (7-1 to 10-31)	2.5	3.8	5.0
(11-1 to 6-30)	7.5	11.3	15.0
Dissolved Oxygen	monitor and report		
Residual Chlorine	monitor and report—provide effective dechlorination		
pH	within limits of 6.0—9.0 standard units at all times		
Fecal Coliforms (10-1 to 4-30)	2,000 lb./100 ml as a geometric mean		
(5-1 to 9-30)	200 lb./100 ml as a geometric mean		

The proposed effluent limits for Outfall 003 based on a design flow of 0.0265 mgd are:

Other Conditions

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25.0	40.0	50.0
Total Suspended Solids	30.0	45.0	60.0
N-NH ₃ -N (5-1 to 10-31)	12.0	18.0	24.0
Residual Chlorine	monitor and report		
pH	within limits of 6.0—9.0 standard units at all times		
Fecal Coliforms (10-1 to 4-30)	2,000 lb./100 ml as a geometric mean		
(5-1 to 9-30)	200 lb./100 ml as a geometric mean		

Other Conditions:

The permittee shall, within 2 years of the effective date of this permit, provide for effective dechlorination of the chlorinated effluent. Dechlorination processes employed shall remove total residual chlorine in the final effluent down to levels which are generally below detectability, and which will not cause in-stream levels of TRC to exceed 0.02 mg/l at any time in any part of the receiving stream. Prior to installation of dechlorination devices, the permittee shall obtain approval from the Department for the design of such devices.

The EPA waiver is in effect.

PA 0114715. Sewage, SIC: 4952, **Hemlock Municipal Sewer Cooperative**, P. O. Box 243, Bloomsburg, PA 17815.

This proposed action is for reissuance of an NPDES permit for an existing discharge of treated domestic wastewater to Fishing Creek in Montour Township, **Columbia County**.

The receiving stream is classified for the following uses: warm water fish, aquatic life, water supply and recreation.

For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing downstream potable water supply (PWS) considered during the evaluation is Danville Municipal Water Authority located at the Borough of Danville, Montour County, on the Susquehanna River.

The proposed effluent limits for Outfall 001 based on a design flow of 0.3 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25.0	40.0	50.0
Total Suspended Solids	30.0	45.0	60.0
Total Residual Chlorine*	0.5		1.6
pH	6.0—9.0 at all times		
Fecal Coliforms (5-1 to 9-30)	200/100 ml as a geometric average		
(10-1 to 4-30)	2,000/100 ml as a geometric average		

The EPA waiver is in effect

*Effective 3 years after permit effective date, until then monitor and report.

PA 0020338. Sewerage, SIC: 4952, **Kulpmont-Marion Heights Joint Municipal Authority**, 860 Spruce Street, P. O. Box 126, Kulpmont, PA 17834.

This proposed action is for renewal of an NPDES permit for an existing discharge of treated sewage to an unnamed tributary of Quaker Run in Coal Township, **Northumberland County**.

The receiving stream is classified for the following uses: cold water fishery, aquatic life, water supply and recreation.

For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing downstream potable water supply (PWS) considered during the evaluation is Dauphin Consolidated Water Company located at Dauphin, 70 river miles downstream.

The proposed effluent limits for Outfall 001 based on a design flow of 0.4 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25	40	50
Total Suspended Solids	30	45	60
Fecal Coliforms (5-1 to 9-30)	200/100 ml as a geometric average		
(10-1 to 4-30)	2,000/100 ml as a geometric average		
pH	6.0—9.0 at all times		
Total Residual Chlorine	1.0		2.3

The EPA waiver is in effect.

PA 0044032. SIC: 4952, **Fish and Boat Commission**, c/o Benner Spring Fish Research Station, 1225 Shiloh Road, State College, PA 16801-8495.

This proposed action is for renewal of an NPDES permit for an existing discharge of treated industrial waste to Spring Creek in Benner Township, **Centre County**.

The receiving stream is classified for the following uses: high quality cold water fishery and aquatic life, water supply and recreation.

For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the downstream potable water supply (PWS) considered during the evaluation is the PA American Water Company located at Milton.

The proposed effluent limits for Outfall 001 based on a design flow of 0.0864 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	10	20
NH ₃ -N (5-1 to 10-31)	1.5	3.0
(11-1 to 4-30)	4.5	9.0
Total Dissolved Phosphorus (3-1 to 10-31)	0.3	0.6
TSS	15	30
Dissolved Oxygen	monitor	
pH	6.0—9.0 s.u. at all times	

The proposed effluent limits for Outfall 002 based on a design flow of 0.5285 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>
CBOD ₅	monitor
Total Dissolved Phosphorus (3-1 to 10-31)	monitor
pH	6.0—9.0 s.u. at all times

The proposed effluent limits for Outfall 003 based on a design flow of 0.636 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	10	20
NH ₃ -N (5-1 to 10-31)	1.5	3.0
(11-1 to 4-30)	4.5	9.0
Total Dissolved Phosphorus (3-1 to 10-31)	0.3	0.6
TSS	15	30
Dissolved Oxygen	monitor	
pH	6.0—9.0 s.u. at all times	

The EPA waiver is in effect.

Southeast Regional Office: Regional Manager, Water Management, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428, telephone (610) 832-6130.

PA 0011444. Industrial waste, **Congoleum Corporation**, Ridge and Yates Avenue, Marcus Hook, PA 19061.

This application is for renewal of an NPDES permit to discharge noncontact cooling water from Congoleum Corporation in Trainer Borough, **Delaware County**. This is an existing discharge to Marcus Hook Creek.

The receiving stream is classified for cold water fish, warm water fish, migratory fish, industrial water supply, wildlife water supply, boating, fishing, water contact sports and esthetics.

The proposed effluent limits for Outfall 001, during nonstorm event, based on an average flow of 0.410 mgd are as follows:

<i>Parameter</i>	<i>Period</i>	<i>Allowable Waste Temperature °F</i>
Temperature °F	Jan 1-31	68
	Feb 1-29	64
	March 1-31	91
	April 1-30	110
	May 1-31	97
	June 1-30	97
	July 1-31	96
	August 1-31	95
	Sept 1-30	90
	October 1-31	83
	Nov 1-30	76
	Dec 1-15	71
	Dec 16-31	66
pH	within limits of 6.0—9.0 standard units at all times	

The proposed effluent limits for Outfall 001 during storm event are as follows:

<i>Parameter</i>	<i>Average Annual (mg/l) monitor/report</i>	<i>Maximum Daily (mg/l) monitor/report</i>
CBOD ₅		
COD	monitor/report	monitor/report
Oil and Grease	monitor/report	monitor/report

The EPA waiver is in effect.

Other Conditions:

Thermal Requirements

No Chemical Additives

PA 0052451. Sewage, **Frances L. Hamilton Oates**, P. O. Box 426, Landenberg, PA 19350.

This application is for renewal of an NPDES permit to discharge treated sewage from sewage treatment plant in New Garden Township, **Chester County**. This is an existing discharge to east branch of White Clay Creek.

The receiving stream is classified for cold water fish, warm water fish, potable water supply, industrial water supply, livestock water supply, wildlife water supply, irrigation, boating, fishing, water contact sports and esthetics.

The proposed effluent limits for Outfall 001 based on an average flow of 1,200 gpd are as follows:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25	50
Suspended Solids	30	60
Ammonia (as N)	20	40
Total Residual Chlorine	monitor/report	monitor/report
Fecal Coliforms	200 colonies/100 ml as a geometric average	
Dissolved Oxygen	minimum of 2.0 mg/l at all times	
pH	within limits of 6.0—9.0 standard units at all times	

The EPA waiver is in effect.

PA 0056669. Sewage, **Charles H. Long**, 679 West Ridge Pike, Royersford, PA 19492.

This application is for issuance of an NPDES permit to discharge treated sewage from a small flow sewage treatment facility serving two homes in Limerick Township, **Montgomery County**. This is a new discharge to UNT to Possom Hollow Run.

The receiving stream is classified for warm water fish, potable water supply, industrial water supply, livestock water supply, wildlife water supply, irrigation, boating, fishing, water contact sports and esthetics.

The proposed effluent limits for Outfall 001, based on an average flow of 800 gpd are as follows:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	10	20
Suspended Solids	20	40
Ammonia (as N)	3.0	6.0
Total Residual Chlorine	monitor/report	monitor/report
Fecal Coliforms	200 colonies/100 ml as a geometric average	
pH	within limits of 6.0—9.0 standard units at all times	

The EPA waiver is in effect.

PA 0056529. Industrial waste, **Hatboro Borough Authority**, 414 South York Road, Hatboro, PA 19040.

This application is for issuance of an NPDES permit to discharge untreated groundwater from a potable water supply well in Hatboro Borough, **Montgomery County**. This is a new discharge to Pennypack Creek.

The receiving stream is classified for potable water supply, industrial water supply, livestock water supply, wildlife water supply, irrigation, boating, fishing, water contact sports and esthetics.

The proposed effluent limits for Outfall PA 0056529 based on an average flow of 0.095 mgd are as follows:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Tetrachloroethylene	0.1	0.2	0.25
pH	within limits of 6.0—9.0 standard units at all times		

The EPA waiver is in effect.

Special Test Methods for certain pollutants.

Southwest Regional Office: Water Management Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, telephone (412) 442-4000.

PA 0001716. Industrial waste, SIC: 3535, **FMC Corporation**, 57 Cooper Avenue, Homer City, PA 15748.

This application is for renewal of an NPDES permit to discharge treated sewage, cooling water and stormwater from the Packaging and Material Handling Division in Homer City Borough, **Indiana County**.

The following effluent limitations are proposed for discharge to the receiving waters Two Lick Creek classified as trout stocked fishery with existing and/or potential uses for aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply (PWS) considered during the evaluation is Saltsburg Municipal W.W., located at 308 Point Street, Saltsburg, PA 15681, 32.7 miles below the discharge point.

Outfall 009: existing discharge, design flow of 0.0064 mgd.

<i>Parameter</i>	<i>Mass (lb/day)</i>		<i>Concentration (mg/l)</i>		
	<i>Average Monthly</i>	<i>Maximum Daily</i>	<i>Average Monthly</i>	<i>Maximum Daily</i>	<i>Instantaneous Maximum</i>
Flow (mgd)	monitor and report

Outfalls 302A—C, 303A, 305A and B, 306, 307, 307A—C existing discharge to Conemaugh River.

Parameter	Mass (lb/day)		Concentration (mg/l)		
	Average Monthly	Maximum Daily	Average Monthly	Maximum Daily	Instantaneous Maximum

The discharge through these outfalls shall consist of uncontaminated stormwater runoff and uncontaminated groundwater.

The EPA waiver is in effect.

PA 0024481. Sewage, **Borough of Meyersdale**, 151 Center Street, Meyersdale, PA 15552.

This application is for renewal of an NPDES permit to discharge treated sewage from the Meyersdale Sewage Treatment Plant in Meyersdale (Summit Township), **Somerset County**.

The following effluent limitations are proposed for discharge to the receiving waters, known as the Casselman River, which are classified as a warm water fishery with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the Ohiopyle Municipal Water Authority.

Outfall 001: existing discharge, design flow of .71 mgd.

Parameter	Concentration (mg/l)			
	Average Monthly	Average Weekly	Maximum Daily	Instantaneous Maximum
CBOD ₅	25	38		50
Suspended Solids	30	45		60
Ammonia Nitrogen				
(5-1 to 10-31)	11	16.5		22
(11-1 to 4-30)	25	38		50
Fecal Coliforms				
(5-1 to 9-30)	200/100 ml as a geometric mean			
(10-1 to 4-30)	10,000/100 ml as a geometric mean			
Total Residual Chlorine				
1st month—36th month	monitor and report			
37th month—expiration	1.0			3.3
pH	6.0—9.0			

Other Conditions: Outfalls 003 through 007 are to serve as combined sewer overflows.

The EPA waiver is not in effect.

PA 0204382. Sewage, **James M. Beshara**, P. O. Box 2154, Youngstown, OH 44504.

This application is for issuance of an NPDES permit to discharge treated sewage from the B&B Construction Company of Ohio, Inc. Sewage Treatment Plant in West Carroll Township, **Cambria County**, at the former site of Fishers Big Wheel.

The following effluent limitations are proposed for discharge to the receiving waters, known as an unnamed tributary to Fox Run, which are classified as a cold water fishery with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the Clearfield Municipal Authority on the West Branch Susquehanna River.

Outfall 001: existing discharge, design flow of 0.0032 mgd.

<i>Parameter</i>	<i>Concentration (mg/l)</i>			
	<i>Average Monthly</i>	<i>Average Weekly</i>	<i>Maximum Daily</i>	<i>Instantaneous Maximum</i>
CBOD ₅ (5-1 to 10-31)	13			26
(11-1 to 4-30)	26			
Suspended Solids	30			60
Fecal Coliforms (5-1 to 9-30)	200/100 ml as a geometric mean			
(10-1 to 4-30)	2,000/100 ml as a geometric mean			
Total Residual Chlorine	1.4			3.3
pH	6.0—9.0			

The EPA waiver is in effect.

Northwest Regional Office: Regional Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335, telephone (814) 332-6942.

PA 0104558. Sewage, **Ebberts Laundromat and Apartment**, R. D. 1, Utica, PA 16362.

This application is for a renewal of a Part I NPDES permit to discharge treated sewage to UNT to French Creek, in Fairfield Township, **Crawford County**. This is an existing discharge.

The receiving water is classified for the following uses: warm water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Franklin General Authority and French Creek located at Franklin, approximately 15 miles below point of discharge.

The proposed discharge limits for Outfall No. 001 based on a design flow of .005 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25	50
Total Suspended Solids	30	60
Fecal Coliforms (5-1 to 9-30)	200/100 ml as a geometric average	
(10-1 to 4-30)	100,000/100 ml as a geometric average	
Total Residual Chlorine	1.5	3.5
pH	6.0—9.0 at all times	

The EPA waiver is in effect.

PA 0221961. Sewage, **Timberlee Valley Sanitary Company, Inc.**, R. D. 3, Evans City, PA 16033.

This application is for a new Part I NPDES permit to discharge treated sewage to Crab Run in Connoquenessing Township, **Butler County**. This is a new discharge.

The receiving water is classified for the following uses: cold water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Harmony Water Company intake on Little Connoquenessing Creek located at Harmony Borough, approximately 6 miles downstream from point of discharge.

The proposed discharge limits for Outfall No. 001 based on a design flow of 0.00525 mgd are:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25	50
Total Suspended Solids	30	60
Phosphorus (as P) (4-1 to 10-31)	2	4
Fecal Coliforms (5-1 to 9-30)	200/100 ml as a geometric average	
(10-1 to 4-30)	56,300/100 ml as a geometric average	
Total Residual Chlorine	1.5	3.5
pH	6.0—9.0 at all times	

The EPA waiver is in effect.

Proposed NPDES Permit Renewal Actions for Minor Sewage Discharges

The following parties have applied to renew their current NPDES permits to allow the continued discharge of controlled wastewaters into the surface waters of this Commonwealth. The Department of Environmental Protection (DEP) has made a tentative determination to renew these permits and proposes to issue them, subject to their current

permit effluent limitations, and monitoring and reporting requirements, with appropriate and necessary updated requirements to reflect new or changed regulations and other requirements. The updates may include, but will not be limited to, applicable permit conditions and/or requirements addressing combined sewer overflows (CSOs), municipal sewage sludge management, and total residual chlorine control (TRC). Any major changes to or deviations from the terms of the existing permit will be documented and published with the final Department actions.

The following parties have applied for an NPDES permit to discharge stormwater from a proposed construction activity into the surface waters of the Commonwealth. Unless otherwise indicated on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection proposes to issue a permit to discharge, subject to certain limitations set forth in the permit and special conditions.

These proposed determinations are tentative. Limitations are provided in the permit as erosion and sedimentation control measures and facilities which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the Regional Office or County Conservation District Office indicated as the responsible office, within 30 days from the date of this public notice. A copy of the written comments should be sent to the County Conservation District Office. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Regional Office of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the Regional Office considers the public response significant.

Following the 30-day comment period, the Water Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealable to the Environmental Hearing Board.

The application and related documents, including the erosion and sedimentation control plan for the construction activity, are on file and may be inspected at the County Conservation District Office or the Department Regional Office indicated above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

NPDES Permit PAS103708. Stormwater. **Ron Anderson Universal Development**, 1607 Motor Inn Drive, Girard, OH 44420, has applied to discharge stormwater from a construction activity located in Neshannock Township, **Lawrence County**, to the Shenango River.

The following permit applications and requests for plan approval have been received by the Department of Environmental Protection.

Persons objecting on the grounds of public or private interest to the approval of an application or submitted plan may file a written protest with the Department of Environmental Protection at the address indicated above each permit application or plan. Each written protest

should contain the name, address and telephone number of the protester, identification of the plan or application to which the protest is addressed and a concise statement or protest in sufficient detail to inform the Department of the exact basis of the protest and the relevant facts upon which it is based. The Department may conduct a fact-finding hearing or an informal conference in response to any given protest or protests. Each protester will be notified in writing of the time and place of any scheduled hearing or conference concerning the plan, action or application to which the protest relates. To insure consideration by the Department prior to final action on permit applications and proposed plans, initial protests and additions or amendments to protests already filed should be filed within 15 calendar days from the date of this issue of the *Pennsylvania Bulletin*. A copy of each permit application and proposed plan is on file in the office indicated and is open to public inspection.

Submission Date for Certified Host Municipality Inspector Reimbursement Applications

The Department of Environmental Protection hereby announces the submission date for 1995 Certified Host Municipality Inspector Program Reimbursement Applications as March 31, 1996. Reimbursements are available to municipalities under the Municipal Waste Planning, Recycling and Waste Reduction Act (Act 101) and the Hazardous Sites Cleanup Act (Act 108). Municipalities include cities, boroughs, incorporated towns, townships and home rule municipalities.

Reimbursements are allocated from the Recycling Fund authorized under Act 101 for municipal waste facilities or from the Hazardous Sites Cleanup Fund under Act 108 for hazardous waste facilities. Reimbursements available to any municipality which has a municipal waste landfill, resource recovery, or commercial hazardous waste storage, treatment and disposal facilities located within its geographic borders. Upon application from any host municipality, the Department shall award reimbursements for authorized costs incurred for the salary and expenses of Certified Host Municipality Inspectors. The reimbursement shall not exceed 50% of the approved costs of the Certified Host Municipality Inspector's salary and expenses. Reimbursement will be available only for Certified Host Municipality Inspectors, trained and certified by the Department.

The Application for Reimbursement for Certified Host Municipality Inspectors contains tables for specifying the itemized expenses for certified inspectors and for calculating the total reimbursement request. Additionally, the application must be supported with: a) W-2 Forms, Wage and Tax Statements for the year reimbursement is requested; b) copies of weekly/monthly activity records; c) receipted itemized invoices; d) proof of attendance at training courses, meetings or functions; and e) a W-9

Form, Request for Taxpayer Identification Number and Certification. Complete instructions are included with the application, which is being sent to all municipalities currently participating in the program. If your municipality does not receive, yet requires an application, please contact David Harris, Program Development Section, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Rachel Carson State Office Building, P. O. Box 8471, Harrisburg, PA 17105-8471, (717) 787-9870. All inquiries concerning this notice should also be directed similarly.

The deadline for submitting applications is 4 p.m. on March 31, 1995. Applications received by the Department after that date will not be considered.

Applications received under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17).

Northcentral Field Operations: Environmental Program Manager, 208 West Third Street, Suite 101, Williamsport, PA 17701.

A. 4496031-A3. **Tulpehocken Spring, Water**, R. D. 1, Box 157, Sunbury, PA 17801-9746, Rockefeller Township, **Northumberland County**. Installation of distillation equipment to produce distilled water for human consumption, and approval of 1 gallon spring water container label and 5 gallon and 1 gallon distilled water container labels.

Southeast Regional Office: Sanitarian Regional Manager, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428-2233, telephone (610) 832-6130.

A. 2395502. Public water supply. **Glen Mills Schools**, Glen Mills Road, Concordville, PA 19331. This proposal involves well no. 10 to be used as the primary source of supply, it replaces well nos. 1 and 2 in Thornbury Township, **Delaware County**.

Submission date for Recycling Program Development and Implementation Grants

The Department of Environmental Protection hereby announces a request for applications from municipalities for recycling program grant assistance under section 902 of the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904).

Municipalities eligible for the grants include counties, cities, boroughs, incorporated towns, townships and home rule municipalities. Authorities are not eligible to apply for the grants, but may be sponsored by a county or municipality.

This solicitation is not for projects to be considered under the public/private partnership grant program.

The following categories of recycling projects will be given funding priority in the order they are listed. Intergovernmental cooperative recycling projects within any category will receive higher priority.

1. Projects implemented by a municipality, mandated by Act 101 to have a curbside recycling program, that establish or maintain compliance with the recycling requirements of the Act including:

a) semi-annual public information and education programs required under Act 101 section 1501(d) concerning recycling program features and requirements for the residential, commercial, institutional and municipal sectors; and,

b) programs for the collection of recyclables and leaf waste from residential, and/or commercial, institutional and municipal establishments.

2. Implementation of a curbside or drop-off recycling program by a nonmandated municipality.
3. Replacement equipment for the collection or processing of recyclables or leaf and yard wastes.
4. Leaf or yard waste collection and composting projects.
5. Expansion of existing public sector recycling collection centers or materials processing facilities.
6. General recycling education projects.
7. New public sector recycling collection centers or materials processing facilities.

Municipalities and counties are eligible for 90% funding of approved recycling program costs. Municipalities considered financially distressed by the Department of Community Affairs under the Financial Distressed Communities Act, P. L. 246, No. 47 of 1987, are eligible to receive funding for an additional 10% of approved costs.

Eligible recycling program development costs include: recycling program design costs; recycling market investigations; development of recycling market commitments; development of recycling program ordinances; development of recycling public education programs; and the costs of developing contracts or procuring equipment and services necessary for the operation of the recycling program.

Eligible recycling program implementation costs include: vehicles used to collect or transport recyclable materials to processing or storage facilities, or in the operation of a materials recovery facility, or in the transport of recyclable materials to market; reusable containers for household recyclable materials storage and collection; the costs of acquisition and/or renovation of buildings for the processing or storage of recyclable materials; equipment used for the processing of recyclable materials; and land improvements for a recycling facility. Yard waste composting programs as defined by the Pennsylvania Municipal Waste Management Regulations, Chapter 75, will be considered as recycling programs.

Before a municipality can submit an application to the Department for the funding of mechanical processing equipment, it must first publish a notice in a newspaper of general circulation describing in detail the kinds of processing equipment that it proposes to purchase and the intended use of the equipment. The municipality must allow 30 days for responses from interested individuals. When the municipality submits the recycling grant application to the Department, it must include proof of compliance with the notification requirements, a description of any responses received to the notice, and an explanation of why the municipality has concluded the mechanical processing equipment is not available to the program from the private sector.

Applications must be received or postmarked by 3 p.m., April 18, 1996. Applications received by the Department after that date will not be considered during the current round of solicitation. Applications must be on forms provided by the Department, with two copies submitted to the appropriate DEP Regional Office. All grant awards will be predicated on the receipt of recycling fees required by sections 701 and 702 of Act 101, and the availability of monies in the Recycling Fund.

Those municipalities wishing to file an application are invited to contact the appropriate DEP Regional Planning and Recycling Coordinator listed below to obtain a grant application. Pre-application conferences are recom-

mended. Applicants should also contact the County Recycling Coordinator serving their county for consultation and assistance in completing the application form. Inquiries concerning this notice should be directed to Carl Hursh, Chief, Recycling and Markets, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Division of Waste Minimization and Planning, P. O. Box 8472, Harrisburg, PA 17105-8472.

Submission date for County Recycling Coordinator Grant Applications

The Department of Environmental Protection hereby announces a request for applications from counties for county recycling coordinator grant assistance under section 903 of the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904).

Grants funds may not exceed 50% of the approved cost of the county recycling coordinator's salary and expenses incurred on or after January 1, 1995, to December 31, 1995. The following duties of county recycling coordinators will be considered approvable for reimbursement:

1. Assisting the county in developing and implementing the waste reduction, recycling, leaf and yard waste and household hazardous waste components of its solid waste management plan.
2. Identifying and encouraging opportunities for intermunicipal cooperation and cooperative efforts with other organizations to further waste reduction, recycling, leaf and yard waste composting and household hazardous waste programs.
3. Providing technical assistance to municipalities on developing and implementing waste reduction, recycling, leaf and yard waste composting and household hazardous waste programs.
4. Developing educational materials on waste reduction, recycling, leaf and yard waste composting and household hazardous waste programs.
5. Serving as a contact point for waste reduction, recycling, leaf and yard waste composting and household hazardous waste program questions from within the county.
6. Participating in, and coordinating where appropriate, waste reduction, recycling, leaf and yard waste composting, and household hazardous waste meetings, training programs, workshops and conferences.
7. Speaking to schools, community, business and government organizations about waste reduction, recycling, leaf and yard waste composting and household hazardous waste programs.
8. Assisting municipalities in identifying materials capable of being marketed and locating markets.
9. Assisting municipalities with developing and coordinating leaf and yard waste collection and composting programs and identifying markets for compost.
10. Assisting municipalities in preparing recycling and household hazardous waste program grant applications.
11. Collecting data on municipal recycling programs within the county and on commercial, institutional and municipal establishment recycling, and recycling at community activities, and reporting the data to the Department.
12. Identifying sources of recyclable products and products made of recycled materials and encouraging the use of those items to support county and municipal recycling programs.

13. Developing recycling programs for special materials such as used oil, tires, household hazardous waste and white goods.

14. Maintaining communications with other recycling coordinators and municipal waste management professionals.

The deadline for submission of applications is 3 p.m., April 1, 1996. Applications received by the Department after that date will not be considered. Applications must be on forms provided by the Department. Grant awards

will be predicated on the receipt of recycling fees required by sections 701 and 702 of Act 101, and the availability of monies in the Recycling Fund.

Inquiries concerning this notice should be directed to Evelyn D'Elia, Recycling and Markets Section, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Division of Waste Minimization and Planning, P. O. Box 8472, Harrisburg, PA 17105-8472.

A. 301290. Chester Bio Technology, Inc., 1600 Colton Road, Sanford, NC 27330. Received new application for a residual waste facility for the processing of petroleum contaminated soil located in the City of Chester, **Delaware County**. Application received in the Regional Office on December 27, 1995.

A. 300252. The Knoll Group, 1235 Water Street, P. O. Box 157, East Greenville, PA 18041. Received application for a permit-renewal for the continuing operation of a residual waste incinerator located in East Greenville Borough, **Montgomery County**. Application received in the Regional Office on January 4, 1996.

Applications submitted under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003) and regulations to operate solid waste processing or disposal area or site.

Regional Office: Environmental Program Manager, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448.

A. 300717. (Permit Modification). **Pine Hill Landfill and Reclamation Operation**, Pine Hill, Inc. (P. O. Box 62, Blossburg, PA 16912-0062). Repermitting of an existing residual waste landfill to a captive Class III Residual Waste Landfill. Landfill is located in Ward Township, **Tioga County**. Application received and deemed administratively complete January 10, 1996.

Applications under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and regulations to construct, modify and reactivate air contamination sources.

Regional Office: Southcentral Regional Office, Air Quality Program, One Ararat Boulevard, Harrisburg, PA 17110.

07-310-020C. Modification of the existing limestone crushing and screening operation by **New Enterprise Stone & Lime Company, Inc.** (P. O. Box 77, New Enterprise, PA 16664) in Taylor Township, **Blair County**.

31-303-005. Construction of a bituminous concrete asphalt plant by **New Enterprise Stone & Lime Company, Inc.** (P. O. Box 77, New Enterprise, PA 16664) in Warriors Mark Township, **Huntingdon County**. The source is subject to 40 CFR 60, Subpart I, Standards of Performance for Stationary Sources.

36-2012A. Modification of finishing department operations by **Quality Custom Cabinetry, Inc.** (New Holland Plant, 125 Peters Road, P. O. Box 189, New Holland, PA 17557-0189) in Earl Township, **Lancaster County**.

36-320-001B. Installation of an air stripper exhausting to the existing solvent recovery system by **R. R. Donnelley & Sons Company** (216 Greenfield Road, Lancaster, PA 17601) located in the City of Lancaster, **Lancaster County**.

67-310-035A. Modification of the existing limestone drying and grinding plant by **Global Stone PenRoc, Inc.** (P. O. Box 1967, York, PA 17405-1967) in Manchester Township, **York County**.

67-318-113A. Modification of the existing coating and curing line by **Root Corporation—New York Wire Division** (152 North Main Street, Mt. Wolf, PA 17347) in Mt. Wolf Borough, **York County**.

Regional Office: Southwest Regional Office, Bureau of Air Quality Control, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

04-307-074A. Brighton Electric Steel Casting Co. (P. O. Box 206, Beaver Falls, PA 15010) for electric induction furnaces at its facility located in Beaver Falls, **Beaver County**.

04-309-008D. Armstrong World Industries, Inc. (1018 Eleventh St., P. O. Box 441, Beaver Falls, PA 15010) for baghouses for RIMS, conveyors, and an embossing line at its facility located in Beaver Falls, **Beaver County**.

04-322-001. Joseph J. Brunner, Inc. (278 Brunner Road, Zelenople, PA 16063) for a landfill flare at its facility located in New Sewickley Township, **Beaver County**.

11-305-029A. L & J Energy Company, Inc. (P. O. Box 247, Barnesboro, PA 15714) for a coal crushing and screening operation at its facility located in Susquehanna Township, **Cambria County**.

26-310-001B. Commercial Stone Company, Inc. (2200 Springfield Pike, Connellsville, PA 15425) for a portable crusher at its facility located in Connellsville Township, **Fayette County**.

32-302-033A. Pennsylvania Electric Company, 1001 Broad Street, Johnstown, PA 15907) for auxiliary boiler A at its Conemaugh Station located in West Wheatfield Township, **Indiana County**.

63-307-028. Regal Industrial Corp. (P. O. Box 291, Donora, PA 15033) for a baghouse for an abrasive blasting operation at its facility located in Donora Borough, **Washington County**.

63-309-058. Therm-O-Rock East, Inc. (Pine Street, P. O. Box 429, New Eagle, PA 15067) for a blending and bagging operation at its facility located in New Eagle Borough, **Washington County**.

65-309-033A. St. George Crystal Ltd. (P. O. Box 709, Jeannette, PA 15644) for baghouses for a glass melting furnace at its facility located in Jeannette, **Westmoreland County**.

65-318-063. Burkhart Auto Body (P. O. Box 71, Murrsville, PA 15668) for spray painting booths at its facility located in North Huntingdon Township, **Westmoreland County**.

65-318-064. ALON Processing, Inc. (P. O. Box 231, Tarentum, PA 15084) for a chromizing process at its Leechburg Plant located in Allegheny Township, **Westmoreland County**.

Applications received for operating permits issued under the Air Pollution Control Act (35 P. S. §§ 4001—4015).

Regional Office: Southcentral Regional Office, Air Quality Program, One Ararat Boulevard, Harrisburg, PA 17110.

22-302-104A. The Department intends to issue an air quality operating permit to **Hershey Chocolate USA** (19 East Chocolate Avenue, Hershey, PA 17033) for three natural gas/No. 2 fuel oil-fired boilers located in Derry

Township, **Dauphin County**. The sources are subject to 40 CFR 60, Subpart Dc, Standards of Performance for New Stationary Sources.

22-317-033A. The Department intends to issue an air quality operating permit to **Hershey Chocolate USA** (19 East Chocolate Avenue, Hershey, PA 17033) for dry raw material handling systems controlled by 12 fabric collectors in Derry Township, **Dauphin County**.

22-323-015. The Department intends to issue an air quality operating permit to **RAM Industries, Inc.** (3501 North 6th Street, Harrisburg, PA 17110) for a burn-off oven controlled by an integral thermal afterburner in Susquehanna Township, **Dauphin County**.

28-310-002C. The Department intends to issue an air quality operating permit to **Valley Quarries, Inc.** (P. O. Box J, Chambersburg, PA 17201) for a limestone crushing plant controlled by two fabric filter collectors and a water spray system in Guilford Township, **Franklin County**.

50-310-005. The Department intends to issue an air quality operating permit to **Fred D. Thebes & Sons, Inc.** (R. D. 2, Box 133, New Bloomfield, PA 17068) for a sandstone crushing plant controlled by a water spray system in Centre Township, **Perry County**. The source is subject to 40 CFR 60, Subpart OOO, Standards of Performance for Stationary Sources.

67-313-026. The Department intends to issue an air quality operating permit to **Turbon International, Inc.** (1160 Fahs Street, York, PA 17404) for a toner manufacturing line controlled by four fabric filter dust collectors in West Manchester Township, **York County**.

Regional Office: Southwest Regional Office, Bureau of Air Quality Control, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

04-000-235. The Department intends to issue an air quality control operating permit to **Pennsylvania Power Company**, 76 South Main Street, Akron, OH 44308 for Low NOx Burners at its Bruce Mansfield Station located in Shippingport Borough, **Beaver County**.

04-308-036. The Department intends to issue an air quality control operating permit to **Zinc Corporation of America**, 300 Frankfort Road, Beaver County for a Coke and Residue Circuit at its Monaca Zinc Smelter located in Potter Township, **Beaver County**.

04-313-071B. The Department intends to issue an air quality control operating permit to **BASF Corporation**, 350 Frankfort Road, Monaca, PA 15061 for a thermal oxidizer for Styrene/butadiene Manufacturing at its facility located in Potter Township, **Beaver County**.

30-305-009B. The Department intends to issue an air quality control operating permit to **Consol Pennsylvania Coal Company**, 1800 Washington Road, Pittsburgh, PA 15241 for scrubbers for thermal dryers no. 1 and no. 2 at its Bailey Prep Plant located in Richhill Township, **Greene County**.

65-000-851. The Department intends to issue an air quality control operating permit to **Newcomer Products, Inc.**, P. O. Box 272, Latrobe, PA 15650 for Tungsten Carbide Product Manufacturing at its facility located in Derry Township, **Westmoreland County**.

65-302-068. The Department intends to issue an air quality control operating permit to **Menasha Corporation**, Rte. 70, Box 418, Yukon, PA 15698 for a natural gas fired boiler at its Yukon Plant located in Sewickley Township, **Westmoreland County, Indiana County**.

65-302-070. The Department intends to issue an air quality control operating permit to **Menasha Corporation**, 200 Industrial Drive, Delmont, PA 15626 for a natural gas fired oil heater at its facility located in Salem Township, **Westmoreland County**.

Regional Office: Northcentral Regional Office, Bureau of Air Quality, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448.

18-302-030. The Department intends to issue an operating permit to **Croda, Inc.** (P. O. Box 178, Mill Hall, PA 17751) for the operation of a natural gas/number 2 oil fired boiler in Mill Hall Borough, **Clinton County**. This boiler is subject to Subpart Dc of the Federal Standards of Performance for New Stationary Sources.

Applications received under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and regulations to construct, modify or reactivate air contaminant sources.

Regional Office: Northcentral Regional Office, Bureau of Air Quality, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448.

14-302-030A. Installation of an air cleaning device (a ceramic filter) on a coal-water slurry-fired boiler by the **Pennsylvania State University** (Office of Physical Plant, Physical Plant Building, University Park, PA 16802) in College Township, **Centre County**.

17-303-003A. Installation of an air cleaning device (a fabric collector) on a drum mix asphalt concrete plant by **Glenn O. Hawbaker, Inc.** (P. O. Box 135, State College, PA 16804) in Sandy Township, **Clearfield County**. This plant is subject to Subpart I of the Federal Standards of Performance for New Stationary Sources.

Applications received for operating permits issued under the Air Pollution Control Act (35 P. S. §§ 4001—4015).

Regional Office: Northcentral Regional Office, Bureau of Air Quality, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448.

59-304-007. The Department intends to issue an operating permit to **Ward Manufacturing** (P. O. Box 9, Blossburg, PA 16912-0009) for the operation of a galvanizing dip tank/parts spinner and associated air cleaning device (a fabric collector) in Blossburg Borough, **Tioga County**.

59-304-002H. The Department intends to issue an operating permit to **Ward Manufacturing** (P. O. Box 9, Blossburg, PA 16912-0009) for the operation of various pieces of foundry equipment and associated air cleaning device (hydrofilter no. 1) in Blossburg Borough, **Tioga County**.

41-316-013A. The Department intends to issue an operating permit to **Keystone Veneers, Inc.** (P. O. Box 3455, Williamsport, PA 17701) for the operation of a veneer clipping line and associated air cleaning device (a cyclone collector) in the City of Williamsport, **Lycoming County**.

49-301-020. The Department intends to issue an operating permit to **Blank Funeral Home** (395 State Street, Sunbury, PA 17801) for the operation of a crematory incinerator in Upper Augusta Township, **Northumberland County**.

Applications received under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and regulations to construct, modify or reactivate air contaminant sources.

Regional Office: Northcentral Regional Office, Bureau of Air Quality, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448.

60-318-009A. Construction of two paint dip tanks (long span tanks) by **The New Columbia Joist Company** (P. O. Box 31, New Columbia, PA 17856-0031) in White Deer Township, **Union County**.

41-310-010C. Construction of a jaw crusher and associated stacking conveyor by **Lycoming County Solid Waste Department** (R. D. 2, Box 587, Montgomery, PA 17752) at the Lycoming County Landfill in Brady Township, **Lycoming County**. The stacking conveyor is subject to Subpart 000 of the Federal Standards of Performance for New Stationary Sources.

19-399-013. Construction of a propane-fired carpet dryer by **The Magee Carpet Company** (480 West Fifth Street, Bloomsburg, PA 17815) in the Town of Bloomsburg, **Columbia County**.

Reasonably Available Control Technology; Public Hearing

Approval of Reasonably Available Control Technology (RACT) Plans for:

<i>Source</i>	<i>Control Technology</i>	<i>NOx emission limits</i>
three 3,400 horsepower Clark TCV-10 engines	low emission combustion retrofit kits	22.47 pounds per hour (each) at full load, full speed and 44.93 pounds per hour (each) never to be exceeded at any time
three 2,000 horsepower Clark TLA-6 engines	low emission combustion retrofit kits	13.23 pounds per hour (each) at full load, full speed and 26.43 pounds per hour (each) never to be exceeded at any time
two 1,100 horsepower Clark HBA-5 engines	ignition retard	58.9 pounds per hour (each) never to be exceeded at any time
two 544 horsepower Ingersoll Rand PSVG engine/generators	ignition retard	17.25 pounds per hour (each) never to be exceeded at any time

The following is a summary of the preliminary volatile organic compound (VOC) RACT determination for these sources:

<i>Source</i>	<i>Control Technology</i>	<i>VOC emission limits</i>
three 3,400 horsepower Clark TCV-10 engines	none	6.0 pounds per hour (each) never to be exceeded at any time
three 2,000 horsepower Clark TLA-6 engines	none	3.52 pounds per hour (each) never to be exceeded at any time
two 1,100 horsepower Clark HBA-5 engines	none	1.33 pounds per hour (each) never to be exceeded at any time
two 544 horsepower Ingersoll Rand PSVG engine/generators	none	.33 pounds per hour (each) never to be exceeded at any time

The Department also proposes to issue a compliance permit to CNG Transmission Corporation for this facility which will extend the May 31, 1995 RACT compliance date specified in the Department's Rules and Regulations to May 31, 1996.

CNG Transmission Corporation, Leidy Station

CNG Transmission operates a gas compressor station identified as the Leidy Station. The main sources for which a RACT determination is being made are 15 natural gas-fired reciprocating internal combustion engines. The following is a summary of the preliminary nitrogen oxides (NO_x) RACT determination for these engines:

- CNG Transmission Corporation, Ellisburg Station, Genesee Township, Potter County.
- CNG Transmission Corporation, Leidy Station, Leidy Township, Clinton County.
- CNG Transmission Corporation, Finnefrock Station, Leidy Township, Clinton County.

The Department of Environmental Protection has made a preliminary determination to approve Reasonably Available Control Technology (RACT) plans and amendments to the State Implementation Plan (SIP) for the above listed facilities.

The proposed SIP revisions do not adopt any new regulations. They incorporate the provisions and requirements contained in the RACT approvals for the facilities to comply with current regulations.

The preliminary RACT determinations, if finally approved, will be incorporated into operating permits and plan approvals for the facilities and will be submitted to the U. S. Environmental Protection Agency (EPA) as revisions to Pennsylvania's State Implementation Plan.

CNG Transmission Corporation, Ellisburg Station

CNG Transmission Corporation operates a gas compressor station identified as the Ellisburg Station. The main sources for which a RACT determination is being made are eight natural gas fired reciprocating internal combustion engines and two natural gas-fired engine/generators. The following is a summary of the preliminary nitrogen oxides (NO_x) RACT determination for these sources:

<i>Source</i>	<i>Control Technology</i>	<i>NOx emission limits</i>
two 3,400 horsepower Clark TCV-10 engines	low emission combustion retrofit kits	22.47 pounds per hour (each) at full load/full speed and 44.98 pounds per hour (each) never to be exceeded at any time
eight 2,000 horsepower Ingersoll Rand 512 KVS ET and 512 KVS FT engines	low emission combustion retrofit kits	13.22 pounds per hour (each) at full load/full speed and 26.43 pounds per hour (each) never to be exceeded at any time
three 1,000 horsepower Ingersoll Rand 36 KVS ET engines	low emission combustion retrofit kits	6.61 pounds per hour (each) at full load/full speed and 13.22 pounds per hour (each) never to be exceeded at any time
two 880 horsepower Worthington SLHP-8 engines	none	19.4 pounds per hour (each) never to be exceeded at any time

The following is a summary of the preliminary volatile organic compound (VOC) RACT determination for these engines:

<i>Source</i>	<i>Control Technology</i>	<i>VOC emission limits</i>
two 3,400 horsepower Clark TCV-10 engines	none	6.0 pounds per hour (each) never to be exceeded at any time
eight 2,000 horsepower Ingersoll Rand 512 KVS ET and 512 KVS FT engines	none	7.26 pounds per hour (each) never to be exceeded at any time
three 1,000 horsepower Ingersoll Rand 36 KVS ET engines	none	3.63 pounds per hour (each) never to be exceeded at any time
two 880 horsepower Worthington SLHP-8 engines	none	.15 pounds per hour (each) never to be exceeded at any time

The Department also proposes to issue a compliance permit to CNG Transmission Corporation for this facility which will extend the May 31, 1995 RACT compliance date specified in the Department's Rules and Regulations to May 31, 1996.

CNG Transmission Corporation, Finnefrock Station

CNG Transmission operates a gas compressor station identified as the Finnefrock Station. The main sources for which a RACT determination is being made are four natural gas-fired reciprocating internal combustion engines. The following is a summary of the preliminary nitrogen oxides (NO_x) RACT determination for these engines:

<i>Source</i>	<i>Control Technology</i>	<i>NOx emission limits</i>
three 1,100 horsepower Ingersoll Rand 103 KVG-ML engines	prestratified charge systems	14.55 pounds per hour (each) never to be exceeded at any time
one 6,000 horsepower Cooper Bessemer 12W-330C2 engine	"clean burn" combustion	39.7 pounds per hour (each) never to be exceeded at any time

The following is a summary of the preliminary volatile organic compound (VOC) RACT determination for these engines:

<i>Source</i>	<i>Control Technology</i>	<i>VOC emission limits</i>
three 1,100 horsepower Ingersoll Rand 103 KVG-ML engines	prestratified charge systems	4.0 pounds per hour (each) never to be exceeded at any time
one 6,000 horsepower Cooper Bessemer 12W-330C2 engine	"clean burn" combustion	6.62 pounds per hour (nonmethane hydrocarbons) never to be exceeded at any time

The Finnefrock Station incorporates additional sources for which RACT determinations will be made at a later date.

The Department also proposes to issue a compliance permit to CNG Transmission Corporation for this facility which will extend the May 31, 1995 RACT compliance date specified in the Department's Rules and Regulations to May 31, 1996.

One public hearing will be held for the purpose of receiving comments on the proposed plan approvals, operating permits, compliance permits and SIP revisions. The hearing will be held on February 13, 1996 at 1 p.m. at the DEP Northcentral Regional Office, 208 West Third Street, Suite 101, Williamsport, Pennsylvania. The public

is invited to comment on the proposal. Persons interested in commenting are invited to appear at the public hearing.

Persons wishing to present testimony at the hearing should contact Daniel Spadoni at (717) 327-3659 at least 1 week in advance of the hearing to reserve a time to present testimony. Oral testimony will be limited to a maximum of 10 minutes per individual and two written copies of the oral testimony are requested. Each organization is requested to designate one witness to present testimony on its behalf.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodations to do so should contact Daniel Spadoni at (717) 327-3659

or the Pennsylvania At&T Relay Service at 1 (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs.

Those unable to attend the hearing, but wishing to comment, should provide written comments to Joseph Cooper, Air Quality Environmental Program Manager, DEP, 208 West Third Street, Suite 101, Williamsport, PA 17701. Comments should be submitted by February 28, 1996.

All pertinent documents are available for review from 8 a.m. to 4 p.m. in the DEP Northcentral Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701. Appointments for scheduling a review must be made by calling (717) 327-3693.

Plan approval applications received under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and regulations to construct, modify or reactivate air contamination sources and associated air cleaning devices.

Regional Office: Northeast Regional Office, Bureau of Air Quality, 2 Public Square, Wilkes-Barre, PA 18711-0790.

An application for plan approval has been received by this office for the construction, modification or reactivation of the air contamination sources and associated air cleaning devices described below for the specified companies.

Permit: **35-322-004**

Source: Landfill Gas Flare

Received: January 10, 1996

Company: **Empire Sanitary Landfill, Inc.**

Location: Taylor Borough

County: **Lackawanna**

MINING ACTIVITY APPLICATIONS

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to such applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection. A copy of the application is available for inspection at the District mining office indicated above each application. Where a 401 water quality certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for such certification.

Written comments or objections, or requests for informal conferences on applications, may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public

notices of filing of permit applications, opportunity for comment, and informal conferences).

Where any of the mining activities listed below will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. Such NPDES permits will contain, at a minimum, technology-based effluent limitations (as described in the Department's regulations—25 Pa. Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52 and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity and pH. In addition to the above, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit when necessary for compliance with water quality standards (in accordance with 25 Pa. Code Chs. 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the above-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections, application number and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor, application number, a brief summary of the issues to be raised by the requestor at the conference and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

Mining and Reclamation, 3913 Washington Road, McMurray, PA 15317.

Coal Mining Applications Received

30733707. Consolidation Coal Company (P. O. Box 1314, Morgantown, WV 26507-1314), to revise the permit for the Robena CRDA in Greene and Monongahela Townships, **Greene County** to install 14 sludge disposal boreholes, no additional discharge. Application received December 5, 1995.

30841320. Target Industries, Inc. (P. O. Box 479, Mt. Morris, PA 15349), to renew the permit for the Target No. 1 bituminous deep mine in Dunkard Township, **Greene County**, no additional discharge. Application received December 27, 1995.

03831305. Keystone Coal Mining Corporation (P. O. Box 729, Indiana, PA 15701), to renew the permit for the Jane bituminous deep mine in Plumcreek Township, **Armstrong County**, no additional discharge. Application received December 4, 1995.

32803712. Kent Coal Mining Company (P. O. Box 729, Indiana, PA 15701), to renew the permit for the Lewisville Recovery Plant in Young Township, **Indiana County**, no additional discharge. Application received December 12, 1995.

56900701. PBS Coals, Inc. (P. O. Box 260, Friedens, PA 15541), to renew the permit for the Job 12 Expansion mine in Shade Township, **Somerset County**, no additional discharge. Application received December 26, 1995.

Mineral Resources Management—District Mining, Pottsville District Office, 5 West Laurel Boulevard, Pottsville, PA 17901-2454.

40663013R2. Jeddo-Highland Coal Company (800 Exeter Avenue, West Pittston, PA 18643), renewal of an existing anthracite surface mine operation in Hazle Township, **Luzerne County** affecting 304.0 acres, receiving stream Nescopeck Creek. Application received December 21, 1995.

40663027R2. Jeddo-Highland Coal Company (800 Exeter Avenue, West Pittston, PA 18643), renewal of an existing anthracite surface mine operation in Hazle Township, **Luzerne County** affecting 154.9 acres, receiving stream Nescopeck Creek. Application received December 21, 1995.

54693047R2. Pagnotti Coal Company (800 Exeter Avenue, West Pittston, PA 18643), renewal of an existing anthracite surface mine operation in Mahanoy Township, **Schuylkill County** affecting 698.0 acres, receiving stream Mill Creek. Application received December 21, 1995.

40663031R2. Jeddo-Highland Coal Company (800 Exeter Avenue, West Pittston, PA 18643), renewal of an existing anthracite surface mine operation in Foster Township, **Luzerne County** affecting 536.0 acres, receiving stream none. Application received December 21, 1995.

40663029R2. Pagnotti Coal Company (800 Exeter Avenue, West Pittston, PA 18643), renewal of an existing anthracite surface mine operation in Foster Township, **Luzerne County** affecting 521.0 acres, receiving stream Nescopeck Creek. Application received December 21, 1995.

40663023R2. Pagnotti Coal Company (800 Exeter Avenue, West Pittston, PA 18643), renewal of an existing anthracite surface mine operation in Foster Township, **Luzerne County** affecting 640.0 acres, receiving stream Nescopeck Creek. Application received December 21, 1995.

Mineral Resources Management—District Mining, Pottsville District Office, 5 West Laurel Boulevard, Pottsville, PA 17901-2454.

Noncoal Applications Received

4873SM6T2. Global Stone PenRoc, Inc. (P. O. Box 1967, York, PA 17405-1967), transfer of an existing quarry operation from PenRoc, Inc. in West Manchester Township, **York County** affecting 77.0 acres, receiving stream Codorus Creek. Application received December 21, 1995.

The following permit applications and requests for Environmental Assessment approval and requests for water quality certification have been received by the Department of Environmental Protection.

In addition to permit applications, the Bureau of Dams, Waterways and Wetlands (BDWW) and the Regional Office Soils and Waterways Sections have assumed primary responsibility for processing requests for certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)), for projects requiring both a Dam Safety and Encroachments Permit, and a United States Army Corps of Engineers (ACOE) permit. Section 401(a) of the Federal Water Pollution Control Act requires the State to certify that the involved projects will not violate the applicable provisions of 33 U.S.C.A. §§ 1301—1303, 1306 and 1307, as well as relevant State requirements. Initial requests for 401 Certification will be published concurrently with the BDWW permit application. Persons objecting to approval of a request for certification under section 401 or to the issuance of a Dam Safety or Encroachment Permit, or the approval of Environmental Assessments must submit any comments,

suggestions or objections within 30 days of the date of this notice as well as any questions to the Bureau or Field Office indicated as the responsible office.

Applications filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and requests for certification under section 401 of the Federal Water Pollution Control Act.

Bureau of Dams, Waterways and Wetlands, P. O. Box 8554, Harrisburg, PA 17105-8554, telephone (717) 783-1384.

D02-115. Dam. Moon Transportation Authority, 1000 Beaver Grade Road, Moon Township, PA 15108. To construct, operate and maintain a stormwater detention dam across a tributary to the east branch of McClaren's Run. This basin will control stormwater runoff for the proposed Ewing Interchange on the existing Business State Route 60, in Moon Township, **Allegheny County**.

D09-233. Dam. 309 Venture Partners, c/o The Wolfson Group, Inc., 621 East Germantown Pike, Ste. 305, Norristown, PA 19401. To construct, operate and maintain a stormwater detention dam combined with a roadway crossing across a tributary to Beaver Run. This facility is part of the stormwater management plan for the proposed Richland Crossing Retail Center, and will provide access between the two halves of the site which is bisected by the tributary to Beaver Run, in Richland Township, **Bucks County**.

Requests for Environmental Assessment approval under 25 Pa. Code § 105.15 and requests for certification under section 401 of the Federal Water Pollution Control Act.

EA59-003C0. Dam. Michael Bernard, R. R. 2, Box 139M, Pumpkin Hill Road, Millerton, PA 16936. To construct and maintain a nonjurisdictional dam in the watershed of Seeley Creek (CWF) impacting approximately 0.09 acre of wetlands (PEM) for the purpose of recreation located approximately 4,200 feet south of Jobs Corners (Millerton, PA Quadrangle N: 8.3 inches; W: 8.9 inches), in Jackson Township, **Tioga County**. U. S. Army Corps of Engineers, Baltimore District.

Southwest Regional Office: Soils and Waterways Section, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Permit Applications

E02-1133. Encroachment. Wil-Dal, 4566 Castle Shannon Blvd., Pittsburgh, PA 15234. To construct and maintain a 42-inch RCP extension in an unnamed tributary to Painters Run for the purpose of developing a 21-lot single family development known as Cedarhurst Terrace no. 13. The project is located at the end of Robb Hollow Road (Bridgeville, PA Quadrangle N: 21.9 inches; W: 10.0 inches) in Mt. Lebanon Borough, **Allegheny County**.

E02-1134. Encroachment. Dept. of Transportation, 45 Thoms Run Road, Bridgeville, PA 15017. To remove existing culverts and bridges and to construct and maintain the following as part of the S. R. 0051 (Saw Mill Run Boulevard) and S. R. 0088 (Library Road) intersection improvement project. In Saw Mill Run: a single span adjacent box beam bridge with a 36.0' clear span and an underclearance of 8.0'; approximately 435' of a 36.0' × 9.5' culvert; approximately 80' of a 36.0' × 9.5' culvert; approximately 615' of a 36.0' × 7.0' culvert; approximately 390' of channel improvements consisting of a 36.0'

wide rectangular channel with vertical retaining walls; in Weyman Run: approximately 675' of a 20.0' × 7.0' concrete box culvert; in East Branch of Weyman Run: approximately 95' of a 12.0' × 6.0' box culvert and 460' of an 8.0' × 7.0' box culvert which includes a relocation of the channel. The project is located beginning in S. R. 0051 at a point 350 feet north of Overbrook Boulevard, proceeding 1.1 miles south on S. R. 0051 to a point 600 feet south of Stewart Avenue and 800 feet west on S. R. 0088 (Pittsburgh East, PA Quadrangle N: 1.3 inches; W: 16.8 inches) in Whitehall Borough, **Allegheny County**.

Northeast Regional Office: Regional Soils and Waterways Section, 2 Public Square, Wilkes-Barre, PA 18711-0790, telephone (717) 826-5485.

E52-134. Encroachment. **Department of Transportation**, Engineering District 4-0, P. O. Box 111, Scranton, PA 18501-0111. To construct and maintain four 18-inch stormwater outfall pipes at each bridge across York Creek, McConnell Creek and Raymondskill Creek to prevent erosion at the abutments, and to widen the existing bridge across McConnell Creek 12 feet to accommodate an acceleration lane. These projects are located along the east bound lanes of S. R. 0084, section 444 over York Creek (HQ-CWF), and McConnell Creek (HQ-CWF) (Pecks Pond, PA Quadrangle N: 19.6 inches; W: 9.5 inches and N: 19.5 inches; W: 6.7 inches) in Blooming Grove Township and Raymondskill Creek (HQ-CWF) (Edgemere, PA Quadrangle N: 17.0 inches; W: 6.5 inches) in Dingman Township, **Pike County** (Philadelphia District, Army Corps of Engineers).

E52-135. Encroachment. **Vincent C. and Susan N. Giampapa**, 67 Highland Avenue, Montclair, NJ 07042. To excavate 0.71 acres and to place fill in 0.25 acres of PEM wetlands for the construction of a nonjurisdictional dam. This project is located approximately 1,400 feet east of the intersection of S. R. 0447 and Township Road T-370 (Newfoundland, PA Quadrangle N: 2.6 inches; W: 4.1 inches) in Greene Township, **Pike County** (Philadelphia District, Army Corps of Engineers).

E54-219. Encroachment. **Butler Township Municipal Authority**, 211 Broad Street, Fountain Springs, Ashland, PA 17921. To construct and maintain a wastewater treatment facility in the 100 year floodplain of Mahanoy Creek. This project is located approximately 1,000 feet south of the intersection of S. R. 4026 and S. R. 4007 on the west side of Mahanoy Creek (Ashland, PA Quadrangle N: 2.0 inches; W: 12.0 inches) in Butler Township, **Schuylkill County** (Baltimore District, Army Corps of Engineers).

E64-164. Encroachment. **Department of Transportation**, Engineering District 4-0, P. O. Box 111, Scranton, PA 18501. To remove the existing structure and to construct and maintain a two span, multi-curved, steel girder bridge having normal spans of 31 feet and 39.5 feet and a minimum underclearance of 15.5 feet across the west branch Lackawaxen River (HQ-CWF). This project is located 0.1 mile south of S. R. 4004 along S. R. 0170, Section 671, Segment 0110, Offset 2241 (Aldenville, PA Quadrangle N: 3.8 inches; W: 15.3 inches) in Clinton Township, **Wayne County** (Philadelphia District, Army Corps of Engineers).

Northcentral Region: Water Management, Soils and Waterways Section, F. Alan Sever, Chief, 208 West Third St., Suite 101, Williamsport, PA 17701.

E08-232. Encroachment. **Borough of Sayre**, 110 W. Packer Ave., Sayre, PA 18840. To place and maintain fill, about 400 ft. by 300 ft., in the floodplain of the

Susquehanna River, a WWF stream. This project will have no stream or wetlands impacts and is located along the Susquehanna River about 1,200 ft. upstream of the Athens Borough/Sayre Borough boundary (Sayre, PA Quadrangle N: 18.4 inches; W: 1.9 inches) in the Borough of Sayre, **Bradford County**.

E47-055. Encroachment. **Valley Township Municipal Authority**, P. O. Box 307, Danville, PA 17821. To place and maintain about 286 yards of fill for an office building in the floodway fringe of Mause Creek, a CWF stream. The project will have no stream or wetland impacts and is located next to Route 54 about 2 miles north of its intersection with Route 11 (Riverside, PA Quadrangle N: 20.5 inches; W: 1.3 inches) in Valley Township, **Montour County**.

E59-318. Encroachment. **Department of Transportation**, P. O. Box 218, Montoursville, PA 17754. To remove the existing structure and to construct and maintain a precast reinforced concrete slab bridge having a clear span of 15 feet on a 75 degree skew with underclearance of 3.26 feet across an unnamed tributary to Corey Creek on S. R. 1008 just east of the intersection with S. R. 549 (Mansfield, PA Quadrangle N: 11.45 inches; W: 3.6 inches) in Richmond Township, **Tioga County**. This stream is unclassified in Chapter 93 and the estimated disturbance is approximately 100 feet.

E60-123. Encroachment. **Bureau of Forestry**, P. O. Box 147, Laurelton, PA 17835-0147. To construct and maintain a round longitudinal timber stinger bridge with an approximate span of 40 feet and an approximate underclearance of approximately 5 feet across Weikert Run (Weikert, PA Quadrangle N: 16.0 inches; W: 8.8 inches) in Hartley Township, **Union County**. The project proposes to impact approximately 50 linear feet of Weikert Run which is designated as HQ-CWF.

Southeast Regional Office: Program Manager, Water Management Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

E23-337. Encroachment. **Eastern College**, 10 Fairview Drive, St. Davids, PA 19087-3696. To construct and maintain three 14-foot and 9-inch by 5-foot and 6-inch steel box culverts and related stormwater management structure across Gulph Creek and to place fill in 0.2 acre of associated wetlands for the purpose of providing an access road to a new residence hall and parking area for Eastern College. The site is located approximately 800 feet southwest from the intersection of Eagle and King of Prussia Roads (Norristown, PA Quadrangle N: 9.5 inches; W: 16.5 inches) in Radnor Township, **Delaware County**.

ACTIONS

The Department of Environmental Protection has taken the following actions on previously received permit applications and requests for plan approval and has issued the following significant orders.

Any person aggrieved by this action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appro-

appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

Actions under The Clean Streams Law (35 P. S. §§ 691.1—691.1001).

Permits Issued

Northeast Regional Office: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, telephone (717) 826-2511.

NPDES Permit No. PA-0032140. Sewerage. **Bureau of State Parks** (Lackawanna State Park), P. O. Box 8551, Harrisburg, PA 17105, is authorized to discharge from a facility located in Benton Township, **Lackawanna County** to the south branch of Tunkhannock Creek.

NPDES Permit No. PA-0061000. Sewerage. **Village of the Four Seasons Assoc., Inc.**, R. R. 3, Box 3350, Uniondale, PA 18470 is authorized to discharge from a facility located in Herrick Township, **Susquehanna County** to the east branch of Tunkhannock Creek.

NPDES Permit No. PA-0033472. Sewerage. **Camp Starlight, Inc.**, Starlight, PA 18461 is authorized to discharge from a facility located in Preston Township, **Wayne County** to an unnamed tributary to Shehawken Creek.

NPDES Permit No. PA-0063479. Sewerage. **P & S Development Company**, P. O. Box 194, Mount Pocono, PA 18344 is authorized to discharge from a facility located in Salem Township, **Wayne County** (Village Center at Hamlin) to an unnamed tributary to the west branch Wallenpaupack Creek.

NPDES Permit No. PA-0061433. Sewerage. **Loren Dixon Sewer Company**, P. O. Box 102, Factoryville, PA 18419 is authorized to discharge from a facility located in Clinton Township, **Wyoming County** to an unnamed tributary to the south branch of Tunkhannock Creek.

NPDES Permit No. PA-0060321. Sewerage. **Century Enterprises**, Route 202, Box 502, Montgomeryville, PA 18936 is authorized to discharge from a facility located in Overfield Township, **Wyoming County** (Pine Valley Mobile Home Park) to an unnamed tributary to the south branch of Tunkhannock Creek.

NPDES Permit No. PA-0062219. Sewerage. **Frackville Area Municipal Authority**, P. O. Box 471, 41 N. Lehigh Avenue, Frackville, PA 17931 is authorized to discharge from a facility located in Butler Township, **Schuylkill County** to Little Mahanoy Creek.

Southeast Regional Office: Regional Manager, Water Management, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428-2233, telephone (610) 832-6130.

NPDES Permit No. PA 0056502. Industrial waste, **Transit America, Inc.**, One Red Lion Road, Philadelphia, PA 19115, City of Philadelphia/Lower Moreland Township, **Philadelphia/Montgomery County**.

The following notice reflects changes to the notice published in the November 4, 1995, *Pennsylvania Bulletin*.

Monitoring requirements for PCBs have been added for Outfall 002 and 003.

Permits Issued

Northeast Regional Office: Regional Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335, telephone (814) 332-6942.

NPDES Permit No. PA 0103870. Sewerage, **Eckstrom Mobile Home Park**, 347 Hadley Road, Greenville, PA 16125 is authorized to discharge from a facility located in Hempfield Township, **Mercer County** to an unnamed tributary to Little Shenango Creek.

NPDES Permit No. PA 0028371. Sewerage, **Youngsville Municipal Authority**, 40 Railroad Street, Youngsville, PA 16371 is authorized to discharge from a facility located in Youngsville Borough, **Warren County** to Brokenstraw Creek.

NPDES Permit No. PA 0220817. Industrial waste, **Truckstops of America**, 200 Public Square, Cleveland, OH 44114-2375 is authorized to discharge from a facility located in Barkeyville Borough, **Venango County** to east branch Wolf Creek.

NPDES Permit No. PA 0034916. Industrial waste, **Werner Company**, 93 Werner Road, Greenville, PA 16125 is authorized to discharge from a facility located in Sugar Grove Township, **Mercer County** to Little Shenango River.

NPDES Permit No. PA 0000868. Industrial waste, **Wheatland Tube Company**, Wheatland, PA 16161 is authorized to discharge from a facility located in Wheatland Borough, **Mercer County** to the Shenango River.

NPDES Permit No. PA 0034193. Sewerage, **Lake View Development, Inc.**, Lake View Country Club, 8351 Station Road, North East, PA 16428 is authorized to discharge from a facility located in North East Township, **Erie County** to the west branch of 16 Mile Creek.

NPDES Permit No. PA 0023591. Sewerage, **Washington Township Municipal Authority**, P. O. Box 79, Fryburg, PA 16326 is authorized to discharge from a facility located in Washington Township, **Clarion County** to East Sandy Creek.

NPDES Permit No. PA0221911. Sewerage, **Marvin R. Weaver**, S. R. 2032 PA Route 198, Guys Mills, PA 16327 is authorized to discharge from a facility located in Randolph Township, **Crawford County** to unnamed tributary of Lake Creek.

NPDES Permit No. PA 0104396. Industrial waste, **Cogentrix of Pennsylvania, Inc.**, 9405 Arrowpoint Boulevard, Charlotte, NC 28273 is authorized to discharge from a facility located in Ringgold Township, **Jefferson County** to Caylor Run.

NPDES Permit No. PA 0210412. Amendment No. 2. Industrial waste, **Keystone Thermometrics**, 973 Windfall Road, St. Marys, PA 15857 is authorized to discharge from a facility located in the City of St. Marys, **Elk County** to an unnamed tributary to Elk Creek.

NPDES Permit No. PA 0006238. Sewerage, **Napco, Inc.**, McFann Road at Route 8, Valencia, PA 16059 is authorized to discharge from a facility located in Middlesex Township, **Butler County** to Glade Run.

NPDES Permit No. PA 0209881. Amendment No. 1. Sewerage, **Pinehurst-Wolf Run Development, Inc.**, 16 Angle Way, Etna, PA 15223 is authorized to discharge from a facility located in Cranberry Township, **Butler County** to an unnamed tributary to Wolfe Run.

NPDES Permit No. PA 0100889. Industrial waste, **Erie City Water Authority—Sommerheim Water Treatment Plant**, Third Floor Administration Building, 901 West 12th Street, Erie, PA 16501 is authorized to discharge from a facility located in Millcreek Township, **Erie County** to Presque Isle Bay.

NPDES Permit No. PA 0104167. Industrial waste, **Erie City Water Authority—Chestnut Street Water Treatment Plant**, Third Floor Administration Building, 901 West 12th Street, Erie, PA 16501 is authorized to discharge from a facility located in the City of Erie, **Erie County** to Presque Isle Bay.

Southwest Regional Office: Water Management Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, telephone (412) 442-4000.

NPDES Permit No. PAS236105. Industrial waste, **Washington Penn Plastics**; V-BAT Division, 1500 Weirich Avenue, Washington, PA 15301 is authorized to discharge from a facility located at V-BAT Plastics Division, Canton Township, **Washington County** to unnamed tributary to Chartiers Creek.

NPDES Permit No. PA0205095. Sewage, **John Kowalik, Jr.**, R. D. 3, Box 470, New Alexandria, PA 15670 is authorized to discharge from a facility located at John Kowalik, Jr. Single Residence Sewage Treatment Plant, New Alexandria Borough, **Westmoreland County** to unnamed tributary of Loyalhanna Creek.

Notices of Intent for Coverages Under NPDES General Permits and Department Final Actions

The Department of Environmental Protection has received Notices of Intent (NOI) for approval of coverage under General NPDES Permits and has taken the following final actions by approving the requested general permit coverages.

These actions of the Department may be appealed to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483, by any aggrieved person under the Environmental Hearing Board (35 P.S. § 7514); 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law). Appeals must be filed with the Environmental Hearing Board within 30 days from the date of this issue of the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of procedure before the Board may be obtained from the Board.

Notices of Intent for Coverage under NPDES General Permit For Construction Activities and Department Final Actions

Lawrence County Conservation District, District Manager, County Government Center, New Castle, PA 16101, telephone (412) 652-4512.

The following parties have submitted Notices of Intent for coverage under NPDES General Permit PAG-2, General Permit for Discharges of Stormwater From Construction Activities. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection will authorize, subject to the terms and conditions contained in the general permit, the discharge of stormwater from eligible new and existing discharges.

The application and related documents, including the erosion and sedimentation control plan for the construction activity, are on file and may be inspected at the office noted above.

WQM Permit No. 4395417. Sewerage, **Thomas Smith, SRSTP**, 2942 Scrubgrass Rd., Grove City, PA 16127. Construction of Thomas Smith SRSTP located in Wolf Creek Township, **Mercer County**.

Plan approval granted under the Pennsylvania Sewage Facilities Act (35 P. S. §§ 750.1—750.20).

Northeast Regional Office: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, telephone (717) 826-2553.

Location: Williams Township, **Northampton County**.

Project Description: The Department has completed its review of the Act 537—Official Sewer Plan for the I—78 Corridor of Williams Township (Plan), dated June 30, 1995. The Plan was revised on November 30, 1995 in

response to the Department's October 30, 1995 review/comment letter. The Plan was prepared by Hanover Engineering Associates, Inc. (HEA). The Department has found that the Plan is now acceptable and hereby grants planning approval.

The Plan was submitted at this time to provide for the future sewage disposal needs along the Interstate 78 Corridor. A Study of Needs Report, dated November 17, 1994, and revised on January 11, 1995, was submitted with the Plan. The Study of Needs covered all 15 watershed districts. To allow for future development along the corridor, zoning changes had been made. The planning area included under the plan was the northern area of Williams Township, contiguous to the City of Easton, in close proximity to the Delaware River, and along Interstate 78.

The Plan concluded that:

- Wastewater generated within Watershed Districts 1, 2 and 3 should be conveyed to a sewerage conveyance system, owned by Williams Township, with discharge to the City of Easton's sewer system.

The area of highest need is located in Watershed District 3. Construction of a sewer system with outside financing to serve 15 homes has been proposed. The proposed sewer extension consists of approximately 1,650 LF of 8-inch diameter gravity sewer line and appurtenances.

- Wastewater generated within Watershed District 4 will continue to be conveyed through the Township's sewer system to the City of Easton's system.

- Wastewater generated within Watershed Districts 5, 6 and 7 should continue to be served via the sewer line that handles the Chrin Landfill. When additional conveyance capacity is needed within the City of Easton, discussions between the developer and representatives from both Williams Township and the City of Easton will need to be held.

- For future development, wastewater generated within Watershed Districts 8, 9, 10, 11, 12, 13, 14 and 15 should be handled via the sewer system, described in Alternative 2. This system connects to the City of Easton's system.

- The total wastewater flow to be generated from the 15 watershed districts is estimated to be 514,000 gallons per day. Williams Township will need to reserve wastewater capacity with the City of Easton for this amount.

- There is no significant need for additional public sanitary sewers to serve existing development within the Planning Area, except for the previously described system to be located within Watershed District 3.

In accordance with the provisions of the Pennsylvania Sewage Facilities Act (35 P. S. §§ 750.1—750.2) (Act 537), and Chapter 71 of the Department's Regulations, 25 Pa. Code Chapter 71, the Department will hold Williams Township responsible for complete and timely implementation of the chosen alternative, as stated in Section IV—Recommendations and Implementation Schedule (Pages IV-1 through IV-7 of the Plan). It is understood that the baseline date of the Schedule of Implementation (Page IV-6) needs to be adjusted to the date when the Plan was approved by the Department.

Actions taken under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17).

Northeast Regional Office: Sanitarian Regional Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, telephone (717) 826-2511.

4092508. Public water supply. A Minor Amendment No. 2 for the permit was issued on December 7, 1995, to **Hazleton City Authority**, Ebervale Division, c/o Robert Vieipek, Manager, 400 East Arthur Gardener Highway, P. O. Box 5, Hazleton, PA 18201. This proposal involves the construction of a 1.25 million gallon storage tank and distribution main which will result in the elimination of Ebervale Well No. 1, Eckly Hill Open Reservoir and Highland Reservoir No. 5. It is located in Hazle, Foster and Lausanne Townships, **Luzerne and Carbon Counties**.

Northwest Regional Office: Sanitarian Regional Manager, 230 Chestnut Street, Meadville, PA 16335-3481, telephone (814) 332-6899.

Permit No. 1095505. Public water supply. **Hy-Hue Acres Mobile Home Park**, P. O. Box 82, Herman, PA 16039. This permit is to permit the existing Public Water Supply System which consists of three existing wells known as well no. 1, well no. 2 and well no. 3 with proposed additions to the distribution system in Summit Township, **Butler County**.

Type of Facility. Public water supply.

Approval of an Application to Conduct a Household Hazardous Waste Collection and Management Program.

Under section 1512(h) of Act 101, the Municipal Waste Planning, Recycling and Waste Reduction Act of 1988, the Department of Environmental Protection announces the approval of an application for the registration and conduct of a program designed for the collection and management of household type hazardous wastes. The program will be sponsored by the county solid waste management office and will entail a permanently operating program at the Advanced Environmental Recycling Corporation located at 2591 Mitchell Avenue, Allentown, PA 18103.

Act 101 authorizes municipalities/persons to conduct such programs, provided they have registration approval from the Department. Additional information on this application may be obtained by contacting Chris Fritz of the Department's Northeast Regional Office at (717) 826-2516.

In addition, the Department, under Act 155 of 1994, has approved a \$64,000 grant to the county to support the development and operation of the program for the July 1, 1995 to June 30, 1996 time period.

Persons aggrieved by this action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

Permits issued under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003), the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904) and regulations to operate solid waste processing or disposal area or site.

24-315-007	Willamette Industries	Lime Kiln	Johnsonburg Borough, Elk County
25-313-049	Mallinckrodt Specialty Chemicals Co.	Fluid Bed Charging Systems	Erie City, Erie County
25-313-050	Mallinckrodt Specialty Chemicals Co.	J-2 Nickel Carbonate Calciner	Erie City, Erie County
25-313-052	Mallinckrodt, Inc.	Copper Chrome Product Collector	Erie City, Erie County
25-313-053	Mallinckrodt Specialty Chemicals Co.	Copper Chrome Calciner	Erie City, Erie County
42-302-022	Bureau of Prisons, Department of Justice	Hot Water Boilers (3)	Lafayette Township, McKean County
62-312-033	United Refining Co.	Process Heating	Warren Borough, Warren County

Operating permits scheduled for renewal under section 6.1(b) of the Air Pollution Control Act (35 P. S. §§ 4006.1, 4006.1(b1)) during the Month of February, 1996.

Regional Office: Northcentral Regional Office, Regional Air Quality Manager, 208 West Third Street, Suite 101, Williamsport, PA 17701.

<i>Permit No.</i>	<i>Facility Name</i>	<i>Source Name</i>	<i>Location</i>
08-318-012D	DuPont de Nemours, E. I. & Co., Inc.	Hold Tanks (8 MOS) & Mix Booths (2 MOS)	North Towanda Township, Bradford County

Plan approvals issued under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and regulations to construct, modify, reactivate and operate air contamination sources or air cleaning devices.

Regional Office: Southcentral Regional Office, Air Quality Program, One Ararat Boulevard, Harrisburg, PA 17110.

05-318-015A. On January 4, 1996, the Department issued a plan approval to **JLG Industries, Inc.** (JLG Drive, McConnellsburg, PA 17233-9533) for the Bedford ManLift Production facility in Bedford Township, **Bedford County**.

06-319-001B. On January 3, 1996, the Department issued a plan approval to **East Penn Mfg. Company, Inc.** (P. O. Box 147, Lyon Station, PA 19536) for two lead oxide mills, two cyclones and two fabric collectors in Richmond Township, **Berks County**. The sources are subject to 40 CFR 60, Subpart KK, Standards of Performance for New Stationary Sources.

06-319-098B. On January 4, 1996, the Department issued a plan approval to **General Battery Corporation** (P. O. Box 13395, Reading, PA 19612-3995) for a formation operation with five wet scrubbers in Muhlenberg Township, **Berks County**.

21-310-006C. On January 4, 1996, the Department issued a plan approval to **Union Quarries, Inc.** (P. O. Box 686, Carlisle, PA 17013) for a limestone crushing plant controlled by wet suppression and a fabric filter in South Middleton Township, **Cumberland County**. The sources are subject to 40 CFR 60, Subpart OOO, Standards of Performance for New Stationary Sources.

22-302-111. On January 4, 1996, the Department issued a plan approval to the **Department of Public Welfare, Harrisburg State Hospital** (Cameron and MaClay Streets, Harrisburg, PA 17105) for a No. 2 boiler in Susquehanna Township, **Dauphin County**.

28-304-029. On December 26, 1995, the Department issued a plan approval to **T. B. Wood's, Incorporated** (440 North Fifth Avenue, Chambersburg, PA 17201) for a shakeout controlled by an existing fabric collector in Chambersburg Borough, **Franklin County**.

29-318-003A. On January 4, 1996, the Department issued a plan approval to **JLG Industries, Inc.** (JLG Drive, McConnellsburg, PA 17233) for the McConnellsburg ManLift Production facility in Ayr Township, **Fulton County**.

Regional Office: Southwest Regional Office, Bureau of Air Quality, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

03-308-002. On December 29, 1995, a plan approval was issued to **Vista Metals, Inc.** (1024 East Smithfield St., McKeesport, PA 15135) for a metal carbide powders operation at its Kittanning Plant located in East Franklin Township, **Armstrong County**.

63-000-110. On December 28, 1995, a plan approval was issued to **Corning Consumer Products Company** (HP-ME-01-025-B10, Corning, NY 14831) for Glass Melting Tank 61 at its Charleroi Plant located in Charleroi Borough, **Washington County**.

63-311-006. On December 22, 1995, a plan approval was issued to **Martin Marietta Aggregates** (120 Mallard St., Suite 300, St. Rose, LA 70087) for a concrete production and distribution operation at its Charleroi Plant located in Charleroi Borough, **Washington County**.

65-309-074. On December 22, 1995, a plan approval was issued to **American Video Glass Company** (1001 Technology Drive, Mt. Pleasant, PA 15666) for a color TV glass manufacturing operation at its facility located in East Huntingdon Township, **Westmoreland County**.

04-308-036. On December 21, 1995, a plan approval expiration date was extended to April 30, 1996 for the **Zinc Corporation of America** (300 Frankfort Road, Monaca, PA 15061) for a coke and residue circuit at its Monaca Zinc Smelter located in Potter Township, **Beaver County**.

04-313-053B. On December 11, 1995, a plan approval expiration date was extended to April 30, 1996 for a scrubber and afterburner for the Rotary Kiln Carbon Regenerator at its facility located in Darlington Township, **Beaver County**.

04-313-071B. On December 11, 1995, a plan approval expiration date was extended to April 30, 1996 for **BASF Corporation** (370 Frankfort Road, Monaca, PA 15061) for a thermal oxidizer for styrene/butadiene manufacturing at its plant located in Potter Township, **Beaver County**.

32-000-200. On December 11, 1995, a plan approval expiration date was extended to August 31, 1996 for **Indiana University of Pennsylvania** (Robert Shaw Bldg., Indiana, PA 15705) for cleanburn combustion technology for its S. W. Jack Cogeneration Plant located in Indiana Borough, **Indiana County**.

32-306-009B. On December 11, 1995, a plan approval expiration date was extended to April 30, 1996 for **Pennsylvania Electric Company** (1001 Broad Street, Johnstown, PA 15907) for a selective non-catalytic reduction system for boiler no. 15 at its Sewared Generating Station located in East Wheatfield Township, **Indiana County**.

32-306-014. On December 11, 1995, a plan approval expiration date was extended to April 30, 1996 for the **Pennsylvania Electric Company** (1001 Broad Street, Johnstown, PA 15907) for a steam electric generator at its Homer City Generating Station located in Center Township, **Indiana County**.

32-306-015. On December 11, 1995, a plan approval expiration date was extended to May 1, 1996 for **Penn-**

sylvania Electric Company (1001 Broad Street, Johnstown, PA 15906) for a steam electric generator at its Homer City Generating Station located in Center Township, **Indiana County**.

56-305-045. On December 21, 1995, a plan approval expiration date was extended to May 1, 1995 for **Custom Coals International** (100 First Avenue, Suite 500, Pittsburgh, PA 15222) for a coal preparation plant located in Shade Township, **Somerset County**.

63-000-631. On December 21, 1995, a plan approval expiration date was extended to May 1, 1996 for **Columbia Gas Transmission Corp.** (P. O. Box 1273, Charleston, WV 25325) for a natural gas compressor at its Donegal Station located in Donora Township, **Washington County**.

63-305-019. On December 21, 1995, a plan approval expiration date was extended to September 30, 1996 for a mine refuse reprocessing operation at its Matway site located in Fallowfield Township, **Washington County**.

63-308-036. On January 1, 1996, a plan approval expiration date was extended to July 1, 1996 for **General Alloys, Inc.** (135 West Wiely Avenue, Washington, PA 15301) for scrap aluminum remelt furnaces at its facility located in Canton Township, **Washington County**.

63-313-011A. On December 11, 1995, a plan approval expiration date was extended to April 30, 1996 for **Polycom Huntsman, Inc.** (55 Galiffa Drive, Donora, PA 15033) for a Crol-Reynolds Fume Scrubber for continuous mixer and extrusion at its Donor Plant No. 1 located in Donora Township, **Washington County**.

65-304-038. On December 11, 1995, a plan approval expiration date was extended to April 30, 1996 for **National Roll Company** (Railroad Avenue, Avonmore, PA 15618) for an alloying ladle process at its facility located in Avonmore Borough, **Westmoreland County**.

65-320-001. On December 21, 1995, a plan approval expiration date was extended to April 1, 1996 for **Sterling Lebanon Packaging Corporation** (P. O. Box 7768, Thomas Ave. and Lafferty St., Jeannette, PA 15644) for flexography at its facility located in Jeannette, **Westmoreland County**.

Northwest Regional Office: Devendra Verma, Engineering Services Chief, Air Quality Program, 230 Chestnut Street, Meadville, PA 16335-3481, telephone (814) 332-6940.

37-318-014C. On January 4, 1996, a plan approval was issued to **Emess Lighting, Inc.** (One Early Street, Ellwood City, PA 16117) for modification/installation of surface coating lines at Ellwood City, **Lawrence County**.

Regional Office: Northcentral Regional Office, Bureau of Air Quality, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448.

53-399-007. On December 13, 1995, plan approval was issued to **Emporium Specialties Company, Inc.** (P. O. Box 65, Austin, PA 16720) for the reactivation of a sintering furnace in Austin Township, **Potter County**.

PA-53-0003A. On December 18, 1995, plan approval was issued to **CNG Transmission Corporation** (445 West Main Street, Clarksburg, WV 26301-2450) for the installation of air cleaning devices (low emission combustion retrofit kits) on four natural gas fired reciprocating engines as well as for the modification of (increase in the carbon monoxide and volatile organic compound emission rates of) said engines at the Greenlick Compressor Station in Stewardson Township, **Potter County**.

PA-59-0002A. On December 18, 1995, plan approval was issued to **CNG Transmission Corporation** (445 West Main Street, Clarksburg, WV 26301-2450) for the installation of air cleaning devices (low emission combustion retrofit kits) on seven natural gas fired reciprocating engines as well as for the modification of (increase in the carbon monoxide and volatile organic compound emission rates of) said engines at the Sabinsville Compressor Station in Clymer Township, **Tioga County**.

18-329-001A. On December 21, 1995, plan approval was issued to **CNG Transmission Corporation** (445 West Main Street, Clarksburg, WV 26301-2450) for the modification of (increase in the nitrogen oxides, carbon monoxide and volatile organic compound emission rates of) a natural gas fired reciprocating engine (no. 4) at the Finnefrock Compressor Station in Leidy Township, **Clinton County**.

17-318-020. On December 21, 1995, plan approval was issued to **Rescar, Inc. of Pennsylvania** (7702 FM 1960, Suite 232, Humble, TX 77346) for the construction of a rail car surface coating operation in the City of DuBois, **Clearfield County**.

PA-41-0003A. On December 21, 1995, the Department returned a plan approval application submitted by **Hiebert East dba The Hon Company** (Technical Center, P. O. Box 499, Muscatine, IO 52761-0499) for the construction of furniture finishing line ovens in the City of Williamsport, **Lycoming County**.

8-316-012A. On December 22, 1995, plan approval was issued to **Masonite Corporation, Division of International Paper** (P. O. Box 311, Towanda, PA 18848) for the modification of a hardboard tempering operation and for the installation of an air cleaning device (a thermal oxidizer) on said tempering operation in Wysox Township, **Bradford County**.

53-399-006. On December 28, 1995, plan approval was issued to **St. Mary's Carbon Company** (P. O. Box 1, Galeton, PA 16922) for the construction of nine sintering furnaces in Pike Township, **Potter County**.

MINING ACTIVITY ACTIONS

Actions on applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); the Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). The final action on each application also constitutes action on the request for 401 water quality certification. Mining activity permits issued in response to such applications will also address the applicable permitting requirements of the following statutes: the Air Quality Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

Mining and Reclamation, 3913 Washington Road, McMurray, PA 15317.

Coal Mining Permits Issued

56901301. PBS Coals, Inc. (P. O. Box 260, Friedens, PA 15541), to revise the permit for the Diamond T No. 1 and No. 2 bituminous deep mine in Stoneycreek Township, **Somerset County** to add 45 permit acres and one vent borehole, no additional discharge. Permit issued December 22, 1995.

56841603. PBS Coals, Inc. (P. O. Box 260, Friedens, PA 15541), to revise the permit for the Shade Creek Preparation Plant in Shade Township, **Somerset County** to add existing haul road, no additional discharge. Permit issued December 22, 1995.

56841325. RoxCoal, Inc. (P. O. Box 149, Friedens, PA 15541), to transfer the permit for the Laurel bituminous deep mine in Shade Township, **Somerset County** from Triebel, Inc., no additional discharge. Permit issued December 22, 1995.

56911302. RoxCoal, Inc. (P. O. Box 149, Friedens, PA 15541), to operate the Long T bituminous deep mine in Stoneycreek Township, **Somerset County**, for transfer of the Diamond T Mine's permit to RoxCoal, Inc. and combine with the Longview permit (the Longview permit number will be retained), no additional discharge. Permit issued December 22, 1995.

Mineral Resources Management—District Mining, Pottsville District Office, 5 West Laurel Boulevard, Pottsville, PA 17901-2454.

Noncoal Permits Issued

09840301C3. G.R.O.W.S., Inc. (1000 New Ford Mill Road, Morrisville, PA 19067), renewal of NPDES Permit #PA0614301 in Falls Township, **Bucks County**, receiving stream unnamed tributary to Delaware River and Van Siver Lake. Renewal issued December 28, 1995.

19950301. Stillwater Asphalt, Inc. (P. O. Box 330, Kline Road (T-595), Benton, PA 17814), commencement, operation and restoration of a large noncoal operation in Stillwater Borough, **Columbia County**, affecting 9.2 acres, receiving stream Fishing Creek. Permit issued December 27, 1995.

The Department of Environmental Protection has taken the following actions on previously received permit applications, requests for Environmental Assessment approval, and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).

Actions on applications filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and sections 5 and 402 of the act of June 22, 1937 (P. L. 1987, No. 394) (35 P. S. §§ 691.5 and 691.402) and Notice of final action for certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)) (Note: Permits issued for Small Projects do not include 401 Certification, unless specifically stated in the description).

Permits Issued and Actions on 401 Certifications

Southeast Regional Office: Program Manager, Water Management Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

E09-698. Encroachment. **Borough of Quakertown**, P. O. Box 727, Quakertown, PA 18951. To remove low flow stream crossing and to construct and maintain a 14-foot wide by 2-foot high reinforced concrete box culvert across Beaver Run Creek for the purpose of providing an access to the Borough's water supply well. The site is located approximately 175 feet east of the intersection of California Road and the Borough line (Quakertown, PA Quadrangle N: 10 inches; W: 13.1 inches) in Richland Township, **Bucks County**. This permit was issued under section 105.13(e) "Small Projects". This permit also includes 401 Water Quality Certification.

Northcentral Region: Water Management—Soils and Waterways, F. Alan Sever, Chief, 208 West Third St., Williamsport, PA 17701.

E08-231. Encroachment. **North Towanda Township Supervisors**, R. R. 1, Box 63-1, Towanda, PA 18848. Install a 50 foot long 10 foot diameter steel tank to an existing 95 foot long culvert and maintain the new 145 foot length of culvert located approximately 1,219 feet north on Campbell Road from its intersection with S. R. 0006 (Towanda, PA Quadrangle N: 8.5 inches; W: 13 inches) in North Towanda Township, **Bradford County**.

E14-275. Encroachment. **Joseph C. Meter, Jr.**, 511 West Branch Road, State College, PA 16801. Repair and maintain an existing single span bridge across Slab Cabin Run to provide access to private property. Work shall consist of replacing the abutments and superstructure that will provide a minimum span of 30.0 feet and an average underclearance of 6.0 feet. The proposed work is located approximately 1,000.0 feet south of the intersection of S. R. 3009 and S. R. 0322 State College, PA Quadrangle N: 5.8 inches; W: 11.4 inches in College Township, **Centre County**.

Southwest Regional Office: Soils and Waterways Section, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.
Permits Issued

E02-1116. Encroachment. **Joseph Fay Company**, P. O. Box 11351, Pittsburgh, PA 15238. To place and maintain fill in approximately 0.07 acre of wetlands on the left bank of the Allegheny River and on the right bank of Plum Creek for the purpose of the deposition of clean fill material. The project is located just upstream of the confluence of the Allegheny River and Plum Creek, approximately 700 feet south of the intersection of College Avenue and Allegheny River Boulevard (New Kensington West, PA Quadrangle N: 2.0 inches; W: 13.5 inches) in Oakmont Borough, **Allegheny County**.

E02-1127. Encroachment. **U. S. Steel Group**, 1206 Braddock Avenue, Braddock, PA 15104. To relocate, operate and maintain the existing outfall structure on the right bank of, and in the channel of the Monongahela River for the purpose of the relocation of the Army Corps of Engineer's Lock and Dam No. 2. The project is located at River Mile 11.3 (Braddock, PA Quadrangle N: 2.8 inches; W: 15.0 inches) in North Braddock Borough, **Allegheny County**. This permit was issued under section 105.13(e) "Small Projects". This permit also includes 401 Water Quality Certification.

E32-368. Encroachment. **Department of Transportation**, P. O. Box 429, Indiana, PA 15701-0429. To construct and maintain a 20-foot by 7.5-foot concrete box culvert (bottom slab depressed 1.5 feet) in the proposed relocated Stoney Run located on the proposed S. R. 3043, Section 490 (Rose Street Extension) and to relocate and maintain said stream for a length of 950 L. F. starting from 200 feet upstream of the proposed culvert. The project includes construction and maintenance of two outfall structures (Indiana, PA Quadrangle N: 19.50 inches; W: 5.37 inches). The project is in White Township, **Indiana County**.

E63-401. Encroachment. **Kenneth M. Kochman**, 584 Cherryhill Drive, Bridgeville, PA 15136. To place and maintain fill in the floodway of and along the left bank of an unnamed tributary to Chartiers Creek for the purpose of improving applicant's property, and to extend and maintain the existing 15-inch diameter outfall pipe on the left bank of said stream. The project is located on Cherrybrook Lot 22, approximately 2,500 feet northeast of the intersection of Baker Road and Interstate Route 79

(Canonsburg, PA Quadrangle N: 11.6 inches; W: 2.0 inches) in Cecil Township, **Washington County**. This permit was issued under section 105.13(e) "Small Projects". This permit also includes 401 Water Quality Certification.

E63-403. Encroachment. **Bureau of Abandoned Mine Reclamation**, P. O. Box 8476, Harrisburg, PA 17105-8476. To relocate and maintain approximately 2,800 feet of the channel of a tributary to the Monongahela River, to remove debris from the existing culverts in said stream and to place and maintain fill in an intermittent impoundment on the left bank of the Monongahela River for the purpose of reclaiming approximately 64 acres of an abandoned mine site (Project No. OSM 63 (4756) 101.1). The project is located on the north side of the intersection of First Street and State Highway 62198 (California, PA Quadrangle N: 0.8 inch; W: 8.3 inches) in Centerville Borough, **Washington County**.

E65-623. Encroachment. **Dept. of Transportation**, P. O. Box 459, Uniontown, PA 15401. To remove the existing structure and to construct and maintain a bridge having a normal span of 40 feet and an underclearance of

7.8 feet across Welty Run. The bridge is located on S. R. 2023, Section B01, Station 71+06 (Mammoth, PA Quadrangle N: 15.8 inches; W: 14.3 inches) in Mount Pleasant Township, **Westmoreland County**.

Notice of Certification to Perform Radon-Related Activities in Pennsylvania

In the month of December 1995, the Department of Environmental Protection of the Commonwealth of Pennsylvania, under the authority contained in the Radon Certification Act (63 P. S. §§ 2001—2014) and regulations promulgated thereunder at 25 Pa. Code Chapter 240, has certified the persons listed below to perform radon-related activities in Pennsylvania. The period of certification is 2 years. For a complete list of persons currently certified to perform radon-related activities in Pennsylvania and for information as to the specific testing devices that persons certified for testing or laboratory are certified to use, contact the Bureau of Radiation Protection, Radon Division, P. O. Box 8469, Harrisburg, PA 17105-8469, (1-800-23RADON).

Citizens Advisory Council; Schedule of 1996 Meetings

The Citizens Advisory Council to the Department of Environmental Protection meets the second Tuesday of each month. The meetings will be held at 10 a.m. in the 1st Floor Meeting Room, Rachel Carson State Office Building, 400 Market Street, Harrisburg, on the following dates:

February 13
March 12
April 9
May 14
June 11
July 9
September 10
October 8
November 12 (*Note:* Nov. 11 is Veterans Day)

Questions concerning this schedule or agenda items can be directed to Susan Wilson at (717) 787-4527 or e-mail at Wilson.Susan@a1.dep.state.pa.us. This schedule and an agenda for each meeting will be available through the

Public Participation Center on DEP's World Wide Web site at <http://www.dep.state.pa.us>.

Persons in need of accommodations as provided for in the Americans With Disabilities Act of 1990 should contact Susan Wilson directly at (717) 787-4527 or through the Pennsylvania AT&T Relay Service at 1-800-654-5984 (TDD) to discuss how the Department may accommodate their needs.

MAURICE FORRESTER,
Chairperson

[Pa.B. Doc. No. 96-106. Filed for public inspection January 26, 1996, 9:00 a.m.]

Policy for Conducting Technical Reviews of Water Quality Management (Part II) Permit Applications to Construct and Operate Sewerage Works and Industrial Wastewater Treatment Facilities

The Department of Environmental Protection (Department) by this notice is announcing its policy setting forth the Department's review guidelines for applications to

construct sewerage works, and industrial wastewater treatment facilities under sections 207 and 308 of The Clean Streams Law. On September 9, 1995, the Department published a notice of the proposed policy at 25 Pa.B. 3780 (September 9, 1995) establishing a 30-day public comment period. The Department received only one comment, which supported the draft policy in its entirety. As a result, the Department issues this policy, to be effective on January 22, 1996, without revision.

Section 207 of The Clean Streams Law provides that Department approval of plans, designs and relevant data is required before the construction of any new sewer system, sewage treatment works or intercepting sewers, or before the extension of an existing sewer system can commence. Section 308 provides that all plans, designs and relevant data for the construction of industrial wastewater treatment works must be approved by the Department before construction begins.

This policy streamlines the Part II permit application review process and eliminates detailed Department re-engineering of Part II permit applications, resulting in resource savings for both permit applicants and the Department. It also gives the applicant's registered professional engineer full responsibility for the treatment works design. The policy allows design engineers broad discretion so long as necessary performance can be achieved by the treatment system. Opportunities for public review of Part II applications are not changed by this policy.

It is recognized where public funds are used to finance construction through government grants, loans or local taxes, the Department has a vested interest in ensuring that facilities are properly and cost-effectively designed and are capable of efficient performance over the design life of the facility. These same concerns apply to privately owned sewerage facilities which may ultimately become the responsibility of local government. This policy does not abandon the Department's interest in these matters. Industrial wastewater treatment works are almost exclusively privately owned and are specifically designed to treat a unique wastewater. These facilities are normally designed by professionals possessing specialized knowledge in the field and should require minimal Department review. To address the fundamental difference between industrial wastewater and sewerage facilities, the procedures to implement this policy are varied slightly along those lines.

Persons wishing to obtain an official copy of the final policy should request it from the Bureau of Water Quality Management, Division of Permits and Compliance, 10th Floor, Rachel Carson State Office Building, P.O. Box 8465, Harrisburg, PA 17105-8465, (717) 787-8184, or by Internet E-Mail (Gansell.Stuart@a1.dep.state.pa.us).

JAMES M. SEIF,
Secretary

Proposed Revision to the Pennsylvania State Implementation Plan for Ozone; Public Hearing

Meeting the 15% Rate of Progress Requirement Under the Clean Air Act for Allegheny, Armstrong, Beaver, Butler, Fayette, Washington and Westmoreland Counties

The Department of Environmental Protection proposed to submit to the Federal Environmental Protection

Agency a revision of the Pennsylvania State Implementation Plan for ozone to meet the 15% Rate of Progress requirement (also known as the Reasonable Further Progress Plan) under section 182(b) of the Clean Air Act. This public hearing and comment period is intended to solicit comments on the 15% Rate of Progress Plan for the Pennsylvania portion of the Pittsburgh moderate ozone nonattainment area including the counties of Allegheny, Armstrong, Beaver, Butler, Fayette, Washington and Westmoreland.

The public hearing will be held at 10 a.m. on Monday, February 26, 1996, at the following location: Green Tree Borough Building, Conference Room, 10 West Manila Avenue, Pittsburgh, PA.

Persons wishing to present testimony at the hearing must contact Karen Matter at (717) 787-9495 or at the address given within this notice no later than February 22, 1996, to reserve a time to present testimony. Oral testimony will be limited to 10 minutes for each witness and three written copies of the oral testimony must be submitted at the hearing. Each organization should designate one witness to present testimony on its behalf.

Persons interested in submitting written comments should send the comments to J. Wick Havens, Chief, Division of Air Resource Management, at the address given within this notice on or before March 25, 1996. Copies of the proposed revision may be obtained from the Bureau of Air Quality, Rachel Carson State Office Building, 12th Floor, P.O. Box 8468, Harrisburg, PA 17105-8468 or by telephone at (717) 787-4310.

Persons with a disability who wish to attend the hearing, and require an auxiliary aid, service or other accommodation to participate in the proceeding, should contact J. Wick Havens at the above address or telephone number; or for TDD users, the AT&T Relay Service at 1 (800) 654-5984 to discuss how the Department can best accommodate their needs.

JAMES M. SEIF,
Secretary

Technical Assistance Center for Small Water Systems; Schedule of 1996 Meetings

The Technical Assistance Center for Small Water Systems announces its schedule of 1996 meetings. The meetings will be held in the Green Room of the Forum Building in Harrisburg at 9:30 a.m. on the following dates:

February 13
May 14
August 13
November 12

Questions concerning this schedule or agenda items can be directed to Donna Green at (717) 787-9037 or e-mail at Green.Donna@a1.dep.state.pa.us. This schedule and an agenda for each meeting will be available through the Public Participation Center on DEP's World Wide Web site at <http://www.dep.state.pa.us>.

Persons in need of accommodations as provided for in the Americans With Disabilities Act of 1990 should contact Donna Green directly at (717) 787-9037 or

through the Pennsylvania AT&T Relay Service at 1-800-654-5984 (TDD) to discuss how the Department may accommodate their needs.

JAMES M. SEIF,
Secretary

[Pa.B. Doc. No. 96-109. Filed for public inspection January 26, 1996, 9:00 a.m.]

DEPARTMENT OF HEALTH

Notice of Beginning of Review; Certificates of Need

The Department has completed its preliminary assessment of the following applications for the offering, development, construction, renovation, expansion or establishment of reviewable clinically related health services or health care facilities. This notice is published in accordance with sections 702(c), 704(a) and 704(b) of the Health Care Facilities Act (35 P. S. §§ 448.702(c), 704(a) and 704(b)).

CON-95-H-7795-E: Boyce Technology Associates, Pittsburgh, PA. The applicant is proposing to extend its mobile renal lithotripsy service to Canonsburg Hospital.

CON-95-H-2557-B: Medical Center of Beaver, 1000 Dutch Ridge Road, Beaver, PA 15009. The project involves the addition of a second cardiac catheterization lab at an estimated cost of \$1,600,000.

The projects are scheduled to be reviewed and a decision rendered by the Department of Health within 90

days beginning January 27, 1996. Interested persons, as defined in section 103 of the act (35 P. S. § 448.103) may request a public meeting. Requests must be made in writing, within 15 days of this notice, to the Department of Health, Division of Need Review, Room 1027, Health and Welfare Building, Harrisburg, PA 17120. In order to preserve any appeal rights under section 506(a) of the act (35 P. S. § 448.506(a)) regarding the decisions made on these applications, any interested person as defined in the act must request a public meeting and participate in that meeting.

If the Department of Health receives a timely request for public meeting, such meeting will be held in Room 812 of the Health and Welfare Building, Seventh and Forster Streets, Harrisburg, PA. The public meetings will be conducted on Thursday, February 22, 1996. The Medical Center of Beaver meeting will begin at 11 a.m. and the Boyce meeting will begin at 1 p.m. Persons who need an accommodation due to a disability and want to attend a meeting should contact Jack W. Means, Jr., Director, Division of Need Review at (717) 787-5601 at least 24 hours in advance so arrangements can be made. These meetings are subject to cancellation without further notice.

For additional information, contact the Division of Need Review at (717) 787-5601.

PETER J. JANNETTA, M.D.,
Secretary

DEPARTMENT OF REVENUE

Pennsylvania Cash Cow Instant Lottery Game

Under the provisions of the State Lottery Law (72 P. S. §§ 3761-1—3761-15) and the provisions of 61 Pa. Code § 819.203 (relating to notice of instant game rules), the Secretary of Revenue hereby provides public notice of the rules for the following instant lottery game:

1. *Name:* The name of the game is Pennsylvania Cash Cow.

2. *Price:* The price of a Pennsylvania Cash Cow instant lottery game ticket is \$1.00.

3. *Play Symbols:* Each Pennsylvania Cash Cow instant lottery game ticket will contain one play area. The play symbols and their captions located in the play area are: Yogurt Symbol (YOGURT), Milkcan Symbol (MILKCAN), Ice Cream Symbol (ICE CREAM), Cream Symbol (CREAM), Pail Symbol (PAIL), Churn Symbol (CHURN), Cheese Symbol (CHEESE), Butter Symbol (BUTTER), Cow Symbol (COW) and Bottle Symbol (BOTTLE).

4. *Prize Play Symbols:* The prize play symbols and their captions located in the "Prize Bell" area are: \$1⁰⁰ (ONE), \$2⁰⁰ (TWO), \$4⁰⁰ (FOUR), \$8⁰⁰ (EIGHT), \$16\$ (SIXTEEN), \$32\$ (THIRT-TWO), \$64\$ (SIXTY-FOR) and \$400 (FOR HUN).

5. *Prizes:* The prizes that can be won in this game are \$1, \$2, \$4, \$8, \$16, \$32, \$64 and \$400.

6. *Approximate Number of Tickets Printed For the Game:* Approximately 6,475,200 tickets will be printed for the Pennsylvania Cash Cow instant lottery game.

7. *Determination of Prize Winners:*

(a) Holders of tickets with three matching play symbols in the "Play Area" and a prize play symbol of \$400 (FOR HUN) in the "Prize Bell" area, on a single ticket, shall be entitled to a prize of \$400.

(b) Holders of tickets with three matching play symbols in the "Play Area" and a prize play symbol of \$64\$ (SIXTY-FOR) in the "Prize Bell" area, on a single ticket, shall be entitled to a prize of \$64.

(c) Holders of tickets with three matching play symbols in the "Play Area" and a prize play symbol of \$32\$ (THIRT-TWO) in the "Prize Bell" area, on a single ticket, shall be entitled to a prize of \$32.

(d) Holders of tickets with three matching play symbols in the "Play Area" and a prize play symbol of \$16\$ (SIXTEEN) in the "Prize Bell" area, on a single ticket, shall be entitled to a prize of \$16.

(e) Holders of tickets with three matching play symbols in the "Play Area" and a prize play symbol of \$8⁰⁰ (EIGHT) in the "Prize Bell" area, on a single ticket, shall be entitled to a prize of \$8.

(f) Holders of tickets with three matching play symbols in the "Play Area" and a prize play symbol of \$4⁰⁰ (FOUR) in the "Prize Bell" area, on a single ticket, shall be entitled to a prize of \$4.

(g) Holders of tickets with three matching play symbols in the "Play Area" and a prize play symbol of \$2⁰⁰ (TWO) in the "Prize Bell" area, on a single ticket, shall be entitled to a prize of \$2.

(h) Holders of tickets with three matching play symbols in the "Play Area" and a prize play symbol of \$1⁰⁰ (ONE) in the "Prize Bell" area, on a single ticket, shall be entitled to a prize of \$1.

(i) A prize will be paid only for the highest Pennsylvania Cash Cow instant lottery game prize won on the ticket if the ticket meets the criteria established in 61 Pa. Code § 819.213 (relating to ticket validation and requirements).

8. *Number and Description of Prizes and Approximate Odds:* The following table sets forth the approximate number of winners, amounts of prizes, and approximate odds of winning:

Win	Approximate Odds	Approximate No. of Winners Per 6,475,200 Tickets
\$1	1:6	1,079,200
\$2	1:16	404,700
\$4	1:40	161,880
\$8	1:200	32,376
\$16	1:400	16,188
\$32	1:600	10,792
\$64	1:2,000	3,238
\$400	1:13,490	480

9. *Retailer Incentive Awards:* The Lottery may conduct a separate Retailer Incentive Game for retailers who sell Pennsylvania Cash Cow instant lottery game tickets. The conduct of the game will be governed by 61 Pa. Code § 819.222 (relating to retailer bonuses and incentives).

10. *Unclaimed Prize Money:* For a period of 1 year from the announced close of Pennsylvania Cash Cow, prize

money on winning Pennsylvania Cash Cow instant lottery game tickets will be retained by the Secretary for payment to the persons entitled thereto. If no claim is made within 1 year of the announced close of Pennsylvania Cash Cow, the right of a ticket holder to claim the prize represented by the ticket, if any, will expire and the prize money will be paid into the State Lottery Fund and used for purposes provided for by statute.

11. *Governing Law:* In purchasing a ticket, the customer agrees to comply with and abide by the State Lottery Law (72 P. S. §§ 3761-1—3761-15), the regulations contained in Part V of Title 61 of the Pennsylvania Code (relating to State Lotteries) and the provisions contained in this notice.

12. *Termination of the Game:* The Secretary may announce a termination date, after which no further tickets from this game may be sold. Such announcement will be disseminated through media used to advertise or promote Pennsylvania Cash Cow or through normal communications methods.

ROBERT A. JUDGE, Sr.,
Secretary

[Pa.B. Doc. No. 96-112. Filed for public inspection January 26, 1996, 9:00 a.m.]

Pennsylvania Joker's Wild '96 Instant Lottery Game

Under the provisions of the State Lottery Law (72 P. S. §§ 3761-1—3761-15) and the provisions of 61 Pa. Code § 819.203 (relating to notice of instant game rules), the Secretary of Revenue hereby provides public notice of the rules for the following instant lottery game:

1. *Name:* The name of the game is Pennsylvania Joker's Wild '96.

2. *Price:* The price of a Pennsylvania Joker's Wild '96 instant lottery game ticket is \$1.00.

3. *Play Symbols:* Each Pennsylvania Joker's Wild '96 instant lottery game ticket will contain two play areas. The play symbols and their captions located in the play area are: 7 (SEVEN), 8 (EIGHT), 9 (NINE), 10 (TEN), J (JACK), Q (QUEEN), K (KING), A (ACE) and Joker character (JOKER).

4. *Prize Play Symbols:* The prize play symbols and their captions located in the "Prize" box area are: \$1⁰⁰ (ONE), \$2⁰⁰ (TWO), \$4⁰⁰ (FOUR), \$7⁰⁰ (SEVEN), \$21\$ (TWTY-ONE), \$42\$ (FRTY-TWO), \$100 (ONE HUN), \$200 (TWO HUN) and \$2500 (TWNFIVHUN).

5. *Prizes:* The prizes that can be won in this game are \$1, \$2, \$4, \$7, \$21, \$42, \$100, \$200 and \$2,500. The player can win up to two times on each ticket.

6. *Approximate Number of Tickets Printed For the Game:* Approximately 6,475,200 tickets will be printed for the Pennsylvania Joker's Wild '96 instant lottery game.

7. *Determination of Prize Winners:*

(a) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in the play area and a prize play symbol of \$2500 (TWNFIVHUN) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$2,500.

(b) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in

the play area and a prize play symbol of \$200 (TWO HUN) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$200.

(c) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in the play area and a prize play symbol of \$100 (ONE HUN) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$100.

(d) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in the play area and a prize play symbol of \$42\$ (FRTY-TWO) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$42.

(e) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in the play area and a prize play symbol of \$21\$ (TWTY-ONE) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$21.

(f) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in the play area and a prize play symbol of \$7⁰⁰ (SEVEN) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$7.

(g) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in the play area and a prize play symbol of \$4⁰⁰ (FOUR) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$4.

(h) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in the play area and a prize play symbol of \$2⁰⁰ (TWO) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$2.

(i) Holders of tickets with three matching play symbols or two matching play symbols and a Joker play symbol in the play area and a prize play symbol of \$1⁰⁰ (ONE) in the "Prize" box, in the same game, on a single ticket, shall be entitled to a prize of \$1.

8. *Number and Description of Prizes and Approximate Odds:* The following table sets forth the approximate number of winners, amounts of prizes, and approximate odds of winning:

Win	Approximate Odds	Approximate No. of Winners Per 6,475,200 Tickets
\$1	1:6	1,079,200
\$2 (\$1 + \$1)	1:20	323,760
\$2	1:40	161,880
\$4 (\$2 + \$2)	1:80	80,940
\$4	1:160	40,470
\$8 (\$4 + \$4)	1:800	8,094
\$7	1:1,000	6,475
\$14 (\$7 + \$7)	1:1,200	5,396
\$21	1:300	21,584
\$42 (\$21 + \$21)	1:2,200	2,943
\$42	1:2,400	2,698
\$84 (\$42 + \$42)	1:8,004	809
\$100	1:15,988	405
\$200 (\$100 + \$100)	1:9,993	648
\$200	1:39,970	162
\$400 (\$200 + \$200)	1:79,941	81
\$2,500	1:259,008	25
\$5,000 (\$2,500 + \$2,500)	1:539,600	12

9. *Retailer Incentive Awards:* The Lottery may conduct a separate Retailer Incentive Game for retailers who sell

Pennsylvania Joker's Wild '96 instant lottery game tickets. The conduct of the game will be governed by 61 Pa. Code § 819.222 (relating to retailer bonuses and incentives).

10. *Unclaimed Prize Money:* For a period of 1 year from the announced close of Pennsylvania Joker's Wild '96, prize money on winning Pennsylvania Joker's Wild '96 instant lottery game tickets will be retained by the Secretary for payment to the persons entitled thereto. If no claim is made within 1 year of the announced close of Pennsylvania Joker's Wild '96, the right of a ticket holder to claim the prize represented by the ticket, if any, will expire and the prize money will be paid into the State Lottery Fund and used for purposes provided for by statute.

11. *Governing Law:* In purchasing a ticket, the customer agrees to comply with and abide by the State Lottery Law (72 P. S. §§ 3761-1—3761-15), the regulations contained in Part V of Title 61 of the Pennsylvania Code (relating to State Lotteries) and the provisions contained in this notice.

12. *Termination of the Game:* The Secretary may announce a termination date, after which no further tickets from this game may be sold. Such announcement will be disseminated through media used to advertise or promote Pennsylvania Joker's Wild '96 or through normal communications methods.

DEPARTMENT OF TRANSPORTATION

Approved Speed-Timing Devices and Appointment of Maintenance and Calibration Stations

[CORRECTION]

An error appeared in a notice at 25 Pa.B. 6045 (December 23, 1995). The correct version is as follows, with ellipses referring to the existing text of the notice:

The Department of Transportation, Bureau of Motor Vehicles, under authority of section 3368 of the Vehicle Code (75 Pa.C.S. § 3368), has approved for use, until the next comprehensive list is published, subject to interim amendment, the following electronic speed-timing devices (radar); electronic speed-timing devices (nonradar), which measure elapsed time between measured road surface points by using two sensors; and electronic speed-timing devices (nonradar), which calculate average speed between any two points.

Bureau of Motor Vehicles; State Implementation Plan—Public Hearing

The Department of Transportation, Bureau of Motor Vehicles intends to hold public hearings for the purpose of accepting comments on the proposed State Implementation Plan.

The Department of Transportation proposes to implement section 182 of The Clean Air Act Amendment of 1990, as amended by Pub. L. 101-54, November 15, 1990, 104 Stat. 2399-2712, (42 U.S.C.A. §§ 7401-26718) and Pub. L. 104-59, November 27, 1995, _____ Stat. _____ (known as the National Highway System Designation Act of 1995) requiring the State to develop an enhanced vehicle inspection and maintenance (I/M) program. The enhanced I/M program will include 25 counties in Pennsylvania. This State Implementation Plan outlines the program that the State will implement. The National Highway Designation Act of 1995 requires that this enhanced I/M State Implementation Plan be submitted to the Environmental Protection Agency no later than March 27, 1996. The Department strenuously and earnestly invites comments on this proposed State Implementation Plan.

Three hearings will be held, all commencing at 1 p.m., at the following dates and locations:

Monday, February 26, 1996
Green Tree Borough Bldg. Conference Room
10 West Manilla Avenue
Pittsburgh, PA

Wednesday, February 28, 1996
Freedom Hall
Upper Merion Township Bldg.
175 W. Valley Forge Road
King of Prussia, PA

Parking available in garage behind Twp. Bldg., 3rd Floor and above.

Friday, March 1, 1996
DEP Main Auditorium
Second Floor, Rachael Carson State Office Bldg.
4th and Market Streets
Harrisburg, PA

The public meeting locations are accessible to persons having disabilities. Persons with special needs or requiring special aids are requested to contact the Department prior to the meeting so that special disability needs may be accommodated.

Persons wishing to present testimony at the hearing or needing special accommodations should contact, at least 1 week prior to the hearings, Becki Mescher-Vuxta at the Department of Transportation, 915 Transportation and Safety Building, Harrisburg, PA 17120 or telephone (717) 787-9626. Two written copies of oral testimony are to be submitted at the hearing. Copies of the proposed State Implementation Plan are available by contacting Becki Mescher-Vuxta at the above address. Comments must be received no later than March 6, 1996, to be considered.

BRADLEY L. MALLORY,
Secretary

[Pa.B. Doc. No. 96-114. Filed for public inspection January 26, 1996, 9:00 a.m.]

Retention of Engineering Firms

**Philadelphia County
Reference No. 08430AG1966**

The Department of Transportation will retain an engineering firm to provide supplementary construction inspection staff of approximately ten inspectors, under the Department's Inspector-in-Charge, for construction inspection and documentation services on S. R. 0001, Section M06, Roosevelt Boulevard restoration from Ninth Street to Tyson Avenue, Philadelphia County.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an Engineering Agreement based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Number of available inspectors in each payroll classification.
- b. Past performance of previous construction inspection assignments.
- c. Review of inspectors' resumes with emphasis on Department experience, construction inspection capabilities and specialized experience in bituminous paving, maintenance and protection of traffic, signalization, highway lighting, water main work, guide rail, curb, curb ramps and sidewalk.
- d. Understanding of Department's requirements, policies and specifications.
- e. Ability to provide one "CDS" operator (TCIS) classification or someone capable of inputting data into a personal computer.
- f. Number of NICET certified inspectors in each payroll classification.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employees will be reviewed and approved by the Department.

It is anticipated that the supplementary construction inspection staff for this assignment will consist of the following number of inspectors who meet the requirements for the following inspection classifications:

<i>Classification</i>	<i>No. of Inspectors</i>
Transportation Construction Insp. Super. (TCIS) (NICET Highway Construction Level 3 or equivalent)	2 (1)
Transportation Construction Inspector (TCI) (NICET Highway Construction Level 2 or equivalent)	6 (4)
Technical Assistant (TA) (NICET Highway Construction Level 1 or equivalent)	2 (0)

In addition to the resumes for the required number of personnel in each Department Payroll Classification, a maximum of one alternate resume per payroll classification will be acceptable.

The numbers in parenthesis above indicate the number of inspectors in each Classification that must meet at least one of the following requirements:

1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) in the field of Transportation Engineering Technology, subfield of Highway Construction, or subfield of Highway Materials, at the level required for the Inspection Classification.
2. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
4. Hold a Bachelor of Science degree in Civil Engineering or a Bachelor of Science degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.
5. Hold an Associate degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

The maximum reimbursement of direct payroll cost for each Department Payroll Classification for calendar year 1996 will be limited to the actual direct salary of the individual employee, or the following rates, whichever is less:

<i>Payroll Classification</i>	<i>Direct Payroll Rate</i>
Transportation Construction Inspector Supervisor (TCIS)	\$17.34
Transportation Construction Inspector (TCI)	\$15.18
Technical Assistant (TA)	\$10.43

Maximum reimbursable direct payroll rates for subsequent calendar years, if applicable, will be established at the scope of work meeting.

The firm selected may be required to attend a preconstruction conference with the Department and the construction contractor for this project. Under the supervision and direction of the Department, the selected firm will be required to keep records and document the construction work; prepare current and final estimates for payment to the construction contractor; assist the Department in obtaining compliance with the labor standards, safety and accident prevention, and equal opportunity provisions of the contract item; perform Material Acceptance Testing, input data on a personal computer for CDS system and perform other duties as may be required.

Letters of interest for this project must include a letter, signed by the individuals proposed for all TCIS positions, giving their approval to use their name in the letter of interest for this specific project.

The goal for Disadvantaged Business Enterprise (DBE) participation in this agreement shall be 15% of the total contract price. Additional information concerning DBE participation in this agreement is contained in the General Requirements and Information section after the advertised projects.

Technical questions concerning the requirements for this project should be directed to Thomas Larney, District 6-0, at (610) 964-6683.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

**Allegheny County
Reference No. 08430AG1967**

The Department of Transportation will retain an engineering firm to provide supplementary construction inspection staff of approximately eight inspectors, under the Department's Inspector-in-Charge, for construction inspection and documentation services on the following three projects: S. R. 0065, Section A04, PA 65 Edgeworth, widen the roadway from 40' to 57', providing five lanes, new drainage, new signalization at two intersections, construct new curbs and sidewalks, Allegheny County; S. R. 0065, Section A09, PA 65 and Cross Street, construct a left turn lane, includes widening, resurfacing, channelization, signalization, drainage, guiderail, shoulders, safety barrier on end of existing box culvert, Allegheny and Beaver Counties; and S. R. 0065, Section A02, Ohio River Boulevard/Bellevue, widen the roadway from 40' to 52' to provide five lanes, new drainage and new signalized intersections, new curbs, and sidewalks, Allegheny County.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an Engineering Agreement based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Review of inspectors' resumes with emphasis on construction inspection capabilities and specialized experience in the maintenance and protection of traffic, concrete, asphalt paving, drainage, traffic signalization, guiderail and retaining system.
- b. Understanding of Department's requirements, policies and specifications.
- c. Number of NICET certified inspectors in each payroll classification.
- d. Past performance.
- e. Number of available inspectors in each payroll classification.
- f. Workload.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employees will be reviewed and approved by the Department.

It is anticipated that the supplementary construction inspection staff for this assignment will consist of the following number of inspectors who meet the requirements for the following inspection classifications:

<i>Classification</i>	<i>No. of Inspectors</i>
Transportation Construction Insp. Super. (TCIS) (NICET Highway Construction Level 3 or equivalent)	3 (3)
Transportation Construction Inspector (TCI) (NICET Highway Construction Level 2 or equivalent)	3 (2)
Technical Assistant (TA) (NICET Highway Construction Level 1 or equivalent)	2 (0)

The numbers in parenthesis above indicate the number of inspectors in each Classification that must meet at least one of the following requirements:

- 1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) in the field of Transportation Engineering Technology, subfield of Highway Construction, or subfield of Highway Materials, at the level required for the Inspection Classification.
- 2. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
- 3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
- 4. Hold a Bachelor of Science degree in Civil Engineering or a Bachelor of Science degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.
- 5. Hold an Associate degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

The maximum reimbursement of direct payroll cost for each Department Payroll Classification for calendar year 1996 will be limited to the actual direct salary of the individual employe, or the following rates, whichever is less:

<i>Payroll Classification</i>	<i>Direct Payroll Rate</i>
Transportation Construction Inspector Supervisor (TCIS)	\$17.34
Transportation Construction Inspector (TCI)	\$15.18
Technical Assistant (TA)	\$10.43

Maximum reimbursable direct payroll rates for subsequent calendar years, if applicable, will be established at the scope of work meeting.

The firm selected may be required to attend a preconstruction conference with the Department and the construction contractor for this project. Under the supervision and direction of the Department, the selected firm will be required to keep records and document the construction work; prepare current and final estimates for payment to the construction contractor; assist the Department in obtaining compliance with the labor standards, safety and accident prevention, and equal opportunity provisions of the contract item; one inspector certified in computer documentation on each project and perform other duties as may be required.

Letters of interest for this project must include a letter, signed by the individuals proposed for all TCIS positions, giving their approval to use their name in the letter of interest for this specific project.

The goal for Disadvantaged Business Enterprise (DBE) participation in this agreement shall be 15% of the total contract price. Additional information concerning DBE participation in this agreement is contained in the General Requirements and Information section after the advertised projects.

Technical questions concerning the requirements for this project should be directed to Robert Collins, District 11-0, at (412) 429-4928.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

**Statewide
Reference No. 08430AG1968**

The Department of Transportation will retain an engineering firm for an open-end contract to provide guidance and assistance in completing environmental studies and in managing the preliminary design and the final design phases of major highway and other transportation projects. The contract will be for a period of 3 years with a maximum cost of \$2.0 million with projects being assigned on an "as-needed" basis.

The selected firm will be required to provide all necessary professional services through a team of highly qualified environmental, engineering, and public involvement professionals to guide and assist Department and project consultant staff through the preliminary and final design phases of project development with emphasis on insuring consistency and compliance with all applicable State and Federal laws, regulations and procedures; sensitivity to environmental quality goals and issues; responsiveness to public and agency needs and concerns; adherence to established project schedules; project management of preliminary design and environmental studies; technical assistance in preparing policy and project development materials for Department use; follow through on commitments; quality control for the preparation and review of engineering and environmental documents; timely permit application during the Transportation Project Development Process; utilization of cost effective and state-of-the-art analysis and documentation methods; and timely communication such that management is kept well informed and properly involved in the project development process.

At a minimum, providing guidance and assistance will be accomplished through strategically planned activities such as monitoring and reviewing needs analyses during the planning and prioritization/programming phases; participating in and reporting on project scoping, status, document review, public and agency meetings; reviewing plans of study, scope of work, technical proposals and project schedules; monitoring data collection, data management and technical analyses activities; reviewing preliminary data and analyses; monitoring public and agency involvement activities; reviewing engineering plans and documents in the preliminary and final design phases; reviewing environmental documents and mitigation plans; monitoring and review key steps in the Section 404 permit processes including preapplication, application, public notice, evaluation and special conditions to insure adequacy, timeliness and completeness; monitoring the development and submission of permits required by State agencies including those which may be required for erosion and sedimentation control, stormwater discharge, earth disturbance, placement of fill in controlled areas, and waterway and floodplain involvements; previewing permit applications; briefing project study teams on applicable policies and procedures; briefing management on project study progress and problems; preparing briefing materials, minutes of meetings and technical articles as required; suggesting cost effective, innovative and acceptable study, review and coordination procedures; review of project designs to ensure that adequate avoidance, minimization and other mitigation measures and incorporated; assisting in the writing of policy and procedure memoranda; identifying tools for effectively managing the design phases and identifying important research topics; initiating, chairing and documenting special meetings with local interest groups, agencies, and/or Department and consultant personnel; identifying important research topics; managing agency/consultant coordination when

environmental, design or mitigation activities are carried out during construction; and development of preliminary engineering concepts.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating one open-end contract based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Project study team management.
- b. Intimate knowledge of the State and Federal laws, regulations, policies and procedures affecting transportation project development, particularly the National Environmental Policy Act and related requirements.
- c. Demonstrated experience in managing and conducting transportation environmental analyses on the subjects of air, noise, energy, vibration, waste management, geology, hydrogeology, floodplain management, stormwater management, socio-economic/land use, historic, archaeology, surface and ground water quality, wildlife, wetlands, erosion and sediment pollution control, wild and scenic rivers, aesthetics, radon, farmlands, endangered plants, and animals, hazardous waste, and the like.
- d. Experience in preparing plans in accordance with established design criteria.
- e. Experience in the preparation of Environmental Impact Statements and all related environmental and engineering documents.
- f. Experience in designing and conducting public and agency involvement programs.

Technical questions concerning the requirements for this project should be directed to Brian McCoola, P.E., Bureau of Environmental Quality at (717) 783-4580.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

**Bucks County
Reference No. 08430AG1969**

The Department of Transportation will retain an engineering firm for an open-end contract to provide supplementary construction inspection staff under the Department's Inspectors-in-Charge to perform construction inspection.

Services on various projects in Bucks County, located in Engineering District 6-0, on an as-needed basis. The contract will include roadway and bridge construction projects and will be for a period of 30 months with a maximum cost for \$750 thousand.

It is anticipated that a maximum supplementary construction inspection staff of 15 inspectors will be required for this assignment.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an open-end contract based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Review of inspectors' resumes with emphasis on construction inspection capabilities, Department and District experience and supervisory experience.
- b. Any specialized experience in asphalt paving, structures, concrete, drainage, paint inspection and maintenance and protection of traffic.
- c. Number of NICET certified inspectors in each payroll classification.
- d. Understanding of Department's requirements, policies and specifications.
- e. Ability to provide CPM scheduling. (TCM-1 Classification)
- f. Ability to provide a "CDS" operator or someone capable of inputting data into a personal computer. (TCIS Classification)
- g. Past performance.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employes will be reviewed and approved by the Department.

It is anticipated that the supplementary construction inspection staff for this assignment will consist of the following number of inspectors who meet the requirements for the following inspection classifications:

<i>Classification</i>	<i>No. of Inspectors</i>
Transportation Construction Manager 1 (TCM-1) (NICET Highway Construction Level 4 or equivalent)	1 (1)
Transportation Construction Insp. Super. (TCIS) (NICET Highway Construction Level 3 or equivalent)	3 (2)
Transportation Construction Inspector (TCI) (NICET Highway Construction Level 2 or equivalent)	6 (4)
Technical Assistant (TA) (NICET Highway Construction Level 1 or equivalent)	3 (1)
NACE Intermediate Coating Inspector	1 (0) **
NACE Basic Coating Inspector	1 (0) **

** These two specialized classifications will be used for bridge painting inspection. Under these classifications, the consultant must provide lead abatement training for these employes prior to any job assignment. In addition, the consultant must establish, implement and maintain an effective employe medical surveillance in accordance with 29 CFR 1926 throughout the duration of this inspection assignment.

Two classifications will have the following requirements:

NACE Intermediate Coating Inspector Training/or equivalent.

The inspector for the above NACE Intermediate Coating Inspector Training category shall have completed at least 80% of the required credits for this NACE category or equivalent training; also, he shall have a minimum of 5 years coating inspection experience on heavy industrial or highway projects; also, he shall have a minimum of 1 year experience of coatings inspection on a lead removal

project where air monitoring, blood monitoring, containment and disposal of lead debris were performed; also, he shall be knowledgeable in OSHA 1926.62 (lead) regulations, applicable OSHA regulations governing proper respirator usage (29 CFR 1910.134) and lead exposure (29 CFR 1910.1025); he shall also be capable of "climbing" on high bridge members to perform coatings inspection; he shall be capable of supervising/training lower level coatings inspectors (both consultant and state) if necessary. He shall also complete EPA accredited training for lead removal (Title X, Sections 402 and 404) within 6 months of final issuance, by approximately June, 1996.

NACE Basic Coating Inspector Training/or equivalent.

The inspector for the NACE Basic Coating Inspector shall have completed at least 80% of the required credits for this category or equivalent training; also, he shall have a minimum of 3 years coating inspection experience on heavy industrial or highway project; also, he shall have a minimum of 6 months experience on lead removal project; also, he shall be knowledgeable in OSHA 1926.62 (lead regulations) applicable OSHA regulations governing proper respirator usage (29 CFR 1910.134) and lead exposure (29 CFR 1910.1025); he shall also be capable of "climbing" on high bridge members to perform coatings inspection; he shall also be capable of working with State inspectors. He shall also complete EPA accredited training for lead removal (Title X, Section 402 and 404) within 6 months of official issuance, by approximately 1996.

In addition to the resumes for the required number of personnel in each Department Payroll Classification, a maximum of one alternate resume per payroll classification will be acceptable.

The numbers in parenthesis above indicate the number of inspectors in each Classification that must meet at least one of the following requirements:

1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) in the field of Transportation Engineering Technology, subfield of Highway Construction, or subfield of Highway Materials, at the level required for the Inspection Classification.
2. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
4. Hold a Bachelor of Science degree in Civil Engineering or a Bachelor of Science degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.
5. Hold an Associate degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

The maximum reimbursement of direct payroll cost for each Department Payroll Classification for calendar year 1996 will be limited to the actual direct salary of the individual employe, or the following rates, whichever is less:

<i>Payroll Classification</i>	<i>Direct Payroll Rate</i>
Transportation Construction Manager 1 (TCM-1)	\$19.79
Transportation Construction Inspector Supervisor (TCIS)	\$17.34

<i>Payroll Classification</i>		<i>Direct Payroll Rate</i>
Transportation Construction Inspector	(TCI)	\$15.18
Technical Assistant	(TA)	\$10.43
NACE Intermediate Coating Inspector		\$25.25
NACE Basic Coating Inspector		\$21.96

Maximum reimbursable direct payroll rates for subsequent calendar years, if applicable, will be established at the scope of work meeting.

The firm selected may be required to attend a preconstruction conference with the Department and the construction contractor for this project. Under the supervision and direction of the Department, the selected firm will be required to keep records and document the construction work; prepare current and final estimates for payment to the construction contractor; assist the Department in obtaining compliance with the labor standards, safety and accident prevention, and equal opportunity provisions of the contract item; perform Material Acceptance Testing, bridge paint inspection, if necessary and perform other duties as may be required.

Technical questions concerning the requirements for this project should be directed to Marshall Linton, P.E., District 6-0, at (610) 964-6684.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

**Philadelphia County
Reference No. 08430AG1970**

The Department of Transportation will retain an engineering firm for an open-end contract to provide supplementary construction inspection staff under the Department's Inspectors-in-Charge to perform construction inspection services on various projects in Philadelphia County, located in Engineering District 6-0, on an as-needed basis. The contract will include roadway and bridge construction projects and will be for a period of 30 months with a maximum cost of \$750 thousand.

It is anticipated that a maximum supplementary construction inspection staff of 15 inspectors will be required for this assignment.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an open-end contract based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Review of inspectors' resumes with emphasis on construction inspection capabilities, Department and District experience and supervisory experience.
- b. Any specialized experience in asphalt paving, structures, concrete, drainage, paint inspection and maintenance and protection of traffic.
- c. Number of NICET certified inspectors in each payroll classification.
- d. Understanding of Department's requirements, policies and specifications.

e. Ability to provide CPM scheduling. (TCM-1 Classification)

f. Ability to provide a "CDS" operator or someone capable of inputting data into a personal computer. (TCIS Classification)

g. Past performance.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employees will be reviewed and approved by the Department.

It is anticipated that the supplementary construction inspection staff for this assignment will consist of the following number of inspectors who meet the requirements for the following inspection classifications:

<i>Classification</i>	<i>No. of Inspectors</i>
Transportation Construction Manager 1 (TCM-1) (NICET Highway Construction Level 4 or equivalent)	1 (1)
Transportation Construction Insp. Super. (TCIS) (NICET Highway Construction Level 3 or equivalent)	3 (2)
Transportation Construction Inspector (TCI) (NICET Highway Construction Level 2 or equivalent)	6 (4)
Technical Assistant (TA) (NICET Highway Construction Level 1 or equivalent)	3 (1)
NACE Intermediate Coating Inspector	1 (0) **
NACE Basic Coating Inspector	1 (0) **

** These two specialized classifications will be used for bridge painting inspection. Under these classifications, the consultant must provide lead abatement training for these employees prior to any job assignment. In addition, the consultant must establish, implement and maintain an effective employee medical surveillance in accordance with 29 CFR 1926 throughout the duration of this inspection assignment.

Two classifications will have the following requirements:

NACE Intermediate Coating Inspector Training/or equivalent.

The inspector for the above NACE Intermediate Coating Inspector Training category shall have completed at least 80% of the required credits for this NACE category or equivalent training; also, he shall have a minimum of 5 years coating inspection experience on heavy industrial or highway projects; also, he shall have a minimum of 1 year experience of coatings inspection on a lead removal project where air monitoring, blood monitoring, containment and disposal of lead debris were performed; also, he shall be knowledgeable in OSHA 1926.62 (lead) regulations, applicable OSHA regulations governing proper respirator usage (29 CFR 1910.134) and lead exposure (29 CFR 1910.1025) he shall also be capable of "climbing" on high bridge members to perform coatings inspection; he shall be capable of supervising/training lower level coatings inspectors (both consultant and State) if necessary. He shall also complete EPA accredited training for lead removal (Title X, Sections 402 and 404) within 6 months of final issuance, by approximately June, 1996.

NACE Basic Coating Inspector Training/or equivalent.

The inspector for the NACE Basic Coating Inspector shall have completed at least 80% of the required credits for this category or equivalent training also, he shall have a minimum of 3 years coating inspection experience on heavy industrial or highway project; also, he shall have a minimum of 6 months experience on lead removal project; also, he shall be knowledgeable in OSHA 1926.62 (lead regulations) applicable OSHA regulations governing proper respirator usage (29 CFR 1910.134) and lead exposure (29 CFR 1910.1025); he shall also be capable of "climbing" on high bridge members to perform coatings inspection; he shall also be capable of working with State inspectors. He shall also complete EPA accredited training for lead removal (Title X, Section 402 and 404) within 6 months of official issuance, by approximately 1996.

In addition to the resumes for the required number of personnel in each Department Payroll Classification, a maximum of 1 alternate resume per payroll classification will be acceptable.

The numbers in parenthesis above indicate the number of inspectors in each Classification that must meet at least one of the following requirements:

1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) in the field of Transportation Engineering Technology, subfield of Highway Construction, or subfield of Highway Materials, at the level required for the Inspection Classification.
2. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
4. Hold a Bachelor of Science degree in Civil Engineering or a Bachelor of Science degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.
5. Hold an Associate degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

The maximum reimbursement of direct payroll cost for each Department Payroll Classification for calendar year 1996 will be limited to the actual direct salary of the individual employe, or the following rates, whichever is less:

<i>Payroll Classification</i>		<i>Direct Payroll Rate</i>
Transportation Construction Manager 1	(TCM-1)	\$19.79
Transportation Construction Inspector Supervisor	(TCIS)	\$17.34
Transportation Construction Inspector	(TCI)	\$15.18
Technical Assistant	(TA)	\$10.43
NACE Intermediate Coating Inspector		\$25.25
NACE Basic Coating Inspector		\$21.96

Maximum reimbursable direct payroll rates for subsequent calendar years, if applicable, will be established at the scope of work meeting.

The firm selected may be required to attend a preconstruction conference with the Department and the construction contractor for this project. Under the supervision and direction of the Department, the selected

supervision and direction of the Department, the selected firm will be required to keep records and document the construction work; prepare current and final estimates for payment to the construction contractor; assist the Department in obtaining compliance with the labor standards, safety and accident prevention, and equal opportunity provisions of the contract item; perform Material Acceptance Testing, bridge paint inspection, if necessary and perform other duties as may be required.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

**Statewide
Reference No. 08430AG1971**

The Department of Transportation will retain an engineering firm for an open-end contract to provide various traffic engineering services throughout the State. The contract will be for a period of 5 years and a maximum amount of \$3.0 million with projects assigned on an as-needed basis.

The required services will encompass a wide range of traffic engineering functions, many of which must be performed under short completion schedules. The anticipated types of work include but are not limited to the following:

- Perform complex traffic engineering analyses and assessments.
- Perform analyses of all reasonable (including multi-modal) travel demand reduction and operational management strategies in nonattainment areas to reduce the number of single-occupancy vehicles.
- Perform comprehensive access management reviews of proposed major commercial developments including impacts and needed enhancements to the adjacent highway system.
- Design sophisticated signal systems and complex expressway signing projects.
- Analyze highway facilities which have significant operational problems and cause adverse impact on the safe and/or efficient flow of people.
- Develop or review intelligent transportation systems (ITS), projects and initiatives—for example; call boxes; fiber optic cable usage; digital, 800 Mhz, and other Statewide radio efforts; advanced truck rollover warning systems; incident and congestion management activities; etc.
- Develop or review traffic sign and signal structures and appurtenances for structural integrity.
- Develop or review electrical aspects of traffic signals.
- Field review and design guiderail upgrade projects.
- Develop policies or manuals for incident management to improve the safe and efficient "clearing" of major incidents.
- Develop traffic safety strategies to target identified safety concerns from Pennsylvania's Safety Management System (SMS).
- Develop public education programs for drivers.
- Perform analyses of the highway system to enhance usage by pedestrians and bicycles.

- Conduct safety analyses and sign inventories.
- Analyze proposed changes in accident reporting systems.
- Perform reviews of consultant and/or Department prepared design.
- Develop manuals, brochures, procedures, guidelines, and the like, consistent with acceptable traffic engineering principles.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an open-end contract based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Specialized experience and technical competence of firm.
- b. Past record of performance with respect to cost control, work quality, ability to meet schedules and previous experience on open-end contracts. The specific experience of individuals who constitute the firms shall be considered.
- c. Location of consultant in respect to the District.
- d. Current workload.
- e. Available staffing for this assignment.
- f. Relative size of firm to size of projects that may be completed under this contract.

Technical questions concerning the requirements for this project should be directed to Arthur H. Breneman, P.E., Bureau of Highway Safety and Traffic Engineering, at (717) 787-3620.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

**Fayette and Greene Counties
Reference No. 08430AG1972**

The Department of Transportation will retain an engineering firm to provide supplementary construction inspection staff of approximately nine inspectors, under the Department's Inspector-in-Charge, for construction inspection and documentation services on the following four projects: S. R. 0019, Section 07R, minor resurfacing, in Greene County; S. R. 0119, Section B11, bridge replacement and bridge paint inspection, in Fayette County; S. R. 0201, Section 05R, 3-R resurfacing and guide rail, in Fayette County; and S. R. 1051, Section J01, bridge replacement, in Fayette County.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an Engineering Agreement based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Number of NICET certified inspectors in each payroll classification.
- b. Review of inspectors' resumes with emphasis on construction inspection capabilities and specialized experience in the maintenance and protection of traffic, soils, structures, concrete, asphalt paving and drainage.
- c. Understanding of Department's requirements, policies and specifications.
- d. Past performance.
- e. Workload.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employees will be reviewed and approved by the Department.

It is anticipated that the supplementary construction inspection staff for this assignment will consist of the following number of inspectors who meet the requirements for the following inspection classifications:

<i>Classification</i>	<i>No. of Inspectors</i>
Transportation Construction Inspector (TCI) (NICET Highway Construction Level 2 or equivalent)	8 (6)
NACE Basic Coating Inspector (National Association of Corrosion Engineers)	1 (1) *

* This specialized classification will be used for bridge painting inspection for the S. R. 0119, Section B11 project. Under this classification, the consultant must provide lead abatement training for these employees prior to any job assignment. In addition, the consultant must establish, implement and maintain an effective employee medical surveillance in accordance with 29 CFR 1926 throughout the duration of this inspection assignment.

This classification will have the following requirement:

The inspector for the NACE Basic Coating Inspector shall have completed at least 80% of the required credits for this category or equivalent training. Also, the inspector shall have a minimum of 3 years coating inspection experience on heavy industrial or highway projects; and shall have a minimum of 6 months experience on a lead removal project. The inspector shall be knowledgeable in OSHA 1926.62 (lead regulations) applicable OSHA regulations governing proper respirator usage (29 CFR 1910.134) and lead exposure (29 CFR 1910.1025); shall also be capable of "climbing" on high bridge members to perform coatings inspection; and shall be capable of working with State inspectors. The inspector shall also complete EPA accredited training for lead removal (Title X, Sections 402 and 404) within 6 months of final issuance, by approximately 1996.

The numbers in parenthesis above indicate the number of inspectors in each Classification that must meet at least one of the following requirements:

1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) in the field of Transportation Engineering Technology, subfield of Highway Construction, or subfield of Highway Materials, at the level required for the Inspection Classification.
2. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.

3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.

4. Hold a Bachelor of Science degree in Civil Engineering or a Bachelor of Science degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

5. Hold an Associate degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

The maximum reimbursement of direct payroll cost for each Department Payroll Classification for calendar year 1996 will be limited to the actual direct salary of the individual employee, or the following rates, whichever is less:

<i>Payroll Classification</i>		<i>Direct Payroll Rate</i>
Transportation Construction Inspector	(TCI)	\$17.34
Technical Assistant	(TA)	\$10.43
NACE Basic Coating Inspector		\$21.96

Maximum reimbursable direct payroll rates for subsequent calendar years, if applicable, will be established at the scope of work meeting.

The firm selected may be required to attend a preconstruction conference with the Department and the construction contractor for this project. Under the supervision and direction of the Department, the selected firm will be required to keep records and document the construction work; prepare current and final estimates for payment to the construction contractor; assist the Department in obtaining compliance with the labor standards, safety and accident prevention, and equal opportunity provisions of the contract item; one inspector qualified to perform nuclear density; one inspector qualified to perform bridge paint inspection, and perform other duties as may be required. Firms applying must have qualified personnel capable of climbing structures during painting, rehabilitation or construction.

Letters of interest for this project must include a letter, signed by the individuals proposed for all TCIS positions, giving their approval to use their name in the letter of interest for this specific project.

The goal for Disadvantaged Business Enterprise (DBE) participation in this agreement shall be 15% of the total contract price. Additional information concerning DBE participation in this agreement is contained in the General Requirements and Information section after the advertised projects.

Technical questions concerning the requirements for this project should be directed to Anthony M. Dzurko, P.E., District 12-0, at (412) 439-7137.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

Crawford, Erie, Forest, Mercer, Venango and Warren Counties
Reference No. 08430AG1957

In the December 9, 1995 *Pennsylvania Bulletin*, the Department advertisement for this project included a requirement to furnish approval letters for those individuals proposed as TCM-1 and/or TCIS positions. We are advertising the project once again without the approval letter requirement. Any letters of interest submitted

previously will be valid submissions, based on conformity to the previous advertisement, and need not be resubmitted.

The Department of Transportation will retain an engineering firm or construction management firm for an open-end contract to provide supplementary construction inspection staff under the Department's Inspectors-in-Charge to perform construction inspection services on various projects in Engineering District 1-0, that is Crawford, Erie, Forest, Mercer, Venango and Warren Counties. The contract will include roadway and bridge construction projects, and material plant inspection. The contract will be for a period of 30 months with a maximum cost of \$750 thousand.

It is anticipated that a maximum supplementary construction inspection staff of 42 inspectors will be required for this assignment.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an open-end contract based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Past performance.
- b. Workload.
- c. Understanding of Department's requirements, policies and specifications.
- d. Review of inspectors' resumes with emphasis on construction inspection capabilities and specialized experience in the maintenance and protection of traffic, soils, structures, concrete, asphalt paving and drainage.
- e. Ability to provide CPM scheduling.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employees will be reviewed and approved by the Department.

It is anticipated that the supplementary construction inspection staff for this assignment will consist of the following number of inspectors who meet the requirements for the following inspection classifications:

<i>Classification</i>	<i>No. of Inspectors</i>
Transportation Construction Manager 1 (TCM-1) (NICET Highway Construction Level 4 or equivalent)	2 (1)
Transportation Construction Insp. Super. (TCIS) (NICET Highway Construction Level 3 or equivalent)	13 (8)
Transportation Construction Inspector (TCI) (NICET Highway Construction Level 2 or equivalent)	27 (17)

The numbers in parenthesis above indicate the number of inspectors in each Classification that must meet at least one of the following requirements:

1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) in the field of Transportation Engineering Technology, subfield of Highway Construction, or subfield of Highway Materials, at the level required for the Inspection Classification.

2. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
4. Hold a Bachelor of Science degree in Civil Engineering or a Bachelor of Science degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.
5. Hold an Associate degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

The maximum reimbursement of direct payroll cost for each Department Payroll Classification for calendar year 1995 will be limited to the actual direct salary of the individual employe, or the following rates, whichever is less:

<i>Payroll Classification</i>		<i>Direct Payroll Rate</i>
Transportation Construction Manager 1	(TCM-1)	\$19.12
Transportation Construction Inspector Supervisor	(TCIS)	\$16.75
Transportation Construction Inspector	(TCI)	\$14.67

Maximum reimbursable direct payroll rates for subsequent calendar years, if applicable, will be established at the scope of work meeting.

The firm selected may be required to attend a preconstruction conference with the Department and the construction contractor for this project. Under the supervision and direction of the Department, the selected firm will be required to keep records and document the construction work; prepare current and final estimates for payment to the construction contractor; assist the Department in obtaining compliance with the labor standards, safety and accident prevention, and equal opportunity provisions of the contract item; and perform other duties as may be required. Firms applying must have qualified personnel capable of climbing structures during painting, rehabilitation or construction.

Technical questions concerning the requirements for this project should be directed to Mike McMullen, P.E., District 1-0, at (814) 437-4331.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

**Washington County
Reference No. 08430AG1973**

The Department of Transportation will retain an engineering firm to provide supplementary construction inspection staff of approximately 18 inspectors, under the Department's Inspector-in-Charge, for construction inspection and documentation services on the following nine projects in Washington County: S. R. 0018, Section 19R, bridge replacement plus approaches; S. R. 0070, Section F11, resurfacing, S. R. 0980, Section K00, bridge replacement; S. R. 1002, Section B10, intersection improvement; S. R. 1002, Section B10, bridge replacement; S. R. 1009, Section J10, bridge replacement; S. R. 2020, Section K00, bridge removal; S. R. 3009, Section E10, bridge replacement and S. R. 4004, Section J08, bridge replacement.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an Engineering Agreement based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Number of NICET certified inspectors in each payroll classification.
- b. Review of inspectors' resumes with emphasis on construction inspection capabilities and specialized experience in the maintenance and protection of traffic, soils, structures, concrete, asphalt paving and drainage.
- c. Understanding of Department's requirements, policies and specifications.
- d. Past performance.
- e. Workload.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employes will be reviewed and approved by the Department.

It is anticipated that the supplementary construction inspection staff for this assignment will consist of the following number of inspectors who meet the requirements for the following inspection classifications:

<i>Classification</i>	<i>No. of Inspectors</i>
Transportation Construction Inspector (TCI) (NICET Highway Construction Level 2 or equivalent)	18 (11)

The numbers in parenthesis above indicate the number of inspectors in each Classification that must meet at least one of the following requirements:

1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) in the field of Transportation Engineering Technology, subfield of Highway Construction, or subfield of Highway Materials, at the level required for the Inspection Classification.
2. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.
4. Hold a Bachelor of Science degree in Civil Engineering or a Bachelor of Science degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.
5. Hold an Associate degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

The maximum reimbursement of direct payroll cost for each Department Payroll Classification for calendar year 1996 will be limited to the actual direct salary of the individual employe, or the following rates, whichever is less:

<i>Payroll Classification</i>	<i>Direct Payroll Rate</i>
Transportation Construction (TCI) Inspector	\$15.18

Maximum reimbursable direct payroll rates for subsequent calendar years, if applicable, will be established at the scope of work meeting.

The firm selected may be required to attend a preconstruction conference with the Department and the construction contractor for this project. Under the supervision and direction of the Department, the selected firm will be required to keep records and document the construction work; prepare current and final estimates for payment to the construction contractor; assist the Department in obtaining compliance with the labor standards, safety and accident prevention, and equal opportunity provisions of the contract item; and perform other duties as may be required. Firms applying must have qualified personnel capable of climbing structures during painting, rehabilitation or construction.

Technical questions concerning the requirements for this project should be directed to Anthony M. Dzurko, P.E., District 12-0, at (412) 439-7137.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

General Requirements and Information

Firms interested in performing any of the above services are invited to submit letters of interest to: Director, Consultant Selection Committee, Room 1118, Transportation and Safety Building, Harrisburg, PA 17120.

A separate letter of interest and required forms must be submitted for each project for which the applicant wishes to be considered. The letter of interest and required forms must be received within 13 calendar days of this notice. The deadline for receipt of a letter of interest at the above address is 4:30 p.m. of the thirteenth day.

If the project advertisement indicates that the Department will retain an engineering firm, letters of interest will only be accepted from individuals, firms or corporations duly authorized to engage in the practice of engineering. If an individual, firm or corporation not authorized to engage in the practice of engineering desires to submit a letter of interest, said individual, firm or corporation may do so as part of a joint venture with an individual, firm or corporation which is permitted under State law to engage in the practice of engineering.

If a goal for Disadvantaged Business Enterprise (DBE) participation is established for an advertised project, firms expressing interest in the project must agree to ensure that Disadvantaged Business Enterprise (DBE) firms as defined in the Intermodal Surface Transportation Efficiency Act of 1991 and currently certified by the Department of Transportation shall have the maximum opportunity to participate in any subcontracting or furnishing supplies or services approved under Form 442, Section 1.10(a). The act requires that firms owned and controlled by women (WBEs) be included, as a presumptive group, within the definition of Disadvantaged Business Enterprise (DBE). The goal for DBE participation shall be as stated in the individual project advertisement. Responding firms shall make good faith efforts to meet the DBE goal using DBEs (as they were defined prior to the act), WBEs or combinations thereof. Proposed DBE

firms must be certified at the time of submission of the letter of interest. If the selected firm fails to meet the goal established, it shall be required to demonstrate its good faith efforts to attain the goal. Failure to meet the goal and to demonstrate good faith efforts may result in being barred from Department contracts in the future.

Responses are encouraged by small engineering firms, disadvantaged business enterprise engineering firms and other engineering firms who have not previously performed work for the Department of Transportation.

Each letter of interest must include in the heading, the firm's Federal Identification Number and the Project Reference Number indicated in the advertisement. The letter of interest must also include the following:

1. Standard Form 255, "Architect-Engineer and Related Services Questionnaire for Specific Project."

2. Standard Form 254, "Architect-Engineer and Related Services Questionnaire" not more than 1 year old as of the date of this advertisement, must accompany each letter of interest for the firm, each party to a joint venture and for each subconsultant the firm or joint venture is proposing to use for the performance of professional services regardless of whether the subconsultant is an individual, a college professor or a company. Please disregard the statements on Standard Form 255 that indicate a Standard Form 254 is only required if not already on file with the contracting office. The Department does not maintain a file for Standard Form 254 for contracting purposes; therefore, this Form is required for the prime consultant and each subconsultant as stated above.

3. Two copies of the Department's Form D-427 (Rev. 6-89), "Current Workload" for the firm submitting the letter of interest. At least one copy of Form D-427 must remain free and not bound in any way to any other portion of the letter of interest or accompanying documentation. Copies of Form D-427 are available upon request from the above address or by contacting the Department's Consultant Agreement Division at (717) 783-9309.

4. Firms with out-of-State headquarters or corporations not incorporated in Pennsylvania must include with each letter of interest a copy of their registration to do business in the Commonwealth as provided by the Department of State. Firms who are not registered to do business in Pennsylvania at the time of this advertisement must document that they have applied for registration to the Department of State, Corporation Bureau. The telephone number for the Corporation Bureau is (717) 787-1057 or (717) 787-2004.

The Standard Form 255 must be filled out in its entirety including Item No. 6 listing the proposed subconsultants and the type of work or service they will perform on the project. If a Disadvantaged Business Enterprise (DBE) goal is specified for the project, the DBE must be presently certified by the Department of Transportation, and the name of the firm and the work to be performed must be indicated in Item 6. If a Women Business Enterprise (WBE) firm is substituted for the DBE, the WBE firm must also be presently certified by the Department of Transportation and indicated in Item 6.

The Standard Form 254 must be signed and dated and must be less than 1 year old as of the date of this advertisement. A Standard Form must accompany each letter of interest for the firm submitting the letter of interest, each party to a joint venture, and for each subconsultant shown under Item 6 of the Standard Form 255.

Unless other factors are identified under the individual project reference number, the following factors, listed in their order of importance, will be considered by the Committee during their evaluation of the firms submitting letters of interest:

- a. Specialized experience and technical competence of firm.
- b. Past record of performance with respect to cost control, work quality, and ability to meet schedules. The specific experience of individuals who constitute the firms shall be considered.
- c. Current workload and capacity of firm to perform the work within the time limitations.
- d. Location of consultant.
- e. Special requirements of the project.
- f. Other factors, if any, specific to the project.

The Department currently limits its participation in the remuneration of principals or consultant employees performing work on projects to \$72,800 per annum or \$35 per hour or their actual audited remuneration, whichever is less. The Department currently limits its participation in the consultant's indirect payroll costs (overhead) on design and miscellaneous projects to 130% of the direct payroll cost or the consultant's actual audited overhead rate, whichever is less. The Department currently limits its participation in the consultant's indirect payroll costs (overhead) on construction inspection projects to 85.2% of the direct payroll cost or the consultant's actual audited overhead rate, whichever is less. The Department's limitations will apply to the projects advertised above unless the Department policy is revised prior to the negotiation of an agreement or contract.

The assignment of the above services will be made to one of the firms responding to this notice, but the Committee reserves the right to reject all letters of interest submitted, to cancel the solicitations requested under this notice, and/or to readvertise solicitation for these services.

BRADLEY L. MALLORY,
Secretary

LIQUOR CONTROL BOARD

Expiration of Leases

The following Liquor Control Board leases will expire:

Erie County, Wine & Spirits Shoppe #2514, Yorktown Center, 2501 W. 12th Street, Erie, PA 16505-4507.

Lease Expiration Date: August 31, 1999

Lease retail commercial space to the Commonwealth of Pennsylvania. Proposals are invited to provide the Pennsylvania Liquor Control Board with approximately 6,500 net useable square feet of new or existing retail commercial space in a shopping center environment along 12th Street between Peninsula Drive and Interstate 79, Erie County.

Proposals due: February 9, 1996 at 12 noon

Department: Pennsylvania Liquor Control Board
Location: Bureau of Real Estate, State Office Building, Rm. 408, 300 Liberty Avenue, Pittsburgh, PA 15222
Contact: George Danis, (412) 565-5130

Fayette County, Wine & Spirits Shoppe #2608, 108 S. Liberty Street, Perryopolis, PA 15473-0349.

Lease retail commercial space to the Commonwealth of Pennsylvania. Proposals are invited to provide the Pennsylvania Liquor Control Board with approximately 1,500

net useable square feet of new or existing retail commercial space on PA Route 51 serving the Perryopolis area, Fayette County.

Proposals due: February 16, 1996 at 12 noon

Department: Pennsylvania Liquor Control Board
Location: Bureau of Real Estate, State Office Building, Rm. 408, 300 Liberty Avenue, Pittsburgh, PA 15222
Contact: Bruce VanDyke, (412) 565-5130

Allegheny County, Wine & Spirits Shoppe #9212, 7857 Steubenville Pike, Oakdale, PA 15071.

Lease Expiration Date: April 30, 1997

Lease retail commercial space to the Commonwealth of Pennsylvania. Proposals are invited to provide the Pennsylvania Liquor Control Board with approximately 3,200 to 3,500 net useable square feet of new or existing retail commercial space in a shopping center environment near the intersection of Route 22/30 and 978 in North Fayette Township, Allegheny County.

Proposals due: February 9, 1996 at 12 noon

PENNSYLVANIA PUBLIC UTILITY COMMISSION

Service of Notice of Motor Carrier Applications

The following temporary authority and/or permanent authority applications for the right to render service as a common carrier or contract carrier in this Commonwealth have been filed with the Pennsylvania Public Utility Commission. Publication of this notice shall be considered as sufficient notice to all carriers holding authority from this Commission. Applications will be considered without hearing in the absence of protests to the application. Protests to the applications published herein are due on or before February 20, 1996, as set forth at 52 Pa. Code § 3.381 (relating to applications for transportation of property and persons). The protest shall also indicate whether it applies to the temporary authority application or the permanent application or both.

Applications of the following for approval of the right to begin to operate as a broker for the transportation of property as described under the applications.

A-00112665, F. 2. Giant Eagle, Inc., t/d/b/a OK Grocery Company (101 Kappa Drive, RIDC Park, Pittsburgh, Allegheny County, PA 15238-2809), a corporation of the Commonwealth of Pennsylvania—brokerage license—to arrange for the transportation of property between points in Pennsylvania. *Attorney:* William J. Lavelle, 2310 Grant Building, Pittsburgh, PA 15219-2383.

Applications of the following for approval of the beginning of the exercise of the right and privilege of operating motor vehicles as common carriers for the transportation of persons by transfer of rights as described under each application.

A-00111425, F. 2. Daniel R. Koebler (701 East Main Street, Grove City, Mercer County, PA 16127)—persons, in limousine service, between points in the townships of Liberty, Pine and Wolf Creek, and the borough of Grove City, Mercer County, and from points in the said townships and borough, to points in Pennsylvania; which is to be a transfer of part of the right issued to Connolly's Limousine Service, Inc., under the certificate issued at A-00105991, subject to the same limitations and conditions.

Notice of Motor Carrier Applications—Property, Excluding Household Goods in Use

The following applications for the authority to transport property, excluding household goods in use, between points in Pennsylvania, have been filed with the Pennsylvania Public Utility Commission. Public comment to these applications may be filed, in writing with the Secretary, Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265 on or before February 12, 1996.

PHILADELPHIA REGIONAL PORT AUTHORITY

Request for Proposals

The Philadelphia Regional Port Authority (PRPA) will accept proposals until 2 p.m. on Thursday, February 8, 1996, for Project #96-010-001 for Uniform Rental. The Bid Document can be obtained from the Procurement Administrator, Philadelphia Regional Port Authority (PRPA), 210 W. Washington Square, 8th Floor, Philadelphia, PA 19106, (215) 928-9100 and will be available January 30, 1996. PRPA is an equal opportunity employer. Contractor will be required to comply with all applicable equal opportunity laws and regulations.

JAMES T. MCDERMOTT,
Executive Director

[Pa.B. Doc. No. 96-123. Filed for public inspection January 26, 1996, 9:00 a.m.]

STATE CONSERVATION COMMISSION

Schedule of 1996 Meetings

The State Conservation Commission announces its schedule of 1996 meetings. The meetings will be held as follows:

March 14	Harrisburg Room 309, Agriculture Building	1 p.m.
May 8	Harrisburg Room 309, Agriculture Building	1 p.m.
July 25	State College Toftrees	10 a.m.
October 7	Lancaster Willow Valley Resort	9 a.m.

Questions concerning this schedule or agenda items can be directed to Richard VanNoy at (717) 787-5268 or e-mail at VanNoy.Richard@a1.dep.state.pa.us. This schedule and an agenda for each meeting will be available through the Public Participation Center on DEP's World Wide Web site at <http://www.dep.state.pa.us>.

Persons in need of accommodations as provided for in the Americans With Disabilities Act of 1990 should contact Richard VanNoy directly at (717) 787-5268 or through the Pennsylvania AT&T Relay Service at 1-800-654-5984 (TDD) to discuss how the Department may accommodate their needs.

KARL G. BROWN,
Executive Secretary

STATE CONTRACTS INFORMATION

DEPARTMENT OF GENERAL SERVICES

Notices of invitations for bids and requests for proposals on State contracts for services and commodities for which the bid amount is reasonably expected to be over \$5,000, are published in the State Contracts Information Section of the *Pennsylvania Bulletin* prior to bid opening date. Information in this publication is intended only as notification to its subscribers of available bidding and contracting opportunities, and is furnished through the Department of General Services, Vendor Information and Support Division. No action can be taken by any subscriber or any other person, and the Commonwealth of Pennsylvania is not liable to any subscriber or any other person, for any damages or any other costs incurred in connection with the utilization of, or any other reliance upon, any information in the State Contracts Information Section of the *Pennsylvania Bulletin*. Interested persons are encouraged to call the contact telephone number listed for the particular solicitation for current, more detailed information.

EFFECTIVE JULY 1, 1985, A VENDOR'S FEDERAL IDENTIFICATION NUMBER (NUMBER ASSIGNED WHEN FILING INCOME TAX DOCUMENTS) OR SOCIAL SECURITY NUMBER IF VENDOR IS AN INDIVIDUAL, MUST BE ON ALL CONTRACTS, DOCUMENTS AND INVOICES SUBMITTED TO THE COMMONWEALTH.

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". A qualified small business concern is an independently owned, operated for profit, business employing 100 or fewer employes and is not a subsidiary or affiliate of a corporation otherwise not qualified.

Such penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter. The small business concern must include on every invoice submitted to the Commonwealth: "(name of vendor) is a qualified small business concern as defined at 4 Pa. Code § 2.32".

For information on the required payment date and annual interest rate, please call the Pennsylvania Department of Commerce, Small Business Action Center, 483 Forum Building, 783-5700.

GET THAT COMPETITIVE EDGE—FOR FREE!

Do you want to do business with your state government? The Treasury Department's office of Contract Information Services can assist you by providing you with information that may be helpful to you in successfully bidding on State contracts.

Act 244 of 1980 requires Commonwealth departments and agencies to file with the Treasury Department a copy of all contracts involving an expenditure of \$5,000 or more.

These fully executed contracts usually contain the vendor's name, dollar value, effective and termination dates and contract specifications. Some contracts also include the names of other bidding vendors and the bid proposal compiled by the awarded vendor. There is a minimal cost for photocopying contracts.

Allow the Treasury Department to "make a difference for you." For contract information call the office of Contract Information Services TOLL-FREE (in Pennsylvania) at 1-800-252-4700 or (717) 787-4586. Or you may write or visit the office at Room G13, Finance Building, Harrisburg, Pa. 17120.

Consulting Services—07

CAL-328 California University of Pennsylvania of the State System of Higher Education is interested in obtaining the services of professionals to provide open-ended professional project management services. Services for a one year period, renewable up to three (3) years. Interested professionals can request the University's Project Manual from Howard C. Holmes at (412) 938-4593. There will be a pre-proposal conference held on February 12, 1996 at 10:00 a.m., Room 206 in the Natali Student Center, California University Campus, at which the Project Manual will also be available. Proposals are due on February 26, 1996 at 2:00 p.m. in Room 117 of the Administration Building. The System encourages responses from small firms, minority firms, women owned firms, and firms which have not previously performed work for the System, and will consider joint ventures which will enable these firms to participate in System professional service contract.

Department: State System of Higher Education
Location: California University of PA, California, PA
Duration: One year
Contact: Howard C. Holmes, (412) 938-4593

RFP No. 35-95 The intent of the Department of Public Welfare is to have a Request for Proposal (RFP) for Management, Administration and Operations of the Allentown Secure Treatment Unit. The objectives of this service are to provide a security program that is designed to serve adjudicated delinquents between the ages of 12 and 20 years who are serious offenders, extremely aggressive, runaway risks, and who most often have serious emotional and mental health problems. Students committed to the unit have had prior contacts with the courts, have had several placements and are most often lacking in the internal control necessary to cope in open institutional and/or community settings, and thus require controls provided by a maximum security setting. ASTU is a 16 bed secure facility serving emotionally disturbed youths, situated on the grounds of Allentown State Hospital located in Allentown, Lehigh County, Pennsylvania. These institutional services will provide needed secure care beds in an already overcrowded YDC/YFC system. These care, custody and rehabilitative services will provide a positive impact on the futures of many students' lives.

Department: Public Welfare
Location: Allentown Secure Treatment Unit located on the grounds of Allentown State Hospital, 1600 Hanover Avenue, Allentown, Lehigh County, PA 18103
Duration: A five year period. (An initial contract for one year with an option to renew for four additional one year periods)
Contact: Rose Wadlinger or Polly Hahn, (717) 783-3767

96/97-1 Pennvest provides long-term, low interest loans to public and private entities to improve water and sewer systems. Pennvest funding sources include State, Federal and Revenue Bond funds.
