READER'S GUIDE TO THE *PENNSYLVANIA BULLETIN* AND *PENNSYLVANIA CODE*

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

Bulletin before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where "no fiscal impact" is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

Effective Dates of Statutes

The effective dates specified above for laws and appropriation acts were contained in the applicable law or appropriation act. Where no date is specified or where the effective date specified is prior to the date of enactment, the effective date is 60 days after final enactment except for statutes making appropriations or affecting budgets of political subdivisions. See 1 Pa.C.S. §§ 1701—1704 (relating to effective dates of statutes).

Advance Copies of Statutes

Section 1106 of Title 1 of the Pennsylvania Consolidated Statutes provides that the prothonotaries of each county shall file advance copies of statutes in their offices for public inspection until the Laws of Pennsylvania are generally available. Section 2406(h) of The Administrative Code of 1929 provides that the Department of General Services shall distribute advance sheets of the Laws of Pennsylvania to each law judge of the courts, to every county and public library of this Commonwealth, and to each member of the General Assembly. These copies shall be furnished without charge. The Department shall also mail one copy of each law enacted during any legislative session to any person who pays to it the sum of \$20.

Requests for annual subscriptions for advance copies of statutes should be sent to the State Bookstore, State Records Center Building, 1825 Stanley Drive, Harrisburg, PA 17103, accompanied by a check or money order in the sum of \$20, payable to the "Commonwealth of Pennsylvania."

Legislative Bills and Documents

Copies of Senate Bills and Documents may be obtained from: Document Room, Senate of Pennsylvania, Room 34A, Main Capitol Building, Harrisburg, PA 17120, (717) 787-6732.

Copies of House Bills and Documents may be obtained from: Document Room, House of Representatives, 35 Main Capitol Building, Harrisburg, PA 17120, (717) 787-5320.

RULES AND REGULATIONS

Title 10—BANKS AND BANKING

DEPARTMENT OF BANKING

[10 PA. CODE CH. 42]

Registration of Loan Brokers

The Department of Banking (Department), under the authority contained in section 8 of the Credit Services Act (act) (73 P. S. § 2188), adopts Chapter 42 (relating to registration of loan brokers) which imposes requirements on persons acting as loan brokers in this Commonwealth.

Purpose

The purpose of the regulations is to implement the requirements of section 8 of the act which requires loan brokers, as defined in the act, who are located in or act on behalf of residents of this Commonwealth, to become registered with the Department. The regulations will enhance consumer protection by providing a means of ascertaining who is acting as a loan broker in this Commonwealth and by maintaining the names and addresses of those persons and by obtaining other relevant information about loan brokering activity conducted by those persons. This registration will enhance the Attorney General's ability to address consumer complaints by facilitating discovery and investigation of fraudulent activity and will provide an additional means for enforcement of the Unfair Trade Practices and Consumer Protection Law (73 P. S. §§ 201-1—209-6).

Explanation of Regulatory Requirements

Under the regulations, persons acting as loan brokers in this Commonwealth will be required to register with the Department and to renew that registration annually. Loan brokers will be required to submit a completed registration form to the Department which will require the applicant to provide the home and business addresses of the applicant, the nature of the loan broker's business and information relating to any legal or other enforcement actions taken against the loan broker. The Department retains the right to refuse to register an applicant as a loan broker and, accordingly, the regulations set forth the relevant factors to be utilized by the Department in deciding whether to proffer a refusal.

Entities Affected

The number of entities that will be affected by these regulations cannot be estimated at this time as this is the first registration requirement imposed on loan brokers who are not already licensed or authorized to broker a specific type of loan. These regulations will not affect the 675 first mortgage loan brokers currently licensed by the Department or the 333 secondary mortgage loan brokers currently licensed by the Department. (Statistics are as of November 30, 1995.) These regulations will also not affect any depository institutions whose deposits are insured by the Federal Deposit Insurance Corporation, the Pennsylvania Savings Association Insurance Corporation or the National Credit Union Administration. Nor will the regulations affect real estate brokers or salespersons licensed under the Real Estate Licensing and Registration Act (63 P. S. §§ 455.101—455.902), persons registered as securities broker-dealers under section 301 of the Pennsylvania Securities Act of 1972 (70 P. S. § 301) or persons exempt

from this registration, persons admitted to the practice of law in this Commonwealth, nonprofit corporations or consumer reporting agencies as defined by the Fair Credit Reporting Act (15 U.S.C.A. §§ 1681—1681p).

Public Comment

The only comments received by the Department were from the Independent Regulatory Review Commission (IRRC).

Cost and Paperwork Requirements

These final-form regulations impose paperwork requirements on the Department to process the registration and renewal applications. The cost of the paperwork will be offset by the fees imposed.

These final-form regulations do not impose any paperwork requirements on political subdivisions and will not affect the costs of political subdivisions of the Commonwealth.

These final-form regulations impose a fee of \$300 for registration and an additional \$300 for each renewal. These regulations also impose nominal paperwork and reporting requirements on the regulated community, as loan brokers will be required to complete an annual registration or renewal registration application.

Effectiveness/Sunset Date

There is no sunset review required in the statute.

A sunset date is inapplicable as the statute imposes an ongoing requirement for registration of loan brokers and for annual renewal of those registrations.

Summary of Comments and Responses on the Proposed Rulemaking

Notice of proposed rulemaking was published at 27 Pa.B. 807 (February 15, 1997).

During the public comment period, the only written comments received by the Department were from IRRC.

The Department considered the written comments received in formulating the final-form regulations. The Department has completed a review of the comments and has prepared a Comment and Response Document that addresses each comment on the proposed regulations.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on October 30, 1997, the Department submitted a copy of the final-form regulations to IRRC, the Chairperson of the Senate Committee on Banking and Insurance and the Chairperson of the House Committee on Business and Economic Development. In compliance with section 5(b.1) of the Regulatory Review Act, the Department also provided IRRC and the Committees with copies of the comments as well as other documentation.

The final-form regulations were deemed approved by the House and Senate Committees on November 19, 1997. IRRC met on November 20, 1997, and approved the final-form regulations.

Findings

The Department finds that:

(1) Public notice of proposed rulemaking was given under sections 201 and 202 of the act of July 31, 1968

(P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202) and regulations promulgated thereunder at 1 Pa. Code §§ 7.1 and 7.2.

(2) A public comment period was provided as required by law and all comments were considered.

(3) These final-form regulations do not enlarge the purpose of the proposal published at 27 Pa.B. 807.

Order

The Department, acting under the authorizing statutes, orders that:

(a) The regulations of the Department, 10 Pa. Code, are amended by adding §§ 42.1—42.7 to read as set forth in Annex A.

(b) The Secretary of the Department shall submit this order and Annex A to the Office of General Counsel and the Office of the Attorney General for review and approval as to legality and form as required by law.

(c) The Secretary of the Department shall submit this order and Annex A to IRRC and the Senate Committee on Banking and Insurance and House Committee on Business and Economic Development as required by the Regulatory Review Act.

(d) The Secretary of the Department shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(5) This order shall take effect upon publication in the *Pennsylvania Bulletin*.

RICHARD C. RISHEL,
Secretary

(Editor's Note: For the text of the order of the Independent Regulatory Review Commission relating to this document, see 27 Pa.B. 6385 (December 6, 1997).)

Fiscal Note: Fiscal Note 3-31 remains valid for the final adoption of the subject regulations.

TITLE 10. BANKS AND BANKING

PART IV. BUREAU OF CONSUMER CREDIT AGENCIES

CHAPTER 42. REGISTRATION OF LOAN BROKERS

Sec.	
42.1	Definitions.
42.2	Applicability.
42.3	Registration required.
42.4	Annual renewal required.
42.5	Disapproval of registration.
42.6	Information to the Department.
42.7	Failure to register.

§ 42.1. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

Act—The Credit Services Act (73 P. S. §§ 2181—2192).

Applicant—A person who, in accordance with this chapter, has submitted a registration application or renewal registration application and applicable fees to the Department in an effort to register with the Department as a loan broker.

Department—The Department of Banking of the Commonwealth.

Employee—A person who receives wages reportable under Internal Revenue Service Form W-2.

Loan broker—As defined in section 2 of the act (73 P. S. § 2182), the term includes any person who acts for or on behalf of a loan broker for the purpose of soliciting borrowers. The term does not include a person licensed or otherwise regulated by the Department as a loan broker under other statutes or licensed, regulated or exempted under other statutes, including those administered by any other agency of the Commonwealth or the United States.

Principal—An officer, director, partner, joint venturer, branch manager or other person with similar managerial or supervisory responsibilities for a loan broker.

§ 42.2. Applicability.

This chapter applies to all loan brokers who act as loan brokers in this Commonwealth or on behalf of the residents of this Commonwealth.

§ 42.3. Registration required.

(a) On or after December 20, 1997, a person may not act as a loan broker in this Commonwealth without registering with the Department.

(b) To register as a loan broker, a person shall submit to the Department:

(1) A completed registration application provided by the Department.

(2) Payment to the Department of a nonrefundable registration fee of \$300.

(c) Within 60 days of receipt of a registration application, the Department will do one of the following:

(1) Notify the applicant that the application is approved and the applicant is registered as a loan broker.

(2) Under § 42.5 (relating to disapproval of registration), notify the applicant that the applicant's registration is disapproved and that the applicant is not registered as a loan broker.

(3) Notify the applicant that the registration application is incomplete and what additional information is required. In this case, the Department has 60 days from receipt of a completed registration application to notify the applicant under paragraph (1) or (2).

(d) An applicant shall be registered as a loan broker upon the Department's issuance of written notification to the applicant that the applicant has been registered by the Department as a loan broker.

(e) No abatement of the registration fee will be made for any reason, including a loan broker's initial registration period lasting for less than 1 year or the election by a loan broker to cancel its registration prior to the annual renewal date.

§ 42.4. Annual renewal required.

(a) Annually, the Department will mail to each registered loan broker an application for renewal of the loan broker's registration.

(b) On or before December 1 of each year, a loan broker shall return the following to the Department:

(1) A completed renewal registration application provided by the Department.

(2) Payment of a renewal registration fee of \$300.

(c) On or before January 15 of each year, the Department will take one of the following actions with regard to renewal applications which it received on or before December 1 of the prior year:

(1) Notify the loan broker that the loan broker's registration is renewed.

(2) Under § 42.5 (relating to disapproval of registration), notify the loan broker that the loan broker's renewal registration is rejected and that the loan broker is no longer registered as a loan broker.

(3) Notify the loan broker that the registration application was incomplete and that additional information is required. In this case, the Department has 30 days from receipt of a completed registration application to notify the loan broker under paragraph (1) or (2).

(d) A loan broker who fails to return to the Department by December 1 of each year a completed renewal registration application provided by the Department and payment of a renewal registration fee of \$300 will be subject to a late fee of \$100 upon submission to the Department of a renewal registration application.

(e) The renewal registration shall be effective from February 1 or upon the Department's issuance of written notification to the applicant that the applicant has been registered by the Department as a loan broker, whichever is later, through January 31 of the following year.

§ 42.5. Disapproval of registration.

(a) The Department may refuse to register or renew the registration of an applicant. Notifications of refusal by the Department to register or renew the registration of an applicant shall include the reason for the refusal. In determining whether to refuse to register or renew the registration of an applicant, the Department will weigh all relevant factors including the following:

(1) Whether the applicant has properly and fully completed the registration application or the registration renewal application.

(2) Whether the applicant has supplied false information or made a material misstatement to the Department.

(3) Whether the applicant or any principal or employee of the applicant has violated the act.

(4) Whether the applicant or any principal or employee of the applicant is subject to an administrative order issued by an agency of the Commonwealth, another state or the United States, which supervises or regulates any financial industry, including the lender, broker of loans, securities, annuities, insurance and tax industries.

(5) Whether the applicant, any principal of the applicant or any organization with which the applicant or any principal of the applicant was associated as an officer, director or principal, has applied to any state or to the Federal government for a license or authority to broker loans or to lend money and had the application for a license rejected, and the reasons for the rejection.

(6) Whether the applicant, any principal of the applicant or any organization with which the applicant or any principal of the applicant was associated as an officer, director or principal, which was licensed or authorized by any state or the Federal government to broker loans or to lend money, had the license suspended, canceled or revoked.

(7) Whether the applicant or any principal or employee of the applicant has ever pleaded guilty, pleaded nolo contendere or has ever been found guilty by a judge or jury for violation of any state or Federal law involving financial crimes, including those involving lending, brokering of loans, securities, annuities, insurance and tax matters.

(8) Whether the applicant or any principal or employee of the applicant is subject to a civil or criminal proceeding by any state or Federal agency involving any financial matter, including lending, brokering loans, securities, insurance and tax matters.

(b) The applicant for an initial or renewal registration whose application is disapproved by the Department may appeal the disapproval through the administrative hearing process contained under 1 Pa. Code Part II (relating to General Rules of Administrative Practice and Procedure).

§ 42.6. Information to the Department

(a) In completing the registration application or renewal registration application, the applicant shall provide the Department with the following information:

(1) The name, address and telephone number of the applicant.

(2) The address at which the applicant acts or intends to act as a loan broker.

(3) The names and addresses of all agents and employees of the loan broker who act or will act as a loan broker on behalf of the loan broker.

(4) The names and addresses of all loan brokers or lenders on whose behalf the applicant acts or will act.

(5) The names and addresses of all principals of the applicant.

(6) A copy of its articles of incorporation or fictitious name filing to the extent applicable to the applicant.

(7) Other information required by the Department consistent with § 42.5(a) (relating to disapproval of registration) and related matters.

(b) A loan broker shall inform the Department within 15-calendar days of any change in address of the loan broker office, changes in ownership, principals and employees of the loan broker. The broker shall include background information regarding new owners, principals or employees of the loan broker consistent with § 42.5(a)(4)–(8), which information also is required by the Department to be provided by the loan broker in a registration application or renewal registration application.

§ 42.7. Failure to register.

A person who acts or holds himself out as a loan broker and is not registered with the Department under this chapter is in violation of the Unfair Trade Practices and Consumer Protection Law (73 P. S. §§ 201-1–209-6.)

Title 25—ENVIRONMENTAL PROTECTION

PART V. DELAWARE RIVER BASIN COMMISSION

[25 PA. CODE CH. 901]

Amendments to Administrative Manual—Rules of Practice and Procedure

At its November 19, 1997, business meeting, the Delaware River Basin Commission (Commission) amended its Administrative Manual—Rules of Practice and Procedure for clarification and conformance with existing Commission interpretations and practices.

Effective Date

November 19, 1997.

Addresses

Copies of the Commission's Administrative Manual—Rules of Practice and Procedure are available from the Delaware River Basin Commission, P.O. Box 7360, West Trenton, New Jersey 08628.

For Further Information Contact

Susan M. Weisman, Commission Secretary, Delaware River Basin Commission, (609) 883-9500 Ext. 203.

Supplementary Information

On October 22, 1997, the Commission held a public hearing on proposed amendments to its Rules of Practice and Procedure as noticed in the *Pennsylvania Bulletin* issues of September 13, 1997, and October 18, 1997. In response to comments received on that proposal, the Commission made several modifications to its initial proposal, providing further clarification, correcting typographical errors and revising language concerning assessment of Hearing costs.

A Resolution to amend the Administrative Manual—Rules of Practice and Procedure for clarification and conformance with existing Commission interpretations and practices.

Whereas, the Rules of Practice and Procedure of the Delaware River Basin Commission have been periodically modified since they were originally adopted December 13, 1961; and

Whereas, there has not been a comprehensive review of these rules for more than twenty years; and

Whereas, the continued inclusion of suspended sections has caused confusion and misunderstanding and deletion of Article 4 relating to environmental assessments is timely and appropriate; and

Whereas, The Commission's review of projects will continue to require all projects to comply with all environmental and other policies in the Commission's Comprehensive Plan; and

Whereas, two administrative changes designed to reduce the project review activity of Commission staff were adopted by the Commission in 1976 but are not currently in use and should be deleted; and

Whereas, the Commission is now proposing that all rules regarding hearings be consolidated in Article 6; and

Whereas, a number of other modifications and deletions are proposed to eliminate unnecessary, confusing, inaccurate or duplicative sections as well as clarify, consolidate and broaden other sections; and

Whereas, the amended Rules of Practice and Procedure were the subject of a public hearing on October 22, 1997; now therefore

Be it Resolved by the Delaware River Basin Commission:

1. The Administrative Manual—Rules of Practice and Procedure is hereby amended as follows:

a. INTRODUCTION is revised to read as follows:

DELAWARE RIVER BASIN COMMISSION
RULES OF PRACTICE AND PROCEDURE
INTRODUCTION

The Delaware River Basin Compact requires the Commission to formulate and adopt a Comprehensive Plan and Water Resources Program. In addition, the Compact provides in Section 3.8 that no project having a substantial effect on the water resources of the Basin shall be undertaken unless it shall have been first submitted to and approved by the Commission. The Commission is required to approve a project whenever it finds and determines that such project would not substantially impair or conflict with the Comprehensive Plan. Section 3.8 further provides that the Commission shall provide by regulation for the procedure of submission, review and consideration of projects and for its determinations pursuant to Section 3.8.

The Comprehensive Plan consists of all public and those private projects and facilities which the Commission has directed be included therein. It also includes those documents and policies which the Commission has determined should be included within the Comprehensive Plan as being needed to insure optimum planning, development, conservation, use, management and control of the water resources of the Delaware Basin to meet present and future needs. The Comprehensive Plan is subject to periodic review and revision as provided in Sections 3.2 and 13.1 of the Compact.

The Water Resources Program is based upon the Comprehensive Plan. It is required to be updated annually and to include a systematic presentation of the quantity and quality of water resources needs of the area to be served for such reasonably foreseeable period as the Commission may determine, balanced by existing and proposed projects required to satisfy such needs. The Commission's review and modification of the Water Resources Program is conducted pursuant to the provisions of Articles 3.2 and 13.2 of the Compact.

The Commission's Rules of Practice and Procedure govern the adoption and revision of the Comprehensive Plan, the Water Resources Program, the exercise of the Commission's authority pursuant to the provisions of Article 3.8 and other actions of the Commission mandated or authorized by the Compact.

These Rules of Practice and Procedure extend to the following areas of Commission responsibility and regulation:

Article 1—Comprehensive Plan.

Article 2—Water Resources Program.

Article 3—Project Review Under Section 3.8 of the Compact

Article 4—(Reserved).

Article 5—Appeals or Objections to Decisions of the Executive Director in Water Quality Cases.

Article 6—Administrative and Other Hearings.

Article 7—Penalties and Settlements in Lieu of Penalties.

Article 8—Public Access to the Commission's Records and Information.

Article 9—General Provisions.

These rules are subject to Commission revision and modification from time to time as the Commission may determine. The Commission reserves the right to waive any Rule of Practice and Procedure it determines should not be applicable in connection with any matter requiring Commission action. All actions by the Commission, however, shall comply fully with the applicable provisions of the Compact.

b. ARTICLE 1—COMPREHENSIVE PLAN is revised to read as follows:

ARTICLE 1

COMPREHENSIVE PLAN

Section 2.1.1 Scope. This article shall govern the submission, consideration, and inclusion of projects into the Comprehensive Plan.

2.1.2 Concept of the Plan. The Comprehensive Plan shall be adopted, revised and modified as provided in Sections 3.2 and 13.1 of the Compact. It is the Commission's responsibility to adopt the Comprehensive Plan, after consultation with water users and interested public bodies, for the immediate and long-range development and uses of the water resources of the Basin. The Plan shall include the public and private projects and facilities which the Commission determines are required for the optimum planning, development, conservation, utilization, management and control of the water resources of the Basin to meet present and future needs. In addition to the included projects and facilities, the Comprehensive Plan consists of the statements of policies, and programs that the Commission determines are necessary to govern the proper development and use of the River Basin. The documents within the Comprehensive Plan expressing the Commission's policies and programs for the future, including the means for carrying them out, may be set forth through narrative text, maps, charts, schedules, budgets and other appropriate means.

Specific projects and facilities and statements of policy and programs may be incorporated, deleted or modified from time to time to reflect changing conditions, research results and new technology. The degree of detail described in particular projects may vary depending upon the status of their development.

2.1.3 Other Agencies. Projects of the federal agencies affecting the water resources of the Basin, subject to the limitations in Section 1.4 of the Compact, shall be governed by Section 11.1 of the Compact. Projects of the signatory states, their political subdivisions and public corporations affecting the water resources of the Basin, shall be governed by the provisions of Section 11.2 of the Compact.

Section 2.1.4 Project Applications and Proposed Revisions and Changes. Applications for inclusion of new public projects and the deletion or alteration of previously included public projects may be submitted by signatory parties and agencies or political subdivisions thereof. Owners or sponsors of privately owned projects may submit applications for the inclusion of new private projects and the deletion or alteration of previously included private projects in which the applicant has an interest. The Commission may also receive and consider

proposals for changes and additions to the Comprehensive Plan which may be submitted by any agency of the signatory parties, or any interested person, organization, or group. Any application or proposal shall be submitted in such form as may be required by the Executive Director to facilitate consideration by the Commission.

Applications for projects shall include at least the following information:

- (1) Purpose or purposes, including quantitative measures of physical benefit anticipated from the proposal;
- (2) The location, physical features and total area required;
- (3) Forecast of the cost or effect on the utilization of water resources;
- (4) Relation to other parts of the existing Comprehensive Plan;
- (5) A discussion of conformance with Commission policies included in the Comprehensive Plan; and
- (6) A discussion of the alternatives considered.

2.1.5 Review of Applications. Following staff study, examination, and review of each project application, the Commission shall hold a public hearing upon notice thereon as provided in paragraph 14.4(b) of the Compact and may take such action on a project application as it finds to be appropriate.

2.1.6 Proposed Revisions and Changes. Proposals for changes and additions to the Comprehensive Plan submitted by any agency of the signatory parties or any interested person, organization or group shall identify the specific revision or change recommended. In order to permit adequate Commission consideration of any proposal, the Executive Director may require such additional information as may be needed. Review or consideration of such proposals shall be based upon the recommendation of the Executive Director and the further direction of the Commission.

2.1.7 Further Action. The Commission will review the Comprehensive Plan in its entirety at least once every six years from the date of the initial adoption of the Comprehensive Plan (March 28, 1962). Such review may include consideration of proposals submitted by the signatory parties, agencies or political subdivision thereof or other interested parties. The amendments, additions, and deletions adopted by the Commission will be compiled and the Plan as so revised shall be made available for public inspection.

2.1.8 Public Projects Under Article 11 of the Compact.

(a) After a project of any federal, state or local agency has been included in the Comprehensive Plan, no further action will be required by the Commission or by the agency to satisfy the requirements of Article 11 of the Compact, except as the Comprehensive Plan may be amended or revised pursuant to the Compact and these regulations. Any project which is changed substantially from the project as described in the Comprehensive Plan will be deemed to be a new and different project for the purposes of Article 11 of the Compact. Whenever a change is made the sponsor shall advise the Executive Director who will determine whether the change is deemed substantial within the meaning of these regulations.

(b) Any public project not having a substantial effect on the water resources of the Basin, as defined in Article 3 of these regulations, may proceed without reference to Article 11 of the Compact.

2.1.9 Custody and Availability. The Comprehensive Plan shall be and remain in the custody of the Executive Director. The Plan, including all maps, charts, description and supporting data shall be and remain a public record open to examination during the regular business hours of the Commission, under such safeguards as the Executive Director may determine to be necessary to preserve and protect the Plan against loss, damage or destruction. Copies of the Comprehensive Plan or any part or parts thereof shall be made available by the Executive Director for public sale at a price covering the cost of production and distribution.

c. ARTICLE 3—PROJECT REVIEW UNDER SECTION 3.8 OF THE COMPACT is revised to read as follows:

ARTICLE 3

PROJECT REVIEW UNDER SECTION 3.8 OF THE COMPACT

Section 2.3.1 Scope. This article shall govern the submission and review of projects under Section 3.8 of the Delaware River Basin Compact.

2.3.2 Concept of 3.8. Section 3.8 is intended to protect and preserve the integrity of the Comprehensive Plan. This section of the Compact provides: "No project having a substantial effect on the water resources of the basin shall hereafter be undertaken by any person, corporation or governmental authority unless it shall have been first submitted to and approved by the Commission, subject to the provisions of Sections 3.3 and 3.5. The Commission shall approve a project whenever it finds and determines that such project would not substantially impair or conflict with the Comprehensive Plan and may modify and approve as modified, or may disapprove any such project whenever it finds and determines that the project would substantially impair or conflict with such Plan. The Commission shall provide by regulation for the procedure of submission, review and consideration of projects, and for its determinations pursuant to this section. Any determination of the Commission hereunder shall be subject to judicial review in any court of competent jurisdiction."

2.3.3 Administrative Agreements. The Executive Director is authorized and directed to enter into cooperative Administrative Agreements with federal and state regulatory agencies concerned with the review of projects under federal or state law as follows:

(a) To facilitate the submission and review of applications and the determinations required under Section 3.8 of the Compact;

(b) To avoid unnecessary duplication of staff functions and hearings required by law; and

(c) For such other and different purposes as he may deem feasible and advantageous for the administration of the Compact or any other law.

2.3.4 Submission of Project Required. Any project which may have a substantial effect on the water resources of the Basin, except as provided in paragraph (d) of this section, shall be submitted to the Commission for a determination as to whether the project impairs or conflicts with the Comprehensive Plan, as follows:

(a) Where the project is subject to review by a state or federal agency which has entered into an Administrative Agreement with the Commission, such project will be referred to the Commission in accordance with the terms of the Administrative Agreement, and appropriate in-

structions will be prepared and issued by the Executive Director for guidance of project sponsors and applicants.

(b) Where no other state or federal agency has jurisdiction to review and approve a project, or no Administrative Agreement is in force, the project sponsor shall apply directly to the Commission.

(c) Any project proposal, which may have a substantial effect on the water resources of the Basin, may be received and reviewed by the staff informally in conference with the project sponsor during the preliminary planning phase to assist the sponsor to develop the project in accordance with the Commission's requirements.

(d) Whenever a project sponsored by one of the signatory parties, or by any agency, political subdivision or public corporation thereof, has been included in the Water Resources Program in the "A List" classification, the project, to the extent of such inclusion and as described in the Program, shall be deemed approved for the purposes of Section 3.8 of the Compact.

(e) Whenever a project is subject to review and approval by the Commission under this section, there shall be no substantial construction activity thereon, including related preparation of land, unless and until the project has been approved by the Commission; provided, however, that this prohibition shall not apply to the drilling of wells for purposes of obtaining geohydrologic data, nor to in-plant control and pretreatment facilities for pollution abatement.

2.3.5 Classification of Projects for Review under Section 3.8 of the Compact.

(a) Except as the Executive Director may specially direct by notice to the project owner or sponsor, or as a state or federal agency may refer under paragraph (c) of this section, a project in any of the following classifications will be deemed not to have a substantial effect on the water resources of the Basin and is not required to be submitted under Section 3.8 of the Compact:

(1) The construction of new impoundments or the enlargement or removal of existing impoundments, for whatever purpose, when the storage capacity is less than 100 million gallons;

(2) A withdrawal from ground water for any purpose when the daily average gross withdrawal during any 30 consecutive day period does not exceed 100,000 gallons;

(3) A withdrawal from impoundments or running streams for any purpose when the daily average gross withdrawal during any 30 consecutive day period does not exceed 100,000 gallons;

(4) The construction of new domestic sewage treatment facilities or alteration or addition to existing domestic sewage treatment facilities when the design capacity of such facilities is less than a daily average rate of 10,000 gallons per day in the drainage area to Outstanding Basin Waters and Significant Resource Waters or less than 50,000 gallons per day elsewhere in the Basin; and all local sewage collector systems and improvements discharging into authorized trunk sewage systems;

(5) The construction of new facilities or alteration or addition to existing facilities for the direct discharge to surface or ground waters of industrial wastewater having design capacity of less than 10,000 gallons per day in the drainage area to Outstanding Basin Waters and Significant Resource Waters or less than 50,000 gallons per day

elsewhere in the Basin; except where such wastewater contains toxic concentrations of waste materials;

(6) A change in land cover on major ground water infiltration areas when the amount of land that would be altered is less than three square miles;

(7) Deepening, widening, cleaning or dredging existing stream beds or relocating any channel, and the placement of fill or construction of dikes, on streams within the Basin except the Delaware River and tidal portions of tributaries thereto, and streams draining more than one state;

(8) Periodic maintenance dredging;

(9) Encroachments on streams within the Basin caused by:

a. floating docks and anchorages and buoys and navigational aids;

b. temporary construction such as causeways, cofferdams and falsework required to facilitate construction on permanent structures;

(10) Bridges and highways unless they would pass in or across an existing or proposed reservoir or recreation project area as designated in the Comprehensive Plan;

(11) Liquid petroleum products pipelines and appurtenances designed to operate under pressures less than 150 psi; local electric distribution lines and appurtenances; local communication lines and appurtenances; local natural and manufactured gas distribution lines and appurtenances; local water distribution lines and appurtenances; and local sanitary sewer mains, unless such lines would involve significant disturbance of ground cover affecting water resources;

(12) Electric transmission or bulk power system lines and appurtenances; major trunk communication lines and appurtenances; natural and manufactured gas transmission lines and appurtenances; major water transmission lines and appurtenances; unless they would pass in, on, under or across an existing or proposed reservoir or recreation project area as designated in the Comprehensive Plan; unless such lines would involve significant disturbance of ground cover affecting water resources;

(13) Liquid petroleum products pipelines and appurtenances designed to operate under pressures of more than 150 psi, unless they would pass in, on, under or across an existing or proposed reservoir or recreation project area as designated in the Comprehensive Plan, or in, on, under or across any stream within the Basin; unless such lines would involve significant disturbance of ground cover affecting water resources;

(14) Landfill projects, unless no state-level review and permit system is in effect; broad regional consequences are anticipated; or the standards or criteria used in state level review are not adequate to protect the water of the Basin for the purposes prescribed in the Comprehensive Plan;

(15) Draining, filling or otherwise altering marshes or wetlands when the area affected is less than 25 acres; provided; however, that areas less than 25 acres shall be subject to Commission review and action (1) where neither a state nor a federal level review and permit system is in effect, and the Executive Director determines that a project is of major regional or interstate significance requiring action by the Commission, or (2) when a Commissioner or the Executive Director determines that the final action of a state or federal permitting agency may not adequately reflect the Commission's policy as to

wetlands of the Basin. In the case of a project affecting less than 25 acres for which there has been issued a state or federal permit, a determination to undertake review and action by the Commission shall be made no later than 30 days following notification of the Commission of such permit action. The Executive Director, with the approval of the Chairman, may at any time within the 30-day period inform any permit holder, signatory party or other interested party that the Commission will decline to undertake review and action concerning any such project;

(16) The diversion or transfer of water from the Delaware River Basin (exportation) whenever the design capacity is less than a daily average rate of 100,000 gallons;

(17) The diversion or transfer of water into the Delaware River Basin (importation) whenever the design capacity is less than a daily average rate of 100,000 gallons except when the imported water is wastewater;

(18) The diversion or transfer of wastewater into the Delaware River Basin (importation) whenever the design capacity is less than a daily average rate of 50,000 gallons; and

(19) Temporary or short term projects determined to have non-substantial impact on the water resources of the Basin by the Executive Director.

(b) All other projects which have or may have a substantial effect on the water resources of the Basin shall be submitted to the Commission in accordance with these regulations for determination as to whether the project impairs or conflicts with the Comprehensive Plan. Among these are projects involving the following (except as provided in paragraph (a) of this section):

(1) Impoundment of water;

(2) Withdrawal of ground water;

(3) Withdrawal of water from impoundment or streams;

(4) Diversion of water into or out of the Basin;

(5) Deepening or widening of existing stream beds, channels, anchorages, harbors or turning basins, or the construction of new or enlarged channels, anchorages, harbors or turning basins, or the dredging of the bed of any stream or lake and disposal of the dredged spoil, when the nature or location of the project would affect the quantity or quality of ground or surface waters, or fish and wildlife habitat;

(6) Discharge of pollutants into surface or ground waters of the Basin;

(7) Facilities designed to intercept and transport sewage to a common point of discharge; and pipelines and electric power and communication lines;

(8) Facilities for the direct discharge to surface or ground waters of industrial wastewater;

(9) Projects that substantially encroach upon the stream or upon the 100-year flood plain of the Delaware River or its tributaries;

(10) Change in land cover on major ground water infiltration areas;

(11) Hydroelectric power projects, including pumped storage projects;

(12) Projects or facilities of federal, state and local agencies such as highways, buildings and other public works and improvements, affecting the water and related land resources of the Basin;

(13) Draining, filling or otherwise altering marshes or wetlands;

(14) Regional wastewater treatment plans developed pursuant to the Federal Water Pollution Control Act;

(15) Landfills and solid waste disposal facilities affecting the water resources of the Basin;

(16) State and local standards of flood plain regulation;

(17) Electric generating or cogenerating facilities designed to consumptively use in excess of 100,000 gallons per day of water during any 30-day period; and

(18) Any other project that the Executive Director may specially direct by notice to the project sponsor or land owner as having a potential substantial water quality impact on waters classified as Special Protection Waters.

(c) Whenever a state or federal agency determines that a project falling within an excluded classification (as defined in paragraph (a) of this section) may have a substantial effect on the water resources of the Basin, such project may be referred by the state or federal agency to the Commission for action under these Rules.

(d) Except as otherwise provided by Section 2.3.8 the sponsor shall submit an application for review and approval of a project included under paragraph (b) above through the appropriate agency of a signatory party. Such agency will transmit the application or a summary thereof to the Executive Director, pursuant to Administrative Agreement, together with available supporting materials filed in accordance with the practice of the agency of the signatory party.

2.3.5.1 Water Supply Projects—Conservation Requirements. Maximum feasible efficiency in the use of water is required on the part of water users throughout the Basin. Effective September 1, 1981 applications under Section 3.8 of the Compact for new water withdrawals subject to review by the Commission shall include and describe water-conserving practices and technology designed to minimize the use of water by municipal, industrial and agricultural users, as provided in this section.

(a) Applications for approval of new withdrawal from surface or ground water sources submitted by a municipality, public authority or private water works corporation whose total average withdrawals exceed one million gallons per day shall include or be in reference to a program prepared by the applicant consisting of the following elements:

(1) Periodic monitoring of water distribution and use, and establishment of a systematic leak detection and control program;

(2) Use of the best practicable water-conserving devices and procedures by all classes of users in new construction or installations, and provision of information to all classes of existing users concerning the availability of water-conserving devices and procedures; and

(3) A contingency plan including use priorities and emergency conservation measures to be instituted in the event of a drought or other water shortage condition. Contingency plans of public authorities or private water works corporations shall be prepared in cooperation with, and made available to, all municipalities in the area affected by the contingency plan, and shall be coordinated with any applicable statewide water shortage contingency plans.

(b) Programs prepared pursuant to subsection (a) of this section shall be subject to any applicable limitations of public utility regulations of the signatory party in which the project is located.

(c) Applications for approval of new industrial or commercial water withdrawals from surface or ground water sources in excess of an average of one million gallons per day shall contain (1) a report of the water-conserving procedures and technology considered by the applicant, and the extent to which they will be applied in the development of the project; and (2) a contingency plan including emergency conservation measures to be instituted in the event of a drought or other water shortage. The report and contingency plan shall estimate the impact of the water conservation measures upon consumptive and non-consumptive water use by the applicant.

(d) Applications for approval of new agricultural irrigation water withdrawals from surface or ground water sources in excess of one million gallons per day shall include a statement of the operating procedure or equipment to be used by the applicant to achieve the most efficient method of application of water and to avoid waste.

(e) Reports, programs and contingency plans required under this section shall be submitted by the applicant as part of the permit application to the state agency having jurisdiction over the project, or directly to the Commission in those cases where the project is not subject to the jurisdiction of a state agency. State agencies having jurisdiction over a project that is subject to the provisions of this section shall determine the adequacy and completeness of the applicant's compliance with these requirements and shall advise the Commission of their findings and conclusions.

2.3.6 Sequence of Approval. A project will be considered by the Commission under Section 3.8 of the Compact either before or after any other state or federal review, in accordance with the provisions of the Administrative Agreement applicable to such project.

2.3.7 Form of Referral by State or Federal Agency. Upon approval by any state or federal agency of any project reviewable by the Commission under these regulations, if the project has not prior thereto been reviewed and approved by the Commission, such agency shall refer the project for review under Section 3.8 of the Compact in such form and manner as shall be provided by Administrative Agreement.

(a) The Commission will rely on the appropriate agency in each state to review and regulate the potability of all public water supplies. Applications before the Commission should address the impact of the withdrawal, use and disposal of water on the water resources of the Basin.

(b) The Commission will rely on signatory party reviews as much as possible and generally the Commission will not review the performance standards of individual components of treatment processes but will require compliance with all policies in the Comprehensive Plan including all applicable Water Quality Standards.

2.3.8 Form of Submission of Projects not Requiring Prior Approval by State or Federal Agencies. Where a project does not require approval by any other state or federal agency, or where such approval is required but an Administrative Agreement is not in force, the project shall be submitted directly to the Commission for review and determination of compatibility with the Comprehensive Plan, in such form of application, with such supporting documentation, as the Executive Director may reasonably require for the administration of the provisions of the Compact. These shall include without limitation thereto:

(a) *Exhibits to Accompany Application.* The application shall be accompanied by the following exhibits: (1) abstract of proceedings authorizing project, where applicable; (2) general map showing specific location and dimension of a structural project, or specific language of a standard or policy in the case of a non-structural proposal; (3) section of the United States Geological Survey topographic map showing the territory and watershed affected; (4) maps, drawings, specifications and profiles of any proposed structures, or a description of the specific effects of a non-structural project; (5) written report of the applicant's engineer showing the proposed plan of operation of a structural project; (6) map of any lands to be acquired or occupied; (7) estimate of the cost of completing the proposed project, and sufficient data to indicate a workable financial plan under which the project will be carried out; and (8) analyses and conclusions of regional water supply and wastewater investigations.

(b) *Letter of Transmittal.* The application shall be accompanied by a letter of transmittal in which the applicant shall include a list of all enclosures, the names and addresses to which communications may be directed to the applicant, and the names and addresses of the applicant's engineer and counsel, if any.

(c) Unless otherwise ordered by the Commission, two copies of the application and accompanying papers shall be filed. If any application is contested, the Commission may require additional copies of the application and all accompanying papers to be furnished by the applicant. In such cases, certified copies or photographic prints or reproductions may be used.

2.3.9 *Informal Conferences and Emergencies.*

(a) Whenever the Executive Director shall deem necessary, or upon request of the applicant, an informal conference may be scheduled to explain, supplement or review an application.

(b) In the event of an emergency requiring immediate action to protect the public interest or to avoid substantial and irreparable injury to any private person or property, and the circumstances do not permit a review, hearing and determination in the regular course of these regulations, the Executive Director with the approval of the chairman of the Commission may issue an emergency certificate authorizing an applicant to take such action as the Executive Director may deem necessary and proper in the circumstances, pending review, hearing and determination by the Commission as otherwise required in these regulations.

2.3.10 *Limitation of Approval.*

(a) Approval by the Commission under these regulations shall expire three years from the date of Commission action unless prior thereto the sponsor has expended substantial funds (in relation to the cost of the project) in reliance upon such approval. An approval may be extended or renewed by the Commission upon application.

(b) Any application that remains dormant (no proof of active pursuit of approvals) for a period of three years from date of receipt, shall be automatically terminated. Any renewed activity following that date will require submission of a new application.

ARTICLE 4 is hereby reserved for future use.

ARTICLE 4

(Reserved.)

e. ARTICLE 5—REVIEW IN WATER QUALITY CASES is revised to read as follows:

ARTICLE 5

APPEALS OR OBJECTIONS TO DECISIONS OF THE EXECUTIVE DIRECTOR IN WATER QUALITY CASES

Section 2.5.1 Scope. This article shall apply to the review, hearing and decision of objections and issues arising as a result of administrative actions and decisions taken or rendered by the Executive Director under the Basin Regulations. Any hearings shall be conducted pursuant to the provisions of Article 6.

2.5.2 Notice and Request for Hearing. The Executive Director shall serve notice of an action or decision by him under the Basin Regulations by personal service or certified mail, return receipt requested. The affected discharger shall be entitled (and the notice of action or decision shall so state) to show cause at a Commission hearing why such action or decision should not take effect. A request for such a hearing shall be filed with the Secretary of the Commission not more than 30 days after service of the Executive Director's determination. Failure to file such a request within the time limit shall be deemed to be an acceptance of the Executive Director's determination and a waiver of any further hearing.

2.5.3 Form of Request. A request for a hearing may be informal but shall indicate the name of the individual and the address to which an acknowledgment may be directed. It may be stated in such detail as the objector may elect. The request shall be deemed filed only upon receipt by the Commission.

Whenever the Executive Director determines that the request for a hearing is insufficient to identify the nature and scope of the objection, or that one or more issues may be resolved, reduced or identified by such action, he may require the objector to prepare and submit to the Commission, within such reasonable time (not less than 30 days) as he may specify, a technical report of the facts relating to the objection prior to the scheduling of the hearing. The report shall be required by notice in writing served upon the objector by certified mail, return receipt requested, addressed to the person or entity filing the request for hearing at the place indicated in the request.

2.5.4 Form and Contents of Report.

(a) Generally. A request for a report under this article may require such information and the answers to such questions as may be reasonably pertinent to the subject of the action or determination under consideration.

(b) Waste Loading. In cases involving objections to an allocation of the assimilative capacity of a stream, wasteload allocation for a point source, or load allocation for a new point source, the report shall be signed and verified by a technically qualified person having personal knowledge of the facts stated therein, and shall include such of the following items as the Executive Director may require:

(1) A specification with particularity of the ground or grounds for the objection; and failure to specify a ground for objection prior to the hearing shall foreclose the objector from thereafter asserting such a ground at the hearing;

(2) A description of industrial processing and waste treatment operational characteristics and outfall configuration in such detail as to permit an evaluation of the character, kind and quantity of the discharges, both treated and untreated, including the physical, chemical and biological properties of any liquid, gaseous, solid, radioactive, or other substance composing the discharge in whole or in part;

(3) The thermal characteristics of the discharges and the level of heat in flow;

(4) Information in sufficient detail to permit evaluation in depth of any in-plant control or recovery process for which credit is claimed;

(5) The chemical and toxicological characteristics including the processes and/or indirect discharges which may be the source of the chemicals or toxicity;

(6) An analysis of all the parameters that may have an effect on the strength of the waste or impinge upon the water quality criteria set forth in the Basin Regulations, including a determination of the rate of biochemical oxygen demand and the projection of a first-stage carbonaceous oxygen demand;

(7) Measurements of the waste as closely as possible to the processes where the wastes are produced, with the sample composited either continually or at frequent intervals (one-half hour or, where permitted by the Executive Director, one hour periods), so as to represent adequately the strength and volume of waste that is discharged; and

(8) Such other and additional specific technical data as the Executive Director may reasonably consider necessary and useful for the proper determination of a wasteload allocation.

2.5.5 Protection of Trade Secrets; Confidential Information. No person shall be required in such report to divulge trade secrets or secret processes. All information disclosed to any Commissioner, agent or employee of the Commission in any report required by these Rules shall be confidential for the purposes of Section 1905 of Title 18 of the United States Code which provides:

"Whoever, being an officer or employee of the United States or of any department or agency thereof, publishes, divulges, discloses, or makes known in any manner or to any extent not authorized by law any information coming to him in the course of his employment or official duties or by reason of any examination or investigation made by, or return, report or record made to or filed with, such department or agency or officer or employee thereof, which information concerns or relates to the trade secrets, processes, operations, style of work, or apparatus, or to the identity, confidential statistical data, amount or source of any income, profits, losses, or expenditures of any person, firm, partnership, corporation or association; or permits any income return or copy thereof to be seen or examined by any persons except as provided by law; shall be fined not more than \$1,000 or imprisoned not more than one year, or both; and shall be removed from office or employment. June 25, 1948, C.645, 62 Stat. 791."

2.5.6 Failure to Furnish Report. The Executive Director may, upon five days' notice to the objector dismiss the request for a hearing as to any objector who fails to file a complete report within such time as shall be prescribed in the Director's notice.

2.5.7 Informal Conference. Whenever the Executive Director deems it appropriate, he may cause an informal

conference to be scheduled between an objector and such member of the Commission staff as he may designate. The purpose of such a conference shall be to resolve or narrow the ground or grounds of the objections.

2.5.8 Consolidation of Hearings. Following such informal conferences as may be held, to the extent that the same or similar grounds for objections are raised by one or more objectors, the Executive Director may in his discretion and with the consent of the objectors, cause a consolidated hearing to be scheduled at which two or more objectors asserting that ground may be heard.

f. ARTICLE 6—CONDUCT OF HEARINGS is revised to read as follows:

ARTICLE 6 ADMINISTRATIVE AND OTHER HEARINGS

Section 2.6.1 Hearings Generally.

(a) *Scope of Article.* This article shall apply to contested cases required to be held under Articles 3 and 5 of these regulations, to the conduct of other administrative hearings involving contested cases and to proceedings which Commission regulation or the Commission directs be conducted pursuant to this article.

(b) *Definition of Contested Case.* "Contested case" means a proceeding in which the legal rights, duties, obligations, privileges, benefits or other legal relations of specific parties are involved. Such a proceeding may involve personnel matters, project applications and docket decisions but shall not extend to the review of any proposed or adopted rule or regulation of the Commission.

(c) *Requests for Hearings.* Any person seeking a hearing to review the action or decision of the Commission or the Executive Director may request a hearing pursuant to the provisions of this article provided such a request is received by the Commission within thirty (30) days of the action or decision which is the subject of the requested hearing. Requests shall be submitted in writing to the Secretary of the Commission and shall identify the specific action or decision for which a hearing is requested, the date of the action or decision, the interest of the person requesting the hearing in the subject matter of the proposed hearing and a summary statement setting forth the basis for objecting to or seeking review of the action or decision. Any request filed more than thirty days after an action or decision will be deemed untimely and such request for a hearing shall be considered denied unless the Commission by unanimous vote otherwise directs. Receipt of requests for hearings, pursuant to this article, whether timely filed or not, shall be submitted by the Secretary to the Commissioners for their information.

(d) *Optional Joint Hearings.* Whenever designated by a department, agency or instrumentality of a signatory party, and within any limitations prescribed by the designation, a Hearing Officer designated pursuant to this article may also serve as a Hearing Officer, examiner or agent pursuant to such additional designation and may conduct joint hearings for the Commission and for such other department, agency or instrumentality. Pursuant to the additional designation, a Hearing Officer shall cause to be filed with the department, agency or instrumentality making the designation, a certified copy of the transcript of the evidence taken before him and, if requested, of his findings and recommendations. Neither the Hearing Officer nor the Delaware River Basin Commission shall have or exercise any power or duty as a result of such additional designation to decide the merits of any matter arising under the separate laws of a signatory party (other than the Delaware River Basin Compact).

(e) *Schedule.* The Executive Director shall cause the schedule for each hearing to be listed in advance upon a 'hearing docket' which shall be posted in public view at the office of the Commission.

(f) *Notice of Hearing.* Notice of any hearing to be conducted pursuant to this article shall comply with the provisions of Section 14.4(b) of the Compact relating to public notice unless otherwise directed by the Commission.

Section 2.6.2 Authorization to Conduct Hearings.

(a) *Written Requests for Hearings.* Upon receipt of a written request for a hearing pursuant to this article, the Executive Director shall review the record available with regard to the action or decision for which a hearing is requested. Thereafter, the Executive Director shall present the request for a hearing to the Commission for its consideration. The Commission shall grant a request for a hearing pursuant to this article if it determines that an adequate record with regard to the action or decision is not available, the contested case involves a determination by the Executive Director or staff which requires further action by the Commission or that the Commission has found that an administrative hearing is necessary or desirable. If the Commission denies any request for a hearing in a contested case, the party seeking such a hearing shall be limited to such remedies as may be provided by the Compact or other applicable law or court rule.

(b) *Commission Directed Hearings.* This article shall be applicable to any proceeding which Commission regulation or the Commission directs be conducted in accordance with the provisions hereof.

2.6.3 Hearing Officer.

(a) *Generally.* Hearings shall be conducted by one or more members of the Commission, by the Executive Director, or by such other Hearing Officer as the Chairman may designate, except as provided in paragraph (b) below.

(b) *Wasteload Allocation Cases.* In cases involving the allocation of the assimilative capacity of a stream:

(1) The Executive Director shall appoint a hearing board of at least two persons. One of them shall be nominated by the water pollution control agency of the state in which the discharge originates, and he shall be chairman. The board shall have and exercise the powers and duties of a Hearing Officer;

(2) A quorum of the board for purposes of the hearing shall consist of two members; and

(3) Questions of practice or procedure during the hearing shall be determined by the chairman.

2.6.4 Hearing Procedure.

(a) *Participation in the Hearing.* In any hearing, the person requesting the hearing shall be deemed an interested party and shall be entitled to participate fully in the hearing procedure. In addition, any person whose legal rights may be affected by the decision rendered in a contested case shall be deemed an interested party. Interested parties shall have the right to be represented by counsel, to present evidence and to examine and cross-examine witnesses. In addition to interested parties, any persons having information concerning a contested case or desiring to present comments concerning the subject matter of the Hearing for inclusion in the record may submit a written statement to the Commission. Any interested party may request the right to examine or

cross-examine any person who submits a written statement. In the absence of a request for examination of such person, all written statements submitted shall be included within the record and such statements may be relied upon to the extent determined by the Hearing Officer or the Commission.

(b) *Powers of the Hearing Officer.* The Hearing Officer shall:

(1) Rule upon offers of proof and the admissibility of evidence, regulate the course of the hearings, hold conferences for the settlement or simplification of procedures or issues, and shall schedule submission of documents, briefs and the time for the hearing.

(2) Cause each witness to be sworn or to make affirmation.

(3) Limit the number of times any witness may testify, limit repetitious examination or cross-examination of witnesses or the extent to which corroborative or cumulative testimony shall be accepted.

(4) Exclude irrelevant, immaterial or unduly repetitious evidence, but the interested parties shall not be bound by technical rules of evidence and all relevant evidence of reasonably probative value may be received.

(5) Require briefs and oral arguments to the extent determined necessary which shall be included as part of the record unless otherwise ordered by the Hearing Officer.

2.6.5 Staff and Other Expert Testimony.

(a) *Presentation on Behalf of the Commission.* The Executive Director shall arrange for the presentation of testimony by the Commission's technical staff and other experts, as he may deem necessary or desirable, to incorporate in the record or support the administrative action, determination or decision which is the subject of the hearing.

(b) *Expert Witnesses.* An interested party may submit in writing to the Hearing Officer the report and proposed testimony of an expert witness. No expert report or proposed testimony, however, shall be included in the record if the expert is not available for examination unless the report and proposed testimony shall have been provided to the Commission and all interested parties prior to the hearing and the Commission and interested parties have waived the right of cross-examination.

(c) The Executive Director may designate for inclusion in the record those records of the Commission which the Executive Director deems relevant to a decision in a contested case or to provide an understanding of applicable Commission policies, regulations or other requirements relating to the issues in the contested case. The designation of such Commission documents shall be provided to all interested parties prior to the hearing.

2.6.6 Record of Proceedings. A record of the proceedings and evidence at each hearing shall be made by a qualified stenographer designated by the Executive Director. Where demanded by the applicant, objector, or any other person who is a party to these proceedings, or where deemed necessary by the Hearing Officer, the testimony shall be transcribed. In those instances where a transcript of proceedings is made, two copies shall be delivered to the Commission. The applicant, objector, or other persons who desire copies shall obtain them from the stenographer at such price as may be agreed upon by the stenographer and the person desiring the transcript.

2.6.7 Assessment of Costs; Appeals.

(a) Whenever a hearing is conducted under this article, the costs thereof, as herein defined, shall be assessed by the Hearing Officer to the party requesting the hearing unless apportioned between the interested parties where cost sharing is deemed fair and equitable by the Hearing Officer. For the purposes of this section costs include all incremental costs incurred by the Commission, including, but not limited to, hearing examiner and expert consultants reasonably necessary in the matter, stenographic record, rental of a hearing room and other related expenses.

(b) Upon scheduling of a matter for hearing, the Secretary shall furnish to the applicant and/or interested parties a reasonable estimate of the costs to be incurred under this section. The applicant and/or interested parties may be required to furnish security for such costs either by cash deposit or by a surety bond of a corporate surety authorized to do business in a signatory state.

(c) An appeal of the assessment of costs may be submitted in writing to the Commission within ten (10) days of the assessment. A copy of the appeal shall be filed with the Secretary and served on all interested parties. The filing of said appeal shall not stay the Hearing.

2.6.8 Findings, Report and Commission Review.

(a) The Hearing Officer shall prepare a report of his findings and recommendations. In the case of an objection to a waste load allocation, the Hearing Officer shall make specific findings of a recommended allocation which may increase, reduce or confirm the Executive Director's determination. The report shall be served by personal service or certified mail (return receipt requested) upon each party to the hearing or its counsel unless all parties have waived service of the report. The applicant and any objector may file objections to the report within 20 days after the service upon him of a copy of the report. A brief shall be filed together with any objections. The report of the Hearing Officer together with objections and briefs shall be promptly submitted to the Commission. The Commission may require or permit oral argument upon such submission prior to its decision.

(b) The Executive Director, in addition to any submission to the Hearing Officer, may also submit to the Commission staff comments upon, or a response to, the Hearing Officer's findings and report and, where appropriate, a draft docket or other recommended Commission action. Interested parties shall be served with a copy of such submission and may have not less than ten (10) days to respond before action by the Commission.

2.6.9 Action by the Commission.

(a) The Commission will act upon the findings and recommendations of the Hearing Officer pursuant to law.

(b) Commission Counsel shall assist the Commission with its review of the hearing record and the preparation of a Commission decision to the extent directed to do so by the Chairman.

(c) The determination of the Commission will be in writing and shall be filed together with any transcript of the hearing, report of the Hearing Officer, objections thereto, and all plans, maps, exhibits and other papers, records or documents relating to the hearing. All such records, papers and documents may be examined by any person at the office of the Commission, and shall not be removed therefrom except temporarily upon the written order of the Secretary after the filing of a receipt therefor in form prescribed by the Secretary. Copies of any such

records and papers may be made in the office of the Commission by any person, subject to such reasonable safeguards for the protection of the records as the Executive Director may require.

2.6.10 Appeals from Final Commission Action; Time for Appeals.

Any party participating in a hearing conducted pursuant to the provisions of this article may appeal any final Commission action. To be timely, such an appeal must be filed with an appropriate federal court, as provided in Article 15.1(p) of the Commission's Compact, within forty-five (45) days of final Commission action.

g. RESOLUTION NO. 80-11: SUSPENSION OF RULES RELATING TO ENVIRONMENTAL REVIEWS is deleted.

2. This resolution shall become effective immediately.

AND VOCATIONAL
STANDARDS**

STATE BOARD OF PSYCHOLOGY

[49 PA. CODE CH. 41]

Continuing Education

The State Board of Psychology (Board) amends § 41.59 (relating to continuing education) to read as set forth in Annex A.

The amendment revises the existing continuing education requirements for biennial renewal to provide more flexibility to psychologists in their choice of continuing education programs and to expand the opportunities for meeting the requisite contact hours for continuing education credit.

Notice of proposed rulemaking was published at 26 Pa. B. 2819 (June 15, 1996). Publication was followed by a 30-day public comment period during which the Board received comments from the Pennsylvania Psychological Association (PPA). The PPA expressed its strong support for the Board's proposal, commenting that the amendments accurately reflect the diversity of experiences by which psychologists keep current with changes in the knowledge base of their profession.

Following the close of the public comment period, the Board also received comments from the Independent Regulatory Review Commission (IRRC). Neither the Senate Consumer Protection and Professional Licensure Committee nor the House Professional Licensure Committee offered comments, suggestions or objections regarding the amendment.

The amendment reflected in Annex A is responsive to the comments and suggestions received by IRRC. In addition, the Board considered this rulemaking and its purpose under the directives of Executive Order 1996-1, Regulatory Review and Promulgation. This final-form regulation is responsive to requests and suggestions from licensees on how to improve the regulation for the betterment of the profession and otherwise complies with Executive Order 1996-1.

For ease of reference, the Board will address IRRC's comments in the order in which the amendments appear.

§ 41.59(b). Continuing education requirement for biennial renewal.

As proposed, § 41.59(b) required that a psychologist take a minimum of 30 contact hours of continuing education courses which included at least 3 contact hours in ethical issues. The proposal also allowed 10 contact hours in excess of the required 30 contact hours to be carried over from one biennium to the next biennium.

IRRC commented that the regulation is not clear on the issue of whether a licensee may carry excess ethical contact hours. IRRC recommended that the Board clarify the regulation by stating whether a licensee must take at least 3 ethical contact hours per biennium or whether a licensee may carry over extra ethical contact hours to the next biennium, resulting in a licensee not having to take ethical courses from that biennium.

The Board did not consider this issue during its initial discussions, and thanks IRRC for raising this question. Having discussed the issue, the Board is of the view that a psychologist should take at least 3 contact hours per biennium in ethical issues. As stated in the Preamble to its notice of proposed rulemaking, the Board's primary objective with respect to the ethics requirement is to increase psychologists' understanding of ethical issues as they develop in today's practice and to reduce the number of complaints against psychologists which result from ethical infractions. This objective will best be accomplished by requiring psychologists to take at least 3 contact hours in ethical issues per biennium.

§ 41.59(c). Reports to the Board.

Proposed § 41.59(c) deleted the requirement that psychologists list, at the time of biennial renewal, the continuing education courses or programs attended. This information is now required only from psychologists who are randomly selected by the Board for an audit of continuing education compliance.

Although IRRC did not express opposition to this change, IRRC requested the Board to explain how the deletion of the requirement will enhance its ability to ensure compliance with the continuing education requirements.

There is no assurance that deletion of the paperwork requirement will enhance continuing education compliance; deletion of this requirement does, however, expedite the renewal process. Moreover, in light of the audit procedure implemented by the Board, the paperwork is not necessary. Under the audit procedure, the Board

depends on random audits of 10% of its licensee population to assure continuing education compliance. Forms are no longer utilized. Since the forms are no longer utilized or reviewed by Board staff there is no justifiable reason to burden psychologists with this needless paperwork.

§ 41.59(f). Instruction.

Proposed § 41.59(f) provides, in part, that an individual course or workshop may be credited to the instructor only once. IRRC questioned whether the intent of the regulation is to allow a licensee to receive credit for teaching the same course once in the biennium and then again in a future biennium, or whether the intent is to allow credit for teaching a course only once and never again.

The original intent of this language was to guard against licensees receiving credit for presenting the same lecture in an individual course or workshop time after time. Upon further reflection, however, the Board realizes that as materials and subject matters change, the assumption is that the course content of these courses or workshops will be updated, resulting in substantively different presentations.

In an effort to reconcile its original concern with the realization that instructors should be given credit for lectures which, although similar in subject matter, are substantively different in content, the Board has amended this language to read "[a]n individual course or workshop may be credited to the instructor only once every 4 years." The Board is of the view that in a 4-year period, the course content of individual courses or workshops will be updated and revised to keep up with new and emerging issues as they develop in today's practice.

§ 41.59(f)(2). Definition of approved sponsor.

IRRC's final comment relates to the term "approved sponsor" as it appears in § 41.59(f)(2). IRRC correctly observed that the regulation allows a licensee to receive continuing education credit by teaching a workshop for an "approved sponsor," but, does not state who is considered to be an approved sponsor. IRRC therefore recommended that the Board clarify the regulation by defining who is considered to be an approved sponsor.

In its attempt to respond to this comment, the Board discovered that the terms "providers" and "sponsors" as they appear in § 41.59 are not used in their proper context. The Board's original intent was to approve sponsors of continuing education courses and programs—not providers. A sponsor is, in general terms, the person or organization that approves the provider of a continuing education course or program; a provider is generally the person who offers the course or program. The Board's regulation as adopted June 13, 1992 (22 Pa. B. 2982), has the Board approving providers when the intent (and current practice of the Board) is only to approve sponsors.

To correct this error and to respond to IRRC's concern, the Board has changed the word "providers" where it appears throughout § 41.59 to "sponsors." With this amendment, the regulation now reads correctly and responds to IRRC's suggestion by stating in paragraphs (3) and (4) who is considered to be an approved "sponsor."

Compliance with Executive Order 1996-1, Regulatory Review and Promulgation

The Board reviewed this rulemaking and considered its purpose and likely impact upon the public and the regulated population under the directives of Executive

Order 1996-1, Regulatory Review and Promulgation. The final-form regulation addresses a compelling public interest as described in this Preamble and otherwise complies with Executive Order 1996-1.

Fiscal Impact

The amendment should have no negative fiscal impact upon the Commonwealth, its political subdivisions or the general public.

Paperwork Requirements

The amendment should not result in additional paperwork requirements.

Statutory Authority

The amendment is adopted under the dual authority of sections 3.2(2) and 15 of the Professional Psychologists Practice Act (act) (63 P. S. §§ 1203.2(2) and 1215). Section 3.2(2) of the act empowers the Board to adopt and from time to time, revise rules and regulations as may be necessary to carry into effect the provisions of the act. Section 15 of the act authorizes the Board to require continuing education as a condition of biennial renewal.

Sunset Date

The Board continually monitors the effectiveness of its regulations through communications with the regulated population; accordingly, no sunset date has been set.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), the Board submitted a copy of the notice of proposed rulemaking, published at 26 Pa. B. 2819, to IRRC and the Chairpersons of the House Professional Licensure Committee and the Senate Consumer Protection and Professional Licensure Committee for review and comment. In compliance with section 5(b.1) of the Regulatory Review Act, the Board also provided IRRC and the Committees with copies of the comments received, as well as other documentation.

In preparing this final-form regulation, the Board has considered all comments received from IRRC and the public.

This final-form regulation was approved by the House Committee on October 22, 1997, and approved by the Senate Committee on October 28, 1997. IRRC met on November 6, 1997, and approved the regulation in accordance with section 5(c) of the Regulatory Review Act.

Contact Person

Further information may be obtained by contacting the State Board of Psychology, at P. O. Box 2649, Harrisburg, PA 17105-2649, (717) 783-7155.

Findings

The Board find that:

(1) Public notice of proposed rulemaking was given under sections 201 and 202 of the act of July 31, 1968 (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202) and the regulations promulgated thereunder at 1 Pa. Code §§ 7.1 and 7.2.

(2) A public comment period was provided as required by law and all comments were considered.

(3) This amendment does not enlarge the purpose of proposed rulemaking published at 26 Pa. B. 2819.

(4) This amendment is necessary and appropriate for administration and enforcement of the Board's authorizing statute.

Order

The Board, acting under its authorizing statute, orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 41, are amended by amending § 41.59 to read as set forth in Annex A.

(b) The Board shall submit this order and Annex A to the Office of General Counsel and to the Office of Attorney General as required by law.

(c) The Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall take effect December 1, 1997.

PATRICIA M. BRICKLIN, PH.D.,
Chairperson

(Editor's Note: For the text of the order of the Independent Regulatory Review Commission relating to this document, see 27 Pa. B. 6128 (November 22, 1997).)

Fiscal Note: Fiscal Note 16A-632 remains valid for the final adoption of the subject regulation.

Annex A

TITLE 49. PROFESSIONAL AND VOCATIONAL STANDARDS

PART I. DEPARTMENT OF STATE

Subpart A. PROFESSIONAL AND OCCUPATIONAL AFFAIRS

CHAPTER 41. STATE BOARD OF PSYCHOLOGY

MISCELLANEOUS

§ 41.59. Continuing education.

(a) *Definitions.* The following words and terms, when used in this section, have the following meanings, unless the context clearly indicates otherwise:

Biennium—The period from December 1 of an odd-numbered year to November 30 of the next odd-numbered year.

CEU—Continuing Education Unit—A unit for measuring contact hours of continuing education. One CEU equals 10 contact hours.

Contact hour—A unit of measure equaling 50 to 60 minutes of participation in an approved continuing education course or program.

(b) *Continuing education requirement for biennial renewal.* As a condition of biennial license renewal, a psychologist shall have completed during the preceding biennium a minimum of 30 contact hours (3 CEUs) of continuing education in acceptable courses, programs or activities which shall include at least 3 contact hours per biennium in ethical issues. Up to 10 contact hours in excess of 30 from the preceding biennium may be carried over from one biennium to the next.

(c) *Reports to the Board.* A psychologist shall certify to compliance with the contact hours requirement at the time of biennial renewal. A psychologist shall retain for at least two bienniums, certificates, transcripts or other documentation showing completion of the prescribed number of contact hours. These records are subject to audit by the Board.

(d) *Approved sponsors; acceptable courses and programs.*

(1) Courses and programs approved by Board-approved sponsors will be accepted as satisfying all or part of the continuing education requirement. It is the responsibility of the psychologist to ascertain the approval status of the sponsor before undertaking a continuing education activity.

(2) Irrespective of the sponsor, the Board reserves the right to reject a continuing education course/program submitted by a psychologist if it is outside the scope of practice of psychology or is otherwise unacceptable because of presentation or content. The Board will not accept courses/programs which are unrelated to the actual practice of psychology—for example, instruction in office management or practice building. A psychologist will be notified of a rejected course/program in writing, along with the reason for the rejection.

(3) The Board has approved the following sponsors:

(i) Accredited colleges or universities as long as the course/program corresponds to the scope of practice of psychology and generates semester/quarter hour credit.

(ii) The American Psychological Association (APA) and APA-approved sponsors.

(iii) Sponsors approved by the American Medical Association who meet the criteria of paragraph (4). Programs offered by these sponsors shall relate to the practice of psychology.

(4) The Board will consider for approval, on a biennial basis, National and regional professional associations which offer courses and programs for psychologists, and sponsors approved by these associations. An association seeking Board approval for itself or its sponsors shall submit an application to the Board. The applicant will be notified of approval or disapproval in writing. Notifications of disapproval will set forth reasons. The Board will not approve a sponsor unless it:

(i) Offers courses/programs with specific learning objectives.

(ii) Has a procedure for determining consumers' perceptions of the extent to which the objectives have been met.

(5) The Board may withdraw approval of a sponsor for cause. The sponsor will be notified in writing of the reasons for withdrawal of approval.

(e) *Home study.* A psychologist may accrue up to 15 of the required contact hours in home study courses offered by approved sponsors as long as the course has specific learning objectives and the sponsor evaluates the extent of learning that has taken place.

(f) *Instruction.*

(1) A psychologist may accrue up to 15 of the required contact hours by offering one of the following:

(i) A course in psychology for a regionally accredited college or university if the course generates semester/quarter hour credit.

(ii) A workshop for an approved sponsor.

(2) A clock hour of instruction equals 1 contact hour. An individual course or workshop may be credited to the instructor only once every 4 years. The hours of continuing education granted to a psychologist who participates

as a workshop instructor will be determined by dividing the number of continuing education hours granted for the workshop by the number of instructors participating in the workshop.

(g) *Professional writing.*

(1) A psychologist may accrue the equivalent of up to 10 of the required contact hours by writing one of the following:

(i) An article published in a journal abstracted in Psychlit.

(ii) A chapter, or more, in a text or trade book for psychologists published by a commercial publisher or a state or National psychological association.

(2) No more than 10 contact hour equivalents of professional writing may be granted for one article or chapter published during the preceding biennium. Ten hours per publication, divided by the number of authors, will result in the number of contact hours granted per person per publication.

(h) *Exemptions and prorations.*

(1) The Board will exempt from the continuing education requirement a psychologist who received a license within 2 years of the psychologist's first application for biennial renewal.

(2) A psychologist who is licensed under § 41.52 (relating to persons licensed in other states) shall comply with the continuing education requirement, but the psychologist's contact hours will be prorated on a quarterly basis from the date of licensure in this Commonwealth to the next biennial renewal date. Each quarter will consist of 3 months. Beginning with the quarter immediately following licensure in this Commonwealth, at least 3.75 contact hours (.375 CEU) shall be earned for each quarter.

(i) *Reinstatement of licensure.* Reinstatement of licensure shall be subject to the following conditions:

(1) A person whose license has lapsed or been inactive shall show compliance with the continuing education requirement during the biennium immediately preceding the request for reinstatement.

(2) A person whose license has been suspended or restricted shall show compliance with the continuing education requirement during the period of suspension or restriction.

(j) *Waivers.* A psychologist who cannot meet the continuing education requirement may apply to the Board in writing for a waiver. The request shall include a description of circumstances sufficient to show why compliance is impossible. Waiver requests will be evaluated by the Board on a case-by-case basis and will be approved or disapproved at its discretion.

(k) *Curing deficiencies.* A psychologist with a deficiency in contact hours may apply to the Board in writing for leave to make up the contact hours in arrears. The request shall include an explanation of why the deficiency occurred and a plan, along with the estimated time needed, for curing it. Requests will be evaluated by the Board on a case-by-case basis and will be approved or disapproved at its discretion.

Title 58—RECREATION

FISH AND BOAT COMMISSION

[58 PA. CODE CH. 51]

Administration

The Fish and Boat Commission (Commission) by this order amends Chapter 51 (relating to administrative provisions). The Commission is publishing these amendments under the authority of 30 Pa.C.S. (relating to Fish and Boat Code) (code). The amendments deal with adjustments to the royalty rates for merchantable sand and gravel extracted from Commonwealth waters.

A. Effective Date

These regulations will go into effect on January 1, 1998.

B. Contact Person

For further information on the regulations, contact Laurie E. Shepler, Assistant Counsel, (717) 657-4546, P. O. Box 67000, Harrisburg, PA 17106-7000. This final rulemaking is available electronically through the Commission's Web site (<http://www.fish.state.pa.us>).

C. Statutory Authority

The regulations are published under the statutory authority of section 503(c) of the Conservation and Natural Resources Act (CNRA) (71 P. S. § 1340.503(c)).

D. Purpose and Background

There are six companies that currently dredge material from the navigable waters of this Commonwealth and pay royalties under section 1808(d) of The Administrative Code of 1929 (71 P. S. § 468(d)). Royalties from sand and gravel extracted from Commonwealth waters are paid to the Fish Fund, which is administered under Chapter 5 of the code.

Current royalty rates for merchantable sand and gravel extracted from Commonwealth waters were set in 1970 at 10¢ per adjusted dry ton of 2,000 pounds, or alternatively, 15¢ per cubic yard based on 3,000 pounds per adjusted dry weight for usable and merchantable sand or gravel or other minerals extracted, but in any event an amount of not less than \$1,000 per year. When the royalty rates were established in 1970, the royalty payment of 10¢ per adjusted dry ton or 15¢ per cubic yard was about 6% of the selling price of the dredged material. Section 503(c) of the CNRA provides that the Commission may by regulation, with the concurrence of the Department of Environmental Protection (DEP), adjust the amount of the royalty payments per ton or cubic yard of usable or merchantable sand or gravel extracted from Commonwealth waters.

Last year, the Commission proposed regulations, with DEP's concurrence, that would increase the sand and gravel royalties to 6% of the average Free On Board (FOB) price of the material or 25¢ per dry ton/37.5¢ per cubic yard, whichever is greater (but not less than \$1,000 per year). A notice of proposed rulemaking containing the proposed changes was published at 26 Pa.B. 2792 (June 15, 1996). At its July 1996 meeting, the Commission deferred action on final rulemaking on the proposed changes to the royalty rates to permit staff further opportunities to meet with representatives of the industry and explore their views. Meetings were held and correspondence exchanged in the fall and winter of 1996. At the request of industry representatives, the Commission

deferred action on the sand and gravel royalty rates. The Commission, at its October 1997 meeting, adopted the amendments on final rulemaking, as described in greater detail under the summary of changes. The Commission is currently seeking DEP's concurrence with regard to the revised royalty schedule.

E. Summary of Changes

The Commission approved the following schedule for imposition of the new sand and gravel royalty rates:

a) 1998—15¢ per dry ton or 25¢ per cubic yard or \$1,000 (whichever is greater)

b) January 1, 1999 through June 30, 2000—20¢ per dry ton or 30¢ per cubic yard or \$1,000 (whichever is greater)

c) July 1, 2000 through December 31, 2001—25¢ per dry ton or 37.5¢ per cubic yard or \$1,000 (whichever is greater)

d) January 1, 2002 through December 31, 2002—30¢ per dry ton or 40¢ per cubic yard or \$1,000 (whichever is greater)

e) January 1, 2002 through December 31, 2010—30¢ per dry ton or 40¢ per cubic yard plus or minus an amount equal to the change in the producer price index (PPI) for sand and gravel from the base year (2002), provided that the rate per dry ton will never go lower than 25¢.

The duration of the period in which 25¢ per dry ton will be charged (July 2000 through December 2001) may be extended until completion of permitting and license processes. If this occurs, the commencement of the base year of 30¢ per dry ton will be delayed, and the Commission will undertake the necessary rulemaking at that time.

F. Fiscal Impact

The regulations adopted will have no adverse fiscal impact on the Commonwealth or its political subdivisions. The regulations, however, will impose new costs on the private sector. These costs will total approximately \$150,000 to \$400,000 per year for all businesses engaged in dredging.

G. Paperwork

The regulations adopted will not increase paperwork and will create no new paperwork requirements.

H. Public Involvement

A notice of proposed rulemaking containing the proposed changes was published at 26 Pa.B. 2792 (June 15, 1996). The notice of proposed rulemaking attracted no public comment except from representatives of the sand and gravel industry who indicated that they would be seeking a phased implementation of the new royalty rates.

Findings

The Commission finds that:

(1) Public notice of intention to adopt the regulations adopted by this order has been given under sections 201 and 202 of the act of July 31, 1968 (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202) and the regulations promulgated thereunder 1 Pa. Code §§ 7.1 and 7.2.

(2) A public comment period was provided and that all comments received were considered.

(3) The adoption of the regulations of the Commission in the manner provided in this order is necessary and appropriate for administration and enforcement of the authorizing statutes.

Order

The Commission, acting under the authorizing statutes, orders that:

(a) The regulations of the Commission, 58 Pa. Code Chapter 51, are amended by adding §§ 51.91 and 51.92 to read as set forth in Annex A.

(b) The Executive Director will submit this order and Annex A to the Office of Attorney General for approval as to legality as required by law.

(c) The Executive Director shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall take effect immediately upon publication in the *Pennsylvania Bulletin*.

PETER A. COLANGELO,
Executive Director

Fiscal Note: Fiscal Note 48A-56 remains valid for the final adoption of the subject regulations.

TITLE 58. RECREATION

PART II. FISH AND BOAT COMMISSION

Subpart A. GENERAL PROVISIONS

CHAPTER 51. ADMINISTRATIVE PROVISIONS

Subchapter J. ROYALTIES FOR SAND AND GRAVEL PERMITS

§ 51.91. Authority.

Under section 503(c) of the Conservation and Natural Resources Act (71 P.S. § 1340.503(c)), the Commission with the concurrence of the Department of Environmental

Protection, is authorized to adjust the amount of royalty payments per ton or cubic yard of usable or merchantable, or both, sand or gravel, or both, extracted from Commonwealth waters.

§ 51.92. Royalty rates.

Persons holding permits granting them nonexclusive rights and privileges of dredging, excavating, removing and carrying away merchantable sand and gravel under agreements between the permittees and the Department of Environmental Protection shall pay royalties in accordance with the following schedule:

(1) During the period, January 1 through December 31, 1998—15¢ per dry ton or 25¢ per cubic yard; or \$1,000, whichever is greater.

(2) During the period, January 1, 1999 through June 30, 2000—20¢ per dry ton or 30¢ per cubic yard; or \$1,000, whichever is greater.

(3) During the period, July 1, 2000 through December 31, 2001—25¢ per dry ton or 37.5¢ per cubic yard; or \$1,000, whichever is greater.

(4) During the period, January 1, 2002 through December 31, 2002—30¢ per dry ton or 40¢ per cubic yard; or \$1,000, whichever is greater.

(5) During the period, January 1, 2002 through December 31, 2010—30¢ per dry ton or 40¢ per cubic yard plus or minus an amount equal to the change in the producer price index (PPI) for sand and gravel from the base year (2002), provided that the rate per dry ton may not be less than 25¢.

PROPOSED RULEMAKING

DEPARTMENT OF REVENUE

[61 PA. CODE CH. 31]

Sales and Use Tax; Books, Publications and Advertising Materials

The Department of Revenue (Revenue), under authority contained in section 270 of the Tax Reform Code of 1971 (TRC) (72 P. S. § 7270), proposes to amend § 31.29 (relating to books, printed matter and advertising materials) to read as set forth in Annex A.

Purpose of Amendment

The Department is proposing to amend § 31.29 to bring the section into conformity with recent statutory changes and to reflect the Department's current policy.

In March 1993, the Department adopted amendments to § 31.29 that deleted language that was in conflict with recent statutory changes. The deletion included the removal of the definition of "advertising insert" and "periodical" and the listing of advertising insert and periodical as items exempt from tax.

Explanation of Regulatory Requirement

The Department is now proposing to amend subsection (a) by adding definitions of "advertising insert" and "newspaper" consistent with the statutory changes made in section 204(30) of the TRC (72 P. S. § 7204(30)). The definition of "direct mail advertising literature or materials" is amended to clarify the Department's interpretation of what constitutes direct mail advertising literature or materials. In addition, a list of items has been added that provides examples of what the term includes and does not include.

Consistent with section 204(50) of the TRC, the Department is proposing to add a definition of "magazine." The Department is proposing to add the definitions of "advertising literature or materials," "circulated among the general public," "mail order catalogue" and "subscription" to fill a void that currently exists in the regulation regarding these areas. Definitions for "publication," "religious publication" and "shopping guide" are also proposed to be added to subsection (a) because of questions the Department received in these areas.

Subsection (b)(2) provides a listing of items exempt from tax when sold at retail. Subparagraph (i) that listed bibles, is proposed to be amended to further explain the term "bible." Subparagraph (ii) that provides for religious publications is proposed to be amended by adding language requiring the religious publication to be sold by the religious organization and the religious organization to receive payment of the full purchase price. Subparagraph (iii) that provides for mail order catalogues is proposed to be amended by adding examples of items subject to and exempt from tax. A new subparagraph (iv) is proposed to be added that provides for direct mail advertising literature or materials and sets forth examples of items subject to and exempt from tax. Subparagraph (vi) is proposed to be added and provides for newspapers. Subparagraph (vii) is proposed to be added and provides for magazines sold by subscription. The exemption applies to subscriptions purchased on or after July 1, 1994. A new subparagraph

(viii) provides for advertising inserts and sets forth an example of an item subject to and exempt from tax.

Fiscal Impact

The Department has determined that the proposed amendment will result in a minimal loss of revenue for the Commonwealth.

Paperwork

The proposed amendment will not generate significant additional paperwork for the public or the Commonwealth.

Effectiveness/Sunset Date

The proposed amendment will become effective upon final publication in the *Pennsylvania Bulletin*. The proposed amendment is scheduled for review within 5 years of final publication. No sunset date has been assigned.

Contact Person

Interested persons are invited to submit in writing any comments, suggestions or objections regarding the proposed amendment to Anita M. Doucette, Office of Chief Counsel, Department of Revenue, Dept. 281061, Harrisburg, PA 17128-1061, within 30 days of the date of the publication of this notice in the *Pennsylvania Bulletin*.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on December 9, 1997, the Department submitted a copy of this proposed amendment to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House Committee on Finance and the Senate Committee on Finance. In addition to submitting the proposed amendment, the Department has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the Department in compliance with Executive Order 1996-1, "Regulatory Review and Promulgation." A copy of this material is available to the public upon request.

If IRRC has objections to any portion of the proposed amendment, it will notify the Department within 10 days of the close of the Committees' review period. The notification shall specify the regulatory review criteria that have not been met by the portion of the proposed amendment to which an objection has been made. The Regulatory Review Act specifies detailed procedures for review of objections raised, prior to final publication of the regulation, by the Department, the General Assembly and the Governor.

ROBERT A. JUDGE, Sr.,
Secretary

Fiscal Note: 15-353. (1) General Fund; (2) Implementing Year 1997-98 is \$Minimal Revenue Loss; (3) 1st Succeeding Year 1998-99 is \$Minimal Revenue Loss; 2nd Succeeding Year 1999-00 is \$Minimal Revenue Loss; 3rd Succeeding Year 2000-01 is \$Minimal Revenue Loss; 4th Succeeding Year 2001-02 is \$Minimal Revenue Loss; 5th Succeeding Year 2002-03 is \$Minimal Revenue Loss; (4) Fiscal Year 1995-96 \$ Nonapplicable; Fiscal Year 1994-95 \$; Fiscal Year 1993-94 \$; (8) recommends adoption. This proposed amendment may result in a minimal loss of revenue because printing charges for investment prospectuses and corporate annual reports sent to brokerage houses or prospective stock purchasers will be exempt from taxation.

(B) Is devoted to literature, the sciences, art or some special industry.

Mail order catalogue—A publication that contains a printed enumeration of items with descriptive details and includes a mail order form. A mail order catalogue need not be distributed through the United States Postal Service.

Newspaper—A “legal newspaper” or a publication containing matters of general interest and reports

of current events that qualifies as a “newspaper of general circulation” authorized to carry a “legal advertisement” as those terms are defined in 45 Pa.C.S. § 101 (relating to legal notices). The term does not include magazines.

Publication—Information transferred by means of paper and ink or electronic media. Examples include printed matter; books; corporate annual reports; stock prospectuses; proxy materials; shopping guides; magazines; tabloid newspapers; printed material which may supplement, explain, amend, revise or otherwise alter, expand or render current a loose leaf information service, or a book or bound volumes of books previously issued, including a supplement or pocket part, whether the additional material is periodically distributed or purchased independently of the basic book to which it is applicable; video and audio tapes; computer disks and similar items, including advertising inserts incorporated into the publication.

Religious organization—An organization defined under § 32.1 (relating to definitions), which is registered with and holds [an] a current and valid exemption number issued by the Department under § 32.21 (relating to charitable, volunteer firemen's and religious organizations, and nonprofit educational institutions).

Religious publication—Religious commentaries and other publications primarily devoted to religious instruction, promotion or information.

Shopping guide—A publication primarily devoted to consumer awareness, promotion or information and which is provided to a consumer free of charge.

Subscription—The purchase in advance of a series of issues of a magazine delivered by the publisher to an address designated by the purchaser. The term also includes a series of magazines provided by an organization to its members in consideration of the payment of membership dues, if the magazine is also sold on subscription or by individual copy to the public. The term does not include a purchase of an issue or series of issues of a magazine from a retail outlet.

Textbook—A publication [which is required] used in conjunction with educational curriculum by an educational institution[, recognized] approved by the Department of Education[, for use by its students in conjunction with its educational curriculum and which is exempt under § 58.9 (relating to school textbook exemption)].

(b) *Scope.*

(1) [The] Except as otherwise provided in this subsection, the sale at retail or use of [all books, printed matter] publications, advertising inserts and advertising literature or materials[,] is subject to tax when delivered to a location within this Commonwealth.

(2) The sale at retail or use of the following items is exempt from tax:

[(1) *Bibles*] (i) Bibles, or similar texts, whether printed or transferred in any format, provided the product is a verbatim transcription of the text.

[(2) *Religious publications.* Religious commentaries and other religious publications primarily

devoted to religious instruction, promotion or information are exempt from tax when sold by a religious organization.] (ii) *Religious publications sold by a religious organization.* The mere approval or sanction of publications by a religious organization does not [render the sale of] qualify the publications as religious publications exempt from tax [, if they are otherwise taxable. The payment of a royalty or license fee by a seller to a religious organization does not constitute the seller an agent of the religious organization.] To constitute an exempt sale, the religious organization shall sell the religious publication and receive payment of the full purchase price [for the publications, less a reasonable commission to its agent, if any].

PART II. EXECUTIVE BOARD

[4 PA. CODE CH. 9]

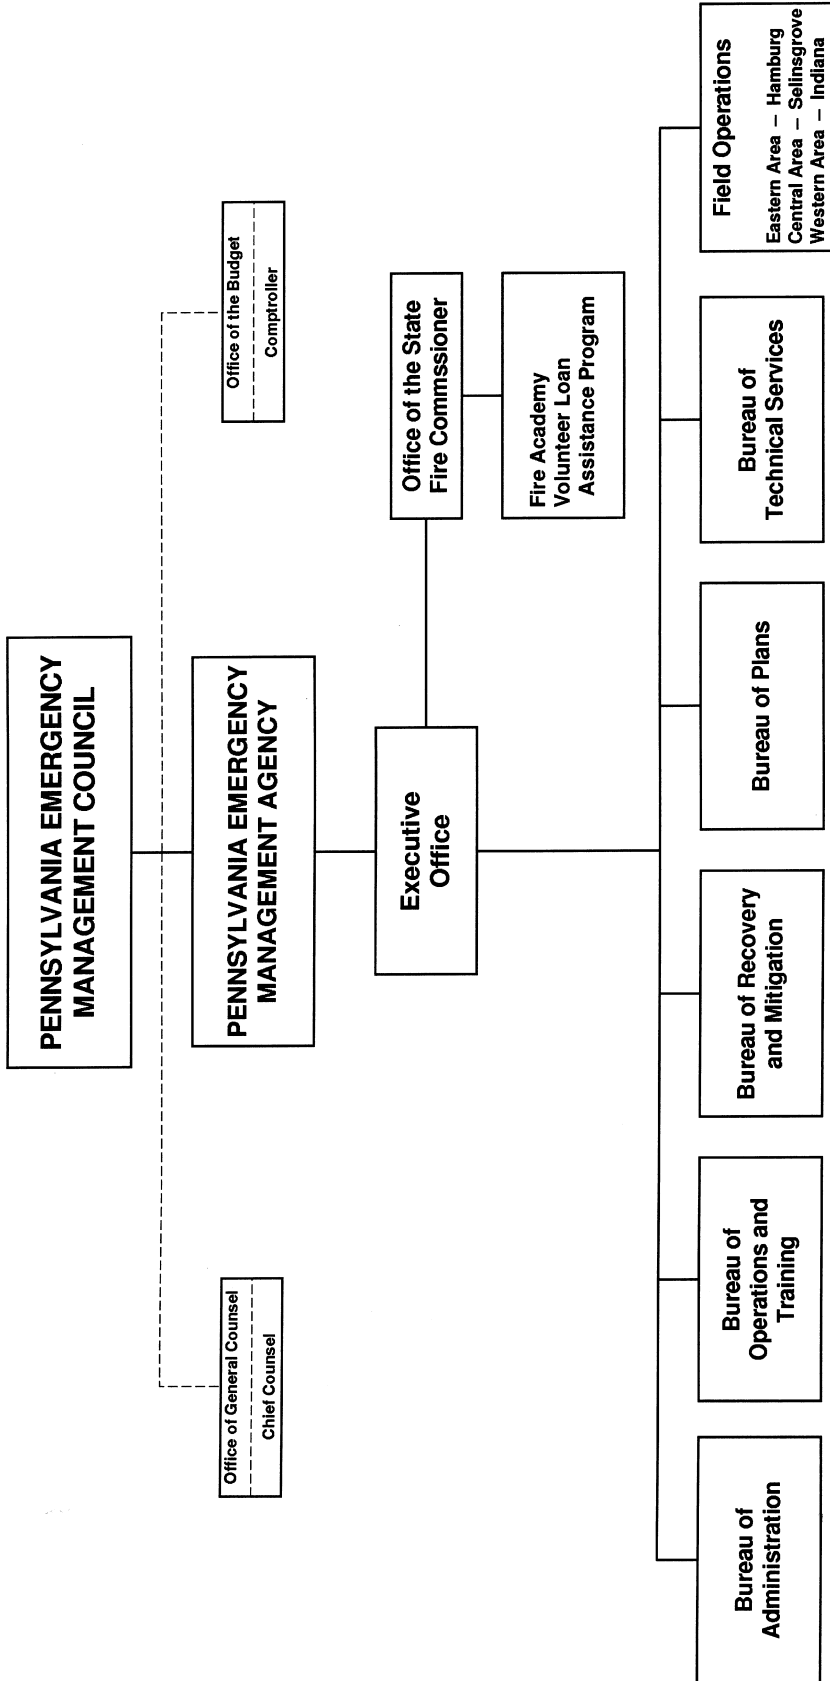

Reorganization of the Pennsylvania Emergency Management Agency

The Executive Board approved a reorganization of the Pennsylvania Emergency Management Agency effective December 1, 1997.

The following organization chart at 27 Pa.B. 6576 (December 19, 1997) is published at the request of the Joint Committee on Documents under 1 Pa. Code § 3.1(a)(9) (relating to contents of Code).

(Editor's Note: The Joint Committee on Documents has found organization charts to be general and permanent in nature. This document meets the criteria of 45 Pa.C.S. § 702(7) as a document general and permanent in nature which shall be codified in the Pennsylvania Code.)

Title 61—REVENUE

DEPARTMENT OF REVENUE

[61 PA. CODE CH. 60]

Telecommunications Service

The Department of Revenue has amended a statement of policy under the authority contained in § 3.2 (relating to statements of policy) regarding telecommunications services, to read as set forth in Annex A.

This statement of policy amends § 60.20 (relating to telecommunications service) and applies retroactively to October 18, 1997.

When the Department published its statement of policy at 27 Pa.B. 5432 (October 18, 1997) relating to telecommunications services, it provided in § 60.20(b)(1) that effective October 1, 1991, the sale at retail or use of an international or interstate telecommunications service charged to a service address in this Commonwealth or an intraState telecommunications service is subject to tax. However, the Department failed to specify in subsection (d)(8) that the exemption for a telephone call paid for by inserting money into a telephone that accepts a direct deposit of money to operate is effective July 1, 1995. Therefore, subsection (d)(8) is amended to incorporate the effective date.

Specific questions relating to information provided in this statement of policy may be directed to the Department of Revenue, Office of Chief Counsel, Dept. 281061, Harrisburg, PA 17128-1061.

ROBERT A. JUDGE, Sr.,
Secretary

(Editor's Note: The regulations of the Department are amended by amending § 60.20 to read as set forth in Annex A, with ellipses referring to the existing text of the statement of policy.)

Fiscal Note: 15-399. No fiscal impact; (8) recommends adoption.

DEPARTMENT OF EDUCATION

Professional Standards and Practices Commission; Application of Anthony P. Gabriel for Reinstatement of Teaching Certificate; Doc. No. RE 95-01

Under the Teacher Certification Law (24 P. S. §§ 2070.1—2070.18), the Professional Standards and Practices Commission (Commission) has initiated hearing procedures to consider the application of Anthony P. Gabriel for reinstatement of his teaching certificate.

On or about May 18, 1995, Anthony Gabriel filed an application for reinstatement of his teaching certificate under section 16 of the Teacher Certification Law (24 P. S. § 2070.16), 1 Pa. Code §§ 35.1 and 35.2 (relating to applications generally; and contents of applications) and 22 Pa. Code § 233.14 (relating to reinstatement). Under section 16 of the Teacher Certification Law, the Department of Education (Department) on December 2, 1997, wrote to the Commission indicating that it opposes Anthony Gabriel's reinstatement. On this same date the Department filed with the Commission a Motion to Dismiss this matter without assignment to a Hearing Officer and without an evidentiary hearing. In accordance with the Law, and 1 Pa. Code Part II (relating to General Rules of Administrative Practice and Procedure), the

Commission could appoint a hearing examiner to serve as presiding officer to conduct the proceedings and hearings as might be necessary, and to prepare a proposed report to the Commission containing findings of fact, conclusions of law and a recommended decision on the application.

An interested party desiring to participate in these hearing procedures, if held, must file a notice of intervention or a petition to intervene under 1 Pa. Code §§ 35.27—35.32 within 30 days of publication of this notice in the *Pennsylvania Bulletin*. Persons objecting to the approval of the application may also, within 30 days of publication of this notice in the *Pennsylvania Bulletin*, file a protest in accordance with 1 Pa. Code § 35.23 (relating to protest generally).

Notices and petitions to intervene and protest shall be filed with Dr. Warren D. Evans, Executive Director of the Professional Standards and Practices Commission, at 333 Market Street, Harrisburg, PA 17126-0333, on or before 4 p.m. on the due date prescribed by this notice. Persons with a disability who wish to attend the hearings and require an auxiliary aid, service or other accommodation to participate, should contact Suzanne B. Markowicz at (717) 787-6576 to discuss how the Commission may best accommodate their needs.

Applications, Actions and Special Notices

APPLICATIONS

APPLICATIONS RECEIVED UNDER THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

[National Pollution Discharge Elimination System Program (NPDES)]

DISCHARGE OF CONTROLLED INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

(Part I Permits)

The following parties have applied for an NPDES permit to discharge controlled wastewaters into the surface waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions. These proposed determinations are tentative.

Where indicated, the EPA, Region III, Regional Administrator have waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.6E.

Persons wishing to comment on the proposed permit are invited to submit a statement to the office noted above the application within 30 days from the date of this public notice. Comments received within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant.

Following the 30-day comment period, the Water Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, proposed effluent limitations and special conditions, comments received and other information are on file and may be inspected and arrangements made for copying at the office indicated above the application.

PA 0008907. Industrial waste, SIC: 3079, **HPG International, Inc.**, Oakhill Road, Crestwood Industrial Park, Mountain Top, PA 18707.

This proposed action is for renewal of an NPDES permit to discharge treated process wastewater, cooling water and stormwater into Watering Run Creek in Wright Township, **Luzerne County**.

The receiving stream is classified for the following uses: cold water fishery, aquatic life, water supply and recreation.

For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing downstream potable water supply (PWS) considered during the evaluation is the Danville Water Authority located on the Susquehanna River.

The proposed effluent limits for Outfall 001 based on a design flow of .014 mgd are:

<i>Parameter</i>	<i>Daily Maximum (mg/l)</i>
BOD ₅	9.40
Oil and Grease	10.50
Total Suspended Solids	7.0
pH	6.0—9.0 at all times

The EPA waiver is in effect.

PA 0063061. Industrial waste, SIC: 4941, **Ashland Area Municipal Authority**, 501 North Chestnut Street, Ashland, PA 17921.

This proposed action is for renewal of an NPDES permit to discharge treated process wastewater into unnamed tributary to Little Mahanoy Creek in Butler Township, **Schuylkill County**.

The receiving stream is classified for the following uses: high quality cold water fishery, aquatic life, water supply and recreation.

The proposed effluent limits for Outfall 001 based on a design flow of 0.019 mgd are:

<i>Parameter</i>	<i>Monthly Average (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Total Suspended Solids	30.0	60.0
Total Iron	2.0	4.0
Total Aluminum	4.0	8.0

Applications under the Pennsylvania Clean Streams Law

(Part II Permits)

The following permit applications and requests for plan approval have been received by the Department of Environmental Protection (Department). Persons objecting on the grounds of public or private interest to the approval of an application or submitted plan may file a written protest with the Department at the address indicated above each permit application or plan. Each written protest should contain the following: name, address and telephone number; identification of the plan or application to which the protest is addressed and a concise statement in sufficient detail to inform the Department of the exact basis of the protest and the relevant facts upon which it is based. The Department may conduct a fact-finding hearing or an informal conference in response to any given protest. Each writer will be notified in writing of the time and place if a hearing or conference concerning the plan, action or application to which the protest relates is held. To insure consideration by the Department prior to final action on permit applications and proposed plans, initial protests and additions or amendments to protests already filed should be filed within 15 calendar days from the date of this issue of the *Pennsyl-*

vania Bulletin. A copy of each permit application and proposed plan is on file in the office indicated and is open to public inspection.

INDIVIDUAL PERMITS

(PAS)

The following parties have applied for an NPDES permit to discharge stormwater from a proposed construction activity into the surface waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain limitations set forth in the permit and special conditions. These proposed determinations are tentative. Limitations are provided in the permit as erosion and sedimentation control measures and facilities which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the office noted above the application within 30 days from the date of this public notice. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant.

Following the 30-day comment period, the Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealable to the Environmental Hearing Board.

The application and related documents, including the erosion and sedimentation control plan for the construction activity, are on file and may be inspected at the office noted above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 1

Acknowledgment of Notices of Intent to Remediate submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 302 and 303 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate identifies a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the background or Statewide health standard to remediate a site must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department must provide a brief description of the location of the site, a list of known contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of the cleanup standards identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department and shall not be subject

to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

For further information concerning the content of a Notice of Intent to Remediate, please contact the Department's Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

Northeast Regional Field Office, Joseph A. Brogna, Regional Environmental Cleanup Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, (717) 826-2511.

Pennsylvania Power & Light Company (PP&L)—Retired South Catasauqua Substation, North Catasauqua Borough, **Northampton County**. PP&L, Environmental Management Division, 2 North Ninth Street, Allentown, PA 18101 has submitted a Notice of Intent to Remediate concerning the remediation of site soils found to be contaminated with PCBs (polychlorinated biphenyls). The applicant proposes to remediate the site to meet the Statewide human health standard.

Northwest Regional Office: Craig Lobins, Acting Environmental Cleanup Program Manager, 230 Chestnut Street, Meadville, PA 16335, (814) 332-6648.

Saxonburg Sinter Plant, Victory Rd., Saxonburg, PA, **Butler County**, Clinton Twp., has submitted a Notice of Intent to Remediate Soil and Groundwater. The site has been found to be contaminated with Lead, Heavy Metals, BTEX and PHCs. The applicant proposes to remediate the site to meet the Statewide Health Standard. The Notice of Intent to Remediate will be published in the *Butler Eagle* on or about December 7, 1997.

MINING

APPLICATIONS TO CONDUCT COAL AND NONCOAL ACTIVITIES

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to such applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District mining office indicated above each application. Where a 401 water quality certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for such certification.

Written comments or objections, or requests for informal conferences on applications, may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public notices of filing of permit applications, opportunity for comment, and informal conferences).

Where any of the mining activities listed below will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining

activity permits issued in response to these applications. The NPDES permits will contain, at a minimum, technology-based effluent limitations (as described in the Department's regulations—25 Pa. Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52 and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity and pH. In addition to the above, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit when necessary for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the above-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

Ebensburg District Office, 437 South Center Street, P. O. Box 625, Ebensburg, PA 15931-0625.

Coal Applications Received

56663069. Action Mining, Inc. (1117 Shaw Mines Road, Meyersdale, PA 15552-7228) for an SMP boundary to add 14.2 acres to the eastern portion of this existing bituminous strip mine. Total SMP acres goes from 3,095.8 to 3110.0. Also, to include road variances within 100 feet of Township Routes T-825, T-403 and T-404 and a stream variance with 100 feet of an unnamed tributary to Casselman River in Elk Lick and Summit Townships, **Somerset County**, receiving streams unnamed tributaries of/and to the Casselman River; unnamed tributaries of and to Elk Lick Creek. Application received December 5, 1997.

Knox District Office, P. O. Box 669, Knox, PA 16232.

102327-24900103-E-2. Energy Resources, Inc. (P. O. Box 259, Brockway, PA 15824), revision to an existing bituminous surface strip operation in Fox Township, **Elk County** affecting 367.0 acres. Revision to include a stream encroachment to construct a temporary stream crossing across Boderocco Run for the purpose of access to the mine site. Application received December 3, 1997.

APPLICATIONS RECEIVED UNDER SECTION 401: FEDERAL WATER POLLUTION CONTROL ACT

ENCROACHMENTS

The following Dam Safety and Encroachment permit applications, requests for Environmental Assessment approval and requests for water quality certification have been received by the Department of Environmental Protection (Department).

In addition to permit applications, the Bureau of Dams, Waterways and Wetlands (BDWW) and the Regional Office Soils and Waterways Sections have assumed primary responsibility for processing requests for certification under Section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)), for projects requiring both a Dam Safety and Encroachments Permits, and a United States Army Corps of Engineers (ACOE) permit. Section 401(a) of the Federal Water Pollution Control Act requires the State to certify that the involved projects will not violate the applicable provision of 33 U.S.C.A. §§ 1301—1303, 1306 and 1307, as well as relevant State requirements. Initial requests for 401 Certification will be published concurrently with the BDWW permit application. Persons objecting to approval of a request for certification under Section 401 or to the issuance of a Dam Safety or Encroachment Permit, or the approval of Environmental Assessments must submit comments, suggestions or objections within 30 days of the date of this notice as well as any questions to the Bureau or Field Office indicated as the responsible office.

Applications filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and requests for certification under section 401 of the Federal Water Pollution Control Act.

SEWAGE FACILITIES ACT

PLAN APPROVAL

Plan approval granted under the Pennsylvania Sewage Facilities Act (35 P. S. §§ 750.1—750.20).

Northcentral Regional Office: Department of Environmental Protection, Water Management Program Manager, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448, (717) 327-0530.

Location: Franklin Township, Snyder County.

*Project Description: An Act 537 Update revision has been approved for the **Kissimmee Area of Franklin Township**. The plan calls for the construction of a new gravity wastewater collection system and a new 20,000 gallon per day sewage treatment plant to replace the failing septic systems currently serving developed properties in the Village of Kissimmee. Discharge of the treated effluent will be to an unnamed tributary of Middle Creek.*

The Department's review of the sewage facilities update revision has not identified any significant negative environmental impacts resulting from this proposal.

HAZARDOUS SITES CLEAN-UP

Under the Act of October 18, 1988

Submission deadline for certified host municipality inspector reimbursement applications under section 1102 of the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. § 4000.1102) and section 304 of the Hazardous Sites Cleanup Act (35 P. S. § 6020.304).

The Department of Environmental Protection (Department) announces the submission deadline for 1997 Host Municipality Inspector Program Reimbursement Applications as March 31, 1998. Reimbursements are available to municipalities under the Municipal Waste Planning, Recycling and Waste Reduction Act (Act 101) and the Hazardous Sites Cleanup Act (Act 108). Municipalities include cities, boroughs, incorporated towns, townships and home rule municipalities.

All reimbursements are allocated from the Recycling Fund authorized under Act 101 for municipal waste facilities or from the Hazardous Sites Cleanup Fund under Act 108 for hazardous waste facilities. Reimbursements are available to any municipality which has a municipal waste landfill, resource recovery or commercial hazardous waste storage, treatment and disposal facilities located within its geographic borders. Upon application from any host municipality, the Department shall award reimbursements for authorized costs incurred for the salary and expenses of up to two certified Host Municipality Inspectors. The reimbursement shall not exceed 50% of the approved costs of salaries and expenses. Reimbursement is available only for Host Municipality Inspectors trained and certified by the Department.

The application for reimbursement contains tables for specifying the itemized expenses for certified inspectors and for calculating the total reimbursement request. Complete instructions are included with the application, which is being distributed to all municipalities that have participated in the program. If a municipality does not receive but requires an application, or if there are any questions about this program, contact David Harris, Program Development Section, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Rachel Carson State Office Building, P. O. Box 8471, Harrisburg, PA 17105-8471, (717) 787-9870.

The deadline for submitting applications is 4 p.m. on March 31, 1998. Applications received by the Department after the deadline will not be considered.

Proposed Consent Order and Agreement

Oliver Site Waterford Township, Erie County

Under section 1113 of the Hazardous Sites Cleanup Act (35 P. S. § 6020.1113), the Department of Environmental Protection (Department) has entered into a consent order and agreement with Waste Management of Pennsylvania, Inc. (WMPa) concerning the Oliver Site located in Waterford Township, Erie County.

In the past, wastes containing hazardous substances were disposed at the Oliver Site, and these substances have contaminated the environment at the Site. The Department has incurred more than \$1 million in past

costs, and the Department estimates that it will cost approximately \$3 million more to cleanup the Site. Some of the cleanup has already been completed by responsible persons for the Oliver Site under the direction of the Department. This consent order and agreement concerns the work to be done by WMPa to finish the cleanup of the Oliver Site.

Specifically, WMPa shall properly close the old landfill at the Site, and shall construct (in cooperation with the Waterford Recreation Association) softball and baseball fields at the Site. WMPa shall also monitor the contaminated groundwater beneath the Oliver Site.

The specific terms of this agreement are set forth in the consent order and agreement between the Department and WMPa. The Department will receive and consider comments on this agreement for 60 days from the date of this Public Notice. The Department may withdraw its consent if the comments disclose facts or considerations which indicate that this agreement is inappropriate, inadequate, or not in the public interest. This consent order and agreement will become final upon the Department filing its responses to any significant comments to the agreement.

Comments on the consent order and agreement may be submitted, in writing, to Robert J. Kimball, Project Manager, Department of Environmental Protection, Hazardous Sites Cleanup, 230 Chestnut Street, Meadville, PA 16335-3481. Copies of the consent order and agreement and further information may be obtained by contacting Robert Kimball at (814) 332-6648. TDD users may contact the Department through the Pennsylvania Relay Service at (800) 645-5984.

Proposed Settlement under the Hazardous Sites Cleanup Act

Crown Recycling and Recovery, Inc. Lackawaxen Township, Pike County

The Department of Environmental Protection (Department), under the authority of the Hazardous Sites Cleanup Act (35 P. S. §§ 6020.101—6020.1304) (HSCA), has entered into a partial settlement regarding the Crown Recycling & Recovery, Inc. State Superfund Site (site). The site is located near the small rural town of Bohemia on an unpaved road known as Blue Stone Drive in the Huggy Bear Lake Development, Lackawaxen Township, Pike County.

Investigations have revealed the presence of polychlorinated biphenyls, heavy metals and tetrachlorodibenzo dioxin in onsite ash and soils. Tetrachloroethylene has been detected in groundwater beneath the site. To date, the Department has conducted a Remedial Investigation, a Feasibility Study and a Risk Assessment for the site. During the course of two interim responses the Department has erected a fence around the site, removed lead contaminated ash, installed monitoring wells, and installed carbon absorption water treatment units in residences whose well water have become impacted by site related contaminants. During the first phase of the remedial response, all municipal and residual waste, as well as all scrap metal, was removed and disposed of or recycled. The second phase of the remedial response, which involves the removal of all remaining contaminated ash and soil from the site, is scheduled to begin in the Spring of 1998.

The partial settlement referenced above would resolve certain potential claims of the Department solely against Wire Recycling, Inc. (Wire), for reimbursement of re-

sponse costs incurred by the Department in addressing the release or threat of release of hazardous substances at the site. The claims originated under the authority of the Hazardous Sites Cleanup Act (35 P. S. §§ 6020.101—6020.1304). The settlement would require Wire to pay the Department \$15,000, within 7 business days following the execution of the Partial Consent Adjudication.

This notice is provided under section 1113 of HSCA (35 P. S. § 6020.1113). Section 1113 of HSCA provides that the settlement shall become final upon the filing of the Department's response to significant written comments. The Partial Consent Adjudication which contains the specific terms of the settlement, is available for public review and comment. The Partial Consent Adjudication can be examined from 8 a.m. to 4 p.m. Monday through Friday at the Department's Northeast Regional Office located at 2 Public Square, Wilkes-Barre, PA 18711, by contacting Woodrow Cole at (717) 826-2511 or through the PA AT&T Relay Service at (800) 654-5984 (TDD). A public comment period on the Partial Consent Adjudication will extend for 60 days from today's date. Persons may submit written comments regarding the Partial Consent Adjudication to the Department by February 18, 1998, by submitting them to Woodrow Cole at the above address.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 3

The following final reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6029.908).

Provisions of Chapter 3 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of submission of any final reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed, and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected.

For further information concerning the final report, please contact the Environmental Cleanup Program in the Department Regional Office under which the notice of receipt of a final report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

The Department has received the following final reports.

Persons interested in reviewing the permit may contact the General Permits and Beneficial Use Section, Division of Municipal and Residual Waste, P. O. Box 8472, Harrisburg, PA 17105-8472.

General Permit WMGR056; Used Oil Filter Transfer. A permit for the operation of transfer facilities for the processing of used oil filters prior to beneficial use. The approved processing is limited to collection, bulking and storage of used oil filters generated by individuals through the maintenance of their personal vehicles. This Statewide general permit only applies to facilities operating as transfer facilities that collect used oil under permit-by-rule [25 Pa. Code § 287.102(d)]. The permit was issued by Central Office on December 3, 1997.

Under the terms and conditions of the general permit, persons who are approved to collect, bulk and store used oil filters generated by individuals through the maintenance of their personal vehicles at transfer facilities that collect used oil under permit-by-rule [25 Pa. Code § 287.102(d)] are required to: visually inspect incoming filters, meet specified minimal storage requirements, and keep records of the destination facility where the used oil filters are beneficially used or otherwise prepared for beneficial use.

Persons requesting approval to operate under the terms of the general permit will be required to register with the Department's Bureau of Land Recycling and Waste Management, Division of Waste Municipal and Residual Waste. The following minimum information will be required in order to register:

- a. Name, address and telephone number of registrant.
- b. Name, address and telephone number of the owner of the property where the processing will take place or a responsible corporate officer.
- c. Location of transfer facility.
- d. Statement that registrant will operate under terms of permit.
- e. Proof of notification to host municipality and county.
- f. Description of used oil filter collection, storage and beneficial use.
- g. Description of procedure used to control and clean up spills.

Persons interested in reviewing the permit may contact the General Permits and Beneficial Use Section, Division of Municipal and Residual Waste, P. O. Box 8472, Harrisburg, PA 17105-8472, or the Waste Management Program at any of the Department's Regional Offices.

ACTIONS TAKEN UNDER SECTION 401: FEDERAL WATER POLLUTION CONTROL ACT

ENCROACHMENTS

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications, requests for Environmental Assessment Approval, and requests for Water Quality Certification under Section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).

Any person aggrieved by this action may appeal, under Section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board, telephone (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

Actions on applications filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and sections 5 and 402 of The Clean Streams Law (35 P. S. §§ 691.5 and 691.402) and notice of final action for certification under Section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)). (Note: Permits issued for Small Projects do not include 401 Certification, unless specifically stated in the description.)

SPECIAL NOTICES

Submission Date for Grant Applications under the Solid Waste-Resource Recovery Development Act

The Department of Environmental Protection (Department) announces that it is accepting Resource Recovery Demonstration Grant applications from counties, municipalities and municipal authorities within Pennsylvania under the Pennsylvania Solid Waste-Resource Recovery Development Act (Act 198). Projects must be capable of demonstrating, for a minimum of 2 years, the production of energy or the recovery of materials from solid waste (except sewage sludge). Grant applications must meet the terms and conditions established in Chapter 76 of the Department's regulations adopted under Act 198.

Priority in selecting successful applicants during this application solicitation will be given to unique and innovative resource recovery projects not previously demonstrated or currently being demonstrated in Pennsylvania. Priority in selecting successful applicants during this application solicitation will also be given to unique and innovative resource recovery demonstration projects involving regional cooperative projects involving more than one county or municipality. Other types of resource recovery projects may also be considered. All projects must be capable of being replicated in other areas of Pennsylvania.

All applicants must provide a business plan and market commitments for energy or materials produced by the demonstration project. All projects should be capable of reaching full scale production within 12 months of notice of a grant award.

A lead municipality or county serving as the development agency for regional projects must have resolutions from other participating counties or municipalities in support of the project. Counties and municipalities may sponsor cooperative projects with private sector entities provided that a minimum of 5% equity in the project is maintained by the development agency for the term of the demonstration period.

The deadline for submission of grant applications is 3 p.m., February 26, 1998. Applications must be on forms provided by the Department. Applications received by the Department or post marked after the deadline will not be considered during this application solicitation.

Counties and municipalities must contact the appropriate DEP Planning and Recycling Coordinator listed below to obtain a grant application. A pre-application conference with the DEP Regional Planning and Recycling Coordinator is required. Inquiries concerning this notice should be directed to Carl Hursh, Chief, Recycling and Markets, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Division of Waste Minimization and Planning, Rachel Carson State Office Building, P. O. Box 8472, Harrisburg, PA 17105-8472.

Emission Reduction Credits; Public Hearing

The Department of Environmental Protection (Department) will hold a public hearing for purpose of receiving testimony on the emission reductions generated from the permanent shutdown of the New Castle Forge Plant of Rockwell Heavy Vehicles, Inc. (Lawrence County, PA). The public hearing will be held on Wednesday, January 28, 1997, at 1 p.m. at PADEPs Northwest Regional Office, 1st Floor Conference Room A, 230 Chestnut Street, Meadville, PA 16335.

The Department has determined that the following emission reductions from the shutdown facility are surplus, permanent and quantifiable:

<i>Pollutant</i>	<i>Quantity (tons per year)</i>
Carbon Monoxide (CO)	8.3
Nitrogen Oxides (NOx)	64.2
Particulate Matter (PM-10)	1.4
Volatile Organic Compounds (VOCs)	13.4

As required under 25 Pa. Code § 127.206(1), ERCs generated from a facility which is not subject to Title V permit requirements must be submitted to the United States Environmental Protection Agency (EPA) as a revision to the State Implementation Plan (SIP). Therefore, the credits generated from Rockwells New Castle Forge Plant will become Federally enforceable as a SIP emissions limitation.

Persons wishing to present testimony during the hearing are requested to contact Steve Curcio, Community Relations Coordinator, 230 Chestnut Street, Meadville, PA 16335 at least 1 week in advance of the hearing to reserve a time to present testimony. Oral testimony is limited to 10 minutes for each witness. Witnesses are requested to submit three written copies of their oral testimony to the hearing chairperson at the hearing. Organizations are limited to designating one witness to present testimony on their behalf at the hearing.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation in order to participate should contact Steve Curcio at (814) 332-6945, or through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs.

Written Comments—Interested persons are invited to submit comments regarding the ERCs to Lori Cheplic, Air Pollution Control Engineer, PADEP, 230 Chestnut Street, Meadville, PA 16335. Comments related to the approval of the ERCs must be received by the Department by January 28, 1997.

SIP Revision—Following the close of the comment period, the Department will submit a preliminary ERC approval and supporting documentation to EPA for approval as a revision to the SIP.

Copies of pertinent documents are available for review from 8 a.m. to 4 p.m. in PADEPs Northwest Regional

Office, 230 Chestnut Street, Meadville, PA 16335. Appointments to review the documents may be made by calling Lori Cheplic at (814) 332-6940.

Notice of Intent to Approve**Philadelphia Air Management Services Notice of Intent to Approve Construction and Operation of Maritank of Philadelphia, Inc.'s Vapor Combustion Unit**

Applicant: Maritank of Philadelphia, Inc.

Plant Location: 67th St. and Schuylkill River, Philadelphia, PA 19153

Source Description: Vapor Combustion Unit used to destroy hydrocarbon vapors generated by loading gasoline tank trucks as well as vapors generated by barge cleaning operations.

Maritank of Philadelphia, Inc. has requested an Air Management Services (AMS) Permit to construct and operate a vapor combustion unit. AMS is intending to approve, with conditions, the construction and operation of this vapor combustion unit. Maritank of Philadelphia, Inc. intends to operate the proposed vapor combustion unit as a replacement unit for an existing vapor combustion unit to control certain emissions of volatile organic compounds associated with its operations, as well as to ensure compliance with new Federal emission standards that become applicable to certain gasoline loading activities in December of 1997. Operation of the vapor combustion unit will result in controlled volatile organic compound emissions associated with the gasoline loading activity of 1.83 tons per year.

Copies of all documents and information concerning this permit are available for review in the offices of AMS, Room 218, 321 University Ave., Philadelphia, PA 19104-4543, during normal business hours.

Philadelphia Air Management Services Notice of Intent to Approve Construction and Operation of Exxon's Philadelphia Marketing Terminal Loading Rack Modification

Applicant: Exxon Company, U.S.A.

Plant Location: 6850 Essington Avenue, Philadelphia, PA 19153

Source Description: Gasoline and Distillate Tank Truck Loading Rack Modification

Exxon Company, U.S.A. has requested an Air Management Services (AMS) Permit to modify and operate an existing gasoline loading rack and its corresponding vapor control system. AMS is intending to approve, with conditions, the modification and operation of this loading rack process. Exxon's Philadelphia Marketing Terminal intends to operate the proposed loading rack and vapor control system in a manner which will result in controlled volatile organic compound emissions of 28.9 tons of volatile organic compounds (VOCs) per year. This modification is projected to result in an incremental emission decrease of 63 tons of VOCs per year.

Copies of all documents and information concerning this permit are available for review in the offices of AMS, Room 218, 321 University Avenue, Philadelphia, PA 19104-4543, during normal business hours.

Philadelphia Air Management Services Notice of Intent to Approve Construction/Modification and Operation of Soabar Products' Flexographic Printing Presses

Applicant: Soabar Products

Plant Location: 7722 Dungan Road, Philadelphia, PA 19111

Source Description: Two non heat-set web flexographic printing press

Soabar Products has requested an Air Management Services (AMS) Permit to construct a three station flexographic printing press and modify an existing flexographic printing press. AMS is intending to approve, with conditions, the construction/modification and operation of these presses. Process allowable air emissions are included in facility wide limitations of less than 25 tons per 12 month rolling period for volatile organic compounds and less than 10 tons per 12 month rolling period for hazardous air pollutants (HAPs).

Copies of all documents and information concerning this permit are available for review in the offices of AMS, Room 218, 321 University Avenue, Philadelphia, PA 19104-4543, during normal business hours. Persons wishing to review these documents or to submit written comments should contact Brenda Bonner (215) 685-7572 at the above address. All written comments must be received within 30 days of publication. Comments received by facsimile will not be considered.

Availability of Technical Guidance

Technical guidance documents are on DEP's World Wide Web site (<http://www.dep.state.pa.us>) at the Public Participation Center. The "June 1997 Inventory" heading is the Governor's List of Nonregulatory Documents. The "Search the Inventory of Technical Guidance Documents" heading is a database of the Inventory. The "Final Documents" heading is the link to a menu of the various DEP bureaus and from there to each bureau's final technical guidance documents. The "Draft Technical Guidance" heading is the link to DEP's draft technical guidance documents.

DEP will be adding its revised documents to the Web throughout 1997.

Ordering Paper Copies of DEP Technical Guidance

Persons can order a bound paper copy of the latest Inventory or an unbound paper copy of any of the final documents listed on the Inventory by calling DEP at (717) 783-8727.

In addition, bound copies of some of DEP's documents are available as DEP publications. Persons should check with the appropriate bureau for more information about the availability of a particular document as a publication.

Changes to Technical Guidance Documents

Draft Report on Using Engineered Structures to Provide Enhanced Containment for LLRW Disposal

The draft guidance report titled "Using Engineered Structures to Provide Enhanced Containment" is available for public inspection and comment. Comments from the public will be accepted until January 12, 1998.

The regulations in 25 Pa. Code Chapter 236, "Low-Level Radioactive Waste Management and Disposal," identify the design criteria for the Pennsylvania Low-Level Radioactive Waste (LLRW) disposal facility. Among the specific design requirements of the regulations is one that calls for the use of engineered structures in the design and construction of the disposal facility. The function of these engineered structures is to provide enhanced containment, or additional isolation, of the LLRW from the environment.

This report discusses important issues in designing, constructing, monitoring and closing the LLRW disposal facility. Key aspects of the long-term performance of engineered concrete structures are also addressed.

For more information on this report and the Low-Level Radioactive Waste Disposal Facility Siting Program contact Rich Janati, Department of Environmental Protection, Bureau of Radiation Protection, P. O. Box 8469, Harrisburg, PA 17105-8469 at (800) 232-2786 or by e-mail at janati.rich@a1.dep.state.pa.us. You can also check out the Low-Level Radioactive Waste Program on the Department's World Wide Web Site at <http://www.dep.state.pa.us>

The hearing will be held in the Capitol Associates Building, 901 North Seventh Street, Second Floor Hearing Room, Harrisburg, PA 17102.

Appeal of United States Fidelity & Guaranty Co.; file no. 97-181-06994; Remick, Gerald; doc. no. P97-12-003; January 28, 1998, at 11 a.m.

Both parties may appear with or without counsel and offer relevant testimony or evidence to support their respective positions. The representative of the company must bring relevant claims files, documents, photographs, drawings, witnesses and the like necessary to substantiate the case. The insured must bring any evidence which the insured may want to offer at the hearing. The hearing will be held in accordance with the requirements of sections 9 and 10 of the act (40 P. S. §§ 1008.9 and 1008.10) and 1 Pa. Code Part II (relating to General Rules of Administrative Practice and Procedure).

After the hearing, the Insurance Commissioner will issue a written order resolving the factual issues pre-

sented at the hearing and stating what remedial action, if any, is required. The Commissioner's Order will be sent to those persons participating in the hearing or their designated representatives. The order of the Commissioner is subject to judicial review by the Commonwealth Court.

Persons with a disability who wish to attend the above-referenced administrative hearing and require an auxiliary aid, service or other accommodation to participate in the hearing should contact Tracey Pontius, Agency Coordinator at (717) 787-4298.

Review Procedure Hearings under The Unfair Insurance Practices Act

The following insureds have requested a hearing as authorized by section 8 of The Unfair Insurance Practices Act (40 P. S. § 1171.8) in connection with their company's termination of the insured's policies.

The hearing will be held in the Capitol Associates Building, 901 North Seventh Street, Second Floor Hearing Room, Harrisburg, PA 17102.

Appeal of Stocker, Clarence J.; file no. 97-267-36508; Nationwide Mutual Fire Insurance Co.; doc. no. PH97-11-019; January 14, 1998, at 11 a.m.;

Appeal of Flohr Jr., Clyde M. and Vicki Sue; file no. 97-198-07039; Erie Insurance Group; doc. no. P97-12-004; January 27, 1998, at 9 a.m.

Both parties may appear with or without counsel and offer relevant testimony or evidence to support their respective positions. The representative of the company must bring relevant claims files and other necessary evidence. The insured must bring all documents, photographs, drawings, witnesses and the like necessary to substantiate the case. The hearing will be held in accordance with the requirements of 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law); section 8 of The Unfair Insurance Practices Act (40 P. S. § 1171.8) and the regulations set forth at 31 Pa. Code § 59.7(e) (relating to appeal procedure). Under 31 Pa. Code § 59.7(e)(5), procedural matters will be in conformance with 1 Pa. Code Part II (relating to General Rules of Administrative Practice and Procedure) unless specific exemption is given.

After the hearing, the Insurance Commissioner will issue a written order resolving the factual issues presented at the hearing and stating what remedial action, if any, is required. The Commissioner's Order will be sent to those persons participating in the hearing or their designated representatives. The order of the Commissioner is subject to judicial review by the Commonwealth Court.

Persons with a disability who wish to attend the above-referenced administrative hearing and require an auxiliary aid, service or other accommodation to participate in the hearing should contact Tracey Pontius, Agency Coordinator at (717) 787-4298.

Workers' Compensation Security Fund Assessment

The Insurance Commissioner has determined that assessments for the Workers' Compensation Security Fund (WCSF) for 1997 will be required of all insurers writing workers' compensation insurance in the Commonwealth. Accordingly, an assessment equal to 1% of each insurer's net written premiums determined as of June 30, 1997 will be imposed.

Under section 5 of the Workers' Compensation Security Fund Act (77 P. S. § 1055), the Commissioner shall impose an assessment equal to 1% of each insurer's net written premiums if the WCSF Balance minus the WCSF Loss Reserve is less than 5% of the Insurers' Loss Reserve. The Commissioner ascertained that the Insurers' Loss Reserve as of June 30, 1997 is \$7,326,036,648. Five percent of that reserve is \$366,684,367. The WCSF Balance minus the WCSF Loss Reserve is \$23,069,313. Accordingly, the WCSF Balance less the WCSF Loss Reserve is less than 5% of Insurers' Loss Reserve, triggering the need for the assessment.

Payment of the assessment is due no later than January 23, 1998. Insurers will be billed by the WCSF in December, 1997. Questions or comments regarding the assessment may be directed to: Michael P. Sullivan, Claims Manager, Workers' Compensation Security Fund, 901 N. 7th Street, Harrisburg, PA 17102, (717) 783-8093, fax: (717) 705-0140.

Insurers are reminded that any carrier which fails to pay the contribution when due is subject to a 5% penalty on the total unpaid contribution. Thereafter, for each month (or portion thereof) in which the contribution remains unpaid, a 1% penalty will be imposed on the unpaid balance. Additional penalties for nonpayment can also include revocation of the insurer's certificate of authority. (See 77 P. S. § 1059)

TREASURY DEPARTMENT

Notice of Names of Persons Appearing to be Owners of Abandoned and Unclaimed Property

"Treasury's Bureau of Unclaimed Property is trying to track down the missing owners of more than \$57 million in unclaimed property reported to the State Treasury this year. Unclaimed Property includes bank accounts, uncashed checks, securities, refunds and any other financial assets that have been inactive for seven years. Listed below are the names of individuals reported by corporations headquartered outside of Pennsylvania. Check for

your name, your relatives and friends. It's free, it's easy, and you just might be surprised!"

BARBARA HAFER,
Treasurer

If You Find Your Name...

Contact the Treasury Department at 1-800-222-2046. Unclaimed Property's Customer Service Representatives are available to help you claim your property FOR FREE. OR Write to the Research Department at PO Box 1837, Harrisburg, PA 17105. OR Fill out the inquiry form on Treasury's web site at www.libertynet.org/~patreas.

If There is a Nine Digit Number After Your Name...

Contact the company directly within 3 months to claim your property. This means that the holder reported your property to Treasury, but this property has not yet been physically turned over to Treasury. Retention of an Engineering Firm

Construction Inspection/Project Management Services for the Roadway Reconstruction and Replacement of Bridge B-478A between Mileposts 94.00 and 99.23

Westmoreland and Somerset Counties

Reference No. 1-110

The Turnpike Commission will retain an engineering or construction management firm with full depth highway pavement replacement inspection experience to provide a staff of approximately seven field inspection personnel for the complete construction inspection, management, administration and documentation for the Roadway Reconstruction Project and Replacement of Bridge B-478A between mileposts 94.00 and 99.23, in Westmoreland and Somerset Counties. Construction will include the reconstruction and 8 ft. widening of the roadway with 12 ft. shoulders, 18 ft. median, and 60 ft. width of full depth Bituminous Roadway with an ID-3 Wearing Course. Additional work includes the replacement of a bridge

structure over the Turnpike, installation of an asphalt permeable base course, Geo-grid slope fill construction and the replacement of the existing drainage structures. The total cost of this construction contract is estimated at \$25,000,000. The Consultant Agreement is anticipated to start in April 1998, and terminate in January 2000.

The selected firm will be required to provide a full time onsite construction inspection staff, with sufficient office personnel, managers, engineers, technicians and clerical staff to support the field functions. The selected firm will also be required to attend the prebid meeting and preconstruction conference, write all project correspondence and review and approve contractor's submissions. In addition, the selected firm will be required to keep records utilizing the Turnpike's Construction Documentation System (CDS) to document the construction work, prepare current and final estimates for payment to the construction contractor, prepare change orders, conduct monthly job conferences, monitor the monthly progress, provide liaison with affected utilities and communities, conduct semifinal and final inspections, determine the final quantities of each contract item and perform other duties as may be required.

Sixty percent of the inspection staff assigned to this Commission constructed project must meet the following requirements:

1. Be certified by the National Institute for Certification in Engineering Technologies, (NICET) as a Transportation Engineering Technician—Construction Level 2 or higher.
2. Be registered as a professional engineer by the Commonwealth of Pennsylvania with 1 year highway inspection experience acceptable to the Commission.
3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with 2 years of highway inspection experience acceptable to the Commission.
4. Hold a Bachelor of Science Degree in Civil Engineering or Civil Engineering Technology with 2 years of highway inspection experience acceptable to the Commission.
5. Hold an Associate Degree in Civil Engineering Technology with 3 years of highway inspection experience acceptable to the Commission.

The remaining 40% assigned to this project shall meet the following education and experience requirements:

Education—Graduation from High School or equivalent certification or formal training. Completion of a training program in construction inspection approved by the Commission may be substituted for High School graduation.

Experience—One year of experience in construction inspection or workmanship which requires reading and interpreting construction plans and specifications, or 1 year of experience in a variety of assignments involving the testing of materials used in highway or similar construction projects. A 2 to 4 year engineering college degree may be substituted for 1 year of experience.

Questions and inquiries concerning this Project should be directed to Matthew J. Wagner, P.E., at (717) 939-9551, Ext. 5210.

General Requirements and Information

Firms interested in performing the above services are invited to submit expanded letters of interest to Paul A. Edmunds, P.E., Assistant Chief Engineer—Construction, at the PA Turnpike Commission Administration Building located on Eisenhower Boulevard at the Harrisburg-East

Interchange near Highspire, PA (Mailing Address: P. O. Box 67676, Harrisburg, PA 17106-7676).

The expanded letters of interest must include in the heading the project reference number indicated in the advertisement. A Standard Form 254, "Architect-Engineer and Related Services Questionnaire," not more than 1 year old as of the date of this advertisement, and Standard Form 255, "Architect-Engineer and Related Services Questionnaire for Specific Project," must accompany each expanded letter of interest. Explanation that the firm has successfully completed similar type projects, of the same magnitude, is required. If the firm has multiple offices, the location of the office performing the work must be identified.

Firms with out-of-State headquarters or corporation not incorporated in Pennsylvania must include with each expanded letter of interest a copy of their registration to do business in this Commonwealth as provided by the Department of State.

The Turnpike Commission currently limits its participation in the remuneration of principals or consultant employees performing work on projects to \$72,800 per annum or \$35 per hour or their actual audited remuneration, whichever is less. The Commission currently limits its participation in the consultant's indirect payroll costs (overhead) on construction inspection/project management projects to 100% for field staff, or the consultant's actual audited overhead rate, whichever is less.

The following factors should be identified by the Consultant in their submission:

(A) Specialized experience and technical competence of firm. The firm must clearly demonstrate their capabilities of completing this project by identifying similar full depth highway pavement replacement projects that they have inspected, the magnitude of the project and the client.

(B) Past record of performance with respect to cost control, work quality and ability to meet schedules. The specific experience of individuals who constitute the firms shall be considered.

(C) Expanded letters of interest must include an indication of the prime consultant's and subconsultant's current workload for all Department of Transportation and Turnpike Commission projects.

(D) Location of consultant's office where the work will be performed.

(E) Listing of subconsultants intended. Any deviation from the subconsultants listed in the expanded letter of interest will require written approval from the Commission. (Please note DBE/MBE/WBE participation requirements follows)

(F) Special requirements of the project.

(G) An organization chart for the Project, identifying key personnel. Only resumes of key personnel should be included.

(H) Other factors, if any, specific to the project.

The Turnpike Commission is committed to the inclusion of disadvantaged, minority and woman firms in contracting opportunities. The minimum participation level for DBE/MBE/WBEs in this contract will be 10%. Responding firms shall identify DBE/MBE/WBE firms, expected to participate in this contract, in their Expanded Letter of Interest. If the selected firm does not meet the minimum requirement for DBE/MBE/WBE participation, they will be required to demonstrate good faith efforts to achieve the required level. Proposed DBE/MBE/WBE firms must

be certified by the Department of Transportation at the time of the submission of the Expanded Letter of Interest. If further information is desired concerning DBE/MBE/WBE participation, direct inquiries to the Office of Equal Opportunity Development, Turnpike Commission at the above address, or by calling (717) 939-9551 Ext. 4241.

The expanded letter of interest and required forms must be received by 12 p.m., Friday, January 16, 1998. Any letters of interest received after this date and time will be time-stamped and returned.

Based on an evaluation of acceptable expanded letters of interest received in response to this solicitation, one firm will be selected for this Project. The order of preference will be established for the purpose of negotiating an agreement with the highest ranked firm established by the Technical Review Committee and approved by the Selection Committee. Technical Proposals or Requests for Proposals will not be requested prior to selection.

The Commission reserves the right to reject all expanded letters of interest, to cancel solicitation requested under this notice, and/or to re-advertise solicitation for these services.

Retention of Engineering Firm Systemwide

Reference No. 3-100

The Turnpike Commission will retain two engineering firms for open-end contracts for engineering services on various projects located on the entire length of the Pennsylvania Turnpike System.

The services will encompass a wide range of design efforts with the possibility of several different types of projects being designed under short completion schedules. The anticipated types of projects include bridge replacements or bridge rehabilitation with minor approach work; roadway rehabilitation or resurfacing projects; capital improvement projects (bridges or roadway); minor location studies, traffic studies or any other engineering-related activity as determined by the Engineering Department to expedite a project. Each contract will be for a maximum cost of \$750,000, or for a period of 2 years, whichever occurs first.

Each firm may be required to: perform field surveys; plot topography and cross sections; prepare submissions for utility verification and relocation engineering; prepare submissions for field view meetings; prepare all pertinent submissions and material necessary for the Commission to prepare the application to the Pennsylvania Public Utility Commission (PUC) and for a PUC field conference; attend and supply any required information for all PUC meetings during the design of a project; develop erosion control details and narrative; develop right-of-way plans; prepare hydraulic report for waterway approvals; prepare type, size and location report; prepare structure drawings, including culverts, bridges and sign supports, for repair, rehabilitation or replacement; prepare traffic control plans with narrative; procure core borings; provide soil and foundation engineering reports; investigate utility

and property involvements; perform traffic counts and speed and delay studies; and prepare construction plans, specifications and estimates.

Questions and inquiries concerning this Project should be directed to Jeffrey C. Davis, P.E., at (717) 939-9551, Ext. 5160.

General Requirements and Information

Firms interested in performing the above services are invited to submit Expanded Letters of Interest to Barry L. Troup, P.E., Assistant Chief Engineer, Pennsylvania Turnpike Commission Administration Building located on Eisenhower Boulevard at the Harrisburg-East Interchange near Highspire, PA (Mailing Address: P. O. Box 67676, Harrisburg, PA 17106-7676).

The Expanded Letters of Interest must include in the heading the project reference number indicated in the advertisement. A Standard Form 254, "Architect-Engineer and Related Services Questionnaire," not more than one 1 year old as of the date of this advertisement, and Standard Form 255, "Architect-Engineer and Related Services Questionnaire for Specific Project," must accompany each letter of interest. If the firm has multiple offices, the location of the office performing the work must be identified.

Firms with out-of-State headquarters or corporations not incorporated in Pennsylvania must include with each letter of interest a copy of their registration to do business in the Commonwealth as provided by the Department of State.

The Turnpike Commission currently limits its participation in the remuneration of principals or consultant employes performing work on projects to \$72,800 per annum or \$35 per hour or their actual audited remuneration, whichever is less. The Commission currently limits its participation in the consultant's indirect payroll costs (overhead) on design projects to 130% and the consultant's actual audited overhead rate, whichever is less.

The following factors will be considered by the Committee during their evaluation of the firms submitting letters of interest:

(A) Specialized experience and technical competence of firm.

(B) Past record of performance with respect to cost control, work quality and ability to meet schedules. The specific experience of individuals who constitute the firms shall be considered.

(C) Expanded Letters of Interest should include an indication of the prime consultant's and subconsultant's current workload listing all Pennsylvania Department of Transportation and Pennsylvania Turnpike Commission projects.

(D) Location of consultant's office where the work will be performed.

(E) Listing of subconsultants intended. Any deviation from the subconsultants listed in the letter of interest will require written approval from the Commission, if selected.

(F) Special requirements of the project.

(G) Other factors, if any, specific to the project. Each firm shall demonstrate in his Expanded Letter of Interest his ability to perform the specific requirements indicated for this project by including a maximum three page report on this subject.

There will not be a DBE/WBE/MBE requirement for these contracts, but participation is encouraged.

The Expanded Letters of Interest and required forms must be received by 12 p.m., Friday, January 16, 1998. Any letters of interest received after this date and time will be time-stamped and returned.

Based on an evaluation of acceptable Expanded Letters of Interest received in response to this solicitation, the order of selection will be established for the purpose of entering into an Open-End Agreement with the two highest ranked firms. Technical Proposals or Requests for Proposals will not be requested.

The assignment of the above services will be made to two of the firms responding to this notice, but the Commission reserves the right to reject all letters of interest submitted, to cancel the solicitation requested under this notice and/or to readvertise solicitation for these services.

STATE CONTRACTS INFORMATION

DEPARTMENT OF GENERAL SERVICES

Notices of invitations for bids and requests for proposals on State contracts for services and commodities for which the bid amount is reasonably expected to be over \$10,000, are published in the State Contracts Information Section of the *Pennsylvania Bulletin* prior to bid opening date. Information in this publication is intended only as notification to its subscribers of available bidding and contracting opportunities, and is furnished through the Department of General Services, Vendor Information and Support Division. No action can be taken by any subscriber or any other person, and the Commonwealth of Pennsylvania is not liable to any subscriber or any other person, for any damages or any other costs incurred in connection with the utilization of, or any other reliance upon, any information in the State Contracts Information Section of the *Pennsylvania Bulletin*. Interested persons are encouraged to call the contact telephone number listed for the particular solicitation for current, more detailed information.

EFFECTIVE JULY 1, 1985, A VENDOR'S FEDERAL IDENTIFICATION NUMBER (NUMBER ASSIGNED WHEN FILING INCOME TAX DOCUMENTS) OR SOCIAL SECURITY NUMBER IF VENDOR IS AN INDIVIDUAL, MUST BE ON ALL CONTRACTS, DOCUMENTS AND INVOICES SUBMITTED TO THE COMMONWEALTH.

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". A qualified small business concern is an independently owned, operated for profit, business employing 100 or fewer employes and is not a subsidiary or affiliate of a corporation otherwise not qualified.

Such penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter. The small business concern must include on every invoice submitted to the Commonwealth: "(name of vendor) is a qualified small business concern as defined at 4 Pa. Code § 2.32".

For information on the required payment date and annual interest rate, please call the Pennsylvania Department of Commerce, Small Business Action Center, 483 Forum Building, 783-5700.

GET A STEP AHEAD IN COMPETING FOR A STATE CONTRACT!

The Treasury Department's Bureau of Contracts and Public Records can help you do business with state government agencies. Our efforts focus on guiding the business community through the maze of state government offices. The bureau is, by law, the central repository for all state contracts over \$5,000. Bureau personnel can supply descriptions of contracts, names of previous bidders, pricing breakdowns and other information to help you submit a successful bid on a contract. We will direct you to the appropriate person and agency looking for your product or service to get you "A Step Ahead." Services are free except the cost of photocopying contracts or dubbing a computer diskette with a list of current contracts on the database. A free brochure, "Frequently Asked Questions About State Contracts," explains how to take advantage of the bureau's services.
