# READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

## *Pennsylvania Bulletin*

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

### **Adoption, Amendment or Repeal of Regulations**

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

*Bulletin* before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

### **Citation to the *Pennsylvania Bulletin***

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

### ***Pennsylvania Code***

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

### **How to Find Documents**

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

GENERAL INFORMATION AND FINDING AIDS: (717) 783-1530**

### Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [ ] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

### Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where "no fiscal impact" is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

### Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

#### § 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

## Title 252—ALLEGHENY COUNTY RULES

### ALLEGHENY COUNTY

#### Family Division; Rule for Actions of Custody, Partial Custody and Visitation of Minor Children; Administrative Doc. No. 85 of 1998

#### Administrative Order of Court

*And Now*, this 2nd day of April, 1998, it appearing that the Allegheny County Court of Common Pleas Family Division has promulgated Local Rules for Actions of Custody, Partial Custody and Visitation of Minor Children which amends the Allegheny County Local Rules for Family Division, it is hereby *Ordered* that these rules shall be filed and certified by the prothonotary pursuant to Pa.R.C.P. 239., and shall be effective 30 days after publication in the *Pennsylvania Bulletin*. Copies are available for review in the prothonotary's office.

*By the Court*

MAX BAER,  
*Administrative Judge*

#### Local Rule for Actions of Custody, Partial Custody and Visitation of Minor Children

##### Rule 1915.1(a)(1). Scope.

This rule shall be applicable to all actions for custody, partial custody and visitation whether filed as an independent cause of action or as a count in a related proceeding.

i. All individuals with standing to pursue an action for custody, partial custody or visitation with children from birth to age 17 shall complete the custody education program for adults ("Lighthouse").

ii. All children ages 6 to 17 who are in the care of a party(ies) ("Children") shall participate in an interactive group program for children ("Sandcastles<sup>TM</sup>").

iii. Parties also shall participate fully in the mediation program ("Generations") operated by Family Division. Additionally, step-parents, step-children, grandparents and the like may also participate in Lighthouse or Sandcastles<sup>TM</sup>, upon consent of all parties.

##### Rule 1915.1(b). Definitions.

i. "Generations" means the orientation mediation program established by the Allegheny County Family Division pursuant to 23 Pa.C.S.A. 3901-3904. This "Center" is located at Suite 400, 4th Floor, Allegheny Building, Pittsburgh, Pennsylvania, 15219, telephone (412) 350-4311, which serves as the Family Division Administrative Office for the Generations Program.

ii. "Lighthouse" means the custody education program for adults pursuing claims for custody.

iii. "Sandcastles<sup>TM</sup>" means the interactive educational program for children ages 6 to 17, run in conjunction with the Lighthouse Program for adults.

iv. "Family Services" means the organization which provides the educational components for Lighthouse and Sandcastles<sup>TM</sup> and is located at 921 Penn Avenue Plaza, 4th Floor, Pittsburgh, Pennsylvania, 15222, telephone (412) 261-3623 extension 48 or 32, which serves as the administrative office for Lighthouse and Sandcastles<sup>TM</sup>.

**Rule 1915.3(b). Rescinded.****Rule 1915.3(c). Commencement of Action/Complaint/Waiver/Fees/Refunds.**

i. Prior to the filing of any divorce complaint containing a count for custody or any complaint for custody, shared custody, partial custody or visitation, or any other court papers seeking to initiate any proceeding to compel, modify, terminate or otherwise affect contact between children and parties, the moving party shall deliver the original of the court paper initiating the custody action to the Generations Center. The Center shall immediately provide the moving party with an Order of Court ("Scheduling Order"), setting forth the dates and times when parties and children shall attend Lighthouse, Sandcastles™, Generations Mediation/Orientation (the "Programs"), a Domestic Violence Waiver form and program descriptions. The Scheduling Order shall also specify the location for the adult and children educational programs, Lighthouse and/or Sandcastles™. The mediation program shall always take place in the "Center." This Scheduling Order is then attached to the original complaint or petition for filing.

ii. Within 6 days of filing, the moving party shall provide the Center with a time stamped copy of the court paper initiating the action and the Scheduling Order.

iii. The moving party shall be solely responsible for insuring that any court paper filed during this process is filed in the same docket number as any previously filed Family Division action involving the same parties, or if necessary, to consolidate separate cases under the oldest number.

iv. No party shall be compelled to attend any portion of these Programs with the opposing party, or to attend Generations at all in cases where either party, or a child of either party, is or has been the subject of domestic violence or child abuse at any time within the past 24 months. In such cases, appropriate arrangements for separate sessions for Lighthouse or Sandcastles™ should be made. These arrangements must be made by calling Family Services. The Center shall be notified personally or by mail through use of a supplied waiver form that the victim of abuse elects not to attend the mediation orientation session. The opposing party shall have the opportunity to contest cancellation of mediation through Motions Court. If mediation does not occur, the case will be set down promptly for a custody/partial custody conciliation before a Domestic Relations Officer.

v. All other requests to waive attendance at any portion of the Programs will require an Order of Court which may be sought through Motions Court, but which will be granted only in exigent circumstances. The moving party shall be responsible for filing any order entered in response to such request, and for service upon the appropriate Programs and the opposing party.

vi. All moving parties who are required to participate in the Lighthouse, Sandcastles™ or Generations Program shall pay all fees required for those Programs.

vii. The moving party shall pay fees for Lighthouse, Sandcastles™ and Generations prior to receiving a Scheduling Order.

viii. Upon receipt of the Scheduling Order, the responding party shall pay fees 7 days prior to the scheduled session.

ix. The fee for Lighthouse is \$40 for each party. The fee for Sandcastles™ is \$30 for each child. Each party shall pay 1/2 of each child's total fee. The fees for Lighthouse

and Sandcastles™ shall be payable to Family Services of Western Pennsylvania by cashiers check, money order or credit card, which may be provided by telephone. No cash or personal checks will be accepted. The moving party may, but is not required, to use Visa to pay for Lighthouse and/or Sandcastles™. To do so, they shall call Family Services prior to obtaining a Scheduling Order to arrange for such payment and request that Family Services notify the Generations Center of payment by credit card.

x. The fee for Generations shall be \$100 for each party. The fee for Generations shall be made payable to the Allegheny County Treasurer named in the Scheduling Order by cashiers check or money order, delivered to the Center. No cash or personal checks will be accepted.

xi. Under exigent circumstances, the court will consider waiver or reduction of fees for those unable to pay. Any such request must be presented through Motions Court and must be accompanied by a verified affidavit of indigence or other proof of economic hardship in accordance with Pa.R.C.P. 240 and 1920.62. Such request must be presented to the court at least 10 days prior to the date set for the applicable Program. The party seeking waiver shall be responsible for filing of any order entered in response to such request, and for service thereupon Family Services, the Generations Center and opposing party.

xii. Under no circumstances will any party or child be permitted to participate in any of the Programs absent timely payment of fees.

xiii. In accordance with the Generations Program Description and Instruction Package, which are available at the Generations Center, fees for the education/mediation program are non-refundable with the following exceptions:

1. Domestic Violence Waivers
2. Signed Custody Consent Order of Court with 7 days notice
3. Petitioner's withdrawal of pleadings with 7 days notice
4. Respondent's fees refunded when Petitioner fails to appear for education and/or mediation session.

**Rule 1915.3(d). Confirmation of Custody.**

i. An order confirming custody to formalize a *de facto* custody arrangement to which there is no contest or opposition may be established through this Court's Motion Court procedure for represented and unrepresented parties.

ii. Any party(ies) may seek confirmation of their current arrangement as a legal and/or physical custody of any child(ren) as follows:

a) A Complaint for Custody must be prepared properly in accordance with Pa.R.C.P. 1915.3, and a true and correct copy must be attached to the Petition for Confirmation of Custody as an exhibit.

b) All parties must be served with movant's Petition for Confirmation of Custody together with the exhibits.

c) All parties are to be provided 7 days notice of the date and time of presentation of movant's petition.

d) If no party appears to oppose movant's petition, the court will grant interim relief confirming custody in movant without prejudice to any party's right to seek reconsideration or modification at any time.

e) If this court has granted such relief, the prothonotary shall accept for filing the Complaint for Custody without a Scheduling Order from the Generations Center if the Complaint for Custody is accompanied by the Petition for Confirmation of Custody together with exhibits and a signed Order of Court confirming custody in the movant. Filing fees charged by this Court's prothonotary for the Complaint for Custody and any other document in reference therein, must be paid unless the party has sought waiver of the fees through the court's established procedure to secure an *in forma pauperis* status.

**Rule 1915.3(e). Grandparents/Third Parties.**

i. A grandparent who wishes to pursue custody or partial custody should refer to the statutory provisions found in 23 Pa.C.S.A. § 5311, 5312, 5313 and 5314, and should carefully review these provisions to insure that he or she has standing to bring an action.

ii. The partial custody claims of grandparents or other third party shall not be scheduled for Lighthouse/Generations or a conference/hearing without obtaining an Order from a Family Division judge through regular or *pro se* motions. Grandparents/third parties who are not represented by an attorney may obtain assistance on how to prepare, serve and file a motion if they meet financial eligibility requirements from the *pro se* volunteer attorney program.

**Rule 1915.4(a). Service/Rescheduling.**

i. The moving party shall be solely responsible for serving the responding party(ies) with true and correct copies of the court's papers initiating the custody action, the Scheduling Order, the Domestic Violence Waiver and the Program descriptions within five days of the date of the Scheduling Order.

ii. The moving party shall also file a Proof of Service indicating the date, time and manner of such service with the court's prothonotary and the Generations Center.

iii. Rescheduling of the education seminar date and/or time for any of the Programs should be sought only when necessary.

iv. No case will be rescheduled for a date longer than 70 days after issuance of the Scheduling Order, except upon Order of Court, which shall be granted only in exigent circumstances. Requests to reschedule a date after expiration of the 70 days should be made through Family Division's Motions Court.

v. Any party desiring to reschedule Lighthouse or Sandcastles™ shall contact Family Services office at (412) 261-3623 extension 48 or 32 to determine several available dates and times.

vi. Any party seeking to reschedule a Generations mediation session must seek rescheduling through Motions Court.

**Rule 1915.4-3. Orientation—Mediation/Confidentiality/Mediator. Qualifications/Conciliation/Psychological Evaluation and Home Study.**

i. Mediators shall have a college degree and either an advanced degree or equivalent experience. Additionally, all mediators without exception shall take a basic 40 hour domestic mediation training seminar conducted by trainers who have been approved by the American Academy of Family Mediators and a basic domestic violence training seminar which has been approved by the American Academy of Family Mediators. All mediators shall carry liability insurance. Mediators shall adhere to the stan-

dards of practice adopted by the American Academy of Family Mediators and the American Bar Association.

a. If at any time prior to or during any mediation session it becomes apparent to the mediator or parties that the mediator has an actual conflict, the mediation shall be discontinued immediately, and a new mediator shall be assigned.

b. No one shall act as a mediator if he or she has provided legal representation, counseling or therapy for the parties or children. Subsequent to the mediation, no mediator shall act as legal counsel or as therapist or expert for parties who took part in the mediation or children who were the subject thereof.

ii. All mediation conducted through Generations shall be "closed." Accordingly, the contents of such mediation shall be confidential. If both parties provide written consents, mediators may, but shall not be required, to discuss such contents with counsel or others. Disclosure by the mediator of anything learned during the mediation process shall be controlled by 42 Pa.C.S.A. § 5949.

iii. No one except parties shall be permitted in the Generations Center's office at the time set for mediation.

iv. At the conclusion of the mediation session, if an agreement is reached, the mediator shall write a Memorandum of Understanding ("Memorandum"). The Memorandum shall not be legally binding upon the parties. Should parties have counsel, they shall be referred to counsel to reduce the Memorandum to a Parenting Agreement and/or Order of Court. Should parties not have counsel, they shall be referred to the Allegheny County Bar Association Lawyer Referral Service ("Lawyer Referral"). Lawyer Referral shall provide each party with the name of an attorney who has agreed to represent the party. Such counsel shall reduce the Memorandum to a mutually agreeable Parenting Agreement and/or Order of Court for a flat fee of \$100 per party. Counsel shall be responsible for no other action on behalf of the party and need not enter an appearance with this court.

v. In the event no resolution results from mediation, the parties may consent to continue to mediate with the same mediator, or by consent the parties may choose a different Generations mediator. Up to an additional 6 hours of mediation may be scheduled for a fee of \$100 per hour at \$50 per party. Absent consent to an alternative arrangement or Order of Court, each party shall be responsible for their own fee.

vi. If at any time during these 6 additional hours of mediation the parties are able to reach a Memorandum of Understanding, which, in turn, is reduced to a Parenting Agreement and/or Order of Court, or should the mediator in his or her sole discretion declare that the mediation is at a permanent and irrevocable impasse and should be terminated, the mediator shall refund to each party \$50 for each full hour not used during the mediation.

vii. Parties who elect to litigate the custody issue shall be required to present a praecipe to schedule a conciliation with one of the court's custody Domestic Relations Officers ("DROs"). This praecipe must be presented to the Generations Center and must have a copy of the certificate of completion of mediation attached.

viii. Partial custody establishments, modification and contempt which are not settled by the DROs will be listed for a hearing.

ix. Custody cases which are not resolved by the DROs may be referred by the DRO for psychological evaluation

and home study. After the evaluations are completed, the parties may praecipe for conciliation before a judge.

x. Parties who did not elect to pursue litigation at the completion of their mandatory mediation orientation session and who subsequently determine that they may need to return to litigation, may obtain a conciliation by filing a praecipe, a copy of the certificate of completion of mediation, and a copy of the underlying pleading with the Generations Center.

xi. Parties who have never been through the Lighthouse and Generations Programs and wish to proceed directly to a conciliation must obtain an order permitting them to do so from the judge in either regular or *pro se*, motions.

xii. Where the parties have gone to education but not to mediation (i.e., because the mediation was canceled because the parties had a consent order, or the parties were previously waived from mediation by a judge and a court order was issued following conciliation/hearing, etc.) the case will automatically be scheduled for mediation orientation only, and the petitioner will be provided an appropriate Scheduling Order. Petitioner and respondent will pay fees as stated above in the usual case.

xiii. For parties who attended mediation orientation more than one year ago, whether they now have a new action (i.e., the case that initially brought them to mediation was establishment and now they seek modification or enforcement) or they need to resolve finally the action that originally brought them to mediation orientation (i.e., they initially mediated the issue of establishment but never turned the memorandum into a consent order), they will automatically be scheduled for mediation orientation as set forth above.

xiv. For parties who attended mediation orientation less than one year ago, they may file a praecipe for conciliation and proceed through the court process.

**Rule 1915.9(a). Pre-Trial Procedures.**

i. Preliminary Objections shall be argued in conformity with local rule 1930(b).

ii. Pre-Trial Statements

(a) In all actions for full and partial custody, the parties shall be in conformity with the pre-trial order issued by the assigned judge.

**Rule 1915.12(a)(1). Civil Contempt for Disobedience of Custody Order, Petition, Service or Order.**

i. The agency to be named in the notice accompanying a petition for civil contempt shall be: Lawyer Referral Service, 920 City-County Building, Pittsburgh, PA, 15219, telephone (412) 261-0518.

**Rule 1915.14(a). Noncompliance/Contempt/Arrest.**

i. If the moving party fails to pay fees as specified, fails to appear for Lighthouse or Generations or fails to insure that any child within their physical custody appears for Sandcastles™, the custody action shall be dismissed without prejudice and any fees paid by such party shall be forfeited.

ii. Should the non-moving party fail to pay fees as specified, fail to appear for Lighthouse or Generations or fail to insure that any child within their physical custody appears for Sandcastles™, an immediate rule to show cause why such party should not be held in contempt shall issue from this court. Such rule shall be returnable on a date certain within 14 days. Such party shall then be required to appear in court to show cause why they

should not be held in contempt and suffer sanctions for failure to pay or appear. Any party failing to appear in court in accordance with the rule to show cause shall have a bench warrant for their arrest issued, and shall be arrested by the Allegheny County Sheriff's Office and brought before this court.

**Rule 1915.15(a)(1). Form of Complaint/Caption/Order.**

i. The agency to be named in the order of court accompanying the complaint shall be: Lawyer Referral Service, 920 City-County Building, Pittsburgh, PA 15219, telephone (412) 261-0518.

**Rule 1915.16(c). Form of Order and Notice, Joinder, Intervention.**

i. The agency to be named in the order of court and notice under this rule shall be: Lawyer Referral Service, 920 City-County Building, Pittsburgh, PA, 15219, telephone (412) 261-0518.

## Title 25—LOCAL COURT RULES

### SCHUYLKILL COUNTY

#### Amendments to Rules of Civil Procedure

*And Now*, this 9th day of April, 1998, at 9:10 a.m., the Court hereby amends Schuylkill County Civil Rules of Procedure 206A(a) and (e), Rule 211 and Rule 1035 for use in the Court of Common Pleas of Schuylkill County, Pennsylvania (21st Judicial District). These rules shall be effective thirty days after publication in the *Pennsylvania Bulletin*.

The Prothonotary of Schuylkill County is Ordered and Directed to do the following:

1) File ten (10) certified copies of this Order and Rule with the Administrative Office of Pennsylvania Courts.

2) File two (2) certified copies of this Order and Rule with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*.

3) File one (1) certified copy of this Order and Rule with the Pennsylvania Civil Procedural Rules Committee.

4) Forward one (1) copy to the Schuylkill County Law Library for publication in the *Schuylkill Legal Record*.

5) Keep continuously available for public inspection copies of this Order and Rule.

*By the Court*

WILLIAM E. BALDWIN,  
*President Judge*

**Rule 206A. Motions.**

(a) All motions or petitions for appointment, and for all miscellaneous matters, shall be governed by this rule. Motion for judgment of non pros shall follow petition practice and comply with PA State Rule 206.6.

(e) Every motion not certified as uncontested shall be accompanied by a memorandum containing a concise statement of the legal contentions and authorities relied upon in support of the motion and an affidavit of service

upon the party against whom relief is sought, or to his attorney. Any party opposing the motion shall file and serve such answer or other response that may be appropriate, a memorandum in opposition, and an affidavit of service upon the other party within twenty (20) days after service of the originating motion and supporting brief, unless the Pennsylvania Rules of Civil Procedure mandate a period of time different than twenty (20) days. In the absence of timely response, the motion may be treated as uncontested. The Court may require or permit further briefing, if appropriate.

**Rule 211. Argument/Oral Argument.**

Unless otherwise requested by counsel in writing all matters will be decided based upon the written arguments set forth in the briefs of the litigants. Requests for oral argument shall be submitted in writing to the assigned judge, or when there has not been a specific assignment to the Court Administrator, and shall be submitted not later than the date that the last brief is due to be filed. Requests for oral argument shall include an explanation providing the reason that the argument contained in the brief does not adequately address the issue. Failure to request oral argument in writing, including matters in which argument is required by rule (e.g. Pa.R.C.P. 1910.12(g)), will be deemed by the court to constitute an agreement by the parties to waive oral argument, and allow disposition on the record.

**Rule 1035. Motion for Summary Judgment.**

A motion for summary judgment shall be accompanied by a praecipe to transmit pursuant to Sch.R.C.P. 205.3 indicating that the matter can be disposed of on the record and shall further be accompanied by the brief of the moving party. The answer and brief of any opposing party shall be filed within thirty (30) days after service of the original motion.

## DISCIPLINARY BOARD OF THE SUPREME COURT

### Collection Fee and Late Payment Penalty for 1998-1999 Registration Year

Notice is hereby given of the establishment by The Disciplinary Board of the Supreme Court of Pennsylvania for the 1998-1999 registration year of the collection fee for checks in payment of the annual registration fee for attorneys that are dishonored and the late payment penalty for registrations not received on time.

Pennsylvania Rule of Disciplinary Enforcement 219(d)(2) provides that, where a check in payment of the annual registration fee for attorneys has been returned to the Board unpaid, a collection fee established annually by the Board must be paid before the annual registration fee shall be deemed to have been paid. The Board has established the collection fee for the 1998-1999 registration year as \$50 per returned item.

Pa.R.D.E. 219(h)(2) provides that a late payment penalty established annually by the Board must be paid by an attorney who fails to timely file an annual registration statement before the attorney shall be considered on active status for the new registration year. The Board has established the late payment penalty for the 1998-1999 registration year as \$50.

# RULES AND REGULATIONS

## Title 31—INSURANCE

### INSURANCE DEPARTMENT

[31 PA. CODE CH. 73]

#### Corrective Amendment to 31 Pa. Code § 73.140(d)

The Insurance Department has discovered a discrepancy between the agency text of 31 Pa. Code § 73.140(d) (relating to credit insurance on closed end variable interest loans), as deposited with the Legislative Reference Bureau and the official text published at 28 Pa.B. 1401 (March 21, 1998) and as scheduled to be published in the May, 1998 *Pennsylvania Code Reporter* (Master Transmittal Sheet No. 282). The words "outstanding balance" were inadvertently included in the published version.

Therefore, under 45 Pa.C.S. § 901: The Insurance Department has deposited with the Legislative Reference Bureau a corrective amendment to 31 Pa. Code § 73.140(d). The corrective amendment to 31 Pa. Code § 73.140(d) is effective as of June 19, 1998.

The correct version of 31 Pa. Code § 73.140(d) appears in Annex A, with ellipses referring to the existing text of the regulation.

## Title 49—PROFESSIONAL AND VOCATIONAL STANDARDS

### STATE BOARD OF CERTIFIED REAL ESTATE APPRAISERS

[49 PA. CODE CH. 36]

#### Standards of Professional Conduct

The State Board of Certified Real Estate Appraisers (Board), by this order amends § 36.201 (relating to

definitions) and adds § 36.281 (relating to standards of professional conduct) to read as set forth in Annex A.

Section 36.281 establishes standards of professional conduct for certified Pennsylvania evaluators (CPEs). The standards are modeled after the Code of Ethics and Standards of Professional Conduct of the International Association of Assessing Officers (IAAO). Section 36.201 defines terms used in the standards.

#### *Summary of Comments and Responses to Proposed Rule-making*

The Board published a notice of proposed rulemaking at 26 Pa.B. 489 (February 3, 1996) following which the Board entertained public comments for 30 days. The Board did not receive public comments.

The Board received comments from the House Professional Licensure Committee (House Committee) on March 19, 1996, and the Independent Regulatory Review Commission (IRRC) on April 3, 1996, under their review of the amendments under the Regulatory Review Act (71 P. S. §§ 745.1—745.15). On March 20, 1996, the Board received comments from Rep. William R. Lloyd, Jr., who was then a member of the House Committee. The Board did not receive comments from the Senate Committee on Consumer Protection and Professional Licensure (Senate Committee), which also reviewed the amendments during proposed rulemaking.

On December 10, 1997, the Board received comments from Rep. Lawrence Roberts. Because the comments were received after proposed rulemaking and involve some matters outside the scope of proposed rulemaking, and to give the widest possible effect to Executive Order 1996-1 (relating to regulatory review and promulgation), the Board intends to consider Rep. Roberts's recommendations as a separate regulatory initiative.

The following is a summary of the comments that the Board received during proposed rulemaking and the changes the Board has made in response to the comments.

#### *§ 36.281. Standards of Professional Practice*

The preamble to the proposed § 36.281 announced that some standards of professional conduct are mandatory and others are aspirational. CPEs who fail to comply with mandatory standards would be subject to Board disciplinary action under the Assessors Certification Act (ACA) (63 P. S. §§ 458.1—458.16), while CPEs who fail to comply with aspirational standards would not be subject to Board disciplinary action.

IRRC raised a general objection to aspirational standards on the ground that their unenforceability could undermine public confidence in the assessing profession and suggested that nonbinding standards are more appropriate as statements of policy rather than as regulations. IRRC, together with the House Committee and Rep. Lloyd, also commented that some of the standards proposed as aspirational are so important to ensuring the competence and integrity of CPEs that they should be recast as mandatory standards. The Board finds these observations compelling and, as more fully described as follows, has converted those significant aspirational standards to mandatory standards and deleted those aspirational standards of lesser importance.

*General Duties*

Standard 1 mandates that CPEs perform their duties in accordance with the general and specific county assessment laws and generally accepted assessment standards. The proposed version of Standard 1 also encouraged CPEs to perform their assignments "to the best of their ability and with the ultimate goal of adhering to the Uniform Standards of Professional Appraisal Practice (USPAP)," which embody Nationally recognized standards relating to the appraising and assessing professions. In response to recommendations by IRRC and Rep. Lloyd, the Board has made compliance with the USPAP mandatory rather than aspirational. The Board's initial concern that not all CPEs may have sufficient background and training to fully comply with the USPAP has been allayed by assurances of the Assessors Association of Pennsylvania, which supports mandatory compliance with the USPAP. The Board also has made editorial changes to Standard 1 and changed its title from "Duties" to "General duties."

*Public Review of Assessments and Records*

The proposed Standard 2 required CPEs to make all records in their custody available for public review unless the records "are deemed confidential by the county or the property owner or are prohibited or otherwise protected from disclosure by law." Both IRRC and Rep. Lloyd expressed concern that the proposed language could contravene public disclosure laws by giving county officials and property owners the arbitrary right to determine what records maintained by CPEs may be withheld from public review. In response to IRRC's and Rep. Lloyd's concern, the Board has revised Standard 2 to clarify that, consistent with the disclosure provisions of the assessment laws, CPEs shall always make property assessments available for public review and to provide that CPEs shall make all other records in their custody available for public review "unless access to the records is specifically limited or prohibited by law or the information has been obtained on a confidential basis and the law permits such information to be treated confidentially." As recommended by IRRC, the language setting forth the exception to public disclosure of records is identical to the language used in the IAAO's comparable standard. The Board also has changed the title of Standard 2 from "Availability of information and records" to "Public review of assessments and records."

*Relationship with Public; Relationship with Public Officials; Conduct*

Proposed Standards 3—5 encouraged CPEs to treat the public in a courteous and respectful manner (Standard 3); to conduct their affairs forthrightly to avoid the appearance of impropriety (Standard 5); to inform the public of appropriate procedures under the law and regulations (Standard 5); and to cooperate with public officials in improving real estate tax procedures and in coordinating the administrative functions of government (Standard 4).

Consistent with the suggestions of IRRC and the House Committee, the Board has deleted these standards from the final-form regulations because they are aspirational rather than mandatory and because, even if made mandatory, they would do no more than codify the ordinary norms of behavior that the public has a right to expect from any public servant, let alone those, like CPEs, with important public responsibilities.

*Professional Qualifications*

Proposed Standard 6 required CPEs to use professional designations only when they are authorized to do so and prohibited CPEs from claiming qualifications that are false or misleading. Proposed Standard 6 also encouraged CPEs to increase their knowledge and skills beyond the continuing education requirement in § 36.261, which currently requires CPEs to complete 20 hours of continuing education during each license biennium. The Board has deleted this aspirational goal from the final regulation and intends to submit proposed rulemaking that would raise the biennial continuing education requirement for CPEs to 28 hours. The Board also has added a proscription against claiming deceptive qualifications, made editorial changes and renumbered Standard 6 as Standard 3.

*Limitations on Activities*

Proposed Standard 7 prohibited CPEs from performing assignments that could "reasonably be construed as creating a conflict of interest" with their employers and clients. Proposed Standard 7 also permitted CPEs to undertake assignments for which they are not "properly qualified" so long as they make a full and timely disclosure of their lack of qualifications and take steps to ensure that the assignments are performed competently.

IRRC and the House Committee strongly objected to a standard of professional conduct that permits CPEs to undertake assignments for which they are not at all times fully qualified to perform. The Board agrees with this concern and, at the suggestion of IRRC, has revised the entire standard by borrowing the broadly restrictive language from the IAAO's comparable requirement; the revised standard, renumbered as Standard 4, provides that CPEs may not perform assignments "that could reasonably be construed as being in conflict with their responsibilities to their jurisdictions, employers or clients, in which they have unrevealed personal interests or biases, or that they are not qualified to perform." The Board does not believe that it is also necessary for the revised standard to provide, as recommended by IRRC, that CPEs must disclose their lack of qualifications to their employers; the new Standard 3 prevents CPEs from misrepresenting their qualifications. The Board also notes that although the revised standard does not refer to conflict of interest, which is accorded a specific meaning in § 36.201, the subject is adequately covered by the new Standard 7.

*Contingent Fees*

Proposed Standard 8 set forth several limitations on CPEs' receiving contingent fees. The Board has renumbered Standard 8 and Standard 5 and made editorial changes.

*Advertising and Promotion; Conflict of Interest*

Proposed Standard 9 provided that CPEs are permitted to engage in advertising if it is not false, misleading or deceptive and encouraged CPEs who are employees of government agencies not to solicit assignments that could create the appearance of conflicts of interest.

At the suggestion of IRRC, the Board has revised the prohibition against false, misleading or deceptive advertising to include, as well, promotional activities that are false, misleading or deceptive; promotional activities are included in the IAAO's comparable standard. The Board also has redrafted the prohibition for clarity.

Consistent with the views of IRRC and the House Committee, the Board has established as a binding

requirement the admonition against government-employed CPEs soliciting assignments that could create the appearance of conflicts of interest. As defined in § 36.201, a conflict of interest involves the use of one's public position to secure improper pecuniary benefits. The Board has further strengthened the prohibition by making it applicable to the performance of conflict-of-interest assignments as well as their solicitation and, at IRRC's recommendation, to actual conflicts of interest as well as the appearance of conflicts of interest. At the further recommendation of IRRC, the Board has underscored the prohibition's importance by designating it as a separate standard.

The Board has renumbered the revised Standard 9 as Standard 6 and changed its title from "Advertising" to "Advertising and promotion"; the Board has numbered the new standard on conflict of interest as Standard 7 and titled it "Conflict of interest."

*Reporting of Unethical Practices*

Proposed Standard 10 encouraged CPEs to report unethical practices in the appraising and assessing professions to the Complaints Office of the Bureau of Professional and Occupational Affairs (Bureau). Both IRRC and the House Committee opined that this reporting standard should be mandatory rather than voluntary. The Board agrees that the case for a binding standard is compelling because of the unique role that CPEs play in helping to maintain the public's confidence in the integrity of the system of real estate taxation and because the effectiveness of the Board's ability to police the appraising and assessing professions is dependent on the willingness of the regulated community as well as the general public to report misconduct by practitioners. At the request of the House Committee, the Board will consider imposing a similar reporting standard on certified appraisers and certified broker/appraisers.

The Board also has renumbered Standard 10 as Standard 8, changed its title from "Unethical practices notification" to "Reporting of unethical practices" and made editorial improvements recommended by IRRC and the House Committee.

*§ 36.201. Definitions*

Section 36.201 defines "conflict of interest," which is used in § 36.281, as "a situation in which a CPE uses the CPE's employment or confidential information received through the course of the employment of the private pecuniary benefit of the CPE, a member of the CPE's immediate family or a business with which the CPE or a member of the CPE's immediate family is associated." As proposed, § 36.201 also defined "immediate family" as "a parent, spouse, child, brother or sister," and defined "business with which a CPE is associated" as "a business in which the CPE or a member of the CPE's immediate family is a director, officer, owner, employe, or has a financial interest." At the suggestion of IRRC and House Committee, the Board has expanded the definition of "immediate family" to include grandparents and grandchildren as well as any other individuals related to the CPE by blood or marriage when the individuals are living in the family household (or under a common roof). The Board also has made editorial changes to the definitions of "conflict of interest" and "business with which a CPE is associated."

At the recommendation of IRRC, the Board has defined "financial interest," as that term is used in the definition of "business with which a CPE is associated," to mean "any financial interest in a legal entity engaged in

business for profit which comprises more than 5% of the equity of the business or more than 5% of the assets of the economic interest in indebtedness." This definition is identical to the definition of "financial interest" in the act of June 26, 1989 (P. L. 26, No. 9) (65 P. S. §§ 401—413), known as the Public Official and Employee Ethics Law, from which the Board's definitions of "conflict of interest" and "business with which a [CPE] is associated" are also derived.

*Statutory Authority*

Section 3 of the ACA (63 P. S. § 458.3) empowers the Board to promulgate regulations, consistent with other laws of the Commonwealth, to enforce the ACA's provisions. Section 7(a)(6) of the ACA (63 P. S. § 458.7(a)(6)) empowers the Board to impose disciplinary or corrective measures against CPEs who violate standards of professional conduct adopted by the Board by regulation.

*Fiscal Impact and Paperwork Requirements*

The amendments will neither impose new paperwork requirements nor have an adverse fiscal impact upon the Commonwealth, its political subdivisions or the private sector, except that CPEs will be required to complete additional paperwork if they elect to make written, rather than oral, mandatory reports of unethical practices to the Bureau's Complaints Office.

*Compliance with Executive Order 1996-1*

Publication of proposed rulemaking predated Executive Order 1996-1. The Board solicited input from the Assessors Association of Pennsylvania, an organization representing CPEs, regarding the changes recommended by IRRC, the House Committee and Rep. Lloyd during proposed rulemaking.

*Regulatory Review*

On January 19, 1996, as required by section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), the Board submitted a copy of the notice of proposed rulemaking, published at 26 Pa.B. 489, to IRRC and to the House and Senate Committees for review and comment.

Under section 5(c) of the Regulatory Review Act, IRRC and the Committees were provided with copies of the comments received during the public comment period, as well as other documents when requested. In adopting final-form regulations, the Board considered comments from IRRC and the House Committee. The Board did not receive comments from the Senate Committee or the general public.

On March 2, 1998, the Board submitted the final-form regulations to IRRC and the House and Senate Committees. Under authority of section 5(c) of the Regulatory Review Act, the final-form regulations were approved by the House Committee on March 18, 1998, were deemed approved by the Senate Committee on March 23, 1998. The final-form regulations were approved by IRRC on March 26, 1998.

*Additional Information*

Individuals who desire additional information about the final-form regulations are invited to submit inquiries to Cheryl Lyne, Administrator, State Board of Certified Real Estate Appraisers, P. O. Box 2649, Harrisburg, PA 17105-2649, (717) 783-4866.

*Findings*

The Board finds that:

- (1) Public notice of the Board's intention to amend 49 Pa. Code Chapter 36, by this order has been given under sections 201 and 202 of the act of July 31, 1968 (P. L. 769,

No. 240) (45 P. S. §§ 1201 and 1202), and the regulations thereunder, 1 Pa. Code §§ 7.1 and 7.2.

(2) The final-form regulations adopted by this order are necessary and appropriate for the administration of the ACA.

*Order*

The Board, acting under its authorizing statute, orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 36, are amended by amending § 36.201 and adding § 36.281 to read as set forth in Annex A.

(b) The Board shall submit this order and Annex A to the Office of Attorney General and the Office of General Counsel for approval as required by law.

(c) The Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) The amendments shall take effect upon publication in the *Pennsylvania Bulletin*.

*Real estate tax assessment*—A valuation placed on real property for governmental purposes by a government employe or revaluation company personnel or contract with a government.

**STANDARDS OF PROFESSIONAL CONDUCT**

**§ 36.281. Standards of Professional Conduct.**

*Preamble*

Certified Pennsylvania evaluators shall comply with the act and this subchapter and conform to the standards of professional conduct in this section. Certified Pennsylvania evaluators who fail to adhere to these standards will be subject to professional discipline under section 7(a)(6) of the act (63 P. S. § 458.7(a)(6)).

*Standard 1. General duties.*

Certified Pennsylvania evaluators shall perform their duties in accordance with the general and specific county assessment laws and generally accepted assessment standards. Certified Pennsylvania evaluators shall perform all assessments and appraisal-related assignments in accordance with the Uniform Standards of Professional Appraisal Practice (USPAP) as promulgated and adopted by the Appraisal Standards Board (ASB) of the Appraisal Foundation. The USPAP will be amended by the ASB and published annually in separate yearly bound editions. A copy of the USPAP may be obtained from the Appraisal Foundation, 1029 Vermont Avenue, N. W., Suite 900, Washington, D. C. 20005, (202) 347-7722.

*Standard 2. Public review of assessments and records.*

Certified Pennsylvania evaluators shall make property assessments available for public review and shall make all other records in their custody available for public

review unless access to the records is specifically limited or prohibited by law or the information has been obtained on a confidential basis and the law permits the information to be treated confidentially.

*Standard 3. Professional qualifications.*

Certified Pennsylvania evaluators shall use professional designations only when they are properly authorized to do so. Certified Pennsylvania evaluators may not claim qualifications that are false, misleading or deceptive.

*Standard 4. Limitations on activities.*

Certified Pennsylvania evaluators may not perform assessment and appraisal-related assignments that could reasonably be construed as being in conflict with their responsibilities to their jurisdictions, employers or clients, in which they have unrevealed personal interests or biases, or that they are not qualified to perform.

*Standard 5. Contingent fees.*

Certified Pennsylvania evaluators may not perform an assessment or appraisal-related assignment if the employment itself is contingent upon the reporting of a predetermined analysis or opinion, or if the fee to be paid for the performance of the assignment is contingent upon the opinion, conclusion or valuation reached, or upon the consequences resulting from the assignment.

*Standard 6. Advertising and promotion.*

Certified Pennsylvania evaluators may not make false, misleading or deceptive statements or claims in advertising or promotions to solicit assessment and appraisal-related assignments.

*Standard 7. Conflict of interest.*

Certified Pennsylvania evaluators who are government employes may not solicit or perform assessment and appraisal-related assignments that could create conflicts of interest or the appearance of conflicts of interest.

*Standard 8. Reporting of unethical practices.*

Certified Pennsylvania evaluators shall report unethical practices or other similar actions or activities which may discredit or reflect adversely upon the appraisal or assessment profession to the Complaints Office of the Bureau of Professional and Occupational Affairs by telephoning the Complaints Office at (800) 822-2113 or by submitting a written complaint to the Complaints Officer of the Bureau of Professional and Occupational Affairs, Post Office Box 2649, Harrisburg, Pennsylvania 17105-2649.

# PROPOSED RULEMAKING

## DEPARTMENT OF REVENUE

[61 PA. CODE CH. 101]

### Payments for Employee Welfare Benefit Plans and Cafeteria Plans

The Department of Revenue (Department), under authority contained in section 354 of the Tax Reform Code of 1971 (TRC) (72 P. S. § 7354), proposes amendments to §§ 101.1, 101.6 and 101.7 (relating to definitions; compensation; and receipt of income) to read as set forth in Annex A.

#### *Purpose of Proposed Amendments*

The amendments to §§ 101.1, 101.6 and 101.7 are being proposed to explain how employee welfare benefit programs and other wage and salary supplemental programs are taxed and to implement amendments to section 301(d) of the TRC (72 P. S. § 7301(d)) under Act 7-1997.

#### *Explanation of Regulatory Requirement*

The proposed amendments provide employers and employees with a detailed explanation of how nondiscriminatory employee welfare benefit programs such as self-insured medical reimbursement accounts or cafeteria plans are taxed under the Commonwealth's Personal Income Tax. They also provide a detailed explanation of how programs that discriminate in favor of officers, owners and key employees are taxed.

The proposed amendments are also being added to notify employers and employees how the provisions of the Personal Income Tax relating to employee compensation in the form of employer-provided facilities or services will be enforced by the Department. There is no constitutional or statutory basis for exempting these noncash fringe benefits from Personal Income Taxation. To be taxable, the benefit has to constitute a foregone profit or additional monetary cost or expense to the employer that is sufficiently substantial in amount to make accounting for it reasonable and practical.

Excluding an item of income from tax merely because it was paid in a form other than money or property raises serious constitutional issues. Utilizing the personal use of the employer's auto as an example, assume that A, B, C and D have the same annual cash compensation (\$50,000), the annual rental cost of the cars in question is each \$3,600, and the following situations apply:

Example 1. A is permitted personal use of his employer's auto at no cost for the entire taxable year.

Example 2. B is directly reimbursed by his employer for the cost B incurred in renting an auto for 1-year's personal use.

Example 3. C is indirectly reimbursed by his employer for the cost C incurred in renting an auto for 1-year's personal use, the employer paying the bill rather than C.

Example 4. D incurs the cost of renting an auto for personal use for the entire taxable year.

Unless the personal use of the employer's auto is included in A's income, B and C would each have \$3,600 more taxable income than A, even though the amounts of their regular pay are identical and each has the benefit of

having free personal use of an auto for a year; and, unless the personal use of the employer's auto is included in A's income, A and D would each have identical taxable incomes and the exclusive, unrestricted possession, use and control of an auto, even though D's disposable income would be \$3,600 less than A's. These are the kinds of results that would cause taxpayers like B, C and D rightly to question whether they are paying more than their fair share of State taxes and what public purpose would be served by excluding the remuneration from tax.

Moreover, unlike the income tax imposed under The Local Tax Enabling Act, there has never been any Personal Income Tax exclusion from "compensation" for payments made by employers and labor unions for wage and salary supplemental programs such as those addressed in the amendments. For example, § 101.6(a) has, since 1972, provided that taxable compensation includes "tax assumed by an employer." Similarly, § 101.6(c)(7) excludes the value of lodging furnished for the convenience of an employer, not the value of lodging furnished for the convenience of the employee.

If the Personal Income Tax law were to say "received either in cash or in property," it could reasonably be inferred that remuneration received neither in cash nor in property was not to be taxed. However, the General Assembly used the words "whether - or," not "either - or." Thus, even if the uniformity clause of the Pennsylvania Constitution were not implicated, it is reasonable to assume that the General Assembly intended the ordinary meaning and function of the word "whether" when it used it in The Local Tax Enabling Act and the TRC.

Compensation other than in cash or in property has been taxed under the Philadelphia earned income tax for some time without legal challenge. In relevant part, the Philadelphia tax is identical to the Commonwealth's Personal Income Tax. Philadelphia's regulations specifically provide that compensation other than in cash such as the personal use of the employer's auto are taxable. Like the Personal Income Tax law, there is also no exclusion from "compensation" under the Philadelphia ordinance for fringe benefits.

#### *Fiscal Impact*

The Department has determined that the proposed amendments will have a positive fiscal impact of \$1.9 million to \$2.2 million on the Commonwealth.

#### *Paperwork*

The proposed amendments will not generate significant additional paperwork for the public or the Commonwealth.

#### *Effectiveness/Sunset Date*

The proposed amendments will become effective upon final publication in the *Pennsylvania Bulletin*. The regulations are scheduled for review within 5 years of final publication. No sunset date has been assigned.

#### *Contact Person*

Interested persons are invited to submit in writing comments, suggestions or objections regarding the proposed amendments to Anita M. Doucette, Office of Chief Counsel, PA Department of Revenue, Dept. 281061, Harrisburg, PA 17128-1061, within 30 days after the date of the publication of this notice in the *Pennsylvania Bulletin*.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on April 15, 1998, the Department submitted a copy of these proposed amendments to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the House Committee on Finance and the Senate Committee on Finance. In addition to submitting the proposed amendments, the Department has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the Department in compliance with Executive Order 1996-1, "Regulatory Review and Promulgation." A copy of this material is available to the public upon request.

Under section 5(g) of the Regulatory Review Act, if IRRC has objections to any portion of the proposed amendments, it will notify the Department within 10 days of the close of the Committees' review period. The notification shall specify the regulatory review criteria which have not been met by that portion. The Regulatory Review Act specifies detailed procedures for review of objections raised, prior to final publication of the proposed amendments, by the Department, the General Assembly and the Governor.

(Editor's Note: A proposal to amend § 101.1 remains outstanding at 27 Pa.B. 4436 (August 30, 1997).)

ROBERT A. JUDGE, Sr., Secretary

Fiscal Note: 15-4-2. No fiscal impact; (8) recommends adoption.

PART I. DEPARTMENT OF REVENUE

Subpart B. GENERAL FUND REVENUES

ARTICLE V. PERSONAL INCOME TAX

CHAPTER 101. GENERAL PROVISIONS

§ 101.1. Definitions.

The following words and terms, when used in this article, have the following meanings, unless the context clearly indicates otherwise:

\* \* \* \* \*

Cafeteria plan—A plan maintained by an employer for the benefit of its employees and under which all participants are employees and may choose among two or more benefits consisting of cash or benefits such as accident and health plans, dependent care assistance plans, group-term life insurance, adoption assistance plans and Internal Revenue Code section 401(k) plans. The term includes flexible benefit plans.

\* \* \* \* \*

Discriminatory plan—An employe benefit plan where excludable employer contributions or the benefits attributable to employer contributions discriminate in favor of highly compensated participants. In determining whether a cafeteria plan is discriminatory, the special rules of section 125(g) of the IRC (26 U.S.C.A. § 125(g)) are applicable.

Employe benefit plan—An employe welfare benefit plan, retirement benefit program, or other wage and salary supplemental or replacement program established or maintained by an employer or by an

employe organization, or by both, for the benefit of eligible employes or their beneficiaries.

Employe welfare benefit plan—

(i) An employe benefit plan established or maintained to provide to eligible employes or their beneficiaries plan benefits, such as:

(A) Medical, surgical or hospital care or benefits in the event of sickness, accident or disability.

(B) Death benefits.

(C) Unemployment or strike benefits.

(D) Vacation benefits and other guaranteed pay.

(E) Apprenticeship or other training plans.

(F) Scholarships, tuition reductions or educational assistance.

(G) Legal, accounting or other professional services or assistance.

(H) Food, housing, or food or housing allowances.

(I) Day care centers or dependent care assistance.

(J) Athletic, recreational or entertainment facilities, services or assistance.

(K) The personal use of the employer's property or services.

(L) Employe discounts.

(M) Transportation and parking.

(ii) The term does not include plans that offer a benefit that defers the receipt of compensation or operate in a manner that enables participants to defer the receipt of compensation.

\* \* \* \* \*

Highly compensated participant—

(i) A plan participant who is one of the following:

(A) An officer.

(B) A shareholder owning more than 5% of the voting power or value of all classes of stock of the employer.

(C) An individual who, for the preceding taxable year:

(I) Received compensation from the employer in excess of the Federal limitation (after adjustment by the Secretary of the United States Treasury for inflation) set forth in section 414(q)(1)(B) of the IRC (26 U.S.C.A. § 414(q)(1)(B)).

(II) Is in the group consisting of the top 20% of all full-time employes of the employer with at least 3 years of service when ranked on the basis of compensation paid during the taxable year.

(ii) A partner or other self-employed individual.

(iii) A spouse or dependent of a highly compensated individual.

\* \* \* \* \*

Plan—The term includes temporary or permanent programs or arrangements, a trust that forms part of a plan and a contract of insurance.

\* \* \* \* \*

*Poverty income—*

(i) For the purpose of determining eligibility for special tax provisions, **[ monies ] moneys** or property, including interest, gains or income derived from obligations which are statutorily free from State or local taxation under any other act of the General Assembly of the Commonwealth or under the laws of the United States, received of whatever nature and from whatever source derived, but not including the following:

\* \* \* \* \*

(E) Payments to reimburse actual expenses **allowable as an ordinary, reasonable and necessary business expense.**

(F) Payments made by employers to labor unions for programs covering hospitalization, sickness, disability or death, supplemental unemployment benefits, strike benefits, social security and retirement **and Federally excludable no-additional-cost services, employe discounts, working condition fringes, qualified transportation fringes and de minimis fringes.**

\* \* \* \* \*

(iii) The following income may not be included: Social Security and Medicare benefits; periodic payments for sickness and disability; **[ workmen's ] worker's** compensation payments; public assistance and relief (welfare); Unemployment Compensation; **[ reimbursed actual expenses; ]** pensions or annuities, including Railroad Retirement Benefits received by reason of retirement; and military pay received by servicemen for duty in a combat zone.

\* \* \* \* \*

*Program covering hospitalization, sickness, disability or death—*

(i) An employe welfare benefit plan that satisfies both of the following requirements:

(A) No program benefits are payable or subject to anticipation, assignment or pledge until the commencement of a covered sickness or disability or death, except:

(I) The return of the participant's own contributions and taxable income or gains thereon.

(II) Amounts paid for the prevention of sickness or disability.

(III) Amounts paid for a policy of insurance.

(B) The only means of obtaining entitlement to program benefits other than the return of the participant's own contributions and taxable income or gains thereon or amounts paid for the prevention of sickness or disability or for insurance is proof of hospitalization, sickness, disability or death.

(ii) The term does not include programs under which benefits are payable either upon hospitalization, sickness, disability or death or separation from employment or some other contingency.

\* \* \* \* \*

*Wage or salary supplement—*

(i) Employer-provided coverage under an employe benefit plan.

(ii) An employer payment to provide benefits under an employe benefit plan, separation, vacation,

holiday or guaranteed pay, reimbursement for personal expenses, and any other amount paid, under an agreement, to one or more of the following:

(A) An independently controlled trust or pooled fund established or maintained for the purpose of funding or providing employe benefit plan benefits under the plan.

(B) An insurance company for the purchase of insurance.

(C) A third party for the benefit of the employe.

(iii) Any benefit under an employe benefit plan to the extent attributable to plan coverage or contributions by the employer which were not includible in income of the employe or are paid by the employer.

**§ 101.6. Compensation.**

(a) Compensation includes items of remuneration received by an employe, **whether** directly or through an agent, in cash or in property, **or** based on payroll periods or piecework, for services rendered as an employe, agent or officer of an individual, partnership, but not guaranteed payments to a partner for services rendered to the partnership, business or nonprofit corporation, or government agency. These items include salaries, wages, commissions, bonuses, stock options, incentive payments, fees, tips, termination or severance payments, rewards, vacation and holiday pay **and other wage and salary supplements**, tax assumed by the employer, and other remuneration received for services rendered.

(b) Scholarships, stipends, grants and fellowships shall be taxable as compensation, if services are rendered in connection therewith. **[ Compensation paid in a medium other than cash shall be valued at its current market value. Stock options shall be considered to be received when the option is exercised, exchanged, sold or otherwise disposed. ]**

\* \* \* \* \*

(c) Compensation does not mean or include any of the following:

(1) Periodic payments for periods of sickness or disability paid by or on behalf of an employer under a program or plan unless the payments are regular wages. Additionally, **[ no ] amount of damages received (whether by suit or agreement and whether as lump sums or as periodic payments) on account of physical injuries or sickness if pain and suffering, emotional distress or other like non-economic element was, or would have been, a significant evidentiary factor in determining the amount of the taxpayer's damage.** No payments made by third-party insurers for periods of sickness or disability would be considered payments of regular wages. A program or plan where any of the following occur would not be considered payment of regular wages:

\* \* \* \* \*

(ii) **[ Employes or employes in the same job classification receive substantially identical periodic payments. ]** The periodic payments are computed with reference to the nature of the sickness or disability and without regard to the employe's job classification.

\* \* \* \* \*

(iv) The periodic payments [would in no event] exceed the employe's usual [rate of] compensation for the period.

\* \* \* \* \*

(5) Payments made by employers to employes to reimburse actual expenses allowable as an ordinary, reasonable and necessary business expense. [Examples of these expenses are the following:

(i) Traveling expenses, including the cost of transportation, meals, lodging, tips and phone calls.

(ii) Moving expenses, which shall include the following:

(A) The following types of expenses and for which the employe is reimbursed in the exact amount by the employer will not be considered compensation:

(I) The expenses incurred in settling an unexpired lease on an old residence or acquiring a lease on a new residence.

(II) The expenses related to premove house hunting trips by the employe.

(III) The cost of transporting the employe and members of his household to the new location by the shortest and most direct route available and in the shortest period of time commonly required to travel the distance involved.

(IV) The temporary living expenses for the employe and members of his household while waiting to move into permanent quarters.

(V) The cost of moving household goods, if paid directly by the employe.

(VI) The expenses related to return trips to former residence.

(VII) The storage charges, if paid directly by the employe.

(B) The costs of moving the employe's personal belongings and household furnishings, including intransit storage charges, even if paid directly by the employer to the carrier are not includable as compensation.

(C) The following types of payment made to an employe by the employer in connection with the employe's move to a new principal place of employment within this Commonwealth shall be considered to be compensation and reportable as gross wages for Commonwealth income tax purposes:

(I) Additional compensation realized to the extent that the price paid by an employer for the residence of an employe exceeds the fair market value of the property.

(II) Allowances paid to the employe in lieu of transporting his automobile to the new location.

(III) Allowances equivalent to 1 month's average earnings paid an employe to cover certain unreimbursable expenses.

(IV) Allowance for employe's Federal income tax applicable to certain taxable moving expenses.]

(6) [Payments made by employers or labor unions for programs covering hospitalization, sickness, disability, death, supplemental unemployment benefits, strike benefits, social security and retire-

ment.] Payments made by an employer or labor union or elective contributions deemed to be made by an employer under a cafeteria plan qualifying under section 125 of the IRC (26 U.S.C.A. § 125) for a nondiscriminatory employe welfare benefit plan covering hospitalization, sickness, disability or death.

Example.

(i) P is a Philadelphia-based partnership that is engaged in providing accounting services. On a nondiscriminatory basis, it offers the following fringe benefits to both employes and partners of the firm:

(a) Blue Cross/Blue Shield medical coverage.

(b) Dental and eyeglass coverage with a deductible.

(c) Group term life insurance with coverage up to the equivalent of the employe's annual salary.

(ii) P pays the premiums on behalf of all employes and partners for all medical, dental, eyeglass and insurance coverage directly to the insurance carrier or benefit provider. P does not add the premium costs for the benefits to any employe's gross wages and it accounts for the benefit costs as nonsalary fringe benefit expenses. In other words, the value of the benefits are not shown as an addition to any employe's wages on the paystubs furnished to employes.

(iii) The plan is not a Federally qualifying cafeteria or flexible benefit plan.

(iv) Conclusion: For the employes of P (but not partners), the employer-provided hospitalization (Blue Cross/Blue Shield), eyeglass, dental coverage and group life insurance benefits are excludable from compensation and are therefore not subject to withholding.

\* \* \* \* \*

(9) Payments made by an employer or labor union for a collectively bargained for or nondiscriminatory supplemental unemployment benefit or strike benefit plan.

(10) Federally excludable no-additional-cost services, employe discounts, working condition fringes, qualified transportation fringes, and de minimis fringes or benefits provided for the convenience of the employer.

(11) Benefits realized from an employe's personal use, before January 1, 1998, of his employer's property or services.

\* \* \* \* \*

(e) Compensation paid in a medium other than cash shall be valued at its current market value. Compensation paid in the form of employer-provided coverage under an employe welfare benefit plan shall be valued at cost. The cost shall be the total amount of payment made during the year by the employer on account of the plan and plan participant, except in the following situations:

(1) In the case of tangible property owned or leased by the employer and personally used by a participant or beneficiary after December 31, 1997, the cost shall be its current fair rental value.

(2) In the case of self-insured insurance plans, the cost shall be the annual cost for financial accounting purposes.

(3) The amount of taxable compensation paid in the form of Federally taxable noncash fringe benefits shall be determined in the same manner as is prescribed by the Internal Revenue Service under Federal statutes and regulations.

(4) In the case of IRC section 125 cafeteria plans, amounts specified in the plan document as being available to the participant for the purpose of selecting or purchasing benefits, when so used, shall be included in the total amount of payment made during the year by the employer on account of the plan and plan participant.

(f) Stock options shall be considered to be received:

(1) When the option is exercised if the stock subject to the option is free from any restrictions having a significant effect on its market value.

(2) When the restrictions lapse if the stock subject to the option is subject to restrictions having a significant effect on its market value or when exchanged, sold or otherwise disposed of.

(g) The following rules apply if, under a cafeteria plan, plan participants may choose between benefits consisting of cash, additional paid vacation days and other benefits; or if, outside a cafeteria plan, plan participants can purchase additional paid vacation days:

(1) If additional paid vacation days are elected or purchased and they are used before the next calendar year, the following apply:

(i) The amount of cash foregone in exchange for the paid vacation day is excluded from income.

(ii) The vacation pay is includable in income when paid.

(2) If additional paid vacation days are purchased outside a Federally qualifying cafeteria plan and they are not used before the next calendar year, the amount of cash foregone in exchange for the paid vacation days is excludable for Pennsylvania Personal Income Tax purposes only if both of the following apply:

(i) The value of the vacation day cannot be cashed out or used for any other purpose.

(ii) The vacation day cannot be carried over to the next taxable year.

(3) *Example.*

(i) Under the Federally qualified cafeteria plan offered by F's employer, employees are provided with \$4,500 in benefit dollars that can be used to purchase benefits. If the employee wishes to purchase benefits which cost in excess of the employer-provided benefit dollars, the employee shall execute a salary reduction agreement. The cafeteria plan contains the following benefits:

<i>Item</i>	<i>Cost</i>
Medical/Accident Insurance	\$2,000 (individual) \$3,250 (family)
Life Insurance	\$ 150
Dependent Care	\$2,000
Additional Vacation Days	\$ 40/day
Cash	\$2,000 (cash limit)

(ii) F selects individual medical coverage, dependent care and purchases 3 additional paid vacation days for the 1997 taxable year. F's employer provides 2 weeks of paid vacation to all employees. The total cost of F's benefits is \$4,120 and, F received benefit dollars totaling \$4,500 from his employer.

(iii) During 1997, F uses his 2 weeks of vacation time and the 3 additional vacation days that he purchased under the cafeteria plan.

(iv) *Conclusion:* The employer is not required to withhold Personal Income Tax on \$2,000 which represents the employer-provided benefit dollars F used for medical/accident insurance, a nontaxable benefit. This amount is excludable from compensation even if F's employer shows or otherwise accounts for it as a periodic deduction from F's wages or a reduction of gross wages.

(v) The employer shall withhold tax on the employer-provided benefit dollars totaling \$2,380. This represents the amounts paid for dependent care (\$2,000) and the extra benefit dollars that were paid to F in the form of cash (\$380). However, the benefit dollars totaling \$120 that were used to purchase the extra paid vacation days are not subject to tax. F is taxed on the 3 paid vacation days when the days are used in 1997.

(h) Employer payments to reimburse employees for uninsured medical or dental expenses are taxable as compensation if the employee is assured of receiving (in cash or any other benefit) amounts available but unused for covered reimbursement during the year without regard to whether he incurred covered expenses or not. If the amounts available for covered reimbursement cannot be cashed out or used for any other purpose during the taxable year or be carried over to any other taxable year, normal cash compensation that is forgone by an employee under a spending account or otherwise, and credited to a self-insured medical reimbursement account and drawn upon to reimburse the employee for uninsured medical or dental expenses to which section 105(b) of the IRC (26 U.S.C.A. § 105(b)) applies is excludable from tax.

(i) After December 31, 1996:

(1) Payments made after December 31, 1996, for employee welfare benefit plans under a cafeteria plan qualifying under section 125 of the IRC will be deemed to be an "employer contribution" for Pennsylvania Personal Income Tax purposes if the following apply:

(i) They were not actually or constructively received, after taking section 125 of the IRC into account.

(ii) They were specified in a written cafeteria plan document as being available to the participant:

(A) For the purpose of selecting or purchasing benefits under a plan.

(B) As additional cash remuneration received in lieu of coverage under a plan.

(iii) The benefits selected or purchased are nontaxable under the IRC when offered under a cafeteria plan.

(iv) The payments made for the plan would be nontaxable under the Pennsylvania Personal Income Tax if made by the employer outside a cafeteria plan.

(2) If these conditions are satisfied, cafeteria plan contributions are taxed under the rules as apply to employer payments for employee welfare benefit plans. However, if the benefits are taxable for Federal Income Tax purposes when offered under a cafeteria plan, the payments will also constitute taxable compensation for Pennsylvania Personal Income Tax purposes. For example, coverage under a section 132(f) of the IRC (26 U.S.C.A. § 132(f)) transportation plan is nontaxable under the IRC when offered separately but is taxable for both Federal Income Tax and Pennsylvania Personal Income Tax purposes if offered under a cafeteria plan. Payments also will constitute taxable compensation if they would be taxable under the Pennsylvania Personal Income Tax if made by the employer outside a cafeteria plan. For example, although not taxable under the IRC, coverage under a dependent care plan would constitute taxable compensation under the Pennsylvania Personal Income Tax because it would be taxable if made by an employer outside a cafeteria plan.

(3) Examples are as follows:

**Example 1.** Under his employer's Federally qualifying cafeteria plan, A has the option of receiving his normal cash compensation or reducing his gross pay requirements and having the amount of that reduction applied by the employer toward health insurance in lieu of normal cash compensation payments. **Conclusion:** For Personal Income Tax purposes, A is taxable only if he opts to receive his normal cash compensation.

**Example 2.**

(i) Under the Federally qualifying cafeteria plan offered by B's employer, amounts are available as an addition to B's normal cash compensation which, at the option of B, are either applied by the employer toward providing day care facilities and services or paid directly to B in cash as additional gross pay. **Conclusions:** For Personal Income Tax purposes, the benefit selected by B is taxable if:

(A) He opts to receive the additional gross pay.

(B) The amount is applied in reimbursement of an expense B incurred for household or dependent care services.

(C) The amount is applied in discharge of a payment required from B for household or dependent care services.

(ii) B's benefits will also be subject to Personal Income Tax if he opts to receive employer-provided day care facilities and services after January 1, 1998.

**Example 3.**

(i) Under C's Federally qualifying cafeteria plan, amounts are available as an addition to C's normal cash compensation, which at the option of C, are either applied by the employer toward providing adoption assistance or paid directly to C in cash as additional gross pay.

(ii) **Conclusions:** For Personal Income Tax purposes, C is taxable if:

(A) He opts to receive the additional gross pay.

(B) The amount is applied in reimbursement of an adoption expense C incurred.

(C) The amount is applied in discharge of any payment required from C related to the adoption of a child.

**Example 4.**

(i) Under the Federally qualifying cafeteria plan of D's employer, each employee is provided with \$4,000 in flexible dollars that can be used to purchase certain benefits or which can be taken in cash in lieu of benefits. An individual who elects no benefits can receive cash only in an amount not exceeding \$2,000. An individual who elects benefits which have a total cost for the taxable year that does not equal or exceed \$4,000 shall allocate the flex dollars first to the selected benefits and any remaining flex dollars can be received as cash but only up to \$500. In addition, the plan specifies that the maximum amount that can be contributed by an employee as an elective contribution is \$2,500.

(ii) For the 1997 taxable year, D's employer offers the following benefits under its cafeteria plan:

Benefit	Cost	
	Individual	(Individual and Spouse)
Medical Insurance	\$2,500	\$4,000
Dental Plan	\$ 500	\$ 750
Group Life Insurance	\$ 500	\$ 750
Dismemberment/ Disability Insurance	\$ 500	\$ 750
Dependent Care Service	\$1,500	\$1,500
Cash	\$2,000	\$2,000

(iii) Employees who elect benefits with a total cost exceeding the allocated flex dollars (\$4,000) agree to have the necessary additional amounts deducted from their base salary or wages each payroll period during 1997 to pay for the benefits.

(iv) Employee D selects individual coverages under the medical insurance, the dental plan and group term life insurance and \$500 in cash for the 1997 taxable year. The total cost for these benefits is \$3,500.

(v) **Conclusions:** The \$3,500 of employer-provided flex dollars used to purchase nontaxable benefits are not compensation and are not subject to withholding notwithstanding that D could have applied the flex dollars toward dependent care (a taxable benefit) or taken the benefits in the form of cash up to \$2,000. The \$500 D received as cash in lieu of benefits under the cafeteria plan is taxable compensation.

**Example 5.** Assume the same facts as in Example 4, except that Employee D is married and selects the following benefits for both his spouse and himself: 1) medical insurance; 2) dental; 3) group life insurance; and 4) dismemberment/disability insurance. **Conclusions:** For D, the employer is not required to

withhold Pennsylvania Personal Income Tax on the flexible dollars totaling \$4,000. Because the total cost of benefits selected by D is \$6,250 and the employer-provided flexible dollars (\$4,000) are insufficient to pay for all of the benefits, D agrees to have additional sums deducted from his salary. D's employer pays him biweekly and the employer must deduct an amount totaling \$86.54 (\$86.54 × 26 pay periods = \$2,250) from D's biweekly salary to pay for the benefits. The \$86.54 deducted from the salary of D each payroll period, which totals \$2,250 for the calendar year, is not subject to Pennsylvania Personal Income Tax and withholding.

**Example 6.**

(i) Assume that E's employer offers a Federally qualified flexible benefits plan under which an employe is required to select some level of medical coverage unless the employe can provide the company's benefits administrator with proof of coverage under another medical insurance plan, for example that of a spouse's employer. The monthly benefit is based upon the number of family members whom the employe chooses to cover under a medical plan. The flexible benefits plan contains the following features:

**Flex Dollars to Purchase Benefits**

<i>If you elect this Coverage:</i>	<i>You receive this number of Flex Dollars each month</i>
Employe Only	\$152.44
Employe + Children	\$247.44
Employe + Spouse	\$298.80

You may deposit from \$10 to \$208.33 per month in this Account Dependent Care Account Election (Child Care or Elder Care) You may deposit from \$10 to \$416.66 per month to this Account if you are single or married.

**5. Life Insurance Prices and Election**

	<i>What You Pay</i>
Basic coverage only	\$ 0.00
<b>Additional Life</b>	
1× base annual pay	\$ 5
2× base annual pay	\$10
3× base annual pay	\$15

**6. Dependent Life Prices and Election**

	<i>What You Pay</i>
\$10,000 spouse/\$5,000 child	\$1.49
\$20,000 spouse/\$5,000 child	\$2.34
No coverage	\$0.00

(ii) Under the plan, the maximum amount available as elective contributions is \$20,000.

(iii) E is married and has one child. E receives flex dollars totaling \$395.56 each month or (\$395.56 × 12 mo. = \$4,746.72 annually). E elects the following benefits:

<i>Benefit</i>	<i>Option</i>	<i>Monthly Cost</i>
Medical	Plan A	\$452.51
Dental	Employee & Family	\$ 18.12
Life Insurance	Basic Coverage Only	\$ 0.00

(v) **Conclusion:** Because E selected excludable benefits for Pennsylvania Personal Income Tax purposes, the monthly, employer-provided flex dollars in the amount of \$395.56 are not subject to tax or withholding. The monthly flex dollars are not subject to tax or withholding irrespective of whether they are added to E's salary or shown as a deduction from his gross pay on each pay stub.

(vi) Because the total monthly cost of the benefits selected is \$470.63 and the allotted flex dollars are

\$395.56, E makes up the difference by agreeing to have the additional necessary funds (\$75.07) deducted from his pay each month as an elective contribution. The \$75.07 is excludable from tax because:

(A) It was not actually or constructively received by E, after taking section 125 of the IRC into account.

(B) It was specified in a written cafeteria plan document as being available to E for the purpose of selecting or purchasing benefits under the plan and as additional cash remuneration received in lieu of coverage under the plan.

(C) The benefits selected or purchased are nontaxable under the IRC when offered under a cafeteria plan.

(D) The payments made for the plan would be nontaxable under the Pennsylvania Personal Income Tax if made by the employer outside a cafeteria plan.

*Example 7.* Assume that the employer offers the same flexible benefits plan as in Example 6, except that employe E is a single individual with no dependents and he selects the least expensive medical plan for a single individual, Plan B. E places the leftover flex dollars into the spending account to help defer the cost of medical expenses not paid for by Plan B. Under the flexible benefits plan, E may not withdraw funds from the spending account for any purpose other than to pay for uninsured medical expenses. If E does not utilize the amounts placed into the spending account during the calendar year, he forfeits the benefits. *Conclusion:* The flex dollars totaling \$152.44, which includes the monthly contribution of \$10.10 to the spending account, are not subject to tax or withholding.

*Example 8.*

(i) Assume that the employer offers the same flexible benefits plan as in Example 6, except that employe E has a husband and two children. E's husband, but not the children, is covered under the husband's employer's health insurance plan. E receives monthly flex dollars for herself and children (\$247.44) and selects the following items under the employer's plan:

<i>Benefit</i>	<i>Option</i>	<i>Cost (monthly)</i>
Medical	Plan B Employe & Children	\$237.34
Dental	Employe & Children	\$ 11.56
Vision	Employe Only	\$ 6.30
Dependent Life	\$10,000 spouse/ \$ 5,000 child	\$ 1.49

(ii) *Conclusion:* The employer-provided flex dollars in the amount of \$247.44 are not subject to tax because E selected medical insurance coverage and dental coverage for herself and the children and the cost of these benefits exceeded the amount of employer-provided flex dollars.

(iii) E shall contribute the sum of \$9.25 each month toward the purchase of benefits not paid for the employer-provided flex dollars. Therefore, \$7.76 of the \$9.25 monthly contribution is excludable from tax because:

(A) It was not actually or constructively received by E, after taking section 125 of the IRC into account.

(B) It was specified in a written cafeteria plan document as being available to the participant for the purpose of selecting or purchasing benefits under the plan and as additional cash remuneration received in lieu of coverage under the plan.

(C) The benefits selected or purchased are nontaxable under the IRC when offered under a cafeteria plan.

(D) The payments made for the plan would be nontaxable under the Pennsylvania Personal Income Tax if made by the employer outside a cafeteria plan. However, the dependent life insurance coverage would be taxable as a currently taxable benefit treated as cash for both Federal Income Tax and Pennsylvania Personal Income Tax purposes when offered under a cafeteria plan. Thus, the \$1.49 monthly cost would be taxable even if it had been paid by E's employer.

(j) Compensation includes the entire cost of employer-provided coverage provided to a highly compensated participant under any discriminatory employe welfare benefit plan.

(k) Contributions made by an employer for IRC 401(k) plans under a cafeteria plan under which the employe unilaterally may elect to have the employer either make the payments as contributions to a 401(k) plan or other plan on behalf of the employe or to the employe directly in cash are not excludable from the employe's taxable compensation.

§ 101.7. Receipt of income.

\* \* \* \* \*

(e) *Present economic benefit.* An amount paid as a contribution shall be considered as received when an employe receives rights, such as coverage under an employe benefit plan that are the following:

(1) Of a value which can in no event fall materially below the amount of the contribution.

(2) Presently belong to the employe.

(3) Unequivocally provided for the ultimate benefit of the employe under whatever contingency and whatever circumstance the occasion for the benefit should arise.

(f) *Wage and salary deductions; taxability.* Any amount lawfully deducted and withheld by an employer from the remuneration of an employe and accounted for as a part of the employe's total remuneration shall be considered to have been paid to the employe as taxable compensation at the time the deduction is made unless the amount is specified in a written cafeteria plan document as being available to the participant for the purpose of selecting or purchasing benefits under a plan or as additional cash remuneration received in lieu of coverage under a plan. Whether an amount is specified in a cafeteria plan document as being available to a participant shall be determined using Federal rules.

*Example.*

(i) Employer M is a manufacturing company situated in this Commonwealth and under its collective

**bargaining agreement with a union, all nonmanagement personnel contribute \$15 per week from their gross salary toward the purchase of Blue Cross/Blue Shield coverage and \$3 per week toward the purchase of group life insurance.**

**(ii) The plan is not a Federally qualifying cafeteria plan.**

**(iii) Conclusion: M shall withhold Pennsylvania Personal Income Tax from the \$18 contributed by each nonmanagement employe toward benefits.**

## FISH AND BOAT COMMISSION

[58 PA. CODE CH. 109]

### Personal Watercraft

The Fish and Boat Commission (Commission) proposes to amend § 109.3 (relating to personal watercraft). The Commission is publishing this amendment as a notice of proposed rulemaking under the authority of 30 Pa.C.S. (relating to Fish and Boat Code) (code). The proposed amendment relates to the operation of personal watercraft (PWC).

#### A. *Effective Date*

This proposed amendments will, if approved on final rulemaking, go into effect upon publication of an order adopting the amendment.

#### B. *Contact Person*

For further information on the proposed change, contact Laurie E. Shepler, Assistant Counsel (717) 657-4546, P. O. Box 67000, Harrisburg, PA 17106-7000. This proposal is available electronically through the Commission's Web site (<http://www.fish.state.pa.us>).

#### C. *Statutory Authority*

This proposed amendment is published under the statutory authority of section 5123 of the code (relating to general boating regulations).

#### D. *Purpose and Background*

The proposed amendment is designed to update, modify and improve Commission regulations pertaining to boating. The specific purpose of the proposed amendment is described in more detail under the Summary of Proposal of this Preamble. Prior to consideration by the Commission, the Commission's Boating Advisory Board (Board) considered the proposed amendment and recommended adoption by the Commission.

#### E. *Summary of Proposal*

PWCs are the fastest growing segment of recreational boating in this Commonwealth. In 1997, the Commission registered about 21,000 PWCs, about 6% of the total number of boats. It is projected that by the year 2000, there will be over 23,000 registered PWCs in this Commonwealth.

The PWC operators are involved in a disproportionate number of boating accidents. In 1996, one third of all reported boating accidents involved at least one PWC, and 61% of all reported collisions between boats involved

at least one PWC. Collisions are the most common type of accident reported, and they are usually caused by the operator not keeping a proper lookout or operating the boat in a reckless manner. Many of the accidents are caused by people new to PWC operation, and nearly all of these accidents are avoidable.

Some PWC operators do not seem to realize that they are operating boats when they operate PWCs. Some do not appear to understand that PWC operators must follow the same laws and regulations as other power boaters. As a result, a disproportionate number of boating regulation violations are by PWC operators. At a recent Commission meeting, over half of all proposed revocations of boating privileges that were considered were for violations by operators of PWC. The majority of the violations were for negligent operation of watercraft. In addition, a high percentage of complaints relate to actual or perceived PWC operational deficiencies. A number of the complaints concern noise issues which, although usually not a violation of Commission regulations, could be avoided if the PWC operator understood ethical operation of these watercraft. Many of the complaints pertain to wake violations and reckless operation.

Boating ethics are an important part of PWC operation that all operators must understand to reduce conflicts on waters of this Commonwealth. Courtesy toward others on the water and people living along the shore cannot be overemphasized. Inconsiderate PWC operators prevent others from enjoying the same rights as they do. Spraying someone on shore, jumping another boat's wake too closely or riding near someone who is fishing have created hard feelings. Once negative opinions are formed, they are difficult to change. "Perception" of wrong doing can be just as strong as actually doing something wrong. PWC operators must be responsible and understand how their activity is being viewed by others.

If everyone who operates a PWC (or any boat for that matter) took a boating course, there would still be some accidents and conflicts. However, there is no question that the information that operators learn in an approved boating course provides operators with information that they would not learn on their own. Presumably, this education will give the operator information that will result in proper boating procedures and ethics. States, such as Connecticut, have indicated that they have had a proportional drop in accidents once they initiated mandatory boating education. Therefore, the Commission proposes to institute a mandatory education program for operators of PWCs and to amend its regulations to provide that effective January 1, 2000, a person may not operate a PWC on the waters of this Commonwealth unless that individual has obtained a Boating Safety Education Certificate.

#### F. *Paperwork*

The proposed amendment will increase paperwork and will create new paperwork requirements in that, after January 1, 2000, all persons who wish to operate a PWC on Commonwealth waters will need to complete an appropriate boating safety course and receive a certification of completion of the course. The Commission's estimates that there are about 60,000 operators of PWC. They will need to complete a safe boating course and apply for and receive a safe boating certificate prior to January 1, 2000. After the initial response to the training requirement, the Commission estimates that about 20,000 operators of PWC will seek certification each year. In addition to this paperwork requirement, enforcement of this regulation may result in an increase of applications

for duplicate or replacement boating safety certificates, which will have to be carried by operators of PWCs.

G. *Fiscal Impact*

The proposed amendment will have no adverse fiscal impact on political subdivisions. The proposed amendment will impose some new costs on the Commonwealth, acting through the Commission. Conducting additional boating safety courses will result in some additional costs for time and materials. Many of these courses are conducted by Commission volunteers as well as the United States Coast Guard Auxiliary and the United States Power Squadron, but there will be some additional costs for administrative functions related to the increased number of persons completing boating safety courses, as well as overtime for instructors. We estimate that the additional personnel costs should total about \$25,000 per year from the Boat Fund for FY 98-99 and FY 99-2000. After the initial response to the training requirements, the annual additional personnel costs should be about \$10,000 per year. The additional costs for course materials will total about \$7,500 per year for FY 98-99 and FY 99-2000 and \$5,000 per year thereafter. In addition, issuance of approximately 50,000 additional boating safety certificates will impose additional costs of about \$20,000 in FY 98-99 and \$30,000 in FY 99-2000. Thereafter, the cost of printing, issuing and distributing certificates should level off at about \$15,000 per year. All the costs described previously will be paid from the Boat Fund, a special fund administered by the Commission.

The proposed amendment will also impose additional costs on the private sector. Although the number of power boats registered as rental boats by boat liveries totals only about 100 in the entire Commonwealth, those businesses that rent PWCs will face a reduction in business at least in the initial stages of implementation of the mandatory education requirement. If a person cannot rent a PWC unless the person has first completed a boating safety course, some potential customers may be discouraged from renting the watercraft.

The proposed amendment will impose additional costs on the general public. Many boating safety courses are free, but some providers do charge a fee to take a course. It is expected that the private sector (community colleges, private schools, and the like) will come forward to meet some of the demand for boating safety courses and that these costs will be passed on to the members of the general public who take a course.

H. *Public Comments*

Interested persons are invited to submit written comments, objections or suggestions about the proposed

amendment to the Executive Director, Fish and Boat Commission, P. O. Box 67000, Harrisburg, PA 17106-7000, within 60 days of publication of this notice in the *Pennsylvania Bulletin*. Comments submitted by facsimile will not be accepted.

Comments also may be submitted electronically at regulations@fish.state.pa.us. A subject heading of the proposal and a return name and address must be included in each transmission. If an acknowledgment of electronic comments is not received by the sender within 2 working days, the comments should be retransmitted to ensure receipt.

# STATEMENTS OF POLICY

## Title 10—BANKS AND BANKING

### DEPARTMENT OF BANKING

[10 PA. CODE CH. 41]

#### Consumer Discount Company Act—Statement of Policy

The Department of Banking (Department), under the authority contained in section 12 of the Consumer Discount Company Act (CDCA) (7 P. S. § 6212) amends the statement of policy to the CDCA codified in § 41.3a (relating to calculation of default charges—statement of policy). The amendment to § 41.3a will implement the act of July 2, 1996 (P. L. 490, No. 80) (Act 80).

#### Purpose

The purpose of the revisions to § 41.3a is to eliminate any discrepancy between the CDCA and the statement of policy.

#### Explanation of Statement of Policy

Act 80 amended the CDCA to permit a licensed consumer discount company to charge a delinquency fee of \$20 or 10% of each payment, whichever is higher, which is in default for more than 15 days on interest-bearing closed end or revolving loan accounts. The revision seeks to remove any discrepancy between the CDCA and § 41.3a as a result of the amendments to the CDCA in Act 80. Thus, the revision amends § 41.3a by making a technical amendment to the statement of policy. The revision adds language to § 41.3a(a) thereby clarifying that the section applies only to default charges on precomputed loans as authorized in section 13.K of the CDCA (7 P. S. § 6213K.).

#### Entities Affected

The statement of policy will affect 76 licensed Commonwealth consumer discount companies, as well as any State or Federally-chartered banks or savings associations which originate loans under the CDCA. The statement of policy also conforms to the liberalized statutory requirements under which a licensed consumer discount company can extend credit to a consumer.

#### Cost and Paperwork Requirements

This statement of policy will impose no additional paperwork or costs to the Commonwealth, the Depart-

ment or any political subdivision of this Commonwealth. The statement of policy also will not impose any additional costs or paperwork requirements upon the regulated community.

#### Effectiveness/Sunset Date

The effective date of this statement of policy is immediately upon publication in the *Pennsylvania Bulletin*.

*(Editor's Note: The regulations of the Department of Banking are amended by amending a statement of policy at 10 Pa. Code § 41.3a to read as set forth in Annex A, with ellipses referring to the existing text of the statement of policy).*

**Fiscal Note:** 3-37. No fiscal impact; (8) recommends adoption.

### Annex A

#### TITLE 10. BANKS AND BANKING

#### PART IV. BUREAU OF CONSUMER CREDIT AGENCIES

#### CHAPTER 41. CONSUMER DISCOUNT COMPANIES

#### § 41.3a. Calculation of default charges—statement of policy.

(a) This section applies only to default charges on precomputed loans as authorized in section 13.K of the act (7 P. S. § 6313K.). Refer to § 41.3(d)(relating to contracts with consumers) for information on default. Default charges will be calculated as follows:

(1) The act provides for the collection of a default charge (sometimes referred to as a "late" charge) for two types of contracts:

- (i) A loan payable in one payment.
- (ii) A loan payable in installments.

(2) The monthly rate is applied to the contract amount in arrears. Assessing the charge on the amount in arrears clearly means assessing the charge on the total amount past due.

### APPLICATIONS RECEIVED UNDER THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

[National Pollution Discharge Elimination System Program (NPDES)]

### DISCHARGE OF CONTROLLED INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

#### (Part I Permits)

The following parties have applied for an NPDES permit to discharge controlled wastewaters into the surface waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards

and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions. These proposed determinations are tentative.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.6E.

Persons wishing to comment on the proposed permit are invited to submit a statement to the office noted above the application within 30 days from the date of this public notice. Comments received within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant.

Following the 30-day comment period, the Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, proposed effluent limitations and special conditions, comments received and other information are on file and may be inspected and arrangements made for copying at the office indicated above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

This is for revocation and reissuance of an NPDES permit to discharge treated hazardous leachate, untreated residual leachate and acid mine drainage to the South Sewer Treatment Plant and untreated stormwater and leachate from Taylor Industrial Landfill in West Mifflin Borough, **Allegheny County**.

The following effluent limitations are proposed for discharge to the South Sewer Treatment Plant (SSTP) at the Irvin Works and an unnamed tributary to Streets Run classified as a warm water fishery with existing and/or potential uses for aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO<sub>2</sub>-NO<sub>3</sub>, fluoride and phenolics, the existing/proposed downstream potable water supply (PWS) considered during the evaluation is Pennsylvania American Water Company, located at 7.2 miles below the discharge point.

*Outfall 103:* existing discharge, design flow of 0.032 mgd discharge to Irvin Works (SSTP)

### Proposed NPDES Permit Renewal Actions for Minor Sewage Discharges

---

The following parties have applied to renew their current NPDES permits to allow the continued discharge of controlled wastewater into the surface waters of this Commonwealth. The Department of Environmental Protection (Department) has made a tentative determination to renew these permits and proposes to issue them, subject to their current permit effluent limitations, and monitoring and reporting requirements, with appropriate and necessary updated requirements to reflect new or changed regulations and other requirements. The updates may include, but will not be limited to, applicable permit conditions and/or requirements addressing combined sewer overflows (CSOs), municipal sewage sludge management and total residual chlorine control (TRC). Major changes to or deviations from the terms of the existing permit will be documented and published with the final Department actions.

The EPA, Region III, Regional Administrator has waived the right to review or object to these proposed permit actions under the waiver provision 40 CFR 123.6E.

Persons wishing to comment on the proposed permits are invited to submit a statement to the Field Operations indicated as the office responsible, within 30 days from the date of this public notice. Comments received within this 30-day period will be considered in the formulation of the final determinations regarding these applications and proposed permit actions. Comments should include the name, address and telephone number of the writer and a brief statement to inform the Field Office of the basis of the comment and the relevant facts upon which it is based. A public hearing may be held if the Field Office considers the public response significant.

Following the 30-day comment period, the Water Management Program Manager will make a final determination regarding the proposed permit action. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The permit renewal application and related documents, proposed effluent limitations and special conditions, comments received and other information are on the Department's file. The documents may be inspected at, or a copy requested from, the Field Office that has been indicated above the application notice.

### DISCHARGE OF CONTROLLED INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

#### Applications under the Pennsylvania Clean Streams Law

##### (Part II Permits)

The following permit applications and requests for plan approval have been received by the Department of Environmental Protection (Department). Persons objecting on the grounds of public or private interest to the approval of an application or submitted plan may file a written protest with the Department at the address indicated above each permit application or plan. Each written protest should contain the following: name, address and telephone number; identification of the plan or application to which the protest is addressed; and a concise statement in sufficient detail to inform the Department of the exact basis of the protest and the relevant facts upon which it is based. The Department may conduct a fact-finding hearing or an informal conference in response to any given protest. Each writer will be notified in writing of the time and place if a hearing or conference concerning the plan, action or application to which the protest relates is held. To insure consideration by the Department prior to final action on permit applications and proposed plans, initial protests and additions or amendments to protests already filed should be filed within 15 calendar days from the date of this issue of the *Pennsylvania Bulletin*. A copy of each permit application and proposed plan is on file in the office indicated and is open to public inspection.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

### INDIVIDUAL PERMITS

#### (PAS)

##### Stormwater Individual

The following parties have applied for an NPDES permit to discharge stormwater from a proposed construction activity into the surface waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain limitations set forth in the permit and special conditions. These proposed determinations are tentative. Limitations are provided in the permit as erosion and sedimentation control measures and facilities which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision, 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the Regional Office or County Conservation District Office indicated as the responsible office, within 30 days from the date of this public notice. A copy of the written comments should be sent to the County Conservation District Office. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Regional Office of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the Regional Office considers the public response significant.

Following the 30-day comment period, the Water Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, including the erosion and sedimentation control plan for the construction activity, are on file and may be inspected at the County Conservation District Office or the Department Regional Office indicated above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

### Preamble 1

#### Acknowledgment of Notices of Intent to Remediate submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 302 and 303 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate identifies a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the background or Statewide health standard to remediate a site must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of the cleanup standards identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department and shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

For further information concerning the content of a Notice of Intent to Remediate, contact the Department's Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

*Southcentral Regional Office, Environmental Cleanup Program Manager, One Ararat Boulevard, Harrisburg, PA 17110, (717) 657-4592.*

**Moats Service Center**, Providence Township, **Lancaster County**. William E. Stephens, Stephens Environmental Consulting, Inc., 191 Slicers Mill Road, Rising Sun, MD 21911, has submitted a Notice of Intent to Remediate site soils and groundwater contaminated with PCBs, lead, solvents, BTEX, PHCs and PAHs. The applicant proposes to remediate the site to meet the Statewide health standard. A summary of the Notice of Intent to Remediate was reported to have been published February 19, 1998, in the *Lancaster New Era*.

*Southwest Field Office: John J. Matviya, Environmental Cleanup Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, (412) 442-5217.*

**Gil Fischer Residence**, owned by Rolling Hills Village, Elizabeth Township, **Allegheny County**. Rolling Hills Village, 001 Oak Drive, Buena Vista, PA 15018 and Kevin P. VanKuren, 2945 South Pike Avenue, Allentown, PA 18103 has submitted a Notice of Intent to Remediate

soil contaminated with PAHs. The applicant proposes to remediate the site to meet the Statewide health standard.

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

### Preamble 2

**Acknowledgment of Notices of Intent to Remediate submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).**

Sections 304 and 305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use a site-specific standard or who intend to remediate a site in a Special Industrial Area must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of the cleanup standards identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department and shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific cleanup standard, in whole or in part, and for sites determined to be located in Special Industrial Areas. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area by the person conducting remediation. For the sites identified, a municipality may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period a municipality may request that the person identified, as the remediator of a site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of a site. For further information concerning the content of a Notice of Intent to Remediate, contact the Department's Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

*Southwest Field Office: John J. Matviya, Environmental Cleanup Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, (412) 442-5217.*

**Damascus Bishop Tube Company**, Munhall Borough, Allegheny County. Damascus Bishop Tube Com-

pany, 795 Reynolds Industrial Park Road, Greenville, PA 16125 and Steve McGuire, Chester Engineers, Inc., 600 Clubhouse Drive, Moon Township, PA 15108 has submitted a Notice of Intent to Remediate soil and groundwater contaminated with lead, heavy metals, solvents, BTEX, PHCs and PAHs. The applicant proposes to remediate the site to meet a site-specific standard. A summary of the Notice of Intent to Remediate was reported to have been published in the *Pittsburgh Post-Gazette* on April 8, 1998.

Application was received in the Southeast Regional Office on April 2, 1998.

## AIR POLLUTION

### Notice of Plan Approval and Operating Permit Applications

#### Nonmajor Sources and Modifications

The Department of Environmental Protection (Department) has developed an integrated plan approval, State operating permit and Title V operating permit program. This integrated approach is designed to make the permit-

ting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application and at one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department has received applications for plan approvals and/or operating permits from the following facilities. Although the sources covered by these applications may be located at a major facility, the sources being installed or modified do not trigger major new source review or prevention of significant deterioration requirements.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the Regional Offices identified in this notice. Persons interested in reviewing the application files should contact the appropriate regional office.

Persons wishing to file protests or comments on the proposed plan approval and/or operating permits have 30 days to submit protests or comments. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Comments or protests filed with the Department's Regional Offices must include a concise statement of the objections to the issuance of the plan approval or operating permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior to the date of the hearing.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121-143, the Federal Clean Air Act and regulations adopted under the act.

### OPERATING PERMITS

#### Applications received and intent to issue Operating Permits under the Air Pollution Control Act (35 P. S. §§ 4001-4015).

#### Notice of Intent to Issue Title V Operating Permits

Under 25 Pa. Code § 127.521, the Department of Environmental Protection (Department) intends to issue a Title V Operating Permit to the following facilities. These facilities are major facilities subject to the operating permit requirements under Title V of the Federal Clean Air Act and 25 Pa. Code Chapter 127, Subchapters F and G (relating to operating permit requirements; and Title V operating permits).

Copies of the Title V application, proposed permit and other relevant information are available for public inspection and additional information may be obtained by contacting the regional office noted.

Interested persons may submit written comments, suggestions or objections concerning the proposed Title V permit to the regional office within 30 days of publication of this notice. Written comments submitted to the Department during the 30-day public comment period shall include the name, address and telephone number of the person submitting the comments, along with the reference number of the proposed permit. The commentator should also include a concise statement of objections to the permit issuance and the relevant facts upon which the objections are based.

The Department reserves the right to hold a public hearing on the proposed action based upon the information received during the public comment period and will provide notice of any scheduled public hearing at least 30 days in advance of the hearing. The hearing notice will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation where the facility is located.

#### REASONABLY AVAILABLE CONTROL TECHNOLOGY

(RACT)

##### Carbidie Corporation, Westmoreland County

As per 40 CFR 51.102(d), the Department of Environmental Protection (Department) will hold a public hearing on May 21, 1998, at 10 a.m. in the Allegheny Conference Room, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

The hearing is to take testimony concerning the Department's intent to issue a Reasonably Available Control Technology (RACT) Operating Permit (PA-65-000-720) to Carbidie Corporation. Carbidie operates a powdered metal facility in Hempfield Township, Westmoreland County. RACT for this facility has been determined to be the installation of a Ross dryer with condenser, sealed screen enclosures, fixed lids for mixers and storage tanks and a cool water chiller.

Those wishing to present testimony during the hearing should contact Community Relations Coordinator, Betsy Mallison at (412) 442-4182 by May 20, 1998 to register.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodations to do so should contact Betsy Mallison or the Pennsylvania

AT&T Relay Service at 1 (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs.

Those who are unable to attend the hearing, but wish to comment, should provide written comments to Noor Nahar, Air Pollution Control Engineer, Department of Environmental Protection, 400 Waterfront Drive, Pittsburgh, PA 15222. Comment period is open for 30 days after the appearance of this public notice.

#### Reasonably Available Control Technology; Public Hearing

##### Bird-In-Hand Woodworks, Inc.

The Department of Environmental Protection (Department) has made a preliminary determination to approve a revised Reasonably Available Control Technology (RACT) Plan and proposes to revise the State Implementation Plan (SIP) for the Bird-In-Hand Woodworks, Inc. at 245 Reading Road, East Earl Township, Lancaster County.

The proposed SIP revision does not adopt any new regulations. It incorporates the provisions and requirements contained in RACT Operating Permit No. 36-2022A for the existing facility to comply with current regulations. The preliminary VOC RACT revision involves the addition of an EPA control technology guidance emission limitation and the removal of a ton per year VOC emission limitation.

The preliminary RACT determination, when finally approved, will be incorporated into an Operating Permit for the facility and will be submitted to the United States Environmental Protection Agency (EPA) as a revision to Pennsylvania's SIP.

An appointment to review the pertinent documents at the Southcentral Regional Office may be scheduled by contacting Mary Disanto at (717) 540-5018 between 8 a.m. and 3:30 p.m., Monday through Friday, except holidays.

One public hearing will be held for the purpose of receiving comments on the proposal. The hearing will be held on May 20, 1998, at the Department of Environmental Protection, Lancaster District Office, 1661 Old Philadelphia Pike, Lancaster, PA 17602 from 1 p.m. until all scheduled comments on the proposal are received.

Those wishing to comment are requested to contact Susan Frank at (717) 541-7969 at least 1 week in advance of the hearing to schedule their testimony. Commentators are requested to provide two written copies of their remarks at the time of the hearing. Oral testimony will be limited to a maximum of 10 minutes per individual. Organizations are requested to designate an individual to present testimony on behalf of the organization. Written comments may be submitted to Michelle Rudisill, Air Pollution Control Engineer, One Ararat Boulevard, Harrisburg, PA 17110 on or before May 20, 1998.

Persons with a disability who wish to attend the hearing scheduled for May 20, 1998, at the Lancaster District Office and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact Susan Frank directly at (717) 541-7969 through the AT&T Relay Service at 1 (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs.

## MINING

### APPLICATIONS TO CONDUCT COAL AND NONCOAL ACTIVITIES

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to the applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District mining office indicated above each application. Where a 401 water quality certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for the certification.

Written comments or objections, or requests for informal conferences on applications, may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public notices of filing of permit applications, opportunity for comment, and informal conferences).

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. The NPDES permits will contain, at a minimum, technology-based effluent limitations (as described in the Department's regulations—25 Pa. Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52 and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity and pH. In addition to the above, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit when necessary for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the above-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

## APPLICATIONS RECEIVED UNDER SECTION 401: FEDERAL WATER POLLUTION CONTROL ACT

### ENCROACHMENTS

The following Dam Safety and Encroachment permit applications, requests for Environmental Assessment approval and requests for water quality certification have been received by the Department of Environmental Protection (Department). Section 401(a) of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)) requires the State to certify that the involved projects will not violate the applicable provisions of 33 U.S.C.A. §§ 1311—1313, 1316 and 1317, as well as relevant State requirements. Initial requests for 401 certification will be published concurrently with the permit application. Persons objecting to approval of a request for certification under section 401 or to the issuance of a Dam Safety or Encroachment Permit or the approval of Environmental Assessments must submit any comments, suggestions or objections within 30 days of the date of this notice as well as any questions to the office noted above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

#### ACTIONS

### FINAL ACTIONS TAKEN UNDER THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

[National Pollution Discharge Elimination System Program (NPDES)]

#### DISCHARGE OF CONTROLLED INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

(Part I Permits)

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications and requests for plan approval and has issued the following significant orders.

Persons aggrieved by this action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704

(relating to the Administrative Agency Law), to the Environmental Hearing Board, 400 Market Street, Second Floor, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

#### INDIVIDUAL PERMITS

##### (PAR)

The following parties have submitted Notices of Intent (NOIs) for Coverage under (1) General NPDES Permit(s) to discharge wastewater into the surface waters of this Commonwealth. The approval for coverage under these general NPDES permits is subject to applicable effluent limitations, monitoring, reporting requirements and other conditions set forth in the general permit; (2) General Permit(s) for Beneficial Use of Sewage Sludge or Residential Septage by Land Application in Pennsylvania. The approval of coverage for land application of sewage sludge or residential septage under these general permits is subject to pollutant limitations, pathogen and vector attraction reduction requirements, operational standards, general requirements, management practices and other conditions set forth in the respective general permit. The Department of Environmental Protection approves the following coverages under the specified General Permit.

The EPA Region III Regional Administrator has waived the right to review or object to this permit action under the waiver provision: 40 CFR 123.24.

The application and related documents, effluent limitations, permitting requirements and other information are on file and may be inspected and arrangements made for copying at the contact office noted.

**SEWAGE FACILITIES ACT  
PLAN APPROVAL**

**Plan revision approval granted April 6, 1998 under the Pennsylvania Sewage Facilities Act (35 P. S. §§ 750.1—750.20).**

*Regional Office: Water Management Program Manager, Southcentral Regional, One Ararat Boulevard, Harrisburg, PA 17110.*

*Location: West Lampeter Township, Lancaster County, 852 Village Road, P. O. Box 237, Lampeter, PA 17537.*

The proposed development is located on the west side of Gypsy Hill Road (S. R. 2039), approximately 5,700 feet north of its intersection with S. R. 0222, West Lampeter Township, Lancaster County.

The approved project consists of upgrading the existing Mill Creek Pump Station from 3.0 mgd to 5.76 mgd. All service flows through the pump station are treated at the south train of the Lancaster Municipal Authority Wastewater Treatment Plant.

Any required NPDES permits or WQM permits must be obtained in the name of the municipality or authority.

*Location: Warwick Township, Lancaster County, P. O. Box 308, Lititz, PA 17543.*

The proposed development is located on the north side of West Woods Drive, approximately 2,600 feet west of S. R. 0501, Warwick Township, Lancaster County.

The approved project consists of a two lot subdivision. Lot No. 1 is 25 acres and is proposed to have 173 residential dwelling units. Lot No. 2 is 2.6 acres and is proposed for a 60 bed nursing care facility. The total sewage flows of 44,550 gallons per day (gpd) of wastewater will be treated by the Lititz Borough Wastewater Treatment Plant.

Any required NPDES permits or WQM permits must be obtained in the name of the municipality or authority.

## **HAZARDOUS SITES CLEANUP**

**Under the Act of October 18, 1988**

### **Public Notice of Proposed Consent Decree Millcreek Dump Site Millcreek Township, Erie County**

Under section 122 of the Federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C.A. § 9622, and section 1113 of the Hazardous Sites Cleanup Act (HSCA) (35 P. S. §§ 6020.101—6020.1304), notice is hereby provided that the Department of Environmental Protection (Department) has entered into a Consent Decree concerning settlement of the Department's Complaint against Lincoln Metal Processing Company (Lincoln). The Department's Complaint concerns the response costs that the Department has incurred and will incur to cleanup the Millcreek Dump Site in Erie County, PA. The Department's Complaint is filed in the United States District Court for the Western District of Pennsylvania, at Doc. No. 93-297 (Erie).

The Department has incurred over \$700,000 in past response costs, and estimates that it will incur over \$4 million in response costs in the future at the Millcreek Dump Site. However, based upon Lincoln's limited ability to pay, the Department has agreed to settle its Complaint against Lincoln for \$55,000. The specifics of the Department's settlement with Lincoln are set forth in the Consent Decree.

The Department will receive and consider comments relating to the Consent Decree for 60 days from the date of this public notice. The Department has the right to withdraw its consent to the Consent Decree if the comments concerning the Consent Decree disclose facts or considerations which indicate the Consent Decree is inappropriate, improper, inadequate or not in the public interest. After the public comment period, the Department's settlement with Lincoln shall become final upon the filing of the Department's response to significant written comments to the Consent Decree and upon the United States District Court's approval of the Consent Decree.

Copies of the Consent Decree are available for inspection at the Department's office at 230 Chestnut Street, Meadville, PA, and at the United States District Court-house in Erie, PA. Comments may be submitted, in writing, to Hal Beavers, Project Manager, Department of Environmental Protection, Hazardous Sites Cleanup, 230 Chestnut Street, Meadville, PA 16335-3481. Further information may be obtained by contacting Hal Beavers at (814) 332-6648. TDD users may contact the Department through the Pennsylvania Relay Service at 1 (800) 654-5984.

### **Notice of Proposed Remedial Response DuPont/New Castle Junk Yard Site City of New Castle and Union Township, Lawrence County**

The Department of Environmental Protection (Department), under the authority of the Hazardous Sites

Cleanup Act (HSCA) (35 P. S. §§ 6020.101—6020.1304), is proposing a response action for the DuPont/New Castle Junk Yard Site (site). The site is located in the northwestern industrial section of the City of New Castle, and Union Township, in Lawrence County, PA. The site consists of two adjacent properties: an inactive junkyard/battery recycling facility, and an inactive china manufacturing facility with an associated china waste disposal area. Investigations of the site revealed elevated levels of hazardous substances in the groundwater, surface water, sediments and surface and subsurface soil/fill/waste materials. Significant levels of arsenic, cadmium, lead and zinc were detected in groundwater samples. Onsite surface and subsurface soil, waste and sediment samples revealed elevated levels of antimony, copper, lead and mercury. Surface water samples from the adjacent Shenango River also indicated offsite lead contamination and migration. Surface soil/sedimentation and waste samples from the junkyard property revealed elevated levels of semi-volatile organic compounds, pesticides and polychlorinated biphenyls. The Department's objectives for the site are: prevent human exposure to hazardous substances in surface soil/fill/waste materials; reduce or prevent migration of hazardous substances into the groundwater and nearby surface water and sediments that would result in continuing contamination; satisfy all Applicable, Relevant and Appropriate Requirements (ARARs) relating to disposal of wastes; prevent human exposure to contaminated surface water; restore surface water and sediments in the wetland areas to ecologically-based criteria. The Department considered seven remedial response alternatives in order to achieve these objectives at the site:

Alternative 1. No Action/Institutional Controls

Alternative 2. Onsite Containment of all Contaminated Materials with a Soil Cover.

Alternative 3. Onsite Containment of All Contaminated Materials with an Impermeable Hazardous Waste Cap.

Alternative 4. Offsite Disposal of Battery Casings and Contaminated Soils and Sediments, Containment of Slag Fill.

Alternative 5. Active Remediation of Battery Casings and Contaminated Soils and Sediments by Soil Washing, Containment of Slag Fill.

Alternative 6. Active Remediation of Battery Casings by Offsite Thermal Treatment, Containment of Remaining Contaminated Materials.

Alternative 7. Active Remediation of Battery Casings and Contaminated Soils and Sediments by Ex-Situ Stabilization, Containment of Slag Fill.

Each alternative was evaluated with respect to seven comparison criteria of: long-term risks and effectiveness; reduction of toxicity, mobility or volume of hazardous substances; short-term risks and effectiveness; implementability; cost; cost-benefit analysis and ARARs. Furthermore, this comparative analysis evaluated the relative performance of each alternative in relation to each specific comparison criterion. The comparative analysis identified advantages and disadvantages of each alternative so that tradeoffs between the alternatives could be determined.

Based on the comparative analysis the Department proposes to implement Alternative 7A (ex-situ stabilization, capping with soil cover) with groundwater treatment Option 1 (no action/monitoring) as the remedial response at the site. Alternative 7A would include excavation and onsite treatment of battery casings and contaminated soils and sediments using a stabilization treatment technology. With groundwater treatment Option 1, no active groundwater remediation would occur at the site. The proposed onsite treatment process would use a stabilization treatment technology to convert the leachable hazardous substances (primary lead) to insoluble mineral complexes. The treatment residuals would be expected to be of the general consistency of soil and would be backfilled within the junkyard portion of the site.

This notice is being provided under section 506(b) of the HSCA. The administrative record which contains the information that forms the basis and documents the selection of this response action is available for public review and comment. The administrative record is located at the Department's Northwest Regional Office, 230 Chestnut Street, Meadville, PA 16335, and is available for review Monday through Friday from 8 a.m. to 4 p.m. Please telephone beforehand for an appointment, (814) 332-6648.

The administrative record will be open for comment from April 25, 1998 until July 24, 1998. Persons may submit written comments into the record during this time only, by sending them to Harold E. Nye, Project Manager, at the Department Northwest Regional Office or by delivering them to the office in person.

In addition, persons may present oral comments, for inclusion in the administrative record, at a public hearing scheduled for May 27, 1998, at 7 p.m. at the City of New Castle Municipal Building, 230 North Jefferson Street, New Castle, PA 16101. Persons wishing to present comments must register with Steve Curcio at the Department's Northwest Regional Office before May 22, 1998, by telephone or in writing. Persons interested in finding out if anyone has registered should contact Steve Curcio.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodations to participate in the proceedings, should call Steve Curcio at (814) 332-6816 or through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs.

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

### Under Act 2, 1995

#### Preamble 3

The following final reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Provisions of Chapter 3 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of submission of any final reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of

contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed, and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected.

For further information concerning the final report, contact the Environmental Cleanup Program in the Department's Regional Office under which the notice of receipt of a final report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

The Department has received the following final reports:

*Northeast Regional Field Office, Joseph A. Brogna, Regional Environmental Cleanup Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, (717) 826-2511.*

**Pennsylvania Power & Light Company (PP&L) Distribution Pole #67963N44494**, Palmyra Township, **Pike County**. PP&L, Environmental Management Division, 2 North Ninth Street, Allentown, PA 18101 has submitted a Final Report concerning the remediation of site soils found to have been contaminated with PCBs (polychlorinated biphenyls). The report was submitted in order to document remediation of the site to meet the Statewide human health standard.

**Pennsylvania Power & Light Company (PP&L) Distribution Pole #48695N28761**, City of Hazleton, **Luzerne County**. PP&L, Environmental Management Division, 2 North Ninth Street, Allentown, PA 18101 has submitted a Final Report concerning the remediation of site soils found to have been contaminated with PCBs (polychlorinated biphenyls). The report was submitted in order to document remediation of the site to meet the Statewide human health standard.

*Southwest Field Office: John J. Matviya, Environmental Cleanup Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, (412) 442-5217.*

**Gil Fischer Residence**, owned by Rolling Hills Village, Elizabeth Township, **Allegheny County**. Rolling Hills Village, 001 Oak Drive, Buena Vista, PA 15018 and Kevin P. VanKuren, 2945 South Pike Avenue, Allentown, PA 18103 has submitted a Final Report addressing soil contaminated with PAHs. The report is intended to document remediation of the site to meet the Statewide health standard.

**Jack Strange Residence/Chris Suchko Property**, West Newton Township, **Westmoreland County**. Jack Strange/Chris Suchko, 60 Sportsman Lane, West Newton, PA 15809 and 105 South Third Street, West Newton, PA 15809 and Kevin P. Van Kuren, Hydrocon Services, Inc., 2945 South Pike Avenue, Allentown, PA 18103 has submitted a Final Report addressing soil contaminated with PHCs and PAHs. The report is intended to document remediation of the site to meet the Statewide health standard.

## SOLID AND HAZARDOUS WASTE RESIDUAL WASTE PROCESSING FACILITIES

**Permits issued under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003), the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904) and regulations to operate solid waste processing or disposal area or site.**

*Regional Office—Regional Solid Waste Manager, Lee Park, 555 North Lane, Suite 6010, Conshohocken, PA 19428.*

**Permit No. 400558. Montenay Montgomery Limited Partnership**, 1155 Conshohocken Road, Conshohocken, PA 19428. This amended Waste Management Permit is for the acceptance of various categories of municipal-like residual waste at the Montgomery County Resource Recovery Incinerator facility, located in Plymouth Township, **Montgomery County**. Permit was issued at the Southeast Regional Office on April 8, 1998.

### HAZARDOUS WASTE, TREATMENT, STORAGE AND DISPOSAL FACILITIES

**Final determination of a draft permit or denial under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003) and regulations to operate a hazardous waste treatment, storage or disposal facility.**

*Regional Office—Regional Solid Waste Manager, 555 North Lane, Suite 6010, Lee Park, Conshohocken, PA 19428.*

On November 22, 1997, the Southeast Regional Office published a draft notice of a determination that the **Malter-Hamilton** solvent recycling operation at their Colwyn facility, **Delaware County**, was not applicable under the recycling permit-by-rule provisions of 25 Pa. Code Chapter 266, Subchapter I, of the Department's Hazardous Waste Regulations. The 60-day comment period has expired and no comments have been received. The Department has determined that the Malter-Hamilton operation is not applicable under the above cited subchapter. Upon notice of this action by the Department, Malter-Hamilton, currently operating under interim status, will have 6 months to file a permit application or a closure plan. The above action was taken by the Southeast Regional Office on April 6, 1998.

### OPERATE WASTE PROCESSING OR DISPOSAL AREA OR SITE

**Permits issued under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003), the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904) and regulations to operate solid waste processing or disposal area or site.**

*Northwest Regional Office: Regional Solid Waste Manager, 230 Chestnut Street, Meadville, PA 16335-3481, (814) 332-6848.*

**Permit No. 101592. Tri-County Landfill Inc.**, 199 Landfill Road, Grove City, PA 16127, located in Pine Township, **Mercer County**. A permit modification to eliminate the average daily volume restriction at the Tri-County Transfer Station, thereby allowing the facility to operate at a maximum volume of 800 tons per day; was approved in the Regional Office on March 25, 1998.

**Permit No. 101187. County Landfill Inc.**, SR 36, P. O. Box 237, Leeper, PA 16233, located in Farmington Township, **Clarion County**. A major permit modification to construct and operate an active landfill gas management system was issued in the Regional Office on March 31, 1998.

## AIR POLLUTION OPERATING PERMITS

## MINING

### APPROVALS TO CONDUCT COAL AND NONCOAL ACTIVITIES

Actions on applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). The final action on each application also constitutes action on the request for 401 water quality certification. Mining activity permits issued in response to the applications will also address the applicable permitting requirements of the following statutes: the Air Quality Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

## ACTIONS TAKEN UNDER SECTION 401: FEDERAL WATER POLLUTION CONTROL ACT ENCROACHMENTS

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications, requests for Environmental Assessment Approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).

Persons aggrieved by this action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704

(relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board, at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

**Actions on applications filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and sections 5 and 402 of The Clean Streams Law (35 P. S. §§ 691.5 and 691.402) and notice of final action for certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).** (Note: Permits issued for Small Projects do not include 401 Certification, unless specifically stated in the description.)

**SPECIAL NOTICES**

**Announcement of Resource Recovery Demonstration Grants Under the Solid Waste-Resource Recovery Development Act Act 198 of 1974**

In accordance with 25 Pa. Code §§ 76.13 and 76.82(c) of the Solid Waste-Resource Recovery Development Act Rules and Regulations, the Department of Environmental Protection (Department) has approved grants to the following application sponsors under the Pennsylvania Solid Waste-Resource Recovery Development, act of July 20, 1974 (P. L. 572, No. 198).

The grant offerings are subject to completion of a contract with the Department in accordance with the Scope of Work approved by the Bureau of Land Recycling and Waste Management. Grants are limited to no more than the maximum amount provided in the grant offering, up to 75% of the total eligible demonstration project costs.

Inquiries concerning this notice should be directed to Carl Hursh, Chief, Recycling and Markets, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Rachel Carson State Office Building, P. O. Box 8472, Harrisburg, PA 17105-8472.

**Final Submission Date for Municipal Recycling Program Performance Grant Applications Under Section 904 of the Municipal Waste Planning, Recycling and Waste Reduction Act (Act 101)**

The Department of Environmental Protection (Department) announces a request for Recycling Performance Grant applications from municipalities with recycling programs under the Municipal Waste Planning, Recycling and Waste Reduction Act (act) (53 P. S. §§ 4000.101—4000.1904). Municipalities include counties, cities, boroughs, incorporated towns, townships and home rule municipalities.

Recycling Performance Grants will be awarded to municipalities based upon the weight of source separated recyclable materials identified in section 1501(c)(1)(i) of the act recovered by municipal recycling programs, and the population of the municipality. Municipalities awarded grants will receive a base award of \$5 for each ton of eligible recyclable materials marketed, and \$1 per ton for each percentage of waste diverted from disposal. The weight of eligible materials allowable from nonresidential (commercial and institutional) sources will be limited to no more than the weight of eligible materials from residential sources. The Department will not award grants calculated to be less than \$10.

Eligible materials include: clear glass, colored glass, aluminum, steel and bimetallic cans, high-grade office paper, newsprint, corrugated paper, other marketable grades of paper and plastics. Grants will be awarded only for properly documented eligible materials that were recycled or marketed on or after January 1, 1997, to and including December 31, 1997. Grant funds will not be awarded for residues, materials not listed as eligible or any materials which cannot be documented as being recycled into a new product or use.

Documentation to support all claims that eligible recyclable materials were generated within the municipality and recycled or marketed must be retained at the offices of the municipal applicant for 4 years. The supporting documentation is not required to be submitted with the application.

Acceptable Supporting Documentation. Weight slips or receipts verifying that the materials were recycled or marketed are required as supporting documentation for the grant application. The documentation must be on the letterhead of the hauler or market or on forms provided by the hauler or market; must bear a signature of an authorized representative verifying that the materials were received; and must identify the type and weight of the materials received. Estimates of weight will not be accepted except in cases: 1) where the material is packaged in uniform bales and the average weight of a bale can be demonstrated; or, 2) when multiple generators contribute to a known quantity of marketed material and the hauler or market estimates the quantities allocatable to any individual establishment, or lists each establishment, and verifies the estimate with his/her signature.

Supporting documentation must be available for review by representatives of the Department, the Office of the Attorney General and the Office of the Treasurer or their agents. Although the supporting documentation is not required to be submitted with the grant application, any documentation provided must conform to the above requirements or the materials claimed will not be credited toward the grant.

Applications must be on the forms provided by the Department for materials recycled in calendar year 1997. The Department will mail a calendar year 1997 grant application form to all municipalities on record with recycling programs and all previous Recycling Performance Grant applicants. The deadline for submission of grant applications is 3 p.m. September 30, 1998. Applications received by the Department after that date will be returned. All grant awards are predicated on the receipt of recycling fees required by sections 701 and 702 of the act, and the availability of monies in the Recycling Fund.

Inquiries concerning this notice should be directed to Carl Hursh, Chief, Recycling and Markets, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Rachel Carson State Office Building, P. O. Box 8472, Harrisburg, PA 17105-8472.

## DEPARTMENT OF LABOR AND INDUSTRY

### Draft Request of Waivers

The Appropriations Act for fiscal year 1998, passed by Congress and signed by President Clinton, included language that allows states to request waivers of the laws which govern employment and training programs. The Department of Labor and Industry (Department) on behalf of the Commonwealth of Pennsylvania has developed a draft request of waivers.

The waiver authority applies to the Job Training Partnership Act (JTPA) and to the Wagner-Peyser Act, which governs the public employment service. A waiver allows the State to be exempted from specific statutory or regulatory requirements. The waiver provisions are intended to provide flexibility to states and local areas in implementing reforms to the workforce development system in exchange for accountability for results.

This comprehensive package includes 24 waivers, 23 JTPA waivers of which 9 are Administrative, 8 are Programmatic and 6 are for Youth; and 1 Wagner-Peyser waiver. The waivers will simplify administration, improve outcomes, reduce costs, enhance customer service, eliminate duplication, consolidate programs and set the course for workforce development and employment and training programs in this Commonwealth.

Copies of the waiver request package may be obtained by contacting: John C. Vogel, Director, Bureau of Employment Services and Training, 12th Floor, Labor and Industry Building, 7th and Forster Streets, Harrisburg, PA 17120.

### Sub-State Resource Distribution

Under 20 CFR 652.4, the Department of Labor and Industry (Department) is making public the following sub-state resource distributions. These distributions are for activities under the Wagner-Peyser Act as amended by the Job Training Partnership Act (JTPA) and are for the Program Year 1998 (July 1, 1998—June 30, 1999). Under section 4 of the Wagner-Peyser Act, the Governor has designated the Department as the State agency vested with all powers necessary to cooperate with the United States Employment Service in the operation of the public Employment Service System.

The basic purpose of the Employment Service System is to improve the functioning of the Nation's labor markets by bringing together individuals who are seeking employment and employers who are seeking workers. The Bureau of Employment Services and Training and the Office of Job Center Field Operations in the Department of Labor and Industry administer a labor exchange system which has the capacity:

1. to assist job seekers in finding employment;
2. to assist employers in filling jobs;
3. to facilitate the match between job seekers and employers;

4. to participate in a system for clearing labor between the states, including the use of standardized classification systems issued by the Secretary under JTPA section 462(c)(3); and

5. to meet the work test requirements of the State Unemployment Compensation system.

The sub-state resource distributions are for activities funded under section 7(a) of the Wagner-Peyser Act. Section 7(a) authorizes 90% of the amounts allocated to each state to be used to support the basic labor exchange service.

The distributions are listed by the 28 Pennsylvania Service Delivery Areas. The monetary figures represent planned cost for personal salaries and personal benefits of Job Service/Job Center personnel delivering Wagner-Peyser section 7(a) direct services within each Service Delivery Area (SDA).

The following formula was utilized in producing the sub-state resource distribution: 60% based on the civilian

labor force within the SDA; 30% based on the number of unemployed within the SDA; 5% based on the number of non-college bound public and private high school graduates; and 5% based on the number of public and non-public high school dropouts (ages 21 and under).

The funding formula reflects Pennsylvania's Employment and Training Plan, the joint goals of the Job Training Partnership and Wagner-Peyser Acts Programs and the funding methodology from the Federal Government.

An interested party wishing to comment on the sub-state resource distribution must do so in writing by the close of business on May 15, 1998. Comments should be forwarded to: John C. Vogel, Director, Bureau of Employment Services and Training, 12th Floor, Labor and Industry Building, Seventh and Forster Streets, Harrisburg, PA 17120.

## DEPARTMENT OF TRANSPORTATION

### Duty of Issuing Agent to Verify Purchase Price of Vehicle at Time of Sale/Registration

#### Addendum

The Department of Transportation, Bureau of Motor Vehicles, pursuant to the authority contained in the Act of April 17, 1997, P. L. 6, No. 3 (75 Pa.C.S. § 1318(d)), published at 27 Pa.B. 3286 (July 6, 1997), the manner by which issuing agents shall verify that the purchase price of a motor vehicle, as stated upon the application for certificate title and/or registration, approximates the fair market value of the motor vehicle.

As provided in the notice appearing at 27 Pa.B. 3286 (July 6, 1997), the Department approved several nationally recognized publications which issuing agents may use to determine the fair market value of a motor vehicle.

Further, the notice also prescribes the method for authenticating the fair market value when the purchase price, in certain circumstances, appearing on the application for title and/or registration is less than the appropriate, approved publication's stated retail value for the particular motor vehicle.

As provided in the notice appearing at 27 Pa.B. 3286, the certificate of title/registration applicant and the seller shall, on a form provided by the Department, explain and attest before a notary public the reason why the purchase price is less than the appropriate, approved publication's stated retail value for the vehicle.

Presently, the form in these instances required by the Department to be completed by both the applicant for title/registration and the seller is the Form MV3, "Motor Vehicle Verification of Fair Market Value by the Issuing Agent." The Department, however, after review and discussion with issuing agents and other affected persons, has determined that completion of this form is not required for a new vehicle being sold to the first retail customer; for reconstructed vehicles, recovered theft vehicles, specially constructed vehicles, flood vehicles, or vehicles that were formerly police or taxi vehicles; for lease buyout vehicles by the lessee; or for vehicles transferred upon the death of owner(s).

Moreover, as part of the Department's continuing commitment to review its procedures and make amendment to the same when it eliminates unnecessary or burdensome requirements, the Department has also determined that when the Form MV-3 is required and when the vehicle is purchased out-of-state, only the signature of the Pennsylvania purchaser/applicant is necessary on the form and not that of the out-of-state seller.

Further information on the Department's procedures for verifying the purchase price of a vehicle at the time of sale/registration may be found at 27 Pa.B. 3286 (July 6, 1997).

Questions, comments, or suggestions may be submitted to the new contact person: Randolph Swartz, Manager, Research & Support Operations Section, 1101 South Front Street, Riverfront Office Center, Third Floor, Harrisburg, Pennsylvania, 17104; (717) 787-9720.

### Retention of Engineering Firms

#### Statewide

#### Project Reference No. 08430AG2183

The Department of Transportation will retain an engineering firm to provide fabrication inspection of prestressed/precast concrete products under the supervision of the Chief Structural Materials Engineer. This inspection will be performed "Statewide" and at out-of-state locations as directed by the Chief Structural Materials Engineer. The Contract will include inspection of reinforced concrete pipe and other items incidental to highway construction designated by the Department. Inspection will be conducted in accordance with the Department's Publication No. 145. The Contract will be for a period of twenty-four (24) months, commencing January 1, 1999.

The Department will establish an order of ranking of a minimum of three (3) firms for the purpose of negotiating an Engineering Agreement based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The selected firm will be required to furnish approximately fifteen (15) to thirty (30) qualified inspectors at various Statewide and out-of-state fabrication shops as the workload dictates. Occasional field inspection at projects sites is required. Attendance may be required at pre-fabrication meetings with Department engineers and fabrication personnel. The selected firm will be required to furnish two (2) inspection supervisors (one in the eastern region, one in the western region) to provide direct daily supervision of the inspection activities.

Under the direction of the Department, the selected firm will be required to keep records and document the

fabrication process; provide quality assurance inspection and perform acceptance tests; submit weekly progress reports; exercise control over materials and workmanship to ensure conformance to specifications; provide a detailed final report and a tabulated list of prestressed/precast concrete quantities shipped to Department projects.

The selected firm must provide all necessary test equipment listed in Publication 145 including a slump cone, air meter and all specification references at each assigned plant.

The project manager may be required to perform professional services as a Staff Engineer, including but not limited to plant approval, quality control plan and mix design review, at the direction of the Department.

The selected firm must also provide the services of a Specifications Engineer and a Forensics Engineer when required. The Specifications Engineer will be required to work in conjunction with Department staff to coordinate and review specification changes from the clearance transmittal process through final implementation. In addition, the selected firm will be asked to participate in the forensic analysis of concrete items by providing the services of a specialized concrete engineer, well versed in the concrete technology field, if directed by the Department.

The job descriptions for all classifications may be obtained from the Structural Materials Engineer who is identified at the end of this solicitation.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Ability to package and present the Letter of Interest in accordance with the "General Requirements and Information" section.
- b. Review of the inspector's qualifications with emphasis on prestressed/precast concrete fabrication inspection experience.
- c. Understanding of Department requirements, policies and specifications including the ACI and AASHTO references.
- d. Review of the firm's "supervision plan" for the plant inspection staff.
- e. Number of qualified prestressed/precast concrete fabrication inspectors available for this agreement.
- f. Key personnel experienced with precast and prestressed concrete plant fabrication inspection and practices.
- g. Firm's past performance of prestressed/precast inspection in fabrication plants.
- h. Firm's in-house training program.
- i. Branch office in Pennsylvania.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employees will be reviewed and approved by the Department.

The qualifications and experience required for ninety (90) percent of the inspectors are as follows:

1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) as a technician, Level II or higher in Construction Materials Testing/Concrete, Transportation/Highway Construction, or Transportation/Highway Materials OR

2. Be certified by the American Concrete Institute (ACI) as Concrete Field Testing Technician-Grade I, OR

3. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required concrete fabrication experience for the specified Inspection Classification acceptable to the Department, OR

4. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required concrete fabrication experience for the specified Inspection Classification acceptable to the Department, OR

5. Hold a Bachelor of Science Degree in Civil Engineering or a Bachelor of Science in Civil Engineering Technology with the required concrete fabrication experience for the specified for the Inspection Classification acceptable to the Department, OR

6. Hold an Associate Degree in Civil Engineering Technology with the required concrete fabrication experience for the specified Inspection Classification acceptable to the Department.

The staff assigned to prestressed concrete fabrication inspection must be high school graduates with no less than three (3) years in concrete construction of which one (1) year is in the prestressed concrete fabrication field.

The staff assigned to precast box culvert fabrication inspection must be high school graduates with no less than three (3) years in concrete construction of which one (1) year is in the prestressed concrete fabrication field or the precast concrete box culvert fabrication field.

The staff assigned to precast concrete inspection must be high school graduates with no less than three (3) years in construction of which one year is in the concrete fabrication field.

The Staff Engineer (Manager) of the inspection personnel must be a Professional Engineer registered in Pennsylvania with a minimum of three (3) years of prestressed/precast fabrication related experience. One (1) year must be directly related to prestressed concrete plant fabrication.

An Inspection Supervisor is required to be a Professional Engineer registered in the Commonwealth of Pennsylvania or meet the requirements of a prestressed concrete inspector. The Inspection Supervisor is required to provide direct supervision of the inspection staff by making routine visits to assigned plants.

Also, the following minimum qualifications will be taken into consideration:

- a. Ability to speak, write, read and understand the English language.
- b. Have basic knowledge of prestressed/precast concrete fabrication.
- c. Prior experience in prestressed/precast concrete plant fabrication inspection.
- d. Capable of acting as a direct representative of the Engineer.

The maximum straight time reimbursement per hour of inspection for each Department Payroll Classification for calendar years 1999 and 2000 will be as follows:

<i>Payroll Classification</i>	<i>Maximum Straight Time Reimbursement Per Hour Of Inspection</i>	
	1999	2000
Prestressed Concrete- Box Culvert Inspector (PS/BC-I) *	\$41.92	\$43.38
Precast Concrete-Reinforced Concrete Pipe Inspector (PC/RCP-I)	\$37.82	\$43.38
Inspection Supervisor *	\$55.51	\$57.46
Staff Engineer *	\$88.55	\$88.55
Specifications Engineer *	\$88.55	\$88.55
Forensics Engineer *	\$88.55	\$88.55

Letters of Interest for this project must include a letter, signed by the individuals you propose for the classifications marked with an asterisk (\*) above giving their approval to use their name in your letter of interest for this specific project.

The second copy of the letter of interest and required forms, (see general requirements and information section shall be sent to: Director, Bureau of Construction and Materials, 1118 State Street, Harrisburg, PA 17120. Attention: Mr. William Miller.

Any technical questions concerning the requirements for this project should be directed to: Mr. William J. Miller, P.E., Chief Structural Materials Engineer, Bureau of Construction & Materials at (717) 787-1950.

Any questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

### **General Requirements and Information**

Firms interested in providing the above work and services are invited to submit two copies of a Letter of Interest are required information for each Project Reference Number for which the applicant wishes to be considered.

The first copy of the Letter of Interest and required information must be submitted to:

Mr. Charles W. Allwein, P.E., Chief Consultant Selection Committee 7th Floor, Forum Place 555 Walnut Street P.O. Box 3060 Harrisburg, Pennsylvania 17105-3060

Note: The Zip Code for express Mailing is 17101-1900

The Letter of Interest and required information must be received within twenty (20) calendar days of this Notice. The Deadline for receipt of a Letter of Interest at the above address is 4:30 P.M. prevailing time of the twentieth day.

The second copy of the letter of interest and required information must be submitted to the appropriate District Engineer/Administrator or the Bureau Director as indicated in the individual advertisement. This copy must be postmarked or delivered on or before the deadline indicated above.

If an individual, firm, or corporation not authorized to engage in the practice of engineering desires to submit a Letter of Interest, said individual, firm, or corporation may do so as part of a Joint Venture with an individual, firm, or corporation which is permitted under the state law to engage in the practice of engineering.

If a Joint Venture responds to a project advertisement, the Department of Transportation will not accept separate Letters of Interest from the Joint Venture constituents. A firm will not be permitted to submit on more than one (1) Joint Venture for the same Project Reference Number. Also a firm that responds to a project as a prime may not be included as a designated subcontractor to another firm that responds as a prime to the project. Multiple responses under any of the foregoing situations will cause the rejection of all responses of the firm or firms involved. The above does not preclude a firm from being set forth as a designated subcontractor to more than one (1) prime responding to the project advertisement.

If a goal for Disadvantaged Business Enterprise (DBE) participation is established for an advertised project, firms expressing interest in the project must agree to ensure that Disadvantaged Business Enterprise (DBE) firms as defined in the Intermodal Surface Transportation Efficiency Act of 1991 and currently certified by the Department of Transportation shall have the maximum opportunity to participate in any subcontracting or furnishing supplies or services approved under Form 442, Section 1.10(a). The Act requires that firms owned and controlled by women (WBEs) be included, as a presumptive group, within the definition of Disadvantaged Business Enterprise (DBE). The goal for DBE participation shall be as stated in the individual project advertisement. Responding firms shall make good faith efforts to meet the DBE goal using DBEs (as they were defined prior to the act, WBEs or combinations thereof.

Proposing DBE firms must be certified at the time of submission of the Letter of Interest. If the selected firm fails to meet the established DBE participation goal, it shall be required to demonstrate its good faith efforts to attain the goal.

Responses are encouraged by small firms, Disadvantaged Business Enterprise (DBE) firms, and other firms who have not previously performed work for the Department of Transportation.

Each Letter of Interest must include the following information and the information must be packaged and presented in the following order:

1. Transmittal Letter (Maximum of two (2) 8 1/2" x 11" typed pages, one side)

The subject heading of the transmittal letter must include the project reference number for which the applicant wishes to be considered, the firm's legal name, fictitious name (if applicable), and the firm's federal identification number. If the project advertisement indicated the Department will retain an engineering firm for the project, the applicant must indicate in the body of their transmittal letter the names and Professional Engineer License Number of individuals who are directing heads or employees of the firm who have responsible charge of the firm's engineering activities, and whose names and seals shall be stamped on all plans, specifications, plats, and reports issued by the firm.

2. Project Organizational Chart (one page, one side, maximum size 11" x 17")

This Chart must show key staff from the prime and each subconsultant and their area of responsibility.

3. Standard Form 255, "Architect-Engineer and Related Services Questionnaire for Specific Project" (one Form 255 for the project team)

The Standard Form 255 must be signed, dated, and filled out in its entirety, including Item No. 6 listing the proposed subconsultants and the type of work or service they will perform on the project.

Under Item 4 of this form, Column A must specify only the number of subconsultant personnel and Column B must specify only the number of prime consultant personnel to be assigned to work on this project reference number. Do not include the total personnel for either the subconsultant or prime consultant under Item 4 unless the total personnel are necessary to provide the required work and services.

The prime and each subconsultant may include no more than one page each for Items 10 and 11.

If a Disadvantaged Business Enterprise (DBE) goal is specified for the project, the DBE must be currently certified by the Department of Transportation, and the name of the DBE and the work to be performed must be indicated in Item No. 6. If a Woman Business Enterprise (WBE) firm is substituted for the DBE, the WBE firm must also be presently certified by the Department of Transportation and indicated in Item 6.

4. Standard Form 254, "Architect-Engineer for Related Services Questionnaire"

A Standard Form 254, not more than one (1) year old as of the date of this advertisement, must accompany each Letter of Interest for the firm, each party to a Joint Venture, and for each subconsultant the firm or Joint Venture is proposing to use for the performance of professional services regardless of whether the subconsultant is an individual, a college professor, or a Company, unless an acceptable Standard Form 254 for the prime and each subconsultant/subcontractor is on file in both the Bureau of Design and the Engineering District Office or Central Office Bureau identified in the individual project advertisement.

If the Standard Form 254 is not submitted with the Letter of Interest, the transmittal letter shall indicate the dates that the Standard Forms 254 were submitted to the Bureau of Design and appropriate Engineering District/Central Office Bureau.

These Forms must be assembled with the prime's form first, followed by the form for each subconsultant in the same order as the subconsultants appear in Item 6 of Form 255.

5. Workload Projection Graph (Not required for Construction Inspection Services)

Separate Workload Projection Graphs for the prime and each subconsultant shown in Item 6 of the Form 255 must be included and must indicate the firm's current and anticipated workload compared to the anticipated capacity available for the next two-year time frame. The Workload Projection Graphs must be submitted for the office(s) where the work would be performed and must only include the personnel classifications required for providing the advertised services and work.

6. Authorization Letters (For Construction Inspections Services, if required)

If the advertisement requires a letter signed by individuals giving their approval to use their name in the Letter of Interest, the letters from proposed prime employees must be first, followed by subconsultant employees, in the same order as shown in Item 6 of Form 255.

7. Registration To Do Business

Firms with out-of-state headquarters or corporations not incorporated in Pennsylvania must include, with each Letter of Interest, a copy of their registration to do business in the Commonwealth as provided by the Department of State. Firms who are not registered to do business in Pennsylvania at the time of this advertisement must document that they have applied for registration to the Department of State, Corporation Bureau. The telephone number for the Corporation Bureau is (717) 787-1057 or (717) 787-2004.

8. Overhead Rates (one page)

A single page summary must indicate the latest audited overhead rate developed in accordance with Federal Acquisition Regulations (FAR) for the prime consultant and each subconsultant. If a FAR rate is not available, the latest rate available from a Certified Public Accountant must be indicated. New firms should indicate how long the firm has been in existence and when an audited overhead rate would be available.

9. Additional Information

Additional information, not to exceed ten (10) one sided 8 1/2" x 11" pages or five (5) double sided 8 1/2" x 11" pages may be included at the discretion of the submitting firm.

The assignment of the agreement/contract for the above advertisement(s) will be made to one of the firms who submitted an acceptable Letter of Interest in response to the project advertisement. The assignment will be made based on the Department's evaluation of the firm's qualification and capabilities. The Department reserves the right to reject all letters submitted, to cancel the solicitations requested under this Notice, and/or to readvertise solicitation for the work and services. Bradley L. Mallory Secretary of Transportation

## PENNSYLVANIA PUBLIC UTILITY COMMISSION

### Petition of Millersburg Ferry Boat Association for Declaratory Order; Doc. No. P-00981356

Millersburg Ferry Boat Association (Millersburg), by its counsel, has filed a petition requesting a declaratory order that the operation of the ferry does not constitute the provision of common carrier services as defined in section 102 of the Public Utility Code. The petition is docketed at P-00981356.

According to Millersburg, the ferry does not provide a monopoly service nor does it provide the exclusive means of crossing the Susquehanna River. In this regard, Millersburg asserts that the ferry cannot be seen as a necessity for it is a seasonal venture that does not run on a schedule, but instead runs when there is a sufficient number of visitors to make the running profitable. Millersburg also asserts that the provision of transportation service by the ferry is merely incidental to its primary purpose of providing amusement and a unique historical experience to its passengers. As such, Millersburg concludes that the provision of transportation service by the ferry can be analogized to the provision of

horse and carriage service which is not subject to the Pennsylvania Public Utility Commission's (Commission) jurisdiction. 52 Pa. Code § 41.20. In conclusion, Millersburg avers that the costs and expenses imposed by Commission regulation, both in terms of compliance with Commission regulations and the cost of annual assessments, are a substantial and unnecessary burden upon Millersburg.

Persons desiring to be heard or to protest this filing should file a petition to intervene and answer with the Secretary, Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265 in accordance with 52 Pa. Code § 1.1 et seq. All petitions to intervene and answers should be filed on or before the 20th day following publication of this notice. Copies of the petition are on file with the Commission and are available for public inspection. The contact person is Assistant Counsel Stanley E. Brown at (717) 783-3968.

## DEPARTMENT OF GENERAL SERVICES

Notices of invitations for bids and requests for proposals on State contracts for services and commodities for which the bid amount is reasonably expected to be over \$10,000, are published in the State Contracts Information Section of the *Pennsylvania Bulletin* prior to bid opening date. Information in this publication is intended only as notification to its subscribers of available bidding and contracting opportunities, and is furnished through the Department of General Services, Vendor Information and Support Division. No action can be taken by any subscriber or any other person, and the Commonwealth of Pennsylvania is not liable to any subscriber or any other person, for any damages or any other costs incurred in connection with the utilization of, or any other reliance upon, any information in the State Contracts Information Section of the *Pennsylvania Bulletin*. Interested persons are encouraged to call the contact telephone number listed for the particular solicitation for current, more detailed information.

**EFFECTIVE JULY 1, 1985, A VENDOR'S FEDERAL IDENTIFICATION NUMBER (NUMBER ASSIGNED WHEN FILING INCOME TAX DOCUMENTS) OR SOCIAL SECURITY NUMBER IF VENDOR IS AN INDIVIDUAL, MUST BE ON ALL CONTRACTS, DOCUMENTS AND INVOICES SUBMITTED TO THE COMMONWEALTH.**

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". A qualified small business concern is an independently owned, operated for profit, business employing 100 or fewer employes and is not a subsidiary or affiliate of a corporation otherwise not qualified.

Such penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter. The small business concern must include on every invoice submitted to the Commonwealth: "(name of vendor) is a qualified small business concern as defined at 4 Pa. Code § 2.32".

For information on the required payment date and annual interest rate, please call the Pennsylvania Department of Commerce, Small Business Action Center, 483 Forum Building, 783-5700.

## GET A STEP AHEAD IN COMPETING FOR A STATE CONTRACT!

The Treasury Department's Bureau of Contracts and Public Records can help you do business with state government agencies. Our efforts focus on guiding the business community through the maze of state government offices. The bureau is, by law, the central repository for all state contracts over \$5,000. Bureau personnel can supply descriptions of contracts, names of previous bidders, pricing breakdowns and other information to help you submit a successful bid on a contract. We will direct you to the appropriate person and agency looking for your product or service to get you "A Step Ahead." Services are free except the cost of photocopying contracts or dubbing a computer diskette with a list of current contracts on the database. A free brochure, "Frequently Asked Questions About State Contracts," explains how to take advantage of the bureau's services.
