

PROPOSED RULEMAKING

GAME COMMISSION

[58 PA. CODE CHS. 131 AND 135]

Field Acknowledgment of Guilt; Controlled Goose Hunting

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission) at its April 9, 1999, meeting proposed the following amendments:

Add § 131.7 (relating use of the field acknowledgment of guilt in Philadelphia County) to allow district wildlife conservation officers to accept penalties for guilty pleas with the field acknowledgment of guilt, therefore assuring that the penalties will be deposited in the Game Fund.

Amend Chapter 135, Subchapter F (relating to special wildlife management areas) to allow the administration of special wildlife management areas at Middle Creek and Pymatuning to more efficiently manage these areas as well as provide more opportunities to hunters and trappers.

These proposed amendments will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for this proposed rulemaking is 34 Pa. Code (relating to Game and Wildlife Code) (code).

These proposals were made public at the April 9, 1999, meeting of the Commission, and comments on these proposals can be sent to the Executive Director of the Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, until May 31, 1999.

Proposed Addition of § 131.7

1. Introduction

To more effectively administer the code, the Commission at its April 9, 1999, proposed adding § 131.7. This addition was necessitated by and proposed as a result of changes to section 926 of the code (relating to acknowledgment of guilt and receipt for payment) made by the act of December 21, 1998 (P. L. 1274, No. 166) (Act 166).

2. Purpose and Authority

Act 166 added a subsection (d) to section 926 of the code which reads as follows:

(d) *Limitations of acknowledgments of guilt.* On and after June 30, 1999, acknowledgments of guilt pursuant to this section shall be used only in such counties as the commission may designate by regulation for such use. The commission shall only designate such counties for continued use of field acknowledgment as it finds to have summary offense procedures that differ from Statewide summary offense procedures.

The Commission has determined that there is only one county that currently fits that description—Philadelphia County. As a result, the Commission has proposed to designate Philadelphia County for continued use of field acknowledgments of guilt on and after June 30, 1999.

3. Regulatory Requirements

The proposed designation does not change anything from what currently exists in Philadelphia County.

4. Persons Affected

Individuals violating the code in Philadelphia County could be affected by the proposed designation.

5. Cost and Paperwork Requirements

None, over what currently exists.

6. Effective Date

This proposed change would be effective June 30, 1999, and would remain in effect until changed by the Commission.

Proposed Amendment of Chapter 135, Subchapter F

1. Introduction

To better administer the special wildlife management areas at Middle Creek and Pymatuning, the Commission at its April 9, 1999, proposed making several changes to Subchapter F. The changes include a provision for the issuance of trapping permits by drawing in addition to the current first-come issuance; provisions changing the application deadlines and drawing dates for controlled goose hunting area blinds, a reduction in the goose limit in the controlled goose hunting areas at the Middle Creek Wildlife Management Area (MCWMA); a reduction in the number of controlled duck hunting area blinds at Pymatuning Wildlife Management Area (PWMA); and a provision for a designee to set dates for drawings of permits for special rabbit and squirrel hunts. This proposal is made under the authority contained in section 721(a) of the code (relating to control of property).

2. Purpose and Authority

The administration of the special wildlife management areas at MCWMA and PWMA is a dynamic process which sometimes requires adjustments to procedures. The providing of an option for the random drawing of names of applicants for trapping permits and adjustment of timing of the random drawing of applications for goose blinds should make the processes more efficient and fairer. It has also been decided that the bag limit in the controlled goose hunting areas at MCWMA should be reduced from two to one and that the number of permits to hunt in the controlled duck hunting areas PWMA should be reduced from 185.

Finally, the Commission is proposing that the Executive Director be authorized to delegate the setting of the dates for drawing of applications for permits to participate in special rabbit and squirrel hunts in controlled hunting areas of MCWMA. These changes are being proposed under authority contained in section 721(a) of the code which requires the Commission to promulgate regulations necessary to properly manage State game lands.

3. Regulatory Requirements

For the most part, the proposals involve changes to procedures with no additional requirements. The bag limit in the controlled goose hunting areas at the MCWMA and the number of permits to hunt ducks in the controlled duck hunting area of the PWMA will be reduced.

4. Persons Affected

Persons wishing to engage in the specified activities at the PWMA and MCWMA may be affected by the proposed changes.

5. Cost and Paperwork Requirements

The proposed changes would not result in any additional cost or paperwork.

6. Effective Date

These proposed changes would be effective on final publication in the Pennsylvania Bulletin and would remain in effect until changed by the Commission.

[58 PA. CODE CH. 141]**Hunting Hours**

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission) at its April 9, 1999, meeting, proposed the following amendments:

Amend § 141.4 (relating to hunting hours) to allow the hunting of mourning doves the entire day during the 1999-2000 hunting season; and § 141.26 (relating to early Canada goose hunting season on Middle Creek Wildlife Management Area) to allow the controlled area at Middle Creek to be opened during both an early and regular season.

These proposed amendments will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for this proposal is 34 Pa.C.S. (relating to Game and Wildlife code) (code).

This proposal was made public at the April 9, 1999, meeting of the Commission, and comments on this proposal can be sent to the Executive Director of the Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, until May 31, 1999.

*Proposed Amendment to § 141.4***1. Introduction**

To more effectively manage the wildlife resources of this Commonwealth, the Commission, at a meeting held on April 9, 1999, proposed a change to § 141.4 to expand the hunting hours for hunting mourning doves. This change was proposed under sections 322(c)(1) and 2102(a) of the code (relating to powers and duties of the Commission; and regulations).

2. Purpose and Authority

The current § 141.4(1) provides that mourning doves may be hunted from noon to sunset during the first season. It appears that mourning dove populations are sufficient to permit full hunting days during the first season. The proposed change would allow this.

Section 322(c)(1) of the code empowers the Commission to fix daily shooting or taking hours. Section 2102(a) of the code authorizes the Commission to promulgate regulations relating to the hunting of game or wildlife in this Commonwealth. The proposed change would be adopted under this authority.

3. Regulatory Requirements

The proposed change would not result in any additional regulatory requirements but rather would relax current requirements.

4. Persons Affected

Individuals wishing to hunt mourning doves would be affected by the proposed change.

*Proposed Amendment to § 141.26***1. Introduction**

To effectively manage the wildlife resources of this Commonwealth, the Commission at its April 9, 1999, meeting proposed changing § 141.26 to provide for goose hunting in both the early and regular seasons in the controlled area of Middle Creek Wildlife Management Area (MCWMA). This change was proposed under sections 322(c)(1) and 2102(b)(1) of the code.

2. Purpose and Authority

The Commission is required to set hunting and furtaking seasons and bag limits on an annual basis. Section 322 of the code specifically empowers the Commission to fix seasons for any species of game or wildlife. Section 2102(b) of the code mandates that the Commission promulgate regulations relating to seasons and bag limits.

Because of concerns about the migratory populations of Canada geese, the United States Fish and Wildlife Service will probably approve a very short regular Canada goose season in this Commonwealth. At the same time, the population of resident Canada geese has dramatically increased, resulting in numerous nuisance geese complaints. Authorizing goose hunting during both the regular and early seasons in the controlled goose hunting area of MCWMA should help to resolve this dilemma.

3. Regulatory Requirements

The proposed change will relax current regulatory requirements.

4. Comment and Paperwork Requirements

Persons wishing to hunt geese at MCWMA would be affected by the change.

5. Cost and Paperwork Requirements

The proposed changes will not result in any additional cost or paperwork, either to the Commission or to hunters.

6. Effective Date

The proposed changes would be effective on final publication in the *Pennsylvania Bulletin* and would remain in effect until changed by the Commission.

7. Contact Person

For further information on the proposed changes contact James R. Fagan, Director, Bureau of Law Enforcement, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, (717) 783-6526.

**[58 PA. CODE CH. 135]
Use of ATVs on State Game Lands**

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission) at its April 9, 1999, meeting, proposed the following amendment to Chapter 135, Subchapter C (relating to State game lands) by adding eight new sections to allow the use of all-terrain vehicles (ATVs) on designated State game land roads for persons who hold a valid disabled person permit to hunt from a vehicle.

These proposed regulations will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for the proposal is 34 Pa.C.S. (relating to Game and Wildlife Code) (code).

This proposal was made public at the April 9, 1999, meeting of the Commission, and comments on this proposal can be sent to the Executive Director of the Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, until May 31, 1999.

Proposed Amendments to Chapter 135, Subchapter C

1. *Introduction*

To expand recreational opportunities for sportsmen holding disabled permits, the Commission at a meeting held on April 9, 1999, proposed to add §§ 135.49—135.56. This proposed action would be taken under the authority in section 721(a) of the code (relating to control of property).

2. *Purpose and Authority*

As a result of meetings held between representatives the Commission and representatives of disabled sportsmen, the Commission has decided to propose limited use of ATVs on designated game lands roads by holders of disabled person permits. This would expand accessibility

for disabled sportsmen and provide them with more recreational opportunities. The use of ATVs would be restricted to protect wildlife responses. Section 721(a) of the code requires the Commission to promulgate regulations necessary to properly manage State game lands.

3. *Regulatory Requirements*

This proposal would expand opportunities for hunters with disabilities.

4. *Persons Affected*

Persons holding disabled person permits would have expanded hunting opportunities. Because of limitations, it is anticipated that impact on other hunters would be minimal.

5. *Cost and Paperwork Requirements*

A towing vehicle placard would be required and issued free of charge. This would be the only additional requirement.

6. *Effective Date*

These proposed regulations would be effective on final publication in the *Pennsylvania Bulletin* and would remain in effect until changed by the Commission.

7. *Contact Person*

For further information on the proposed regulations, contact James R. Fagan, Director, Bureau of Law Enforcement, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, (717) 783-6526.

STATE BOARD EXAMINERS OF NURSING HOME ADMINISTRATORS

[49 PA. CODE CH. 39]

Fees

The State Board of Examiners of Nursing Home Administrators (Board) proposes to amend § 39.72 (relating to fees) by revising certain fees to read as set forth in Annex A.

A. Effective Date

The proposed amendment would be effective upon publication of the final-form regulation in the *Pennsylvania Bulletin*.

B. Statutory Authority

The proposed amendment is authorized under section 7.1(a) of the Nursing Home Administrators License Act (act) (63 P. S. § 1107.1(a)).

C. Background and Purpose

Section 7.1(a) of the act requires the Board to set fees by regulation so that revenues meet or exceed expenditures over a biennial period. General operating expenses of the Board are funded through biennial license renewal fees. Expenses related to applications or services which are provided directly to applicants are excluded from general operating revenues and are funded through fees in which the cost of providing a service forms the basis for the fee.

In a recent systems audit of the operations of the Board within the Bureau of Professional and Occupational Affairs, the fees for services to licensees and applicants were analyzed to determine if the fees reflected the actual cost of providing the services. Actual costs are based upon the following formula:

$$\begin{aligned} & \text{Number of minutes to perform the function} \\ & \qquad \qquad \qquad \times \\ & \text{Pay rate for the classification of personnel performing the} \\ & \qquad \qquad \qquad \text{function} \\ & \qquad \qquad \qquad + \\ & \text{A proportionate share of administrative overhead} \end{aligned}$$

The analysis determined that current fees do not accurately reflect the actual cost of processing license applications, or the cost of the National Association of Examiners of Long Term Care Administrators (N.A.B.) examination or the complete licensing examination. Current fees do not reflect the actual costs of issuing temporary permits, certification of examination scores, verification of licensure, verification of temporary permits, continuing education provider applications and continuing education individual program applications. Fees for temporary permits, certification of examination scores, verification of licensure, continuing education provider

applications and continuing education program applications have not been revised since July 23, 1988. While the fee for license applications has not been revised since December 22, 1990, fees for the N.A.B. examination and the complete licensing examination were last revised on January 27, 1996. The Board fee for verification of temporary permits is a new fee. The fee charged to continuing education providers exceeded the actual cost of the service provided, but all other fees fell short of the cost to provide the service.

In this proposal, fees for the services identified would be adjusted to allocate costs to those who use the service or application. The Board would continue to apportion the enforcement and operating costs to the general licensing population when the Board makes its biennial reconciliation of revenues and expenditures.

D. Compliance with Executive Order 1996-1

In accordance with Executive Order 1996-1 (February 6, 1996), in drafting and promulgating the proposed amendment, the Board considered the least restrictive alternative to regulate costs for services requested by licensees and applicants.

E. Fiscal Impact and Paperwork Requirements

The proposed amendment will have no adverse fiscal impact on the Commonwealth or its political subdivisions. The fees will have a modest fiscal impact on those members of the private sector who apply for services from the Board. The proposed amendment will impose no additional paperwork requirements upon the Commonwealth, political subdivisions or the private sector.

F. Sunset Date

The Board continuously monitors the cost effectiveness of its regulations. Therefore, no sunset date has been assigned.

G. Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on April 30, 1999, the Board submitted a copy of this proposal to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the House Professional Licensure Committee and the Senate Consumer Protection and Professional Licensure Committee (Committees). In addition to submitting the proposal, the Board has provided IRRC and the Committees with a copy of a detailed regulatory analysis form prepared by the Board in compliance with Executive Order 1996-1, "Regulatory Review and Promulgation." A copy of this material is available to the public upon request.

Under section 5(g) of the Regulatory Review Act, if IRRC has objections to any portion of the proposal, it will notify the Board within 10 days of the close of the committees' review period. The notification shall specify the regulatory review criteria which have not been met by that portion. The Regulatory Review Act specifies detailed procedures for review, prior to final publication of the

regulation, by the Board, the General Assembly and the Governor, of objections raised.

H. Public Comment

Interested persons are invited to submit written comments, suggestions or objections regarding the proposal to Melissa Wilson, Board Administrator, State Board of Examiners of Nursing Home Administrators, 116 Pine Street, Post Office Box 2649, Harrisburg, PA 17105-2649, within 30 days of publication of this proposed rulemaking. Please reference No. 16A-626 (Fees), when submitting comments.
