(e) Applicants that do not receive funding during any of the rounds will be notified at the end of the fiscal year.

(f) Follow up information as to the status of submitted grant applications may be obtained by contacting the Department's Customer Service Center. However, calls are not encouraged. Please remember that the demand for this program is very high, and staff may not be familiar with each individual application. Applicant care in preparation of the application will assist the Department in processing the application.

The Department will have free access to these records including invoices of material and other relative data and records, as well as the right to inspect all project work. The applicant shall furnish upon request of the Department all data, reports, contracts, documents and other information relevant to the project.

(c) Approved grants in the amount of \$100,000 or more require the grantee to provide an audit of the grant by a certified public accountant, prepared at the expense of the grantee, in compliance with Pennsylvania State law.

§ 123.7. Limitations and penalties.

(a) This section identifies program limitations or penalties, or both, that may result from the misuse of the grant funds.

(b) An applicant may not make or authorize any substantial change in an approved project without first obtaining consent of the Department in writing.

(c) If the full amount of the grant is not required for the project, the unused portion of the grant shall be returned to the Department.

(d) Failure to comply with procedures may result in penalties, including repayment of funds with interest.
