# READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

## ***Pennsylvania Bulletin***

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

## **Adoption, Amendment or Repeal of Regulations**

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

*Bulletin* before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

## **Citation to the *Pennsylvania Bulletin***

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

## ***Pennsylvania Code***

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

## **How to Find Documents**

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

#### **Printing Format**

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [ ] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

#### **Fiscal Notes**

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where "no fiscal impact" is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

#### **Reproduction, Dissemination or Publication of Information**

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

##### **§ 3.44. General permission to reproduce content of Code and Bulletin.**

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

# THE COURTS

## Title 225—RULES OF EVIDENCE

[225 PA. CODE CH. ART. IV]

### Inadmissibility of Pleas, Plea Discussions and Related Statements

The Committee on Rules of Evidence is planning to recommend that the Supreme Court of Pennsylvania amend Rule of Evidence 410 and approve the revision of the Comment to Rule of Evidence 410.

The Committee proposes this amendment and Comment revision to Rule 410 to provide that the rule applies only to criminal cases except for impeachment of credibility in any proceeding.

The proposal has not been submitted for review by the Supreme Court of Pennsylvania.

The following explanatory Report highlights the Committee's considerations in formulating this proposal. Please note that the Committee's Reports should not be confused with the official Committee Comments to the rules. Also note that the Supreme Court does not adopt the Committee's Comments or the contents of the explanatory Report.

The text of the proposed rule changes precedes the Report. Additions are shown in bold and deletions are in bold and brackets.

We request that interested persons submit suggestions, comments, or objections concerning this proposal to the Committee through counsel,

Richard L. Kearns  
Staff Counsel  
Supreme Court of Pennsylvania  
Committee on Rules of Evidence  
5035 Ritter Road, Suite 800  
Mechanicsburg, PA 17055

no later than June 30, 2003

By the Committee on Rules of Evidence

CHARLES B. GIBBONS,  
Chair

#### Annex A

#### TITLE 225. RULES OF EVIDENCE

#### ARTICLE IV. RELEVANCY AND ITS LIMITS

#### Rule 410. Inadmissibility of Pleas, Plea Discussions and Related Statements.

(a) *General rule.* Except as otherwise provided in this rule, evidence of the following is not, in any [ **civil or** ] criminal proceeding, admissible against the defendant who made the plea or was a participant in the plea discussions:

\* \* \* \* \*

(3) any statement made in the course of any proceedings under Rules 409, 414, 424, 311, 313, or 590 of the Pennsylvania Rules of Criminal Procedure, Fed.R.Crim.P. 11, or any comparable rule or provision of law of Pennsylvania or any other jurisdiction regarding the pleas identified in subsections (a)(1) and (a)(2) of this rule; or

\* \* \* \* \*

(b) [ *Exception* ] *Exceptions.* [ A statement made in the course of a plea, proceedings or discussions ] This rule does not require the exclusion of a statement identified in subsection (a) [ of this rule is admissible ]:

(1) in any proceeding wherein another statement made in the course of the same plea or plea discussions has been introduced [ **by the defendant** ] and the statement ought in fairness to be considered contemporaneously with it [ , ] ; or

(2) in a criminal proceeding for perjury, false swearing or unsworn falsification to authorities if the statement was made by the defendant, under oath [ , **and in the presence of counsel.** ] ; or

(3) **in any proceeding if offered for the purpose of impeaching credibility.**

#### Comment

[ This rule is similar to F.R.E. 410. References to Rules 409, 414, 424, 311, 313, and 590 of the Pennsylvania Rules of Criminal Procedure and the comparable rules or other provisions of Pennsylvania or other jurisdictions have been added. Unlike the federal rule, subsection (b) of the Pennsylvania rule is set forth separately to indicate that it creates an exception applicable to all of subsection (a). ]

Pa.R.E. 410 reflects present Pennsylvania law. See *Commonwealth v. Jones*, 544 A.2d 54 (1988); *Commonwealth ex rel. Warner v. Warner*, 40 A.2d 886 (Pa. Super. 1945); Pa.R.Crim.P. 311(B), 313(B).

Pa.R.E. 410 does not prohibit the use of a conviction that results from a plea of nolo contendere, as distinct from the plea itself, to impeach in a later proceeding (subject to Pa.R.E. 609) or to establish an element of a charge in a later administrative proceeding. See *Commonwealth v. Snyder*, 182 A.2d 495 (1962) (conviction based on nolo contendere plea could be used to impeach witness in later criminal proceeding); *Eisenberg v. Commonwealth, Dep't. of Public Welfare*, 516 A.2d 333 (Pa. 1986) (conviction based on nolo contendere plea permitted to establish element of charge in administrative proceeding).

In addition, Pa.R.E. 410 does not govern the admissibility of pleas in summary proceedings involving motor vehicle matters, which is addressed in 42 Pa.C.S. § 6142. § 6142 provides:

§ 6142. *Pleas in vehicle matters* ]

This rule differs considerably from F.R.E. 410.

Pa.R.E. 410(a) sets forth the basic rule of exclusion. It is similar to the first sentence of F.R.E. 410, except that the Pennsylvania rule applies only in criminal cases. Citations of applicable Pennsylvania Rules of Criminal Procedure have been added.

The reason for making evidence of plea discussions and related statements inadmissible, despite its relevance, is to encourage plea bargaining in criminal cases. This is necessary to keep the criminal dockets manageable in many counties. Pa.R.E. 410 complements Pa.R.E. 408, which makes evidence of conduct or statements made in compro-

mise negotiations inadmissible, despite its relevance, in order to encourage the settlement of civil disputes.

Pa.R.E. 410(a) does not preclude introduction of evidence of a conviction, as distinguished from a plea. For example, a conviction that is based on a plea of *nolo contendere* may be introduced to impeach the credibility of the person convicted, if the crime involved dishonesty or false statement. See Pa.R.E. 609.

Pa.R.E. 410(b) sets forth three exceptions to the rule of inadmissibility. The first exception is contained in the federal rule. The second exception expands one that is contained in the federal rule. The third exception is not found in the federal rule.

Exception (1) is similar to the federal rule. It is based on concepts of equity and completeness. If a party opens the door by introducing one or more statements that were made during the course of plea bargaining, it is only fair to permit other statements to be introduced to rebut them, or place them in proper context. This exception is consistent with, but broader than, Pa.R.E. 106, which applies only to written and recorded statements.

Exception (2) is broader than the federal rule in that it does not require that a defendant's statement under oath be made in the presence of counsel in order to be admitted in a prosecution for perjury, false swearing, or unsworn falsification to authorities. Under Pennsylvania law, perjury is subject to punishment, whether or not a lawyer is present.

Exception (3) allows a defendant's statement, whether or not under oath, to be offered to impeach credibility, if the defendant testifies inconsistently in subsequent litigation, civil or criminal. The reason for this exception is to discourage the commission of perjury. Although this exception is not contained in the federal rule, the federal courts will enforce an agreement between the prosecution and the defendant to allow any statement that the defendant makes in the plea bargaining process to be used thereafter to impeach the defendant's credibility. See *U.S. v. Mezzanatto*, 513 U.S. 196, 115 S.Ct. 797, 130 L.Ed.2d 697 (1995).

A plea of guilty or *nolo contendere* to a summary offense under The Vehicle Code is made inadmissible in civil cases by statute. 42 Pa.C.S. § 6142 provides:

*Pleas in vehicle matters*

**REPORT**

*Proposed Amendment to Rule 410 and revision of Comment*

The Committee is proposing an amendment to Rule 410 and comment revision (Inadmissibility of Pleas, Plea Discussions, and Related Statements).

*I. Introduction*

As part of the continuous monitoring of the Rules of Evidence, the Committee became concerned that a party in any action could testify at odds with testimony in a plea bargain and could not be impeached. Addressing that concern, the Committee is proposing that Rule 410 be amended as follows:

1. The first sentence under (a) be changed to omit the words "civil or."

2. The first sentence in (b) is changed to make clear that the Rule deals with exclusion rather than admissibility of evidence.

3. The words "by the defendant" are deleted from (b)(1).

4. The words "and in the presence of counsel" are deleted from (b)(2).

5. A new paragraph (3) is added to 410(b) dealing with impeachment.

*II. Discussion*

The introductory language in (a) is changed to omit the reference to civil actions. Rule 410 thus applies to criminal cases only except as to impeachment under (b)(3).

The lead in language of Rule 410(b) is changed to be consistent with Rules 403 through 412, all rules of exclusion. Exception (i) has the words "by the defendant" deleted. It should make no difference whether the plea bargain statement is introduced by the defendant or some other party.

Exception (2) has the words "and in the presence of counsel" deleted. Perjury is punishable whether or not committed in front of a lawyer.

Exception (3) is added to discourage perjury so that the statement can be offered to impeach credibility in any proceeding, civil or criminal.

The Comment is completely revised so as to reflect the amendments and to describe the reasoning behind the amendments.

*And Now*, this 29th day of April, 2003, Rules 205.1, 236(a)(2) note, 1012 and 1025 of the Pennsylvania Rules of Civil Procedure are amended to read as follows.

This Order shall be processed in accordance with Pa.R.J.A. 103(b) and shall be effective September 1, 2003.

#### Annex A

### TITLE 231. RULES OF CIVIL PROCEDURE

#### PART I. GENERAL

#### CHAPTER 200. BUSINESS OF COURTS

**Rule 205.1. Filing Legal Papers. Mailing. Personal Presentation by Attorney Not Necessary.**

Any legal paper not requiring the signature of, or action by, a judge prior to filing may be delivered or

mailed to the prothonotary, sheriff or other appropriate officer accompanied by the filing fee, if any. Neither the party nor the party's attorney need appear personally and present such paper to the officer. The signature of an attorney on a paper constitutes a certification of authorization to file it. The endorsement of an address [ **within the Commonwealth** ] where papers may be served in the manner provided by Rule 440(a) shall constitute a sufficient registration of address. The notation on the paper of the attorney's current [ **certificate** ] **Supreme Court identification** number issued by the Court Administrator of Pennsylvania shall constitute proof of the right to practice in the [ **county** ] **Commonwealth**. A paper sent by mail shall not be deemed filed until received by the appropriate officer.

**Official Note:** The address endorsed on the legal paper must be one where the paper may be handed to or mailed to the attorney. See Rule 440(a)(1).

The filing of legal documents prepared on recycled paper of good quality is encouraged.

**Rule 236. Notice by Prothonotary of Entry of Order, Decree or Judgment.**

(a) The prothonotary shall immediately give written notice of the entry of

\* \* \* \* \*

(2) any other order, decree or judgment to each party's attorney of record or, if unrepresented, to each party. The notice shall include a copy of the order, decree or judgment.

**Official Note:** See Rules 1012 and 1025 as to the requirement of an address [ **within the Commonwealth** ] on an appearance and a pleading.

\* \* \* \* \*

**CHAPTER 1000. ACTIONS AT LAW**

**Subchapter A. CIVIL ACTION**

**VENUE AND PROCESS**

**Rule 1012. Entry of Appearance. Withdrawal of Appearance. Notice.**

(a) A party may enter a written appearance which shall state an address [ **within the Commonwealth** ] at which **pleadings and other legal papers** may be served in the manner provided by Rule 440(a)(1) and a telephone number. The appearance may also include a telephone facsimile number as provided in Rule 440(d). Such appearance shall not constitute a waiver of the right to raise any defense including questions of jurisdiction or venue. Written notice of entry of an appearance shall be given forthwith to all parties.

**Official Note:** Entry of a written appearance is not mandatory.

The address endorsed on the entry of appearance must be one where the paper may be handed to or mailed to the attorney. See Rule 440(a)(1).

The inclusion of a telephone number for facsimile transmission constitutes an agreement to accept service of pleadings or other legal papers by that means. See Rule 440(d).

[ (b) An attorney's appearance for a party may not be withdrawn without leave of court unless another attorney has entered or simultaneously

enters an appearance for the party and the change of attorneys does not delay any stage of the litigation. ]

(b)(1) Except as provided in paragraph (2), an attorney may not withdraw his or her appearance without leave of court.

(2) An attorney may withdraw his or her appearance without leave of court if another attorney (i) has previously entered or (ii) is simultaneously entering an appearance on behalf of the party, and the change of attorneys does not delay any stage of the litigation.

(c) Leave of court to withdraw an appearance shall be sought by petition pursuant to subdivision (d) or subdivision (e) as may be applicable.

**Official Note:** Copies of the petition shall be served upon all other parties to the action pursuant to Rule 440.

(d)(1) If the whereabouts of the party on whose behalf the appearance was entered are known, the attorney shall

(i) set forth the address of that party in the petition,

(ii) serve notice of the petition on the party in the manner provided by Rule 440,

(iii) file a certificate of service of the notice with the petition, and

(iv) immediately notify the party by ordinary mail of the entry of an order granting leave to withdraw. The notice shall include a copy of the order.

(2) Other parties may use the address of the party set forth in the petition for the purpose of further proceedings in the action.

(e)(1) If the whereabouts of the party on whose behalf the appearance was entered are unknown, the attorney shall

(i) set forth the last known address of that party in the petition,

(ii) serve notice of the petition on the party by mail to the last known address set forth in the petition,

(iii) file a certificate of service of the notice with the petition. The certificate shall set forth with particularity the efforts made to locate the party and to effect service of the notice, and

(iv) shall immediately notify the party by ordinary mail to the last known address or by such other means as the court may direct of the entry of an order granting leave to withdraw. The notice shall include a copy of the order.

(2) Other parties may use the last known address of the party for the purpose of further proceedings in the action.

(f)(1) The entry of appearance under subdivision (a) shall be substantially in the following form:

**PLEADINGS**

**Rule 1025. Endorsement.**

Every pleading or other legal paper of a party represented by an attorney shall be endorsed with the name of the attorney, and every pleading or other legal paper of a party not represented by an attorney shall be endorsed with the name of the party, together in each case with an address [ within the Commonwealth ] where pleadings and other legal papers may be served in the manner provided by Rule 440(a) and a telephone number. The appearance may state a telephone facsimile number.

*Official Note:* The address endorsed on the legal paper must be one where the paper may be handed to or mailed to the attorney or party. See Rule 440(a).

The inclusion of a telephone number for facsimile transmission on an appearance or prior legal paper is an agreement to accept service of pleadings or other legal papers by that means. See Rule 440(d)(1).

**EXPLANATORY COMMENT**

**I. Address within the Commonwealth**

Three rules previously required pleadings and other legal papers to include an address within the Commonwealth where papers may be served upon a party or the party's attorney: Rule 205.1 governing the filing of legal papers by mail, Rule 1012(a) governing the entry of appearance and Rule 1025 governing the endorsement of pleadings and other legal papers. In addition, the note to Rule 236(a)(2) contained a cross-reference to this requirement in Rules 1012 and 1025. The requirement of "an address within the Commonwealth" which dates from the promulgation of Rules 1012 and 1025 in 1946 has become obsolete in view of modern transportation and communication.

The former requirement is replaced by "an address where papers may be served in the manner provided by Rule 440(a)." This language establishes the requisites for the address where papers may be served upon the attorney or party entering his or her appearance or filing another legal paper. By cross-referencing Rule 440(a), the address must be one where legal papers may be handed to or mailed to the attorney or party. The new language

achieves a consistency between the rules governing the filing and service of legal papers. The amended rules require the inclusion of a telephone number; however, a facsimile transmission number is optional.

**II. Entry of Appearance**

Rule 1012 governs entry and withdrawal of appearance. The revisions to subdivision (a) were described above.

New subdivision (b) consisting of two paragraphs has been substituted in place of the former provision. The new subdivision represents a change in the format of the rule rather than a change in procedure. Subdivision (b)(1) states the general rule that, except as provided by subdivision (b)(2), an attorney may not withdraw his or her appearance without leave of court. New subdivision (b)(2) sets forth the two instances when leave of court is not required for an attorney to withdraw an appearance: (1) another attorney has previously entered an appearance for the party or (2) another attorney simultaneously enters an appearance for the party. The change of attorneys without leave of court in both of these instances is conditioned on the requirement that the change not delay the litigation.

New subdivisions (c), (d) and (e) contain the procedural requirements for withdrawal of appearance when leave of court must be obtained. Subdivision (c) requires that leave of court be sought by petition. The proceedings will then follow subdivision (d) if the whereabouts of the party are known and subdivision (e) if the whereabouts of the party are not known. These provisions emphasize the need to notify the represented party of the proposed withdrawal of appearance by the attorney. When leave has been granted an attorney to withdraw his or her appearance, subdivisions (d)(2) and (e)(2) authorize other parties to use the address of the party set forth in the petition or the last known address, as may be appropriate, for further proceedings in the action.

New subdivision (f) provides three forms. The first form set forth in Subdivision (f)(1) is an entry of appearance. The other two forms are withdrawals of appearance to be used when leave of court is not required. Subdivision (f)(2) contains the form for withdrawal of appearance when the new attorney has already entered an appearance on behalf of the party. Subdivision (f)(3) contains the form for substitution of counsel when appearances are being simultaneously withdrawn and entered.

**PART I. GENERAL**

**CHAPTER 1300. COMPULSORY ARBITRATION**

**Subchapter A. RULES**

Rule 1311. Procedure on Appeal. **Generally.**

(a) The trial shall be de novo.

**Official Note:** [The] Except as otherwise provided by Rule 1311.1, the provisions of Rule 1305 governing conduct of hearing shall not apply on appeal.

\* \* \* \* \*

**Rule 1311.1. Procedure on Appeal. Admission of Documentary Evidence.**

(a) The plaintiff may stipulate to \$15,000.00 as the maximum amount of damages recoverable upon the trial of an appeal from the award of arbitrators. The stipulation shall be filed and served upon every other party at least thirty days from the date the appeal is first listed for trial.

(b) If the plaintiff has filed and served a stipulation as provided in subdivision (a), any party may offer at trial the documents set forth in Rule 1305(b)(1). The documents offered shall be admitted if the party offering them has provided written notice to every other party of the intention to offer the documents at trial at least twenty days from the date the appeal is first listed for trial. The written notice shall be accompanied by a copy of each document to be offered.

**Official Note:** The deadline for providing notice of the intention to use the procedures of this subdivision may be altered by the court upon cause shown, provided that no party is prejudiced.

The term "plaintiff" includes a defendant who is the plaintiff in a counterclaim.

(c) A document which is received into evidence under subdivision (b) may be used for only those purposes which would be permissible if the person whose testimony is waived by this rule were present and testifying at the hearing. The court shall disregard any portion of a document so received that would be inadmissible if the person whose testimony is waived by this rule were testifying in person.

(d) Any other party may subpoena the person whose testimony is waived by this rule to appear at or serve upon a party a notice to attend the trial and any adverse party may cross-examine the person as to the document as if the person were a witness for the party offering the document. The party issuing the subpoena shall pay the reasonable fees and costs of the person subpoenaed to testify, including a reasonable expert witness fee if applicable.

(e) The stipulation required by subdivision (a) shall be substantially in the following form:

**EXPLANATORY COMMENT**

New Rule 1311.1 introduces a new practice with respect to the admission of documentary evidence at the trial of an appeal from the award of arbitrators in compulsory arbitration. The new rule incorporates the concept of Rule 1305 which permits specified documents to be admitted into evidence at the arbitration hearing upon notice by the party offering the documents to every other party accompanied by a copy of the documents.

The new procedure is limited to cases in which the "plaintiff stipulates to \$15,000.00 as the maximum amount of damages recoverable upon the trial of an appeal from the award of arbitrators." Subdivision (a) authorizes this stipulation and subdivision (f) provides a form of "Stipulation to Limitation of Monetary Recovery Pursuant to Rule 1311.1."

Once the plaintiff has filed and served the stipulation, subdivision (b) of the new rule provides that "any party may offer at trial the documents set forth in Rule 1305(b)(1)." In so providing, subdivision (b) is substantially similar to the introductory language of Rule 1305(b)(1). The admission of the documentary evidence is conditioned upon notice to every other party accompanied by a copy of each document to be offered. Subdivision (g) contains a form of "Notice of Intent to Offer Documentary Evidence Pursuant to Rule 1311.1."

Rule 1311.1 draws upon Rule 1305 in two other respects as well. First, subdivision (c) of the new rule tracks Rule 1305(b)(3) stating the purposes for which the documents admitted into evidence may be used and directing the court to disregard "any portion of a document so received that would be inadmissible if the person whose testimony is waived by this rule were testifying in person." Second, subdivision (d) is substantially similar to Rule 1305(b)(4) governing the right of any other party to subpoena the person whose testimony is waived by the rule. Both subdivisions (c) and (d) vary from their counterparts in Rule 1305 only to accommodate the procedural posture of a trial rather than an arbitration hearing.

Rule 1311 governing the procedure on appeal from the award of arbitrators is amended to conform to the new rule by revising the title to read "Procedure on Appeal. Generally" and by adding to the note a cross-reference to the new rule.

## Title 249—PHILADELPHIA RULES

### PHILADELPHIA COUNTY

#### Commerce Case Management Program; Administrative Doc. 02 of 2003

*And Now*, this 29th day of April, 2003, it is hereby *Ordered* and *Decreed* that the following protocols shall apply to all civil cases within the Commerce Case Management Program on or after January 1, 2000:

*Commerce Case Management Program:*

*Procedure for Disposition of Commerce Program Cases  
Filed on and after January 1, 2000*

A Commerce Case Management Program ("Commerce Program") has previously been established within the Trial Division of the Court of Common Pleas (Administrative Docket 01 of 1999 and 01 of 2000).

*A. Organization*

1. *Judges.* Three judges shall be assigned by the Administrative Judge to the Commerce Program. The number of Commerce Program Judges may thereafter be adjusted by the Administrative Judge consistent with the caseload of the Program.

2. *Filings & Listings.* Upon consultation with the Administrative Judge, the Civil Supervising Judge and the Commerce Program Judges, with the goal of ease of access by the Commerce Program Judges and their staff, the parties and the public, the Prothonotary shall establish procedures for maintenance of filings and listings in actions assigned to the Commerce Program.

*B. Assignment of Cases Subject to Commerce Program*

1. *Cases Subject to Commerce Program.* Notwithstanding anything to the contrary in General Court Regulation 95-2 (Day Forward Program) or any other General Court Regulation, Jury, Non-Jury & Equity, and Class Action cases filed on or after January 1, 2000, but not Arbitra-

tion cases, shall be assigned to the Commerce Program if they are among the following types of actions:

1. Actions relating to the internal affairs or governance, dissolution or liquidation, rights or obligations between or among owners (shareholders, partners, members), or liability or indemnity of managers (officers, directors, managers, trustees, or members or partners functioning as managers) of business corporations, partnerships, limited partnerships, limited liability companies or partnerships, professional associations, business trusts, joint ventures or other business enterprises, including but not limited to any actions involving interpretation of the rights or obligations under the organic law (e.g., Pa. Business Corporation Law), articles of incorporation, by-laws or agreements governing such enterprises;

2. Disputes between or among two or more business enterprises relating to transactions, business relationships or contracts between or among the business enterprises. Examples of such transactions, relationships and contracts include:

- (1) Uniform Commercial Code transactions;
- (2) Purchases or sales of businesses or the assets of businesses;
- (3) Sales of goods or services by or to business enterprises;
- (4) Non-consumer bank or brokerage accounts, including loan, deposit cash management and investment accounts;
- (5) Surety bonds;
- (6) Purchases or sales or leases of, or security interests in, commercial, real or personal property; and
- (7) Franchisor/franchisee relationships.

3. Actions relating to trade secret or non-compete agreements;

4. "Business torts," such as claims of unfair competition, or interference with contractual relations or prospective contractual relations;

5. Actions relating to intellectual property disputes;

6. Actions relating to securities, or relating to or arising under the Pennsylvania Securities Act;

7. Derivative actions and class actions based on claims otherwise falling within these ten types, and consumer class actions other than personal injury and products liability claims;

8. Actions relating to corporate trust affairs;

9. Declaratory judgment actions brought by insurers, and coverage dispute and bad faith claims brought by insureds, where the dispute arises from a business or commercial insurance policy, such as a Comprehensive General Liability policy, and;

10. Third-party indemnification claims against insurance companies where the subject insurance policy is a business or commercial policy and where the underlying dispute would otherwise be assigned to the Commerce Program, not including claims where the underlying dispute is principally a personal injury claim.

All of the above types of actions may involve individuals named as parties, in addition to business enterprises, so long as all other criteria are met and the essential nature of the litigation is a business dispute. For example, a dispute over a commercial loan may include

individual guarantors as either plaintiffs or defendants, as the case may be, but such a lawsuit would still be a commercial dispute.

2. *Cases Not Subject to the Commerce Program.* The following types of matters are not to be included in the Commerce Program:

1. Matters subject to Compulsory Arbitration in this Court or to the jurisdiction of the Municipal Court, including any appeals.

2. Personal injury, survival or wrongful death matters.

3. Individual (non-class) consumer claims against businesses or insurers, including products liability and personal injury cases.

4. Matters involving occupational health or safety.

5. Environmental claims not involved in the sale or disposition of a business and other than those addressed in Commerce Program types 9 or 10 above.

6. Matters in eminent domain.

7. Malpractice claims, other than those brought by business enterprises against attorneys, or accountants, architects or other professionals in connection with the rendering of professional services to the business enterprise.

8. Employment law cases, other than those referenced in Commerce Program type 3, above.

9. Administrative agency, tax, zoning and other appeals.

10. Petition Actions in the nature of Change of Name, Mental Health Act Petitions, Petitions to Appoint an Arbitrator, Government Election Matters, Leave to Issue Subpoena, or to Compel Medical Examination.

11. Individual residential real estate and non-commercial landlord-tenant disputes.

12. Domestic relations matters, and actions relating to distribution of marital property, custody or support.

13. Any matter required by statute, including 20 Pa.C.S. Chapter 7, §§ 711 & 713, to be heard in the Orphans' Court or Family Court Division of the Philadelphia Court of Common Pleas, or other matter which has heretofore been within the jurisdiction of the Orphans' Court or Family Court Division of this Court.

14. Any criminal matter other than criminal contempt in connection with a Commerce Program action.

15. Such other matters as the Court shall determine.

3. *Assignments Based on the Civil Cover Sheet.* The Civil Cover Sheet, effective January 1, 2000, shall include a box in which the attorney signing the sheet must certify that the action is, or is not, subject to the Commerce Program. A "Commerce Program Addendum to Civil Cover Sheet," a sample of which is Exhibit "A," is hereby required to be filed with all initial filings (i.e., all filings requiring a Civil Cover Sheet) subject to the Commerce Program, filed on or after January 1, 2000. The attorney shall indicate on the Commerce Program Addendum filed with any filing denoted as a Commerce Program matter, the applicable type or types of action which result in the matter being assigned to the Commerce Program. An attorney's signature on the Civil Cover Sheet shall constitute certification that the matter is or is not subject to the Commerce Program, as indicated on the Civil Cover Sheet and Addendum. A copy of the Civil Cover Sheet, including any Commerce Program Addendum, shall be served with the original process served on all parties.

All actions designated into the Commerce Program pursuant to the Commerce Program Addendum are hereby assigned to the Commerce Program and to the individual calendar of one of the Commerce Program Judges, according to a random procedure established by the Administrative Judge or the designee of the Administrative Judge. This assignment shall be noted on the Docket. All further filings in the matter shall state prominently in the caption and on any cover sheets that the matter is "ASSIGNED TO COMMERCE PROGRAM."

4. *Disputes Arising From the Civil Cover Sheet Designation.* If any party disagrees with the designation or lack of designation of a case into the Commerce Program, that party shall file with Civil Motions Clerk in the Prothonotary's Office, 278 City Hall, to be referred to the Administrative Judge, or the designee of the Administrative Judge, for decision (which shall not be subject to appeal), and serve on all parties a Notice of Management Program Dispute, in form as Exhibit "B" and not exceeding three pages, as soon as practical, and no later than the earliest of (a) the filing by that party of any pleading, motion or response to motion, (b) ten days in advance of a noticed case management conference or (c) thirty days after service of process. A copy of the complaint or filing commencing the litigation, shall be attached to the Notice of Management Program Dispute. Any party opposing the Notice of Management Program Dispute may, but need not, submit a response thereto not exceeding three pages (to Civil Motions Clerk, Room 278 City Hall) within seven days of service of the Notice.

In the event of the service of a Notice of Management Program Dispute, a copy of that Notice shall be attached to and referenced in all motions and responses to motions filed by any party pending the resolution of the management program dispute.

#### C. *Commencement of Action*

All subject actions shall be commenced as provided in Pa. R.C.P. 1007. Philadelphia Civil Rule \*205.2 shall be followed. As noted above, in all cases, not just those designated into the Commerce Program, a copy of the Civil Cover Sheet, including any Commerce Program Addendum, shall be served with original process served on all parties.

All jury demands shall be perfected in accordance with Pa. R.C.P. 1007.1 and Phila. Civ. R. \*1007.1.

A party seeking emergency relief immediately upon commencing an action subject to the Commerce Program shall follow the procedure set forth in part D.6. below (Rules to Show Cause and Emergency Motions and Petitions).

#### D. *Case Management Procedures*

1. *Authority Over Commerce Program Status.* When there is a dispute as to whether the case is properly assigned to the Commerce Program, the decision will be made by the Administrative Judge or the designee of the Administrative Judge. If the Civil Case Manager conducting a case management conference or any party objects as to the Commerce Program assignment, the Case Manager will forward the dispute to the Administrative Judge or the designee of the Administrative Judge.

2. *Alternative Procedures Available.* The Commerce Program Judge, in his/her discretion, may, upon application of any party or upon his/her own initiative, modify these procedures. Requests for changes in these procedures will be made by filing a Petition for Extraordinary Relief (which Petition calls for a ten-day response time).

3. *The Case Management Conference.* Typically, notice of a Case Management Conference ("CMC") will be sent to counsel and unrepresented parties (sixty days after filing) scheduling the CMC for approximately ninety days after filing. In certain circumstances, the CMC may be scheduled through the Commerce Program Judge.

a. *Presiding Officer.* Unless otherwise ordered, the CMC shall be conducted by a Civil Case Manager designated by the Court, acting on behalf of the assigned Commerce Program Judge.

b. *Issues to be Addressed.* The following subjects, along with other appropriate topics, such as service of process, venue, pleadings, discovery, possible joinder of additional parties, theories of liability, damages claimed and applicable defenses (see also Pa. R.C.P. 213.3), will be discussed.

##### (1) *Means for Early Disposition*

a. Timing and potential forms of Alternative Dispute Resolution (ADR). The case manager will make available the list of Commerce Program Judges Pro Tempore (as provided by the Business Litigation Committee of the Philadelphia Bar Association).

b. Scheduling pre-discovery dispositive motions, only if oral argument is needed. (Whether to hear oral argument is up to the Commerce Program Judge). The Commerce Program Judge will likely have a half day set aside for hearing Motions and Rules.

c. Scheduling limited-issue discovery in aid of early dispositive motions. The Case Manager will advise counsel of the half day Discovery Program set up for the assigned Commerce Program Judge.

##### (2) *Schedules and Deadlines*

a. Assignment to a Case Management Track and issuance of a Case Management Order ("CMO"), which will set forth a target trial date, deemed the earliest trial date pursuant to Pa. R.C.P. 212.1.

b. A discovery plan and schedule based on the CMO date for the completion of discovery.

c. Anticipated areas of expert testimony, timing for identification of experts, responses to expert discovery, exchange of expert reports (reference to the CMO).

##### (3) *Potential Use of a Commerce Court Judge Pro Tempore*

a. On stipulation of all parties for supervision of discovery.

b. For mediation.

c. Identification of a particular Commerce Program Judge Pro Tempore acceptable to all parties.

d. The choice of a particular Judge Pro Tempore for these purposes must be approved by the Court.

e. Use of a Pro Tempore Judge for purposes of discovery or mediation cannot affect the deadlines set forth in the CMO, unless the Commerce Program Judge allows an extension of affected dates.

The Commerce Program Judge may establish any informal procedures to achieve expeditious resolution of discovery disputes and other non-dispositive issues. Prior to the CMC, it shall be the obligation of the parties to confer concerning all of the above matters, for the purposes of reaching agreements.

#### 4. *Case Management Order:*

At the CMC, the Case Manager shall issue a Case Management Order ("CMO") setting forth dates for a Settlement Conference and for a Pretrial Conference (with Pretrial Statements typically to be filed in advance), and for Trial. The CMO will also address cut-off dates for completion of discovery, for the service of expert reports and for the filing of Motions.

Based upon the nature and complexity of the case, the Case Manager with input from the parties at the CMC shall assign the case to a track. The Commerce Program shall typically employ the following management tracks: Commerce Expedited (Target Trial Date within 13 months of Complaint) and Commerce Standard (Target Trial Date within 18 months of Complaint). Only exceptionally complicated cases should be designated Commerce Complex (Target Trial Date within two years of Complaint). In the latter instance, the Commerce Program Judge may schedule status conferences at six month intervals or at other times upon application of the parties, if appropriate.

The Commerce Expedited Track shall consist of matters in which minimal discovery is needed and legal issues are anticipated to be routine. Examples of such actions, in the absence of complicating factors, are actions relating to commercial loans, and contract, UCC and foreclosure matters. Other matters should presumptively be designated Commerce Standard. Actions in which preliminary injunctive relief is sought may be appropriate for any of the tracks, depending upon the circumstances.

A suggested form Case Management Order follows as Exhibit "C." A grid of time standards that will be employed depending upon the applicable track Case Management Order follows as Exhibit "D." Sample Commerce Program Class Action Case Management Order Forms follow as Exhibit "E."

#### 5. *Commerce Court Motions.*

##### a. *Motion Practice and Discovery Motions.*

The Commerce Program Judge to whom the action is assigned will hear all pretrial motions, including discovery motions, except that, to the extent that scheduling or other concerns so require, a Commerce Program Judge may make arrangements for certain discovery and other pretrial motions to be heard by another Commerce Program Judge. All motions (except discovery motions) shall be filed in Motion Court with a designation on the Motion Court Cover Sheet of the assigned Commerce Program Judge. Procedures of the Discovery Court should generally be followed, and filings processed through Room 287. In some instances, the Commerce Program Judge may direct further briefing of complex discovery motions. Any Notice of Management Program Dispute that is pending or is being filed contemporaneously with the Motion filing, should be noted in the Motion Court Cover Sheet. Oral argument is at the discretion of the Commerce Program Judge.

A Commerce Program Discovery List for each Commerce Program Judge shall be established so that discovery matters ordinarily will be heard by that Judge on a particular day of the week. Each Judge may also schedule hearings on non-discovery motions on the discovery day, or at such other times as the Court deems appropriate.

##### b. *Petitions for Extraordinary Relief.*

A Petition for Extraordinary Relief must be filed whenever a party seeks an extension of a deadline imposed by

a case management order. Any party may seek relief from the time requirements by filing the Petition for Extraordinary Relief. This Petition must be filed prior to the deadline that the party is seeking to change. Petitions for Extraordinary Relief are filed with the Motions Court Clerk in the Prothonotary's Office, Second Filing, Room 278, City Hall. Any adverse party has ten (10) days after the filing of the motion to file a response. The Motion Court will forward the pleading to the assigned team leader.

The Petition for Extraordinary Relief is ruled on by the individual team leaders. Counsel must include the name of the team leader for that given case (Sheppard, Cohen, Jones) on the Motion Court Cover Sheet. The party filing the petition must include a proposed order that sets forth the extension requested in months, as well as a copy of the current Case Management Order.

Counsels' agreement to extend deadlines within a Case Management Order is not a recognized basis for an extension. A movant must demonstrate extraordinary and nonforeseeable circumstances justifying the deadline extension request. Requests for extensions of Court ordered deadlines should be utilized only as a last resort and with compelling reasons offered in support thereof.

6. *Rules to Show Cause and Emergency Motions and Petitions.* Rules to show cause in cases assigned to the Commerce Program will be presented in the Motions Court, where they will be reviewed as to form, and forwarded to the assigned Commerce Program Judge for consideration.

Unless there is a dispute as to Commerce Program applicability, emergency motions or petitions in a newly filed action presented in a matter appropriate for assignment to the Commerce Program shall be referred to a Commerce Program Judge for disposition. If there is any dispute regarding Commerce Program applicability, that dispute shall be referred to the Administrative Judge or the designee of the Administrative Judge. Parties are encouraged to give the Motion Court advance notice of an emergency motion or petition, including notice that the action is assigned to the Commerce Program or may be appropriate for such assignment. If the assigned Commerce Program Judge is unavailable, an emergency motion or petition in an action already assigned to Commerce Program shall be heard by the other Commerce Program Judge, if available, with any subsequent hearing referred back to the assigned Commerce Program Judge. If no Commerce Program Judge is available to hear an emergency motion or petition, such motion or petition shall be referred to a Judge assigned to Motion Court (or, if necessary, the Emergency Judge), with any subsequent hearing referred back to the appropriate Commerce Program Judge. An emergency motion heard by a Commerce Program Judge in a case which has not yet gone through the random assignment procedure shall be subject to that procedure prior to any subsequent hearing and the subsequent hearing shall be scheduled before the Commerce Program Judge assigned.

7. *Settlement Conference.* A settlement conference may be expeditiously scheduled in any case in which counsel concur that such a conference may be productive. Such requests shall be made in writing by letter to the assigned Commerce Program Judge, and in all other respects Local Civ. R. \*212.1(B) should be applied.

Except as otherwise provided in Local Civil Rule \*212.3 (Settlement Conferences—Non Jury Cases), Commerce

Program Judges may assist the parties in reaching a fair and reasonable settlement or other resolution of the matter. To that end, the assigned Commerce Program Judge, in his or her discretion, may schedule one or more formal settlement conferences. The Commerce Program Judge may also encourage the parties to engage in settlement discussions and in any form of Alternative Dispute Resolution (ADR), including the assistance of a Commerce Program Judge *Pro Tempore*, that may result in settlement, avoidance of trial or expeditious resolution of the dispute. Except upon order of the Court, the pendency of any form of ADR shall not alter the date for commencement of trial.

8. *Pretrial Conference.* A Pretrial Conference shall be held in all Commerce Program actions. At the conclusion of the Pretrial Conference, a Pretrial Order controlling the conduct of trial may be entered. The Court shall exercise its best efforts to try the matter as soon after the target trial date as practicable.

Typically, the CMO will require the filing of Pretrial Statements (Pa. R.C.P. 212.2) in advance of the Pretrial Conference. Prior to the Pretrial Conference, principal trial counsel shall confer on the matters set forth in Pa. R.C.P. 212.3, and attempt to reach agreement on any such matters.

Following the Pretrial Conference, the Commerce Program Judge shall enter a Trial Scheduling Order, identifying the date by which the matter should be prepared for trial, and, if applicable, the date to be placed into a trial pool or the date of any special listings. The Trial Scheduling Order may further provide specific dates, to the extent not already addressed in the Case Management Order, for such matters as:

a. Exchange of proposed stipulations and filing of stipulations in writing to facts about which there can be no reasonable dispute;

b. Pre-marking and exchanging copies of all documents or other exhibits to be offered in evidence at trial;

c. Service and filing of written objections to any documents or other exhibits as to which a party intends to object at trial, together with the legal basis for such objections;

d. Identification in writing of all deposition testimony, by page and line number, intended to be read into the record at trial, followed by counterdesignations and objections to deposition designations;

e. Exchange of trial briefs and proposed findings of fact and conclusions of law (nonjury) or requested points for jury charge (jury).

At such time prior to trial as may be fixed by the Court, it shall rule on all matters placed in issue under this procedure.

In addition, the Commerce Program Judge may establish procedures consistent with the requirements of each case to ensure close interaction with the parties in order to minimize trial time.

#### *E. Commerce Program Judges Pro Tempore And Alternative Dispute Resolution*

There shall be established in the Commerce Program, an Alternative Dispute Resolution program for Commerce Program actions, which may include, but is not limited to, mediation and the assistance of Commerce Program Judges Pro Tempore.

1. *Panel of Commerce Program Judges Pro Tempore.* The Administrative Judge or designee shall designate a

panel of Commerce Program Judges Pro Tempore from among volunteers nominated and approved by the Philadelphia Bar Association Business Law Section, Business Litigation Committee, who shall be distinguished attorneys engaged in active practice of law with no less than fifteen (15) years trial experience including a practice focused on the type of litigation described in section B.1. above (Cases Subject to Commerce Program). Commerce Program Judges Pro Tempore shall serve without charge. Persons may be added to or removed from the panel as the Administrative Judge or designee may determine consistent with the qualifications above.

The Court may order a Commerce Program case to be assigned for Settlement Conference to a Commerce Program Judge Pro Tempore who shall, on a date certain, hold a Settlement Conference which must be attended by trial counsel representing the parties, as well as any unrepresented parties. Counsel and unrepresented parties shall provide to the Commerce Program Judge Pro Tempore prior to the Settlement Conference a fully completed Settlement Memorandum, in a form to be established by the Commerce Program Judges. The Commerce Program Judge Pro Tempore on such a referral is not authorized to rule on any motions, but will attempt to facilitate a settlement between the parties.

#### *2. Mediation.*

a. *Referral to Mediation and Selection of Mediator.* Commerce Program cases may be referred to nonbinding mediation at the discretion of the Commerce Program Judge, who may make such referrals at the time of the Case Management Conference, at a Pretrial Conference referenced above, or at any other time. Where appropriate and whether or not mediation is pursued at an early stage of the litigation, the Commerce Program Judge has the discretion to refer cases to nonbinding mediation at a later stage of the proceedings.

The Court may permit the parties to choose the mediator from among the panel of Commerce Program Judges Pro Tempore, or agree to pay for a mediator not on the panel. The order of reference to mediation shall not stay or delay any scheduling dates, unless the Court so orders.

b. *Conflicts of Interest.* A mediator to whom a case is assigned must disclose to the parties and to the Court any apparent conflict of interest. Unless the mediator determines consistent with any applicable ethical requirements and guidelines that he or she should preside notwithstanding any such apparent conflict of interest and the parties and the Court agree that such mediator nevertheless shall preside, another mediator shall be selected.

c. *Confidentiality of Mediation.* The order referring an action to mediation shall require that the mediator report to the Court the disposition of the mediation in accordance with a schedule as determined by the Court, under the guidelines below. The order shall also provide that all information received by the mediator as to the merits of the matter, including the submitted memoranda, shall remain confidential and not be reported or submitted to the Court by the mediator or the parties, except as necessary in a stipulation of settlement agreed to by the parties.

d. *Mediation Procedure.* The first mediation session preferably shall be conducted within 30 days of the execution of the order of reference, unless the Court establishes a different schedule. At least ten days before the first session, each party shall deliver to the mediator

a copy of its pleadings, any briefs filed in the action important to the mediation and a memorandum of not more than five pages (double-spaced), setting forth that party's contentions as to liability and damages. The memorandum shall be served on all parties, but shall be marked "Confidential, for Mediation Only," and may not be used, cited, quoted, marked as an exhibit or referenced in any proceedings. Attendance at the first mediation session shall be mandatory, and the mediator may require, in addition to the appearance of the attorneys, the presence of the parties or their representatives with authority to settle. If the first session is successful, the settlement shall be reduced to a stipulation, and the mediator shall submit forthwith the stipulation, the notice of discontinuance and the report of disposition to the Court. The report of disposition shall be on a form prescribed by the Court Administrator.

*e. Report; Extensions.* If the action is not settled upon completion of the first session, the mediator may schedule additional sessions on consent of the parties. However, at the end of the first session, any party or the mediator may terminate the mediation effort, and in that case the mediator shall advise the Court forthwith that mediation has been terminated but shall not disclose the identity of any parties who terminated or did not terminate the mediation.

Except as set forth below, subsequent sessions should be concluded within 15 days from the date by which the first session was to have been held according to the order of reference. The mediator shall report to the Court as to the outcome of the mediation session(s) no later than 20 days from the date by which the first session was to have been held according to the order of reference.

If mediation cannot be concluded within 15 days from the date by which the first session was to have been held according to the order of reference, upon consent of all parties a 30-day extension of time to conduct further sessions may be granted by the mediator. If such extension is granted, the mediator shall report to the Court as to the success or lack of success of the additional sessions as soon as practicable but in any event no later than 5 days after the final mediation session.

All deadlines and relevant procedures shall be set forth in a standard form order of reference.

# Title 255—LOCAL COURT RULES

## BEAVER COUNTY

### Local Rules of Criminal Procedure; No. 88 of 2003 Misc.

#### Order

*And Now*, this 14th day of April, 2003, it is hereby Ordered and Directed that the following Local Rule of Criminal Procedure is hereby adopted and shall become effective thirty (30) days after publication in the *Pennsylvania Bulletin* and shall apply to all defendants charged with third degree misdemeanor criminal offenses and higher.

It is hereby Ordered and Directed that the Clerk of Courts of Beaver County, in accordance with Pa.R.Crim.P. 105, shall file seven certified copies with the Administrative Office of Pennsylvania Courts; distribute two certified copies to the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin* and file one certified copy with the Criminal Procedural Rules Committee.

It is further Ordered that this Rule, along with all Local Rules of Criminal Procedure shall be kept available for public inspection and copying in the office of the Clerk of Courts of Beaver County. Upon request and payment of reasonable costs of reproduction and mailing, the Clerk of Courts shall furnish to any person a copy of any Local Rule.

*By the Court*

ROBERT E. KUNSELMAN,  
*President Judge*

#### Local Rule of Criminal Procedure No. 552

(A.) In all cases in which a defendant has been charged with an offense of a third degree misdemeanor or greater, the defendant shall be required to appear at the Beaver County Regional Booking Center (RBC) located in the Beaver County Jail, 6000 Woodlawn Boulevard, Aliquippa, PA, 15001, to be fingerprinted and photographed prior to the date of his or her preliminary hearing.

(B.) Pursuant to 18 Pa.C.S. 9112, an arresting authority shall be responsible for taking the fingerprints of persons arrested for misdemeanors, felonies or summary offenses which become misdemeanors on a second arrest after conviction of a summary offense. The Regional Booking Center shall serve as the designated fingerprinting site for all arresting authorities in Beaver County.

(C.)(1) In cases in which a defendant has been arraigned at the District Justice office and fails to post bond, the defendant shall be fingerprinted and photographed at the RBC subsequent to his or her commitment at the Beaver County Jail.

(2) In cases in which a defendant has been arrested during night, weekend or holiday hours, unless the charges proceed by summons, the defendant shall be taken directly to the RBC for a video arraignment and booking procedure before being committed to the Beaver County Jail or being released on bond.

(3) In cases which proceed by summons, the defendant shall receive an order at the time of his or her preliminary arraignment from the District Justice to report to the RBC prior to the date of the preliminary hearing to be fingerprinted and photographed. The requirement to

appear at the RBC to be fingerprinted and photographed prior to the date of the preliminary hearing shall be made a condition of bond.

(4) In cases of private prosecutions, the defendant may only be fingerprinted and photographed after conviction of the alleged offense. An order shall issue from the Court of Common Pleas after such conviction directing the Defendant to report to the RBC to be fingerprinted and photographed.

(D.) A booking fee of fifty dollars (\$50.00) shall be assessed and collected by the Beaver County Clerk of Courts after sentencing upon conviction of or plea to a misdemeanor or felony offense or acceptance into the Accelerated Rehabilitation Program. This fee will not apply to those Defendants whose cases are dismissed by the District Justice, withdrawn or nolle prossed by the Commonwealth or who enter a guilty plea to a summary offense at the time of the preliminary hearing.

### SCHUYLKILL COUNTY

#### Amended Criminal Rules of Procedure; Misc. 229-2003

##### Order of Court

And Now, this 5th day of May, 2003, at 9:00 a.m., Schuylkill County Criminal Rules of Procedure, Rule 106(a) and Rule 579 are amended for use in the Court of Common Pleas of Schuylkill County, Pennsylvania, Twenty-First Judicial District, Commonwealth of Pennsylvania, effective thirty days after publication in the *Pennsylvania Bulletin*.

The Clerk of Courts of Schuylkill County is Ordered and Directed to do the following:

1) File seven (7) certified copies of this Order and Rules with the Administrative Office of Pennsylvania Courts.

2) File two (2) certified copies of this Order and Rule with the Legislative Reference Bureau for publication in

the *Pennsylvania Bulletin* together with a diskette reflecting the text in the hard copy version.

3) File one (1) certified copy of this Order and Rules with the Pennsylvania Criminal Procedural Rules.

4) Forward one (1) copy to the Law Library of Schuylkill County for publication in the *Schuylkill Legal Record*.

5) Keep continuously available for public inspection copies of this Order and Rule.

It is further *Ordered* that said rule as it existed prior to the amendment is hereby repealed and annulled on the effective date of said rule as amended, but no right acquired thereunder shall be disturbed.

WILLIAM E. BALDWIN,  
*President Judge*

##### Rule 106. Continuances.

(a) Motion by Defendant

Motions for Continuance by the Defendant shall be in writing, upon forms approved by the Court, executed by the defendant and his attorney. At least twenty-four (24)

hours advance notice of the presentation of said motions shall be given to the District Attorney. The motion shall be filed with the Clerk of Courts and contemporaneously a copy shall be served on the District Attorney by the defendant. The Clerk of Courts shall forward all motions for continuance to the Court Administrator, who shall list the motion for hearing on the date when continuance requests shall be heard in accordance with the published Court Calendar.

Upon a defendant's first application for continuance, the presence of the defendant and his or her counsel shall not be required at the hearing on said motion unless the District Attorney has notified the defendant that the continuance motion is opposed. When a motion seeks a second or subsequent continuance, the defendant will be obliged to appear in Court, with counsel, to waive the time requirements under Rule 600.

**Rule 579. Time for Omnibus Pre-Trial Motions.**

All omnibus pre-trial motions shall be filed within thirty (30) days after arraignment in accordance with Pa.R.Crim.P. No. 579. The defendant shall file the original with the Clerk of Courts and contemporaneously serve a copy on the District Attorney. The Clerk of Courts shall forward all motions to the Court Administrator for assignment to a judge.

# RULES AND REGULATIONS

## Title 67—TRANSPORTATION

### DEPARTMENT OF TRANSPORTATION

#### [67 PA. CODE CH. 449]

#### Liquid Fuels Tax Funds

The Department of Transportation (Department), Office of Administration, Bureau of Municipal Services (Bureau) amends Chapter 449 (relating to liquid fuels tax funds) to read as set forth in Annex A.

The Department plans to make these amendments effective upon publication without notice of proposed rulemaking. Notice of proposed rulemaking has been omitted under the authority contained in section 204(1) of the act of July 31, 1968 (P. L. 769, No 240) (45 P. S. § 1204(1)), known as the Commonwealth Documents Law (CDL). The final-omitted rulemaking interprets and incorporates self-executing provisions in the Community and Economic Development Enhancement Act (CEDEA) (71 P. S. §§ 1709.101—1709.2106) and amendments to the municipal and county codes. The procedures specified in sections 201 and 202 of the CDL (45 P. S. §§ 1201 and 1202) are, in the circumstances, impracticable, unnecessary and contrary to the public interest.

The authority for this final-omitted rulemaking is 75 Pa.C.S. §§ 6103 and 9511 (relating to promulgation of rules and regulations by the department; and allocation of proceeds) and sections 1—10 of the act of June 1, 1956 (P. L. (1955) 1944, No. 655) (72 P. S. §§ 2615.1—2615.10) (act).

#### *Purpose of the Chapter*

Chapter 449 effects the fair and uniform administration of the provisions of the act and 75 Pa.C.S. § 9511, which provide a permanent allocation of a part of the liquid fuels, fuels and oil company franchise tax proceeds to counties, cities, boroughs, incorporated towns and townships for their road, street and bridge purposes.

#### *Purpose of the Final-Omitted Rulemaking*

The purpose of the final-omitted rulemaking is to update and revise existing provisions of Chapter 449 to be consistent with the CEDEA, which created the Department of Community and Economic Development by the merger of the former Departments of Commerce and Community Affairs. As a result of the merger, the annual reporting forms and documents were changed. These changes are reflected in § 449.12 (relating to annual qualification) and are intended to eliminate the confusion caused by the out dated information in the current regulation. Additionally, amendments to the municipal and county codes have superseded certain provisions of Chapter 449. These statutory amendments have affected townships of the first and second class, third class cities, boroughs, towns, counties of the third through eighth classes and councils of governments. Amendments to § 449.3 (relating to advertising, bidding and bond requirements) reflect the statutory changes from \$4,000 to \$10,000 in the dollar thresholds for determining whether competitive bidding is required in the solicitation and award of contracts, and for determining whether a municipal contract is exempt from bidding, bonding and advertising.

In §§ 449.7 and 449.8 (relating to purchase of materials and equipment; and equipment rental), telephonic price

quotations from at least three qualified and responsible contractors are required for contracts that exceed \$4,000 but are less than the \$10,000 threshold requiring advertising and competitive bidding, consistent with provisions in the statutes. These sections also provide that instead of the price quotations, a memorandum shall be kept on file showing that fewer than three qualified contractors service the market area within which it is practicable to obtain quotations. The file memorandum shall be kept until the completion of an audit by the Department of the Auditor General which includes the transaction. These audits are conducted periodically according to law and regulation.

Additionally, the bond requirement charts included in § 449.7 and § 449.9 (relating to construction and maintenance contracts) have been updated to reflect current statutory bonding requirements. This amendment will eliminate the confusion, which has existed since the statutory changes, over the appropriate advertising, bidding and bonding requirements. Section 449.7(e) has also been revised to include intergovernmental agencies in the sections dealing with advertising, bidding and bonding requirements for piggy-back purchases. This amendment was made to reflect the changes made to 62 Pa.C.S. (relating to Commonwealth Procurement Code). Sections 449.7 and 449.9 have also been updated to include metric measurements.

In developing the final-omitted rulemaking, the Bureau met and discussed the amendments with Statewide municipal associations and with staff of the Auditor General to ensure that the final-omitted rulemaking would not conflict with applicable local laws and would be acceptable to all affected parties.

#### *Persons and Entities Affected*

The final-omitted rulemaking affects all municipal governments in this Commonwealth that seek to qualify and receive Liquid Fuels Tax funds.

#### *Fiscal Impact*

The final-omitted rulemaking does not impose an increased fiscal burden on State or local governments or private entities. The final-omitted rulemaking will facilitate the expeditious review and approval of liquid fuels tax fund activities. This will allow the Department to serve the municipalities of this Commonwealth in a more effective and professional manner and will promote more efficient utilization of liquid fuels tax funds. The final-omitted rulemaking does not impose any additional reporting, recordkeeping or other paperwork requirements on the Commonwealth or local governments.

#### *Sunset Date*

The Department is not establishing a sunset date for the final-omitted rulemaking since the regulations are needed to administer the provisions required under sections 1—4 of the act and 75 Pa.C.S. § 9010 (relating to disposition and use of tax). The Department will, however, continue to closely monitor these regulations for their effectiveness.

#### *Regulatory Review*

Under section 5.1(c) of the Regulatory Review Act (71 P. S. § 745.5a(c)), on March 17, 2003, the Department submitted copies of this final-omitted rulemaking to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House and Senate Transporta-

tion Committees. On the same date, the final-omitted rulemaking was submitted to the Office of the Attorney General for review and approval under the Commonwealth Attorneys Act (71 P. S. §§ 732-101—732-506).

Under section 5.1(d) of the Regulatory Review Act, on April 7, 2003, this final-omitted rulemaking was deemed approved by the House and Senate Committees. Under section 5.1(e) of the Regulatory Review Act, on April 24, 2003, IRRC met and approved this final-omitted rulemaking.

*Contact Person*

The contact person is Richard G. Zerbe, Bureau of Municipal Services, P. O. Box 8211, 400 North Street, 6th Floor, Commonwealth Keystone Building, Harrisburg, PA 17105-8211, (717) 783-8588.

*Findings*

The Department finds that:

(1) Public notice of intention to adopt these amendments has been omitted under section 204(1) and (3) of the CDL and the regulation promulgated thereunder, 1 Pa. Code § 7.4.

(2) This final-omitted rulemaking interprets and incorporates self-executing changes made in the CEDEA and amendments to the various municipal and county codes. The CEDEA merged the former Departments of Commerce and Community Affairs, requiring changes in annual reporting forms and documents to reflect the consolidation of the two former agencies into the new Department of Community and Economic Development. The enactment of the CEDEA itself effected the change, this final-omitted rulemaking is a correction of the requirements to conform them to the changes made by the statute. Similarly, the municipal and county codes have effected changes in the threshold dollar amounts which determine whether municipal contracts must be advertised and bid and require bid or performance bonds, or both. The final-omitted rulemaking simply conforms the requirements specific to municipal contracts involving the expenditure of Liquid Fuels Tax moneys to the changes effected in this final-omitted rulemaking to the statutes.

Under the circumstances, there would be no fruitful purpose to publish these regulatory amendments as proposed rulemaking or to invite public comment. The substance of the regulatory amendments is dictated by the changes already controlling in the amended statutes. It would be impracticable, unnecessary and contrary to the public interest to invoke the provisions of sections 201 and 202 of the CDL in these circumstances.

(3) The adoption of this final-omitted rulemaking, in the manner provided in this order, is necessary and appropriate for the administration and enforcement of the authorizing statutes.

*Order*

The Department, acting under the authorizing statutes, orders that:

(a) The regulations of the Department, 67 Pa. Code Chapter 449, are amended by amending §§ 449.2, 449.3, 449.5, 449.7—449.9, 449.11 and 449.12 to read as set forth in Annex A.

(b) The Secretary of the Department shall submit this order and Annex A to the Office of Attorney General and the Office of General Counsel for approval as to legality, as required by law.

(c) The Secretary of the Department shall certify this order and Annex A, and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall take effect upon publication in the *Pennsylvania Bulletin*.

ALLEN D. BIEHLER, P. E.,  
*Secretary*

**Annex A**

**TITLE 67. TRANSPORTATION**

**PART I. DEPARTMENT OF TRANSPORTATION**

**Subpart B. NONVEHICLE CODE PROVISIONS**

**ARTICLE III. HIGHWAYS**

**CHAPTER 449. LIQUID FUELS TAX FUNDS**

**§ 449.2. Definitions.**

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicated otherwise:

*Alley*—A narrow roadway, usually to the rear of abutting properties, designed for the purpose of access to the rear of the properties and not as a thoroughfare; and every roadway less than 16 feet in width.

*Court*—A dead-end roadway designed to provide access to properties abutting thereon which has a length of less than 250 feet or a vehicle turnaround area with a radius of less than 40 feet.

*Department*—The Department of Transportation of the Commonwealth.

*Intergovernmental agencies*—Councils of government, area governments or other affiliation of governments or government agencies as authorized by 62 Pa.C.S. Chapter 19 (relating to intergovernmental relations) to participate in, sponsor, conduct or administer a cooperative purchasing agreement and which expend public moneys for the procurement of supplies, services and construction.

*Person*—Individual, partnership or corporation; contracts with two or more companies owned or operated by the same person are regarded as one contract.

*Road machinery and road equipment*—Any machinery or equipment used primarily for the maintenance, repair, construction or reconstruction of public roads or streets, including bridges, culverts and drainage structures for which municipalities are legally responsible.

*Roadway*—That portion of a street or highway between the side ditch lines, face of curbs, outside edge of shoulders and gutters, or combination thereof, exclusive of slope areas.

*Secretary*—The Secretary of Transportation.

*Way*—A short stretch of roadway having both terminals in a street or road and designed to provide access to properties abutting thereon.

*Way, court and alley*—Any way, court or alley established after the effective date of this chapter will not be recognized as a road or street for purposes of Liquid Fuels Tax participation.

**§ 449.3. Advertising, bidding and bond requirements.**

(a) *General rule.* Advertising, bidding, and a performance bond are required by statute on purchases and contracts in excess of \$10,000, with certain exceptions indicated in subsection (b). See: sections 1.1 and 1.2 of the act of March 7, 1901 (P. L. 20, No. 14) (53 P. S. §§ 23308.1 and 23308.2); sections 1901—1918 of the act of June 23, 1931 (P. L. 932, No. 317) (53 P. S. §§ 36901—36918); sections 1401—1411 of the act of February 1, 1966 (P. L. (1965) 1656, No. 581) (53 P. S. §§ 46401—46411); the act of May 27, 1953 (P. L. 244, No. 34) (53 P. S. §§ 53201—53209); sections 1801—1811 of the act of June 24, 1931 (P. L. 1206, No. 331) (53 P. S. §§ 56801—56811); sections 801—808 of the act of May 1, 1933 (P. L. 103, No. 69) (53 P. S. §§ 65801—65809); and the Public Works Contractors' Bond Law of 1967 (8 P. S. §§ 191—202).

(b) *Evasion prohibited.* While it is lawful to make a purchase or contract for up to \$10,000 without advertising and bidding, it is unlawful to enter into several less-than \$10,000 contracts with the same person or with several persons merely for the purpose of evading advertising and bidding requirements.

(c) *Bonds.* Bonds shall include the following:

(1) *Bid bond.* A bid bond guarantees that the bidder will execute the contract in the event he is declared the winning bidder.

(2) *Performance bond.* A performance bond guarantees that work, materials and equipment will be provided at the time specified in the contract. A performance bond does not guarantee the quality of the work, materials and equipment.

(3) *Payment bond.* A payment bond guarantees that the contractor or supplier will pay his workers, subcontractors and suppliers.

(d) *Emergency exception to advertising and bidding requirements.* Whenever municipal officials determine that an emergency condition exists rendering it essential to undertake immediate repair or maintenance work to protect the health, safety or welfare of the people, the emergency work may be contracted for by the municipality without the necessity of advertising for competitive bids for the project.

(1) An emergency which will warrant dispensing with advertising for competitive bids must be immediate, unforeseen and existing. A condition which may or may not arise in the future or a condition which should reasonably have been foreseen in time to advertise for bids will not warrant dispensing with normal advertising and bidding requirements.

(2) The determination of the emergency and the actions of the municipal officials in contracting for emergency work shall be fully documented for Department review.

(e) *Exception to advertising, bidding and bonding requirements for home rule charter municipalities.* In the case of any municipality which has adopted a home rule charter, the Department will recognize charter provisions which are contrary to the advertising, bidding and bonding requirements in this chapter or in the various municipal codes.

(f) *Brand names.* In advertising for equipment to be rented or purchased, or for materials to be purchased or delivered in place, it is unlawful to require or specify any particular make or brand thereof, thereby excluding other makes or brands. A particular brand name or its equivalent may be specified if equal consideration is given to all brands which are reasonably similar to the specified brand. The specifications shall be reasonable and not merely imposed to exclude some brands of equipment or material in favor of other brands.

**§ 449.5. Failure to receive bids.**

If a purchase or contract over \$10,000 is advertised and no bids are received, the municipality may not proceed with the purchase or contract unless it is again advertised for bids. If again no bids are received, the municipality may negotiate the purchase or contract on the best terms available within 45 days of the second advertisement if no substantial changes are made in the terms, conditions and specifications contained in the bid proposal. If substantial changes must be made to procure the purchase or contract, the purchase or contract shall be re-advertised and bid on the basis of the changes.

**§ 449.7. Purchase of materials and equipment.**

(a) *Advertisement.* The advertisement for any purchase, whether to be picked up or delivered or, in case of materials, to be applied in place, shall contain a reasonably complete description and estimated quantities of the major items or categories of items. The advertisement shall also indicate the requirement of a bid or performance bond, or both.

(b) *Proposal.* The proposal shall contain the approximate number of items or tons, gallons, square yards, the metric equivalent, or other standard unit of measure, required, as reasonably estimated by the municipality.

(1) The bidder shall insert in the proposal:

(i) The unit price for each item.

(ii) The total price for each item (quantity × unit price).

(iii) The total price for any group of items which the proposal stipulates shall be supplied by a single bidder.

(2) Bids, without quantities, are not acceptable.

(3) Only like items may be required to be supplied by a single bidder.

(i) If this requirement is imposed, the proposal shall so indicate.

(ii) It is not permissible to require a single supplier to provide both tars and asphalts.

(iii) When tar is to be bid, it is not permissible to specify coal tar or to specify water tar.

(4) Liquid asphalt shall be purchased by one of the following:

(i) Weight.

(ii) Volume (gallons or liters) at 60°F or 15.5°C. Use the conversion table contained in the Department Bulletin 25, Publication #27.

(c) *Bonds.* On purchases over \$10,000, suppliers shall provide bonds in accordance with the following chart:

	<i>First, Second, &amp; 2A-Class Cities</i>	<i>Third Class Cities</i>	<i>Boroughs</i>	<i>First Class Townships</i>	<i>Second Class Townships</i>
Bid Bond	*	Discretionary with council in a reasonable amount. (53 P. S. § 36901(f))	Discretionary with council, in an amount determined by council. (53 P. S. § 46402(b)(1))	Not required	Not required
Performance Bond	*	Bond or irrevocable letter of credit, in amount sufficient to council, furnished within 20 days, but not less than 10 days, of award as specified by council. (53 P. S. § 36901(g))	At council's discretion. If required, not less than 10% or greater than 100%, furnished within 20 days, but not less than 10 days, of award as specified by council. (53 P. S. § 46402(c))	Not less than 10% or greater than 100%, furnished within 20 days, but not less than 10 days, of award as specified by township commissioners. (53 P. S. § 56802(c))	Not less than 10% or greater than 100%, as specified by township supervisors, furnished within 20 days of award. (53 P. S. § 68102(g))

\* See appropriate municipal code or charter.

*NOTE:* The Public Works Contractors' Bond Law of 1967 may supersede requirements of municipal codes. Consult the appropriate statutes or consult with the appropriate municipal solicitor, or both, regarding bonding requirements for a particular contract or project.

(d) *Annual estimate of materials.* Each municipality shall make an annual estimate of its requirements of road construction and maintenance materials, and shall advertise for bids on all items and groups of like items ordinarily supplied by a single supplier—see subsection (b)(3)—which are estimated to exceed \$10,000 for the year. For materials estimates between \$4,000 and \$10,000, three telephone price quotes shall be obtained prior to the selection of a supplier. In lieu of the price quotations, a memorandum shall be kept on file showing that fewer than three qualified contractors service the market area within which it is practicable to obtain quotations until a satisfactory audit of the contract is completed by the Department of the Auditor General. If the cost during the year of an unadvertised item or group of like items ordinarily supplied by a single supplier exceeds \$10,000, or if the cost was between \$4,000 and \$10,000 and three price quotes were not obtained, the entire cost shall be ineligible for payment from the Liquid Fuels Tax fund unless it can be shown to the satisfaction of the Secretary that it was reasonably believed that the cost of the year's requirements of that item or group of like items would not exceed \$10,000 or be between \$4,000 and \$10,000 as specified in this section.

(e) *Purchases through Department of General Services or intergovernmental agencies.* Advertising, bidding and bonding requirements do not apply to "piggy back" purchases from suppliers under contracts with the Department of General Services or intergovernmental agencies. Compliance by an intergovernmental agency with the advertising and bonding requirements in this chapter shall be sufficient to relieve a municipality cooperating in the same purchasing agreement from compliance with the advertising, bidding and bonding requirements.

(f) *Purchases of gasoline subject to Federal Energy Administration regulations.* Advertising, bidding and bonding requirements do not apply to gasoline purchases which Federal Energy Administration regulations require be made from specified suppliers if a municipality utilizes 84,000 gallons or more a year.

**§ 449.8. Equipment rental.**

(a) *General rule.* A contract in excess of \$10,000 for the rental of equipment shall be advertised, bid and bonded

and a contract between \$4,000 and \$10,000 shall be awarded only after three telephone price quotes are obtained, unless the work is performed by the municipality's own employee forces. For contracts between \$4,000 and \$10,000, in lieu of the price quotations, a memorandum shall be kept on file showing that fewer than three qualified contractors service the market area within which it is practicable to obtain quotations until a satisfactory audit of the contract is completed by the Department of the Auditor General.

(1) The advertisement shall contain a reasonably complete description of the type of equipment, approximate length of time the equipment will be required and whether the equipment shall be provided with operators.

(2) The proposal shall contain the approximate number of hours, days, and the like that the equipment will be required, as reasonably estimated by the municipality.

(3) Annual contracts for equipment rental and labor shall be permitted.

(4) On equipment rental contracts over \$10,000, suppliers shall provide bonds in accordance with the chart in § 449.7(c) (relating to purchase of materials and equipment).

(5) If rented equipment is subsequently purchased, any rental paid in excess of an annual rate of 25% of the value of the equipment shall be regarded as a part of the purchase price in determining if the purchase must be advertised and bid.

(b) *"Local forces" defined.* "Local forces" are defined as follows:

(1) For the local forces exception to apply to equipment rented with operators, it must be shown that more than one half of the total man-hours of work on the project will be performed by municipal employees.

(2) Bona fide temporary employees of the municipality shall be counted as municipal employees. Employees of a contractor placed on the payroll of a municipality for the duration of a project will not be recognized as municipal employees.

(3) To substantiate a determination that a project is a local forces job, all man-hours shall be identified on payroll records.

(c) *Lease-purchase contracts of equipment.* When equipment is rented for general street and highway construction and maintenance use, rather than for a particular project, it may be desirable to enter into a lease containing a purchase option.

(1) If the total amount of the lease-purchase agreement, including trade-in allowance, all rentals and the amount paid under the purchase option exceeds \$10,000, advertising, bidding and a performance bond are required.

(2) The only Liquid Fuels Tax funds which may be used for a lease-purchase agreement is the 20% portion reserved for the purchase of equipment.

(3) Equipment purchased with Liquid Fuels Tax funds shall be used primarily for street and highway use.

**§ 449.9. Construction and maintenance contracts.**

(a) *Cost comparison.* Before deciding to pave a road or street by purchasing materials and renting equipment with operators, the municipality should compare the cost of having the job done by contract.

(b) *Advertisement.* The advertisement for a construction or maintenance contract shall contain a reasonably complete description of the project, including the scope of the project and the type of work involved, as well as bond requirements as indicated in subsection (f).

(c) *Proposal.* The proposal shall contain the approximate number of tons or square yards of materials, or the

metric equivalents, required, as reasonably estimated by the municipality. The bidder shall insert:

- (1) The unit price of each item.
- (2) The total price for each item (quantity × unit price).
- (3) The total price for any group of items, as to which the proposal requires a total or subtotal.

(d) *Lump sum bids.* In special cases, the Director of the Bureau of Municipal Services of the Department may approve lump sum bids in lieu of the procedure in subsection (c).

(e) *Prevailing wage requirements.* If the estimated cost of a construction contract, as defined in the memorandum of understanding between the Department, the Department of Labor and Industry and the former Department of Justice exceeds \$25,000, the municipality shall:

(1) Determine the prevailing minimum wage rates from the Prevailing Minimum Wage Division of the Department of Labor and Industry.

(2) Indicate in the advertisement issued for the purpose of securing bids for the contract that prevailing wage rates shall be paid on the project.

(3) Specify the prevailing minimum wage rates in the bid proposals for the contract.

(f) *Bonds.* Construction and maintenance contractors are required to provide bonds in accordance with the following chart:

**BOND REQUIREMENTS FOR CONSTRUCTION AND MAINTENANCE**

	<i>First, Second, &amp; 2A-Class Cities</i>	<i>Third Class Cities</i>	<i>Boroughs</i>	<i>First Class Townships</i>	<i>Second Class Townships</i>
Bid Bond	*	Requirement and reasonable amount discretionary with council. (53 P. S. § 36901(f))	Discretionary with council, in an amount determined by council. (53 P. S. § 46402(b)(1))	Not required	Not required
Performance Bond over \$10,000	*	Bond or irrevocable letter of credit, in amount sufficient to council, furnished within 20 days, but not less than 10 days, of award as specified by council. (53 P. S. § 36901(g))	At council's discretion. If required, not less than 10% or greater than 100%, furnished within 20 days, of award as specified by Council. (53 P. S. § 46402(c))	Not less than 10% or greater than 100%, furnished within 20 days, but not less than 10 days, of award as specified by township commissioners. (53 P. S. § 56802(c))	Not less than 10% or greater than 100%, as specified by township supervisors, furnished within 20 days of award. (53 P. S. § 68102(g))
Payment Bond over \$1,500	*	50% to 100% at discretion of city. (53 P. S. § 36907)	50% to 100% at discretion of the borough. (53 P. S. § 46406)	50% to 100% at discretion of the township. (53 P. S. § 56804)	Not required unless covered under the Public Works Contractors' Bond Law of 1967. (53 P. S. § 68105)

\* See appropriate municipal code or charter.

*NOTE:* The Public Works Contractors' Bond Law of 1967 may supersede requirements of municipal codes. Please consult the appropriate statutes or consult with the appropriate municipal solicitor, or both, regarding bonding requirements for a particular contract or project.

(g) *Payment of engineering fees.* Reasonable engineering fees in connection with any contract made by a municipality under this chapter shall be payable out of the Liquid Fuels Tax fund of the municipality. Any fees in excess of 10% of the total contract price shall be docu-

mented and justified to the satisfaction of the Department.

**§ 449.11. Twenty percent funds.**

(a) *Accumulation of 20% funds.* A municipality may

accumulate its road machinery and road equipment funds—20% funds—over a period of years subject to the following limitations:

(1) The full amount of 20% funds to be carried over from one year to the next shall be on deposit in the Liquid Fuels Tax account at the end of the calendar year, and shall be carried as part of the maintenance fund balance as reported on Form MS-965.

(2) If 20% funds are accumulated in an amount in excess of 100% of the most recent Liquid Fuels Tax allotment, the municipal budget shall indicate the kind of road machinery or road equipment which the municipality plans to purchase.

(b) *Payment of loans with 20% funds.* Loans or bond issues made to finance the purchase of road machinery and road equipment may be repaid from 20% funds.

(c) *Reimbursement of general fund expenditures with 20% funds.* Expenditures from the general fund made to finance the purchase of road machinery and road equipment purchased on or after August 6, 1971, may be reimbursed from 20% funds in the same or subsequent years.

**§ 449.12. Annual qualification.**

(a) *Requirements.* To qualify for its annual Liquid Fuels Tax allocation, each municipality shall submit to the Department the following documents and information:

(1) Evidence that its treasurer is bonded in accordance with law, or that its treasurer is a bank requiring no bond. This information is due on or before January 31 each year and shall be submitted on Department Form MS-965.

(2) A report indicating the manner in which its liquid fuels tax allocation was expended in the preceding year, the manner in which it plans to expend its Liquid Fuels Tax allocation in the current year and the amount of funds for road and street purposes to be raised by the levying of taxes in the current year. This information shall be due on or before January 31 each year on Department Form MS-965.

(3) A report of all elected and appointed officials, indicating the official and address to which Liquid Fuels Tax allocations and correspondence shall be forwarded. This information is due on or before January 31 each year and shall be submitted on the appropriate Department of Community and Economic Development forms:

(i) Form DCED-CLGS-19-2 for Cities.

(ii) Form DCED-CLGS-19-3 for Boroughs.

(iii) Form DCED-CLGS-19-4 for First Class Townships.

(iv) Form DCED-CLGS-19-5 for Second Class Townships.

(4) A copy of Form DCED-CLGS-69 (survey of financial condition). This completed form must be received by the Department of Community and Economic Development by March 15 each year.

(b) *Waiver.* The Secretary, for good cause, may waive any of these requirements as prerequisites to qualification for the annual Liquid Fuels Tax allocation.

## DEPARTMENT OF AGRICULTURE

### Pennsylvania Vegetable Marketing and Research Program

Under the applicable provisions of 3 Pa.C.S. Chapter 45 (relating to Agricultural Commodities Marketing Act), a review referendum was held from March 17, 2003, to March 31, 2003, to determine if the producers affected by the Pennsylvania Vegetable Marketing and Research Program (program) desired to continue the program for an additional 5 years. To pass, a majority of eligible producers voting had to vote in favor of the program's continuation. An impartial Teller Committee met on April 10, 2003, to count the ballots. The following results were

submitted by the Teller Committee: a total of 533 eligible votes were cast with 418 producers voting in favor of and 115 voting against the continuation of the program. An additional 30 ballots were invalid because they were either unsigned, illegible or postmarked after the formal voting deadline. Votes favoring continuation of the program by number of producers represented 78.4% of eligible votes and votes against continuation of the program represented 21.6% of eligible votes. Because a majority of the votes were cast in favor of the program, it will continue for 5 years, effective immediately.

## Lackawanna Watershed Conservation Plan

The Department of Conservation and Natural Resources (Department), Bureau of Recreation and Conservation has approved the Lackawanna Watershed Conservation Plan (Plan) and is placing a portion of the

Lackawanna Watershed in Lackawanna, Luzerne and Wayne Counties on the Pennsylvania Rivers Conservation Registry (Registry).

The Lackawanna River Corridor Association submitted the Plan and other required information to gain Registry status.

After review of the Plan and other information, the Department has determined that the Pennsylvania Rivers Conservation Program (Program) requirements have been satisfied and places the following on the Registry:

1. A portion of the Lackawanna Watershed located south of the State Route 171 Bridge in the Village of Simpson, Fell Township, Lackawanna County—294 square miles.

2. All tributary streams within the Lackawanna Watershed located south of the State Route 171 Bridge in the Village of Simpson, Fell Township, Lackawanna County.

This action becomes effective May 17, 2003. Projects identified in the Plan become eligible for implementation, development or acquisition grant funding through the Program.

A copy of the final Plan is available for review at the Lackawanna River Corridor Association, 2006 North Main Avenue, Scranton, PA 18501-0368, (570) 207-7608 and the Department of Conservation and Natural Resources, Rachel Carson State Office Building, 400 Market Street, 6th Floor, Harrisburg, PA 17101, (717) 787-2316.

Maps and supporting data are on file at the Lackawanna River Corridor Association.

# DEPARTMENT OF ENVIRONMENTAL PROTECTION

## Applications, Actions and Special Notices

---

### APPLICATIONS

---

### NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS

### NPDES APPLICATIONS

### PART I PERMITS

Under the Federal Clean Water Act and The Clean Streams Law, the following parties have applied for an NPDES permit or to renew their current permit to discharge controlled wastewaters into the waters of this Commonwealth or to conduct other activities required by the NPDES permit. For renewal applications listed in Section I, the Department of Environmental Protection (Department) has made a tentative determination to reissue these permits for 5 years subject to effluent limitations and monitoring and reporting requirements in their current permits, with appropriate and necessary updated requirements to reflect new and changed regulations and other requirements. For new permit applications, renewal applications with major changes or applications for permits not waived by the EPA, the Department, based upon preliminary reviews, also made a tentative determination of proposed effluent limitations and other terms and conditions for the permit applications listed in Section II. Oil and gas related permit applications are listed in Section III. These determinations are published as proposed actions for comments prior to taking final actions.

Unless indicated otherwise, the EPA Region III Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on a proposed permit are invited to submit a statement, to the office noted before the application, within 30 days from the date of this public notice. Comments received within this 30-day comment period

will be considered in the formulation of the final determinations regarding the application. The comment should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant. Following the comment period, the Department's Water Management Program Manager will make a final determination regarding these applications. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

Renewal applications, including proposed effluent limitations and special conditions, are available on file. For new permit applications, information submitted with the applications is available on file. The information may be inspected and arrangements made for copying at the office indicated before the application.

Persons with a disability who require an auxiliary aid, service, including TDD users, or other accommodations to seek additional information should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Description of Proposed Activity: Renewal and transfer of a permit to discharge treated sewage.

For the purpose of evaluating effluent requirements for TDS, NO<sub>2</sub>-NO<sub>3</sub>, fluoride, phenolics, sulfate and chloride, the existing/proposed downstream potable water supply (stream and public water supplier) considered during the evaluation is the Zelenople Water Works intake on the Connoquenessing Creek at Zelenople, approximately 25 miles below point of discharge.

The receiving stream, unnamed tributary to Robinson Run, is in watershed 20C and classified for WWF, aquatic life, water supply and recreation.

The proposed effluent limits for Outfall 001 are based on a design flow of 0.0094 MGD.

Description of Proposed Activity: Amendment of an NPDES permit for an existing discharge of treated sewage, to reflect a re-rating from 0.25 to 0.3125 MGD.

For the purpose of evaluating effluent requirements for TDS, NO<sub>2</sub>-NO<sub>3</sub>, fluoride, phenolics, sulfate and chloride, the existing/proposed downstream potable water supply (stream and public water supplier) considered during the evaluation is the Emlenton Water Company and the Allegheny River at Emlenton, approximately 98.5 miles below point of discharge.

The receiving stream, Allegheny River, is in watershed 16-B and classified for WWF, aquatic life, water supply and recreation.

The proposed effluent limits for Outfall 001 are based on a design flow of 0.3125 MGD.

**PA0103136**, Sewage, **Shane L. Kosterman, Woodhaven Mobile Home Park**, 7950 Page Road, Wattsburg, PA 16442. This facility is located in Greene Township, **Erie County**.

Description of Proposed Activity: Renewal of an NPDES permit to discharge treated sanitary sewage from the Woodhaven Mobile Home Park.

The receiving stream, an unnamed tributary of Six Mile Creek, is in the Lake Erie watershed and classified for CWF and MF. For the purpose of evaluating effluent requirements for TDS, NO<sub>2</sub>-NO<sub>3</sub>, fluoride, sulfate, chloride and phenolics, the proposed downstream potable water supply considered during the evaluation is the North East Borough, Lake Erie take point, approximately 21 miles below the point of discharge.

The proposed effluent limits for Outfall 001 based on a design flow of 0.030 MGD:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>

**II. Applications for New or Expanded Facility Permits, Renewal of Major Permits and EPA Nonwaived Permit Applications**

*Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.*

**PA0063061**, Industrial Waste, SIC 4941, **Ashland Area Municipal Authority**, 501 North Chestnut Street, Ashland, PA 17921-1324. This proposed action is for the renewal of an NPDES permit to discharge treated process wastewater into an unnamed tributary to Little Mahanoy Creek in Butler Township, **Schuylkill County**.

The receiving stream is in the State Water Plan watershed 06B and is classified for CWF, aquatic life, water supply and recreation. There are no downstream public water supply intakes; therefore, the point of protection is at the PA-MD border on the Susquehanna River, approximately 150 miles below the point of discharge.

The proposed effluent limits based on a design flow of 0.019 MGD are:

<i>Parameter</i>	<i>Mass (lb/day)</i>		<i>Concentration (mg/l)</i>	
	<i>Average Monthly</i>	<i>Maximum Daily</i>	<i>Average Monthly</i>	<i>Instantaneous Maximum</i>
Aluminum			4.0	8.0

**PA0061395**, Industrial, **Borough of Schuylkill Haven**, 12 West Main Street, Schuylkill Haven, PA 17972-1900. This proposed facility is located in North Manheim Township, **Schuylkill County**.

Description of Proposed Activity: Renewal of an NPDES permit to discharge treated process wastewater into Tumbling Run.

The receiving stream is in the State Water Plan watershed no. 03A and is classified for CWF, aquatic life, water supply and recreation. The nearest downstream public water supply intake for the Pottstown Borough Water Authority is on the Schuylkill River, approximately 40 miles below the point of discharge.

The proposed effluent limits for Outfall 001 based on a design flow of 0.047 MGD are:

<i>Parameter</i>	<i>Mass (lb/day)</i>		<i>Concentration (mg/l)</i>	
	<i>Average Monthly</i>	<i>Maximum Daily</i>	<i>Average Monthly</i>	<i>Maximum Daily</i>

**PA0043257**, Sewage, SIC Code 4952, **New Freedom Borough Authority**, 49 East Main Street, New Freedom, PA 17349. This facility is located in Railroad Borough, **York County**.

Description of activity: Renewal of an NPDES permit for an existing discharge of treated sewage from a sequencing batch reactor facility.

The receiving stream, South Branch Codorus Creek, is in Watershed 7-H and classified for WWF, water supply and recreation and fish consumption. The nearest downstream public water supply intake is for York Water Company is on the South Branch Codorus Creek, approximately 19 miles downstream. The discharge is not expected to affect the water supply.

The proposed final effluent limits for Outfall 001 based on a design flow of 2.3 MGD and decant rate of 7.2 MGD are:

**PA0228729**, CAFO, **Hostetter Management Company**, P. O. Box 526, Ephrata, PA 17522. This existing facility is located in Cleveland Township, **Columbia County**.

Description of Existing Activity: The farm comprises 725 sows housed in a swine confinement barn, with liquid manure temporarily collected in shallow pits beneath the barn's slatted floors and periodically released to an outside, HDPE-lined manure storage, with approximately 750,000 gallons of storage. Manure is typically land applied on the Jim Mack farm acreage (owner of property), with some occasionally exported to a neighboring farm. On animals onsite include sows with litter, nursery pigs and boars. Total AEU's is 362.9.

The receiving stream, unnamed tributary to South Branch Roaring Creek, is in the State Water Plan watershed 6B and is classified for HQ-CWF.

The proposed effluent limits for the operation/activity include: Except for the chronic or catastrophic rainfall events defined as over the 25 year/24 hour rain storms, the CAFO general permit is a nondischarge NPDES permit. Where applicable, compliance with 40 CFR Federal effluent limitation guidelines is required. The general permit requires no other numeric effluent limitations and compliance with Pennsylvania Nutrient Management Act and The Clean Streams Law constitutes compliance with the State narrative water quality standards.

**PART II PERMITS**

The following permit applications or requests for plan approval have been received by the Department of Environmental Protection (Department).

Persons wishing to comment on an application are invited to submit a statement to the office noted before the application within 15 days from the date of this public notice. Comments received within the 15-day comment period will be considered in making the final decision regarding an application. Comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department reserves the right to hold a public hearing if the responsible office considers the public response significant. If a hearing is scheduled, a notice of the hearing will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation of the area. If no hearing is held, the Department's Water Management Program Manager will make a final determination regarding the application after a complete review. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

Copies of the permit applications and proposed plans are on file in the office indicated and are open to public inspection. Appointments to review an application may be made by contacting Records Management at the indicated telephone number.

**NPDES Stormwater Individual Permit**

The following parties have applied for an NPDES permit to discharge stormwater associated with a construction activity into waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain limitations set forth in the permit conditions. These proposed determinations are tentative. Limitations are provided as erosion and sediment control best management practices which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA Region III Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on a proposed permit are invited to submit a statement to the appropriate Department Regional Office noted before the application within 30 days from the date of this public notice. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding the application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department

of the exact basis of a comment and relevant facts upon which it is based. A public hearing may be held after consideration of comments received by the appropriate Department Regional Office during the 30-day public comment period.

Following the 30-day comment period, the appropriate Regional Office Water Management Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

Applications and related documents, including the erosion and sediment control plans for the earth disturbance activity, are on file and may be inspected at the office identified in this notice.

Persons with a disability who require an auxiliary aid, service or other accommodation to participate during the 30-day public comment period should contact the specified Regional Office. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

**PUBLIC WATER SUPPLY (PWS) PERMIT**

Under the Pennsylvania Safe Drinking Water Act, the following parties have applied for a PWS permit to construct or substantially modify a public water system.

Persons wishing to comment on a permit application are invited to submit a statement to the office listed before the application within 30 days of this public notice. Comments received within this 30-day comment period will be considered in the formulation of the final determinations regarding the application. Comment responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of Environmental Protection (Department) of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held after consideration of comments received during the 30-day public comment period.

Following the comment period, the Department will make a final determination regarding the proposed permit. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The permit application and any related documents are on file at the office listed before the application and available for public review. Arrangements for inspection and copying information should be made with the office listed before the application.

Persons with a disability who require an auxiliary aid, service or other accommodations to participate during the 30-day public comment period should contact the office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

### PREAMBLE 1

---

#### Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

---

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the Background Standard, Statewide Health Standard, the Site-Specific Standard or who intend to remediate a site as a special industrial area, must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one, a combination of the cleanup standards or who receives approval of a special industrial area remediation identified under the act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a Site-Specific Standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the sites identified, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period, the municipality may request that the person identified, as the remediator of the site, develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the Environmental Cleanup Program Manager in the Department Regional Office after which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

### PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

#### NEW SOURCES AND MODIFICATIONS

The Department of Environmental Protection (Department) has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department has received applications for plan approvals and/or operating permits from the following facilities.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the Regional Office identified in this notice. Persons interested in reviewing the application files should contact the appropriate Regional Office to schedule an appointment.

Persons wishing to receive a copy of a proposed plan approval or operating permit must indicate interest to the Department Regional Office within 30 days of the date of this notice and must file protests or comments on a proposed plan approval or operating permit within 30 days of the Department providing a copy of the proposed document to that person or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that a hearing be held concerning a proposed plan approval and operating permit. Comments or protests filed with the Department Regional Offices must include a concise statement of the objections to the issuance of the plan approval or operating permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the Regional Office identified. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121-143, the Federal Clean Air Act (act) and regulations adopted under the act.

#### PLAN APPROVALS

**Plan Approval Applications Received under the Air Pollution Control Act (35 P. S. §§ 4001-4015) and 25 Pa. Code Chapter 127, Subchapter B that may have special public interest. These applications are in review and no decision on disposition has been reached.**

**Intent to Issue Plan Approvals and Intent to Issue or Amend Operating Permits under the Air Pollution Control Act (35 P. S. §§ 4001-4015) and 25 Pa. Code Chapter 127, Subchapter B. These actions may include the administrative amendments of an associated operating permit.**

*Northeast Region: Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711-0790; Contact: Mark J. Wejkszner, New Source Review Chief, (570) 826-2531.*

**48-301-45: Falk Funeral Home, Inc.** (163 Main Street, Pennsburg, PA 18073) for construction of a human crematory and associated air cleaning device (afterburner) at the East Penn Crematory, 1418 Main Street, Hellertown Borough, **Northampton County**. A temperature of 1,800°F shall be maintained with a minimum residence time of 1 second when the unit is in operation. Particulate emissions shall not exceed 0.08 grain/dscf, corrected to 7% O<sub>2</sub>. The plan approval will include additional recordkeeping and operating restrictions designed to keep the source operating within all applicable air quality requirements.

#### PUBLIC HEARING

*Southeast Region: Air Quality Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428; Contact: Thomas McGinley, New Source Review Chief, (610) 832-6242.*

**46-0033B: Waste Management Disposal Services of Pennsylvania, Inc.** (1425 Sell Road, Pottstown, PA 19464). Under 25 Pa. Code §§ 127.44(b) and 127.424(b), the Department intends to issue a Plan Approval to Waste Management Disposal Services of Pennsylvania, Inc. The Plan Approval will subsequently be incorporated into the Title V Operating Permit through an administrative amendment in accordance with 25 Pa. Code § 127.450 for its Pottstown Landfill, West Pottsgrove Township, **Montgomery County** and Douglass Township, **Berks County**.

The applicant has proposed to connect the gas management system between the existing landfill and the Eastern Expansion. The purpose of the connection will be limited to transport of landfill gas between the two parts of the landfill. The approval will allow the Permittee to direct landfill gas generated at any portion of the currently permitted landfill to any of the five existing control devices (three enclosed flares and two turbines). The landfill is subject to 40 CFR Part 60, Subpart WWW, Standards of Performance for Municipal Solid Waste Landfills. The turbines are subject to 40 CFR Part 60, Subpart GG of the Standards of Performance for New Stationary Sources. No new emissions will be allowed under this proposed modification.

To assure compliance with the applicable standards, the Department has placed the following conditions in the proposed Plan Approval:

A. Permittee shall comply with the Compliance Provisions of 40 CFR 60.755.

B. Permittee shall continue to comply with all monitoring requirements set forth in the existing Operating Permits and Plan Approvals.

C. Records required under this Plan Approval shall be kept for a period of 5 years and shall be submitted to the Department upon request.

Further details on the conditions and reasons for their inclusion are available upon request.

Copies of the applications, the Department's analysis and other documents used in the evaluation are available for public inspection between 8 a.m. and 4 p.m., weekdays at the Department of Environmental Protection, Southeast Regional Office, 555 North Lane, Lee Park, Suite 6010, Conshohocken, PA 19428. To make an appointment, contact Records Management, (610) 832-6003.

Persons wishing to provide the Department with additional information may submit the information to the following address. Written comments should include the name, address and telephone number of the person submitting comments, identification of proposed Permit Nos. OP-46-0033 and TVOP-46-00033 or proposed Plan Approval No. PA-46-0033B and a concise statement regarding the relevancy of the information or any objections to issuance of the Plan Approval.

Written comments should be directed, by July 24, 2003, to Francine Carlini, Air Quality Program Manager, Department of Environmental Protection, Southeast Regional Office, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

A public hearing will be held for the purpose of receiving comments on the proposed Title V permit amendment and Plan Approval on June 24, 2003, at 7 p.m. in the Community Room, Montgomery County Community College, Pottstown Campus.

Individuals wishing to present testimony at the hearing need to register, by June 10, 2003, by contacting Lynda Rebarchak, (610) 832-6219, [Lrebarchak@state.pa.us](mailto:Lrebarchak@state.pa.us). Individuals with questions on a proposal should contact Lynda Rebarchak prior to the hearing date or discuss the matter before the start of the hearing, beginning at 6 p.m. Individuals with a disability should contact Lynda Rebarchak to discuss how the Department may accommodate their needs.

Persons unable to attend the hearing who wish to comment may do so in writing to Francine Carlini, Regional Manager, Air Quality, Department of Environ-

mental Protection, Southeast Regional Office, Lee Park, 555 North Lane, Suite 6010, Conshohocken, PA 19428 on or before July 24, 2003.

### OPERATING PERMITS

#### Intent to Issue Title V Operating Permits under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter G.

Sources operated at the facility include a refractory handling/processing operation, a natural gas fired refractory dryer and a natural gas fired kiln battery. A fabric collector controls particulate emissions from the refractory handling/processing operation. The facility will limit annual production of refractory material to 10,830 tons per 12 month running total. The facility has the potential to emit PM10 at a rate of 7.54 tons per year. Potential emissions of NOx are 2.86 tons per year and VOCs are equal to 0.22 ton per year. The State-only Operating Permit shall contain testing, monitoring, recordkeeping and reporting requirements, emission restrictions and work practice standards designed to keep the facility operating within all applicable air quality requirements.

**38-03039: Martin's Wood Products** (650 Houtztown Road, Myerstown, PA 17067) for operation of a wood furniture manufacturing facility in Jackson Township, **Lebanon County**. The facility includes four paint spray booths, which produce VOC emissions and are restricted to 20 tons per year. The State-only Operating Permit will contain emission limits along with work practice standards, monitoring, recordkeeping and reporting requirements to ensure the facility complies with the applicable air quality requirements.

**67-03004: Maple-Vail Book Manufacturing Co.** (480 Willow Springs Lane, P. O. Box 2695, York, PA 17405) for operation of a book manufacturing facility in Manchester Township, **York County**. Facility actual emissions are estimated at 2 tons per year of HAPs, less than 20 tons per year of VOCs and less than 1 ton per year of NOx. The State-only Operating Permit shall contain testing, monitoring, recordkeeping and reporting requirements,

emission restrictions and work practice standards designed to keep the facility operating within all applicable air quality requirements.

4. Notice of an administrative amendment to a Title V operating permit.

Notice is given, in accordance with 25 Pa. Code §§ 127.462(c) and 127.521, to incorporate an administrative amendment into the existing Title V Operating Permit TVOP-46-00033. This permit is being amended to incorporate the following changes of the amended RACT Operating Permit OP 46-0033:

- (1) Superceding 46-322-009.
- (2) Inclusion of 40 CFR Part 60, Subpart WWW, Standards of Performance for Municipal Solid Waste Landfills.
- (3) Revision of the RACT, which includes changing the NOx emission limits for each of the two gas turbines by an additional 4.25 pounds per hour and 3.97 tons per year on a 12-month rolling basis. This will result in a new emission limit for each of the gas turbines of 9.0 pounds per hour and 24.77 tons per year on a 12-month rolling basis. This amended Title V Operating Permit will contain requirements to keep the facility operating within all applicable air quality requirements, but does not include the landfill's Eastern Expansion, which currently operates under Plan Approval 46-322-007.

Copies of the applications, the Department's analysis and other documents used in the evaluation are available for public inspection between 8 a.m. and 4 p.m., weekdays at the Department of Environmental Protection, Southeast Regional Office, 555 North Lane, Lee Park, Suite 6010, Conshohocken, PA 19428. To make an appointment, contact Records Management, (610) 832-6003.

Persons wishing to provide the Department with additional information may submit the information to the following address. Written comments should include the name, address and telephone number of the person submitting comments, identification of the proposed Permit Nos. OP-46-0033 and TVOP-46-00033 and a concise statement regarding the relevancy of the information or any objections to issuance of the Plan Approval.

Written comments should be directed to Francine Carlini, Air Quality Program Manager, Department of

an amendment to the State Implementation Plan (SIP) for the facility in West Pottsgrove Township, **Montgomery County** and Douglass Township, **Berks County**. This correction does not change the RACT determination for the source of a NOx concentration of 42 parts per million parts by volume. The increase in emissions is a result of a correction to the calculation. The revised RACT permit will be submitted to the EPA as a revision to the Pennsylvania SIP.

1. Proposed revision to the SIP for NOx.
2. Administrative amendment to a Title V operating permit.
3. Revision to RACT plan.

One public hearing will be held for the purpose of receiving comments on the proposed Title V permit amendment and Plan Approval. The hearing will be held on June 24, 2003, at 7 p.m. in the Community Room, Montgomery County Community College, Pottstown Campus.

Individuals wishing to present testimony at the hearing should contact Lynda Rebarchak, (610) 832-6219, Lrebarchak@state.pa.us to register by June 10, 2003. Individuals with questions on a proposal should contact Lynda Rebarchak by phone or e-mail prior to the hearing date or discuss the matter before the start of the hearing, beginning at 6 p.m. Individuals with a disability should contact Lynda Rebarchak to discuss how the Department may accommodate their needs.

Persons unable to attend the hearing who wish to comment may do so in writing to Francine Carlini, Regional Manager, Air Quality, Department of Environmental Protection, Southeast Regional Office, Lee Park, 555 North Lane, Suite 6010, Conshohocken, PA 19428 on or before July 24, 2003.

**COAL AND NONCOAL MINING ACTIVITY APPLICATIONS**

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); and The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); and The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to the applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District Mining Office indicated before an application. Where a 401 Water Quality Certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for certification.

Written comments, objections or requests for informal conferences on applications may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34.

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. NPDES permits will contain, at a minimum, technology-based effluent limitations as identified in this notice for the respective coal and noncoal applications. In addition to the previous, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit, when necessary, for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies who have requested review of the NPDES permit requirements for a particular mining activity within the previously mentioned public comment period will be provided with a 30 day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of the person submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor wishes to have the conference conducted in the locality of the proposed mining activities.

**FEDERAL WATER POLLUTION CONTROL ACT, SECTION 401**

The following permit applications and requests for Environmental Assessment approval and requests for Water Quality Certification have been received by the Department of Environmental Protection. Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341(a)), requires the State to certify that the involved projects will not violate the applicable provisions of sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) as well as relevant State requirements. Initial requests for 401 Water Quality Certification will be published concurrently with the permit application. Persons objecting to approval of a request for certification under section 401 of the FWPCA, the issuance of a Dam Permit or Water Obstruction and Encroachment Permit or the approval of an Environmental Assessment must submit comments, suggestions or objections within 30 days of the date of this notice, as well as any questions, to the office noted before the application. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed and a concise statement of comments, objections or suggestions including the relevant facts upon which they are based.

The Department may conduct a fact-finding hearing or an informal conference in response to comments if deemed necessary. Individuals will be notified, in writing, of the time and place of a scheduled hearing or conference concerning the certification request to which the comment, objection or suggestion relates. Maps, drawings and other data pertinent to the certification request are available for inspection between 8 a.m. and 4 p.m. on each working day at the office noted before the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483.

TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

#### **APPROVALS TO USE NPDES AND/OR OTHER GENERAL PERMITS**

The following parties have submitted: (1) Notices of Intent for Coverage under (1) General NPDES Permits to Discharge Wastewater into the Waters of the Commonwealth. The approval for coverage under these general NPDES permits is subject to applicable effluent limitations. Monitoring, reporting requirements and other conditions set forth in the general permit; (2) General Permits for Beneficial Use of Sewage Sludge or Residential Septage by Land Application in this Commonwealth; (3) General NPDES Permit Authorizing the Discharge of Stormwater Associated with Construction Activities to Waters of the Commonwealth; (4) Notification for First Use Application of Sewage Sludge.

The approval of coverage for land application of sewage sludge or residential septage under these general permits is subject to pollutant limitations, pathogen and vector attraction reduction requirements, operational standards, general requirements, management practices and other conditions set forth in the respective permit. The Department of Environmental Protection approves the following coverage under the specific General Permit.

The EPA Region III Administrator has waived the right to review or object to this permit action under the waiver provision 40 CFR 123.23(d).

The application and related documents, effluent limitations, permitting requirements and other information are on file and may be inspected and arrangements made for copying at the contact office noted.

## PUBLIC WATER SUPPLY PERMITS

The Department of Environmental Protection has taken the following actions on applications received under the Safe Drinking Water Act for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

## HAZARDOUS SITES CLEAN-UP UNDER THE ACT OF OCTOBER 18, 1988

### Proposed Consent Order and Agreement

#### Bear Creek Area Chemical Site

#### Fairview, Parker, Washington and Concord Townships, Petrolia, Fairview, Karns City and Bruin Boroughs, Butler County Perry Township, Armstrong County

Under section 1113 of the Hazardous Sites Cleanup Act (35 P. S. § 6020.101—6020.1305) (HSCA), the Department of Environmental Protection (Department) has entered into a Consent Order and Agreement (Agreement) with Beazer East, Inc. (Beazer) concerning the resolution of Beazer's liability at the Bear Creek Area Chemical Site (Site).

In the past, wastes containing hazardous substances and contaminants were disposed at various locations throughout the Site and these substances contaminated the environment, including the groundwater. The Department and Beazer have conducted response actions at the Site between 2001 and 2003. These response actions include the provision of bottled water to residents at the Site whose drinking water had become impacted or had threatened to become impacted by hazardous substances and contaminants. Upon the completion of response actions at the Site, residents of the Site will be serviced by a public water supply system and individual areas of waste disposal will be remediated by the Department, Beazer and/or other responsible persons.

Beazer is settling with the Department as a "responsible person" as defined in section 103 of the HSCA. Under the terms of the Agreement, Beazer has agreed to resolve its liability by paying the Department \$18,118,813 to compensate the Department for a portion of its past and anticipated future costs to effectively cleanup the Site and complete the public water supply system. In addition, Beazer shall address disposal areas and releases at the former Koppers plant under the EPA's RCRA Corrective Action Program.

The specific terms of this settlement are set forth in the Agreement between the Department and Beazer. The Department will receive and consider comments relating to the Agreement for 60 days from the date of this public notice. The Department has the right to withdraw its consent to the Agreement if the comments disclose facts or considerations that indicate that the Agreement is inappropriate, improper or not in the public interest. After the public comment period, the Department's settlement with Beazer shall be effective upon the date that the Department notifies Beazer, in writing, that the Agreement is final and effective in its present form and that the Department has filed a response to significant written comments to the Agreement or that no comments were received.

Copies of the Agreement are available for inspection at the Department's Northwest Regional Office, at the Site

repository in the Fairview Township, Butler County, Municipal Building or at the project website at [www.bearcreekpa.com](http://www.bearcreekpa.com). Comments may be submitted, in writing, to Chuck Tordella, Project Manager, Hazardous Sites Cleanup, Department of Environmental Protection, 230 Chestnut Street, Meadville, PA 16335. Further information may be obtained by contacting Chuck Tordella, (814) 332-6648. TDD users may contact the Department through the Pennsylvania Relay Services at (800) 645-5984.

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

### UNDER ACT 2, 1995

#### PREAMBLE 2

**The following final reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).**

Provisions of Chapter 3 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of submission of final reports. A final report is submitted to document cleanup of a release of a regulated substance at a site where one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected.

For further information concerning the final report, contact the Environmental Cleanup Program Manager in the Department Regional Office after which the notice of receipt of a final report appears. If information concerning a final report is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following final reports:

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

### UNDER ACT 2, 1995

#### PREAMBLE 3

**The Department has taken action on the following plans and reports under the Land Recycling and**

### **Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).**

Provisions of 25 Pa. Code § 250.8 and the administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by provisions of the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation, concentration of regulated substances in environmental media, benefits of refuse of the property and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by provisions of the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the Environmental Cleanup Program Manager in the Department Regional Office after which the notice of the plan or report appears. If information concerning a final report is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following plans and reports:

*Northeast Region: Joseph A. Brogna, Environmental Cleanup Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, (570) 826-2511.*

**Former Penn Fuel Gas Manufactured Gas Plant—Pottsville Site**, City of Pottsville, **Schuylkill County**. RETEC Group, Inc., 3040 William Pitt Way, Pittsburgh, PA 15238 submitted a Remedial Investigation Report (on behalf of PPL Services Corp., Two North Ninth Street, Allentown, PA 18101) concerning the characterization of soils, groundwater and adjacent surface water found or suspected to have been contaminated with metals, polycyclic aromatic hydrocarbons, phenolics, cyanides and BTEX compounds related to historic manufactured gas plant operations. The report was submitted in partial

fulfillment of a combination of both the Statewide Health and the Site-Specific Standards and was approved on April 30, 2003.

*Southwest Region: Environmental Cleanup Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.*

**Chapel Harbor Site**, O'Hara Township, **Allegheny County**. David R. Perry, American Geosciences, Inc., 3925 Reed Blvd., Suite 400, Murrysville, PA 15668 (on behalf of Chapel Harbors at the Water, LLC, c/o Zambrano Corporation, 1650 Main Street, Pittsburgh, PA 15215) has submitted a Remedial Investigation Report and a Risk Assessment Report concerning remediation of site groundwater contaminated with Chlorinated Solvents. The Remedial Investigation and Risk Assessment Reports were approved by the Department on February 27, 2003.

#### RESIDUAL WASTE—REGISTRATION FOR GENERAL PERMIT

**Registration Denied under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003); the Residual Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904); and Residual Waste Regulations for a General Permit to Operate Residual Waste Processing Facilities and/or the Beneficial Use of Residual Waste Other Than Coal Ash.**

*Central Office: Division of Municipal and Residual Waste, Rachel Carson State Office Building, 14th Floor, 400 Market Street, Harrisburg, PA 17105-8472.*

**General Permit No. WMGR064. Beaver Township Board of Supervisors**, 3298 Park Road, Springboro, PA 16435.

General Permit Number WMGR064 authorizes the beneficial use of natural gas well brines for antiskid prewetting prior to roadway applications and roadway and walkway surface anti-icing applications used to minimize the formation or development of bonded snow and ice to roadway and walkway surfaces. Central Office denied this registration for coverage under the general permit on April 28, 2003.

#### OPERATE WASTE PROCESSING OR DISPOSAL AREA OR SITE

**Permits Issued under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003), the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904) and Regulations to Operate Solid Waste Processing or Disposal Area or Site.**

*Northeast Region: Regional Solid Waste Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.*

**Permit No. 101628. Natural Soil Products**, P. O. Box 283, Tremont, PA 17981-0283. A permit approving a Radiation Protection Action Plan, which requires Natural Soil Products to monitor and respond to radioactive material entering the site, as well as performing related procedures for training, notification, recordkeeping and reporting. Specifically, Natural Soil Products is required to monitor sewage sludges received from outside sources that are brought to the facility for processing. This municipal waste composting facility located in Frailey Township, **Schuylkill County** receives a limited amount of sewage sludge, which is used as material for this facility. The permit was issued in the Regional Office on

May 1, 2003. This permit does not authorize any other change to this facility's construction or operations.

*Southwest Region: Regional Solid Waste Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.*

**Permit ID No. 101534. Laurel Highlands Landfill, Inc.**, 260 Laurel Ridge Road, Johnstown, PA 15909. Operation of a municipal waste landfill in Jackson Township, **Cambria County**. Major permit modification to monitor incoming waste for the presence of radioactive materials, incorporation of a geosynthetic clay liner element into the permitted liner system, monitoring of meteorological conditions at the site, recirculation of leachate and other design and operational revisions was issued in the Regional Office on April 28, 2003.

**Permit ID No. 100081. Southern Alleghenies Landfill, Inc.**, 843 Miller Picking Road, Davidsville, PA 15928. A major permit modification for expansion onto a 96.9-acre tract of which 59 acres will be lined and used for waste disposal known as the Phase III Expansion Area at a municipal waste landfill in Conemaugh Township, **Somerset County**. The permit was issued in the Regional Office on April 30, 2003.

Persons interested in reviewing a permit may contact the Department of Environmental Protection, Land Recycling and Waste Management, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, (412) 442-4000. TDD users may contact the Department through the Pennsylvania Relay Service at (800) 654-5984.

## **ACTIONS ON COAL AND NONCOAL MINING ACTIVITY APPLICATIONS**

**Actions on applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); and The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). The final action on each application also constitutes action on the request for 401 Water Quality Certification and the NPDES permit application. Mining activity permits issued in response to the applications will also address the application permitting requirements of the following statutes: the Air Quality Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).**

### FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications, requests for Environmental Assessment approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341(a)).

Except as otherwise noted, the Department certifies that the construction and operation herein described will comply with the applicable provisions of sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) and that the construction will not violate applicable Federal and State water quality standards.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P.S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

**Actions on applications for the following activities filed under the Dam Safety and Encroachments Act (32 P.S. §§ 693.1—693.27), section 302 of the**

**Flood Plain Management Act (32 P.S. § 679.302) and The Clean Streams Law (35 P.S. §§ 691.1—691.702) and Notice of Final Action for Certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).** (Note: Water Obstruction and Encroachment Permits issued for Small Projects do not include 401 Certification, unless specifically stated in the description.)

#### Permits Issued and Actions on 401 Certifications

#### WATER OBSTRUCTIONS AND ENCROACHMENTS

*Southeast Region: Water Management Program Manager, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.*

**E15-700. East Goshen Conservancy**, 1580 Paoli Pike, West Chester, PA 19380, East Goshen Township, **Chester County**, ACOE Philadelphia District.

To relocate approximately 1,700 linear feet of Chester Creek for the purpose of stream restoration. The applicant proposes to construct and maintain approximately 1,700 feet of stream restoration based upon "natural channel design" techniques. The design also includes creation/enhancement of wetlands, excavation of deposits in the floodplain, placement of in-channel structures to protect stream banks and maintain flow alignment and the creation of a riparian buffer. The proposed stream restoration reach will be from the upstream limit of the Baldwin Drive Bridge to the downstream limit of the Reservoir Road Bridge (West Chester, PA Quadrangle; N: 17.8 inches; W: 7.2 inches).

*Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, (570) 826-2511.*

**E58-244. Christopher W. Urion**, 8 Plumbridge Drive, Levittown, PA 19056-3512. Auburn Township, **Susquehanna County**, Army Corps of Engineers Baltimore District.

To construct and maintain a low-flow road crossing of Little Meshoppen Creek (CWF, perennial), consisting of three 24-inch-diameter by 20-foot-long HDPE culverts. The center culvert will be depressed 6 inches below streambed elevation. The project is located on the east side of Township Road T-302, approximately 500 feet north of Carlin Pond (Auburn Center, PA Quadrangle N: 10.5 inches; W: 7.8 inches) (Subbase 04G).

**E48-333. Fairfield Development Associates**, 3864 Courtney Street, Bethlehem, PA 18017. Bethlehem Township, **Northampton County**, Army Corps of Engineers Philadelphia District.

To construct and maintain a 50-foot wide road crossing consisting of an 8-foot by 6-foot concrete box culvert having a 1 foot depression in a tributary to Bushkill Creek (HQ-CWF) for the purpose of providing access to Lot 7 of the Hecktown Road Business Park; and to place and maintain fill, having an average depth of 2 feet, in 0.09 acre of the floodway of the tributary for the purpose of constructing an earthen berm. The project is located approximately 0.75 mile northeast of the intersection of SR 0022 and SR 0033 (Nazareth, PA Quadrangle N: 12.0 inches; W: 4.3 inches) (Subbasin 02F).

**E35-357. Paul Kozlansky**, 1059 Rear Main Street, Dickson City, PA 18519. Greenfield Township, **Lackawanna County**, Army Corps of Engineers Baltimore District.

To construct and maintain a 30-foot wide low-flow driveway crossing consisting of twin 48-inch culverts

depressed 6 inches below streambed elevation across a tributary to South Branch Tunkhannock Creek, locally known as Smith's Creek (CWF). The project is located approximately 0.5 mile southeast of the intersection of SR 1013 and Sickler Pond Road (T-511) (Carbondale, PA Quadrangle N: 18.3 inches; W: 13.3 inches) (Subbase 04F).

*Southcentral Region: Water Management Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.*

**E22-448: Lower Paxton Township**, 75 South Houcks Road, Harrisburg, PA 17109 in Lower Paxton Township, **Dauphin County**, ACOE Baltimore District. To remove an existing manhole and associated sanitary sewer pipeline located within a tributary to Beaver Creek (Nyes Run) (WWF) and to construct and maintain two 36-inch sanitary sewer crossings and a temporary road crossing of a tributary to Beaver Creek (Nyes Run) (WWF); and to construct and maintain a 36-inch sanitary sewer crossing, a sewer manhole and a temporary road crossing in wetlands at a point along Nyes Road (Harrisburg East Quadrangle N: 7.0 inches; W: 1.9 inches) in Lower Paxton Township, Dauphin County. The amount of wetland impact is considered a de minimis impact of 0.002 acre and wetland mitigation is not required.

**E67-722: Bruce Schott**, 2733 Pleasant Hill Road, Hanover, PA 17331 in West Manheim Township, **York County**, ACOE Baltimore District.

To excavate a 100-foot by 50-foot area along the channel of Furnace Creek (WWF) to construct a pond. A 4-inch intake pipe is authorized by this permit and would qualify for a General Permit No. 4 (Manchester, MD-PA Quadrangle N: 22.2 inches; W: 8.3 inches) in West Manheim Township, York County.

**E36-707: Octoraro Watershed Association**, 389 Pine Grove Road, Nottingham, PA 19363 in East Drumore Township, **Lancaster County**, ACOE Baltimore District.

To construct and maintain a stream restoration project in the West Branch Octoraro Creek (HQ-CWF, MF) watershed. The project's purpose is to stabilize stream banks, improve sediment transport, create additional floodplain wetlands, establish riparian buffers and improve aquatic habitat. The watershed project will implement a natural stream channel design approach. Construction activities which will be utilized throughout the watershed include channel relocation, stream and floodway excavation and filling, rock vane, cross vane and j-hook installation, riprap, root wad and log spur placement, ford improvements and cattle crossing installation.

The 2nd Phase of the project consists of realigning and stabilizing approximately 670 lineal feet of Stewart Run (HQ-CWF) just south of Robert Fulton Highway (SR 222) on property referred to as the Maplehoff Dairy site (Quarryville, PA Quadrangle N: 0.1 inch; W: 4.0 inches) in East Drumore Township, Lancaster County. The applicant proposes to stabilize the channel through stream realignment, bank and floodplain grading, placement of in-stream rock vanes and plantings of native grasses, trees and shrubs. The existing channel will be abandoned and filled with excavated material from the proposed channel. As part of the project, the applicant anticipates creation of 0.5 acre of palustrine emergent floodplain wetlands.

**E31-186: Huntingdon County Commissioners**, 233 Penn Street, Huntingdon, PA 16652 in Springfield Township, **Huntingdon County**, ACOE Baltimore District.

To remove the existing three span bridge and then to construct and maintain a two-span bridge having a total

clear span of 177.4 feet on a 70° skew with minimum underclearance of 13.35 feet across Sideling Hill Creek (HQ-CWF) on T-313 (Walnut Grove Road) located about 0.6 mile northwest of the Village of Maddenville (Orbisonia, PA Quadrangle N: 1.6 inches; W: 12.6 inches) in Springfield Township, Huntingdon County.

**E06-565: North Heidelberg Township**, 928 Charming Forge Road, Robesonia, PA 19551 in North Heidelberg Township, **Berks County**, ACOE Philadelphia District.

To demolish and remove the existing steel girder bridge/abutments having a clear span of 12 feet a maximum rise of 5.1 feet and an in stream length of approximately 20 feet and to construct and maintain a precast concrete box culvert with a clear span of 17.0 feet, a maximum rise of 5.0 feet and an in stream length of 37.0 feet within the confines of an unnamed tributary to Spring Creek (TSF) at a point connecting Township Roads 501 and 522 (Bernville, PA Quadrangle N: 2.3 inches; W: 16.6 inches) in North Heidelberg Township, Berks County.

**E38-138: Department of Transportation, District 8-0**, 2140 Herr Street, Harrisburg, PA 17103-1699 in Swatara and Union Townships, **Lebanon County**, ACOE Baltimore District.

To remove the existing bridges and then to construct and maintain the northbound and southbound bridges of SR 0081, Section 023 at Segment 0920, Offset 1897 and Segment 092, Offset 1986 respectively over Swatara Creek (WWF). The northbound has a seven span with a total length of 950.23 feet with an underclearance of 69 feet. The southbound has a nine span with a total length of 987.64 feet with an underclearance of 84 feet located at the Village of Inwood (Indiantown Gap, PA Quadrangle N: 18.72 inches; W: 3.75 inches and N: 18.72 inches; W: 3.86 inches, respectively) in Swatara and Union Townships, Lebanon County.

**E21-334: Department of Transportation, District 8-0**, 2140 Herr Street, Harrisburg, PA 17103 in Carlisle Borough, **Cumberland County**, ACOE Baltimore District.

To construct and maintain the lengthening of an existing 72-inch diameter, 62-foot long reinforced concrete culvert by extending the culvert 10 feet on the west side and 17 feet on the east side for the purpose of conveying surface water flow to Letort Spring Run (EV) under the widened roadway of SR 0034, Segment 230, Offset 3625, located about 0.6 mile south of the Route 34 interchange exit of US Interstate 81 (Carlisle, PA Quadrangle N: 10.7 inches; W: 9.2 inches) in Carlisle Borough, Cumberland County.

### Planning Grant Awards under section 901 of the Municipal Waste Planning, Recycling and Waste Reduction Act of 1988, Act 101

The Department of Environmental Protection announces the following grants to counties under the Pennsylvania Municipal Waste Planning, Recycling and Waste Reduction Act of 1988 (Act 101) and sections 901 and 208 of the Waste Tire Recycling Act/Small Business and Household Pollution Prevention Act (Act 190 of 1996).

Planning grants are awarded to counties for 80% of approved costs for preparing municipal waste management plans, as required by Act 101, for carrying out related studies, surveys, investigations, inquiries, research and analysis, including those related to siting,

environmental mediation, education programs on pollution prevention and household hazardous waste and providing technical assistance to small businesses for pollution prevention. Grants may be awarded for feasibility studies and project development for municipal waste processing or disposal facilities, except for facilities for the combustion of municipal waste that are not proposed to be operated for the recovery of energy. All grant awards are predicated on the receipt of recycling fees required by

sections 701 and 702 of Act 101 and the availability of moneys in the Recycling Fund.

Inquiries regarding the grant offerings should be directed to Sally Lohman, Chief, Waste Planning Section, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Division of Waste Minimization and Planning, P. O. Box 8472, Harrisburg, PA 17105-8472.

### Availability of Comment and Response Document on NPDES Phase II Draft Permit Documents for Stormwater Discharges from Municipal Separate Storm Sewer Systems (MS4)

In accordance with The Clean Streams Law (35 P. S. §§ 691.1—691.1001), sections 1905-A, 1917-A and 1920-A of The Administrative Code of 1929 (71 P. S. §§ 510-5, 510-17 and 510-20), in 2002 the Department of Environmental Protection (Department) sought public comments on the Commonwealth's NPDES Phase II Permit documents for stormwater discharges from MS4s. The Environmental Protection Agency's Phase II stormwater permitting regulation in 40 CFR 122 requires permitting of small MS4s. The permit documents were consistent with the Federal and State regulations.

The proposed permit documents relied upon the Federal regulation and available guidance and were designed to reduce impact of stormwater discharges to the maximum extent practicable. The permit requires regulated MS4s to develop a stormwater management plan that meets the six minimum control measures: (1) public education and outreach; (2) public participation and involvement; (3) illicit discharge detection and elimination; (4) construction site storm water runoff control; (5) post-construction storm water management in new development and redevelopment; and (6) pollution prevention and good housekeeping for municipal operations and maintenance.

The Department received numerous comments from the public. All comments were considered in finalizing the permit documents. Permit documents were made available for use by the regulated community on December 7,

2002. The comment and response document contains clarification to many programmatic, funding and regulatory issues. The document is posted on the Department's website: [www.dep.state.pa.us](http://www.dep.state.pa.us), Direct Link: "stormwater."

### Availability of Title V Funds through Mini-Grants to Support Presentations about Building Inclusive Communities for Individuals with Special Health Care Needs

The Bureau of Family Health is accepting mini-grant applications relating to building inclusive communities. Mini-grants are available to support an educational event (for example, presentation, conference session and training) that will enhance community resources to promote inclusion of children with special health care needs into every day activities. For purposes of this funding opportunity, "children with special health care needs" are defined as those birth to 21 years of age who have a chronic physical, developmental, behavioral or emotional condition requiring services of a type or amount beyond that required by children generally.

The mini-grants provide funding for events occurring before June 30, 2004. Applicants may apply for funding to cover multiple presentations, not to exceed \$3,000 cumulatively per year. Eligible expenses include speaker fees/honoraria, speaker travel costs to and from event (for example, airfare, train, automobile mileage, tolls and parking), speaker's lodging and subsistence and other related costs as justified. Handout/resource material development/duplication, event promotion, audio-visual equipment rental/supplies and reasonable room rental costs are also eligible for reimbursement.

Department of Health (Department) approval will be based upon the applicant's ability to promote community inclusiveness as rated by an independent review panel. Incomplete applications will not be reviewed.

Targeted audiences are those not aware of inclusion-related issues, such as day care centers and child care providers, medical/dental providers, educational providers, youth groups, community planners, places of worship/congregations, community groups/civic clubs, entertainment/recreation/play providers, potential employers/businesses and families and relatives of children with special health care needs.

Examples of appropriate presentations previously funded have included:

- Sensitivity workshop on blind/deaf travelers for employees of a large airport.
- Seizure recognition and first aid training for day/child care providers.
- Advocacy workshop on epilepsy, employment and discrimination for teens with epilepsy and prospective employers.
- Conference workshop on removing architectural, communication and attitudinal barriers among religious communities so that all may worship inclusively.
- Training for teachers on creating inclusive learning environments.
- Classroom instruction on acceptance of students with special needs for high school teens.
- Presentation on transition to adulthood issues for children/youth with special needs and their families.
- Workshop on sexuality and victimization issues of the disabled for parents and professionals.

To request application materials or for additional information related to this initiative, contact Candace Johndrow, Media and Outreach Public Health Program Administrator, Division of Community Systems Development and Outreach, Bureau of Family Health, P. O. Box 90, Health and Welfare Building, 7th Floor East, Harrisburg, PA 17108, (717) 783-6536, fax (717) 772-0323, [cjohndrow@state.pa.us](mailto:cjohndrow@state.pa.us) or for speech and/or hearing impaired persons, V/TT (717) 783-6514 or the Pennsylvania AT&T Relay Service at (800) 654-5984. ### Finding York County

Under section 2002(b) of The Administrative Code of 1929 (71 P. S. § 512(b)), the Secretary of Transportation makes the following written finding:

The Department of Transportation plans to replace the existing Bowers Bridge Road, County Bridge No. 193, over Little Conewago Creek in East Manchester and Conewago Townships, York County. The bridge has been determined to be eligible for listing in the National Register of Historic Places.

Impacts to the bridge will be mitigated by measures as outlined in the Memorandum of Agreement (MOA) for the project, which was signed by the appropriate agencies.

The MOA stipulates that a marketing plan shall be implemented for Bridge No. 193, and prior to moving or

demolishing the bridge, Historic American Engineering Record documentation will be completed and made available to the Pennsylvania State Historic Preservation Office.

The Secretary has considered the environmental, economic, social and other effects of the proposed project as enumerated in section 2002 of The Administrative Code of 1929 and has concluded that there is no feasible and prudent alternative to the project as designed and all reasonable steps have been taken to minimize effects.

## INDEPENDENT REGULATORY REVIEW COMMISSION

### Notice of Comments Issued

Section 5(g) of the Regulatory Review Act (71 P. S. § 745.5(g)) provides that the Independent Regulatory Review Commission (Commission) may issue comments within 30 days of the close of the Committee comment period. The Commission comments are based upon the criteria contained in section 5.2 of the Regulatory Review Act (71 P. S. § 745.5b).

The Commission has issued comments on the following proposed regulations. The agency must consider these comments in preparing the final-form regulation. The final-form regulation must be submitted within 2 years of the close of the public comment period or it will be deemed withdrawn.

Reg. No.	Agency/Title	Close of the Public Comment Period	IRRC Comments Issued
7-381	Environmental Quality Board Safe Drinking Water; Radionuclides Rule (33 Pa.B. 1239 (March 8, 2003))	4/7/03	5/7/03
7-382	Environmental Quality Board Safe Drinking Water; Filter Backwash Recycling Rule (FBRR) (33 Pa.B. 1234 (March 8, 2003))	4/7/03	5/7/03

### Environmental Quality Board Regulation No. 7-381

#### Safe Drinking Water; Radionuclides Rule

May 7, 2003

We submit for consideration the following comments that include references to the criteria in the Regulatory Review Act (71 P. S. § 745.5b) which have not been met.

The Environmental Quality Board (EQB) must respond to these comments when it submits the final-form regulation. If the final-form regulation is not delivered within 2 years of the close of the public comment period, the regulation will be deemed withdrawn.

#### 1. General.—Consistency with Federal regulations; Clarity.

In comments dated April 3, 2003, the Environmental

Protection Agency Region III (EPA) questioned areas of the proposed regulation that are inconsistent with Federal regulations. These comments include the following:

The proposed regulation does not include compliance dates in 40 CFR 141.66(f).

A sentence in 40 CFR 141.26(a) concerning whether the "gross alpha result will be used to determine the future monitoring frequency" is omitted from § 109.301(14)(i)(C) of the proposed regulation.

The proposed regulation does not contain a provision consistent with 40 CFR 141.66(g) which lists "best available technologies (BAT)."

The EQB should address these comments by amending the final-form regulation or by providing explanations on how these issues may be resolved without amending the regulation.

**2. Section 109.301(14)(i). Monitoring requirements for gross alpha particle activity, radium-226, radium-228 and uranium.—Implementation procedures; Reasonableness; Clarity.**

Clause (D) uses the phrases "historical monitoring data," "monitoring data," "appropriate historical monitoring data" and "appropriate historical data." Do these terms have the same meaning? If so, we recommend that one term be used consistently.

Clause (D)(III) states:

"...provided that the Department finds that the historical data satisfactorily demonstrate that each entry point *is expected* to be in compliance based upon the historical data and *reasonable assumptions* about the variability of radionuclide levels between entry points. The system shall supply sufficient information to allow the Department to make a written finding indicating how the data conform to these requirements." (Emphasis added.)

We have two concerns.

First, what happens if the entry point is tested and the results do not comply with the requirements? What are the consequences for the community water system?

Second, the phrase "reasonable assumptions" is vague. What sort of assumptions would be considered reasonable?

**3. Section 109.301(14)(ii). Monitoring requirements for beta-particle and photon radioactivity.—Implementation procedures; Reasonableness; Clarity.**

Clause (A) states "Systems designated by the Department as *vulnerable* to beta-particle or photon radioactivity or both shall sample for beta particle or photon radioactivity." (Emphasis added.) We have two concerns.

First, how will the Department determine if a community water system is vulnerable?

Second, the Preamble states that the EPA recommends the use of a 15-mile radius from the nuclear facilities as the designation for vulnerability. The EQB has chosen a "watershed-based approach" to determine contamination. Explain what a "watershed-based approach" is and how it would be implemented. Is this approach more or less stringent than the federal requirements?

Clause (A)(II) states "For systems in the *vicinity* of a *nuclear facility*, the system may utilize *environmental surveillance data* collected by the nuclear facility in lieu of monitoring at the system's entry points, when the

Department determines that the data is applicable to the system." (Emphasis added.) We have three concerns.

First, what criteria will the Department use to determine if a community water system is in the vicinity of a nuclear facility?

Second, the proposed regulation does not contain a definition of a "nuclear facility." However, the term is defined in the Preamble. What is the Department's rationale for not including the definition of nuclear facility in the regulation?

Third, the term "environmental surveillance data" needs to be clarified. It is our understanding that the United States Nuclear Regulatory Commission (NRC) requires routine monitoring of release points of power plants. If these NRC requirements are contained in Federal regulations, this subclause should contain a specific reference to those Federal rules.

Clause (B) states "Systems designated by the Department as utilizing waters contaminated by effluents from nuclear facilities shall sample. . . ." How will the Department notify a system that it is designated as using waters contaminated by a nuclear facility?

**4. Section 109.301(14)(iii). General monitoring and compliance requirements.—Clarity.**

Clause (A) states "The Department may require more frequent monitoring than specified in subparagraphs (i) and (ii), or may require confirmation samples." We have two concerns.

First, when would the Department require more frequent monitoring?

Second, monitoring refers to all of the responsibilities of a community water system. Sampling is a specific action. This provision would be clearer if it stated, "The Department may require more frequent *sampling*. . . ." (Emphasis added.)

Clause (B) states "Each system shall monitor at the time designated by the Department during each compliance period." How will a system be notified of the time designated by the Department?

**5. Section 109.303. Sampling requirements.—Clarity.**

Subsection (j) states "Performance samples required under § 109.301(14)(i)(B)(V) (relating to general monitoring requirements) shall be taken *immediately following treatment* for the radionuclide, or at another location approved by the Department." (Emphasis added.) We have two concerns.

First, the use of the phrase "immediately following treatment" is unclear. It is our understanding that the phrase relates to a location or place where sampling may occur. That location is downstream from the radionuclide treatment area. The final-form regulation should be revised to indicate that the phrase "immediately following" refers to a place and not a time.

Second, if a system opts to use another location, how would they apply for approval of the Department?

**Environmental Quality Board Regulation No. 7-382  
Safe Drinking Water; Filter Backwash Recycling  
Rule (FBRR)**

**May 7, 2003**

We submit for consideration the following comments that include references to the criteria in the Regulatory

Review Act (71 P. S. § 745.5b) which have not been met. The Environmental Quality Board must respond to these comments when it submits the final-form regulation. If the final-form regulation is not delivered within 2 years of the close of the public comment period, the regulation will be deemed withdrawn.

**1. Section 109.1. Definitions.—Clarity.**

The definition of “recycle flows” states, in subparagraph (ii), that “recycle streams” also has the same meaning. For clarity, subparagraph (ii) should be deleted and one term should be used consistently throughout the regulation.

**2. Section 109.202. State MCLs, MRDLs and treatment technique requirements.—Clarity.**

Subsection (h)(2), as printed in the *Pennsylvania Bulletin*, is missing a reference after the word “paragraph.” The reference should be added to the final-form regulation.

Subsection (h)(3) provides a description of circumstances, which would trigger the later compliance date of June 8, 2006. However, it contains the vague phrases “nonrecurring, significant modification” and “nonroutine, long-term physical improvements.” These criteria do not clearly indicate what projects would qualify. The regulation should identify the specific criteria, such as a cost threshold or the time needed to complete the project, which would allow a public water supply system to use the later compliance date.

### Pennsylvania Professional Liability Joint Underwriting; Rate Filing

On April 30, 2003, the Insurance Department received from the Pennsylvania Professional Liability Joint Underwriting Association (JUA) a filing to increase overall rates by 9.6% for noninstitutional health care providers by proposing to:

- Apply an overall base rate adjustment of 3.7% to noninstitutional health care providers.
- Move nine specialties from one class to another class and create two new classes in the process.
- Change the relativity for six classes.
- Change the relativity for four territories.

The JUA is also seeking approval to apply an overall base rate adjustment of 9.6% to institutional health care providers.

Unless formal administrative action is taken prior to June 29, 2003, the rates within the subject filing may be deemed into use upon the effective date, September 1, 2003, by operation of law.

Copies of the filing are available for public inspection during normal working hours, by appointment, at the Insurance Department's regional offices in Harrisburg, Philadelphia, Pittsburgh and Erie.

### Review Procedure Hearings; Cancellation or Refusal of Insurance

The following insureds have requested a hearing as authorized by the act of June 17, 1998 (P. L. 464, No. 68), in connection with the termination of the insureds' automobile policies. The hearings will be held in accordance with the requirements of the act; 1 Pa. Code Part II (relating to the General Rules of Administrative Practice and Procedure); and 31 Pa. Code §§ 56.1—56.3 (relating to Special Rules of Administrative Practice and Procedure). The administrative hearings will be held in the Insurance Department's regional office in Philadelphia, PA. Failure by an appellant to appear at a scheduled hearing may result in dismissal with prejudice.

The following hearings will be held in the Philadelphia Regional Office, Room 1701 State Office Building, 1400 Spring Garden Street, Philadelphia, PA 19130.

Appeal of Helen Brookins; file no. 03-210-01818; Erie Insurance Exchange; doc. no. PH03-04-050; June 10, 2003, 3 p.m.

Appeal of Viviana Amzel; file no. 03-267-01421; USAA; doc. no. PH03-04-045; June 11, 2003, 10 a.m.

Parties may appear with or without counsel and offer relevant testimony or evidence. Each party must bring documents, photographs, drawings, claims files, witnesses, and the like, necessary to support the party's case. A party intending to offer documents or photographs into evidence shall bring enough copies for the record and for each opposing party.

In some cases, the Insurance Commissioner (Commissioner) may order that the company reimburse an insured for the higher cost of replacement insurance coverage obtained while the appeal is pending. Reimbursement is available only when the insured is successful on appeal, and may not be ordered in all instances. If an insured wishes to seek reimbursement for the higher cost of replacement insurance, the insured must produce documentation at the hearing which will allow comparison of coverages and costs between the original policy and the replacement policy.

Following the hearing and receipt of the stenographic transcript, the Commissioner will issue a written order resolving the factual issues presented at the hearing and stating what remedial action, if any, is required. The Commissioner's Order will be sent to those persons participating in the hearing or their designated representatives. The Order of the Commissioner may be subject to judicial review by the Commonwealth Court.

Persons with a disability who wish to attend an administrative hearing and require an auxiliary aid, service or other accommodation to participate in the hearing should contact Tracey Pontius, Agency Coordinator, (717) 787-4298.

## MILK MARKETING BOARD

### Hearing and Presubmission Schedule for all Milk Marketing Areas; Over-Order Premium

Under the Milk Marketing Law (31 P. S. §§ 700j-101—700j-1302), the Milk Marketing Board (Board) will conduct a public hearing for Milk Marketing Areas 1—6 on May 22, 2003, at 9 a.m. in Room 202, Agriculture Building, 2301 North Cameron Street, Harrisburg, PA.

The purpose of the hearing is to receive testimony and exhibits concerning the continuation of the Class I over-order premium that is scheduled to expire on June 30, 2003, and whether an adjustment should be made to the level of the over-order premium. This evidence may include testimony and exhibits concerning Milk Marketing Area-specific Class I over-order premium levels. This evidence may also include testimony and exhibits concerning a formula or indexing system to vary the level of the over-order premium, either Statewide or Milk Marketing Area-specific.

The staff of the Board is deemed to be a party to this hearing, and the attorney representing staff is deemed to have entered his appearance. Other persons who wish to present evidence may be included on the Board's list of parties by: (1) having their attorney file with the Board by 3 p.m. on May 15, 2003, a notice of appearance substantially in the form prescribed by 1 Pa. Code § 31.25 (relating to form of notice of appearance); or (2) if unrepresented by counsel, filing with the Board on or before 3 p.m. on May 15, 2003, notification of their desire to be included as a party.

The parties shall observe the following requirements for advance filing of witness information and exhibits. The Board may exclude witnesses or exhibits of a party that fails to comply with these requirements. In addition, the parties shall have available in the hearing room at least 20 additional copies made available for the use of nonparties attending the hearing.

1. By 4 p.m. on May 16, 2003, each party shall file with the Board seven copies and ensure receipt by all other parties of one copy of:

a. A list of witnesses who will testify for the party, along with a statement of the subjects concerning which each witness will testify. A witness who will be offered as an expert shall be so identified, along with the witness's area or areas of proposed expertise.

b. Each exhibit to be presented, including testimony to be offered in written form.

2. By 4 p.m. on May 20, 2003, each party shall file and serve as set forth in paragraph 1 information concerning rebuttal witnesses and copies of rebuttal exhibits.

Parties who wish to offer in evidence documents on file with the Board, public documents or records in other

proceedings before the Board, or wish the Board to take official notice of facts, shall comply with, respectively, 1 Pa. Code § 35.164, § 35.165, § 35.167 or § 35.173. Whenever these rules require production of a document as an exhibit, copies shall be provided to each Board member and to all other parties; in addition, at least 20 copies shall be available for distribution to nonparties attending the hearing.

Requests by parties for Board staff to provide data pertinent to the hearing shall be made in writing and received in the Board office by 4 p.m. on May 14, 2003.

The filing address for the Board is Milk Marketing Board, Room 110, Agriculture Building, 2301 North Cameron Street, Harrisburg, PA 17110.

Individuals who require this information in an alternate format should call (717) 787-4194 or (800) 654-5984 (Relay Service for TDD users).

## PENNSYLVANIA PUBLIC UTILITY COMMISSION

### Investigation to Reclassify Noncompetitive Telecommunications Services Provided by Interexchange Telecommunications Carriers as Competitive Services

Public Meeting held  
May 1, 2003

*Commissioners Present:* Glenn R. Thomas, Chairperson; Robert K. Bloom, Vice Chairperson; Aaron Wilson, Jr.; Terrance J. Fitzpatrick; Kim Pizzingrilli

*Investigation to Reclassify Noncompetitive Telecommunications Services Provided by Interexchange Telecommunications Carriers as Competitive Services;*  
I-00030097

#### Order

*By the Commission:*

In 1993, the General Assembly, through its enactment of Chapter 30, designated all but two of the telecommunications services provided by interexchange carriers (IXCs) to be competitive services. See 66 Pa.C.S. § 3008(a). The services that retained the "noncompetitive" classification were: 1) interexchange services to aggregator telephones; and 2) optional calling plans offered by IXCs. However, the General Assembly gave the Commission the authority to reclassify these two noncompetitive services as competitive. *Id.*

We are of the opinion that since the enactment of Chapter 30, the intrastate interexchange market in this Commonwealth has become substantially more competitive, and that the time has come to re-examine the state of competition in this Commonwealth's intrastate interexchange market. See 66 Pa.C.S. § 331(a). Nearly 10 years after the enactment of Chapter 30, we want to take

a fresh look at the two remaining noncompetitive services in the intrastate interexchange marketplace. Accordingly, under 66 Pa.C.S. § 3008(c), the Commission is hereby instituting an investigation of the intrastate interexchange market in this Commonwealth. We wish to determine whether sufficient competition exists throughout the market, so as to reclassify the two remaining noncompetitive services as competitive. See also 52 Pa. Code § 63.106(c).

We take this opportunity to solicit comments from market participants, industry members and public advocates regarding our belief that competition has substantially increased in the intrastate interexchange market. In accordance with 52 Pa. Code § 63.106(a), interested parties are encouraged to provide detailed factual information concerning how the state of competition in the intrastate interexchange market bears on the classification of the two noncompetitive services in question.

The first thing we want to determine is whether a majority of the IXCs operating in this Commonwealth are even offering the two noncompetitive services or are only offering services that are competitive. Furthermore, in submitting comments on whether the two noncompetitive services in the intrastate interexchange market should be reclassified, we ask that interested parties reference specifically the factors outlined in our regulations at 52 Pa. Code § 63.106(d)(1)—(5). We encourage members of the regulated industry, the public and any other interested parties to file comments on how these factors should bear on our analysis. Only those submitting comments will be considered parties to this proceeding. The Commission is directing the Office of Administrative Law Judge to conduct this reclassification investigation and to hold such hearings as deemed appropriate; *Therefore,*

*It Is Ordered That:*

1. The Commission hereby commences an investigation to determine whether the two remaining noncompetitive services offered by intrastate interexchange carriers should be reclassified as competitive services.

2. A copy of this Order, which gives notice of this investigation, shall be published in the *Pennsylvania Bulletin* and interested parties shall file comments within 30 days of publication. Comments should reference specifically the factors outlined in our regulations at 52 Pa. Code § 63.106(d)(1)—(5). Only those interested parties that submit comments will be considered parties to the proceeding.

3. The Office of Administrative Law Judge shall conduct the investigation and shall institute such hearings as may be deemed appropriate.

4. Upon conclusion of such hearings, the presiding Administrative Law Judge shall issue a Recommended Decision which shall be served on all parties and submitted to the Commission for its consideration.

5. A copy of this Order shall be served on all jurisdictional IXCs, the Office of Consumer Advocate, the Office of Small Business Advocate and OTS.

## Investigation into Voice over Internet Protocol as a Jurisdictional Service

Public Meeting held  
May 1, 2003

*Commissioners Present:* Glen R. Thomas, Chairperson;  
Robert K. Bloom, Vice Chairperson; Aaron Wilson, Jr.;  
Terrance J. Fitzpatrick; Kim Pizzigrilli

Investigation into Voice over Internet Protocol as a  
Jurisdictional Service; Doc. No. M-00031707

### Order

*By the Commission:*

Voice over Internet Protocol (VoIP) is a relatively new technology that allows real-time audio (that is, voice) to be transmitted and received in a digital format, through the use of IP data packet transmission.<sup>1</sup> Although voice communications using VoIP can be accomplished via the Internet by using two personal computers equipped with microphones, the Internet is not necessary, or even preferred, for a VoIP network. Other networks such as the cable television network can also be used. Thus, VoIP appears to be a potential facilities-based alternative to both traditional wireline and wireless telecommunications service. In fact, Vonage Holdings Corp., a New Jersey corporation, holds itself out as currently offering IP-based voice service in six Commonwealth Numbering Plan Areas.

The development of VoIP service raises numerous issues for regulators, including but not limited to significant jurisdictional issues at both the State and Federal level. As a threshold matter, this Commission must decide whether we have jurisdiction to regulate VoIP service in this Commonwealth, and if jurisdiction exists, whether we should exercise it. To inform the Commission's judgment, we hereby request comment from consumers, the telecommunications industry and any other interested parties on the following aspects of VoIP, although we are seeking all relevant input. If you are neither a provider nor a user of VoIP service, we ask that your comments describe your other association with VoIP and explain the relevancy of your knowledge and/or experience to this investigation.

#### *Defining VoIP Service*

1. How do you define VoIP service?
2. Are there different types of VoIP service?
3. With the different types of VoIP service, is it the technology, i.e., the type of network used for transport that distinguishes them?<sup>2</sup> Do you agree with the differences in CommWeb's definitions of "VoIP" and "IP telephony" used in footnote two below? Please explain.

#### *Provider and End User Experience with VoIP Service*

<sup>1</sup> A packet is the fundamental unit of information transmitted over a network or over a digital communication link. With data packets, data is broken up in small and uniform packets, numbered and transmitted. Because each packet is numbered, each packet can travel different paths through the network. Once the packets arrive at the receiving end, the packets are realigned in numerical order and the original data is extracted in the original format. With VoIP, the voice is digitalized before the data packets are formed and sent. Then, at the destination, the VoIP packets are unpackaged and the digital data stream is reconverted into voice. VoIP data packets use Transmission Control Protocol or IP, like the Internet, as the transport mechanism to reach their destination.

<sup>2</sup> The Commission notes the difference between the common usage of the terms "VoIP" and "IP Telephony." CommWeb (<http://www.commweb.com/encyclopedia/search?term=IPtelephony>) explains that the term VoIP is used when the transport of the communication is over a private intranet or Wide Area Network. However, when the transport is the public Internet or the Internet backbone from a major carrier, it is generally called "IP telephony" or "Internet Telephony." At any rate, CommWeb notes that the terms IP telephony, Internet telephony and VoIP are often used interchangeably. For purposes of this Order, the Commission's reference to "VoIP voice service" is meant to include both "VoIP" and "IP telephony."

4. As a provider, do you offer VoIP service to the public in Pennsylvania or in other jurisdictions? If so, what type of VoIP service do you provide and where? If not, do you intend to offer VoIP service to the public in Pennsylvania or in any other jurisdiction? If so, what type of VoIP service do you intend to offer and where?

5. As a provider, have you conducted or do you intend to conduct any VoIP service trials in Pennsylvania or elsewhere? Please provide the details of any trials (when the trial occurred, who participated, the results, et al.) that have been conducted in Pennsylvania or in any other jurisdiction or that you plan on conducting in Pennsylvania.

6. As a user, have you participated in or been solicited to participate in a VoIP service trial? If so, what was your experience? Did you retain your wireline and/or wireless service while using VoIP service?

7. From the end user's perspective, what are the advantages, if any, of VoIP service as compared to traditional wireline and/or wireless communication voice services? What, if any, are the disadvantages?

8. Does VoIP service require access to the Network Interface Device (NID) or other demarcation device that is typically installed at the customer's premises? If not, what type of equipment is installed at the customer interface to provide VoIP service and how is such equipment powered?

9. What type of equipment does a VoIP end-user need to make calls? Is such equipment commercially available through only the VoIP provider or is it available elsewhere as well?

#### *Commission Jurisdiction to Regulate VoIP Service*

10. Are VoIP services the "conveying or transmitting messages or communications by telephone or telegraph or domestic public land mobile radio service for the public for compensation" pursuant to 66 Pa.C.S. § 102? Please explain.

11. What is the relationship, if any, between VoIP services and "mobile domestic cellular radio telecommunications service" exempted from PUC regulation at 66 Pa.C.S. § 102? Please explain.

12. Or, is VoIP service an "information service" pursuant to 47 U.S.C. 153? If so, what are the regulatory implications of such a classification and how do you reconcile it with the fact that VoIP service originates as voice and terminates as voice?

13. Have any other states addressed state jurisdiction over VoIP service? Please cite and discuss any proceedings that have concluded and/or are currently pending in other states that address or relate to state jurisdiction to regulate VoIP service.

14. Assuming arguendo that the Commission possesses jurisdiction over VoIP service, should it exercise such jurisdiction? Please explain why or why not.

#### *The Extent of Commission Jurisdiction Over VoIP Service*

15. Would a VoIP service provider be subject to the same certification and tariff requirements that exist for traditional wireline carriers? Would a VoIP provider be required to file with the Commission for entrance into the market as a CLEC or other authority?

16. Would the inter-carrier compensation regimes that apply to traditional wireline carriers using the Public Switched Telephone Network (PSTN) apply to VoIP providers? Would a Local Exchange Carrier be compensated

(reciprocal compensation or access charges) for transporting/terminating a VoIP call? How would inter-carrier compensation work for a VoIP provider that transports/terminates calls from other carriers?

17. Would (1) 911; (2) Telephone Relay Service; (3) Lifeline and Link-Up; and (4) universal service obligations that apply to traditional wireline carriers using the PSTN apply to VoIP providers?

18. Do the networks of VoIP providers support public services like 911?

19. Please explain when, if ever, the PSTN is used to provide VoIP service and how a VoIP provider would interconnect with the PSTN. Would the interconnection rules under 47 U.S.C. § 251 that apply to traditional wireline carriers using the PSTN also apply to VoIP providers?

20. Please explain how a telephone number or the equivalent would be used by a VoIP provider. If applicable, how would a VoIP provider acquire a telephone number? Would number portability exist between traditional wireline carrier and VoIP provider telephone numbers?

21. Would VoIP providers be required to maintain or provide directory information for use in a standard telephone directory?

22. What, if any, Quality of Service standards should apply to VoIP service as compared to traditional telephone service? (See 52 Pa. Code §§ 63.53-.64). Please explain how reasonable standards should be established for quality standards that do not exist for traditional calls but are typical for VoIP calls (e.g., latency, echo, doubletalk, etc.).

23. How, if at all, does VoIP service affect the FCC's jurisdictional separations process? In order to account for VoIP traffic, what kind of changes, if any, are needed with respect to the FCC's existing rules and procedures for designating calls as interstate or intrastate?

*FCC Jurisdiction to Regulate VoIP Service*

24. Has the FCC addressed whether it has jurisdiction over VoIP service? Please cite and discuss any proceedings that have concluded and/or are currently pending before the FCC that address or relate to the FCC's jurisdiction to regulate VoIP service.

25. If the FCC has determined that it has jurisdiction over VoIP service, has the FCC exercised such jurisdictional authority? Please cite and discuss any proceedings where the FCC has exercised such jurisdiction.

26. If applicable, would the FCC's jurisdiction be exclusive? Please explain why or why not.

27. What other VoIP-related issue(s), if any, are relevant to the Commission's investigation of VoIP service initiated? Please limit your response to no more than 1,500 words.

We request that comments be written in plain English. Particularly with technical issues, explanations should be sufficiently detailed to adequately explain the relevant concepts and should be written in a manner that allows individuals with nontechnical backgrounds to comprehend. Furthermore, we request that commenters reference their responses so as to correspond with the specific questions posed in this Order; *Therefore*,

*It Is Ordered That:*

1. Public comment is invited on the Commission's jurisdiction to regulate VoIP service in this Commonwealth.

2. Comments regarding this Order be filed with the Commission no later than 45 days after this Order is published in the *Pennsylvania Bulletin*. Reply comments are due 30 days thereafter.

3. A copy of this Order be served on Vonage Holdings Corp., the Pennsylvania Telephone Association, the Pennsylvania Cable & Telecommunications Association, the Cellular Telecommunications & Internet Association, the Office of Consumer Advocate, the Office of Small Business Advocate, the National Association of Regulatory Utility Commissioners and the North American Number Plan Administrator and be published in the *Pennsylvania Bulletin*.

# STATE CONTRACTS INFORMATION

## DEPARTMENT OF GENERAL SERVICES

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". The penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter.

Act 1984-196 redefined a "qualified small business concern" as any independently owned and operated, for-profit business concern employing 100 or fewer employees. See 4 Pa. Code § 2.32. The business must include the following statement on every invoice submitted to the Commonwealth: "(name of business) is a qualified small business concern as defined in 4 Pa. Code 2.32."

A business is eligible for payments when the required payment is the latest of:

The payment date specified in the contract.

30 days after the later of the receipt of a proper invoice or receipt of goods or services.

The net payment date stated on the business' invoice.

A 15-day grace period after the required payment date is provided to the Commonwealth by the Act.

## GET A STEP AHEAD IN COMPETING FOR A STATE CONTRACT!

The Treasury Department's Bureau of Contracts and Public Records can help you do business with state government agencies. Our efforts focus on guiding the business community through the maze of state government offices. The bureau is, by law, the central repository for all state contracts over \$5,000. Bureau personnel can supply descriptions of contracts, names of previous bidders, pricing breakdowns and other information to help you submit a successful bid on a contract. We will direct you to the appropriate person and agency looking for your product or service to get you "A Step Ahead." Services are free except the cost of photocopying contracts or dubbing a computer diskette with a list of current contracts on the database. A free brochure, "Frequently Asked Questions About State Contracts," explains how to take advantage of the bureau's services.
