

STATE CONTRACTS INFORMATION

DEPARTMENT OF GENERAL SERVICES

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". The penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter.

Act 1984-196 redefined a "qualified small business concern" as any independently owned and operated, for-profit business concern employing 100 or fewer employees. See 4 Pa. Code § 2.32. The business must include the following statement on every invoice submitted to the Commonwealth: "(name of business) is a qualified small business concern as defined in 4 Pa. Code 2.32."

A business is eligible for payments when the required payment is the latest of:
 The payment date specified in the contract.
 30 days after the later of the receipt of a proper invoice or receipt of goods or services.
 The net payment date stated on the business' invoice.

A 15-day grace period after the required payment date is provided to the Commonwealth by the Act.

PA TREASURY BUSINESS OUTLET—PLUG INTO IT!

The Treasury Department's Bureau of Contracts and Public Records can help you do business with state government agencies. Our efforts focus on guiding the business community through the maze of state government offices. The bureau is, by law, the central repository for all state contracts over \$5,000. Services are free except the cost of photocopying contracts or dubbing a computer diskette with a list of current contracts on the database. A free brochure explains how to take advantage of available services.

Financial and Insurance Consulting

2004-01 The Pennsylvania Health Care Cost Containment Council (PHC4), an independent Pennsylvania state agency government, is accepting grant applications related to developing and demonstrating severity adjustment methods for measuring and publicly reporting complication rates for inpatient admissions to Pennsylvania Hospitals. PHC4 will accept and evaluate applications for two types: development of new methodologies to measure complication rate and demonstration of existing methodologies. This project is designed to identify candidate methodologies that PHC4 might employ to supplement its existing Hospital Performance Reports, copies of which may be found at www.phc4.org. PHC4's current methodology only indirectly assesses the impact of complications on outcomes, and PHC4 seeks to identify methodologies that can be used to measure complication rates directly. A copy of the RFA can be downloaded from the PHC4 Web site: www.phc4.org. Questions regarding this RFA should be addressed to Cherie Elias, Director of Administration at (717) 232-6787 or celias@phc4.org.

Department: PA Health Care Cost Containment Council

Location: 225 Market Street, Suite 400, Harrisburg, PA 17101

Duration: 6 months to 1 year
