

STATE CONTRACTS INFORMATION

DEPARTMENT OF GENERAL SERVICES

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". The penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter.

Act 1984-196 redefined a "qualified small business concern" as any independently owned and operated, for-profit business concern employing 100 or fewer employees. See 4 Pa. Code § 2.32. The business must include the following statement on every invoice submitted to the Commonwealth: "(name of business) is a qualified small business concern as defined in 4 Pa. Code 2.32."

A business is eligible for payments when the required payment is the latest of:

The payment date specified in the contract.

30 days after the later of the receipt of a proper invoice or receipt of goods or services.

The net payment date stated on the business' invoice.

A 15-day grace period after the required payment date is provided to the Commonwealth by the Act.

DO BUSINESS WITH STATE AGENCIES

The Treasury Department's Bureau of Contracts and Public Records can help you do business with state government agencies. The bureau is, by law, the central repository for all state contracts over \$5,000. Contract Specialists can supply you with descriptions of contracts, names of previous bidders, pricing breakdowns and other information. They can also direct you to the appropriate person and agency looking for your product or service. Copies of state contracts are also available. (Duplicating and mailing costs may apply). For more information, visit us online at www.patreaury.org.

Financial and Insurance Consulting

26-848-7004 The Commonwealth Financing Authority is seeking proposals from fund managers to receive funding for real estate projects under the Building Pennsylvania Program. The Authority is seeking to make investments with fund managers to implement development "strategies" that will have a positive impact on local community and economic development efforts in Pennsylvania communities. The Building Pennsylvania Program will provide mezzanine or gap financing to complement other secured debt and equity financing to the successful fund manager applicants to invest in real estate projects that are components of the strategy. The loaned funds must be invested in industrial, commercial and multiuse building projects located in this Commonwealth which will be acquired and developed, redeveloped or revitalized, in accordance with the program requirements. The Authority may select multiple fund managers in which to makes investments as described in this RFP. The proposal submission deadline is September 1, 2006.
