TITLE 210. APPELLATE PROCEDURE

PART I. RULES OF APPELLATE PROCEDURE

ARTICLE II. APPELLATE PROCEDURE

CHAPTER 19. PREPARATION AND TRANSMISSION OF RECORD AND RELATED MATTERS

RECORD ON APPEAL FROM LOWER COURT

Rule 1931. Transmission of the Record.

* * * * *

(c) *Duty of clerk to transmit the record.*—When the record is complete for purposes of the appeal, the clerk of the lower court shall transmit it to the prothonotary of the appellate court. The clerk of the lower court shall number the documents comprising the record and shall transmit with the record a list of the documents correspondingly numbered and identified with [**reasonable definiteness**] **sufficient specificity to allow the parties on appeal to identify each document and to determine whether the record on appeal is complete.** Documents of unusual bulk or weight and physical exhibits other than documents shall not be transmitted by the clerk unless he or she is directed to do so by a party or by the prothonotary of the appellate court. A

party must make advance arrangements with the clerk for the transportation and receipt of exhibits of unusual bulk or weight. Transmission of the record is effected when the clerk of the lower court mails or otherwise forwards the record to the prothonotary of the appellate court. The clerk of the lower court shall indicate, by endorsement on the face of the record or otherwise, the date upon which the record is transmitted to the appellate court.

(d) *Service of the list of record documents.*—The clerk of the lower court shall, at the time of the transmittal of the record to the appellate court, mail a copy of the list of record documents to all counsel of record, or if unrepresented by counsel, to the parties at the address they have provided to the clerk. The clerk shall note on the docket the giving of such notice. **Should the clerk fail to transmit to the appellate court any document specifically identified or fairly subsumed within the list of record documents, the absence of such document shall not be a basis for the appellate court not to consider the document. Upon discovery of the omission from the record of any document specifically identified or fairly subsumed within the list of record documents, the record shall promptly be corrected pursuant to the Pa.R.A.P. 1926.**

* * * * *

Explanatory Comment

The Rules of Appellate Procedure and case law place a burden on the appellant to make sure that a full and complete record is forwarded to the appellate court. The Appellate Court Procedural Rules Committee undertook a review of the rules to assist appellant in determining what, in fact, was sent by the trial court to the appellate court which led to the adoption in 2004 to the adoption of subdivision (d)—a requirement that the clerk or prothonotary send the appellant the list of recorded documents. However, the appellant's ability to determine what was included or subsumed in the list is hindered if the list is not sufficiently specific. Also, in many cases, items included in the list were not actually transmitted to the appellate court.

The Appellate Court Procedural Rules Committee recommends that the Supreme Court amend subdivision (c) to deal with lack of specificity in the lists. The proposed amendment to subdivision (c) provides that the list be sufficiently specific "to allow the parties on appeal to identify each document and to determine whether the record on appeal is complete."

The Appellate Court Procedural Rules Committee recommends that the Supreme Court amend subdivision (d) to permit appellant to rely on the content of the list without having to physically examine the record transmitted to the appellate court. The proposed amendment to subdivision (d) provides that:

Should the clerk fail to transmit to the appellate court any document specifically identified or fairly subsumed within the list of record documents, the absence of such document shall not be a basis for the appellate court not to consider the document. Upon discovery of the omission from the record of any document specifically identified or fairly subsumed within the list of record documents, the record shall promptly be corrected pursuant to the Pa.R.A.P. 1926.

LYCOMING COUNTY

Establishment of Juvenile Restitution Fund; Administrative Order

Order

And Now, this 17th day of May, pursuant to Act 217 of 2004, the Court Orders the Juvenile Probation Department to establish a restitution fund and assess fines, court costs, supervision or other appropriate fees to be paid by the child, all of which shall be deemed contributions to said fund, excluding any costs, fines or fees which are mandated by statute or rule to be assessed and paid to any specific fund or purpose. Any cases referred for informal adjustment, consent decree, or adjudicated delinquent may be assessed the above fees. Further, the Court authorizes any collection of fines and costs from delinquent juvenile cases that have previously appeared before a county district justice to be enforced and collected by the Juvenile Probation Office of this Court and deposited with the county collections department in the juvenile restitution fund.

The initial Court costs shall be \$40.00 per each petition filed. The President Judge shall approve any increase in fees.

Any fines, costs, fees or restitution payments collected from the above sources, excluding mandatory costs, fines or fees, are to be deposited in a separate and fiscally distinct restitution fund as noted above and maintained by the county. They should not be included in the AOPC/CPCMS system.

Any money paid into the restitution fund should be used as payment to victims for approved restitution claims filed with this Juvenile Court. The payment shall be made upon approval of the Chief Juvenile Probation Officer. When authorized by the Court, juvenile offenders may be directed to do community service to earn monies for payment of their restitution as approved by the Chief Juvenile Probation Officer at the rate of the state's minimum wage. Any such money shall be paid to the victim who is owed restitution and not to the juvenile. The Chief Probation Officer shall develop and maintain a written policy to implement the Order which shall be subject to Court approval. The written policy, 3.1, is attached to this Order and is hereby approved.

JUVENILE PROBATION
POLICY and PROCEDURES**

**POLICY

(updated 7/22/09)**

RESTITUTION and COURT COSTS

Section 6352(a)(5) of the PA Juvenile Act provides the Court the ability to order payment by a delinquent child and their parents of reasonable amounts of money as fines, costs and/or restitution that shall be used to reimburse crime victims for financial losses resulting from delinquent acts. Additionally, the county's President Judge, via an Administrative Order, will establish a Restitution Fund for the deposit of all contributions to the fund which are received or collected. Informal adjustment and consent decree dispositions can also require juveniles and their parents to pay reasonable amounts of money as fines, costs and/or restitution. Act 217 amended the PA Juvenile Act in sections 6323 and 6340 allowing this change to occur. The Act also created 6304.1 "Summary Offenses" which provides for the option of contributions to the restitution fund in cases where a child has failed to comply with the lawful sentence imposed for a summary offense. These written guidelines establish procedures for the administration for this fund. The Juvenile Act section is copied at the end of this policy.

The Juvenile Probation Office maintains a Restitution program and a Restitution Fund to provide monetary compensation to victims. Our Restitution Fund will not be used to reimburse 3rd party payers, e.g. insurance companies, PA Crime Victim Compensation Fund, etc. Both are accessed via Court Order. The process is initiated by the Victim/Witness Coordinator who mails a "Description of Loss" form to victims. Upon the return of the verifiable loss/damage paperwork, the District Attorney presents this paperwork at the youth's hearing. The Court can order juveniles and their parents responsible for payment to victims. Parents are liable for up to \$1000 for a single act or \$2500 for a series of acts (See Title 23 Domestic Relations, Section 5505) whereas juveniles are liable for the entire loss, based on their ability to pay. A copy of the signed Restitution Order is kept on the left side of file. The procedure to ensure restitution and court cost orders are correctly filed in the Prothonotary and Cost Clerk's Office is attached.

When a juvenile or their family does not have sufficient funds to repay victims, our office can access a Restitution Fund to provide restitution. Clients provided this privilege are required to work Community Service at the minimum wage rate as their means of repayment to our Office. The Community Service work must be completed first before any funds can be sent to the victim. Example

is \$515 of restitution at \$7.25/hour = 100 hours of community service as repayment.

Upon approval of the Chief JPO, disbursements to victims can be made in advance and a client can repay the Restitution Fund by community service work at a later date. Officers must complete 2 forms, "Transfer of Funds" memo to the Fiscal Office and "Juvenile Fund Withdraw" Court Order and give to Chief J.P.O. for signature. To authorize disbursements from the Restitution Fund, the Chief JPO will forward the forms to the Fiscal Office. Officers must complete a "Payments to Restitution Fund" Court Order form and give to Chief J.P.O. This procedure is utilized when Restitution Funds were used to repay a victim and the youth has employment or ability to pay. A copy of this Order is kept on the left side of the file.

Disbursements from the Restitution Fund require at least 2 signatures. The 2 persons designated by this policy and the subsequent Administrative Order are the Lycoming County Treasurer and a Lycoming County Commissioner.

An annual report, detailing the aggregate and individual data regarding payments to and disbursements from the fund, is required. This report shall be provided to the Chief JPO. The "1069 report" in the CPCMS satisfies this requirement.

An annual audit, under county policy, of all payments to and disbursements from the Restitution Fund shall occur. Currently, the annual County audit is completed by Thomas Keller, CPA.

Youth must complete all restitution requirements before they can be released from supervision.

All youth charged and subsequently adjudicated delinquent or ordered placed under a consent decree shall be assessed a \$40 Court Cost. Youth handled informally can be assessed a court cost also. The informal adjustment agreement shall list an amount that is mutually agreed upon by all parties. The Court Cost will be paid to the Restitution Fund. The youth may be liable for other fines, costs and service fees imposed by statute.

Victims of aggravated assault where serious bodily injury results are eligible for compensation through the Crime Victim's Compensation Board. The Victim/Witness Coordinator identifies and completes the paperwork to access this restitution program.
