## Title 4—ADMINISTRATION

### PART I. GOVERNOR'S OFFICE

#### [ 4 PA. CODE CH. 6 ]

#### [ EXECUTIVE ORDER NO. 2010-02 AS AMENDED ]

### **Creation of the Commonwealth Health Care Reform Implementation Committee and the Commonwealth Health Care Reform Implementation Advisory Committee**

July 20, 2010

*Whereas*, the Patient Protection and Affordable Care Act was enacted by the U.S. Congress and signed into law by the President on March 23, 2010 and the Health Care and Education Reconciliation Act was enacted by the U.S. Congress and signed into law by the President on March 30, 2010 (hereinafter collectively referred to as the "Act") providing affordable health care coverage for nearly every citizen; and

*Whereas*, more than one million Pennsylvanians do not have access to affordable health care coverage; and

*Whereas*, the commonwealth's adultBasic program waiting list now stands at nearly 400,000 eligible persons and continues to grow; and

*Whereas*, nearly 200,000 Pennsylvanians who are on the adultBasic waiting list suffer from urgent, serious and expensive to treat illnesses; and

*Whereas*, Pennsylvania's small employers suffer extraordinary rate increases and many cannot afford to cover ever increasing premiums for employee coverage; and

*Whereas*, more and more small employers can no longer provide employee health insurance coverage and remain profitable enterprises; and

*Whereas*, the implementation of this Act will increase the numbers of individuals with reliable health insurance coverage, due to both an expansion of the Medical Assistance program and the creation of the health benefit exchange, will curb the trend of steep annual increases in health insurance premiums paid by employers and will provide direct assistance to small companies providing coverage and individuals purchasing their own coverage; and

*Whereas*, the Act provides incentives to further improve affordability of long term care services, and expansion and enhanced quality of home and community based services for older and disabled adults; and

*Whereas*, the Act relies on an expanded partnership between the federal and state governments in the administration of health care coverage and the regulation of health insurance products; and

*Whereas*, the Act authorizes and provides funds to states to create health benefit exchanges that will help citizens and businesses select the best health care coverage for their needs with tools to ensure that price and benefits can easily be compared among insurers; and

*Whereas*, innovations in the creation of the health benefit exchanges can ensure the continuity of coverage for individuals regardless of their employment situation; and

*Whereas*, the Act authorizes the federal government to work with states to create new temporary high-risk pools to help uninsured individuals, who cannot get insurance due to pre-existing conditions, obtain affordable coverage; and

*Whereas*, the Act immediately ends the imposition of pre-existing condition requirements on children and, in 2014, provides every adult the same protection in addition to standardizing the rate setting for insurance

products offered to small employers and individuals and providing other consumer protections, with the intention that states will enforce adherence to these new consumer protections; and

*Whereas*, the Act will produce annual reductions in state expenditures for prescription drug coverage for both Medical Assistance and Pennsylvania's PACE program recipients; and

*Whereas*, coordination among executive agencies regarding the Act's implementation will be needed to ensure Pennsylvanians get immediate and full access to all health care coverage, insurance protections, expanded access to care and federal subsidies to ensure affordability; and

*Whereas*, the commonwealth must develop an efficient and effective set of strategies to implement these reforms with input from experts, providers and citizens.

*Now, Therefore*, I, Edward G. Rendell, Governor of the Commonwealth of Pennsylvania, by virtue of the authority vested in me by the Constitution of the Commonwealth of Pennsylvania and other laws, do hereby establish the Commonwealth Health Care Reform Implementation Committee and the Commonwealth Health Care Reform Implementation Advisory Committee; and do hereby delegate to the Insurance Department the authority to establish and administer the commonwealth's High Risk Pool program.
