READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

Bulletin before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

Title 204—JUDICIAL SYSTEM GENERAL PROVISIONS

PART V. PROFESSIONAL ETHICS AND CONDUCT [204 PA. CODE CH. 83]

Amendments to the Rules of Disciplinary Enforcement Relating to Discipline on Consent

Notice is hereby given that The Disciplinary Board of the Supreme Court of Pennsylvania is considering recommending to the Pennsylvania Supreme Court that the Court amend subsection (c) of Pennsylvania Rule of Disciplinary Enforcement 215 as set forth in Annex A.

Prior to October 2005, the resignation statement required by Rule 215 was, with limited exception as enumerated in subsection (c) of the Rule, confidential and could not be publicly disclosed. The only public record of the respondent-attorney's resignation from the bar was the Court's order disbarring the respondent-attorney on consent.

By Order dated October 26, 2005, the Court made extensive changes to the Enforcement Rules to give the public greater access to disciplinary information. The Court amended Rule 402 to provide that all disciplinary proceedings be open to the public after the filing of an answer to a petition for discipline or the time to file an answer has expired without an answer being filed, and simultaneously amended subsection (c) of Rule 215 to provide that the resignation statement would be confidential only if the statement were submitted before the filing of an answer to a petition for discipline or the time to file an answer has expired.

The current proposal provides additional transparency by making a resignation statement a public record upon entry of the Court's order disbarring the respondent-attorney on consent, regardless of the timing of the submission of the statement.

New Rule 215(c) would have prospective effect, in that the new rule would apply only to resignation statements submitted to the Board and the Court on or after the effective date of the new rule.

Interested persons are invited to submit written comments by mail or facsimile regarding the proposed amendments to the Office of the Secretary, The Disciplinary Board of the Supreme Court of Pennsylvania, 601 Commonwealth Avenue, Suite 5600, PO Box 62625, Harrisburg, PA 17106-2625, Facsimile number (717-231-3382) on or before December 10, 2010.

Supreme Court of Pennsylvania*

Secretary

(c) [*Confidentiality of resignation statement.* The order disbarring the attorney on consent shall be a matter of public record. If the statement required under the provisions of subdivision (a) of this rule is submitted before the filing and service of a petition for discipline and the filing of an answer or the time to file an answer has expired, the statement shall not be publicly disclosed or made available for use in any proceeding other than a subsequent reinstatement proceeding except:

- (1) upon order of the Supreme Court,
- (2) pursuant to an express written waiver by the attorney,
- (3) upon a request of another jurisdiction for purposes of a reciprocal disciplinary proceeding,
- (4) upon a request by the Pennsylvania Lawyers Fund for Client Security Board pursuant to Enforcement Rule 521(a) (relating to cooperation with Disciplinary Board), or

(5) when the resignation is based on an order of temporary suspension from the practice of law entered by the Court either pursuant to Enforcement Rule 208(f)(1) (relating to emergency temporary suspension orders and related relief) or pursuant to Enforcement Rule 214 (relating to attorneys convicted of crimes).] *Resignation statement.* Upon entry of the order disbarring the attorney on consent, both the order and the resignation statement shall be a matter of public record.

Title 210—APPELLATE PROCEDURE

PART II. INTERNAL OPERATING PROCEDURES

[210 PA. CODE CH. 63]

Amendments to the Internal Operating Procedures of the Supreme Court; No. 348 Judicial Administration Doc.

Order

Per Curiam

And Now, this 25th day of October, 2010, it is ordered that the Internal Operating Procedures of the Supreme Court are amended in Section 10 as set forth in Annex A.

Annex A

TITLE 210. APPELLATE PROCEDURE

PART II. INTERNAL OPERATING PROCEDURES

CHAPTER 63. INTERNAL OPERATING PROCEDURES OF THE SUPREME COURT

§ 63.10. Certification of Questions of Law.

* * * * *

C. Assignment and Disposition. The prothonotary shall refer Certification Petitions to the Chief Justice. The Chief Justice will prepare memoranda setting forth the positions of the parties and a recommended disposition. Vote proposals shall be circulated within thirty days from the date of assignment, and shall contain a proposed disposition date no greater than thirty days from the date of circulation. A vote of the majority of those participating is required to implement the proposed disposition.

Every Certification Petition shall be decided within sixty days. Orders disposing of Certification Petitions shall include the names of any justices who did not participate in the consideration or decision of the matter.

Upon acceptance of certification, the prothonotary shall:

1. Issue an order accepting certification, which shall specify the questions of law for which certification was accepted, and whether the case is to be submitted on briefs or designated by the Court to be heard at the argument session;

2. Establish a briefing schedule;

3. If oral argument is granted, list the matter for oral argument; and

4. Take such further action as this Court directs.

After certification is accepted, an *amicus curiae* brief may be submitted without prior leave of Court. Such briefs shall be filed and served in the manner and within the time directed by the Prothonotary.

D. Reconsideration. A vote of the majority is required to grant reconsideration.

Rules Regarding Certification of Questions of Pennsylvania Law

The Pennsylvania Supreme Court, by Order of Jan. 12, 2000, 30 Pa.B. 519, provided that:

1. Any of the following courts may file a Certification Petition with this Court:

a. The United States Supreme Court; or

b. Any United States Court of Appeals.

2. A court may file a Certification Petition either on the motion of a party or sua sponte.

3. A Certification Petition shall contain the following:

a. A brief statement of the nature and stage of the proceedings in the petitioning court;

b. A brief statement of the material facts of the case;

c. A statement of the question or questions of Pennsylvania law to be determined;

d. A statement of the particular reasons why this Court should accept certification; and

e. A recommendation about which party should be designated Appellant and which Appellee in subsequent pleadings filed with this Court.

f. The petitioning court shall attach to the Certification Petition copies of any papers filed by the parties regarding certification, e.g., a Motion for Certification, a Response thereto, a Stipulation of Facts, etc.

PART II. INTERNAL OPERATING PROCEDURES [210 PA. CODE CH. 67]

Amendment to Commonwealth Court Internal Operating Procedures

The Commonwealth Court has amended multiple sections of its Internal Operating Procedures. Effective January 1, 2011, there is a change in the status of unreported panel decisions; Internal Operating Procedure (IOP) section 67.55 is revised to permit a party to also cite an unreported panel decision issued after January 15, 2008 for its persuasive value but not as binding precedent. Revised section 67.13, authorizes the Chief Clerk to grant a 30-day extension of time for a petitioner to perfect an appellate petition for review, effective immediately. The changes to sections 67.6, 67.9, 67.11, 67.14, 67.16, 67.21, 67.22, 67.35, 67.42, 67.45, 67.47 and 67.53, also effectively immediately, revise the IOPs to recognize changes in staff assignments.

Annex A

TITLE 210. APPELLATE PROCEDURE

PART II. INTERNAL OPERATING PROCEDURES

CHAPTER 67. COMMONWEALTH COURT

Subchapter A. INTERNAL OPERATING PROCEDURES OF THE COMMONWEALTH COURT GENERAL PROVISIONS

§ 67.6. Duty Rosters; Availability.

Each duty judge shall be present or available in Harrisburg throughout the week and shall make the [**executive administrator or the**] prothonotary and chief clerk aware of where he or she can be reached when not at the [**South Office Building**] **Pennsylvania Judicial Center** during regular hours. The duty judge shall be in charge of making administrative decisions when the president judge is not available by telephone communication, but the president judge shall be consulted if major decision making is required.

§ 67.9. Emergency Applications.

[(a)] 1. An emergency application is defined as an application filed during non-business hours, including holidays and weekends. Filing of emergency applications outside of normal business hours will be allowed only when both of the following conditions are present:

[(1)] (a) The application will be moot unless a ruling is obtained prior to noon of the next business day; and

[(2)] (b) The application is being filed within two business days of the filing of the order sought to be reviewed.

[(b)] 2. *Contents of emergency applications.* An emergency application shall include the following:

[(1)] (a) An explanation of why an order of this Court is necessary, time sensitive and satisfies the threshold requirements set forth in (a)(1)—(2);

[(2)] (b) An explanation of how service has been perfected upon the opposing party or, if service has not been made, a summary of the efforts to perfect service or explanation of why service is impossible or impracticable;

[(3)] (c) Unless already docketed with this Court, a stamped "filed" copy of the relevant common pleas court

order being appealed, as well as a copy of the notice of appeal that will be filed with this Court;

[(4)] (d) Unless already docketed with this Court, a copy of the relevant petition for review, whether addressed to this Court's appellate or original jurisdiction;

[(5)] (e) The appropriate filing fee or a sufficient pauper's affidavit.

[(c)] 3. Each duty judge shall be available from 12:01 a.m. on the Monday commencing his or her duty week and remain available until 12:00 midnight on the Sunday concluding the duty week. The duty judge shall be available in Harrisburg Monday through Friday or shall advise the [**executive administrator,**] prothonotary [**or**] and chief clerk of a telephone number at which he or she may be reached when not present in the Court's Harrisburg offices. The assigned duty judge shall make decisions in all emergency applications.

[(d)] 4. The filing of an emergency application should be made by contacting this Court's prothonotary, the chief clerk, [**the executive administrator**] or a deputy prothonotary who will accept the papers by the most expeditious means available, including fax or e-mail attachment, and assign the matter a docket number, if needed.

[(1)] (a) The Court officer accepting the filing shall contact the emergency judge to make arrangements for consideration and disposition of the emergency application.

[(2)] (b) If the duty week judge is not available, the emergency application shall be referred to the president judge and then to the associate judges in descending order of seniority, if the president judge is not available.

[(3)] (c) The telephone number of the court officer accepting the filing of emergency applications shall be made available through the Court's after hours telephone message system (717-255-1600 or 717-649-5153).

APPELLATE JURISDICTION

§ 67.11. Permission to Appeal; Interlocutory Orders.

The [**executive administrator or the**] prothonotary shall present each petition for permission to appeal, together with opposing briefs and any recommendation, to the duty judge for appropriate action. In the absence of a recommendation by the prothonotary, the disposition of such petitions shall follow the procedure for petitions for reargument, stated in § 67.35 [**(relating to rearguments; petitions for rearguments)**].

§ 67.13. Petition for Review; Clarification.

[(a) Upon receipt by] When the chief clerk [**from a pro se party of**] receives a written communication [**which**] that evidences an intention to appeal an adjudication of a state administrative agency but does not conform to the rules for an appellate petition for review, the chief clerk shall [**timestamp**] time-stamp the [**writing**] written communication with the date of receipt. The chief clerk shall advise the party by letter[:] (1) [**As to**] of the procedures necessary to perfect the appeal[.] and (2) [**That**] that the date of receipt of the [**pro se**] communication will be preserved as the date of filing of the appeal[, on condition] if that [**the**] party files a [**proper**] fully

conforming petition for review within 30 days of the date of the **chief clerk's** letter [**from the chief clerk**]. If the party fails to file a [**proper**] fully conforming petition for review within that period, the chief clerk shall advise the party by letter that the court will take no further action in the matter.

[(b) Upon receipt by the chief clerk of a notice of appeal in cases in which a petition for review is the proper appeal document, the chief clerk shall time-stamp the notice of appeal with the date of receipt and the court shall forthwith enter an order giving the party 30 days to file a petition for review and indicating that the failure to do so will result in the dismissal of the appeal.]

§ 67.14. Preargument Matters; Applications, Motions and Petitions.

The chief clerk shall promptly, after filing, submit preargument applications, motions and petitions requiring consideration by a judge to the [**executive administrator or the**] prothonotary. The [**executive administrator or the**] prothonotary shall daily confer with the president judge or the duty judge on such matters, who shall act by order granting or denying the relief or remedy sought, directing the matter to be decided on submitted briefs, or listing the matter for argument before, or in conjunction with, argument on the merits of the appeal. When required by law or rule, the judge shall defer acting upon the matter pending filing of an answer or until the time for answer has expired.

§ 67.16. Preargument Matters; Extensions of Time.

[(a)] The chief clerk may grant a written request for an extension of time to file briefs, or to file the reproduced record, where the requested extension is[:] (1) [**For 30**] for thirty days or less[.], (2) [**The**] the first one sought[.], and (3) [**Unopposed**] unopposed by all other parties. [(b)] If any of the three enumerated requirements does not exist, the party shall submit the request by formal application upon which the [**executive administrator,**] prothonotary, **chief clerk** or deputy prothonotary [**for law**] may act for the court.

§ 67.21. Arguments; Preparation of Lists.

To aid the president judge in the allocation of cases to be heard by the court en banc or by panels, the chief clerk shall submit an analysis of the procedural posture and issues raised in each case ready for argument. The [**executive administrator or the**] prothonotary shall review the list of cases, and present to the president judge recommendations as to cases on the list to be heard by the court en banc or by a panel. The president judge shall review the proposed argument list and make any changes deemed necessary. As approved or as modified by the president judge, the chief clerk shall proceed to publish the argument list and give notice to litigants. The argument list as published shall disclose a day certain for argument of each case listed.

§ 67.22. Arguments; Number of Cases.

The president judge[, the executive administrator], the prothonotary and the chief clerk shall determine the number of cases to be listed at a regular argument session before the court en banc and before panels, on the basis of expediting the disposition of cases ready for argument, to the maximum extent feasible.

§ 67.35. Rearguments; Petitions for Reargument.

The president judge shall distribute petitions for reargument and answers to them, involving cases decided by a panel of the court or the court en banc, to all judges of the court. After consideration pursuant to such circulation, the vote of the majority of the commissioned judges of the court to grant or deny the petition for reargument shall govern, although comments from the court's senior judges shall be solicited. Where a party files a petition for reargument of an order issued by a single judge, [**the executive administrator or**] the prothonotary shall submit the petition, together with any answer, to that judge for disposition.

ORIGINAL JURISDICTION

§ 67.42. Pretrial Matters; Applications, Motions, Petitions and Praecipes.

The chief clerk shall promptly, after filing papers in original jurisdiction cases, submit pretrial applications, praecipes for trial after a case is at issue, petitions for summary judgment or for judgment on the pleadings, statutory enforcement proceedings requiring a hearing before a judge, praecipes for hearing in matters under Pa.R.A.P. 1571, and all other motions and matters requiring the consideration of a judge before trial or argument on the merits, to the [**executive administrator or the**] prothonotary, who shall, on a daily basis, confer with the president judge or duty judge on such matters. Depending upon the nature of the matter, the president judge or the duty judge shall by order set the matter down for evidentiary hearing or formal trial, for argument before a single judge in cases in which a single judge may dispose of the matter, for argument before the court en banc or a panel, or for other disposition consistent with the applicable [**provisions of this title**] **Rules of Appellate Procedure** or [**231 Pa. Code (relating to)**] **Rules of Civil Procedure**[] .

§ 67.45. Proceedings; Election Cases.

Proceedings under the Pennsylvania Election Code within the court's original jurisdiction (petitions for review in the nature of mandamus and objections to nomination petitions and papers) shall be under the direct supervision of the president judge, the [**executive administrator and the**] prothonotary **and the chief clerk**. The president judge, to dispose of such cases, shall establish a special election court schedule, assign judges to hear cases or, when necessary, convene a special court en banc or panel to hear the same promptly.

§ 67.47. Reconsideration; Petitions for Reconsideration.

When a party files a petition for reconsideration of an order issued by a single judge, [**the executive administrator or**] the prothonotary shall submit the petition, together with any answer, to the judge for action, in accordance with Pa.R.A.P. 123(e).

DECISIONS

§ 67.53. Reporting of Opinions; Determination as to Reporting.

[**A. Each judge who is the author of an opinion of a panel or the court en banc shall indicate, in circulating the opinion to the other members of the court, the authoring judge's recommendation as to whether the opinion should be reported. A decision generally should be reported when it:**

1. establishes a new rule of law;
2. applies an existing rule of law to facts significantly different than those stated in prior decisions;
3. modifies or criticizes an existing rule of law;
4. resolves an apparent conflict of authority;
5. involves a legal issue of continuing public interest; or
6. constitutes a significant, non-duplicative contribution to law because it contains:
 - (a) an historical review of the law,
 - (b) a review of legislative history,
 - (c) a review of conflicting decisions among the courts of other jurisdictions.

B. The recommendation shall govern the determination as to reporting, unless a majority of the commissioned members of the court disagree with it.] Opinions of a single judge shall be filed but not reported unless, because of the unique character of the case, the [**executive administrator, the**] prothonotary or the authoring judge shall recommend that the opinion be reported and a two-thirds majority of the commissioned members of the court shall concur with the recommendation.

§ 67.55. [Reporting of] Citing Judicial Opinions[; Certain Decisions not to be Cited] .

[**Unreported opinions of this court shall not be cited in any opinion of this court or in any brief or argument addressed to it, except that such**] **An unreported opinion of this court may be cited and relied upon [or cited] when it is relevant under the doctrine of law of the case, res judicata or collateral estoppel. [When] Parties may also cite an unreported [memorandum opinion is relied upon pursuant to this rule, a copy of the memorandum must be attached to the brief] panel decision of this court issued after January 15, 2008, for its persuasive value, but not as binding precedent.** A single-judge opinion of this court, even if reported, shall be cited only for its persuasive value, not as a binding precedent. [**This rule shall be effective retroactively, so as to apply to opinions filed before the effective date of this section, as well as to opinions filed in the future.]**

Title 249—PHILADELPHIA RULES

PHILADELPHIA COUNTY

The Abandoned and Blighted Property Conservatorship Act; General Court Regulation No. 2009-01

Consistent with the opinion issued by the Commonwealth Court in the case captioned *In re: a Conservatorship Proceeding IN REM by the Germantown Conser-*

vancy, Inc., 995 A.2d 451 (Pa. Commw. 2010), effective immediately, General Court Regulation No. 2009-01 is amended to read as follows:

On November 26, 2008, the Governor signed Act 135, known as The Abandoned and Blighted Property Conservatorship Act, which became effective on February 24, 2009. The Act provides a mechanism to transform abandoned and blighted properties into productive reuse by authorizing the filing of a petition with the Court of Common Pleas by certain named interested parties seeking the appointment of a Conservator who will be authorized to take possession of the property, undertake its rehabilitation and, as appropriate, ultimately sell the premises unless reclaimed by the owner(s).

In light of the important rights of the various interested parties involved in such an action, the Court adopts this General Court Regulation to provide detailed procedural guidance in the filing and processing of petitions filed pursuant to Act 135, which has been codified in 68 P. S. § 1101 et seq.

1) *Initiation of Action.* Actions filed pursuant to Act 135 involving abandoned and blighted properties located in Philadelphia County are “*in rem*” proceedings and as such shall be commenced by the electronic filing of a Petition for the Appointment of a Conservator (as a “Petition Action”) with the Prothonotary of Philadelphia County as provided in Philadelphia Civil Rule *205.4 in the Court of Common Pleas, Trial Division—Civil, and the requisite filing fee shall be paid at the time of the filing of the petition. A separate action must be filed for each property that has a specific Board of Revision of Taxes (“BRT”) number. The Petition for the Appointment of a Conservator shall be substantially in the format attached hereto as Attachment “A.” Upon filing, if it appears that the owner of the property at issue is a person or entity over whom the Philadelphia Orphans’ Court Division has jurisdiction, the action shall be administratively assigned to a Judge of the Orphans’ Court Division, designated by the Administrative Judge of the Orphans’ Court Division; however all legal papers shall continue to be filed through the Civil Electronic Filing System in the Civil Trial Division.

2) *Petitioner.* The petition may be filed by an eligible “party in interest” as defined in Section 1103 of the Act.

3) *Conservator.* The petitioner must establish that the proposed Conservator is entitled to appointment pursuant to the Act. Moreover, a nonprofit corporation wishing to serve as Conservator should attach to the Petition a Certification to Serve as Conservator, certifying, *inter alia*, whether the Internal Revenue Service has granted the nonprofit corporation tax exempt non-profit status under § 501(c)(3) of the Internal Revenue Code; that the nonprofit corporation is located in Philadelphia; that the nonprofit corporation is eligible to receive a Certificate of Good Standing from the Pennsylvania Department of State; that the nonprofit has participated in a project within a one-mile radius of the property; and that the nonprofit corporation has passed a resolution authorizing the filing of the Petition for the Appointment of a Conservator and, if the nonprofit corporation is named as the proposed Conservator, that the nonprofit corporation has passed a resolution authorizing its acceptance of a court appointment as Conservator for the specific property or properties at issue and is authorized to perform all of the duties required of a Conservator.

4) *Respondent(s).* The petitioner must name as Respondent the “owner” of the property at issue, who is defined in Section 1103 of the Act as “The holder or holders of title to, or of a legal or equitable interest in, a residential, commercial or industrial building. The term shall include an heir, assignee, trustee, beneficiary and lessee provided the ownership interest is a matter of public record.” In light of the above definition, the petitioner should undertake a substantial examination of the public record to determine all parties who may be deemed to be an owner—and not merely rely on the last recorded deed. For instance, one of the named “owners” on the deed may be deceased, and if so, the petitioner should name as “owners” decedent’s heirs (or the decedent’s estate).

5) *Lienholders.* The petitioner must identify all lienholders and other secured creditors of the owners (including judgment creditors as may be disclosed in a judgment search or title report), as well as their address, both in the body of the petition and in relevant screens of the Civil Electronic Filing System to facilitate a determination of whether they were served with the required notices of the pendency and status of proceedings as may be applicable.

6) *Identification of the Abandoned and Blighted Property.* The petitioner shall provide the street address of the property at issue with the zip code and extended zip code, if available, and shall provide the Philadelphia Board of Revision of Taxes Account Number (“BRT #”).

7) *Content of the Petition.* The petition shall be in a form substantially as attached hereto as Attachment “A,” shall comply with Section 1104 (b) and must provide detail and documentation to support the allegations contained in the Petition. Where applicable and available, the petition should be accompanied by the following evidence, whether through affidavits, exhibits, or detailed averments within the petition itself:

a) A copy of the title report;

b) A copy of deed or other documentation, showing that neither the building or land is owned by or held in trust for the Federal Government and regulated under the United States Housing Act of 1937 (50 Stat. 888, 42 U.S.C. § 1437 et seq.) and regulations promulgated under that act;

c) Proof that the owner is not in the armed services (either from the Military website or with letters from all five branches of the military confirming that the owner is not on active duty);

d) A copy of citations showing violations of municipal code or declaration of the building to be a public nuisance, as provided in Section 1104(b)(1);

e) A copy of citations declaring building a public nuisance, as provided in Section 1104(b)(1);

f) Preliminary Plan with initial cost estimates, as provided in Section 1104(b)(3);

g) Evidence that the building has not been legally occupied for the previous 12 months, as provided in Section 1105(d)(1);

h) Evidence that the building has not been “actively marketed” in the last 60 days, as provided in Section 1105(d)(2). As provided in Section 1103, that might include, evidence of the following:

(1) That a “For Sale” sign is not placed on the property (a photograph of the premises showing that it does not have a “For Sale” sign must be attached);

(2) For a residential property, a printout from www.realtor.com, or other proof, that it is not listed on the Multiple Listing Service. For commercial property, an Affidavit setting forth the efforts made to determine whether the commercial property has been listed with realtors in the immediate neighborhood;

(3) That there have not been weekly or more frequent advertisements in print or electronic media. The petitioner must attach an Affidavit stating which papers have searched which reveals that there is no evidence that the property has been listed for sale during the last sixty (60) days; and

(4) An Affidavit from one or more neighbors regarding their knowledge that no printed advertisements have been distributed within the last sixty (60) days.

i) Evidence that the building is not subject to an existing foreclosure action as required by Section 1105(d)(3). The Petitioner must determine the name of the owner from Philadox and then search the Court of Common Pleas docket using the name of the owner to determine whether a foreclosure action has been filed.

j) Evidence from Philadox that the owner has not acquired the building within the last six months as required by Section 1105(d)(4).

k) A sworn statement that, to the best of the petitioner's knowledge, the property meets the conditions for conservatorship set forth in Section 1105(d).

8) *Notice of Filing of a Petition to Appoint a Conservator.* The petitioner shall attach to the Petition for the Appointment of a Conservator a Notice of the Filing of a Petition for the Appointment of a Conservator, substantially as attached hereto as Attachment "B."

9) *Order for Rule to Show Cause. Lis Pendens.* The petitioner shall attach an Order for Rule to Show Cause, substantially as attached hereto as Attachment "C," and shall file a Lis Pendens, substantially as attached hereto as Attachment "D," with the City of Philadelphia Department of Records and a copy thereof with the Prothonotary.

10) *Review of the Petition. Issuance of an Order for Rule to Show Cause scheduling a Hearing.* A petitioner has an absolute right to a hearing if it establishes that the conservatorship is not statutorily barred. The court may deny the Petition for the Appointment of a Conservator if it appears that a prima facie entitlement to a hearing on the appointment of a conservator is not established via documents or detailed averments attached to or included in the Petition. The Court will issue an Order for Rule to Show Cause if a prima facie entitlement to the appointment of a conservator has been established, but the issue of entitlement to the appointment of a conservator will not be finally determined until after the hearing required by Section 1105 is held.

11) *Posting of the Notice of the Filing of a Petition to Appoint a Conservator.* The Petitioner shall post the Notice of the Filing of a Petition for the Appointment of a Conservator on the premises as may be required by the Court in the Order for Rule to Show Cause.

12) *Service of the Petition to Appoint a Conservator. Notice of the filing of the Petition to Appoint a Conservator.* Upon issuance of an Order for Rule to Show Cause, the petitioner shall:

a) serve a copy of the Notice, Petition for the Appointment of a Conservator and all exhibits on the owner(s) as required by Pa.R.C.P. No. 400.1 and shall file a return of service as soon as possible upon service;

b) mail a copy of the Notice, Petition for the Appointment of a Conservator and all exhibits by registered or certified mail on the City of Philadelphia as provided in Section 1103 at the following address: c/o City Solicitor, 1515 Arch Street, Philadelphia, PA (or any other address designated from time to time by the City of Philadelphia) and shall file a return of service as soon as possible upon service. At petitioner's discretion, service may also be accomplished as provided by Pa.R.C.P. No. 400.1; and

c) mail a copy of the Notice, Petition for the Appointment of a Conservator and exhibits on all lienholders (including judgment creditors) and other secured creditor(s) of the owner(s), as identified in the Petition for the Appointment of a Conservator, by registered or certified mail, to their last known address, as provided in Section 1103 and shall file a return of service as soon as possible upon service. At petitioner's discretion, service may also be accomplished as provided by Pa.R.C.P. No. 400.1.

13) *Response Period. Petition to Intervene.* The record owners, lienholders and other secured creditors of the record owner(s), and other parties in interest may file an answer or other responsive pleading, or petition to intervene as may be provided by the Court in the Order to Show Cause.

14) *Hearing.* A hearing on the Petition for the Appointment of a Conservator will be held on a date certain within 120 days of the filing of the petition as required by Section 1105. On the hearing date:

a) The Petitioner must produce evidence that the property meets at least three of the following requirements for conservatorship:

(1) that the City of Philadelphia has declared the building to be a public nuisance, as provided in Section 1105(d)(5)(i);

(2) that no permits for rehabilitation work have been issued in the past 12 months, and that the building is in "need of substantial rehabilitation" as established by photos or affidavits of persons with knowledge based on exterior or interior inspections, as provided in Section 1105(d)(5)(ii);

(3) documentation, photos or affidavits of persons with knowledge establishing that the building is unfit for human habitation, occupancy, or use, as provided in Section 1105(d)(5)(iii);

(4) documentation showing that the building increases the risk of fire to adjacent properties. If there have previously been fires in the property, must attach proof from the Fire Department or an affidavit from neighbors, as provided in Section 1105(d)(5)(iv);

(5) documentation showing that unauthorized entry is possible. If petitioner is claiming that the City of Philadelphia has secured the building, attach proof from the City to this effect, as provided in Section 1105(d)(5)(v);

(6) photos showing that the conditions are an attractive nuisance to children. If possible, attach an affidavit from a neighbor showing that children have been illegally entering the property as required by Section 1105(d)(5)(vi);

(7) code citations that address the presence of vermin, debris, uncut vegetation and deterioration of the structure or grounds. If no code citations, then attach photos and affidavits from neighbors, community groups, and/or others knowledgeable about the property which address conditions as required by Section 1105(d)(5)(vii);

(8) photos of the property being proposed for conservatorship, as well as photos of the neighboring properties on both sides of the block. This will allow the Court to understand the effect the blighted property has had on the economic well-being of the community as required by Section 1105(d)(5)(viii); or

(9) police reports showing that police have been called about illicit activity at property. If no police reports, then affidavits from neighbors, community groups, and/or others knowledgeable about the property can be used as required by Section 1105(d)(5)(ix).

b) any party in interest who has filed the appropriate answer or other responsive pleading, or petition to intervene shall be permitted to present evidence to support or contest the petition.

c) For good cause shown, the Court may permit a party in interest who has not filed the required answer or other responsive pleading, or petition to intervene to do so, and the hearing may be postponed as appropriate.

15) *Order Granting Request for Period to Abate Nuisance.* Within 30 days after the hearing, the Court may enter an order, as appropriate, providing the owner a reasonable period of time to abate and remedy the violations or nuisance which gave rise to the filing of the petition, as provided in Section 1105(f)(1).

16) *Order Appointing a Conservator.* Within 30 days after the hearing, the Court may enter an order, as appropriate, appointing a Conservator. If a Conservator is appointed, the order shall set forth in detail the powers, duties and obligations of the Conservator including requirements which must be met before the Conservator may exercise any authorized powers and duties, such as securing any necessary bond and/or insurance. The Court may also require the Conservator, and any other parties who must enter the premises to assist with the preparation of the Final Plan, to execute Right of Entry Authorizations and provide such Certificates of Additional Insurance as may be required by the Court

17) *Filing of Final Plan.* The Conservator shall file a Final Plan for Abatement on or before the date established in the court order appointing the Conservator. The Final Plan must fully comply with Section 1106(b), shall specifically set forth the Scope of Work to be performed, and shall set forth in detail the financing for the costs of rehabilitation and other relevant terms, including whether the Court is requested to grant a lien or security interest with priority, as provided in Section 1108 (b), to facilitate the borrowing of funds to rehabilitate or demolish the property. The Conservator may not enter into any binding agreement concerning the financing until the financing is approved by the Court.

18) *Hearing and Approval of Final Plan.* Upon receipt of the Final Plan for Abatement, the court shall issue a scheduling order which will provide whether the Conservator must serve on the owner of the Property and/or lienholders and/or other secured creditors of the owner the scheduling order and Final Plan, or only a Notice of

the filing of the Final Plan and the scheduling of a hearing thereon, and that comments to the Final Plan must be filed before the hearing date, or presented on the day of the hearing. After the hearing, the Court must approve the Final Plan or require that it be amended, and if the Court orders the Plan to be amended, the Court shall schedule a subsequent hearing for approval of the Final Plan. Once the Final Plan is approved, no changes may be made unless authorized by the Court after the filing of a petition.

19) *Status Reports.* From time to time, the Court may request status reports from the Conservator.

20) *Filing of an Account.* Upon conclusion of the rehabilitation or demolition, the Conservator shall file a full Account of all funds expended by the Conservator. The Account shall include a summary of actions taken by the Conservator, and a detailed report verifying that each of the items in the Scope of Work approved by the Court was in fact completed, and if not completed, the Conservator must provide sufficient justification for not completing any of the items.

21) *Sale of Property at Issue. Distribution of Proceeds.* The Conservator may, upon petition, seek the sale of the property at public or private sale as provided in Section 1109. The reasons for seeking the sale of the Property must be set forth in detail, together with the proposed terms of the sale and estimated proceeds and distribution. The Court will issue a scheduling order and the Conservator must serve the scheduling order and petition on the owner, lienholders and other secured creditors of the owner. After the hearing, the Court may issue an order authorizing the sale of the premises and further authorizing the Conservator or the Prothonotary to execute the deed conveying title to the purchaser. The proceeds of the sale shall be applied and distributed as set forth in Section 1109.

22) *Termination of Conservatorship.* The Court may terminate the conservatorship as required by Section 1110.

23) *Appointment of Master-Judge Pro Tem.* At any time, the Court may appoint a master-judge pro tem to review the pleadings filed, conduct any hearing or status hearing authorized by Act 135 and this General Court Regulation, and issue orders or recommendations as directed by the Court and as may otherwise be necessary. Court costs necessary for the payment of the master-judge pro tem must be deposited with the Prothonotary by the Petitioner or Conservator as may be ordered from time to time by the Court.

This General Court Regulation is issued pursuant to The Abandoned and Blighted Property Conservatorship Act, 68 P.S. § 1101 et seq. and shall become effective immediately. The original General Court Regulation shall be filed with the Prothonotary in a Docket maintained for General Court Regulations issued by the President Judge of the Court of Common Pleas of Philadelphia County, shall be published in the *Pennsylvania Bulletin*, and copies shall be submitted to the Administrative Office of Pennsylvania Courts and to the Civil Procedural Rules Committee. Copies of the General Court Regulation will be submitted to *American Lawyer Media*, *The Legal Intelligencer*, Jenkins Memorial Law Library, and the Law Library for the First Judicial District of Pennsylvania.

PETITIONER

- 4. Petitioner is (the owner) (a lienholder or other secured creditor of the owner) (a resident or business owner within 500 feet of the building) (a nonprofit corporation within the City and County of Philadelphia that has as one of its purposes to create and stimulate economic development while improving the quality of life for residents within the _____ community, where the Property is located), a party in interest, as defined by Section 1103 of the Act.
- 5. (Petitioner) has participated in the following projects (if proposed Conservator is a nonprofit corporation, add: within a one-mile radius of the Property):

(List in detail the qualifying projects petitioner has participated in.)

RESPONDENT

6. The Petitioner avers that the property is owned by _____ (the "Owner(s)"). The name of the record owner on the last recorded deed is:

(If the owner is an individual, describe efforts made by the Petitioner to identify the owner of the property and to determine whether the owner is deceased and if so, efforts to locate the deceased owner's heirs.)

(If the owner is a corporation or other legal entity, describe efforts made by the Petitioner to determine whether the corporation, partnership, fictitious entity or other business entity, its successors and/or assigns is/are active.)

7. The Owner has not vacated the Property to perform military service in time of war or armed conflict or in order to assist with relief efforts during a declared federal or state emergency as a member of the United States Armed Forces or reserve.

8. The Property is not held in trust for the federal government and regulated under the United States Housing Act of 1937, 50 Stat. 888, 42 U.S.C. § 1437 et. seq.

**LIENHOLDERS AND OTHER SECURED
CREDITORS**

9. Petitioner has identified the following lienholders and other secured creditors with a potential interest in the Property through an examination of the title report for the Property and any additional search or sources necessary to identify the lienholders and other secured creditors, their addresses, as well as the identities and addresses of any successors and/or assigns:

(List the name and address of all lienholders and other secured creditors or attach as exhibit).

See Title Report, Ex. "B," (include and attach other search or sources used to identify the lienholders and secured creditors):

CONDITIONS FOR CONSERVATORSHIP

- 10. The Property has not been legally occupied for at least twelve (12) months before the date of the filing of this Petition. (Add any relevant description.)
- 11. The Property has not been actively marketed during the sixty (60) days before the date of the filing of this Petition. (Describe efforts and attach relevant documents)

12. No "For Sale" sign has been placed on or in front of the Property during the sixty (60) days before the date of the filing of this Petition. (Describe efforts and attach relevant documents)

13. The Property has not been advertised as for sale through distributed print advertisements, print or electronic media, or through engagement of a real estate professional (for residential property add: to place the Property in a Multiple Listing Service or) to otherwise market the Property. (Add any relevant description.)

14. According to inspection of public records, the Property appears not to be subject to an existing foreclosure action.

15. According to inspection of public records, (Owner) has not acquired the Property within the preceding six (6) months prior to the date of the filing of this Petition.

16. To the best of the petitioner's knowledge, the property meets the conditions for conservatorship set forth in Section 1105(d).

(Although not required at the pleading stage, it is suggested that, to the extent available, the petitioner attach documents or include specific factual averments establishing at least three (3) of the items set forth in Section 1105 (d)(5)).

PROPOSED CONSERVATOR

17. Petitioner recommends that _____ (Name of proposed conservator) be appointed Conservator. The proposed Conservator has the financial resources and experience to properly rehabilitate the Property. (Explain and provide detail concerning the proposed Conservator's financial resources and experience.) (If a non-profit Corporation is the proposed Conservator, attach a Certification to Serve as Conservator and required documentation as set forth in General Court Regulation No. 2009-01.)

NOTICE OF FILING OF A PETITION FOR THE APPOINTMENT OF A CONSERVATOR

A petition has been filed under the Abandoned and Blighted Property Conservatorship Act, 68 P. S. §§ 1101-1111 (2008), for appointment of a Conservator to take possession of and rehabilitate or demolish the property located at:

_____, BRT No. _____.

A hearing on the Petition for the Appointment of a Conservator will be scheduled by the Court. As required by General Court Regulation No. 2009-01, the Petitioner shall serve or mail a copy of this Notice, the Petition for the Appointment of a Conservator together with all exhibits, and a copy of the court order scheduling a hearing. A copy of this Notice (without the Petition for the Appointment of a Conservator, exhibits or court order) will also be posted at the property.

YOU ARE RECEIVING THIS NOTICE BECAUSE PUBLIC RECORDS REVEAL THAT YOU MAY BE ONE OF THE FOLLOWING:

Owner of Property at issue. If you are the record owner or an owner claiming a right to title to the premises and want to be heard in this matter, you must file an answer as required by the Court order referenced above. If you do not file an answer, the court may proceed without you and you may lose your rights to the property. A conservator may be appointed to take possession of the property, incur expenses that will be a lien against the property, and sell the property. You will still be responsible for your obligations as the owner, including expenses incurred by the conservator.

Lienholder/Secured Creditors. If you are a lienholder or other secured creditor and want to be heard in this matter, you must file a petition to intervene as required by the Court order referenced above and may seek to be appointed as Conservator. If you do not file an answer, the court may proceed without you and you may lose your rights to the property. A conservator may be appointed to take possession of the property, incur expenses that will be a lien against the property, and sell the property. The conservator lien may have priority over your lien or other rights.

The City of Philadelphia. As the political subdivision in which the property is located, the City of Philadelphia may file a petition to intervene as required by the Court order referenced above and may seek to be appointed as the conservator.

You should take this paper to your lawyer at once. If you do not have a lawyer or cannot afford one, go to or telephone the office below to find out where you can get legal help.

RULES AND REGULATIONS

Title 25—ENVIRONMENTAL PROTECTION

SUSQUEHANNA RIVER BASIN COMMISSION

[25 PA. CODE CHS. 806 AND 808]

Review and Approval of Projects

Summary: This document contains final rules that amend the project review regulations of the Susquehanna River Basin Commission (Commission) to include subsidiary allocations for public water supply systems under the scope of withdrawals requiring review and approval; improve notice procedures for all project applications; clarify requirements for grandfathered projects increasing their withdrawals from an existing source or initiating a new withdrawal; refine the provisions governing transfer and re-issuance of approvals; clarify the Executive Director's authority to grant, deny, suspend, rescind, modify, or condition an Approval by Rule; include decisional criteria for diversions into the basin; amend administrative appeal procedures to broaden available remedies and streamline the appeal process; and make other minor regulatory clarifications to the text of the regulations.

Dates: Effective November 1, 2010.

Addresses: Susquehanna River Basin Commission, 1721 North Front Street, Harrisburg, PA 17102-2391.

For Further Information Contact: Richard A. Cairo, General Counsel, (717) 238-0423, Ext. 306, fax (717) 238-2436, rcairo@srbc.net. Also, for further information on the final-form rulemaking, visit the Commission's web site at www.srbc.net.

Supplementary Information:

Comments and Responses to Proposed Rulemaking

Notice of proposed rulemaking was published in the *Federal Register* on June 25, 2010; the *New York Register* on July 7, 2010; the *Pennsylvania Bulletin* on July 10, 2010; and the *Maryland Register* on July 16, 2010. The Commission convened public hearings on July 27, 2010, in Binghamton, New York and on July, 2010, in Harrisburg, Pennsylvania. A written comment period was held open until August 10, 2010. Comments on the proposed rulemaking were received at both the hearings and during the comment period. A summary of the comments and the Commission's responses thereto follows.

Comments by Section, Part 806

Section 806.4. Projects requiring review and approval.

Comment: With respect to gas well development and hydrofracking operations, there is a need for the Commission to evaluate the cumulative impacts of water withdrawals and to require flow monitoring at water withdrawal sites.

Response: The Commission does employ cumulative impact analysis in its review and approval of projects. Flows are monitored at all sites where passby flow requirements have been imposed either directly or through the use of reference gages. Commission field inspectors verify that users required to cease taking water at given flow levels are in fact abiding by passby limitations. In addition, the Commission has implemented a Remote Water Quality

Monitoring Network with 30 monitoring stations in the areas where drilling in the Marcellus Shale formation is most active.

Comment: The Commission should exercise greater regulatory authority over drilling operations in the Marcellus Shale formation, including assuming jurisdiction over water quality related matters.

Response: The Commission's current regulatory authority extends only to water withdrawal and consumptive use by gas drilling operations. As established in Section 3.2 of the Susquehanna River Basin Compact, the Commission is directed to utilize the existing agencies of federal and state government who currently exercise regulatory authority on water quality, underground injection, and on the extraction of mineral resources. At this point, the member states are asserting their regulatory authority and it would not be appropriate for the Commission to interpose its authority and duplicate the plenary authority exercised by the states in this area. If, at some point in the future, the Commission concludes, after public hearing, that it must assume jurisdiction in order to effectuate the terms of the comprehensive plan or implement the terms of the Compact, it may then do so.

Section 806.6. Transfer and re-issuance of approvals.

Comment: Allowing "transfer of approvals" under 18 CFR 806.6 is inappropriately treating water as a "commodity" instead of as a "common resource" of the basin.

Response: Under 18 CFR 806.6, the instances where approvals may be transferred with only administrative approval of the Executive Director are limited. Transfers of approvals more than ten years old, those changing the quantity or use of the water, or having pre-compact or pre-regulation elements will require a subsequent application for approval, thus phasing out grandfathered uses and bringing these projects under the authority of the Commission, where the water used can be better managed as a "common resource" of the basin. We would also note that transfer of approvals is not limited to the gas drilling industry. Other transfers occur, such as the transfer of water withdrawal approvals from municipalities to municipal authorities, whenever a project using the waters of the basin is sold to a new owner.

Section 806.15. Notice of Application.

Comment: Notification of property owners within one-half mile of a withdrawal is insufficient. Notice should be provided to all property owners in the watershed or even to all basin residents because of the high volumes of water withdrawals for gas production and the contents of fracking water. Also, people farther than a half mile may experience impacts to their water, air, and soil quality.

Response: The one-half mile notification requirement for withdrawals provides more effective notice than the current contiguous property owner requirement that is based on proximity, not science. Ongoing scientific evaluations indicate that a one-half mile notice will cover the vast majority of areas affected by groundwater and surface water withdrawals. Thus, the Commission believes this new standard is both reasonable and appropriate. If data is collected during the aquifer test that indicates that the influence of the withdrawal extends beyond a half mile radius, the staff has the discretion to direct project applicants to send notification to property owners in these extended areas. Because newspaper notice is also required and because the Commission

publishes an advanced notice for all withdrawal applications in the *Federal Register* and state notice publications prior to taking action, other interested parties throughout the watershed and the basin will have notice and opportunity to comment on such applications. Similar information is also provided to the public by the Commission through its web-based Water Resources Portal.

Comment: In amending its notification requirements for project applications, the Commission is properly focusing on those persons who are actually affected and who have a real interest in participating in the approval process.

Response: Agreed

Comment: The Commission's proposed rules are scientifically based and therefore sound.

Response: Agreed

Comment: The notice sent to landowners within one-half mile of a groundwater withdrawal should include an opportunity for the property owner to comment on the project application.

Response: 18 CFR 806.15 (a) specifies that all notices required under this section contain the address, electronic mail address, and phone number of the project sponsor and the Commission, and comments are therefore welcome from any landowner or other interested party who wishes to do so. Also, the form of notice sent to landowners contains information concerning the submission of comments and providing relevant contact information.

Comment: The notice sent to property owners within one-half mile of a groundwater withdrawal should include information on how the 72-hour testing will be done, when it will occur, and other information concerning the evaluation and approval of the groundwater withdrawal project. Follow-up information should be provided to property owners receiving notifications such as the results of water withdrawal testing.

Response: The Commission readily understands that landowners may have an interest in aquifer testing information at the application stage. Under current Commission procedures, however, applicants submit testing plans and conduct tests prior to the filing of an application that triggers the notice requirement. At this pre-application stage, applicants may also submit information supporting a request for a waiver of the testing requirements, which may or may not be granted. The Commission believes that the requirement for pre-application submission of test information is a conservative management approach helping to ensure that applications are supported by science. Rather than modifying this procedure, the Commission feels that the legitimate concerns expressed in this comment can best be addressed by providing landowners with a right of access to the information sought.

Comment: For applications to use wastewater discharge sources, in addition to the newspaper notice, any property owner within 1,000 feet of the use (or some other appropriate distance compatible with other resource agencies) should be notified by mail.

Response: Newspaper notices noting the use of a wastewater discharge source will be required in every area where the water will be used for natural gas development. The Commission believes that this form of notice will be sufficient. Also, all approved water sources that a natural gas developer may use on a given site are available for viewing on line by interested landowners at the Commission's web based Water Resources Portal.

Section 806.24. Standards for Diversions.

Comment: The meaning of the "catch all phrase" in the proposed revision to 18 CFR 806.24 requiring consideration of the "extent to which the proposed diversion satisfies all other applicable standards set forth in subchapter C of this part," is not clear. It is recommended that this phrase be struck.

Response: While the Commission agrees that a clarification is needed, it is important that the sponsors of diversion projects understand that they must also abide by the Commission's general and specific standards set forth in subchapter C of Part 806 governing withdrawals and consumptive use. The Commission has modified this language in the final rule to add more clarity.

Comment: For projects involving a diversion of water out of the basin, the in-basin public should be noticed and have an opportunity to provide written comments. This notice should tell the public where the water is being diverted and why.

Response: The proposed regulations do provide for newspaper publication in the in-basin area, plus since the diversion will also involve a withdrawal of some kind in the in-basin area, property owners within one-half mile will also receive notifications in accordance with 18 CFR 806.15.

General Comments

Comment: The Commission should institute a moratorium on approval of any unconventional gas drilling related water withdrawals until the completion of certain studies that will assess the environmental impacts of drilling and fracking activity.

Response: The Commission can find no evidence linking its approval of water withdrawals and consumptive uses by gas drilling operations in the Marcellus Shale formation with a threat of harm or of injury to the public justifying a moratorium on all approvals. Ultimately, a moratorium based on supposition rather than science cannot be legally justified or defended. It is also far more appropriate for the states and the federal government, who exercise broader authority with respect to water quality, underground injection and mineral extraction, and who have such studies underway, to inform the Commission's regulatory program as that science develops. In the interim, the Commission continues to study and evaluate the cumulative impact of these withdrawals and consumptive use on the water resources of the basin.

Comment: The idea of allowing water withdrawals for any other reason than to support life is abhorrent.

Response: The Susquehanna River Basin Compact and the Commission Comprehensive Plan do place importance upon the conservation of water to support the living resources of the basin and the Chesapeake Bay, and the Commission devotes a major part of its mission to protecting those resources; however, the purposes of the Compact and the goals of the Comprehensive Plan also include the utilization and development of the basin's water resources to make secure and protect developments within the states (i.e. economic development). Managing the basin's waters to protect living resources and developments within the states are not mutually exclusive efforts.

Comment: The Commission did not give sufficient public notice of the public hearings on these proposed rules.

Response: The Commission followed the notice requirements of its own regulations found at 18 CFR 808.1,

publishing well in advance of public hearings the text of the proposed rules in the *Federal Register* and in the member state notice publications, and including in those notices the date, time and place of two public hearings held in Binghamton, N.Y. on July 27, 2010, and Harrisburg, Pa. on July 29, 2010. Written comments were also invited through August 10, 2010. The Commission gave further notice of the proposed rulemaking contents, the public hearings, and the comment period via its web site and in a news release sent to media throughout the basin. These are the same notice procedures followed by the Commission on past proposed rulemaking actions as well. The Commission is, nevertheless, considering ways that it can improve notice procedures in future rulemaking actions and welcomes this comment.

Comment: The Pennsylvania Department of Environmental Protection (PADEP) is permitting gas drilling on lands subject to frequent inundation, creating a danger that toxic materials or waters stored on such land will be washed away and contaminate streams and rivers.

Response: 18 CFR 806.21 provides that the Commission may suspend the review of any project that has not been approved by a member jurisdiction or a political subdivision thereof. The Commission may also modify, suspend, or revoke a previously granted approval where the project sponsor fails to obtain or maintain the approval of member jurisdiction or political subdivision thereof. All land uses in Pennsylvania in flood prone designated communities are subject to the provisions of the Pennsylvania Flood Plain Management Act and local ordinances adopted pursuant thereto. If a project sponsor is not in compliance with these local ordinances, they run the risk of having their Commission approval suspended or revoked.

Comment: The Commission has been blocking participation of landowners in the approval process for gas drilling consumptive use and withdrawal approvals by withholding information on pending project applications.

Response: The Commission disagrees with this comment. The Commission has historically welcomed and encouraged public comment on applications submitted to the Commission for its review and consideration. It continues to improve its notice requirements, as witnessed by the modifications being made to 18 CFR 806.15 of this final rule, and has taken considerable steps to build its online Water Resources Portal web application to facilitate that end.

Comment by Section, Part 808

Section 808.2. Administrative Appeals.

Comment: There is a need to improve some of the provisions of the proposed changes to the administrative appeal provisions of 18 CFR 808.2 by removing certain unneeded language, defining a standard for granting nunc pro tunc appeals, providing for a direct notice of hearing to the petitioner and project sponsor, and specifying a deadline for filing an appeal for consideration at the next regular Commission meeting.

Response: Agreed. These changes have been made to the text of 18 CFR 808.2 in the final rulemaking document.

List of Subjects in 18 CFR Parts 806 and 808:

Administrative practice and procedure, Water resources.

Accordingly, for the reasons set forth in the preamble, the Susquehanna River Basin Commission amends 18 CFR Parts 806 and 808 as follows:

PART 806—REVIEW AND APPROVAL OF PROJECTS

Subpart C—Standards for Review and Approval

1. The authority citation for Part 806 continues to read as follows:

Authority: Secs. 3.4, 3.5(5), 3.8, 3.10 and 15.2, Pub. L. 91-575, 84 Stat. 1509 et seq.

2. In § 806.4, revise paragraphs (a)(2) introductory text, (a)(2)(iv), and (c) to read as follows:

§ 806.4. Projects requiring review and approval.

(a) * * *

(2) *Withdrawals.* Any project described below shall require an application to be submitted in accordance with § 806.13, and shall be subject to the standards set forth in § 806.23. Hydroelectric projects, except to the extent that such projects involve a withdrawal, shall be exempt from the requirements of this section regarding withdrawals; provided, however, that nothing in this paragraph shall be construed as exempting hydroelectric projects from review and approval under any other category of project requiring review and approval as set forth in this section, § 806.5, or 18 CFR part 801. The taking or removal of water by a public water supplier indirectly through another public water supply system or another water user's facilities shall constitute a withdrawal hereunder.

* * * * *

(iv) With respect to groundwater projects in existence prior to July 13, 1978, and surface water projects in existence prior to November 11, 1995, any project that will increase its withdrawal from any source, or initiate a withdrawal from a new source, or combination of sources, by a consecutive 30-day average of 100,000 gpd or more, above that maximum consecutive 30-day amount which the project was withdrawing prior to the said applicable date.

* * * * *

(c) Any project that did not require Commission approval prior to January 1, 2007, and not otherwise exempt from the requirements of paragraph (a)(1)(iv), (a)(2)(v), or (a)(3)(iv) pursuant to paragraph (b) of this section, may be undertaken by a new project sponsor upon a change of ownership pending action by the Commission on an application submitted by such project sponsor requesting review and approval of the project, provided such application is submitted to the Commission in accordance with this part within 90 days of the date change of ownership occurs and the project features related to the source, withdrawal, diversion or consumptive use of water, or the nature or quantity of water withdrawal, diversion or consumptive use associated with the project do not change pending review of the application. For purposes of this paragraph, changes in the quantity of water withdrawal, diversion or consumptive use shall only relate to increases in quantity in excess of the quantity withdrawn, diverted or consumptively used prior to the change of ownership.

3. In § 806.6, revise paragraphs (a), (b) introductory text, (b)(1), (c) introductory text and (d) introductory text, and add paragraph (e) to read as follows:

§ 806.6. Transfer and re-issuance of approvals.

(a) An existing Commission project approval may be transferred or conditionally transferred to a new project sponsor upon a change of ownership of the project, subject

to the provisions of paragraphs (b), (c) and (d) of this section, and the new project sponsor may only operate the project in accordance with and subject to the terms and conditions of the existing approval pending approval of the transfer, provided the new project sponsor notifies the Commission within 90 days from the date of the change of ownership, which notice shall be on a form and in a manner prescribed by the Commission and under which the new project sponsor certifies its intention to comply with all terms and conditions of the transferred approval and assume all other associated obligations.

(b) An existing Commission project approval for any of the following categories of projects may be conditionally transferred, subject to administrative approval by the Executive Director, upon a change of ownership and the new project sponsor may only operate such project in accordance with and subject to the terms and conditions of the transferred approval:

(1) A project undergoing a change of ownership as a result of a corporate reorganization where the project property is transferred to a corporation by one or more corporations solely in exchange for stock or securities of the transferee corporation, provided that immediately after the exchange the transferor corporation(s) own 80 percent of the voting stock and 80 percent of all other stock of the transferee corporation.

* * * * *

(c) An existing Commission approval of a project that satisfies the following conditions may be conditionally transferred and the project sponsor may only operate such project in accordance with and subject to the terms and conditions of the conditionally transferred approval, pending action by the Commission on the application submitted in accordance with paragraph (c)(3) of this section:

* * * * *

(d) An existing Commission project approval for any project not satisfying the requirements of paragraphs (b) or (c) of this section may be conditionally transferred and the project sponsor may only operate such project in accordance with and subject to the terms and conditions of the conditionally transferred approval, pending action by the Commission on an application the project sponsor shall submit to the Commission, provided that:

* * * * *

(e) An existing Commission project approval may be re-issued by the Executive Director at the request of a project sponsor undergoing a change of name, provided such change does not affect ownership or control of the project or project sponsor. The project sponsor may only continue to operate the project under the terms and conditions of the existing approval pending approval of its request for re-issuance, provided it submits its request to the Commission within 90 days from the date of the change, which notice shall be on a form and in a manner prescribed by the Commission, accompanied by the appropriate fee established therefore by the Commission.

4. In § 806.7, revise paragraph (a) to read as follows:

§ 806.7. Concurrent project review by member jurisdictions.

(a) The Commission recognizes that agencies of the member jurisdictions will exercise their review and approval authority and evaluate many proposed projects in the basin. The Commission will adopt procedures to

assure compatibility between jurisdictional review and Commission review.

* * * * *

5. Revise § 806.15 to read as follows:

§ 806.15. Notice of application.

(a) Any project sponsor submitting an application to the Commission shall provide notice thereof to the appropriate agency of the member state, each municipality in which the project is located, and the county planning agency of each county in which the project is located. The project sponsor shall also publish notice of submission of the application at least once in a newspaper of general circulation serving the area in which the project is located. The project sponsor shall also meet any of the notice requirements set forth in paragraphs (b) through (e) of this section, if applicable. All notices required under this section shall be provided or published no later than 10 days after submission of the application to the Commission and shall contain a description of the project, its purpose, the requested quantity of water to be withdrawn obtained from for sources other than withdrawals or consumptively used, and the address, electronic mail address, and phone number of the project sponsor and the Commission. All such notices shall be in a form and manner as prescribed by the Commission.

(b) For withdrawal applications submitted pursuant to § 806.4(a)(2), the project sponsor shall also provide the notice required under paragraph (a) of this section to each property owner listed on the tax assessment rolls of the county in which such property is located and identified as follows:

(1) For groundwater withdrawal applications, the owner of any property that is located within a one-half mile radius of the proposed withdrawal location.

(2) For surface water withdrawal applications, the owner of any property that is riparian or littoral to the body of water from which the proposed withdrawal will be taken and is within a one-half mile radius of the proposed withdrawal location.

(c) For projects involving a diversion of water out of the basin, the project sponsor shall also publish a notice of the submission of its application at least once in a newspaper of general circulation serving the area outside the basin where the project proposing to use the diverted water is located. For projects involving a diversion of water into the basin, the project sponsor shall also publish a notice of the submission of its application at least once in a newspaper of general circulation serving the area outside the basin where the withdrawal of water proposed for diversion is located.

(d) For applications submitted under § 806.22(f)(12)(ii) to use a public water supply source, the newspaper notice requirement contained in paragraph (a) of this section shall be satisfied by publication in a newspaper of general circulation in the area served by the public water supply.

(e) For applications submitted under § 806.22(f)(12)(ii) to use a wastewater discharge source, the newspaper notice requirement contained in paragraph (a) of this section shall be satisfied by publication in a newspaper of general circulation in each area within which the water obtained from such source will be used for natural gas development.

(f) The project sponsor shall provide the Commission with a copy of the United States Postal Service return receipt for the notifications to agencies of member states,

municipalities and county planning agencies required under paragraph (a) of this section. The project sponsor shall also provide certification on a form provided by the Commission that it has published the newspaper notice(s) required by this section and made the landowner notifications as required under paragraph (b) of this section, if applicable. Until these items are provided to the Commission, processing of the application will not proceed. The project sponsor shall maintain all proofs of notice required hereunder for the duration of the approval related to such notices.

6. In § 806.22, revise paragraphs (e)(1), (e)(6), (f)(3), (f)(9), and (f)(12) to read as follows:

§ 806.22. Standards for consumptive uses of water.

* * * * *

(e) * * *

(1) Except with respect to projects involving natural gas well development subject to the provisions of paragraph (f) of this section, any project whose sole source of water for consumptive use is a public water supply, may be approved by the Executive Director under this paragraph (e) in accordance with the following, unless the Executive Director determines that the project cannot be adequately regulated under this approval by rule:

(i) Notification of Intent: No fewer than 90 days prior to the construction or implementation of a project or increase above a previously approved quantity of consumptive use, the project sponsor shall submit a Notice of Intent (NOI) on forms prescribed by the Commission, and the applicable application fee, along with any required attachments.

(ii) Within 10 days after submittal of an NOI under paragraph (e)(1)(i) of this section, the project sponsor shall satisfy the notice requirements set forth in § 806.15.

* * * * *

(6) The Executive Director may grant, deny, suspend, rescind, modify or condition an approval to operate under this approval by rule and will notify the project sponsor of such determination, including the quantity of consumptive use approved.

* * * * *

(f) * * *

(3) Within 10 days after submittal of an NOI under paragraph (f)(2) of this section, the project sponsor shall satisfy the notice requirements set forth in § 806.15.

* * * * *

(9) The Executive Director may grant, deny, suspend, rescind, modify or condition an approval to operate under this approval by rule and will notify the project sponsor of such determination, including the sources and quantity of consumptive use approved. The issuance of any approval hereunder shall not be construed to waive or exempt the project sponsor from obtaining Commission approval for any water withdrawals or diversions subject to review pursuant to § 806.4 (a).

* * * * *

(12) The following additional sources of water may be utilized by a project sponsor in conjunction with an approval by rule issued pursuant to paragraph (f)(9) of this section:

(i) Water withdrawals or diversions approved by the Commission pursuant to § 806.4(a) and issued to persons

other than the project sponsor, provided any such source is approved for use in natural gas well development, the project sponsor has an agreement for its use, and at least 10 days prior to use, the project sponsor registers such source with the Commission on a form and in a manner as prescribed by the Commission, and provides a copy of same to the appropriate agency of the member state. Any approval issued hereunder shall be further subject to any approval or authorization required by the member state to utilize such source(s). The project sponsor shall record on a daily basis, and report quarterly on a form and in a manner prescribed by the Commission, the quantity of water obtained from any source registered hereunder.

(ii) Sources of water other than those subject to paragraph (f)(12)(i) of this section, including public water supply or wastewater discharge, provided such sources are first approved by the Executive Director pursuant to this section. Any request to utilize such source(s) shall be submitted on a form and in a manner as prescribed by the Commission, shall satisfy the notice requirements set forth in § 806.15, and shall be subject to review pursuant to the standards set forth in subpart C of this part. Any approval issued hereunder shall be further subject to any approval or authorization required by the member state to utilize such source(s).

7. In § 806.24, add paragraph (c)(2), to read as follows

§ 806.24. Standards for diversions.

* * * * *

(c) * * *

(2) In deciding whether to approve a proposed diversion into the basin, the Commission shall also consider and the project sponsor shall provide information related to the following factors:

(i) Any adverse effects and cumulative adverse effects the project may have on the Susquehanna River Basin, or any portion thereof, as a result of the introduction or potential introduction of invasive or exotic species that may be injurious to the water resources of the basin.

(ii) The extent to which the proposed diversion satisfies all other applicable general and specific standards set forth in subpart C of this part pertaining to withdrawals and consumptive use.

8. Revise § 806.35 to read as follows:

§ 806.35. Fees.

Project sponsors shall have an affirmative duty to pay such fees as established by the Commission to cover its costs of administering the regulatory program established by this part, including any extraordinary costs associated with specific projects.

PART 808—HEARINGS AND ENFORCEMENT ACTIONS

10. The authority citation for Part 808 continues to read as follows:

Authority: Secs. 3.4, 3.5(5), 3.8, 3.10 and 15.2, Pub. L. 91-575, 84 Stat. 1509 et seq.

Subpart A—Conduct of Hearings

11. In § 808.2, revise paragraphs (a), (b), (c), (d), (e), (f), (g), and (h) to read as follows:

§ 808.2. Administrative appeals.

(a) A project sponsor or other person aggrieved by a final action or decision of the Commission or Executive

Director on a project application or a records access determination made pursuant to Commission policy may file a written appeal requesting a hearing. In the case of a project approval or denial, such appeal shall be filed by a project sponsor within 30 days of receipt of actual notice, and by all others within 30 days of publication of notice of the action taken on the project in the *Federal Register*. In the case of records access determinations, such appeal shall be filed with the Commission within 30 days of receipt of actual notice of the determination. Appeals filed later than 20 days prior to a regular Commission meeting will be considered at a subsequent Commission meeting. Appeals shall be filed on a form and in a manner prescribed by the Commission and the petitioner shall have 20 days from the date of filing to amend the appeal form.

(b) The appeal shall identify the specific action or decision for which a hearing is requested, the date of the action or decision, the interest of the person requesting the hearing in the subject matter of the appeal, and a statement setting forth the basis for objecting to or seeking review of the action or decision.

(c) Any request not filed on or before the applicable deadline established in paragraph (a) of this section hereof will be deemed untimely and such request for a hearing shall be considered denied unless the Commission, upon written request and for good cause shown, grants leave to make such filing nunc pro tunc; the standard applicable to what constitutes good cause shown being the standard applicable in analogous cases under federal law. Receipt of requests for hearings pursuant to this section, whether timely filed or not, shall be submitted by the Executive Director to the commissioners for their information.

(d) Petitioners shall be limited to a single filing that shall set forth all matters and arguments in support thereof, including any ancillary motions or requests for relief. Issues not raised in this single filing shall be considered waived for purposes of the instant proceeding. Where the petitioner is appealing a final determination on a project application and is not the project sponsor, the petitioner shall serve a copy of the appeal upon the project sponsor within five days of its filing.

(e) If a hearing is granted, the Commission shall serve notice thereof upon the petitioner and project sponsor and shall publish such notice in the *Federal Register*. The hearing shall not be held less than 20 days after publication of such notice. Hearings may be conducted by one or more members of the Commission, by the Executive Director, or by such other hearing officer as the Commission may designate.

(1) The petitioner may also request a stay of the action or decision giving rise to the appeal pending final disposition of the appeal, which stay may be granted or denied by the Executive Director after consultation with the Commission chair and the member from the affected member state. The decision of the Executive Director on the request for stay shall not be appealable to the Commission under this section and shall remain in full force and effect until the Commission acts on the appeal.

(2) In addition to the contents of the request itself, the Executive Director, in granting or denying the request for stay, will consider the following factors:

(i) Irreparable harm to the petitioner.

(ii) The likelihood that the petitioner will prevail.

(f) The Commission shall grant the hearing request pursuant to this section if it determines that an adequate record with regard to the action or decision is not available, the case involves a determination by the Executive Director or staff which requires further action by the Commission, or that the Commission has found that an administrative review is necessary or desirable. If the Commission denies any request for a hearing, the party seeking such hearing shall be limited to such remedies as may be provided by the compact or other applicable law or court rule.

(g) If a hearing is granted, the Commission shall refer the matter for hearing to be held in accordance with § 808.3, and appoint a hearing officer.

(h) *Intervention.* (1) A request for intervention may be filed with the Commission by persons other than the petitioner within 20 days of the publication of a notice of the granting of such hearing in the *Federal Register*. The request for intervention shall state the interest of the person filing such notice, and the specific grounds of objection to the action or decision or other grounds for appearance. The hearing officer(s) shall determine whether the person requesting intervention has standing in the matter that would justify their admission as an intervener to the proceedings in accordance with federal case law.

(2) Intervenors shall have the right to be represented by counsel, to present evidence and to examine and cross-examine witnesses.

PROPOSED RULEMAKING

DEPARTMENT OF PUBLIC WELFARE

[55 PA. CODE CHS. 1187 AND 1189]

Participation Review Process for Medical Assistance Nursing Facilities

The Department of Public Welfare (Department), under the authority of section 443.1(8) of the Public Welfare Code (code) (62 P.S. § 443.1(8)), proposes to amend Chapters 1187 and 1189 (relating to nursing facility services; and county nursing facility services) to read as set forth in Annex A.

Purpose of Proposed Rulemaking

The purpose of this proposed rulemaking is to provide nursing facilities and other interested persons with enforceable rules that the Department will use in exercising its authority to manage the enrollment and participation of nursing facilities as providers in the Medical Assistance (MA) Program. The proposed rulemaking amends existing provisions regarding nursing facility participation in Chapters 1187 and 1189.

The proposed rulemaking is needed to implement the act of June 30, 2007 (P.L. 49, No. 16) (Act 16). Act 16 requires the Department to propose regulations to establish the process and criteria for reviewing and responding to requests by nursing facilities to enroll in the MA Program or increase certified MA bed complements in a manner that is consistent with applicable Federal and State laws. Act 16 followed the Commonwealth Court's decision in *Eastwood Nursing and Rehabilitation Center v. Department of Public Welfare*, 910 A.2d 134 (2006). In *Eastwood*, the Court held that the Department's statement of policy published at 28 Pa.B. 138 (January 10, 1998) regarding its treatment of requests by facilities to increase MA beds was a "binding norm" and, therefore, unenforceable because it had not been promulgated in accordance with the act of July 31, 1968 (P.L. 769, No. 240) (45 P.S. §§ 1102—1208), known as the Commonwealth Documents Law (CDL).

The proposed rulemaking identifies the factors that the Department will use to evaluate bed requests and establishes a more transparent, standardized process for the submission of bed requests and bed transfer requests that is consistent with applicable Federal law. The proposed rulemaking also promotes a more balanced long-term living system in this Commonwealth. The overall goal of the proposed rulemaking is to serve the best interests of MA recipients by supporting the growth of home and community-based services (HCBS), which consumers prefer as a setting for long-term living services, while ensuring that MA recipients continue to have access to medically necessary nursing facility services.

Background

In response to *Eastwood Nursing and Rehabilitation Center v. Department of Public Welfare*, 910 A.2d 134 (2006), the General Assembly amended the code to require, as a condition of participation in the MA Program, that county and nonpublic nursing facilities seek and obtain advance written approval from the Department to enroll in the program or, if already enrolled, to increase existing certified bed complements. See section 1 of Act 16

and section 443.1(8) of the code. Pending the adoption of regulations or until September 30, 2011, Act 16 directs the Department to review pending and future requests for enrollment or expansion in accordance with the process and guidelines contained in the original 1998 statement of policy. Section 443.1(8) of the code authorizes the Department to amend the statement of policy, after soliciting public comments, if the Department determined changes to the statement of policy would "facilitate access to medically necessary nursing facility services or . . . assure that long-term living care and services under the MA Program will be provided in a manner consistent with applicable Federal and State law, including Title XIX of the Social Security Act." Finally, Act 16 requires the Department to propose regulations that would establish the process and criteria for responding to increases in MA-certified beds.

The Department published a proposed statement of policy at 38 Pa.B. 5974 (November 1, 2008) amending the 1998 statement of policy. The Department invited public comment on the proposed changes to the statement of policy. Written comments were received from four commentators. The Department published the final amended statement of policy and its responses to the public comments at 40 Pa.B. 1766 (April 3, 2010).

This proposed rulemaking will fulfill the final mandate of Act 16 by establishing regulations for the procedures and criteria that will apply to MA bed requests. The process established by the proposed rulemaking, defined as "participation review," will assure that the MA Program is administered in the best interest of MA recipients and in compliance with applicable Federal and State law.

Requirements

This proposed rulemaking will establish a process for nursing facilities to submit requests to the Department to enroll in the MA Program or expand their existing complement of MA beds. The 1998 statement of policy for nursing facility exception requests started from the general presumption that there was an adequate supply of nursing facility beds for MA recipients and that nursing facilities bore the burden of demonstrating that an increase should be permitted. The 1998 statement of policy suggested that facilities submitting requests for exceptions include information such as feasibility studies for the expansion project, whether the facility would take day-one MA recipients, the extent to which MA recipients and technology-dependent MA recipients have access to services in the area, the facility's record as a Medicaid and Medicare provider and whether there were alternatives such as increased HCBS to meet the demand for care. The final amended statement of policy published at 40 Pa.B. 1766 introduced measures to make the consideration of bed requests more efficient and transparent for the public, eliminated obsolete provisions that referred to the former Certificate of Need program and set procedures for the Department's review of requests to transfer beds between facilities.

The proposed rulemaking builds on the guidelines established in the final amended statement of policy and will institute the following requirements:

Bed transfer requests. The proposed rulemaking distinguishes between bed requests, in which a facility seeks to increase the overall number of beds in the MA Program by enrolling as a new MA provider or increasing their existing complement of MA-certified beds, and bed trans-

fer requests, in which one facility promises to decertify and close MA beds if the Department approves an increase in MA beds at another nearby facility. Section 1187.175 (relating to criteria for the approval of bed transfer requests) establishes an expedited review process and separate criteria for approval of bed transfer requests. These criteria will assure that transfers achieve neutrality in terms of MA recipient access to nursing facility care and the Department's costs. For example, under the proposed rulemaking, the facility receiving the additional beds must agree to maintain an MA day-one admission rate equal to or greater than the rate of the facility surrendering the beds or another rate agreed-to by the Department, and neither facility may benefit from an increase in reimbursement as a result of a change in its peer group. The proposed rulemaking will also assure that the bed transfer process is consistent with the Commonwealth's ongoing efforts to rebalance the long-term living system by noting that requests may be denied if there are alternatives to the transfer, such as an increase in HCBS. These requirements are necessary to ensure that the MA Program is administered in a manner consistent with Federal and State law and in the best interest of MA recipients.

Bed requests by a continuing care retirement community (CCRC). The proposed rulemaking defines a "closed-campus continuing care retirement community" as an entity that has a nursing facility component located on the same campus of its other CCRC living units and that only admits residents of the CCRC. The proposed rulemaking will also establish additional requirements that apply to bed requests submitted by a closed-campus CCRC. Under this proposed rulemaking, the CCRC must include in its application an overview of the entity's long-term living services; appropriate documentation from the Insurance Department; and copies of the entity's standard resident agreements, disclosure statement, and marketing materials. Section 1187.176 (relating to criteria for the approval of closed-campus CCRC bed requests) establishes the criteria for the approval of a bed request by a closed-campus CCRC. In addition, the proposed rulemaking will establish a number of the new requirements for this category of bed requests, such as assurances that the CCRC provides MA waiver services to its residents of independent living and that the growth of HCBS on campus rather than additional nursing facility beds is not a viable alternative. The proposed rulemaking will also prohibit approval of closed-campus CCRC bed requests where the ratio of independent living units to nursing facility beds is less than 17 to 1.

Other bed requests. Section 1187.177 (relating to criteria for the approval of bed requests other than bed transfer requests or closed-campus CCRC bed requests) identifies the criteria that the Department will use in its consideration of bed requests other than bed transfer requests and closed-campus CCRC bed requests. Under the proposed rulemaking, the Department will only approve requests if; (1) the requests contain the information required in § 1187.172(a) (relating to contents and submission of bed requests); (2) the additional MA beds are needed in the area to maintain or improve access to medically necessary nursing facility services; (3) the facility will serve MA day-one recipients, maintain a specified MA occupancy rate, employ welfare or MA recipients and the addition of beds will be economically feasible; and (4) there are no disqualifying circumstances regarding facility or owner compliance. The Department will determine whether there is a need for additional MA beds based on factors including the average annual

overall occupancy rates of providers in the primary service area or county and whether there are systemic barriers that prevent MA recipients from accessing existing MA beds. As described in § 1187.177(c), the Department will not approve a request if it determines that it would negatively affect the goal of rebalancing the long-term living system or that there are alternatives that would be less costly, more efficient or more appropriate, such as additional HCBS.

The participation review process. The proposed rulemaking will enhance the transparency of the MA bed approval process by establishing a standard set of data elements (availability of MA nursing facilities, availability of HCBS and demographic data) that the Department will consider for each request. Under § 1187.173 (relating to review and public process of bed requests), a "data book" compiled for each review period will be made available by the Department online. The Department will also post a list of bed requests that are under consideration on a semiannual basis and accept public comments. Each month, the Department will post a list of the bed transfer requests and closed-campus CCRC requests received the previous month and will also accept written public comments regarding these requests. These processes will bolster public understanding of the participation review process and provide additional resources for nursing facilities.

Affected Individuals and Organizations

This proposed rulemaking will affect nonpublic and county nursing facilities that currently participate in the MA Program or plan to enroll in the MA Program. MA recipients who choose to receive care in a nursing facility may also be affected.

Accomplishments and Benefits

The proposed rulemaking provides clear guidance to nursing facilities who seek to enroll in the MA Program or expand their current complement of MA beds. The proposed rulemaking gives nursing facilities notice of the standards that will be applied to these requests so that they can better plan their operations in the long-term. Both nursing facilities and the Department will benefit from the security of having enforceable standards that control the participation review process. MA recipients will benefit from the assurance that they will have adequate access to medically necessary nursing facility services. Finally, the proposed rulemaking also accomplishes the mandate of Act 16 by promulgating regulations to control the participation review process.

Fiscal Impact

No cost to the Commonwealth, local government, nursing facility providers or MA recipients is anticipated as a result of this proposed rulemaking.

Paperwork Requirements

This proposed rulemaking contains paperwork requirements for the Commonwealth and for nursing facilities who apply for enrollment in the MA Program or an expansion of their existing MA bed complement. There are no required forms associated with the proposed rulemaking. Each application submitted by a nursing facility to the Department must include the information listed in § 1187.172. The time required to comply with these requirements is estimated to be equivalent to that required to comply with the submission of exception requests under the existing statement of policy.

Effective Date

This proposed rulemaking will be effective upon final-publication in the *Pennsylvania Bulletin*.

Public Comment

Interested persons are invited to submit written comments, suggestions or objections regarding the proposed rulemaking to Yvette Sanchez-Roberts, Bureau of Policy & Strategic Planning, Department of Public Welfare/ Department of Aging, Office of Long-Term Living, 555 Walnut Street, Forum Place, 5th Floor, Harrisburg, PA 17101-1919, RA-PartReview@state.pa.us within 30 calendar days after the date of publication of this proposed rulemaking in the *Pennsylvania Bulletin*. Persons with a disability who require an auxiliary aid or service may submit comments by using the Pennsylvania AT&T Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Regulatory Review Act

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on October 22, 2010, the Department submitted a copy of this proposed rulemaking and a copy of a Regulatory Analysis Form to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House Committee on Health and Human Services and the Senate Committee on Public Health and Welfare. A copy of this material is available to the public upon request.

Under section 5(g) of the Regulatory Review Act, IRRC may convey any comments, recommendations or objections to the proposed rulemaking within 30 days of the close of the public comment period. The comments, recommendations or objections must specify the regulatory review criteria which have not been met. The Regulatory Review Act specifies detailed procedures for review, prior to final publication of the rulemaking, by the Department, the General Assembly and the Governor of comments, recommendations or objections raised.

GENERAL PROVISIONS

§ 1187.161. Applicability.

This subchapter applies to applicants as defined in § 1187.162 (relating to definitions).

§ 1187.162. Definitions.

The following words and terms, when used in this subchapter, have the following meanings, unless the context clearly indicates otherwise:

Applicant—A legal entity or a person authorized by and acting on behalf of a legal entity who submits a bed request to the Department.

Bed request—A request by an applicant for the Department's approval to increase the number of MA-certified beds in a subject facility that is a provider or a request by an applicant to increase the number of MA-certified beds in the MA Program by enrolling a subject facility as a new provider.

Bed transfer request—A bed request in which the following conditions apply:

(i) The applicant seeks the Department's approval to increase the number of MA-certified beds in a provider.

(ii) The applicant represents that, if the Department approves the request, at least the same number of MA-certified beds will be decertified and closed at a different provider.

(iii) The providers are located in the same county, or the driving distance between providers is no greater than 25 miles if both providers are in MSA Level A, as specified by the Federal Office of Management and Budget in the OMB Bulletin No. 99-04, or no greater than 50 miles in all other cases.

CCRC—Campus continuing care retirement community.

Closed-campus CCRC—An entity certified as a CCRC by the Insurance Department in accordance with the Continuing-Care Provider Registration and Disclosure Act (CCRC Act) (40 P. S. §§ 3201—3225) that meets the following conditions:

(i) The CCRC has a nursing facility component that is located on the same campus as the CCRC's independent living units and identified in the CCRC's Disclosure Statement and Resident Agreement under the CCRC Act.

(ii) The CCRC's nursing facility component only admits individuals who have completed both of the following:

(A) Paid the CCRC's entrance fee.

(B) Entered into an enforceable resident agreement with the CCRC that is effective for at least 30 days and

that provides the individual the right to occupy the CCRC's independent living units.

(iii) The CCRC does not market its nursing facility component directly to the general public.

Closed-campus CCRC bed request—A bed request submitted by a closed-campus CCRC in which the subject facility is the CCRC's nursing facility component.

Legal entity—One of the following:

(i) A person who is a licensee of a licensed nursing facility, as authorized by the Department of Health of the Commonwealth.

(ii) A person proposing to develop or construct a long-term care nursing facility as defined in Chapter 8 of the Health Care Facilities Act (35 P. S. §§ 448.801—448.821).

MA—Medical Assistance.

MA day-one admission rate—The quotient of the number of MA day-one recipients admitted to the subject facility during a fiscal year, divided by the total number of individuals admitted to the nursing facility during the same fiscal year.

MA day-one recipient—An individual who is eligible for nursing facility services under the MA Program or who becomes eligible for nursing facility services under the MA Program within 60 days of the date of the individual's admission to a nursing facility.

MA occupancy rate—The quotient of the total MA days of care reported in an MA cost report, divided by the total actual days of care reported in the same MA cost report.

Nonpublic nursing facility—A nursing facility other than a county nursing facility or a facility owned or operated by the State or Federal government.

Overall occupancy rate—The quotient of the total actual days of care reported in an MA cost report, divided by the total available days of care reported in the same MA cost report.

Owner—A person having an ownership or control interest, as defined in section 1124(a) of the Social Security Act (42 U.S.C.A. § 1320a-3(a)), in the subject facility.

Person—A natural person, corporation (including associations, joint stock companies and insurance companies), partnership, trust, estate, association, the Commonwealth, and any local government unit, authority and agency thereof.

Primary service area—One of the following:

(i) The county in which the subject facility is or will be physically located.

(ii) The geographic area from which the subject facility draws or is expected to draw at least 75% of its resident population, as determined by the Department.

Proposed project—Any one of the following:

(i) An increase in the number of licensed beds in a provider.

(ii) The construction of a new county or nonpublic nursing facility if there is an expectation that the facility will become a provider.

(iii) The enrollment of a county or nonpublic nursing facility as a provider.

Provider—A licensed county or nonpublic nursing facility that is certified and enrolled as a nursing facility provider in the MA Program.

Receiving provider—The provider identified in a bed transfer request which will increase the number of its MA-certified beds if the bed transfer request is approved. The receiving provider is the subject facility of the bed transfer request.

Related party—A person who is or would be identified as a related party in a subject facility's MA cost report if the person were to provide goods, services or property to the subject facility.

Specialized medical services—Services that require staffing with advance training and need-specific equipment, including services needed by an individual who has severe dementia or traumatic brain injury or who requires a respirator for survival, or who receives bed side hemodialysis. Specialized medical services are not routinely provided in general nursing facilities and do not include the services of a dedicated Alzheimer's unit or infection isolation wing, osteopathic treatment or similar services.

Subject facility—An existing or proposed county or nonpublic nursing facility identified on a bed request that will increase the number of its licensed nursing facility beds or enroll as a provider in the MA Program if the bed request is approved.

Surrendering provider—The provider identified on a bed transfer request which will decertify and close at least the same number of MA-certified beds as the receiving provider identified in the same bed transfer request, if the request is approved.

BED REQUESTS

§ 1187.171. Enrollment in the MA Program and expansion of existing providers.

(a) As a condition of participation in the MA Program, an applicant shall submit a bed request to the Department and obtain the Department's advance written approval before increasing the number of MA-certified beds in a subject facility that is a provider, or before applying for the enrollment of a subject facility as a new provider.

(b) As a condition of participation in the MA Program, an applicant shall submit its bed request to the Department prior to commencing a proposed project that involves the construction of a new nursing facility or an expansion of an existing nursing facility.

§ 1187.172. Contents and submission of bed requests.

(a) *Required contents.* An applicant's bed request must contain the following information:

(1) *Ownership information.*

(i) The applicant shall provide the name and address of each person who is any of the following:

(A) The applicant, and a description of the applicant's involvement in the proposed project.

(B) The legal entity of the subject facility.

(C) An owner of the subject facility.

(D) A related party involved in the proposed project and a description of the related party's involvement with the project.

(ii) For each person identified, the applicant shall specify whether:

(A) The person is a spouse, parent, child or sibling of another person identified.

(B) During the 3-year period preceding the bed request, the person is or was an owner of a nursing facility, whether or not located in this Commonwealth, and if so the name and address of each of the nursing facilities.

(2) *Project overview.*

(i) The applicant shall provide an overview of the proposed project which includes a description of the population and primary service area the applicant intends to serve.

(ii) The applicant shall include a narrative and supporting documentation addressing each criterion in §§ 1187.175—1187.177 (relating to criteria for the approval of bed transfer requests; criteria for the approval of a closed-campus CCRC bed requests; and criteria for the approval of bed requests other than bed transfer requests or closed-campus CCRC bed requests), as applicable, and indexed to the criterion being addressed.

(3) *Financial information.*

(i) The applicant shall provide a feasibility or market study and financial projections prepared for the project that identify the following:

(A) Project costs.

(B) Sources of project funds.

(C) Projected revenue sources by payor type.

(D) Specific assumptions used and expected occupancy rates by payor type.

(ii) The applicant shall provide independent audited or reviewed financial statements of the subject facility for the most recent year prior to the fiscal year in which the bed request is filed. If the financial statements are not available for the subject facility, the applicant shall provide independent audited or reviewed financial statements of the legal entity or parent corporation of the subject facility for the most recent year prior to the fiscal year in which the bed request is filed.

(4) *Compliance history.* For each person identified in the ownership information section of the bed request as specified under paragraph (1), an applicant shall specify whether or not any of the following applies, and, if so, the applicant shall attach copies of all documents relating to the applicable action, including notices, orders or sanction letters received from the Federal Centers for Medicare and Medicaid Services or any state Medicaid, survey or licensing agency:

(i) The person is currently precluded, or at any time during the 3-year period preceding the bed request, was precluded from participating in the Medicare Program or any State Medicaid Program.

(ii) The person is or, at any time during the 3-year period preceding the date of the bed request, was a party to, or the owner of a party to a corporate integrity agreement with the Department or the Federal government.

(iii) The person owned, operated or managed a nursing facility, including the subject facility, and, at any time during the 3-year period preceding the date of the bed request, one of the following applies:

(A) The facility was precluded from participating in the Medicare Program or any State Medicaid Program.

(B) The facility had its license to operate revoked or suspended.

(C) The facility was subject to the imposition of civil monetary penalties, sanctions or remedies for resident rights violations.

(D) The facility was subject to the imposition of remedies based on the failure to meet applicable Medicare and Medicaid Program participation requirements, and the facility's deficiencies were graded as immediate jeopardy to resident health and safety.

(E) The facility was designated a special focus facility by the Federal Centers for Medicare and Medicaid Services, indicating a poor performing facility.

(5) *Closed-campus CCRC bed request information.* In addition to the information specified in paragraphs (1)—(4), an applicant submitting a closed-campus CCRC bed request shall include the following information:

(i) An overview of the mission of the CCRC and the services offered by the CCRC, including the community-based services provided by the CCRC and the number of independent, personal care, and assisted living units available in which to provide those services.

(ii) A copy of the Certificate of Authority issued by the Insurance Department.

(iii) A copy of the CCRC's standard resident's agreement for each component of the CCRC's continuum.

(iv) A copy of the CCRC's disclosure statement.

(v) A copy of all marketing materials related to the CCRC.

(6) *Certification and authority.*

(i) A bed request shall be signed by the applicant.

(ii) The applicant shall certify that the representations made and the information provided in the bed request are true and correct to the best of the applicant's knowledge, information and belief.

(iii) If the applicant is a person other than the legal entity of the subject facility, the applicant shall certify that the applicant is authorized to submit the bed request on behalf of the legal entity and that the legal entity has reviewed and approved the contents of the bed request.

(b) *Optional information.* In addition to the required content specified under subsection (a), an applicant may include in its bed request whatever information the applicant feels is relevant to or supports its bed request.

(c) *Submission.* An applicant shall submit an original and two copies of its bed request to the Department.

§ 1187.173. Review and public process relating to bed requests.

(a) *Groups.* Except as specified in subsection (b), the Department will consider bed requests in two groups, as follows:

(1) Group one will consist of bed requests received January 1 through June 30. Subject to subsection (c), the Department will use its best efforts to issue decisions on group one by the following December 31.

(2) Group two will consist of bed requests received from July 1 through December 31. Subject to subsection (c), the Department will use its best efforts to issue decisions on group two by the following June 30.

(b) *Bed transfer requests.* The Department will consider bed transfer requests in the order in which they are received. Subject to subsection (c), the Department will issue decisions on those requests on an ongoing basis.

(c) *Expedited review.* If an applicant demonstrates to the satisfaction of the Department that good cause exists, the Department, within its sole discretion, may expedite its review and respond to a bed request before the target date; provided that the Department will not respond prior to the close of the applicable public comment period specified in subsection (d).

(d) *Public process.*

(1) *Data book.* The Department will compile and make available online a workbook for each review period containing the following:

(i) Data relating to the availability and cost of MA nursing facility services Statewide and by county.

(ii) Data relating to the availability and cost of home and community-based services Statewide and by county.

(iii) Commonwealth and county demographic data.

(2) *Publication of and public comment period for bed requests.* Following the close of each 6-month request period, the Department will post online a list of bed requests, other than bed transfer requests and closed-campus CCRC bed requests, included in the group under consideration. The Department will make copies of the requests in that group available for review by the public during regular business hours, and will accept written comments related to the requests in the group for a 30-day period following the date that the notice is posted online.

(i) The group one list will be posted online on or before July 31.

(ii) The group two list will be posted online on or before January 31.

(3) *Publication of and public comment period for bed transfer requests and closed-campus CCRC bed requests.* No later than 15 calendar days following the last day of each calendar month, the Department will post online a list of the bed transfer requests and closed-campus CCRC bed requests received by the Department during that calendar month. The Department will make copies of the requests listed for that calendar month available for review by the public during regular business hours, and will accept written comments related to the requests for a 15-calendar-day period following the date that the list is posted online.

§ 1187.174. Information and data relevant to bed requests.

In reviewing an applicant's bed request, the Department will consider the information provided by the applicant and any public comments received on the request. In addition, the Department may consider information contained in the Department's books and records or obtained from persons other than the applicant that is relevant to the applicant's bed request, including the following:

(1) Data relating to the overall occupancy rates of MA nursing facilities in the primary service area identified in the bed request, the county in which the subject facility is or will be located, and, in the case of a bed transfer request, the county in which the surrendering provider is located.

(2) Data relating to the MA day-one admission rates and the MA occupancy rates of MA nursing facilities in the primary service area identified in the bed request, the county in which the subject facility is or will be located, and, in the case of a bed transfer request, the county in which the surrendering provider is located.

(3) Data relating to the availability of home and community-based services in the primary service area identified in the bed request, the county in which the subject facility is or will be located, and, in the case of a bed transfer request, the county in which the surrendering provider is located.

(4) Data relating to the demographics of the primary service area identified in the bed request, the county in which the subject facility is or will be located, and, in the case of a bed transfer request, the county in which the surrendering provider is located.

(5) Data relating to admissions and discharges at MA nursing facilities in the primary service area identified in the bed request, the county in which the subject facility is or will be located, and, in the case of a bed transfer request, the county in which the surrendering provider is located.

(6) Data relating to the compliance history of the subject facility and the persons identified in the ownership information section of the bed request, as specified under § 1187.172(a)(1) (relating to contents and submission of bed requests).

(7) If the applicant is proposing to provide specialized medical services in the subject facility, data relating to the availability of those services in the primary service area identified in the bed request the county in which the subject facility is or will be located, and, in the case of a bed transfer request, the county in which the surrendering provider is located.

§ 1187.175. Criteria for the approval of bed transfer requests.

(a) Upon consideration of the information specified in § 1187.174 (relating to information and data relevant to bed requests), the Department may approve a bed transfer request only if the following are satisfied:

(1) The bed transfer request contains the information required in § 1187.172(a) (relating to contents and submission of bed requests).

(2) The receiving provider agrees to achieve and maintain an MA day-one admission rate that is equal to or greater than the surrendering provider's MA day-one admission rate or another MA day-one admission rate as may be agreed-to by the Department.

(3) The decrease in beds at the surrendering provider will not result in access barriers to nursing facility services for MA recipients.

(4) The increase in beds at the receiving provider will maintain or improve access to medically necessary nursing facility services for MA recipients.

(5) Neither provider will receive an increase in reimbursement as a result of a change in its peer group if the bed transfer request is approved.

(6) If the proposed bed transfer will result in a change in peer group assignments under this chapter for the surrendering or receiving facility, the change will not have a negative effect on the MA Program, on MA recipients or on other facilities which are members of the affected peer group.

(7) Approval of the bed transfer request will not result in increased costs to the MA Program.

(8) None of the circumstances specified in § 1187.172 (a)(4) applies.

(b) The Department may deny a bed transfer request even if the conditions specified in subsection (a) are satisfied if the Department determines one of the following:

(1) Approval of the request would negatively affect the Department's goal to rebalance the Commonwealth's publicly-funded long-term living system to create a fuller array of service options for MA recipients.

(2) There are alternatives to the transfer of beds, such as an increase in home and community-based services, that would be less costly, more efficient or more appropriate in assuring that long-term living care and services will be provided under the MA Program in a manner consistent with applicable Federal and State law.

§ 1187.176. Criteria for the approval of closed-campus CCRC bed requests.

(a) The Department may approve a closed-campus CCRC bed request only if the following are satisfied:

(1) The closed-campus CCRC bed request contains the information required in § 1187.172(a) (relating to contents and submissions of bed requests).

(2) The closed-campus CCRC shall be enrolled as an MA waiver provider and shall provide MA waiver services to its individuals residing in the CCRC's residential living units.

(3) The closed-campus CCRC shall have a written policy that allows individuals who are admitted to CCRC's independent living units to remain in their independent living unit and receive home and community-based services.

(4) The ratio of CCRC's independent living units to its nursing facility beds must be equal to or less than 17 independent living units to 1 nursing facility bed.

(5) The closed-campus CCRC and the legal entity of the subject facility of closed campus CCRC request shall agree in a form acceptable to the Department to close and decertify any additional MA-certified beds that are approved through this process if the CCRC no longer meets the definition of a closed-campus CCRC.

(6) None of the circumstances specified in § 1187.172(a)(4) applies.

(b) The Department may deny a closed-campus CCRC bed request even if the conditions specified in subsection (a) are satisfied if the Department determines one of the following:

(1) Approval of the request would negatively affect the Department's goal to rebalance the Commonwealth's publicly-funded long-term living system to create a fuller array of service options for MA recipients.

(2) There are alternatives to nursing facility beds such as an increase in home and community-based services, that would be less costly, more efficient or more appropriate in assuring that long-term living care and services will be provided under the MA Program in a manner consistent with applicable Federal and State law.

§ 1187.177. Criteria for the approval of bed requests other than bed transfer requests or closed-campus CCRC bed requests.

(a) The Department may approve a bed request, other than a bed transfer request or a closed-campus CCRC bed request, only if the following are satisfied:

(1) The bed request contains the information required in § 1187.172(a) (relating to contents and submission of bed requests).

(2) The additional MA-certified nursing facility beds are needed in the primary service area or the county in which the subject facility is located to maintain or improve MA recipients' access to medically necessary nursing facility services based on any of the following:

(i) The existing MA-certified bed capacity in the primary service or the county in which the subject facility is or will be located is insufficient to assure that MA recipients have access to medically necessary nursing facility services.

(ii) Systemic barriers prevent MA recipients from accessing the existing MA-certified bed capacity in the primary service or the county in which the subject facility is or will be located.

(iii) The applicant is proposing to admit and serve MA recipients who require specialized medical services in the subject facility and MA recipients do not have access to the specialized medical services in the existing MA-certified bed capacity in the primary service area or the county in which the subject facility is or will be located.

(3) The legal entity agrees, in a form acceptable to the Department, to the following:

(i) The subject facility will admit and serve MA day-one recipients.

(ii) The subject facility will maintain an MA occupancy rate that equals or exceeds the average MA occupancy rate of MA nursing facilities in the county in which the subject facility is or will be located or, in the case of a subject facility that is proposing to offer specialized medical services, the MA occupancy rate as may be agreed-to by the Department.

(iii) The construction and operation of the new or additional beds will be economically and financially feasible without the receipt of MA fixed property capital component payments, and it is not entitled to MA capital component payments for fixed property related to the new or additional beds.

(iv) The legal entity will employ welfare or MA recipients in its subject facility.

(4) None of the circumstances specified in § 1187.172(a)(4) applies.

(b) In determining whether a need for additional MA-certified beds exists under subsection (a), the following will apply:

(1) MA-certified bed capacity will be deemed sufficient if the average annual overall occupancy rates of providers in the primary service area and county in which the subject facility is or will be located is 95% or less, based on the most recent MA cost report data submitted by those providers.

(2) If the average annual overall occupancy rates of providers in the primary service area or county in which the subject facility is located exceeds 95%, based on the most recent MA cost report data submitted by those providers, the Department will consider the following information in assessing whether a need for additional MA-certified beds exists:

(i) The total number of MA-certified nursing facility beds in the primary service area.

(ii) The total number of licensed nursing facility beds in the primary service area.

(iii) The annual overall occupancy rates of providers in the primary service area based on the most recent MA cost report data submitted by those providers.

(iv) The annual actual bed days in the primary service area for the most recent 3-year period including the most recent cost report period, as submitted by nursing facility providers in the primary service area.

(3) No systemic barrier that prevents MA recipients from accessing MA-certified bed capacity will be deemed to exist if the average MA occupancy rate and the average MA day-one admission rate of providers in the primary service area and county in which the subject facility is or will be located are above the Statewide average rates or within one percentage point below the Statewide rates.

(c) The Department may deny a bed request even if the conditions specified in subsection (a) are satisfied if the Department determines one of the following:

(1) Approval of the request would negatively affect the Department's goal to rebalance the Commonwealth's publicly-funded long-term living system to create a fuller array of service options for MA recipients.

(2) There are alternatives to the bed request, such as an increase in home and community-based services, that would be less costly, more efficient or more appropriate in assuring that long-term living care and services will be provided under the MA Program in a manner consistent with applicable Federal and State law.

§ 1187.178. Time lines for completion of approved projects.

(a) If the Department approves a bed request, the approved project shall be completed in sufficient time so that the beds may be licensed, certified and available for occupancy within 3 years from the date of the Department's decision, or by another date as may be agreed to by the Department.

(b) The provider will make documentation available upon the Department's written request at any time and for so long as the nursing facility is an MA provider, as may be necessary to demonstrate compliance with the terms of the approved exception request.

DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT

Consolidated Plan Public Hearing Notice and Pennsylvania Housing Advisory Committee Meeting

The Department of Community and Economic Development (Department) is preparing the Commonwealth's Action Plan for Federal Fiscal Year (FFY) 2011 and the Program Year that begins January 1, 2011. The 2011 Action Plan is an update of the Commonwealth's Consolidated Plan for FFY 2009-2013. Both documents must be submitted to, and approved by, the United States Department of Housing and Urban Development (HUD) for the Commonwealth and organizations within this Commonwealth to receive funding under most HUD housing and community development programs. The Consolidated Plan creates a unified strategy for housing and community development programs, as well as the necessary linkages for building successful neighborhoods and communities.

The Commonwealth's 2009-2013 Consolidated Plan addresses how the Commonwealth intends to allocate funds under the following programs: Community Development Block Grant, HOME Investment Partnerships, Emergency Shelter Grant, Community and Housing Opportunities for People with AIDS and the Neighborhood Stabilization Program Grant.

Public Hearing

A public hearing will be conducted electronically by means of the Internet. The format will be more accessible than in an in-person meeting because those who wish to make a comment or discuss policy may participate directly from their personal computer or from a computer location at their public library on Tuesday, November 30, 2010. Access to the discussion by means of the Internet will occur between 9:30 a.m. and 11 a.m. This more widely available personal computer access will replace the usual public hearing.

Any individual or organization may give testimony or comments by means of the Internet. Comments will be accepted about topics related to community development, housing, the content of the Commonwealth's Action Plan for FFY 2011 and the process by which the public input is gathered. The Commonwealth encourages public participation in this process.

Persons who want to participate must register in advance. Contact Daniel Fox at (717) 720-7412 to receive registration instructions for the Internet meeting at least 24 hours prior to the meeting date. During the meeting, if support is required, call (717) 720-7401. The meeting will be shortened if no one testifies or if there is minimal response.

Persons with a disability who wish to participate in the public meeting should contact Daniel Fox, Department of Community and Economic Development, Commonwealth Keystone Building, 400 North Street, 4th Floor, Harrisburg, PA 17120-0225, (717) 720-7412 to discuss how the Department can accommodate their needs. Text telephone calls can be placed through the Pennsylvania

AT&T Relay Service at (800) 654-5984. Calls will be relayed to the Department's number listed previously.

Written Comments

Written testimony, in lieu of Internet testimony, must be submitted by 5 p.m., Monday, December 6, 2010. Submit comments to Daniel Fox, Department of Community and Economic Development, Center for Community Financing, 400 North Street, 4th Floor, Commonwealth Keystone Building, Harrisburg, PA 17120-0225.

Pennsylvania Housing Advisory Committee Meeting

The Commonwealth has a Pennsylvania Housing Advisory Committee (PHAC) comprised of appointed members. PHAC is responsible for reviewing Statewide housing, support services, needs and priorities as well as advising the Department in the preparation of the Commonwealth Consolidated Plan and the coordination of Federal, State and local resources to manage the implementation of this plan. A meeting of the PHAC will be held on Monday, December 13, 2010, at 10 a.m. in the Board Room of the Pennsylvania Housing Finance Agency located at 211 North Front Street, Harrisburg, PA 17105. Meetings of this committee are open to the public under 65 Pa.C.S. Chapter 7 (relating to the Sunshine Act).

Anyone who wants to participate in the PHAC meeting must register in advance. Contact Dan Fox at (717) 720-7412 to receive registration instructions at least 24 hours prior to the meeting date. During the meeting, if support is required, call (717) 720-7412.

Persons with a disability who wish to participate in the PHAC meeting should contact Daniel Fox, Department of Community and Economic Development, Commonwealth Keystone Building, 400 North Street, 4th Floor, Harrisburg, PA 17120-0225, (717) 720-7412 to discuss how the Department can accommodate their needs.

Purpose

The Commonwealth's Plan is the annual update to the 5-Year Consolidated Plan for FFY 2009-2013. This Action Plan will describe how the programs will be administered in 2011. HUD must approve this Plan for the Commonwealth and organizations within this Commonwealth to receive funding under most HUD housing and community development programs. Applicants for funding from Federal housing programs must obtain certification describing that their proposed use of HUD assistance will be consistent with the applicable Plan for the area. The Consolidated Plan creates a unified strategy for housing and community development programs, as well as the necessary linkages for building successful neighborhoods and communities.

The Plan will have a major impact on the type, location and number of affordable housing units generated and preserved in this Commonwealth, as well as the infrastructure and public facilities, services and other economic development initiatives that communities in this Commonwealth will undertake.

Content

The Consolidated Plan for FFY 2009-2013 will be updated through this document. There are no significant changes included in the document for 2011. In addition, the Commonwealth will update its action steps to address impediments to fair housing.

Public Review

The Consolidated Plan is available on the Internet or in hard copy for public comment November 5, 2010, through December 10, 2010, at the following locations:

1. County offices, the Department's regional offices, and 27 district libraries; in this Commonwealth, call (717) 720-7412 for the locations.

2. Audiocassette copies of the Consolidated Plan can be obtained by contacting the Tri-County Branch of the Pennsylvania Association for the Blind—Harrisburg Area Radio Reading Services at (717) 238-2531.

3. The Draft Action Plan 2011 can be viewed on the Internet at <http://www.newpa.com/strengthen-your-community/technical-assistance/index.aspx>. The final plan will be made available again at these same locations following HUD approval.

Applications, Actions and Special Notices

APPLICATIONS

THE CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

APPLICATIONS FOR NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS AND WATER QUALITY MANAGEMENT (WQM) PERMITS

This notice provides information about persons who have applied for a new, amended or renewed NPDES or WQM permit, a permit waiver for certain stormwater discharges or submitted a Notice of Intent (NOI) for coverage under a General Permit. The applications concern, but are not limited to, discharges regarding industrial, animal or sewage waste, discharges to groundwater, discharges associated with municipal separate storm sewer systems (MS4), stormwater associated with construction activities or concentrated animal feeding operations (CAFO). This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing The Clean Streams Law (35 P. S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

<i>Location</i>	<i>Permit Authority</i>	<i>Application Type or Category</i>
Section I	NPDES	Renewals
Section II	NPDES	New or Amendment
Section III	WQM	Industrial, Sewage or Animal Waste; Discharge into Groundwater
Section IV	NPDES	MS4 Individual Permit
Section V	NPDES	MS4 Permit Waiver
Section VI	NPDES	Individual Permit Stormwater Construction
Section VII	NPDES	NOI for Coverage under NPDES General Permits

For NPDES renewal applications in Section I, the Department of Environmental Protection (Department) has made a tentative determination to reissue these permits for 5 years subject to effluent limitations and monitoring and reporting requirements in their current permits, with appropriate and necessary updated requirements to reflect new and changed regulations and other requirements.

For applications for new NPDES permits and renewal applications with major changes in Section II, as well as applications for MS4 Individual Permits and Individual Stormwater Construction Permits in Sections IV and VI, the Department, based upon preliminary reviews, has made tentative determinations of proposed effluent limitations and other terms and conditions for the permit applications. These determinations are published as proposed actions for comments prior to taking final actions.

Unless indicated otherwise, the United States Environmental Protection Agency (EPA) Region III Administrator has waived the right to review or object to proposed NPDES permit actions under the waiver provision in 40 CFR 123.24(d).

Persons wishing to comment on NPDES applications are invited to submit statements to the contact office noted before the application within 30 days from the date of this public notice. Persons wishing to comment on WQM permit applications are invited to submit statements to the office noted before the application within 15 days from the date of this public notice. Comments received within the respective comment periods will be considered in the final determinations regarding the applications. A comment submittal should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests for public hearings on applications. A public hearing may be held if the responsible office considers the public response significant. If a hearing is scheduled, a notice of the hearing will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. The Department will postpone its final determination until after a public hearing is held.

Persons with a disability who require an auxiliary aid, service, including TDD users, or other accommodations to seek additional information should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

* This permit contains conditions which authorize the permittee to apply nutrient reduction credits to meet the Net Total Nitrogen and the Net Total Phosphorus effluent mass limits, under the Department's Trading of Nutrients and Sediment Reduction Credits Policy and Guidelines (Document #392-0900-001, December 30, 2006). The condition includes the requirement to report the application of these credits in Supplemental Discharge Monitoring Reports (DMRs) submitted to the Department.

* The compliance date for Net Total Nitrogen and Net Total Phosphorus will begin on October 1, 2010. Since these reporting requirements are annual loads, the reporting on compliance with the annual limitations will be required to be reported on the Supplemental DMR - Annual Nutrient Summary by November 28, 2011. This facility is required to monitor and report for Net Total Nitrogen and Net Total Phosphorus from the effective date of the permit until September 30, 2010.

** Total Annual Ammonia Load will be required to be reported on the Supplemental DMR - Annual Nutrient Summary by November 28, 2011.

VII. List of NOIs for NPDES and/or Other General Permit Types

PAG-12	CAFOs
PAG-13	Stormwater Discharges from MS4

**STATE CONSERVATION COMMISSION
NUTRIENT MANAGEMENT PLANS RELATED TO APPLICATIONS FOR NPDES PERMITS FOR CAFOs**

The State Conservation Commission has taken the following actions on previously received applications for nutrient management plans under 3 Pa.C.S. Chapter 5, for agricultural operations that have or anticipate submitting applications for new, amended or renewed NPDES permits or NOIs for coverage under a general permit for CAFOs under 25 Pa. Code Chapter 92a. This notice is provided in accordance with 25 Pa. Code Chapter 92a and 40 CFR Part 122, implementing The Clean Streams Law and the Federal Clean Water Act.

Persons aggrieved by an action may appeal under 3 Pa.C.S. § 517, section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to Administrative Agency Law) to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users should contact the Environmental Hearing Board (Board) through the Pennsylvania AT&T Relay Service at (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary of the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge actions, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for pro bono representation. Call the Secretary of the Board at (717) 787-3483 for more information.

PUBLIC WATER SUPPLY (PWS) PERMITS

Under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17), the following parties have applied for PWS permits to construct or substantially modify public water systems.

Persons wishing to comment on permit applications are invited to submit statements to the office listed before the application within 30 days of this public notice. Comments received within this 30-day comment period will be considered in the formulation of the final determinations regarding an application. A comment should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held after consideration of comments received during the 30-day public comment period.

Following the comment period, the Department will make a final determination regarding the proposed permit. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The permit application and related documents are on file at the office listed before the application and available

for public review. Arrangements for inspection and copying information should be made with the office listed before the application.

Persons with a disability that require an auxiliary aid service or other accommodations to participate during the 30-day public comment period should contact the office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 1

Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.907)

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P. S. §§ 6026.302—6026.305) require the Department to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. A person intending to use the background standard, Statewide health standard, the site-specific standard or intend to remediate a site as a special industrial area shall file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of cleanup standards or receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the following site, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation.

tion and reuse plans for the site if the request is made within 30 days of the date specified as follows. During this comment period, the municipality may request that the person identified as the remediator of the site develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office listed before the notice. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

NEW SOURCES AND MODIFICATIONS

The Department has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to

make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department received applications for Plan Approvals or Operating Permits from the following facilities.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the regional office listed before the applications. Persons interested in reviewing the application files should contact the appropriate regional office to schedule appointments.

Persons wishing to receive a copy of a proposed Plan Approval or Operating Permit shall indicate interests to the Department regional office within 30 days of the date of this notice and shall file protests or comments on a proposed Plan Approval or Operating Permit within 30 days of the Department providing a copy of the proposed documents to persons or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that hearings be held concerning a proposed Plan Approval or Operating Permit. A comment or protest filed with the Department regional office shall include a concise statement of the objections to the issuance of the Plan Approval or Operating Permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the regional office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121—143, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

PLAN APPROVALS

Plan Approval Applications Received under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter B that may have special public interest. These applications are in review and no decision on disposition has been reached.

15-0035A: Sabic Innovative Plastics (251 South Bailey Road, Thorndale, PA 19372) for replacement of a burn-off oven at an existing facility in Caln Township, **Chester County**. The proposed source is used to burn plastic resins off of the metal screws used for extruding plastic resins. Some of the plastic resins contain some halogens and emit less than 1 ton per year of hazardous air pollutants. The proposed burn-off oven may increase nitrogen oxide emissions by 1.53 tons per year and volatile organic compounds by 4.34 tons per year.

67-05092F: Starbucks Coffee Co. (3000 Espresso Way, York, PA 17406) for installation of an improved emissions control system for the green coffee bean cleaning system at their coffee roasting plant in East Manchester Township, **York County**.

In accordance with 25 Pa. Code §§ 127.44(a) and 127.45(a), the Department of Environmental Protection (DEP) has received an application and intends to issue a Plan Approval to the abovementioned company for the abovementioned project. This plan approval may be incorporated into the company's facility-wide permit via an administrative amendment at a later date.

Plan Approval 67-05092F authorizes the installation of a cartridge filter to replace the baghouse which now controls emissions from the green coffee bean cleaning system. The cartridge filter will reduce potential particulate matter emissions from the facility by an estimated 3.4 tons per year. The Plan Approval and Operating Permit will include emission limits and work practice standards along with monitoring, recordkeeping and reporting requirements to ensure the facility complies with the applicable air quality regulations.

Copies of the application, DEP's analysis and other documents used in the evaluation of the application are available for public review during normal business hours at PA DEP Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110.

A person may oppose the proposed plan approval, or may provide the Department with additional information to consider in its review, by filing a written protest with the Department at the address listed above. Each written comment must contain the following:

- Name, address and telephone number of the person submitting the comments.
- Identification of the proposed permit by the permit number listed above.
- A concise statement regarding the relevancy of the information or objections to the issuance of the permit.

A 30-day comment period, from the date of publication of this notice in the *PA Bulletin*, will exist for the submission of comments or protests.

Daniel C. Husted, Chief, West Permitting Section may be contacted at 717-705-4863, or at PA DEP Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110, for additional information or for the submission of comments or protests.

Plan approvals issues to sources identified in 25 Pa. Code Section 127.44(b)(1)—(4) or plan approvals issued to sources with limitations on the potential to emit may become part of the SIP, and will be submitted to EPA for review and approval.

22-03004A: H.B. Reese Candy Co. (925 Reese Avenue, Hershey, PA 17033) for an upgrade to the non-fat dry milk powder storage and control area at their chocolate candy manufacturing facility in Derry Township, **Dauphin County**.

The proposed modification has the potential (w/controls) to increase facility emissions of PM10 by 0.38 tpy. The actual air emissions increase from the proposed project is expected to be negligible since the applicant will be upgrading the existing aforementioned system (i.e., replacing old control with new control).

The plan approval and subsequently amended facility-wide operating permit will contain additional recordkeeping and operating restrictions designed to keep the facility operating within all applicable air quality requirements.

In accordance with 25 Pa. Code §§ 127.44(a) and 127.45(a), the Department of Environmental Protection (DEP) has received and intends to issue a Plan Approval to the abovementioned company for the abovementioned project. This plan approval may be incorporated into the company's facility-wide permit via an administrative amendment at a later date.

Copies of the application, DEP's analysis and other documents used in the evaluation of the application are available for public review during normal business hours at PA DEP Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110.

A person may oppose the proposed plan approval, or may provide the Department with additional information to consider in its review, by filing a written protest with the Department at the address listed above. Each written comment must contain the following:

PA-30-00150A: Wellington Development—WVDT, LLC. (1620 Locust Avenue, Fairmont, WV, 26554) for installation of two (2) waste coal fired, circulating fluidized bed boilers (CFBs) with a net generating capacity of 525 megawatts by Wellington Development - WVDT, LLC to be at the Greene Energy site in Cumberland Township, **Greene County**.

Under 25 Pa. Code, Section 127.44(a), 127.45 and 127.48 that the Pennsylvania Department of Environmental Protection (DEP) will hold public meeting and hearing on December 7, 2010 at United Mine Workers Hall located at Pershing Boulevard, Nemaquin PA, 15351. The meeting will start at 6:00 p.m., and the hearing will start at 7:00 p.m.

The purpose of the meeting and hearing is to answer questions and take testimony concerning Wellington Development—WVDT, LLC's (Wellington's) application to extend and modify Plan Approval PA-30-00150A. The Department intends to approve Wellington's requests by extending the Plan Approval for 5 years, and by modifying Conditions 3.d)(3), Condition 4.a) and b), and Condition 5.a). Condition 3.d)(3) shall be changed to use language found at 40 CFR Section 52.21(b)(9)(i). Condition 4.a) and b) shall be changed to limit emissions of hazardous air pollutants (HAPs) from the facility to be below minor source thresholds. Condition 5.a) shall be changed to require additional testing for HAPs.

PA-30-00150A was originally issued to authorize the installation of two waste coal fired, circulating fluidized bed boilers (CFBs) with a net generating capacity of 525 megawatts by Wellington Development—WVDT, LLC to be located at the Greene Energy site in Cumberland Township, Greene County. Other air emission sources at the facility include material handling operations for fuel, ash, urea, lime and limestone, as well as limestone dryers, a natural gas-fired auxiliary boiler, a cooling tower, and emergency diesel engines. Control technology for each CFB will be a spray dryer absorber or flash dryer for SO₂ and acid gas control (as BACT and BAT), a fabric collector for particulate control (as BAT), and selective non-catalytic reduction (SNCR) for NO_x control (as LAER and BACT). Best available technology for other sources will be the control of emissions through inherent low-emitting designs, baghouses, or good operating practices.

This installation will result in facility emissions of less than 3,767 tons of SO₂, 1,950 tons of NO_x, 4,865 tons of CO, 125 tons of VOC, 290 tons of particulate matter, 290 tons of PM10 each year, 10 tons per year of a single HAP, and 25 tons per year of all HAPs combined. The original application was reviewed in accordance with Prevention of Significant Deterioration and Non-Attainment New Source Review requirements. Site is subject to State and Federal requirements, including 40 CFR 60 Subparts Da, Y, and OOO. To comply with these requirements, the Plan Approval contains conditions relating to emission limitations, testing, work practices, monitoring, recordkeeping and reporting. Condition 3.d)(3), Condition 4.a) and b), and Condition 5.a) are being modified under this authorization.

For the original approval, the use of an alternate air modeling program, AERMOD, was approved by the Department. The modeling indicated the following impacts, which were evaluated and subject to public comment as part of the earlier Plan Approval:

Pollutant	Averaging Period	Modeling Results				NAAQS Analysis

For the original approval, the ambient air quality program CALPUFF was used to model effects of emissions on Prevention of Significant Deterioration (PSD) Class I area. Based on modeling information provided by the applicant, the degree of increment consumption attributable to the facility, which was evaluated and subject to public comment as part of the earlier Plan Approval, is as follows:

Class I Area	Date of Impact	PSD Increments ($\mu\text{g}/\text{m}^3$)	24-Hour SO ₂ Cumulative Concentration ($\mu\text{g}/\text{m}^3$)	Significant Impact Level ($\mu\text{g}/\text{m}^3$)	24-Hour SO ₂ Greene Energy Concentration ($\mu\text{g}/\text{m}^3$)
James River Face	12/14/1996	5	1.0	0.2	0.4
James River Face	11/22/1996	5	0.7	0.2	0.3

* Additional modeling showed that WVDT emissions did not have not a significantly impact at receptors above the NAAQS.

Those wishing to present oral testimony during the hearing should contact Community Relations Coordinator Katherine Gresh, at (412) 442-4000, before December 7, 2010 to register. Commentators should provide three written copies of their remarks to aid in transcription. Each commenter's oral testimony shall be limited to 10 minutes.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodations to do so should contact Katherine Gresh or the Pennsylvania AT&T Relay Service at 1 (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs.

In accordance with PA Code Title 25 § 127.49, a 10-day comment period, from the date of the public hearing, will exist for the submission of comments or written protests. A person may oppose the proposed plan approval extension and modification by filing a written protest with the Department. Each written submittal must contain the following:

- Name, address, and telephone number of the person submitting the comments.
- Identification of the proposed Plan Approval (specify the Plan Approval number).
- Concise statements regarding the relevancy of the information or objections to issuance of the Plan Approval. Written comments should be directed to:

The initial permit was issued on July 19, 1999. The facility is a gasoline and fuel oil distribution station. As a result of potential emissions of VOCs, the facility is a major stationary source as defined in Title I, Part D of the

Clean Air Act Amendments, and is therefore subject to the Title V permitting requirements adopted in 25 Pa Code Chapter 127, Subchapter G. The facility is subject to CAM (40 CFR Part 64) at this time. The facility is subject to 40 CFR 63 Subpart BBBBBB with a compliance date of January 10, 2011. The renewal contains all applicable requirements including monitoring, recordkeeping and reporting.

PA-30-00150A: Wellington Development—WVDT, LLC. (1620 Locust Avenue, Fairmont, WV, 26554) to authorize the installation of two waste coal fired, circulating fluidized bed boilers (CFBs) with a net generating capacity of 525 megawatts by Wellington Development - WVDT, LLC to be located at the Greene Energy site in Cumberland Township, **Greene County**.

Under 25 Pa. Code, Section 127.44(a), 127.45 and 127.48 that the Pennsylvania Department of Environmental Protection (DEP) will hold public meeting and hearing on December 7, 2010 at United Mine Workers Hall located at Pershing Boulevard, Nemaquin PA, 15351. The meeting will start at 6:00 p.m., and the hearing will start at 7:00 p.m.

The purpose of the meeting and hearing is to answer questions and take testimony concerning Wellington Development—WVDT, LLC's (Wellington's) application to extend and modify Plan Approval PA-30-00150A. The Department intends to approve Wellington's requests by extending the Plan Approval for 5 years, and by modifying Conditions 3.d(3), Condition 4.a) and b), and Condition 5.a). Condition 3.d(3) shall be changed to use language found at 40 CFR Section 52.21(b)(9)(i). Condition 4.a) and b) shall be changed to limit emissions of hazardous air pollutants (HAPs) from the facility to be below minor source thresholds. Condition 5.a) shall be changed to require additional testing for HAPs.

PA-30-00150A was originally issued to authorize the installation of two waste coal fired, circulating fluidized bed boilers (CFBs) with a net generating capacity of 525 megawatts by Wellington Development—WVDT, LLC to be located at the Greene Energy site in Cumberland Township, **Greene County**. 45-318-033: Tobyhanna Army Depot (11 Hap Arnold Boulevard, Tobyhanna, PA 18466) for installation and

operation of a conveyerized liquid paint line (CLPL) at their facility in Coolbaugh Township, **Monroe County**.

In accordance with 25 Pa. Code §§ 127.44(a) and 127.45(a), the Department of Environmental Protection (DEP) has received and intends to issue a Plan Approval to Tobyhanna Army Depot (11 Hap Arnold Blvd. Tobyhanna, PA 18466) for their facility located in Coolbaugh Twp, Monroe County. This Plan Approval No. 45-318-033 will be incorporated into their company's Synthetic Minor Permit #45-00004 through an administrative amendment at a later date.

Plan Approval No. 45-318-033 is for installation and operation of a conveyerized liquid paint line (CLPL) at their facility located in Coolbaugh Township, Monroe County. Presently Tobyhanna Army Depot operates Source ID101, also known as the Industrial Operations Facility (IOF), consisting of eight (8) Spray Paint Booths, each of which has its own drying oven. These booths are used for prime coating and top coating spray paint activities. By this application, the TYAD has proposed to construct a new conveyerized liquid paint line (CLPL). The proposed CLPL will be comprised of two (2) primer spray booths, a primer cure oven, two (2) top coat spray booths, a top coat drying oven, and a chain driven conveyor to sequence parts through these components. The CLPL will handle the current workload of small parts more efficiently. Large parts would continue to be handled in the existing eight (8) spray booths. Actual workload is expected to remain unchanged, so there will be no net increase in overall annual production activities, and no net increase in air emissions from the facility as a result of this modification to the IOF source. The TYAD will use high volumes low-pressure (HVLP) spray system to spray the paint inside each booth manually. All paints and coatings are code-compliant with the VOC limits of § 129.52, Table I, Category 10 (f) for Extreme Performance Coatings. TYAD will maintain actual VOC emissions from the facility below 49.9 TPY on a 12 month rolling sum basis. VOC emissions from the source ID 101 will be less than 20 tpy on a 12 month rolling sum basis after modification. The company will operate the facility and maintain the sources in accordance with the good engineering practices to assure proper operation of sources. The Plan Approval and Operating permit will contain additional recordkeeping and operating restrictions designed to keep the facility operating within all applicable air quality requirements.

Copies of the application, DEP's analysis and other documents used in the evaluation of the application are available for public review during normal business hours at Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711.

Any person(s) wishing to provide DEP with additional information, which they believe should be considered prior to the issuance of this permit, may submit the information to the address shown in the preceding paragraph. Each written comment must contain the following:

Name, address and telephone number of the person submitting the comments.

Identification of the proposed permit No. 45-318-033

A concise statement regarding the relevancy of the information or objections to the issuance of the permit.

A public hearing may be held, if the Department, in its discretion, decides that such a hearing is warranted based on the comments received. All persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspa-

per or the *Pennsylvania Bulletin* or by telephone, where DEP determines such notification is sufficient. Written comments or requests for a public hearing should be directed to Ray Kempa, Chief, New Source Review Section, Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711, Phone # 570-826-2511 within 30 days after publication date.

COAL AND NONCOAL MINING ACTIVITY APPLICATIONS

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law; the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); and The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.20a). Mining activity permits issued in response to applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4014); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1002).

The following permit applications to conduct mining activities have been received by the Department. A copy of an application is available for inspection at the district mining office indicated before each application. Notices of requests for 401 Water Quality Certifications are included in individual application notices, as noted.

Written comments or objections, or requests for an informal conference or a public hearing, as applicable, on a mining permit application may be submitted by a person or an officer or head of Federal, state or local government agency or authority to the Department at the address of the district mining office indicated before each application within 30 days of this publication or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34.

Written comments or objections regarding a mining permit application should contain the name, address and telephone number of the person submitting comments or objections, the application number and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based.

A request for an informal conference or a public hearing, as applicable, on a mining permit application, as provided by 25 Pa. Code § 77.123 or § 86.34, must contain the name, address and telephone number of the requestor; the application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

When an NPDES number is listed, the mining activity permit application was accompanied by an application for an individual NPDES permit. The Department has made a tentative determination to issue the NPDES permit in conjunction with the mining activity permit, but the issuance of the NPDES permit is contingent upon the approval of the associated mining activity permit.

For coal mining activities, NPDES permits, when issued, will contain effluent limits that do not exceed the technology-based effluent limitations. The proposed limits are listed in Table 1.

For noncoal mining activities, the proposed limits are in Table 2. Discharges from noncoal mines located in some geologic settings (for example, in coal fields) may require additional effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters. The limits will be in the ranges specified in Table 1.

More restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining that may occur will be incorporated into an NPDES permit when necessary for compliance with water quality standards and antidegradation requirements (in accordance with 25 Pa. Code Chapters 91—96).

The procedures for determining the final effluent limits, using a mass-balance equation or model, are in Technical Guidance Document 362-0600-001, NPDES Program Implementation-Memorandum of Understanding (MOU) Concerning Water Quality Management, NPDES Program Implementation, and Related Matters. Other specific factors to be considered include public comments and Total Maximum Daily Loads.

Persons wishing to comment on NPDES permit applications should submit statements to the Department at the address of the district mining office indicated before each application within 30 days of this public notice. Comments received within the comment period will be consid-

ered in the final determinations regarding the NPDES permit applications. A comment must include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests or petitions for a public hearing on NPDES permit applications as provided in 25 Pa. Code § 92.61. The request or petition for a public hearing shall be filed within 30 days of this public notice and contain the name, address, telephone number and the interest of the party filing the request and state the reasons why a hearing is warranted. A public hearing may be held if the Department considers the public interest significant. If a hearing is scheduled, a notice of the hearing on the NPDES permit application will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. When a public hearing is held, the Department will consider comments from the public hearing in the final determination on the NPDES permit application.

Coal Applications Received

Effluent Limits—The following range of effluent limits will apply to NPDES permits issued in conjunction with the associated coal mining activity permit and, in some cases, noncoal mining permits:

Parameter	30-Day Average	Daily Maximum	Instantaneous Maximum
Iron (total)	1.5 to 3.0 mg/l	3.0 to 6.0 mg/l	3.5 to 7.0 mg/l
Manganese (total)	1.0 to 2.0 mg/l	2.0 to 4.0 mg/l	2.5 to 5.0 mg/l
Suspended solids	10 to 35 mg/l	20 to 70 mg/l	25 to 90 mg/l
Aluminum (Total)	0.75 to 2.0 mg/l	1.5 to 4.0 mg/l	2.0 to 5.0 mg/l
pH ¹		greater than 6.0; less than 9.0	
Alkalinity greater than acidity ¹			

¹ The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applied to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; and mined areas backfilled and revegetated; and drainage (resulting from a precipitation event of less than or equal to a 1-year 24-hour event) from coal refuse disposal piles.

Application received: October 15, 2010.

Noncoal Applications Received

Effluent Limits—The following effluent limits will apply to NPDES permits issued in conjunction with a noncoal mining permit:

Parameter	Table 2		
	30-day Average	Daily Maximum	Instantaneous Maximum
Suspended solids	10 to 35 mg/l	20 to 70 mg/l	25 to 90 mg/l
Alkalinity exceeding acidity* pH*		greater than 6.0; less than 9.0	

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applied to surface runoff resulting from a precipitation event of less than or equal to a 10-year 24-hour event. If coal will be extracted incidental to the extraction of noncoal minerals, at a minimum, the technology-based effluent limitations identified under coal applications will apply to discharges of wastewater to streams.

FEDERAL WATER POLLUTION CONTROL ACT, SECTION 401

The following permit applications, requests for Environmental Assessment approval and requests for 401 Water Quality Certification have been received by the Department. Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341) requires the Commonwealth to certify that the involved projects will not violate the sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) as well as relevant State requirements. Persons objecting to approval of a request for certification under section 401 of the FWPCA, the issuance of a Dam Permit or Water Obstruction and Encroachment Permit or the approval of an Environmental Assessment shall submit comments, suggestions or objections within 30 days of the date of this notice as well as any questions to the office noted before an application. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed and a concise statement of comments, objections or suggestions including the relevant facts upon which they are based.

The Department may conduct a fact-finding hearing or an informal conference in response to comments if deemed necessary. Each individual will be notified, in writing, of the time and place of a scheduled hearing or conference concerning the certification request to which the comment, objection or suggestion relates. Maps, drawings and other data pertinent to the certification request are available for inspection between 8 a.m. and 4 p.m. on working days at the office noted before the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Applications Received under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and Requests for Certification under section 401(a) of the FWPCA.

WATER OBSTRUCTIONS AND ENCROACHMENTS

Southeast Region: Watershed Management Program Manager, 2 East Main Street, Norristown, PA 19401

E23-488. Eastern Metal Recycling Terminal LLC, 1500 S. 6th Street, P. O. Box 496, Camden, NJ 08104, Eddystone Borough, **Delaware County**, ACOE Philadelphia District.

To construct and maintain four stormwater outfall structures, which vary between 38-inches to 48-inches in diameter in and along the Delaware River associated with the redevelopment of the former Foamex site.

The site is located near the intersection of Saville Avenue and 2nd Street. (Bridgeport, NJ-PA USGS Quadrangle N: 3.75 inches; W: 1.75 inches.

E23-487. County of Delaware, 201 W. Front Street, Media, PA 19063, Middletown and Aston Townships, **Delaware County**, ACOE Philadelphia District.

To perform the following water obstruction and encroachment activities across/along 100-year floodplain of Chester Creek associated with the proposed 10-foot wide, 14,600-foot long paved trail on existing railroad tracks, impacting approximately 0.01 acre of wetlands:

1. To removal the existing rails, ties and ballasts.
2. To construct and maintain a 10-foot wide paved trail.
3. To place and maintain rip-rap associated with stabilization of inlets, and outlets.
4. To maintain the three existing box culverts.
5. To maintain the five existing bridges.
6. To replace, and maintain seven existing culverts.
7. To replace, and maintain existing Timber bridge.
8. To restore/stabilize and maintain approximately a 700-ft. section of the Chester Creek streambank between station 314+00 and 321+00.

The site is located approximately between Chester Creek Road—Station 199+00 and Lenni Road—Station 345+00. (Media, PA USGS Quadrangle, N: 3.00 inches; W: 8.00 inches).

E09-949- Pennsylvania Department of Transport, District 6; 7000 Geerdes Blvd, Tincum Township, **Bucks County**. ACOE Philadelphia District

To perform the following water obstruction and encroachment activities across Tincum Creek (EV) associated with Geigel Hill Road bridge replacement and minor approach roadway modification Project:

1. To construct and maintain a single 53'-10" span, thru-girder bridge, and associated rip-rap. The maximum underclearance of the proposed bridge is approximately 8.5 feet.

2. To construct and maintain a temporary cofferdam associated with construction of the proposed bridge.

The project site is located approximately 353 feet south of the intersection of Geigel Hill Road (S.R. 1014) and Sheep Hole Road (T-420), in Tincum Township, Bucks County. (Bedminster, PA USGS Quadrangle N: 19.17 inches; W: 3.03 inches).

E15-808- Pennsylvania Department of Transport, District 6; 7000 Geerdes Blvd, Warwick Township, **Chester County**. ACOE Philadelphia District

Harmonyville Road over Pine Creek, SR4018 bridge replacement Project

To perform the following water obstruction and encroachment activities across Pine Creek associated with Harmonyville Road bridge replacement and approach roadway modification Project:

1. To remove the existing single span bridge, and to construct and maintain, in its place, a single 31'-6" span, concrete box Beam Bridge, and associated rip-rap. The underclearance of the proposed bridge is approximately 6.21 feet.

2. To construct and maintain a temporary cofferdam associated with removal of the existing bridge.

The project site is located approximately 3,636 feet northeast of the intersection of Harmonyville Road (S.R. 4018) and Swamp Road (SR 345) in Warwick Township, Chester County. (Elverson, PA USGS Quadrangle N: 11.40 inches; W: 3.34 inches).

E50-248: Shermans Valley Mennonite Church, Michael Wise, 1997 Airport Road, Loysville, PA 17047, ACOE Baltimore District

To construct and maintain a 30.0-foot long by 20.0-foot wide by 5.0-foot high open bottom concrete box culvert in an unnamed tributary to Sherman Creek (HQ-CWF) for the purpose of a driveway. The project is located on Airport Road, approximately 0.13 miles northwest of its intersection with S.R. 0274 (Andersonburg, PA Quadrangle: N: 18.6 inches, W: 9.5 inches; Latitude: 40 21' 09" N, Longitude: 77 26' 39" W) in Southwest Madison Township, **Perry County**.

E28-363: Norfolk Southern Railway Company, 1200 Peachtree Street, Atlanta, GA 30309, Franklin County Intermodal Facility, Antrim Township, **Franklin County**, ACOE Baltimore District

To (1) extend and maintain an existing 57.0-foot long, 72.0-inch concrete arch culvert by 35.0 feet on the upstream side with a 6.0-foot by 6.0-foot, 1.0-foot uniformly depressed, concrete box culvert with fish baffles, wing walls, and R-4 rip-rap in an unnamed tributary to Conococheague Creek (WWF, MF); (2) remove an existing 40.0-foot long, 4.0-foot by 6.0-foot concrete arch culvert and install and maintain dual 114.0-foot long 72.0-inch diameter CMP culverts in an unnamed tributary to

Conococheague Creek (WWF, MF); (3) relocate approximately 197.0 lineal feet of an unnamed tributary to Conococheague Creek (WWF, MF); (4) remove an existing 45-foot long, 36.0-inch diameter CMP and install and maintain dual 102.0-foot long, 1.0-foot uniformly depressed, 72.0-inch diameter RCP in an unnamed tributary to Conococheague Creek (WWF, MF); (5) relocate approximately 220.0 lineal feet of an unnamed tributary to Conococheague Creek (WWF, MF); (6) remove existing dual 44.0-foot long, 18.0-inch by 30.0-inch stone box culverts and install and maintain an 80.0-foot long, 6.0-inch uniformly depressed, 72.0-inch diameter CMP in an unnamed tributary to Conococheague Creek (WWF, MF); (7) install and maintain a 90.0-foot long, 6.0-inch uniformly depressed, 72.0-inch diameter CMP in an unnamed tributary to Conococheague Creek (WWF, MF); (8) install and maintain a 553.0-foot long, 6.0-inch uniformly depressed, 72.0-inch diameter RCP, wing walls and R-4 rip-rap scour protection in an unnamed tributary to Conococheague Creek (WWF, MF); (9) fill approximately 705.0 lineal feet of an unnamed tributary to Conococheague Creek (WWF, MF); (10) remove an existing 56.0-foot long, 34.0-inch high by 5.0-foot wide concrete box culvert and install and maintain a 90.0-foot long, 1.0-foot uniformly depressed, 4.0-foot high by 14.0-foot wide concrete box culvert with fish baffles, wing walls, and R-4 rip-rap scour protection in an unnamed tributary to Conococheague Creek (WWF, MF); (11) relocate 915.0 lineal feet of an unnamed tributary to Conococheague Creek (WWF, MF); (12) extend and maintain an existing 56.0-foot long, 72.0-inch concrete arch culvert by 46.0 feet on the upstream side with a 6.0-foot by 6.0-foot, 1.0-foot uniformly depressed, concrete box culvert with fish baffles, wing walls, and R-4 rip-rap scour protection in Paddy Run (WWF, MF); (13) relocate approximately 86.0 lineal feet of Paddy Run (WWF, MF); and (14) fill approximately 0.01 acres of PEM wetland. The location of the rail widening project runs north and south along the existing rail line beginning at a point just south of the intersection of Williamson Pike and Molly Pitcher Highway (Chambersburg, PA Quadrangle, N: 4.83 inches, W: 15.69 inches; Latitude: 39°46'35.8", Longitude: 77°44'12.1") and ending at a point approximately 1,000 feet north of Mason Dixon Road (Chambersburg, PA Quadrangle, N: 10.8 inches, W: 0.4 inches; Latitude: 39°43'43.1", Longitude: 77°45'10.5"). The proposed intermodal facility is located at the intersection of Minor Road and the existing rail line (Chambersburg, PA Quadrangle, N: 0.94 inches, W: 16.82 inches; Latitude: 39°45'18.6", Longitude: 77°44'40.8") in Antrim Township, Franklin County. The purpose of the project is to construct a regional intermodal facility to improve the movement of rail freight in the region. The project will permanently impact 2,399.0 linear feet of stream channel and 0.01 acre of palustrine emergent wetland. The amount of wetland impact is considered a de minimus impact of 0.01 acre and wetland mitigation is not required. The applicant has proposed to restore a minimum of 900.0 linear feet of stream channel on site and make a monetary contribution to a local stream restoration project to mitigate for permanent stream impacts.

ACTIONS

THE CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT
FINAL ACTIONS TAKEN FOR NATIONAL POLLUTION DISCHARGE
ELIMINATION SYSTEM (NPDES) PERMITS AND WATER QUALITY
MANAGEMENT (WQM) PERMITS

The Department has taken the following actions on previously received applications for new, amended and renewed NPDES and WQM permits, applications for permit waivers and NOIs for coverage under General Permits. This notice of final action is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P. S. §§ 691.1—691.101) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

<i>Location</i>	<i>Permit Authority</i>	<i>Application Type or Category</i>
Section I	NPDES	Renewals
Section II	NPDES	New or Amendment
Section III	WQM	Industrial, Sewage or Animal Wastes; Discharges to Groundwater
Section IV	NPDES	MS4 Individual Permit
Section V	NPDES	MS4 Permit Waiver
Section VI	NPDES	Individual Permit Stormwater Construction
Section VII	NPDES	NOI for Coverage under NPDES General Permits

Sections I—VI contain actions regarding industrial, animal or sewage wastes discharges, discharges to groundwater, and discharges associated with MS4, stormwater associated with construction activities and CAFOs. Section VII contains notices for parties who have submitted NOIs for Coverage under General NPDES Permits. The approval for coverage under these General NPDES Permits is subject to applicable effluent limitations, monitoring, reporting requirements and other conditions in each General Permit. The approval of coverage for land application of sewage sludge or residential septage under applicable general permit is subject to pollutant limitations, pathogen and vector attraction reduction requirements, operational standards, general requirements, management practices and other conditions in the respective permit. The permits and related documents, effluent limitations, permitting requirements and other information are on file and may be inspected and arrangements made for copying at the contact office noted before the action.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to Administrative Agency Law). The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should contact a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

PUBLIC WATER SUPPLY (PWS) PERMITS

The Department has taken the following actions on applications received under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17) for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board’s rules of practice and procedure may be obtained from the Board. The appeal form and the Board’s rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once. Persons who cannot afford a lawyer may qualify for free

pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 2

**The following plans and reports were submitted
 under the Land Recycling and Environmental
 Remediation Standards Act (35 P. S. §§ 6026.101—
 6026.908).**

Provisions of Sections 301—308 of the Land Recycling
 and Environmental Remediation Standards Act (act) (35
 P. S. §§ 6026.301—6026.308) require the Department to
 publish in the *Pennsylvania Bulletin* a notice of submis-
 sion of plans and reports. A final report is submitted to
 document cleanup of a release of a regulated substance at
 a site to one of the act's remediation standards. A final
 report provides a description of the site investigation to
 characterize the nature and extent of contaminants in
 environmental media, the basis for selecting the environ-
 mental media of concern, documentation supporting the

selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, contact the environmental cleanup program manager in the Department regional office under which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following plans and reports:

Southcentral Region: Environmental Cleanup Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110

Peter Styer Residence, Warwick Township, **Lancaster County**. Reliance Environmental, Inc., 130 East Chestnut Street, Lancaster, PA 17602, on behalf of Peter Styer, c/o Sandy Styer-Martin, 17 Church Street, Lititz, PA 17543, submitted a Remedial Investigation Report and Cleanup Plan concerning remediation of site soils and groundwater contaminated with No. 2 fuel oil. The site will be remediated to the Residential Statewide Health and Site-Specific standards.

Northcentral Region: Environmental Cleanup Program Manager, 208 West Third Street, Williamsport, PA 17701

Brian and Margaret Rhodomoyer, Fishing Creek Township, **Columbia County**. Northridge Group Inc., 1172 Ridge Road, Northumberland, PA 17857 on behalf of Brian and Margaret Rhodomoyer, 3014 State Route 487, Orangeville, PA 17859 has submitted a Final Report concerning remediation of site soil contaminated with No. 2 fuel oil. The report is intended to document remediation of the site to meet the Statewide Health Standard.

Former Advanced Metal Coatings. Watsontown Borough, **Northumberland County**. The ELM Group, Inc., 2475 Baglyos Circle, Bethlehem, PA 18020 on behalf of Moran Industries, Inc., 601 Liberty St., Watsontown, PA 17777 has submitted a Final Report concerning remediation of site soil contaminated with petroleum from an underground storage tank. The report is intended to document remediation of the site to meet the Statewide Health Standard.

Northwest Region: Environmental Cleanup Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481

Former McInnes Steel Facility, City of Corry, **Erie County**. Urban Engineers of Erie, Inc., 1319 Sassafra Street, Erie, PA 16501 on behalf of The Redevelopment Authority in the City of Corry, 1524 Enterprise Road has submitted a Remedial Investigation/Final Report concerning the remediation of site soils contaminated with

Arsenic, Iron, and Lead. The report is intended to document remediation of the site to meet the Site-Specific Standard.

Walton Property, East Mead Township, **Crawford County**. Environmental Coordination Services & Recycling, 3237 Highway 19, Cochran, PA 16314 on behalf of Gerold and Carol Walton, 124105 Plank Road, Meadville, PA 16335 has submitted a Final Report concerning remediation of site soils contaminated with No. 2 Fuel Oil. The report is intended to document the remediation of the site to meet the Statewide Health Standard.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 3

The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the environmental cleanup program manager in the Department regional office under which the notice of the plan or report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the

appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following plans and reports:

Northeast Region: Environmental Cleanup Program, 2 Public Square, Wilkes-Barre, PA 18711-0790.

Smith Residence, 212 Elm Drive, Elmhurst Township, **Lackawanna County**. Matthew Johnson, H2M Associates, Inc., 119 Cherry Hill Road, Suite 200, Parsippany, NJ 07054, submitted a Final Report (on behalf of his client, Judy Smith, 212 Elm Drive, Moscow, PA 18444), concerning the remediation of soil found to have been impacted by lubricating oil as the result of a leak from a machine engine, which was used in the installation of a geothermal well at the site. The report documented attainment of the Statewide Health Standard for soil and was approved on October 13, 2010. The report was originally submitted within 90 days of the release.

ACTIONS ON COAL AND NONCOAL MINING ACTIVITY APPLICATIONS

Actions on applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.31); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); and The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). The final action on each application also constitutes action on the NPDES permit application and, if noted, the request for a Section 401 Water Quality Certification. Mining activity permits issued in response to the applications will also address the application permitting requirements of the following statutes: the Air Quality Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

Noncoal Permits Actions

Effluent Limits—The following effluent limits will apply

to NPDES permits issued in conjunction with a noncoal mining permit:

Parameter	Table 2		
	30-day Average	Daily Maximum	Instantaneous Maximum
Suspended solids	10 to 35 mg/l	20 to 70 mg/l	25 to 90 mg/l
Alkalinity exceeding acidity* pH*	greater than 6.0; less than 9.0		

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applied to surface runoff resulting from a precipitation event of less than or equal to a 10-year 24-hour event. If coal will be extracted incidental to the extraction of noncoal minerals, at a minimum, the technology-based effluent limitations identified under coal applications will apply to discharges of wastewater to streams.

FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The Department has taken the following actions on previously received permit applications, requests for Environmental Assessment approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341).

Except as otherwise noted, the Department has granted 401 Water Quality Certification certifying that the construction and operation described will comply with sections 301–303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311–1313, 1316 and 1317) and that the construction will not violate applicable Federal and State water quality standards.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501–508 and 701–704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Actions on applications for the following activities filed under the Dam Safety and Encroachments Act (32 P.S. §§ 693.1–693.27), section 302 of the Flood Plain Management Act (32 P.S. § 679.302) and The Clean Streams Law and Notice of Final Action for Certification under section 401 of the FWPCA.

WATER OBSTRUCTIONS AND ENCROACHMENTS

Southeast Region: Watershed Management Program Manager, 2 East Main Street, Norristown, PA 19401

E23-480. Central Delaware County Authority, 212 B. Unity Terracem, Rutledge, PA 19070, Swarthmore Borough, Springfield, Marple, Nether Providence, and Upper Providence Townships, **Delaware County**, ACOE Philadelphia District.

To perform the following water obstruction and encroachment activities associated with Crum Creek's sanitary sewer interceptor improvement project:

1. To install and maintain approximately 33,019 linear feet various size diameter pipelines across and along Crum Creek (WWF, MF) and its tributaries at 27 locations, parallel to the existing pipeline.

2. To maintain approximately 11,312 linear feet of the existing various size diameter pipelines across and along Crum Creek and its tributaries associated with installation of a liner inside the existing pipeline at various sections.

3. To temporarily impact approximately 0.61 acre of wetlands at six locations.

4. To temporarily impact approximately 915 linear feet of watercourses.

5. To temporarily construct and maintain cofferdams.

The project extends for approximately 8 miles from Chester Pike in Ridley Township (Bridgeport, PA-NJ, USGS Quadrangle N:8.00 inches; W:1.40 inches) to Route 252 in Marple Township (Lansdowne, PA, USGS Quadrangle N:21.00 inches; W:4.90 inches), and traverse Swarthmore Borough, Springfield, Nether Providence, and Upper Providence Townships in Delaware County.

The issuance of this permit also constitutes approval of a Water Quality Certification under Section 401 of the Federal Water Pollution Control Act [33 U.S.C.A. 1341(a)].

E23-486. PennDOT, 7000 Geerdes Boulevard, King of Prussia, PA 19406, Aston Township, Chester Township, **Delaware County**, ACOE Philadelphia District.

To perform the following water obstruction and encroachment activities across Baldwin Run (WWF, MF) associated with Concord Road bridge replacement and approach roadway modification Project:

1. To remove the existing stone masonry arch bridge, and to construct and maintain a 77-foot long, 16-foot wide, and 9-foot rise pre-cast concrete box culvert. The new culvert will be placed approximately 75 feet upstream of the existing bridge. This work permanently impacts approximately 0.16 acre of wetlands and temporarily impacts 0.03 acre of wetlands.

2. To construct and maintain an outfall structure.

3. To construct and maintain a temporary cofferdam associated with removal of the existing bridge.

The project will impact approximately 40 liner feet of stream and approximately 502 square feet of floodway area. The project site is located approximately 424 feet north of the intersection of Concord Road (S.R. 3007) and MacDonald Blvd, at the boundary line where Aston Township meets Chester Township in Delaware County. (Marcus Hook, PA USGS Quadrangle N: 19.31 inches; W: 4.30 inches).

E23-464. City of Philadelphia, Division of Aviation, Philadelphia International Airport, Philadelphia, PA 19153, Tincum Township, **Delaware County**, ACOE Philadelphia District.

To maintain, extend, and improve the existing safety area of Runway 9R located between Hog Island Road and the western terminus of Runway 9R at the Philadelphia International Airport which is situated within the 100-year floodplain of the Delaware River (Philadelphia, PA-NJ, Quadrangle N:15.5 inches, W:1.3 inches).

Additional water obstruction and encroachment activities associated with the Runway 9-R Safety Area are as follows:

1. To place and maintain fill in 0.4108 acre of wetlands (PEM). The applicant proposes to construct 0.7 acre of wetland replacement at Bartram's Garden.

2. To install and maintain a 33-inch R.C.P. stormwater outfall and appurtenant tide gate along the Delaware River.

The issuance of this permit also constitutes approval of a Water Quality Certification under Section 401 of the Federal Water Pollution Control Act. [33 U.S.C.A. 1341(a)]

The issuance of this permit also constitutes approval of a Water Quality Certification under Section 401 of the Federal Water Pollution Control Act [33 U.S.C.A. 1341(a)].

E46-1051. Upper Gwynedd Township, P. O. Box 1, Parkside Place, West Point, PA 19486, Upper Gwynedd Township, **Montgomery County**, ACOE Philadelphia District.

To relocate, enclose, and maintain approximately 400 linear feet of a channel which discharges to an unnamed tributary to the Wissahickon Creek (TSF) associated with stormwater management facility modifications for the Prospect Meadow Homes project. The proposed enclosure will have an 8-foot span and 2.5-foot rise. The proposed detention basin and its associated jurisdictional dam will be reviewed and approved under Dam Permit No. D46-349 by Central Office. The site is located about 500 feet southwest of the intersection of Hancock Road and Prospect Avenue (Lansdale, PA, Quadrangle N:16.6 inches, W:1.9 inches) in Upper Gwynedd Township, **Montgomery County**.

The issuance of this permit also constitutes approval of a Water Quality Certification under Section 401 of the Federal Water Pollution Control Act [33 U.S.C.A. 1341(a)].

E09-951- Pennsylvania Department of Transport, District 6; 7000 Geerdes Blvd, Doylestown Township, **Bucks County**. ACOE Philadelphia District

To perform the following water obstruction and encroachment activities across Neshaminy Creek (TSF, MF) in Castle valley associated with Almshouse Road bridge replacement and approach roadway modification Project:

4. To remove the existing five span bridge, and to construct and maintain, in its place, a three span, concrete box beam bridge. The spans of the proposed bridge are at approximately 71'-9", 70'-41/2", and 69'-97/8" each with a minimum underclearance of 14.4 feet. This work temporarily impacts approximately 0.01 acre of wetlands.

5. To construct and maintain an outfall structure.

6. To construct and maintain a temporary cofferdam associated with removal of the existing bridge.

The project site is located approximately 68 feet south of the intersection of Almshouse Road (S.R. 2089) and Lower State Road, in Doylestown Township, Bucks County. (Doylestown, PA USGS Quadrangle N: 6.62 inches; W: 4.94 inches).

EROSION AND SEDIMENT CONTROL

The following Erosion and Sediment Control permits have been issued.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Request for Proposals Municipal Solid Waste Disposal and Processing Capacity

**Indiana County Solid Waste Authority
 Homer City, Pennsylvania**

In accordance with 25 Pa. Code § 272.225 Municipal Waste Planning Recycling and Waste Reduction (as amended December 22, 2000), the Indiana County Board

of Commissioners has determined that additional waste disposal or processing capacity for municipal solid waste (MSW), including construction/demolition (C/D) waste and sewage sludge generated within the County is required for a period covering the next ten years. The Indiana County Solid Waste Authority, on behalf of the Board of Commissioners is hereby soliciting proposals for disposal and processing capacity for Indiana County generated MSW.

Solicitation for Municipal Solid Waste Disposal and Processing Capacity

The Indiana County Solid Waste Authority will receive sealed proposals until 3:00 p.m., Prevailing Time on Monday, November 22, 2010. Copies of the Request for Proposals (R.F.P.) may be purchased on or after October 25, 2010 only from Timothy T. Long, Executive Director, Indiana County Solid Waste Authority, P. O. Box 270, 1715 Route 119 South, Homer City, PA 15748 by prepayment of a non-refundable amount of \$50.00 per proposal. Proposers should make checks payable to Indiana County Solid Waste Authority. Plan Revision Approval under the Municipal Waste Planning, Recycling and Waste Reduction Act of 1988, Act 101

Southwest Region: Waste Management Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222

The Department of Environmental Protection (Department) approved the Fayette County Municipal Waste Management Plan Revision on September 15, 2010.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

The plan revision is a public document and may be viewed at the Department Regional Office previously noted.

Questions concerning this approval should be directed to Lawrence Holley, Environmental Program Manager, Department of Environmental Protection, Bureau of Waste Management, Division of Waste Minimization and Planning, P. O. Box 8472, Harrisburg, PA 17105-8472 or to Sharon Svitek, Regional Recycling and Planning Coordinator, Bureau of Waste Management at the previous Regional Office.

Notice of Proposed Settlement under the Comprehensive Environmental Response, Compensation and Liability Act and the Hazardous Sites Cleanup Act

**Rutgers Organics Corporation
Centre County**

The Department of Environmental Protection (DEP), under the authority of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §§ 9601—9675 (CERCLA), and the Hazardous Sites Cleanup Act, Act of October 18, 1988, P. L. 756, No. 108, as amended, 35 P. S. §§ 6020.101—6020.1305 ("HSCA"), has entered into a proposed Consent Decree in *United States of America and Commonwealth of Pennsylvania, Department of Environmental Protection v. Rutgers Organics Corporation*, Civil Action No. 10-2113. The proposed Consent Decree was filed with the United States District Court for the Middle District of Pennsylvania on October 12, 2010. The proposed Consent decree resolves the claims of the United States and DEP against Rutgers Organics Corporation (Rutgers) for injunctive relief and for recovery of costs expended by those agencies, in connection with the cleanup of the Centre County Kepone Site (Site).

The Site consists of an approximate 35-acre property near State College, Pennsylvania and is currently owned by Rutgers. Rutgers, or its predecessors, conducted chemical manufacturing at the Site from approximately 1958-2004, manufacturing a variety of chemicals used in the pharmaceutical, pesticide, metal plating and plastics industries. The Site has been on the federal National Priorities List since 1983. Cleanup measures have been conducted by Rutgers for more than twenty years with oversight by EPA and DEP.

The proposed Consent Decree requires Rutgers to implement the Record of Decision for Operable Unit Two (July 2009), which is the remaining cleanup at the Site. In addition, the proposed Consent Decree requires Rutgers to reimburse the United States about \$136,000 in reimbursement of its past cleanup-related costs, reimburse DEP about \$82,000 for its similar past costs, and pay all future response costs.

This Notice is provided under Section 1113 of HSCA. The proposed Consent Decree is subject to final approval by the federal court, the United States of America, and the DEP. The proposed Consent Decree, which contains the specific terms of the proposed settlement, is available for public review and public comment. The proposed Consent Decree, and other Site documents, can be viewed from 8 a.m. to 4 p.m., Monday through Friday, at the Department's Northcentral Regional Office, 208 West

Third Street, Williamsport, PA 17701. Persons wishing to review those documents must contact Kathy Arndt (570) 327-3636, in advance, to arrange an appointment. Individuals in need of an accommodation as provided for in the Americans With Disabilities Act should contact the Pennsylvania AT&T Relay Services at 1-800-654-5984 (TDD) to discuss how DEP may accommodate your needs. Pursuant to HSCA, there is a 60-day public comment period on the proposed Consent Decree. Persons may

submit written comments on the proposed Consent Decree, before January 5, 2011 by mailing them to Cheryl Sinclair at DEP's Northcentral Regional Office, 208 West Third Street, Williamsport, PA 17701. Any questions concerning this Notice should be directed to Cheryl Sinclair at (570) 327-3429. Electronic copies of the proposed Consent Decree and other Site-related documents are available at the EPA's website: http://www.justice.gov/enrd/Consent_Decrees.html.

Proposed Contract Award Date	Issuing Office	03/01/2011

Part I. General Information

I-1. Authority and Objective. The Department of Environmental Protection (Department) is authorized under Section 905 of the Commonwealth Procurement Code (62 Pa.C.S.101 *et seq.*) ("CPC") to procure professional services. Pursuant to this authority, the Department will retain two Professional Surveying/Engineering firms to provide topographic, cross sectional, and property surveys for the design and construction of flood protection, dam safety, and stream improvement projects throughout Pennsylvania.

I-2. Specific. It is the intent of the Department that the contracts awarded as a result of this RFP will be for a five (5) year period. Funding for the first year will be \$150,000, with additional years' funding dependent upon the availability of funds, with an anticipated contract total of \$750,000. The contracts will be based on the hours of service and qualifying expenses not exceeding the contract amount. Projects will be assigned on an as-needed basis.

Interested firms must have professional registered surveyors licensed to practice in Pennsylvania on their staffs that have experience in the types of surveys required. Small engineering/survey firms, small disadvantaged business firms, socially disadvantaged business firms and other engineering firms, which have not previously performed work for the Department, are encouraged to submit proposals.

I-3. Response Date. To be considered for selection, hard copies of proposals must arrive at the Issuing Office on or before the time and date specified in the RFP Calendar of Events. The Issuing Office will not accept proposals via email or facsimile transmission. Offerors who send proposals by mail or other delivery service should allow sufficient delivery time to ensure timely receipt of their proposals. If, due to inclement weather, natural disaster, or any other cause, the Commonwealth office location to which proposals are to be returned is closed on the proposal response date, the deadline for submission will be automatically extended until the next Commonwealth business day on which the office is open, unless the Issuing Office otherwise notifies Offerors. The hour for submission of proposals shall remain the same. The Issuing Office will reject unopened, any late proposals.

I-4. Type of Contract. It is proposed that if the Issuing Office enters into a contract as a result of this RFP, it will be a standard design professional contract, with payment to be made on a time and materials basis. The Issuing Office, in its sole discretion, may undertake negotiations with Offerors whose proposals, in the judgment of the Issuing Office, show them to be qualified, responsible and capable of performing the Project.

I-5. Addenda to the RFP. If the Issuing Office deems it necessary to revise any part of this RFP before the proposal response date, the Issuing Office will issue an addendum to all proposers who have requested a copy of the RFP.

I-6. Discussions for Clarification. Offerors may be required to make an oral or written clarification of their proposals to the Issuing Office to ensure thorough mutual understanding and Offeror responsiveness to the solicitation requirements. The Issuing Office will initiate requests for clarification.

I-7. Issuing Office. The Department of Environmental Protection ("Issuing Office") has issued this RFP on behalf of the Commonwealth. The sole point of contact and Issuing Officer in the Commonwealth for this RFP shall be:

James J. Kernoschak, P.E., Chief
Ohio Watershed Section
Bureau of Waterways Engineering
Department of Environmental Protection,
400 Market Street, 3rd Floor RCSOB
P. O. Box 8460
Harrisburg, PA 17105-8460

E-mail address: jkernoscha@state.pa.us
Please refer all inquiries to the Issuing Officer.

I-8. Rejection of Proposals. The Issuing Office reserves the right, in its sole and complete discretion, to reject any proposals received as a result of this RFP.

Part II. Scope of Work

II-1. Nature and Scope of the Project. Professional services will include, but may not be limited to: surveys in and along streams and floodplains to give an accurate depiction of existing field conditions for hydrologic and hydraulic modeling and analyses, with detailed survey information required at bridges and drainage structures; surveys of residential, commercial, and industrial structures/buildings including first floor and basement floor elevations; topographic surveys to be used for project design; property surveys to identify lands needed for project construction; and construction surveys to layout construction baselines and obtain cross sections for determining construction quantities.

II-2. Requirements. The Engineering/Surveying firm must have professional registered surveyors, licensed to practice in Pennsylvania, on their staffs that have experience in the types of surveys required. It is the intent of the Commonwealth to select two firms; the highest qualified firm in the eastern part of the state and the highest qualified firm in the western part of the state. However, assignments to either firm may include projects throughout the Commonwealth. Projects will be assigned on an as needed basis at the discretion of the Commonwealth. The selected firms may be required to perform work on multiple projects concurrently; therefore, it is important that the selected firms proceed with each assignment to completion on a timely basis.

II-3. Tasks and Reports

1. Prior to the Department assigning a specific project, the professional shall submit a written proposal that identifies the work elements of each task, the resources assigned to each task, the time allotted to each element, and the deliverable items produced. This may require a preliminary meeting for each project with the Department. The Department will review the proposal and when deemed satisfactory will issue a written notice to proceed to the Consultant.

2. A final report shall be submitted to the Department for each project assignment.

Part III. Disadvantaged Business Participation

PART III-I. General Information

Disadvantaged Business Information

The Issuing Office encourages participation by small disadvantaged businesses as prime contractors, joint ventures, and subcontractors/suppliers and by socially disadvantaged businesses as prime contractors.

Small Disadvantaged Businesses are small businesses that are owned or controlled by a majority of persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantages. The term includes:

a. Department of General Services Bureau of Minority and Women Business Opportunities (BMWBO)-certified minority business enterprises (MBEs) and women business enterprises (WBEs) that qualify as small businesses; and

b. United States Small Business Administration certified 8(a) small disadvantaged business concerns.

c. Businesses that BMWBO determines meet the Small Business Administration criteria for designation as a small disadvantaged business.

Small businesses are businesses in the United States which are independently owned, are not dominant in their field of operation, employ no more than 100 full-time or full-time equivalent employees, and earn less than \$20 million in gross annual revenues (\$25 million in gross annual revenues for those businesses in the information technology sales or service business).

Socially disadvantaged businesses are businesses in the United States that BMWBO determines are owned or controlled by a majority of persons, not limited to members of minority groups, who are subject to racial or ethnic prejudice or cultural bias, but which do not qualify as small businesses. In order for a business to qualify as "socially disadvantaged," the offeror must include in its proposal clear and convincing evidence to establish that the business has personally suffered racial or ethnic prejudice or cultural bias stemming from the business person's color, ethnic origin or gender.

Information Concerning Small Businesses in Enterprise Zones:

The Issuing Office encourages participation by small businesses, whose primary or headquarters facility is physically located in areas the Commonwealth has identi-

fied as Designated Enterprise Zones, as prime contractors, joint ventures, and subcontractors/suppliers.

The definition of headquarters includes but is not limited to an office or location that is the administrative center of a business or enterprise where most of the important functions of the business are conducted or concentrated and location where employees are conducting the business of the company on a regular and routine basis so as to contribute to the economic development of the geographical area in which the office or business is geographically located.

Small businesses are businesses in the United States that are independently owned, are not dominant in their field of operation, employ no more than 100 persons and earn less than \$20 million in gross annual revenues (\$25 million in gross annual revenues for those businesses in the information technology sales or service business).

There is no database or directory of small business located in Designated Enterprise Zones. Information on the location of Designated Enterprise Zones can be obtained by contacting:

PART III-2. Disadvantaged Businesses Submittal

a. Disadvantaged Business Information

i) To receive credit for being a Small Disadvantaged Business or a Socially Disadvantaged Business or for entering into a joint venture agreement with a Small Disadvantaged Business or for subcontracting with a Small Disadvantaged Business (including purchasing supplies and/or services through a purchase agreement), an Offeror must include proof of Disadvantaged Business qualification in the Disadvantaged Business Submittal of the proposal, as indicated below:

1) A Small Disadvantaged Business certified by BMWBO as an MBE/WBE must provide a photocopy of their BMWBO certificate.

2) Businesses certified by the U.S. Small Business Administration pursuant to Section 8(a) of the *Small Business Act* (15 U.S.C. § 636(a)) as an 8(a) small disadvantaged business must submit proof of U.S. Small Business Administration certification. The owners of such businesses must also submit proof of United States citizenship.

3) Businesses, which assert that they meet the U.S. Small Business Administration criteria for designation as a small disadvantaged business, must submit: a) self-certification that the business meets the Small Business Administration criteria, and b) documentary proof to support the self-certification. The owners of such businesses must also submit proof of United States citizenship, and provide any relevant disadvantaged business certifications by other certifying entities.

4) All businesses claiming Small Disadvantaged Business status, whether as a result of BMWBO certification, or U.S. Small Business Administration certification as an

8(a) or self-certification as a U.S. Small Business Administration small disadvantaged business, must attest to the fact that the business has 100 or fewer employees.

5) All businesses claiming Small Disadvantaged Business status, whether as a result of BMWBO certification, or U.S. Small Business Administration certification as an 8(a) or self-certification as a U.S. Small Business Administration small disadvantaged business, must submit proof that their gross annual revenues are less than \$20,000,000 (\$25,000,000 for those businesses in the information technology sales or service business). This can be accomplished by including a recent tax return or audited financial statement.

ii) All companies claiming status as a Socially Disadvantaged Business must include in the Disadvantaged Business submittal of the proposal clear and convincing evidence to establish that the business has personally suffered racial or ethnic prejudice or cultural bias stemming from the business person's color, ethnic origin, or gender. The submitted evidence of prejudice or bias must:

1) Be rooted in treatment which the business person has experienced in American society, not in other countries.

2) Show prejudice or bias that is chronic and substantial, not fleeting or insignificant.

3) Indicate that the business person's experience with the racial or ethnic prejudice or cultural bias has negatively impacted on his or her entry into and/or advancement in the business world.

BMWBO shall determine whether the contractor has established that a business is socially disadvantaged by clear and convincing evidence.

iii) In addition to the above verifications, the Offeror must include in the Disadvantaged Business Submittal of the proposal the following information:

1) Those Small Disadvantaged Businesses submitting a proposal as the Offeror, must include a numerical percentage which represents the total percentage of the work (as a percentage of the total cost in the Cost Submittal) to be performed by the Offeror and not by subcontractors and suppliers.

2) Those Small Disadvantaged Businesses submitting a proposal as a part of a joint venture partnership, must include a numerical percentage which represents the total percentage of the work (as a percentage of the total cost in the Cost Submittal) to be performed by the Small Disadvantaged Business joint venture partner and not by subcontractors and suppliers or by joint venture partners who are not Small Disadvantaged Businesses. Offeror must also provide:

a) The amount of capital, if any, each Small Disadvantaged Business joint venture partner will be expected to provide.

b) A copy of the joint venture agreement signed by all parties.

c) The business name, address, name and telephone number of the primary contact person for the Small Disadvantaged Business joint venture partner.

3) All Offerors must include a numerical percentage which represents the total percentage of the total cost in the Cost Submittal that the Offeror commits to paying to Small Disadvantaged Businesses as subcontractors. To support its total percentage DB subcontractor commitment, Offeror must also include:

a) The dollar amount of each subcontract commitment to a Small Disadvantaged Business;

b) The name of each Small Disadvantaged Business. The Offeror will not receive credit for stating that after the contract is awarded it will find a Small Disadvantaged Business.

c) The services or supplies each Small Disadvantaged Business will provide, including the timeframe for providing the services or supplies.

d) The location where each Small Disadvantaged Business will perform services.

e) The timeframe for each Small Disadvantaged Business to provide or deliver the goods or services.

f) A signed subcontract or letter of intent for each Small Disadvantaged Business. The subcontract or letter of intent must identify the specific work, goods or services the Small Disadvantaged Business will perform and how the work, goods or services relates to the project.

g) The name, address and telephone number of the primary contact person for each Small Disadvantaged Business.

4) The total percentages and each subcontractor commitment will become contractual obligations once the contract is fully executed.

5) The name and telephone number of the Offeror's project (contact) person for the Small Disadvantaged Business information.

iv) The Offeror is required to submit two copies of its Disadvantaged Business Submittal. The submittal shall be clearly identified as Disadvantaged Business information and sealed in its own envelope, separate from the remainder of the proposal.

v) A Small Disadvantaged Business can be included as a subcontractor with as many prime contractors as it chooses in separate proposals.

vi) An Offeror that qualifies as a Small Disadvantaged Business and submits a proposal as a prime contractor is not prohibited from being included as a subcontractor in separate proposals submitted by other Offerors.

b. Enterprise Zone Small Business Participation

i) To receive credit for being an enterprise zone small business or entering into a joint venture agreement with an enterprise zone small business or subcontracting with an enterprise zone small business, an Offeror must include the following information in the Disadvantaged Business Submittal of the proposal:

1) Proof of the location of the business' headquarters (such as a lease or deed or Department of State corporate registration), including a description of those activities that occur at the site to support the other businesses in the enterprise zone.

2) Confirmation of the enterprise zone in which it is located (obtained from the local enterprise zone office).

3) Proof of United States citizenship of the owners of the business.

4) Certification that the business employs 100 or fewer employees.

5) Proof that the business' gross annual revenues are less than \$20,000,000 (\$25,000,000 for those businesses in the information technology sales or service business). This can be accomplished by including a recent tax return or audited financial statement.

6) Documentation of business organization, if applicable, such as articles of incorporation, partnership agreement or other documents of organization.

ii) In addition to the above verifications, the Offeror must include in the Disadvantaged Business Submittal of the proposal the following information:

1) The name and telephone number of the Offeror's project (contact) person for the Enterprise Zone Small Business.

2) The business name, address, name and telephone number of the primary contact person for each Enterprise Zone Small Business included in the proposal. The Offeror must specify each Enterprise Zone Small Business to which it is making commitments. The Offeror will not receive credit for stating that it will find an Enterprise Zone Small Business after the contract is awarded or for listing several businesses and stating that one will be selected later.

3) The specific work, goods or services each Enterprise Zone Small Business will perform or provide.

4) The total cost amount submitted in the Offeror's cost proposal and the estimated dollar value of the contract to each Enterprise Zone Small Business.

5) Of the estimated dollar value of the contract to each Enterprise Zone Small Business, the percent of the total value of services or products purchased or subcontracted that each Enterprise Zone Small Business will provide.

6) The location where each Enterprise Zone Small Business will perform these services.

7) The timeframe for each Enterprise Zone Small Business to provide or deliver the goods or services.

8) The amount of capital, if any, each Enterprise Zone Small Business will be expected to provide.

9) The form and amount of compensation each Enterprise Zone Small Business will receive.

10) For a joint venture agreement, a copy of the agreement, signed by all parties.

11) For a subcontract, a signed subcontract or letter of intent.

iii) The dollar value of the commitment to each Enterprise Zone Small Business must be included in the same sealed envelope with the Disadvantaged Business Submittal of the proposal. The following will become a contractual obligation once the contract is fully executed:

1) The amount of the selected Offeror's Enterprise Zone Small Business commitment;

2) The name of each Enterprise Zone Small Business; and

3) The services each Enterprise Zone Small Business will provide, including the timeframe for performing the services.

PART III-3. Criteria for Selection

Disadvantaged Business Participation:

BMWBO has established the weight for the Disadvantaged Business Participation criterion for this RFP as 20% of the total points. Evaluation will be based upon the following in order of priority:

- Priority Rank 1 Proposals submitted by Small Disadvantaged Businesses.
- Priority Rank 2 Proposals submitted from a joint venture with a Small Disadvantaged Business as a joint venture partner.
- Priority Rank 3 Proposals submitted with subcontracting commitments to Small Disadvantaged Businesses.
- Priority Rank 4 Proposals submitted by Socially Disadvantaged Businesses.

Each proposal will be rated for its approach to enhancing the utilization of Small Disadvantaged Businesses and/or Socially Disadvantaged Businesses. Each approach will be evaluated, with Priority Rank 1 receiving the highest score and the succeeding options receiving scores in accordance with the above-listed priority ranking.

To the extent that an Offeror qualifies as a Small Disadvantaged Business or a Socially Disadvantaged Business, the Small Disadvantaged Business or Socially Disadvantaged Business cannot enter into subcontract arrangements for more than 40% of the total estimated dollar amount of the contract. If a Small Disadvantaged Business or a Socially Disadvantaged Business subcontracts more than 40% of the total estimated dollar amount of the contract to other contractors, the Disadvantaged Business Participation scoring shall be proportionally lower for that proposal.

Enterprise Zone Small Business Participation:

In accordance with the priority ranks listed below, bonus points in addition to the total points for this RFP, will be given for the Enterprise Zone Small Business Participation criterion. The maximum bonus points for this criterion is 3% of the total points for this RFP. The following options will be considered as part of the final criteria for selection:

- Priority Rank 1 Proposals submitted by an Enterprise Zone Small Business will receive the highest score.
- Priority Rank 2 Proposals submitted by a joint venture with an Enterprise Zone Small Business as a joint venture partner will receive the next highest score for this criterion.
- Priority Rank 3 Proposals submitted with a subcontracting commitment to an Enterprise Zone Small Business will receive the lowest score for this criterion.
- Priority Rank 4 Proposals with no Enterprise Zone Small Business Utilization shall receive no points under this criterion.

To the extent that an Offeror is an Enterprise Zone Small Business, the Offeror cannot enter into contract or subcontract arrangements for more than 40% of the total estimated dollar amount of the contract in order to qualify as an Enterprise Zone Small Business for purposes of this RFP.

PART III- 4. Work Statement

Contract Requirements—Disadvantaged Business Participation and Enterprise Zone Small Business Participation:

All contracts containing Disadvantaged Business participation and/or Enterprise Zone Small Business partici-

pation must also include a provision requiring the selected contractor to meet and maintain those commitments made to Disadvantaged Businesses and/or Enterprise Zone Small Businesses at the time of proposal submittal or contract negotiation, unless a change in the commitment is approved by the BMWBO. All contracts containing Disadvantaged Business participation and/or Enterprise Zone Small Business participation must include a provision requiring Small Disadvantaged Business subcontractors, Enterprise Zone Small Business subcontractors and Small Disadvantaged Businesses or Enterprise Zone Small Businesses in a joint venture to perform at least 50% of the subcontract or Small Disadvantaged Business/Enterprise Zone Small Business participation portion of the joint venture.

The selected contractor's commitments to Disadvantaged Businesses and/or Enterprise Zone Small Businesses made at the time of proposal submittal or contract negotiation shall be maintained throughout the term of the contract. Any proposed change must be submitted to BMWBO, which will make a recommendation to the Contracting Officer regarding a course of action.

If a contract is assigned to another contractor, the new contractor must maintain the Disadvantaged Business participation and/or Enterprise Zone Small Business participation of the original contract.

The selected contractor shall complete the Prime Contractor's Quarterly Utilization Report (or similar type document containing the same information) and submit it to the contracting officer of the Issuing Office and BMWBO within 10 workdays at the end of each quarter the contract is in force. This information will be used to determine the actual dollar amount paid to Small Disadvantaged Business and/or Enterprise Zone Small Business subcontractors and suppliers, and Small Disadvantaged Business and/or Enterprise Zone Small Business participants involved in joint ventures. Also, this information will serve as a record of fulfillment of the commitment the selected contractor made and for which it received Disadvantaged Business and Enterprise Zone Small Business points. If there was no activity during the quarter then the form must be completed by stating "No activity in this quarter."

Note: Equal employment opportunity and contract compliance statements referring to company equal employment opportunity policies or past contract compliance practices do not constitute proof of disadvantaged businesses status or entitle an offeror to receive credit for disadvantaged businesses utilization.

Part IV. Criteria for Selection of Highest Qualified Firm; Fee Negotiation

IV-1. Highest Qualified Firm Determination

All proposals received from Professionals will be reviewed and evaluated by the Department in accordance with the selection method set forth in Section 905 of the CPC. The Department will select two (2) firms based on qualifications, demonstrated competence, and the Department's opinion as to the firms' ability to respond and complete a requested service in a timely manner. The following factors will be considered by the technical review committee during evaluation of proposals. These factors are for guidance only and are not necessarily listed in order of weight. Each proposal shall be related to these factors.

1. Technical:

Evaluation will be based upon the following:

a. Past Record of Performance, with respect to quality of work, meeting established time schedules, and cost efficiency.

b. Experience, competence, and specialized technical skills of key personnel.

c. Ability to satisfactorily perform the services contemplated in this solicitation.

d. Projected workload and manpower availability, and how they may affect response time and the completion of requested services.

e. Equitable Distribution of Contracts to Design Professionals. The Commonwealth will make a reasonable attempt to equalize the assignment of contracts to qualified professionals.

2. Non-Technical

a. Disadvantaged Businesses participation (Evaluated by DGS).

b. Enterprise Zone Small Business participation (Evaluated by DGS).

Proposers shall relate their proposal to the above criteria.

IV-2. Fee Negotiation

In accordance with the selection method in Section 905 (g) of the CPC, once the Department has determined the highest qualified firm, it will request cost data from that firm as a basis for negotiating a fee determined to be fair and reasonable to the Commonwealth. If a satisfactory contract with this firm is not negotiated, negotiations shall be formally terminated and the Department shall begin negotiations with the firm determined to be the second highest qualified firm, and so forth, until a contract is negotiated with a firm determined to be qualified.

Part V. General Requirements for Submission

Firms interested in performing the required services for this project are invited to submit Proposals to Patricia McSparran, Director, Bureau of Waterways Engineering, Department of Environmental Protection, Rachel Carson State Office Building, 3rd Floor, 400 Market Street, P. O. Box 8460 Harrisburg, PA 17105-8460. Contact James Kernoschak at 717.783.0155 for general information concerning the survey work.

Each Letter of Interest must include the firm's federal identification number and the project reference number. The Letter of Interest shall indicate the firm's capability of working on multiple projects at the same time and understanding of the Department's needs; and shall address all technical criteria for selection set forth in Section IV-1.1. A standard DGS Form 150-ASP must accompany the Letter of Interest and shall indicate the individual in charge. Form 150-ASP may be obtained from the DGS website or by contacting the Issuing Officer. Additional information pertinent to the firm's qualifications to do the work of this contract shall be included with the Letter of Interest. Direct costs other than payroll, such as travel and subsistence, shall be based on the current state rates. The Department shall reimburse miscellaneous expenses such as copies, prints, sepias, postage and film at cost upon approval.

A complete Proposal shall consist of the following:

1. *Non-Technical Submittal*

One copy of the Disadvantaged Business/Enterprise Zone Small Business section, bound and sealed separately from the remainder of the proposal; and

2. *Technical Submittal*

Six (6) copies of the complete set consisting of the Letter of Interest and the required form 150- ASP. Proposals must be received no later than 4:00 p.m. on December 17, 2010. The six (6) copies of the Technical Submittal shall be submitted in six (6) complete sets that shall be spiral bound or in folders or secured by binder clips. The assignment of services will be made, if at all, to two or more of the firms responding to this notice. However, the Department reserves the right to reject all Proposals submitted, cancel the solicitation requested under this notice, and/or re-advertise solicitation for this service.

The Department will not offer a debriefing session to the unsuccessful firms. The Department disclaims any liability whatsoever as to its review of the proposal submitted and in formulating a recommendation for selections. Recommendations made by the Department shall be final.

Residential Geothermal Loan Program

The Department of Environmental Protection (Department) announces an opportunity for individuals to qualify for loans under the Residential Geothermal Loan Program (program). The program, authorized through the American Recovery and Reinvestment Act of 2009 (42 U.S.C.A § 5301), provides financing options to assist homeowners seeking to install geothermal heat pumps and whole house energy efficiency improvements, such as air sealing and insulation measures. The program is made available through the Keystone Home Energy Loan Program (Keystone HELP) by means of the Interagency Agreement between the Treasury Department and the Department. Keystone HELP is administered by AFC First Financial Corporation, a Commonwealth energy efficiency lender. The program was established to offer a prudent investment opportunity for public funds. The program also provides cost-effective energy savings to homeowners and creates jobs while promoting a qualified geothermal workforce.

To qualify for the loans, individuals must utilize a Keystone HELP contractor that is qualified to perform the work financed by the loan being sought. Additionally, individuals must certify that the project will be installed on a residence that is owned and occupied by the applicant, is the individual's primary residence and is located in this Commonwealth. The individual must agree not to accept any rebates or incentives available by an electric distribution company under the act of October 15, 2008 (P. L. 1592, No. 129). The individual must agree to disclose basic energy usage and energy cost information in the manner stipulated in the Keystone HELP program guidance. A total Department program budget is set at \$5,000,000. The budget includes funding to individuals for loan interest rate buy-down and various components necessary for program administration.

Program guidelines and application forms will be available through the Keystone HELP program web site, www.keystonehelp.com, or by contacting AFC First at (888) AFC-FIRST (232-3477) or (610) 433-7486.

DEPARTMENT OF TRANSPORTATION

Availability of Local Real Estate Tax Reimbursement Grants for Taxes Paid in 2010

The Department of Transportation (Department), Bureau of Aviation, is accepting applications for Tax Reimbursement Grants from qualifying owners of public airports who have paid local real estate taxes for the calendar year ending December 31, 2010.

Each year, under 74 Pa.C.S. Chapter 61, Subchapter B (relating to reimbursement of local real estate taxes for

public airports) and 67 Pa. Code Chapter 477 (relating to local real estate tax reimbursement grants), the owner of a public airport shall be eligible for a grant from the local real estate tax reimbursement portion of the Aviation Restricted Account. These grants are available to reimburse airport owners for local real estate taxes paid on those portions of an airport which are aviation related areas, as defined in 74 Pa.C.S. § 5102 (relating to definitions). Prior to applying for a grant, each public airport owner shall enter into an agreement with the Department. This agreement shall specify that the owner shall continue, for a period of not less than 10 years, to maintain the property, for which the grant will be sought, as an airport at least equal in size and capacity as indicated in the owner's initial grant application. This agreement shall be a covenant, which runs with the land and shall apply to any subsequent purchases of land. Upon acceptance of any grant, the covenant shall be deemed extended for 1 additional year. Any violation of the agreement shall make the owner liable for the repayment of the total appropriation for the year plus a penalty of two times the grant. In any action wherein the owner is found to have violated the agreement, the Department shall receive all costs of prosecution.

The final date for submission of applications for reimbursement of local real estate taxes paid in the calendar year ending December 31, 2010, is the close of business on February 1, 2011. Applications shall be filed with the Bureau of Aviation using dotGrants, the Department's web based grants administration program. For more detailed information, review the information on the Department's web site at www.dot.state.pa.us.

Interested persons may direct their request for online participation, inquiries or comments regarding the local real estate tax reimbursement program to Karen Heath, Western Region at (717) 705-1205 or Catherine Green, Eastern Region at (717) 705-1222.

*Department of Revenue—
Personal Income Tax—Innocent Spouse Relief;
Regulation No. 15-448 (#2829)*

On March 29, 2010, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Revenue (Department). This rulemaking amends 61 Pa. Code § 119.30. The proposed regulation was published in the April 10, 2010 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on September 10, 2010.

This regulation implements a provision of Act 87 of 2002 which allows an innocent spouse to claim relief from state tax liability if the spouses are separated and the innocent spouse was unaware of an understatement of taxes in the joint filing.

We have determined this regulation is consistent with the statutory authority of the Department (72 P. S. § 3310-212(d)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

By Order of the Commission:

This regulation is approved.

*Department of Public Welfare—
Nonpublic and County Nursing Facilities;
Regulation No. 14-516 (#2778)*

On July 21, 2009, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Public Welfare (Department). This rulemaking amends 55 Pa. Code Chapters 1187 and 1189. The proposed regulation was published in the August 1, 2009 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on September 13, 2010.

This final-form regulation amends the payment methodology for Medical Assistance nursing facility services as directed by Act 44 of 2008. It also makes revisions to streamline and simplify rate-setting for non-public nursing facilities and eliminates obsolete regulatory provisions.

We have determined this regulation is consistent with the statutory authority of the Department (62 P.S. §§ 201(2), 206(2), 403(b) and 443.1) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

By Order of the Commission:

This regulation is approved.

*Environmental Quality Board—
Mercury Emissions: Repeal;
Regulation No. 7-465 (#2875)*

On September 17, 2010, the Independent Regulatory Review Commission (Commission) received this regulation from the Environmental Quality Board (Board). This rulemaking deletes 25 Pa. Code §§ 123.201 to 123.215. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This final-omitted regulation repeals 25 Pa. Code §§ 123.201 to 123.215, the “Standards for Contaminants Mercury Emissions,” in their entirety.

We have determined this regulation is consistent with the statutory authority of the Board (35 P.S. § 4005(a)(1)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

*Environmental Quality Board—Administration
of the Uniform Environmental Covenants Act;
Regulation No. 7-454 (#2824)*

On February 24, 2010, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Environmental Quality Board (Board). This rulemaking amends 25 Pa. Code Chapter 253. The proposed regulation was published in the March 6, 2010 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on September 20, 2010.

This regulation implements Act 68 of 2007, the Uniform Environmental Covenants Act.

We have determined this regulation is consistent with the statutory authority of the Board (27 Pa.C.S.A. § 6515(a)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

By Order of the Commission:

*Environmental Quality Board—
Administration of the Land Recycling Program;
Regulation No. 7-453 (#2823)*

On February 24, 2010, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Environmental Quality Board (Board). This rulemaking amends 25 Pa. Code Chapter 250. The proposed regulation was published in the March 6, 2010 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on September 20, 2010.

This final-form rulemaking updates numeric Statewide health-based standards relating to the cleanup of contaminated sites under the Land Recycling and Environmental Remediation Standards Act.

We have determined this regulation is consistent with the statutory authority of the Board (35 P.S. §§ 6026.104(a) and 6026.303(a)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

*Environmental Quality Board—
Beneficial Use of Coal Ash;
Regulation No. 7-442 (#2808)*

On October 28, 2009, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Environmental Quality Board (Board). This rulemaking amends 25 Pa. Code Chapters 287, 290 and 299. The proposed regulation was published in the November 7, 2009 *Pennsylvania Bulletin* with a 45-day public comment period. The final-form regulation was submitted to the Commission on September 20, 2010.

This regulation establishes requirements and procedures for the beneficial use of coal ash.

We have determined this regulation is consistent with the statutory authority of the Board (35 P. S. § 6018.105(a)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

*Environmental Quality Board—
Paper, Film and Foil Surface Coating Processes;
Regulation No. 7-448 (#2807)*

On October 28, 2009, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Environmental Quality Board (Board). This rulemaking amends 25 Pa. Code Chapters 121 and 129. The proposed regulation was published in the November 7, 2009 *Pennsylvania Bulletin* with a 67-day public comment period. The final-form regulation was submitted to the Commission on September 20, 2010.

This final-form regulation limits volatile organic compounds emissions from the use and application of coatings and cleaning materials in paper, film and foil surface coating processes.

We have determined this regulation is consistent with the statutory authority of the Board (35 P. S. §§ 4005(a)(1) and 4005(a)(8)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

*State Real Estate Commission—
Seller Property Disclosure Statement;
Regulation No. 16A-5618 (#2838)*

On April 21, 2010, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Real Estate Commission (Real Estate Commission). This rulemaking amends 49 Pa. Code Chapter 35. The proposed regulation was published in the May 1, 2010 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on September 10, 2010.

This regulation establishes a minimum seller's property disclosure statement, as required by law. It also tracks the duties imposed on licensees who represent sellers and buyers as well as transaction licensees.

We have determined this regulation is consistent with the statutory authority of the Real Estate Commission (68 Pa.C.S. § 7304 and 63 P. S. §§ 455.404 and 455.604(a)(15.1)) and the intention of the General Assembly. *Bureau of Professional and Occupational Affairs—
Schedule of Civil Penalties—Veterinarians
and Veterinary Technicians;
Regulation No. 16A-51 (#2844)*

On April 27, 2010, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Bureau of Professional and Occupational Affairs. This rulemaking amends 49 Pa. Code § 43b.21a. The proposed regulation was published in the May 8, 2010 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on September 10, 2010.

This regulation establishes in regulation a schedule of civil penalties for violations relating to the practice of veterinary medicine and certified veterinary technicians.

We have determined this regulation is consistent with the statutory authority of the Bureau of Professional and Occupational Affairs (63 P. S. § 2205(a)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

*State Board of Funeral Directors—
Continuing Education Enforcement;
Regulation No. 16A-4818 (#2760)*

On April 22, 2009, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Board of Funeral Directors (Board). This rulemaking amends 49 Pa. Code Chapter 13. The proposed regulation was published in the May 2, 2009 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on June 25, 2010. At its August 5, 2010 public meeting, the Commission voted to disapprove the final-form regulation. On September 22, 2010, the Board resubmitted the final regulation without revision under

Section 7(b) of the Regulatory Review Act (71 P. S. § 745.7(b)) along with its report to the Committees and the Commission.

This rulemaking is intended to clarify the consequences of failing to comply with the continuing education provisions in the Funeral Director Law (63 P. S. § 479.10(b)) and the Board's regulations (49 Pa. Code §§ 13.401—13.406). Both require a licensee to complete six hours of continuing education credits each biennium in order to qualify for license renewal. Under the amendments in this rulemaking, a licensee who has not completed the amount of continuing education credits may renew, subject to being issued a citation, paying a fine and making up the continuing education credits within six months.

We found on August 5, 2010, that the Board does not have the statutory authority to renew a license for an applicant who has not completed the statutorily mandated six hours of continuing education during the prior two-year license period. As explained below, this regulation does not meet the Regulatory Review Act criterion of statutory authority to promulgate the regulation. 71 P. S. § 745.5b.

In our comments issued July 1, 2009, on the proposed regulation, we stated:

... the Board should explain the status of a license between the end of a biennial period when a license would expire and the point in time a licensee provides satisfactory proof of attendance at continuing education courses.

The Board responded in the initial final regulation's Preamble:

Upon renewal of the license, the licensure status is the same as if the licensee had completed the entire continuing education requirement in a timely fashion. Only if the Board later takes disciplinary action, such as if the Board then suspends a license where the licensee still has not completed the required continuing education, would the licensure status change.

The Board's response indicated that the intent of the amended regulatory language, which would be 49 Pa. Code §§ 13.231(a) and 13.401(d), is to allow a renewal of a license when a licensee failed to attend the required six hours of mandatory continuing education during the license period.

Continuing education relating to license renewal is addressed in 63 P. S. § 479.10(b)(1) which states:

The Board shall adopt, promulgate and enforce rules and regulations *consistent with provisions of this act* establishing requirements of continuing education to be met by individuals licensed under this act *as a condition for renewal of their licenses*. . . . (Emphases added.)

The only exceptions to the continuing education mandate in the statute are for initial licensure and waivers for "serious illness, military service or other demonstrated hardship" on a case by case basis. When a licensee does not meet either of these conditions, the applicant, "as a condition of renewal of their license," is required to have attended "six (6) hours of mandatory continuing education during each two-year license period." 63 P. S. §§ 479.10(b)(1) to (4).

In its report to the Committees and the Commission supporting its unrevised regulation, the Board cites two provisions of the Funeral Director Law. Specifically, the Board states the following:

The Board respectfully suggests that IRRC has misconstrued section 10(b) of the Funeral Director Law. While section 10(b)(2) requires licensees to complete mandatory continuing education during each two-year license period, section 10(b)(2) does not make completion of mandatory continuing education a condition of license renewal. Nor does section 10(b)(1) of the Funeral Director Law make completion of mandatory continuing education a condition of renewal. Instead, section 10(b)(1) makes compliance with the mandatory continuing education regulations promulgated by the Board a condition for renewal, and those regulations must be consistent with the provisions of the Funeral Director Law.

The Board's interpretation would broaden its authority to write regulations regarding continuing education as a condition of license renewal by disregarding the bounds of the statutory phrase "consistent with provisions of this act." We note that the immediately following statutory provision, 63 P. S. § 479.10(b)(2), states that "licensees shall be required to attend six (6) hours of mandatory continuing education during each two-year period." Similarly, the Board raises its general rulemaking authority at 63 P. S. § 479.16(a), but again disregards its duty to write regulations "not inconsistent with this act."

While the Funeral Director Law grants the Board authority to write regulations regarding continuing education, we do not believe the Board's interpretation is correct in light of its statutory limits stated twice in the Funeral Director Law to write regulations "consistent with provisions in this act" and "not inconsistent with this act" found in 63 P. S. § 479.10(b)(1) and 63 P. S. § 479.16(a), respectively. Consequently, we have determined that the regulation remains inconsistent with the statutory authority of the Board (63 P. S. § 479.10(b)) and the intention of the General Assembly. Therefore, we find promulgation of this regulation is not in the public interest.

By Order of the Commission:

The regulation #16A-4814 (IRRC #2760) from the State Board of Funeral Directors—Continuing Education Enforcement was disapproved on October 21, 2010.

*Department of State—
Bureau of Professional and Occupational Affairs—
Schedule of Civil Penalties—Funeral Directors and
Funeral Establishments;
Regulation No. 16A-47 (#2761)*

On April 22, 2009, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Bureau of Professional and Occupational Affairs (Bureau). This rulemaking amends 49 Pa. Code § 43b.6. The proposed regulation was published in the May 2, 2009 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on June 25, 2010. At its August 5, 2010 public meeting, the Commission voted to disapprove

the final-form regulation. On September 22, 2010 the Bureau resubmitted the final regulation without revision under Section 7(b) of the Regulatory Review Act (71 P. S. § 745.7(b)) along with its report to the Committees and the Commission.

This final regulation would establish a civil penalty schedule for violations of the continuing education requirements of the State Board of Funeral Directors (Board). This regulation is the companion piece to Regulation #16A-4818 (IRRC #2760) from the Board entitled: "Continuing Education Enforcement."

At the August 5, 2010 public meeting, Counsel for the Department of State represented that he was authorized to request disapproval given that the companion Regulation #16A-4818 (IRRC #2760) had been disapproved at the same public meeting. Without support from the promulgating Bureau, this Commission determined that the regulation did not meet the reasonableness criterion set forth in the Regulatory Review Act and was not in the public interest.

At the October 21, 2010 public meeting, the Commission disapproved Regulation #16A-4818 (IRRC #2760) for the second time. Without approval of Regulation #16A-4818 and since the Bureau made no changes to Regulation #16A-47 upon resubmittal, the Commission affirms its original finding that this regulation does not meet the reasonableness criterion set forth in the Regulatory Review Act and is not in the public interest.

By Order of the Commission:

The regulation #16A-47 (IRRC #2761) from the Bureau of Professional & Occupational Affairs—Schedule of Civil Penalties—Funeral Directors and Funeral Establishments was disapproved on October 21, 2010.

Notice of Comments Issued

Section 5(g) of the Regulatory Review Act (71 P. S. § 745.5(g)) provides that the Independent Regulatory Review Commission (Commission) may issue comments within 30 days of the close of the public comment period. The Commission comments are based upon the criteria contained in section 5.2 of the Regulatory Review Act (71 P. S. § 745.5b).

The Commission has issued comments on the following proposed regulations. The agencies must consider these comments in preparing the final-form regulation. The final-form regulations must be submitted within 2 years of the close of the public comment period or it will be deemed withdrawn.

**State Board of Veterinary Medicine
Regulation #16A-5718 (IRRC #2863)
Dental Procedures
October 27, 2010**

We submit for your consideration the following comments on the proposed rulemaking published in the August 28, 2010 *Pennsylvania Bulletin*. Our comments are based on criteria in section 5.2 of the Regulatory Review Act (71 P. S. § 745.5b). section 5.1(a) of the Regulatory Review Act (71 P. S. § 745.5a(a)) directs the State Board of Veterinary Medicine (Board) to respond to all comments received from us or any other source.

1. Scope of Practice—Protection of the public health, safety and welfare.

This rulemaking would allow certified veterinary technicians, veterinary technician specialists and veterinary assistants (collectively referred to as licensees), under the direct supervision of a veterinarian, to perform specific dental procedures on companion animals. Commentators have questioned if the licensees are properly trained to perform some of the procedures. For example, the Pennsylvania Veterinary Medical Association (PVMA) has stated that veterinary technician specialists are not prop-

erly trained to perform "surgical extractions." They have also questioned if the performance of "dental charting" by certified veterinary technicians and veterinary assistants crosses into the realm of diagnosis. In addition, the Vet Tech Institute has questioned if veterinary assistants are properly trained to perform all of the listed procedures.

We understand that all of the enumerated procedures for all of the licensees must be performed under the direct supervision of a veterinarian. However, for the examples listed above, we ask the Board for a further explanation of why those procedures can be safely performed by the licensees. In addition, we ask the Board to explain if there are any other safeguards in place to ensure the safety of the companion animals on which the dental procedures are performed.

2. Companion animal—Clarity.

The title of § 31.31a includes the term "companion animal" and the term is referenced in other sections of the rulemaking. PVMA has questioned what is meant by this term. We agree that it is unclear and suggest that it be defined in the final-form rulemaking.

**Environmental Quality Board
Regulation #7-460 (IRRC #2864)**

Noncoal Mining Fees

October 27, 2010

We submit for your consideration the following comments on the proposed rulemaking published in the August 28, 2010 *Pennsylvania Bulletin*. Our comments are based on criteria in section 5.2 of the Regulatory Review Act (71 P.S. § 745.5b). Section 5.1(a) of the Regulatory Review Act (71 P.S. § 745.5a(a)) directs the Environmental Quality Board (Board) to respond to all comments received from us or any other source.

1. Direct and indirect costs to the Commonwealth, political subdivisions and the private sector.

Several commentators, including Representative Sandra Major, have stated that they are aware of the budgetary problems and hardships facing the Department of Environmental Protection. However, they believe that the fee schedule being imposed, and the \$2.5 million it is projected to generate, is an economic burden that Pennsylvania businesses cannot afford at this time. They are concerned that the fees could potentially force some of Pennsylvania's mine operators to close their businesses.

In the Regulatory Analysis Form submitted with the rulemaking, the Board has included the following statement: "The Department has made every effort to use the least burdensome alternative when developing the manner of assessing fees on the industry." We appreciate the Board's efforts in devising a fee schedule that is the least burdensome alternative to the regulated community. However, several commentators have made suggestions on how the Board's estimated annual cost of \$2.5 million to fund the nonmining coal program could be reduced. We ask the Board to consider implementing the suggestions of the commentators, thus reducing the economic impact this rulemaking will have on the regulated community.

2. Annual administration fee—Implementation procedures; Clarity.

The annual administration fee is defined under § 77.1, relating to definitions, as: "A nonrefundable filing fee assessed on an annual basis for the cost to the Department of inspecting a permitted activity or facility in order to administer the permit." Subsection § 77.106(f) lists eight different types of permits that would be subject to the annual administration fee. A commentator has stated that each mining facility could have several permits. Under this rulemaking, could a mining facility be subject to more than one annual administration fee, or is the fee only applicable to the facility? This should be clarified in the final-form rulemaking.

*Pennsylvania Public Utility Commission, Bureau of
Transportation and Safety v. Blue & White USA, Inc.,
t/a Altoona USA & Transfer;
Doc. No. C-2010-2189008, A-00119928*

COMPLAINT

The Pennsylvania Public Utility Commission (Commission) is a duly constituted agency of the Commonwealth of Pennsylvania empowered to regulate public utilities within the Commonwealth. The Commission has delegated its authority to initiate proceedings which are prosecutory in nature to the Bureau of Transportation and Safety and other bureaus with enforcement responsibilities. Pursuant to that delegated authority and Section 701 of the Public Utility Code, the Bureau of Transportation and Safety Prosecutory Staff hereby represents as follows:

1. That Blue & White USA, Inc., t/a Altoona USA & Transfer, respondent, maintains its principal place of business at 1024 Chestnut Avenue, Altoona, PA 16601.
2. That respondent was issued a certificate of public convenience by this Commission, for
3. Call or Demand service, on August 8, 2005, at Application Docket No. A-00119928.
4. That on June 25, 2010, a driver vehicle inspection was performed on respondent by Enforcement Officer Ernest R. Snyder of the Commission's Altoona District

Office, a duly authorized officer of this Commission. The information contained in this complaint was obtained during said inspection.

5. That respondent, on June 25, 2010, at approximately 2:20 p.m., at 1014—1024 Chestnut Avenue, Altoona, PA, presented a certain 2004 Ford taxi, bearing License No. TX45689, Vehicle Identification No. 2FAHP71W14X128531, driven by Ross J. Miller. During said inspection the following violations were discovered:

a. Driver's log sheet demonstrated two trips where a flat rate was charged in lieu

b. of the rates posted in the respondent's officially filed tariff. Each of the two trips resulted in an overcharge of approximately \$6.30.

c. Both rear tires exhibited less than 2/32" tread remaining in two adjacent tread groves.

6. That respondent, by charging a rate greater than that authorized by its tariff, violated 52 Pa. Code § 29.316(a) and 66 Pa.C.S. § 1303. The Bureau of Transportation and Safety Motor Carrier Services and Enforcement's Prosecutory staff's proposed civil penalty is \$500.00 per violation for a total proposed penalty of \$1,000.

7. That respondent, by failing to have tires in safe operating condition installed, violated 52 Pa. Code § 29.402(1) and 67 Pa.C.S. § 175.65(a). The Bureau of Transportation and Safety Motor Carrier Services and Enforcement's Prosecutory staff's proposed civil penalty for this violation is \$100.00.

Wherefore, the Bureau of Transportation and Safety Prosecutory Staff hereby Requests that the Commission fine Blue & White USA, Inc., t/a Altoona USA & Transfer the sum of one-thousand, one-hundred dollars (\$1,100.00) for the illegal activity described in this complaint and order such other remedy as the Commission may deem to be appropriate.

Respectfully submitted,

Wendy J. Keezel, Chief of Enforcement
Motor Carrier Services & Enforcement Division
Bureau of Transportation and Safety
P. O. Box 3265
Harrisburg, PA 17105-3265

VERIFICATION

I, Wendy J. Keezel, Chief of Enforcement for the Motor Carrier Services and Enforcement Division of the Bureau of Transportation and Safety, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief and that I expect the Bureau will be able to prove the same at any hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 relating to unsworn falsification to authorities.
