

PROPOSED RULEMAKING

GAME COMMISSION

[58 PA. CODE CH. 147]

Special Permits; Mentored Youth Hunting Program Permit

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission) proposed at its September 25, 2012, meeting to amend § 147.804 (relating to general) to allow a mentor to transfer a valid Deer Management Assistance Program (DMAP) permit issued to him to an eligible mentored youth upon the harvest of an antlerless deer.

The proposed rulemaking will not have an adverse impact on the wildlife resources of this Commonwealth.

The authority for the proposed rulemaking is 34 Pa.C.S. (relating to Game and Wildlife Code) (code).

The proposed rulemaking was made public at the September 25, 2012, meeting of the Commission. Comments can be sent, until January 22, 2013, to the Director, Information and Education, Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797.

1. Purpose and Authority

Sporting organizations and other interested groups have continued to express an interest in having the Commission expand mentored youth hunting opportunities within this Commonwealth. These groups are currently supporting an amendment to § 147.804 to permit the transfer of no more than one DMAP permit to a mentored youth hunter per license year. This will not significantly increase antlerless deer harvest and is consistent with the goal of providing additional mentored youth hunting opportunity.

Section 2711(a.1) of the code (relating to unlawful acts concerning licenses) states that "For the sole purpose of implementing and enhancing a mentored youth hunting program within this Commonwealth, the commission may establish regulations exempting certain limited youth hunting activities from the prohibitions specified in subsection (a)(1), (3), (5) and (8)." Section 2102(a) of the code (relating to regulations) provides that "The commission shall promulgate such regulations as it deems necessary and appropriate concerning game or wildlife and hunting or furtaking in this Commonwealth, including regulations relating to the protection, preservation and management of game or wildlife and game or wildlife habitat, permitting or prohibiting hunting or furtaking, the ways, manner, methods and means of hunting or furtaking, and the health and safety of persons who hunt or take wildlife or may be in the vicinity of persons who hunt or take game or wildlife in this Commonwealth." The amendment to § 147.804 is proposed under this authority.

2. Regulatory Requirements

The proposed rulemaking will amend § 147.804 to allow a mentor to transfer a valid DMAP permit issued to him to an eligible mentored youth upon the harvest of an antlerless deer.

3. Persons Affected

Persons wishing to hunt antlerless deer within this Commonwealth under the Mentored Youth Hunting Program will be affected by the proposed rulemaking.

4. Cost and Paperwork Requirements

The proposed rulemaking may result in some additional cost and paperwork associated with the effects transferring tags will have on the Pennsylvania Automated License System. However, the Commission has determined that if there is additional expense associated with this effort, it will not be substantial and would be absorbed by the current budget.

5. Effective Date

The proposed rulemaking will be effective upon final-form publication in the *Pennsylvania Bulletin* and will remain in effect until changed by the Commission.

6. Contact Person

For further information regarding the proposed rulemaking, contact Richard R. Palmer, Director, Bureau of Wildlife Protection, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, (717) 783-6526.

PENNSYLVANIA GAMING CONTROL BOARD

[58 PA. CODE CHS. 461a, 463a, 464a, 465a, 607a,
627a, 629a, 631a AND 633a]

Slot Machine and Table Game Device Testing and Control; Possession of Slot Machines and Fully Automated Electronic Gaming Tables; Slot Machine Tournaments; Accounting and Internal Controls; Possession of Table Game and Table Game Devices; Rules of Play

The Pennsylvania Gaming Control Board (Board), under the general authority in 4 Pa.C.S. § 1202(b)(30) (relating to general and specific powers) and the specific authority in 4 Pa.C.S. §§ 1207(3), (6), (9), (21) and 13A02(1), (2) and (4) (relating to regulatory authority of board; and regulatory authority), proposes to amend Chapters 461a, 463a, 465a, 627a, 629a, 631a and 633a and add Chapters 464a and 607a (relating to slot machine tournaments; and possession of table games and table game devices) to read as set forth in Annex A.

Purpose of the Proposed Rulemaking

This proposed rulemaking will amend the requirements for the termination, transfer or modification of progressive jackpots, require operators to provide monthly table game device master lists to the Bureau of Gaming Laboratory Operations (Bureau), codify Board policy on slot machine tournaments and add an additional side wager to the Baccarat games.

§ 461a.1. Definitions

The definitions proposed to be added in this section are moved from § 461a.12 (relating to progressive slot machines).

§ 461a.8. Gaming vouchers

Although operators are required to file a report with the State Treasurer regarding old gaming vouchers that have escheated to the Commonwealth, the proposed amendments do not require operators to submit a copy of that report to the Board.

§ 461a.12. Progressive slot machines

The definitions of “progressive slot machine” and “wide area progressive system” are proposed to be moved from subsection (a) to § 461a.1 (relating to definitions) as these definitions are applicable to all sections in the chapter. Subsections (b)—(f) and (h) are proposed to be amended for clarity.

Proposed amendments to subsection (k)(4) require operators to receive written approval from the Bureau prior to transferring the progressive jackpot. Additionally, operators may transfer progressive jackpots to machines with a similar probability of winning.

Proposed amendments to subsection (k)(5) state that if a transfer cannot be made slot machine licensees may remove the progressive functionality, change the game theme or permanently remove the machine from the gaming floor. This section is proposed to be amended to ensure that progressive jackpots are not taken off the gaming floor if they can be transferred and not without prior approval from the Bureau. Additionally, proposed subsection (l) ensures that progressive jackpots that are removed are not simply returned to the gaming floor with

lower reset amounts within a short period of time after removal. The remaining sections are renumbered.

§ 461a.26. Testing and software installation on the live gaming floor

The Board proposes to add four types of electronic devices that require Bureau testing and approval prior to placement on the live gaming floor.

Chapter 463a. Possession of slot machines and fully automated electronic gaming tables

This chapter addresses the requirements for the possession and of slot machines in this Commonwealth. Fully automated electronic gaming tables, which are more similar to slot machines than other types of table games, are proposed to be added to the requirements in this chapter. Operators will be required to include fully automated electronic gaming tables to the slot machine master device list which operators are required to submit to the Bureau monthly.

Chapter 464a. Slot machine tournaments

This proposed chapter codifies a Board policy known to the industry as § 461b.4. This policy was not published in the *Pennsylvania Bulletin*. The policy allowing operators to conduct tournaments was submitted to the industry on November 23, 2011, and was subsequently updated to allow for the charging of fees. This chapter reflects the current policy, submitted to the industry on March 21, 2012, without substantive revisions.

Operators shall submit a notice of intent to conduct a tournament to the Board as well as the Department of Revenue (Department) 10 days prior to the start of the tournament. In accordance with statutory provisions, operators may charge a fee to enter tournaments provided that the revenue generated is reported to the Department. Operators have discretion to establish rules of entry and prize structures provided that the rules are specified in the notice and provided to patrons who participate in the tournament. Currently eight slot machine licensees offer slot tournaments.

§ 465a.2. Internal control systems and audit protocols

A minor proposed amendment updates the name of the form that operators complete when submitting updated internal controls. Additionally, the language regarding the submission of changes to internal controls to the Department is proposed to be deleted. The Department is sent only initial internal control submissions prior to a casino opening.

§ 465a.19. Acceptance of tips or gratuities from patrons

Proposed language in subsection (d) allows dealers to accept as a tip a winning wager that a patron has identified as a tip prior to play provided that the tip shall be collected and deposited after the round of play or after a roll of the dice in craps that decides the outcome of the wager. A dealer is not allowed to subsequently wager a winning tip.

§ 465a.33. Access to areas containing central control computer equipment

A minor amendment is proposed to the key control requirements for access to the central control computer system.

Chapter 607a. Possession of table games and table game devices

This proposed chapter addresses the possession of table games and table game devices. This chapter is similar to Chapter 463a (relating to possession of slot machines and

fully automated electronic gaming tables). Section 607a.1 (relating to transportation of table games and table game devices into, within and out of this Commonwealth) requires persons transporting table games or table game devices to notify the Bureau and the Bureau of Casino Compliance that equipment is being shipped. Section 607a.2 (relating to table game device master list) requires operators to provide a monthly table game master list for certain table game equipment enumerated in subsection (a).

Section 607a.3 (relating to off premises storage of table games and table game devices) requires operators to obtain approval prior to storing table games or table game devices in locations other than the licensed facility. These provisions are consistent with the requirements applicable to slot machines.

Chapter 627a. Minibaccarat

Chapter 629a. Midibaccarat

Chapter 631a. Baccarat

Panda 8, a new side wager, is proposed to be added for the Baccarat type games. The sections on layout, wager and payout odds are proposed to be amended accordingly.

§ 633a.13. *Payout odds; payout limitation*

The payout table applicable to the hit and run progressive wager for Blackjack is proposed to be corrected in subsection (1)(1).
