READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania Bulletin* before it can take effect. If the agency

wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacode.com.

Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred. The *Pennsylvania Bulletin* is available at www.pabulletin.com.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

THE GOVERNOR

Proclamation of Disaster Emergency

October 26, 2012

Whereas, ongoing monitoring and projections made at my direction by the National Weather Service have disclosed that Hurricane Sandy is going to strike the Commonwealth of Pennsylvania; and

Whereas, Hurricane Sandy has the potential to cause widespread and heavy rains and high winds throughout the Commonwealth of Pennsylvania, which in turn poses a serious threat of flooding and other adverse impacts throughout the Commonwealth; and

Whereas, Hurricane Sandy's potentially heavy rains, high winds, and risk of flooding may result in extensive damage to roads, streets, bridges, private homes, businesses, and may cause other adverse impacts upon the general population of Pennsylvania; and

Whereas, Hurricane Sandy may combine with approaching frontal systems to create heavy snowfall, particularly in higher elevations; and

Whereas, these storm conditions have the potential to cause extensive power outages, road closures, community public safety delays, property damage and other significant adverse impacts throughout the Commonwealth; and

Whereas, the emergency situation caused by Hurricane Sandy and associated weather events may be of such magnitude or severity as to render essential the Commonwealth's supplementation of county and municipal efforts and resources and the activation of all applicable state, county and municipal emergency response plans;

Now Therefore, pursuant to the provisions of Subsection § 7301(c) of the Emergency Management Services Code (35 Pa.C.S. Section § 7101 et seq.) I do hereby proclaim the existence of a disaster emergency in the Commonwealth and authorize and direct that the Pennsylvania Emergency Management Agency Director or designee assume command and control of all statewide emergency operations and that all Commonwealth departments and agencies, under the direction of the Pennsylvania Emergency Management Agency Director or designee, utilize all available resources and personnel as is deemed necessary to cope with the magnitude and severity of this emergency situation.

Further, I hereby transfer up to \$5,000,000 in unused appropriated funds to the Pennsylvania Emergency Management Agency. The aforementioned funds shall be used for disaster-related expenses incurred by various state agencies and departments. These funds shall be credited to a special account established by the Office of the Budget. All Commonwealth agencies purchasing supplies or services or construction in response to this emergency are authorized to utilize the emergency procurement procedures set forth in Section 516 of the Commonwealth Procurement Code, 62 Pa.C.S. Section 516. This Proclamation shall serve as the written determination of the basis for the emergency under Section 516; and

Further, I hereby direct the Pennsylvania Emergency Management Agency to staff the State Emergency Operations Center for the duration of this emergency situation and to augment it with personnel from other state agencies and departments. I also authorize the Agency to direct and coordinate the emergency response, recovery, and mitigation activities of other state agencies and departments as deemed necessary to deal with the exigencies of this impending disaster emergency through implementation of the State Emergency Operations Plan; and

Further, I hereby authorize the Secretary of Transportation to use all available equipment, resources, and personnel of the Department, in whatever manner that he deems necessary, to ensure that all state highways in the areas that may be affected by the disaster are cleared of

debris and any other obstructions resulting from this severe storm and to ensure that highways, bridges, roadbeds, and related facilities and structures, including federal-aid highways, that may sustain damage in the disaster affected areas are immediately repaired, maintained, reconstructed, or replaced, or that new construction is undertaken where necessary. In addition, I hereby waive any laws or regulations that would restrict the application and use of the Department's equipment, resources, and personnel to assist local jurisdictions in the repairs and clearing and removal of debris and other types of obstructions from non-state-owned highways. This assistance to local jurisdictions may be provided solely at the discretion of the Secretary of Transportation. This assistance, however, does not apply to privately owned highways, roads, streets, or other types of property. I hereby authorize the Secretary of Transportation, in his sole discretion, to waive any provision of the Vehicle Code or any other law or regulation which he is authorized by law to administer or enforce as may be necessary to respond to this impending disaster emergency; and

Further, if investigations made on my behalf determine that the Commonwealth is in need of greater flexibility in the application of state and federal motor carrier regulations to accommodate truck drivers in the finding and transporting of fuel, food or other commodities across the state to provide emergency relief during this disaster emergency situation, I hereby direct the Department of Transportation to waive any laws or Federal or state regulations related to drivers of commercial vehicles; and

Further, pursuant to the powers vested in me by the Constitution and laws of this Commonwealth (51 Pa.C.S. § 508), I hereby authorize the Adjutant General of Pennsylvania to place on state active duty for the duration of this disaster emergency proclamation, such individuals and units of the Pennsylvania National Guard, as requested by the Pennsylvania Emergency Management Agency, to alleviate the danger to public health and safety caused by this impending disaster emergency; and

Further, I hereby authorize the Commissioner of the Pennsylvania State Police, in coordination with the Pennsylvania Emergency Management Agency Director or designee, to use all available resources and personnel of the Department, in whatever manner he deems necessary, to aid in the recovery aspects related to all interstate, other federal and state highways in the Commonwealth to address this impending disaster emergency; and

Further, I hereby direct that the emergency response, recovery, and mitigation aspects of the Commonwealth and all applicable county, municipal, and other emergency response plans be activated and that all state, county, and municipal actions taken to implement those plans be coordinated through the Pennsylvania Emergency Management Agency; and

Further, I hereby suspend the provisions of any other regulatory statute prescribing the procedures for conduct of Commonwealth business, or the orders, rules or regulations of any Commonwealth agency, if strict compliance with the provisions of any statute, order, rule or regulation would in any way prevent, hinder, or delay necessary action in coping with this impending disaster emergency. All Commonwealth agencies may implement their emergency assignments without regard to procedures required by other laws, except mandatory constitutional requirements, pertaining to the performance of public work, entering into contracts, incurring of obligations, employment of temporary workers, rental of equipment, purchase of supplies and materials, and expenditures of public funds; and

Still Further, I hereby urge the governing bodies and executive officers of all political subdivisions that may be affected by this emergency to act as necessary to meet the current exigencies as legally authorized under this proclamation, including by the employment of temporary workers; by the rental of equipment; and by entering into such contracts and agreements as may be required to meet the emergency, all without regard to those time-consuming procedures and formalities normally prescribed by law, mandatory constitutional requirements excepted.

Given under my hand and the Seal of the Governor, at the City of Harrisburg, this twenty-sixth day of October in the year of our Lord two thousand twelve, and of the Commonwealth the two hundred and thirty-seventh.

A handwritten signature in cursive script, reading "Tom Corbett".

THE COURTS

Title 204—JUDICIAL SYSTEM GENERAL PROVISIONS

PART V. PROFESSIONAL ETHICS AND CONDUCT [204 PA. CODE CHS. 87, 89, 91 AND 93]

Amendments to Rules of Organization and Procedure of the Disciplinary Board of the Supreme Court of Pennsylvania; Order No. 74

The Rules of Organization and Procedure of the Board have been drafted to restate in full the substance of the Pennsylvania Rules of Disciplinary Enforcement. By Order dated June 4, 2012, the Supreme Court of Pennsylvania amended Pa.R.D.E. 204, 205, 212, 216, 217, 218 and 219, respectively. By this Order, the Board is making conforming changes to its Rules to reflect the adoption of those amendments. This order also makes some minor corrections, such as changing the term Chairman to Chair or chairperson in some cases.

The Disciplinary Board of the Supreme Court of Pennsylvania finds that:

(1) To the extent that 42 Pa.C.S. § 1702 (relating to rule making procedures) and Article II of the act of July 31, 1968 (P.L. 769, No. 240), known as the Commonwealth Documents Law, would otherwise require notice of proposed rulemaking with respect to the amendments adopted hereby, those proposed rulemaking procedures are inapplicable because the amendments adopted hereby relate to agency procedure and are perfunctory in nature.

(2) The amendments to the Rules of Organization and Procedure of the Board adopted hereby are not inconsistent with the Pennsylvania Rules of Disciplinary Enforcement and are necessary and appropriate for the administration of the affairs of the Board.

The Board, acting pursuant to Pa.R.D.E. 205(c)(12), orders:

(1) Title 204 of the *Pennsylvania Code* is hereby amended as set forth in Annex A hereto.

(2) The Secretary of the Board shall duly certify this Order, and deposit the same with the Administrative Office of Pennsylvania Courts as required by Pa.R.J.A. 103(c).

(3) The amendments adopted hereby shall take effect upon publication in the *Pennsylvania Bulletin*.

(4) This Order shall take effect immediately.

By The Disciplinary Board of the
Supreme Court of Pennsylvania

ELAINE M. BIXLER,
Secretary

Subchapter F. REINSTATEMENT AND RESUMPTION OF PRACTICE

REINSTATEMENT OF FORMERLY ADMITTED ATTORNEYS

§ 89.271. Reinstatement only by Court order.

Enforcement Rule 218(a) provides that an attorney may not resume practice until reinstated by order of the Supreme Court after petition pursuant to Rule 218 if the attorney was:

- (1) suspended for a period exceeding one year;
- (2) retired, on inactive status or on administrative suspension [**for more than**] **if the formerly admitted attorney has not been on active status at any time within the past three years;**

* * * * *

§ 89.273. Procedures for reinstatement.

(a) Enforcement Rule 218(c) provides that the procedure for petitioning for reinstatement from suspension for a period exceeding one year or disbarment is as follows:

* * * * *

(3) The hearing committee shall promptly schedule a hearing at which a disbarred or suspended attorney shall have the burden of demonstrating by clear and convincing evidence that such person has the moral qualifications, competency and learning in law required for admission to practice law in this Commonwealth and that the resumption of the practice of law within the Commonwealth by such person will be neither detrimental to the integrity and standing of the bar or the administration of justice nor subversive of the public interest. When the petitioner-attorney is seeking reinstatement from disbarment, the threshold inquiry articulated in *Office of Disciplinary Counsel v. Keller*, 509 Pa. 573, 579, 506 A.2d 872, 875 (1986) and its progeny applies.

Official Note: The requirement that a hearing be scheduled “promptly” means that a hearing should ordinarily be held within 60 days after the petition for reinstatement has been filed with the Board and the response from Disciplinary Counsel has been received, unless the [**chairman**] **chair** of the hearing committee extends that time for good cause shown.

* * * * *

(b) Enforcement Rule 218(d) provides that the procedure for petitioning for reinstatement from retired status for more than three years[,]; inactive status for more than three years [**or**]; administrative suspension for more than three years[,]; **retired status, inactive status or administrative suspension if the formerly admitted attorney has not been on active status at any time within the past three years;** or after transfer to inactive status as a result of the sale of a law practice pursuant to Rule 1.17 of the Pennsylvania Rules of Professional Conduct, is as follows:

* * * * *

(d) *Attorneys suspended for less than one year.* Enforcement Rule 218(g) provides that:

(1) Upon the expiration of any term of suspension not exceeding one year and upon the filing thereafter by the formerly admitted attorney with the Board of a verified statement showing compliance with all the terms and conditions of the order of suspension and of Chapter 91 Subchapter E (relating to formerly admitted attorneys), the Board shall certify such fact to the Supreme Court, which shall immediately enter an order reinstating the formerly admitted attorney to active status, unless such person is subject to another outstanding order of suspension or disbarment.

(2) Paragraph (1) of this subsection shall not be applicable and a formerly admitted attorney shall be subject instead to the other provisions of this rule requiring the filing of a petition for reinstatement, if:

(i) other formal [**diciplinary**] **disciplinary** proceedings are then pending or have been authorized against the formerly admitted attorney;

(ii) the formerly admitted attorney has been on **retired status**, inactive status or administrative suspension for more than three years; [**or**]

(iii) **the formerly admitted attorney has not been on active status for more than three years due to a combination of retired status, inactive status, administrative suspension and/or a term of suspension not exceeding one year and had not been on active status at any time within the three-year period preceding the entry of the order; or**

(iv) the order of suspension has been in effect for more than three years.

(3) A verified statement may not be filed under paragraph (1) until the formerly admitted attorney has paid in full any costs taxed under § 89.209 (relating to expenses of formal proceedings) and has made any required restitution to the Lawyers Fund for Client Security under Enforcement Rule 531 (relating to restitution a condition for reinstatement).

(e) *Attorneys on inactive status, retired status or administrative suspension for three years or less.* Enforcement Rule 218(h) provides that attorneys who have been on inactive status, retired status or administrative suspension for three years or less may be reinstated **to the roll of those classified as active** pursuant to § 93.145 (relating to **reinstatement of** administratively suspended attorneys), § 93.146 (relating to [**voluntarily**] **resumption of active status** by retired or inactive attorneys), and § 93.112(c) (relating to reinstatement upon payment of taxed costs), as [**applicable**] **appropriate**. This subsection (e) does not apply to [**any**]:

(1) **a formerly admitted attorney who, on the date of the filing of the request for reinstatement, had not been on active status at any time within the preceding three years; or**

(2) **an attorney who has sold his or her practice pursuant to Rule 1.17 of the Pennsylvania Rules of Professional Conduct.**

RESUMPTION OF PRACTICE

§ 89.285. Resumption of practice by justices and judges.

* * * * *

(b) *Notice.* Enforcement Rule 219(n) further provides that the notice shall:

* * * * *

(iii) be accompanied by payment of the full annual fee for the [**assessment**] **registration** year in which the notice is filed.

CHAPTER 91. MISCELLANEOUS MATTERS

(i) A copy of the final adjudication described in [**paragraph (a)**] **subdivision (1)**.

(ii) An order directing that the respondent-attorney inform the Court within 30 days from service of the notice, of any claim by the respondent-attorney that the imposition of the identical or comparable discipline or disability inactive status in the Commonwealth would be unwarranted, and the reasons therefor. The Office of the Secretary shall cause this notice to be served upon the respondent-attorney by mailing it to the address furnished by the respondent-attorney in the last registration

statement filed by such person in accordance with § 93.142(b) (relating to filing of annual fee form by attorneys) or, in the case of a foreign legal consultant, by serving it pursuant to the designation filed by the foreign legal consultant under Pennsylvania Bar Admission Rule 341(b)(8) (relating to licensing of foreign legal consultants).

* * * * *

(b) *Special masters.* Enforcement Rule 205(c)(4) provides that the expenses and compensation of special masters shall be paid as a cost of disciplinary administration and enforcement. See § 93.141(a) (relating to annual [**assessment**] **registration**).

forcement under the Enforcement Rules, and for such other purposes as the Board shall, with the approval of the Supreme Court, from time to time determine.

* * * * *

§ 93.142. Filing of annual fee form by attorneys.

(a) *Transmission of form.* Enforcement Rule 219(c) provides that on or before May 15 of each year the Attorney Registration Office shall transmit [**by ordinary mail to all persons**] **to all attorneys** required by the rule to pay an annual fee, **except those attorneys who have elected electronic filing**, a form required by subsection (b) of this section; **and that on or before May 15 of each year subsequent to the year in which an attorney elects electronic filing, the Attorney Registration Office shall transmit to such attorney a notice by e-mail to register by July 1.**

(b) *Filing of annual fee form.* Enforcement Rule 219(d) provides that on or before July 1 of each year all [**persons**] **attorneys** required by the rule to pay an annual fee shall file with the Attorney Registration Office a signed **or electronically endorsed** form prescribed by the Attorney Registration Office in accordance with the following procedures:

(1) The form shall set forth:

(i) The date on which the attorney was admitted to practice, licensed as foreign legal consultant, granted limited admission as an attorney participant in defender and legal services programs pursuant to Pa.B.A.R. 311, or issued a Limited In-House Corporate Counsel License, and a list of all courts (except courts of this Commonwealth) and jurisdictions in which the person has ever been license' to practice law, with the current status thereof.

(ii) The current residence and office addresses of the attorney, each of which shall be an actual street address or rural route box number, and the Attorney Registration Office shall refuse to accept a form that sets forth only a post office box number for either required address. A preferred mailing address different from those addresses may also be provided on the form and may be a post office box number. The attorney shall indicate which of the addresses, the residence, office or mailing address, **as well as telephone and fax number** will be accessible through the website of the Board (<http://www.padisiplinaryboard.org/>) and by written or oral request to the Board. **Upon an attorney's written request submitted to the Attorney Registration Office and for good cause shown, the contact information provided by the attorney will be nonpublic information and will not be published on the Board's website or otherwise disclosed.**

Official Note: The Note to Enforcement Rule 219(d)(1)(ii) explains that public web docket sheets will show the attorney's address as entered on the court docket.

(iii) The name of each financial institution in Pennsylvania in which the attorney on May 1 of the current year or at any time during the preceding 12 months held funds of a client or a third person subject to Rule 1.15 of the Pennsylvania Rules of Professional Conduct. The form provided to a person holding a Limited In-House Corporate Counsel License or a Foreign Legal Consultant License need not request the information required by this subparagraph.

(iv) A certification reading as follows: "I certify that all Trust Accounts that I maintain are in financial institutions approved by the Supreme Court of Pennsylvania for the maintenance of such accounts pursuant to Pennsylvania Rule of Disciplinary Enforcement 221 (relating to mandatory overdraft notification) and that each Trust Account has been identified as such to the financial institution in which it is maintained."

(vii) Such other information as the Attorney Registration Office may from time to time direct.

(2) Payment of the annual fee shall accompany the form. [**Where**] **IOLTA, trust, escrow and other fiduciary account checks tendered in payment of the annual fee will not be accepted. If the form and payment are incomplete or if a check in payment of the annual fee has been returned to the Board unpaid, the annual fee shall not be deemed to have been paid until a collection fee, and one or both of the late payment penalties prescribed in § 93.144(a)(1) and (2) of these rules if assessed,** shall also have been paid. The amount of the collection fee shall be established by the Board annually after giving due regard to the direct and indirect costs incurred by the Board during the preceding year for checks returned to the Board unpaid. On or before July 1 of each year the Office of the Secretary shall publish in the *Pennsylvania Bulletin* a notice of the collection fee established by the Board for the coming [**assessment**] **registration** year.

(a) *Action by Attorney Registration Office.* Enforcement Rule 219(f) [**and (g) provide that**] **provides that when any attorney fails to complete the registration required by §§ 93.141 and 93.142 by July 31, the Attorney Registration Office shall:**

[(1) **Transmit by ordinary mail to every attorney who fails to timely file the form and pay the annual fee required by this subchapter, addressed to the last known mailing address of the attorney, a notice stating:**

(i) **That unless the attorney shall comply with the requirements of § 93.142 (relating to filing of annual form by attorneys) within 30 days after the date of the notice, such failure to comply will be deemed a request to be administratively suspended, and at the end of such period the name of the attorney will be certified to the Supreme Court, which will enter an order administratively suspending the attorney.**

(ii) **That upon the entry of the order of administrative suspension, the attorney shall comply with Chapter 91 Subchapter E (relating to formerly admitted attorneys), and that a copy of Enforcement Rule 217 (relating to formerly admitted attorneys) shall be enclosed with the notice.**

(2) **Certify to the Supreme Court the name of every attorney who has failed to respond to a notice issued pursuant to paragraph (a)(1) within the 30 day period provided therein, and supply a copy of such certification to the Board.]**

(1) **automatically assess against the attorney a non-waivable late payment penalty established by the Board;**

(2) **automatically add to the delinquent account of any attorney who has failed to complete registration by August 31, a second, non-waivable late payment penalty established by the Board;**

(3) **after August 31, certify to the Supreme Court the name of every attorney who has failed to comply with the registration and payment requirements of §§ 93.141 and 93.142 of these rules; and**

(4) **upon the Supreme Court's entry of an order of administrative suspension as provided in subsection (b) of this rule, transmit by certified mail, addressed to the last known mailing address of the attorney, or by electronic means, the order of administrative suspension and a notice that the attorney shall comply with Enforcement Rule 217 (relating to formerly admitted attorneys), a copy of which shall be included with the notice.**

For purposes of assessing the late payment penalties prescribed by this section, registration shall not be deemed to be complete until the Attorney Registration Office receives a completed annual fee form and satisfactory payment of the annual fee and of all outstanding collection fees and late payment penalties. If a check in payment of the delinquency has been returned to the Board unpaid, a collection fee, as established by the Board under § 93.142(b)(2) of these rules, shall be added to

the attorney's delinquent account and registration shall not be deemed to be complete until the delinquent account has been paid in full.

The amount of the late payment penalties shall be established by the Board annually pursuant to the provisions of § 93.145(b) of these rules.

(b) *Action by the Supreme Court.* Enforcement Rule [219(g)] 219(f) provides that upon receipt of certification [to the Supreme Court] of the name of any attorney pursuant to paragraph [(a)(2)] (a)(3) of this section, the Supreme Court shall enter an order administratively suspending the attorney; and that the Chief Justice may delegate the processing and entry of orders under this subsection to the Prothonotary.

§ 93.145. Reinstatement of administratively suspended attorneys.

(a) *General rule.* Enforcement Rule 219(h) provides that the procedure for reinstatement of an attorney who has been administratively suspended pursuant to § 93.144(b) of these rules for three years or less [pursuant to the provisions of § 93.144(b)] is as follows:

(1) The formerly admitted attorney shall submit to the Attorney Registration Office the form required by § 93.142(b) along with payment of:

- (i) the current annual fee;
- (ii) the annual fee that was due in the year in which the attorney was administratively suspended;
- (iii) the late payment [penalty] penalties required by [paragraph] subsection (b) of this section;
- (iv) any unpaid collection fee; and
- (v) a reinstatement fee of \$300.00.

(2) Upon receipt of the annual fee form, a verified statement showing compliance with Enforcement Rule 217 (relating to formerly admitted attorneys), and the payments required by paragraph (a)(1) of this section, the Attorney Registration Office shall so certify to the Board Secretary and to the Supreme Court; and that unless the formerly admitted attorney is subject to another outstanding order of suspension or disbarment or the order has been in effect for more than three years, the filing of the certification from the Attorney Registration Office with the Prothonotary of the Supreme Court shall operate as an order reinstating the person to active status.

(3) Where a check in payment of the fees and late payment penalties has been returned to the Board unpaid, the Attorney Registration Office shall immediately return the attorney to administrative suspension, and the arrears shall not be deemed to have been paid until a collection fee, as established by the Board under § 93.142(b)(2) of these rules, shall also have been paid.

(b) *Late payment [penalty] penalties.* Enforcement Rule 219(h)(3) provides that a formerly admitted attorney who is administratively suspended [pursuant to § 93.142(b) must pay a] must pay the late payment [penalty with respect to that year] penalties incurred in the year in which the formerly admitted attorney is transferred to administrative suspension. The amount of the late payment [penalty] penalties shall be established by the Board annually after giving due regard to such factors as it considers relevant,

including the direct and indirect costs incurred by the Board during the preceding year in processing the records of attorneys who fail to timely file the form required by § 93.142(b). On or before July 1 of each year the Office of the Secretary shall publish in the *Pennsylvania Bulletin* a notice of the late payment penalty established by the Board for the coming [assessment] registration year.

§ 93.146. [Voluntarily] Selection of retired or inactive [attorneys] status and resumption of active status.

(a) *Retired Status.* Enforcement Rule 219(i) provides that:

* * * * *

(3) The retired attorney will be relieved from the payment of the fee specified in § 93.141 (relating to annual [assessment] registration).

* * * * *

(b) *Inactive Status.* Enforcement Rule 219(j) provides that:

(1) An attorney who is not engaged in practice in Pennsylvania, has sold his or her practice pursuant to Rule 1.17 of the Pennsylvania Rules of Professional Conduct, or is not required by virtue of his or her practice elsewhere to maintain active licensure in the Commonwealth may request [voluntary] inactive status or continue that status once assumed. The attorney shall file either the annual form required by § 93.142(b) and request [voluntary] inactive status or file Form DB-28 (Notice of Voluntary Assumption of Inactive Status). The attorney shall be removed from the roll of those classified as active until and unless such [person files Form DB-29 (Application for Resumption of Active Status) and is granted reinstatement to the active rolls] inactive attorney makes a request under paragraph (3) of this section for an administrative return to active status and satisfies all conditions precedent to the grant of such request; or files a petition for reinstatement under § 89.273(b) (relating to procedure for reinstatement of an attorney who has been on inactive status for more than three years, or who is on inactive status and had not been on active status at any time within the prior three years) and is granted reinstatement pursuant to the provisions of § 89.273(b) of these rules.

(2) An inactive attorney under this subsection (b) shall continue to file the annual form required by § 93.142(b) and shall pay an annual fee of \$70.00. Noncompliance with this provision will result in the inactive attorney incurring late payment penalties, incurring a collection fee for any check in payment that has been returned to the Board unpaid, and being placed on administrative suspension [after the Attorney Registration Office provides notice] in accordance with the provisions of § 93.144. [An attorney who voluntarily assumed inactive status under former subsection (a) of this rule shall continue to file the annual form and pay an annual fee of \$70.00 commencing with the next regular assessment year. Noncompliance with this paragraph will result in the inactive attorney being placed on administrative suspension after notice in accordance with the provisions of § 93.144(a)(1).]

(3) Reinstatement shall be granted, unless the inactive attorney is subject to an outstanding order of suspension or disbarment or unless the inactive

status has been in effect for more than three years, upon the payment of the active fee for the assessment year in which the Form DB-29 (Application for Resumption of Active Status) is filed or the difference between the active fee and the inactive fee that has been paid for that year, and any arrears accumulated prior to the assumption of inactive status. See § 93.145(b) (relating to late payment penalty).

(4) In transmitting the annual fee form under subsection (a) of § 93.142, the Attorney Registration Office shall include a notice of subdivision (j) of Enforcement Rule 219 (relating to request for voluntary inactive status).

Official Note: Under prior practice, an attorney who was neither retiring nor selling his or her law practice was given the option of assuming or continuing inactive status and ceasing the practice of law in Pennsylvania, and no annual fee was required. Under new paragraph (b)(2) of this section, payment of an annual fee is required to assume and continue inactive status, and failure to pay the annual fee required by § 93.146(b)(2) and file the form required by § 93.142(b) (relating to filing of annual form by attorneys) will result in an order administratively suspending the attorney.]

(3) *Administrative Change in Status from Inactive Status to Active Status:* An attorney on inactive status may request resumption of active status by filing Form DB-29 (Application for Resumption of Active Status) with the Attorney Registration Office. Resumption of active status shall be granted unless the inactive attorney is subject to an outstanding order of suspension or disbarment, unless the inactive attorney has sold his or her practice pursuant to Rule 1.17 of the Pennsylvania Rules of Professional Conduct (see § 89.273(b)), unless the inactive status has been in effect for more than three years, or unless the inactive attorney had not been on active status at any time within the preceding three years (see § 89.273(b)), upon the payment of:

(i) the active fee for the registration year in which the application for resumption of active status is made or the difference between the active fee and the inactive fee that has been paid for that year; and

(ii) any collection fee or late payment penalty that may have been assessed pursuant to § 93.144 of these rules, prior to the inactive attorney's request for resumption of active status.

Where a check in payment of the fees and penalties has been returned to the Board unpaid, the Attorney Registration Office shall immediately return the attorney to inactive status, and the arrears shall not be deemed to have been paid until a collection fee, as established by the Board under § 93.142(b)(2), shall also have been paid.

Official Note: The Note to Enforcement Rule 219(j) explains that § 93.145 (relating to reinstatement of administratively suspended attorneys) and § 93.146 (relating to resumption of active status by retired or inactive attorneys) do not apply if, on the date of the filing of the request for reinstatement, the formerly admitted attorney has not been on active status at any time within the preceding three years. See § 89.273(e)(1).

§ 93.147. Notification of suspension or inactivation.

Where administrative suspension is ordered under this Subchapter, the attorney shall comply with the requirements of Chapter 91 [of] Subchapter E (relating to formerly admitted attorneys). Public notice of such administrative suspension shall clearly state that suspension was ordered for failure to file the required annual form and pay the required annual [assessment] fee, or for failure to comply with § 93.112 (relating to failure to pay taxed expenses).

§ 93.148. [(Reserved)] Administrative Change in Status from Administrative Suspension to Inactive Status.

(a) Enforcement Rule 219(k) provides that an inactive attorney who has been administratively suspended for failure to file the annual form and pay the annual fee required by § 93.146(b)(2) of these rules, may request an administrative change in status to inactive status. The Attorney Registration Office shall change the status of an attorney eligible for inactive status under this subsection (a) upon receipt of:

(1) the annual form required by § 93.142 of these rules;

(2) payment of the annual fee required by § 93.141 of these rules;

(3) payment of all collection fees and late payment penalties assessed under § 93.142(b)(2) and § 93.144 of these rules; and

(4) payment of an administrative processing fee of \$100.00.

Where a check in payment of the fees and penalties has been returned to the Board unpaid, the Attorney Registration Office shall immediately return the attorney to administrative suspension, and the arrears shall not be deemed to have been paid until a collection fee, as established by the Board under § 93.142(b)(2), shall also have been paid.

(b) Enforcement Rule 219(k) provides that an active attorney who has been administratively suspended for failure to file the annual form required by § 93.142 and pay the annual fee required by § 93.141 must comply with § 93.145 (relating to reinstatement of administratively suspended attorneys) before becoming eligible to register as inactive or retired.

Editor's Note: The following is numbered in the *Pennsylvania Code* as § 93.148. The Disciplinary Board of the Supreme Court of Pennsylvania intended this rule to be § 93.149. It is being renumbered as follows.)

[§ 93.148. Grace period] § 93.149. (Reserved).

[Enforcement Rule 219(k) provides that on the effective date of that Rule, any attorney who is on inactive status:

(a) by order after having failed to pay the annual fee or file the form required by subdivisions (a) and (d) of Rule 219,

(b) by order pursuant to Rule 111(b), Pa.R.C.L.E., after having failed to satisfy the requirements of the Pennsylvania Rules for Continuing Legal Education,

(c) by order after having failed to pay any expenses taxed pursuant to Enforcement Rule 208(g), or

(d) by order after having failed to meet the requirements for maintaining a limited law license as a Limited In-House Corporate Counsel, a foreign legal consultant, an attorney participant in defender legal services programs pursuant to Pa.B.A.R. 311, or a military attorney,

shall have a grace period of one year, commencing on July 1 of the year in which the next annual form under § 93.142(b) is due, in which to request reinstatement to active status under an applicable provision of Rule 219, or to be reinstated to active status under Rule 218(a), as the case may be. Failure to achieve active status before the expiration of the grace period shall be deemed a request to be administratively suspended. An attorney who is on inactive status by court order will not be eligible to transfer to voluntary inactive status under § 93.146(b) until the attorney first achieves active status. During the grace period, the inactive attorney shall remain ineligible to practice law. In transmitting the annual form under § 93.142(a), the Attorney Registration Office shall include a notice of Enforcement Rule 219(k).

Official Note: Attorneys who voluntarily assumed inactive status under former § 93.146(a) are governed by the provisions of § 93.146(b). Attorneys who were transferred to inactive status by order after having failed to pay any expenses taxed pursuant to § 93.112 are governed by the provisions of that section.]

TITLE 225. RULES OF EVIDENCE

ARTICLE VIII. HEARSAY

Rule 803.1. Hearsay Exceptions; Testimony of Declarant Necessary.

The following statements, as hereinafter defined, are not excluded by the hearsay rule if the declarant testifies at the trial or hearing and is subject to cross-examination concerning the statement:

(1) Inconsistent Statement of Witness. A statement by declarant that is inconsistent with the declarant's testimony or concerns a matter the declarant cannot recall, and (a) was given under oath subject to the penalty of perjury at a trial, hearing, or other proceeding, or in a deposition, or (b) is a writing signed and adopted by the declarant, or (c) is a verbatim contemporaneous recording of an oral statement.

* * * * *

Comment

* * * * *

Pa.R.E. 803.1(1) is consistent with prior Pennsylvania case law. *See Commonwealth v. Brady*, 510 Pa. 123, 507 A.2d 66 ([Pa.] 1986) (seminal case that overruled close to two centuries of decisional law in Pennsylvania and held that the recorded statement of a witness to a murder, inconsistent with her testimony at trial, was properly admitted as substantive evidence, excepted to the hearsay rule); *Commonwealth v. Lively*, 530 Pa. 464, 610 A.2d 7 ([Pa.] 1992). To qualify as a "verbatim contemporaneous recording of an oral statement," the "recording" must be an electronic, audiotaped, or videotaped recording. *See Commonwealth v. Wilson*, 550 Pa. 518, 707 A.2d 1114 ([Pa.] 1998). Inconsistent statements of a witness that do not qualify as exceptions to the hearsay rule may still be introduced to impeach the credibility of the witness. *See Pa.R.E. 613.*

REPORT

Proposed Amendment of Rule of Evidence 803.1(1)

Courts have struggled in criminal cases with the turncoat or intimidated witness—a witness who, at the trial, testifies inconsistently with his or her prior statement or who testifies that he or she cannot remember the matters contained in a prior statement given under reliable and trustworthy circumstances. *See also* 42 Pa. B. 4131, 4153 (July 7, 2012) (Criminal Procedural Rules Committee Report discussing reported witness intimidation in the First Judicial District); *Free to Tell The Truth—Preventing and Combating Intimidation in Court: A Bench Book for Pennsylvania Judges*, (Harrisburg, Pennsylvania: Pennsylvania Commission on Crime and Delinquency, 2011).

While the current version of Pennsylvania Rule of Evidence 803.1(1) establishes a remedy for witnesses who might be inclined or persuaded to change their testimony from prior statements, the Rule does not explicitly address claims of memory loss. In the absence of such specificity, the bench and bar are required to consider the common law to determine matters of admissibility when a witness asserts a failed recollection of matters contained in prior statements.

In *Commonwealth v. Reid*, 533 Pa. 508, 626 A.2d 118 (1993), a victim of a gunshot gave police three statements

identifying the defendant as the shooter. At trial, the witness-victim denied the defendant was the perpetrator and claimed that he could not remember many of the questions or his answers given in his prior statements. See also *Commonwealth v. Bibbs*, 970 A.2d 440 (Pa. Super. 2009) (citing *Commonwealth v. Sherman*, 488 A.2d 348, 350 (Pa. 1985)) (partial memory loss allows witness' prior inconsistent statements to be admitted as substantive evidence). The Court held that his prior statements were admissible as substantive evidence. See also *Commonwealth v. Burgos*, 530 Pa. 473, 610 A.2d 11, 14 (1992) (quoting *Commonwealth v. Brady*, 510 Pa. 123, 507 A.2d 66 (1986)). Although the corresponding Federal Rule of Evidence, F.R.E. 801(d)(1), is not identical to Pennsylvania Rule of Evidence 803.1(1), some federal courts have adopted a similar approach to claimed memory loss and inconsistent statements. See, e.g., *U.S. v. Dennis*, 625 F.2d 782, 795 (8th Cir. 1980) (“[I]nconsistency is not limited to diametrically opposed answers but may be found in evasive answers, inability to recall, silence, or changes of position.”); *U.S. v. Gajo*, 290 F.3d. 922, 930-932 (7th Cir. 2002).

The Committee has endeavored to propose an amendment to Rule 803.1(1) codifying the case law by incorporating claimed memory loss into the inconsistent statement hearsay exception:

Inconsistent Statement of Witness. A statement by declarant that is inconsistent with the declarant's testimony or concerns a matter the declarant cannot recall, and (a) was given under oath subject to the penalty of perjury at a trial, hearing, or other proceeding, or in a deposition, or (b) is a writing signed and adopted by the declarant, or (c) is a verbatim contemporaneous recording of an oral statement.

The Committee acknowledges that some jurisdictions have attempted to parse claimed memory loss into two further categories, which can be described as genuine versus feigned memory loss, with the latter resulting in the admission of the prior statements as inconsistent with present testimony. See, e.g., *U.S. v. Mornan*, 413 F.3d 372, 379 (3d Cir. 2005); *State v. Just*, 675 P.2d 1353, 1365 (Az. Ct. 1984); *Corbett v. State*, 746 A.2d 954, 960-964 (Md. App. 2000). The proposed amendment does not distinguish between feigned and genuine memory loss.

The Court has previously held that hearsay declarations under circumstances such as Rule 803.1(1)(a), (b), and (c) “are demonstrably reliable and trustworthy.” *Commonwealth v. Lively*, 530 Pa. 464, 471, 610 A.2d 7, 10 (1992); see also *Commonwealth v. Chmiel*, 558 Pa. 478, 503, 738 A.2d 406, 419 (1999) (describing *Lively* as holding that a prior inconsistent statement of a non-party witness may be used as substantive evidence only if it was given under highly reliable circumstances); *Commonwealth v. Hanible*, ___ Pa. ___, ___ n. 15, 30 A.3d 426, 445 n. 15 (2011) (describing Rule 803.1(1) as mirroring *Lively*).

Further, a witness with a failed recollection is still available to be cross-examined, including “the very fact that he has a bad memory.” *U.S. v. Owens*, 484 U.S. 554, 559 (1988) (discussing in terms of the Confrontation Clause that a claimed lack of memory does not deny the opportunity to cross-examine); *Commonwealth v. Mollett*, 5 A.3d 291, 308 (Pa. Super. 2010) (same); see also *Commonwealth v. Brown*, ___ A.3d ___, 2012 WL 3570661 (Pa. 2012) (discussing the availability of the declarant of a prior statement, later recanted at trial, for cross-examination).

The Committee observes that Rule 803.1(3) serves a complementary purpose when the memory of a witness, who cannot independently recall a prior statement, can be refreshed with the prior statement. See Pa.R.E. 612. If the witness continues to have insufficient recollection, then the proponent can offer the prior statement as a recorded recollection, provided the witness vouches for the accuracy of the written memorandum. See Pa.R.E. 803.1(3); *Commonwealth v. Cargo*, 498 Pa. 5, 10, 444 A.2d 639, 641 (1982). As an aside, it should be noted that Rule 803.1(3) does not distinguish between feigned or genuine memory loss.

The operative effect of proposed Rule 803.1(1) is to permit the admission of certain prior statements (e.g., previously given under oath at a proceeding, signed and adopted by declarant, or a verbatim contemporaneous record) regardless of whether the witness can vouch for their accuracy given the reliability ascribed to the manner of memorialization.

Notwithstanding the inherent reliability of the prior statements, the Committee recognizes that the prior statements would need to be authenticated if the declarant is unwilling or unable to do so as witness. Absent the declarant's testimony, authentication is intended to assure that the prior statement is what the proponent claims. See, e.g., Pa.R.E. 901(a).

Of course, nothing in this Rule is intended to preclude a challenge to a witness' competency to testify because of mental condition or immaturity that has impaired memory. See Pa.R.E. 601(b)(3); see also, e.g., *Commonwealth v. Counterman*, 553 Pa. 370, 393, 719 A.2d 284, 295-296 (1998); *Commonwealth v. Boich*, 982 A.2d 102, 109-110 (Pa. Super. 2009).

And Now, this 17th day of October, 2012, upon the recommendation of the Civil Procedural Rules Committee; the proposal having been submitted without publication pursuant to Pa.R.J.A. No. 103(a)(3):

It Is Ordered pursuant to Article V, Section 10 of the Constitution of Pennsylvania that Rule 1042.72 of the Pennsylvania Rules of Civil Procedure is rescinded in the following form.

This *Order* shall be processed in accordance with Pa.R.J.A. No. 103(b), and shall be effective immediately.

Annex A
TITLE 231. RULES OF CIVIL PROCEDURE
PART I. GENERAL
CHAPTER 1000. ACTIONS
Subchapter B. ACTION IN TRESPASS
PRE-TRIAL CONFERENCE

Rule 1042.72. [**Medical Professional Liability Actions. Motion for Post-Trial Relief. Excessive Damage Award for Noneconomic Loss**] (Rescinded).

[(a) In a medical professional liability action in which the trier of fact has made separate findings specifying the amount of noneconomic loss, any defendant may include in a motion for post-trial relief under Rule 227.1 the ground that the damage award for noneconomic loss is excessive.

Official Note: A damage award for noneconomic loss does not include amounts awarded for medical and other related expenses, loss of earnings or earning capacity, or punitive damages.

(b) A damage award is excessive if it deviates substantially from what could be reasonable compensation. In deciding whether the award deviates substantially from what could be considered reasonable compensation, the court shall consider (1) the evidence supporting the plaintiff's claim; (2) factors that should have been taken into account in making the award; and (3) whether the damage award, when assessed against the evidentiary record, strongly suggests that the trier of fact was influenced by passion or prejudice.

Official Note: The defendant has the burden of convincing the court that the award deviates substantially from what could be reasonable compensation.

The factors that the trier of fact should take into account are those set forth in the jury instructions described in Rule 223.3.

(c) If the court finds that the damage award for noneconomic loss is excessive, the court shall remit the award. If the plaintiff declines to accept the award as remitted, the court shall grant a new trial limited to a damage award for noneconomic loss. The verdict or decision as to liability, economic damages, and punitive damages shall not be set aside under this rule.

(d) The court in granting or denying the motion shall issue an opinion which discusses the evidence and the factors taken into account in making its decision.

(e)(1) The court shall enter an order disposing of a motion, or portion thereof, raising the ground of an excessive damage award for noneconomic loss within one hundred twenty days of the filing of the motion.

(2) If an order has not been entered as required by subdivision (e)(1), the judge who is deciding the motion shall immediately file a report with the Court Administrator of Pennsylvania and his or her president judge which explains why the motion, or portion thereof, has not been decided and when a decision is anticipated.

(3) A judgment may not be entered pursuant to Rule 227.4 if a motion for post-trial relief is pending with respect to the ground that the damage award for noneconomic loss is excessive.

(f) This rule shall expire five years from its promulgation date unless continued by order of the Supreme Court.

(g) This rule shall apply to all cases for which a verdict or decision has not been rendered prior to its effective date.]

A. General Policy

It is the policy of the First Judicial District of Pennsylvania to permit the public to access, inspect and obtain electronic case records of the First Judicial District of Pennsylvania to the fullest extent legally permitted and feasible, except as provided by law, state and local rules, UJS policy, or as set forth in this policy, provided that the Court's orderly and efficient case flow is not disrupted by the request for electronic case records.

This policy does not govern access to electronic case records governed by the Electronic Case Record Public Access Policy of the Unified Judicial System of Pennsylvania (i.e. information or data created, collected, received, produced or maintained by a court or office in connection with a particular case that exists in the Pennsylvania Appellate Court Case Management System, Common Pleas Criminal Court Case Management System and Magisterial District Judge Automated System). Access to electronic case records of the Unified Judicial System of Pennsylvania is governed by the Electronic Case Record Public Access Policy of the Unified Judicial System of Pennsylvania. See <http://www.pacourts.us/T/AOPC/PublicAccessPolicy.htm>.

B. Electronic Case Record Information Excluded from Public Access

The following information in electronic case records is not accessible by the public:

- (1) social security numbers;
- (2) operator license numbers;
- (3) juror information including name, address and other contact information;
- (4) a party's street address and vehicle owner's address for Traffic Court cases, except that the city, state, and ZIP code may be released;
- (5) witness information for Traffic Court cases including name, address and other contact information;
- (6) financial institution account numbers, credit card numbers, PINS or passwords used to secure accounts;
- (7) notes, drafts, and work products related to court administration or any office that is the primary custodian of an electronic case record;
- (8) information sealed or protected pursuant to court order;
- (9) information to which access is otherwise restricted by federal law, state law, or state court rule; and
- (10) information presenting a risk to personal security, personal privacy, or the fair, impartial and orderly administration of justice, as determined by the Court Administrator with the approval of the Administrative Governing Board of the First Judicial District.

C. Correcting Data Errors to Electronic Case Record Information Maintained by the First Judicial District of Pennsylvania.

(1) A party to a case, or the party's attorney ("the requestor") seeking to correct a data error in an electronic case record shall submit a written request for correction to the court in which the record was filed. The request shall be made in forms provided from time to time by the FJD.

(2) The requestor shall set forth on the request form with specificity the information that is alleged to be in error and shall provide sufficient facts including supporting documentation that corroborates the requestor's contention that the information in question is in error. A copy of the request must be sent to all other parties in the case.

(3) Within ten (10) business days of receipt of a request, the court's (or office's) designee shall respond in writing to the requestor, and a copy of the response shall be sent to all parties to the case, in one of the following manners:

(i) the request does not contain sufficient information and facts to adequately determine what information is alleged to be error; accordingly, the request form is being returned to the requestor; and no further action will be taken on this matter unless the requestor resubmits the request with additional information and facts.

(ii) the request does not concern an electronic case record that is covered by this policy; accordingly, the request form is being returned to the requestor; no further action will be taken on this matter.

(iii) it has been determined that an error does exist in the electronic case record and that the information in question has been corrected.

(iv) it has been determined that an error does not exist in the electronic case record.

(v) the request has been received and an additional period not exceeding 30 business days is necessary to complete the review of this matter.

(4) A requestor has the right to seek review of a decision under paragraph (3)(i)—(iv) from the District Court Administrator or his/her designee, within 10 business days of the decision, on forms provided from time to time by the First Judicial District. The decision of the District Court Administrator or his/her designee constitutes the final decision of the First Judicial District.

Note: Electronic case record correction procedures for CP/MC criminal cases are established by the UJS Electronic Case Record Public Access Policy. Information and relevant forms can be found at <http://www.pacourts.us/T/AOPC/PublicAccessPolicy.htm>.

D. Request for Bulk Electronic Case Records or Data

Any request for compiled electronic case records shall be reviewed and approved on a case-by-case basis. Only information or data not excluded from public access may be provided. Any request for bulk records or data that can be compiled using an existing report format shall be granted. Any request for bulk records or data which cannot be compiled using an existing report format will only be granted if the FJD has available personnel and other resources needed to compile the information requested without disrupting the orderly and efficient case-flow and operations of the FJD. As appropriate and by agreement, the First Judicial District may restrict the commercial use and re-sale of the bulk data provided, and may impose reasonable restriction on the usage of bulk data. For instance, the First Judicial District may prohibit the continuing commercial use of judgment information unless the commercial user agrees to periodically update or refresh the information to ensure that judgments that are satisfied are not reported as unpaid, to the detriment of the debtor.

Section 3. Access to Official Case Records.

This section covers access to official case records filed with and maintained by the Prothonotary, clerks of court, or similar office or court staff pursuant to specific legal authority, regardless of whether the official case records are filed or maintained in a paper format or in an electronic format.

B. *Confidential Information in Legal Papers filed in the courts of the FJD.*

(1) Except as set forth below in subsections 2 and 3, parties and their attorneys are directed to refrain from including social security numbers and financial information in all legal papers, documents and exhibits filed with the court.

(2) If the identity of a financial institution account number, credit card account number, or debit card number must be established, only the last four digits of the number may be included in the documents and exhibits filed with the court.

(3) If inclusion of the information set forth in subsection 1 is required by law or requested by the court, a party shall file the information on a separate form

(“Confidential Information Form”), or, online in a data field clearly identified as “Confidential Information” as may be required or authorized by any applicable state or local rule. The Confidential Information submitted online, Confidential Information Form and information contained thereon shall only be accessible to the court and the parties to the case, and shall not be accessible to the public.

(4) The parties and their attorneys are solely responsible for complying with the provisions in subsections 1, 2 and 3. The Prothonotary or the appropriate clerk of court will not review any document for compliance with subsections 1, 2 and 3. A party’s or an attorney’s failure to comply with these provisions shall not affect access to official case records that are otherwise accessible, and shall not require the Prothonotary or the appropriate clerk of court to redact any data or information contained in any legal paper.

(5) The following official case records filed in the courts of the First Judicial District are not accessible to the public:

(2) *Remote Access to the Public.* The FJD is not required to provide remote access to any official case record whether maintained in whole or in part in an electronic format. 300—399. Documents and Records.

301. Papers Filed.

For purposes of this Rule, papers include pleadings, motions, petitions and orders. Nothing in this rule shall be construed contrary to any State rule.

A. Size and Color.

Papers filed in the court system of Adams County shall be eight and one-half inches by eleven inches (8 1/2 x 11) in size. Papers shall be on white or off-white stock. Exhibits to papers may be of a different color if the original does not permit compliance with this Rule.

B. Characters.

Papers should be written in ink, printed, typewritten, photocopied, mimeographed or otherwise mechanically reproduced.

C. Caption.

The caption should include the name and division of the Court, identifying case number, the names of the parties, and the title of the proceeding.

D. Orders.

Papers requiring an order shall have a proposed order attached as the first page and shall be first filed in either the Office of the Clerk of Courts or the Office of the Prothonotary. Normally, papers should then be presented to the Court Administrator for routing. Papers may also

be presented to the appropriate judge in chambers, or filed in open court, if the judge is already presiding over that litigation.

E. Prior Action.

If a paper refers to prior action taken by the Court, the paper shall identify the date the action was taken and the judge taking such action and shall have attached as an exhibit a copy of the order directing the action.

F. Backers.

The use of backers, mini-backers, toppers or other cover stock is discouraged. No substantive content of any pleading or document shall be contained on the backer, mini-backer, topper or other cover stock. G. Social Security Numbers.

No document submitted for filing to the Prothonotary's Office shall disclose the Social Security number of any person, except as specifically authorized by Rule promulgated by the Pennsylvania Supreme Court, court order, or as required by State or Federal law.

310. Records.

A. Officers.

The Prothonotary, Clerk of Courts, Recorder of Deeds and Register of Wills shall be responsible for the safekeeping of records in their respective offices.

B. Unsupervised Access to Records.

No person other than a judge, attorney admitted to practice in Pennsylvania, or persons designated by a judge or attorney may have unsupervised access to records. Attorneys shall designate which employees from their law office may have unsupervised access. The designation of law office employees must be written and filed in the appropriate office. All unsupervised access shall be limited to the Court's normal business hours and confined to the Prothonotary, Clerk of Courts or Recorder/Register's Offices where the records are stored. Attorneys and designated employees must sign an acknowledgement that they understand this Rule and will do nothing to damage or compromise the integrity of records. If the law office employee's designation is to be removed due to termination of employment or otherwise the attorney shall promptly so notify the Officer. The Officer shall periodically request updated written designations.

C. Removal of Records.

Officers may not authorize temporary removal of records for the purposes of examination and study by any person other than a judge, judicial staff, masters, auditors, court-appointed arbitrators or other court appointed persons. Officers shall require receipts and must be informed precisely where the records may be located. Any person temporarily removing the records shall authorize the Officer to seize and regain possession of the records without process or notice, wherever they may be held. On the day of hearing the master, chairperson of Board of View, or chairperson of Board of Arbitration may remove the records applicable to the appointed case for use at the hearing and shall return said records in tact to the Officer at the end of said hearing. Where the records in a case are unusually voluminous the Officer may relax the restrictions of this Rule so that the original records may be removed from the office for a longer period of time.

D. Electronic Copies.

Upon appointment by the Court the Officer shall make electronic copies of the pleadings available to a master, members of Board of View and members of Board of Arbitration.

320. Correction of Public Records.

Neither the Prothonotary, the Register of Wills, the Clerk of Courts, the Recorder of Deeds, nor the Sheriff shall erase any matter erroneously entered in any official or public record, such as an entry book, docket, mortgage or deed, or will book. Any erroneous entry shall be stricken there from in red ink in such manner as to leave the stricken matter legible, and the correct entry inserted. Upon the making of any correction the Officer making the same shall note the date of such making. In the event that any such Officer shall inadvertently omit to make an entry and subsequently another entry shall be made, the omitted entry may be placed upon the record but it shall not be inserted between two other entries unless the Officer shall note on the record that it was so made, together with the date thereof.

330. Civil Trial Exhibits.

A. After trial, exhibits admitted into evidence shall be retained by the Prothonotary until it is determined whether an appeal has been taken from a final judgment. If an appeal has been taken, the exhibits shall be retained by the Prothonotary until disposition of the appeal.

B. Within sixty (60) days after the final disposition of all appeals or the date when no further appeal may be taken under the Pennsylvania Rules of Appellate Procedure, the party who offered the exhibits may reclaim them from the Prothonotary. Any exhibits not so reclaimed may be destroyed or otherwise disposed of by the Prothonotary after thirty (30) days written notice by regular mail to the attorney or party who offered the exhibit.

C. Notwithstanding the above, any person who has a possessory or legal interest in any exhibit which has been introduced into evidence may file a claim for such exhibit within thirty (30) days after trial. RULES AND REGULATIONS

Title 49—PROFESSIONAL AND VOCATIONAL STANDARDS

STATE BOARD OF VETERINARY MEDICINE [49 PA. CODE CH. 31]

Professional Conduct; Notice of Animal Supervision

The State Board of Veterinary Medicine (Board) amends § 31.21 (relating to Rules of Professional Conduct for Veterinarians) to read as set forth in Annex A.

Effective Date

The amendment will be effective upon final-form publication in the *Pennsylvania Bulletin*.

Statutory Authority

Section 5(1) and (2) of the Veterinary Medicine Practice Act (act) (63 P. S. § 485.5(1) and (2)) authorizes the Board to adopt reasonable rules and regulations of professional conduct appropriate to establish and maintain a high standard of integrity, skills and practice in the profession of veterinary medicine.

Summary of Comments to Proposed Rulemaking and the Board's Response

The Board published notice of proposed rulemaking at 41 Pa.B. 4982 (September 17, 2011) and requested public comments. The Board received one comment from the public. The Pennsylvania Veterinary Medical Association (PVMA) wrote that it was very supportive of the goal of ensuring that clients are aware of any time during which their pets are unattended. Nevertheless, PVMA noted that a significant proportion of its membership was uncomfortable with the requirement that veterinarians provide notice to clients of the level of supervision that will be provided at all times. By way of example, PVMA stated that if a client were to drop a pet off at 7 a.m. and the doctor was not scheduled to arrive until 9 a.m., it would be necessary to provide notification to the client to that effect. PVMA suggested that if the pet is never left alone, there should not be a requirement to inform the client what type of employee would supervise the client's pet.

The Board amended the proposed rulemaking to apply only to periods of time when the veterinarian's office is closed. The Board believes that there are very few practices that close in the middle of the day (rather than overnight) so notification will generally be limited to overnights and weekends. For practices that close in the middle of the day, a simple oral notification to the client when he drops off the animal would be sufficient, for example, the practice is closed during the lunch hour at which time the animal will be secured in a kennel but without supervision. The Board does not view this as an unreasonable hardship on its licensees, particularly when balanced against the benefit to clients knowing whether a hospitalized animal will be monitored overnight or over a weekend.

The House Professional Licensure Committee (HPLC) reviewed the proposed rulemaking at a meeting on October 26, 2011, and did not submit comments to the Board. The Senate Consumer Protection and Professional Licensure Committee (SCP/PLC) did not submit comments. The Independent Regulatory Review Commission (IRRC) informed the Board on November 16, 2011, that it did not have objections, comments or recommendations to offer on the proposed rulemaking.

Description of Amendments to the Final-Form Rulemaking

Section 31.21 requires a veterinarian who keeps a client's animal while the practice is closed (including evenings and weekends) to inform the animal's owner whether a veterinarian, certified veterinary technician or unlicensed veterinary assistant will be on the premises with the animal and what level of monitoring will be provided to the animal.

Fiscal Impact and Paperwork Requirements

The final-form rulemaking may have a small fiscal and paperwork impact on licensees who choose to provide written notice to their clients. The Board believes that the final-form rulemaking will not have other fiscal or paperwork impact on licensees, the Board or another Commonwealth entities.

Sunset Date

The Board continuously monitors its regulations. Therefore, a sunset date has not been assigned.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on September 6, 2011, the Board submitted a copy of the notice of proposed rulemaking, published at 41 Pa.B. 4982, to IRRC and the Chairpersons of the HPLC and the SCP/PLC for review and comment.

Under section 5(c) of the Regulatory Review Act, IRRC, the HPLC and the SCP/PLC were provided with copies of the comments received during the public comment period, as well as other documents when requested. In preparing the final-form rulemaking, the Board has considered all comments from IRRC, the HPLC, the SCP/PLC and the public.

Under section 5.1(j.2) of the Regulatory Review Act (71 P. S. § 745.5a(j.2)), on September 19, 2012, the final-form rulemaking was deemed approved by the HPLC and the SCP/PLC. Under section 5.1(e) of the Regulatory Review Act, IRRC met on September 20, 2012, and approved the final-form rulemaking.

Findings

The Board finds that:

(1) Public notice of proposed rulemaking was given under sections 201 and 202 of the act of July 31, 1968 (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202) and the regulations promulgated thereunder, 1 Pa. Code §§ 7.1 and 7.2.

(2) A public comment period was provided as required by law and all comments were considered.

(3) The amendments to the final-form rulemaking do not enlarge the purpose of proposed rulemaking published at 41 Pa.B. 4982.

(4) This final-form rulemaking is necessary and appropriate for administering and enforcing the authorizing act identified in this preamble.

Order

The Board, acting under its authorizing statute, orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 31, are amended by amending § 31.21 to read as set forth in Annex A, with ellipses referring to the existing text of the regulations.

(b) The Board shall submit this order and Annex A to the Office of General Counsel and the Office of Attorney General as required by law.

(c) The Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall take effect immediately upon publication in the *Pennsylvania Bulletin*.

Chairperson

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 1

Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.907)

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P. S. §§ 6026.302—6026.305) require the Department to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. A person intending to use the background standard, Statewide health standard, the site-specific standard or intend to remediate a site as a special industrial area shall file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of cleanup standards or receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(e)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the following site, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may

request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified as follows. During this comment period, the municipality may request that the person identified as the remediator of the site develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office listed before the notice. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS NEW SOURCES AND MODIFICATIONS

The Department has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department received applications for Plan Approvals or Operating Permits from the following facilities.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the regional office listed before the applications. Persons interested in reviewing the application files should contact the appropriate regional office to schedule appointments.

Persons wishing to receive a copy of a proposed Plan Approval or Operating Permit shall indicate interests to the Department regional office within 30 days of the date of this notice and shall file protests or comments on a proposed Plan Approval or Operating Permit within 30 days of the Department providing a copy of the proposed documents to persons or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that hearings be held concerning a proposed Plan Approval or Operating Permit. A comment or protest filed with the Department regional office shall include a concise statement of the objections to the issuance of the Plan Approval or Operating Permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior to the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the regional office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable

requirements in 25 Pa. Code Chapters 121—143, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

Appointments for scheduling a review may be made by calling the Department at 570-327-3693. Written comments or requests for a public hearing should be directed to David M. Shimmel, P.E., Chief, New Source Review Section, Department of Environmental Protection, Air Quality Program, Northcentral Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701, 570-327-3568.

19-00028B: White Pines Landfill (515 State Route 442, Millville, PA 17846) for the landfill expansion project at the White Pines Landfill in Pine Township, **Columbia County**. The respective facility is a state only (natural minor) facility for which a state only operating permit has been issued.

The Department’s review of the information submitted by White Pines Landfill indicates that the landfill expansion will comply with applicable regulatory requirements pertaining to air contamination sources. Additionally, the Department has determined that the expansion satisfies best available technology (BAT) requirements, pursuant to 25 Pa. Code §§ 127.1 and 127.12. Pursuant to the requirements of BAT, the expansion project which includes the permitted an increase of acceptable residual waste, will be controlled by a flare for any measurable gas which results from the expansion project. The flare is required to destroy 98% of the non-methane hydrocarbons in the produced gas. To demonstrate compliance with these limitations, White Pines Landfill will be required to conduct reference method testing on the flare. Continuous compliance demonstration will include monitoring of operational parameters of the flare.

Based on the findings above, the Department proposes to issue a plan approval with annual emission restrictions for the flare as well as monitoring, recordkeeping and work practice requirements to verify compliance with the annual emission restrictions. The annual emission restrictions for the flare can be found in the proposed plan approval as follows. Pursuant to the best available technology requirements of 25 Pa. Code §§ 127.1 and 127.12, the particulate matter emissions from the exhaust of ID C001, associated with Source ID P101, shall not exceed 0.01 grain per dry standard cubic foot (gr/dscf); the sulfur oxide emissions (expressed as SO₂) from the exhaust of ID C001, associated with Source ID P101, shall not exceed 1.8 lb/hr or 7.7 tons in any 12 consecutive month period; the nitrogen oxide emissions (expressed as NO₂) from the exhaust of ID C001, associated with Source ID P101, shall not exceed 0.63 lb/hr or 2.8 tons in any 12 consecutive month period; the carbon monoxide emissions from the exhaust of ID C001, associated with Source ID P101, shall not exceed 1.5 lb/hr or 6.57 tons in any 12 consecutive month period; the volatile organic compounds emissions expressed as (non-methane organic compound NMOC) from the inlet to ID C001, associated with Source ID P101, shall be reduced by at least 98%; the hazardous air pollutant emissions from the exhaust of ID C001, associated with Source ID P101, shall not exceed 1.38 tons in any 12 consecutive month period.

In addition to the emission limitations above, the following is a summary of the types of conditions the Department intends to place in Plan Approval 19-00028B to ensure compliance with applicable Federal and State regulatory requirements including the best available technology requirements of 25 Pa. Code §§ 127.1 and 127.12.

Initial and subsequent testing at the exhaust of the flare (ID C001) using Department-approved methods on an approximate annual basis

Monitoring requirement to detect the presence of methane gas from the wells and landfill cells on an approximate quarterly basis

Recordkeeping requirement for the flare’s combustion temperature during operation and the total operational hours including the records of all required monitoring

Work practice requirement to construct and operate in accordance with the manufacturer’s recommendations and good air pollution control practices

All pertinent documents used in the evaluation of the application are available for public review during normal business hours at the Department’s Northcentral Regional office. Any person(s) wishing to provide the Department with additional information, which they believe

should be considered prior to the issuance of this plan approval, may submit the information to the Department of Environmental Protection at the address shown in the preceding paragraph. A 30-day comment period from the date of this publication will exist for the submission of comments. Each written comment must contain the name, address and telephone number of the person submitting the comments, identification of the proposed permit (specify Plan Approval No. 19-00028B) and concise statements regarding the relevancy of the information or objections to issuance of the plan approval.

All persons requesting additional information or submitting comments should be directed to Keith C. Allison, Chief, Facilities Permitting Section, Department of Environmental Protection, Air Quality Program, North Central Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701, 570 327 3648.

41-00086A: LBV Professional Services, LLC (350 Spruce Street, Montoursville, PA 17754) for modification of a human crematorium in Montoursville Borough, **Lycoming County**. The respective facility is a natural minor facility for which a state only operating permit has not been issued.

The Department of Environmental Protection's (Department) review of the information submitted by LBV Professional Services, LLC indicates that the air contamination source to be constructed will comply with all regulatory requirements pertaining to air contamination sources and the emission of air contaminants including the best available technology requirement (BAT) of 25 Pa. Code §§ 127.1 and 127.12. Based on this finding, the Department proposes to issue a plan approval for the proposed construction.

The emissions from the crematorium will not exceed the following limits in any 12 consecutive month period: NO_x-0.42 tons; CO-1.40 tons; VOCs-0.42 tons; SO_x-0.35 tons; PM₁₀-0.98 tons.

In addition to the emission limitations, the following is a summary of the types of conditions the Department intends place in the plan approval to ensure compliance with all applicable regulatory requirements including the best available technology requirements of 25 Pa. Code §§ 127.1 and 127.12.

MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed NPDES permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P. S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (Department) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH*		greater than 6.0; less than 9.0	
Alkalinity greater than acidity*			

*The parameter is applicable at all times.

In addition, the Department imposes a technology-based aluminum limit of 2.0 mg/l (30 day average) to protect stream uses.

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The BAT limits for noncoal mining activities as provided in 40 CFR Part 436 and 25 Pa. Code Chapter 77 are as follows:

<i>Parameter</i>	<i>30-day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Suspended solids	35 mg/l	70 mg/l	90 mg/l
Alkalinity exceeding acidity*			
pH*		greater than 6.0; less than 9.0	

* The parameter is applicable at all times.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

In addition to BAT or WQBEL limits, coal and noncoal NPDES permits establish effluent limitations in the form of implemented Best Management Practices (BMPs) identified in the associated Erosion and Sedimentation Plan, the Reclamation Plan and the NPDES permit application. These BMPs restrict the rates and quantities of associated pollutants from being discharged into surface waters in this Commonwealth.

More restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining that may occur are incorporated into an NPDES permit when necessary for compliance with water quality standards and antidegradation requirements (in accordance with 25 Pa. Code Chapters 91—96).

The procedures for determining the final effluent limits, using a mass-balance equation or model, are found in Technical Guidance Document 362-0600-001, NPDES Program Implementation-Memorandum of Understanding (MOU) Concerning Water Quality Management, NPDES Program Implementation, and Related Matters. Other specific factors to be considered include public comments and Total Maximum Daily Load(s). Additional discharge limitations may apply in the event that unexpected discharges occur.

Discharge rates for surface mining activities are precipitation driven. Discharge rates for proposed discharges associated with underground mining are noted in the permit description.

Persons wishing to comment on an NPDES draft permit should submit a written statement to the Department at the address of the district mining office indicated before each draft permit within 30 days of this public notice. Comments received within the comment period will be considered in the final determinations regarding the NPDES permit applications. Comments must include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests or petitions for a public hearing on NPDES permit applications, as provided in 25 Pa. Code § 92a.82(d). The request or petition for a public hearing shall be filed within 30 days of this public notice and contain the name, address, telephone number and the interest of the party filing the request, and state the reasons why a hearing is warranted. A public hearing may be held if the Department considers the public interest significant. If a hearing is scheduled, a notice of the hearing on the NPDES permit application will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. When a public hearing is held, the Department will consider comments from the public hearing in the final determination on the NPDES permit application.

The Department has taken the following actions on applications received under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17) for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once. Persons who cannot afford a lawyer may qualify for pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 2

The following plans and reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.907).

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P. S. §§ 6026.301—6026.308) require the Department to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk

assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, contact the environmental cleanup program manager in the Department regional office under which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the community relations coordinator at the appropriate regional office. PREAMBLE 3

The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.907).

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and

**FEDERAL WATER POLLUTION
CONTROL ACT SECTION 401**

The Department has taken the following actions on previously received permit applications, requests for Environmental Assessment approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341).

Except as otherwise noted, the Department has granted 401 Water Quality Certification certifying that the construction and operation described will comply with sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) and that the construction will not violate applicable Federal and State water quality standards.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Actions on applications for the following activities filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27), section 302 of the Flood Plain Management Act (32 P. OIL AND GAS MANAGEMENT

The following Well Permits have been issued with a waiver under 58 Pa.C.S. § 3215(b)(4) (relating to well location restrictions).

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to Administrative Agency Law). The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed which the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not in and of itself create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for pro bono representation. Call the Secretary to the Board at (717) 787-3483.

SPECIAL NOTICES

Total Maximum Daily Loads (TMDLs) Developed for the Christina River Basin Low-Flow for point sources

On August 29, 2012, the United States Environmental Protection Agency ("EPA") provided written notification of EPA's acceptance of the Department of Environmental Protection's ("Department") proposed alternative reduction scenario for EPA's Christina River Basin Low-Flow TMDL in Chester County, PA ("TMDL"). EPA's 2006 Addendum to the TMDL ("Addendum") states that the Addendum provides one scenario of load reductions that, together with other sources' reductions, result in achieving water quality standards throughout the length of the impaired waterbody. The Addendum contemplates the development of, and is sufficiently flexible to allow for, an alternative reduction scenario that also demonstrates that water quality standards are met throughout the length of the impaired waterbody, without the need for a formal TMDL revision, given the dynamic nature of NPDES permits in TMDL waters. The alternative reduction scenario, as approved by EPA, is detailed below. The aggregate sum of the wasteload allocations is unchanged and there are no changes to the total loading by basin or subwatershed segment. As contemplated by the Addendum, notice of this alternative reduction scenario is being provided concurrent with notice of draft Permit PA0026531, which proposes wasteload allocations as set forth herein.

Final Technical Guidance—New Guidance

DEP ID: 021-2100-001. **Title:** Policy for Implementing the Department Permit Review Process and Permit Decision Guarantee. **Description:** On July 24, 2012, Governor Corbett signed Executive Order 2012-11 "Permit Decision Guarantee for the Department of Environmental Protection" directing the Department to, among other things, establish a Permit Review Process and Permit Decision

Guarantee. The executive order also rescinded the Money Back Guarantee created under Executive Order 1995-5.

The Department, on September 1, 2012, published for comment the draft "Policy for Implementing the Department of Environmental Protection (Department) Permit Review Process and Permit Decision Guarantee" to begin implementing the direction of the Executive Order. Upon review of the comments submitted the Department has made minor revisions to the draft policy and hereby publishes the final policy. The Department, by means of the prepared comment response document, has provided clarification and response to the comments and questions submitted during the comment period.

The Department plans to reevaluate the effectiveness of the new process and guarantee established through this policy on at least a quarterly basis during the first year. The first evaluation will be completed February 15, 2013.

Information pertaining to the Department's Permit Review Process and Permit Decision Guarantee can be found on the Department's web site at www.depweb.state.pa.us (DEP Search/Keyword: Permit Decision Guarantee).

Nutrient Credit Trading Program; Notice of Certification Requests

The Department of Environmental Protection (Department) provides notice of the following certification requests that have been submitted under the Nutrient Credit Trading Program (Trading Program). See 25 Pa. Code § 96.8 (relating to use of offsets and tradable credits from pollution reduction activities in the Chesapeake Bay Watershed), published at 40 Pa.B. 5790 (October 9, 2010).

Nutrient credit trading is a market-based program that provides incentives for entities to create nutrient reduction credits (credits) by going beyond statutory, regulatory or voluntary obligations and goals to remove nutrients from a watershed. The credits can be traded to help others more cost-effectively meet their obligations or goals. The primary purpose of the Trading Program is to provide for more efficient ways for National Pollutant Discharge Elimination System (NPDES) permittees to meet their effluent limits for nutrients.

The information described in this notice relates to submitted certification requests received from September 21, 2012, through October 22, 2012.

Background

Before a credit can be used by an NPDES permittee, a three-step process is followed: (1) the certification request must be approved; (2) generation of the credits must be verified; and (3) the credits must be registered.

Approval is also known as certification, which is a written approval by the Department for the use of a pollutant reduction activity to generate credits. Certifications are based on at least: (1) a written request describing the qualifying pollutant reduction activity that will reduce the pollutant loadings delivered to the applicable watershed; (2) the calculation to quantify the pounds of reductions expected; and (3) a verification plan that, when implemented, ensures that the qualifying pollutant reduction activity has taken place.

Once the credits are certified, they must be verified to be applied toward an NPDES permit for compliance with effluent limits. Verification means implementation of the verification plan contained in the certification. Verification plans require annual submittal of documentation to the Department that demonstrates that the qualifying pollutant reduction activity has taken place for the applicable compliance year.

The credits also need to be registered by the Department before they can be applied toward an NPDES permit for compliance with effluent limits. Registration occurs only after credits have been certified, verified and a contract has been submitted. The Department registers credits for use during the compliance year in which the qualifying pollutant reduction activity has taken place. The Department provides registered credits with an annual registry number for reporting and tracking purposes.

DEPARTMENT OF TRANSPORTATION

Availability of Local Real Estate Tax Reimbursement Grants for Taxes Paid in 2012

The Department of Transportation (Department), Bureau of Aviation (Bureau), is accepting applications for Tax Reimbursement Grants (grant) from qualifying owners of public airports who have paid local real estate taxes for the calendar year ending December 31, 2012.

Each year, under 74 Pa.C.S. Chapter 61, Subchapter B (relating to reimbursement of local real estate taxes for public airports) and 67 Pa. Code Chapter 477 (relating to local real estate tax reimbursement grants), the owner of a public airport shall be eligible for a grant from the local real estate tax reimbursement portion of the Aviation Restricted Account. These grants are available to reimburse airport owners for local real estate taxes paid on those portions of an airport which are aviation related areas, as defined in 74 Pa.C.S. § 5102 (relating to definitions). Prior to applying for a grant, each public airport owner shall enter into an agreement with the Department. This agreement shall specify that the owner shall continue, for a period of not less than 10 years, to maintain the property, for which the grant will be sought, as an airport at least equal in size and capacity as indicated in the owner's initial grant application. This agreement shall be a covenant, which runs with the land and shall apply to any subsequent purchases of land. Upon acceptance of any grant, the covenant shall be deemed extended for 1 additional year. Any violation of the agreement shall make the owner liable for the repayment of the total appropriation for the year plus a penalty of two times the grant. In any action wherein the owner is found to have violated the agreement, the Department shall receive all costs of prosecution. Note: Per the terms of the Real Estate Tax Reimbursement Grant agreement, the agreement must be filed with the Deed of Record in the respective County Office where the

airport is located. Proof of this recording is now required to receive real estate tax reimbursement.

The final date for submission of applications for reimbursement of local real estate taxes paid in the calendar year ending December 31, 2012, is the close of business on February 1, 2013. Applications shall be filed with the Bureau using dotGrants, the Department's web based grants administration program. GAME COMMISSION

Chronic Wasting Disease Response #1

Order

Whereas, Chronic Wasting Disease (CWD) is an infectious and progressive neurological disease that is found in, and always proves fatal to, members of the Family Cervidae (deer, elk or moose, and other susceptible species, collectively called cervids); and

Whereas, The specific cause of CWD is believed to be prions (abnormal infectious protein particles) that are known to be concentrated in the nervous system and lymphoid tissues of infected cervids; and

Whereas, There are no known treatments for CWD infection, no vaccines to protect against CWD infection, and no approved tests that can detect the presence of CWD in live cervids; and

Whereas, CWD has been designated a "dangerous transmissible disease" of animals by order of the Secretary of Agriculture under the provisions of the Domestic Animal Law (3 Pa.C.S. §§ 2301 et seq.) at 3 Pa.C.S. § 2321(d); and

Whereas, CWD is known to be transmissible from infected to uninfected cervids by contact with or ingestion of CWD-infected or contaminated cervid parts or materials; and

Whereas, CWD is of particular concern to the Commonwealth of Pennsylvania because it has the potential to have a severe, detrimental impact on both Pennsylvania's wild and captive cervid populations; and

Whereas, the Pennsylvania Department of Agriculture (PDA) and the Pennsylvania Game Commission (PGC) have determined that CWD has been found in a captive deer that lived in, at least, Lycoming County, Adams County and York County; and

Whereas, PDA and the PGC are signatories on the Commonwealth's CWD Response Plan; and

Whereas, The Game and Wildlife Code (Code) (34 Pa.C.S. §§ 101 et seq.) and regulations promulgated thereunder (58 Pa. Code §§ 131.1 et seq.) collectively provide broad authority to the PGC to regulate activities relating to the protection, preservation, and management of game and wildlife, including cervids; and

Whereas, 58 Pa. Code § 137.34 provides specific emergency authority to the Executive Director of the PGC to take actions to mitigate risk factors and to determine the prevalence and geographic distribution of CWD.

Now Therefore, I, Carl G. Roe, Executive Director of the Pennsylvania Game Commission, pursuant to the authority vested in me by the Code and regulations promulgated thereunder, do hereby order and direct the following:

1. I hereby designate a Disease Management Area (DMA) in Adams and York Counties, Pennsylvania, bounded and described as follows:

Starting at the intersection of I-76 and the west bank of the Susquehanna River heading south along the River (21.8 miles) to US Highway 30. Westbound on US Highway 30 (18.3 miles) to Highway 116. Highway 116 towards Hanover (13.7 miles). In Hanover southwest on State Highway 194 (7 miles) to Littlestown, then northwest on State Highway 97 (9.7 miles) to Gettysburg. In Gettysburg, north on State Highway 34 (14.3 miles) to the Idaville road. East on Idaville road (4.8 miles) to the intersection of State Highway 94. North State Highway 94 (2 miles) to Latimore road. East on Latimore road (1.6 miles) to Mountain road. North on Mountain road (6.9 miles) to Dillsburg and the intersection of US Highway 15. North on US Highway 15 (3.2 miles) to the Yellow Breeches Creek (County Line). Northeast along the banks of the Yellow Breeches Creek (12.1 miles) to the intersection of I-76. East along I-76 (6.4 miles) to the intersection of Susquehanna River and the starting point.

This DMA is graphically depicted for ease of dissemination on the map attached to this Order. However, the DMA is described as above, if any conflict appears between the written description and the map.

2. In addition to any previous Executive Orders regarding importation of cervid parts, including but not limited to the Cervid Parts Importation Ban #5 dated October 16,

2012, as the same may be amended in the future, I hereby prohibit the removal of high risk cervid parts from the DMA.

3. For the purposes of this Order, high-risk parts or materials shall be defined as any parts or materials, derived from cervids, which are known to accumulate abnormal prions. This includes any of the following:

- a. Head (including brain, tonsils, eyes, and lymph nodes);
- b. Spinal Cord / Backbone (vertebra);
- c. Spleen;
- d. Skull plate with attached antlers, if visible brain or spinal cord material is present;
- e. Cape, if visible brain or spinal cord material is present;
- f. Upper canine teeth, if root structure or other soft material is present;
- g. Any object or article containing visible brain or spinal cord material;
- h. Brain-tanned hide.

4. For the purposes of this Order, high-risk parts or materials shall not include any of the following:

- a. Meat, without the backbone;
- b. Skull plate with attached antlers, if no visible brain or spinal cord material is present;
- c. Tanned hide or rawhide with no visible brain or spinal cord material present;
- d. Cape, if no visible brain or spinal cord material is present;
- e. Upper canine teeth, if no root structure or other soft material is present; and
- f. Taxidermy mounts, if no visible brain or spinal cord material is present.

5. I hereby order that all cervids harvested within the DMA shall be subject to CWD testing. This testing shall require hunters to present cervids, or cervid parts, for checking and sampling at the PGC maintenance building on State Game Land Number 249, 1070 Lake Meade Road, East Berlin, pursuant to conditions set forth in a forthcoming process. The process shall be made known through public announcement, website and other means reasonably intended to reach the widest audience. The cost of such testing and reporting to the hunter is to be borne by the PGC.

6. I hereby order that the rehabilitation of cervids within the DMA is prohibited.

7. I hereby order that the use and possession of cervid urine-based attractants is prohibited within the DMA, as the same tends to aggregate cervids which increases the likelihood of spread of CWD.

8. I hereby prohibit the feeding of wild, free-ranging cervids in the DMA, as the same tends to aggregate cervids which increases the likelihood of spread of CWD.

9. I hereby prohibit any new PGC permits to possess or transport live cervids in the DMA.

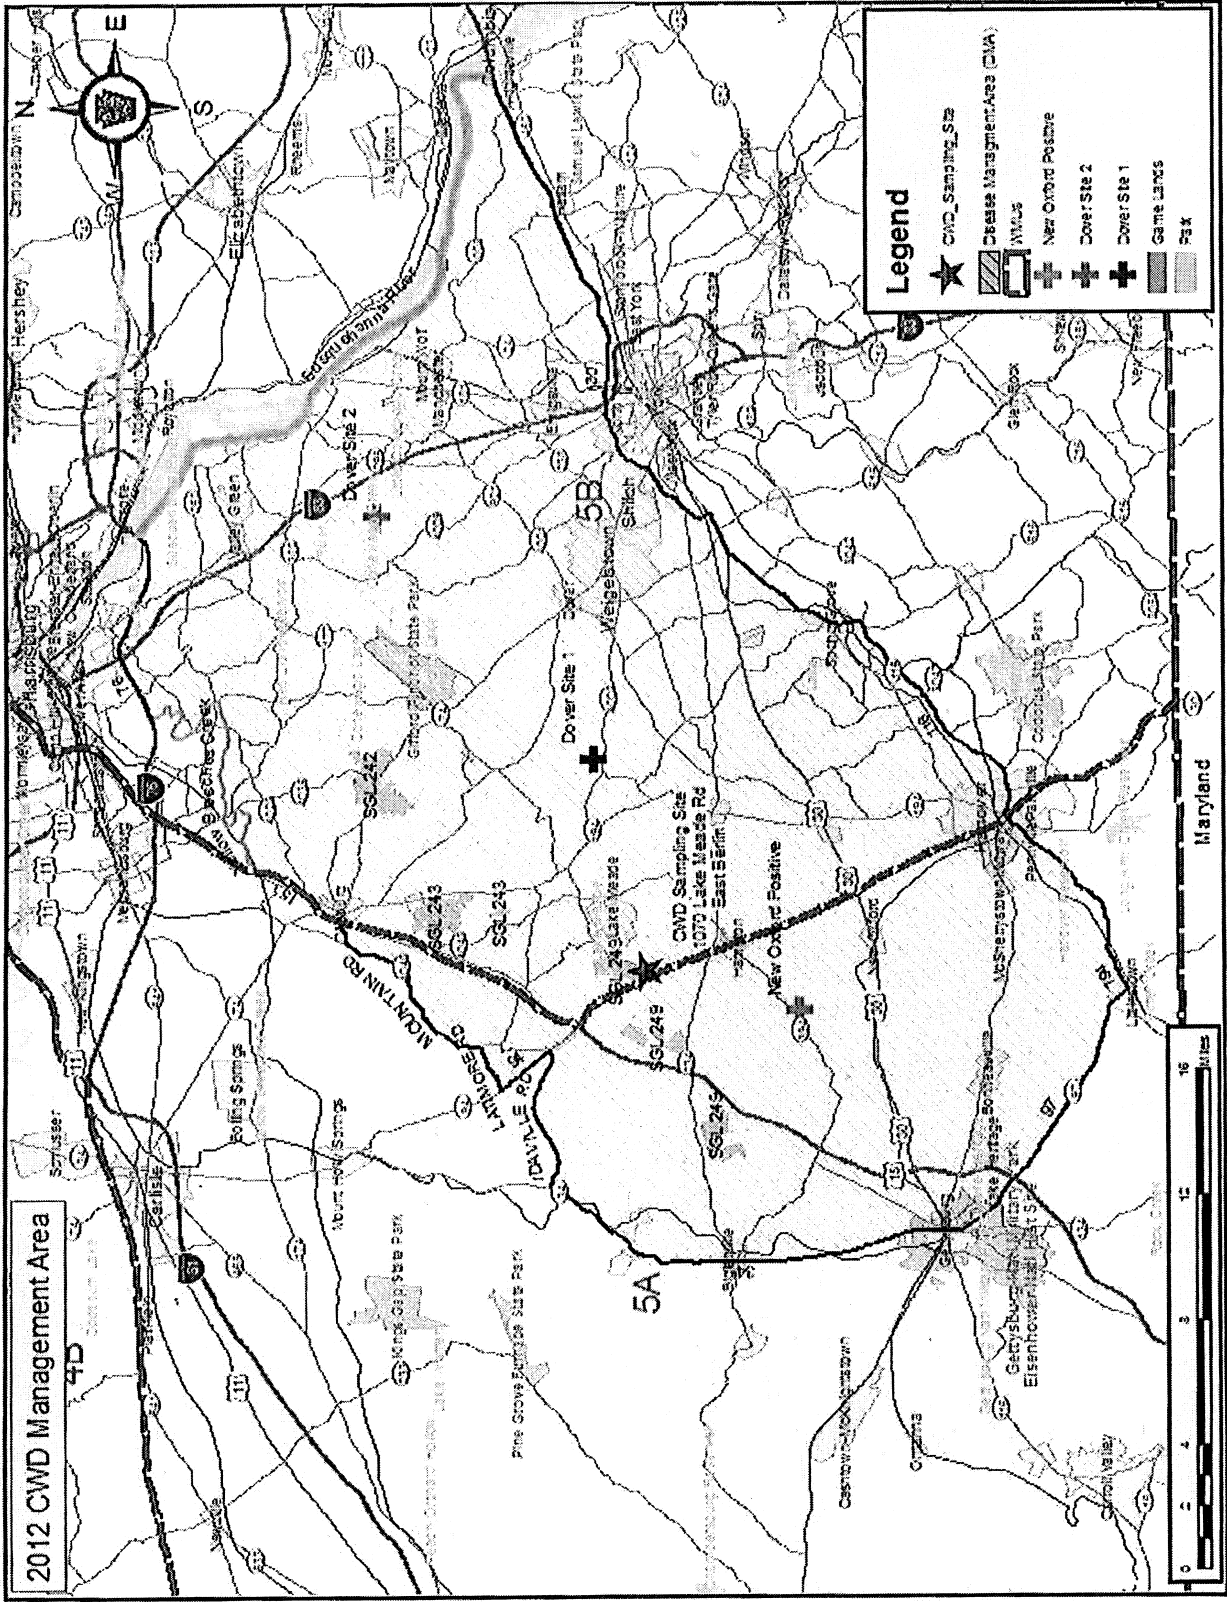

10. This Order shall not be construed in any manner to limit the PGC's authority to establish additional importation or testing requirements on imported cervid parts or materials.

11. Nothing in this Order shall be construed to extend to the regulation of captive cervids held under 3 Pa.C.S. Chapter 27 (relating to the Domestic Animal Law or the requirements of a lawful quarantine order issued by the Department of Agriculture).

12. This Order is effective immediately and shall remain in effect until rescinded or modified by subsequent order.

Given under my hand and seal of the Pennsylvania Game Commission on this, the 17th day of October 2012.

Executive Director

Department of Transportation Regulation #18-433 (IRRC #2968)

Access to and Occupancy of Highways by Driveways and Local Roads

October 24, 2012

We submit for your consideration the following comments on the proposed rulemaking published in the August 25, 2012 *Pennsylvania Bulletin*. Our comments are based on criteria in Section 5.2 of the Regulatory Review Act (71 P. S. § 745.5b). Section 5.1(a) of the Regulatory Review Act (71 P. S. § 745.5a(a)) directs the Department of Transportation (Department) to respond to all comments received from us or any other source.

1. Section 441.3. Permit application procedure.— Clarity; Implementation procedures.

Subsection (b)(1) requires an applicant that is not the fee owner of a property or a local government to notify the fee owner that an application has been submitted. In addition, the applicant must either secure the approval of the fee owner to submit the application or indemnify the Commonwealth against an action which the fee owner may bring against the Commonwealth relating to the permit or application. We have two concerns. First, under Subsection (b)(1)(i), what are the requirements for securing the approval of the owner? Must consent be given in writing? This should be clarified in the final-form regulation.

Second, Subsection (b)(1)(ii) states that the indemnification must be “in a form acceptable to the Department.” This phrase is vague and does not establish a standard that provides clear guidance to the regulated community.

We recommend that the final-form regulation be amended to specify the type of indemnification that would be acceptable to the Department.

We note that similar vague phrases can be found in the following sections of the proposed rulemaking and recommend those phrases be amended in accordance with the suggestion above: § 441.3(b)(2); § 441.3(e)(3); § 441.3(h); and § 441.6(16)(i).

2. Section 441.4. Permit fees.—Fiscal impact; Need; Implementation procedures; Reasonableness; Clarity.

Proposed amendments to this section delete the existing fee structure and replace it with language that states that the fee schedule for application processing, review of the application and associated materials, permit inspection, permit supplement and miscellaneous fees will be established via publication of the schedule in the *Pennsylvania Bulletin*. The fees will not exceed the approximate reasonable costs of the Department in the administration of the permit. In addition, the Department may periodically review and revise the schedule by publishing a revised schedule in the *Pennsylvania Bulletin*. We have four concerns with this section of the proposed rulemaking.

First, the Preamble to the proposed rulemaking explains what the changes to this section are, but fails to explain the need for the changes. When the final-form rulemaking is submitted, the Department should include an explanation of why the changes are needed.

Second, we are unable to determine what the fiscal impact of these changes will be to the regulated community. We ask the Department to estimate what the new

fee schedule will be and to quantify what the costs will be to the regulated community. We also ask the Department to provide information on how much revenue the existing fee schedule has generated. This information should be included in the Regulatory Analysis Form submitted with the final-form regulation.

Third, the existing fee schedule states the fees collected will be used to “defray costs incurred by the Department” for the various tasks it must perform in conjunction with issuing the permits. The proposed language indicates that the fees “will not exceed the approximate reasonable cost” to issue the permits. The difference between “defraying” costs and “approximate reasonable” costs could be significant. In addition, the proposed language does not specify how the Department will calculate the costs associated with issuing permits. We suggest that the final-form regulation provide more detail on what it considers to be “approximate reasonable” costs and what factors will be used to calculate the amount of the fees.

Finally, we question if this approach to setting and raising fees is reasonable. We are concerned that the regulated community will not have an opportunity to review and comment on fee increases. Why has the Department decided to remove the fee schedule from its regulations? We recognize that adjusting the fees through the regulatory review process is not as expedient as adjusting fees through publication in the *Pennsylvania Bulletin*. However, we believe that the regulatory review process provides a certain level of accountability and transparency that outweighs expediency. For this reason, we suggest that the fee schedule remain in the Department’s regulations.
