READER'S GUIDE TO THE *PENNSYLVANIA BULLETIN* AND THE *PENNSYLVANIA CODE*

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania Bulletin* before it can take effect. If the agency

wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacode.com.

Source Notes give the history of regulations. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred. The *Pennsylvania Bulletin* is available at www.pabulletin.com.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised. A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of *Code* and *Bulletin*.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

Title 204—JUDICIAL SYSTEM GENERAL PROVISIONS

PART VIII. CRIMINAL SENTENCING

[204 PA. CODE CH. 303]

Proposed Amendment to the 7th Edition Sentencing Guidelines; Preliminary Sentence Risk Assessment Instrument Published for Public Comment

The Pennsylvania Commission on Sentencing hereby publishes for public comment a proposed amendment to the 7th Edition Sentencing Guidelines, 204 Pa. Code §§ 303.1—303.18. The Commission also publishes for public comment a preliminary sentence risk assessment instrument, being developed for use by the sentencing court to help determine the appropriate sentence within the limits established by law. The proposed amendment is set forth in Annex A, and the preliminary sentence risk assessment instrument is set forth in Annex B.

The 7th Edition Sentencing Guidelines, which the Commission adopted on September 13, 2012, apply to all offenses committed on or after their effective date of December 28, 2012. Amendment 1 of the 7th Edition Sentencing Guidelines was adopted on June 6, 2013 and became effective September 27, 2013; Amendment 2 of the 7th Edition Sentencing Guidelines was adopted on June 5, 2014 and became effective September 26, 2014.

On March 19, 2015, the Commission adopted for the purpose of public comment Amendment 3 of the 7th Edition Sentencing Guidelines, primarily addressing a legislative mandate to create a sentencing enhancement for offenses involving human trafficking (Act 105 of 2014). Additionally, new offense gravity scores are assigned to several offenses. The proposed Amendment 3 is set forth in Annex A.

Act 2010-95 mandated the Commission to “. . . adopt a sentence risk assessment instrument for the sentencing court to use to help determine the appropriate sentence within the limits established by law. . . . The risk assessment instrument may be used as an aide in evaluating the relative risk that an offender will reoffend and be a threat to public safety” (42 Pa.C.S. § 2154.7). In addition to considering the risk of re-offense and threat to public safety, Act 2010-95 also permits the risk assessment instrument to be used to determine whether a more thorough assessment is necessary, or as an aide in determining appropriate candidates for alternative sentencing (e.g., County Intermediate Punishment, State Intermediate Punishment, State Motivational Boot Camp and Recidivism Risk Reduction Incentive).

The Commission is seeking public comment on the preliminary sentence risk assessment instrument, including but not limited to the following: (1) the development of the risk assessment instrument, and the demographic and criminal justice factors being used; (2) the presentation of the risk assessment information; (3) the use of risk assessment to address re-offense and threat to public safety; (4) the use of risk assessment to determine whether a more thorough assessment is necessary; (5) the use of risk assessment as an aide in determining appropriate candidates for alternative sentencing; and (6) any other comments related to the development and implementation of a sentence risk assessment instrument.

A table identifying the factors being used in the risk scale for each of the Offense Gravity Score categories (Table 1) as well as the preliminary sentence risk assessment information (Table 2) is set forth in Annex B.

In accordance with 42 Pa.C.S.A. § 2155, the Commission shall publish in the *Pennsylvania Bulletin* all proposed sentencing guidelines and risk assessment instruments and hold public hearings not earlier than 30 days and not later than 60 days thereafter to afford an opportunity for the following persons and organizations to testify:

- (i) Pennsylvania District Attorneys Association
- (ii) Chiefs of Police Associations
- (iii) Fraternal Order of Police
- (iv) Public Defenders Organization
- (v) Law School faculty members
- (vi) Pennsylvania Board of Probation and Parole
- (vii) Pennsylvania Department of Corrections
- (viii) Pennsylvania Bar Association
- (ix) Pennsylvania Wardens Association
- (x) Pennsylvania Association on Probation, Parole and Corrections
- (xi) Pennsylvania Conference of State Trial Judges
- (xii) Any other interested person or organization

The Commission will hold the following three public hearings to receive comments on the proposed revisions to the sentencing guidelines:

Hearing I.

Date: May 13, 2015

Time: 1:00 p.m.

Location: Justice Juanita Kidd Stout Center for Criminal Justice, Courtroom 504
1301 Filbert Street, Philadelphia, PA

Hearing II.

Date: May 15, 2015

Time: 1:00 p.m.

Location: Allegheny County Courthouse, Courtroom 327
436 Grant Street, Pittsburgh, PA

Hearing III.

Date: June 3, 2015

Time: 3:00 p.m.

Location: Pennsylvania Judicial Center
601 Commonwealth Avenue, Harrisburg, PA

Persons or organizations wishing to testify before the Commission are asked to bring 30 copies of any written comments to the public hearing. Arrangements to testify may be made by contacting the Commission in advance of the hearing (Cathy Dittman at 814.863.5729 or CWD2@PSU.EDU). Written comments from persons or organizations not wishing to testify at one of the three public hearings should be submitted *no later than Friday, May 8, 2015* to: Mark H. Bergstrom, Executive Director, Pennsylvania Commission on Sentencing, P. O. Box 1200, State College, PA 16804-1200.

The Commission will evaluate the proposed Amendment 3 to the current 7th Edition Sentencing Guidelines and the preliminary sentence risk assessment instrument after consideration of the testimony and written comments received. The Commission anticipates addressing these proposed revisions at its next quarterly meeting, which will be held on June 4, 2015, at the PA Judicial Center, 601 Commonwealth Avenue, Harrisburg, PA. The Policy Committee meeting will begin at 9:00 a.m., and the Commission meeting will begin no earlier than 11:00 a.m. All Commission meetings are open to the public. Any amendments adopted by the Commission will be submitted to the General Assembly for review via publication in the *Pennsylvania Bulletin*. Proposed amendments become effective 90 days after publication in the *Pennsylvania Bulletin* unless rejected by concurrent resolution of the General Assembly.

TITLE 204. JUDICIAL SYSTEM GENERAL PROVISIONS

PART VIII. CRIMINAL SENTENCING

CHAPTER 303. SENTENCING GUIDELINES

§ 303.1. Sentencing guidelines standards.

(a) The court shall consider the sentencing guidelines in determining the appropriate sentence for offenders convicted of, or pleading guilty or nolo contendere to, felonies and misdemeanors. Where crimes merge for sentencing purposes, the court shall consider the sentencing guidelines only on the offense assigned the higher offense Gravity score.

(b) The sentencing guidelines do not apply to sentences imposed as a result of the following: accelerated rehabilitative disposition; disposition in lieu of trial; direct or indirect contempt of court; violations of protection from abuse orders; revocation of probation, intermediate punishment or parole.

(c) The sentencing guidelines shall apply to all offenses committed on or after the effective date of the guidelines. Amendments to the guidelines shall apply to all offenses committed on or after the date the amendment becomes part of the guidelines.

(1) When there are current multiple convictions for offenses that overlap two sets of guidelines, the former guidelines shall apply to offenses that occur prior to the effective date of the amendment and the later guidelines shall apply to offenses that occur on or after the effective date of the amendment. If the specific dates of the offenses cannot be determined, then the later guidelines shall apply to all offenses.

(2) The initial sentencing guidelines went into effect on July 22, 1982 and applied to all crimes committed on or after that date. Amendments to the guidelines went into effect in June 1983, January 1986 and June 1986. On October 7, 1987 the Pennsylvania Supreme Court invalidated the guidelines due to a procedural error that occurred in 1981 when the legislature rejected the first set of guidelines. New guidelines were drafted and became effective on April 25, 1988. Amendments to the guidelines went into effect August 9, 1991 and December 20, 1991. Revised sets of guidelines became effective August 12, 1994, June 13, 1997, June 3, 2005, December 5, 2008, and December 28, 2012. **[An Amendment] Amendments** to the guidelines went into effect September 27, 2013 and **September 26, 2014.**

(d) In every case in which a court of record imposes a sentence for a felony or misdemeanor, the court shall make as a part of the record, and disclose in open court at the time of sentencing, a statement of the reason or reasons for the sentence imposed. In every case where a court of record imposes a sentence outside the sentencing guidelines, the reason or reasons for the deviation from the guidelines shall be recorded on the Guideline Sentence Form, a copy of which shall be electronically

transmitted to the Pennsylvania Commission on Sentencing in the manner described in § 303.1(e).

[(e)] (e)(1) Unless otherwise provided by the Commission, the JNET-based Sentencing Guidelines Software Web application (SGS Web) shall be used at the court's direction to prepare all guideline-required sentencing information. The completed Guideline Sentence Form shall be made a part of the record and the information electronically submitted to the Commission via SGS Web no later than 30 days after the date of sentencing.

(2) Effective for sentences imposed on or after January 1, 2016, the JNET-based Sentencing Guidelines Software Web application (SGS Web) shall be used at the court's direction to report all subsequent revocations of probation, county intermediate punishment and state intermediate punishment and related resentences to the Commission. The information shall be electronically submitted to the Commission via SGS Web no later than 30 days after the date of resentencing.

(f) Effective January 1, 2014, the State Identification Number (SID) for an offender shall be included as part of the record in the completed Guideline Sentence Form.

§ 303.2. Procedure for determining the guideline sentence.

(a) For each conviction offense of a judicial proceeding, the procedure for determining the guideline sentence shall be as follows:

(1) Determine the Offense Gravity Score as described in § 303.3 and § 303.15.

(2) Determine the Prior Record Score as described in § 303.4—§ 303.8.

(3) Determine the guideline sentence recommendation as described in § 303.9—§ 303.14, including Deadly Weapon Enhancement, Youth/School Enhancement, Criminal Gang Enhancement, and Third Degree Murder of a Victim Younger than Age 13 Enhancement (§ 303.10), and aggravating or mitigating circumstances (§ 303.13).

(b) *Judicial proceeding.* A judicial proceeding is a proceeding in which all offenses for which the offender has been convicted are pending before the court for sentencing at the same time. A judicial proceeding may include multiple offenses and transactions.

§ 303.3. Offense Gravity Score—general.

(a) An Offense Gravity Score is given for each offense. The Offense Gravity Scores are located in § 303.15.

(b) *Subcategorized offenses.* Certain offenses are subcategorized and scored by the Commission according to the particular circumstances of the offense. The court determines which Offense Gravity Score, located in § 303.15, applies. These offenses are designated by an asterisk (*).

(c) *Inchoate offenses.* Inchoate offenses are scored as follows:

(1) Convictions for attempt, solicitation, or conspiracy to commit a Felony 1 offense receive an Offense Gravity Score of one point less than the offense attempted, solicited, or which was the object of the conspiracy.

(2) Convictions for attempt, solicitation, or conspiracy to commit any offense which is not a Felony 1 offense, receive the Offense Gravity Score of the offense attempted, solicited, or which was the object of the conspiracy.

(3) Convictions for attempt, solicitation, or conspiracy to commit any offense under The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. § 780-101—§ 780-144) receive the Offense Gravity Score of the offense attempted, solicited, or which was the object of the conspiracy.

(4) *Exception for inchoate murder convictions.* Convictions for attempt, solicitation, or conspiracy to commit murder receive the Offense Gravity Score of 14 if there is serious bodily injury and 13 if there is no serious bodily injury.

(d) *Ethnic Intimidation.* Convictions for Ethnic Intimidation (18 Pa.C.S. § 2710) receive an Offense Gravity Score that is one point higher than the offense which was the object of the Ethnic Intimidation. When the object offense is murder of the third degree, a conviction for Ethnic Intimidation receives the highest Offense Gravity Score applicable.

(e) *Violations of The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. §§ 780-101—780-144).* If any mixture or compound contains any detectable amount of a controlled substance, the entire amount of the mixture or compound shall be deemed to be composed of the controlled substance. If a mixture or compound contains a detectable amount of more than one controlled substance, the mixture or compound shall be deemed to be composed entirely of the controlled substance which has the highest Offense Gravity Score.

(1) *Exception for prescription pills.* For violations of 35 P.S. § 780-113(a)(12), (a)(14), and (a)(30) involving narcotic prescription pills of Schedule II, when both the weight and the number of pills are known, the higher Offense Gravity Score assignment applies. (See § 303.15.)

(f) *Omnibus Offense Gravity Scores.* The Omnibus Offense Gravity Score is applied in the following circumstances:

- (1) when the offense is not otherwise listed in § 303.15, or
- (2) when the grade or statutory maximum sentence of an offense listed in § 303.15 has changed, unless application of this section would result in a lower Offense Gravity Score for an increased grading or statutory maximum sentence of the offense.

Where the definition of an offense listed in § 303.15 is changed, but the grade or statutory maximum sentence is not changed, the previously assigned offense gravity score shall apply.

The Omnibus Offense Gravity Scores are provided below and in the listing at § 303.15:

Felony 1	8
Felony 2	7
Felony 3	5
Felonies not subclassified by the General Assembly	5
Misdemeanor 1	3
Misdemeanor 2	2
Misdemeanor 3	1
Misdemeanors not subclassified by the General Assembly	1

(g) The Offense Gravity Score of 15 is assigned only for first and second degree murder when committed by offenders under age 18.

§ 303.4. Prior Record Score—categories.

(a) *Prior Record Score categories.* Determination of the correct Prior Record Score category under this section is

based on the type and number of prior convictions (§ 303.5) and prior juvenile adjudications (§ 303.6). There are eight Prior Record Score categories: Repeat Violent Offender (REVOC), Repeat Felony 1 and Felony 2 Offender (RFEL), and point-based categories of 0, 1, 2, 3, 4 and 5.

(1) *Repeat Violent Offender Category (REVOC).* Offenders who have two or more previous convictions or adjudications for four point offenses (§ 303.7(a)(1) and § 303.15) and whose current conviction carries an Offense Gravity Score of 9 or higher shall be classified in the Repeat Violent Offender Category.

(2) *Repeat Felony 1 and Felony 2 Offender Category (RFEL).* Offenders who have previous convictions or adjudications for Felony 1 and/or Felony 2 offenses which total 6 or more in the prior record, and who do not fall within the Repeat Violent Offender Category, shall be classified in the repeat Felony 1 and Felony 2 Offender Category.

(3) *Point-based Categories (0-5).* Offenders who do not fall into the REVOC or RFEL categories shall be classified in a Point-based Category. The Prior Record Score shall be the sum of the points accrued based on previous convictions or adjudications, up to a maximum of five points.

§ 303.5. Prior Record Score—prior convictions.

(a) If there is a single offense in the prior judicial proceeding, that offense shall be counted in the calculation of the Prior Record Score.

(b) If there are multiple offenses in the prior judicial proceeding:

(1) The most serious offense of the judicial proceeding shall be counted in the calculation of the Prior Record Score.

(2) Any offense for which a sentence of supervision or confinement is imposed consecutive to a sentence for another offense in the judicial proceeding shall be counted in the calculation of the Prior Record Score.

(c) *Un-sentenced convictions.* If no sentence has yet to be imposed on an offense, the offense shall not be counted in the calculation of the Prior Record Score.

(d) *Adequacy of the Prior Record Score.* The court may consider at sentencing prior convictions, juvenile adjudications or dispositions not counted in the calculation of the Prior Record Score, in addition to other factors deemed appropriate by the court.

§ 303.6. Prior Record Score—prior juvenile adjudications.

(a) *Juvenile adjudication criteria.* Prior juvenile adjudications are counted in the Prior Record Score when the following criteria are met:

(1) The juvenile offense occurred on or after the offender's 14th birthday, and

(2) There was an express finding by the juvenile court that the adjudication was for a felony or one of the Misdemeanor 1 offenses listed in § 303.7(a)(4).

(b) Only the most serious juvenile adjudication of each prior disposition is counted in the Prior Record Score. No other prior juvenile adjudication shall be counted in the Prior Record Score.

(c) *Lapsing of juvenile adjudications.* Prior juvenile adjudications for four point offenses listed in § 303.7(a)(1)

shall always be included in the Prior Record Score, provided the criteria in subsection (a) above are met:

(1) All other juvenile adjudications not identified above in subsection (a) lapse and shall not be counted in the Prior Record Score if:

(i) The offender was 28 years of age or older at the time the current offense was committed; and

(ii) The offender remained crime-free during the ten-year period immediately preceding the offender's 28th birthday.

(iii) *Crime-free*. Included in the definition of crime-free is any summary offense and/or one misdemeanor offense with a statutory maximum of one year or less.

(2) Nothing in this section shall prevent the court from considering lapsed prior adjudications at the time of sentencing.

§ 303.7. Prior Record Score—guideline points scoring.

(a) Scoring of prior convictions and adjudications is provided below and in the listing of offenses at § 303.15:

(1) *Four Point Offenses*. Four points are added for each prior conviction or adjudication for the following offenses:

Murder, and attempt, solicitation or conspiracy to commit Murder

All other completed crimes of violence, as defined in 42 Pa.C.S. § 9714(g), excluding inchoates.

Murder of Unborn Child, and attempt, solicitation or conspiracy to commit Murder of Unborn Child

Offenses with OGS 11 or greater, excluding inchoates and Violations of the Controlled Substance Act

Ethnic Intimidation to any Felony 1 offense

(2) *Three Point Offenses*. Three points are added for each prior conviction or adjudication for the following offenses:

All other Felony 1 offenses not listed in § 303.7(a)(1).

All other inchoates to offenses listed in § 303.7(a)(1).

Violation of 35 P. S. §§ 780-113(a)(12)(14) or (30) involving 50 grams or more, including inchoates involving 50 grams or more.

(3) *Two Point Offenses*. Two points are added for each prior conviction or adjudication for the following offenses:

All other Felony 2 offenses not listed in § 303.7(a)(1) or (a)(2).

All felony drug violations not listed in § 303.7(a)(2), including inchoates.

Possession of Firearm or Other Dangerous Weapon in Court Facility

Violations of the Pennsylvania Uniform Firearms Act

Luring a Child into a Vehicle

Driving Under the Influence of Alcohol or Controlled Substance, except for a first lifetime conviction or adjudication.

(5) *Other Misdemeanor Offenses*. All other misdemeanor offenses, including a first lifetime conviction for Driving Under the Influence of Alcohol or a Controlled Substance or Operating a Watercraft Under the Influence of Alcohol or a Controlled Substance, are designated by an "m" in the offense listing at § 303.15, and are scored as follows:

(i) One point is added if the offender was previously convicted of two or three misdemeanors.

(ii) Two points are added if the offender was previously convicted of four to six misdemeanors.

(iii) Three points are added if the offender was previously convicted of seven or more misdemeanors.

§ 303.8. Prior Record Score—miscellaneous.

(a) *Prior convictions and adjudications of delinquency*. A prior conviction means "previously convicted" as defined in 42 Pa.C.S. § 2154(a)(2). A prior adjudication of delinquency means "previously adjudicated delinquent" as defined in 42 Pa.C.S. § 2154(a)(2). In order for an offense to be considered in the Prior Record Score, both the commission of and conviction for the previous offense must occur before the commission of the current offense.

(b) *Inchoate offenses*. Unless otherwise provided in § 303.7 or § 303.15, a prior conviction or adjudication of delinquency for criminal attempt, criminal solicitation or criminal conspiracy is scored under § 303.7 based upon the grade of the inchoate offense.

(c) *Ethnic Intimidation*. Unless otherwise provided in § 303.7 or § 303.15, a prior conviction or adjudication of delinquency for Ethnic Intimidation is scored under § 303.7 based upon the grade of the Ethnic Intimidation.

(d) *Former Pennsylvania offenses*.

(1) A prior conviction or adjudication of delinquency under former Pennsylvania law is scored as a conviction for the current equivalent Pennsylvania offense.

(2) When there is no current equivalent Pennsylvania offense, prior convictions or adjudications of delinquency are scored under § 303.7 based on the grade of the

offense. When a prior conviction or adjudication of delinquency was for a felony, but the grade of the felony is unknown, it shall be treated as a Felony 3. When a prior conviction was for a misdemeanor, but the grade of the misdemeanor is unknown, it shall be treated as other misdemeanors. When it cannot be determined if the prior conviction was a felony, one point misdemeanors, or other misdemeanors, it shall be treated as other misdemeanors. When a prior conviction is for a crime which has a summary grade, and the grade of the conviction is unknown, the prior conviction shall not be counted in the Prior Record Score.

(e) A prior conviction or adjudication of delinquency for an offense which was misgraded is scored as a conviction for the current equivalent Pennsylvania offense.

(f) *Out-of-state, federal or foreign offenses.*

(1) An out-of-state, federal or foreign conviction or adjudication of delinquency is scored as a conviction for the current equivalent Pennsylvania offense.

(2) A court-martial for a criminal offense under the Uniform Code of Military Justice is considered a federal conviction and is scored as a conviction for the current equivalent Pennsylvania offense. Non-judicial punishments or administrative actions (e.g., Article 15, Article 134) which are not convictions shall not be counted in the Prior Record Score.

(3) When there is no current equivalent Pennsylvania offense, determine the current equivalent Pennsylvania grade of the offense based on the maximum sentence permitted, and then apply § 303.8(d)(2).

(g) *Excluded offenses, charges and convictions.* The following types of offenses, charges and convictions shall not be scored in the Prior Record Score:

(1) Summary offenses, violations of local ordinances, direct or indirect contempt of court, violation of protection from abuse orders, and dispositions under Pa.R.Crim.P. Rules 300–320 (relating to accelerated rehabilitative disposition), 35 P.S. § 780-117 (relating to probation without verdict) or 35 P.S. § 780-118 (relating to disposition in lieu of trial or criminal punishment).

(2) A charge which is nolle prossed, dismissed, or on which a demurrer is sustained.

(3) Any prior conviction which contributed to an increase in the grade of a subsequent conviction, except for prior Driving Under the Influence of Alcohol or Controlled Substance convictions.

§ 303.9. Guideline sentence recommendation: general.

(a)(1) *Basic sentence recommendations.* Guideline sentence recommendations are based on the Offense Gravity Score and Prior Record Score. In most cases, the sentence recommendations are found in the Basic Sentencing Matrix (§ 303.16(a)). The Basic Sentencing Matrix specifies a range of sentences (i.e.—standard range) that shall be considered by the court for each combination of Offense Gravity Score (OGS) and Prior Record Score (PRS).

(2) *Sentences for offenders under age 18 for murder, murder of unborn child, or murder of law enforcement officer.* If an offender is under age 18 years at the time of the offense and the conviction occurred after June 24, 2012, the court has no authority to impose a sentence less than that required by the mandatory minimum provision established in statute and may impose a minimum sentence up to and including life (18 Pa.C.S. § 1102.1). If the

court determines the convicted offender was under age 18 at the time of the offense and the conviction occurred after June 24, 2012, the court shall instead consider the Basic Sentencing Matrix for Offenders Under Age 18 Convicted of 1st or 2nd Degree Murder (§ 303.16(b)).

(b) *Deadly Weapon Enhancement sentence recommendations.* If the court determines that an offender possessed a deadly weapon pursuant to § 303.10(a)(1), the court shall instead consider the DWE/Possessed Matrix (§ 303.17(a)). If the court determines that an offender used a deadly weapon pursuant to § 303.10(a)(2), the court shall instead consider the DWE/Used Matrix (§ 303.17(b)). Both enhanced matrices specify a range of sentences (i.e.—standard range) that shall be considered by the court for each combination of Offense Gravity Score (OGS) and Prior Record Score (PRS).

(c) *Youth/School Enhancement sentence recommendations.* If the court determines that an offender violated the drug act pursuant to § 303.10(b), the court shall consider the applicable matrix in 303.18, related to Youth, School, or Youth and School Enhancements. When applying the Youth Enhancement, 6 months are added to the lower limit of the standard range and 12 months are added to the upper limit of the standard range. When applying the School Enhancement, 12 months are added to the lower limit of the standard range and 24 months are added to the upper limit of the standard range. When the Youth and School Enhancement is applied, 18 months are added to the bottom of the standard range and 36 months are added to the upper limit of the standard range. The range of sentences (i.e.—standard range) shall be considered by the court for each combination of Offense Gravity Score (OGS) and Prior Record Score (PRS).

(d) *Aggravated and mitigated sentence recommendations.* To determine the aggravated and mitigated sentence recommendations, apply § 303.13.

(e) *Numeric sentence recommendations.* All numbers in sentence recommendations suggest months of minimum confinement pursuant to 42 Pa.C.S. § 9755(b) (partial confinement) and § 9756(b) (total confinement).

(f) *Alphabetic sentence recommendations.* RS in the sentence recommendation, an abbreviation for Restorative Sanctions, suggests use of the least restrictive, non-confinement sentencing alternatives described in 42 Pa.C.S. § 9753 (determination of guilt without further penalty), § 9754 (order of probation) and § 9758 (fine). 42 Pa.C.S. § 9721(c) (mandatory restitution) is also included in RS. No specific recommendations are provided for periods of supervision for these non-confinement sentencing alternatives. Recommendations related to fines and community service are found at § 303.14(a). RIP in the sentence recommendation, an abbreviation for Restrictive Intermediate Punishments, suggests use of Restrictive Intermediate Punishments pursuant to § 303.12(a)(4).

(g) When the guideline sentence recommendation exceeds that permitted by 18 Pa.C.S. § 1103 and § 1104 (relating to sentence of imprisonment for felony and misdemeanor) and 42 Pa.C.S. § 9755(b) and § 9756(b) (relating to sentence of partial and total confinement) or other applicable statute setting the maximum term of confinement, then the statutory limit is the longest guideline sentence recommendation. For the purposes of the guidelines, the statutory limit is the longest legal minimum sentence, which is one-half the maximum allowed by law.

(h) *Mandatory sentences.* The court has no authority to impose a sentence less than that required by a mandatory

minimum provision established in statute. When the guideline range is lower than that required by a mandatory sentencing statute, the mandatory minimum requirement supersedes the sentence recommendation. When the sentence recommendation is higher than that required by a mandatory sentencing statute, the court shall consider the guideline sentence recommendation.

(i) *Mandatory sentences for which county intermediate punishment is authorized.* The court shall consider the sentence recommendations pursuant to this section (§ 303.9) for an offender convicted under 30 Pa.C.S. § 5502 (Operating Watercraft Under the Influence of Alcohol or a Controlled Substance), 75 Pa.C.S. § 1543(b) (Driving While Operating Privilege is Suspended or Revoked, Certain Offenses), 75 Pa.C.S. § 3802 (Driving Under the Influence of Alcohol or Controlled Substance) or 75 Pa.C.S. § 3808(a)(2) (Illegally Operating a Motor Vehicle Not Equipped with Ignition Interlock). The court may use a Qualified Restrictive Intermediate Punishment pursuant to § 303.12(a)(6) to satisfy the mandatory minimum requirement as provided by law.

(j) *Criminal Gang Enhancement sentence recommendations.* If the court determines that either a crime of violence as defined in 42 Pa.C.S. § 9714(g) or a violation of possession with intent to deliver as defined in 35 P.S. § 780-113(a)(30) is committed in association with a criminal gang, the court shall instead consider the Criminal Gang Enhancement. The enhancement specifies a range of sentences (i.e., standard range) that shall be considered by the court for each combination of Offense Gravity Score (OGS) and Prior Record Score (PRS). The Criminal Gang Enhancement adds 12 months to the lower limit and adds 12 months to the upper limit of the standard range.

(k) *Third Degree Murder of a Victim Younger than Age 13 Enhancement sentence recommendations.* If the court determines that the victim of murder in the third degree as defined in 18 Pa.C.S. § 2502(c) was less than 13 years of age at the time of the offense, the court shall instead consider the Third Degree Murder of a Victim Younger than Age 13 Enhancement. The enhancement specifies a range of sentences (i.e., standard range) that shall be considered by the court for each combination of Offense Gravity Score (OGS) and Prior Record Score (PRS). The Third Degree Murder of a Victim Younger than Age 13 Enhancement adds 24 months to the lower limit of the standard range and assigns the statutory limit as the upper limit of the standard range. The sentence imposed will be served consecutively to any other sentence the person is serving and to any other sentence imposed by the court (42 Pa.C.S. § 9711.1).

(l) *Sexual Abuse of Children Enhancement sentence recommendations.* If the court determines that aggravating circumstances described in § 303.10(e) are present, the court shall instead consider the applicable Sexual Abuse of Children Enhancement related to number of images possessed by the offender or the nature and character of the abuse depicted:

(1) *When applying enhancement based on the number of images possessed by the offender.* If the offender possessed more than 50 images to 200 images, 6 months are added to the lower limit of the standard range and 6 months are added to the upper limit of the standard range. If the offender possessed more than 200 images to 500 images, 12 months are added to the lower limit of the standard range and 12 months are added to the upper limit of the standard range. If the offender possessed more than 500

images, 18 months are added to the lower limit of the standard range and 18 months are added to the upper limit of the standard range.

(2) *When applying enhancement based on the nature and character of the abuse depicted.* The Offense Gravity Score is one point higher than the assignments for 18 Pa.C.S. § 6312 (relating to sexual abuse of children) listed in § 303.15.

(3) *When applying enhancement when both aggravating circumstances are present.* The court shall consider the enhancement with the higher sentence recommendation.

(m) *Arson Enhancement sentence recommendations.* If the court determines that one or more of the factors described in § 303.10(f) are present, the court shall instead consider the Arson Enhancement. When the Arson Enhancement is applied, the Offense Gravity Score is one point higher than the assignments listed for 18 Pa.C.S. § 3301 (relating to arson) in § 303.15.

(n) *Human Trafficking Enhancement sentence recommendations.* If the court determines that one or more of the factors described in § 303.10(g) are present, the court shall instead consider the Human Trafficking Enhancement. When the Human Trafficking Enhancement is applied, the Offense Gravity Score assignments listed for 18 Pa.C.S. § 3011 (relating to trafficking in individuals) and § 3012 (relating to involuntary servitude) in § 303.15 are increased by one point for each additional factor listed. The points for each factor (§ 303.10(g)(1)—(4)) shall be cumulative, for a maximum of four points.

§ 303.10. Guideline sentence recommendations: enhancements.

(a) *Deadly Weapon Enhancement.*

(1) When the court determines that the offender possessed a deadly weapon during the commission of the current conviction offense, the court shall consider the DWE/Possessed Matrix (§ 303.17(a)). An offender has possessed a deadly weapon if any of the following were on the offender's person or within his immediate physical control:

(i) Any firearm, (as defined in 42 Pa.C.S. § 9712) whether loaded or unloaded, or

(ii) Any dangerous weapon (as defined in 18 Pa.C.S. § 913), or

(iii) Any device, implement, or instrumentality designed as a weapon or capable of producing death or serious bodily injury where the court determines that the offender intended to use the weapon to threaten or injure another individual.

(2) When the court determines that the offender used a deadly weapon during the commission of the current conviction offense, the court shall consider the DWE/Used Matrix (§ 303.17(b)). An offender has used a deadly weapon if any of the following were employed by the offender in a way that threatened or injured another individual:

(i) Any firearm, (as defined in 42 Pa.C.S. § 9712) whether loaded or unloaded, or

(ii) Any dangerous weapon (as defined in 18 Pa.C.S. § 913), or

(iii) Any device, implement, or instrumentality capable of producing death or serious bodily injury.

(3) There shall be no Deadly Weapon Enhancement for the following offenses:

- (i) Possessing Instruments of Crime
- (ii) Prohibited Offensive Weapons
- (iii) Possession of Weapon on School Property
- (iv) Possession of Firearm or Other Dangerous Weapon in Court Facility
- (v) Simple Assault (18 Pa.C.S. § 2701(a)(2))
- (vi) Aggravated Assault (18 Pa.C.S. § 2702(a)(4))
- (vii) Theft when property stolen is a firearm (18 Pa.C.S. Chapter 39)
- (viii) Violations of the Pennsylvania Uniform Firearms Act
- (ix) Any other offense for which possession of a deadly weapon is an element of the statutory definition[,]

(x) If the Arson Enhancement under § 303.10(f)(1)(iii) is applied.

(4) The Deadly Weapon Enhancement shall apply to each conviction offense for which a deadly weapon is possessed or used.

(b) *Youth/School Enhancement.*

(1) When the court determines that the offender distributed a controlled substance to a person or persons under the age of 18, the court shall consider the range of sentences described in § 303.9(c).

(2) When the court determines that the offender manufactured, delivered or possessed with intent to deliver a controlled substance within 250 feet of the real property on which is located a public or private elementary or secondary school, the court shall consider the sentence recommendations described in § 303.9(c).

(3) When the court determines both (b)(1) and (b)(2) apply, the court shall consider the sentence recommendations described in § 303.9(c).

(4) The Youth/School Enhancement only applies to violations of 35 P. S. § 780-113(a)(14) and (a)(30).

(5) The Youth/School Enhancement shall apply to each violation which meets the criteria above.

(c) *Criminal Gang Enhancement.*

(1) When the court determines that the offender committed a crime of violence as defined in 42 Pa.C.S. § 9714(g) in association with a criminal gang, the court shall instead consider the sentence recommendations described in § 303.9(j).

(2) When the court determines that the offender committed a violation of possession with intent to deliver as defined in 35 P. S. § 780-113(a)(30) in association with a criminal gang, the court shall instead consider the sentence recommendations described in § 303.9(j).

(3) The Criminal Gang Enhancement shall apply to each violation which meets the criteria above.

(d) *Third Degree Murder of a Victim Younger than Age 13 Enhancement.*

(1) When the court determines the victim of murder in the third degree as defined in 18 Pa.C.S. § 2502(c) was less than 13 years of age at the time of the offense, the court shall instead consider the sentence recommendations described in § 303.9(k).

(2) Third Degree Murder of a Victim Younger than Age 13 Enhancement shall apply to each violation which meets the criteria above.

(3) The sentence imposed will be served consecutive to any other sentence the person is serving and to any other sentence imposed by the court (42 Pa.C.S. § 9711.1).

(e) *Sexual Abuse of Children Enhancement.*

(1) When the court determines that the offender violated 18 Pa.C.S. § 6312 (relating to sexual abuse of children) and that the offender possessed more than 50 images, the court shall instead consider the sentence recommendations described in § 303.9(1)(1). For purposes of this enhancement, the number of images is defined as follows:

(i) Each photograph, picture, computer generated image, or any similar visual depiction shall be considered to be one image.

(ii) Each video, video-clip, movie, or similar visual depiction shall be considered to have 50 images.

(2) When the court determines that the offender violated 18 Pa.C.S. § 6312 (relating to sexual abuse of children) and that the abuse depicted in the images possessed by the offender were of a sexual or violent nature or character, the court shall instead consider the sentence recommendations described in § 303.9(1)(2). This enhancement shall apply to any image possessed by the offender which portrays or contains any of the following:

(i) the bondage of a child;

(ii) a weapon used in a sexual context;

(iii) penetration or attempted penetration of a child; or

(iv) an act which would constitute a crime under 18 Pa.C.S. Chapter 25 (relating to criminal homicide), 18 Pa.C.S. Chapter 27 (relating to assault) or 18 Pa.C.S. Chapter 31 (relating to sexual offenses).

(3) Sexual Abuse of Children Enhancement shall apply to each violation which meets the criteria above.

(f) *Arson Enhancement.*

(1) When the court determines that one or more of the following factors relating to arson as defined in 18 Pa.C.S. § 3301 are present, the court shall instead consider the sentence recommendations described in § 303.9(m):

(i) more than three persons were present inside the property at the time of the offense;

(ii) the fire caused more than \$1,000,000 in property damage; or

(iii) the actor used, attempted to use or possessed an explosive or incendiary device as defined in 18 Pa.C.S. § 5515(a) (relating to prohibiting paramilitary training).

(2) Arson Enhancement shall apply to each violation which meets the criteria above.

(g) *Human Trafficking Enhancement.* When the court determines that the offender committed a violation of human trafficking as defined in 18 Pa.C.S. § 3011 (trafficking in individuals) or § 3012 (involuntary servitude) and any of the following factors were present and not otherwise included in the offense gravity score assignment in § 303.15, the court shall instead consider the sentence recommendations as described in § 303.9(n):

(1) the offender committed a violation involving sexual servitude;

(2) the victim was a minor less than 18 years of age;

(3) an additional point is added if the victim was a minor less than 13 years of age;

(4) in the course of committing a violation, the offender also violated one or more of the following offenses:

18 Pa.C.S. § 2901 (relating to kidnapping); or

18 Pa.C.S. § 3121 (relating to rape); or

18 Pa.C.S. § 3123 (relating to involuntary deviate sexual intercourse).

§ 303.11. Guideline sentence recommendation: sentencing levels.

(a) *Purpose of sentence.* In writing the sentencing guidelines, the Pennsylvania Commission on Sentencing strives to provide a benchmark for the judges of Pennsylvania. The sentencing guidelines provide sanctions proportionate to the severity of the crime and the severity of the offender's prior conviction record. This establishes a sentencing system with a primary focus on retribution, but one in which the recommendations allow for the fulfillment of other sentencing purposes including rehabilitation, deterrence, and incapacitation. To facilitate consideration of sentencing options consistent with the intent of the sentencing guidelines, the Commission has established five sentencing levels. Each level targets certain types of offenders, and describes ranges of sentencing options available to the court.

(b) *Sentencing levels.* The sentencing level is based on the standard range of the sentencing recommendation. Refer to § 303.9 to determine which sentence recommendation (i.e.—Basic, Deadly Weapon Enhancement or Youth/School Enhancement) applies. When the individual or aggregate minimum sentence recommendation includes confinement in a county facility, county intermediate punishment should be considered in lieu of confinement for an eligible offender. When the individual or aggregate minimum sentence recommendation includes confinement in a state facility, county or state intermediate punishment should be considered in lieu of confinement for an eligible offender. The descriptions of the five sentencing levels are as follows:

(1) *Level 1*—Level 1 provides sentence recommendations for the least serious offenders with no more than one prior misdemeanor conviction, such that the standard range is limited to Restorative Sanctions (RS). The primary purpose of this level is to provide the minimal control necessary to fulfill court-ordered obligations. The following sentencing option is available:

Restorative Sanctions (§ 303.9(f)) (also see § 303.14(a)(4) for Fines/Community Service Guidelines)

(2) *Level 2*—Level 2 provides sentence recommendations for generally non-violent offenders and those with numerous less serious prior convictions, such that the standard range requires a county sentence but permits both incarceration and non-confinement. The standard range is defined as having an upper limit of less than 12 months and a lower limit of Restorative Sanctions (RS). The primary purposes of this level are control over the offender and restitution to victims. Treatment is recommended for drug dependent offenders. The following sentencing options are available:

Total confinement in a county facility

Partial confinement in a county facility

County Intermediate Punishment (see § 303.12(a) for eligibility criteria)

Restorative Sanctions (§ 303.9(f)) (also see § 303.14(a)(4) for Fines/Community Service Guidelines)

(3) *Level 3*—Level 3 provides sentence recommendations for serious offenders and those with numerous prior convictions, such that the standard range requires incarceration or County Intermediate Punishment, but in all cases permits a county sentence. The standard range is defined as having a lower limit of incarceration of less than 12 months. Included in Level 3 are those offenses for which a mandatory minimum sentence of 12 months or less applies and for which a state or county intermediate punishment sentence is authorized by statute. The primary purposes of this level are retribution and control over the offender. If eligible, treatment is recommended for drug dependent offenders in lieu of incarceration. The following sentencing options are available:

Total confinement in a state facility

Total confinement in a state facility, with participation in the State Motivational Boot Camp (see § 303.12(b) for eligibility criteria)

State Intermediate Punishment (see § 303.12(c) for eligibility criteria)

Total confinement in a county facility pursuant to 42 Pa.C.S. § 9762(b) or for DUI if the offender is subject to the extended supervision of the court pursuant to 75 Pa.C.S. § 3804(d)

Partial confinement in a county facility pursuant to 42 Pa.C.S. § 9762(b) or for DUI if the offender is subject to the extended supervision of the court pursuant to 75 Pa.C.S. § 3804(d)

County Intermediate Punishment (see § 303.12(a) for eligibility criteria)

(4) *Level 4*—Level 4 provides sentence recommendations for very serious offenders and those with numerous prior convictions, such that the standard range requires state incarceration but permits it to be served in a county facility pursuant to 42 Pa.C.S. § 9762(b). The standard range is defined as having a lower limit of incarceration of 12 months or greater but less than 30 months, but limited to offenses with an Offense Gravity Score of less than 9. Included in Level 4 are those offenses for which a mandatory minimum sentence of less than 30 months applies and for which a state or county intermediate punishment sentence is authorized by statute. The primary purposes of the sentencing options at this level are punishment and incapacitation. However, it is recognized that certain offenders at this level are permitted to serve a sentence of total confinement in a county facility, pursuant to 42 Pa.C.S. § 9762(b), and some non-violent offenders may benefit from drug and alcohol treatment. If eligible, state or county intermediate punishment is recommended for drug dependent offenders. The following sentencing options are available:

Total confinement in a state facility

Total confinement in a state facility, with participation in the State Motivational Boot Camp (see § 303.12(b) for eligibility criteria)

State Intermediate Punishment (see § 303.12(c) for eligibility criteria)

Total confinement in a county facility pursuant to 42 Pa.C.S. § 9762(b) or for DUI if the offender is subject to the extended supervision of the court pursuant to 75 Pa.C.S. § 3804(d)

Partial confinement in a county facility pursuant to 42 Pa.C.S. § 9762(b) or for DUI if the offender is subject to the extended supervision of the court pursuant to 75 Pa.C.S. § 3804(d)

County Intermediate Punishment (see § 303.12(a) for eligibility criteria)

(5) *Level 5*—Level 5 provides sentence recommendations for the most violent offenders and those with major drug convictions, such that the conviction has an Offense Gravity Score of 9 or greater or the standard range requires state incarceration in a state facility. The standard range in such a case is defined as having a lower limit of 12 months or greater. Included in Level 5 are those offenses for which a mandatory minimum sentence of 30 months or greater applies and for which a state or county intermediate punishment sentence is authorized by statute. The primary purposes of the sentencing options at this level are punishment commensurate with the seriousness of the criminal behavior and incapacitation to protect the public. If eligible, state or county intermediate punishment is recommended for drug dependent offenders. The following sentencing options are available:

Total confinement in a state facility

Total confinement in a state facility, with participation in the State Motivational Boot Camp (see § 303.12(b) for eligibility criteria)

State Intermediate Punishment (see § 303.12(c) for eligibility criteria)

Total confinement in a county facility pursuant to 42 Pa.C.S. § 9762(b) or for DUI if the offender is subject to the extended supervision of the court pursuant to 75 Pa.C.S. § 3804(d)

Partial confinement in a county facility pursuant to 42 Pa.C.S. § 9762(b) or for DUI if the offender is subject to the extended supervision of the court pursuant to 75 Pa.C.S. § 3804(d)

County Intermediate Punishment (see § 303.12(a) for eligibility criteria)

§ 303.12. Guideline sentence recommendations: sentencing programs.

(a) *County intermediate punishment (CIP).*

(1) *Eligibility.*

(i) The following regulations and statutes govern operation of and eligibility for county intermediate punishment programs:

37 Pa. Code § 451.1 et seq.

42 Pa.C.S. § 9763, § 9773 and Chapter 98

204 Pa. Code § 303.8 and § 303.9

(ii) Sentence recommendations which include an option of County Intermediate Punishment for certain offenders are designated in the guideline matrices.

(2) The county intermediate punishment plan provides a mechanism to advise the court of the extent and availability of services and programs authorized in the county. This plan includes information on the appropriate classification and use of county programs based on program-specific requirements.

(3) *County intermediate punishments classifications.* In order to incorporate county intermediate punishment programs into the sentencing levels, the Commission has classified county intermediate punishment programs as Restrictive Intermediate Punishments (RIP) and restorative sanction programs. Additionally, specific county intermediate punishment programs have been identified in legislation (42 Pa.C.S. §§ 9763(c) and 9804(b)) and regulation (37 Pa. Code § 451.52) as authorized sentences for convictions relating to Operating a Watercraft Under the Influence of Alcohol or a Controlled Substance, Driving While Operating Privilege is Suspended or Revoked, Driving Under the Influence of Alcohol or Controlled Substance and Illegally Operating a Motor Vehicle Not Equipped with Ignition Interlock; the Commission has classified these programs as Qualified Restrictive Intermediate Punishments.

(4) *Restrictive Intermediate Punishments (RIP).* Restrictive Intermediate Punishments are defined as programs that provide for strict supervision of the offender. The county intermediate punishment board is required to develop assessment and evaluation procedures to assure the appropriate targeting of offenders. All programs must meet the minimum standards provided in the Pennsylvania Commission on Crime and Delinquency regulations (37 Pa. Code Chapter 451) for county intermediate punishments.

(i) Restrictive Intermediate Punishments (RIP) either:

(A) house the offender full or part time; or

(B) significantly restrict the offender's movement and monitor the offender's compliance with the program(s); or

(C) involve a combination of programs that meet the standards set forth above.

(ii) An offender under consideration for Restrictive Intermediate Punishments at Level 4 or Level 3 shall have a diagnostic assessment of dependency on alcohol or other drugs conducted by one of the following: the Pennsylvania Department of Drug and Alcohol Programs or a designee; the county authority on drugs and alcohol or a designee; or clinical personnel of a facility licensed by the Department of Drug and Alcohol Programs.

(iii) An offender assessed to be dependent shall be evaluated for purposes of a treatment recommendation by one of the above listed assessors. The evaluation shall take into account the level of motivation of the offender. If sentenced to a Restrictive Intermediate Punishment, the sentence shall be consistent with the level of care and length of stay prescribed in the treatment recommendation, regardless of the standard range sentencing recommendation.

(iv) An offender assessed as not in need of drug or alcohol treatment may be placed in any approved Restrictive Intermediate Punishment program. Each day of participation in a Restrictive Intermediate Punishment program or combination of programs shall be considered the equivalent of one day of total confinement for guideline sentence recommendations.

(v) The court may impose a Qualified Restrictive Intermediate Punishment in lieu of incarceration for certain convictions under 75 Pa.C.S. § 3802 (relating to Driving Under the Influence of Alcohol or Controlled Substance).

(5) *Restorative sanction programs.* Restorative sanction programs are the least restrictive, non-confinement intermediate punishments. Restorative sanction programs are generally used in conjunction with Restrictive Intermediate Punishments as the level of supervision is reduced,

but may also be used as separate sanctions under any of the non-confinement sentencing alternatives provided in the statute (see § 303.9(f)).

(i) Restorative sanction programs:

(A) are the least restrictive in terms of constraint of offender's liberties;

(B) do not involve the housing of the offender (either full or part time); and

(C) focus on restoring the victim to pre-offense status.

(6) *Qualified Restrictive Intermediate Punishments.* In accordance with 42 Pa.C.S. §§ 9763(c), 9804(b) and 37 Pa. Code § 451, Qualified Restrictive Intermediate Punishment programs may be used to satisfy the mandatory minimum sentencing requirements of certain convictions under 30 Pa.C.S. § 5502(c.1) for a first, second or third offense under 30 Pa.C.S. § 5502, 75 Pa.C.S. § 1543(b), former 75 Pa.C.S. § 3731, 75 Pa.C.S. § 3804 for a first, second or third offense under 75 Pa.C.S. Chapter 38, or 75 Pa.C.S. § 3808(a)(2) Illegally Operating a Motor Vehicle Not Equipped with Ignition Interlock.

(i) Unless otherwise provided in statute, Qualified Restrictive Intermediate Punishment programs include:

(A) if the offender is determined to be in need of drug and alcohol treatment, and receives a penalty imposed under 75 Pa.C.S. § 1543(b), former 75 Pa.C.S. § 3731, 75 Pa.C.S. § 3804, or 75 Pa.C.S. § 3808(a)(2) a sentence to county intermediate punishment shall include participation in drug and alcohol treatment under 75 Pa.C.S. § 3815(c), and may be combined with:

1. a residential inpatient program or residential rehabilitative center;
2. house arrest with electronic surveillance;
3. a partial confinement program such as work release, a work camp or a halfway facility; or
4. any combination of Qualified Restrictive Intermediate Punishment programs.

(B) if the offender is determined not to be in need of drug and alcohol treatment, or if the defendant receives a penalty imposed under 30 Pa.C.S. § 5502(c.1), a sentence to county intermediate punishment may only include:

1. house arrest with electronic surveillance; or
2. partial confinement programs such as work release, a work camp or a halfway facility; or
3. any combination of Qualified Restrictive Intermediate Punishment programs.

(b) *State Motivational Boot Camp (BC).*

(1) *Eligibility.*

(i) The following statute governs operation of and eligibility for the State Motivational Boot Camp: 61 Pa.C.S. Chapter 39.

(ii) Sentence recommendations which include boot camp eligible offenders are designated by the letters BC in the cells of the Basic Sentencing Matrix (§ 303.16(a)).

(2) The court shall indicate on the offender's commitment order and the Guideline Sentence Form if the offender is authorized as eligible for the boot camp program. The Department of Corrections makes the final determination as to whether the offender will be accepted into the boot camp program.

(c) *State Intermediate Punishment (SIP).*

(1) *Eligibility.*

(i) The following statute governs operation of and eligibility for State Intermediate Punishment: 61 Pa.C.S. Chapter 41.

(ii) Any person convicted of a drug-related offense for which the sentence recommendation includes total confinement in a state facility may be considered for state intermediate punishment.

(2) The court may, upon motion of the Commonwealth, commit an offender to the custody of the Department of Corrections for the purpose of evaluating whether the offender would benefit from a drug offender treatment program and whether treatment in a drug offender treatment program is appropriate.

(3) Upon receipt of a recommendation for placement in a drug offender treatment program and an individualized treatment plan from the Department of Corrections, and agreement of the attorney for the Commonwealth, the court may sentence an eligible offender to a period of 24 months of state intermediate punishment.

(4) The court may impose a consecutive period of probation. The total duration of a sentence of state intermediate punishment and consecutive probation may not exceed the maximum term for which the eligible offender could otherwise be sentenced.

§ 303.13. Guideline sentence recommendations: aggravated and mitigated circumstances.

(a) When the court determines that an aggravating circumstance(s) is present, it may impose an aggravated sentence as follows:

(1) For the Offense Gravity Scores of 9, 10, 11, 12 and 13 the court may impose a sentence that is up to 12 months longer than the upper limit of the standard range.

(2) For the Offense Gravity Score of 8, the court may impose a sentence that is up to 9 months longer than the upper limit of the standard range.

(3) For the Offense Gravity Scores of 6 and 7, the court may impose a sentence that is up to 6 months longer than the upper limit of the standard range.

(4) For the Offense Gravity Scores of 1, 2, 3, 4, and 5, the court may impose a sentence that is up to 3 months longer than the upper limit of the standard range. When imposing a fine or community service pursuant to § 303.14(a)(4), the court may impose a sentence that is up to 25 hours longer than the upper limit of the standard range.

(5) When the standard range is Restorative Sanctions (RS), the aggravated sentence recommendation is RIP-3.

(b) When the court determines that a mitigating circumstance(s) is present, it may impose a mitigated sentence as follows:

(1) For the Offense Gravity Scores of 9, 10, 11, 12, 13, and 14 the court may impose a sentence that is up to 12 months shorter than the lower limit of the standard range.

(2) For the Offense Gravity Score of 8, the court may impose a sentence that is up to 9 months shorter than the lower limit of the standard range.

(3) For the Offense Gravity Scores of 6 and 7, the court may impose a sentence that is up to 6 months shorter than the lower limit of the standard range.

(4) For the Offense Gravity Scores of 1, 2, 3, 4, and 5, the court may impose a sentence that is up to 3 months shorter than the lower limit of the standard range. When imposing a fine or community service pursuant to § 303.14(a)(4), the court may impose a sentence that is up to 25 hours shorter than the lower limit of the standard range.

(5) When the bottom of the standard range is less than or equal to 3 months of incarceration, the lower limit of the mitigated sentence recommendation is Restorative Sanctions (RS).

(6) In no case where a Deadly Weapon Enhancement is applied may the mitigated sentence recommendation be lower than 3 months.

(7) In no case where the Youth/School Enhancement is applied may the mitigated sentence recommendation be lower than 6 months for the Youth Enhancement, 12 months for the School Enhancement, and 18 months for the Youth and School Enhancement.

(8) In no case where the Criminal Gang Enhancement is applied may the mitigated sentence recommendation be lower than 12 months.

(9) In no case where the Third Degree Murder of a Victim Younger than Age 13 Enhancement is applied may the mitigated sentence recommendation be lower than 96 months.

(10) In no case shall a mitigated sentence for offenders under age 18 for murder of the first or second degree, murder of unborn child of the first or second degree, or murder of law enforcement officer of the first or second degree be less than the mandatory minimum established in statute (18 Pa.C.S. § 1102.1).

(11) In no case where the Sexual Abuse of Children Enhancement involving number of images is applied may the mitigated sentence recommendation be lower than 6 months for possession of greater than 50 to 200 images, be lower than 12 months for possession of greater than 200 to 500 images, and be lower than 18 months for greater than 500 images.

(c) When the court imposes an aggravated or mitigated sentence, it shall state the reasons on the record and on the Guideline Sentence Form, a copy of which is electronically transmitted to the Commission on Sentencing in the manner described in § 303.1(e).

§ 303.14. Guideline sentence recommendations—economic sanctions.

(a) *Fines.*

(1) Fines may be added to any guideline sentence, as authorized by law. Relevant statutes include but are not limited to:

- (v) 75 Pa.C.S. § 3804 (relating to fines for DUI)

(2) A fine, within the limits established by law, shall be considered by the court when the offender is convicted of 35 P.S. § 780-113(a)(12), (14) or (30), and the drug involved is any of the following: a controlled substance or counterfeit substance classified in Schedule I or II and which is a narcotic; phencyclidine, methamphetamine, or cocaine, including the isomers, salts, compounds, salts of

isomers, or derivatives of phencyclidine, methamphetamine, or cocaine; or is in excess of one thousand pounds of marijuana. Such fine shall be of an amount that is at least sufficient to exhaust the assets utilized in, and the proceeds obtained by the offender from, the illegal possession, manufacture, or distribution of controlled substances. Such fine shall not include assets concerning which the attorney for the Commonwealth has filed a forfeiture petition or concerning which he has given notice to the court of his intent to file a forfeiture petition.

(3) Fines may be utilized as part of a county intermediate punishment sentence or as a non-confinement sentencing alternative (see restorative sanction § 303.9(f)).

(4) *Fines/Community Service Guidelines.* The following guidelines shall be considered by the court when ordering fines or community service as a Restorative Sanction without confinement. Community service, when ordered, is imposed as a condition of probation. A fine, when ordered, is imposed as a non-confinement sentencing alternative or as a condition of probation. The fines guidelines are determined by multiplying the number of hours recommended by the offender's hourly wage or the current minimum wage, whichever is higher, but may not exceed the statutory maximum fine authorized by law

Factors used in the risk scale are listed on the left. The include: Gender, County of Offense, Age, Current Offense, Total Number of Prior Arrests, Prior Offense Type, Multiple Charges, Prior Record Score, and Any Prior Juvenile Adjudications.

Offense Gravity Scores are listed across the top. Offense Gravity Scores of 9 to 14 are grouped as one.

The points assigned to Factors are listed in each cell under the Offense Gravity Score. They do differ based on the Offense Gravity Score.

If a cell is blank, that Factor was not a significant predictor of recidivism and therefore was not used in the calculation of the Risk Score for that Offense Gravity Score.

The range of the Risk Scale differs for each Offense Gravity Score.

The Risk Scale was developed based on extensive research. Interim reports were published by the Commission at each step. Visit the Commission's web site (<http://pasentencing.us> under Publications and Research) to review any of the 10 Interim Reports.

The calculation of the offender's risk score is based on the factors shown in Table 1.

Displayed is the number of points received by the offender.

The offender's total risk score is the sum of points received across all Risk Factors. The sum may range from 0 to 10 for Offense Gravity Score 2.

The graph depicts the offender's likelihood of being arrested within three years of release from incarceration or imposition of probation/county IP compared to other offenders with different risk scores.

The line represents the average (mean) risk score for all offenders. The shaded grey box represents one standard deviation above and below the mean. Approximately 68% of offenders fall within one standard deviation above and below the mean.

Per Curiam

And Now, this 26th day of March, 2015, *It Is Ordered* pursuant to Article V, Section 10 of the Constitution of Pennsylvania that Rules 16—22 and 81 of the Rules Governing Standards of Conduct of Magisterial District Judges are rescinded and new Rules of Judicial Administration 601—607 are adopted in the following form.

To the extent that notice of proposed rulemaking would otherwise be required by Pa.R.J.A. No. 103, the immediate promulgation of the new Rules is found to be in the interests of justice and efficient administration.

This *Order* shall be processed in accordance with Pa.R.J.A. No. 103(b) and shall be effective immediately.

Annex A

TITLE 201. RULES OF JUDICIAL ADMINISTRATION

CHAPTER 6. MAGISTERIAL DISTRICT JUDGES

(*Editor's Note:* Chapter 6 is new and printed in regular type to enhance readability.)

Rule	
601.	Certification requirements of interested persons.
602.	Continuing education requirement.
603.	Continuing education requirement: senior magisterial district judges.
604.	Continuing education requirement: Philadelphia Municipal Court Traffic Division.
605.	Supervision of magisterial district courts by president judges.
606.	Transfer of dockets and other papers.
607.	Acts of assembly suspended.

Rule 601. Certification requirements of interested persons.

(a) Magisterial district judges and arraignment court magistrates who are not members of the bar of this Commonwealth must complete a course of training and instruction in the duties of their respective offices and pass an examination and be certified by the Administrative Office of Pennsylvania Courts prior to assuming office.

(b)(1) Any interested individual may apply to the Minor Judiciary Education Board to be enrolled in the course of training and instruction and take the examination to be certified.

(2) Any individual who has successfully completed the course of training and instruction and passed the examination, but who has not served as a magisterial district judge or arraignment court magistrate shall be certified for only a two-year period, and must complete the continuing education course every year in order to maintain his or her certification.

(c) Any individual certified under paragraph (b) who has not served as a magisterial district judge or arraignment court magistrate within two years will be required to take a review course as defined by the Minor Judiciary Education Board and pass an examination in order to maintain his or her certification by the Administrative Office of Pennsylvania Courts.

Official Note: The text of this rule is taken from Rule 19 of the Rules Governing Standards of Conduct of Magisterial District Judges, rescinded March 26, 2015, effective immediately. Rule 19 was amended in 2006 to limit to two years the period of certification for individuals who have successfully completed the certification course and examination but have not served as judges or arraignment court magistrates. The rule permits individuals who are certified to serve as judges or arraignment court magistrates but who have not done so within two years of certification to take a review course and pass an examination to maintain their certification for an additional two-year period. Admission to the review course and recertification examination under paragraph (c) may be limited by the availability of space. In addition, the rule requires that all certified individuals must attend the annual continuing education course to maintain certification.

Act 17 of 2013, signed by the Governor and immediately effective on June 19, 2013, effectively abolished the Traffic Court of Philadelphia and transferred most of its duties to a new Traffic Division of the Philadelphia Municipal Court. See 42 Pa.C.S. § 1121. Under Act 17, the Traffic Court of Philadelphia is composed of two judges serving on the court on the effective date of the Act and whose terms expire on December 31, 2017. See 42 Pa.C.S. § 1321. Because this Rule concerns the certification and recertification of persons not yet elected to judicial office, all references to the Traffic Court of Philadelphia have been removed.

Rule 602. Continuing education requirement.

(a) Every magisterial district judge shall complete a continuing education program each year equivalent to not less than 32 hours per year in such courses or programs as are approved by the Minor Judiciary Education Board. If a magisterial district judge fails to meet these continuing education requirements, the judge shall be subject to suspension by the Supreme Court until such time as evidence of compliance with such requirements is submitted by the Board, but in no event longer than six months at which time the failure to meet the continuing education requirements shall be grounds for the Supreme Court, after a hearing, to declare a vacancy in that district.

(b) The Minor Judiciary Education Board shall conduct at least one continuing education practicum course, consisting of not less than thirty-two hours, which each magisterial district judge, or senior magisterial district judge, whether law trained or non-law trained, within twelve months of first assuming office, shall be required to attend. The Board shall approve the length of the

program and the course of instruction. Practicum exercises will be a part of the course of instruction. Senior magisterial district judges may petition the Board for a waiver of this requirement.

(c) No judge who is suspended by Order of the Supreme Court of Pennsylvania or the Court of Judicial Discipline shall be permitted to attend any continuing education course or program approved by the Minor Judiciary Education Board during the term of suspension. Notwithstanding the attendance requirements set forth in paragraph (a), the judge shall be provided the opportunity to make up any required hours of continuing education once the period of suspension has expired and an Order has been issued returning the judge to active status.

(d) Paragraph (c) shall not apply to any judge suspended for failure to complete the program described in paragraph (a).

Official Note: The text of this rule is taken, in part, from Rule 20 of the Rules Governing Standards of Conduct of Magisterial District Judges, rescinded March 26, 2015, effective immediately.

Rule 603. Continuing education requirement: senior magisterial district judges.

(a) Any magisterial district judge who has been certified by the Administrative Office of Pennsylvania Courts as eligible to serve as a senior magisterial district judge shall be admitted to the continuing education program sponsored by the Minor Judiciary Education Board every year as required by Rule 602.

(b) In the event the Court Administrator of Pennsylvania notifies the Minor Judiciary Education Board that a senior magisterial district judge has not accepted an assignment for a continuous period of two years, the Minor Judiciary Education Board may refuse to enroll the senior magisterial district judge in the continuing education program.

Official Note: With regard to certification of senior judges, see Pa.R.J.A. No. 701.

The text of this rule is taken from Rule 21 of the Rules Governing Standards of Conduct for Magisterial District Judges, rescinded March 26, 2015, effective immediately.

Rule 604. Continuing education requirement: Philadelphia Municipal Court Traffic Division.

(a) Every judge of the Philadelphia Municipal Court Traffic Division shall complete a continuing education program each year equivalent to not less than twenty (20) hours per year in such courses or programs as are approved by the Minor Judiciary Education Board. If a judge of the Philadelphia Municipal Court Traffic Division fails to meet these continuing education requirements the judge shall be subject to suspension until such time as evidence of compliance with such requirements is submitted by the Minor Judiciary Education Board, but in no event for longer than six months at which time the failure to meet the continuing education requirements shall be grounds for removal.

(b) No judge of the Philadelphia Municipal Court Traffic Division who is suspended by Order of the Supreme Court of Pennsylvania or the Court of Judicial Discipline shall be permitted to attend any continuing education course or program approved by the Minor Judiciary Education Board during the term of suspension. Notwithstanding the attendance requirements set forth in paragraph (a), the judge shall be provided the opportunity to make up any required hours of continuing education once

the period of suspension has expired and an Order has been issued returning the judge to active status.

(c) Paragraph (b) shall not apply to any judge suspended for failure to complete the program described in paragraph (a).

(d) This Rule shall expire on January 1, 2018.

Official Note: The text of this rule is taken, in part, from Rule 22 of the Rules Governing Standards of Conduct for Magisterial District Judges, rescinded March 26, 2015, effective immediately.

Act 17 of 2013, signed by the Governor and immediately effective on June 19, 2013, effectively abolished the Traffic Court of Philadelphia and transferred most of its duties to a new Traffic Division of the Philadelphia Municipal Court. See 42 Pa.C.S. § 1121. Section 1121(a)(2) provides that the Traffic Division consists of four judges elected to the Traffic Court prior to the effective date of Act 17 and also that if a vacancy occurs in Traffic Division, it shall not be filled. Act 17 further provides that the Traffic Court of Philadelphia is composed of two judges serving on the court on the effective date of the Act and whose terms expire on December 31, 2017. See 42 Pa.C.S. § 1321. Sections 1121(a)(2) and 1321 expire when Traffic Court is officially abolished by amendment of the Pennsylvania Constitution or on January 1, 2018, whichever date occurs later. Consequently, this Rule will expire on January 1, 2018, when the terms end for the remaining judges elected to the Traffic Court of Philadelphia and assigned to the Philadelphia Municipal Court Traffic Division.

Rule 605. Supervision of magisterial district courts by president judges.

(A) The president judge of the court of common pleas of a judicial district shall exercise general supervision and administrative authority over magisterial district courts within the judicial district.

(B) The president judge's administrative authority over magisterial district courts within the judicial district includes but is not limited to, and shall be governed by, the following:

(1) *Records*—The president judge may designate a person to maintain personnel and other records in such form as directed by the president judge or required by general or local rule.

(2) *Meetings with Magisterial District Judges*—The president judge may require the attendance of magisterial district judges in the judicial district, individually or collectively, at meetings with the president judge or his or her representative.

(3) *Staff in the Magisterial District Courts*—

(a) Except where minimum job qualifications for staff in magisterial district courts are prescribed by the Supreme Court of Pennsylvania, the president judge may prescribe minimum job qualifications for staff in the magisterial district courts in the judicial district.

(b) The president judge may establish a classification system and job descriptions for all authorized staff in the magisterial district courts in the judicial district. The president judge may establish general procedures regarding the hiring, firing, supervision, and discipline of all authorized staff in the magisterial district courts in the judicial district.

(c) Subject to subparagraphs (a) and (b) above, magisterial district judges

(i) shall be responsible for the management of authorized staff in his or her court;

(ii) shall assign work among authorized staff in his or her court, and;

(iii) may select one authorized staff member as personal staff.

(d) In the interest of efficient administration of the judicial district, the president judge may

(i) transfer or reassign a staff member, other than personal staff who may be transferred or reassigned only with the consent of the magisterial district judge, from one magisterial district court in the judicial district to another, and;

(ii) hire and assign, as appropriate, temporary or floater staff.

(e) The president judge may establish a system of performance evaluation for staff in the magisterial district courts in the judicial district.

(f) The president judge may prescribe initial and ongoing training for staff in the magisterial district courts in the judicial district.

(4) *Magisterial District Judge Leave: Coverage During Leave*—

(a) The president judge may coordinate leave for magisterial district judges in the judicial district to assure access to justice and judicial resources.

(b) Subject to the provisions of subparagraph (a) above, magisterial district judges shall enjoy autonomy with respect to choosing when to take leave, subject to reasonable coordination by the president judge with the schedules of the other magisterial district judges in the judicial district.

(5) *Office hours*—In consultation with the magisterial district judges, the president judge may designate the ordinary hours of magisterial district courts in the judicial district in accordance with Rule 103 of the Rules and Standards with Respect to Offices of Magisterial District Judges and the efficient administration of justice.

(6) *Temporary Assignments: Transfer of Cases*—In consultation with the affected magisterial district judge(s), the president judge may order temporary assignments of magisterial district judges or reassignment of cases or certain classes of cases to other magisterial districts within the judicial district or to central courts within the judicial district.

(7) *Conduct of Magisterial District Judges*—When a complaint is received with respect to the conduct of a magisterial district judge, the president judge may, in his or her discretion, review the matter with the affected magisterial district judge and take any action the president judge deems appropriate to assure the efficient administration of justice including, where warranted, informing the appropriate disciplinary authority. Contemporaneous notice of any such action taken by the president judge resulting in reassignment of cases or otherwise affecting the duties of the magisterial district judge shall be given to the Supreme Court of Pennsylvania and the Court Administrator of Pennsylvania.

(8) *Procedural Audits*—The president judge may direct that procedural audits of a magisterial district court be conducted to assure compliance with general and local rules, administrative policies and procedures, and the clerical procedures adopted by the Administrative Office of Pennsylvania Courts for management of cases in the

Magisterial District Judge System. Such procedural audits shall be separate from the fiscal audits conducted by the county controller or state Auditor General which shall be limited in scope to the accounts of the magisterial district judge. Such procedural audits may be conducted by the district court administrator, an outside independent auditor, or such other person as the president judge may designate.

Official Note: The text of this rule is taken from Rule 17 of the Rules Governing Standards of Conduct for Magisterial District Judges, rescinded March 26, 2015, effective immediately.

This rule recognizes that magisterial district judges are the judicial officials charged with the legal and administrative responsibilities within their respective magisterial districts. Designed to further the efficient and effective administration of justice in the unified judicial system, this Rule contemplates a cooperative approach to the administration of the magisterial district courts, acknowledging judicial independence and the supervisory role of the president judges.

Rule 17 was amended in 2003 to more specifically outline the authority, powers, and responsibilities of the president judges with regard to management of the magisterial district judge system. In so doing, however, it was not intended that this be an exclusive list of powers and responsibilities, nor was it intended to limit the president judges' authority to the areas listed. Given the diverse needs of judicial districts throughout Pennsylvania, how president judges exercise this authority will recognizably be varied. In general, president judges have broad authority with regard to management of the magisterial district courts, but it seemed advisable that certain areas of authority and responsibility be specifically defined.

With regard to paragraph (B)(2), president judges or their representatives are encouraged to meet regularly with the magisterial district judges in the judicial district to foster and maintain open lines of communication regarding the management of the magisterial district judge system.

The term "authorized staff" as used in this Rule means staff positions that have been approved, funded, and hired in accordance with all applicable personnel policies and procedures.

Paragraphs (B)(3)(c) and (B)(4)(b) limit the president judges' authority in certain areas that are within the magisterial district judges' discretion. With regard to paragraph (B)(3)(c), see 42 Pa.C.S. §§ 102 and 2301(a)(1), and Canon 2, Rules 2.3(B), 2.8(B), 2.9(A)(3) and (D), 2.10(C), 2.12 and 2.13 of the Rules Governing Standards of Conduct of Magisterial District Judges. With regard to paragraph (B)(4)(b), see Canon 2, Rules 2.1 and 2.5, and Canon 3, Rules 3.1(A), 3.7(A)—(B), 3.8, 3.9, and 3.11(C) of the Rules Governing Standards of Conduct of Magisterial District Judges.

Paragraph (B)(3)(d)(i) gives president judges authority to transfer or reassign magisterial district court staff as needed, except for personal staff as provided in paragraph (B)(3)(c), who may be transferred or reassigned only with the consent of the affected magisterial district judge. It is contemplated that president judges would consult with and give sufficient notice to the affected magisterial district judges before making transfers.

Nothing in paragraph (B)(3)(f) is intended to circumvent any training program established or required by the Supreme Court of Pennsylvania or the Court Administrator of Pennsylvania.

As to paragraph (B)(6), compare Pa.R.Crim.P. 131(B), relating to central locations for preliminary hearings and summary trials. In addition, if the judicial district is part of a regional administrative unit, magisterial district judges may be assigned to any other judicial district in the unit. See Rule 701(E).

Nothing in paragraph (B)(7) is intended to contradict or circumvent the constitutionally established process for the suspension, removal, and discipline of magisterial district judges. See Pa. Const. art. V § 18; see also 207 Pa. Code Part III (Judicial Conduct Board Rules of Procedure) and Part IV (Court of Judicial Discipline Rules of Procedure). President judges do not have authority to suspend or discipline magisterial district judges.

Rule 606. Transfer of dockets and other papers.

(a) Upon the expiration of his or her term of office, the effective date of his or her resignation or removal from office, or upon his or her abandonment of the office or its duties, a magisterial district judge shall deliver all dockets and other official or like papers to the magisterial office established for the magisterial district in which the former or inactive magisterial district judge maintained his or her residence.

(b) If a magisterial district judge dies in office, his or her personal representatives shall make any delivery required under paragraph (a) of this rule.

Official Note: The text of this rule is derived from Rule 16 of the Rules Governing Standards of Conduct of Magisterial District Judges, rescinded March 26, 2015, effective immediately.

Rule 607. Acts of assembly suspended.

All Acts of Assembly or parts thereof inconsistent with Rules 601 through 606 of the Rules of Judicial Administration are suspended to the extent of such inconsistency.

Official Note: The text of this rule is derived from Rule 81 of the Rules Governing Standards of Conduct of Magisterial District Judges, rescinded March 26, 2015, effective immediately.

[207 PA. CODE CH. 33]

Formal Opinion 2015-1

Notice is hereby given that the Ethics Committee of the Pennsylvania Conference of State Trial Judges has superseded Formal Opinion 98-1 Letters of Reference and has replaced it with Formal Opinion 2015-1 Letters of Reference which is set forth as follows.

Chairperson

Ethics Committee

Pennsylvania Conference of State Trial Judges

Annex A

TITLE 207. JUDICIAL CONDUCT

PART II. CONDUCT STANDARDS

CHAPTER 33. CODE OF JUDICIAL CONDUCT

Subchapter B. FORMAL OPINIONS

§ 15-1. Letters of Reference.

The Ethics Committee of the Pennsylvania Conference of State Trial Judges (“the Committee”) regularly receives inquiries regarding the propriety of sending letters of reference and other similar communications. Because of the frequency of such inquiries, the Committee issued Formal Opinions 93-1 and 98-1 to provide guidance to judicial officers subject to the Code of Judicial Conduct with respect to such matters. By Order of the Supreme Court of Pennsylvania a new code of Judicial Conduct became effective July 1, 2014 (“New Code”). The Committee issues this Formal Opinion to bring its advice in conformity with the New Code, and it supersedes Formal Opinions 93-1 and 98-1.

Under the New Code the overarching principle embodied in Canon 1 is now mandatory. Therefore, as with any inquiry, a judge’s analysis of what conduct is or is not prohibited commences with the application of Canon 1 to the conduct.

Canon 1 of the Code of Judicial Conduct provides that:

A judge shall uphold and promote the independence, integrity, and impartiality of the judiciary, and shall avoid impropriety and the appearance of impropriety.

The Committee has recognized, as have other advisory bodies on judicial conduct throughout the country, that judges are sometimes requested to write letters of reference or similar communications on behalf of persons with whom the judge is familiar. New Rule 1.3 and Comment 2 thereto specifically address letters of reference and provide:

Rule 1.3

Avoiding Abuse of the Prestige of Judicial Office

A judge shall not abuse the prestige of judicial office to advance the personal or economic interests of the judge or others, or allow others to do so.

Comment 2

A judge may provide a reference or recommendation for an individual based upon the judge’s personal knowledge. The judge may use official letterhead if the judge indicates that the reference is personal and if there is no likelihood that the use of the letterhead would reasonably be perceived as an attempt to exert pressure by reasons of the judicial office.

In order to bring consistency to our decisions in this regard and provide guidance to judicial officers subject to the New Code, the Committee has adopted the following guidelines with regard to writing letters of reference:

(1) A judge should never write a letter of reference for a person he or she does not personally know.

(2) A judge may write a letter of reference if it is the type of letter that would be written in the ordinary course of business (e.g., a court employee seeking a reference with regard to the employee's work history) or a judge's personal relationship. The letter should include a statement of the source and extent of the judge's personal knowledge.

(3) The letter should ordinarily be addressed and mailed directly to the person or entity for whose information it is being written. On the other hand, if the judge is concerned that a letter addressed to a particular person or entity might be construed as the judge attempting to exert pressure by reason of the judicial office, e.g., in the case of a personal employee of the judge, such as a law clerk, who is seeking other employment, particularly with a lawyer or law firm before the court, the more general address and salutation of "To Whom It May Concern" may be used. Otherwise, the "blank check" letter "To Whom It May Concern" should be avoided as it can be abused more easily by being shopped around indiscriminately and beyond the judge's knowledge or control more so than a letter addressed to a particular person. If the law clerk is still employed by the Court, the law clerk must comply with Rules 1.11(d) and 1.12(b) of the Rules of Professional Conduct and advise the judge if the clerk is seeking employment with any lawyer or firm appearing in front of the judge. The judge will have to determine whether it is advisable to make a recommendation under those circumstances, but the better course would be to wait until the pending matter has concluded.

(4) Letters of reference may be written by a judge for someone whom the judge knows personally and not professionally, such as a relative or close friend, if they are the type that the judge would normally be requested to write as a result of the judge's personal relationship. The relationship should be such that the judge ordinarily would be disqualified from hearing that person's case.

(5) Any letter that may be written by a judge may be written on official stationery as permitted by Rule 1.3, Comment (2).

(6) The letter of reference may not be written if the judge has reason to believe the letter may be used for purposes of litigation.

(7) These guidelines are not intended to contravene Rule 1701(e) of the Rules of Judicial Administration, which remains in effect and provides: "No judge or magisterial district judge shall testify voluntarily as a character witness."

To summarize, letters of reference may be written by a judge if they are of the type that would be written in the ordinary course of business or personal relationships. A judge must take care, however, to be sure that a person with an insubstantial relationship to him or her is not attempting to use the judge's office to advance personal interests.

This Formal Opinion is intended to provide judicial officers subject to the New Code with broad guidance regarding one of the Committee's most frequent areas of inquiry. Judicial officers are reminded that to enjoy the rule of reliance on the Committee's advice, they should

make a written request for advice from the Committee tailored to the particular situation confronted. If a judicial officer subject to the Code has a question concerning the application of these guidelines, he or she should make a specific, written request for advice from a member of the Committee. The New Code provides that, although such opinions are not *per se* binding on the Judicial Conduct Board, the Court of Judicial Discipline, or the Supreme Court of Pennsylvania, action taken in reliance thereon shall be considered in determining whether discipline should be recommended or imposed.

Title 231—RULES OF CIVIL PROCEDURE

PART I. GENERAL

[231 PA. CODE CH. 1910]

Order Amending Rule 1910.16-6 of the Rules of Civil Procedure; No. 620 Civil Procedural Rules Doc.

Amended Order

Per Curiam

And Now, this 12th day of March, 2015, upon the recommendation of the Domestic Relations Procedural Rules Committee; the proposal having been published for public comment in the *Pennsylvania Bulletin*, 44 Pa.B. 4340 (July 12, 2014):

It Is Ordered pursuant to Article V, Section 10 of the Constitution of Pennsylvania that Rule 1910.16-6 of the Pennsylvania Rules of Civil Procedure is amended in the following form.

This *Order* shall be processed in accordance with Pa.R.J.A. No. 103(b), and shall be effective in 30 days on April 11, 2015.

Annex A

TITLE 231. RULES OF CIVIL PROCEDURE

PART I. GENERAL

CHAPTER 1910. ACTIONS FOR SUPPORT

Rule 1910.16-6. Support Guidelines. Adjustments to the Basic Support Obligation. Allocation of Additional Expenses.

Additional expenses permitted pursuant to this Rule 1910.16-6 may be allocated between the parties even if the parties' incomes do not justify an order of basic support.

* * * * *

(b) *Health Insurance Premiums.*

(1) A party's payment of a premium to provide health insurance coverage on behalf of the other party and/or the children shall be allocated between the parties in proportion to their net incomes, including the portion of the premium attributable to the party who is paying it, as long as a statutory duty of support is owed to the party who is paying the premium. If there is no statutory duty of support owed to the party who is paying the premium, the portion attributable to that person must be deducted

from the premium as set forth in subdivision (2) below. **[Premiums paid by a party to whom no duty of support is owed to cover himself or herself only and that are not necessary to cover the other party or a child as part of a support order shall not be apportioned between the parties.]** If, prior to the entry of a divorce decree, a party's policy covers that party, a child and a spouse and the spouse has separate additional coverage not needed to cover the child and/or the other party, the cost of the spouse's insurance premium shall not be allocated between the parties. If, prior to the entry of a divorce decree, a party provides coverage for that party and a child, but not the spouse, and the spouse has separate coverage, both parties' premiums shall be allocated between the parties in proportion to their respective incomes. If, prior to the entry of a divorce decree, each spouse has his or her own health insurance that does not cover the other party, and there are no children subject to the order, the cost of both parties' premiums shall be allocated between the parties in proportion to their respective incomes. If health insurance coverage for a child who is the subject of the support proceeding is being provided and paid for by a third party resident of either party's household, the cost shall be allocated between the parties in proportion to their net incomes. If the obligor is paying the premium, then the obligee's share is deducted from the obligor's basic support obligation. If the obligee is paying the premium, then the obligor's share is added to his or her basic support obligation. Employer-paid premiums are not subject to allocation.

* * * * *

(3) Pursuant to 23 Pa.C.S. § 4326(a), in every support proceeding, the court must ascertain each parent's ability to provide medical support for the parties' children and the support "order shall include a requirement for medical support to be provided by either or both parents, provided that such medical support is accessible to the children."

(i) The **[non-custodial parent]** obligor bears the initial responsibility of providing health care coverage for the children if it is available at a reasonable cost. "Reasonable cost" to an obligor shall be defined as an amount that does not exceed 5% of the obligor's net monthly income and, when added to the amount of basic child support plus additional expenses the obligor is ordered to pay, does not exceed 50% of the obligor's net monthly income. **If the obligee is providing the coverage, the reasonable amount of the obligor's share shall be defined as an amount that does not exceed 5% of the obligor's net monthly income and, when added to the amount of basic child support plus additional expenses the obligor is ordered to pay, does not exceed 50% of the obligor's net monthly income.**

* * * * *

(c) *Unreimbursed Medical Expenses.* Unreimbursed medical expenses of the obligee or the children shall be allocated between the parties in proportion to their respective net incomes. Notwithstanding the prior sentence, there shall be no apportionment of unreimbursed medical expenses incurred by a party who is not owed a statutory duty of support by the other party. The court may direct that the obligor's share be added to his or her basic support obligation, or paid directly to the obligee or to the health care provider.

(1) For purposes of this subdivision, medical expenses are annual unreimbursed medical expenses in excess of \$250 per person. Medical expenses include insurance co-payments and deductibles and all expenses incurred for reasonably necessary medical services and supplies, including but not limited to surgical, dental and optical services, and orthodontia. Medical expenses do not include cosmetic, chiropractic, psychiatric, psychological or other services unless specifically directed in the order of court.

Official Note: While cosmetic, chiropractic, psychiatric, psychological or other expenses are not required to be apportioned between the parties, the court may apportion such expenses that it determines to be reasonable and appropriate under the circumstances.

(2) An annual limitation may be imposed when the burden on the obligor would otherwise be excessive.

(3) Annual expenses pursuant to this subdivision (c), shall be calculated on a calendar year basis. In the year in which the initial support order is entered, or in any period in which support is being paid that is less than a full year, the \$250 threshold shall be pro-rated. Documentation of unreimbursed medical expenses that either party seeks to have allocated between the parties shall be provided to the other party not later than March 31 of the year following the calendar year in which the final bill was received by the party seeking allocation. For purposes of subsequent enforcement, unreimbursed medical bills need not be submitted to the domestic relations section prior to March 31. Allocation of unreimbursed medical expenses for which documentation is not timely provided to the other party shall be within the discretion of the court.

(4) If the trier of fact determines that out-of-network medical expenses were not obtained due to medical emergency or other compelling factors, the court may decline to assess any of such expenses against the other party.

[(4)] (5) In cases involving only spousal support or alimony pendente lite, the parties' respective net incomes for purposes of allocating unreimbursed medical expenses shall be calculated after the amount of spousal support or alimony pendente lite is deducted from the obligor's income and added to the obligee's income.

TITLE 231. RULES OF CIVIL PROCEDURE

PART I. GENERAL

CHAPTER 200. BUSINESS OF COURTS

Rule 230.2. Termination of Inactive Cases.

(a) **[The court may]** At least once a year, the court shall initiate proceedings to terminate **[a case]** cases in which there has been no activity of record for two years or more **[by serving a notice of proposed dismissal of court case]**, and shall report such information to the Court Administrator of Pennsylvania on a form supplied by the Administrative Office of Pennsylvania Courts or in such format as requested from time to time by the Administrative Office of Pennsylvania Courts.

Official Note: This rule provides an administrative method for the termination of inactive cases.

(b)(1) **[The]** For each case identified pursuant to subdivision (a), the court shall serve **[the notice]** a notice of proposed termination on counsel of record, and on the parties if not represented, **[sixty]** thirty days prior to the date of the proposed termination. The notice shall contain the date of the proposed termination and the procedure to avoid termination.

(2) The notice shall be served **[by mail]** electronically pursuant to Rule 205.4(g)(1), or pursuant to Rule 440 on counsel of record and on the parties, if not represented, at the last address of record. **[If the mailed notice is returned, the notice shall be served by advertising it in the legal publication, if any, designated by the court for the publication of legal notices or in one newspaper of general circulation within the county.]**

Official Note: If the notice mailed to an attorney is returned by the postal service, the prothonotary should check **[a legal directory or contact the Administra-**

tive Office of Pennsylvania Courts] the website of the Disciplinary Board of the Supreme Court of Pennsylvania, www.padisiplinaryboard.org, for a current address. **[Otherwise, publication in the legal newspaper or a newspaper of general circulation within the county is required under this rule if the mailed notice is returned.]**

See subdivision **[(e)] (f)** for the form of notice.

(c) If no statement of intention to proceed has been filed **on or before the date of the proposed termination**, the prothonotary shall enter an order as of course terminating the matter **[with prejudice]** for failure to prosecute.

Official Note: The prothonotary may not enter an order terminating the action until more than **[sixty]** thirty days after service of the notice of proposed termination.

A court officer may certify to the prothonotary those matters which have been inactive and in which no statement of intention to proceed has been filed.

(d)(1) If an action has been terminated pursuant to this rule, an aggrieved party may petition the court to reinstate the action.

(2) If the petition is filed within **[thirty]** sixty days after the entry of the order of termination on the docket, the court shall grant the petition and reinstate the action.

Official Note: The provision under subdivision (d)(2) for filing a petition within **[thirty]** sixty days is not intended to set a standard for timeliness in proceedings outside this rule.

(3) If the petition is filed more than **[thirty]** sixty days after the entry of the order of termination on the docket, the court shall grant the petition and reinstate the action upon a showing that

(i) the petition was timely filed following the entry of the order for termination and

(ii) there is a reasonable explanation or a legitimate excuse for the failure to file both

(A) the statement of intention to proceed prior to the entry of the order of termination on the docket and,

(B) the petition to reinstate the action within **[thirty]** sixty days after the entry of the order of termination on the docket.

Official Note: The provision under subdivision (d)(2) for filing a petition within **[thirty]** sixty days of the entry of the order of termination on the docket is not a standard of timeliness. Rather, the filing of the petition during that time period eliminates the need to make the showing otherwise required by subdivision (d)(3).

(e) Any case which is reinstated pursuant to subdivision (d) shall be subject to termination with prejudice upon a subsequent termination pursuant to subdivision (a). No subsequent reinstatements will be granted.

[(e)] (f) The notice required by subdivision (b) shall be in the following form:

(Caption)

NOTICE OF PROPOSED TERMINATION OF COURT CASE

The court intends to terminate this case without further notice because the docket shows no activity in the case for at least two years.

You may stop the court from terminating the case by filing a Statement of Intention to Proceed. The Statement of Intention to Proceed should be filed with the Prothonotary of the Court at

_____ Address
 on or before _____ .
 Date

IF YOU FAIL TO FILE THE REQUIRED STATEMENT OF INTENTION TO PROCEED, THE CASE WILL BE TERMINATED BY THE PROTHONOTARY WITHOUT FURTHER NOTICE.

BY THE COURT;

 Date of this Notice Officer

[(f) The Statement of Intention to Proceed shall be in the following form:]

(g) The statement of intention to proceed shall be in the following form:

(Caption)

Statement of Intention to Proceed

To the Court:

_____ intends to proceed with the above captioned matter.

Date: _____
 _____ Attorney for _____

(h) Upon receipt of a statement of intention to proceed, the court may schedule a status conference and establish appropriate timelines to insure a timely and efficient disposition of the case.

EXPLANATORY COMMENT

In 2014, the Supreme Court of Pennsylvania made efforts to reduce the inventory of civil cases on the dockets of the Courts of Common Pleas. To expedite that process, it suspended Rule 230.2 governing the termination of inactive cases. Originally adopted in 2003, Rule 230.2 implemented the general policy provisions of Rule of Judicial Administration 1901(a) governing the prompt disposition of matters and the termination of inactive cases. While Pa.R.J.A. No. 1901(a) provided general guidelines for conducting an administrative purge, Rule 230.2 set forth a procedural mechanism for a court to perform an administrative purge of cases that had remained on the civil docket for two or more years with no evidence of any activity.

The Civil Procedural Rules Committee has reviewed suspended Rule 230.2 and is proposing amendments intended to ensure that the civil dockets reflect the current inventory of active cases and to encourage attorneys to expeditiously litigate their cases. The proposed amendments will streamline the procedure for the trial court to conduct an administrative purge of inactive cases.

Several concerns with Rule 230.2 were identified. The rule did not specify how often a court should conduct an administrative purge; it only provided a procedure should a court decide to conduct an administrative purge. In order to ensure that the civil case inventory is accurate, the proposed amendment in subdivision (a) will require a court to conduct an administrative purge at least once a year. The court will also be required to report such

information to the Court Administrator of Pennsylvania with a form supplied by the Administrative Office of Pennsylvania Courts.

A second problem identified with Rule 230.2 was the provision for service of the notice of proposed termination in subdivision (b). In subdivision (b)(1), the rule required service of the notice of proposed termination on counsel of record or unrepresented parties at least sixty days prior to the date of termination. To expedite the process, the proposed amendment to subdivision (b)(1) will shorten that time frame and require the notice to be served to at least thirty days prior to the date of termination.

The suspended rule did not provide for modern, efficient methods for giving notice to counsel or unrepresented parties that cases were identified as having no activity on the docket for the previous two years. Subdivision (b)(2) provided for the notice to be served by mail pursuant to Rule 440 at the last address of record. In the event that the notice was returned, publication was required in the legal publication designated by the court for such notices. In conjunction with the shortened time frame in subdivision (b)(1), the proposed amendment of subdivision (b)(2) will update the method for giving notice by allowing the notice to be served electronically pursuant to Rule 205.4 governing electronic filing. The ability to serve notice by mail pursuant to Rule 440 is retained, but publication in the legal journal when a notice has been returned has been eliminated.

A third problem identified with Rule 230.2 was the filing of statements of intention to proceed in order to keep a case active, but then not requiring any further obligation on counsel or an unrepresented party to move the case forward to resolution. Subdivision (c) of the suspended rule required an attorney or unrepresented party to file a statement of intention to proceed before the termination date stated in the notice in order to prevent the purging of the case from the docket. If no statement of intention to proceed was filed, the prothonotary was directed to enter an order terminating the matter for failure to prosecute. In the proposal, this provision has been retained. However, new subdivision (h) will encourage the trial court to manage its cases by scheduling a status conference and establishing appropriate timelines to insure a timely and efficient disposition of the case.

Importantly, the proposed amendment of Rule 230.2 will retain its post-termination procedure set forth in subdivision (d), which allows a party to petition the court to reinstate the action. The suspended rule provided certain requirements for reinstatement depending whether the petition is filed within thirty days or beyond thirty days. While the requirements remain unchanged, subdivision (d) will be amended to provide for sixty days rather than thirty days. New subdivision (e), however, will limit reinstatements of a case. If any case, previously reinstated, is terminated pursuant to this rule it would be terminated with prejudice. No additional reinstatements would be granted. This provision is intended to encourage the efficient litigation of cases and not let them languish on the docket.

Annex A

TITLE 234. RULES OF CRIMINAL PROCEDURE CHAPTER 4. PROCEDURES IN SUMMARY CASES PART E. General Procedures in Summary Cases

Rule 452. Collateral.

(A) The issuing authority shall fix the amount of collateral, if any, to be deposited to insure a defendant's appearance at the summary trial, which amount shall not exceed the full amount of the fine and costs.

(B) The collateral deposited shall be in United States currency or a cash equivalent.

(C) The collateral deposited may be forfeited after conviction at the summary trial and applied to payment of the fine [and], costs, and restitution.

Comment

The term "collateral" is intended to convey the dual purpose of the amount of money that is deposited. First, the amount deposited is used as bail to secure the defendant's appearance at the summary trial. Second, the amount deposited is used as security, and may be forfeited in the event of a conviction to satisfy any fine [and], costs, and restitution.

A defendant may not be penalized or denied a hearing because he or she cannot pay the full amount of the fine and costs as collateral.

Although this rule permits an issuing authority to fix collateral in an amount up to the full amount of fine and costs the issuing authority is not required to fix collateral or any particular amount of collateral, and may set an amount less than the fine and costs. The issuing authority may also release the defendant on recognizance when the issuing authority has reasonable grounds to believe that the defendant will appear or the defendant is without adequate resources to deposit collateral. To request a lower amount of collateral or to be released on recognizance, the defendant must appear personally before the issuing authority to enter a plea, as provided in Rules 408, 413, and 423.

For the purpose of paragraph (B), any guaranteed arrest bond certificate issued by an automobile club or association pursuant to 40 P.S. § 837 (1959) would constitute a "cash equivalent."

Paragraph (C) was amended in 2015 to clarify that collateral may be forfeited for the payment of restitution as well as for the fine and costs that have been assessed by an issuing authority. See 18 Pa.C.S. § 1106(d) for the authority of a magisterial district judge to impose restitution on a defendant.

Official Note: Rule 81 adopted July 12, 1985, effective January 1, 1986; effective date extended to July 1, 1986; Comment revised February 1, 1989, effective July 1, 1989; Comment revised May 14, 1999, effective July 1, 1999; renumbered Rule 452 and Comment revised March 1, 2000, effective April 1, 2001; **amended** , **2015**, **effective** , **2015**.

REPORT

Proposed Amendments to Pa.R.Crim.P. 452

Collateral Retained for Restitution in Summary Cases

Retention of summary case collateral has long been permitted under Rule 452(C) which states, "The collateral deposited may be forfeited after conviction at the summary trial and applied to payment of the fine and costs." Recently, the Committee has been presented with the question of whether collateral that had been previously set could be similarly applied to pay restitution awarded in summary cases. This question was prompted by the Court's recent adoption of amendments to Rule 528 (Monetary Condition for Release of Bail) and Rule 535 (Receipt for Deposit; Return of Deposit) that provided procedures in court cases for applying bail that would be otherwise returnable to case assessments including restitution. The suggestion was made to amend Rule 452 to include specific mention of restitution.

The language regarding forfeiture of collateral has been in Rule 452 (then Rule 81) since it was first adopted in

1985. It appears that this provision developed in consideration of the traditional summary citation case, usually involving traffic offenses, where the defendant is permitted to post collateral for a fixed fine and costs while awaiting the summary trial. This collateral then could be applied to the fine and costs if the defendant failed to appear or could be applied directly if the defendant were convicted. In these types of cases, restitution was rarely awarded. However, in developing the rule, the Committee does not appear to have considered other summary cases, such as non-traffic offenses, where there is no fixed fine and restitution can be a factor in the potential sentence.

Additionally, at the time, there was a question among some issuing authorities of their power to impose restitution as part of a summary sentence. Certainly, if there was previously a question on the authority of MDJs to award restitution, that has been addressed statutorily in paragraph (d) of Section 1106 of Title 18, the general restitution provision. Furthermore, the summary case rules contain numerous references to the award of restitution in summary cases. For example, Rule 403 (Contents of Citation), while not requiring restitution to be listed on the citation, contains Comment language making passing reference to the award of restitution as part of a summary sentence. Similarly, Rule 462 (Trial *De Novo*) references restitution as part of the sentence.

Furthermore, based on anecdotal reports, the collection of restitution by magisterial district judges in summary cases appears to have been a long-standing practice, particularly in non-traffic summaries such as criminal mischief, bad checks, retail theft and other crimes where there may have been loss of property or damages.

The allowance under Rule 452(C) that collateral may be forfeited to be applied to case assessments was, until recently, one of the major differences between summary collateral and court case bail. As noted in the Comment to Rule 452, collateral has a dual purpose as bail to secure the defendant's appearance at the summary trial, and as security for the payment of fines and costs. With the Court's recent approval of the changes to Rules 528 and 535 which permits returnable bail money to be retained to pay case assessments, that distinction has become less pronounced.

The Committee has concluded that there is not a compelling reason why collateral should not be used to satisfy restitution. Furthermore, it is inconsistent to permit the application of bail money to restitution in court cases but not collateral for restitution in summary cases. This is especially compelling in light of the Committee's recent examination of procedures to enhance the collection of restitution in court cases.¹

Therefore, the proposed rule change would add the word "restitution" to the list of assessments to which collateral may be applied. Comment language would provide some additional detail including a cross-reference to the statutory authority for awarding restitution.

PROPOSED RULEMAKING

LICQUOR CONTROL BOARD

[40 PA. CODE CH. 5]

Responsible Alcohol Management Program

The Liquor Control Board (Board), under the authority of section 207(i) of the Liquor Code (47 P.S. § 2-207(i)), proposes to amend Chapter 5 (relating to duties and rights of licensees).

Summary

The Commonwealth expects holders of retail liquor and beer licenses to meet demanding standards of operation. Failure to do so may result in fines and other penalties that can culminate in the loss of the license. Training licensees and their employees to serve alcohol responsibly is seen to be one of the best ways to prevent these problems.

Section 471.1 of the Liquor Code (47 P.S. § 4-471.1) authorizes the Board to establish a training program for licensees. This training program is known as the Responsible Alcohol Management Program (RAMP) and is administered by the Board's Bureau of Alcohol Education (BAE). Although completion of RAMP training is usually voluntary, the act of June 28, 2011 (P.L. 55, No. 11) (Act 11) and the act of December 22, 2011 (P.L. 530, No. 113) (Act 113) made RAMP training and certification mandatory for certain licensees. As a result, there has been an increase in the number of persons who are interested in taking some or all of the RAMP training.

Since 2001, the Board has offered RAMP training and certification to licensees authorized to sell alcohol to the

public. The public and, perhaps more immediately, the neighbors of licensed establishments have benefitted from the practical and legal training that the BAE provides through these regulations to licensees and their employees.

RAMP training consists of five parts: 1) new employee orientation; 2) training for alcohol service personnel (also known as server/seller training); 3) manager/owner training; 4) displaying responsible alcohol service signage; and 5) certification. The Board is required under section 471.1 of the Liquor Code to conduct the manager/owner training, but may elect under section 471.1(a) of the Liquor Code to use certified instructors to teach the server/seller component of RAMP. The Board is authorized under section 471.1(b) of the Liquor Code to certify and decertify server/seller instructors. Section 471.1(a) of the Liquor Code provides that "[t]raining for alcohol service personnel shall be as set forth by the board, but at minimum it shall consist of training to prevent service of alcohol to minors and to visibly intoxicated persons."

There are approximately 15,000 active licenses in this Commonwealth that authorize the sale and service of alcohol for on-premises consumption, known collectively as retail licensees. There are approximately 1,200 licensed distributors and importing distributors of malt or brewed beverages, such as beer, constituting wholesale licensees. Each of these licensees may benefit from RAMP training.

Although completion of RAMP training is usually voluntary, Acts 11 and 113 have made RAMP training and certification mandatory for certain employees of licensees. As a result, there has been an increase in the number of persons who have become RAMP certified.

Year	2009	2010	2011	2012	2013
Number of Individuals RAMP Certified	23,999	24,022	26,563	30,157	31,946
Percentage increase from prior year		0.10%	9.57%	11.92%	5.60%

There are currently 32 instructors certified by the BAE who provide RAMP server/seller training. There are also seven approved RAMP server/seller online training courses which use BAE materials.

This proposed rulemaking would allow third parties to create their own curriculums and to submit them to the BAE for approval. The expected benefits include more opportunities for server/seller training which is needed to meet the growing demand for training.

Increasing the number of programs that may be offered as the equivalent of RAMP server/seller training will place an extra burden on the BAE. It will be required to evaluate the submitted programs and compare them to RAMP. Once the program is approved, the BAE will be responsible for evaluating the instructors who provide the training; this could mean a significant increase in the number of instructors the BAE must evaluate and certify. In addition, having a variety of programs could result in inconsistencies in the training experience.

These additional responsibilities can be addressed with an increase in staffing that can provide tighter oversight. An alcohol education specialist is a civil service position

at pay grade 6, for which the annual salary range is from \$39,257 to \$59,658. However, it is unlikely additional personnel will be needed. In addition, the benefit to the licensed community through increased training opportunities, resulting in more properly trained alcohol server/sellers, outweighs the cost of additional personnel.

Affected Parties

This proposed rulemaking will affect an entity that wishes to offer RAMP-equivalent server/seller training. As long as the proposed curriculum is equivalent to RAMP's standard curriculum, RAMP will allow that entity to provide server/seller training. This may indirectly affect anyone who wishes to or needs to take server/seller training, as there will likely be more options for this training.

Paperwork Requirements

This proposed rulemaking may increase paperwork for the BAE, since the BAE will need to evaluate proposed curriculums to determine if they are equivalent to the standard curriculum. The proposed rulemaking would not increase paperwork for anyone else in the regulated

community except for those entities that wish to provide server/seller training but are advised that their curriculum is deficient and changes must be made.

Fiscal Impact

The Board has offered RAMP training and certification since 2001. Because RAMP is mandated by section 471.1 of the Liquor Code, its costs cannot be avoided. The current annual cost of RAMP to the Board is approximately \$500,000. In the unlikely event that further staffing is needed by the BAE, increased staffing costs will be funded fully from liquor sales. Like all of the Board's operating costs, RAMP is fully funded from the proceeds of selling liquor, which are deposited into the State Stores Fund. The Board's operations and programs are not funded from a General Fund appropriation.

Under section 471.1 of the Liquor Code, licensees that have become RAMP-certified may be assessed reduced fines should they be found to have provided alcohol to a minor or visibly intoxicated person. Some licensees, because of the citations they have received and because their licensure is in jeopardy, are required to obtain and maintain RAMP certification. Training offered by other programs may happen to be more convenient for some licensees because more classes will be available. If there are more programs to choose from, the convenience for the licensee will increase, thus reducing the potential fiscal impact for the licensee.

This proposed rulemaking is not expected to result in costs or savings to local governments.

Effective Date

This proposed rulemaking will become effective upon final-form publication in the *Pennsylvania Bulletin*.

Public Comments

Interested persons are invited to submit written comments about the proposed rulemaking to Rodrigo Diaz, Executive Deputy Chief Counsel, or Norina Blynn, Assistant Counsel, Office of Chief Counsel, Liquor Control Board, Room 401, Northwest Office Building, Harrisburg, PA 17124-0001 within 30 days after publication of this proposed rulemaking in the *Pennsylvania Bulletin*. Comments submitted by facsimile will not be accepted.

Public comments will be posted on the Independent Regulatory Review Commission's (IRRC) web site. Personal information will be redacted from the public comments received.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on March 11, 2015, the Board submitted a copy of this proposed rulemaking and a copy of a Regulatory Analysis Form to IRRC and to the Chairpersons of the House Liquor Control Committee and Senate Committee on Law and Justice. A copy of this material is available to the public upon request.

Under section 5(g) of the Regulatory Review Act, IRRC may convey any comments, recommendations or objections to the proposed rulemaking within 30 days of the close of the public comment period. The comments, recommendations or objections must specify the regulatory review criteria which have not been met. The Regulatory

Review Act specifies detailed procedures for review, prior to final publication of the rulemaking, by the Board, the General Assembly and the Governor of comments, recommendations or objections raised.

Chairperson

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 1

Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.907)

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P. S. §§ 6026.302—6026.305) require the Department to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. A person intending to use the background standard, Statewide health standard, the site-specific standard or intend to remediate a site as a special industrial area shall file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of cleanup standards or receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the following site, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified as follows. During this comment period, the municipality may request that the person identified as the remediator of the site develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office listed before the notice. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

The Department has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the general

public. This approach allows the owner or operator of a facility to submit permitting documents relevant to its application for all sources related to a facility or a proposed project, affords an opportunity for public input, and provides for a decision on the issuance of the necessary permits.

The Department received applications for Plan Approvals or Operating Permits from the following facilities.

Copies of the application, the Department's analysis, all pertinent documents used in the evaluation of the application and subsequently prepared proposed plan approvals/operating permits are available for public review during normal business hours at the appropriate Department Regional Office. Appointments for scheduling a review must be made by calling the appropriate Department Regional Office. The address and phone number of the Regional Office is listed before the application notices.

Persons wishing to file a written protest or provide comments or additional information, which they believe should be considered prior to the issuance of a permit, may submit the information to the Department's Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments, protests and information. Each submission must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Plan Approval/Operating Permit including the permit number and a concise statement regarding the relevancy of the information or objections to issuance of the permit.

A person wishing to request a hearing may do so during the 30-day comment period. A public hearing may be held, if the Department, in its discretion, decides that a hearing is warranted based on the information received. Persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper, the *Pennsylvania Bulletin* or by telephone, when the Department determines this type of notification is sufficient. Requests for a public hearing and any relevant information should be directed to the appropriate Department Regional Office.

Permits issued to the owners or operators of sources subject to 25 Pa. Code Chapter 127, Subchapter D or E, or located within a Title V facility or subject to 25 Pa. Code § 129.51(a) or permits issued for sources with limitations on their potential to emit used to avoid otherwise applicable Federal requirements may be submitted to the United States Environmental Protection Agency for review and approval as a revision to the State Implementation Plan. Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the sources are constructed and operating in compliance with applicable requirements in the Air Pollution Control Act (35 P. S. §§ 4001—4015), 25 Pa. Code Chapters 121—145, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the regional office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

17-00001E: NRG REMA LLC (250 Power Plant Drive, Shawville, PA 16873) has submitted a plan approval application to the PA Department of Environmental Protection (DEP) for the proposed construction of a mechanical draft cooling tower at the Shawville Generating Station located in Bradford Township, **Clearfield County**.

PA DEP's review of the information submitted by NRG REMA LLC indicates that the proposed cooling tower will comply with all applicable regulatory requirements, including the best available technology (BAT) of 25 Pa. Code §§ 127.1 and 127.12 and the National Emission Standards for Hazardous Air Pollutants for Industrial Process Cooling Towers as codified in 40 CFR Part 63 Subpart Q. The information shows the use of the proposed high efficiency drift eliminators will result in maximum drift rate equal to 0.0005% of the circulating water flow rate. In addition, operation of the proposed cooling tower will be prohibited to include the use of

chromium-based water treatment chemicals. Based on this finding, the Department proposes to issue a plan approval for the proposed cooling tower. In addition to the restrictions provided above, the following is a brief description of the types of conditions the Department intends to place in the plan approval in order to ensure compliance with the applicable air quality regulatory requirements.

In accordance with BAT, the emissions from the proposed cooling tower will not exceed the following limits: 3.0 lbs/hr of particulate matter (condensable and filterable), PM₁₀, and PM_{2.5} and 4.9 tons per 12 consecutive month period of particulate matter, PM₁₀, and PM_{2.5}. The plan approval conditions include a throughput restriction which limits the total dissolved solids (TDS) of the cooling tower circulating water to 4,000 ppms. The plan approval includes monitoring conditions that pertain to the following parameters; the cooling tower circulating water TDS, and the cooling tower circulating pump hours of operation and discharge flow rates. The plan approval also includes recordkeeping and reporting of the monthly emissions of particulate matter, PM₁₀, and PM_{2.5}.

The extension of compliance for the electric generating units located at the facility with respect to the National Emission Standards for Hazardous Air Pollutants: Coal and Oil-Fired Electric Utility Steam Generating Units was included in the plan approval. The plan approval condition requires the facility to adhere to the compliance schedule as received on September 11, 2014.

The facility is a major (Title V) facility. If the Department determines that the source is constructed and operated in compliance with the plan approval conditions including the specifications of the application for Plan Approval 17-00001E, the requirements established in the plan approval will be incorporated into Title V Operating Permit 17-00001 pursuant to the administrative amendment provisions of 25 Pa. Code § 127.450.

All pertinent documents used in the evaluation of the application are available for public review during normal business hours at the Department's Northcentral Regional office, 208 West Third Street, Suite 101, Williamsport, PA 17701. Appointments for scheduling a review must be made by calling 570-327-0550.

MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed NPDES permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (Department) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH*		greater than 6.0; less than 9.0	
Alkalinity greater than acidity*			

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The limits for noncoal mining activities as provided in 25 Pa. Code Chapter 77 are pH 6 to 9 and other parameters the Department may require.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

In addition to BAT or WQBEL limits, coal and noncoal NPDES permits establish effluent limitations in the form of implemented Best Management Practices (BMPs) identified in the associated Erosion and Sedimentation Plan, the

Reclamation Plan and the NPDES permit application. These BMPs restrict the rates and quantities of associated pollutants from being discharged into surface waters in this Commonwealth.

More restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining that may occur are incorporated into an NPDES permit when necessary for compliance with water quality standards and antidegradation requirements (in accordance with 25 Pa. Code Chapters 91—96).

The procedures for determining the final effluent limits, using a mass-balance equation or model, are found in Technical Guidance Document 563-2112-115, Developing National Pollutant Discharge Elimination System (NPDES) Permits for Mining Activities. Other specific factors to be considered include public comments and Total Maximum Daily Load(s). Additional discharge limitations may apply in the event that unexpected discharges occur.

Discharge rates for surface mining activities are precipitation driven. Discharge rates for proposed discharges associated with underground mining are noted in the permit description.

Persons wishing to comment on an NPDES draft permit should submit a written statement to the Department at the address of the district mining office indicated before each draft permit within 30 days of this public notice. Comments received within the comment period will be considered in the final determinations regarding the NPDES permit applications. Comments must include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests or petitions for a public hearing on NPDES permit applications, as provided in 25 Pa. Code § 92a.82(d). The request or petition for a public hearing shall be filed within 30 days of this public notice and contain the name, address, telephone number and the interest of the party filing the request, and state the reasons why a hearing is warranted. A public hearing may be held if the Department considers the public interest significant. If a hearing is scheduled, a notice of the hearing on the NPDES permit application will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. When a public hearing is held, the Department will consider comments from the public hearing in the final determination on the NPDES permit application.

FEDERAL WATER POLLUTION CONTROL ACT, SECTION 401

The following permit applications, requests for Environmental Assessment approval and requests for 401 Water Quality Certification have been received by the Department. Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341) requires the Commonwealth to certify that the involved projects will not violate

the sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) as well as relevant State requirements. Persons objecting to approval of a request for certification under section 401 of the FWPCA, the issuance of a Dam Permit or Water Obstruction and Encroachment Permit or the approval of an Environmental Assessment shall submit comments, suggestions or objections within 30 days of the date of this notice as well as any questions to the office noted

before an application. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed and a concise statement of comments, objections or suggestions including the relevant facts upon which they are based.

The Department may conduct a fact-finding hearing or an informal conference in response to comments if deemed necessary. Each individual will be notified, in writing, of the time and place of a scheduled hearing or conference concerning the certification request to which the comment, objection or suggestion relates. Maps, drawings and other data pertinent to the certification request are available for inspection between 8 a.m. and 4 p.m. on working days at the office noted before the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Applications Received under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and Requests for Certification under section 401(a) of the FWPCA.

This notice of final action is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P. S. §§ 691.1—691.101) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

**UNDER ACT 2, 1995
PREAMBLE 2**

The following plans and reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.907).

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P. S. §§ 6026.301—6026.308) require the Department to publish in the *Pennsylvania Bulletin* a notice of submis-

sion of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, contact the environmental cleanup program manager in the Department regional office under which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the community relations coordinator at the appropriate regional office. Water Quality Certification under Section 401 of the Federal Clean Water Act for the Transcontinental Gas Pipe Line Company, LLC—Rock Springs Expansion Project;

DEP File No. EA 36-034

On June 23, 2014, Transcontinental Gas Pipe Line Company, LLC (Transco) filed an application with the Federal Energy Regulatory Commission (FERC) in Docket No. CP14-504-000 under Section 7(b) and (c) of the Natural Gas Act (NGA) for the purpose of obtaining a Certificate of Public Convenience and Necessity (Certificate) to construct, own, and operate the Transco Rock Springs Expansion Project located in Lancaster County, Pennsylvania and Cecil County, Maryland. The proposed Rock Springs Expansion Project facilities in Pennsylvania would consist of approximately 10.14 miles of new 20-inch diameter natural gas pipeline in Drumore and Fulton Townships, Lancaster County and the modification of an existing compressor station in East Whiteland Township, Chester County.

On July 15, 2014, Transco submitted a request for Water Quality Certification under Section 401 of the Federal Clean Water Act (33 U.S.C. § 1341) for the Rock Springs Expansion Project to the Pennsylvania Department of Environmental Protection (PADEP).

The purpose of the Rock Springs Expansion Project is to deliver natural gas from Transco's existing mainlines "A" and "B" to the proposed Old Dominion Electric

Cooperative's (ODEC) Wildcat Point Generating Facility, located in Cecil County, Maryland, for power generation.

Modification to one existing compressor station, Compressor Station 200 in East Whiteland Twp., Chester Co., PA, is proposed to allow for bi-directional flow along Transco's existing mainline system.

The Rock Springs Expansion Project also includes various aboveground facilities, including pig launchers, piping, and valves that would be constructed to support the pipeline system expansion and compressor station modification in Pennsylvania.

Pursuant to Section 401 of the Clean Water Act (33 U.S.C. § 1341), the PADEP, by this notice, proposes to certify that the construction, operation and maintenance of the Rock Springs Expansion Project complies with the applicable provisions of the Clean Water Act, through compliance with the following State water quality permitting programs, criteria and conditions established pursuant to Pennsylvania's Clean Stream Law (35 P.S. §§ 691.1—691.1001), which ensure the Project does not violate applicable water quality standards set forth in 25 Pa. Code Chapter 93:

1. *Discharge Permit*—Transco shall obtain and comply with a PADEP National Pollutant Discharge Elimination System (NPDES) permit for the discharge of water from the hydrostatic testing of the Rock Springs Expansion Project pipeline pursuant to Pennsylvania's Clean Streams Law (35 P.S. §§ 691.1—691.1001) and all applicable implementing regulations (25 Pa. Code Chapter 92a).

2. *Erosion and Sediment Control Permit*—Transco shall obtain and comply with PADEP's Chapter 102 Erosion and Sediment Control General Permit for Earth Disturbance Associated with Oil and Gas Exploration, Production, Processing or Treatment (ESCGP-2 permit) for the Rock Springs Expansion Project issued pursuant to Pennsylvania's Clean Streams Law and Storm Water Management Act (32 P.S. §§ 680.1—680.17) and all applicable implementing regulations (25 Pa. Code Chapter 102).

INSURANCE DEPARTMENT

Earthquake Endorsements to Homeowners Policies

Some insurers have asserted that because of an increase in natural gas extraction in this Commonwealth by means of a process commonly referred to as “fracking”, endorsements should exclude coverage on homeowners policies for earthquakes that are not “naturally occurring.”

Determining with certainty that human activity caused an earthquake is very difficult, and insurance claims by homeowners should not go unpaid during a long and arduous investigative process that will likely uncover no definitive proof linking the earthquake to human activity.

Insurers and rating organizations are therefore instructed that earthquake endorsements that attach to homeowners insurance policies in this Commonwealth should cover all earthquakes, whether believed to be “naturally occurring” or caused by “human activity”.

Insurers with earthquake endorsements already in the marketplace which exclude coverage for earthquakes that are not naturally occurring should not enforce these exclusions, and new endorsements without the exclusionary language should be filed with the Insurance Department no later than July 1, 2015.

Implementation of the Alternative Energy Portfolio Standards Act of 2004: Standards for the Participation of Demand Side Management Resources—Technical Reference Manual 2016 Update; Doc. No. M-2015-2469311

Tentative Order

The Pennsylvania Public Utility Commission (Commission) seeks comments on the proposed 2016 update to the Technical Reference Manual. In a Tentative Order adopted at its March 26, 2015, public meeting, the Commission released, for comment, the proposed 2016 version of the Energy-Efficiency and DSM Rules for Pennsylvania's Alternative Energy Portfolio Standard, Technical Reference Manual (TRM). A copy of the Tentative Order and the proposed 2016 version of the TRM and its appendices can be found on the Commission's web site as follows:

Tentative
Order: <http://www.puc.pa.gov/pcdocs/1350003.docx>
TRM: <http://www.puc.pa.gov/pcdocs/1350348.docx>
Appendix C: <http://www.puc.pa.gov/pcdocs/1350344.xlsx>
Appendix D: <http://www.puc.pa.gov/pcdocs/1350350.xlsx>

In implementing the Alternative Energy Portfolio Standards Act (73 P. S. §§ 1648.1—1648.8), the Commission had originally adopted the TRM in an Order entered on October 3, 2005, at Doc. No. M-00051865. Subsequently, in the Energy Efficiency and Conservation (EE&C) Program Implementation Order, entered on January 16, 2009, at Doc. No. M-2008-2069887, the Commission adopted the TRM as a component of the EE&C Program evaluation process.

In the Tentative Order adopted March 26, 2015, the Commission seeks comments on the proposed changes to the TRM. Written comments from interested parties must be filed with the Secretary of the Commission, referencing Doc. No. M-2015-2469311, on or before May 11, 2015. Reply comments must be filed on or before May 21, 2015.

Petition of PPL Electric Utilities Corporation for a Waiver of the Distribution System Improvement Charge Cap of 5% of Billed Revenues

P-2015-2474714. PPL Electric Utilities Corporation. Petition of PPL Electric Utilities Corporation (PPL Electric) requesting: 1) waiver of the Distribution System Improvement Charge (DSIC) cap of 5% of billed revenues; and 2) approval to increase the maximum allowable DSIC from 5% to 7.5% of billed revenue for service rendered on or after January 1, 2016. The act of February 14, 2012 (P. L. 72, No. 11) authorized public utilities to use a DSIC mechanism to facilitate the recovery of reasonable and prudent capital costs incurred to repair, improve or replace certain eligible distribution property that is part of the electric distribution companies' distribution systems. PPL Electric's DSIC recovery at P-2012-2325034 is currently capped at 5% of billed distribution revenues between rate cases. PPL Electric proposes to increase the maximum DSIC rate by 2.5%.

The current monthly cost of the DSIC at the maximum surcharge rate of 5% for an average residential customer is approximately \$2.47 per month. Increasing the maximum DISC rate to 7.5% is expected to result in an estimated customer cost of approximately \$3.70 per month at the cap. However, because the DSIC rate increases gradually each quarter, the average increase per quarter likely would be less than this amount.

Formal protests and petitions to intervene must be filed in accordance with 52 Pa. Code (relating to public utilities). Filings must be made with the Secretary of the Pennsylvania Public Utility Commission, 400 North Street, Harrisburg, PA 17120 on or before April 27, 2015. The documents filed in support of the petitions are available for inspection in the Secretary's Bureau from 8 a.m. to 4:30 p.m., Monday through Friday, at the Pennsylvania Public Utility Commission's web site at www.puc.pa.gov and at the applicant's business address.

STATE HARNESS RACING COMMISSION

Driving or Racing Violation Penalty Matrix

The State Harness Racing Commission (Commission) hereby establishes the following Driving or Racing Violation Penalty Matrix (Penalty Matrix). In general, under

section 214(a) of the act of December 17, 1981 (P. L. 435, No. 135) (4 P. S. § 325.214(a)), known as the Race Horse Industry Reform Act (act), in addition to its power to suspend or revoke licenses, the Commission is authorized and empowered to impose fines upon persons participating in horse race meetings at which pari-mutuel wagering is conducted for violations of any provision of the act or the rules and regulations promulgated by the Commission, not to exceed \$5,000 for each violation.

The Commission and its Board of Judges (Judges) are authorized to impose penalties in the form of fines, suspensions or both for violations of the rules of racing (See 58 Pa. Code §§ 183.13 and 183.391—183.406 (relating to penalties; and fines, suspensions, expulsions and appeals).) The Penalty Matrix does not alter or supersede existing regulations relating to racing and/or driving violations. Instead, the Penalty Matrix is intended to: (1) provide the harness racing industry general notice of how the Commission will—in typical cases—exercise its discretion with respect to penalties for violations; and (2) bring greater uniformity and consistency to the imposition of penalties by the Judges across the three harness racetracks for these driving violations.

The Commission understands that driving infractions may and do occur during the contest of races at licensed racetracks. Sometimes those infractions are unintentional in nature and, thus, the imposition of a penalty by the Judges should reflect this fact. At other times, however,

the infractions may be deliberate or more severe in nature, or both, and will require the penalties imposed by the Judges to be more significant. Under these circumstances the penalties should signal to the drivers involved that their behavior or actions, or both, are not in the best interest of racing or safety for those participating or wagering in the sport. The Commission notes that while unintentional infractions may occur, too many “unintentional” infractions may be evidence of carelessness or an intentional violation. For this reason, no more than two minor infractions from each recognized type in the following matrix will be considered “unintentional” in a racing calendar season or year. After two “minor” driving incidents, the Judges may consider the infraction to be “intentional” and exercise their discretion and double the penalties.

Finally, penalties for major racing violations may be imposed cumulatively regardless of the infraction or location of racetrack. The Judges, as always, will use their regulatory authority to review and analyze racing related issues when infractions occur. The Judges may reset the penalties/infractions at the conclusion of a racing season or calendar year if in the opinion of the Judges the issues at hand have been satisfactorily resolved.

Therefore, the Commission has approved and issued the following Penalty Matrix to its Judges for the imposition of penalties for the following infractions:
