READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND THE PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania Bulletin* before it can take effect. If the agency

wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacode.com.

Source Notes give the history of regulations. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred. The *Pennsylvania Bulletin* is available at www.pabulletin.com.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised. A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

Title 204—JUDICIAL SYSTEM GENERAL PROVISIONS

PART V. PROFESSIONAL ETHICS AND CONDUCT [204 PA. CODE CH. 81]

Proposed Amendments to the Rules of Professional Conduct Regarding Safekeeping Property

Notice is hereby given that The Disciplinary Board of the Supreme Court of Pennsylvania is considering recommending to the Pennsylvania Supreme Court that it adopt amendments to Comment (8) to Pennsylvania Rule of Professional Conduct 1.15 relating to safekeeping property, as set forth in Annex A.

As stated in the Scope of the Rules of Professional Conduct, the Comment accompanying each Rule explains and illustrates the meaning and purpose of the Rule. Comments do not add obligations to the Rules, but provide guidance for practicing in compliance with the Rules. Comment [8] to Rule 1.15 provides guidance in situations where third parties may have lawful claims against specific funds or other property in a lawyer's custody.

The proposed change will provide clarification of the lawyer's duty to protect certain third party claims by specifically stating that in such cases, when a letter of protection has been issued by an attorney or a lien on the funds exists under applicable law, the lawyer must refuse to surrender the property to the client unless the claims are resolved. The proposed amendment removes the phrase "the third party claim is not frivolous" which is subject to interpretation and may cause the lawyer difficulty in determining the scope of his or her responsibilities.

Interested persons are invited to submit written comments by mail or facsimile regarding the proposed amendments to the Office of the Secretary, The Disciplinary Board of the Supreme Court of Pennsylvania, 601 Commonwealth Avenue, Suite 5600, PO Box 62625, Harrisburg, PA 17106-2625, Facsimile number (717-231-3382), Email address Dboard.comments@pacourts.us on or before June 24, 2016.

Secretary

(8) Third parties may have lawful claims against specific funds or other property in a lawyer's custody such as a client's creditor who has a lien on funds recovered in a personal injury action. A lawyer may have a duty under applicable law to protect such third-party claims against wrongful interference by the client. In such cases, when [the third party claim is not frivolous] a letter of protection has been issued by an attorney or a lien on the funds exists under applicable law, the lawyer must refuse to surrender the property to the client unless the claims are resolved. A lawyer should not unilaterally assume to arbitrate a dispute between the client and the third party. When there are substantial grounds for dispute as to the person entitled to the funds, the lawyer may file an action to have a court resolve the dispute.

PART V. PROFESSIONAL ETHICS AND CONDUCT [204 PA. CODE CH. 83]

Proposed Amendments to the Pennsylvania Rules of Disciplinary Enforcement Regarding Access to Disciplinary Information and Confidentiality

Notice is hereby given that The Disciplinary Board of the Supreme Court of Pennsylvania is considering recommending to the Pennsylvania Supreme Court that it adopt the amendments to Pennsylvania Rule of Disciplinary Enforcement 402 to facilitate cooperation with other disciplinary agencies, as set forth in Annex A.

Enforcement Rule 402 establishes access to disciplinary information and confidentiality. Proposed changes will allow requests for nonpublic information by disciplinary enforcement agencies in other jurisdictions investigating misconduct by a respondent-attorney to be processed more quickly than the current rule allows. In the twenty-first century practice of law, it is an increasing occurrence that lawyers are admitted in more than one jurisdiction or rely on Rule of Professional Conduct 5.5(c) for the multijurisdictional practice of law. Permitting the free flow of information allows disciplinary enforcement agencies to make informed decisions and better use of often limited resources when regulating attorney conduct. The proposed changes will ensure the prompt and efficient flow of information between Pennsylvania's Office of Disciplinary Counsel and out-of-state disciplinary enforcement agencies. In so doing, cooperation between disciplinary agencies is increased and the public interest is served.

The Board has evaluated the approaches of other jurisdictions and our inquiry has revealed that at least six other jurisdictions permit the disclosure of otherwise confidential information to out-of-state attorney disciplinary agencies.¹

Current subdivision (c) provides that until proceedings are open under subdivisions (a) or (b), all proceedings involving allegations of misconduct by or disability of an attorney shall be confidential, with some enumerated exceptions. One of these exceptions is found under subsection (c)(2), which states that proceedings are confidential unless the investigation is predicated upon a conviction of the respondent-attorney for a crime or reciprocal discipline. The proposed change to subsection (c)(2) adds the language “or disability under Enforcement Rule 216.” This comports with the language of Rule 216 pertaining to reciprocal discipline and disability.

Current subsection (c)(4) exempts from confidentiality the Supreme Court order transferring a respondent-attorney to disability inactive status pursuant to Rule 301. New subparagraph (c)(4)(i) emphasizes that only the Supreme Court order transferring the attorney to disability inactive status shall be a matter of public record, while new subparagraph (c)(4)(ii) provides that any other document involved in such disability matter is not to be publicly disclosed and is subject to the provisions of Enforcement Rules 301(e)(4) and 402(g). This language is added specifically to underscore the heightened privacy interests that attend a respondent-attorney’s health information and which are protected by the specific prohibition in Rule 301 against the release of those documents, except for very limited circumstances.

Current subdivisions (g) and (h) require out-of-state disciplinary enforcement agencies to adhere to waiver and notice requirements in order to obtain information. Proposed changes to subdivisions (g) and (h) will remove that burden from such agencies so as to give expedited access to requested information.

Interested persons are invited to submit written comments by mail or facsimile regarding the proposed amendments to the Office of the Secretary, The Disciplinary Board of the Supreme Court of Pennsylvania, 601 Commonwealth Avenue, Suite 5600, PO Box 62625, Harrisburg, PA 17106-2625, Facsimile number (717-231-3382), Email address Dboard.comments@pacourts.us on or before June 24, 2016.

(1) the respondent-attorney requests that the matter be public, or waives confidentiality for a particular purpose specified in writing;

(2) the investigation is predicated upon a conviction of the respondent-attorney for a crime, or reciprocal discipline **or disability under Enforcement Rule 216**;

(3) the proceeding is based on an order of temporary suspension from the practice of law entered by the Court pursuant to Enforcement Rule 208(f)(1) (relating to emergency temporary suspension orders and related relief);

(4) in matters involving alleged disability, the Supreme Court enters its order transferring the respondent-attorney to inactive status pursuant to Enforcement Rule 301 (relating to proceedings where an attorney is declared to be incompetent or is alleged to be incapacitated) [; **or]**, but

The notice shall advise the respondent-attorney that the information will be released 20 days after mailing of the notice unless the lawyer objects to the disclosure. If the lawyer timely objects to the disclosure, the information shall remain confidential unless the requesting agency or board obtains an order of the Supreme Court requiring its release or the respondent-attorney withdraws the objection.

Title 225—RULES OF EVIDENCE

[225 PA. CODE ART. VI]

Order Approving the Revision of the Comment to Rule of Evidence 605; No. 696 Supreme Court Rules Doc.

Order

Per Curiam

And Now, this 29th day of April, 2016, upon the recommendation of the Committee on Rules of Evidence; the proposal having been submitted without publication pursuant to Pa.R.J.A. No. 103(a)(3) in the interests of efficient administration, and a Final Report to be published with this *Order*:

It Is Ordered pursuant to Article V, Section 10 of the Constitution of Pennsylvania that the Comment to Pennsylvania Rule of Evidence 605 is revised in the following form.

This *Order* shall be processed in accordance with Pa.R.J.A. No. 103(b), and shall be effective immediately.

Annex A

TITLE 225. RULES OF EVIDENCE ARTICLE VI. WITNESSES

Rule 605. Judge's Competency as a Witness.

The presiding judge may not testify as a witness at the trial or other proceeding.

Comment

This rule differs from the first sentence of F.R.E. 605 with the inclusion of "or other proceeding." Pa.R.E. 605 makes a judge absolutely incompetent to be a witness on any matter in any proceeding at which the judge presides. *Cf. Municipal Publications, Inc. v. Court of Common Pleas*, [507 Pa. 194,] 489 A.2d 1286 (Pa. 1985) (applying former Canon 3C of the Pennsylvania Code of Judicial Conduct, and holding that at a hearing on a motion to recuse a judge, the judge himself could not testify on the issues raised in the motion and continue to preside at the hearing); *see also Rule 2.11 of the Code of Judicial Conduct and the Rules Governing Standards of Conduct of Magisterial District Judges*.

The second sentence of F.R.E. 605 which provides, "A party need not object to preserve the issue," is not adopted. This is consistent with Pa.R.E. 103(a), which provides that error may not be predicated on a ruling admitting evidence in the absence of a timely objection, motion to strike, or motion in limine. Of course, the court should permit the making of the objection out of the presence of the jury. *See* Pa.R.E. 103(d).

Official Note: Adopted May 8, 1998, effective October 1, 1998; rescinded and replaced January 17, 2013, effective March 18, 2013; amended April 29, 2016, effective immediately.

Committee Explanatory Reports:

Final Report explaining the January 17, 2013 rescission and replacement published with the Court's Order at 43 Pa.B. 651 (February 2, 2013).

Final Report explaining the April 29, 2016 amendment published with the Court's Order at 46 Pa.B. 2409 (May 14, 2016).

FINAL REPORT¹

Revision of the Comment to Rule of Evidence 605

On January 8, 2014, the Court rescinded the then-existing provisions of the Code of Judicial Conduct effective July 1, 2014, and adopted new Canons 1 through 4 of the Code of Judicial Conduct of 2014, also effective July 1, 2014. *See* 44 Pa.B. 455 (January 25, 2014). At the direction of the Court, the Committee on Rules of Evidence identified and updated references to the Code of Judicial Conduct and Rules Governing Standards of Conduct of Magisterial District Judges in the Comment to Rule 605.

Annex A

TITLE 231. RULES OF CIVIL PROCEDURE

PART I. GENERAL

CHAPTER 200. BUSINESS OF COURTS

Rule 223. Conduct of the Trial. Generally.

Subject to the requirements of due process of law and of the constitutional rights of the parties, the court may make and enforce rules and orders covering any of the following matters, *inter alia*:

(1) Limiting the number of witnesses whose testimony is similar or cumulative;

(2) Limiting the number of attorneys representing the same party or the same group of parties, who may actively participate in the trial of the case or may examine or cross-examine a witness or witnesses;

(3) Regulating the number and length of addresses to the jury or to the court;

¹ The Committee's Final Report should not be confused with the official Committee Comments to the rules. Also note that the Supreme Court does not adopt the Committee's Comments or the contents of the Committee's explanatory Final Reports.

(4) Regulating or excluding the public or persons not interested in the proceedings whenever the court deems such regulation or exclusion to be in the interest of the public good, order or morals.

Official Note: Trial courts in Pennsylvania customarily exercise discretion as to the exclusion of persons from the courtroom in the interest of good order and morals.

The exclusion of the taking of photographs or radio or television broadcasting is governed by [**Canon 3A(7) of the Code of Judicial Conduct**] Pa.R.J.A. No. 1910.

Rule 225. Summing [**up**] **Up**.

Attorneys for each party or group of parties may make an opening address to the jury and may also make an address to the jury after the close of the testimony.

Official Note: Rule 225 merely confers the right to make addresses to the jury as stated therein. The trial court by local rule or otherwise may regulate the number, length, and order of addresses. See Rule [**223(a)(3)**] **223(3)**.

CHAPTER 1000. ACTIONS

Subchapter A. CIVIL ACTION

VENUE AND PROCESS

Rule 1006. Venue. Change of Venue.

(a) Except as otherwise provided by subdivisions (a.1), (b), and (c) of this rule, an action against an individual may be brought in and only in a county in which

(1) the individual may be served or in which the cause of action arose or where a transaction or occurrence took place out of which the cause of action arose or in any other county authorized by law, or

Official Note: For a definition of transaction or occurrence, see *Craig v. W. J. Thiele & Sons, Inc.*, [**395 Pa. 129**,] 149 A.2d 35 (Pa. 1959).

(2) the property or a part of the property which is the subject matter of the action is located provided that equitable relief is sought with respect to the property.

(a.1) Except as otherwise provided by subdivision (c), a medical professional liability action may be brought against a health care provider for a medical professional liability claim only in a county in which the cause of action arose. This provision does not apply to a cause of action that arises outside the Commonwealth.

Official Note: See Section 5101.1(c) of the Judicial Code, 42 Pa.C.S. § 5101.1(c), for the definitions of “health care provider,” “medical professional liability action,” and “medical professional liability claim.”

(b) Actions against the following defendants, except as otherwise provided in subdivision (c), may be brought in and only in the counties designated by the following rules: political subdivisions, Rule 2103; partnerships, Rule 2130; unincorporated associations, Rule 2156; corporations and similar entities, Rule 2179.

Official Note: Partnerships, unincorporated associations, and corporations and similar entities are subject to subdivision (a.1) governing venue in medical professional liability actions. See Rules 2130, 2156 and 2179.

Subdivision (a.1) is a venue rule and does not create jurisdiction in Pennsylvania over a foreign cause of action where jurisdiction does not otherwise exist.

(c)(1) Except as otherwise provided by [**paragraph (2)**] **subdivision (c)(2)**, an action to enforce a joint or joint and several liability against two or more defendants, except actions in which the Commonwealth is a party defendant, may be brought against all defendants in any county in which the venue may be laid against any one of the defendants under the general rules of subdivisions (a) or (b).

(2) If the action to enforce a joint or joint and several liability against two or more defendants includes one or more medical professional liability claims, the action shall be brought in any county in which the venue may be laid against any defendant under subdivision (a.1). This provision does not apply to a cause of action that arises outside the Commonwealth.

(d)(1) For the convenience of parties and witnesses the court upon petition of any party may transfer an action to the appropriate court of any other county where the action could originally have been brought.

(2) Where, upon petition and hearing thereon, the court finds that a fair and impartial trial cannot be held in the county for reasons stated of record, the court may order that the action be transferred. The order changing venue shall be certified forthwith to the Supreme Court, which shall designate the county to which the case is to be transferred.

Official Note: For the recusal of the judge for interest or prejudice, see [**Canon 3C**] **Rule 2.11** of the Code of Judicial Conduct.

(3) It shall be the duty of the prothonotary of the court in which the action is pending to forward to the prothonotary of the county to which the action is transferred, certified copies of the docket entries, process, pleadings, depositions and other papers filed in the action. The costs and fees of the petition for transfer and the removal of the record shall be paid by the petitioner in the first instance to be taxable as costs in the case.

(e) Improper venue shall be raised by preliminary objection and if not so raised shall be waived. If a preliminary objection to venue is sustained and there is a county of proper venue within the State the action shall not be dismissed but shall be transferred to the appropriate court of that county. The costs and fees for transfer and removal of the record shall be paid by the plaintiff.

(f)(1) Except as provided by [**paragraph (2)**] **subdivision (f)(2)**, if the plaintiff states more than one cause of action against the same defendant in the complaint pursuant to Rule 1020(a), the action may be brought in any county in which any one of the individual causes of action might have been brought.

(2) Except as otherwise provided by subdivision (c), if one or more of the causes of action stated against the same defendant is a medical professional liability claim, the action shall be brought in a county required by subdivision (a.1).

EXPLANATORY COMMENT

On January 8, 2014, the Supreme Court rescinded the then-existing provisions of the Code of Judicial Conduct effective July 1, 2014, and adopted new Canons 1 through 4 of the Code of Judicial Conduct of 2014, also effective July 1, 2014. See 44 Pa.B. 455 (January 25, 2014). At the direction of the Court, the Civil Procedural Rules Committee has identified and updated references to the Code of Judicial Conduct in the Rules of Civil Procedure to

reflect these changes. Technical amendments to the Note to Rule 225 have also been made which do not affect practice and procedure.

Order Amending Rules 112 and 323 of the Rules of Civil Procedure before Magisterial District Judges; No. 397 Magisterial Doc.

Order

Per Curiam

And Now, this 29th day of April, 2016, upon the recommendation of the Minor Court Rules Committee; the proposal having been submitted without publication pursuant to Pa.R.J.A. No. 103(a)(3):

It Is Ordered pursuant to Article V, Section 10 of the Constitution of Pennsylvania that Rules 112 and 323 of the Pennsylvania Rules of Civil Procedure before Magisterial District Judges are amended in the following form.

This *Order* shall be processed in accordance with Pa.R.J.A. No. 103(b), and shall be effective immediately.

Annex A

TITLE 246. MINOR COURT CIVIL RULES

PART I. GENERAL

CHAPTER 100. RULES AND STANDARDS WITH RESPECT TO OFFICES OF MAGISTERIAL DISTRICT JUDGES

Rule 112. Availability and Temporary Assignments of Magisterial District Judges.

[(A)] **A.** The president judge of each judicial district shall be responsible for ensuring the availability during regular business hours within the judicial district of at least one magisterial district judge to handle matters requiring attention in civil and possessory actions.

[(B)(1)] **B.(1)** The president judge or his or her designee may assign temporarily the magisterial district judge of any magisterial district to serve another magisterial district whenever such assignment is needed:

- (a) To satisfy the requirements of paragraph [(A)] **A.**
- (b) When a magisterial district judge has disqualified himself or herself either at the request of a party or sua sponte.
- (c) To otherwise provide for the efficient administration of justice.
- (2) Whenever a temporary assignment is made under this rule, notice of such assignment shall be conspicuously posted in all magisterial district courts affected by the temporary assignment.
- (3) A magisterial district judge temporarily assigned under this rule shall have the jurisdiction and authority of the office the duties of which he or she is temporarily performing and may continue to exercise jurisdiction and authority in his or her own magisterial district.

Official Note: This rule was amended in 2007 to further provide for availability and temporary assignment of magisterial district judges in civil and possessory actions similar to that provided for in criminal matters. See Pa.R.Crim.P. 117. Nothing in this rule is intended to affect or conflict with the temporary assignment or

coverage requirements for criminal matters as specified in the Rules of Criminal Procedure. Unlike the criminal coverage rules, paragraph [(A)] **A** of this rule is intended to provide for availability only during regular business hours. None of the matters contemplated under paragraph [(A)] **A** would require after-hours coverage.

This rule is not intended to affect the availability requirements for emergency relief under the Protection From Abuse Act or 42 Pa.C.S. §§ 62A01—62A20. See Pa.R.C.P.M.D.J. Nos. 1201—1211. In addition, the court of common pleas of each judicial district is responsible to ensure that a judge or magisterial district judge “is available on a 24-hour-a-day, 365-day-a-year basis to accept and decide on petitions for an emergency court order under” the Older Adult Protective Services Act, 35 P.S. § [10225.307] **10225.307(a)**. Actions commenced under the Older Adult Protective Services Act are governed by statute and local procedures, not by these rules.

Examples of matters contemplated under paragraph [(A)] **A** that may require the attention of a magisterial district judge include the issuance of orders of execution under [Pa. R.C.P.M.D.J.] **Pa.R.C.P.M.D.J.** No. 403, stays of execution under [Pa. R.C.P.M.D.J.] **Pa.R.C.P.M.D.J.** Nos. 410 and 413, and orders for possession under [Pa. R.C.P.M.D.J.] **Pa.R.C.P.M.D.J.** No. 516, so that such matters are handled in a timely manner even in the absence of the magisterial district judge to whom the case would ordinarily be assigned. Litigants may be required to wait a reasonable period of time for a magisterial district judge to complete an arraignment, hearing, or trial. It is expected that the president judge will continue the established procedures in the judicial district or establish new procedures to ensure sufficient availability of magisterial district judges consistent with paragraph [(A)] **A**.

Under paragraph [(B)] **B**, one or more magisterial district judges may be temporarily assigned to serve one or more magisterial districts.

[Paragraph (B)(1)(b)] **Clause B(1)(b)** makes explicit the authority of the president judge to temporarily assign a magisterial district judge when another magisterial district judge has disqualified himself or herself from hearing a matter. Disqualification may occur upon the request of a party or sua sponte. See Rule [8] **2.11** of the **Rules Governing Standards of Conduct of Magisterial District Judges**, [207 Pa. Code Ch. 51, R. 8]. As with all judicial officers, a request for disqualification must be made directly to the magisterial district judge.

See Pa. Const. art. V, § 10(a). This rule does not provide for temporary assignments of senior magisterial district judges by president judges. See also [Rule 17 of the Standards of Conduct of Magisterial District Judges, 207 Pa. Code Ch. 51, R. 17] **Rule 605 of the Pennsylvania Rules of Judicial Administration**. Nothing in this rule is intended to conflict with [Rule 17] **Pa.R.J.A. No. 605**.

CHAPTER 300. CIVIL ACTION

Rule 323. Judgment—Payment in Installments.

The magisterial district judge may in [his] **the** entry of judgment order the payment of the same in periodic installments [which] **that** shall not extend beyond [twelve (12)] **12** months from the date of judgment.

Official Note: Since many of the defendants coming before magisterial district judges are apt to be in financial difficulties, it was thought advisable to provide for payment in installments. The payments are to be made to the plaintiff and not to the magisterial district judge. See Rule [13] 3.9 of the Rules Governing Standards of Conduct of Magisterial District Judges.

FINAL REPORT¹

Recommendation 1-2016, Minor Court Rules Committee

Amendment of Rules 112 and 323 of the Rules of Civil Procedure Before Magisterial District Judges

Updating References to the Rules Governing Standards of Conduct of Magisterial District Judges

I. Introduction

The Minor Court Rules Committee (“Committee”) recommended the amendment of Rules 112 and 323 of the Pennsylvania Rules of Civil Procedure before Magisterial District Judges (“Rules”). These amendments will update references to the Rules Governing Standards of Conduct of Magisterial District Judges.

II. Background and Discussion

On September 18, 2014, the Court rescinded the then-existing provisions of the Rules Governing Standards of Conduct of Magisterial District Judges effective December 1, 2014, and adopted new Rules Governing Standards of Conduct of Magisterial District Judges. See 44 Pa.B. 6205 (October 4, 2014). Subsequently, on March 26, 2015, the Court rescinded Rules 16–22 and 81 of the Rules Governing Standards of Conduct of Magisterial District Judges, and moved the content of those rules to the Rules of Judicial Administration. See 45 Pa.B. 1838 (April 11, 2015); Pa.R.J.A. Nos. 601–607. In light of these changes, the Committee reviewed the Rules of Civil Procedure before Magisterial District Judges to identify references to the rescinded rules.

The Committee identified references to rescinded Rules 8 and 17 in the Official Note to Rule 112, which addresses the availability and temporary assignments of magisterial district judges. The Committee also identified references to rescinded Rule 13 in the Official Note to Rule 323.

III. Rule Changes

The Committee recommended amending the Official Note to Rule 112 to change references to rescinded Rules 8 and 17 to new Rule 2.11 and Rule 605 of the Pennsylvania Rules of Judicial Administration, respectively. The Committee also recommended making stylistic and corrective changes to Rule 112.

The Committee also recommended amending the Official Note to Rule 323 to change the reference to rescinded Rule 13 to new Rule 3.9. The Committee also recommended making stylistic and corrective changes to Rule 323.

[Pa.B. Doc. No. 16-816. Filed for public inspection May 13, 2016, 9:00 a.m.]

¹ The Committee’s Final Report should not be confused with the Official Notes to the Rules. Also, the Supreme Court of Pennsylvania does not adopt the Committee’s Official Notes or the contents of the explanatory Final Reports.

RULES AND REGULATIONS

Title 31—INSURANCE

INSURANCE DEPARTMENT

[31 PA. CODE CH. 161]

Requirements for Qualified and Certified Reinsurers

The Insurance Department (Department) amends Chapter 161 (relating to requirements for qualified and certified reinsurers). This final-form rulemaking is made under the authority of sections 206, 506, 1501 and 1502 of The Administrative Code of 1929 (71 P.S. §§ 66, 186, 411 and 412), regarding the general rulemaking authority of the Department, and section 319.1 of The Insurance Company Law of 1921 (act) (40 P.S. § 442.1), regarding credits for reinsurance.

Purpose

The purpose of this final-form rulemaking is to update Chapter 161 to delete the requirement that a reinsurer be listed on the successor list to the Non-Admitted Insurance Listing (now known as the “Quarterly Listing of Alien Insurers”) published by the National Association of Insurance Commissioners (NAIC) to be considered for qualification under section 319.1 of the act. This final-form rulemaking deletes the administrative requirement and conforms the Commonwealth’s regulation to the model law and regulation developed by the NAIC entitled “Credit for Reinsurance Model Law” (# 785) and “Credit for Reinsurance Model Regulation” (# 786), respectively.

Comments and Responses

Notice of the proposed rulemaking was published at 45 Pa.B. 4763 (August 15, 2015) with a 30-day public comment period. Comments were received from the Insurance Federation of Pennsylvania and Lloyds America, Inc. expressing support for the amendments. Additionally, a comment was received from the Pennsylvania Association of Mutual Insurance Companies indicating no objection to the amendments.

The Independent Regulatory Review Commission (IRRC) did not have objections, comments or recommendations regarding the proposed rulemaking.

Affected Parties

Although Chapter 161 applies to insurance companies domesticated in this Commonwealth and the reinsurers with whom they do business, this final-form rulemaking applies only to any alien insurer seeking to be deemed a “qualified” reinsurer by the Insurance Commissioner (Commissioner).

Fiscal Impact

State government

There will be no material increase in cost to the Department as a result of this final-form rulemaking.

General public

While Chapter 161 does not have immediate fiscal impact on the general public, the general public will benefit to the extent that removing an unnecessary administrative requirement for reinsurers that are financially solvent and licensed in well-regulated jurisdiction

will reduce the cost of reinsurance to ceding insurers in this Commonwealth and reduce trade barriers allowing for more competition in the reinsurance marketplace.

Political subdivisions

This final-form rulemaking will not impose additional costs on political subdivisions.

Private sector

This final-form rulemaking will not impose significant costs on the transaction of business in this Commonwealth.

Paperwork

This final-form rulemaking will not impose additional paperwork on the Department.

Effectiveness/Sunset Date

The final-form rulemaking will become effective on June 13, 2016. The Department continues to monitor the effectiveness of regulations on a triennial basis; therefore, a sunset date has not been assigned.

Contact Person

Questions or comments concerning this final-form rulemaking may be addressed in writing to Bridget E. Burke, Regulatory Coordinator, 1341 Strawberry Square, Harrisburg, PA 17120, fax (717) 772-1969, briburke@pa.gov.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P.S. § 745.5(a)), on August 5, 2015, the Department submitted a copy of the notice of proposed rulemaking, published at 45 Pa.B. 4763, to IRRC and the Chairpersons of the Senate Banking and Insurance Committee and the House Insurance Committee for review and comment.

Under section 5(c) of the Regulatory Review Act, the Department shall submit to IRRC and the House and Senate Committees copies of comments received during the public comment period, as well as other documents when requested. In preparing the final-form rulemaking, the Department has considered all comments from the public.

Under section 5.1(j.2) of the Regulatory Review Act (71 P.S. § 745.5a(j.2)), on January 20, 2016, the final-form rulemaking was deemed approved by the House and Senate Committees. Under section 5(g) of the Regulatory Review Act, the final-form rulemaking was deemed approved by IRRC effective January 20, 2016.

Findings

The Commissioner finds that:

(1) Public notice of intention to adopt this final-form rulemaking was given under sections 201 and 202 of the act of July 31, 1968 (P.L. 769, No. 240) (45 P.S. §§ 1201 and 1202) and the regulations thereunder, 1 Pa. Code §§ 7.1 and 7.2.

(2) The adoption of this final-form rulemaking in the manner provided in this order is necessary and appropriate for the administration and enforcement of the authorizing statutes.

Order

The Commissioner, acting under the authorizing statutes, orders that:

(a) The regulations of the Department, 31 Pa. Code Chapter 161, are amended by amending § 161.3 to read as set forth at 45 Pa.B. 4763.

PROPOSED RULEMAKING

STATE BOARD OF PHYSICAL THERAPY

[49 PA. CODE CH. 40]

Post-Act 38 Revisions

The State Board of Physical Therapy (Board) proposes to amend §§ 40.16, 40.17, 40.20, 40.63, 40.67, 40.69, 40.152, 40.161, 40.163, 40.164, 40.165, 40.181 and 40.192 to read as set forth in Annex A.

Effective Date

This proposed rulemaking will be effective upon final-form publication in the *Pennsylvania Bulletin*.

Statutory Authority

This proposed rulemaking is authorized under sections 3(a), 4(a), 6, 7.2, 9.1 and 11(a) of the Physical Therapy Practice Act (act) (63 P.S. §§ 1303(a), 1304(a), 1306, 1307.2, 1309.1 and 1311(a)).

Background and Need for the Amendments

The act of July 4, 2008 (P.L. 293, No. 38) (Act 38) substantially amended the act, including qualifications for licensure as a physical therapist, continuing education for all physical therapists and physical therapist assistants, professional liability insurance for all physical therapists, physician referral, and supervision of physical therapist assistants by physical therapists on a basis that may be less than direct on-premises supervision. Due to the extensive nature and breadth of these amendments, the Board amended its regulations to implement Act 38 at 42 Pa.B. 7652 (December 22, 2012). After final promulgation, the Board discovered various typographical errors, necessary clarity edits and other items that were not, but could have been, addressed in the prior final-form rulemaking. This rulemaking proposes to address these items.

Description of the Proposed Amendments

In its Act 38 amendments, the Board added § 40.20 (relating to inactive status of physical therapist license). Subsection (b) provided that a physical therapist whose license had expired or been placed on inactive status may not practice until the license has been reactivated. While reviewing comments on the proposed provisions concerning renewal of certification of physical therapist assistants, the Board concluded that it should clearly prohibit a physical therapist from practicing on a lapsed license and provide that one who does so is subject to disciplinary action under sections 4(a) and 11(a)(6) of the act. Without recognizing the existence of subsection (b), the Board added subsection (f) to the final-form rulemaking to do so. To remove this redundancy, the Board now proposes to delete subsection (f) and move the provisions into subsection (b).

Act 38 added section 9(b)(4)(iii.1) of the act (63 P.S. § 1309(b)(4)(iii.1)) to require a licensee practicing in this Commonwealth to maintain a level of professional liability insurance coverage in the minimum amount of \$1 million per occurrence or claims made with coverage provided through self-insurance, personally purchased liability insurance, or professional liability insurance provided through the physical therapist's employer or similar group. The Board added § 40.69 (relating to professional liability insurance) repeating those requirements in sub-

section (a). However, this provision incorrectly cites section 9.1(b)(4) of the act, rather than section 9(b)(4) of the act. The Board proposes to amend this subsection to correct the citation.

The Board also amended § 40.1 (relating to definitions) to add definitions for "APTA," "CAPTE" and "FSBPT," which are the commonly used acronyms of the American Physical Therapy Association (APTA), the Commission on Accreditation in Physical Therapy Education (CAPTE) and the Federation of State Boards of Physical Therapy (FSBPT). These defined terms are used throughout Chapter 40. However, § 40.1 limits those definitions to use in Subchapter A (relating to physical therapists). The Board did not amend § 40.152 (relating to definitions) to define these terms for use in Subchapter C (relating to physical therapist assistants). The Board proposes to amend § 40.152 to define these acronyms and to amend §§ 40.161(c), 40.163(a)(1) and 40.192(d)(1)(i) (relating to certification as physical therapist assistants; practice; exceptions; requirements for certification; and continuing education for certified physical therapist assistant) to use the acronyms.

Section 6(c) of the act previously permitted an applicant who had failed the physical therapist licensure examination the privilege of a second examination after the expiration of 6 months and within 2 years from the first failure. Section 40.14(a) (relating to examination; failure; reexamination) repeated this provision. Section 9.1(c) of the act contained an identical provision for a physical therapist assistant, which is repeated in § 40.164(b)(1) (relating to physical therapist assistant certification examination). Act 38 amended sections 6(c) and 9.1(c) of the act to allow for re-examination after 60 days and within 1 year of the failure. The Board amended § 40.14(a) accordingly, but did not amend § 40.164(b)(1). The Board proposes to amend § 40.164(b)(1) to permit re-examination upon a first failure of the physical therapist assistant certification examination after the expiration of 60 days and within 1 year of the date of the first failure.

Section 6(f) of the act previously authorized the Board to license foreign-educated physical therapists of appropriate age, good moral character, without addiction, who have completed educational requirements substantially equal to those of the act, and passed the licensure examination and, in the Board's discretion, have completed a supervised clinical program of up to 1 year. Act 38 amended this section to delete all the provisions except the discretionary clinical experience. In place of those deleted provisions, Act 38 added section 6(i) of the act to require that a foreign-educated applicant applies, pays the appropriate fee and provides proof of holding an unrestricted license in the country where the applicant was educated; that the applicant's education is substantially equivalent to the education generally required for licensure; and the applicant passes the licensure examination. To implement these changes, the Board amended § 40.17 (relating to foreign-educated physical therapists applying to take the licensure examination and pursue a clinical experience) by amending paragraph (1) to require the applicant to apply and pay the fee, amending paragraph (2) to require the applicant to provide documentation that the applicant has graduated from a physical therapist education program that prepares the applicant to engage without restriction in the practice of physical therapy (in addition to the existing requirement that the

school is recognized by the authorizing agency of that jurisdiction) and amending paragraph (5) to require satisfactory evidence by means of credentials evaluation that the applicant's education is substantially equivalent to the education of physical therapists in accredited programs in this country or that the program is accredited by CAPTE or other National organization recognized by the Board that accredits physical therapy programs. The Board did not amend paragraph (3), which requires the applicant to provide written documentation of authorization to practice as a physical therapist without limitations in the country where the professional education took place. A physical therapist applying for licensure in this Commonwealth generally no longer has a need to retain current authorization to practice in the foreign country in which the physical therapist was educated. Moreover, it is not unreasonable to foresee that some foreign jurisdictions might rescind the professional authorization to practice of one who has immigrated to the United States. Accordingly, the Board construes the requirement of "holding an unrestricted license in the country where the applicant was educated" to be not limited to the present time but instead having previously held the license. The Board proposes to amend § 40.17(3) to require a foreign-educated applicant to provide documentation of "having held authorization" to practice in the country of professional education. The Board believes that this construction is consistent with section 6(i)(2) of the act.

The Board further considered § 40.16 (relating to licensure by endorsement), which addresses applicants for licensure who are currently licensed in another state or territory of the United States. This section was not amended as a result of Act 38. The Board proposes to amend § 40.16(b) to provide that an applicant for licensure by endorsement who was educated in a foreign country shall also comply with § 40.16(a) for an applicant for licensure by endorsement. Current § 40.16(b) requires applicants for licensure by endorsement who were educated in a foreign country to comply with the educational requirements of § 40.17. Existing § 40.16(b) also requires an applicant for licensure by endorsement who was educated in a foreign country to submit documentary evidence that the applicant is authorized to practice as a physical therapist without limitation in the foreign country of education and hold a valid license by examination in the other state or territory of the United States. However, an applicant for licensure by endorsement, whether educated in a foreign country or in another state or territory of the United States, is required under section 6(d.1) of the act to hold a valid license in the other state or territory to become licensed without further examination. In addition, current § 40.16(a)(1) (now incorporated by reference for a foreign-educated applicant) already requires an applicant for licensure by examination to hold a valid license in another state or territory of the United States. Therefore, the requirement of § 40.16(b)(2) that an applicant hold a valid license by examination is redundant. Additionally, for an applicant who has become licensed in another state or territory of the United States, whether that applicant was authorized to practice in the country of education as required under § 40.16(b)(1) is essentially irrelevant. Accordingly, the Board proposes to amend § 40.16(b) to delete these two requirements.

Act 38 added section 7.2 of the act to require physical therapists to complete at least 30 hours of continuing physical therapy education during each 2-year renewal period. Act 38 also added section 9.1(j) of the act to require physical therapist assistants to complete at least 30 hours of continuing physical therapy education for

each certificate renewal. The Board added § 40.67 (relating to continuing education for licensed physical therapist) and § 40.192 to implement this new continuing education requirement. As part of these additions, §§ 40.67(d)(1)(i) and 40.192(d)(1)(i) recognize as preapproved providers APTA and its components, FSBPT and its jurisdictions, physical therapist and physical therapist assistant programs accredited by CAPTE, and the American Heart Association and the American Red Cross and their component organizations for continuing education in identifying and responding to emergency health conditions. Section 40.67(d)(1)(i) also recognizes as preapproved organizations credentialed by APTA to confer a fellowship or offer a residency program, but only for those purposes. The Board also provides in §§ 40.67(d)(1)(ii) and 40.192(d)(1)(ii) that any other provider could apply for preapproved provider status. Under §§ 40.67(d)(1) and 40.192(d)(1), a course or program of continuing education credit of a preapproved provider is approved for credit if it otherwise meets the content requirements of subsection (c)(2). Although not considered by the Board at the time, ProCert is an affiliate of FSBPT that reviews and certifies continuing education courses for FSBPT standards. Accordingly, the Board proposes to amend §§ 40.67(d)(1)(i) and 40.192(d)(1)(i) to add to the list of preapproved providers any provider whose course or program is certified by FSBPT's ProCert for those courses or programs so certified. Additionally, §§ 40.67(b)(2) and 40.192(b)(2) require licensed physical therapists and certified physical therapist assistants, respectively, to maintain records of continuing education for 5 years. Under § 40.63(c) (relating to continuing education for direct access certificateholder), the Board requires those physical therapists who are certified to provide services for a limited period of time without referral from a physician or other authorized referrer to maintain records of continuing education for 4 years. To make the requirements consistent, the Board proposes amending § 40.63(c) to require direct access certificateholders to maintain records of continuing education for 5 years, using the same language as in §§ 40.67(b)(2) and 40.192(b)(2).

Act 38 amended the act to permit a physical therapist assistant, in certain situations, to provide services under supervision by a physical therapist that is less than direct on-premises supervision. However, section 9.1(c)(4) of the act provides that a physical therapist assistant shall remain under the direct on-premises supervision of a physical therapist until being approved by the Board, based upon having either: at least 2,000 hours of experience providing patient-related acts and services verified by a supervising licensed physical therapist; or employment as a physical therapist assistant for at least 3 of the 5 years immediately preceding the effective date of section 9.1(c)(4) of the act. In response, the Board added § 40.165 (relating to authorization to provide services as a physical therapist assistant under indirect supervision). Section 40.165(b)(2)(i) requires that the applicant have at least 2,000 hours of experience providing patient-related services under the supervision of a licensed physical therapist, as verified by the prior supervising physical therapists. Section 40.165(b)(2)(ii) alternatively permits the applicant to provide documentation verifying that the applicant worked as a physical therapist assistant for at least 3 years between October 2, 2003, and October 2, 2008, the 5-year period immediately preceding the effective date of Act 38. Act 38 also added section 9.1(a.1) of the act to allow for temporary certification as a physical therapist assistant, limited to providing services only under the direct on-premises supervision of a licensed physical therapist, by one who meets all requirements for

certification except the examination. The temporary certificate is good for up to 6 months, but expires upon failure of the examination. The Board adopted § 40.166 (relating to temporary certificate to provide services as a physical therapist assistant) to implement this new provision. However, consideration was not given to whether experience providing services under a temporary certificate could be used to demonstrate qualification to provide services under less than direct on-premises supervision. Although the supervisory requirements for providing services under a temporary certificate are the same as those for providing services as a certified physical therapist assistant, the Board concluded that experience under a temporary certificate should not be considered. A temporary certificateholder, though having completed the educational component, has not passed the examination and fully demonstrated competence to provide services. Accordingly, the Board proposes to amend § 40.165(b)(2)(i) to require that the 2,000 hours of experience providing patient-related acts and services be while certified to do so under §§ 40.161—40.165 or predecessor registration or equivalent authorization in another jurisdiction.

The Board amended § 40.181 (relating to refusal, suspension or revocation of certification) to include as disciplinary grounds providing services under less than direct on-premises without authorization from the Board or other than as authorized by the act or this chapter. The Board did not consider other grounds for disciplinary action that could be implicated by providing services under less than direct on-premises supervision. The Board currently provides in § 40.52 (relating to unprofessional conduct; physical therapists) various grounds for disciplinary action. The Board may take disciplinary action against a physical therapist for: harassing, abusing or intimidating a patient; revealing information obtained as a result of the therapist-patient relationship to a third party who is not involved in the patient's care, without the prior written consent of the patient, except as authorized or required by statute; or violating a provision of the act or Board regulations that establish a standard of conduct. The disciplinary grounds in § 40.181 do not include similar provisions. With lesser supervision, there may be greater need to protect patients from these actions. The Board therefore proposes to amend § 40.181(a) to include these grounds for disciplinary action of a physical therapist assistant.

Fiscal Impact and Paperwork Requirements

This proposed rulemaking would not have adverse fiscal impact on the Commonwealth or its political subdivisions. This proposed rulemaking will not impose additional paperwork requirements upon the Commonwealth, political subdivisions or the private sector.

Sunset Date

The Board continuously monitors the effectiveness of its regulations. Therefore, a sunset date has not been assigned.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P.S. § 745.5(a)), on April 15, 2016, the Board submitted a copy of this proposed rulemaking and a copy of a Regulatory Analysis Form to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the House Professional Licensure Committee (HPLC) and the Senate Consumer Protection and Professional Licensure Committee (SCP/PLC). A copy of this material is available to the public upon request.

Under section 5(g) of the Regulatory Review Act, IRRC may convey comments, recommendations or objections to the proposed rulemaking within 30 days of the close of the public comment period. The comments, recommendations or objections must specify the regulatory review criteria in section 5.2 of the Regulatory Review Act (71 P.S. § 745.5b) which have not been met. The Regulatory Review Act specifies detailed procedures for review, prior to final publication of the rulemaking, by the Board, the General Assembly and the Governor of comments, recommendations or objections raised.

GENERAL PROVISIONS

§ 40.152. Definitions.

Referendum on Continuation of the Pennsylvania Potato Research Program

Under the applicable provisions of 3 Pa.C.S. §§ 4501—4513 (relating to Agricultural Commodities Marketing Act), a review referendum was held from April 4, to April 18, 2016, to determine if the producers affected by the Pennsylvania Potato Research Program (Program) desired to continue the Program for an additional 5 years. To pass, a majority of eligible producers voting had to vote in favor of the Program's continuation. An impartial Teller Committee met on April 27, 2016, to count the ballots. The following results were submitted by the Teller Committee: a total of 34 eligible votes were cast with 31 producers voting in favor of and 3 voting against the continuation of the Program. One additional ballot was invalid because the eligibility requirements were not met. Votes favoring continuation of the Program by number of producers represented 91% of eligible votes and votes against continuation of the Program represented 9% of eligible votes. Because a majority of the votes were cast in favor of the Program, the Program shall continue for 5 years, effective immediately.

Maximum Lawful Rate of Interest for Residential Mortgages for the Month of June 2016

The Department of Banking and Securities (Department), under the authority contained in section 301 of the act of January 30, 1974 (P.L. 13, No. 6) (41 P.S. § 301), determines that the maximum lawful rate of interest for residential mortgages for the month of June 2016 is 4 3/4%.

The interest rate limitations under the State's usury statute were preempted to a great extent by Federal law, the Depository Institutions Deregulation and Monetary Control Act of 1980 (Pub.L. No. 96-221). Further preemption was instituted with the signing of Pub.L. No. 96-399, which overrode State interest rate limitations on any individual who finances the sale or exchange of residential real property which such individual owns and which

such individual occupies or has occupied as his principal residence.

Each month the Department is required by State law to compute and announce the ceiling rate on residential mortgages in this Commonwealth. This maximum rate is determined by adding 2.50 percentage points to the yield rate on long-term government bonds as published by the Federal Reserve Board and/or the United States Treasury. The latest yield rate on long-term government securities is 2.21 to which was added 2.50 percentage points for a total of 4.71 that by law is rounded off to the nearest quarter at 4 3/4%.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION**UNDER ACT 2, 1995
PREAMBLE 1****Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907)**

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.302—6026.305) require the Department to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. A person intending to use the background standard, Statewide health standard, the site-specific standard or intend to remediate a site as a special industrial area shall file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of cleanup standards or receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the following site, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified as follows. During this comment period, the municipality may request that the person identified as the remediator of the site develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office listed before the notice. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

AIR QUALITY

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

The Department has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the general public. This approach allows the owner or operator of a facility to submit permitting documents relevant to its application for all sources related to a facility or a proposed project, affords an opportunity for public input, and provides for a decision on the issuance of the necessary permits.

The Department received applications for Plan Approvals or Operating Permits from the following facilities.

Copies of the application, the Department's analysis, all pertinent documents used in the evaluation of the application and subsequently prepared proposed plan approvals/operating permits are available for public review during normal business hours at the appropriate Department Regional Office. Appointments for scheduling a review must be made by calling the appropriate Department Regional Office. The address and phone number of the Regional Office is listed before the application notices.

Persons wishing to file a written protest or provide comments or additional information, which they believe should be considered prior to the issuance of a permit, may submit the information to the Department's Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments, protests and information. Each submission must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Plan Approval/Operating Permit including the permit number and a concise statement regarding the relevancy of the information or objections to issuance of the permit.

A person wishing to request a hearing may do so during the 30-day comment period. A public hearing may be held, if the Department, in its discretion, decides that a hearing is warranted based on the information received. Persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper, the *Pennsylvania Bulletin* or by telephone, when the Department determines this type of notification is sufficient. Requests for a public hearing and any relevant information should be directed to the appropriate Department Regional Office.

Permits issued to the owners or operators of sources subject to 25 Pa. Code Chapter 127, Subchapter D or E, or located within a Title V facility or subject to 25 Pa. Code § 129.51(a) or permits issued for sources with limitations on their potential to emit used to avoid otherwise applicable Federal requirements may be submitted to the United States Environmental Protection Agency for review and approval as a revision to the State Implementation Plan. Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the sources are constructed and operating in compliance with applicable requirements in the Air Pollution Control Act (35 P.S. §§ 4001—4015), 25 Pa. Code Chapters 121—145, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation

to participate should contact the regional office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Intent to Issue Plan Approvals and Intent to Issue or Amend Operating Permits under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter B. These actions may include the administrative amendments of an associated operating permit.

There will not be any increase in any pollutant due to this modification. Gemalto is categorized as a synthetic minor facility. The Plan Approval will contain recordkeeping and operating restrictions designed to keep the facility operating within the allowable emissions and all applicable air quality requirements.

35-00069B: Lackawanna Energy Center LLC (1 South Wacker Drive, Suite 1900, Chicago, IL 60606) Notice is hereby given under 25 Pa. Code § 127.44 and 40 CFR 52.21, that the Department of Environmental Protection (Department) intends to issue the proposed Air Quality Plan Approval 35-00069B: Lackawanna Energy Center LLC (1 South Wacker Drive, Suite 1900, Chicago, IL 60606) to construct, own, and operate a natural gas-fired combined-cycle power plant to produce a nominal 1,500 MW of electricity in Jessup Borough, **Lackawanna County** and is soliciting comments on the above plan approval.

This Plan Approval is for a configuration change to the plant layout but does not add any new emission sources or increase emission levels which have already been reviewed under Plan Approval 35-00069A. The modification proposes utilizing (3) smaller steam turbines and three (3) smaller air cooled condensers in place of the original planned single steam turbine and single air

cooled condenser. The steam turbines and air cooled condensers are not air emission sources, therefore this plan approval does not change emission limits imposed under the previously issued Plan Approval (35-00069A).

Due to the reconfiguration of the plant layout, this Plan Approval was required to incorporate the revised Air Quality modeling that was conducted to assure this change would not cause any violation of the National Ambient Air Quality Standards.

In accordance with the Prevention of Significant Deterioration (PSD) regulations in 40 CFR 52.21 and 25 Pa. Code § 127.83, Lackawanna Energy Center LLC has conducted an air quality analysis which utilizes dispersion modeling. Lackawanna Energy Center's air quality analysis satisfies the requirements of the PSD regulations and is consistent with the U.S. Environmental Protection Agency's (EPA) Guideline on Air Quality Models (40 CFR Part 51, Appendix W) and the EPA's air quality modeling policy and guidance.

In accordance with 40 CFR 52.21(k), Lackawanna Energy Center's air quality analysis demonstrates that the proposed emissions from Lackawanna Energy Center's facility would not cause or contribute to air pollution in violation of the National Ambient Air Quality Standards (NAAQS) for carbon monoxide (CO), nitrogen dioxide (NO₂), particulate matter less than or equal to 2.5 micrometers in diameter (PM_{2.5}), or particulate matter less than or equal to 10 micrometers in diameter (PM₁₀). Lackawanna Energy Center's air quality analysis demonstrates that the proposed emissions from Lackawanna Energy Center's facility would not cause or contribute to air pollution in violation of the increments for NO₂, PM_{2.5}, or PM₁₀.

In accordance with 40 CFR 52.21(o), Lackawanna Energy Center provided a satisfactory analysis of the impairment to visibility, soils, and vegetation that would occur as a result of Lackawanna Energy Center's facility and general commercial, residential, industrial, and other growth associated with Lackawanna Energy Center's facility.

In accordance with 40 CFR 52.21(p), written notice of Lackawanna Energy Center's proposed facility has been provided to the Federal Land Managers of nearby Class I areas as well as initial screening calculations to demonstrate that the proposed emissions from Lackawanna Energy Center's facility would not adversely impact air quality related values and visibility in nearby federal Class I areas.

In accordance with the public notice requirements in 25 Pa. Code § 127.45(b)(4), the degree of Class II and Class I increment consumption expected to result from the operation of Lackawanna Energy Center's facility is provided in the following tables:

Table 1—Degree of Class II Increment Consumption from Operation of Lackawanna Energy Center's Facility

Pollutant	Averaging Period	Degree of Class II Increment Consumption		Class II Increment
		micrograms per cubic meter	% of Class II Increment	micrograms per cubic meter

PLAN APPROVAL

PUBLIC HEARINGS

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110

Contact: Thomas Hanlon, Facilities Permitting Chief, 717-705-4862, Virendra Trivedi, New Source Review Chief, 717-705-4863, or William Weaver, Regional Air Quality Manager, 717-705-4702

In accordance with 25 Pa. Code Chapter 127 and 40 CFR 51.102 (State Implementation Plan), the Department of Environmental Protection (DEP) hereby gives notice of the intent to renew and issue Title V Operating Permit No. 21-05002 to **PPG Industries, Inc.** (400 Park Drive, Carlisle, PA 17013-9271) to include approval of a revision to the RACT Plan for the control of NO_x emissions from their flat glass manufacturing facility in South Middleton Township, **Cumberland County**. The new provisions being approved as RACT already appear in the PA State Implementation Plan (SIP), under 25 Pa. Code §§ 129.93(c) and 129.301–129.310. The removal of the current case-by-case RACT plan from the SIP, based on the 12/22/94 RACT Permit 21-2002, would be submitted to EPA as a revision to the SIP. The actual emissions from the facility in 2014 are estimated at 29 tpy CO; 2,421 tpy NO_x; 25 tpy VOC; 264 tpy PM₁₀; 410 tpy SO_x and <1 tpy HAP.

Based on the information provided by PPG, and the Department's analysis, this revision to the facility's RACT plan complies with the requirements of 25 Pa. Code §§ 129.91 and 129.92. The Glass Furnaces No. 1 and No. 2 were the only units at the facility that required a case-by-case RACT plan under the 1994 RACT regulation. The original RACT determination for these units resulted in them being subject to a case-by-case RACT NO_x limit of 26.75 pounds of NO_x per ton of glass produced, under the 12/22/94 RACT Permit 21-2002. Under 25 Pa. Code § 129.304(a)(4), Furnace No. 2 has a new, more stringent NO_x limit of 7.0 pounds of NO_x per ton of glass produced. PPG has submitted a petition under 25 Pa. Code § 129.304(c)(1) to retain the existing standard of 26.75 pounds of NO_x per ton of glass produced for Furnace No. 1. At the time the 12/22/94 RACT Permit 21-2002 limits were established, compliance with them was verified by annual stack testing employing three 1-hour test runs. NO_x emissions from both furnaces are now measured by continuous emissions monitoring systems (CEMS) installed in accordance with 25 Pa. Code § 129.308. The CEMS verification will replace the previous stack testing requirement, and the averaging period to demonstrate compliance with the pounds of NO_x per ton of glass produced standards for both furnaces will be a 30-day rolling average, consistent with 25 Pa. Code § 129.309(d).

All pertinent documents are available for public review at DEP's Southcentral Regional Office, 909 Elmerton Avenue, Harrisburg, PA 17110. An appointment to review the documents may be scheduled by contacting Mr. Jesse Klick at 717.705.6648 between 8:00 a.m. and 3:30 p.m., Monday through Friday, except holidays. DEP will hold one public hearing on Tuesday, June 21, 2016, at DEP's Southcentral Regional Office, 909 Elmerton Avenue, Harrisburg, PA 17110 from 9:00 a.m. until all scheduled oral

comments are received. Those wishing to comment orally are requested to contact Mr. Viren Trivedi, New Source Review Chief, Southcentral Regional Office, at 717-705-4863, to schedule their testimony. Testimony must be pre-scheduled by no later than Tuesday, June 14, 2016. Oral testimony which has not been pre-scheduled will not be accepted at the hearing. Commenters are requested to provide two (2) written copies of their remarks at the time of the hearing. Oral testimony will be limited to five (5) minutes per person. Organizations are requested to designate a representative to present testimony on their behalf. Written comments may be submitted to the Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110 no later than Thursday, July 14, 2016. Individuals who are in need of an accommodation for the hearing as provided for in the Americans with Disabilities Act should contact Mr. Trivedi at the number provided above or make accommodations through the Pennsylvania AT&T Relay Service at 1.800.654.5984 (TTY).

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applied to surface runoff resulting from a precipitation event of less than or equal to a 10-year 24-hour event. If coal will be extracted incidental to the extraction of noncoal minerals, at a minimum, the technology-based effluent limitations identified under coal applications will apply to discharges of wastewater to streams.

MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed NPDES permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (Department) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH*		greater than 6.0; less than 9.0	
Alkalinity greater than acidity*			

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The limits for noncoal mining activities as provided in 25 Pa. Code Chapter 77 are pH 6 to 9 and other parameters the Department may require.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

In addition to BAT or WQBEL limits, coal and noncoal NPDES permits establish effluent limitations in the form of implemented Best Management Practices (BMPs) identified in the associated Erosion and Sedimentation Plan, the Reclamation Plan and the NPDES permit application. These BMPs restrict the rates and quantities of associated pollutants from being discharged into surface waters in this Commonwealth.

More restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining that may occur are incorporated into an NPDES permit when necessary for compliance with water quality standards and antidegradation requirements (in accordance with 25 Pa. Code Chapters 91—96).

The procedures for determining the final effluent limits, using a mass-balance equation or model, are found in Technical Guidance Document 563-2112-115, Developing National Pollutant Discharge Elimination System (NPDES) Permits for Mining Activities. Other specific factors to be considered include public comments and Total Maximum Daily Load(s). Additional discharge limitations may apply in the event that unexpected discharges occur.

Discharge rates for surface mining activities are precipitation driven. Discharge rates for proposed discharges associated with underground mining are noted in the permit description.

Persons wishing to comment on an NPDES draft permit should submit a written statement to the Department at the address of the district mining office indicated before each draft permit within 30 days of this public notice. Comments received within the comment period will be considered in the final determinations regarding the NPDES permit applications. Comments must include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests or petitions for a public hearing on NPDES permit applications, as provided in 25 Pa. Code § 92a.82(d). The request or petition for a public hearing shall be filed within 30 days of this public notice and contain the name, address, telephone number and the interest of the party filing the request, and state the reasons why a hearing is warranted. A public hearing may be held if the Department considers the public interest significant. If a hearing is scheduled, a notice of the hearing on the NPDES permit application will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. When a public hearing is held, the Department will consider comments from the public hearing in the final determination on the NPDES permit application.

EROSION AND SEDIMENT CONTROL PERMITS

The following parties have applied for Erosion and Sediment Control Permits for earth disturbance activities associated with either road maintenance or timber harvesting operations.

Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department proposes to issue a permit to discharge, subject to certain limitations in the permit conditions. These proposed determinations are tentative. Limitations are provided as erosion and sediment control best management practices which restrict the rate and quantity of sediment discharged.

A person wishing to comment on a proposed permit are invited to submit a statement to the appropriate Department regional office listed before the application within 30 days of this public notice. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and relevant facts upon which it is based. A public hearing may be held after consideration of comments received by the appropriate Department regional office during the 30-day public comment period.

Following the 30-day comment period, the appropriate regional office water management program manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board (Board).

The application and related documents, including the erosion and sediment control plan for the earth disturbance activity, are on file and may be inspected at the appropriate regional office.

Persons with a disability that require an auxiliary aid, service or other accommodation to participate during the 30-day public comment period should contact the specified regional office. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

This notice of final action is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.101) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

<i>Location</i>	<i>Permit Authority</i>	<i>Application Type or Category</i>
Section I	NPDES	Renewals

Section IV	NPDES	MS4 Individual Permit
Section V	NPDES	MS4 Permit Waiver

Section VII	NPDES	NOI for Coverage under NPDES General Permits

Sections I—VI contain actions regarding industrial, animal or sewage wastes discharges, discharges to groundwater, and discharges associated with MS4, stormwater associated with construction activities and CAFOs. Section VII contains notices for parties who have submitted NOIs for Coverage under General NPDES Permits. The approval for coverage under these General NPDES Permits is subject to applicable effluent limitations, monitoring, reporting requirements and other conditions in each General Permit. The approval of coverage for land application of sewage sludge or residential septage under applicable general permit is subject to pollutant limitations, pathogen and vector attraction reduction requirements, operational standards, general requirements, management practices and other conditions in the respective permit. The permits and related documents, effluent limitations, permitting requirements and other information are on file and may be inspected and arrangements made for copying at the contact office noted before the action.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act (35 P.S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to Administrative Agency Law). TDD users may contact the Board through the Pennsylvania AT&T Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a

different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should contact a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

**UNDER ACT 2, 1995
PREAMBLE 2**

The following plans and reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907).

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.301—6026.308) require the Department to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to

document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, contact the environmental cleanup program manager in the Department regional office under which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the community relations coordinator at the appropriate regional office. Limited Suspension of Enforcement of the Commercial Fuel Oil Sulfur Limit Requirements for Combustion Units for Certain Distributors and Retail Outlets (25 Pa. Code § 123.22)

The Department of Environmental Protection (Department) announces that beginning July 1, 2016, and ending December 31, 2016, the Department will suspend enforcement of the 500 parts per million (ppm) sulfur fuel content requirement for No. 2 and lighter commercial fuel oil for certain “distributors” and “retail outlets,” as defined in 25 Pa. Code § 121.1 (relating to definitions). This suspension applies to the transfer and use of No. 2 and lighter commercial fuel oil stored by the distributor or retail outlet in this Commonwealth as of May 14, 2016, that exceeds 500 ppm but that does not exceed the current regulatory limit of 0.5% sulfur by weight (5,000 ppm). This suspension of enforcement does not cover commercial fuel oil received by the distributor or retail outlet after May 14, 2016. This suspension does not cover distributors that distribute commercial fuel oil by pipeline. This suspension does not supersede conditions in any air quality plan approval or operating permit.

Under 25 Pa. Code § 123.22 (relating to combustion units), a person may not offer for sale, deliver for use, exchange in trade or permit the use of commercial fuel oil if it exceeds the specified sulfur content, published at 43 Pa.B. 806 (February 9, 2013) and corrected at 43 Pa.B. 2140 (April 20, 2013). For No. 2 and lighter commercial fuel oil, the regulation imposes a maximum allowable sulfur content of 500 ppm beginning July 1, 2016. However, due to the unusually warm winter of 2015-2016, remaining inventories of commercial fuel oil exceeding 500 ppm are larger than anticipated. For that reason, the Department is announcing this transitional period during which it will exercise enforcement discretion on a limited basis for these existing inventories. Enforcement is not being suspended for any other requirements of 25 Pa. Code § 123.22, including recordkeeping requirements.

A distributor or retail outlet covered by this limited suspension of enforcement must maintain onsite adequate records to document the quantity of No. 2 and lighter commercial fuel oil stored by the distributor or retail outlet in this Commonwealth on May 14, 2016, that exceeds 500 ppm. The records shall be made available to the Department upon request.

This suspension also applies to No. 2 and lighter commercial fuel oil received by the “ultimate consumer,” as defined in 25 Pa. Code § 121.1, on or before December 31, 2016.

The commercial fuel oil sulfur limit requirements codified in 25 Pa. Code § 123.22 are incorporated in Pennsylvania’s State Implementation Plan (SIP) approved by the United States Environmental Protection Agency at 40 CFR 52.2020 (relating to identification of plan), published

at 79 FR 39330 (July 10, 2014). The Department’s exercise of enforcement discretion does not protect an owner or operator of a subject distributor or retail outlet from the possibility of legal challenge by third persons under 25 Pa. Code § 123.22 or the Commonwealth’s approved SIP.

For more information or questions concerning combustion unit commercial fuel oil sulfur limit requirements, contact Susan Foster, Environmental Program Manager for the Division of Compliance and Enforcement, Bureau of Air Quality at (717) 772-3369 or sufoster@pa.gov.

DEPARTMENT OF HUMAN SERVICES

Additional Class of Disproportionate Share Payments

The Department of Human Services (Department) is announcing its intent to allocate funding for disproportionate share hospital (DSH) payments to certain qualifying acute care Medical Assistance (MA) hospitals in Fiscal Year (FY) 2015-2016. This payment is intended to promote the availability of professional medical services to MA populations in less urbanized areas of this Commonwealth by supporting medical education and academic medical programs. The Department is not otherwise changing its State Plan provisions addressing the qualifying criteria or payment methodology for these payments.

All payment limitations are applicable, including those limitations that the Commonwealth may not exceed its aggregate annual DSH allotment, and that no hospital may receive DSH payments in excess of its hospital-specific limit.

Fiscal Impact

The FY 2015-2016 impact as a result of these payments is \$1.667 million (\$0.800 million in State general funds and \$0.867 million in Federal funds) upon approval by the Centers for Medicare and Medicaid Services.

Public Comment

Interested persons are invited to submit written comments regarding this notice to the Department of Human Services, Office of Medical Assistance Programs, c/o Regulations Coordinator, Room 515, Health and Welfare Building, Harrisburg, PA 17120. The Department will review and consider comments reviewed within 30 days in determining the final payment methodology for this additional class of DSH payments.

Persons with a disability who require an auxiliary aid or service may submit comments using the Pennsylvania AT&T Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Payment for Observation Services

The Department of Human Services (Department) is announcing its intent to pay acute care general hospitals for observation care provided to eligible Medical Assistance (MA) beneficiaries in the acute care general hospital (hospital) outpatient setting, effective with dates of service on and after July 1, 2016. Further, the Department is providing notice of the addition of observation services to the MA Fee Schedule.

Background

The Governor signed the act of December 28, 2015 (P.L. 500, No. 92) (Act 92), which amended the Public Welfare Code, now known as the Human Services Code (code) (40 P.S. §§ 101—1503). Act 92 added several new provisions to the code including a new paragraph (1.1) under section 443.3(a) of the code (40 P.S. § 443.3(a)(1.1)). This paragraph authorizes the Department to establish rates for observation services effective for services provided on or after July 1, 2016, by publication of notice in the *Pennsylvania Bulletin*. Further, Act 92 permits the Department to issue an MA Bulletin specifying the conditions for payment of these observation services pending adoption of regulations. Act 92 also amended section 805-G of the code (40 P.S. § 805-G). Section 805-G(A)(1) of the code appropriates funding from the Quality Care

Assessment Account for the services specified, including outpatient observation services in accordance with section 443.3(a)(1) of the code.

Discussion

Observation services are a well-defined set of clinically appropriate and medically necessary services, which include short-term treatment, assessment and reassessment, that are furnished while a decision is made as to whether to admit an MA beneficiary to the inpatient hospital setting for further treatment or to discharge the MA beneficiary from the hospital outpatient setting. The Department is recognizing the need for observation services because a physician may not be able to initially determine whether an inpatient hospital admission is medically necessary.

Currently, the Department does not pay hospitals or physicians for the provision of observation services rendered in a hospital outpatient setting under the Fee-for-Service delivery system. Effective with dates of service on and after July 1, 2016, the Department is announcing its intent to pay for medically necessary observation services provided in the hospital outpatient setting, when prescribed or ordered by a practitioner.

Observation services must be prescribed or ordered for MA beneficiaries who may be directed from the emergency department, practitioner's office or clinic and require care and monitoring for a minimum of 8 hours.

Payment Methodology for Hospitals

The Department intends to make a one-time, all-inclusive payment to an acute care hospital for medically necessary observation services. The Department's all-inclusive payment rate to the hospital for observation services is intended to include payment for medical diagnostic services provided during an observation stay. The Department intends to add the following procedure codes to the MA Program Fee Schedule for payment to hospitals for observation care, effective with dates of service on and after July 1, 2016.

Procedure Code	National Description	Provider Type	Provider Specialty	Place of Service	Pricing Modifier	Info Modifier	MA Fee	MA Units of Service
G0378	Hospital observation service.	01	183	22			\$976.54	One unit of service per observation stay
G0379	Direct admission of patient for hospital observation care.	01	183	22			\$0.00	One unit of service per observation stay

The Department analyzed Fiscal Year (FY) 2012-2013 encounter data from MA managed care organizations to determine an average payment per observation stay, including the average payment for related ancillary services. The Department intends to use this average payment per observation stay as the rate hospitals will receive for the provision of observation care to MA beneficiaries.

Payment Methodology for Physicians

Under 55 Pa. Code § 1150.61 (relating to guidelines for fee schedule changes) the Department will pay physicians for observation services rendered in the acute care hospital outpatient setting, effective with dates of service on and after July 1, 2016. The Department is adding the following procedure codes to the MA Program Fee Schedule for payment to physicians for observation care, effective with dates of service on and after July 1, 2016.
