READER'S GUIDE TO THE *PENNSYLVANIA BULLETIN* AND THE *PENNSYLVANIA CODE*

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania Bulletin* before it can take effect. If the agency

wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacode.com.

Source Notes give the history of regulations. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred. The *Pennsylvania Bulletin* is available at www.pabulletin.com.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised. A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

THE COURTS

Title 210—APPELLATE PROCEDURE

PART I. RULES OF APPELLATE PROCEDURE

[210 PA. CODE CHS. 1, 3, 5, 7, 9, 13, 15, 16, 17, 19,
27 AND 33]

Proposed Amendments to Chapters 13 and 15 and Adoption of New Chapter 16

In 2015, the Appellate Court Procedural Rules Committee published a recommendation in concept to reorganize Chapter 15 and to create a new Chapter 16, with the goal of limiting Chapter 15 to traditional administrative agency appeals, certain other enumerated appeals from similar adjudications or other actions, and original jurisdiction actions against the Commonwealth. After consideration of the comments, the Committee is now publishing for comment a revised proposal designed to achieve the intended reorganization by amending Chapters 13 and 15, adding Chapter 16, and making conforming amendments to rules in other chapters.

The proposed restructuring of Chapter 15 removes the rules that do not apply to appeals of administrative agency action, original jurisdiction actions cognizable in an appellate court in the nature of actions in equity, replevin, mandamus or *quo warranto*, or for declaratory judgment, or upon writs of certiorari or prohibition, and appeals of certain other enumerated adjudications. Actions initiated under Chapter 15 as proposed would retain the existing name “petition for review.”

The Committee is proposing to move three procedures that currently use the term “petition for review” from Chapter 15 to Chapter 13: (1) denials of requests to amend an order to certify it for interlocutory appeal; (2) denials of requests to certify an order as less than all claims or parties as final; and (3) orders finding a claim of double jeopardy frivolous. In purpose, content, and process, these are more similar to petitions for permission to appeal under Pa.R.A.P. 1311 than to direct appeals under Chapter 15. New Chapter 16 would apply to judicial review of all government unit action or inaction not otherwise permitted under Chapters 9, 11, 13 or reorganized Chapter 15, and would include certain existing initiating documents that under present practice are called “petitions for review” under Chapter 15 or another chapter, but that are ancillary and/or preliminary to appellate review, including: (1) review of bail orders under Pa.R.A.P. 1762; (2) review of special prosecution orders under Pa.R.A.P. 3331; and (3) review of out-of-home-placement of minors under Pa.R.A.P. 1770. Actions initiated under Chapter 16 would be called “petitions for specialized review.” The residuary function previously assigned to Chapter 15 (i.e., that actions not initiated under some other chapter of the Rules of Appellate Procedure must fall within Chapter 15) would be assigned to new Chapter 16.

The Committee invites all interested persons to submit comments, suggestions, or objections.

Comments should be provided to:

Appellate Court Procedural Rules Committee
Pennsylvania Judicial Center

FAX: (717) 231-9551

All communications in reference to the proposal should be received by June 20, 2016. E-mail is the preferred method for submitting comments, suggestions, or objections; any emailed submission need not be reproduced and resubmitted via mail. The Committee will acknowledge receipt of all submissions.

An Explanatory Comment precedes the proposed amendments and has been inserted by this Committee for the convenience of the bench and bar. It will not constitute part of the rule nor will it be officially adopted or promulgated.

TITLE 210. APPELLATE PROCEDURE

PART I. RULES OF APPELLATE PROCEDURE

ARTICLE I. PRELIMINARY PROVISIONS

CHAPTER 1. GENERAL PROVISIONS

IN GENERAL

Rule 102. Definitions.

Subject to additional definitions contained in subsequent provisions of these rules which are applicable to specific provisions of these rules, the following words and phrases when used in these rules shall have, unless the context clearly indicates otherwise, the meanings given to them in this rule:

Action—Any action or proceeding at law or in equity.

Argument—Where required by the context, the term includes submission on briefs.

Administrative Office—The Administrative Office of Pennsylvania Courts.

Appeal—Any petition or other application to a court for review of subordinate governmental determinations. The term includes an application for *certiorari* under 42 Pa.C.S. § 934 (writs of *certiorari*) or under any other provision of law. Where required by the context, the term includes proceedings on petition for review **and petition for specialized review**.

Official Note: Under these rules a “subordinate governmental determination” includes an order of a [**lower**] trial court. The definition of “government unit” includes courts, and the definition of “determination” includes action or inaction by (and specifically an order entered by) a court or other government unit. In general, any appeal now extends to the whole record, with like effect as upon an appeal from a judgment entered upon the verdict of a jury in an action at law and the scope of

review of an order on appeal is not limited as on broad or narrow *certiorari*. See 42 Pa.C.S. § 5105(d) [**(scope of appeal)**].

Appellant—Includes petitioner for review.

Appellate court—The Supreme Court, the Superior Court, or the Commonwealth Court.

Appellee—Includes a party named as respondent in a petition for review.

Application—Includes a petition or a motion.

Appropriate security—Security [**which**] **that** meets the requirements of [**Rule 1734 (appropriate security)**] **Pa.R.A.P. 1734**.

Children's fast track appeal—Any appeal from an order involving dependency, termination of parental rights, adoptions, custody, or paternity. See 42 Pa.C.S. §§ 6301, *et seq.*; 23 Pa.C.S. §§ 2511, *et seq.*; 23 Pa.C.S. §§ 2101, *et seq.*; 23 Pa.C.S. §§ 5301, *et seq.*; 23 Pa.C.S. §§ 5102, *et seq.*

Clerk—Includes prothonotary.

Counsel—Counsel of record.

Determination—Action or inaction by a government unit which action or inaction is subject to judicial review by a court under Section 9 of Article V of the Constitution of Pennsylvania or otherwise. The term includes an order entered by a government unit.

Docket [Entries] entries—Includes the schedule of proceedings of a government unit.

General rule—A rule or order promulgated by or pursuant to the authority of the Supreme Court.

Government unit—The Governor and the departments, boards, commissions, officers, authorities, and other agencies of the Commonwealth, including the General Assembly and its officers and agencies and any court or other officer or agency of the unified judicial system, and any political subdivision or municipal or other local authority or any officer or agency of any such political subdivision or local authority. The term includes a board of arbitrators whose determination is subject to review under 42 Pa.C.S. § 763(b) [**(awards of arbitrators)**].

Judge—Includes a justice of the Supreme Court.

[**Lower court—The court from which an appeal is taken or to be taken. With respect to matters arising under Chapter 17 (effect of appeals; supersedeas and stays) the term means the trial court from which the appeal was first taken.**]

Matter—Action, proceeding, or appeal. The term includes a petition for review or **petition for specialized review**.

Order—Includes judgment, decision, decree, sentence, and adjudication.

Petition for allowance of appeal—

(a) A petition under [**Rule 1112 (appeals to the Supreme Court by allowance)**] **Pa.R.A.P. 1112**; or

(b) a statement pursuant to [**Rule 2119(f) (discretionary aspects of sentence)**] **Pa.R.A.P. 2119(f)**. See 42 Pa.C.S. § 9781.

Petition for specialized review—A petition under **Chapter 16**.

President judge—When applied to the Supreme Court, the term means the Chief Justice of Pennsylvania.

Proof of service—Includes acknowledgment of service endorsed upon a pleading.

Quasijudicial order—An order of a government unit, made after notice and opportunity for hearing, which is by law reviewable solely upon the record made before the government unit, and not upon a record made in whole or in part before the reviewing court.

Reargument—Includes, in the case of applications for reargument under Chapter 25 [**(post-submission proceedings)**], reconsideration and rehearing.

Reconsideration—Includes reargument and rehearing.

Reproduced [Record] record—That portion of the record which has been reproduced for use in an appellate court. The term includes any supplemental reproduced record.

Rule of court—A rule promulgated by a court regulating practice or procedure before the promulgating court.

Trial court—**The court from which an appeal is first taken or to be taken.**

Verified [Statement] statement—A document filed with a clerk under these rules containing statements of fact and a statement by the signatory that it is made subject to the penalties of 18 Pa.C.S. § 4904 [**(unsworn falsification to authorities)**].

Official Note: Based on 42 Pa.C.S. § 102 [**(definitions)**]. The definition of “determination” is not intended to affect the scope of review provided by 42 Pa.C.S. § 5105(d) [**(scope of appeal)**] or other provision of law.

Rule 105. Waiver and Modification of Rules.

(a) *Liberal construction and modification of rules.*—These rules shall be liberally construed to secure the just, speedy, and inexpensive determination of every matter to which they are applicable. In the interest of expediting decision, or for other good cause shown, an appellate court may, except as otherwise provided in [**Subdivision**] **paragraph** (b) of this rule, disregard the requirements or provisions of any of these rules in a particular case on application of a party or on its own motion and may order proceedings in accordance with its direction.

(b) *Enlargement of time.*—An appellate court for good cause shown may upon application enlarge the time prescribed by these rules or by its order for doing any act, or may permit an act to be done after the expiration of such time, but the court may not enlarge the time for filing a notice of appeal, a petition for allowance of appeal, a petition for permission to appeal, [**or**] a petition for review, or a petition for specialized review.

Official Note: 42 Pa.C.S. § 5504 [**(judicial extension of time)**] provides that the time limited by, *inter alia*, Chapter 55D [**(appeals)**] of the Judicial Code shall not be extended by order, rule, or otherwise, except that the time limited may be extended to relieve fraud or its

equivalent, but [**that there shall**] **there will** be no extension of time as a matter of indulgence or with respect to any criminal proceeding. However, under 42 Pa.C.S. § 5571(a) [**(appeals generally)**] statutory time limits under Chapter 55D do not apply to appeals to or other judicial review by the Supreme, Superior, or Commonwealth Courts.

[**Subdivision**] **Paragraph** (b) of this rule is not intended to affect the power of a court to grant relief in the case of fraud or breakdown in the processes of a court.

DOCUMENTS GENERALLY

Rule 120. Entry of Appearance.

[**(a)**] *Filing*.—Any counsel filing papers required or permitted to be filed in an appellate court must enter an appearance with the prothonotary of the appellate court unless that counsel has been previously noted on the docket as counsel pursuant to [**Rules**] Pa.R.A.P. 907(b), 1112(f), 1311(d) [**or**], 1514(d) **or** 1602(d). New counsel appearing for a party after docketing pursuant to Rules 907(b), 1112(f), 1311(d), [**or**] 1514(d) **or** 1602(d) shall file an entry of appearance simultaneous with or prior to the filing of any papers signed by new counsel. The entry of appearance shall specifically designate each party the attorney represents and the attorney shall file a certificate of service pursuant to [**Subdivision (d) of Rule 121 and Rule**] **paragraph (d) of Pa.R.A.P. 121 and Pa.R.A.P. 122**. Where new counsel enters an appearance on behalf of a party currently represented by counsel and there is no simultaneous withdrawal of appearance, new counsel shall serve the party that new counsel represents and all other counsel of record and shall file a certificate of service.

Official Note: [**See Subdivision (b) of Rule 907, Subdivision (f) of Rule 1112, Subdivision (d) of Rule 1311 and Subdivision (d) of Rule 1514.**]

For admission *pro hac vice*, see Pa.B.A.R. 301.

Rule 121. Filing and Service.

(a) *Filing*.—Papers required or permitted to be filed in an appellate court shall be filed with the prothonotary. Filing may be accomplished by mail addressed to the prothonotary, but except as otherwise provided by these rules, filing shall not be timely unless the papers are received by the prothonotary within the time fixed for filing. If an application under these rules requests relief which may be granted by a single judge, a judge in extraordinary circumstances may permit the application and any related papers to be filed with that judge. In that event the judge shall note thereon the date of filing and shall thereafter transmit such papers to the clerk.

A *pro se* filing submitted by a prisoner incarcerated in a correctional facility is deemed filed as of the date it is delivered to the prison authorities for purposes of mailing or placed in the institutional mailbox, as evidenced by a properly executed prisoner cash slip or other reasonably verifiable evidence of the date that the prisoner deposited the *pro se* filing with the prison authorities.

(b) *Service of all papers required*.—Copies of all papers filed by any party and not required by these rules to be served by the prothonotary shall, concurrently with their filing, be served by a party or person acting on behalf of that party or person on all other parties to the matter. Service on a party represented by counsel shall be made on counsel.

(c) *Manner of service*.—Service may be:

(1) by personal service, which includes delivery of the copy to a clerk or other responsible person at the office of the person served, but does not include inter-office mail;

(2) by first class, express, or priority United States Postal Service mail;

(3) by commercial carrier with delivery intended to be at least as expeditious as first class mail if the carrier can verify the date of delivery to it;

(4) by facsimile or e-mail with the agreement of the party being served as stated in the certificate of service.

Service by mail is complete on mailing.

(d) *Proof of service*.—Papers presented for filing shall contain an acknowledgement of service by the person served [,] or proof of service certified by the person who made service. Acknowledgement or proof of service may appear on or be affixed to the papers filed. The clerk may permit papers to be filed without acknowledgement or proof of service but shall require such to be filed promptly thereafter.

(e) *Additional time after service by mail and commercial carrier*.—Whenever a party is required or permitted to do an act within a prescribed period after service of a paper upon that party (other than an order of a court or other government unit) and the paper is served by United States mail or by commercial carrier, three days shall be added to the prescribed period.

Official Note:

[**Subdivision**] **Paragraph (a)**—The term “related papers” in [**subdivision**] **paragraph (a)** of this rule includes any appeal papers required [**under Rule 1702 (stay ancillary to appeal)**] by Pa.R.A.P. 1702 as a prerequisite to an application for a stay or similar relief.

In 2008, the term “paperbooks” was replaced with “briefs and reproduced records” throughout these rules. The reference to the deemed filing date for paperbooks when first class mail was used that was formerly found in [**subdivision**] **paragraph (a)** is now found in Rule 2185 regarding filing briefs and in Rule 2186 regarding filing reproduced records.

As to *pro se* filings by persons incarcerated in correctional facilities, see *Commonwealth v. Jones*, [**549 Pa. 58,**] 700 A.2d 423 (Pa. 1997); *Smith v. Pa. Bd. of Prob. & Parole*, [**546 Pa. 115,**] 683 A.2d 278 (Pa. 1996); *Commonwealth v. Johnson*, 860 A.2d 146 (Pa. Super. 2004) (**overruled in part on other grounds**).

[**Subdivision**] **Paragraph (c)**—An acknowledgement of service may be executed by an individual other than the person served, [**e.g.**] **for example**, by a clerk or other responsible person.

[**Subdivision**] **Paragraph (d)**—With respect to appearances by new counsel following the initial docketing of appearances pursuant to [**subdivision**] **paragraph (d)** of this rule, please note the requirements of [**Rule 120 (entry of appearance)**] Pa.R.A.P. 120.

[**Subdivision**] **Paragraph (e)**—[**Subdivision**] **Paragraph (e)** of the rule does not apply to the filing of a notice of appeal, a petition for allowance of appeal, a petition for permission to appeal, or a petition for reconsideration or [**re-argument**] **reargument**, since under these rules the time for filing such papers runs from the

entry and service of the related order, nor to the filing of a petition for review **or a petition for specialized review**, which [**is**] **are** governed by similar considerations. However, these rules permit the filing of such notice and petitions (except a petition for reconsideration or [**re-argument**] **reargument**) in the local county (generally in the county [**court house**] **courthouse**; otherwise in a post office), thus eliminating a major problem under the prior practice. The amendments to [**Rules**] **Pa.R.A.P.** 903(b), 1113(b), and 1512(a)(2) clarified that [**subdivision**] **paragraph** (e) does apply to calculating the deadline for filing cross-appeals, cross-petitions for allowance of appeal and additional petitions for review **or specialized review**.

CHAPTER 3. ORDERS FROM WHICH APPEALS MAY BE TAKEN IN GENERAL

Rule 301. Requisites for an Appealable Order.

(a) *Entry upon docket below.*

(1) Except as provided in [**paragraph (2) of this subdivision**] **subparagraph (2) of this paragraph**, no order of a court shall be appealable until it has been entered upon the appropriate docket in the [**lower**] **trial** court. Where under the applicable practice below an order is entered in two or more dockets, the order has been entered for the purposes of appeal when it has been entered in the first appropriate docket.

(2) In a criminal case in which no post-sentence motion has been filed, a judgment of sentence is appealable upon the imposition of sentence in open court.

(b) *Separate document required.*—Every order shall be set forth on a separate document.

(c) *Nonappealable orders.*—Except as provided in [**subdivision**] **paragraph** (a)(2), a direction by the lower court that a specified judgment, sentence or other order shall be entered, unaccompanied by actual entry of the specified order in the docket, does not constitute an appealable order. Any such order shall be docketed before an appeal is taken.

(d) *Entry of appealable orders.*—Subject to any inconsistent general rule applicable to particular classes of matters, the clerk of the [**lower**] **trial** court shall, on *praecipe* of any party (except a party who by law may not *praecipe* for entry of an adverse order), forthwith prepare, sign, and enter an appropriate order, judgment, or final decree in the docket, evidencing any action from which an appeal lies either as of right or upon permission to appeal or allowance of appeal **or by petition for specialized review**.

(e) *Emergency appeals.*—Where the exigency of the case is such as to impel an immediate appeal and the party intending to appeal an adverse action is unable to secure the formal entry of an appealable order pursuant to the usual procedures, the party may file in the [**lower**] **trial** court and serve a *praecipe* for entry of an adverse order, which action shall constitute entry of an appealable order for the purposes of these rules. The interlocutory or final nature of the action shall not be affected by this [**subdivision**] **paragraph**.

Official Note: See [**Rules of Appellate Procedure**] **Pa.R.A.P.** 311 authorizing interlocutory appeals as of right, 312 authorizing interlocutory appeals by permis-

sion, 313 authorizing appeals from collateral orders, and 341 to [**843**] **343** authorizing appeals from final orders.

See also [**Rules of Appellate Procedure**] **Pa.R.A.P.** 903 governing time for filing notice of appeal, 1113 governing time for filing petition for allowance of appeal, 1311(b) governing time for filing petition for permission for appeal, [**and**] 1512 governing time for filing petition for review, **and 1602(a) governing time for filing specialized petition for review.**

The 1986 Amendment to [**Rule 301 states**] **Pa.R.A.P. 301 stated** that no order shall be appealable until entered in the docket and [**deletes**] **deleted** reference to reduction of an order to judgment as a prerequisite for appeal in every case. This deletion does not eliminate the requirement of reduction of an order to judgment in an appropriate case. Due to the variety of orders issued by courts in different kinds of cases, no single rule can delineate the requirements applicable in all cases. [**The bar is cautioned that if**] **If** the applicable practice or case law requires that an order be reduced to judgment or final decree before it becomes final, that requirement must still be met before the order can be appealed, **and parties are cautioned that an appellate court may remand or take other steps under Pa.R.A.P. 902 if the prerequisites are not satisfied. Pa.R.C.P. 3021 sets forth the orders that the prothonotary is to enter in the judgment index and Pa.R.C.P. 227.4 provides a mechanism for parties to praecipe for judgment in certain circumstances. See also Pa.R.C.P. 236 and 237.**

[**An appeal may be remanded or subject to other appropriate action of the appellate court when the order is such that it may be reduced to judgment or final decree and entered in the docket but such action has not been taken. Rule 902. Examples of orders which may be remanded under Rule 902 when the order appealed from has not been reduced to judgment or final decree include:**

1. **an order denying a motion for a new trial or judgment notwithstanding the verdict after a trial by jury, *Dennis v. Smith*, 288 Pa. Super 185, 431 A.2d 350 (1981);**

2. **an order dismissing exceptions to the decision after a trial without jury, *Black Top Paving Co., Inc. v. John Carlo, Inc.*, 292 Pa. Super. 404, 437 A.2d 756 (1981); and**

3. **an order dismissing exceptions to the decree nisi in an equity action, *Kopchak v. Springer*, 292 Pa. Super. 441, 437 A.2d 756 (1981).**

An appeal will also be quashed where the order appealed from is interlocutory and the appeal is not authorized by Rule 311 governing interlocutory appeals as of right or Rule 312 governing interlocutory appeals by permission. Examples of interlocutory orders include:

1. **an order granting a petition for appointment of an arbitrator, *Cassidy v. Keystone Ins. Co.*, 297 Pa. Super. 421, 443 A.2d 1193 (1982); and**

2. **an order relating to alimony pendente lite, and interim counsel fees and expenses is not appealable. *Fried v. Fried*, Pa., 501 A.2d 211 (1985).**

Subdivision (a) extends former Supreme Court Rule 19A and former Commonwealth Court Rule 29A to the Superior Court. The second sentence of

the subdivision codifies *Stotsenburg v. Frost*, 465 Pa. 187, 348 A.2d 418 (1975).

The requirement of Subdivision (b) for a separate document is patterned after Fed. Rules Civ. Proc. 58, as interpreted in *United States v. Indrelunas*, 93 S.Ct. 1562, 411 U.S. 216, 36 L.Ed.2d 202 (1973), so as to render certain the date on which an order is entered for purposes of computing the running of the time for appeal. See also *Bankers Trust Co. v. Mallis*, 98 S.Ct. 1117, 435 U.S. 381, 55 L.Ed.2d.357 (1978) (requirement of separate document may be waived by appellee). This requirement is intended to control over an inconsistent civil (including orphans' court) or criminal procedural rule, since such rules are not primarily concerned with the appellate process.

Subdivision (c) sets forth the frequently overlooked requirement for an appealable order that an order must be docketed before it may be appealed. The subdivision also sets forth the rule that an appeal is premature where the Court directs that a judgment sentence or order be entered in the docket and the prothonotary fails to do so. *Friedman v. Kasser*, 293 Pa. Super. 294, 438 A.2d 1001 (1981). Moreover, an order of Court then directing that a complaint as set forth will be dismissed upon the passage of time or occurrence or failure of an event is not appealable; only a subsequent order of dismissal would be appealable. See *Ayre v. Mountaintop Area Joint San. Auth.*, 58 Pa. Cmwlth. 510, 427 A.2d 1294 (1981).

This rule does not supersede rules such as Pa. R. Civ. Proc. 237 which impose additional requirements or procedures in connection with filing a praecipe for a final order.

Subdivision (d) provides a remedy for the appellant where no appealable order has been entered on the docket, and is similar to Pa. R. Civ. P. 227.4. The exception refers to cases such as certain matrimonial matters, where it has been held that the defendant is not entitled to cause an adverse decision to be formally entered as judgment. See, e.g., *Mirarchi v. Mirarchi*, 226 Pa. Super. 53, 311 A.2d 698 (1973).

The filing in the lower court required by Subdivision (e) may under Rule 121(a) (filing) be made with a judge of the lower court in connection with an application under Chapter 17 (effect of appeals, supersedeas and stays).]

The filing in the trial court required by paragraph (e) may be accompanied by an application to the trial court for relief such as a stay or supersedeas under Chapter 17.

See Pa.R.A.P. [108 and Explanatory Comment—2007 thereto] 108(d), Pa.R.A.P. 903(c)(3), and Pa.R.Crim.P. [462] 462(G), 720, and 721 governing criminal appeals.

INTERLOCUTORY APPEALS

Rule 313. Collateral Orders.

(a) *General [Rule] rule.*—An appeal may be taken as of right from a collateral order of [an administrative agency or lower court] a trial court or other government unit.

(b) *Definition.*—A collateral order is an order separable from and collateral to the main cause of action where the right involved is too important to be denied review and the question presented is such that if review is postponed until final judgment in the case, the claim will be irreparably lost.

[*Official Note:* Rule 313 is a codification of existing case law with respect to collateral orders. See *Pugar v. Greco*, 483 Pa. 68, 73, 394 A.2d 542, 545 (1978) (quoting *Cohen v. Beneficial Industrial Loan Corp.*, 337 U.S. 541 (1949)). Examples of collateral orders include orders denying pre-trial motions to dismiss based on double jeopardy in which the court does not find the motion frivolous, *Commonwealth v. Brady*, 510 Pa. 336, 508 A.2d 286, 289—91 (1986) (allowing an immediate appeal from denial of double jeopardy claim under collateral order doctrine where trial court does not make a finding of frivolousness); if the trial court finds the motion frivolous, the defendant may secure review only by first filing a petition for review under Pa.R.A.P. 1573. See *Commonwealth v. Orie*, 22 A.3d 1021 (Pa. 2011). Other examples of collateral orders are an order denying a petition to permit the payment of death taxes, *Hankin v. Hankin*, 338 Pa. Super. 442, 487 A.2d 1363 (1985); and an order denying a petition for removal of an executor, *Re: Estate of Georgianna*, 312 Pa. Super. 339, 458 A.2d 989 (1983), *aff'd*, 504 Pa. 510, 475 A.2d 744. Thorough discussions of the collateral order doctrine as it has been applied by Pennsylvania appellate courts are found in the following sources: Darlington, McKeon, Schuckers and Brown, 1 Pennsylvania Appellate Practice Second Edition, §§ 313:1—313:201 (1994) and Byer, *Appealable Orders under the Pennsylvania Rules of Appellate Procedures in Practice and Procedures in Pennsylvania Appellate Courts* (PBI No. 1994-869); Pines, *Pennsylvania Appellate Practice: Procedural Requirements and the Vagaries of Jurisdiction*, 91 Dick.L.Rev. 55, 107—115 (1986).

If an order falls under Rule 313, an immediate appeal may be taken as of right simply by filing a notice of appeal. The procedures set forth in Rules 341(c) and 1311 do not apply under Rule 313.]

Official Note: If an order meets the definition of a collateral order, it is appealed by filing a notice of appeal.

Pa.R.A.P. 313 is a codification of existing case law with respect to collateral orders. See *Pugar v. Greco*, 394 A.2d 542, 545 (Pa. 1978) (quoting *Cohen v. Beneficial Industrial Loan Corp.*, 337 U.S. 541 (1949)).

Pennsylvania appellate courts have found a number of classes of orders to fit the collateral order definition. Collateral order cases are collected and discussed in Darlington, McKeon, Schuckers and Brown, *Pennsylvania Appellate Practice 2015-2016 Edition*, §§ 313:1—313:201. Examples include an order denying a petition to permit the payment of death taxes, *Hankin v. Hankin*, 487 A.2d 1363 (Pa.

Super. 1985), and an order denying a petition for removal of an executor, *Re: Estate of Georgianna*, 458 A.2d 989 (Pa. Super. 1983), *aff'd*, 475 A.2d 744 (Pa. 1984), and an order denying a pre-trial motion to dismiss on double jeopardy grounds if the trial court does not also make a finding that the motion to dismiss is frivolous. *See Commonwealth v. Brady*, 508 A.2d 286, 289-91 (Pa. 1986) (allowing an immediate appeal from denial of double jeopardy claim under collateral order doctrine where trial court does not make a finding of frivolousness); *Commonwealth v. Orié*, 22 A.3d 1021 (Pa. 2011). An order denying a pre-trial motion to dismiss on double jeopardy grounds that also finds that the motion to dismiss is frivolous is not appealable as of right as a collateral order, but may be appealable by permission under Pa.R.A.P. 1311(a)(3).

FINAL ORDERS

Rule 341. Final Orders; Generally.

(a) *General [Rule] rule.*—Except as prescribed in paragraphs (d) and (e) of this rule, an appeal may be taken as of right from any final order of a government unit or trial court.

(b) *Definition of [Final Order] final order.*—A final order is any order that:

- (1) disposes of all claims and of all parties; or
- (2) (Rescinded).
- (3) is entered as a final order pursuant to paragraph (c) of this rule.

(c) *Determination of finality.*—When more than one claim for relief is presented in an action, whether as a claim, counterclaim, cross-claim, or third-party claim, or when multiple parties are involved, the trial court or other government unit may enter a final order as to one or more but fewer than all of the claims and parties only upon an express determination that an immediate appeal would facilitate resolution of the entire case. Such an order becomes appealable when entered. In the absence of such a determination and entry of a final order, any order or other form of decision that adjudicates fewer than all the claims and parties shall not constitute a final order. In addition, the following conditions shall apply:

(1) The trial court or other government unit is required to act on an application for a determination of finality under paragraph (c) within 30 days of entry of the order. During the time an application for a determination of finality is pending the action is stayed.

(2) A notice of appeal may be filed within 30 days after entry of an order as amended unless a shorter time period is provided in Pa.R.A.P. 903(c). Any denial of such an application [**shall be reviewable only for abuse of discretion pursuant to Chapter 15**] is reviewable only through a petition for permission to appeal under Pa.R.A.P. 1311.

(3) Unless the trial court or other government unit acts on the application within 30 days of entry of the order, the trial court or other government unit shall no longer consider the application and it shall be deemed denied.

[(4) **The time for filing a petition for review will begin to run from the date of entry of the order denying the application for a determination of finality or, if the application is deemed denied, from the 31st day. A petition for review may be filed within 30 days of the entry of the order denying the**

application or within 30 days of the deemed denial unless a shorter time period is provided by Pa.R.A.P. 1512(b).]

(d) *Superior Court and Commonwealth Court [Orders] orders.*—Except as prescribed by Pa.R.A.P. 1101 no appeal may be taken as of right from any final order of the Superior Court or of the Commonwealth Court.

(e) *Criminal [Orders] orders.*—An appeal may be taken by the Commonwealth from any final order in a criminal matter only in the circumstances provided by law.

Official Note: Related Constitutional and [Statutory Provisions] statutory provisions—Section 9 of Article V of the Constitution of Pennsylvania provides that “there shall be a right of appeal from a court of record or from an administrative agency to a court of record or to an appellate court.” The constitutional provision is implemented by 2 Pa.C.S. § 702, 2 Pa.C.S. § 752, and 42 Pa.C.S. § 5105.

Criminal [Law Proceedings] law proceedings—Commonwealth [Appeals] appeals—Orders that do not dispose of the entire case that were formerly appealable [under Pa.R.A.P. 341] by the Commonwealth in criminal cases [as heretofore provided by law, but which do not dispose of the entire case, are now] are under Pa.R.A.P. 341 appealable as interlocutory appeals as of right under paragraph (d) of Pa.R.A.P. 311.

Final [Orders—Pre- and Post-1992] orders—pre- and post-1992 Practice—The 1992 amendment generally [eliminates] eliminated appeals as of right under Pa.R.A.P. 341 from orders [not ending] that do not end the litigation as to all claims and as to all parties. [Formerly, there was case law that orders not ending the litigation as to all claims and all parties are final orders if such orders have the practical consequence of putting a litigant out of court.] Prior to 1992, there were cases that deemed an order final if it had the practical effect of putting a party out of court, even if the order did not end the litigation as to all claims and all parties.

A party needs to file only a single notice of appeal to secure review of prior non-final orders that are made final by the entry of a final order, *see K.H. v. J.R.*, 826 A.2d 863, 870-71 (Pa. 2003) (following trial); *Betz v. Pneumo Abex LLC*, 44 A.3d 27, 54 (Pa. 2012) (summary judgment). Where, however, one or more orders resolves issues arising on more than one docket or relating to more than one judgment, separate notices of appeal must be filed. *Commonwealth v. C.M.K.*, 932 A.2d 111, 113 & n.3 (Pa. Super. 2007) (quashing appeal taken by single notice of appeal from order on remand for consideration under Pa.R.Crim.P. 607 of two persons’ judgments of sentence).

The 1997 amendments to paragraphs (a) and (c), substituting the conjunction “and” for “or,” are not substantive. The amendments merely clarify that by definition any order [which] that disposes of all claims will dispose of all parties and any order that disposes of all parties will dispose of all claims.

Rescission of subparagraph (b)(2)—Former subparagraph (b)(2) provided for appeals of orders defined as final by statute. The 2015 rescission of subparagraph

(b)(2) eliminated a potential waiver trap created by legislative use of the adjective “final” to describe orders that were procedurally interlocutory but nonetheless designated as appealable as of right. Failure to appeal immediately an interlocutory order deemed final by statute waived the right to challenge the order on appeal from the final judgment. Rescinding subparagraph (b)(2) eliminated this potential waiver of the right to appeal. If an order designated as appealable by a statute disposes of all claims and of all parties, it is appealable as a final order pursuant to Pa.R.A.P. 341. If the order does not meet that standard, then it is interlocutory regardless of the statutory description. Pa.R.A.P. 311(a)(8) provides for appeal as of right from an order that is made final or appealable by statute or general rule, even though the order does not dispose of all claims or of all parties and, thus, is interlocutory[;]. Pa.R.A.P. 311(g) addresses waiver if no appeal is taken immediately from such interlocutory order.

One of the further effects of the rescission of subparagraph (b)(2) is to change the basis for appealability of orders that do not end the case but grant or deny a declaratory judgment. *See Nationwide Mut. Ins. Co. v. Wickett*, 763 A.2d 813, 818 (Pa. 2000); *Pa. Bankers Ass’n v. Pa. Dep’t. of Banking*, 948 A.2d 790, 798 (Pa. 2008). The effect of the rescission is to eliminate waiver for failure to take an immediate appeal from such an order. A party aggrieved by an interlocutory order granting or denying a declaratory judgment, where the order satisfies the criteria for “finality” under *Pennsylvania Bankers Association*, may elect to proceed under Pa.R.A.P. 311(a)(8) or wait until the end of the case and proceed under subparagraph (b)(1) of this rule.

An arbitration order appealable under 42 Pa.C.S. § 7320(a) may be interlocutory or final. If it disposes of all claims and all parties, it is final, and, thus, appealable pursuant to Pa.R.A.P. 341. If the order does not dispose of all claims and parties, that is, the order is not final, but rather interlocutory, it is appealable pursuant to Pa.R.A.P. 311. Failure to appeal an interlocutory order appealable as of right may result in waiver of objections to the order. *See* Pa.R.A.P. 311(g).

Paragraph (c)—Determination of [Finality] finality—Paragraph (c) permits an immediate appeal from an order dismissing less than all claims or parties from a case only upon an express determination that an immediate appeal would facilitate resolution of the entire case. Factors to be considered under paragraph (c) include, but are not limited to:

- (1) whether there is a significant relationship between adjudicated and unadjudicated claims;
- (2) whether there is a possibility that an appeal would be mooted by further developments;
- (3) whether there is a possibility that the court or government unit will consider issues a second time; and
- (4) whether an immediate appeal will enhance prospects of settlement.

The failure of a party to apply to the government unit or trial court for a determination of finality pursuant to paragraph (c) shall not constitute a waiver and the matter may be raised in a subsequent appeal following the entry of a final order disposing of all claims and all parties.

Where the government unit or trial court refuses to amend its order to include the express determination that an immediate appeal would facilitate resolution of the

entire case and refuses to enter a final order, a petition for [**review under Chapter 15**] **permission to appeal under Pa.R.A.P. 1311** of the unappealable order of denial is the exclusive mode of review [**to determine whether the case is so egregious as to justify prerogative appellate correction of the exercise of discretion by the lower tribunal. See, e.g., Pa.R.A.P. 1311, Official Note**]. The filing of such a petition [**for review**] does not prevent the trial court or other government unit from proceeding further with the matter pursuant to Pa.R.A.P. 1701(b)(6). Of course, as in any case, the appellant [**could**] **may** apply for a discretionary stay of the proceeding below.

Subparagraph (c)(2) provides for a stay of the action pending determination of an application for a determination of finality. If **the application is denied, and** a petition for [**review**] **permission to appeal** is filed challenging the denial, a stay or *supersedeas* will issue only as provided under Chapter 17 of these rules.

In the event that a trial court or other government unit enters a final order pursuant to paragraph (c) of this rule, the trial court or other government unit may no longer proceed further in the matter, except as provided in Pa.R.A.P. 1701(b)(1)—(5).

[**The following is a partial list of orders previously interpreted by the courts as appealable as final orders under Pa.R.A.P. 341 that are no longer appealable as of right unless the trial court or government unit makes an express determination that an immediate appeal would facilitate resolution of the entire case and expressly enters a final order pursuant to Pa.R.A.P. 341(c):**

- (1) **an order dismissing one of several causes of action pleaded in a complaint but leaving pending other causes of action;**
- (2) **an order dismissing a complaint but leaving pending a counterclaim;**
- (3) **an order dismissing a counterclaim but leaving pending the complaint that initiated the action;**
- (4) **an order dismissing an action as to less than all plaintiffs or as to less than all defendants but leaving pending the action as to other plaintiffs and other defendants;**
- (5) **an order granting judgment against one defendant but leaving pending the complaint against other defendants; and**
- (6) **an order dismissing a complaint to join an additional defendant or denying a petition to join an additional defendant or denying a petition for late joinder of an additional defendant.**

The 1997 amendment adding subparagraph (c)(3) provided for a deemed denial where the trial court or other government unit fails to act on the application within 30 days.]

CHAPTER 5. PERSONS WHO MAY TAKE OR PARTICIPATE IN APPEALS

IN GENERAL

Rule 502. Substitution of Parties.

(a) *Death of a party.*—If a party dies after a notice of appeal or petition for review is filed or while a matter is otherwise pending in an appellate court, the personal representative of the deceased party may be substituted

as a party on application filed by the representative or by any party with the prothonotary of the appellate court. The application of a party shall be served upon the representative in accordance with the provisions of [**Rule 123 (applications for relief)] Pa.R.A.P. 123**. If the deceased party has no representative, any party may suggest the death on the record and proceedings shall then be had as the appellate court may direct. If a party against whom an appeal may be taken or a petition for review may be filed dies after entry of an order below but before a notice of appeal or petition for review is filed, an appellant may proceed as if death had not occurred. After the notice of appeal or petition for review is filed, substitution shall be effected in the appellate court in accordance with this [**subdivision] paragraph**. If a party entitled to appeal or petition for review shall die before filing a notice of appeal or petition for review, the notice of appeal or petition for review may be filed by his personal representative, or, if he has no personal representative, by his counsel, within the time prescribed by these rules. After the notice of appeal or petition for review is filed, substitution shall be effected in the appellate court in accordance with this [**subdivision] paragraph**.

(b) *Substitution in other cases or for other causes.*—If substitution of a party in an appellate court is necessary in connection with a petition for allowance of appeal [**or]**, a petition for permission to appeal, **a petition for specialized review**, or in connection with any [**other]** matter other than a notice of appeal or petition for review, or if substitution of a party in an appellate court is necessary for any reason other than death, substitution shall be effected in accordance with the procedure prescribed in [**Subdivision] paragraph (a)** of this rule.

(c) *Death or separation from office of public officer.*—When a public officer is a party to an appeal or other matter in an appellate court in his official capacity and during its pendency dies, resigns, or otherwise ceases to hold office, the matter does not abate and his successor is automatically substituted as a party. Proceedings following the substitution shall be in the name of the substituted party, but any misnomer not affecting the substantial rights of the parties shall be disregarded. An order of substitution may be entered at any time, but the omission to enter such an order shall not affect the substitution.

Official Note: [**Pa.R.Civ.P. 2351 to 2375] Pa.R.C.P. 2351 to 2374** relate to substitution of parties in the courts of common pleas, but this rule, which is patterned after [**Fed. Rules App. Proc. 43(a), (b) and (c)(1)] Fed.R.App.P. 43**, covers the subject in the appellate courts for the first time.

FORMA PAUPERIS

Rule 553. Application in Appellate Court.

(a) *General rule.*—A party who has been denied relief under [**Rule 552 (application to lower court for leave to appeal in forma pauperis)] Pa.R.A.P. 552**, or who has been unable to file an application under such rule because the matter is an original action in the appellate court, or a petition for review **or petition for specialized review** proceeding relating to a government unit other than a court, or for any other reason, may apply to the appellate court for leave to proceed *in forma pauperis* in the appellate court.

(b) *Form and procedure.*—An application under this rule shall be governed by [**Rule] Pa.R.A.P. 552** so far as it may be applied.

Official Note: [**See former Supreme Court Rule 61(d), which required an affidavit (verified statement) in all cases.**] Unlike the prior rule, this rule makes clear that [**the]** an application may be [**renewed]** made in the appellate court **even if it has been denied in the trial court.**

CHAPTER 7. COURTS TO WHICH APPEALS SHALL BE TAKEN IN GENERAL

Rule 701. Interlocutory Orders.

An appeal authorized by law from an interlocutory order [**in a matter]** shall be taken to, [**and]** petitions for permission to appeal from an interlocutory order [**in a matter]**, and **petitions for specialized review** shall be filed in[,] the appellate court having jurisdiction of final orders in such matters.

Official Note: Based on 42 Pa.C.S. § 702(a) [**(appeals authorized by law)]**.

Rule 702. Final Orders.

(a) *General rule.*—An appeal authorized by law from a final order shall be taken to, and petitions for allowance of appeal from a final order shall be filed in, the appellate court vested by law with jurisdiction over appeals from such order.

(b) *Matters tried with capital offenses.*—If an appeal is taken to the Supreme Court under [**Rule 1941 (review of death sentences)] Pa.R.A.P. 1941**, any other appeals relating to sentences for lesser offenses imposed on a defendant as a result of the same criminal episode or transaction and tried with the capital offense shall **also** be taken to the Supreme Court.

(c) *Supervision of special prosecutions or investigations.*—All petitions for **specialized review** under Rule [**3331 (review of special prosecutions or investigations)] 1611** shall be filed in the Supreme Court.

Official Note: [**Because of frequent legislative modifications it is not desirable to attempt at this time to restate appellate court jurisdiction in these rules. However, the]** The Administrative Office of Pennsylvania Courts publishes from time to time at 204 Pa. Code § 201.2 an unofficial chart of the Unified Judicial System showing the appellate jurisdiction of the several courts of this Commonwealth, and it is expected that the several publishers of these rules will include a copy of the current version of such chart in their respective publications.

[**Subdivisions] Paragraphs (b) and (c)** are based upon 42 Pa.C.S. § 722(1) [**(direct appeals from courts of common pleas)]**. Under [**Rule 751 (transfer of erroneously filed cases)] Pa.R.A.P. 751**, an appeal from a lesser offense improvidently taken to the Superior Court or the Commonwealth Court will be transferred to the Supreme Court for consideration and decision with the capital offense.

Under [**Rule 701 (interlocutory orders)] Pa.R.A.P. 701**, the jurisdiction described in [**Subdivision] paragraph (c)** extends also to interlocutory orders. See [**Rule**

102 (definitions)] Pa.R.A.P. 102 where the term “appeal” includes proceedings on petition for review **and petitions for specialized review**. Ordinarily [**Rule] Pa.R.A.P. 701** will have no application to matters within the scope of [**Subdivision] paragraph (b)**, since that [**subdivision] paragraph** is contingent upon entry of a final order in the form of a sentence of death; the mere possibility of such a sentence is not [**intended to give the] a basis for** Supreme Court direct appellate jurisdiction over interlocutory orders in homicide and related cases [**since generally a death sentence is not imposed], because it is the imposition of the sentence of death that triggers Supreme Court direct review. See 42 Pa.C.S. § 9711(h).**

ARTICLE II. APPELLATE PROCEDURE

CHAPTER 9. APPEALS FROM LOWER COURTS

Rule 901. Scope of Chapter.

This chapter applies to all appeals from a trial court to an appellate court except:

(1) An appeal by allowance taken under 42 Pa.C.S. § 724 [**(allowance of appeals from Superior and Commonwealth Courts)]. See [Rule 1112 (appeals by allowance)] Pa.R.A.P. 1112.**

(2) An appeal by permission taken [**under 42 Pa.C.S. § 702(b) (interlocutory appeals by permission)] pursuant to Pa.R.A.P. 1311. [See Rule 1311 (interlocutory appeals by permission).]**

(3) An appeal [**which may be]** taken by petition for **specialized review pursuant to [Rule 1762(b)(2), which governs applications relating to bail when no appeal is pending] Chapter 16.**

[**(4) An appeal which may be taken by petition for review pursuant to Rule 1770, which governs out of home placement in juvenile delinquency matters.**

(5) [**(4) Automatic review of sentences pursuant to 42 Pa.C.S. § 9711(h) [(review of death sentence)]. See [Rule 1941 (review of death sentences)] Pa.R.A.P. 1941.**

[**(6) An appeal which may be taken by petition for review pursuant to Rule 3331 (review of special prosecutions or investigations).**

(7) **An appeal which may be taken only by a petition for review pursuant to Rule 1573, which governs review when a trial court has denied a motion to dismiss on the basis of double jeopardy as frivolous.]**

CHAPTER 13. INTERLOCUTORY APPEALS BY PERMISSION

Rule 1311. Interlocutory Appeals by Permission.

(a) *General rule.*—An appeal may be taken by permission [**under 42 Pa.C.S. § 702(b) (interlocutory appeals by permission) from any interlocutory order of a lower court or other government unit. See Rule 312 (interlocutory appeals by permission).] from an interlocutory order:**

(1) **certified under 42 Pa.C.S. § 702(b) or for which certification pursuant to 42 Pa.C.S. § 702(b) was denied, see Pa.R.A.P. 312;**

(2) for which certification pursuant to Pa.R.A.P. 341(c) was denied; or

(3) that determined that a defendant’s motion to dismiss on the basis of double jeopardy is frivolous.

(b) *Petition for permission to appeal.*—Permission to appeal from an interlocutory order [**containing the statement prescribed by 42 Pa.C.S. § 702(b)] listed in paragraph (a)** may be sought by filing a petition for permission to appeal with the prothonotary of the appellate court within 30 days after entry of such order in the [**lower] trial court or other government unit with proof of service on all other parties to the matter in the [lower] trial court or other government unit and on the government unit or clerk of the [lower] trial court, who shall file the petition of record in such [lower] trial court. An application for an amendment of an interlocutory order to set forth expressly either the statement specified in 42 Pa.C.S. § 702(b) or the one in Pa.R.A.P. 341(c) shall be filed with the [lower] trial court or other government unit within 30 days after the entry of such interlocutory order, and permission to appeal may be sought within 30 days after entry of the order as amended. Unless the trial court or other government unit acts on the application within 30 days after it is filed, the trial court or other government unit shall no longer consider the application and it shall be deemed denied. If the petition for permission to appeal is transmitted to the prothonotary of the appellate court by means of first class, express, or priority United States Postal Service mail, the petition shall be deemed received by the prothonotary for the purposes of Rule 121(a) [(filing)] on the date deposited in the United States mail, as shown on a United States Postal Service Form 3817 Certificate of Mailing, or other similar United States Postal Service form from which the date of deposit can be verified. The certificate of mailing or other similar Postal Service form from which the date of deposit can be verified shall be cancelled by the Postal Service, shall show the docket number of the matter in the [lower] trial court or other government unit and shall be either enclosed with the petition or separately mailed to the prothonotary. **The petitioner must file the original and one copy.** Upon actual receipt of the petition for permission to appeal, the prothonotary of the appellate court shall immediately stamp it with the date of actual receipt. That date, or the date of earlier deposit in the United States mail as prescribed in this subdivision, shall constitute the date when permission to appeal was sought, which date shall be shown on the docket. The prothonotary of the appellate court shall immediately note the appellate docket number assignment upon the petition for permission to appeal and give written notice of the docket number assignment in person or by first class mail to the government unit or clerk of the [lower] trial court, to the petitioner, and to the other persons named in the proof of service accompanying the petition.**

(c) *Fee.*—The petitioner upon filing the petition for permission to appeal shall pay any fee therefor prescribed by Chapter 27 [**(fees and costs in appellate courts and on appeal)].**

(d) *Entry of appearance.*—Upon the filing of the petition for permission to appeal, the prothonotary of the appellate court shall note on the record as counsel for the petitioner the name of counsel, if any, set forth in or endorsed upon the petition for permission to appeal, and, as counsel for other parties, counsel, if any, named in the

proof of service. The prothonotary shall upon *praecipe* of any such counsel for other parties, filed at any time within 30 days after filing of the petition, strike off or correct the record of appearance. Thereafter a counsel's appearance for a party may not be withdrawn without leave of court, unless another lawyer has entered or simultaneously enters an appearance for the party.

Official Note: [Based on 42 Pa.C.S. § 702(b) (interlocutory appeals by permission). See note to Rule 903 (time for appeal). Compare 42 Pa.C.S. § 5574 (effect of application for amendment to qualify for interlocutory appeal).] Pa.R.A.P. 1311 originally implemented only 42 Pa.C.S. § 702(b). The accompanying note provided that an order refusing to certify an order as meeting the requirements of 42 Pa.C.S. § 702(b) was reviewed by filing of a petition for review under Chapter 15. The rule was amended in 2016 to expand the use of a petition for permission to appeal to requests for review of interlocutory orders that were not certified for immediate review pursuant to 42 Pa.C.S. § 702(b) or Pa.R.A.P. 341(c) and of interlocutory orders that found a criminal defendant's claim that further proceedings would cause the defendant to be placed in double jeopardy to be frivolous.

See the Official Note to [Rule 1112 (appeals by allowance)] Pa.R.A.P. 1112 for an explanation of the procedure when Form 3817 or other similar United States Postal Service form from which the date of deposit can be verified is used.

[Where the administrative agency or lower court refuses to amend its order to include the prescribed statement, a petition for review under Chapter 15 of the unappealable order of denial is the proper mode of determining whether the case is so egregious as to justify prerogative appellate correction of the exercise of discretion by the lower tribunal. If the petition for review is granted in such a case, the effect (as in the Federal practice under 28 U.S.C. § 1292(b)) is the same as if a petition for permission to appeal had been filed and granted, and no separate petition for permission to appeal need be filed.

The 1997 amendment to subdivision (b) provides for a deemed denial where the trial court or other governmental unit fails to act on the application within 30 days. Under such circumstances, a party may need to file a *praecipe* for entry of the deemed denial pursuant to Rule 301(d).

With regard to subdivision (d) and withdrawal of appearance without leave of the appellate court, counsel may nonetheless be subject to trial court supervision pursuant to Pa.R.Crim.P. 904 (Entry of Appearance and Appointment of Counsel; In Forma Pauperis).]

With respect to appearances by new counsel following the initial docketing of appearances pursuant to [Subdivision] paragraph (d) of this rule, please note the requirements of [Rule] Pa.R.A.P. 120.

Rule 1312. Content of the Petition for Permission to Appeal.

(a) *General rule.*—The petition for permission to appeal need not be set forth in numbered paragraphs in the manner of a pleading, and shall contain the following (which shall, insofar as practicable, be set forth in the order stated):

(1) A statement of the basis for the jurisdiction of the appellate court.

(2) The text of the order in question, or the portions thereof sought to be reviewed [including the statement by the lower court or other government unit that the order involves a controlling question of law as to which there is a substantial ground for difference of opinion and that an immediate appeal from the order may materially advance the ultimate termination of the matter], and the date of its], the text of any order ruling on any subsequent request for certification, the date of their entry in the trial court or other government unit [below]. If the [order is] order(s) are voluminous, it may, if more convenient, be appended to the petition.

(3) A concise statement of the case containing the facts necessary to an understanding of the [controlling questions of law determined by the order of the lower] basis for the order of the trial court or other government unit.

(4) The [controlling] proposed questions [of law] presented for review, expressed in the terms and circumstances of the case but without unnecessary detail. The statement of questions presented will be deemed to include every subsidiary question fairly comprised therein. Only the questions set forth in the petition, or fairly comprised therein, will ordinarily be considered by the court in the event permission to appeal is granted.

(5) A concise statement of the reasons [why a substantial ground exists for a difference of opinion on the questions and why an immediate appeal may materially advance the termination of the matter.] for an immediate appeal:

(i) For a petition for permission to appeal an order certified pursuant to 42 Pa.C.S. § 702(b), a statement of the reasons why the order involves a controlling question of law as to which there is a substantial ground for difference of opinion and that an appeal from the order may materially advance the ultimate termination of the matter;

(ii) For a petition for permission to appeal an order for which certification pursuant to 42 Pa.C.S. § 702(b) was denied or deemed denied, a statement of reasons why the order involves a controlling question of law as to which there is substantial ground for difference of opinion and that an appeal from the order may materially advance the ultimate termination of the matter and why the refusal of certification was an abuse of the trial court's or other government unit's discretion;

(iii) For a petition for permission to appeal an order for which certification pursuant to Pa.R.A.P. 341(c) was denied or deemed denied, the petition must contain a statement of reasons why an immediate appeal would facilitate resolution of the entire case and why the refusal of certification was an abuse of the trial court's or other government unit's discretion;

(iv) For a petition for permission to appeal pursuant to Pa.R.A.P. 1311(a)(3), the petition must set forth why the claim of double jeopardy is colorable. The filing of a petition for permission to appeal a finding of frivolousness will not automatically stay the proceedings before the trial court, but a petitioner may file an application for a stay in the trial

or appellate court pending the determination of the petition for permission to appeal, or the trial or appellate court may issue a stay *sua sponte*.

(6) There shall be appended to the petition a copy of any opinions delivered relating to the order sought to be reviewed, as well as all opinions of [lower] trial courts or other government units in the case, and, if reference thereto is necessary to ascertain the grounds of the order, opinions in companion cases. If whatever is required by this paragraph to be appended to the petition is voluminous, it may, if more convenient, be separately presented.

(7) There shall be appended to the petition the verbatim texts of the pertinent provisions of constitutional provisions, statutes, ordinances, regulations, or other similar enactments which the case involves, and the citation to the volume and page where they are published, including the official edition, if any.

(b) *Caption and parties.*—All parties to the proceeding in the [lower] trial court or other government unit other than petitioner shall be named as respondents, but respondents who support the position of the petitioner shall meet the time schedule for filing papers which is prescribed in this chapter for the petitioner, except that any response by such respondents to the petition shall be filed as promptly as possible after receipt of the petition.

(c) *No supporting brief.*—All contentions in support of a petition for permission to appeal shall be set forth in the body of the petition as prescribed by [Paragraph] subparagraph (a)(5) of this rule. Neither the briefs below nor any separate brief in support of a petition for permission to appeal will be received, and the prothonotary of the appellate court will refuse to file any petition for permission to appeal to which is annexed or appended any brief below or supporting brief.

(d) *Essential requisites of petition.*—The failure of a petitioner to present with accuracy, brevity, and clearness whatever is essential to a ready and adequate understanding of the points requiring consideration will be a sufficient reason for denying the petition.

(e) *Multiple petitioners.*—Where permitted by [Rule 512 (joint appeals)] Pa.R.A.P. 512, multiple petitioners may file a single petition for permission to appeal [may be filed].

[*Official Note:* Based on former Commonwealth Court Rule 114. Subdivision (a)(2) of this rule makes clear that the order of the tribunal below must contain a statement that the order involves a controlling question of law as to which there is a difference of opinion.

Interlocutory appeals as of right may be taken by filing a notice of appeal under Chapter 9 (appeals from lower courts), rather than by petition under this rule. See Rule 311 (interlocutory appeals as of right).]

Rule 1316. Incorrect Use of Petition for Permission to Appeal [or Petition for Review].

(a) *General Rule.*—The appellate court shall treat a request for discretionary review of an order [which] that is immediately appealable as a notice of appeal [under the following circumstances:] if the party has filed a timely petition for permission to appeal pursuant to Pa.R.A.P. 1311.

[(1) where a party has filed a timely petition for permission to appeal pursuant to Pa.R.A.P. 1311; or

(2) where a party has filed a timely petition for review from a trial court's refusal of a timely application pursuant to Pa.R.A.P. 1311 to amend the order to set forth expressly the statement specified in 42 Pa.C.S. § 702(b).]

(b) *Additional Requirements.*—The appellate court may require any additional actions necessary to perfect the appeal.

Official Note: This [Rule] rule requires the appellate court to treat a timely, but erroneous, petition for permission to appeal pursuant to Pa.R.A.P. 1311 from an order which is, in fact, immediately appealable as of right, as a timely notice of appeal. *See, for example, Commonwealth v. Shull*, 811 A.2d 1 (Pa.Super. 2002). This [Rule] rule supersedes *Thermo-Guard, Inc. v. Cochran*, 596 A.2d 188, 192 (Pa. Super. 1991), which stated, as *dictum*, that “[. . . in the future,] where a petition for permission to appeal seeking review of a final order, appealable as of right, or of an interlocutory order made appealable as of right . . . is filed, this court should simply deny the petition.” [Also, pursuant to subdivision (a)(2) of this Rule, where the trial court refuses an application to amend an order to set forth expressly the statement specified in 42 Pa.C.S. § 702(b), and that order was in fact appealable as of right, the appellate court shall treat a Chapter 15 petition for review of the trial court's refusal to amend as a notice of appeal.]

Use of the term “notice of appeal” in this [Rule] rule is not intended to preclude treatment of the petition for permission to appeal as a petition for review if the proper method of appeal as of right would be a petition for review addressed to the Commonwealth Court's appellate jurisdiction found at 42 Pa.C.S. § 763.

Rule 1323. Denial of Permission to Appeal.

If the petition for permission to appeal is denied, the prothonotary of the appellate court shall immediately give written notice in person or by first class mail of entry of the order denying permission to appeal to the government unit or clerk of the [lower] trial court and to each party who has appeared in the appellate court. A party wishing to seek review of the denial in the Supreme Court must file a timely petition for allowance of appeal.

CHAPTER 15. JUDICIAL REVIEW OF GOVERNMENTAL DETERMINATIONS

IN GENERAL

Rule 1501. Scope of Chapter.

(a) *General rule.*—Except as otherwise prescribed by [Subdivisions] paragraphs (b) and (c) of this rule, this chapter applies to judicial review of the following government unit actions or inactions:

(1) Appeals from an administrative agency (within the meaning of Section 9 of Article V of the Constitution of Pennsylvania) to an appellate court or pursuant to 42 Pa.C.S. § 763(b).

(2) Appeals to an appellate court pursuant to 2 Pa.C.S. § 702 [(appeals), 42 Pa.C.S. § 5105 (right to appellate review) or any other statute providing for

judicial review of a determination of a government unit] or 42 Pa.C.S. § 5105.

(3) Original jurisdiction actions heretofore cognizable in an appellate court by actions in the nature of equity, replevin, mandamus or quo warranto or for declaratory judgment, or upon writs of certiorari or prohibition.

(4) [**Matters designated by general rule, e.g., review of orders refusing to certify interlocutory orders for immediate appeal, release prior to sentence, appeals**] Appeals under Section 17(d) of Article II of the Constitution of Pennsylvania [**and review of special prosecutions or investigations**].

(5) Appeals pursuant to Supreme Court general rule, for example 42 Pa.C.S. § 725.

(b) *Appeals governed by other provisions of rules.*—This chapter does not apply to any appeal within the scope of:

(1) Chapter 9 [**(appeals from lower courts)**].

(2) Chapter 11 [**(appeals from Commonwealth Court and Superior Court)**].

(3) Chapter 13 [**(interlocutory appeals by permission)**], except that the provisions of this chapter and ancillary provisions of these rules applicable to practice and procedure on petition for review [**, so far as they may be applied,**] shall be applicable [**:(a) where required by the Note to Rule 341 and the Note to Rule 1311; and (b)**] after permission to appeal has been granted from a determination which, if final, would be subject to judicial review pursuant to this chapter.

(4) [**Rule 1941 (review of death sentences).**] Chapter 16.

(5) Pa.R.A.P. 1941.

(c) *Unsuspending statutory procedures.*—This chapter does not apply to any appeal pursuant to the following statutory provisions, which are not suspended by these rules:

(1) [**Section 137 of Title 15 of the Pennsylvania Consolidated Statutes (Court to pass upon rejection of documents by Department of State).**] 15 Pa.C.S. § 137.

(2) The Pennsylvania Election Code, Act of June 3, 1937, P.L. 1333, as amended, 25 P.S. §§ 2600—3591.

(d) *Jurisdiction of courts unaffected.*—This chapter does not enlarge or otherwise modify the jurisdiction and powers of the Commonwealth Court or any other court.

[**Official Note:** This chapter applies to review of any “determination” of a “government unit” as defined in Rule 102 assuming, of course, that the subject matter of the case is within the jurisdiction of a court subject to these rules (see Subdivision (d) of this rule). A “determination” means “action or inaction by a government unit which action or inaction is subject to judicial review by a court under Section 9 of Article V of the Constitution of Pennsylvania or otherwise. The term includes an order entered by a government unit.” The term “government unit” is all inclusive and means “the Governor and the departments, boards, commissions, officers, authorities and other agencies of the Commonwealth, including the General Assembly and its officers and agencies and any court or other officer or agency of the unified judicial system, and

any political subdivision or municipal or other local authority or any officer or agency of any such political subdivision or local authority. The term includes a board of arbitrators whose determination is subject to review under 42 Pa.C.S. § 763(b) (awards of arbitrators).” The term “administrative agency” is not defined in these rules, although the term is used in these rules as a result of its appearance in Section 9 of Article V of the Constitution of Pennsylvania.

Subdivision (a)(4) was added in 2004 to recognize the references in various appellate rules and accompanying notes to petition for review practice. For example, the Notes to Rules 341 and 1311 direct counsel to file a petition for review of a trial court or government agency order refusing to certify an interlocutory order for immediate appeal. Similarly, Rule 1762 directs the filing of a petition for review when a party seeks release on bail before judgment of sentence is rendered, see Rule 1762(b), and Rule 1770 directs the filing of a petition for review when a juvenile seeks review of placement in a juvenile delinquency matter. A petition for review is also the proper method by which to seek judicial review pursuant to Rule 3321 (regarding legislative reapportionment commission) and Rule 3331 (regarding special prosecutions or investigations). The 2004 and 2012 amendments clarify the use of petitions for review in these special situations.

Subdivision (b) of this rule is necessary because otherwise conventional appeals from a court (which is included in the scope of the term “government unit”) to an appellate court would fall within the scope of this chapter under the provisions of Paragraph (a)(2) of this rule.

Subdivision (c) expressly recognizes that some statutory procedures are not replaced by petition for review practice. Thus, matters brought pursuant to Section 137 of the Associations Code governing judicial review of documents rejected by the Department of State or pursuant to the Election Code are controlled by the applicable statutory provisions and not by the rules in Chapter 15. See 15 Pa.C.S. § 137; Act of June 3, 1937, P.L. 1333, as amended 25 P.S. §§ 2600—3591.

In light of Subdivision (d), where the court in which a petition for review is filed lacks subject matter jurisdiction (e.g., a petition for review of a local government question filed in the Commonwealth Court), Rules 741 (waiver of objections to jurisdiction), 751 (transfer of erroneously filed cases) and 1504 (improvident petitions for review) will be applicable. See also 42 Pa.C.S. § 5103.

The 2004 amendments are made to petition for review practice to address the evolution of judicial responses to governmental actions. As indicated in the Note to Rule 1502, when the Rules of Appellate Procedure were initially adopted, there was a “long history in the Commonwealth . . . of relatively complete exercise of the judicial review function under the traditional labels of equity, mandamus, certiorari and prohibition.” While such original jurisdiction forms of action are still available, their proper usage is now the exception rather than the rule because appellate proceedings have become the norm. Thus, the need to rely on Rule 1503 to convert an appellate proceeding to an original jurisdiction action and vice versa arises less often.

Moreover, the emphasis on a petition for review as a generic pleading that permits the court to simultaneously consider all aspects of the controversy is diminished. The primary concern became making the practice for appellate proceedings more apparent to the occasional appellate practitioner. Accordingly, the rules have been amended to more clearly separate procedures for appellate proceedings from those applicable to original jurisdiction proceedings.

The responsibility of identifying the correct type of proceeding to be used to challenge a governmental action is initially that of counsel. Where precedent makes the choice clear, counsel can proceed with confidence. Where the choice is more problematic, then counsel should draft the petition for review so as to satisfy the directives for both appellate and original jurisdiction proceedings. Then the court can designate the proper course of action regardless of counsel's earlier assessment.]

Official Note: This chapter applies to appeals of administrative agency action, original jurisdiction actions cognizable in an appellate court in the nature of actions in equity, replevin, mandamus or *quo warranto* or for declaratory judgment, or upon writs of *certiorari* or prohibition, and appeals of other actions as enumerated in paragraph (a). The document that initiates the case under Chapter 15 is called a petition for review. Judicial review of all other government unit actions or inactions not otherwise permitted under Chapters 9, 11, 13 or 15, is available under Chapter 16; the document that initiates the case under Chapter 16 is called a petition for specialized review. The "residuary" initiating document function previously assigned to Chapter 15 is now assigned to Chapter 16.

Rule 1502. Exclusive Procedure.

The appeal and the original jurisdiction actions of equity, replevin, mandamus and *quo warranto*, the action for a declaratory judgment, and the writs of *certiorari* and prohibition [are abolished insofar as they relate to matters within the scope of a petition for review under this chapter] are replaced by the petition for review. [The petition for review, insofar as applicable under this chapter, shall be the exclusive procedure for judicial review of a determination of a government unit.]

[*Official Note:* This chapter recognizes that the modern label "appeal" has little significance in connection with judicial review of governmental determinations in light of the long history in this Commonwealth of relatively complete exercise of the judicial review function under the traditional labels of equity, mandamus, *certiorari* and prohibition. If the simple form of notice of appeal utilized in Chapter 9 (appeals from lower courts) were extended to governmental determinations without any requirement for the filing of motions for post-trial relief, a litigant who incorrectly selected the appeal label, rather than the equity, mandamus, replevin, or prohibition, etc. label, would probably suffer dismissal, because the court would be reluctant to try a proceeding in the nature of equity, mandamus, replevin, or prohibition, etc. in the absence of a proper pleading adequately framing the issues.

The solution introduced by these rules is to substitute a new pleading (the petition for review) for all of the prior types of pleading which seek relief from a governmental determination (including governmental inaction). Where the reviewing court is required or permitted to hear the matter *de novo*, the judicial review proceeding will go forward in a manner similar to an equity or mandamus action. Where the reviewing court is required to decide the questions presented solely on the record made below, the judicial review proceeding will go forward in a manner similar to appellate review of an order of a lower court. However, experience teaches that governmental determinations are so varied in character, and generate so many novel situations, that on occasion it is only at the conclusion of the judicial review process, when a remedy is being fashioned, that one can determine whether the proceeding was in the nature of equity, mandamus, prohibition, or statutory appeal, etc. The petition for review will eliminate the wasteful and confusing practice of filing multiple "shotgun" pleadings in equity, mandamus, prohibition, statutory appeal, etc., and related motions for consolidation, and will permit the parties and the court to proceed directly to the merits unencumbered by procedural abstractions.

Rule 1551 (scope of review) makes clear that the change in manner of pleading does not change the scope or standard of review of governmental determinations or otherwise affect the substantive rights of the parties.]

It should be noted that a petition for review in the nature of mandamus or prohibition will lie against a [lower] trial court (which is a "government unit"), since such relief is not available under the rules cited in [Rule] Pa.R.A.P. 1501(b).

See 42 Pa.C.S. § 708(e) [(single form of action)], which provides as follows:

(e) *Single form of action.*—Where pursuant to general rules review of a determination of a government unit may be had by a petition for a review or another single form of action embracing the appeal and actions in the nature of equity, mandamus, prohibition, *quo warranto*, or otherwise, the jurisdiction of the appellate court shall not be limited by the provisions of 1 Pa.C.S. § 1504 [(relating to statutory remedy preferred over common law)], but such provisions to the extent applicable shall limit the relief available.

Rule 1503. Improvident Appeals or Original Jurisdiction Actions.

If [an appeal is taken from an order of a government unit, or if a complaint in the nature of equity, replevin, mandamus, or *quo warranto*, or a petition for a declaratory judgment or for a writ in the nature of *certiorari* or prohibition is filed against a government unit or one or more of the persons for the time being conducting its affairs objecting to a determination by any one or more of them] a filing should be labeled a petition for review, but is not, this alone shall not be a ground for dismissal. The [papers whereon the improvident matter was commenced] filing shall be regarded and acted upon as a petition for review [of such governmental determina-

tion] and as if filed at the time the improvident [matter was commenced] filing was made. The court may require that the [papers] filing be clarified by amendment or be supplemented.

Official Note: Based on 42 Pa.C.S. § 708 [(improvident administrative appeals and other matters)].

Rule 1504. Improvident Petitions for Review.

If a [petition for review is filed against any person, where] filing in a court is labeled as a petition for review but the proper mode of relief is an original jurisdiction action in equity, replevin, mandamus or quo warranto, or a petition for a declaratory judgment or for a writ of certiorari or prohibition, this alone shall not be a ground for dismissal[, but the papers whereon the improvident matter was commenced]. The filing shall be regarded and acted upon as a complaint or other proper process [commenced against such person] and as if filed at the time the improvident [matter was commenced] filing was made. The court may require that the [papers] filing be clarified by amendment.

Official Note: Based on 42 Pa.C.S. § 102 [(definitions) (which includes petition for review proceedings within the statutory definition of “appeal”)] and 42 Pa.C.S. § 708(b) [(appeals)]. When the moving party files a clarifying amendment, the amendment will operate to specify that one form of action which the party elects to proceed on.

PETITION FOR REVIEW

Rule 1511. Manner of Obtaining Judicial Review of Governmental Determinations.

Review under this chapter shall be obtained by filing a petition for review with the prothonotary of the appellate court within the time allowed by [Rule 1512 (time for petitioning for review)] Pa.R.A.P. 1512. Failure of a petitioner for review to take any step other than the timely filing of a petition for review does not affect the validity of the review proceeding, but is grounds only for such action as the appellate court deems appropriate, which may include dismissal of the review proceeding.

Rule 1512. Time for Petitioning for Review.

(a) *Appeals authorized by law.*—Except as otherwise prescribed by [subdivision] paragraph (b) of this rule:

(1) A petition for review of a quasijudicial order, or an order appealable under 42 Pa.C.S. § 763(b) [(awards of arbitrators)] or under any other provision of law, shall be filed with the prothonotary of the appellate court within 30 days after the entry of the order.

(2) If a timely petition for review of such an order is filed by a party, any other party may file a [petition] cross-petition for review within 14 days of the date on which the first petition for review was served, or within the time otherwise prescribed by [subdivision] subparagraph (a)(1) of this rule, whichever period last expires.

(b) *Special appellate provisions.*—A petition for review of:

(1) A determination of the Department of Community and Economic Development in any matter arising under [the Local Government Unit Debt Act,] 53 Pa.C.S. §§ 8001—[8271,] 8285 shall be filed within 15 days after entry of the order or the date the determination is deemed to have been made, when no order has been entered.

(2) A determination governed by [Rule 1571 (determinations of the Board of Finance and Revenue)] Pa.R.A.P. 1571 shall be filed within the appropriate period therein specified.

[(3) A determination governed by Rule 3331 (review of special prosecutions or investigations) shall be filed within ten days after the entry of the order sought to be reviewed.

(4) (3) A determination of a Commonwealth agency under [section 1711.1(g) of the Commonwealth Procurement Code,] 62 Pa.C.S. § 1711.1(g)[,] shall be filed within 15 days of the mailing date of a final determination denying a protest.

[(5) A determination governed by Rule 1770 (review of dispositional order for out of home placement in juvenile delinquency matters) shall be filed within ten days of the order sought to be reviewed.]

(c) *Original jurisdiction actions.*—A petition for review of a determination of a government unit **within the scope of Chapter 15** but not within the scope of [Subdivisions] paragraphs (a) or (b) of this rule may be filed with the prothonotary of the appellate court within the time, if any, limited by law.

Official Note: The note to [Rule 903 (time for appeal)] Pa.R.A.P. 903 addresses the development of the standard [30 day] 30-day appeal period. [Rule] Pa.R.A.P. 102 defines a “quasijudicial order” as “an order of a government unit, made after notice and opportunity for hearing, which is by law reviewable solely upon the record made before the government unit, and not upon a record made in whole or in part before the reviewing court.”

[Subdivision] Paragraph (c) relates to matters addressed to the original jurisdiction of an appellate court. For example, equitable matters are governed by existing principles of laches, etc. Other matters, such as petitions for review raising issues formerly cognizable by action in mandamus or *quo warranto*, etc., are governed by the time limits, if any, applicable under the prior procedure. See generally 42 Pa.C.S. §§ 1702 [(regarding the Supreme Court’s rulemaking procedures)], 1722(c) [(Time limitations)], 5501—5574 [(Limitations of time)].

Rule 1513. Petition for Review.

(a) *Caption and parties on appeal.*—In an appellate jurisdiction petition for review, the aggrieved party or person shall be named as the petitioner [and, unless

the government unit is disinterested, the government unit and no one else]. The government unit shall be named as the respondent. If the government unit is disinterested, all real parties in interest [, and not the government unit,] shall also be named as respondents.

(b) *Caption and parties in original jurisdiction actions.*—The government unit and any other indispensable party shall be named as respondents. Where a public act or duty is required to be performed by a government unit, it is sufficient to name the government unit, and not its individual members, as respondent.

(c) *Form.*—Any petition for review shall be divided into consecutively numbered paragraphs. Each paragraph shall contain, as nearly as possible, a single allegation of fact or other statement. [**When petitioner seeks review of an order refusing to certify an interlocutory order for immediate appeal, numbered paragraphs need not be used.**]

(d) *Content of appellate jurisdiction petition for review.*—An appellate jurisdiction petition for review shall contain:

[1.] (1) a statement of the basis for the jurisdiction of the court;

[2.] (2) the name of the party or person seeking review;

[3.] (3) the name of the government unit that made the order or other determination sought to be reviewed;

[4.] (4) reference to the order or other determination sought to be reviewed, including the date the order or other determination was entered;

[5.] (5) a general statement of the objections to the order or other determination, but the omission of an issue from the statement shall not be the basis for a finding of waiver if the court is able to address the issue based on the certified record;

[6.] (6) a short statement of the relief sought; and

[7.] (7) a copy of the order or other determination to be reviewed, which shall be attached to the petition for review as an exhibit.

No notice to plead or verification is necessary.

Where there were other parties to the proceedings conducted by the government unit, and such parties are not named in the caption of the petition for review, the petition for review shall also contain a notice to participate, which shall provide substantially as follows:

If you intend to participate in this proceeding in the (Supreme, Superior, or Commonwealth, as appropriate) Court, you must serve and file a notice of intervention under Pa.R.A.P. 1531 [**of the Pennsylvania Rules of Appellate Procedure**] within 30 days.

(e) *Content of original jurisdiction petition for review.*—A petition for review addressed to an appellate court's original jurisdiction shall contain:

[1.] (1) a statement of the basis for the jurisdiction of the court;

[2.] (2) the name of the person or party seeking relief;

[3.] (3) the name of the government unit whose action or inaction is in issue and any other indispensable party;

[4.] (4) a general statement of the material facts upon which the cause of action is based;

[5.] (5) a short statement of the relief sought; and

[6.] (6) a notice to plead and verification either by oath or affirmation or by verified statement.

(f) *Alternative objections.*—Objections to a determination of a government unit and the related relief sought may be stated in the alternative, and relief of several different types may be requested.

Official Note: [**The 2004 amendments to this rule clarify what must be included in a petition for review addressed to an appellate court's appellate jurisdiction and what must be included in a petition for review addressed to an appellate court's original jurisdiction. Where it is not readily apparent whether a "determination" (defined in Pa.R.A.P. 102 as "[a]ction or inaction by a government unit") is reviewable in the court's appellate or original jurisdiction, compliance with the requirements of paragraphs (d) and (e) is appropriate.**]

Paragraphs (a) and (b) reflect the provisions of Pa.R.A.P. 501, Pa.R.A.P. 503, [**Section 702 of the Administrative Agency Law,**] 2 Pa.C.S. § 702 [**(Appeals)**], and Pa.R.C.P. [**No.**] 1094 [**(regarding parties defendant in mandamus actions)**].

Government units that are usually disinterested in appellate jurisdiction petitions for review of their determinations include:

- the Board of Claims,
- the Department of Education (with regard to teacher tenure appeals from local school districts pursuant to [**section 1132 of the Public School Code of 1949,**] 24 P.S. § 11-1132),
- the Environmental Hearing Board,
- **the Office of Open Records,**
- the State Charter School Appeal Board,
- the State Civil Service Commission, and
- the Workers' Compensation Appeal Board.

The provision for joinder of indispensable parties in original jurisdiction actions reflects the last sentence of [**section 761(c) of the Judicial Code,**] 42 Pa.C.S. § 761(c), providing for the implementation of ancillary jurisdiction of the Commonwealth Court by general rule.

Paragraphs (d) and (e) reflect the differences in proceeding in a court's original and appellate jurisdiction, while preserving the need for sufficient specificity to permit the conversion of an appellate document to an original jurisdiction pleading and vice versa should such action be necessary to assure proper judicial disposition. [**See also the notes to Pa.R.A.P. 1501 and 1502.**] **Where it is not readily apparent whether a "determination" under Pa.R.A.P. 1501 is reviewable in the court's appellate or original jurisdiction, compliance with the requirements of both paragraphs (d) and (e) is appropriate.**

[Official Note—2014]

The 2014 amendments to Pa.R.A.P. 1513(d) relating to the general statement of objections in an appellate jurisdiction petition for review are intended to preclude a finding of waiver if the court is able, based on the certified record, to address an issue not within the issues stated in the petition for review but included in the statement of questions involved and argued in a brief. The amendment neither expands the scope of issues that may be addressed in an appellate jurisdiction petition for review beyond those permitted in Pa.R.A.P. 1551(a) nor affects Pa.R.A.P. 2116's requirement that "[n]o question will be considered unless it is stated in the statement of questions involved [in appellant's brief] or is fairly suggested thereby."

Rule 1514. Filing and Service of the Petition for Review.

(a) *Filing with the prothonotary.*—The petition for review, with proof of the service that is required by [**Subdivision**] paragraph (c) of this rule, shall be filed with the prothonotary of the appellate court in person or by first class, express, or priority United States Postal Service mail.

If the petition for review is filed by first class, express, or priority United States Postal Service mail, the petition shall be deemed received by the prothonotary for the purposes of [**Rule 121(a) (filing)**] Pa.R.A.P. 121(a) on the date deposited in the United States mail, as shown on a United States Postal Service Form 3817, Certificate of Mailing, or other similar United States Postal Service form from which the date of deposit can be verified. The certificate of mailing or other similar Postal Service form from which the date of deposit can be verified shall be cancelled by the Postal Service and shall show the docket number of the matter in the government unit, and shall be either enclosed with the petition or separately mailed to the prothonotary.

Upon actual receipt of the petition for review, the prothonotary shall immediately:

(1) stamp it with the date of actual receipt. That date, or the date of earlier deposit in the United States mail as prescribed in this [**subdivision**] paragraph, shall constitute the date of filing;

(2) assign a docket number to the petition for review; and

(3) give written notice of the docket number assignment in person or by first class mail to the government unit that made the determination sought to be reviewed, to the petitioner, and to the other persons named in the proof of service accompanying the petition.

(b) *Fee.*—The petitioner, upon filing the petition for review, shall pay any fees therefor as set by law or general rule.

(c) *Service.*—A copy of the petition for review shall be served by the petitioner in person or by certified mail on both the government unit that made the determination sought to be reviewed and the Attorney General of Pennsylvania. [**In matters involving the Commonwealth, the petitioner shall similarly serve a copy upon the Attorney General of Pennsylvania.**] Where there is more than one respondent, the petitioner shall separately serve each one. All other parties before the government unit that made the determination sought to

be reviewed shall be served as prescribed by [**Rule 121(b) (service of all papers required)**] Pa.R.A.P. 121.

(d) *Entry of appearance.*—Upon the filing of the petition for review, the prothonotary shall note on the docket as counsel for the petitioner the name of counsel, if any, set forth in or endorsed upon the petition for review, and, as counsel for other parties, counsel, if any, named in the proof of service. The prothonotary shall, upon praecipe of any such counsel for other parties, filed within 30 days after filing of the petition, strike off or correct the record of appearances. Thereafter a counsel's appearance for a party may not be withdrawn without leave of court, unless another lawyer has entered or simultaneously enters an appearance for the party.

Official Note: See the Official Note to [**Rule 1112 (appeals by allowance)**] Pa.R.A.P. 1112 for an explanation of the procedure when Form 3817 or other similar United States Postal Service form from which the date of deposit can be verified is used.

The petition for review must be served on the government unit that made the determination in question. [**Rule 102 defines "government unit" as including "any court or other officer or agency of the unified judicial system." Thus, a petition for review of a trial court order must be served on the judge who issued the order.**]

Service on the Attorney General shall be made at: Strawberry Square, Harrisburg, PA 17120.

With respect to appearances by new counsel following the initial docketing of appearances pursuant to [**Subdivision**] paragraph (d) of this rule, please note the requirements of [**Rule**] Pa.R.A.P. 120.

Rule 1515. (Rescinded).

Official Note: [**Rule**] Pa.R.A.P. 1515 formerly provided for an answer to a petition for review addressed to an appellate court's original jurisdiction. Answers to such petitions are now discussed in [**Rule**] Pa.R.A.P. 1516.

Rule 1516. Other Pleadings Allowed.

(a) *Appellate jurisdiction petitions for review.*—No answer or other pleading to an appellate jurisdiction petition for review is authorized, unless the petition for review is filed pursuant to [**the Notes to Rules 341 or 1311 (seeking review of a trial court or other government unit's refusal to certify an interlocutory order for immediate appeal), Rule 1573 (review of orders finding an assertion of double jeopardy frivolous), Rule 1762 (regarding release in criminal matters), Rule 1770 (regarding placement in juvenile delinquency matters), Rule 3321 (regarding appeals from decisions of the Legislative Reapportionment Commission) or Rule 3331 (regarding review of special prosecutions and investigations)**] Pa.R.A.P. 3321. Where an answer is authorized, the time for filing an answer shall be as stated in [**Rule**] Pa.R.A.P. 123(b).

(b) *Original jurisdiction petitions for review.*—Where an action is commenced by filing a petition for review addressed to the appellate court's original jurisdiction, the pleadings are limited to the petition for review, an answer thereto, a reply if the answer contains new matter or a counterclaim, a counter-reply if the reply to a counterclaim contains new matter, [**a preliminary objection**]

preliminary objections, and [an answer] answers thereto. Every pleading filed after an original jurisdiction petition for review shall be filed within 30 days after service of the preceding pleading, but no pleading need be filed unless the preceding pleading is endorsed with a notice to plead.

Official Note: [The 2004, 2012, and 2013 amendments made clear that, with limited exceptions, no answer or other pleading to a petition for review addressed to an appellate court's appellate jurisdiction is proper.] With regard to original jurisdiction proceedings, practice is patterned after [Rules of Civil Procedure 1017(a) (Pleadings Allowed) and 1026 (Time for Filing, Notice to Plead)] Pa.R.C.P. 1017(a) and 1026. The ten additional days in which to file a subsequent pleading are in recognition of the time required for agency coordination where the Commonwealth is a party. [See Rule 1762(b)(2) regarding bail applications. See Rule 1770 regarding placement in juvenile delinquency matters.]

Rule 1517. Applicable Rules of Pleading.

Unless otherwise prescribed by these rules, the practice and procedure under this chapter relating to pleadings in original jurisdiction petition for review practice shall be in accordance with the appropriate Pennsylvania Rules of Civil Procedure, so far as they may be applied.

[**Official Note:** See Rule 1762(b)(2) regarding bail applications. See Rule 1770 regarding placement in juvenile delinquency matters. See also Rule 3331 regarding Review of Special Prosecutions or Investigations.]

Rule 1531. Intervention.

(a) *Appellate jurisdiction petition for review proceedings.* A party to a proceeding before a government unit that resulted in a quasijudicial order may intervene as of right in a proceeding under this chapter relating to such order by filing a notice of intervention (with proof of service on all parties to the matter) with the prothonotary of the appellate court within 30 days after notice of the filing of the petition for review. The notice of intervention may be in substantially the following form:

[(CAPTION)]
NOTICE OF INTERVENTION

Notice is hereby given that A.B., a party below, hereby intervenes in this matter.

(s) _____

(Address and telephone number)

After 30 days after notice of filing of an appellate petition for review, permission to intervene may be sought by application pursuant to [Rule] Pa.R.A.P. 123.

(b) *Original jurisdiction petition for review proceedings.* A person not named as a respondent in an original jurisdiction petition for review[,] who desires to intervene in a proceeding under this chapter, may seek leave to intervene by filing an application for leave to intervene (with proof of service on all parties to the matter) with the prothonotary of the court. The application shall contain a concise statement of the interest of the applicant and the grounds upon which intervention is sought.

Official Note: A nonparty may file a brief as of right under [Rule 531 (participation by amicus curiae)]

Pa.R.A.P. 531 and, therefore, intervention is not necessary in order to participate in the appellate court where the petition for review is filed. However, except as provided in [Rule 521(b) (status of Attorney General) and Rule 522(b) (status of Court Administrator)] Pa.R.A.P. 521(b) and Rule 522(b), the mere filing of a brief does not confer party status. Where, for example, a nonparty to a petition for review proceeding in the Commonwealth Court desires to be in a position to seek further review in the Supreme Court of Pennsylvania or the Supreme Court of the United States of an order of the Commonwealth Court disposing of the petition for review, the nonparty should intervene or seek leave to intervene in the Commonwealth Court at the outset, [since under Rule 501 (any aggrieved party may appeal)] because under Pa.R.A.P. 501, party status is a prerequisite to the right to further review.

[See Rule 3331 regarding Review of Special Prosecutions or Investigations.]

Rule 1532. Special and Summary Relief.

(a) *Special relief.*—At any time after the filing of a petition for review, the court may, on application, order the seizure of property, dispose of seized property, issue a preliminary or special injunction, appoint a temporary receiver, or grant other interim or special relief required in the interest of justice and consistent with the usages and principles of law.

(b) *Summary relief.*—At any time after the filing of a petition for review in an appellate or original jurisdiction matter, the court may on application enter judgment if the right of the applicant thereto is clear.

Official Note: [Subdivision] Paragraph (a) provides examples of specific types of interim relief that may be sought using the procedures set forth in [Rule 123 (application for relief)] Pa.R.A.P. 123. Thus, multiple forms of relief, including those in the alternative, may be combined in the same application, even though separate actions might otherwise be necessary under the Pennsylvania Rules of Civil Procedure. Compare [Rule 106 (original jurisdiction matters);] Pa.R.A.P. 106 with 42 Pa.C.S. § 708(e) [(single form of action)].

[Subdivision] Paragraph (b) authorizes immediate disposition of a petition for review, similar to the type of relief envisioned by the Pennsylvania Rules of Civil Procedure regarding judgment on the pleadings and peremptory and summary judgment. However, such relief may be requested before the pleadings are closed where the right of the applicant is clear.

[See Rule 3331 regarding Review of Special Prosecutions or Investigations.]

The 1997 amendment to subdivision (b) is analogous to the 1996 amendment to Pa.R.C.P. 1098. The deletion of the last sentence of Rule 1532(b) is intended to eliminate the requirement of filing a motion to open or vacate the order granting summary relief. Under prior practice, a party was required to file a motion to open or vacate the order granting summary relief before an appeal could be taken. An order denying an application for summary relief is not appealable as of right.]

Rule 1541. Certification of the Record.

Upon notice from the appellate court of the filing of a petition for review addressed to the appellate jurisdiction

of an appellate court, the government unit shall prepare and transmit the record as provided by Chapter 19 [**preparation and transmission of record and related matters**] .

[**Official Note: Rule 102 defines “government unit” to include “any court or other officer or agency of the unified judicial system.” Thus, if the order to be reviewed was filed by a trial court, that court shall certify the record. This occurs when the petition for review was filed pursuant to Rule 1762, 1770, 3321 or 3331, or the note to Rules 341 or 1311.**

See Rule 3331 regarding Review of Special Prosecutions or Investigations.]

Rule 1542. Evidentiary Hearing.

In any matter addressed to the appellate court’s original jurisdiction[,] where it appears that a genuine issue as to a material fact has been raised by the pleadings, depositions, answers to interrogatories, stipulations of fact, admissions on file, and supporting verified statements, if any, the court on its own motion or on application of any party shall, after notice to the parties, hold an evidentiary hearing for the development of the record.

Official Note: In view of [**Rule 106 (original jurisdiction matters) and Rule 1532 (special and summary relief)**] Pa.R.A.P. 106 and Pa.R.A.P. 1532, motions for judgment on the pleadings, Pa.R.C.P. 1034, summary relief and summary judgment, Pa.R.C.P. [**1035**] **1035.1—1035.5**, will be available where a petition for review invoking the appellate court’s original jurisdiction has been filed. The procedure under this rule is intended to be flexible, although it **remains** subject to the control of the appellate court [**by**] either **by** rule of court adopted pursuant to [**Rule 104(a)(3) (rules of court)**] Pa.R.A.P. 104(a)(3) or by order.

[See Rule 3331 regarding Review of Special Prosecutions or Investigations.]

Rule 1543. (Rescinded).

[**Official Note:** See 42 Pa.C.S. § 5104 (trial by jury).

See Rule 3331 regarding Review of Special Prosecutions or Investigations.]

Rule 1551. Scope of Review.

(a) *Appellate jurisdiction petitions for review.*—Review of quasijudicial orders shall be conducted by the court on the record made before the government unit. [**No question**] **Only questions raised before the government unit** shall be heard or considered [**by the court which was not raised before the government unit**], except:

- (1) Questions involving the validity of a statute.
- (2) Questions involving the jurisdiction of the government unit over the subject matter of the adjudication.
- (3) Questions [**which**] **that** the court is satisfied [**that**] the petitioner could not by the exercise of due diligence have raised before the government unit. If, upon hearing before the court, the court is satisfied that any such additional question within the scope of this paragraph should be [**so**] raised, it shall remand the record to the government unit for further consideration of the additional question.

The court may in any case remand the record to the government unit for further proceedings if the court deems them necessary.

(b) *Original jurisdiction petitions for review.*—The court shall hear and decide original jurisdiction petitions for review in accordance with law. This chapter is not intended to modify, enlarge, or abridge the rights of any party to an original jurisdiction petition for review.

[**Official Note:** Subdivision (a) is a generalization of former Pa.R.C.P. 8 and makes no change in substance except to provide that procedural issues not raised below are waived—unless excused under Paragraph (a)(3). Compare Rule 302 (requisites for reviewable issue).

Subdivision (b) is based on Section 10(c) of Article V of the Constitution of Pennsylvania, which prevents this chapter from enlarging the substantive rights of the petitioner or abridging the substantive rights of the government unit named in the petition. Under the new practice, the appellate judge should inquire: “Assuming that this case had been properly brought before me by a complaint in equity (or in mandamus, replevin, quo warranto, etc., or by two or more of such actions properly consolidated for hearing and disposition) containing the factual allegations of the petition for review, to what relief, if any, would the moving party have been entitled under the prior practice?” This rule makes clear that the moving party is entitled to the same relief, and no more, under the new practice, since only the procedural requirement for separately labeled papers has been eliminated.

For example, where a party joins both a challenge to the action of a government unit in the nature of an appeal and a challenge to the composition of the government unit in the nature of quo warranto, the latter challenge will come too late under the standards of *State Dental Council and Examining Board v. Pollock*, 457 Pa. 264, 318 A.2d 910 (1974). Similarly, where a petition for review in the nature of prohibition is filed in the Supreme Court to attack an unappealable order of a lower court, in a case where relief would not have been available on an application for a writ of prohibition under the standards of *Carpentertown Coal and Coke Co. v. Laird*, 360 Pa. 94, 61 A.2d 426 (1948) and subsequent cases, the change in the label of the papers to a petition for review will not affect the result, and the petition will be dismissed.

See Rule 3331 regarding Review of Special Prosecutions or Investigations.]

Rule 1561. Disposition of Petition for Review.

(a) *Appellate jurisdiction petitions for review.*—The court may affirm, modify, vacate, set aside, or reverse any order brought before it for review, and it may remand the matter and direct the entry of such appropriate order, or require such further proceedings as may be just under the circumstances.

(b) *Original jurisdiction petitions for review.*—Where the petition for review raises questions that formerly were determinable in an action in equity, replevin, mandamus, or quo warranto, or for a declaratory judgment or upon a petition for a writ of certiorari or prohibition, or in another similar plenary action or proceeding, the court may grant the relief heretofore available in any such plenary action or proceeding.

(c) *Money damages.*—Money damages arising out of tort or contract claims may not be granted under this chapter (except on review of determinations of the Board of Claims or similar agencies), but relief granted under [**Subdivision**] **paragraph** (b) of this rule may include any damages to which the petitioner is entitled which are claimed in the petition, which are ancillary to the matter, and which may be granted by a court.

[**(d) Review of detention.**—Except as prescribed by Rule 1762(b)(2), which governs applications relating to bail when no appeal is pending, or by Rule 3331 (review of special prosecutions or investigations), review in the nature of criminal habeas corpus or post conviction relief may not be granted under this chapter.]

Official Note: [**Subdivision**] **Paragraph** (a) is based on 42 Pa.C.S. § 706 [**(disposition of appeals)**].

[**Subdivision**] **Paragraph** (b) is based on 42 Pa.C.S. § 708(e) [**(single form of action)** (), which provides that 1 Pa.C.S. § 1504 [**(statutory remedy preferred over common law)**] does not limit the jurisdiction of a court over a petition for review proceeding, but to the extent applicable [**shall limit**] **limits** the relief available and 42 Pa.C.S. § 5105(d)(2) [**(scope of appeal)**]. Under 42 Pa.C.S. § 102 [**(definitions)**], statutory references to “appeal” include proceedings on petition for review. The [**subdivision**] **paragraph** is intended to make clear that the petition for review is a generic pleading [**which**] **that** will permit the court to consider simultaneously all aspects of the controversy.

[**Subdivision**] **Paragraph** (c) is intended to make clear that the petition for review does not encompass trespass or assumpsit actions, but that an appeal may reach tort or contract matters adjudicated by a government unit as contemplated by Section 2(h) of the Judiciary Act Repealer Act [(), 42 P.S. § 20002(h)()]. As to ancillary statutory damages, see 42 Pa.C.S. § 8303 [**(action for performance of a duty required by law)**].

[**Subdivision** (d) is intended to make clear that the scope of this chapter is essentially civil in nature. The application of the petition for review to questions of release prior to sentence in criminal matters and in questions arising out of special prosecutions or investigations is merely a recognition of the technical need for a plenary filing to bring the question within the appellate jurisdiction of the appropriate court.

See Rule 1762(b)(2) regarding bail applications.]
REVIEW OF DETERMINATIONS OF THE BOARD OF FINANCE AND REVENUE

Rule 1571. Determinations of the Board of Finance and Revenue.

(a) *General rule.*—Review of a determination of the Board of Finance and Revenue shall be governed by this chapter and ancillary provisions of these rules, except as otherwise prescribed by this rule.

(b) *Time for petitioning for review.*—A petition for review of a determination of the Board of Finance and Revenue shall be filed:

(1) Within 30 days after entry of an order of the Board which does not expressly state that it is interlocutory in nature.

(2) Within 30 days after entry of an order of the Board adopting a determination by the Department of Revenue or other government unit made at the direction of the Board respecting any matter pending before the Board.

(3) Where the Board is required by statute to act finally on any matter pending before it within a specified period after the matter is filed with the Board and has not done so, at any time between:

(i) the expiration of such specified period; and

(ii) 30 days after service of actual notice by the Board stating that it has failed to act within such period.

(c) *Form.*—The petition for review shall contain:

(1) a statement of the basis for the jurisdiction of the court;

(2) the name of the party seeking review;

(3) a statement that the Board of Finance and Revenue made the determination sought to be reviewed;

(4) reference to the order or other determination sought to be reviewed; and a general statement of the objections to the order or other determination.

The petition for review need not be verified and shall not contain or have endorsed upon it notice to plead. A petition for review of a taxpayer or similar party shall name the “Commonwealth of Pennsylvania” as respondent and a petition for review filed by the Commonwealth of Pennsylvania shall name all real parties in interest before the Board as respondents.

(d) *Service.*—In the case of a petition for review filed by a taxpayer or similar party, **the petitioner shall serve** a copy of the petition [**shall be served**] on the Board of Finance and Revenue and on the Attorney General [**by the petitioner**] in accordance with [**Rule**] **Pa.R.A.P. 1514(c)**. All other parties before the Board shall be served as prescribed by [**Rule 121(b) (service of all papers required)**] **Pa.R.A.P. 121(b)**.

(e) *Answer.*—An answer may not be filed to a petition for review of a determination of the Board of Finance and Revenue. The Commonwealth may raise any question on review, [**although no cross petition**] **even if no cross-petition** for review has been filed by it, and may introduce any facts in support of its position [**if 20 days written notice is given to the petitioner prior to trial of the**] **so long as it provides the petitioner with written notice 20 days prior to trial of its intention of raising [such] new questions or presenting new facts.**

(f) *Record.*—No record shall be certified to the court by the Board of Finance and Revenue. After the filing of the petition for review, the parties shall take appropriate steps to prepare and file a stipulation of such facts as may be agreed to and to identify the issues of fact, if any, which remain to be tried. See [**Rule 1542 (evidentiary hearing)**] **Pa.R.A.P. 1542**.

(g) *Oral argument.*—Except as otherwise ordered by the court on its own motion or on application of any party, after the record is closed, the matter may be listed for argument before or submission to the court.

(h) *Scope of review.*—[**Rule 1551(a) (appellate jurisdiction petitions for review)**] **Pa.R.A.P. 1551(a)** shall be applicable to review of a determination of the Board of Finance and Revenue except that:

(1) A question will be heard and considered by the court if it was raised at any stage of the proceedings below and thereafter preserved.

(2) To the extent provided by the applicable law, the questions raised by the petition for review shall be determined on the record made before the court. See [**Subdivision**] **paragraph** (f) of this rule.

(i) *Exceptions.*—Any party may file exceptions to an initial determination by the court under this rule within 30 days after the entry of the order to which exception is taken. Such timely exceptions shall have the effect, for the purposes of [**Rule 1701(b)(3) (authority of lower court or agency after appeal)**] Pa.R.A.P. 1701(b)(3), of an order expressly granting reconsideration of the determination previously entered by the court. Issues not raised on exceptions are waived and cannot be raised on appeal.

Official Note: [**Subdivision**] **Paragraph** (b) represents an exercise of the power conferred by 42 Pa.C.S. § 5105(a) [**(right to appellate review)**] to define final orders by general rule. The following [**statutes expressly require**] **statute expressly requires** the Board of Finance and Revenue to act within six months in certain cases:

75 Pa.C.S. § 9616(f) (motor carriers road tax).

The basis of jurisdiction of the court under this rule will ordinarily be 42 Pa.C.S. § 763 [**(direct appeals from government agencies)**] . [**Subdivision**] **Paragraph** (c) is not intended to change the practice in connection with the review of orders of the Board of Finance and Revenue insofar as the amount of detail in the pleadings is concerned. What is required is that the petitioner raise **in the petition for review** every legal issue [**in the petition for review which**] that the petitioner wishes the court to consider. The legal issues raised need only be specific enough to apprise the respondent of the legal issues being contested [**e.g.**] **for example**, “valuation,” “manufacturing,” “sale for resale,” etc.). See generally *House of Pasta, Inc. v. Commonwealth*, [**37 Pa. Cmwlth. Ct. 317,] 390 A.2d 341 (Pa. Cmwlth. 1978).**

[**Subdivision**] **Paragraph** (e) is based on Section 1104(e) of The Fiscal Code, which was suspended absolutely by these rules, and subsequently repealed.

[**Subdivision**] **Paragraph** (f) is based on 2 Pa.C.S. § 501(b)(1) [**(scope of subchapter)**] and 2 Pa.C.S. § 701(b)(1) [**(scope of subchapter)**], which exclude tax matters from the on-the-record review requirements of 2 Pa.C.S. § 704 [**(disposition of appeal)**] .

[**Subdivision**] **Paragraph** (h) is based on Section 1104(d) of The Fiscal Code, which was suspended absolutely by these rules and subsequently repealed, and is intended as a continuation of the prior law, except, of course, that the separate specification of objections has been abolished by these rules.

[**Subdivision**] **Paragraph** (i) is intended to make clear that the failure to file exceptions will result in waiver by a petitioner of any issues previously presented to the Commonwealth Court.

[REVIEW OF DETERMINATIONS BY A COURT OF
COMMON PLEAS THAT A CLAIM OF DOUBLE
JEOPARDY IS FRIVOLOUS]

Rule 1573. [Review of Orders in Which the Court Finds an Assertion of Double Jeopardy Frivolous] (Rescinded).

[(a) *General rule.*—Any party seeking review of a frivolousness determination by a court of common pleas under Pennsylvania Rule of Criminal Procedure 587 shall file a petition for review in the appellate court having jurisdiction over the matter. Review of a frivolousness determination under Pennsylvania Rule of Criminal Procedure 587 shall be governed by this chapter and ancillary provisions of these rules, except as otherwise prescribed by this rule. The time for filing is provided for in Pa.R.A.P. 1512(a)(1).

(b) *Contents.*—The contents of the petition for review are not governed by Pa.R.A.P. 1513. Instead, the petition for review need not be set forth in numbered paragraphs in the manner of a pleading, and shall contain the following (which shall, insofar as practicable, be set forth in the order stated):

(i) A statement of the basis for the jurisdiction of the appellate court.

(ii) The text of the order in question, and the date of its entry in the trial court. If the order is voluminous, it may, if more convenient, be appended to the petition.

(iii) A concise statement of the case containing the facts necessary to an understanding of the frivolousness issue(s) presented.

(iv) The question(s) presented, expressed in the terms and circumstances of the case but without unnecessary detail.

(v) A concise statement of the reasons why the trial court erred in its determination of frivolousness.

(vi) There shall be appended to the petition a copy of any opinions relating to the order sought to be reviewed, including findings of fact and conclusions of law in support of the frivolousness determination, as well as a copy of any transcripts or other record documents necessary to the appellate court's review.

(vii) There shall be appended to the petition the verbatim texts of the pertinent provisions of constitutional provisions, statutes, ordinances, regulations or other similar enactments which the case involves.

(viii) There shall be appended to the petition any briefs filed in the trial court in support of the motion to dismiss.

(c) *Caption and parties.*—The parties in the trial court shall be named as parties in the appellate court. If there are multiple defendants but the order for which review is sought adjudicates the motion of only a single defendant, only that defendant may file a petition for review.

(d) *No supporting brief.*—All contentions in support of a petition shall be set forth in the body of the petition as prescribed by subparagraph (b)(v) of this rule. No separate brief in support of the peti-

tion for review will be received, and the prothonotary of the appellate court will refuse to file any petition for review to which is annexed or appended any brief other than the briefs filed in the trial court.

(e) *Essential requisites of petition.*—The failure of a petitioner to present with accuracy, brevity, and clearness whatever is essential to a ready and adequate understanding of the points requiring consideration will be a sufficient reason for denying the petition.

(f) *Effect of filing petition.*—The filing of a petition for review shall not automatically stay the proceedings before the trial court. A petitioner may file an application for a stay in the trial or appellate court pending the determination of the petition for review, or the trial or appellate court may issue a stay *sua sponte*.

(g) *Answer to petition for review.*—If the Commonwealth does not intend to file an answer under this rule, it shall, within the time fixed by these rules for filing an answer, file a letter stating that it does not intend to file an answer to the petition for review. The failure to file an answer will not be construed as concurrence in the petition for review. The appellate court may, however, direct the Commonwealth to file an answer.

(h) Pa.R.A.P. 1531—1571 do not apply to petitions for review filed under this rule. Pa.R.A.P. 1514 does apply, except that no copy of the petition needs to be served upon the Attorney General.

(i) *Grant of petition for review and transmission of record.*—If the petition for review is granted, the prothonotary of the appellate court shall immediately give written notice of the entry of the order to the clerk of the trial court and to each party who has appeared in the appellate court. The grant of the petition for review shall operate as a stay of all trial court proceedings. The clerk of the trial court shall docket the notice in the same manner as a notice of appeal and shall mail that notice to all parties to the trial court proceeding. The certified record shall be transmitted and filed in accordance with Chapter 19 (preparation and transmission of the record and related matters). The times fixed by those provisions for transmitting the record shall run from the date of the entry of the order granting the petition for review. No party needs to file a separate notice of appeal.

(j) *Denial of petition for review.*—If the petition for review is denied, the prothonotary of the appellate court shall immediately give written notice of the order to the clerk of the trial court and to each party who has appeared in the appellate court.

Official Note: The trial court's determination and the procedure for determining a motion to dismiss on double jeopardy grounds is set forth in Pa.R.Crim.P. 587. If a trial court denies such a motion without expressly finding that the motion is frivolous, the order is immediately appealable by means of a notice of appeal under Pa.R.A.P. 313. If, however, the trial court finds the motion to be frivolous, appellate review can be secured only if the appellate court grants a petition for review. See *Commonwealth v. Orie*, 22 A.3d 1021 (Pa. 2011); *Commonwealth v. Brady*, 510 Pa. 336, 508 A.2d 286 (1986). If the Superior Court does not grant the

petition for review, the defendant may file a petition for allowance of appeal with the Supreme Court.

Where the petition for review of the determination of frivolousness is granted, the grant automatically initiates a separate appeal on the merits from the order denying the pretrial motion seeking dismissal of criminal charges on double jeopardy grounds.

A party may seek (or a court may *sua sponte* issue) a stay of the trial court proceedings pending review of the frivolousness determination. Otherwise, the trial court may proceed while the petition for review is pending. See Pa.R.A.P. 1701(d). Where the petition for review of the determination of frivolousness is granted, the grant automatically stays further proceedings in the trial courts.]

Official Note: Pa.R.A.P. 1573 formerly provided for review of orders in which the court finds an assertion of double jeopardy frivolous. The substance of the rule is now found in Pa.R.A.P. 1311.

IN GENERAL

Rule 1601. Scope of Chapter.

This chapter provides a petition procedure for appellate review of certain discrete issues. Generally these matters are ancillary and/or preliminary to appellate review under Chapters 9, 11, 13, or 15, but the chapter also is intended to provide the method for initiating any form of appellate review that does not fall within those chapters.

The procedure applicable under this chapter is provided in Pa.R.A.P. 1602—1605, unless otherwise prescribed by statute or rule relating to a particular category of petition for specialized review.

Official Note: Judicial review of government unit actions or inactions not otherwise permitted under Chapters 9, 11, 13 or 15, including those enumerated in Pa.R.A.P. 1601, is available under Chapter 16; the document that initiates the case under Chapter 16 is called a petition for specialized review. The “residuary” initiating document function previously assigned to Chapter 15 is now assigned to Chapter 16.

Rule 1602. Filing.

(a) *Time for filing.*—A petition for specialized review shall be filed with the prothonotary of the appellate court within 30 days after the entry of the order sought to be reviewed. The petition shall be deemed filed on the date mailed if the petitioner complies with the requirements set forth in paragraph (b).

(b) *Deemed received on date of mailing.*—If the petition for specialized review is transmitted to the prothonotary of the appellate court by means of first class, express, or priority United States Postal Service mail, the petition shall be deemed received by the prothonotary for the purposes of Pa.R.A.P. 121(a) on the date deposited in the United States mail, as shown on a United States Postal Service Form 3817 Certificate of Mailing, or other similar United States Postal Service form from which the date of deposit can be verified.

The certificate of mailing or other similar Postal Service form from which the date of deposit can be verified shall be cancelled by the Postal Service, shall show the docket number of the matter in the lower court or other government unit and shall be either enclosed with the petition or separately mailed to the prothonotary. Upon actual receipt of the petition for specialized review the prothonotary of the appellate court shall immediately stamp it with the date of actual receipt. That date, or the date of earlier deposit in the United States mail as prescribed in this paragraph, shall constitute the date of filing, which date shall be shown on the docket.

The prothonotary of the appellate court shall immediately note the appellate docket number assignment upon the petition and give written notice of the docket number assignment in person or by first class mail to the government unit or clerk of the lower court, to the petitioner and to the other persons named in the proof of service accompanying the petition.

(c) *Fee.*—The petitioner, upon filing the petition for specialized review, shall pay any fee therefor prescribed by Chapter 27.

(d) *Entry of appearance.*—Upon the filing of the petition for specialized review, the prothonotary of the appellate court shall note on the record as counsel for the petitioner the name of counsel, if any, set forth in or endorsed upon the petition for specialized review, and, as counsel for other parties, counsel, if any, named in the proof of service. The prothonotary shall upon praecipe of any such counsel for other parties, filed at any time within 30 days after filing of the petition, strike off or correct the record of appearance. Thereafter a counsel's appearance for a party may not be withdrawn without leave of court, unless another lawyer has entered or simultaneously enters an appearance for the party.

Rule 1603. Form and Content.

(a) *Caption and parties.*—All parties to the proceeding in the trial court or other government unit other than the petitioner shall be named as respondents.

(b) *Title.*—If the petition for specialized review is filed pursuant to Pa.R.A.P. 1610—1613, the title of the petition shall include a reference to the specific rule invoked.

(c) *Content.*—The petition for specialized review need not be set forth in numbered paragraphs in the manner of a pleading, and shall contain the following (which shall, insofar as practicable, be set forth in the order stated):

(1) a statement of the basis for the jurisdiction of the appellate court.

(2) the name of the party or person seeking review.

(3) the text of the order in question, and the date of its entry. If the order is voluminous, it may, if more convenient, be appended to the petition. If the petition seeks review of a deemed denial, it should so state.

(4) a concise statement of the case containing the facts necessary to an understanding of the issue(s) presented.

(5) the question(s) presented, expressed in the terms and circumstances of the case but without unnecessary detail.

(6) a concise statement of the reasons why the lower court or other government unit erred.

(7) a copy of any opinions relating to the order sought to be reviewed, including findings of fact and conclusions of law, as well as a copy of any other record documents necessary to the appellate court's review.

(d) *Supporting brief.*—No supporting brief is permitted or required; the petition for specialized review shall present all contentions and arguments relied on with accuracy, brevity, and clarity.

(e) *Length.*—A petition for specialized review shall not exceed 9,000 words. A petition for specialized review that does not exceed 20 pages when produced by a word processor or typewriter shall be deemed to meet the 9,000 word limit. In all other cases, the attorney or the unrepresented filing party shall include a certification that the petition complies with the word count limit. The certificate may be based on the word count of the word processing system used to prepare the brief.

Rule 1604. Service.

A copy of the petition for specialized review shall be served by the petitioner on the trial court or other government unit that made the determination sought to be reviewed. In matters involving the Commonwealth, the petitioner shall similarly serve a copy upon the Attorney General of Pennsylvania. All parties before the trial court or other government unit shall be served in accordance with Pa.R.A.P. 121(b).

Rule 1605. Response to Petition.

(a) *Time for filing.*—A party may file and serve a response to a petition for specialized review within 30 days of service of the petition. The response shall be deemed filed on the date of mailing if first class, express, or priority United States Postal Service mail is utilized.

(b) *Content.*—The response, which need not be set forth in numbered paragraphs in the manner of a pleading, shall set forth any procedural, substantive, or other argument or ground why the relief requested should be denied and shall comply with the length limitation and the other provisions of Pa.R.A.P. 1603 to the extent applicable. No separate motion to dismiss a petition for specialized review will be received. A party entitled to file a response under this rule who does not intend to do so shall, within the time fixed by these rules for filing a response, file a letter stating that a response to the petition for specialized review will not be filed. The failure to file a response will not be construed as concurrence in the petition for specialized review.

Rule 1606. Further Review.

A party wishing to seek review in the Supreme Court of a final order of an intermediate appellate court on a petition for specialized review must file a timely petition for allowance of appeal.

SPECIFIC PETITIONS FOR SPECIALIZED REVIEW

Rule 1610. Review of Bail Orders.

Where the trial court enters an order under Pa.R.A.P. 1762(b) granting or denying release or modifying the conditions of release before sentence, a party may seek review of that order by filing a petition for specialized

review in the appellate court that would have jurisdiction over the appeal from the judgment of sentence.

Official Note: See Pa.R.A.P. 1762(a) and Pa.R.A.P. 1762(e).

Rule 1611. Review of Special Prosecution Orders.

(a) *General rule.*—Within ten days after the entry of the order sought to be reviewed, a petition for specialized review may be filed in the Supreme Court of Pennsylvania seeking review of the following orders:

(1) An order relating to the supersession of a district attorney by an Attorney General or by a court, or to the appointment, supervision, administration or operation of a special prosecutor.

(2) An order relating to the convening or discharge of an investigating grand jury or otherwise affecting its existence.

(3) An order entered in connection with the supervision, administration, or operation of an investigating grand jury or otherwise directly affecting an investigating grand jury or any investigation conducted by it.

(4) An order enforcing or refusing to enforce a subpoena issued by or otherwise affecting the existence or operation of any investigating committee of the General Assembly.

(5) An order of the type specified in subparagraphs (1) through (4) of this paragraph which contains a statement by the lower court pursuant to 42 Pa.C.S. § 702(b). Chapter 13 shall not be applicable to such an order.

Seven copies of any filings under this rule shall be filed with the original. Pa.R.A.P. 3309 shall not be applicable to an order reviewable under this rule.

(b) *Opinion and record.*—The Supreme Court on its own initiative may direct that the lower court comply with Pa.R.A.P. 1925 or that the record be otherwise corrected or supplemented.

(c) *Distribution and disposition.*—Upon receipt of the last filing that a party is entitled to make under this rule, the filings shall be distributed by the Prothonotary to the Supreme Court for its consideration. The Supreme Court may thereafter dispose of the petition or set it down for argument.

(d) *Interlocutory matters.*—The interlocutory or final nature of an order shall not be affected by this rule and, unless independent grounds appear for the review of an interlocutory order, the interlocutory nature of the order will be a sufficient reason for denying the petition. The denial of a petition shall be deemed a disposition on the merits unless otherwise ordered or unless the petition expressly seeks permission to appeal from an interlocutory order and asserts no other basis of jurisdiction on appeal.

(e) *Remand of record.*—Unless otherwise ordered:

(1) A certified copy of the judgment of the Supreme Court and the opinion of the court, if one has been filed, shall be transmitted to the lower court forthwith upon entry, notwithstanding the pendency of any application for reargument or other proceeding affecting the judgment. This transmission shall be in lieu of the remand of the record.

(2) Such transmission shall operate to vacate any order theretofore entered pursuant to Chapter 17.

Official Note: This rule is intended to provide a simple and expeditious method for Supreme Court super-

vision of special prosecutions and investigations, for example orders of the supervising judge of an investigating grand jury, findings of contempt (whether civil or criminal) by witnesses called before such a grand jury, etc. Pa.R.A.P. 702(c) and 42 Pa.C.S. § 722(5) vest jurisdiction over such matters in the Supreme Court. However, this rule is not applicable to review of investigating grand jury issues that collaterally arise in a plenary criminal prosecution initiated by complaint, information, or indictment. This rule requires that review be sought within ten days. Essentially the procedure is analogous to the review of a bail order under Pa.R.A.P. 1762. There is no delay for certification of the record, oral argument is ordinarily not available, and the matter is ready for final disposition by the Supreme Court immediately upon completion of the briefing schedule.

The term “investigating grand jury” in paragraph (a) includes a “multicounty investigating grand jury” convened under 42 Pa.C.S. § 4544. The “independent grounds” referred to in paragraph (d) include grounds for relief in the nature of mandamus, prohibition, etc. and cases where the order is reviewable under the standards of 42 Pa.C.S. § 702(b).

Failure to petition for specialized review under this rule from an interlocutory order will ordinarily not constitute a waiver of objections to the order because, except as prescribed by Pa.R.A.P. 311(g)(1)(ii), there is no requirement under these rules that a party seek available interlocutory relief.

Under Pa.R.A.P. 1702(a), the Supreme Court or a justice thereof will not entertain an application for relief under Pa.R.A.P. 1781 in connection with a special prosecution or investigation order until a petition for specialized review has been filed under this rule.

Rule 1612. Review of Out-of-Home Placement in Juvenile Delinquency.

(a) *General rule.*—If a court under the Juvenile Act, 42 Pa.C.S. § 6301 *et seq.*, enters an order after an adjudication of delinquency of a juvenile pursuant to Pa.R.J.C.P. 409(A)(2) and 515, which places the juvenile in an out-of-home overnight placement in any agency or institution that shall provide care, treatment, supervision, or rehabilitation of the juvenile, the juvenile may file a petition for specialized review. The petition shall be filed within ten days of the order.

(b) *Content.*—A petition for specialized review under paragraph (a) shall contain: (i) a specific description of any determinations made by the juvenile court; (ii) the matters complained of; (iii) a concise statement of the reasons why the juvenile court abused its discretion in ordering the out-of-home placement; (iv) the proposed terms and conditions of an alternative disposition for the juvenile; and (v) a request that the official court reporter for the juvenile court transcribe the notes of testimony as required by paragraph (g) of this rule. The cover page of the petition shall contain an endorsement in bold letters identifying the petition for specialized review as seeking expedited review of out-of-home placement in a juvenile delinquency matter. Any order(s) and opinion(s) relating to the out-of-home placement and the transcript of the juvenile court’s findings shall be attached as appendices. The petition shall be supported by a certificate of counsel to the effect that it is presented in good faith and not for delay.

(c) *Scope of review.*

(1) The reviewing court shall not consider any challenge to the juvenile court’s selection of a specific agency

or specific institution as the site of the out-of-home placement and instead may consider only a challenge to the fact that the placement is out-of-home.

(2) The reviewing court shall not consider any challenge to the underlying adjudication of delinquency.

(d) *Response.*—Any response shall be filed within ten days of service of the petition, and no other pleading is authorized.

(e) *Service.*—A copy of the petition for specialized review and any answer thereto shall be served on the judge of the juvenile court and the official court reporter for the juvenile court. All parties in the juvenile court shall be served in accordance with Pa.R.A.P. 121.

(f) *Opinion of juvenile court.*—Upon receipt of a copy of a petition for specialized review under paragraph (a), if the judge who made the disposition of the out-of-home placement did not state the reasons for such placement on the record at the time of disposition pursuant to Pa.R.J.C.P. 512(D), the judge shall file of record a brief statement of the reasons for the determination or where in the record such reasons may be found, within five days of service of the petition for specialized review.

(g) *Transcription of Notes of Testimony.*—Upon receipt of a copy of a petition for specialized review under paragraph (a), the court reporter shall transcribe the notes of testimony and deliver the transcript to the juvenile court within five business days. If the transcript is not prepared and delivered in a timely fashion, the juvenile court shall order the court reporter to transcribe the notes and deliver the notes to the juvenile court, and may impose sanctions for violation of such an order. If the juvenile is proceeding *in forma pauperis*, the juvenile shall not be charged for the cost of the transcript.

(h) *Non-waiver of objection to placement.*—A failure to seek review under this rule of the out-of-home placement shall not constitute a waiver of the juvenile’s right to seek review of the placement in a notice of appeal filed by the juvenile from a disposition after an adjudication of delinquency.

Official Note: This rule provides a mechanism for the expedited review of an order of out-of-home placement entered pursuant to Pa.R.J.C.P. 515. Pa.R.J.C.P. 512(D) requires the judge who made the disposition of an out-of-home placement to place the reasons for the out-of-home placement on the record at the time of the disposition, and paragraph (f) of this rule is applicable only in the exceptional circumstance where the judge who made the disposition of an out-of-home placement fails to comply with Pa.R.J.C.P. 512(D). The Juvenile Act, 42 Pa.C.S. § 6352, sets forth the considerations for a dispositional order following an adjudication of delinquency and the alternatives for disposition. The standard for review of a dispositional order is an abuse of discretion. *See In the Interest of A.D.*, 771 A.2d 45 (Pa. Super. 2001) (*en banc*).

Rule 1613. Petition for Specialized Review under the Abortion Control Act.

See Chapter 38. The procedures set forth in Pa.R.A.P. 1602—05 do not apply.

**CHAPTER 17. EFFECT OF APPEALS;
SUPERSEDEAS AND STAYS
IN GENERAL**

Rule 1701. Effect of Appeal Generally.

(a) *General rule.*—Except as otherwise prescribed by these rules, after an appeal is taken or review of a

quasijudicial order is sought, the trial court or other government unit may no longer proceed further in the matter.

(b) *Authority of a trial court or [agency] other government unit after appeal.*—After an appeal is taken or review of a quasijudicial order is sought, the trial court or other government unit may:

(1) Take such action as may be necessary to preserve the status quo, correct formal errors in papers relating to the matter, cause the record to be transcribed, approved, filed, and transmitted, grant leave to appeal *in forma pauperis*, grant *supersedeas*, and take other action permitted or required by these rules or otherwise ancillary to the appeal or petition for review proceeding.

(2) Enforce any order entered in the matter, unless the effect of the order has been superseded as prescribed in this chapter.

(3) Grant reconsideration of the order which is the subject of the appeal or petition, if:

(i) an application for reconsideration of the order is filed in the trial court or other government unit within the time provided or prescribed by law; and

(ii) an order expressly granting reconsideration of such prior order is filed in the trial court or other government unit within the time prescribed by these rules for the filing of a notice of appeal or petition for review of a quasijudicial order with respect to such order, or within any shorter time provided or prescribed by law for the granting of reconsideration.

A timely order granting reconsideration under this paragraph shall render inoperative any such notice of appeal or petition for review of a quasijudicial order theretofore or thereafter filed or docketed with respect to the prior order. The petitioning party shall and any party may file a *praecipe* with the prothonotary of any court in which such an inoperative notice or petition is filed or docketed and the prothonotary shall note on the docket that such notice or petition has been stricken under this rule. Where a timely order of reconsideration is entered under this paragraph, the time for filing a notice of appeal or petition for review begins to run anew after the entry of the decision on reconsideration, whether or not that decision amounts to a reaffirmation of the prior determination of the trial court or other government unit. No additional fees shall be required for the filing of the new notice of appeal or petition for review.

(4) Authorize the taking of depositions or the preservation of testimony where required in the interest of justice.

(5) Take any action directed or authorized on application by the appellate court.

(6) Proceed further in any matter in which a non-appellable interlocutory order has been entered, notwithstanding the filing of a notice of appeal or a petition for review of the order.

(c) *Limited to matters in dispute.*—Where only a particular item, claim, or assessment adjudged in the matter is involved in an appeal, or in a petition for review proceeding relating to a quasijudicial order, the appeal or petition for review proceeding shall operate to prevent the trial court or other government unit from proceeding further with only such item, claim, or assessment, unless otherwise ordered by the trial court or other government unit or by the appellate court or a judge thereof as necessary to preserve the rights of the appellant.

(d) [*Certain*] *Original jurisdiction petitions for review.*—The filing of [a] an original jurisdiction petition for review [(except a petition relating to a quasijudicial order)] shall not affect the power or authority of the government unit to proceed further in the matter, but the government unit shall be subject to any orders entered by the appellate court or a judge thereof pursuant to this chapter.

(e) *Petitions for specialized review*—The filing of a petition for specialized review under Chapter 16 shall not affect the power or authority of the trial court or other government unit to proceed further in the matter, but the provisions of this chapter relating to *supersedeas* of the order of the trial court or other government unit shall apply.

Official Note: The following statutory provisions relate to *supersedeas* generally:

42 Pa.C.S. § 702(c) (*supersedeas*) provides that, except as otherwise prescribed by general rule, a petition for permission to appeal under that section shall not stay the proceedings before the [lower] trial court or other government unit, unless the [lower] trial court or other government unit or the appellate court or a judge thereof shall so order. See also [Rule 1313 (effect of filing petition)] Pa.R.A.P. 1313.

42 Pa.C.S. § 5105(e) (*supersedeas*) provides that an appeal shall operate as a *supersedeas* to the extent and upon the conditions provided or prescribed by law, and that unless a *supersedeas* is entered, no appeal from an order concerning the validity of a will or other instrument or the right to the possession of or to administer any real or personal property shall suspend the powers or prejudice the acts of the appointive judicial officer, personal representative, or other person acting thereunder.

[Subdivision] Paragraph (a) codifies a well-established principle. See [e.g.], for example, *Merrick Estate*, [432 Pa. 450, 454,] 247 A.2d 786, 787 (Pa. 1968); *Corace v. Balint*, [418 Pa. 262, 275-76,] 210 A.2d 882, 889 (Pa. 1965). [Rule] Pa.R.A.P. 5102 saves the provisions of Section 426 of the Pennsylvania Workmen's Compensation Act [() (77 P.S. § 871[)]), which permit a rehearing by the agency under certain circumstances during the pendency of an appeal. [Rule 311(h) (further proceedings in lower court)] Pa.R.A.P. 311(h) provides that [Subdivision] paragraph (a) is not applicable where an appeal as of right is taken from interlocutory orders relating to attachments, **custodianships, receiverships, and injunctions, [etc., thus making clear that the procedure for seeking appellate review of these collateral matters does not impair the power of the lower court to continue with the case proper]** and that when such matters are appealed, the trial court may nonetheless proceed with the underlying case.

[Subdivision] Subparagraph (b)(1) sets forth an obvious power of the [lower] trial court or [agency] other government unit under these rules to take actions to preserve the *status quo* and to clarify or correct an order or verdict. The power to clarify or correct does not extend to substantive modifications. *Pa. Indus. Energy Coalition v. [Pennsylvania] Pa. PUC*, 653 A.2d 1336, 1344-45 (Pa. Cmwlth. 1995), *aff'd*, [543

Pa. 307,] 670 A.2d 1152 (**Pa. 1996**). Examples of permissible actions to preserve the status quo are those “auxiliary to the appellate process, such as a supersedeas or injunction.” *Id.* Examples of permissible corrections are “non-substantial technical amendments to an order, changes in the form of a decree, and modification of a verdict to add prejudgment interest.” *Id.* at 1344. “Such actions have no effect on the appeal or petition for review and cannot prompt a new appealable issue.” *Id.* at 1345.

Among the permissible “corrections” is the addition or modification of contractual or statutory prejudgment interest, which is an element of contract damages. In such cases, the award of such interest is mandatory and not discretionary. *TruServ Corp. v. Morgan’s Tool & Supply Co. Inc.*, [___ Pa. ___,] 39 A.3d 253, 264 (**Pa. 2012**). Accordingly, even though the amount of a verdict is changed by the addition of prejudgment interest, the verdict has been “corrected” and not “modified.”

The Supreme Court has held that, so long as a motion for attorneys’ fees has been timely filed, a trial court may act on that motion under [**subdivision**] **subparagraph** (b)(1) even after an appeal has been taken. *Samuel-Bassett v. Kia Motors Am., Inc.*, [**613 Pa. 371,**] 34 A.3d 1, 48 (**Pa. 2011**). Thus, unlike the court actions discussed in [**Pa. Indus.**] **Pennsylvania Industrial Energy Coalition**, an award of attorneys’ fees constitutes a separately appealable order that would be reviewable upon filing of a timely separate notice of appeal, measured from the date the fee award order was entered.

Generally an appeal does not operate as a *supersedeas* of an order of a government [**agency action**] unit.

[**Subdivision**] **Subparagraph** (b)(3) is intended to [**handle**] **address** the troublesome question of the effect of an application for reconsideration on the appeal process. [**The rule (1) permits the trial court or other government unit to grant reconsideration if action is taken during the applicable appeal period, which is not intended to include the appeal period for cross appeals, or, during any shorter applicable reconsideration period under the practice below, and (2) eliminates the possibility that the power to grant reconsideration could be foreclosed by the taking of a “snap” appeal. The better procedure under this rule will be for a party seeking reconsideration to file an application for reconsideration below and a notice of appeal, etc. If the application lacks merit the trial court or other government unit may deny the application by the entry of an order to that effect or by inaction. The prior appeal paper will remain in effect, and appeal will have been taken without the necessity to watch the calendar for the running of the appeal period. If the trial court or other government unit fails to enter an order “expressly granting reconsideration” (an order that “all proceedings shall stay” will not suffice) within the time prescribed by these rules for seeking review, Subdivision (a) becomes applicable and the power of the trial court or other government unit to act on the application for reconsideration is lost.] By statute, a trial court has only 30 days from the entry of a final order to “modify or rescind” its order. 42 Pa.C.S. § 5505; *see also Key Automotive Equip. Specialists v. Abernethy*, 636 A.2d 1126, 1129 (**Pa. Super. 1994**) (recognizing that the statute does not apply to limit reconsideration of interlocutory orders). Under this rule, an express determination**

by a trial court or other government unit within 30 days that it is reconsidering its earlier order satisfies the statutory requirement; the trial court or other government unit does not need to grant the relief sought in the application for reconsideration within the 30 days. The 30-day period protects against the risk that someone could take a “snap” appeal and foreclose reconsideration, but, because the clock is running on the appeal period and the period for reconsideration simultaneously, filing the notice of appeal at the same time as or shortly after the motion for reconsideration will protect against waiver of the appeal if the trial court or other government unit fails to act.

[**Subdivision**] **Subparagraph** (b)(3) provides that: “(W)here a timely order of reconsideration is entered under this paragraph, the time for filing a notice of appeal or petition for review begins to run anew after entry of the decision on reconsideration.” Pursuant to Pa.R.C.P. 1930.2, [**effective July 1, 1994, where**] if reconsideration from a domestic relations order has been timely granted, a reconsidered decision or an order directing additional testimony must be entered within 120 days of the entry of the order granting reconsideration or the motion shall be deemed denied. *See* Pa.R.C.P. 1930.2(c), (d), and (e). The date from which the appeal period will be measured following a reconsidered decision in a domestic relations matter is governed by Pa.R.C.P. 1930.2(d) and (e).

[**Under the 1996 amendments to the Rules of Criminal Procedure governing post-sentence practice, see Pa.R.Crim.P. 720 and 721, reconsideration of a decision on a defendant’s post-sentence motion or on a Commonwealth motion to modify sentence must take place within the time limits set by those rules, and the judge may not vacate sentence or “grant reconsideration” pursuant to subdivision (b)(3) in order to extend the time limits for disposition of those motions. The amendments to Pa.R.Crim.P. 720 and new Pa.R.Crim.P. 721 resolve questions raised about the interplay between this subdivision and post-trial criminal practice. See, e.g., Commonwealth v. Corson, 444 A.2d 170 (Pa. Super, 1982).]**

Pa.R.Crim.P. 720 and 721 set fixed times for reconsideration of a decision on a defendant’s post-sentence motion or on a Commonwealth motion to modify sentence, and reconsideration of a deemed denial is prohibited. The judge may not vacate sentence or “grant reconsideration” pursuant to subdivision (b)(3) in order to extend the time limits for disposition of those motions.

Paragraphs (d) and (e) explain that original jurisdiction petitions for review and petitions for specialized review do not come within Pa.R.A.P. 1701; accordingly, any stay or *supersedeas* must be sought under other provisions of Chapter 17.

Rule 1702. Stay Ancillary to Appeal.

(a) *General rule.*—Applications for relief under this chapter will not be entertained by an appellate court or a judge thereof until after a notice of appeal has been filed in the [**lower court and docketed in the appellate court**] trial court or a petition for review or petition for specialized review has been filed.

(b) *Proceedings on petition for allowance of [or] appeal, petition for permission to appeal, or petition for specialized review.*—Applications for relief under this chapter may be made without the prior filing of a petition for allowance of appeal [or], petition for permission to appeal, or petition for specialized review, but the failure to effect timely filing of such a petition, or the denial of such a petition, shall automatically vacate any ancillary order entered under this chapter. In such a case, the clerk of the court in which the ancillary order was entered shall, on *praecipe* of any party to the matter, enter a formal order under this rule vacating such ancillary order.

(c) *Supreme Court review of appellate court supersedeas and stay determinations.*—No appeal, petition for allowance of appeal [or], petition for review, or petition for specialized review need be filed in the Supreme Court in connection with [a reapplication under Rule 3315 (review of stay orders of appellate courts)] an application under Pa.R.A.P. 3315.

Official Note: [Based on former Superior Court Rule 53 and Commonwealth Court Rule 112A, which required the taking of an appeal prior to an application for supersedeas or other interlocutory order. Subdivision (b) is new and is added in recognition of the fact that the drafting of a petition for allowance of appeal or a petition for permission to appeal in the form required by these rules may not be possible prior to the time when an application for supersedeas may have to be made in the appellate court in order to avoid substantial harm.] In any instance in which a party seeks a stay or supersedeas from a trial court or government unit, that party can seek relief from the appellate court that has jurisdiction of the matter and can seek review of that intermediate appellate court's decision from the Supreme Court.

Rule 1704. Application in a Capital Case for a Stay of Execution or for Review of an Order Granting or Denying a Stay of Execution.

Prior notice of the intent to file an application in a capital case for a stay or review of an order granting or denying a stay of execution shall be provided to the Prothonotary of the Pennsylvania Supreme Court, if prior notice is practicable.

The application for stay or review shall set forth the following:

1. The date the warrant issued; the date and nature of the order that prompted the issuance of the warrant; and the date the execution is scheduled, if a date has been set;
2. Whether any direct or collateral challenges to the underlying conviction are pending, and, if so, in what court(s) or tribunal(s);
3. Whether any other applications for a stay of the pending execution have been filed, and, if so, in what court(s) or tribunal(s), when, and the status of the application(s);
4. The grounds for relief and the showing made to the trial court of entitlement to a stay under 42 Pa.C.S. § 9545(c), if applicable;
5. A statement certifying that emergency action is required and setting forth a description of the emergency.

All dockets, pleadings, and orders that are referred to in 1—5 above must be attached to the application. If any of the information provided in the application changes while the motion is pending, the party seeking the stay or review must file with the Pennsylvania Supreme Court written notice of the change within 24 hours.

No notice of appeal [or], petition for review, or petition for specialized review needs to be filed in order to file an application under this rule.

STAY IN CRIMINAL MATTERS

Rule 1762. Release in Criminal Matters.

(a) *Bail when an appeal is pending.*—Applications relating to bail when an appeal is pending shall ordinarily first be presented to the [lower court,] trial court and shall be governed by the Pennsylvania Rules of Criminal Procedure. If the [lower] trial court denies relief, a party may seek relief in the appellate court by filing an application, pursuant to [Rule] Pa.R.A.P. 123, ancillary to the pending appeal.

(b) *Bail when no appeal is pending.*—Applications relating to bail when no appeal is pending:

(1) Applications relating to bail when no appeal is pending shall first be presented to the [lower court,] trial court and shall be governed by the Pennsylvania Rules of Criminal Procedure.

(2) An order relating to bail shall be subject to review pursuant to Chapter [15 (judicial review of governmental determinations)] 16. [Any answer shall be in accordance with Rule 1516 (other pleadings allowed), and no other pleading is authorized. Rule 1517 (applicable rules of pleading) and Rule 1531 (intervention) through 1551 (scope of review) shall not be applicable to a petition for review filed under this paragraph.

(c) *Content.* An application for relief under subdivision (a) or a petition for review under subdivision (b) shall set forth specifically and clearly the matters complained of and a description of any determinations made by the lower court. Any order and opinions relating to the bail determination shall be attached as appendices.

(d) *Service.* A copy of the application for relief or the petition for review and any answer thereto shall be served on the judge of the lower court. All parties in the lower court shall be served in accordance with Rule 121(b) (service of all papers required). The Attorney General of Pennsylvania need not be served in accordance with Rule 1514(c) (service), unless the Attorney General is a party in the lower court.

(e) [(c)] *Entry of Bail.*—Bail shall be entered in the [lower] trial court pursuant to the Pennsylvania Rules of Criminal Procedure.

[(f)] (d) *Extradition matters.*—Relief relating to bail in extradition matters shall be governed by the procedures prescribed by this rule.

[(g)] (e) *Opinion of [lower] trial court.*—Upon receipt of a copy of an application for relief under [subdivision] paragraph (a) or a petition for specialized review under [subdivision] paragraph (b) that does not include an explanation for the bail determination, the judge who made the bail determination [below] being

reviewed shall forthwith file of record a brief statement of the reasons for the determination or where in the record such reasons may be found.

[*Official Note:* Prior to sentence, Rule 1702 (stay ancillary to appeal) is satisfied by the filing of a plenary petition for review of the order of the lower court granting or denying release. After sentence a separate plenary filing is no longer necessary because the application for release pending appeal may be made as a matter ancillary to the appeal from the order imposing sentence.

The reference in Subdivision (c) to the rulings complained of is not intended to suggest that the appellate court may ignore objective standards for release such as those established by Pa.R.Crim.P. 530.]

[REVIEW OF DISPOSITIONAL ORDER FOR OUT OF HOME PLACEMENT IN JUVENILE DELINQUENCY MATTERS]

Rule 1770. [Review of Out of Home Placement in Juvenile Delinquency Matters] (Rescinded).

[(a) *General rule.* If a court under the Juvenile Act, 42 Pa.C.S. § 6301 et seq., enters an order after an adjudication of delinquency of a juvenile pursuant to Rules of Juvenile Court Procedure 409(A)(2) and 515, which places the juvenile in an out of home overnight placement in any agency or institution that shall provide care, treatment, supervision or rehabilitation of the juvenile (“Out of Home Placement”), the juvenile may seek review of that order pursuant to a petition for review under Chapter 15 (judicial review of governmental determinations). The petition shall be filed within ten days of the said order.

(b) *Content.* A petition for review under subdivision (a) shall contain: (i) a specific description of any determinations made by the juvenile court; (ii) the matters complained of; (iii) a concise statement of the reasons why the juvenile court abused its discretion in ordering the Out of Home Placement; (iv) the proposed terms and conditions of an alternative disposition for the juvenile; and (v) a request that the official court reporter for the juvenile court transcribe the notes of testimony as required by subdivision (g) of this Rule. Any order(s) and opinion(s) relating to the Out of Home Placement and the transcript of the juvenile court’s findings shall be attached as appendices. The petition shall be supported by a certificate of counsel to the effect that it is resented in good faith and not for delay.

(c) *Objection to specific agency or institution, or underlying adjudication of delinquency, is not permitted.*

(1) A petition for review under subdivision (a) shall not challenge the specific agency or specific institution that is the site of the Out of Home Placement and instead shall be limited to the Out of Home Placement itself.

(2) A petition for review under subdivision (a) shall not challenge the underlying adjudication of delinquency.

(d) *Answer.* Any answer shall be filed within ten days of service of the petition, and no other plead-

ing is authorized. Rule 1517 (applicable rules of pleading) and Rule 1531 (intervention) through 1551 (scope of review) shall not be applicable to a petition for review filed under subdivision (a).

(e) *Service.* A copy of the petition for review and any answer thereto shall be served on the judge of the juvenile court and the official court reporter for the juvenile court. All parties in the juvenile court shall be served in accordance with Rule 121(b) (service of all papers required). The Attorney General of Pennsylvania need not be served in accordance with Rule 1514(c) (service), unless the Attorney General is a party in the juvenile court.

(f) *Opinion of juvenile court.* Upon receipt of a copy of a petition for review under subdivision (a), if the judge who made the disposition of the Out of Home Placement did not state the reasons for such placement on the record at the time of disposition pursuant to Rule of Juvenile Court Procedure 512 (D), the judge shall file of record a brief statement of the reasons for the determination or where in the record such reasons may be found, within five days of service of the petition for review.

(g) *Transcription of Notes of Testimony.* Upon receipt of a copy of a petition for review under subdivision (a), the court reporter shall transcribe the notes of testimony and deliver the transcript to the juvenile court within five business days. If the transcript is not prepared and delivered in a timely fashion, the juvenile court shall order the court reporter to transcribe the notes and deliver the notes to the juvenile court, and may impose sanctions for violation of such an order. If the juvenile is proceeding in forma pauperis, the juvenile shall not be charged for the cost of the transcript. Chapter 19 of the Rules of Appellate Procedure shall not otherwise apply to petitions for review filed under this Rule.

(h) *Non-waiver of objection to placement.* A failure to seek review under this rule of the Out of Home Placement shall not constitute a waiver of the juvenile’s right to seek review of the placement in a notice of appeal filed by the juvenile from a disposition after an adjudication of delinquency.

Official Note: This Rule provides a mechanism for the expedited review of an order of Out of Home Placement entered pursuant to Rule of Juvenile Court Procedure 515. Rule of Juvenile Court Procedure 512(D) requires the judge who made the disposition of an Out of Home Placement to place the reasons for an Out of Home Placement on the record at the time of the disposition, and subdivision (f) of this Rule is only applicable in the exceptional circumstance where the judge who made the disposition of an Out of Home Placement fails to comply with Rule of Juvenile Court Procedure 512(D). The Juvenile Act, 42 Pa.C.S. § 6352, sets forth the considerations for a dispositional order following an adjudication of delinquency and the alternatives for disposition. The standard for review of a dispositional order is an abuse of discretion. See *In the Interest of A.D.*, 771 A.2d 45 (Pa. Super. 2001) (en banc).]

Official Note: Pa.R.A.P. 1770 formerly provided for a petition for review of an out of home placement in juvenile delinquency matters. The substance of that rule is now found in Pa.R.A.P. 1612.

STAY PENDING ACTION ON PETITION FOR REVIEW

Rule 1781. Stay Pending Action on Petition for Review or Petition for Specialized Review.

(a) *Application to government unit.*—Application for a stay or *supersedeas* of an order or other determination of any government unit pending review in an appellate court on petition for review or **petition for specialized review** shall ordinarily be made in the first instance to the government unit.

(b) *Contents of application for stay or supersedeas.*—An application for stay or *supersedeas* of an order or other determination of a government unit, or for an order granting an injunction pending review, or for relief in the nature of peremptory mandamus, may be made to the appellate court or to a judge thereof, but the application shall show that application to the government unit for the relief sought is not practicable, or that application has been made to the government unit and denied, with the reasons given by it for the denial, or that the action of the government unit did not afford the relief [**which**] **that** the applicant had requested. The application shall also show the reasons for the relief requested and the facts relied upon, and if the facts are subject to dispute, the application shall be supported by sworn or verified statements or copies thereof. With the application shall be filed such parts, if any, of the record as are relevant to the relief sought.

(c) *Notice and action by court.*—Upon such notice to the government unit as is required by [**Rule 123 (applications for relief)**] **Pa.R.A.P. 123**, the appellate court, or a judge thereof, may grant an order of stay or *supersedeas*, including the grant of an injunction pending review or relief in the nature of peremptory mandamus, upon such terms and conditions, including the filing of security, as the court or the judge thereof may prescribe. Where a statute requires that security be filed as a condition to obtaining a *supersedeas*, the court shall require adequate security.

CHAPTER 19. PREPARATION AND TRANSMISSION OF RECORD AND RELATED MATTERS

RECORD ON APPEAL FROM LOWER COURT

Rule 1911. Request for Transcript.

(a) *General rule.*—The appellant shall request any transcript required under this chapter in the manner and make any necessary payment or deposit therefor in the amount and within the time prescribed by Rules 5000.1 *et seq.* of the Pennsylvania Rules of Judicial Administration [**(court reporters)**].

(b) [**Cross appeals**] *Cross-appels.*—Where a [**cross appeal**] **cross-appeal** has been taken [**the cross appellant**], **the cross-appellant** shall also have a duty to pay for and cause the transcript to be filed and shall share the initial expense equally with all other appellants.

(c) *Form.*—The order for transcript may be endorsed on, incorporated into, or attached to the notice of appeal or other document and shall be in substantially the following form:

(Caption)

A (notice of appeal) (petition for review) (**petition for specialized review**) (other appellate paper, as appropri-

ate) having been filed in this matter, the official court reporter is hereby ordered to produce, certify and file the transcript in this matter in conformity with Rule 1922 of the Pennsylvania Rules of Appellate Procedure.

Signature

(d) *Effect of failure to comply.*—If the appellant fails to take the action required by these rules and the Pennsylvania Rules of Judicial Administration for the preparation of the transcript, the appellate court may take such action as it deems appropriate, which may include dismissal of the appeal.

Official Note: The 1997 amendment changes the word “order” to “request” in order to clarify that an order of court is not necessary. See Pa.R.J.A. 5000.5 and [**1997 amendment to Rule**] **Pa.R.A.P. 904(c)**. If a request for a transcript on appeal is made in open court, the appellant must nevertheless prepare and serve a written order for transcript, so that the district court administrator and the appellate court are aware of the order. Local rules contemplated by Pa.R.J.A. 5000.6 should be consulted as to the officer or other person who is to receive and hold any security deposit (up to one-half the estimated charge) required by the court reporter. It is the responsibility of the appellant to contact the court reporter to ascertain whether a deposit will be required and the amount thereof, and to make the deposit. The court reporter is under no obligation to proceed in the absence of a required deposit, and under Pa.R.J.A. 5000.11(b) is under no obligation to certify and file the transcript in the absence of full payment or adequate security therefor. While delay in payment, and any resulting delay in certification and filing of the transcript, does not automatically affect the validity of the appeal, under [**Subdivision (d)**] **paragraph (d)**, the appellate court may impose other sanctions in an appropriate case. Compare [**Rule 902 (manner of taking appeal)** and **Rule 2101 (conformance with requirements)**] **Pa.R.A.P. 902 with Pa.R.A.P. 2101**. This rule and [**Rule**] **Pa.R.A.P. 1922** are “another arrangement for delivery” under Pa.R.J.A. 5000.11(a), since it is undesirable for the official appellate transcript to pass outside of the control of court officials.

CHAPTER 27. FEES AND COSTS IN APPELLATE COURTS AND ON APPEAL

FEES

Rule 2702. Multiple Parties.

Where a joint notice of appeal is filed in the [**lower court,**] **trial court** or docketed in the appellate court, or a joint petition for allowance of appeal is filed under [**Rule 512 (joint appeals)**] **Pa.R.A.P. 512**, or a joint petition for review is filed under [**Rule**] **Pa.R.A.P. 512** or otherwise, or a joint petition for permission to appeal is filed under [**Rule 1312(e) (multiple petitioners),** or] **Pa.R.A.P. 1312(e)**, or a **joint petition for specialized review is filed, or where** any other filing under these rules is effected jointly as permitted by these rules, only one fee is payable, regardless of the number of parties to the filing.

Official Note: This rule abolishes the “number of appellants times number of appellees” practice [**heretofore**] **previously** followed in the computation of appellate filing fees.

ARTICLE III. MISCELLANEOUS PROVISIONS
CHAPTER 33. BUSINESS OF THE SUPREME
COURT

ORIGINAL MATTERS

Rule 3307. Applications for Leave to File Original Process.

(a) *Scope.*—This rule applies only to matters within the original jurisdiction of the Supreme Court under 42 Pa.C.S. § 721 [(original jurisdiction)] which are not in the nature of mandamus or prohibition ancillary to matters within the appellate jurisdiction of the Supreme Court. Applications for relief pursuant to or ancillary to the appellate jurisdiction of the Supreme Court, including relief which may be obtained in the Supreme Court by petition for review or petition for specialized review, are governed by Article I [(preliminary provisions) and Article II (appellate procedure)] and Article II and may be filed without an application under this rule. See also [Rule 3309 (applications for extraordinary relief)] Pa.R.A.P. 3309.

(b) *General rule.*—The initial pleading in any original action or proceeding shall be prefaced by an application for leave to file such pleading, showing service upon all parties to such action or proceeding. The matter will be docketed when the application for leave to file is filed with the Prothonotary of the Supreme Court. The application shall be deemed filed on the date received by the prothonotary unless it was on an earlier date deposited in the United States mail and sent by first class, express, or priority United States Postal Service mail as shown on a United States Postal Service Form 3817 Certificate of Mailing or other similar United States Postal Service form from which the date of deposit can be verified. The certificate of mailing or similar Postal Service form from which the date of deposit can be verified shall be cancelled by the Postal Service, shall show the docket number of the matter, if known, and shall be either enclosed with the application or separately mailed to the prothonotary. Appearances shall be filed as in other original actions. An adverse party may file an answer no later than 14 days after service of the application. The answer shall be deemed filed on the date of mailing if first class, express, or priority United States Postal Service mail is utilized. An adverse party who does not intend to file an answer to the application shall, within the time fixed by these rules for the filing of an answer, file a letter stating that an answer to the application will not be filed. Upon receipt of the answer to the application, or a letter stating that no answer will be filed, from each party entitled to file such, the application, pleadings, and answer to the application, if any, shall be distributed by the [Prothonotary] prothonotary to the Supreme Court for its consideration.

(c) *Disposition of application.*—The Supreme Court may thereafter grant or deny the application or set it down for argument. Additional pleadings may be filed, and subsequent proceedings had, as the Supreme Court may direct. If the application is denied, the matter shall be transferred to the appropriate court by the [Prothonotary] prothonotary in the same manner and with the same effect as matters are transferred under [Rule 751 (transfer of erroneously filed cases)] Pa.R.A.P. 751.

[*Official Note:* Based on U.S. Supreme Court Rule 9. Presumably this rule will seldom be in-

voked, since questions concerning the scope of the original jurisdiction of the Supreme Court may usually be avoided by filing the action in a lower court which clearly has subject matter jurisdiction, and immediately thereafter making application for transfer to the Supreme Court under Rule 3309 (applications for extraordinary relief).]

[REVIEW OF SPECIAL PROSECUTIONS OR INVESTIGATIONS]

Rule 3331. [Review of Special Prosecutions or Investigations] (Reserved).

[(a) *General rule.*—Within the time specified in Rule 1512(b)(3) (special provisions), any of the following orders shall be subject to review pursuant to Chapter 15 (judicial review of governmental determinations):

(1) An order relating to the supersession of a district attorney by an Attorney General or by a court or to the appointment, supervision, administration or operation of a special prosecutor.

(2) An order relating to the convening or discharge of an investigating grand jury or otherwise affecting its existence.

(3) An order entered in connection with the supervision, administration or operation of an investigating grand jury or otherwise directly affecting an investigating grand jury or any investigation conducted by it.

(4) An order enforcing or refusing to enforce a subpoena issued by or otherwise affecting the existence or operation of any investigating committee of the General Assembly.

(5) An order of the type specified in Paragraphs (1) through (4) of this subdivision which contains a statement by the lower court pursuant to 42 Pa.C.S. § 702(b) (interlocutory appeals by permission). Chapter 13 (interlocutory appeals by permission) shall not be applicable to such an order.

The petition shall conform to Rule 123(a) (contents of application for relief) and any answer to the petition shall conform to Rule 1516(a) (general rule). A party entitled to file an answer under this rule who does not intend to do so shall, within the time fixed by these rules for the filing of an answer, file a letter stating that an answer to the petition for review will not be filed. Rule 1517 (applicable rules of pleading) through Rule 1551 (scope of review) shall not be applicable to a petition for review filed under this rule. Seven copies of any papers filed under this rule shall be filed with the original. Rule 3309 (applications for extraordinary relief) shall not be applicable to an order reviewable under this rule.

(b) *Briefs and record.* The petitioner may file and serve a brief in support of the petition for review with the petition for review. Any other party may file and serve an answer and supporting brief within 14 days of service of the petition. Each party shall append to the petition or answer as much of the record below as the party desires to bring to the attention of the court. The Supreme Court on its own initiative may direct that the lower court comply with Rule 1925 (opinion in support of order) or that the record be otherwise corrected or supplemented.

(c) *Distribution and disposition.* Upon receipt of the last paper that a party is entitled to file under this rule, the papers filed under this rule shall be distributed by the Prothonotary to the Supreme Court for its consideration. The Supreme Court may thereafter dispose of the petition or set it down for argument.

(d) *Interlocutory matters.* The interlocutory or final nature of an order shall not be affected by this rule and, unless independent grounds appear for the review of an interlocutory order, the interlocutory nature of the order will be a sufficient reason for denying the petition. The denial of a petition shall be deemed a disposition on the merits unless otherwise ordered or unless the petition expressly seeks permission to appeal from an interlocutory order and asserts no other basis of jurisdiction on appeal.

(e) *Remand of record.* Unless otherwise ordered:

(1) A certified copy of the judgment of the Supreme Court and the opinion of the court, if one has been filed, shall be transmitted to the lower court forthwith upon entry, notwithstanding the pendency of any application for reargument or other proceeding affecting the judgment. This transmission shall be in lieu of the remand of the record.

(2) Such transmission shall operate to vacate any order theretofore entered pursuant to Chapter 17 (effect of appeals; supersedeas and stays).

Official Note: This rule is intended to provide a simple and expeditious method for Supreme Court supervision of special prosecutions and investigations, e.g. orders of the supervising judge of an investigating grand jury, findings of contempt (whether civil or criminal) by witnesses called before such a grand jury, *etc.* Rule 702(c) (supervision of special prosecutions or investigations) and 42 Pa.C.S. § 722(5) (direct appeals from courts of common pleas) vest jurisdiction over such matters in the Supreme Court. However, this rule is not applicable to review of investigating grand jury issues that collaterally arise in a plenary criminal prosecution initiated by complaint, information or indictment. Rule 1512(b)(3) (special provisions) requires that review be sought within ten days. Essentially the procedure is analogous to the review of a bail order under Rule 1762 (release in criminal matters). There is no delay for certification of the record, oral argument is ordinarily not available, and the matter is ready for final disposition by the Supreme Court immediately upon completion of the briefing schedule. The term “investigating grand jury” in Subdivision (a) includes a “multicounty investigating grand jury” convened under 42 Pa.C.S. § 4544 (convening multicounty investigating grand jury). The “independent grounds” referred to in Subdivision (d) include grounds for relief in the nature of mandamus, prohibition, *etc.* and cases where the order is reviewable under the standards of 42 Pa.C.S. § 702(b) (interlocutory appeals by permission). Failure to petition for review under this rule from an interlocutory order will ordinarily not constitute a waiver of objections to the order since, except as prescribed by Rule 311(g)(1)(ii) (Waiver of objections), there is no requirement under these rules that a party seek available interlocutory relief.

Under Rule 1702(a) (stay ancillary to appeal), the Supreme Court or a justice thereof will not entertain an application for relief under Rule 1781 (stay pending action on petition for review) in connection with a special prosecution or investigation order until a petition for review has been filed under this rule.]

Official Note: Pa.R.A.P. 3331 formerly provided for a petition for review of orders relating to special prosecutions or investigations. The substance of the rule is now found in Pa.R.A.P. 1611.

EXPLANATORY COMMENT

There have been a number of documents that have been categorized as “petitions for review” over the years that are currently addressed in Chapter 15 but are neither traditional administrative agency appeals nor original jurisdiction actions against the Commonwealth.

As originally structured, Chapter 15 provided the procedure for obtaining judicial review of action or inaction of a “government unit” not otherwise available through a notice of appeal under Chapter 9, a petition for allowance of appeal under Chapter 11, or a petition for permission to appeal under Chapter 13. Since 1976 when Chapter 15 was adopted, most of the appellate court filings that utilize Chapter 15 have been, as intended, either traditional administrative agency appeals or original jurisdiction actions when an appellate court has jurisdiction.

The definition of “government unit” is broad enough, however, to encompass “courts.” Thus, under the current practice addressed by the proposed amendments, a Chapter 15 “petition for review” is the means by which a variety of other types of orders can be appealed. These other types of petitions for review involve discretionary review and the expedited review of certain court orders.

Petitions for review under Pa.R.A.P. 341(c), 1311(Note), and 1573 seek discretionary review and present only the question of whether to permit an appeal from an interlocutory order that is not appealable as of right. Thus, they are more procedurally similar to a petition for permission to appeal than an appeal. For that reason, the Committee proposes amending Chapter 13 to include each of these three.

Other petitions for review involve appellate review using specialized procedures, such as review of bail orders under Pa.R.A.P. 1762, review of special prosecution orders under Pa.R.A.P. 3331, and review of out-of-home-placement of minors under Pa.R.A.P. 1770. The Committee is proposing to place these requests for review in Chapter 16.

As a result of these changes, Chapter 15 will be limited. Chapter 15 will apply only to administrative agency appeals, certain other enumerated appeals, and original jurisdiction actions when an appellate court has jurisdiction. Judicial review of all other action or inaction of a “government unit” not otherwise available through Chapters 9, 11, 13 or reorganized Chapter 15, will now be in Chapter 16. Thus, the petition for specialized review becomes the mechanism for appealing orders that are not appealable under Chapters 9, 11, 13, or 15.

As a general principle, the proposed amendments to Chapters 13 and 15 and the adoption of new Chapter 16 do not alter existing procedures, but make those procedures easier to find. There are, however, a few clarifications that the Committee is incorporating into the proposed rules. The most significant of these clarifications is adoption of a single standard of review for granting

discretionary review of an interlocutory order. Under existing practice, the standard of review for a Pa.R.A.P. 341(c) petition for review is “abuse of discretion,” but the description of a Pa.R.A.P. 1311(Note) petition for review refers to “so egregious as to justify prerogative appellate correction.” The Committee proposes that “abuse of discretion” be the appropriate standard for both.

Order

And Now, to wit, this 4th day of May, 2016, it is hereby Ordered that the following Erie County Local Rules of Civil Procedure governing actions for custody of minor children are adopted. The adoption of Rules 1915.1 through 1915.27 rescinds and replaces all existing local rules and administrative orders governing actions for custody of minor children in Erie County. In accordance with Pa.R.C.P. 239, these rules shall be effective thirty (30) days after publication in the *Pennsylvania Bulletin*.

JOHN J. TRUCILLA,
President Judge

ACTIONS FOR CUSTODY, PARTIAL CUSTODY AND VISITATION OF MINOR CHILDREN

Rule 1915.1. Scope.

These rules shall govern the practice and procedure in all actions for any type of custody initiated in Erie County, Pennsylvania. These rules shall be read in conjunction with and supplement the state rules as set forth in Pa.R.C.P. Nos. 1915.1—1915.25. In the event of any

conflict between these rules and the state rules, the Pennsylvania Rules shall control.

Rule 1915.3. Commencement of Action. Complaint. Order.

(a) An original verified complaint, substantially in the form provided by Pa.R.C.P. No. 1915.15(a), and two copies per party shall first be presented to the Custody Conciliation Office prior to being filed at the Prothonotary's Office.

(b) The custody conciliation office will assign a time and date for the conciliation conference, and attach the order provided for in Pa.R.C.P. 1915.3(b) to the original and all copies. The moving party shall then file the original pleading with the Prothonotary, and serve the responding party or parties as provided in the Pennsylvania Rules of Civil Procedure.

(c) The custody office shall not reject any complaint for custody or modification of custody submitted for assignment of a conciliation time and date, except as provided for in subsection (d). It is the responsibility of a party objecting to jurisdiction, venue, service, standing or any other legal defect, to file and serve the proper responsive pleading, and to request a stay by the court, if appropriate, pursuant to Local Rule 1915.5.

(d) Grandparents and all other third parties shall file according to the procedure set forth in Local Rule 1915.6 unless there is no open case involving the minor child or children.

Rule 1915.3-2. Criminal or Abuse History. Hearing.

In addition to the requirements of Pa.R.C.P. 1915.3-2, a party may raise consideration of criminal convictions or abuse history pursuant to 23 Pa.C.S. Section 5329. The party raising a Section 5329 objection shall present a motion pursuant to Local Rule 1915.13 requesting a hearing to determine whether a party, or household member, poses a threat to a child and/or whether a party, or household member, is in need of counseling.

Rule 1915.4-1. Hearing Procedure. Bypass Custody Conciliation Conference.

(a) Erie County shall utilize a custody conciliation conference as an initial non-record proceeding as set forth at Local Rule 1915.4-3.

(b) A party may present a motion to bypass the custody conciliation conference to the duty judge during motion court pursuant to Local Rule 1915.13. A motion to bypass the custody conciliation may be granted in cases wherein:

- (1) there are complex questions of law, fact or both; or
- (2) there are serious allegations affecting the child's welfare.

Rule 1915.4-3. Custody Conciliation Conference. Proceedings.

(a) Except as provided for at Local Rule 1915.17, all custody complaints and petitions for modification shall be initially referred to the Office of Custody Conciliation of Erie County, Pennsylvania for a custody conciliation conference before a custody conciliation officer.

(b) The Conciliation Conference is not a hearing but an opportunity for parents to reach agreement early in the custody process. No evidence or testimony is presented. Ordinarily, conferences shall not last more than one hour. The objectives of the Conciliation Conference are:

- (1) To facilitate immediate agreement and the entry of consent orders where the nature of the parties' dispute is minor and can be resolved quickly without the need for trial;

(2) To identify those cases not appropriate for resolution within the context of the conciliation process; and

(3) To identify the need for referral to outside professionals or agencies and to provide the parties with information and other assistance needed to accomplish such referral.

(c) All agreements reached at a Conciliation Conference, whether a full or partial agreement, shall be reduced to a Consent Agreement and shall be signed by the parties immediately upon conclusion of the proceeding. If the parties partially agree or agree to reschedule the custody conciliation conference, an interim order containing the agreed upon terms of the parties may be submitted to the duty judge for approval of the court. The parties' consent to an interim order shall not constitute the waiver to a de novo trial for any issue.

(d) If no agreement is reached at the conciliation conference, the case shall be promptly referred by the Custody Conciliation Office to Family Court Administration for trial. The conciliation officer shall prepare a summary report detailing the parties' respective positions, which shall be filed and submitted to the court and the parties.

(e) The Custody Conciliation Officer may refer custody matters directly to the Court if appropriate.

(f) *Participation in Conciliation Process:*

(1) *Children and Third Parties:* Children and third parties, other than attorneys, shall not be present for or participate in custody conferences. Exceptions may be made at the discretion of the Court.

(2) Parties must participate in conferences in a cooperative manner and at all times adhere to the directives of the person conducting the conference.

(3) Prior to agreeing to a custody order, a party may consult with her or his attorney, and a reasonable opportunity to do so will be provided by the conciliator.

(g) An attorney who attends a Conciliation Conference with a client will participate consistent with the following standards:

(1) The manner and scope of participation in conferences shall be determined by the conciliator;

(2) Attorneys shall fully cooperate with the efforts of the custody conciliator to facilitate the agreement of the parties;

(3) Counsel shall at all times behave in a professional manner and refrain from engaging in hostile or antagonistic conduct directed toward any conference participant;

(4) Attorneys shall advise their clients in a manner not disruptive of the conciliation process which may require consulting with the client outside the conference room;

(5) Attorneys shall not engage in legal argument, except that counsel may advise of legal issues relevant to the formation of an interim or consent order;

(6) Counsel shall not attempt to question the other party, present evidence or engage in conduct characteristic of any adversarial proceedings;

(h) At any time during the conciliation process the conciliator may terminate the proceedings and refer the case to court.

Rule 1915.4-4. Pre-trial Procedures. Status Conference.

A pre-trial status conference in an initial custody or modification proceeding may be scheduled before a judge

at the request of a party by praecipe or sua sponte by the court pursuant to Pa.R.C.P. No. 1915.4-4, with copies of the praecipe served to the assigned judge. The purpose of the status conference is to define matters to be raised before the court at the de novo trial, including all legal and factual issues, and to address unique evidentiary issues.

Rule 1915.5. Question of Jurisdiction, Venue or Standing. Preliminary Objections.

A party raising preliminary objections in accordance with Pa.R.C.P. No. 1915.5 shall, prior to filing, present the preliminary objections to Family Court Administration for assignment to a judge and scheduling of a date and time for a hearing. Thereafter, the moving party shall file the original pleading with the Prothonotary and serve the objections and notice of hearing in accordance with the Pennsylvania Rules of Civil Procedure.

Rule 1915.6. Joinder of Parties.

Grandparents and all other third parties seeking any type of custody of a minor child with an open custody docket before this court shall present a Motion to Intervene to the duty judge at Motion Court. Notice to all responding parties must be provided pursuant to Local Rule 440, and certificate of notice must be attached to the motion. If the motion raises contested issues, the duty judge may issue a Rule to Show Cause. The signed Rule to Show Cause Order shall be presented to Family Court Administration for assignment to a judge and scheduling of a date and time. Thereafter, the moving party shall file the original pleading with the Prothonotary and provide for service pursuant to the Pennsylvania Rules of Civil Procedure.

Rule 1915.12. Civil Contempt for Disobedience of Custody Order. Petition.

In addition to the requirements of Pa.R.C.P. No. 1915.12, the original contempt petition with notice and order, and a photo copy, shall be presented to Family Court Administration for assignment to a judge and for scheduling of a date and time for the contempt hearing. Thereafter, the moving party shall file the original pleading with the Prothonotary and provide for service pursuant to the Pennsylvania Rules of Civil Procedure.

Rule 1915.13. Special Relief.

Motions for Special Relief shall be presented to the duty judge during Motion Court. The motion must allege, with specificity, the need for the court to enter interim or special relief. Notice to all responding parties must be provided pursuant to Local Rule 440, and certificate of notice must be attached to the motion. If the motion raises contested issues, the duty judge may issue a Rule to Show Cause. The signed Rule to Show Cause Order shall be presented to Family Court Administration for assignment to a judge and scheduling of a date and time. Thereafter, the moving party shall file the original pleading with the Prothonotary and provide for service pursuant to the Pennsylvania Rules of Civil Procedure.

Rule 1915.17. Relocation.

(a) A party proposing to relocate with a minor child shall follow the procedures set forth at Pa.R.C.P. 1915.17.

(b) If the non-relocating party has no objection to relocation and no objection to modification of the custody order consistent with the relocating party's proposal for revised custody schedule, the parties may obtain an order approving the proposal for revised custody schedule by

presenting a Petition to Confirm Relocation with the agreed upon custody order before the duty judge at Motion Court.

(c) If the non-relocating party files a counter-affidavit objecting to either the relocation or to modification of the order, any party may either:

(1) obtain an expedited full hearing on the proposed relocation by presenting copies of the relocation notice, the counter-affidavit, the complaint for custody or petition for modification, whichever is applicable, and a request for hearing to Family Court Administration.

or

(2) may waive their right to an expedited hearing and participate in a custody conciliation conference by obtaining a time and date from the custody conciliation office in addition to following the filing requirements of Pa.R.C.P. No. 1915.17. Thereafter, the moving party shall file the original pleading with the Prothonotary and provide for service pursuant to the Pennsylvania Rules of Civil Procedure.

(d) If the non-relocating party was properly served notice of proposed relocation and has failed to timely object, the party proposing relocation, in addition to following the requirements of Pa.R.C.P. No. 1915.17(e), shall present a Petition to Confirm Relocation with a proposed order including the information set forth at 23 Pa.C.S. Section 5337(c)(3) to the duty judge at Motion Court. Thereafter, the moving party shall file the original pleading with the Prothonotary and provide for service pursuant to the Pennsylvania Rules of Civil Procedure.

Rule 1915.26. Children Cope with Divorce.

(a) All parties participating in custody proceedings must attend the Children Cope With Divorce program. A copy of the brochure providing information on the program must be included in all complaints involving parties that have not previously attended the program.

(b) Subsequent proceedings and the entry of any order or decree shall not be delayed because of the lack of participation in the Children Cope With Divorce program.

(c) Any party seeking to waive the costs of participating in the Children Cope With Divorce program shall present an appropriate motion before the duty judge at Motion Court.

Rule 1915.27. Cancellation of Custody Proceedings.

(a) A scheduled custody conciliation conference may not be cancelled without the written consent of the parties, or leave of court. If a responding party does not consent to cancel a conciliation conference, a motion to cancel may be presented in motion court by the requesting party with proper notice pursuant to Local Rule 440.

RULES AND REGULATIONS

Title 40—LIQUOR

LIQUOR CONTROL BOARD

[40 PA. CODE CH. 7]

Posting Requirements for Extension

The Liquor Control Board (Board), under the authority of section 207(i) of the Liquor Code (47 P.S. § 2-207(i)), amends § 7.22 (relating to application).

Summary

There was a conflict between the Board's regulations and the Liquor Code with regard to the posting time for notices about an application for extension of licensed premises. Specifically, section 403(g) of the Liquor Code (47 P.S. § 4-403(g)) provides that the notice must be posted for 30 days and the regulation in § 7.22 formerly required that the notice must be posted for 15 days. This final-form rulemaking amends § 7.22 to match section 403(g) of the Liquor Code.

The act of December 9, 2002 (P.L. 1653, No. 212) amended section 403(g) of the Liquor Code by increasing the time period for the posting of a notice from 15 days to 30 days.

Section 7.22 requires that applicants for an extension of the licensed premises post a notice that an application has been filed. Section 7.22 formerly provided that the notice must be posted for 15 days. The 15-day posting period was consistent with the former language of section 403(g) of the Liquor Code.

Although section 403(g) of the Liquor Code references applications for a new license or a license being transferred to a new location, and not the extension of a license, Commonwealth Court has held that "an extension was in effect a transfer to a new location." *Ulana v. Pennsylvania Liquor Control Bd.*, 484 A.2d 859, 862 (Pa. Cmwlth. 1984). While the *Ulana* case does not deal with the length a notice must be posted, the Board has followed the Commonwealth Court's analysis, and therefore the posting time in section 403(g) of the Liquor Code for a new license or a transfer of a license has been applied to extensions of the license.

The disparity between section 403(g) of the Liquor Code and § 7.22 sometimes resulted in frustration and confusion for applicants. Some applicants believed that the notice could be taken down at the expiration of the 15-day period, and that the application can then be approved. However, because of the language in section 403(g) of the Liquor Code, that is not the case.

In addition, those parties who wish to file a protest (protestants) to the application have 30 days from the posting of the notice to do so under § 17.13 (relating to protests/intervention procedure). Thus, there was confusion or misunderstanding on the part of protestants when a notice is removed (erroneously) after only 15 days.

This final-form rulemaking will resolve these misunderstandings by requiring that a notice of an application for extension of the licensed premises must be posted for at least 30 days.

Affected Parties

As of July 14, 2015, there are 15,112 active licenses that could be potentially affected by this final-form rulemaking if they decide to expand their premises. Since this final-form rulemaking simply aligns the posting period with that which is required under section 403(g) of the Liquor Code, licensees will not be adversely affected.

Paperwork Requirements

This final-form rulemaking is not expected to affect legal, accounting or consulting procedures and should not require additional reporting, recordkeeping or other paperwork.

Fiscal Impact

This final-form rulemaking is not expected to have fiscal impact on the regulated community, the Commonwealth or local governments. Therefore, a fiscal impact is not anticipated.

Effective Date

This final-form rulemaking will become effective upon final-form publication in the *Pennsylvania Bulletin*.

Public Comments

Comments should be addressed to Rodrigo Diaz, Chief Counsel, or Norina Blynn, Assistant Counsel, Office of Chief Counsel, Liquor Control Board, Room 401, Northwest Office Building, Harrisburg, PA 17124-0001.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P.S. § 745.5(a)), on September 15, 2015, the Board submitted a copy of the notice of proposed rulemaking, published at 45 Pa.B. 6269 (October 24, 2015), to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the House Liquor Control Committee and Senate Committee on Law and Justice for review and comment.

Under section 5(c) of the Regulatory Review Act, the Board shall submit to IRRC and the House and Senate Committees copies of comments received during the public comment period, as well as other documents when requested. In preparing the final-form rulemaking, the Board has considered all comments from IRRC and the public.

Under section 5.1(j.2) of the Regulatory Review Act (71 P.S. § 745.5a(j.2)), on April 20, 2016, the final-form rulemaking was deemed approved by the House and Senate Committees. Under section 5.1(e) of the Regulatory Review Act, IRRC met on April 21, 2016, and approved the final-form rulemaking.

Findings

The Board finds that:

(1) Public notice of intention to adopt the administrative amendments adopted by this order has been given under sections 201 and 202 of the act of July 31, 1968 (P.L. 769, No. 240) (45 P.S. §§ 1201 and 1202) and the regulations thereunder, 1 Pa. Code §§ 7.1 and 7.2.

(2) The amendments to the Board's regulations in the manner provided in this order are necessary and appropriate for the administration of the Liquor Code.

Order

The Board, acting under the authorizing statute, orders that:

(a) The regulations of the Board, 40 Pa. Code Chapter 7, are amended by amending § 7.22 to read as set forth at 45 Pa.B. 6269.

(b) The Board shall certify this order and 45 Pa.B. 6269 and deposit them with the Legislative Reference Bureau as required by law.

(c) This order shall become effective upon publication in the *Pennsylvania Bulletin*.

TIM HOLDEN,
Chairperson

Fiscal Note: Fiscal Note 54-83 remains valid for the final adoption of the subject regulation.

The proposed rulemaking, if approved on final-form rulemaking, will go into effect on January 1, 2017.

B. *Contact Person*

For further information on the proposed rulemaking, contact Wayne Melnick, Esq., P.O. Box 67000, Harrisburg, PA 17106-7000, (717) 705-7810. This proposed rulemaking is available on the Commission's web site at www.fish.state.pa.us.

C. *Statutory Authority*

The proposed amendment to § 93.3 (relating to application for boat registration) is published under the statutory authority of section 5122 of the code (relating to registrations, licenses, permits, plates and statistics). The proposed amendment to § 93.102 (relating to application procedure and contents of applications for certificates of title) is published under the statutory authority of section 5325 of the code (relating to rules and regulations). The proposed amendment to § 111.9 (relating to Bucks County) is published under the statutory authority of section 5124 of the code (relating to particular areas of water).

D. *Purpose and Background*

The proposed rulemaking is designed to improve, enhance and update the Commission's boating regulations. The specific purpose of the proposed amendments is described in more detail under the summary of proposals. On February 25, 2016, the Commission's Boating Advisory Board considered the proposals and recommended that the Commission approve the publication of a proposed rulemaking.

E. *Summary of Proposals*

(1) On April 27, 2012, the United States Coast Guard (Coast Guard) amended 33 CFR Parts 173, 174, 181 and 187 regarding numbering undocumented vessels and reporting boat accidents. These changes: align and modernize terminology used in the Standard Numbering System (SNS), the Vessel Identification System and accident reporting; require verification of vessel hull identification numbers; require SNS vessel owners to provide personally identifiable information; and provide flexibility for states and territories in administering these regulations. Together, the changes are intended to improve boating safety efforts, enhance law enforcement capabilities, clarify requirements for stakeholders and promote the Coast Guard strategic goals of maritime safety and security. States have until January 1, 2017, to implement these changes.

Since 2012, the Commission has been working on effecting the necessary changes to its systems to be in compliance with the amended Coast Guard regulations. Significant changes needed to be coded into the registration and titling system and its accompanying database. Coordination with the Department of Revenue was required to revise the REV-336 Instruction for Application for Pennsylvania Boat Registration and/or Boat Title form.

The majority of the required updates reflect nomenclature and vessel data category grouping changes and are considered housekeeping. Among these changes is standardizing how all states will now define "vessel type." Hull material has been expanded to include rubber/vinyl/canvas instead of referring to this class of hull material as "other." The Coast Guard also relabeled data categories. What was previously referred to as propulsion type is now called engine drive type. This category, which identifies a boat's engine drive, includes inboard, outboard, pod drive, stern drive and other. In addition, the Coast Guard refined how states categorize the manner in which a boat will be operated. The Coast Guard now restricts a boat's reported usage as pleasure, commercial passenger, livery/rental, commercial fishing, dealer and other commercial operation.

While these required changes are administrative in nature, the Commission must also collect and provide to the Coast Guard personally identifiable information that uniquely ties a boat to an owner. This will be accomplished by creating a unique identification number for each boat owner by collecting and then combining the vehicle driver's license of the owner with his date of birth. This unique identifier once entered into the system will match the boat's hull identification number with a single individual instead of simply linking it to a name. This will greatly benefit law enforcement when dealing with lost or stolen boats.

The Commission proposes to amend §§ 93.3 and 93.102 to read as set forth in Annex A.

(2) In 1997, the Commission enacted several regulations on the Delaware River to mirror New Jersey law. One of those regulations was the slow, no wake zone on Paunacussing Creek from the mouth to the vicinity of Green Hill Road from 12:01 a.m. on the Friday before Memorial Day until midnight on Labor Day.

A recent review of this regulation found that the law was not enacted in New Jersey and is not being enforced by either state. In discussions with the New Jersey State Police, the agency with jurisdiction, the Commission learned that New Jersey has no desire to add this requirement to its boating law. Based on New Jersey's decision and the fact that this Commonwealth has not enforced this regulation in recent history, the Commission proposes to delete it.

The Commission proposes to amend § 111.9 to read as set forth in Annex A.

F. *Paperwork*

The proposed rulemaking will not increase paperwork and will not create new paperwork requirements.

G. *Fiscal Impact*

The proposed rulemaking will not have adverse fiscal impacts on the Commonwealth or its political subdivi-

sions. The proposed rulemaking will not impose new costs on the private sector or the general public.

H. Public Comments

Interested persons are invited to submit written comments, objections or suggestions about the proposed rulemaking to the Executive Director, Fish and Boat Commission, P.O. Box 67000, Harrisburg, PA 17106-7000 within 30 days after publication of this proposed rulemaking in the *Pennsylvania Bulletin*. Comments submitted by facsimile will not be accepted.

Comments also may be submitted electronically by completing the form at www.fishandboat.com/regcomments. Fishing; Special Fishing Regulations

The Fish and Boat Commission (Commission) proposes to amend Chapter 65 (relating to special fishing regulations). The Commission is publishing this proposed rulemaking under the authority of 30 Pa.C.S. (relating to Fish and Boat Code) (code).

A. Effective Date

The proposed rulemaking, if approved on final-form rulemaking, will go into effect on January 1, 2017.

B. Contact Person

For further information on the proposed rulemaking, contact Laurie E. Shepler, Esq., P.O. Box 67000, Harrisburg, PA 17106-7000, (717) 705-7810. This proposed rulemaking is available on the Commission's web site at www.fish.state.pa.us.

C. Statutory Authority

The proposed amendment to § 65.24 (relating to miscellaneous special regulations) is published under the statutory authority of section 2307 of the code (relating to waters limited to specific purposes).

D. Purpose and Background

The proposed rulemaking is designed to improve, enhance and update the Commission's fishing regulations. The specific purpose of the proposed amendment is described in more detail under the summary of proposal.

E. Summary of Proposal

Foster Joseph Sayers Lake is located in Centre County and currently managed under § 65.11 (relating to panfish enhancement) for black and white crappie (9-inch minimum size limit and 20 fish/day creel limit). While there has been an increase in the trap net catch of legal-size crappie post panfish enhancement regulations, the proportion of legal-size fish is still relatively low at approximately 8%. The majority of adult fish are in the 7-inch and 8-inch length groups, just under the legal size limit. Age and growth analyses for crappie indicate an overall reduction in growth rates, especially for these size groups. Angler use, harvest and opinion surveys conducted at the lake indicate high angler effort directed towards crappie with high catch rates but reduced harvest under panfish enhancement regulations. In addition, angler satisfaction has slowly declined with both the number and size of crappie caught.

The current status of the crappie fishery is not satisfactory to many anglers and may be improved through an alternate regulation. Sayers Lake is one of the most productive reservoirs in this Commonwealth and has the ability to produce a higher quality crappie fishery than currently exists.

The Commission proposes that the daily creel limit be reduced from 20 fish/day to 10 fish/day and proposes a change in the number of fish both over and under 9

inches that can be harvested to better manage the population from overexploitation while also being acceptable to anglers. The proposed amendment will allow anglers to harvest 10 crappies/day, of which no more than 5 crappies may be greater than or equal to 9 inches in length. For example, anglers will be able to harvest 10 crappies less than 9 inches, or 9 crappies less than 9 inches and 1 crappie greater than or equal to 9 inches, or 8 crappies less than 9 inches and 2 crappies greater than or equal to 9 inches, and so on. Under this proposed amendment, anglers will have a reasonable expectation of harvesting 10 crappies/day should they choose to do so, while still providing some additional protection to the larger fish in the population. This is not the case under the current regulation. The creel limit reduction from 20 fish to 10 fish is designed to prevent an overharvest given the number of anglers that are expected to harvest fish under a less restrictive length limit.

In anticipation of a proposed change, Commission staff interviewed 111 ice anglers on January 30, 2016, to obtain their feedback. A significant majority (74%) were in favor of a new regulation. A public information session was also held on February 23, 2016, at Bald Eagle State Park to gain additional angler input. Attendees were split between regulation options and preferred those that allowed more crappies to be harvested. Following the meeting, Commission staff conducted data reviews and modeling of the various regulatory options and arrived at the proposed amendment. This will allow an increased opportunity for harvest while providing sufficient protection for an increased number of fish to reach quality size exceeding 9 inches.

The Commission proposes that § 65.24 be amended to read as set forth in Annex A.

F. Paperwork

The proposed rulemaking will not increase paperwork and will not create new paperwork requirements.

G. Fiscal Impact

The proposed rulemaking will not have adverse fiscal impacts on the Commonwealth or its political subdivisions. The proposed rulemaking will not impose new costs on the private sector or the general public.

H. Public Comments

Interested persons are invited to submit written comments, objections or suggestions about the proposed rulemaking to the Executive Director, Fish and Boat Commission, P.O. DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT

Substantial Amendment to the 2014—2018 Consolidated Plan and 2016 Action Plan; National Housing Trust Fund Method of Distribution; Public Meeting

Notice is given of the public comment period to review the proposed substantial amendment to the Commonwealth's 2014—2018 Consolidated Plan and Action Plan for Federal Fiscal Year (FY) 2016. The public comment period is from May 22, 2016, through June 21, 2016.

Annually the Department of Community and Economic Development (Department) prepares the Action Plan which outlines the Method of Distribution for Federal funding received by the Department. This Federal funding includes the new National Housing Trust Fund (HTF). The 2016 Action Plan for these funds was finalized and submitted to the United States Department of Housing and Urban Development (HUD) for review on April 16, 2016. The Department is proposing changes to the Method of Distribution to include the HTF, which according to the Pennsylvania Citizen Participation Plan for the Consolidated Plan constitute a significant change in the distribution of funds under the program and thus necessitate a substantial amendment to the original Action Plan.

On May 4, 2016, HUD announced funding for the Commonwealth under the HTF enacted as part of the

Housing and Economic Recovery Act of 2008 (Pub.L. No. 110-289) to provide funding for housing for very low and extremely low income households. HUD has announced funding for the Commonwealth in the amount of \$3,862,285 for FY 2016.

The substantial amendment to the Action Plan and supporting documentation are available for a 30-day public comment period and can be viewed on the Department's web site at <http://newpa.com/>. The text is available to sight- and hearing-impaired persons using technological assisted devices on the Department's web site at the previously listed link. A translation into Spanish will also be available on the Department's web site for citizen comment. The final version of the substantial amendment will be submitted to HUD no later than July 5, 2016.

Persons who would like to provide written comment on the draft substantial amendment to the 2016 Action Plan may e-mail comments to RA-DCEDcdcbg&homequestions@pa.gov or mail to the attention of Megan Snyder, Department of Community and Economic Development, Center for Compliance Monitoring and Training, 400 North Street, 4th Floor, Harrisburg, PA 17120. Comments must be received before 4 p.m. on June 21, 2016.

Public Meeting

The public meeting for the substantial amendment will be conducted electronically on the Internet on Thursday, June 9, 2016. Access to the discussion on the Internet will occur between 1 p.m. to 2 p.m. This more widely available computer access will replace the onsite public meeting. The format will be more accessible than an in-person meeting because those who wish to make comment or

discuss policy may participate directly from their electronic device or from a computer located at their public library.

Any individual or organization may give testimony or comments on the Internet about the proposed changes to the HTF Method of Distribution for 2016 funding. The Commonwealth encourages public participation in this process.

Anyone who wants to participate must register in advance. Contact Megan L. Snyder at (717) 720-7404 to receive registration instructions for the Internet meeting at least 24 hours prior to the meeting date. If support is required during the meeting, call (717) 787-5327. The meeting will be shortened if there is no one to testify or there is minimal response.

Persons with a disability or limited English proficiency who wish to participate in the public meeting should contact Megan L. Snyder, Department of Community and Economic Development, Commonwealth Keystone Building, 400 North Street, 4th Floor, Harrisburg, PA 17120-0225, (717) 720-7404 or TDD at (717) 346-0308 to discuss how the Department can accommodate their needs.

Written Comments

Written testimony, instead of Internet testimony, must be submitted by 4 p.m. on Tuesday, June 21, 2016. Persons who would like to provide written comment on the draft substantial amendment to the 2014–2018 Consolidated Plan or the 2016 Action Plan may e-mail comments to RA-DCEDcdbg&homequestions@pa.gov or mail to the attention of Megan L. Snyder, Department of Community and Economic Development, Center for Community Financing, 400 North Street, 4th Floor, Harrisburg, PA 17120.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 1

Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907)

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.302—6026.305) require the Department to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. A person intending to use the background standard, Statewide health standard, the site-specific standard or intend to remediate a site as a special industrial area shall file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of cleanup standards or receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the following site, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified as follows. During this comment period, the municipality may request that the person identified as the remediator of the site develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office listed before the notice. If information concerning this acknowledgment is required in an alternative form,

contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

AIR QUALITY

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

The Department has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the De-

partment, the regulated community and the general public. This approach allows the owner or operator of a facility to submit permitting documents relevant to its application for all sources related to a facility or a proposed project, affords an opportunity for public input, and provides for a decision on the issuance of the necessary permits.

The Department received applications for Plan Approvals or Operating Permits from the following facilities.

Copies of the application, the Department's analysis, all pertinent documents used in the evaluation of the application and subsequently prepared proposed plan approvals/operating permits are available for public review during normal business hours at the appropriate Department Regional Office. Appointments for scheduling a review must be made by calling the appropriate Department Regional Office. The address and phone number of the Regional Office is listed before the application notices.

Persons wishing to file a written protest or provide comments or additional information, which they believe should be considered prior to the issuance of a permit, may submit the information to the Department's Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments, protests and information. Each submission must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Plan Approval/Operating Permit including the permit number and a concise statement regarding the relevancy of the information or objections to issuance of the permit.

A person wishing to request a hearing may do so during the 30-day comment period. A public hearing may be held, if the Department, in its discretion, decides that a hearing is warranted based on the information received. Persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper, the *Pennsylvania Bulletin* or by telephone, when the Department determines this type of notification is sufficient. Requests for a public hearing and any relevant information should be directed to the appropriate Department Regional Office.

Permits issued to the owners or operators of sources subject to 25 Pa. Code Chapter 127, Subchapter D or E, or located within a Title V facility or subject to 25 Pa. Code § 129.51(a) or permits issued for sources with limitations on their potential to emit used to avoid otherwise applicable Federal requirements may be submitted to the United States Environmental Protection Agency for review and approval as a revision to the State Implementation Plan. Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the sources are constructed and operating in compliance with applicable requirements in the Air Pollution Control Act (35 P.S. §§ 4001—4015), 25 Pa. Code Chapters 121—145, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the regional office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Intent to Issue Plan Approvals and Intent to Issue or Amend Operating Permits under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter B. These actions may include the administrative amendments of an associated operating permit.

39-00006D: American Craft Brewery, 7880 Penn Drive, Breinigsville, PA 18031-1508. Notice is hereby given in accordance with 25 Pa. Code §§ 127.44(b) and 127.424(b), that the Department of Environmental Protection (DEP) intends to issue a Plan Approval # 39-00006D to American Craft Brewery, 7880 Penn Drive, Breinigsville, PA 18031-1508, for their plant located in Upper Macungie Township, **Lehigh County**. The facility currently has Title V Permit No. 39-00006. This plan approval will be incorporated into the Title V operating permit through an administrative amendment at a later date, and the action will be published as a notice in the *Pennsylvania Bulletin*.

Plan Approval No. 39-00006D is for the construction and operation of an additional ISEP System (melt beverage filtering system). The facility will add an additional ISEP System to the process thereby modifying the process used to produce CMB, resulting in the ability to process more CMB at the facility. However, the ISEP System is not an emissions unit and will not result in any direct emissions of regulated New Source Review (NSR) pollutants. The proposed modification will affect several emissions units located upstream and downstream of the proposed ISEP System.

The proposed ISEP system will result in increase of 2.08 TPY of VOC emissions for the facility from the affected upstream and downstream process equipment. The company's proposal to use good management practices for operation and maintenance of the associated equipment constitutes BAT for this type of operations.

A review of the information submitted by the company indicates that the proposed project will meet all applicable State and Federal air quality requirements. Based upon these findings, DEP plans to approve the application and issue a permit for the facility.

In order to assure compliance with the applicable standards, DEP will place conditions in the plan approval.

The Plan Approval and Operating Permit will contain additional recordkeeping and operating restrictions designed to keep the facility operating within all applicable air quality requirements.

Copies of the application, DEP's analysis and other documents used in the evaluation of the application are available for public review during normal business hours at Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711.

Any person(s) wishing to provide DEP with additional information which they believe should be considered prior to the issuance of this permit may submit the information to the address shown in the preceding paragraph. Each written comment must contain the name, address and telephone number of the person submitting the comments, identification of the proposed permit No.: 39-

00006D and a concise statement regarding the relevancy of the information or objections to the issuance of the permit.

A public hearing may be held, if the Department of Environmental Protection, in its discretion, decides that such a hearing is warranted based on the comments received. All persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper or the *Pennsylvania Bulletin* or by telephone, where DEP determines such notification is sufficient. Written comments or requests for a public hearing should be directed to Raymond Kempa, P.E., Environmental Group Manager, Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18701, Phone 570-826-2511 within 30 days after publication date.

36-05152D: Kellogg USA Inc. The expected increase in facility potential emissions as a result of the changes proposed is: 0.10 tpy of PM₁₀. The facility is a State Only facility. DEP's review of the information submitted by the applicant indicates that the air contamination sources as constructed or modified will comply with all regulatory requirements pertaining to air contamination sources and the emission of air contaminants including the best available technology requirement (BAT) of 25 Pa. Code §§ 127.1 and 127.12. Based on these findings, the Department proposes to issue a plan approval for the proposed construction. If, after the project has been implemented, the Department determines that the sources are constructed and operated in compliance with the plan approval conditions and the specification of the application for plan approval, the requirements established in the plan approval will be incorporated into an Operating Permit pursuant to the administrative amendment provisions of 25 Pa. Code § 127.450.

11-00536: CPV Fairview, LLC (50 Braintree Hill Office Park, Suite 300, Braintree, MA 02184) in accordance with 25 Pa. Code §§ 127.44—127.46, for intent to issue plan approval for construction and temporary operation of a 1,020 MW (nominal) combined-cycle electric generating station known as the CPV Fairview Energy Center ("facility") to be located at 2862 William Penn Avenue, Johnstown, PA 15909, in Jackson Township, **Cambria County**. The facility will include two (2) GE 7HA.02 combustion turbines in a 2-on-1 combined-cycle arrangement equipped with heat recovery steam generators (HRSG) with supplemental 425 MMBtus/hr fired duct burners controlled by selective catalytic reduction and oxidation catalysts. The combustion turbine fuels will be natural gas and an ethane blend (25% ethane and 75% natural gas, by volume), with ultra-low sulfur diesel (ULSD) fuel as back-up. The duct burners will utilize natural gas and the ethane blend only. Ancillary sources

at the facility will include one (1) 92.4 MMBtus/hr natural gas-fired auxiliary boiler with ultra-low NO_x burners and flue gas recirculation, two (2) 1,500 ekW ULSD-fired emergency generator engines, one (1) 422-bhp ULSD-fired emergency fire pump engine, one (1) natural gas-fired dew point heater with maximum heat input of 12.8 MMBtus/hr, one (1) natural gas-fired dew point heater with maximum heat input of 3.2 MMBtus/hr, one (1) 1,000,000-gallon ULSD storage tank, and a 12-cell mechanical draft wet cooling tower with high-efficiency drift eliminator. Fugitive emissions sources will include eight (8) sulfur hexafluoride insulated circuit breakers; natural gas and ethane blend metering, regulating, and associated piping components (valves, flanges, relief valves, and sampling connections, etc.); and plant roadways.

Annual potential to emit from the facility will not equal or exceed 241 tons of nitrogen oxides (NO_x), 141 tons of carbon monoxide (CO), 33 tons of sulfur oxides (SO_x), 67 tons of volatile organic compounds (VOC), 11 tons of total hazardous air pollutants (HAPs), 1 ton of formaldehyde (HCHO), 137 tons of particulate matter (PM, filterable and condensable), 137 tons of particulate matter with an aerodynamic diameter less than 10 microns (PM₁₀, filterable and condensable), 136 tons of particulate matter with an aerodynamic diameter less than 2.5 microns (PM_{2.5}, filterable and condensable), 20 tons of sulfuric acid mist (H₂SO₄), 125 tons of ammonia, and 3,562,300 tons of greenhouse gases (GHGs) as carbon dioxide equivalents (CO₂e).

CPV's application for plan approval is subject to the Prevention of Significant Deterioration (PSD) requirements of 40 CFR 52.21, Nonattainment New Source Review (NSR) requirements of 25 Pa. Code Chapter 127 Subchapter E, and the requirement to meet Best Available Technology (BAT) pursuant to 25 Pa. Code § 127.1. The Department has determined that each proposed source at the facility meets best available control technology (BACT), lowest achievable emission rate (LAER), and BAT requirements.

The proposed sources are subject to the following New Source Performance Standards (NSPS): 40 CFR Part 60 Subpart Dc—Standards of Performance for Small Industrial-Commercial-Institutional Steam Generating Units, 40 CFR Part 60 Subpart IIII—Standards of Performance for Stationary Compression Ignition (CI) Internal Combustion Engines (ICE), and 40 CFR Part 60 Subpart KKKK—Standards of Performance for Stationary Combustion Turbines. The sources are also subject to the following National Emissions Standards for Hazardous Air Pollutants: 40 CFR Part 63 Subpart ZZZZ—National

Emissions Standards for Hazardous Air Pollutants for Stationary Reciprocating Internal Combustion Engines. The authorization is also subject to the applicable regulations of 25 Pa. Code Article III related to Air Resources. The plan approval has been conditioned to ensure compliance with all applicable rules and regulations and includes emissions restrictions, operational restrictions, testing, monitoring, recordkeeping, reporting, and work practice requirements. Once compliance with the plan approval is demonstrated, the applicant will subsequently apply for a Title V Operating Permit in accordance with 25 Pa. Code Subchapter G.

In accordance with the Prevention of Significant Deterioration (PSD) regulations in 40 CFR 52.21 and 25 Pa. Code § 127.83, CPV Fairview, LLC has conducted an air quality analysis which utilized dispersion modeling. CPV Fairview's air quality analysis satisfies the requirements of the PSD regulations and is consistent with the U.S. Environmental Protection Agency's (EPA) Guideline on Air Quality Models (40 CFR Part 51, Appendix W) and the EPA's air quality modeling policy and guidance. In accordance with 40 CFR 52.21(k), CPV Fairview's air quality analysis demonstrates that the proposed emissions the facility would not cause or contribute to air pollution in violation of the National Ambient Air Quality Standards (NAAQS) for carbon monoxide (CO), nitrogen dioxide (NO₂), particulate matter less than or equal to 2.5 micrometers in diameter (PM_{2.5}), or particulate matter less than or equal to 10 micrometers in diameter (PM₁₀). CPV Fairview's air quality analysis demonstrates that the proposed emissions from the facility would not cause or contribute to air pollution in violation of the increments for NO₂, PM_{2.5}, or PM₁₀.

In accordance with 40 CFR 52.21(o), CPV Fairview provided a satisfactory analysis of the impairment to visibility, soils, and vegetation that would occur as a result of the facility and general commercial, residential, industrial, and other growth associated therewith.

In accordance with 40 CFR 52.21(p), written notice of CPV Fairview's proposed facility has been provided to the Federal Land Managers of nearby Class I areas as well as initial screening calculations to demonstrate that the proposed emissions from CPV Fairview's facility would not adversely impact air quality related values and visibility in nearby Federal Class I areas.

In accordance with the public notice requirements in 25 Pa. Code § 127.45(b)(4), the degree of Class II and Class I increment consumption expected to result from the operation of CPV Fairview's facility is provided in the following tables:

Table 1—Degree of Class II Increment Consumption from Operation of CPV Fairview's Facility

In accordance with 40 CFR 52.21(l)(2), where an air quality model specified in the EPA's Guideline on Air Quality Models is inappropriate, the model may be modified on a case-by-case basis. Written approval of the EPA Regional Administrator must be obtained for the use of a modified model. In addition, the use of a modified model must be subject to notice and opportunity for public comment under procedures developed in accordance with 40 CFR 52.21(q). CPV Fairview's air quality analysis for nitrogen dioxide (NO₂) utilized the Ozone Limiting Method (OLM), which is currently implemented as a non-regulatory-default option within the EPA's recommended near-field dispersion model, the American Meteorological Society/Environmental Protection Agency Regulatory Model (AERMOD). In accordance with the recommendations under subsection 3.2 of the EPA's Guideline on Air Quality Models, the Department submitted a request to EPA Region III for approval of the use of the OLM in CPV Fairview's air quality analysis for NO₂ on January 6, 2016. The EPA Regional Administrator approved the Department's request on March 14, 2016. Pursuant to 25 Pa. Code §§ 127.44 and 127.83, and 40 CFR 52.21(l)(2) and (q), notice is hereby given that the Department is expressly soliciting written comments on the use of the OLM in CPV Fairview's air quality analysis for NO₂.

A person may oppose the proposed plan approval by filing a written protest with the Department or may submit written comments through Devin P. Tomko via the U.S. Postal Service to Pennsylvania Department of Environmental Protection, 400 Waterfront Drive, Pittsburgh, PA 15222; via email to dtomko@pa.gov; or via fax to 412-442-4194. Each protest or set of written comments must contain the name, address, and telephone number of the person submitting the comments, identification of the proposed Plan Approval (11-00536) and a concise statement of the objections to the plan approval issuance and the relevant facts upon which the objections are based.

CPV Fairview's plan approval application, the Department's Air Quality review memorandum, and the proposed Air Quality plan approval for the facility are available for review by any interested party at the Pennsylvania Department of Environmental Protection, Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. To request a review of the plan approval application, to receive an electronic copy of the Department's Air Quality review memorandum, or to receive an electronic copy of the Department's proposed Air Quality plan approval for the facility, a person may contact Phil Bouse at pbouse@pa.gov or 412-442-4000.

All comments must be received prior to the close of business 30 days after the date of this publication.

61-208A: Specialty Fabrication and Powder Coating Company (P.O. Box 790, Franklin, PA 16323) The Department intends to issue a plan approval to Specialty Fabrication and Powder Coating Company, for the construction and operation of a new paint process at their facility located in Sugarcreek Township, **Venango County**. An existing paint process will be removed in conjunction with this project.

Emissions from the surface coating process will be controlled through application technology and a booth exhaust media filter (pad style). SFPC will utilize high

volume low pressure (HVLP) gun technology assisted by electrostatic deposition. It is estimated the transfer efficiency achieved will exceed 85%. The condition of the filter used to control particulate from the booth will be monitored via pressure drop readings. This project also includes the installation of a makeup air heater unit and a batch oven, each used to assist in the drying of recently coated material. The makeup air heater unit will also assist in the application process keeping the operating temperature in the intended range of the coating product. Emissions from the facility will increase by an additional 0.1 tpy of VOC, 1.76 tpy of NO_x, 1.47 tpy of CO, and 0.13 tpy of PM. The current emission rate limits of the permit will not be increased. This facility will remain a natural minor facility not subject to Title V.

The Plan Approval will contain testing, recordkeeping, emission restriction, monitoring, reporting, and work practice requirements designed to keep the facility operating within all applicable air quality requirements.

Public notice is required for sources required to obtain a Plan Approval in accordance with 25 Pa. Code § 127.44. In accordance with 25 Pa. Code § 127.44(e)(1), all the pertinent documents regarding this application (applications, review memos, and draft approvals) are also available for review from 8:00 a.m. to 4:00 p.m. at the Meadville Regional DEP office (Air Quality). MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed NPDES permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (Department) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH*		greater than 6.0; less than 9.0	
Alkalinity greater than acidity*			

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The limits for noncoal mining activities as provided in 25 Pa. Code Chapter 77 are pH 6 to 9 and other parameters the Department may require.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

In addition to BAT or WQBEL limits, coal and noncoal NPDES permits establish effluent limitations in the form of implemented Best Management Practices (BMPs) identified in the associated Erosion and Sedimentation Plan, the Reclamation Plan and the NPDES permit application. These BMPs restrict the rates and quantities of associated pollutants from being discharged into surface waters in this Commonwealth.

More restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining that may occur are incorporated into an NPDES permit when necessary for compliance with water quality standards and antidegradation requirements (in accordance with 25 Pa. Code Chapters 91—96).

The procedures for determining the final effluent limits, using a mass-balance equation or model, are found in Technical Guidance Document 563-2112-115, Developing National Pollutant Discharge Elimination System (NPDES) Permits for Mining Activities. Other specific factors to be considered include public comments and Total Maximum Daily Load(s). Additional discharge limitations may apply in the event that unexpected discharges occur.

Discharge rates for surface mining activities are precipitation driven. Discharge rates for proposed discharges associated with underground mining are noted in the permit description.

Persons wishing to comment on an NPDES draft permit should submit a written statement to the Department at the address of the district mining office indicated before each draft permit within 30 days of this public notice. Comments received within the comment period will be considered in the final determinations regarding the NPDES permit applications. Comments must include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests or petitions for a public hearing on NPDES permit applications, as provided in 25 Pa. Code § 92a.82(d). The request or petition for a public hearing shall be filed within 30 days of this public notice and contain the name, address, telephone number and the interest of the party filing the request, and state the reasons why a hearing is warranted. A public hearing may be held if the Department considers the public interest significant. If a hearing is scheduled, a notice of the hearing on the NPDES permit application will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. When a public hearing is held, the Department will consider comments from the public hearing in the final determination on the NPDES permit application.

The project is located within the Burgettstown and Clinton USGS 7 1/2 Minute Quadrangle Maps. The project will include installation of five 20-inch welded steel gathering lines approximately 12,600 feet in length. The project is a Joint Permit Application due to the crossing of a wetland which is greater than 10 acres on National Wetland Inventory maps. The project will result in two (2) wetland crossings and three (3) watercourse crossings, resulting in a total of 5,897 ft² of temporary wetland impacts and 260 linear feet of temporary stream impacts.

Each of the following crossings will be crossed by the five (5) pipes mentioned above using the open trench method:

E30-07-013: Alpha Shale Resources, LP, 400 Woodcliff Drive, Canonsburg, PA 15317 Project Location—Wayne Township, **Greene County**, ACOE Pittsburgh District.

Alpha Shale Resources, L.P., plans to construct and maintain a 15 feet wide by 291 feet long graveled access road off of an existing access road to DD-11 Well which is off of Oak Forest Road (State Route 3013). The proposed access road will be for access to a proposed 300 feet wide by 450 feet long Well Pad for the purpose of drilling deep gas wells. Stormwater runoff from the site will drain into unnamed tributaries to Tustin Run, Tustin Run, and one unnamed tributary to Bells Run. The aforementioned streams are designated as Warm Water Fishes per Pa. Code Chapter 93 and are located Dunkard Creek Watershed which is part of the Dunkard and Whitely Creeks PA State Water Plan. The planned construction activities associated with this site currently involves impacts to a total of 11,761.2 square feet of existing Wetlands and an Ephemeral Stream within its proposed limits of disturbance. A total of 21.7 Acres of land and earth disturbance will be used to construct this project site. Currently, there is no Active Well and/or Active Well permit associated with this project site location.

The project is a Joint Permit Application due to the proposed project not meeting the terms and conditions of a General Permit. The project will result in 143.5 linear feet of permanent stream impact and 0.267 acre of Permanent Wetland Impacts.

The attached table describes the total impact for the permanent impacts to UNT Tustin Run and its associated floodway:

PUBLIC WATER SUPPLY PERMITS

The Department has taken the following actions on applications received under the Pennsylvania Safe Drinking Water Act (35 P.S. §§ 721.1—721.17) for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania AT&T Relay Service, (800) 654-5984. Appeals must be

filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once.

Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

A 10-year inspection plan is proposed based on need. Harmony Township will submit annual progress reports to the Department documenting the status of the SMP. The Department's review of the sewage facilities update revision has not identified any significant environmental impacts resulting from this proposal.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995
PREAMBLE 2

The following plans and reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907).

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.301—6026.308) require the Department to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, contact the environmental cleanup program manager in the Department regional office under which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

The Department has received the following plans and reports:

Northeast Region: Eric Supey, Environmental Cleanup & Brownfields Program Manager, 2 Public Square, Wilkes-Barre, PA 18701-1915

Butyl-Methyl-Ether, Benzene, Toluene, Ethylbenzene, Cumene, 1,3,5-Trimethylbenzene, 1,2,4-Trimethylbenzene and Naphthalene from a heating oil release. The report is intended to document remediation of the site to meet the Statewide Health Standard.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995
PREAMBLE 3

The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907).

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the environmental cleanup program manager in the Department regional office under which the notice of the plan or report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

MODIFICATIONS OF RESIDUAL WASTE GENERAL PERMITS WMGR082

Permit Modification Issued under the Solid Waste Management Act, the Municipal Waste Planning, Recycling and Waste Reduction Act and Residual Waste Regulations for a General Permit to Operate Residual Waste Processing Facilities and the Beneficial Use of Residual Waste other than Coal Ash.

Central Office: Division of Municipal and Residual Waste, Rachel Carson State Office Building, 14th Floor, 400 Market Street, Harrisburg, PA 17106-9170.

General Permit Number WMGR082 is for the processing and beneficial use of steel slag, iron slag, and refractory bricks that were co-disposed with slag ("slag") as a construction material. The authorized processing is limited to magnetic separation of metallics and mechanical sizing and separation. Uses of slag as a construction material under this permit are limited to the following: as an ingredient in bituminous concrete; as aggregate; as base course; as subbase; and as antiskid material.

The general permit was amended to add the beneficial use of steel slag as an alkaline amendment at coal mining activity sites, abandoned mine lands as defined in 25 Pa. Code § 86.252, and in industrial site remediation or reclamation. The amendments also removed the limitation granted to only approve beneficial use of slag as a construction material to meet applicable Pennsylvania Department of Transportation (PennDOT) standards when a written statement is obtained from municipality or property owner is obtained indicating that the PennDOT standards are not applicable for the proposed project. General Permit Number WMGR082 was amended by Central Office on May 5, 2016.

FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The Department has taken the following actions on previously received permit applications, requests for Environmental Assessment approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341).

Except as otherwise noted, the Department has granted 401 Water Quality Certification certifying that the construction and operation described will comply with sections 301–303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311–1313, 1316 and 1317) and that the construction will not violate applicable Federal and State water quality standards.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501–508 and 701–704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania AT&T Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Actions on applications for the following activities filed under the Dam Safety and Encroachments Act (32 P.S. §§ 693.1–693.27), section 302 of the Flood Plain Management Act (32 P.S. § 679.302) and The Clean Streams Law and Notice of Final Action for Certification under section 401 of the FWPCA.

Income Limits and Co-payments for the Subsidized Child Care Program

This notice increases the income limits codified in 55 Pa. Code Chapter 3041, Appendix B (relating to co-payment chart family co-payment scale (based on the 2016 Federal Poverty Income Guidelines)) under 55 Pa. Code § 3041.107(b) (relating to availability and use of the Federal Poverty Income Guidelines). This increase is effective May 2, 2016.

Section 3041.107(b) of 55 Pa. Code requires the Department of Human Services to update the co-payment schedule in 55 Pa. Code Chapter 3041, Appendix B to reflect changes in the Federal Poverty Income Guidelines (FPIG). Effective May 2, 2016, the income guidelines for the subsidized child care program are being raised due to increases in the FPIG. Under section 408.3 of the Human Services Code (62 P.S. § 408.3), the co-payment schedule is adjusted to reflect the increases. Chapter 3041, Appendix B of 55 Pa. Code also establishes the family co-payment levels according to the family's computed annual income and lists the weekly family co-payment based on the annual family income.

The Department of Human Services (Department) is providing final notice of its continued funding of supplemental payments in Fiscal Year (FY) 2015-2016 to qualifying acute care general hospitals (hospitals) that provide a substantial portion of inpatient services to Pennsylvania Medical Assistance (MA) beneficiaries. The Department did not otherwise change the qualifying criteria or payment methodology for this payment from FY 2014-2015.

The Department published notice of its intent to continue funding these supplemental payments at 46 Pa.B. 827 (February 13, 2016). The Department received no public comments during the 30-day comment period and is implementing the change as described in its notice of intent.

GAME COMMISSION

Chronic Wasting Disease—Establishment of Disease Management Area 2 Antlerless Deer Permit Order # 3

Executive Order

Whereas, Chronic Wasting Disease (CWD) is an infectious and progressive neurological disease that is found in, and always proves fatal to, members of the family Cervidae (deer, elk or moose, and other susceptible species, collectively called cervids); and

Whereas, The specific cause of CWD is believed to be prions (abnormal infectious protein particles) that are known to be concentrated in the nervous system and lymphoid tissues of infected cervids; and

Whereas, There are no known treatments for CWD infection, no vaccines to protect against CWD infection, and no approved tests that can detect the presence of CWD in live cervids; and

Whereas, CWD has been designated a “dangerous transmissible disease” of animals by order of the Secretary of Agriculture under the provisions of the Domestic Animal Law (3 Pa.C.S. §§ 2301 et seq.) at 3 Pa.C.S. § 2321(d); and

Whereas, CWD is known to be transmissible from infected to uninfected cervids by contact with or ingestion of CWD-infected or contaminated cervid parts or materials; and

Whereas, CWD is of particular concern to the Commonwealth of Pennsylvania because it has the potential to have a detrimental impact on both Pennsylvania’s wild and captive cervid populations; and

Whereas, The Pennsylvania Department of Agriculture (PDA) has detected CWD in captive deer in Adams, Jefferson and York counties; and

Whereas, the Pennsylvania Game Commission (PGC) has also detected CWD in free-ranging deer in Bedford, Blair, Cambria and Fulton counties; and

Whereas, PDA and the PGC are signatories on the Commonwealth's CWD Response Plan; and

Whereas, The Game and Wildlife Code (Code) (34 Pa.C.S. §§ 101 et seq.) and regulations promulgated thereunder (58 Pa. Code §§ 131.1 et seq.) collectively provide broad authority to the PGC to regulate activities relating to the protection, preservation, and management of game and wildlife, including cervids; and

Whereas, 58 Pa. Code § 137.34 provides specific emergency authority to the Executive Director of the PGC to take actions to mitigate risk factors and to determine the prevalence and geographic distribution of CWD, including the authority to designate Disease Management Areas and also allow the taking of cervids without regard to established seasons and bag limits and methods of take; and

Whereas, Under this authority the PGC has established three Disease Management Areas (DMAs) in Adams and York counties, Pennsylvania; Bedford, Blair, Cambria, Franklin, Fulton, Huntingdon and Somerset counties, Pennsylvania; and Clearfield and Jefferson counties, Pennsylvania; referred to respectively as "DMA 1," "DMA 2" and "DMA 3" by Executive Order titled "Chronic Wasting Disease Response # 5" and dated May 11, 2016; and

Whereas, The PGC has determined that it is again necessary to increase the harvest of antlerless white-tailed deer within affected portions of the wildlife management units comprising DMA 2 in an effort to avert a population increase and commensurate enhanced risk of disease transmission within same; and

Whereas, Previous executive orders concerning the Establishment of Disease Management Area 2 Antlerless Deer Permits were issued by the Commission on May 29, 2014 and April 20, 2015.

Now Therefore, I, R. Matthew Hough, Executive Director of the Pennsylvania Game Commission, pursuant to the authority vested in me by the Code and regulations promulgated thereunder, do hereby order and direct the following:

1. *General:* This Order does hereby create and implement the DMA 2 Antlerless Deer Permit Program for the 2016/2017 hunting license/permit year. This program will make fourteen-thousand, five-hundred (14,500) permits available to eligible individuals to allow harvest of antlerless deer in DMA 2 during open white-tailed deer seasons in addition to established antlerless license allocations. However, a nominal number of permits may be issued above this permit allocation to accommodate the remaining number of mail-in applications that are awaiting processing at the end of the application period.

2. *Eligibility:* Only resident or non-resident individuals twelve (12) years of age or older that have previously acquired a valid general hunting license for the 2016/2017 hunting license year are eligible to make application for a DMA 2 Antlerless Deer Permit. Participants in the Mentored Youth and Mentored Adult Hunting Programs are ineligible to make application or participate in this program.

3. *Application:* The PGC will accept electronic or mail-in applications for DMA 2 Antlerless Deer Permits through its Outdoor Shop on a form supplied by the PGC. The PGC will process valid applications in the order that

they are received and thereafter mail successful applicants their permit, harvest ear tag, report card and related instructional literature.

a. *Required Information:* All application data fields on the form supplied by the PGC must be completed in full and include the applicant's CID number, first and last name, address and phone or email address.

b. *Cost:* DMA 2 Antlerless Deer Permits will be made available to eligible applicants at a flat cost of \$6.90 for both residents and non-resident applicants. Payment shall be made by credit card or by check or money-order made payable to the "Pennsylvania Game Commission."

c. *Application Drawing Schedule:* Resident and non-resident applications will be processed according to the following schedule until the allocation is fully exhausted:

i. *1st Round:* July 11th through July 31st, 2016. Only one (1) application per eligible applicant will be accepted.

ii. *2nd Round:* August 1st through August 14th, 2016. Only one (1) application per eligible applicant will be accepted. However, two (2) applications will be accepted from an eligible applicant that did not submit an application in the 1st Round.

iii. *3rd Round:* August 15th until the allocation is exhausted. Unlimited applications per eligible applicant will be accepted until allocation is fully exhausted.

4. *Permit Usage:* DMA 2 Antlerless Deer Permits may be used to harvest antlerless deer during any open hunting season for white-tailed deer (including antlered deer season) within the affected portion of each Wildlife Management Unit located within DMA 2. Permits must be signed, produced and possessed by the Permittee with all other licensing documentation anytime the Permittee is exercising the permit's privileges. Permits and their harvest tags are nontransferable and may not be possessed in the field by anyone other than the permittee whose name is represented on the permit or harvest tag. Immediately after harvest, before moving the carcass, the Permittee shall complete the DMA 2 Antlerless Deer Harvest Ear Tag associated with the permit and then attach the ear tag only to the ear of the carcass. Removal of High-Risk Parts of the carcass from DMA 2 is prohibited. See Executive Order titled "Chronic Wasting Disease Response # 5" and dated May 11, 2016 for more information.

5. *Reporting:* Positive or negative reporting, whichever is applicable, is required for all DMA 2 Antlerless Deer Permit holders. Permittees shall report a successful harvest within ten (10) days of a successful kill, otherwise permittees shall report negatively no later than February 7, 2017. Permittees may report electronically through PGC's Outdoor Shop or by the report card that is attached to the DMA 2 Antlerless Deer Permit. Failure to report as required is a violation of this Order and may result in criminal prosecution and/or render the offending Permittee ineligible to make application for this program the following year, should it be extended.

6. Permittees exercising any privilege granted by a DMA 2 Antlerless Deer Permit shall comply with all applicable arms, ammunition, methods of take, protective material (fluorescent orange) and any special licensing requirements pertaining to the open white-tailed deer hunting season then in effect within each applicable Wildlife Management Unit.

7. The requirements and restrictions of this Order are to be construed as separate from and in addition to any previous or future Executive Orders concerning the importation of high risk cervid parts from areas outside of this Commonwealth or response to CWD within the Commonwealth.

8. This Order shall not be construed in any manner to limit the PGC's authority to establish additional importation, exportation, possession, transportation or testing requirements on cervid parts or materials.

9. Nothing in this Order shall be construed to extend to the regulation of captive cervids held under 3 Pa.C.S. Chapter 27 (relating to the Domestic Animal Law) or the requirements of a lawful quarantine order issued by PDA.

10. The previous executive order concerning the Establishment of Disease Management Area 2 Antlerless Deer Permits issued on April 20, 2015 is hereby rescinded in its entirety and replaced by this Order.

11. This Order is effective immediately and shall remain in effect until rescinded or modified by subsequent order.

Given under my hand and seal of the Pennsylvania Game Commission on this 11th day of May, 2016.
