Part II

This part contains the
SUBJECT INDEX
for January—June 2019

This index to the *Pennsylvania Bulletin* covers the contents of issues published from January to June 2019. The next cumulative subject index will be published in October.

Title headings of the *Pennsylvania Code* are generally used to group documents published by executive and independent agencies. Agency and subject matter cross-references direct readers to major headings.

Court rules published in Titles 201—246 of the *Pennsylvania Code* are indexed at the chapter level.

Entries indicate the page where a document begins; permit entries under “Environmental Protection” indicate the page where the permit heading is shown.

The *Pennsylvania Bulletin* web site provides full text search capabilities at www.pabulletin.com/search.asp.

Following the subject index is a numerical codification guide of chapters and sections of the *Pennsylvania Code* affected by matters published in the *Pennsylvania Bulletin* from January to June 2019. This list will be published on the same quarterly and annual basis as the subject index.
