

# PROPOSED RULEMAKING

## FISH AND BOAT COMMISSION

[ 58 PA. CODE CH. 63 ]

### Fishing; General Fishing Regulations

The Fish and Boat Commission (Commission) proposes to amend Chapter 63 (relating to general fishing regulations) to read as set forth in Annex A. The Commission is publishing this proposed rulemaking under the authority of 30 Pa.C.S. (relating to Fish and Boat Code) (code). The proposed amendments update the Commission's display requirements for fishing licenses.

#### A. Effective Date

This proposed rulemaking, if approved on final-form rulemaking, will go into effect upon publication in the *Pennsylvania Bulletin*.

#### B. Contact Person

For further information on this proposed rulemaking, contact Wayne Melnick, Esq., P.O. Box 67000, Harrisburg, PA 17106-7000, (717) 705-7810. This proposed rulemaking is available on the Commission's web site at [www.fishandboat.com](http://www.fishandboat.com).

#### C. Statutory Authority

The proposed amendments to § 63.2 (relating to display of fishing license and verification of license purchase) are published under the statutory authority of section 2703(a) of the code (relating to possession and display of licenses).

#### D. Purpose and Background

The specific purpose and background of the proposed amendments is described in more detail under the summary of proposal.

#### E. Summary of Proposal

The Commission is constantly exploring new ways to provide greater convenience for anglers and boaters. In recent years, anglers have remarked that the Commission's requirement to display fishing licenses on an outer garment is antiquated and often inconvenient, particularly when an angler is purchasing a license online on relatively short notice and does not have a license holder. Another common complaint is that due to the display requirement, anglers often lose their license after it becomes unattached somewhere along a stream or on a boat. In these situations, the angler then incurs the added cost of purchasing a duplicate license.

Nationwide, Pennsylvania is one of only three states to still require the display of a fishing license, along with Delaware and New Jersey. In 2012, the Game Commission removed the display requirement for hunting licenses, which has generally been well received by their customers. This change added more confusion for anglers and has led to complaints fielded by waterways conservation officers and regional staff. Removing the display requirement for fishing licenses would provide greater consistency between the two agencies, as many hunters are also anglers. This proposed rulemaking would also help facilitate the eventual purchase and storage of fishing licenses on mobile applications.

In looking at all aspects of removing the display requirement, the most obvious downside is that officers will need to do a field check on every angler since that will be the only way to verify whether or not someone has

a license. This practice may lead to more complaints from anglers who get checked multiple times throughout a season; however, this proposed rulemaking would allow anglers to continue displaying their license if they prefer. Additionally, the removal of the display requirement will not change the practice of giving a resident of this Commonwealth 7 days to provide proof of a license purchase when caught without a license in their possession.

A similar rulemaking was approved at the July 2017 Commission meeting. The proposed rulemaking was tabled shortly thereafter due to concerns from the Office of the Attorney General that the measure also allowed the display of licenses using a mobile device, which would require an amendment to 30 Pa.C.S. § 2710 (relating to form and expiration of licenses) removing the requirement for licenses to be signed "in ink." Commission staff are concurrently pursuing legislation to remove this provision so a mobile device may be used in the future. This proposed rulemaking would only remove the display requirement, not authorize display on a mobile device.

The Commission proposes that § 63.2 be amended to read as set forth in Annex A.

#### F. Paperwork

This proposed rulemaking will not increase paperwork and will not create new paperwork requirements.

#### G. Fiscal Impact

This proposed rulemaking will have no adverse fiscal impact on the Commonwealth or its political subdivisions.

#### H. Public Comments

Interested persons are invited to submit written comments, objections or suggestions about this proposed rulemaking to the Executive Director, Fish and Boat Commission, P.O. Box 67000, Harrisburg, PA 17106-7000, within 30 days after publication of this notice in the *Pennsylvania Bulletin*. Comments submitted by facsimile will not be accepted.

Comments also may be submitted electronically by completing the form at [www.fishandboat.com/regcomments](http://www.fishandboat.com/regcomments). If an acknowledgment of electronic comments is not received by the sender within 2 working days, the comments should be retransmitted to ensure receipt. **[ 58 PA. CODE CHS. 1001a AND 1201a—1209a ]**  
**Casino Simulcasting; Fantasy Contests**

The Pennsylvania Gaming Control Board (Board), under the general authority in 4 Pa.C.S. § 1202(b)(30) (relating to general and specific powers) and the specific authority in 4 Pa.C.S. §§ 311 and 13F06(a) (relating to general and specific powers of board; and regulations), publishes this proposed rulemaking governing casino simulcasting and fantasy contests to read as set forth in Annex A.

*Purpose of this Proposed Rulemaking*

This proposed rulemaking will provide Category 2, 3 and 4 casinos in this Commonwealth with the option to provide live simulcasting of horse racing and associated simulcast wagering as a gambling product in this Commonwealth and provides a regulatory oversight structure for the conduct of fantasy contests in this Commonwealth.

These latter provisions provide assurances of mechanisms to audit and assure proper payments of taxes, and fairness of wagering and patron dispute resolution.

*Subpart O. Fantasy Contests*

Subpart O (relating to fantasy contests) establishes the regulations necessary for the Board to license fantasy contest operators who make fantasy contests available through an Internet connection and through fantasy contest terminals in licensed gaming facilities, as well as of the principals and key employees of the licensed operators. In addition, Subpart O provides rules for player accounts, licensed operator duties and restrictions, and accounting and internal controls governing the con-

duct of fantasy contests. Finally, Subpart O addresses advertising, compulsive and problem gambling, and self-exclusion of players from fantasy contest activities in this Commonwealth.

Subpart O establishes a broad regulatory oversight structure for fantasy contests. Section 1201a.2 (relating to definitions) provides definitions of terms used throughout Subpart O for the conduct of fantasy contests.

This proposed rulemaking establishes the categories of licensees based upon the statutory criteria for licensure in 4 Pa.C.S. §§ 301—342 (relating to fantasy contests). Categories subject to licensure include fantasy contest operators and their principals and key employees, as well as licensed gaming entities which elect to receive a fantasy contest license permitting them to operate fantasy contest terminals within the facility and gaming service providers.

Chapter 1202a (relating to application requirements) establishes the application and general requirements under which fantasy contest operators, licensed gaming entities, principals, key employees and gaming service providers shall apply to the Board for approval to participate in the regulated conduct of fantasy contests.

Section 1205.3 (relating to fantasy contest accounts) sets forth the requirements for player fantasy contest accounts assuring age, location and identity verifications, funding of player accounts, password access, account options to restrict or limit play as elected by the player, and account withdrawal and closing procedures.

Section 1205a.4 (relating to fantasy contest licensed operator duties) imposes affirmative duties on fantasy contest operators to ensure compliance with statutory and regulatory mandates designed to assure integrity of the fantasy contests as well as safeguarding of player's information and assets. Section 1205a.5 (relating to fantasy contest licensed operator restrictions) sets forth restrictions on fantasy contest operations which provide a minimum age for players, limit the sports which can form the basis of fantasy contests, fulfill requirements that a player have established a verified account prior to play, prohibit the issuance of credit to a player and impose a host of restrictions designed to promote fairness in the play of fantasy contests. Section 1205a.6 (relating to licensed gaming entities) provides for licensed gaming entities to obtain fantasy contest terminals if desired. Section 1205a.7 (relating to record and data retention) addresses record and data retention requirements designed to enhance auditing and accountability.

Chapter 1206a (relating to accounting and internal controls) addresses the accounting and internal control

requirements for fantasy contest operators. Chapter 1206a requires submission to the Board and approval prior to beginning of play.

Chapter 1207a (relating to advertising) addresses advertising of fantasy contests and provides standards to prohibit false or misleading advertising, portraying minors in the advertisements, representing endorsements by sports prohibited from forming the basis of fantasy contest and marketing to persons on the self-exclusion list.

Chapter 1208a (relating to compulsive and problem gaming) requires signage providing information sources for those experiencing compulsive or problem gaming.

Chapter 1209a (relating to fantasy contest self-exclusion) establishes a self-exclusion procedure for individuals who voluntarily seek to be prohibited from playing fantasy contests.

#### *Fiscal Impact*

*Commonwealth.* The Board expects that this proposed rulemaking will have a very minimal fiscal impact on the Board and other Commonwealth agencies, which primarily is the result of the need for some additional personnel to process applications and review, as well as to monitor and regulate the conduct of fantasy contests. Most of the additional duties will be absorbed by existing Board staff. The costs of the proposed regulations will be paid for by an assessment against the licensed fantasy contest operators' fantasy contest adjusted revenue as determined by the Department of Revenue.

*Political subdivisions.* This proposed rulemaking will not have fiscal impact on political subdivisions of this Commonwealth.

*Private sector.* This proposed rulemaking will not have a fiscal impact on the private sector other than for those who elect to participate in fantasy contests by an eligible fantasy contest operator.

If pursued, there will be licensing costs as set forth by 4 Pa.C.S. §§ 301—342. Otherwise, additional costs to operators will likely be negligible since fantasy contests are currently operated in other regulated jurisdictions or in unregulated jurisdictions. Any costs incurred to operate fantasy contests in this Commonwealth should be offset by the operator proceeds of the fantasy contests.

*General public.* This proposed rulemaking will not have fiscal impact on the general public.

#### *Paperwork Requirements*

A Category 2, 3 or 4 casino licensee that wishes to offer casino simulcasting at its facility will be required to file a petition with the Board providing information regarding the proposed simulcasting area and equipment, security and surveillance, as well as updated accounting and internal control protocols. In addition, applications for licensure for any individuals to conduct and oversee the simulcast wagering will be submitted to the Board, either in paper form or electronically.

A fantasy contest licensed operator, licensed gaming entity, gaming service provider, and principals and key employees thereof involved in the provision of fantasy contests in this Commonwealth will be required to file applications with the Board providing information regarding the person's proposed activity, as well as accounting and internal control protocols and background information of each individual sufficient to permit the Board to determine the individual's suitability for licensure.

Individuals wishing to join the fantasy self-exclusion list may do so online on the Board's web site at [www.pahq.com](http://www.pahq.com).
