READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND THE PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published weekly. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. It is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations, Statewide court rules, and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, rescission, repeal or emergency action, must be published in the *Pennsylvania Bulletin*.

The following documents are published in the *Pennsylvania Bulletin*: Governor's Executive Orders; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or rescind regulations must first publish in the *Pennsylvania Bulletin* a Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. A Final Rulemaking must be published in the *Pennsylvania Bulletin* before the changes can take effect. If the agency wishes to adopt changes to the Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the Pennsylvania Bulletin

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies, Statewide court rules and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes when they are adopted. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code* § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government.

How to Find Rules and Regulations

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacodeandbulletin.gov.

Source Notes give the history of regulations. To see if there have been recent changes not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm.

A quarterly List of *Pennsylvania Code* Sections Affected lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

The *Pennsylvania Bulletin* is available at www.pacodeandbulletin.gov.

Printing Format

Rules, Regulations and Statements of Policy in Titles 1—107 of the Pennsylvania Code

Text proposed to be added is printed in **underscored bold face**. Text proposed to be deleted is enclosed in brackets [] and printed in **bold face**.

Proposed new chapters and sections are printed in regular type to enhance readability. Final rulemakings and statements of policy are printed in regular type.

Ellipses, a series of five asterisks, indicate text that is not amended.

In Proposed Rulemakings and proposed Statements of Policy, existing text corresponds to the official codified text in the *Pennsylvania Code*.

Court Rules in Titles 201—246 of the Pennsylvania Code

Added text in proposed and adopted court rules is printed in **underscored bold face**. Deleted text in proposed and adopted court rules is enclosed in brackets [] and printed in **bold face**.

Proposed new chapters and rules are printed in regular type to enhance readability.

Ellipses, a series of five asterisks, indicate text that is not amended.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires the Governor's Budget Office to prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions and authorities receiving money from the State Treasury. The fiscal note states whether the action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions. The fiscal note is required to be published in the *Pennsylvania Bulletin* at the same time as the change is advertised.

A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; and (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years. In item (8) the recommendation, if any, made by the Secretary of the Budget is published with the fiscal note. "No fiscal impact" means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended. See 4 Pa. Code Chapter 7, Subchapter R (relating to fiscal notes).

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish information except as provided by 1 Pa. Code § 3.44:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the [Legislative Reference] Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

BUCKS COUNTY

Rescission of Orphans' Court Rule 4.7A

Order

And Now, this 28th day of June, 2021, Bucks County Orphans' Court Rule No. 4.7A is rescinded, effective immediately.

Pursuant to Pa.O.C. Rule No. 4.7(a), both express authorization by the Court and promulgation of a local procedural rule governing electronic filing shall be required prior to the Clerk of the Orphans' Court implementing any electronic filing system.

By the Court

WALLACE H. BATEMAN, Jr.,
President Judge

[Pa.B. Doc. No. 21-1076. Filed for public inspection July 9, 2021, 9:00 a.m.]

SUPREME COURT

Reaccreditation of the Pennsylvania Bar Association Workers' Compensation Law Section as a Certifying Organization for Workers' Compensation Law; No. 212 Disciplinary Rules Doc.

Order

Per Curiam

And Now, this 24th day of June, 2021, having considered the recommendation of the Pennsylvania Bar Association Review and Certifying Board, the PBA Workers' Compensation Law Section is hereby reaccredited as a certifying organization for workers' compensation law for a period of five (5) years beginning January 12, 2022.

[Pa.B. Doc. No. 21-1077. Filed for public inspection July 9, 2021, 9:00 a.m.]

SUPREME COURT

Sessions of the Supreme Court of Pennsylvania for the Year 2022; No. 545 Judicial Administration Doc.

Amended Order

Per Curiam:

And Now, this 24th day of June, 2021, it is hereby ordered that the order entered at No. 545 Judicial Administration Docket on December 31, 2020, listing the argument/administrative sessions of the Supreme Court of Pennsylvania for the year 2022 is amended¹ as follows:

Philadelphia (Administrative Session)	February 1st
Harrisburg	March 7th through March 11th
Harrisburg (Administrative Session)	March 22nd
Pittsburgh	April 11th through April 14th
Philadelphia	May 16th through May 20th
Pittsburgh (Administrative Session)	June 7th
Philadelphia	September 12th through September 15th
Pittsburgh	October 24th through October 28th
Harrisburg	November 28th through December 2nd

Additional argument/administrative sessions may be scheduled as the Court deems necessary.

[Pa.B. Doc. No. 21-1078. Filed for public inspection July 9, 2021, 9:00 a.m.]

¹ Amendments reflected in bold font.

RULES AND REGULATIONS

Title 25—ENVIRONMENTAL PROTECTION

ENVIRONMENTAL QUALITY BOARD

[25 PA. CODE CH. 93]

Water Quality Standards; Class A Stream Redesignations

The Environmental Quality Board (Board) amends Chapter 93 (relating to water quality standards). The amendments will modify the drainage lists in §§ 93.9d, 93.9f, 93.9j—93.9m, 93.9p—93.9r and 93.9t to read as set forth in Annex A. The purpose of this final-form rulemaking is to update the designated uses so that the surface waters of this Commonwealth are afforded the appropriate level of protection. This final-form rulemaking fulfills the Commonwealth's obligations under State and Federal law to review and revise, as necessary, water quality standards that are protective of surface waters.

This final-form rulemaking was adopted by the Board at its meeting of November 17, 2020.

A. Effective Date

This final-form rulemaking will be effective upon publication in the *Pennsylvania Bulletin*. Once approved by the United States Environmental Protection Agency (EPA), water quality standards are used to implement the Federal Clean Water Act (CWA) (33 U.S.C.A. §§ 1251—1388).

B. Contact Persons

For further information, contact Gary Walters, Bureau of Clean Water, 11th Floor, Rachel Carson State Office Building, P.O. Box 8774, 400 Market Street, Harrisburg, PA 17105-8774, (717) 787-9637; or Michelle Moses, Assistant Counsel, Bureau of Regulatory Counsel, 9th Floor, Rachel Carson State Office Building, P.O. Box 8464, Harrisburg, PA 17105-8464, (717) 787-7060. Persons with a disability may use the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users). This final-form rulemaking is available on the Department of Environmental Protection's (Department) web site at www.dep.pa.gov (select "Public Participation," then "Environmental Quality Board" and then the meeting date described previously when the final-form rulemaking was adopted by the Board).

C. Statutory and Regulatory Authority

This final-form rulemaking is being made under the authority of sections 5(b)(1) and 402 of The Clean Streams Law (35 P.S. §§ 691.5(b)(1) and 691.402), which authorize the Board to develop and adopt rules and regulations to implement The Clean Streams Law (35 P.S. §§ 691.1—691.1001), and section 1920-A of The Administrative Code of 1929 (71 P.S. § 510-20), which grants the Board the power and duty to formulate, adopt and promulgate rules and regulations for the proper performance of the work of the Department. In addition, sections 101(a)(2) and 303(c)(2)(A) of the CWA (33 U.S.C.A. §§ 1251(a)(2) and 1313(c)(2)(A)) set forth requirements for water quality standards.

D. Background and Purpose

The purpose of developing water quality standards is to protect the Commonwealth's surface waters. The Com-

monwealth's surface waters, through the water quality standards program, are protected for a variety of uses including: aquatic life; water supply uses as drinking water supplies for humans, livestock, and wildlife, irrigation for crops, turf, and other horticultural activities, and industrial water supplies; fish consumption; recreation; and special protection. The purpose of this final-form rulemaking is to update the designated uses so that the surface waters of this Commonwealth are afforded the appropriate level of protection.

Section 5 of The Clean Streams Law instructs the Department to consider water quality management and pollution control in the watershed as a whole, and the present and possible future uses of waters when adopting rules and regulations. In addition to these requirements, the Commonwealth has responsibilities under the CWA that require water quality standards to be reviewed and approved by the EPA for consistency with the mandates under that act. Section 101(a)(2) of the CWA establishes the National goal that wherever attainable, water quality should provide for the protection and propagation of fish, shellfish, and wildlife and for recreation in and on the water. Section 303(c)(2)(A) requires water quality standards to include designated uses of waters, taking into consideration their use and value for public water supplies, propagation of fish and wildlife, recreational purposes, and agricultural, industrial and other purposes. Section 303(d)(4)(B) establishes an antidegradation policy for waters where the quality of the water equals or exceeds levels necessary to protect the designated uses for surface waters. The designated uses included in this final-form rulemaking are consistent with these State and Federal statutory mandates.

Water quality standards are instream water quality goals that are implemented by imposing specific regulatory requirements (such as treatment requirements, effluent limits, and best management practices (BMP)) on individual sources of pollution. Section 303(c)(1) of the CWA requires states to periodically review and revise, as necessary, their water quality standards. Water quality standards include designated uses, numeric and narrative criteria to protect those uses, and antidegradation requirements for surface waters. These amendments are the result of new information presented for stream evaluations of the designated uses.

The Department may identify candidate streams for redesignation of uses during routine waterbody investigations. Requests for consideration may be initiated by other agencies, or members of the public may submit a rulemaking petition to the Board. These amendments are the result of stream evaluations conducted by the Department in response to a submittal of data from the Fish and Boat Commission (PFBC) under § 93.4c (relating to implementation of antidegradation requirements).

In this final-form rulemaking, redesignations rely on § 93.4b(a)(2)(ii) (relating to qualifying as High Quality or Exceptional Value Waters) to qualify streams for High Quality (HQ) waters designations based upon their classifications as Class A wild trout streams. A surface water that has been classified a Class A wild trout stream by the PFBC, based on species-specific biomass standards in 58 Pa. Code § 57.8a (relating to Class A wild trout streams), and following public notice and comment, qualifies for HQ designation. The PFBC published notice and requested comments on the Class A classification of these

streams. The Commissioners of the PFBC approved these waters after public notice and comment. Department staff conducted an independent review of the trout biomass data in the PFBC's fisheries management reports for the streams requested for redesignation. This review was conducted to ensure that the HQ criteria were met, but also to determine if additional information was available to make more comprehensive redesignation recommendations, as appropriate.

Prior to rulemaking, the Department has an obligation to provide existing use protection when data indicates that a surface water attains or has attained an existing use. Section 93.1 (relating to definitions) defines "existing uses" as "those uses actually attained in the water body on or after November 28, 1975, whether or not they are included in the water quality standards." Section 93.4c requires the Department to make a final determination of existing uses protection for the surface water as part of a final permit or approval action. During a review of a permit application and a draft permit, interested persons may provide the Department with additional information regarding existing uses protection for the surface water. The Department also presents available information in draft stream evaluation reports and makes the reports available for public comment.

Where the existing uses are different than the designated uses for a surface water, the water body will immediately receive the highest protection identified by either the attained uses or the designated uses. For example, if the designated use of a stream is listed as Cold Water Fishes (CWF) but the Department's evaluation of available existing use information indicates that the water attains the use of HQ-CWF, the stream would be protected for this HQ-CWF existing use through a permit or final action, prior to a rulemaking. A stream redesignation proposal will then be initiated through the rulemaking process to match the existing uses with the designated uses in the drainage lists found in §§ 93.9a—93.9z.

By protecting the water uses, and the quality of the water necessary to maintain the uses, benefits may be gained in a variety of ways by all citizens of this Commonwealth. For example, clean water used for drinking water supplies benefits the consumers by lowering drinking water treatment costs and reducing medical costs associated with drinking water-related illnesses. Clean surface waters also benefit the Commonwealth by providing for increased tourism and recreational use of the waters. Clean water provides for increased wildlife habitat and more productive fisheries. This final-form rulemaking benefits not only local residents but those from outside the areas affected by this final-form rulemaking who come to enjoy the benefits and aesthetics of outdoor recreation.

A copy of the stream evaluation report for these waterbodies is available on the Department's web site or from the contact persons listed in Section B of this preamble. Copies of the PFBC fisheries management reports for these streams and the PFBC's sampling protocols for wadeable streams are available on the Department's web site or from Gary Walters, whose address and telephone number are listed in Section B of this preamble. The data and information collected on these waterbodies support the Board's final-form rulemaking as set forth in Annex A.

This final-form rulemaking amends Chapter 93 and may affect persons who discharge wastewater into the

surface waters identified in Annex A or otherwise conduct activities which may impact these waters.

The regulation was adopted by the Board as a proposed rulemaking at its December 18, 2018, meeting, and was published at 49 Pa.B. 1367 (March 23, 2019) with a 45-day public comment period that closed on May 7, 2019. The Board held one public hearing on April 26, 2019, at the Department's Southcentral Regional Office in Harrisburg, Pennsylvania for the purpose of accepting comments on the proposed rulemaking. The Board received comments from 777 commenters including testimony from 2 witnesses at the public hearing and comments received from the Independent Regulatory Review Commission (IRRC). The comments received on the proposed rulemaking are summarized in section E.

The Board has considered all public comments received on the proposed rulemaking in preparing this final-form rulemaking.

E. Summary of Responses to Comments and Changes to the Proposed Rulemaking

Summary of responses to comments

The Board received 777 comments on the proposed rulemaking. Two of the commenters submitted their comments in the form of oral testimony at the public hearing. Following is a summary of the comments that were submitted and a summary of responses to the comments. Further details regarding the comments received and the complete responses can be found in the Comment and Response Document that is part of this final-form rulemaking.

Supportive Comments: There were 774 commenters who were supportive of the proposed rulemaking. The comments that indicated support of the rulemaking included many reasons. Some commenters stated their support of previous Class A rulemakings and encouraged the promulgation of regulations which would redesignate additional Class A streams to HQ-CWF. One commenter submitted 83 letters of support. Reasons for support of the rulemaking included the following stream protection benefits: the essential importance of the Commonwealth's aquatic resources; protection of headwaters and downstream uses; protection of the public trust and health of our communities; community benefits; recreational opportunities that provide enjoyment to water users; consistency with Article 1 Section 27 of the Pennsylvania Constitution (relating to declaration of rights; natural resources and the public estate); and the assurance of the continuation of beautiful scenery. One commenter commended the effort and another commenter acknowledged the collaborative work effort to complete this final-form rulemaking. There were many comments that discussed the economic benefits and the benefits to the public water supplies. One comment provided information that demonstrates protecting special protection waters is economically advantageous. One comment was appreciative that streams in the Lehigh and Schuylkill River watersheds, including Sixpenny Creek, were included in this final-form rulemaking. The Department responded to this tremendous groundswell of support by thanking the commenters and expressing the Department's gratitude for the supportive comments. The Department is grateful for the comment that included the economic resources that it can refer to when describing the economic benefits of redesignating streams to a more protective use.

Comments on Drainage List T: One comment pointed out that the proposed rulemaking needed clarification in the zone description for Quemahoning Creek between

Beaverdam Creek and Roaring Run in Drainage List T. This entry in Drainage List T has been corrected. In § 93.9t of Annex A, the zone description for this portion of the basin of Quemahoning Creek between Beaverdam Creek and Roaring Run now reads, "Basin, Beaverdam Creek to Roaring Run."

Comments on stream evaluations not included in this final-form rulemaking: One inquiry was received pertaining to the status of other stream evaluations, particularly the Perkiomen Creek. On March 18, 2014, the Board accepted the Department's recommendation to maintain the current stream designations of the Upper Perkiomen Watershed. The Board's decision is published at 44 Pa.B. 2142 (April 5, 2014).

Comments on whether some of the streams should have an expanded zone for redesignation: There were comments pertaining to how the Department arrived at its listing recommendations and questioning whether the Department was too narrow when recommending the zones for redesignation to HQ-CWF in the proposed rulemaking. Commenters requested re-evaluation of these certain recommendations and modification if appropriate. In response to these comments, the Department re-evaluated nine of its recommendations included in the proposed rulemaking. Additionally, the Department met with the PFBC to address these specific concerns. The Comment and Response Document prepared for this final-form rulemaking includes a discussion of the differences between the PFBC's Class A wild trout delineations and the additional factors the Department considers

when recommending HQ designations. The Department changed its recommendation to expand the HQ-CWF stream zones for seven streams based on the submission and discussion of additional data and information that supports the expansion of the zones to be redesignated. As a result, 13 more HQ-CWF stream miles, in total, are added to this final-form rulemaking (see Summary Table as follows).

In response to comments that requested a quantification of the potential economic or fiscal impact of any added HQ-CWF stream miles between the proposed and final-form rulemaking, the Department determined that there are no facilities that hold National Pollutant Discharge Elimination System (NPDES) permits in these newly added surface waters. There are 19 NPDES permitted facilities located on the streams of the reevaluated waters. No additional facilities are located on the expanded zones of these seven streams. The presence of these discharges does not preclude the attainment of the special protection status; therefore, the discharges may continue as long as the discharge characteristics remain the same. However, all discharges to special protection streams require individual permits. Besides any changes to the type of permit issued, there will be no immediate, additional economic or fiscal impact for the existing facilities as a result of the additional 13 miles of streams being redesignated to HQ-CWF. The economic benefits of these stream redesignations will be the same for all 222 miles of surface water that are being redesignated to HQ-CWF with this final-form rulemaking.

Summary Table: Stream Zones Expanded in Response to PFBC Comments

Changed Between Proposed and Final-Form Rulemaking: Class A Stream Redesignations Package

<i>Stream Name</i>	<i>Initial Designated Use</i>	<i>Zone Recommended by DEP at Proposed Rulemaking for HQ-CWF</i>	<i>Zone Recommended by DEP at Final-Form Rulemaking for HQ-CWF, MF</i>	<i>Description of Change</i>
<i>Drainage List D (§ 93.9d)</i>				
UNT 03913 to Lehigh River "Nis Hollow"	CWF, MF	Main Stem	Basin	Recommendation now includes the tributaries
Fireline Creek	CWF, MF	Main Stem, UNT 03907 to Mouth	Basin, except UNT 03907	Recommendation now includes the main stem above UNT 03907 and all of the tributaries in the entire basin except UNT 03907
<i>Drainage List K (§ 93.9k)</i>				
Glen Brook	CWF, MF	Main Stem, UNT 28087 to Foundryville Road	Basin	Recommendation now includes the main stem above UNT 28087 and below Foundryville Road; and also adding all tributaries to Glen Brook
<i>Drainage List L (§ 93.9l)</i>				
Gap Run	CWF, MF	Main Stem, Source to the sink hole at 40°51'59.0"N; 77°44'4.0"W	Basin, Source to the sink hole at 40°51'59.0"N; 77°44'4.0"W	Recommendation now includes the tributaries
Council Run	CWF, MF	Main Stem	Basin	Recommendation now includes the tributaries

<i>Stream Name</i>	<i>Initial Designated Use</i>	<i>Zone Recommended by DEP at Proposed Rulemaking for HQ-CWF</i>	<i>Zone Recommended by DEP at Final-Form Rulemaking for HQ-CWF or HQ-CWF, MF</i>	<i>Description of Change</i>
<i>Drainage List Q (§ 93.9q)</i>				
Spencer Creek	CWF	Main Stem	Basin	Recommendation now includes the tributaries
Benson Run	TSF	Main Stem	Basin	Recommendation now includes the tributaries

Comments relating to the Department’s application of the Class A Qualifier: A commenter suggested that the regulations allow redesignation of a stream to HQ based on trout biomass, alone, and no other factors. The regulations at § 93.4b(2)(ii) describe that if a stream has been classified as Class A by the PFBC following public notice and comment, then it qualifies for consideration in a redesignation to HQ, but first the data must be independently evaluated by the Department. The Board may rely upon the expertise of other agencies, but it must reserve for itself the final decision. The commenter went on to ask the Department whether or not it considers all of the qualifiers in Chapter 93 when reviewing a designated use. The Department will consider all special protection qualifiers in § 93.4b if the information, like a Class A Wild Trout Classification, is available. The Department will review the information and recommend the appropriate determinations. The Department may also evaluate special protection qualifications for stream reaches in the vicinity of a candidate stream that is under review.

Comments relating to conversion from river miles to latitude and longitude: One commenter was concerned with the decision to replace river miles with latitude and longitude in the Drainage Lists. The use of river miles is antiquated and often difficult to determine. Latitude and longitude can easily be gathered by anyone with a GPS enabled cellular phone or other device.

Comments relating to EV wetlands: Several comments were received which focused on designation of Exceptional Value Waters (EV) wetlands, as Chapter 105 (relating to dam safety and waterway management) provides guidelines for determining whether wetlands associated with wild trout streams should be classified as EV wetlands. The scope of this final-form rulemaking is streams, not wetlands. One comment recommended that the Department should list and map EV wetlands to assist the public during project permit application reviews. Additionally, the commenter recommended the use of remote sensing technologies for wetland delineations. Wetlands should be delineated in accordance with the Department’s statement of policy found at § 105.451 (relating to identification and delineation of wetlands—statement of policy), which recommends on-site methodologies. Another commenter was concerned that the Department’s regulations need to adequately protect these resources. Although wetlands are not the focus of this stream redesignation rulemaking, they are protected by Chapters 93 and 105.

Comments on the pace of the stream redesignation process: Oral testimony was received describing how the stream redesignation process had slowed down or stopped for 4 years but is now moving forward again. The work involved with stream redesignations had been ongoing during the 4-year span identified by the commenter. The

Department continuously monitors streams and collects samples, which take time to process in a lab, and gathers other relevant data associated with stream redesignation evaluations. Additionally, the Department incorporates a robust public review into every step of the evaluations.

Comments relating to undue burdens on critical infrastructure projects: The commenter states that this final-form rulemaking may cause undue burden on critical infrastructure projects that also provide benefits to the citizens of this Commonwealth. The example given by the commenter stated that if a stream used by a public water supplier is redesignated to HQ, then there is now an added burden associated with permitting. The commenter believes that when critical infrastructure which benefits the public (that is, electric or drinking water) is present, then the Department should factor in the ramifications associated with a change to the basin designation when making its recommendations for a change to the designated use. Section 4 of The Clean Streams Law (35 P.S. § 691.4) (regarding declaration of policy) states “the prevention and elimination of water pollution is recognized as being directly related to the economic future of the Commonwealth.” The purpose of this final-form rulemaking is to protect, through redesignations, surface waters having quality that exceeds levels necessary to support water uses identified in § 93.3 (relating to protected water uses). Chapter 93 provides a permittee with the opportunity to request relief for numeric permit limits by demonstrating a localized social or economic need for lowering water quality. The response explains the stream redesignation process and the use of the definitions and qualifications found in Chapter 93 to determine the appropriate level of protection for surface waters. Once the Department has determined that a stream is achieving a specific water use, the appropriate level of protection is afforded, and other factors are not considered unless they are specifically included with the definitions and qualifications found in the regulations. The commenter also remarked that the Department did an adequate job of discussing the benefits of the redesignation in the proposed rulemaking, however it fell short on its quantification of the cost. The response points out that the surface waters included in this final-form rulemaking for redesignation are currently meeting their existing uses; and therefore, the benefits of maintaining the water quality at a level commensurate with ensuring the continuation of those uses are already present, and as such those benefits can be easily measured. Conversely, any costs associated with this final-form rulemaking will not occur until a facility that currently discharges to a surface water changes the quantity or quality of the existing discharge, or when a new facility applies for a permit to discharge to these waters. Any immediate future costs associated with this final-form rulemaking will be in the form of permit requirements for permitting

and wastewater treatment for any new, additional or increased discharge. The response explains the difficulties of predicting the costs in this context.

Additionally, the commenter correctly states that once a stream is demonstrated to achieve the qualifications for special protection, the Department will require individual permit coverage for all NPDES permitted discharge activities. Coverage under a NPDES general permit is not permissible for discharges occurring in special protection waters. The commenter put forth a request that the Department should allow general permits to be used for discharges to HQ waters. The regulations at § 92a.54 (relating to general permits) discuss the eligibility requirements for general permits. The response explains that the regulations found in Chapter 92a (relating to National Pollutant Discharge Elimination System permitting, monitoring and compliance) are not a part of this final-form rulemaking. Individual permits are required in special protection waters because the existing quality of the waters must be protected and typically differs from stream to stream. Site-specific characteristics of the stream water quality are used to determine effluent limitations for discharges to a stream. This type of site-specific evaluation would not be assured or afforded through a general permit. Additionally, permittees must evaluate nondischarge alternatives and nondegrading technologies for a discharge and these evaluations do not result in standard conditions that apply to an industry sector. Lastly, the commenter states that permittees will be required to complete socioeconomic justifications (SEJ) for discharges. The regulations do not require an applicant to perform a SEJ for discharges; however, an applicant may choose to complete the analysis if the following cannot be achieved: (1) implementation of cost-effective and environmentally sound nondischarge alternatives; and (2) implementation of nondegrading technologies. The response explains that SEJs are never a requirement and gives some description of the SEJ process.

Changes to the Proposed Rulemaking

As discussed previously, the zones of 7 streams included in this final-form rulemaking were expanded in response to comments received, resulting in the redesignation of 13 additional stream miles as HQ-CWF waters. Another comment led to a change that clarifies the zone description for the basin of Quemahoning Creek between Beaverdam Creek and Roaring Run in Drainage List T.

The regulations finalized for the Triennial Review of Water Quality Standards became effective on July 11, 2020, were published at 50 Pa.B. 3426 (July 11, 2020). Those Chapter 93 amendments included a consolidation of the drainage lists. The proposed regulations of this final-form rulemaking, which also contained changes to the drainage lists, were developed while the Triennial Review rulemaking was under review. Because the consolidation was not finalized at the time of the development of the proposed regulations for this final-form rulemaking, the proposed regulations published at 49 Pa.B. 1367 were developed in conformance with the *Pennsylvania Code* in effect at that time. Due to the overlapped timing of these two rulemakings, both rulemakings affected some of the same sections: §§ 93.9d, 93.9j, 93.9k, 93.9l, 93.9p—93.9r. Changes made in this final rulemaking are based on the drainage lists that became effective on July 11, 2020, published at 50 Pa.B. 3426.

Finally, there are three instances where the Board is clarifying the coordinates for either the latitude or longi-

tude as they are written in the Drainage List. The first instance occurs in the Pohopoco Creek basin found in Drainage List D. The longitude found in the zone description for the entry which designates the portion of the basin between Wild Creek and UNT 64089 as CWF, MF has been corrected. The second occurrence is found two entries later in the entry for the upper portion of UNT 04088 basin. The longitude for the zone description of UNT 04088 to Pohopoco Creek has been corrected. The third instance is found in the entry for the headwaters of Tenmile Run in Drainage List K. The latitude in the zone description has been corrected.

F. Benefits, Costs and Compliance

Benefits

Overall, the Commonwealth, its citizens and natural resources will benefit from this final-form rulemaking because it provides the appropriate level of protection to preserve the integrity of existing and designated uses of surface waters in this Commonwealth. Protecting water quality provides economic value to present and future generations in the form of a clean water supply. Water uses in this Commonwealth include: water supplies for human consumption, wildlife, irrigation and industrial use; recreational opportunities such as fishing (also for consumption); water contact sports and boating; and aquatic life and special protection. Protection and maintenance of water quality ensures its future availability for all uses.

Increased property values are an economic and social benefit of clean water protected by this final-form rulemaking.

A reduction in toxics found in this Commonwealth's waterways may lead to increased property values for properties located near rivers or lakes. A study, *The Effect of Water Quality on Rural Nonfarm Residential Property Values*, (Epp and Al-Ani, *American Journal of Agricultural Economics*, Vol 61, No. 3 (Aug. 1979), pp. 529—534 (www.jstor.org/stable/1239441)), used real estate prices to determine the value of improvements in water quality in small rivers and streams in this Commonwealth. Water quality, whether measured in pH or by the owner's perception, has a significant effect on the price of adjacent property. The analysis showed a positive correlation between water quality and housing values. The study concluded that buyers are aware of the environmental setting of a home and that differences in the quality of nearby waters affect the price paid for a residential property.

A 2010 report from the Delaware Riverkeeper Network (www.delawareriverkeeper.org/sites/default/files/River_Values_Report_0.pdf) discusses a case study from the Maine Agricultural and Forest Experiment Station which compared waterfront property values based on whether the water that the homes faced was considered clean. Properties located near higher-quality waters had higher market value than if the waterbody was lower in water quality. It was shown in some cases that a decline in water quality can completely abate the market value premium associated with a home being a waterfront property.

A 2006 study from the Great Lakes region estimated that property values were significantly depressed in two regions associated with toxic contaminants (PAHs, PCBs and heavy metals). The study showed that a portion of the Buffalo River region (approximately 6 miles long) had depressed property values of between \$83 million and \$118 million for single-family homes, and between

\$57 million and \$80 million for multifamily homes as a result of toxic sediments. The same study estimated that a portion of the Sheboygan River (approximately 14 miles long) had depressed property values of between \$80 million and \$120 million as the result of toxics. "Economic Benefits of Sediment Remediation in the Buffalo River AOC and Sheboygan Rice AOC: Final Project Report," (<https://www.nemw.org/wp-content/uploads/2015/06/EconBenReport06.pdf>). While this study related to the economic effect of contaminated sediment in waters in the Great Lakes region, outside of this Commonwealth, the idea that toxic pollution depresses property values applies in this Commonwealth. A reduction in toxic pollution in this Commonwealth's waters has a substantial economic benefit to property values in close proximity to waterways.

Maintenance of abundant and healthy fish and wildlife populations and support for outdoor recreation are social and economic benefits of clean water protected by this final-form rulemaking.

Businesses in the recreation industry will be positively affected by this final-form rulemaking. The maintenance and protection of the water quality will ensure the long-term availability of Class A wild trout fisheries. Because the focus of this final-form rulemaking relates directly to the protection of fisheries, sportspersons in this Commonwealth will benefit by the preservation of the existing Class A fisheries. Protection of existing Class A wild trout streams protects self-sustaining angling opportunities and minimizes the need for the cost-intensive alternative of raising and stocking fish. The purpose of these stream redesignations is to preserve these resources for current and future sportspersons and other members of the public, which will continue to provide social and economic benefits in the local areas. As recreation demands increase in the future, the protection and maintenance of unique resources such as Class A wild trout waters will add economic value to the local areas and, importantly, will provide a valuable social function for outdoor recreation. Specific revenue-related benefits associated with outdoor trout fishing in this Commonwealth are outlined as follows.

The Center for Rural Pennsylvania prepared a report titled "Economic Values and Impacts of Sport Fishing, Hunting and Trapping Activities in Pennsylvania," (www.rural.palegislature.us/documents/reports/hunting.pdf) that examined such economic values and impacts between the years 1995 to 1997. The report provides a snapshot of how much money these sporting activities bring to the State and how they affect employment in rural areas. The report found that the total annual value of \$3.7 billion for sport fishing was almost three times the \$1.26 billion spent in travel costs to use fishing resources during the same 12-month period. The total net annual benefit to anglers was \$2.49 billion.

According to the "Angler Use, Harvest and Economic Assessment on Wild Trout Streams in Pennsylvania," (R. Greene, et al. 2005) (www.fishandboat.com/Fish/Fisheries/TroutPlan/Documents/WildTroutStreamAnglerUseCatchEconomicContribution.pdf), the PFBC collected information to assess the economic impact of wild trout angling in this Commonwealth during the 2004 regular trout season, April 17 through September 3, 2004. The PFBC found that angling on wild trout streams contributed over \$7.16 million to the Commonwealth's economy during the regular trout season in 2004.

According to the "2011 National Survey of Fishing, Hunting and Wildlife-Associated Recreation" (www.census.gov/prod/2012pubs/fhw11-nat.pdf) prepared by the United States Fish and Wildlife Service, there were approximately 1,101,000 anglers in this Commonwealth and 3,598,000 persons that participated in wildlife watching in the year 2011 within this Commonwealth. In addition, all fishing-related expenditures in the Commonwealth totaled \$485 million in 2011. Such expenditures include food and lodging, transportation and other expenses (that is, equipment rental, bait, cooking fuel). In 2011, wildlife watchers spent \$1.3 billion on activities in this Commonwealth. Expenditures include trip-related costs and equipment.

According to the Outdoor Recreation Industry Association, outdoor recreation in this Commonwealth generates 251,000 direct in-State jobs, \$8.6 billion in wages and salaries, and \$1.9 billion in State and local tax revenue. These figures include both tourism and outdoor recreation product manufacturing. The association reports that 56% of Commonwealth residents participate in outdoor recreation each year. (See Outdoor Industry Association (2017), "The Outdoor Economy: Take it Outside for American Jobs and a Strong Economy" (<https://outdoorindustry.org/resource/pennsylvania-outdoor-recreation-economy-report/>).

Southwick Associates prepared a report for the Theodore Roosevelt Conservation Partnership that analyzed the economic contribution of outdoor recreation in this Commonwealth. This 2018 report, "The Power of Outdoor Recreation Spending in Pennsylvania: How hunting, fishing, and outdoor activities help support a healthy state economy" (<http://www.trcp.org/wp-content/uploads/2018/12/TRCP-and-Southwick-PA-Economic-Analysis-12-6-18.pdf>), states that during 2016 there were more than 390,000 jobs supported by outdoor recreation activities in this Commonwealth, and for comparison, this is more than the number of jobs in this Commonwealth that supported the production of durable goods. Outdoor recreation had an economic contribution in the Commonwealth of almost \$17 billion in salaries and wages paid to employees and over \$300 million in Federal, State and local tax revenue.

Maintenance of the current green infrastructure along streams and the associated reduction in tax expenditures are social and economic benefits of clean water protected by this final-form rulemaking.

The findings of a 2014 Lehigh Valley Planning Commission report entitled Lehigh Valley Return on Environment demonstrates the benefits when clean water and natural areas are preserved (note that there are streams included in this regulation that flow in the Lehigh Valley). The report (www.lvpc.org/pdf/2014/ReturnOnEnvironment_Dec_18_2014.pdf) states, "the current green infrastructure along streams in the Lehigh Valley reduces tax dollars by avoiding more than \$110.3 million annually in expenditures for water supply (\$45.0 million), disturbance (flood) mitigation (\$50.6 million) and water quality (\$14.7 million)." The report describes investing in green infrastructure (that is, watershed conservation, forest buffers and wetlands construction) to improve water quality, which can be much more cost effective than more traditional gray infrastructure approaches (that is, pipes and treatment plants).

Savings in water filtration for downstream communities that rely on surface waters for water supplies and availability of unpolluted water for domestic, agricultural and industrial uses are benefits of clean water protected by this final-form rulemaking.

The Department identified 11 public water supply facilities with raw water intakes that are located no further downstream than 30 stream miles of those stream

sections for redesignation in this final-form rulemaking package. These 11 public water suppliers, which serve over 175,000 citizens, will benefit from this final-form rulemaking because their raw source water will be afforded a higher level of protection. This is an economic benefit because the source water treatment costs for the drinking water may be less costly to customers if less treatment is needed due to the high quality of the water in the stream. By maintaining cleaner water, public water suppliers will incur the benefits of lower water treatment costs. In addition, cleaner intake water will reduce consumer costs for purchasing clean drinking water.

Compliance costs

This final-form rulemaking is necessary to protect and maintain the existing water quality and effectively control discharges of pollutants into the affected streams. These amendments to Chapter 93 will not impose any new compliance costs on persons engaged in regulated activities under existing permits or approvals from the Department. Additional compliance costs may arise when permits or approvals are necessary for new or expanded regulated activities. The Department will implement the stream redesignations through permit and approval actions.

Persons adding or expanding a discharge to a stream may need to provide a higher level of treatment or additional BMPs to meet the designated and existing uses of the affected streams, which could result in higher engineering, construction or operating costs. Treatment costs and BMPs are site-specific and depend upon the size of the discharge in relation to the size of the stream and many other factors. The Department cannot accurately estimate such costs because of the variability associated with each discharge.

Any person proposing a new, additional or increased point source discharge to an HQ stream would need to satisfy the antidegradation requirements found at § 93.4c(b)(1). An applicant for any new, additional, or increased point source discharge to special protection waters must evaluate nondischarge alternatives and the applicant must use an alternative that is environmentally sound and cost-effective when compared with the cost of the proposed discharge. If a nondischarge alternative is not environmentally sound and cost-effective, an applicant for a new, additional or increased discharge must use the best available combination of cost-effective treatment, land disposal, pollution prevention and wastewater reuse technologies.

The permit applicant must demonstrate in the permit application that their new or expanded activities will not lower the existing water quality of special protection streams. If an applicant cannot meet these nondegrading discharge requirements, a person who proposes a new, additional or increased discharge to HQ waters is given an opportunity to demonstrate a SEJ for allowing lower water quality. The SEJ demonstration must show that the discharge is necessary to accommodate important economic or social development in the area in which the waters are located, and that other water uses will be supported. Discharge activities to special protection streams do not qualify for NPDES general permits, based on § 92a.54(a)(8), and therefore, require individual permits.

There are approximately 10,300 facilities across this Commonwealth that hold permits issued under Chapter 92a. This Statewide number of facilities includes NPDES permits for concentrated animal feeding operations, in-

dustrial wastewater, municipal separate storm sewer systems (MS4), sewage and industrial stormwater. Out of this Statewide total of approximately 10,300 permits, only 19 facilities currently hold active NPDES permits within the boundaries of the watersheds of the stream segments being redesignated in this final-form rulemaking.

The 19 NPDES discharges to waters affected by this final-form rulemaking include industrial wastewater, sewage, MS4s and industrial stormwater. Discharges in existence at the time of each relevant stream survey have been considered in the evaluation of the existing water quality of each relevant stream and the recommendation for redesignation to special protection. Since the presence of such discharge activities did not preclude the attainment of special protection status, the discharges may continue as long as the discharge characteristics—both quality and quantity—remain the same. Thus, redesignation to special protection does not impose any additional special treatment requirements on the existing discharges from these 19 NPDES permitted entities. However, discharge activities to special protection streams do not qualify for NPDES general permits and any general permit holders will need to apply for individual permits. The individual permits are necessary for antidegradation implementation to track any additional or increased discharges to a special protection water. Thirteen of the 19 permits will be converted from general permits to individual permits when they are reissued; 2 of the 19 permits are currently individual permits and will not be affected. The remaining four existing permitted discharges will not be affected unless there is a change to the quality or quantity of the permitted discharge.

There are thousands of general and individual NPDES permits for stormwater discharges associated with construction activities issued under Chapter 102 (relating to erosion and sediment control) that were not included in the preceding analysis of NPDES permits. These permits for stormwater discharges associated with construction activities were not included in the preceding permit counts because of the relatively temporary nature of these permits and permitted discharges. However, if a construction stormwater discharge permit was issued as a general permit, and if the permitted activity is not completed by the expiration date of the permit and the permittee seeks to renew, then the permit must be renewed as an individual permit. For stormwater discharges associated with construction activities, the administrative filing fee for an individual permit is \$1,500 and the administrative filing fee for a general permit is \$500, and both the individual permit and the general permit have an additional cost of \$100/acre of disturbed land, as set forth in § 102.6(b)(1) (relating to permit applications and fees). Additionally, when earth disturbance activities occur within the basins of the stream segments being redesignated in this final-form rulemaking, additional BMPs may be necessary to protect water quality under Chapter 102. For stormwater discharges associated with construction activities, a person with general permit coverage (for example, PAG-02 coverage) may continue to operate using the BMPs approved; however, if the earth disturbance activities are not completed upon renewal of coverage, then the person would need to seek an individual permit and may need to implement additional BMPs on the remainder of the area that will be disturbed.

A person proposing a new earth disturbance activity requiring a permit under Chapter 102 must comply with the antidegradation provisions, as applicable. In general, a person conducting earth disturbance activities that require a permit for which any receiving water is classi-

fied as HQ must evaluate nondischarge alternatives and antidegradation best available combination of technologies (ABACT) BMPs for both the construction and post construction phases of the activity. The E&S BMPs and their ABACT rating, if applicable, are identified in the Department's Erosion and Sedimentation Pollution Control Program Manual (www.depgreenport.state.pa.us/elibrary/GetFolder?FolderID=4680) and the Department's Alternative E&S and PCSM BMPs list (http://files.dep.state.pa.us/Water/BNPNSM/StormwaterManagement/ConstructionStormwater/Reviewed_Alternative_BMPs.pdf). Also, the Department may approve alternative BMPs that maintain and protect the existing water quality and water uses.

Where onlot sewage systems are planned, compliance with the sewage facilities planning and permitting regulations in Chapters 71, 72 and 73 (relating to the administration of Sewage Facilities Planning Program; administration of Sewage Facilities Permitting Program; and standards for onlot sewage treatment facilities) will continue to satisfy § 93.4c in the streams redesignated to HQ in this final-form rulemaking. Permit applicants for sewage facilities proposed to discharge to HQ waters who demonstrate SEJ at the sewage facilities planning stage need not redemonstrate SEJ at the discharge permitting stage. The SEJ demonstration process is available to sewage and nonsewage discharge applicants.

Local governments will most likely have additional costs associated with MS4 permitting requirements as a result of this final-form rulemaking. MS4 permittees that discharge to HQ streams, and that operate under a general permit (that is, PAG-13), will be required to obtain an individual permit when the permit is up for renewal. Any new, first-time MS4 permit applicants will be required to obtain individual permits for discharges. There is a difference in cost between the initial issuance of individual permits and general permits due to the increased staff time needed to review applications and provide implementation oversight associated with individual permits. An individual permit allows for the tailoring of a MS4s stormwater management program and its implementation of the minimum control measures. For MS4s, the annual fee is the same for a general permit and an individual permit.

More complete estimates of cost are discussed in the Regulatory Analysis Form, required under the Regulatory Review Act (71 P.S. §§ 745.1—745.14), that accompanies this final-form rulemaking.

Compliance assistance plan

This final-form rulemaking will not impose any new compliance requirements on persons engaged in regulated activities under existing permits or approvals from the Department. When applying for permits or approvals for new, additional or increased discharges, the Department will provide compliance assistance.

Paperwork requirements

This final-form rulemaking will not impose any new paperwork requirements on persons engaged in regulated activities under existing permits or approvals from the Department. When applying for permits or approvals for new, additional or increased discharges, additional information may need to be submitted to the Department as part of the permit application or approval request. As previously discussed, the permit applicant will complete an antidegradation analysis. The applicant will describe how the proposed activity will be conducted to maintain existing water quality. If water quality cannot be main-

tained, the applicant will describe a SEJ for the proposed activity. NPDES general permits are not available for discharges to these streams. Thus, an individual permit, and its associated paperwork, would be required.

G. Pollution Prevention

The Federal Pollution Prevention Act of 1990 (42 U.S.C.A. §§ 13101—13109) established a National policy that promotes pollution prevention as the preferred means for achieving state environmental protection goals. The Department encourages pollution prevention, which is the reduction or elimination of pollution at its source, through the substitution of environmentally friendly materials, more efficient use of raw materials, and the incorporation of energy efficiency strategies. Pollution prevention practices can provide greater environmental protection with greater efficiency because they can result in significant cost savings to facilities that permanently achieve or move beyond compliance. This regulation has incorporated the following pollution prevention incentives.

The water quality standards and antidegradation program are major pollution prevention tools because the objective is to prevent degradation by maintaining and protecting existing water quality and existing uses. Although the antidegradation program does not prohibit new or expanding wastewater discharges, nondischarge alternatives must be evaluated and are required to be used when environmentally sound and cost-effective. Nondischarge alternatives, when implemented, remove impacts to surface water and may reduce the overall level of pollution to the environment by remediation of the effluent through the soil. In addition, if no environmentally sound and cost-effective alternatives are available, discharges must be nondegrading except as provided in § 93.4c(b)(1)(iii).

H. Sunset Review

This final-form rulemaking will be reviewed in accordance with the sunset review schedule published by the Department to determine whether the regulations effectively fulfill the goals for which they were intended.

I. Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P.S. § 745.5(a)), on March 4, 2019, the Department submitted a copy of the notice of proposed rulemaking, published at 49 Pa.B. 1367, to IRRC and to the Chairpersons of the Senate and House Environmental Resources and Energy Committees for review and comment.

Under section 5(c) of the Regulatory Review Act, IRRC and the Committees were provided with copies of the comments received during the public comment period, as well as other documents when requested. In preparing the final-form rulemaking, the Department has considered all comments from IRRC, the House and Senate Committees and the public.

Under section 5.1(j.2) of the Regulatory Review Act, on April 14, 2021, the final-form rulemaking was deemed approved by the House and Senate Committees. Under section 5.1(e) of the Regulatory Review Act, IRRC met on April 15, 2021, and approved the final-form rulemaking.

J. Findings of the Board

The Board finds that:

(1) Public notice of proposed rulemaking was given under sections 201 and 202 of the act of July 31, 1968 (P.L. 769, No. 240) (45 P.S. §§ 1201 and 1202), known as the Commonwealth Documents Law and regulations pro-

mulgated thereunder at 1 Pa. Code §§ 7.1 and 7.2 (relating to notice of proposed rulemaking required; and adoption of regulations).

(2) A public comment period was provided as required by law. In addition, Board hearings were held. All comments were considered.

(3) This final-form rulemaking does not enlarge the purpose of the proposal published at 49 Pa.B. 1367.

(4) These regulations are necessary and appropriate for administration and enforcement of the authorizing acts identified in section C of this order.

K. Order of the Board

The Board, acting under the authorizing statutes, orders that:

(a) The regulations of the Department, 25 Pa. Code Chapter 93, are amended by amending §§ 93.9d, 93.9f, 93.9j—93.9m, 93.9p—93.9r and 93.9t to read as set forth in Annex A.

(b) The Chairperson of the Board shall submit this final-form regulation to the Office of General Counsel and the Office of Attorney General for approval and review as to legality and form, as required by law.

(c) The Chairperson shall submit this final-form regulation to IRRC and the Senate and House Environmental Resources and Energy Committees as required by the Regulatory Review Act.

(d) The Chairperson of the Board shall certify this final-form regulation and deposit them with the Legislative Reference Bureau, as required by law.

(e) This final-form regulation shall take effect immediately upon publication in the *Pennsylvania Bulletin*.

PATRICK McDONNELL,
Chairperson

Fiscal Note: Fiscal Note 7-548 remains valid for the final adoption of the subject regulations.

DEPARTMENT OF TRANSPORTATION

NOTICES

DEPARTMENT OF BANKING AND SECURITIES

Actions on Applications

The Department of Banking and Securities (Department), under the authority in the Banking Code of 1965 (7 P.S. §§ 101—2204), the Department of Banking and Securities Code (71 P.S. §§ 733-1—733-1203) and 17 Pa.C.S. (relating to Credit Union Code), has taken the following actions on applications received for the week ending June 29, 2021.

Under section 503.E of the Department of Banking and Securities Code (71 P.S. § 733-503.E), any person wishing to comment on the following applications, with the exception of branch applications, may file comments in writing with the Department of Banking and Securities, Bank Supervision or Credit Union and Trust Supervision (as applicable), 17 North Second Street, Suite 1300, Harrisburg, PA 17101-2290. Comments must be received no later than 30 days from the date notice regarding receipt of the application is published in the *Pennsylvania Bulletin*. The nonconfidential portions of the applications are on file at the Department and are available for public inspection, by appointment only, during regular business hours. To schedule an appointment, for banks (717) 783-8240 and for credit unions and trust companies (717) 783-2253. Photocopies of the nonconfidential portions of the applications may be requested consistent with the Department's Right-to-Know Law Records Request policy.

DEPARTMENT OF CONSERVATION AND NATURAL RESOURCES

Proposed Exchange of Property

The Department of Conservation and Natural Resources (Department), acting through the Bureau of Forestry (Bureau), and Alan Metzler are proposing to negotiate an exchange of property interests in Milford Township, Juniata County and Brown and Armagh Townships, Mifflin County.

The exchange would involve approximately 135 acres currently owned by Alan Metzler which is adjoining the Tuscarora State Forest. The Bureau intends to trade 118 acres in the Rothrock State Forest, which is bounded on its southern boundary by Alan Metzler. Alan Metzler is a partial owner of the tract that fully borders these State forest lands to the north. This parcel is a small narrow, peninsula of public lands that is surrounded by private lands and does not provide great opportunity for the public. The land to be acquired is surrounded on two sides by the Tuscarora State Forest and is adjacent to the Karl Guss State Forest Picnic Area. It is one of three tracts in an interior warrant completely surrounded by State forest. The only access to this tract is by State forest roads. The exchange will further consolidate public ownership of this forested landscape and is consistent with the Bureau's land acquisition goals.

As is the policy of the Department, the public is hereby notified of this exchange. A 30-day period for public inquiry or comment will be in effect beginning July 10, 2021, and ending August 8, 2021. Oral or written comments or questions concerning this proposed exchange may be addressed to Tom Stahl, Planning Section, Bureau of Forestry, P.O. Box 8552, Harrisburg, PA 17105-8552, thstahl@pa.gov, (717) 772-0268. Oral or written comments will become part of the official document used in the final decision process. Written documents are also available regarding the proposed land exchange by request.

If, in the duration of the 30-day comment period, a significant amount of public concern develops, the Secretary of the Department may schedule a public informational meeting.

CINDY ADAMS DUNN,
Secretary

[Pa.B. Doc. No. 21-1083. Filed for public inspection July 9, 2021, 9:00 a.m.]

DEPARTMENT OF EDUCATION

Tuition Calculation for Alcohol Recovery Schools

Under section 1405-A of the Public School Code of 1949 (code) (24 P.S. § 14-1405-A), the Department of Education (Department) has calculated the tuition rate for use in the alcohol recovery school identified by the Department.

The 2018-2019 final adjusted per-student tuition rate was calculated by multiplying the tuition rate legislated under section 1405-A of the code (\$20,000) by the percentage change in the Consumer Price Index (CPI) for the 12-month period ending September 30, 2017, of 2.2%.

The Department has established a 2018-2019 final adjusted per-student tuition rate of \$20,400 for the alcohol recovery school identified by the Department.

The 2019-2020 final adjusted per-student tuition rate was calculated by multiplying the 2018-2019 preliminary adjusted per-student tuition rate (\$20,440) by the CPI for the 12-month period ending September 30, 2018, of 2.3%.

The Department has established a 2019-2020 final adjusted per-student tuition rate of \$20,900 for the alcohol recovery school identified by the Department.

The 2020-2021 final adjusted per-student tuition rate was calculated by multiplying the 2019-2020 preliminary adjusted per-student tuition rate (\$20,910.12) by the CPI for the 12-month period ending September 30, 2019, of 1.7%.

The Department has established a 2020-2021 final adjusted per-student tuition rate of \$21,300 for the alcohol recovery school identified by the Department.

The 2021-2022 final adjusted per-student tuition rate was calculated by multiplying the 2020-2021 preliminary adjusted per-student tuition rate (\$21,265.59) by the CPI for the 12-month period ending September 30, 2020, of 1.4%.

The Department has established a 2021-2022 final adjusted per-student tuition rate of \$21,600 for the alcohol recovery school identified by the Department.

NOE ORTEGA,
Secretary

[Pa.B. Doc. No. 21-1084. Filed for public inspection July 9, 2021, 9:00 a.m.]

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Applications, Actions and Special Notices

APPLICATIONS

THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

APPLICATIONS FOR NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS AND WATER QUALITY MANAGEMENT (WQM) PERMITS UNDER THE CLEAN STREAMS LAW AND FEDERAL CLEAN WATER ACT

This notice provides information about persons who have applied to the Department of Environmental Protection (DEP) for a new, renewed, or amended NPDES or WQM permit, or a permit waiver for certain stormwater discharges, or have

submitted a Notice of Intent (NOI) for coverage under a General Permit. The applications and NOIs concern, but are not limited to, effluent discharges from sewage treatment facilities and industrial facilities to surface waters or groundwater; stormwater discharges associated with industrial activity (industrial stormwater), construction activity (construction stormwater), and municipal separate storm sewer systems (MS4s); the application of pesticides; the operation of Concentrated Animal Feeding Operations (CAFOs); and the construction of sewage, industrial waste, and manure storage, collection and treatment facilities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376). More information on the types of NPDES and WQM permits that are available can be found on DEP's website (visit www.dep.pa.gov and select Businesses, Water, Bureau of Clean Water, Wastewater Management, and NPDES and WQM Permitting Programs).

<i>Section</i>	<i>Category</i>
I	Individual and General WQM Permit Applications/NOIs Received, General NPDES Permit NOIs Received, and All Transfer and Minor Amendment Applications/NOIs Received
II	Individual NPDES Permits—New, Renewal, and Major Amendment Applications and Draft Permits for Discharges Relating to Sewage, Industrial Waste, Industrial Stormwater, MS4s, Pesticides and CAFOs
III	Individual NPDES Permit Applications for Discharges of Stormwater Associated with Construction Activity

Section I identifies the following applications and NOIs that have been received by DEP:

- Individual and General WQM Permit Applications Received—DEP provides a 15-day public comment period for Individual WQM Permit Applications for new and reissued permits. There is no public comment period for General WQM Permit NOIs.
- General NPDES Permit NOIs Received—There is no public comment period for General NPDES NOIs received.
- All Transfer and Minor Amendment Applications/NOIs Received—Transfer and Minor Amendment Applications/NOIs received for Individual and General WQM Permits and Individual and General NPDES Permits are identified but do not have public comment periods. DEP provides a 15-day public comment period for Individual WQM Permit Applications for amendments.

Additional information on these applications and NOIs may be reviewed by generating the “Applications and NOIs without Comment Periods Report” or, for Individual WQM Permit Applications, the “Applications Received with Comment Periods Report” on DEP's website at www.dep.pa.gov/CWPublicNotice.

Section II identifies individual NPDES permit applications received and draft permits issued by DEP relating to sewage, industrial waste, industrial stormwater, MS4s, pesticides and CAFOs. A 30-day public comment period applies to these applications, except when a site-specific water quality criterion is used to establish effluent limitations, in which case a 45-day public comment period applies. The period for comment may be extended at the discretion of the Department for one additional 15-day period. Additional information, including links to draft permits and fact sheets that explain the basis for DEP's tentative determinations may be reviewed by generating the “Applications Received with Comment Periods Report” on DEP's website at www.dep.pa.gov/CWPublicNotice. Notification of 15-day extensions for comment will be provided in the “Applications Received with Comment Periods Report” (Comments column).

Section III provides notice of applications and draft individual permits for stormwater discharges associated with construction activities. Where indicated, DEP has made tentative determinations, based on preliminary review, to issue permits subject to proposed effluent limitations consisting of best management practices identified in the erosion and sediment control (E&S) plans and post-construction stormwater management (PCSM) plans submitted with the applications, as well as other terms and conditions based on the permit applications. A 30-day public comment period applies to these applications.

Applications and NOIs may be reviewed at the DEP office that received the application or NOI. Contact information for each DEP office for Sections I & II is listed as follows. Contact information for Section III is available within the table. Members of the public are encouraged to use DEP's website to obtain additional information as previously discussed.

Comments received within the appropriate comment periods for WQM and NPDES permit applications will be retained by DEP and considered in the final determinations regarding the applications. A comment submittal should include the name, address and telephone number of the writer and a concise statement to inform DEP of the exact basis of a comment and the relevant facts upon which it is based.

DEP office contact information to review applications and NOIs in Sections I & II and to submit comments for those application and NOIs, when applicable, is as follows:

DEP Southeast Regional Office (SERO)—2 E. Main Street, Norristown, PA 19401-4915. File Review Coordinator: 484.250.5910. Email: RA-EPNPDES_SERO@pa.gov.

DEP Northeast Regional Office (NERO)—2 Public Square, Wilkes-Barre, PA 18701-1915. File Review Coordinator: 570.826.5472. Email: RA-EPNPDES_NERO@pa.gov.

DEP Southcentral Regional Office (SCRO)—909 Elmerton Avenue, Harrisburg, PA 17110. File Review Coordinator: 717.705.4732. Email: RA-EPNPDES_SCRO@pa.gov.

DEP Northcentral Regional Office (NCRO)—208 W. Third Street, Suite 101, Williamsport, PA 17701. File Review Coordinator: 570.327.3693. Email: RA-EPNPDES_NCRO@pa.gov.

DEP Southwest Regional Office (SWRO)—400 Waterfront Drive, Pittsburgh, PA 15222. File Review Coordinator: 412.442.4286. Email: RA-EPNPDES_SWRO@pa.gov.

DEP Northwest Regional Office (NWRO)—230 Chestnut Street, Meadville, PA 16335. File Review Coordinator: 814.332.6340. Email: RA-EPNPDES_NWRO@pa.gov.

DEP Bureau of Clean Water (BCW)—400 Market Street, Harrisburg, PA 17105. File Review Coordinator: 717.787.5017. Email: RA-EPNPDES_Permits@pa.gov.

DEP will also accept requests or petitions for public hearings on applications. The request or petition must indicate the interest of the party filing and the reasons why a hearing is warranted. A hearing will be held if the Department determines that there is a significant public interest. If a hearing is scheduled, a notice of the hearing will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. DEP will postpone its final determination until after a public hearing is held.

Persons with a disability who require an auxiliary aid, service, including TDD users, or other accommodations to seek additional information should contact the Department through the Pennsylvania Hamilton Relay Service at (800) 654-5984.

II. Individual NPDES Permits—New, Renewal, and Major Amendment Applications and Draft Permits for Discharges Relating to Sewage, Industrial Waste, Industrial Stormwater, MS4s, Pesticides and CAFOs.

Northcentral Regional Office

PA0232751, Sewage, SIC Code 4952, **Potter Township Centre County**, 124 Short Road, Spring Mills, PA 16875-9326. Facility Name: Potters Mills Central Treatment System. This existing facility is located in Potter Township, **Centre County**.

Description of Existing Activity: The application is for a renewal of an NPDES permit for an existing discharge of treated sewage.

The receiving stream(s), Sinking Creek (CWF, MF), is located in State Water Plan watershed 6-A and is classified for Cold Water Fishes and Migratory Fishes, aquatic life, water supply and recreation. The discharge is not expected to affect public water supplies.

The proposed effluent limits for Outfall 001 are based on a design flow of 0.014 MGD.

		Total Annual				

* This permit contains conditions which authorize the permittee to apply nutrient reduction credits to meet the Net Total Nitrogen and the Net Total Phosphorus effluent mass limits, under the Department's Chapter 96 regulations. The condition includes the requirement to report the application of these credits in Supplemental Discharge Monitoring Reports (DMRs) submitted to the Department.

You may make an appointment to review the DEP files on this case by calling the File Review Coordinator at 570-327-3693.

The EPA Waiver is not in effect.

Northeast Regional Office

PA0023558, Sewage, SIC Code 4952, **Ashland Borough Columbia & Schuylkill County**, 401 S 18th Street, Ashland, PA 17921-1748. Facility Name: Ashland Borough Wastewater Treatment Plant (WWTP). This existing facility is located in Ashland Borough, **Schuylkill County**.

Description of Existing Activity: The application is for a renewal of an NPDES permit for an existing discharge of treated sewage.

The receiving stream(s), Mahanoy Creek (WWF, MF), is located in State Water Plan watershed 6-B and is classified for Migratory Fishes and Warm Water Fishes, aquatic life, water supply and recreation. The discharge is not expected to affect public water supplies.

The proposed effluent limits for Outfall 001 are based on a design flow of 1.30 MGD.—Interim Limits.

The EPA Waiver is in effect.

Northwest Regional Office

PA0025755, Sewage, SIC Code 4952, **Freeport Borough**, 414 Market Street, Freeport, PA 16229-1122. Facility Name: Freeport Borough STP. This existing facility is located in Freeport Borough, **Armstrong County**.

Description of Existing Activity: The application is for a renewal of an NPDES permit for an existing discharge of treated sewage. This application also increases the discharge flow from 0.35 MGD to 0.60 MGD. This is a second draft of this NPDES permit renewal.

The receiving streams, the Buffalo Creek (TSF) and the Allegheny River (WWF), are located in State Water Plan watershed 18-F and are classified for Warm Water Fishes and Trout Stocking, aquatic life, water supply and recreation. The discharge is not expected to affect public water supplies.

The proposed effluent limits for Outfall 001 are based on a design flow of 0.35 MGD.—Interim Limits.

Sludge use and disposal description and location(s): Sludge is disposed of at an approved landfill.

In addition, the permit contains the following major special conditions:

- Maximizing Treatment at the Existing POTW
- Combined Sewer Overflows
- Compliance Schedule for Dissolved Oxygen (DO)
- Compliance Schedule for Total Residual Chlorine (TRC)
- Solids Management

* This permit contains conditions which authorize the permittee to apply nutrient reduction credits to meet the Net Total Nitrogen and the Net Total Phosphorus effluent mass limits, under the Department's Chapter 96 regulations. The condition includes the requirement to report the application of these credits in Supplemental Discharge Monitoring Reports (DMRs) submitted to the Department.

- The permittee is authorized to use 2,475 lbs/year as Total Nitrogen (TN) offsets toward compliance with the Annual Net TN mass load limitations (Cap Loads)

In addition, the permit contains the following major special conditions:

- Stormwater prohibition, approval contingencies, solids management, restriction on receipt of hauled in waste under certain conditions, WET testing requirements, stormwater conditions, combined sewer overflow condition, and pretreatment program implementation

You may make an appointment to review the DEP files on this case by calling the File Review Coordinator at 717-705-4732.

The EPA Waiver is not in effect.

The EPA Waiver is in effect.

PA0255891, Sewage, SIC Code 8800, **Consol PA Coal Co. LLC**, 1000 Consol Energy Drive, Canonsburg, PA 15317-6506. Facility Name: Consol PA Coal Vaneal Rd Properties SRSTP. This proposed facility is located in South Franklin Township, **Washington County**.

Description of Proposed Activity: The application is for a new NPDES permit for a new discharge of treated SRSTP sewage.

The receiving stream(s), Unnamed Tributary of Tenmile Creek (TSF), is located in State Water Plan watershed 19-B and is classified for Trout Stocking, aquatic life, water supply and recreation. The discharge is not expected to affect public water supplies.

The proposed effluent limits for Outfall 001 are based on a design flow of .0004 MGD.—Limits.

STATE CONSERVATION COMMISSION

PROPOSED NUTRIENT MANAGEMENT PLANS RELATED TO APPLICATIONS FOR NPDES PERMITS FOR CAFOs

This notice provides information about agricultural operations that have submitted nutrient management plans (NMPs) for approval under 3 Pa.C.S. Chapter 5 and that have or anticipate submitting applications for new, amended or renewed (National Pollutant Discharge Elimination System) NPDES permits, or Notices of Intent (NOIs) for coverage under a general permit, for CAFOs, under 25 Pa. Code Chapter 92a. This notice is provided in accordance with 25 Pa. Code Chapter 92a and 40 CFR Part 122, implementing The Clean Streams Law and the Federal Clean Water Act.

Based upon preliminary reviews, the State Conservation Commission (SCC) or County Conservation Districts (CCD) working under a delegation agreement with the SCC have completed an administrative review of NMPs described. These NMPs are published as proposed plans for comment prior to taking final actions. The NMPs are available for review at the CCD office for the county where the agricultural operation is located. A list of CCD office locations is available at <http://www.nacdnet.org/about/districts/directory/pa.phtml> or can be obtained from the SCC at the office address listed or by calling (717) 787-8821.

Persons wishing to comment on an NMP are invited to submit a statement outlining their comments on the plan to the CCD, with a copy to the SCC for each NMP, within 30-days from the date of this public notice. Comments received within the respective comment periods will be considered in the final determinations regarding the NMPs. Comments should include the name, address and telephone number of the writer and a concise statement to inform the SCC of the exact basis of the comments and the relevant facts upon which they are based. Comments should be sent to the SCC, Agriculture Building, Room 310, 2301 North Cameron Street, Harrisburg, PA 17110.

Persons with a disability who require an auxiliary aid, service, including TDD users or other accommodations to seek additional information should contact the SCC through the Pennsylvania Hamilton Relay Service at (800) 654-5984.

PUBLIC WATER SUPPLY PERMITS

Under the Pennsylvania Safe Drinking Water Act (35 P.S. §§ 721.1—721.17), the following parties have applied for PWS permits to construct or substantially modify public water systems.

Persons wishing to comment on permit applications are invited to submit statements to the office listed before the application within 30 days of this public notice. Comments received within this 30-day comment period will be considered in the formulation of the final determinations regarding an application. A comment should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held after consideration of comments received during the 30-day public comment period.

Following the comment period, the Department will make a final determination regarding the proposed permit. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The permit application and related documents are on file at the office listed before the application and available for public review. Arrangements for inspection and copying information should be made with the office listed before the application.

Persons with a disability that require an auxiliary aid, service or other accommodations to participate during the 30-day public comment period should contact the office listed before the application. TDD users may contact the Department through the Pennsylvania Hamilton Relay Service at (800) 654-5984.

SAFE DRINKING WATER

Applications Received Under the Pennsylvania Safe Drinking Water Act (35 P.S. §§ 721.1—721.17).

Southeast Region: Water Supply Management Program Manager, 2 East Main Street, Norristown, PA 19401.

Permit No. 1521511, Public Water Supply.

Applicant	Hotel Du Village 2535 River Road New Hope, PA 18938
Township	Solebury
County	Chester
Type of Facility	PWS
Consulting Engineer	J.S. Madaras Consulting, Inc. 250 Indian Lane Boyertown, PA 19512
Permit to Construct Issued	June 24, 2021

Northeast Region: Watershed Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, 570-826-2511.

Contact: Gillian Ostrum, Clerk Typist 2, 570-830-3077.

Application No. 1321503, Public Water Supply.

Type of Facility PWS

Consulting Engineer Thomas G. Pullar, P.E.
Earth-Res Group, Inc.
6912 Old Easton Rd.
Pipersville, PA 18947

Application Received Date June 15, 2021

Description of Action The applicant proposes the installation of a water softener with a capacity of 17 gpm.

Application No. 1321502, Public Water Supply.

Applicant **Blue Ridge Real Estate**
5 Blue Ridge Court
Kidder Township, PA 18610

Township and County Kidder Township
Carbon County

Responsible Official Mr. Bruce Beaty
President
Blue Ridge Real Estate
5 Blue Ridge Court
Kidder Township, PA 18610

Type of Facility PWS

Consulting Engineer Harry E. Garman, P.E.
Barry Isett & Associates
85 South Route 100
Allentown, PA 18106

Application Received Date June 17, 2021

Description of Action The purpose of this project is to design and construct treatment facilities for Well 2.

**LAND RECYCLING AND
ENVIRONMENTAL REMEDIATION
UNDER ACT 2, 1995
PREAMBLE 1**

**Acknowledgment of Notices of Intent to Remediate
Submitted Under the Land Recycling and Environmental
Remediation Standards Act (35 P.S.
§§ 6026.101—6026.908).**

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (Act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent (NOI) to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the background standard, Statewide health standard, the site-specific standard, or who intend to remediate a site as a special industrial area, must file a (NOI) to Remediate with the Department. A NOI to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site, and a description of the intended future use of the site. A person who demonstrates attainment of one, or a combination of the cleanup standards, or who receives approval of a special industrial area remediation identified under the Act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under Sections 304(n)(1)(ii) and 305(c)(2) of the Act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the NOI to Remediate is published in a newspaper of general circulation in the area of the site. For the following identified site(s), proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30-days of the following specified date. During this comment period the municipality may request that the following identified person, as the remediator of the site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of the site.

For further information concerning the content of a NOI to Remediate, please contact the Environmental

Cleanup Program Manager in the Department of Environmental Protection Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the Pennsylvania Hamilton Relay Service at (800) 654-5984.

The Department of Environmental Protection has received the following Notice(s) of Intent to Remediate:

Northeast Region: Environmental Cleanup & Brownfields Program Manager, 2 Public Square, Wilkes-Barre, PA 18701-1915, 570-826-2511.

Contact: Eric Supey, Environmental Program Manager.

Warner's Central Garage, 10 Hudsonale Street, Weatherly, PA 18255, Weatherly Borough, **Carbon County**. Barry Isett & Associates, 1170 Highway 315, Wilkes-Barre, PA 18702, on behalf of Mauch Chunk Trust Company, 1111 North Street, P.O. Box 289, Jim Thorpe, PA 18229, submitted a Notice of Intent to Remediate. Soil was contaminated with lead and hydrocarbons from historic fill. Future use of the site will be residential. The Notice of Intent to Remediate was published in *The Standard Speaker* on June 18, 2021.

Walker/Krohn Property, 2222 Kemmerer Street, Bethlehem, PA 18017, Bethlehem City, **Northampton County**. Keystone Consulting Engineers, 2870 Emrick Boulevard, Bethlehem, PA 18020, on behalf of Anne Walker, 2222 Kemmerer Street, Bethlehem, PA 18017, submitted a Notice of Intent to Remediate. Soil was contaminated by a release of heating oil from an underground storage tank. Future use of the site will be residential. The Notice of Intent to Remediate was published in *The Express Times* on June 17, 2021.

Cottrell Property, 4197 East Lake Road, New Milford, PA 18834, New Milford Township, **Susquehanna County**. Resource Environmental Management, 50 Maple Street, Montrose, PA 18801, on behalf of Charles Cottrell, 4197 East Lake Road, New Milford, PA 18834, submitted a Notice of Intent to Remediate. Soil was contaminated by a release of heating oil from an aboveground storage tank. Future use of the site will be residential. The Notice of Intent to Remediate was published in *The Susquehanna County Independent* on May 12, 2021.

OPERATE WASTE PROCESSING OR DISPOSAL AREA OR SITE

Application(s) Received Under the Solid Waste Management Act (35 P.S. §§ 6018.101—6018.1003), the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P.S. §§ 4000.101—4000.1904) and Regulations to Operate Solid Waste Processing or Disposal Area or Site.

Northwest Region: Christina Wilhelm, Regional Solid Waste Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

Permit Application No. 101592. Tri-County Transfer Station, 159 TCI Park Drive, Grove City, PA 16127, Pine Township, **Mercer County**. A permit renewal application was submitted to the Department to allow for another ten years of operation. The application was received by the Northwest Regional Office on June 8, 2021.

Comments concerning the application should be directed to Christina Wilhelm, Program Manager, Northwest Regional Office, 230 Chestnut Street, Meadville, PA

16335. Persons interested in obtaining more information about the general permit application may contact the Northwest Regional Office, 814-332-6848. TDD users may contact the Department through the Pennsylvania Hamilton Relay Service, (800) 654-5984. Public comments must be submitted within 60 days of this notice and may recommend revisions to, and approval or denial of the application.

AIR QUALITY

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

The Department has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the general public. This approach allows the owner or operator of a facility to submit permitting documents relevant to its application for all sources related to a facility or a proposed project, affords an opportunity for public input, and provides for a decision on the issuance of the necessary permits.

The Department received applications for Plan Approvals or Operating Permits from the following facilities. Copies of the application, the Department's analysis, all pertinent documents used in the evaluation of the application and subsequently prepared proposed plan approvals/operating permits are available for public review during normal business hours at the appropriate Department Regional Office. Appointments for scheduling a review must be made by calling the appropriate Department Regional Office. The address and phone number of the Regional Office is listed before the application notices.

Persons wishing to file a written protest or provide comments or additional information, which they believe should be considered prior to the issuance of a permit, may submit the information to the Department's Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments, protests and information. Each submission must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Plan Approval/Operating Permit including the permit number and a concise statement regarding the relevancy of the information or objections to issuance of the permit.

A person wishing to request a hearing may do so during the 30-day comment period. A public hearing may be held, if the Department, in its discretion, decides that a hearing is warranted based on the information received. Persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper, the *Pennsylvania Bulletin* or by telephone, when the Department determines this type of notification is sufficient. Requests for a public hearing and any relevant information should be directed to the appropriate Department Regional Office.

Permits issued to the owners or operators of sources subject to 25 Pa. Code Chapter 127, Subchapter D or E, or located within a Title V facility or subject to 25 Pa. Code § 129.51(a) or permits issued for sources with limitations on their potential to emit used to avoid otherwise applicable Federal requirements may be submitted to the United States Environmental Protection Agency for review and approval as a revision to the State Implementation Plan. Final Plan Approvals and Operating Permits will contain terms and conditions to ensure

that the sources are constructed and operating in compliance with applicable requirements in the Air Pollution Control Act (35 P.S. §§ 4001—4015), 25 Pa. Code Chapters 121—145, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the Regional Office listed before the application. TDD users may contact the Department through the Pennsylvania Hamilton Relay Service at (800) 654-5984.

Intent to Issue Plan Approvals and Intent to Issue or Amend Operating Permits under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter B. These actions may include the administrative amendments of an associated operating permit.

Southcentral Region: Air Quality Program, 909 Elmerston Avenue, Harrisburg, PA 17110.

Contact: Thomas Hanlon, Facilities Permitting Chief, (717) 705-4862, Thomas Bianca, New Source Review Chief, (717) 705-4863, or William Weaver, Regional Air Quality Manager, (717) 705-4702.

67-03187A: Penn Mar Recycling Co., Inc. (14 Onion Blvd., Shrewsbury, PA 17361) for the installation of a United Group AS-1000 aluminum sweat furnace at the facility located in Shrewsbury Borough, **York County**. The sweat furnace is equipped an integral afterburner. The expected potential emissions from this project are as follows: 1.35 tpy CO; 2.33 tpy NO_x; and less than 1 tpy of PM₁₀, SO_x, VOC, and HAPs. The Department of Environmental Protection's (DEP's) review of the information submitted by the company indicates that the air contamination sources will comply with all regulatory requirements, including monitoring, recordkeeping, and reporting requirements, and pertaining to air contamination sources and the emission of air contaminants including the best available technology requirement (BAT) of 25 Pa. Code §§ 127.1 and 127.12. The facility is also subject to 40 CFR 63 Subpart RRR—National Emission Standards for Hazardous Air Pollutants for Secondary Aluminum Production. DEP proposes to issue a plan approval for the proposed installation. If DEP determines that the sources are constructed and operated in compliance with the plan approval conditions and the specifications of the application for plan approval, the applicant will subsequently apply for an Operating Permit in accordance with 25 Pa. Code Chapter 127, Subchapter F.

OPERATING PERMITS

Intent to Issue Title V Operating Permits under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter G.

Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Contact: Thomas Joseph, Facilities Permitting Chief, 412.442.4336.

TVOP-65-00053: Dura Bond (P.O. Box 518, 2658 Puckety Drive, Export, PA 15632). In accordance with 25 Pa. Code §§ 127.424, 127.425 and 127.521, the Department of Environmental Protection (DEP) is providing notice that it intends to issue a Title V Operating Permit renewal to Dura-Bond Steel Corporation for their facility located in Export Borough, **Westmoreland County**.

Dura Bond is a specialty fabricator and coater of steel pipe and metal products. The primary operations at this facility include shot blasting, sand blasting, coating, and fabrication. The steel pipes and other metal products are cleaned by sandblasting or shot blasting. After cleaning, the materials are coated in the spray area using airless spray guns. Materials are then placed in the day down area for drying and curing. Sometimes, they are forced cured using portable natural gas heaters. Fabrication work is done in a separate building. It includes typical machine shop/metal fabrication equipment such as grinders, welding stations, saws, torching, etc. There are several baghouses to control particulate emissions.

The pollutants of concern from this facility are VOCs and HAPs from the coating and cleaning operations. The overall facility's potential VOC emission is limited to 92 tons per 12 consecutive month period. The facility's maximum HAPs and PM₁₀ emissions estimated to be respectively 45.66 tons per year and 23.62 tons per year. Other insignificant emissions are NO_x, SO_x, and CO from the use of natural gas fired heaters. Dura Bond is major for HAPs and subject to 40 CFR 63, Subpart Mmmm. The proposed TVOP renewal contains emission restriction, testing, monitoring, recordkeeping, reporting and work practice standards derived from the applicable requirements of 25 Pa. Code Article III, Chapters 121—145 and 40 CFR 63, Subpart Mmmm.

Copies of the application, DEP's analyses and other documents used in the evaluation of the application are available for public review during normal business hours at the Department's Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. Appointments for scheduling a review must be made by calling 412-442-4000.

Any person may submit comments, a request for the Department to hold a public hearing, or a protest to the operating permit or a proposed condition thereof, by filing such submissions in writing with the Department at the Southwest Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments.

All requests for a public hearing, and all protests to a proposed action, shall be filed with the Department within 30 days of the date that notice of the proposed action was published under 25 Pa. Code § 127.521(b) (relating to public notice). A protest must include the name, address and telephone number of the person filing the protest, identification of the proposed permit issuance being opposed (Operating Permit TV-65-00053) and a concise statement of the objections to the permit issuance and the relevant facts upon which the objections are based.

A public hearing may be held in accordance with 25 Pa. Code § 127.429, if the Department, in its discretion, decides that such a hearing is warranted based on the information received. If a public hearing is held, all persons who have properly filed a protest under 25 Pa. Code § 127.426 may appear and give testimony. The applicant, the protestant and other participants will be notified of the decision to hold a hearing (and the time, place and purpose of such hearing) by publication in the newspaper or by the *Pennsylvania Bulletin*, or by telephone, where the Department determines such notification by telephone is sufficient.

Written comments, protests and requests for a public hearing should be directed to Noor Nahar, Air Quality

Engineer, Department of Environmental Protection, Southwest Region, 400 Waterfront Drive, Pittsburgh, PA 15222.

Intent to Issue Operating Permits under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter F.

Southeast Region: Air Quality Program, 2 East Main Street, Norristown, PA 19401.

Contact: Janine Tulloch-Reid, Facilities Permitting Chief, (484) 250-5920.

09-00184: Doylestown Hospital (595 West State Street, Doylestown, PA 18901), for renewal of a State Only Operating Permit in Doylestown Township, **Bucks County**. The facility operates four (4) dual-fired boilers, one (1) natural gas 1.6 MW cogeneration unit, one (1) natural gas fired electric generator for peak shaving purposes, four (4) emergency diesel electric generators, and two (2) emergency diesel fire pumps. Doylestown Hospital is categorized as a synthetic minor facility for NO_x emissions with a site-wide limit of 24.9 tons per year. There have been no changes to any of the existing sources and there are no new sources being added under this renewal and the permittee shall continue to comply with all existing requirements. The permit includes monitoring, recordkeeping and reporting requirements designed to address all applicable air quality requirements.

Anyone wishing to request information regarding this action can do so by contacting the Southeast Regional Office through the contact person listed in the previously listed header. Comments on the draft permit can be submitted through the Air Quality resource account at RA-EPSEROPUBCOM@pa.gov.

15-00150: The Vanguard Group, Inc. (1041 West Valley Rd, Valley Forge, PA) located in Tredyffrin Township, **Chester County**. This action is to renew a State-Only Operating Permit. The permit is for a total of seven (7) existing, previously exempted diesel-fired emergency generator sets. The permit will include monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

Anyone wishing to request information regarding this action can do so by contacting the Southeast Regional Office through the contact person listed in the previously listed header. Comments on the draft permit can be submitted through the Air Quality resource account at RA-EPSEROPUBCOM@pa.gov.

46-00127: Verizon Pennsylvania, LLC (1050 Virginia Drive, Fort Washington, PA 19034) located in Upper Dublin Township, **Montgomery County** for the renewal of their Air Quality State Only Operating Permit. This facility is located in an office building and provides telephone dial tone to the surrounding areas. Verizon owns and operates two emergency generators that are used to supply power to the facility in emergency situations when electric power from their utility provider is interrupted. Verizon has previously been classified as a synthetic minor facility for NO_x emissions.

Verizon has requested to be reclassified as a natural minor facility based on EPA memorandum "Calculating Potential to Emit (PTE) for Emergency Generators" dated September 6, 1995. EPA recommends that the potential to emit (PTE) be determined based upon an estimate of the maximum number of hours the generator could expect to operate for emergency situations only when the electric

power supply is interrupted. EPA believes that 500 hours is an appropriate default assumption which is the default that Verizon is requesting to use to be reclassified as a natural minor. The EPA memorandum addresses only emergency generators with the generator engines being the only emitting sources at a facility.

The operating permit limits each engine to an annual limit of 500 hours per year. With this limitation the facilities PTE for NO_x is 17.80 tons per year which is below the major facility threshold of 25.00 tons per year. The Department has reclassified Verizon's Fort Washington Facility from a synthetic minor to a natural minor. The operating permit also contains monitoring, recordkeeping and work practice standard conditions designed to keep the facility operating within all applicable air quality requirements.

Anyone wishing to request information regarding this action can do so by contacting the Southeast Regional Office through the contact person listed in the previously listed header. Comments on the draft permit can be submitted through the Air Quality resource account at RA-EPSEROPUBCOM@pa.gov.

Southcentral Region: Air Quality Program, 909 Elmerston Avenue, Harrisburg, PA 17110.

Contact: Thomas Hanlon, Facilities Permitting Chief, (717) 705-4862, Thomas Bianca, New Source Review Chief, (717) 705-4863, or William Weaver, Regional Air Quality Manager, (717) 705-4702.

36-03203: RLB Ventures, Inc. dba Bench Dogs (10 Industrial Way, Denver, PA 17512) to issue a State-Only Operating Permit for the operation of three (3) spray booths & silk screening operations in East Cocalico Township, **Lancaster County**. Potential emissions from the facility are estimated to be 11.7 tpy VOC, 1.3 tpy of a single HAP (toluene) and 5.2 tpy of combined HAPs. The Operating Permit will include emission limits and work practice standards along with monitoring, recordkeeping and reporting requirements to ensure the facility complies with the applicable air quality regulations.

36-05111: Lippert Components, Inc. (3501 County Road 6 East, Elkhart, IN 46514) to issue a State-Only Operating Permit renewal for their mobile home chassis manufacturing facility in Brecknock Township, **Lancaster County**. The actual VOC emissions are estimated to be less than 2.7 tpy and potential VOC emissions are limited to less than 50 tpy. The Operating Permit will include emission limits and work practice requirements to ensure the facility complies with the applicable air quality regulations. Among other items, the conditions include provisions derived from 25 Pa. Code §§ 129.52 and 129.52d.

36-05163: Parker Hannifin Corporation (3649 Hempland Road, Lancaster, PA 17601) to issue a State Only Operating Permit renewal for the diesel locomotive filter manufacturing plant located in West Hempfield Township, **Lancaster County**. The majority of the emissions emitted from the operations at the facility are in the form of volatile organic compounds (VOCs). The facility's potential emissions are 12.9 tpy of VOCs, 7.3 tpy of NO_x, and 6.1 tpy of CO. The Operating Permit will include emission limits and work practice standards along with monitoring, recordkeeping and reporting requirements to ensure the facility complies with the applicable air quality regulations. Among other items, the permit renewal includes those provisions derived from 40 CFR 63, Subpart ZZZZ—National Emission Standards for Hazardous Air Pollutants for Stationary Reciprocating Internal Combustion Engines.

36-03115: Pennsy Supply, Inc. (2400 Thea Drive, Suite 3A, Harrisburg PA 17110) to issue a renewal of the State-Only Operating Permit for the stone crushing operations at the Landisville Quarry in West Hempfield Township, **Lancaster County**. The facility's potential-to-emit PM is approximately 27.2 tpy. The Operating Permit will include emission limits and work practice standards along with monitoring, recordkeeping and reporting requirements to ensure the facility complies with the applicable air quality regulations. Among other items, the conditions include provisions derived from 40 CFR 60, Subpart OOO—Standards of Performance for Nonmetallic Mineral Processing Plants.

Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Contact: Thomas Joseph, Facilities Permitting Chief, 412.442.4336.

11-00533: Starprint Publications, Inc. (722 Dulancy Drive, Portage, PA 15946-6902). The Department intends to issue a State Only Operating Permit for the printing facility located in Portage Township, **Cambria County**. The sources at the facility include natural gas fueled dryers, 3 printing presses, heat set ink, controlled by a thermal oxidizer. The facility is a Natural Minor. The potential emissions from the facility are as follows: 12.996 tpy VOC; 4.53 tpy CO; 5.731 tpy NO_x; 0.423 tpy PM₁₀; 0.032 tpy SO₂; 0.423 tpy TSP; 0.151 tpy 2-butoxyethanol; 0.424 tpy ethylene glycol; 0.575 tpy Total HAPs. The permit contains emission restrictions, recordkeeping, work practice, and additional requirements to ensure compliance with the Clean Air Act and the Air Pollution Control Act. Contact for this permit renewal is Northwest Region, Air Quality Program, 230 Chestnut Street, Meadville, PA 16335-3481. Contact: Matthew Williams, Facilities Permitting Chief, 814.332.6940.

56-00149: Somerset Area School District—Eagle View/Maple Ridge Elementary Schools (645 S. Columbia Ave., Somerset, PA 15501-2513). In accordance with 25 Pa. Code §§ 127.424, 127.425 and 127.521, the Department is providing notice of intent to issue a synthetic minor State Only Operating Permit for the operation of air contamination sources at Maple Ridge Elementary School and Eagle View Elementary School located in Somerset Township, **Somerset County**.

Somerset Area School District operates four boilers, operable on coal or natural gas, and two natural gas-fired emergency generators. The facility is limited to 2,150 tons per year of coal usage. Coal sulfur content is limited to 2.3% and ash content to 10%. Each emergency generator is limited to 500 hours of operation per 12-consecutive month period. This facility has a potential to emit 12.1 tons of NO_x, 13.6 tons of CO, 1.5 tons of VOCs, 99.4 tons of SO_x, and 6.8 tons of PM₁₀ based on the Federally enforceable operating limits. The proposed operating permit includes conditions relating to applicable emission restrictions, testing, monitoring, recordkeeping, reporting, and work practice standards requirements for each unit.

The application, DEP's Review Memorandum, and the proposed permit are available for public review during normal business hours at DEP's Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. A file review can be scheduled through the DEP's website at <https://www.dep.pa.gov/Citizens/PublicRecords/Pages/Informal-File-Review.aspx> or by contacting Tom Joseph, Facilities Permitting Chief, directly.

Those who wish to provide the Department with additional written information that they believe should be

considered prior to the issuance of the State-Only Operating Permit may submit the information to Tom Joseph, Facilities Permit Chief, Department of Environmental Protection, Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. Each written comment must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Operating Permit (56-00149) and concise statements regarding the relevancy of the information or objections to issuance of the Operating Permit.

All comments must be received prior to the close of business 30 days after the date of this publication. A public hearing may be held in accordance with 25 Pa. Code § 127.429, if the Department, in its discretion, decides that such a hearing is warranted based on the information received. If a public hearing is held, all persons who have properly filed a protest under 25 Pa. Code § 127.426 may appear and give testimony. The Department is not required to hold a conference or hearing. The applicant, the protestant, and other participants will be notified of the decision to hold a hearing (and the time, place and purpose of such hearing) by publication in the newspaper or by the *Pennsylvania Bulletin*, or by telephone, where the Department determines such notification by telephone is sufficient. Written comments or requests for a public hearing should be directed to Tom Joseph, Facilities Permit Chief, at the previously listed address.

Northwest Region: Air Quality Program, 230 Chestnut Street, Meadville, PA 16335-3481.

Contact: Matthew Williams, Facilities Permitting Chief, (814) 332-6940.

25-00456: Keystone Foundry Division (944 W 12th St, Erie, PA 16501-1515). The Department is providing notice that they intend to renew a State Only Natural Minor Operating Permit for operation of the Keystone Foundry Division facility owned by United Brass Works located in the City of Erie, **Erie County**. The facility's primary emission sources include five (5) electric induction furnaces, molding and grinding operations, an emergency power generator engine, and miscellaneous natural gas combustion. The potential emissions of the primary pollutants from the facility are as follows: 4.28 TPY (tons per year) NO_x, 2.54 TPY CO, 0.09 TPY VOC, 17.74 TPY PM₁₀ and PM_{2.5}, and 0.02 TPY SO_x; thus, the facility is a natural minor. The facility is subject to 40 CFR 63 Subpart ZZZZZZ, NESHAP for Nonferrous Foundries Area Sources. The emergency generator engine is subject to 40 CFR 63 Subpart ZZZZ, NESHAP for Stationary Reciprocating Internal Combustion Engines. The renewal permit will contain emission restrictions, recordkeeping, work practices, and additional requirements to ensure compliance with the Clean Air Act and the Air Pollution Control Act.

Philadelphia: Air Management Services, 321 University Avenue, Philadelphia, PA 19104-4543.

Contact: Edward Wiener, Chief, Source Registration at 215-685-9426.

The City of Philadelphia, Air Management Services (AMS) intends to issue a renewal Synthetic Minor State Only Operating Permit for the following facility:

OP20-000057: Thomas Jefferson University & Hospital (214 South 11th Street, Philadelphia, PA 19107), for the operation of air emission sources in a hospital, in the City of Philadelphia, **Philadelphia County**. The facility's air emission sources are eighteen (18) emergency generators firing diesel fuel, of which two (2) rated 1,415

HP, two (2) rated 1,341 HP, three (3) rated 1,274 HP, four (4) rated 1,073 HP, one (1) rated 1,005.8 HP, and six (6) rated less than or equal to 670.5 HP. The changes made as part of the renewal includes the following:

- In Table A1—Facility Inventory List, added the serial no. for some of the emergency generators.
- Updated Section B: General Conditions, and Section C: Facility Wide Conditions to the current AMS versions.
- In Section D: Source Specific Requirements:
 - Updated Condition D.1.(b)(6) to specify that the Plan Approval exemption applies only to emergency generators that were permitted using an installation permit.
 - Updated Condition D.2.(a)(4)(i) to update the definition of emergencies.
 - Updated Condition D.2.(a)(5)(iii) to update the links to check the AQI forecast during ozone season.
 - Updated the monitoring requirements in Section D.4 and recordkeeping requirements in Section D.5.

The operating permit will be issued under 25 Pa. Code, Philadelphia Code Title 3 and Air Management Regulation XIII. Permit copies and other supporting information are available for public inspection at AMS, 321 University Avenue, Philadelphia, PA 19104. For further information, contact Edward Wiener at (215) 685-9426.

Persons wishing to file protest, comments, or request a public hearing on the previously listed operating permit must submit the protest, comments, or request for public hearing within 30 days from the date of this notice. Any protests or comments filed with AMS must include a concise statement of the objections to the permit issuance and the relevant facts upon which the objections are based. Based upon the information received during the public comment period, AMS may modify the operating permit or schedule a public hearing. The hearing notice will be published in the *Pennsylvania Bulletin* and a local newspaper at least thirty days before the hearing.

The City of Philadelphia, Air Management Services (AMS) intends to issue an Initial Natural Minor Operating Permit for operation of air pollution sources at the following facility:

OP21-000003: Hotel Palomar Philadelphia (117 S. 17th Street, Philadelphia, PA 19103) for the operation of hotel, in the City of Philadelphia, **Philadelphia County**. The facility's air emission sources include five (5) water heaters firing natural gas each rated less than 3 MMBtu/hr, one (1) emergency generator and one (1) fire pump firing diesel fuel rated 335 HP and 290 HP respectively. The operating permit will contain operating, monitoring, recordkeeping, and reporting requirements to ensure operation within all applicable requirements.

The operating permit will be issued under 25 Pa. Code, Philadelphia Code Title 3 and Air Management Regulation XIII. Permit copies and other supporting information are available for public inspection at AMS, 321 University Avenue, Philadelphia, PA 19104. For further information, contact Edward Wiener at (215) 685-9426.

Persons wishing to file protest, comments, or request a public hearing on the previously listed operating permit must submit the protest, comments or request for public hearing within 30 days from the date of this notice. Any protests or comments filed with AMS must include a concise statement of the objections to the permit issuance and the relevant facts upon which the objections are based. Based upon the information received during the public comment period, AMS may modify the operating

permit or schedule a public hearing. The hearing notice will be published in the *Pennsylvania Bulletin* and a local newspaper at least thirty days before the hearing.

COAL & NONCOAL MINING ACTIVITY APPLICATIONS

Applications under the Surface Mining Conservation and Reclamation Act (52 P.S. §§ 1396.1—1396.31); the Noncoal Surface Mining Conservation and Reclamation Act (52 P.S. §§ 3301—3326); the Clean Streams Law (35 P.S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P.S. §§ 30.51—30.66); the Bituminous Mine Subsidence and Land Conservation Act (52 P.S. §§ 1406.1—1406.21). Mining activity permits issued in response to such applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P.S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P.S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P.S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection. A copy of the application is available for inspection at the District Mining Office indicated above each application. Notices of requests for 401 Water Quality Certifications are included in individual application notices, as noted.

Written comments or objections, or requests for an informal conference, or a public hearing, as applicable, on a mining permit application may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the address of the District Mining Office indicated above each application within 30-days of this publication, or within 30-days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public notices of filing of permit applications, opportunity for comment, and informal conferences).

Written comments or objections related to a mining permit application should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based.

Requests for an informal conference, or a public hearing, as applicable, on a mining permit application, as provided by 25 Pa. Code § 77.123 (relating to public hearing-informal conferences) or § 86.34 (relating to informal conferences), must contain the name, address and telephone number of the requestor; the application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

Where a National Pollutant Discharge Elimination System (NPDES) number is listed, the mining activity permit application was accompanied by an application for an individual NPDES permit. A separate notice will be provided after the draft NPDES permit is prepared.

Coal Applications Received

Effluent Limits—The following range of effluent limits will apply to NPDES permits issued in conjunction with the associated coal mining activity permit and, in some cases, noncoal mining permits:

Table 1

Parameter	30-Day Average	Daily Maximum	Instantaneous Maximum
Iron (total)	1.5 to 3.0 mg/l	3.0 to 6.0 mg/l	3.5 to 7.0 mg/l
Manganese (total)	1.0 to 2.0 mg/l	2.0 to 4.0 mg/l	2.5 to 5.0 mg/l
Suspended solids	10 to 35 mg/l	20 to 70 mg/l	25 to 90 mg/l
Aluminum (Total)	0.75 to 2.0 mg/l	1.5 to 4.0 mg/l	2.0 to 5.0 mg/l
pH ¹		greater than 6.0; less than 9.0	

Alkalinity greater than acidity¹

¹ The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applied to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; and mined areas backfilled and revegetated; and drainage (resulting from a precipitation event of less than or equal to a 1-year 24-hour event) from coal refuse disposal piles.

California District Office: 25 Technology Drive, Coal Center, PA 15423, (724) 769-1100, (Contact: Bonnie Herbert).

Permit No. 32140701 and NPDES Permit No. PA0001767. Pennzoil Quaker State Company dba SOPUS Products, P.O. Box 4548, Houston, TX 77210 to revise the permit and related NPDES permit to redirect clean perennial stream flow and surface stormwater runoff for Helen Mine Acid Mine Drainage Treatment Plant in Center and Blacklick Townships, **Indiana County**. No additional discharges. The application was considered administratively complete on May 27, 2021. Application received: January 7, 2021.

Permit No. 56841328 and NPDES Permit No. PA0033677. Rosebud Mining Company, 301 Market Street, Kittanning, PA 16201 to revise the permit and related NPDES permit to redevelop the existing Berkey Shaft for access to the Upper Freeport Coal Seam for Mine 78 in Paint Township, **Somerset County** and Adams and Richland Townships, **Cambria County** affecting 10.0 proposed surface acres. No additional discharges. The application was considered administratively complete on May 28, 2021. Application received: February 25, 2021.

Permit No. 02841304 and NPDES Permit No. PA0236497. Tesone Land Company, 8961 Conference Drive, Suite 1, Fort Myers, FL 33919 to renew the permit and related NPDES permit for Allegheny Mine and Preparation Plant in Fawn Township, **Allegheny County**. No additional discharges. The application was considered administratively complete on June 17, 2021. Application received: February 17, 2021.

Cambria District Mining Office: 286 Industrial Park Road, Ebensburg, PA 15931, (814) 472-1900, (Contact: Melanie Ford-Wigfield).

Permit No. 56130107 and NPDES No. PA0269484. Coal Loaders, Inc., 210 East Main Street, Ligonier, PA 15658, permit renewal of a bituminous surface & auger mine in Jenner Township, **Somerset County**, affecting 312.1 acres. Receiving streams: unnamed tributaries to/and Two Mile Run classified for the following use: cold water fishes. The first downstream potable water supply intake from the point of discharge is the Quemahoning Reservoir for the Cambria-Somerset authority. Application received: June 22, 2021.

Permit No. 56100101 and NPDES No. PA0262951. PBS Coals, Inc., 1576 Stoystown Road, P.O. Box 260, Friedens, PA 15541, permit renewal for the continued operation and restoration of a bituminous surface mine in Paint Township, **Somerset County** affecting 117 acres. Receiving streams: unnamed tributaries to/and Stonycreek River classified for the following uses: cold water fishes and warm water fishes. There are no potable water supply intakes within 10 miles downstream. Application received: June 22, 2021.

Knox District Mining Office: P.O. Box 669, 310 Best Avenue, Knox, PA 16232-0669, (814) 797-1191, (Contact: Cayleigh Boniger).

Permit No. 33140105 and NPDES No. PA0259527. Original Fuels, Inc., P.O. Box 343, Punxsutawney, PA 15767, renewal of an existing bituminous surface mine and associated NPDES permit in Perry and Young Townships, **Jefferson County**, affecting 441.5 acres. Receiving stream(s): Rose Run, unnamed tributaries to Mahoning Creek, and Mahoning Creek, classified for the following use(s): WWF, CWF. There are no potable surface water supply intakes within 10 miles downstream. Application received: May 12, 2021.

Permit No. 33150103. P. and N. Coal Company, Inc., 680 Old Route 119 Hwy N, Indiana, PA 15701, renewal of an existing bituminous surface mine in Winslow Township, **Jefferson County**, affecting 109.6 acres. Receiving streams: Unnamed tributary to Soldier Run, classified for the following use(s): CWF. There are no potable surface water supply intakes within 10 miles downstream. This renewal is issued for reclamation only. Application received: May 28, 2021.

Permit No. 10920112 and NPDES No. PA0211401. State Industries, Inc., P.O. Box 1022, Kittanning, PA 16201, renewal of an existing bituminous surface mine and associated NPDES permit in Concord Township, **Butler County**, affecting 22.6 acres. Receiving streams: Unnamed tributaries to Bear Creek, classified for the following uses: CWF. There are no potable surface water supply intakes within 10 miles downstream. Application received: June 10, 2021.

Moshannon District Mining Office: 186 Enterprise Drive, Philipsburg, PA 16866, (814) 342-8200, (Contact: Ashley Smith).

Permit No. 17101601 and NPDES No. PA0236055. Victor, LLC, 3056 Washington Avenue, P.O. Box 128, Clearfield, PA 16830. Permit renewal for continued operation of the Victor Tipple coal preparation plant whose pollution control equipment is required to meet all applicable limitations, terms and conditions of General Permit, BAQ-GPA/GP-12 and

related NPDES permit in Greenwood Township, **Clearfield County**. Surface Acres Proposed 25.56. Receiving Streams: West Branch of Susquehanna River, classified for the following use(s): Warm Water Fishes. Application received: June 18, 2021.

Noncoal Applications Received

Effluent Limits—The following effluent limits will apply to NPDES permits issued in conjunction with a noncoal mining permit:

Parameter	Table 2		
	30-day Average	Daily Maximum	Instantaneous Maximum
Suspended solids	10 to 35 mg/l	20 to 70 mg/l	25 to 90 mg/l
Alkalinity exceeding acidity* pH*		greater than 6.0; less than 9.0	

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applied to surface runoff resulting from a precipitation event of less than or equal to a 10-year 24-hour event. If coal will be extracted incidental to the extraction of noncoal minerals, at a minimum, the technology-based effluent limitations identified under coal applications will apply to discharges of wastewater to streams.

Cambria District Mining Office: 286 Industrial Park Road, Ebensburg, PA 15931, (814) 472-1900, (Contact: Melanie Ford-Wigfield).

Permit No. 21050301 and NPDES No. PA0224456, JR Zimmerman Enterprises, LLC, 35 Ridge Road, Newville, PA 17241, renewal of an NPDES permit, located in North Newton Township, **Cumberland County**. Receiving stream: unnamed tributary to Green Spring Creek classified for the following uses: cold water fishes. There are no potable water supply intakes within 10 miles downstream. Application received: June 22, 2021.

Knox District Mining Office: P.O. Box 669, 310 Best Avenue, Knox, PA 16232-0669, (814) 797-1191, (Contact: Cayleigh Boniger).

Permit No. 10020306. Allegheny Mineral Corporation, P.O. Box 1022, Kittanning, PA 16201, renewal of NPDES Permit No. PA0242250 in Worth Township, **Butler County**. Receiving stream(s): Slippery Rock Creek, classified for the following use(s): CWF. There are no potable surface water supply intakes within 10 miles downstream. Application received: May 13, 2021.

Permit No. 10010310. Allegheny Mineral Corporation, P.O. Box 1022, Kittanning, PA 16201, renewal of NPDES Permit No. PA0241962 in Mercer and Pine Townships, **Butler County**. Receiving stream(s): Unnamed tributary to Swamp Run, classified for the following use(s): CWF. There are no potable surface water supply intakes within 10 miles downstream. Application received: May 13, 2021.

Permit No. 10070304. Glacial Sand & Gravel Company, P.O. Box 1022, Kittanning, PA 16201, renewal of NPDES Permit No. PA0258466 in Worth Township, **Butler County**. Receiving stream(s): Unnamed tributaries to Black Run, classified for the following use(s): CWF. There are no potable surface water supply intakes within 10 miles downstream. Application received: May 13, 2021.

Permit No. 37020306. The East Fairfield Coal Company, P.O. Box 217, North Lima, OH 44452, renewal of NPDES No, PA0259241 in North Beaver Township, **Lawrence County**. Receiving stream(s): Honey Creek, classified for the following use(s): CWF. There are no potable surface water supply intakes within 10 miles downstream. Application received: June 14, 2021.

New Stanton District Office: P.O. Box 133, New Stanton, PA 15672, (724) 925-5500, (Contact: Tracy Norbert).

Permit No. 03142001 and NPDES Permit No. PA0278211. Britt Energies, Inc., P.O. Box 515, 5450 Ferguson Road, Indiana, PA 15701-0515. NPDES renewal application for continued mining to an existing large noncoal surface and underground mine, located in South Bend Township, **Armstrong County**, affecting 84.5 acres. Receiving streams: Crooked Creek, classified for the following use: WWF. There is no potable water supply intake within 10 miles downstream from the point of discharge. Renewal application received: June 21, 2021.

Pottsville District Mining Office: 5 West Laurel Boulevard, Pottsville, PA 17901, (570) 621-3118, (Contact: Theresa Reilly-Flannery).

Permit No. 7874SM2C3. New Enterprise Stone & Lime Co., Inc., 3912 Brumbaugh Road, New Enterprise, PA 16664, depth correction of a quarry operation to mine from 175 feet MSL to 75 feet MSL in North Whitehall Township, **Lehigh County** affecting 234.09 acres. Receiving stream: Coplay Creek, classified for the following uses: cold water and migratory fishes. Application received: June 8, 2021.

MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed NPDES permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (Department) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH*		greater than 6.0; less than 9.0	
Alkalinity greater than acidity*			

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The limits for noncoal mining activities as provided in 25 Pa. Code Chapter 77 are pH 6 to 9 and other parameters the Department may require.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

In addition to BAT or WQBEL limits, coal and noncoal NPDES permits establish effluent limitations in the form of implemented Best Management Practices (BMPs) identified in the associated Erosion and Sedimentation Plan, the Reclamation Plan and the NPDES permit application. These BMPs restrict the rates and quantities of associated pollutants from being discharged into surface waters in this Commonwealth.

More restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining that may occur are incorporated into an NPDES permit when necessary for compliance with water quality standards and antidegradation requirements (in accordance with 25 Pa. Code Chapters 91—96).

The procedures for determining the final effluent limits, using a mass-balance equation or model, are found in Technical Guidance Document 563-2112-115, Developing National Pollutant Discharge Elimination System (NPDES) Permits for Mining Activities. Other specific factors to be considered include public comments and Total Maximum Daily Load(s). Additional discharge limitations may apply in the event that unexpected discharges occur.

Discharge rates for surface mining activities are precipitation driven. Discharge rates for proposed discharges associated with underground mining are noted in the permit description.

Persons wishing to comment on an NPDES draft permit should submit a written statement to the Department at the address of the district mining office indicated before each draft permit within 30-days of this public notice. Comments received within the comment period will be considered in the final determinations regarding the NPDES permit applications. Comments must include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests or petitions for a public hearing on NPDES permit applications, as provided in 25 Pa. Code § 92a.82(d). The request or petition for a public hearing shall be filed within 30-days of this public notice and contain the name, address, telephone number and the interest of the party filing the request and state the reasons why a hearing is warranted. A public hearing may be held if the Department considers the public interest significant. If a hearing is scheduled, a notice of the hearing on the NPDES permit application will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. When a public hearing is held, the Department will consider comments from the public hearing in the final determination on the NPDES permit application.

Coal NPDES Draft Permits

Knox District Mining Office: White Memorial Building, P.O. Box 669, Knox, PA 16232-0669, (814) 797.1191.

NPDES No. PA0104779 (Permit No. 24880103). Keystone Land Resources, Inc. 46226 National Road, St. Clairsville, OH 43950, transfer of an NPDES permit of a bituminous surface mine in Horton Township, **Elk County**, affecting 541.0 acres. Receiving stream(s): Unnamed tributary to Mead Run, classified for the following use(s): CWF. TMDL: Little Toby Creek. Application received: December 8, 2020.

Unless otherwise noted for a specific outfall, the proposed effluent limits for all outfalls in the permit are the BAT limits described previously for coal mining activities.

The following outfall discharges to Unnamed tributary to Mead Run:

<i>Outfall Nos.</i>	<i>New Outfall (Y/N)</i>
3TR	N

The proposed effluent limits for the previously listed outfall are as follows:

<i>Parameter</i>	<i>Minimum</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instant. Maximum</i>
pH ¹ (S.U.)	6.0			9.0
Iron (mg/l)		2.34	4.68	5.85
Manganese (mg/l)		2.0	4.0	5.0
Aluminum (mg/l)		0.75	0.75	0.75
Total Suspended Solids (mg/l)		35.0	70.0	90.0
Alkalinity greater than acidity ¹				

¹ The parameter is applicable at all times.

Noncoal NPDES Draft Permits

Knox District Mining Office: White Memorial Building, P.O. Box 669, Knox, PA 16232-0669, (814) 797.1191.

NPDES No. PA0242250 (Permit No. 10020306). Allegheny Mineral Corporation, P.O. Box 1022, Kittanning, PA 16201, renewal of an NPDES permit for a large industrial minerals surface mine in Worth Township, **Butler County**, affecting 241.2 acres. Receiving stream(s): Unnamed tributaries to Slippery Rock Creek and Slippery Rock Creek, classified for the following use(s): CWF. TMDL: None. Application received: May 13, 2021.

Unless otherwise noted for a specific outfall, the proposed effluent limits for all outfalls in this permit are the BAT limits described previously for noncoal mining activities.

The following outfalls discharge to Unnamed tributaries to Slippery Rock Creek and Slippery Rock Creek:

<i>Outfall Nos.</i>	<i>New Outfall (Y/N)</i>
005	N
006	N

The proposed effluent limits for the previously listed outfalls are as follows:

<i>Parameter</i>	<i>Minimum</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
pH ¹ (S.U.)	6.0			9.0
Iron (mg/l)		3.0	6.0	7.0
Manganese (mg/l)		2.0	4.0	5.0
Total Suspended Solids (mg/l)		35.0	70.0	90.0
Osmotic Pressure (milliosmoles/kg)				50.0
Alkalinity greater than acidity ¹				

¹ The parameter is applicable at all times.

The following outfalls discharge to Unnamed tributaries to Slippery Rock Creek and Slippery Rock Creek:

<i>Outfall Nos.</i>	<i>New Outfall (Y/N)</i>
001	N
002	N
003	N
004	N
007	N

The proposed effluent limits for the previously listed outfalls are as follows:

<i>Parameter</i>	<i>Minimum</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
pH ¹ (S.U.)	6.0			9.0
Iron (mg/l)		3.0	6.0	7.0
Manganese (mg/l)		2.0	4.0	5.0
Total Suspended Solids (mg/l)		35.0	70.0	90.0
Osmotic Pressure (milliosmoles/kg)				50.0
Alkalinity greater than acidity ¹				

¹ The parameter is applicable at all times.

Moshannon District Mining Office: 186 Enterprise Drive, Philipsburg, PA 16866, (814) 342.8200.

NPDES No. PA0206229 (Mining Permit No. 14900301), Glenn O. Hawbaker, Inc., 1952 Waddle Road, State College, PA 16803, renewal of an NPDES permit for non-coal surface mining in Spring Township, **Centre County**, affecting 260.6 acres. Receiving stream(s): Logan Branch, classified for the following use(s): Cold Water Fishes (CWF). Application received: May 19, 2021.

The following outfalls discharge to Logan Branch:

<i>Outfall Nos.</i>	<i>New Outfall (Y/N)</i>	<i>Type</i>
001	N	Treatment Basin 1
002	N	Sedimentation Pond A
003	N	Sedimentation Pond B
004	N	Sedimentation Pond C
005	N	Sedimentation Pond A/B
006	N	Sedimentation Pond D
007	N	Pit Sump

The proposed effluent limits for the previously listed outfalls are as follows:

<i>Outfalls: 001—007 (All Weather Conditions)</i>	<i>30-Day</i>	<i>Daily</i>	<i>Instant.</i>
<i>Parameter</i>	<i>Average</i>	<i>Maximum</i>	<i>Maximum</i>
Total Suspended Solids (mg/L)	35.0	70.0	90.0
Flow (gpm or MGD)		Monitor Only	
pH (S.U.): Must be between 6.0 and 9.0 standard units.			

NPDES No. PA0257656 (Mining Permit No. 53112802), Stanley, Gary, & Dave Goodwin dba Goodwin & Sons, 1815 US Rt 6 W, Roulette, PA 16746, renewal of an NPDES permit for Small Noncoal Mining site in Roulette Township, **Potter County**, affecting 13.9 acres. Receiving stream(s): Upper Allegheny River, classified for the following use(s): Cold Water Fishes. Application received: January 22, 2021.

The following outfall discharges to Upper Allegheny River:

<i>Outfall Nos.</i>	<i>New Outfall (Y/N)</i>	<i>Type</i>
001	N	Treatment Pond DP1

The proposed effluent limits for the previously listed outfall are as follows:

<i>Outfalls: 001 (All Weather Conditions)</i>	<i>30-Day</i>	<i>Daily</i>	<i>Instant.</i>
<i>Parameter</i>	<i>Average</i>	<i>Maximum</i>	<i>Maximum</i>
Total Suspended Solids (mg/L)	35.0	70.0	90.0
Flow (gpm)	Report	Report	Report
Iron	3.0	6.0	7.0
pH (S.U.): Must be between 6.0 and 9.0 standard units.			

Pottsville District Mining Office: 5 West Laurel Boulevard, Pottsville, PA 17901-2522, (570) 621.3118.

NPDES Permit No. PA0594466. Naceville Materials, 350 South Main Street, Suite 207, Doylestown, PA 18901, renewal of Individual NPDES Permit associated with noncoal mining activities on SMP No. 09890301 in West Rock Hill, **Bucks County**, affecting 100.63 acres. Receiving stream: unnamed tributary to Ridge Valley Creek, classified for the following uses: HQ—trout stocking and migratory fishes. The first downstream potable water supply intake from the point of discharge is Aqua PA Main System, Perkiomen Creek. The Department has made a tentative determination to impose effluent limitations, within the ranges specified in Table 2. Application received: June 6, 2019.

<i>Outfall Nos.</i>	<i>New Outfall (Y/N)</i>	<i>Type</i>
001	N	TFO

<i>Outfalls:</i>	<i>30-Day</i>	<i>Daily</i>	<i>Instantaneous</i>

FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The following permit applications, requests for Environmental Assessment approval and requests for 401 Water Quality Certification have been received by the Department of Environmental Protection. Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341), requires the State to certify that the involved projects will not violate the applicable provisions of Sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317), as well as relevant State requirements. Persons objecting to approval of a request for certification under Section 401

or to the issuance of a Dam Permit or Water Obstruction and Encroachment Permit, or the approval of an Environmental Assessment must submit any comments, suggestions or objections within 30-days of the date of this notice, as well as any questions to the office noted above the application. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed, and a concise statement of comments, objections or suggestions including the relevant facts upon which they are based.

The Department may conduct a fact-finding hearing or an informal conference in response to comments if deemed necessary. Each individual will be notified, in

writing, of the time and place of a scheduled hearing or conference concerning the certification request to which the comment, objection or suggestion relates. Maps, drawings and other data pertinent to the certification request are available for inspection between the hours of 8:00 AM and 4:00 PM on each working day at the office noted above the application.

If you are a person with a disability and wish to attend the hearing and you require an auxiliary aid, service or other accommodation to participate in the proceedings, please contact the specified program. TDD users may contact the Department through the Pennsylvania Hamilton Relay Service at (800) 654-5984.

WATER OBSTRUCTIONS AND ENCROACHMENTS

Applications Received Under the Dam Safety and Encroachments Act (32 P.S. §§ 693.1—693.27) and Section 302 of the Flood Plain Management Act (32 P.S. § 679.302) and Requests for Certification Under Section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).

Southeast Region: Waterways & Wetlands Program Manager, 2 East Main Street, Norristown, PA 19401, Telephone 484.250.5160, E-mail: ra-epww-sero@pa.gov.

Permit No. E4601121-012, Pennsylvania Department of Transportation (PennDOT), Engineering District 6-0, 7000 Geerdes Boulevard, King of Prussia, PA 19406, Lower Providence Township, **Montgomery County**, ACOE Philadelphia District.

PennDOT is proposing to perform the following water obstruction and encroachment activities for the reconstruction of Park Avenue (S.R. 4004) and Eagleville Road (S.R. 4006) associated with the overall Crawford Road (T-324), Eagleville Road (S.R. 4006), and Park Avenue (S.R. 4004) Realignment Project:

1. To remove a 28-inch by 40-inch CMP pipe culvert on Park Avenue (S.R. 4004) carrying an unnamed tributary to Mine Run (TSF-MF, S3), and in its place, construct and maintain a 46-foot long, 48-inch by 76-inch HERCP culvert resulting in 46 linear feet (430 square feet, 0.010 acre) of permanent watercourse impact and 140 linear feet (1,526 square feet, 0.035 acre) of temporary watercourse impact. In addition, 13,452 square feet (0.309 acre) of permanent floodway impact and 7,194 square feet (0.165 acre) of temporary floodway impact as result of construction activities associated with roadway reconstruction, proposed grading, and access.

2. To construct and maintain an 18-inch RCP outfall within the floodway of an unnamed tributary to Mine Run (TSF-MF, S2) resulting in 30 square feet (0.001 acre) of permanent floodway impact and is associated with grading and construction of a stormwater facility. This also includes the placement of riprap rock apron.

3. To remove a 29-foot wide, 16-foot long, single-span reinforced concrete slab bridge on Park Avenue (S.R. 4004) over Mine Run (TSF-MF, S1), and in its place, construct and maintain a 61-foot long, 18-foot by 11-foot precast concrete box culvert resulting in 152 linear feet (2,851 square feet, 0.065 acre) of permanent watercourse impact and 74 linear feet (1,419 square feet, 0.033 acre) of temporary watercourse impact. In addition, there will be a total of 16,077 square feet (0.369 acre) of permanent

floodway impact, 5,927 square feet (0.136 acre) of temporary floodway impact, 12,739 square feet (0.292 acre) of permanent floodplain impact, and 3,656 square feet (0.084 acre) of temporary floodplain impact due to roadway reconstruction/alignment changes, construction of stormwater facilities, grading, and access.

4. To construct and maintain an 18-inch RCP outfall within the floodway of Mine Run (TSF-MF, S1) resulting in 30 square feet (0.001 acre) of permanent floodway impact and is associated with grading and construction of a stormwater facility. This also includes the placement of riprap rock apron.

A water obstruction and encroachment permit (PADEP Permit No. E4601221-013) is also associated with the overall reconstruction/realignment of the intersection for the township-owned culvert (T-324 Crawford Road) and stream realignment. This project is located in Lower Providence Township, Montgomery County (USGS PA Collegeville Quadrangle—Latitude: 40.13376 N, Longitude: 75.42597 W).

Permit No. E4601221-013, Lower Providence Township, 100 Parklane Drive, Eagleville, PA 19403, Lower Providence Township, **Montgomery County**, ACOE Philadelphia District.

Lower Providence Township is proposing to perform the following water obstruction and encroachment activities for the reconstruction of Crawford Road (T-324) associated with the overall Crawford Road (T-324), Eagleville Road (S.R. 4006), and Park Avenue (S.R. 4004) Realignment Project:

1. To construct and maintain a new 64-foot long, 18-foot by 11-foot precast concrete box culvert carrying Mine Run (TSF-MF, S1) resulting in 58 linear feet (754 square feet, 0.018 acre) of permanent watercourse impact due to the placement of the culvert. In addition, there will be 31,268 square feet (0.719 acre) of permanent floodway impact, 9,021 square feet (0.208 acre) of temporary floodway impact, 18,983 square feet (0.436 acre) of permanent floodplain impact, and 6,879 square feet (0.185 acre) of temporary floodplain impact due to roadway reconstruction/realignment, construction of stormwater facilities, grading, and access. The construction and maintenance of a retaining wall is also included with this activity is located immediately upstream of the culvert left wingwall.

2. To relocate and realign Mine Run (TSF-MF, S1) due to the placement of the previously stated culvert and realignment of Crawford Road (T-324) resulting in 272 linear feet (5,052 square feet, 0.116 acre) of permanent watercourse impact and 20 linear feet (523 square feet, 0.012 acre) of temporary watercourse impact.

3. To temporarily impact an unnamed tributary to Mine Run (TSF-MF, S2) in order to construct the new Crawford Road culvert resulting in 40 linear feet (247 square feet, 0.006 acre) of temporary watercourse impact and 1,169 square feet (0.027 acre) of temporary floodway impact due to access and E&S BMPs.

4. To construct and maintain an 18-inch RCP outfall within the floodway of Mine Run (TSF-MF, S1) resulting in 30 square feet (0.001 acre) of permanent floodway impact and is associated with grading and construction of a stormwater facility. This also includes the placement of riprap rock apron.

5. To relocate, construct, and maintain a sewer line relocation resulting in 41 linear feet (871 square feet, 0.020 acre) of permanent watercourse impact and 2,744 square feet (0.063 acre) of temporary floodway impact.

A water obstruction and encroachment permit (PADEP Permit No. E4601121-012) is also associated with the overall reconstruction/realignment of the intersection for the Pennsylvania Department of Transportation Engineering District 6-0. This project is located in Lower Providence Township, Montgomery County (USGS PA Collegeville Quadrangle—Latitude: 40.13376 N, Longitude: 75.42597 W).

Northcentral Region: Waterways & Wetlands Program Manager, 208 West Third Street, Williamsport, PA 17701, 570-327-3636.

E0804221-009. Aqua Pennsylvania, Inc., 139 Center Street, Sayre, PA 18840. Cabinet Works Water Main Replacement in Athens Township, **Bradford County**, ACOE Baltimore District (Sayre, PA Quadrangle; Latitude: 41° 59' 19"; Longitude: -76° 34' 42").

To construct approximately 1,200 ft. of 12-inch ductile iron pipe (DIP) water main line that will be supplying residences along King Lane in Athens Township. The proposed main replacement will require the crossing of a wetland along UNT Chemung River (WWF-MF).

The proposed impact of a PEM wetland is 0.44 acre. The crossing method to be used for the wetland crossing is open-cut trenching. Permanent and temporary impacts for the wetland are proposed as part of this project.

The total disturbed area along the watercourses is 0.05 acre.

A PNDI search determined no species of concern to be present.

E1904221-001. Borough of Berwick, 1800 N. Market Street, Berwick, PA 18603. Heights Road Crossing in Berwick Borough, **Columbia County**, ACOE Baltimore District (Berwick, PA Quadrangle; Latitude: 41° 04' 19"; Longitude: -76° 14' 43").

This project involves the replacement of a culvert crossing that carries Heights Road, a gravel road, over Glen Brook (HQ-CWF) in the Borough of Berwick, Columbia County. Heights Road extends into Briar Creek Township, where it is closed to traffic from the opposite direction. This crossing is therefore the only access to properties across Glen Brook and no other practical alternative is available.

The total disturbed area along the watercourse is 0.02 acre. Proposed wetland impacts are 0.002 acre.

A PNDI search determined no species of concern to be present.

E0603220-033. UGI Utilities, 1 UGI Drive, Denver, PA 17517. Chapel Hill Pipeline Exposure in Spring Township, **Berks County**, ACOE Philadelphia District (Sinking Spring, PA Quadrangle; Latitude: 40° 15' 59"; Longitude: -76° 02' 10").

To restore protective cover to the exposed portion of an 8" gas line. The pipeline is approximately 4-ft in length and rests on the streambed of UNT Little Muddy Creek (TSF). The placement of repair materials to restore

protective cover will raise the streambed approximately 4". To ensure aquatic life passage, the proposed activities incorporate a gradual increase in streambed elevation.

The total disturbed area along the watercourse is 0.02 acre.

A PNDI search determined possible bog turtle habitat to be present. An Avoidance Measure is proposed by the applicant. Wetlands have been delineated and marked on site.

Northwest Region: Waterways and Wetlands Program, 230 Chestnut Street, Meadville, PA 16335-3481.

E4306221-001. Greenville Borough, 125 Main Street, Greenville, PA 16125. Riverside Park Parking Lot, in Greenville Borough, **Mercer County**, ACOE Pittsburgh District (Greenville West, PA Quadrangle N: 41.409354°; W: -80.392279°).

To construct a parking lot involving grading and fill affecting an area measuring approximately 360 feet wide by 150 feet long by approximately 2 feet high and disturbing a total of approximately 1.3 acres within the FEMA 100-year flood plain of the Shenango River at Riverside Park along Alan Avenue north of SR 358. The project has associated NPDES Construction Stormwater PAG-02 and Chapter 105 BWEW GP-04/GP-05 authorizations through the Mercer County Conservation District.

E3206121-001, PADOT, Engineering District 10-0, 2550 Oakland Avenue, Indiana, PA 15701. SR 0954 Section 457 Windows Bridge, in West Mahoning Township, **Indiana County**, ACOE Pittsburgh District (Plumville, PA Quadrangle N: 40°, 51', 50.50"; W: 79°, 09', 45.17").

To remove the existing structure and to construct and maintain a 45'-10 3/4" long precast concrete box culvert having a span of 14'-0" and a rise of 6'-6" (5'-6" effective with baffles) on SR 0954, Section 457, Segment 0620 over UNT Little Mahoning Creek in West Mahoning Township, Indiana County resulting in 82 linear feet of permanent stream impacts and 74 linear feet of additional temporary stream impacts, and 0.077-ac of permanent wetland impacts and 0.173-ac of temporary wetland impacts to accommodate roadway fill slope adjustments. Permanent wetland impacts will be mitigated by debiting from the existing Indiana County wetland bank owned by the applicant.

ENVIRONMENTAL ASSESSMENTS

Northeast Regional Office: Environmental Program Manager, 2 Public Square, 5th Floor, Wilkes-Barre, PA 18701, 570-826-2511.

EA-4011-2-21-001. Pennsylvania Department of Environmental Protection, Bureau of Abandoned Mine Reclamation, Wilkes-Barre Office, 2 Public Square, 5th Floor, Wilkes-Barre, PA 18701. Abandoned Mine Land Reclamation Project, in Hazle Township, **Luzerne County**, Baltimore ACOE District.

The applicant proposes to backfill an abandoned surface mine, which includes a total of 19 acres of dangerous pile and embankment. The project will include the backfilling of 0.65 acre of open water that has developed within the open surface mine pit. (40° 54' 47.67" N; 76° 0' 31.789" W).

ACTIONS

THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT
FINAL ACTIONS TAKEN FOR NPDES PERMITS AND WQM PERMITS

The Department has taken the following actions on previously received applications for new, amended, and renewed NPDES and WQM permits, applications for permit waivers, and NOIs for coverage under General Permits, as listed in the following tables. This notice of final action is published in accordance with 25 Pa. Code Chapters 91, 92a, and 102 and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376). The official file for each listed action can be reviewed at the DEP or delegated county conservation district (CCD) office identified in the table for the action. DEP/CCD office contact information is listed as follows for Section I and is contained within the table for Section II. Additional information for permits issued under 25 Pa. Code Chapters 91 and 92a, including links to Individual NPDES and WQM Permits, may be reviewed by generating the “Final Actions Report” on DEP’s website at www.dep.pa.gov/CWPpublicNotice.

DEP office contact information to review official files relating to the final actions in Section I. is as follows:

DEP Southeast Regional Office (SERO)—2 E. Main Street, Norristown, PA 19401-4915. File Review Coordinator: 484.250.5910. Email: RA-EPNPDES_SERO@pa.gov.

DEP Northeast Regional Office (NERO)—2 Public Square, Wilkes-Barre, PA 18701-1915. File Review Coordinator: 570.826.5472. Email: RA-EPNPDES_NERO@pa.gov.

DEP Southcentral Regional Office (SCRO)—909 Elmerton Avenue, Harrisburg, PA 17110. File Review Coordinator: 717.705.4732. Email: RA-EPNPDES_SCRO@pa.gov.

DEP Northcentral Regional Office (NCRO)—208 W. Third Street, Suite 101, Williamsport, PA 17701. File Review Coordinator: 570.327.3693. Email: RA-EPNPDES_NCRO@pa.gov.

DEP Southwest Regional Office (SWRO)—400 Waterfront Drive, Pittsburgh, PA 15222. File Review Coordinator: 412.442.4286. Email: RA-EPNPDES_SWRO@pa.gov.

DEP Northwest Regional Office (NWRO)—230 Chestnut Street, Meadville, PA 16335. File Review Coordinator: 814.332.6340. Email: RA-EPNPDES_NWRO@pa.gov.

DEP Bureau of Clean Water (BCW)—400 Market Street, Harrisburg, PA 17105. File Review Coordinator: 717.787.5017. Email: RA-EPNPDES_Permits@pa.gov.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act (35 P.S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to Administrative Agency Law). The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Hamilton Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board’s rules of practice and procedure may be obtained from the Board. The appeal form and the Board’s rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should contact a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

I. Final Actions on NPDES and WQM Permit Applications and NOIs for Sewage, Industrial Waste, Industrial Stormwater, MS4s, Pesticides and CAFOs.

**STATE CONSERVATION COMMISSION
NUTRIENT MANAGEMENT PLANS RELATED TO APPLICATIONS FOR NPDES
PERMITS FOR CAFOs**

The State Conservation Commission has taken the following actions on previously received applications for nutrient management plans under 3 Pa.C.S. Chapter 5, for agricultural operations that have or anticipate submitting applications for new, amended or renewed NPDES permits or NOIs for coverage under a general permit for CAFOs under 25 Pa. Code Chapter 92a. This notice is provided in accordance with 25 Pa. Code Chapter 92a and 40 CFR Part 122, implementing The Clean Streams Law and the Federal Clean Water Act.

Persons aggrieved by an action may appeal under 3 Pa.C.S. § 517, section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704 to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users should contact the Environmental Hearing Board (Board) through the Pennsylvania Hamilton Relay Service at (800) 654-5984. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin*. Copies of the appeal form and the Board’s rules of practice and procedure may be obtained from the Board. The appeal form and the Board’s rules of practice and procedure are also available in Braille or on audiotape from the Secretary of the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge actions, appeals must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for pro bono representation. Call the Secretary of the Board at (717) 787-3483 for more information.

PUBLIC WATER SUPPLY PERMITS

The Department has taken the following actions on applications received under the Pennsylvania Safe Drinking Water Act (35 P.S. §§ 721.1—721.17) for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Hamilton Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board’s rules of practice and procedure may be obtained from the Board. The appeal form and the Board’s rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

SAFE DRINKING WATER

SEWAGE FACILITIES ACT PLAN APPROVAL

Plan Approvals Granted Under the Pennsylvania Sewage Facilities Act, Act of January 24, 1966, P.L. 1535, as amended, 35 P.S. § 750.5.

Southcentral Region: Clean Water Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

Plan Location:

<i>Township</i>	<i>Township Address</i>	<i>County</i>
Franklin Township	P.O. Box 309 Cashtown, PA 17310	Adams

Plan Description:

Approval of a revision to the official plan of Franklin Township, Adams County. The project is known as Alan D. Mahone. The plan provides for a Small Flow Treatment Facility (SFTF) proposal to replace cesspools serving three mobile homes on 6.18 acres. Two of the mobile homes will be removed and replaced by a new single-family residential dwelling with total estimated sewage flows of 400 gpd. The third mobile home will be gutted of the kitchen and bedrooms in order to create a den for lounging. The bathroom in this structure will also be connected to the proposed SFTF, which will discharge to Clear Run. The proposed development is located at 3465 Old Route 30 in Franklin Township, Adams County. The Department's review of the plan revision has not identified any significant impacts resulting from this proposal. The DEP Code Number for this planning module is A3-01914-415-3s and the APS Id is 1037078. Permits for on lot sewage disposal systems must be obtained in the name of the property owner.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 2

The following plans and reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.301—6026.308) require the Department to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated

substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, contact the environmental cleanup program manager in the Department Regional Office under which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office. TDD users may telephone the Department through the Hamilton Relay Service at (800) 654-5984.

The Department has received the following plans and reports:

Northeast Region: Environmental Cleanup & Brownfields Program Manager, 2 Public Square, Wilkes-Barre, PA 18701-1915, 570-826-2511.

Contact: Eric Supey, Environmental Program Manager.

Walker/Krohn Property, 2222 Kemmerer Street, Bethlehem, PA 18017, Bethlehem City, **Northampton County**. Keystone Consulting Engineers, 2870 Emrick Boulevard, Bethlehem, PA 18020, on behalf of Anne Walker, 2222 Kemmerer Street, Bethlehem, PA 18017, submitted a Final Report concerning remediation of soil contaminated by heating oil from an underground storage tank. The report is intended to document remediation of the site to meet Statewide health standards.

Cottrell Property, 4197 East Lake Road, New Milford, PA 18834, New Milford Township, **Susquehanna County**. Resource Environmental Management, 50 Maple Street, Montrose, PA 18801, on behalf of Charles Cottrell, 4197 East Lake Road, New Milford, PA 18834, submitted a submitted a Final Report concerning remediation of soil contaminated by heating oil from an aboveground storage tank. The report is intended to document remediation of the site to meet Statewide health standards.

Southcentral Region: Environmental Cleanup and Brownfields Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

Former Garden State Tannery Site, 16 South Franklin Street, Fleetwood, PA 19522, Borough of Fleetwood, **Berks County**. BL Companies, 4242 Carlisle Pike, Suite 260, Camp Hill, PA 17011, on behalf of Borough of Fleetwood, 110 West Arch Street, Suite 104, Fleetwood, PA 19522, submitted a Final Report concerning remediation of site groundwater contaminated with petroleum

products. The Final Report is intended to document remediation of the site to meet the site-specific standard.

Silk Mill Properties, Inc., 2400 Eighth Avenue, Altoona, PA 16602, City of Altoona, **Blair County**. Mountain Research, LLC, 825 25th Street, Altoona, PA 16601, on behalf of Grappone Law Offices, 411 South Logan Boulevard, Altoona, PA 16602 submitted a Final Report concerning remediation of site groundwater contaminated with chlorinated solvents. The Final Report is intended to document remediation of the site to meet the site-specific standard.

1325 Fruitville Pike, Lancaster, PA 17601, Manheim Township, **Lancaster County**. ECS Mid-Atlantic, LLC, 52-6 Grumbacher Road, York, PA 17406, on behalf of Fruitville Pike Partners, 209 Pinetree Way, Lancaster, PA 17601 submitted a Remedial Investigation, Risk Assessment, Cleanup Plan and Final Report concerning remediation of site groundwater contaminated with lead. The combined Report is intended to document remediation of the site to meet the site-specific standard.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 3

The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907).

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the environmental cleanup program manager in the Department Regional Office under which the notice of the plan or report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office. TDD users may telephone the Department through the Hamilton Relay Service at (800) 654-5984.

The Department has received the following plans and reports:

Southcentral Region: Environmental Cleanup and Brownfields Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

Clay's Service Center (Former Exxon Station # 23303), 138 West Main Street, Mechanicsburg, PA 17019, Mechanicsburg Borough, **Cumberland County**. Arcadis, Inc., 310 Seven Fields Boulevard, Suite 210, Seven Fields, PA 16046, on behalf of ExxonMobil, Environmental & Property Solutions, 875 West Poplar Avenue, Suite 23, # 353, and James Clay, Clay's Service Center, 138 Main Street, Mechanicsburg, PA 17019 submitted a Final Report concerning remediation of site soil and groundwater contaminated with petroleum products. The Final Report demonstrated attainment of the site-specific standard and was approved by the Department on June 16, 2021.

OPERATE WASTE PROCESSING OR DISPOSAL AREA OR SITE

Permit(s) Issued Under the Solid Waste Management Act (35 P.S. §§ 6018.101—6018.1003), the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P.S. §§ 4000.101—4000.1904) and Regulations to Operate Solid Waste Processing or Disposal Area or Site.

Northcentral Region: Regional Solid Waste Manager, 208 West Third Street, Williamsport, PA 17701.

Permit No. 300610. JELD-WEN, Inc., 825 Shiner Road, Towanda, PA 18848, Wysox Township, **Bradford County**. This permit renewal is for the JELD-WEN, Inc. Class III Residual Waste Landfill. The permit was issued by DEP Northcentral Regional Office on June 22, 2021.

Persons interested in reviewing the general permit applications may contact Lisa D. Houser, P.E., Environmental Engineer Manager, Williamsport Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701, (570) 327-3752. TDD users may contact the Department through the Pennsylvania Relay service, (800) 654-5984.

AIR QUALITY

General Plan Approval and Operating Permit Usage Authorized under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127 to construct, modify, reactivate or operate air contamination sources and associated air cleaning devices.

Southeast Region: Air Quality Program, 2 East Main Street, Norristown, PA 19401.

Contact: James Beach, New Source Review Chief—Telephone: 484-250-5920.

GP9-15-0036: Terra Technical Services, LLC (1818 West Strasburg Road, West Bradford, PA 19320) on June 24, 2021 for the operation of one (1) diesel engine

(Source ID 106A) used in supporting the operation of a portable non-metallic processing plant operating under GP3-15-0080, Crusher 2 (Source ID 103) located in Township, **Chester County**. Source ID 106A replaces Source ID 106 under GP9-15-0035.

Northeast Region: Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711-0790.

Contact: Raymond Kempa New Source Review Chief—Telephone: 570-826-2531.

GP3-39-017: Tamco Construction, Inc. (539 East Dark Hollow Road, Pipersville, PA 18947) on June 24, 2021, for the construction and operation of a portable stone crushing plant at the facility located in Emmaus Borough, **Lehigh County**.

GP9-39-017: Tamco Construction, Inc. (539 East Dark Hollow Road, Pipersville, PA 18947) on June 24, 2021, for the construction and operation of a I C Engine at the facility located in Emmaus Borough, **Lehigh County**.

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110.

Contact: Thomas Hanlon, Facilities Permitting Chief, 717-705-4862, Thomas Bianca, New Source Review Chief, 717-705-4863, or William Weaver, Regional Air Quality Manager, 717-705-4702.

GP1-22-03067A: Milton Hershey School (1201 Homestead Lane, P.O. Box 830, Hershey, PA 17033) on June 23, 2021, for two existing natural gas-fired boilers, 16.3 MMBtu each, under GP1, at the Hotel Road campus of the Milton Hershey School located in Derry Township, **Dauphin County**. The general permit authorization was renewed.

Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Contact: Edward Orris, New Source Review Chief, 412.442.4168.

GP3-26-00565C: AEC Services Company, LLC (525 Plymouth Road, Suite 320, Plymouth Meeting, PA 19462) on June 24, 2021, to allow the construction and operation of one crusher rated at 450 tph, one Grinder, two vibratory machines, one shredder screen machine, one McCloskey vibratory machine, and 19 conveyors at their Saint Surface Quarry located in Dunbar Township, **Fayette County**.

GP9-26-00565B: AEC Services Company, LLC (525 Plymouth Road, Suite 320, Plymouth Meeting, PA 19462) on June 24, 2021, to allow the construction and operation of one Caterpillar diesel engine rated at 129.4 bhp and two previously authorized engines i.e. (one Cummins diesel engine rated at 520 bhp and one Isuzu diesel engine rated at 34 bhp) at their Saint Surface Quarry located in Dunbar Township, **Fayette County**.

GP5-30-00232C: EQM Poseidon Midstream, LLC (2200 Energy Dr., Canonsburg, PA 15317-1001) on June 24, 2021, to allow the continued operation of a natural gas production facility which contains 5 Caterpillar engines each rated at 2,370 bhp, two Cummins engine rated at 380 bhp, one TEG rated at 225 MMscfd, three storage tanks etc. at their existing Pettit Compressor Site located in Center Township, **Greene County**. This is a renewal of the GP-5 authorization.

Plan Approval Revisions Issued including Extensions, Minor Modifications and Transfers of Ownership under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code §§ 127.13, 127.13a and 127.32.

Southeast Region: Air Quality Program, 2 East Main Street, Norristown, PA 19401.

Contact: James Beach, New Source Review Chief—Telephone: 484-250-5920.

09-0244: MM Metals USA, LLC (4000 Chemical Road, Plymouth Meeting, PA 19462) on June 25, 2021 for a minor modification to the plan approval for the installation of a new low-carbon ferrochrome alloy manufacturing facility to be located in Falls Township, **Bucks County**. Post-control Particulate Matter (PM), Volatile Organic Compound (VOC), Nitrogen Oxide (NO_x), and Hazardous Air Pollutant (HAP) emissions are less than major source thresholds for the Philadelphia Metropolitan Area; the facility is classified as a Natural Minor Facility. The requirements of 40 CFR Part 63 Subpart RRR apply to the melt furnace operating as part of Aluminum Production. The melt furnace is classified as a Group 1 Furnace and is subject to the dioxins/furans-related requirements of Subpart RRR. The general opacity requirements of 40 CFR Part 63 Subpart YYYYYY apply to the plasma furnace. The minor modification addresses a change to the control device used to reduce particulate matter emissions from the ferrochrome furnace exhaust and slag tapping operations. There is no increase in facility-wide emissions from the modification, and the chromite ore drier baghouse has sufficient capacity to handle the exhaust from the metal and slag tapping operations. The minor modification of the plan approval is issued under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code § 127.462 with additional authority from 25 Pa. Code § 127.14(c)(3). The minor modification of the plan approval includes monitoring, testing, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

15-0081B: Johnson Matthey, Inc. (1401 King Road, West Chester, PA 19386-1467) on June 23, 2021, to allow modification to the existing Vertical Wet Scrubbers, (Nitric-Scrubbers) (Source ID: C02) controlling the Acid Metal Stripping Room (source ID: 102) to ensure compliance with the allowable limits for HCl and HNO₃ and to require only one scrubber unit to operate at any given time, in West Whiteland Township, **Chester County**.

09-0240: Mazza Iron & Steel, LLC (60 Solar Drive, Fairless Hills, PA 119030). On June 23, 2021, this plan approval authorizes installation and temporary operation of 6 New Natural Gas Emergency Generators: 1. One Cummins Model No. C80 N6, 80 kW, 2. Three Cummins Model No. C110 N6, 100 kW, 3. One Cummins Model No. GFBC, 250 kW, 4. One Caterpillar Model DG125-2, 125 kW in, Falls Township, **Bucks County**.

23-0034: Villanova University, (800 E Lancaster Avenue, Villanova, PA 19085-1603) on June 23, 2021 for the temporary operation of six (6) natural gas emergency engines at their location in Radnor Township, **Delaware County**.

Southcentral Region: Air Quality Program, 909 Elmer-ton Avenue, Harrisburg, PA 17110.

Contact: Thomas Hanlon, Facilities Permitting Chief, 717-705-4862, Thomas Bianca, New Source Review Chief, 717-705-4863, or William Weaver, Regional Air Quality Manager, 717-705-4702.

67-05016H: RH Sheppard Co., Inc. (101 Philadelphia Street, Hanover, PA 17331) on June 25, 2021, for the modification of the Sinto and Disa Sand Preparation Lines, which includes the construction of two new sand mixers, two new bucket elevators, two new shutoff hoppers, five new belt conveyors, a new compactability tester, and the installation of a new baghouse at the facility located in Hanover Borough, **York County**. The plan approval was extended.

Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Contact: Edward Orris, New Source Review Chief, 412.442.4168.

63-00538: Dynamet, Inc. (195 Museum Road, Washington, PA 15301-6135) on June 23, 2021, for the continued temporary operation of the chemical mill for pickling of titanium products controlled by two (2) scrubbers at the Arden Facility located in Chartiers Township, **Washington County**. The new expiration date is December 28, 2021.

Title V Operating Permits Issued under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter G.

Northwest Region: Air Quality Program, 230 Chestnut Street, Meadville, PA 16335-3481.

Contact: Matthew Williams, Facilities Permitting Chief—Telephone: 814-332-6940.

27-00015: Tennessee Gas Pipeline, Co., LLC, Compressor Station 307 Marienville (44264 Route 66, Marienville, PA 16239), on June 23, 2021, the Department issued the renewal Title V Operating Permit of a natural gas compressor station located in Howe Township, **Forest County**. Permitted air contamination sources at the station are six natural gas-fueled compressor engines, two natural gas-fueled emergency generators, a natural gas-fired boiler, two degreaser units, several natural gas-fueled space heaters and hot water heaters, and various fugitive emissions sources. In this renewal, major permit changes made are the following: addition of monthly Audio, Visual, & Olfactory (AVO) inspections for fugitive emissions from various components onsite; incorporation of various fugitive emissions sources as permitted sources for emission inventory reporting purposes; addition of source test submittals for engines subject to stack testing pursuant to 25 Pa. Code §§ 129.96 through 129.100 (RACT II); addition of a compliance schedule on construction, completion and compliance demonstration for the RACT II Case-by-Case NO_x control device for one engine; removal of semiannual NO_x portable testing established under RACT I as this testing is replaced by the 5-year stack testing pursuant to RACT II; and removal of requirements associated with the projected actual emissions, which were incorporated in 2010 under the authority of 25 Pa. Code § 127.203a.

Operating Permits for Non-Title V Facilities Issued under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter F.

Southcentral Region: Air Quality Program, 909 Elmer-ton Avenue, Harrisburg, PA 17110.

Contact: Thomas Hanlon, Facilities Permitting Chief, 717-705-4862, Thomas Bianca, New Source Review Chief, 717-705-4863, or William Weaver, Regional Air Quality Manager, 717-705-4702.

21-05066: Martins Creek, LLC (600 Hamilton Street, Suite 600, Allentown, PA 18101-2400) on June 23, 2021, for the West Shore Combustion Turbine Generator site located in Lower Allen Township, **Cumberland County**. The State-Only Permit was renewed.

Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Contact: Thomas Joseph, Facilities Permitting Chief, 412.442.4336.

30-00097: Pennsylvania Department of Corrections (1920 Technology Parkway, Mechanicsburg, PA 17050). In accordance with 25 Pa. Code § 127.441 and 25 Pa. Code § 127.425, the Department is providing notice that, on April 28, 2021, DEP issued a renewed, State only Operating Permit to Pennsylvania Department of Corrections for the continued operation of a boiler house at a prison, known as SCI Greene, located in Franklin Township, **Greene County**.

The primary sources at the boiler house are five boilers and two emergency engines. Three boilers (Boilers 1, 2, and 6), with rated Heat Inputs of 45.0 MMBtu/hr, 45.0 MMBtu/hr, 20.67 MMBtu/hr, only burn natural gas. The other two boilers (Boilers 4 and 5), with rated Heat Inputs of 4.18 MMBtu/hr, each, are natural gas-fired with distillate oil backup. The facility also contains two, 745-bhp, emergency, diesel generator engines.

No emission or equipment changes have been approved by this action. Emission sources at the facility are subject to 40 CFR Part 60, Subpart A—General Provisions, 40 CFR Part 60, Subpart Dc—Standards of Performance for Small Industrial-Commercial-Institutional Steam Generating Units, 40 CFR Part 60, Subpart JJJJ—Standards of Performance for Stationary Spark Ignition Internal Combustion Engines, and 25 Pa. Code Chapters 121—145. The permit includes emission limitations, and operational, monitoring, reporting, and recordkeeping requirements for the facility. The emission restriction, monitoring, recordkeeping, reporting, and work practice conditions of the SOOP have been derived from the applicable requirements of 40 CFR Part 60, Subpart A, 40 CFR Part 60, Subpart Dc, and Pa. Code Title 25 Article III, Chapters 121—145.

56-00119: West Salisbury Foundry & Machine Co., Inc. (P.O. Box 541, Salisbury, PA 15558-0541) on June 24, 2021, an Air Quality State only Operating Permit (SOOP) renewal to West Salisbury Foundry & Machine to authorize the operation of a traditional iron job-shop foundry producing iron castings for general industry. The facility is located in Elk Lick Township, **Somerset County**.

Northwest Region: Air Quality Program, 230 Chestnut Street, Meadville, PA 16335-3481.

Contact: Matthew Williams, Facilities Permitting Chief—Telephone: 814-332-6940.

20-00263: The TAPCO Tube Company (10748 South Water Street, Meadville, PA 16335). On June 22, 2021, the Department issued the renewal of the State only Operating Permit for the steel tube manufacturing facility located in West Mead Township, **Crawford County**. The sources at the facility include a dip coating operation, a powder coating operation, 2 clear coating lines, 30 natural gas fueled space heaters for building heat, 2 scarfing & remetallization operations, and 3 parts washers. The facility is a Natural Minor. The potential emissions from the facility are as follows: VOCs, 49.9 tpy; CO, < 1 tpy; NO_x, < 1 tpy; SO₂, < 1 tpy; PM, < 1 tpy; any single HAP 9.9 tpy; and all combined HAPs 24.9 tpy.

The permit contains emission restrictions, recordkeeping, work practice, and additional requirements to ensure compliance with the Clean Air Act and the Air Pollution Control Act.

25-00931: PA Department of Corrections/Albion SCI (10745 Route 18, Albion, PA 16475-0002). On June 22, 2021, the Department issued the renewal State only Synthetic Minor Operating Permit for the State Correctional Institute located in Conneaut Township, **Erie County**. The facility's primary emission sources include five boilers, two emergency power generators, a parts washer, and miscellaneous natural gas combustion. The potential emissions of the primary pollutants from the facility are as follows: 99.00 TPY (tons per year) NO_x, 33.59 TPY CO, 9.07 TPY VOC, 1.14 TPY total HAPs, 3.42 TPY filterable PM₁₀, 3.41 TPY filterable PM_{2.5}, and 4.84 TPY SO_x. The facility is a synthetic minor, taking limits on natural gas and fuel oil usage to maintain a NO_x emission limit of 99.00 TPY. The existing 33.4 mmBtu/hr hot water boiler and a new 33.5 mmBtu/hr boiler are subject to 40 CFR 60 Subpart Dc, Standards of Performance for Small Industrial-Commercial-Institutional Steam Generating Units. The new 33.5 mmBtu/hr boiler and a new 14.644 mmBtu/hr boiler are also subject to GP-1 requirements, which includes emission restrictions. None of the boilers are subject to 40 CFR 63 Subpart JJJJJJ, NESHAP for Industrial, Commercial, and Institutional Boilers Area Sources, as they have taken hours of operation limits on usage of fuel oil. The renewal permit contains emission restrictions, recordkeeping, work practices, and additional requirements to ensure compliance with the Clean Air Act and the Air Pollution Control Act.

43-00319: Sharon Tube Co., Church St. Plant (20 Church St., Wheatland, PA 16161). On June 23, 2021, the Department issued the renewal State-only Operating Permit of a steel pipe and tube manufacturing facility located in Wheatland Borough, **Mercer County**. Permitted air contamination sources at the facility are annealing furnaces, inert gas generators, cold immersion oil dip tanks, boilers, tube dryers, emergency generators, heaters, and parts washers. Established through PA 43-319C and D, the facility has been subject to a facility-wide and a source-specific VOC restrictions and annual emissions inventory reporting. For permitting purposes, the facility is Natural Minor. In this renewal, the facility-wide VOC restriction is revised to account for the VOC restrictions authorized by PA 43-319D for the cold immersion oil dip tanks and by PA 43-319C for the rest of the permitted sources. For the boilers, a fuel restriction is added to ensure their exemption from § 40 CFR 63 Subpart JJJJJJ. Monitoring and recordkeeping frequency for rust inhibitor usage is changed from daily basis to weekly basis.

62-00035: IA Construction Corporation (P.O. Box 568, Franklin, PA 16323). On June 22, 2021, the Department issued the renewal of the State only Operating Permit for the Warren Hot Mix Asphalt Plant located in Conewango Township, **Warren County**. The facility is a Natural Minor. The primary sources at the facility include a Batch Hot Mix Asphalt Plant with maximum throughput rate of 240 tons asphalt per hour and a Portable Crushing Plant with a maximum throughput of 150 tons of crushed material per hour. The portable crushing plant is powered by a Nonroad diesel-fueled engine. The asphalt plant is restricted to a production limit of 495,000 tons of hot asphalt paving materials per year. Reported emissions for 2020 were: 15.03 tons CO; 1.46 tons NO_x; 4.7 tons PM₁₀; 0.00 ton PM_{2.5}; 0.17 ton

SO_x; 0.31 ton VOC; 0.404 ton HAPs; 1,236 tons CO₂; 0.0233 ton methane; and 0.0023 ton nitrous oxide. The renewal permit contains emission restrictions, record-keeping, work practice, and additional requirements to ensure compliance with the Clean Air Act and the Air Pollution Control Act.

Operating Permit Revisions Issued including Administrative Amendments, Minor Modifications or Transfers of Ownership under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code §§ 127.412, 127.450, 127.462 and 127.464.

36-05149: Burle Corporate Park, LLC (1004 New Holland Avenue, Lancaster, PA 17601-5606) on June 22, 2021, for the boilers and engines at the business park located in Lancaster City, **Lancaster County**. The State-Only Permit was administratively amended in order to reflect a change of ownership.

Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Contact: Thomas Joseph, Facilities Permitting Chief, 412.442.4336.

65-00042: Gabriel Performance Products, LLC (408 Manor-Harrison City Road, Harrison City, PA 15636-1102). Administrative Amendment, issued on June 15, 2021, for a change of ownership from Ranbar Electrical Materials to Gabriel Performance Products, LLC. This facility is a specialty resins and coatings manufacturing plant located in Manor Borough, **Westmoreland County**.

De Minimis Emissions Increases Authorized under 25 Pa. Code § 127.449.

Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Contact: Edward Orris, New Source Review Chief, 412.442.4168.

26-00547: Pureon, Inc. (1101 Mountain View Drive, Smithfield, PA 15478) the De Minimis increase is for the replacement of a Packed Wet Bed Scrubber for the industrial diamond manufacturing facility located in Georges Township, **Fayette County**. The installation of this source is exempt from plan approval as allowed in 25 Pa. Code § 127.14(a)(8). The Department hereby approves the De Minimis emission increase. The following is the list of De minimis emission increases as required by

25 Pa. Code § 127.449(i). This list includes the De minimis increases since the facility operating permit issuance on February 8, 2006.

- Date: June 24, 2021
- Source: Acid wash process controlled by wet scrubber;
- Increase = 0.08 ton PM₁₀;
- Total reported increases for permit term = 0.08 ton PM₁₀;

Per 25 Pa. Code Section 127.449, total allowable increases for all de minimis emission increases during the permit term shall not exceed 4 tons/source and 20 tons/facility CO; 1 ton/source and 5 tons/facility NO_x; 1.6 tons/source and 8 tons/facility SO_x; 0.6 ton/source and 3 tons/facility PM₁₀; 1 ton/source and 5 tons/facility VOC.

SOOP-30-00106: Equitrans, L.P. (2200 Energy Drive, Canonsburg, PA 15317-1001), per 25 Pa. Code § 127.449(i), this Notice is for the following De Minimis emission increase at the Waynesburg Compressor Station located in Franklin Township, **Greene County**: This project is for the installation and operation of an Envirotherm 24" DVC enclosed combustor, rated at 2 MMBtu/hr with 98% destruction efficiency. The emission increase resulting from this project will not exceed 0.72 tons of CO, 0.86 ton of NO_x, 0.01 ton of SO_x, 0.07 ton of PM₁₀, and 0.05 ton of VOCs per year. The following conditions of this de minimis emission increase will be included in the operating permit:

- The 2 MMBtu/hr enclosed combustor shall operate at all times that the dehydrator unit (Source ID 401) operates.
- The permittee shall operate and maintain the 2 MMBtu/hr combustor in accordance with manufacturers recommended specifications.

The list of De Minimis increases for this facility includes only this project.

ACTIONS ON COAL AND NONCOAL MINING ACTIVITY APPLICATIONS

Actions on applications under the Surface Mining Conservation and Reclamation Act (52 P.S. §§ 1396.1—1396.31); the Noncoal Surface Mining Conservation and Reclamation Act (52 P.S. §§ 3301—3326); the Clean Streams Law (35 P.S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P.S. §§ 30.51—30.66); the Bituminous Mine Subsidence and Land Conservation Act (52 P.S. §§ 1406.1—1406.21). The final action on each application also constitutes action on the NPDES permit application and, if noted, the request for a Section 401 Water Quality Certification. Mining activity permits issued in response to such applications will also address the application permitting requirements of the following statutes; the Air Quality Control Act (35 P.S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P.S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P.S. §§ 6018.101—6018.1003).

Coal Permits Issued

California District Office: 25 Technology Drive, Coal Center, PA 15423, 724-769-1100, (Contact: Bonnie Herbert).

Permit No. 30841316 and NPDES Permit No. PA0213535. Consol Pennsylvania Coal Company,

LLC, 1000 Consol Energy Drive, Suite 100, Canonsburg, PA 15317, to revise the permit and related NPDES Permit. To revise 2510.0 acres of previously permitted underground and subsidence control boundary from development only mining to longwall mining for Bailey Mine & Prep Plant located in Richhill and Aleppo Townships, **Greene County**. No additional discharges. The application was considered administratively complete on April 1, 2019. Application received: March 5, 2019. Permit issued: January 28, 2021.

Permit No. 56121301 and NPDES Permit No. PA0236152. AK Coal Resources, Inc., 1134 Stoystown Road, Friedens, PA 15541, to revise the permit and related NPDES permit to convert approximately 29.9 acres of forest land to unmanaged natural habitat for North Fork Mine in Jenner Township, **Somerset County**. No additional discharges. The application was considered administratively complete on December 10, 2020. Application received: October 22, 2020. Permit issued: May 7, 2021.

Permit No. 32840701 and NPDES Permit No. PA0092193. Tanoma Coal Company, Inc., 957 Georges Station Road, Suite 900, Greensburg, PA 15601, to renew the permit and related NPDES Permit for Tanoma Refuse Area No. 2 located in Rayne Township, **Indiana County**. No additional discharges. The application was considered administratively complete on November 21, 2019. Application received: November 4, 2019. Permit issued: May 25, 2021.

Permit No. 56961302. RoxCoal, Inc., 1576 Stoystown Road, P.O. Box 149, Friedens, PA 15541, to revise the permit for a land use change from wildlife habitat to unmanaged natural habitat for Miller Deep Mine located in Lincoln and Jenner Townships, **Somerset County**. No discharges. The application was considered administratively complete on August 27, 2020. Application received: July 13, 2020. Permit issued: June 8, 2021.

Permit No. 02733702 and NPDES Permit No. PA0023370. Consol Mining Company LLC, CNX Center, 1000 Consol Energy Drive, Suite 100, Canonsburg, PA 15317, to renew the permit and related NPDES Permit for Renton Refuse Area located in Plum Borough, **Allegheny County**. No additional discharges. The application was considered administratively complete on July 1, 2019. Application received: May 21, 2019. Permit issued: June 8, 2021.

Cambria District Mining Office: 286 Industrial Park Road, Ebensburg, PA 15931, 814-472-1900, (Contact: Melanie Ford-Wigfield).

Permit No. 11850111 and NPDES No. PA0597490. E.P. Bender Coal Company, P.O. Box 594, Carrolltown, PA 15722, NPDES renewal of a permanent long-term treatment of post mining discharges in Dean Township, **Cambria County**, affecting 291.3 acres. Receiving streams: unnamed tributary to Brubaker Run and Brubaker Run classified for the following use: cold water fishes. There are no potable water supply intakes within 10 miles downstream. Application received: February 23, 2021. Permit issued: June 23, 2021.

Permit No. 32051601 and NPDES No. PA0236012. Rosebud Mining Company, 301 Market Street, Kittanning, PA 16201-1504, renewal to the NPDES permit and mining activity permit for the Crooked Creek Preparation Plant in Washington Township, **Indiana County**. Receiving stream: unnamed tributary to Crooked Creek classified for the following use: cold water fishes. There are no

potable water supply intakes within 10 miles downstream. Application received: February 3, 2021. Permit issued: June 24, 2021.

Moshannon District Mining Office: 186 Enterprise Drive, Philipsburg, PA 16866, 814-342-8200, (Contact: Ashley Smith).

Permit No. 17880126 and NPDES PA0116599. Waroquier Coal Company, P.O. Box 128, Clearfield, PA 16830. Permit renewal for reclamation only of a bituminous surface coal mine located in Lawrence Township, **Clearfield County** affecting 295.4 acres. Receiving stream(s): Unnamed Tributaries to West Branch Susquehanna River classified for the following use(s): CWF. There are no potable water supply intakes within 10 miles downstream. Application received: July 22, 2020. Permit issued: June 24, 2021.

Permit No. 17813024 and NPDES PA0608777. EnerCorp, Inc., 1310 Allport Cutoff, Morrisdale, PA 16858. Permit renewal for reclamation only of a bituminous surface mine for passive treatment only located in Bradford Township, **Clearfield County** affecting 8.3 acres. Receiving stream(s): Unnamed Tributary to the West Branch of Susquehanna River classified for the following use(s): WWF. There are no potable water supply intakes within 10 miles downstream. Application received: December 14, 2020. Permit issued: June 24, 2021.

Noncoal Permit Issued

Cambria District Mining Office: 286 Industrial Park Road, Ebensburg, PA 15931, 814-472-1900, (Contact: Melanie Ford-Wigfield).

PAM417024-GP104. Moelan, LLC, 494 Harvest Drive, Rockwood, PA 15557. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining activities on Noncoal Permit No. 56170801 located in Milford Township, **Somerset County**. Receiving stream: Coxes Creek classified for the following use: warm water fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 27, 2021. Coverage Approved: June 24, 2021.

PAM417018-GP104. Coldsmith Construction Company, Inc., 1555 Coldsmith Road, Shippensburg, PA 17257. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 6476SM26 located in Hamilton Township, **Franklin County**. Receiving stream: Conococheague Creek classified for the following uses: WWF, MF. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: March 31, 2021. Coverage Approved June 24, 2021.

PAM417014-GP104. Leonard W. Yenzi, P.O. Box 62, Anita, PA 15711. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 32080801, located in Cherryhill Township, **Indiana County**. Receiving stream: Unnamed Tributary to Two Lick Creek, classified for the following use: cold water fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 5, 2021. Coverage Approved: June 24, 2021.

PAM417009-GP104. Robert D. McCulloh Excavating & Paving, Inc., 5006 Buchanan Trail West, Greencastle, PA 17225. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 28980301, located in

Montgomery Township, **Franklin County**. Receiving stream: unnamed tributary to Blue Spring Creek to Licking Creek, classified for the following uses: trout stocked fishes, migratory fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: May 14, 2021. Coverage Approved: June 24, 2021.

PAM417006-GP104. Kirby W. Kitner Excavating, 7214 Spring Road, New Bloomfield, PA 17068. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 50170801 located in Centre Township, **Perry County**. Receiving stream: Little Juniata Creek classified for the following uses: cold water fishes, migratory fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received April 12, 2021. Coverage Approved June 24, 2021.

PAM417005-GP104. Bobbi L. Armolt, 6148 Spring Road, Shermansdale, PA 17090. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 50832301 located in Carroll Township, **Perry County**. Receiving stream: Unnamed Tributary to Sherman Creek, classified for the following uses: Warm Water Fishes and Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 5, 2021. Coverage Approved: June 24, 2021.

PAM416008-GP104. P&W Excavating, Inc., P.O. Box 712, McConnellsburg, PA 17233. Renew coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 6577SM3A located in Todd Township, **Fulton County**. Receiving streams: unnamed tributary to Big Cove Creek classified for the following uses: cold water fishes, migratory fishes. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: March 29, 2021. Approved: June 24, 2021.

PAM416002-GP104. Grannas Bros. Stone & Asphalt Co., Inc., P.O. Box 488, Hollidaysburg, PA 16648. Renew coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 07960301 located in Catharine Township, **Blair County**. Receiving streams: unnamed tributary to Frankstown Branch Juniata River and Frankstown Branch Juniata River classified for the following uses: warm water fishes; trout stocked fishes. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: April 5, 2021. Approved: June 24, 2021.

PAM416001-GP104. Daniel L. Harbaugh, Jr., 238 Hammond Hill Road, Fishertown, PA 15539. Renew coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 05160801 located in East St. Clair, **Bedford County**. Receiving streams: Unnamed Tributary to Adams Run to Dunning Creek classified for the following uses: warm water fishes. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: April 12, 2021. Approved: June 24, 2021.

PAM415004-GP104. R.A. Hill, Inc., 1364 Lincoln Way East, Chambersburg, PA 17202. Renew coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on

Noncoal Permit No. 28130302 located in Hamilton Township, **Franklin County**. Receiving streams: unnamed tributary to Conococheague Creek classified for the following uses: warm water fishes. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: April 8, 2021. Approved: June 23, 2021.

PAM416010-GP104. Glass Bagging Enterprises, Inc., P.O. Box 120, Duncansville, PA 16635. Renew coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 31950301 located in Hopewell Township, **Huntingdon County**. Receiving streams: unnamed tributary to Shy Beaver Creek classified for the following uses: warm water fishes. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: April 23, 2021. Approved: June 23, 2021.

PAM416003-GP104. Glass Bagging Enterprises, Inc., P.O. Box 120, Duncansville, PA 16635. Renew coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 31100301 located in Hopewell & Liberty Townships, **Huntingdon and Bedford Counties**. Receiving streams: unnamed tributary to Shy Beaver Creek classified for the following uses: warm water fishes. The first downstream potable water supply intake from the point of discharge is Lake Raystown Resort. Notice of Intent for Coverage received: April 23, 2021. Approved: June 23, 2021.

PAM415003-GP104. Glass Bagging Enterprises, Inc., P.O. Box 120, Duncansville, PA 16635. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 07152801 located in Frankstown Township, **Blair County**. Receiving stream: Frankstown Branch of the Juniata River classified for the following use: warm water fishes. There are no potable water supply intakes within 10 miles downstream. Application received: April 23, 2021. Coverage Approved: June 23, 2021.

PAM410002-GP104. Terry L Long, 132 Dirt Pushing Drive, Martinsburg, PA 16662. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 07100801 located in North Woodbury Township, **Blair County**. Receiving stream: unnamed tributary to Plum Creek classified for the following uses: warm water fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 26, 2021. Coverage Approved: June 23, 2021.

PAM413002-GP104. Grannas Brothers Construction Company, Inc., P.O. Box 488, Hollidaysburg, PA 16648. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 4273SM6A2 located in Frankstown Township, **Blair County**. Receiving streams: unnamed tributary to/and Brush Creek to Frankstown Branch of the Juniata River classified for the following uses: warm water fishes, migratory fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 5, 2021. Coverage Approved: June 22, 2021.

PAM411003-GP104. Snyder Excavating, LLC, 2824 William Penn Ave., Johnstown, PA 15909-3628. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 11110801 located in Jackson Township, **Cambria County**. Receiving stream: unnamed tributary

to Hinckston Run classified for the following use: cold water fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: March 30, 2021. Coverage Approved: June 22, 2021.

PAM414003-GP104. Cambria Industrial Metals, Inc., P.O. Box 64430, Washington, DC 20029. Renew Coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No.11940301 located in East Taylor Township, **Cambria County**. Receiving stream: Hinckston Run classified for the following uses: WWF. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: April 14, 2021. Approved: June 22, 2021.

PAM420004-GP104. Glass Bagging Enterprises, Inc., P.O. Box 120, Duncansville, PA 16635. Renew Coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 07202801 located in Frankstown Township, **Blair County**. Receiving stream: Frankstown Branch of the Juniata River classified for the following uses: WWF. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: April 23, 2021. Approved: June 22, 2021.

PAM419005-GP104. Dryhouse Stoneworks, 30 Walnut Grove Lane, Belleville, PA 17004. Renew Coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 34190801 located in Beale Township, **Juniata County**. Receiving stream(s): unnamed tributary to Doyle Run, classified for the following use(s): CWF, MF. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: April 12, 2021. Approved: June 22, 2021.

PAM419003-GP104. Jay Fulkroad & Sons, Inc., 2736 Free Spring Church Road, McAlisterville, PA 17049. Renew Coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 34860301 located in Fayette Township, **Juniata County**. Receiving stream: unnamed tributary to Delaware Creek classified for the following uses: Trout Stock Fishes and Migratory Fishes. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: May 12, 2021. Coverage Approved: June 22, 2021.

PAM418021-GP104. New Enterprise Stone & Lime Co., Inc., 3912 Brumbaugh Road, New Enterprise, PA 16664. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No 6477SM3 located in Peters and St. Thomas Townships, **Franklin County**. Receiving stream: unnamed tributary to Back Creek classified for the following uses: Trout Stocked Fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: March 30, 2021. Coverage Approved: June 22, 2021.

PAM418020-GP104. Ilene Pontius, 273 Pontius Lane, Loysville, PA 17047. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 50042801 located in Saville Township, **Perry County**. Receiving stream: unnamed tributary to Bixler Run classified for the following uses: cold water fishes, migratory fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: May 11, 2021. Coverage Approved: June 22, 2021.

PAM418019-GP104. Abe Warner Excavating, 7597 Old Plank Road, Broad Top, PA 16621. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 31180801 located in Wood Township, **Huntingdon County**. Receiving stream: unnamed tributary to Great Trough Creek, classified for the following uses: trout stocked fishes, migratory fishes. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: April 27, 2021. Coverage Approved: June 22, 2021.

PAM418018-GP104. William A. Smith, 5557 Couchtown Road, Blain, PA 17006. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 50860803 located in Northeast Madison Township, **Perry County**. Receiving stream: unnamed tributary to Bixler Run, classified for the following uses: cold water fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 13, 2021. Coverage Approved: June 22, 2021.

PAM418016-GP104. Barbara Beers, 1360 Newport Road, Duncannon, PA 17020. General Renew Coverage NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 50850804 located in Miller Township, **Perry County**. Receiving stream: unnamed tributary to Losh Run classified for the following uses: warm water fishes, migratory fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 17, 2021. Coverage Approved: June 22, 2021.

PAM418015-GP104. Benjamin E. Dum, 44 Meadow Lane, Elliottsburg, PA 17024. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 4-00644-1 located in Spring Township, **Perry County**. Receiving stream: unnamed tributary to Montour Creek classified for the following uses: cold water fishes, migratory fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 12, 2021. Coverage Approved: June 22, 2021.

PAM418014-GP104. James S. White Jr., 204 Barnyard Boulevard, Lewistown, PA 17044. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 44940801 located in Granville Township, **Mifflin County**. Receiving stream: unnamed tributary to Buck Run classified for the following uses: Trout Stocked Fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: May 6, 2021. Coverage Approved: June 22, 2021.

PAM418011-GP104. Bernadette Himmel, 110 Farmhouse Lane, Carrolltown, PA 15722. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. SM400629 located in West Carroll Township, **Cambria County**. Receiving stream: unnamed tributary to West Branch Susquehanna River, classified for the following uses: cold water fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 9, 2021. Coverage Approved: June 21, 2021.

PAM418007-GP104. John H. Goss, 2720 Old Stage Road, Lewistown, PA 17044. Renew Coverage General

NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 44930801 located in Decatur Township, **Mifflin County**. Receiving stream: Hungry Run classified for the following uses: Trout Stocked Fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: May 13, 2021. Coverage Approved: June 21, 2021.

PAM418005-GP104. Harold L. Hamilton Sr., 261 Ridge Road, Shippensburg, PA 17257. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 21920802 located in North Newton Township, **Cumberland County**. Receiving stream: Green Spring Creek classified for the following uses: cold water fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 28, 2021. Coverage Approved: June 21, 2021.

PAM418004-GP104. Donald L. Weller, 14112 Orchard Ridge Road, Hancock, MD 21750. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 28970801 located in Warren Township, **Franklin County**. Receiving stream: Little Cove Creek classified for the following uses: Cold Water Fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 17, 2021. Coverage approved: June 21, 2021.

PAM418003-GP104. Thomas J. Sheaffer, 67 Sheaffer Farm Lane, New Bloomfield, PA 17068. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 50940802 located in Wheatfield Township, **Perry County**. Receiving stream: Unnamed Tributary to Little Juniata Creek classified for the following uses: Cold Water Fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 20, 2021. Coverage approved: June 21, 2021.

PAM418002-GP104. James A. Murphy, 9271 Mercersburg Road, Mercersburg, PA 17236. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 28070802 located in Montgomery Township, **Franklin County**. Receiving stream: Unnamed Tributary to Conococheague Creek classified for the following uses: Trout Stocked Fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: May 10, 2021. Coverage approved: June 21, 2021.

PAM418001-GP104. James L. Walls Excavating, 5364 Racetrack Road, St. Thomas, PA 17252. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 28950801 located in St. Thomas Township, **Franklin County**. Receiving stream: Campbell Run classified for the following uses: Cold Water Fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: March 31, 2021. Coverage approved: June 21, 2021.

PAM417041-GP104. Snokes Excavating & Paving, Inc., 33 East Main Street, Walnut Bottom, PA 17266. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 28992806 located in Southampton Township,

Franklin County. Receiving stream: Unnamed Tributary to Muddy Run classified for the following uses: Warm Water Fishes and Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: March 2, 2021. Coverage Approved: June 21, 2021.

PAM417042-GP104. Snokes Excavating & Paving, Inc., 33 East Main Street, Walnut Bottom, PA 17266. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 28992804 located in Southampton Township, **Franklin County**. Receiving stream: Muddy Run classified for the following uses: Warm Water Fishes and Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: March 2, 2021. Coverage Approved: June 21, 2021.

PAM417038-GP104. Rick Eichelberger, Inc., 1381 Flowers Lane, Marysville, PA 17053. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 50010801 located in Rye and Penn Townships, **Perry County**. Receiving stream: Unnamed Tributary to Fishing Creek classified for the following uses: cold water fishes and migratory fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: April 22, 2021. Coverage Approved: June 21, 2021.

PAM417035-GP104. Robert H. Snyder, 80 Amity Road, Duncannon, PA 17020. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 50050802 located in Watts Township, **Perry County**. Receiving stream: unnamed tributary to Susquehanna River classified for the following uses: Warm Water Fishes, Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage received: May 11, 2021. Coverage Approved: June 21, 2021.

PAM417031-GP104. Danny G. Forrester, 100 Fox Hill Road, Shippensburg, PA 17257. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 21052801 located in Hopewell Township, **Cumberland County**. Receiving stream: Unnamed Tributary to Conodoguinet Creek, classified for the following uses: Warm Water Fishes and Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage Received: May 4, 2021. Coverage Approved: June 21, 2021.

PAM417032-GP104. Danny G. Forrester, 100 Fox Hill Road, Shippensburg, PA 17257. Renew Coverage General NPDES Permit for Stormwater Discharges Associated with Mining Activities on Noncoal Permit No. 21052802 located in Hopewell Township, **Cumberland County**. Receiving stream: Unnamed Tributary to Conodoguinet Creek, classified for the following uses: Warm Water Fishes and Migratory Fishes. There are no potable water supplies located within 10 miles downstream. Notice of Intent for Coverage Received: May 4, 2021. Coverage Approved: June 21, 2021.

Moshannon District Mining Office: 186 Enterprise Drive, Philipsburg, PA 16866, 814-342-8200, (Contact: Ashley Smith).

PAM217012-GP104. Robert Johnson Flagstone, Inc., 3658 Old Stagecoach Road, Wyalusing, PA 18853. Renew coverage under the General NPDES Permit for

Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 08172801 located in Tuscarora Township, **Bradford County**. Receiving stream: Unnamed Tributary to Little Tuscarora Creek. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: May 27, 2021. Approval of coverage issued: June 23, 2021.

PAM216026-GP104. Robert Johnson Flagstone, Inc., 3658 Old Stagecoach Road, Wyalusing, PA 18853. Renew coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 08162804 located in Wyalusing and Tuscarora Townships, **Bradford County**. Receiving stream: Unnamed Tributary to Wyalusing Creek. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: May 27, 2021. Approval of coverage issued: June 23, 2021.

PAM216027-GP104. Robert Johnson Flagstone, Inc., 3658 Old Stagecoach Road, Wyalusing, PA 18853. Renew coverage under the General NPDES Permit for Stormwater Discharges Associated with Mining Activities (BMP GP-104) on Noncoal Permit No. 08162805 located in Stevens Township, **Bradford County**. There are no potable water supply intakes within 10 miles downstream. Notice of Intent for Coverage received: May 27, 2021. Approval of coverage issued: June 23, 2021.

Final Bond Release

Knox District Mining Office: P.O. Box 669, 310 Best Avenue, Knox, PA 16232-0669, 814-797-1191, (Contact: Cayleigh Boniger).

Permit No. 33900802. Fred Whelpley Excavation, 2599 Horizon Drive, Brockway, PA 15824. Final bond release for a small noncoal mining operation in Snyder Township, **Jefferson County**. Restoration of 5.0 acres completed. Receiving stream(s): Unnamed tributary to Little Toby Creek. Application received: April 22, 2021. Final bond release approved: June 14, 2021.

ACTIONS ON BLASTING ACTIVITY APPLICATIONS

Actions on applications under the Explosives Acts of 1937 and 1957 and 25 Pa. Code § 211.124. Blasting activity performed as part of a coal or noncoal mining activity will be regulated by the mining permit for that coal or noncoal mining activity.

Blasting Permits Issued

Pottsville District Mining Office: 5 West Laurel Boulevard, Pottsville, PA 17901, 570-621-3118, (Contact: Theresa Reilly-Flannery).

Permit No. 15214104. Rock Work, Inc., 1257 DeKalb Pike, Blue Bell, PA 19422, construction blasting for Eagle View Lot 1C in Upper Uwchlan Township, **Chester County** with an expiration date of July 1, 2022. Permit issued: February 22, 2021.

Permit No. 40214114. Maine Drilling & Blasting, Inc., P.O. Box 1140, Gardiner, ME 04345, construction blasting for Centerpoint East 11B Lot 45 in Jenkins Township, **Luzerne County** with an expiration date of March 2, 2022. Permit issued: June 23, 2021.

FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The Department has taken the following actions on previously received permit applications, requests for Envi-

ronmental Assessment approval, and requests for Water Quality Certification under Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341).

Except as otherwise noted, the Department has granted 401 Water Quality Certification certifying that the construction and operation described will comply with the applicable provisions of Sections 301–303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311–1313, 1316 and 1317), and that the construction will not violate applicable Federal and State Water Quality Standards.

Any person aggrieved by these actions may appeal, pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. § 7514, and the Administrative Agency Law, 2 Pa.C.S. Chapter 5A, to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Environmental Hearing Board within 30-days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

If you want to challenge this action, your appeal must reach the Board within 30-days. You do not need a lawyer to file an appeal with the Board.

Important legal rights are at stake, however, so you should show this notice to a lawyer at once. If you cannot afford a lawyer, you may qualify for free pro bono representation. Call the Secretary to the Board (717) 787-3483 for more information.

WATER OBSTRUCTIONS AND ENCROACHMENTS

Actions on applications for the following activities filed under the Dam Safety and Encroachments Act (32 P.S. §§ 693.1–693.27), section 302 of the Flood Plain Management Act (32 P.S. § 679.302) and The Clean Streams Law and Notice of Final Action for Certification under section 401 of the FWPCA.

Southeast Region: Waterways & Wetlands Program Manager, 2 East Main Street, Norristown, PA 19401, Telephone 484.250.5160, E-mail: ra-epww-sero@pa.gov.

Permit No. E1501221-004, Aqua Pennsylvania, Inc., 762 West Lancaster Avenue, Bryn Mawr, PA 19010, West Bradford Township, **Chester County**, ACOE Philadelphia District.

To perform the following-listed water obstruction and encroachment activities associated with the Broad Run Road—A65176-873.17 over an Unnamed Tributary (UNT) to Broad Run. The proposed project involves the installation of approximately 3,004 ft of an 8-inch diameter ductile iron pipe (DIP) and 5 ft of a 12-inch diameter DIP water main on Broad Run Road and will cross the UNT to Broad Run (EV, MF) associated with Aqua Pennsylvania, Inc. The project proposes 3.3 sq ft of permanent stream impact and 200 sq ft permanent floodway impact, 750 sq ft of temporary floodway impact and no permanent or temporary wetland impacts. There are no impacts to the floodplain.

The site is approximately located at Broad Run Road, West Chester (Unionville, PA Latitude: 39° 57' 13.4"; Longitude: -75° 42' 39.7") in West Bradford Township, Chester County. Permit issued June 22, 2021.

Northeast Region: Waterways and Wetlands Program Manager, 2 Public Square, Wilkes-Barre, PA 18701-1915.

Contact: Gillian Ostrum, Clerk Typist 2, 570-830-3077.

E4002220-026. CAN DO, Inc., One South Church Street, Hazleton, PA 18201, Hazle Township, **Luzerne County**, Army Corps of Engineers Baltimore District.

To construct and maintain the following water obstruction and encroachments associated with the Lot 104 industrial building project in the Humboldt Industrial Park:

1. To fill two (2) wetland areas permanently impacting a total of 0.07 acre of isolated, PEM wetlands for the purpose of constructing a 105,000 sq ft warehouse facility. Wetland mitigation is proposed in a 1:1 ratio on site.

2. To construct and maintain a stream enclosure of a UNT to Cranberry Creek (CWF, MF) consisting of 676-foot long 24-inch diameter SLCPP pipe. The stream enclosure will tie into an existing stream enclosure on Lot 103 to the west. The enclosure is proposing to reconnect this unnamed tributary with the rest of the Cranberry Creek watershed. Prior to this project, this watercourse was lost subsurface to the minepool and did not have a surface connection to Cranberry Creek.

The project is located on Lot 104 in the Humboldt Industrial Park-East, approximately 0.6 mile down Commerce Drive on the right (Conyngham, PA Quadrangle Latitude: 40° 55' 52"; Longitude: -76° 1' 47") in Hazle Township, Luzerne County.

E35-469. Keystone Sanitary Landfill, 249 Dunham Drive, Dunmore, PA 18512. Dunmore & Throop Boroughs, **Lackawanna County**, Army Corps of Engineers Baltimore District.

To fill a De Minimus area of wetlands equal to 0.01 acre for the purpose of developing the Phase 3 Expansion of the Keystone Sanitary Landfill. The project is located at 249 Dunham Drive (Olyphant, PA Quadrangle Latitude: 41° 25' 59"; Longitude: -75° 34' 52") in Dunmore and Throop Boroughs, Lackawanna County.

Southcentral Region: Waterways and Wetlands Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

E3603220-028. Ephrata Township, 265 Akron Road, Ephrata, PA 17522, Ephrata Township, **Lancaster County**, Army Corps of Engineers Baltimore District.

To install and maintain 1.) 25 boulder deflectors in Cocalico Creek (WWF, MF); 2.) 3 mudsills totaling 105 feet in length in Cocalico Creek (WWF, MF); 3.) construct and maintain 643 feet of boulder wall in Cocalico Creek (WWF, MF); 4.) excavate and maintain floodplain benches in the floodway of Cocalico Creek (WWF, MF) permanently impacting 0.61 acre of floodway; 5.) construct and maintain a 17.0-foot long by 10.0-foot wide fishing pier in Cocalico Creek (WWF, MF); 6.) install and maintain an 8.0-foot long by 16.0-foot wide boat launch in Cocalico Creek (WWF, MF); 7.) grade and maintain a trail and parking lot in the floodway of Cocalico Creek (WWF, MF) permanently impacting 0.80 acre of floodway; and 8.) construct and maintain a rain garden in the floodway of Cocalico Creek (WWF, MF) with 8.0-inch SDR underdrain out falling to Cocalico Creek (WWF, MF), impacting 0.002 acre of floodway and 4 linear feet of stream, all for the purposes of restoring

Cocalico Creek and increasing recreational opportunities for the public. This project is located approximately 500 feet southwest of the intersection of West Mohlers Church Road and East Trout Run Road (Latitude: 40.191° N; Longitude: 76.1691° W) in Ephrata Township, Lancaster County. No wetlands will be impacted by this project. Permit issued June 16, 2021.

E2103219-001. Stephen J. Capone, 70 Lindsay Lane, Carlisle, PA 17013. South Middleton Township, **Cumberland County**, U.S. Army Corps of Engineers, Baltimore District.

To construct and maintain a 12-foot wide by 33-foot long steel beam bridge spanning over LeTort Spring Run (EV-HQ, Migratory Fish) for the purpose of gaining vehicle ractor access to all portions of the property. The project is located in South Middleton Township, Cumberland County (Latitude: 40° 10' 22.9"; Longitude: -77° 11' 21.2"). No in-stream or wetland impacts are proposed. Permit issued December 18, 2020.

Northcentral Region: Waterways & Wetlands Program Manager, 208 West Third Street, Williamsport, PA 17701, 570-327-3636.

E1404221-001: Mark and Olga Levi, 196 Potters Lane, Port Matilda, PA 16870-7199. Barger Fields Subdivision, Patton Township, **Centre County**, U.S. Army Corps of Engineers Baltimore District (Julian, PA Quadrangle; 40° 48' 54.6"; -77° 59' 4.12").

The permittee is authorized to construct and maintain a public road and associated utilities across a UNT Buffalo Run (HQ-CWF) and adjoining wetlands (EV) in order to provide access for 10 proposed single family lots. The project results in 456 sq. ft. of permanent direct wetland impacts, 348 sq. ft. of permanent direct watercourse impacts, and 8,700 sq. ft. of permanent direct floodway impacts.

E0703220-023. Borough of Duncansville, 1146 3rd Avenue, Duncansville, PA 16635, Duncansville Borough and Allegheny Township, **Blair County**, U.S. Army Corps of Engineers Baltimore District. (Hollidaysburg, PA Quadrangle Latitude: 40° 25' 48" N; Longitude: -78° 25' 42" W).

To construct and maintain a bank stabilization project in and along 340 feet of Gillans Run and a UNT to Gillans Run (CWF, MF), including 1.) bank grading 3:1 slope; 2.) install rock toe protection; 3.) install mudsills and log frame deflectors; 4.) remove 150 cubic yards of gravel bar material; 5.) install riparian buffer plantings, all for the purpose of providing phased bank stabilization to Gillans Run. The project is located between 8th Avenue and Vineyard Lane (Latitude: 40° 25' 48" N; Longitude: -78° 25' 42" W) in Duncansville Borough and Allegheny Township, Blair County. No wetlands will be impacted by this project. This permit was issued under Section 105.13(e) "Small Projects." This permit also includes 401 Water Quality Certification.

EROSION AND SEDIMENT CONTROL

The following Erosion and Sediment Control permits have been issued.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the

Pennsylvania Hamilton Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

CORRECTIVE ACTION UNDER ACT 32, 1989

PREAMBLE 2

The Following Plans and Reports Were Submitted Under the Storage Tank and Spill Prevention Act (35 P.S. §§-6021.101-6021.2104).

Provisions of 25 Pa. Code Chapter 245, Subchapter D, Administration of the Storage Tank and Spill Prevention Program, require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A remedial action plan is submitted to summarize the site characterization, document the design and construction details for the remedial action, and describe how the remedial action will attain the selected remediation standard. The remedial action plan also provides results of studies performed and data collected to support the remedial action and a description of postremediation care requirements. A remedial action completion report is submitted to document cleanup of a release of a regulated substance at a site to

the selected remediation standard. A remedial action completion report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected.

For further information concerning plans or reports, please contact the Environmental Cleanup Program Manager in the DEP Regional Office under which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone DEP through the Hamilton Relay Service at (800) 654-5984.

DEP has received the following plans and reports:

Northwest Regional Office: Environmental Cleanup & Brownfields Program, 230 Chestnut Street, Meadville, PA 16335-3481, 814-332-6648.

Contact: Kim Bontrager, Clerk Typist 3.

Kwik Fill M 26, Storage Tank Facility ID # 61-23788, 1500 Riverside Drive, Oil City, PA 16301, Cranberry Township, **Venango County**. Groundwater & Environmental Services, Inc., 301 Commerce Park Drive, Cranberry Township, PA 16066, on behalf of United Refining Company of Pennsylvania, 814 Lexington Avenue, Warren, PA 16385, submitted a Remedial Action Plan concerning remediation of soil and groundwater contaminated with unleaded gasoline constituents. The plan is intended to document the remedial actions for meeting the Statewide health standard.

BPC 12, Storage Tank Facility ID # 10-14629, 1674 Perry Highway, Portersville, PA 16051, Muddy Creek Township, **Butler County**. Letterle & Associates, Inc., 191 Howard Street, Franklin, PA 16323, on behalf of Reed Oil Company, 511 Montgomery Avenue, P.O. Box 2328, New Castle, PA 16102, submitted a combined Remedial Action Plan and Remedial Action Completion Report concerning remediation of soil and groundwater contaminated with diesel and unleaded gasoline. The report is intended to document remediation of the site to meet the nonresidential Statewide health standard and site-specific standard.

CORRECTIVE ACTION UNDER ACT 32, 1989

PREAMBLE 3

The Department of Environmental Protection (DEP) Has Taken Action on the Following Plans and Reports Under the Storage Tank and Spill Prevention Act (35 P.S. §§-6021.101-6021.2104).

Provisions of 25 Pa. Code Chapter 245, Subchapter D, Administration of the Storage Tank and Spill Prevention Program, require DEP to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A remedial action plan is submitted to summarize the site characterization, document the design and construction details for the remedial action, and describe how the remedial action will attain the selected remediation standard. The remedial action plan also provides results of studies performed and data collected to support the

remedial action and a description of postremediation care requirements. A remedial action completion report is submitted to document cleanup of a release of a regulated substance at a site to the selected remediation standard. A remedial action completion report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected.

DEP may approve or disapprove plans and reports submitted. This notice provides DEP's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, please contact the Environmental Cleanup Program Manager in the DEP Regional Office under which the notice of the plan or report appears. If information concerning a report is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone DEP through the Hamilton Relay Service at (800) 654-5984.

DEP has received the following plans and reports:

Northeast Region: Environmental Cleanup & Brownfields Program Manager, 2 Public Square, Wilkes-Barre, PA 18701-1915, 570-826-2511.

Contact: Eric Supey, Environmental Program Manager.

Atlantic Motors, Storage Tank ID # 54-50468, 52 South Lehigh Street, Frackville, PA 17931, Frackville Borough, **Schuylkill County**. B&B Diversified Enterprises, P.O. Box 70, Barto, PA 195043, on behalf of Atlantic Motors, Inc., 51 State Road, Barnesville, PA 18214, submitted a combined Site Characterization Report and Remedial Action Plan concerning remediation of soil and groundwater contaminated with gasoline. The report was not acceptable to meet site-specific standards and was disapproved by DEP on June 23, 2021.

Southcentral Regional Office: Environmental Cleanup & Brownfields Program, 909 Elmerton Avenue, Harrisburg, PA 17110, 717-705-4705.

Contact: Michael Stefanic, LPG.

Hutter's Store Inc., Storage Tank Facility ID # 38-60247, 470 Jonestown Road, Jonestown, PA 17038, Union Township, **Lebanon County**. P. Joseph Lehman, Inc., 470 Jonestown Road, Jonestown, PA 17038, on behalf of Hutter's Stores, Inc., 470 Jonestown Road, Jonestown, PA 17038, submitted a Remedial Action Plan concerning remediation of Groundwater contaminated with Petroleum Compounds. The Remedial Action Plan was acceptable to meet the Statewide health standard and was approved by DEP on May 4, 2021.

Northwest Regional Office: Environmental Cleanup & Brownfields Program, 230 Chestnut Street, Meadville, PA 16335-3481, 814-332-6648.

Contact: Kim Bontrager, Clerk Typist 3.

Leos 3 Car Wash, Storage Tank Facility ID # 25-90615, 2938 West 26th Street, Erie, PA 16506-2502, Millcreek Township, **Erie County**. DMS Environmental Services, LLC, 103 South Spring Street, Bellefonte, PA

16823, on behalf of Mr. James Doleski, 2938 West 26th Street, Erie, PA 16506, submitted a Remedial Action Plan concerning remediation of soil and groundwater contaminated with gasoline. The Remedial Action Plan was acceptable to meet the Statewide health standard and was approved by DEP on June 21, 2021.

Schuylers, Storage Tank Facility ID # 62-11857, 11 Main Street, Sugar Grove, PA 16350, Sugar Grove Borough, **Warren County**. Letterle & Associates, 191 Howard Street, Suite 108, Franklin, PA 16323, on behalf of John E. Schuyler, P.O. Box 277, Sugar Grove, PA 16350-0277 submitted a Remedial Action Completion Report concerning remediation of soil and groundwater contaminated with benzene, toluene, ethylbenzene, xylenes, MTBE, cumene, naphthalene, 1,2,4 trimethylbenzene and 1,3,5 trimethylbenzene. The Remedial Action Completion Report demonstrated attainment of the Statewide health standard and was approved by DEP on June 25, 2021.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Availability of Technical Guidance

Technical guidance documents (TGD) are available on the Department of Environmental Protection's (Department) web site at www.depgreenport.state.pa.us/elibrary/. The "Technical Guidance Final Documents" heading is the link to a menu of the various Department bureaus where each bureau's final TGDs are posted. The "Technical Guidance Draft Documents" heading is the link to the Department's draft TGDs.

Ordering Paper Copies of Department Technical Guidance

The Department encourages the use of the Internet to view and download TGDs. When this option is not available, persons can order a paper copy of any of the Department's draft or final TGDs by contacting the Department at (717) 783-8727.

In addition, bound copies of some of the Department's documents are available as Department publications. Check with the appropriate bureau for more information about the availability of a particular document as a publication.

Changes to TGDs

Following is the current list of recent changes. Persons who have questions or comments about a particular document should contact the person whose name and phone number are listed with each document.

Final TGD: Minor Revision

DEP ID: 263-0900-022. **Title:** Verification of Emergency Containment Structures for Aboveground Storage Tanks. **Description:** This technical guidance provides information to assist tank owners and professional engineers when determining the adequacy of emergency containment structures and compliance with the technical regulations for aboveground storage tanks. The Department's minor revisions to this guidance document include updated terminology to match language used in regulations and minor formatting changes.

Contact: Questions regarding this TGD can be directed to Danielle Mattive at dmattive@pa.gov or (717) 772-5830.

Effective Date: July 10, 2021

PATRICK McDONNELL,
Secretary

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Bid Opportunity

OSM 26(4702)101.1, Abandoned Mine Reclamation Project, Full Gospel Church, Stewart Township, Fayette County. The principal items of work and approximate quantities include: clearing and grubbing, 1 lump sum; grading: grading Area A, 135,900 cubic yards; grading Area B, 44,900 cubic yards; access roadway and parking lot: roadway surface material,

925 square yards; utility pole parking stop, 48 linear feet; tree planting, 13,260 each; furrow ripping, 10 acres; deer fencing, 6,000 linear feet; seeding, 1 acre; and ARRI seeding, 19.5 acre.

This bid issues on June 25, 2021, and bids will be opened on July 22, 2021, at 2 p.m. Bid documents, including drawings in PDF format and AutoCAD Map 3D format, may be downloaded for free beginning on the issue date from the Department of Environmental Protection by going to www.BidExpress.com. This project is financed by the Federal government under the authority given it by the Surface Mining Control and Reclamation Act of 1977 (act) (30 U.S.C.A. §§ 1201—1328) and is subject to the act and to the Federal grant for this project. Small Diverse Business/Veteran Business Enterprise goals have not been set for this project. Contact the Construction Contracts Section at (717) 787-7820 or RA-ConstructionContr@pa.gov for more information on this bid.

PATRICK McDONNELL,
Secretary

DEPARTMENT OF HEALTH

Ambulatory Surgical Facilities; Requests for Exceptions

The following ambulatory surgical facilities (ASF) have filed requests for exceptions under 28 Pa. Code § 51.33 (relating to requests for exceptions) with the Department of Health (Department), which has authority to license ASFs under the Health Care Facilities Act (35 P.S. §§ 448.101—448.904b). The following requests for exceptions relate to regulations governing ASF licensure in 28 Pa. Code Chapters 51 and 551—571 (relating to general information; and ambulatory surgical facilities).

Facility Name	Regulation and relating to
Allegheny Health Network Monroeville Surgery Center	28 Pa. Code § 567.53(1) (relating to sterilization control)
Doylestown Hospital Surgery Center	28 Pa. Code § 551.21(d)(2) (relating to criteria for ambulatory surgery)
Einstein Medical Center Montgomery Short Procedure Unit	28 Pa. Code § 551.21(d)(1) and (2)
Evangelical Ambulatory Surgical Center, LLC	28 Pa. Code § 551.21(d)(1) and (2)
US Cardio Washington, LLC	28 Pa. Code § 551.21(d)(1) and (3)
Wexford Surgery Center	28 Pa. Code § 567.53(1)

The following ASF has filed a request for exception under 28 Pa. Code § 571.1 (relating to minimum standards). Requests for exceptions under this section relate to *Guidelines for Design and Construction of Hospitals and of Outpatient Facilities*, as published by the Facility Guidelines Institute (*FGI Guidelines*). The following list includes the citation to the section of the *FGI Guidelines* for which the hospital is seeking an exception and the year of publication.

Facility Name	Guidelines Section and Relating to	Yr ¹
Surgery Center of Allentown, LLC	A2.1-3.2.3.2(1) space requirements	18-O

¹ 2018 Year FGI Regulations were split into 2 books; *Hospitals, and Outpatient Facilities* as indicated by “-O.”

The previously listed requests are on file with the Department. Persons may receive a copy of a request for exception by requesting a copy from the Department of Health, Division of Acute and Ambulatory Care, Room 532, Health and Welfare Building, Harrisburg, PA 17120, (717) 783-8980, fax (717) 772-2163, ra-paexcept@pa.gov. Persons who wish to comment on an exception request may do so by sending a letter by mail, e-mail or facsimile to the Division at the previously listed address. Comments received by the Department within 10 days after the date of publication of this notice will be reviewed by the Department before it decides whether to approve or disapprove the request for exception.

Persons with a disability who wish to obtain a copy of a request and/or provide comments to the Department and require an auxiliary aid, service or other accommodation to do so should contact the Director, Division of Acute and Ambulatory Care at (717) 783-8980, or for speech and/or hearing-impaired persons, call the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

ALISON BEAM,
Acting Secretary

[Pa.B. Doc. No. 21-1088. Filed for public inspection July 9, 2021, 9:00 a.m.]

DEPARTMENT OF HEALTH

Decisions on Requests for Exceptions to Health Care Facility Regulations

Under 28 Pa. Code § 51.33 (relating to requests for exceptions), effective June 6, 1998, the Department of Health (Department) has published in the *Pennsylvania Bulletin* all requests by entities licensed under the Health Care Facilities Act (35 P.S. §§ 448.101—448.904b), for exceptions to regulations contained in 28 Pa. Code Part IV Subparts B—G.

Section 51.33(d) of 28 Pa. Code provides that the Department will publish notice of all approved exceptions on a periodic basis. The Department has determined that it will publish notice of all exceptions, both approved and denied. The following list contains the decisions made on exception requests published in the *Pennsylvania Bulletin* from May 1, 2021, through June 30, 2021. Future publications of decisions on exception requests will appear on a quarterly basis.

Requests for additional information on the exception request and the Department's decision should be made to the relevant division of the Department. Inquiries regarding hospitals, abortion facilities and ambulatory surgical facilities shall be addressed to Garrison E. Gladfelder, Jr., Director, Division of Acute and Ambulatory Care, Room 532, Health and Welfare Building, Harrisburg, PA 17120, (717) 783-8980. Inquiries regarding long-term care facilities shall be addressed to Susan Williamson, Director, Division of Nursing Care Facilities, Room 528, Health and Welfare Building, Harrisburg, PA 17120, (717) 787-1816. Inquiries regarding Home Health agencies should be directed to Linda Chamberlain, Director, Division of Home Health, Forum Place, Suite 701, 555 Walnut Street, Harrisburg, PA 17101, (717) 783-1379.

DEPARTMENT OF HEALTH

Hospitals; Requests for Exceptions

The following hospitals have filed requests for exceptions under 28 Pa. Code § 51.33 (relating to requests for exceptions) with the Department of Health (Department), which has authority to license hospitals under the Health Care Facilities Act (35 P.S. §§ 448.101—448.904b). The following requests for exceptions relate to regulations governing hospital licensure in 28 Pa. Code Chapters 51 and 101—158 (relating to general information; and general and special hospitals).

<i>Facility Name</i>	<i>Regulation and relating to</i>
Brandywine Hospital	28 Pa. Code § 103.31 (relating to the chief executive officer)
The Children's Hospital of Philadelphia	28 Pa. Code § 107.62(a) and (b) (relating to oral orders)
The Lancaster General Hospital	28 Pa. Code § 149.3 (relating to facilities)

The following hospitals have filed requests for exceptions under 28 Pa. Code § 153.1 (relating to minimum standards). Requests for exceptions under this section relate to minimum standards that hospitals must comply with under the *Guidelines for Design and Construction of Hospitals and Outpatient Facilities—2014 Edition*, or *Guidelines for Design and Construction of Hospitals—2018 Edition*, *Guidelines for Design and Construction of Outpatient Facilities—2018 Edition*. The following list includes the citation to the section under the *Guidelines* that the hospital is seeking an exception.

<i>Facility Name</i>	<i>FGI Guidelines Section and relating to</i>	<i>Yr¹</i>
Grand View Health	2.1-3.5.8.19(2)(b) facilities for processing ultrasound probes	18-O
Penn Highlands Brookville	2.1-3.4.2.6(2) and (3) other design requirements	18
Penn Highlands Dubois	2.1-3.4.2.2(2)(a) and (b)(iii) space requirements	18
	2.2-3.3.3.2(3) space requirements	18
Penn Highlands Huntingdon	2.1-3.4.2.2(2)(a)(iii) space requirements	18
	2.1-3.4.2.6(1) and (3) other design requirements	18
	2.2-3.3.3.2(1)(a) space requirements	18
	2.2-3.3.3.5(1) and (2) other design requirements	18
	2.2-3.4.2.2(2)(a) space requirements	18
Riddle Memorial Hospital	2.2-3.5.2.3(1)(a) and (b) and (2) support area for the external beam radiation therapy suite	18
Saint Luke's Hospital—Miners Campus	2.2-3.4.1.3(1)(d) radiation protection	18
	2.2-3.4.2.3(2)(a) hand-washing station or hand scrub facilities	18
Saint Vincent Hospital	2.1-8.2 heating, ventilation and air-conditioning (HVAC) systems	18
UPMC Magee-Womens Hospital	2.1-3.5.1.3(1)(d) radiation protection	18-O
	2.1-3.5.2.4(1)(a) and (b) and (2)(b) other design elements	18-O
UPMC Passavant	2.2-3.4.9.1(1) staff lounge	18

Facility Name	FGI Guidelines Section and relating to	Yr ¹
UPMC Presbyterian Shadyside	2.5-3.4.2.2(1) ECT treatment room	18
	2.5-3.4.7.4 communication systems	18

¹ 2018 Year FGI Regulations for Outpatient Facilities are indicated by “-O.”

The previously listed requests are on file with the Department. Persons may receive a copy of a request for exception by requesting a copy from the Department of Health, Division of Acute and Ambulatory Care, Room 532, Health and Welfare Building, Harrisburg, PA 17120, (717) 783-8980, fax (717) 772-2163, ra-paexcept@pa.gov. Persons who wish to comment on an exception request may do so by sending a letter by mail, e-mail or facsimile to the Division at the previously listed address. Comments received by the Department within 10 days after the date of publication of this notice will be reviewed by the Department before it decides whether to approve or disapprove the request for exception.

Persons with a disability who wish to obtain a copy of a request and/or provide comments to the Department and require an auxiliary aid, service or other accommodation to do so should contact the Director, Division of Acute and Ambulatory Care at (717) 783-8980, for speech and/or hearing impaired persons V/TT (717) 783-6154, or for speech and/or hearing impaired persons, call the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

DEPARTMENT OF HEALTH

Renal Disease Advisory Committee Virtual Public Meeting

The Renal Disease Advisory Committee, established by section 4 of the act of June 23, 1970 (P.L. 419, No. 140) (35 P.S. § 6204), will hold its quarterly virtual public meeting on Friday, July 16, 2021, from 10 a.m. to 12 p.m. by means of conference call. The purpose of the virtual public meeting is to discuss new and ongoing issues relating to treatment of chronic renal disease and the Department of Health’s programs related to care and treatment. To join the call, dial (267) 332-8737 and when prompted, enter the following conference code: 232461136#.

For additional information or for persons with a disability who wish to attend the virtual public meeting and require an auxiliary aid, service or other accommodation to do so contact Tara Trego, Director, Bureau of Family Health, 7th Floor East, Health and Welfare Building, 625 Forster Street, Harrisburg, PA 17120, (717) 772-2762, or for speech and/or hearing impaired persons, call the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

This virtual public meeting is subject to cancellation without notice.

ALISON BEAM,
Acting Secretary

[Pa.B. Doc. No. 21-1091. Filed for public inspection July 9, 2021, 9:00 a.m.]

DEPARTMENT OF HUMAN SERVICES

Disproportionate Share Payments and Supplemental Hospital Payments to Qualifying Hospitals

The Department of Human Services (Department) is providing final notice of its funding allocation for Fiscal Year (FY) 2020-2021 for several classes of inpatient

disproportionate share hospital (DSH) and supplemental payments to Medical Assistance (MA) enrolled and qualifying inpatient acute care general hospitals. The Department is not otherwise changing the qualifying criteria or payment methodology for these payments.

The Department published notice of its intent to allocate funding for these payments at 51 Pa.B. 1088 (February 27, 2021). The Department increased the funding allocation for one payment that was announced in its notice of intent. DSH payments to critical access and qualifying rural hospitals was increased to an allocation of \$31.198 million in total funds, and this revised funding allocation did appear on the State Plan page submitted to the Centers for Medicare & Medicaid Services and approved on May 24, 2021.

The Department received no comments during the 30-day comment period. The Department will implement the total payment set forth in the notice of intent and as previously noted.

Fiscal Impact

The FY 2020-2021 impact, as a result of the funding allocation for these payments, is \$146.147 million in total funds.

MEG SNEAD,
Acting Secretary

DEPARTMENT OF REVENUE

Pennsylvania 7-11-21® LIVE Instant Lottery Game 1523; Change to Game Rules; Amended Notice

Under the State Lottery Law (72 P.S. §§ 3761-101—3761-314) and 61 Pa. Code § 819.203 (relating to notice of instant game rules), the Secretary of Revenue hereby provides public notice of changes to the Pennsylvania 7-11-21® LIVE (hereinafter referred to as “7-11-21® LIVE”) instant lottery game rules that were published at 51 Pa.B. 2710 (May 15, 2021).

The Pennsylvania Lottery intends to provide notice of the 7-11-21® LIVE Facebook Live Promotional Event. The Pennsylvania Lottery has added an explanation of the entry procedure, structure and potential prizes awarded in the Promotion. Sections have been renumbered accordingly. The correct version of this document is as follows, with ellipses referring to the existing text as it appeared at 51 Pa.B. 2710—2714:

* * * * *

7. 7-11-21® LIVE Facebook Live Promotional Event: The Pennsylvania Lottery will conduct a 7-11-21® LIVE Facebook Live Promotional Event as provided for in section 10 (hereafter, the “Promotion”).

8. Determination of prize winners:

* * * * *

9. Number and description of prizes and approximate odds:

* * * * *

10. 7-11-21® LIVE Facebook Live Promotional Event: The 7-11-21® LIVE Facebook Live Promotional Event from the Pennsylvania Lottery (hereafter, the “Lottery”), for qualifying entries submitted on the Lot-

tery’s Official Facebook account page during the specified livestream event period, as described below (hereafter, the “Promotion”).

(a) *Qualifying Entries:* Entrants must post a comment during the livestream event that will be held via the Pennsylvania Lottery’s Official Facebook account page.

(b) To receive a qualifying entry, entrants must meet all submission criteria as provided for in these rules.

(c) *Participation and entry:*

(1) Entrants must have a Facebook user account, available at www.facebook.com, in order to view the livestream and enter the Promotion. There is no cost to create a Facebook user account. There is no cost or purchase required to enter the Giveaway. This Promotion is in no way sponsored, endorsed, or associated with Facebook, Inc.

(2) To enter the Promotion, entrants must submit at least one eligible comment during the livestream period within the Live Video on the Lottery’s official Facebook account page, as directed during the Promotion. No other method of submission will be accepted. Entries submitted using any other method, including entries mailed or hand-delivered to the Pennsylvania Lottery, are not valid and will be disqualified. Additionally, comments made in the Discussion Box, anywhere else on the Lottery’s official Facebook account page, or through direct message are not valid and will be disqualified.

(3) Participants may submit an eligible comment at any point during the livestream. Once the livestream concludes, at approximately 7:32:00 p.m. July 11, 2021, as further described in section 10(d)(2)(i), no further entries shall be accepted.

(4) Any comment containing spam links, offensive language, personal attacks, incessant similar posting, or as otherwise determined by the Lottery to be inappropriate in nature, shall be deemed an ineligible comment and the entrant submitting the comment may be disqualified from the Promotion.

(5) Eligible entries will be entered into the Lottery’s drawing for the cash prize value determined during the livestream, as further described in section 10(d)(4).

(6) Only one claimant per entry allowed.

(7) Entrants must be 18 years of age or older.

(8) Entrants must be physically present within the geographical boundaries of the Commonwealth of Pennsylvania at the time an entry is made into the Promotion.

(9) If a comment is withdrawn or changed at any time during the Promotion, this may result in disqualification from the Promotion. Entrants do so at their own risk.

(d) *Promotion description:*

(1) Lottery will conduct one drawing from among all the valid entries received during the entry period as described in section 10(d)(2)(i), after the livestream has concluded.

(2) The Promotion will consist of two Cash Prize Selection Stages and one Participant Entry Stage, as described below. All time references are Eastern Prevailing Time.

(i) Valid entries received posted to the Live Video on the Lottery’s Official Facebook account page during the Promotion, as further described in section 10(c)(2), from approximately 7:11:00 p.m. on July 11, 2021, through approximately 7:32:00 p.m. on July 11, 2021, will be

entered into one Cash Prize drawing, to be held between July 11, 2021, and July 16, 2021.

(ii) The entry period for the Promotion will be posted to the Lottery's Promotional web site.

(iii) Each entrant may receive up to one (1) entry in the Promotion by posting an eligible comment to the Live Video on the Lottery's official Facebook account page, as further described in section 10(c)(2), during the Promotion. Any comments posted after each participant's first valid comment will not award additional entries.

(iv) The Promotion livestream will be broadcast to multiple lottery jurisdictions, with each lottery jurisdiction having its own prize pool for its own promotion. Winners in the Lottery's Promotion shall be drawn solely from eligible participants, as verified by Lottery in accordance with these rules, and shall be paid from the Lottery's prize pool.

(3) *During Prize Selection Stage 1 of the Promotion:*

(i) The Host of the Promotion shall draw four envelopes from a mixing cage containing 50 sealed envelopes, where each envelope contains one of three possible cash prize values, while participants view the livestream.

(ii) *The following table sets forth the number of envelopes containing each cash prize value found within the mixing cage:*

<i>Prize Value:</i>	<i># Of Appearances In 50 Sealed Envelopes:</i>
\$77	35
\$777	10
\$7,777	5

(iii) The Host of the Promotion will select four sealed envelopes from the mixing cage at random, while participants view the livestream.

(4) *During Prize Selection Stage 2 of the Promotion:*

(i) The Host of the Promotion shall direct all participants viewing the livestream to participate in an interactive poll and vote for one of the four sealed envelopes that was selected from the mixing cage in Prize Selection Stage 1, as described in section 10(d)(3). Voting will be done via an interactive poll on the Lottery's official Facebook account page during the livestream. Participants may only vote one time, but participants may change their vote until the timer runs out. The envelope that receives the most votes from among all participants in all participating lottery jurisdictions will display on the livestream.

(ii) Once the Prize Selection Stage 2 voting period has concluded, the Host of the Promotion shall select the envelope that received the greatest number of votes from the interactive poll and open that envelope, revealing the cash prize value contained therein.

(iii) In the event of a tied vote during Prize Selection Stage 2, the host will empty the mixing cage from Prize Selection Stage 1 and place those sealed envelopes tied for the highest number of votes into the mixing cage. After the mixing cage has randomized the sealed envelopes, the host shall select one of the sealed envelopes and open that envelope to reveal the cash prize value contained therein.

(iv) The cash prize value selected during Stage 2 shall be the value of all cash prizes awarded to Promotion winners.

(e) *Prizes available to be won, determination of winners, and odds of winning:*

(1) The prize entitlements described as follows are subject to all restrictions and limitations described in section 10(g), or those mentioned anywhere else in these rules.

(2) Subject to final determination of eligibility by the Lottery, the first through the fortieth entries selected will be winning entries and the entrants who submitted the winning entries shall each be entitled to a cash prize equal to the value determined during the Giveaway livestream, less applicable income tax withholding where appropriate.

(3) The odds of winning depend upon the total number of qualifying entries received.

(4) A computer-generated randomizer will be used to select the Promotion winners.

(f) *Delinquent Support Offset:* If the Department of Human Services, pursuant to 23 Pa.C.S.A. § 4308, the Department of Revenue or the Administrative Office of Pennsylvania Courts, pursuant to 72 P.S. § 215, determines that a Promotion winner is a delinquent support obligor as provided in 23 Pa.C.S.A. § 4308 or 72 P.S. § 215, the amount of any arrearages shall be deducted from cash prizes greater than \$2,500. After the delinquent support obligation is met, the Promotion winner will receive the remaining portion of the cash prize money, if any, which shall be fulfilled according to Lottery procedure.

(g) *Promotion restrictions:*

(1) To be eligible to participate in the Promotion, entrants must have complied with the requirements of these rules and Lottery procedure.

(2) The Lottery is not responsible for late, lost or misdirected entries not entered into the Promotion. The Lottery is not responsible for entries that are not entered into the Promotion because of incompatible internet browsers, mobile Lottery application failure or other technical issues.

(3) An entrant may only win the prize for which the entrant is first selected.

(4) If an entry is selected as a winner and rejected or otherwise disqualified during or following the Promotion livestream, the Lottery will select another entry to replace the rejected or otherwise disqualified entry in accordance with these rules and Lottery procedures.

(5) If any discrepancy exists between these rules and any material describing the Promotion, these rules shall govern.

(6) Employees of the Pennsylvania Lottery, 9 Rooftops Marketing, LLC (formerly known as MARC USA, LLC), MUSL, Scientific Games International, Inc., MDI Entertainment, LLC, and their subcontractors, or a spouse, child, brother, sister or parent residing as a member of the same household in the principle place of residence of any such person are not eligible to participate in the drawing. Offer void where prohibited or restricted.

(7) The Pennsylvania Lottery reserves the right, in its sole discretion, to cancel or suspend the Promotion and change these rules if the drawing cannot be conducted as planned due to errors in these rules or advertising, unauthorized intervention, tampering, fraud, technical errors, viruses, worms, bugs, or any other cause beyond the control of the Pennsylvania Lottery that, in the Pennsylvania Lottery's sole judgment, could corrupt or

impair the administration, security, fairness, integrity, or proper conduct of the Promotion.

(8) All entrants in the Lottery's prize selection shall be subject to verification by the Pennsylvania Lottery.

(9) The Pennsylvania Lottery reserves the right, in its sole discretion, to disqualify an entrant found to be tampering with the operation of the Promotion or to be acting in violation of these rules or applicable law.

(10) The Promotion is governed by the laws of the Commonwealth of Pennsylvania. Applicable laws and regulations apply.

(11) Promotion winners shall be initially contacted by the Lottery in a manner determined by Lottery, using the Facebook platform. Promotion winners will have 15 business days from the prize selection date to return completed claim forms to the Lottery. At the close of business on the 15th business day following the drawing date, the prize will be forfeited, and an alternate winner will be awarded the respective prize, according to Lottery procedure. Alternates will have 15 business days to return the completed claim forms to the Lottery.

(12) Final determination of winners will be made by the Secretary, whose judgment will be final and binding.

(13) A prize awarded in the Promotion to a person who dies before receiving the prize shall be paid according to 61 Pa. Code § 811.16 (relating to prizes payable after death of a prize winner).

(14) A winner is responsible for all taxes arising from or in connection with any prize won.

(15) Prizes are not transferrable.

(16) Other restrictions may apply.

ENVIRONMENTAL HEARING BOARD

Fish and Boat Commission v. Department of Environmental Protection; EHB Doc. No. 2020-102-L

The Fish and Boat Commission has appealed the issuance by the Department of Environmental Protection of NPDES Permit No. PA0040835 for a discharge from the Bellefonte State Fish Hatchery located in Benner Township, Centre County.

A hearing on the appeal has been scheduled to begin at 10 a.m. on December 7, 2021. The hearing will be conducted at the Harrisburg offices of the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, Harrisburg, PA. Changes to the hearing schedule may be found on the Environmental Hearing Board's (Board) web site at http://ehb.courtapps.com.

The appeal is filed with the Board. The notice of appeal, and other filings related to the appeal, may be reviewed by any interested person through the Board's web site at <http://ehb.courtapps.com>. If information concerning this notice is required in an alternative form, contact the Secretary to the Board at (717) 787-3483. TDD users may telephone the Board through the Pennsylvania Hamilton Relay Center at (800) 654-5984.

INSURANCE DEPARTMENT

Pennsylvania 2020 Private Passenger Automobile Data Call

The Insurance Department (Department) is conducting its annual Private Passenger Automobile Data Call (previously referred to as the "Act 6 Data Call"). The purpose of this data call is to monitor the private passenger automobile insurance marketplace in this Commonwealth.

The 2020 data call letter, instructions and templates are available on the Department's web site at www.insurance.pa.gov (select "Companies," then "Industry Activity," then "Data Calls" under "Product and Rate Activity").

Additionally, the Department sent e-mail notification of this data call to all companies licensed to write motor vehicle liability insurance in this Commonwealth.

Insurance companies with Pennsylvania private passenger automobile direct written premium in 2020 are required to complete Parts 1 and 2. Data for more than one insurance company may not be combined into a single submission. This information is to be submitted to the Department no later than October 15, 2021.

Insurance companies with no Pennsylvania private passenger automobile direct written premium in 2020 are required to submit only Part 2. This is to be submitted to the Department no later than October 15, 2021.

Consistent with previous data calls, the Department will consider the data submitted as proprietary and handle the data accordingly. See the instructions for additional information regarding the completion of the individual parts.

Completed data call files should be submitted by e-mail to Dennis Sloand at desloand@pa.gov.

The Department appreciates the companies' cooperation with this important study. Individuals who have questions should contact Dennis Sloand, Bureau of Property and Casualty Insurance, (717) 214-1927, desloand@pa.gov.

PENNSYLVANIA PUBLIC UTILITY COMMISSION

Recalculation of the Pennsylvania Telecommunications Relay Service Surcharge

Public Meeting held
June 17, 2021

Commissioners Present: Gladys Brown Dutrieuille, Chairperson; David W. Sweet, Vice Chairperson; John F. Coleman, Jr.; John F. Coleman, Jr.

Recalculation of the Pennsylvania Telecommunications Relay Service Surcharge; M-2021-3023544; M-00900239

Order

By the Commission:

In accordance with our May 29, 1990 Order at Docket No. M-00900239 establishing the Pennsylvania Telecommunications Relay Service (TRS or Relay)¹ and surcharge funding mechanism (TRS surcharge) and subsequent Commission orders and legislation,² we have completed the annual recalculation of the TRS surcharge as it will apply August 1, 2021,³ through June 30, 2022. The TRS surcharge rate for residential and business access lines shall be set at \$0.04 per month.

Background

The annual TRS surcharge recalculation is dependent on data from several sources. Local Exchange Carriers (LECs⁴) submit annual wireline access line counts pursuant to 52 Pa. Code § 63.37. The traditional relay provider,

¹ Additional information on TRS may be found at http://www.puc.pa.gov/utility_industry/telecommunications/telecommunications_relay_service.aspx.

² See Act 34 of 1995, 35 P.S. §§ 6701.1–6701.4 (the statutory provisions were amended by Act 181 of 2002 to be more inclusive of persons with disabilities), establishing the Telecommunication Device Distribution Program (TDDP) to be funded by the TRS surcharge and which codified Relay and use of the TRS surcharge funding mechanism; and Act 174 of 2004, 35 P.S. § 6701.3a, which established the Print Media Access System Program (PMASP) which may be funded in part or in whole by the TRS surcharge. PMASP is a reading service for persons with certain vision-related physical disabilities. The law is now called the "Universal Telecommunications and Print Media Access Act."

³ This effective date is intended to allow carriers sufficient time to make the necessary systems changes to accommodate the reduction in the surcharge and to file the necessary tariff supplements. These tariff supplements may be filed to become effective on one day's notice.

⁴ LECs include both incumbent and competitive local exchange carriers.

Hamilton Relay, Inc.,⁵ submitted the estimated minutes of use and charges for July 1, 2021, through June 30, 2022. Hamilton Telephone Company d/b/a Hamilton Telecommunications submitted the estimated minutes-of-use report for the Captioned Telephone Relay Service⁶ (CTRS). The Office of Vocational Rehabilitation (OVR), Department of Labor and Industry, submitted the 2021-2022 TDDP budget and the 2021-2022 PMASP budget. The surcharge also funds TRS Advisory Board activities and Fund administration costs. U.S. Bank,⁷ the Fund Administrator, provided a statement of the financial status of the Fund.⁸

Calculation for 2021-2022

Combined residential and business wireline access lines reported by LECs for 2020 and adjusted for Centrex lines are estimated to be 4,054,485. Based upon the number of access lines, projected TRS program costs (Relay, CTRS, TDDP, and PMASP), anticipated Pennsylvania TRS Advisory Board⁹ expenses, TRS Fund administration costs, and the financial status of the TRS Fund, the 2021-2022 TRS surcharge rate for residential and business access lines will be reduced from the current rate of \$0.08 per month to \$0.04 per month.

This new rate is a reduction to the current rate and will require the LECs to file tariff supplements. These tariff supplements may be filed to become effective on one day's notice. All TRS surcharge revenues shall continue to be remitted to the Fund Administrator.¹⁰

Effective August 1, 2021, the TRS monthly surcharge allocation for each fund account will be as follows:¹¹

	<i>2021-2022 Monthly Surcharge Percentage</i>	
	<i>Residence %</i>	<i>Business %</i>
Relay	65.0	65.0
TDDP	30.0	30.0
PMASP	<u>5.0</u>	<u>5.0</u>
Total Percentage	100.0	100.0

Operations for 2021-2022

We shall continue our active oversight of the operations of the Pennsylvania Telecommunications Relay Service. Further, in accordance with 35 P.S. §§ 6701.3a & 4, we shall continue to collaborate with OVR and its TDDP administrator¹² to ensure adequate funding for distribution of TDDP equipment to qualified Pennsylvanians.

⁵ Hamilton Relay, Inc. (Hamilton) holds the TRS Certificate of Public Convenience to provide TRS throughout the Commonwealth of Pennsylvania. The Commission approved Hamilton's Application by order entered December 4, 2014, at Docket No. A-2014-2447601.

⁶ Hamilton Telecommunications, an affiliate of Hamilton Relay, provides CTRS services.

⁷ As a result of mergers, acquisitions, and name changes, Fund administration has been handled by Hamilton Bank (1990), CoreStates Bank N.A. (1995), First Union National Bank (1999), Wachovia Bank, N.A. (2002), and U.S. Bank Institutional Trust & Custody (2006).

⁸ Separate accounts are maintained for the portions of the surcharge allocated to Relay, TDDP, and PMASP. TRS Advisory Board expenses, CTRS, and outreach activities are funded from the Relay account; TRS Fund administration costs are drawn from each respective account.

⁹ The Pennsylvania TRS Advisory Board was established pursuant to Commission Order entered May 29, 1990. The TRS Advisory Board's By-Laws and quarterly meeting schedule can be found at: http://www.puc.pa.gov/utility_industry/telecommunications/telecommunications_relay_service/trs_advisory_board.aspx.

¹⁰ U.S. Bank Institutional Trust & Custody, Attn: Mark Conte, Liberty Building, 50 S. 16th Street, Suite 2000, Philadelphia, PA 19103. Remittances are payable to the "PA Relay Service Fund" and designated for Relay. Bank wire instructions can be found on the remittance form.

¹¹ The TRS surcharge appears as a single line item on customers' bills but actually has three components (Relay, TDDP traditional and the Wireless Expansion Initiative, and PMASP).

¹² As of January 1, 2007, the TDDP is administered by Pennsylvania's Initiative on Assistive Technology, Institute on Disabilities, Temple University.

Further, we shall continue to assist OVR in its mission to ensure adequate funding for PMASP.

Audits

On August 3, 2020, the Commission's Bureau of Audits began an audit of the TDDP and PMASP at Docket No. D-2020-3020696. The audit covers the twelve-month periods ended June 30, 2019; June 30, 2018; and June 30, 2017. The audit report is expected to be released later this year. The Bureau of Audits plans to initiate another audit of the TRS in 2022.

Service of Order

Due to the Governor's Proclamation of Disaster Emergency that was issued in response to the COVID-19 pandemic, service by the Commission on parties is exclusively electronic. See Re: Suspension of Regulatory and Statutory Deadlines; Modification to Filing and Service Requirements, emergency order, Docket No. M-2020-3019262 (Order entered March 20, 2020). As this order does change the TRS surcharge rate, we shall e-serve a copy on every LEC in the Commonwealth in addition to each Relay service provider, the Office of Vocational Rehabilitation, the Office of Consumer Advocate, the Office of Small Business Advocate, the Pennsylvania Telephone Association, and the Fund Administrator. Additionally, we will publish the order in the *Pennsylvania Bulletin* and on the Commission's website.

Conclusion

The Commission has completed the annual recalculation of the TRS surcharge rate. The TRS surcharge rate for residential and business access lines to be applied beginning August 1, 2021, through June 30, 2022, will be set at \$0.04 per month. All LECs are required to file a tariff supplement with the Secretary of the Commission to implement the new TRS surcharge rate. These tariff supplements may be filed to become effective on one day's notice; *Therefore,*

It Is Ordered That:

1. For the period of August 1, 2021, through June 30, 2022, the TRS surcharge rate for residential and business access lines shall be set at \$0.04 per month, unless the Commission takes further action to revise the TRS surcharge rate prior to June 30, 2022.

2. All local exchange carriers are directed to use the attached blank remittance form to remit the monthly TRS surcharge collections to the Fund Administrator. The blank remittance form shall be posted to the Commission's web site. All local exchange carriers are required to collect and remit the TRS surcharge revenue with the completed remittance form monthly by the 20th of each month.

3. A copy of this Order be served upon all local exchange carriers, Hamilton Telephone Company d/b/a Hamilton Telecommunications, Hamilton Relay, Inc., U.S. Bank Institutional Trust & Custody, the Office of Vocational Rehabilitation in the Department of Labor and Industry, the Office of Consumer Advocate, the Office of Small Business Advocate and the Pennsylvania Telephone Association.

4. A copy of this Order be published in the *Pennsylvania Bulletin*.

5. A copy of this Order be posted to the Commission's website.

ROSEMARY CHIAVETTA,
Secretary

**PENNSYLVANIA PUBLIC
UTILITY COMMISSION**

Service of Notice of Motor Carrier Applications

The following temporary authority and/or permanent authority applications for the right to render service as a common carrier or contract carrier in this Commonwealth have been filed with the Pennsylvania Public Utility Commission (Commission). Formal protests, petitions to intervene and answers must be filed in accordance with 52 Pa. Code (relating to public utilities) on or before July

26, 2021. Filings must be made electronically through eFiling to the Secretary of the Pennsylvania Public Utility Commission, 400 North Street, Harrisburg, PA 17120, with a copy served on the applicant by July 26, 2021. In accordance with the Commission's Emergency Order at M-2020-3019262, all parties participating in matters pending before the Commission are required to eFile their submissions by opening an eFiling account and accepting eService. Individuals can sign up for a free eFiling account with the Secretary of the Commission through the Commission's eFiling system at <https://www.puc.pa.gov/efiling/Default.aspx>. A protest shall indicate whether it applies to the temporary authority application,

the permanent authority application, or both. Protests may only be filed if there is evidence that the applicant lacks fitness. Protests based on endangering or impairing operations of an existing carrier will not be honored. The documents filed in support of the application are only available for inspection through the Commission's web site at www.puc.pa.gov by searching under the previously listed docket number or by searching the applicant's web site.

Applications of the following for approval to begin operating as common carriers for transportation of persons as described under each application.

A-2021-3025449. Braden Scott Kennedy, t/a Here-2-There Taxi (137 West 3rd Street, Oil City, Venango County, PA 16301) for the right to begin to transport, as a common carrier, by motor vehicle, persons in paratransit service, between points in the Counties of Allegheny, Beaver, Butler, Clarion, Crawford, Erie, Forest, Lawrence, Mercer, Venango, Warren and Westmoreland.

A-2021-3026393. Rowe Transportation Group, LLC (546 Hollow Road, Darlington, PA 16115) to transport, as a motor common carrier, persons in group and party service in vehicles seating 11 to 15, from points in the Counties of Allegheny, Beaver, Butler, Lawrence and Washington to points in Pennsylvania, and return.

Application of the following for approval of the beginning of the exercise of the right and privilege of operating motor vehicles as common carriers for the transportation of household goods as described under the application.

A-2021-3025266. McGrory Moving and Junk Removal Limited Liability Company (944 Maple Avenue, Glenolden, Delaware County, PA 19036) for the right to begin to transport, as a common carrier, by motor vehicle, household goods in use, between points in Pennsylvania.

Applications of the following for the approval of the right and privilege to discontinue/abandon operating as common carriers by motor vehicle and for cancellation of the certificate of public convenience as described under each application.

A-2021-3025062. Melvin Martin and Norene H. Martin (410 Sheephill Road, Newmanstown, PA 17073) discontinuance of service and cancellation of its certificate for the right to begin to transport, as a common carrier, by motor vehicle, persons in paratransit service, between points in the County of Lancaster, and from points in said county, to points in Pennsylvania, and return; limited to persons whose personal convictions prevent them from owning or operating motor vehicles.

A-2021-3025234. Rodriguez Transportation, LLC (222 West Birch Street, Hazleton, PA 18201) discontinuance of service and cancellation of its certificate for the right to begin to transport, as a common carrier, by motor vehicle, persons in paratransit service, from within 3 statute air miles of the boundaries of the City of Hazleton, and the Township of Hazle, Luzerne County, to points in Pennsylvania, and return.

A-2021-3025337. Gold Cross Limousine of PA, Inc. (26 Sexton Street, Struthers, OH 44471) for the discontinuance and cancellation of the right to transport, as a common carrier, by motor vehicle, persons, in group and party service, in vehicles seating 11 to 15 passengers, including the driver, between points in the Counties of

Lawrence and Mercer, and from points in said counties to points in Pennsylvania, and return; excluding service that is under the jurisdiction of the Philadelphia Parking Authority, as originally issued at Docket A-00107205, F.3. *Attorney: John A. Pillar, 150 Green Commons Drive, Pittsburgh, PA 15243.*

A-2021-3025338. Gold Cross Limousine of PA, Inc. (26 Sexton Street, Struthers, OH 44471) for the discontinuance and cancellation of the right to transport, as a common carrier, by motor vehicle, persons in limousine service, between points in Pennsylvania. *Attorney: John A. Pillar, 150 Green Commons Drive, Pittsburgh, PA 15243.*

A-2021-3025408. Country Road Transportation, LLC (205 Mail Route Road, Sinking Spring, Berks County, PA 19608) for the discontinuance and cancellation of its right to transport, as a common carrier, by motor vehicle, persons in paratransit service, limited to wheelchair and stretcher van services, between points in the Counties of Berks and Lancaster, as originally approved at Docket A-2020-3019587.

PUBLIC SCHOOL EMPLOYEES' RETIREMENT BOARD

Hearing Scheduled

A hearing has been scheduled, as authorized by 24 Pa.C.S. Part IV (relating to Public School Employees' Retirement Code), in connection with the Public School Employees' Retirement System's (System) denial of claimant's request concerning the indicated account.

The hearing will be held before a hearing examiner at the Public School Employees' Retirement System, 5 North Fifth Street, Harrisburg, PA 17101:

November 1—5, 2021	Account of Community College of Philadelphia (System Membership)	9 a.m.
--------------------	--	--------

Persons with a disability who wish to attend the previously listed hearing and require an auxiliary aid, service or other accommodation to attend the proceeding should contact the Appeal Docket Clerk, Julie Vitale, at (717) 720-4888 to discuss how the System may best accommodate their needs.

Parties may appear with or without counsel and offer relevant testimony or evidence to support their respective positions. The hearing will be held in accordance with the requirements of 2 Pa.C.S. §§ 501—508 and 701—704 (relating to Administrative Agency Law). Under 22 Pa. Code § 201.1 (relating to applicability of general rules), procedural matters will be in conformance with 1 Pa. Code Part II (relating to General Rules of Administrative Practice and Procedure) unless specific exemption is granted.

SUSQUEHANNA RIVER BASIN COMMISSION

Actions Taken at June Meeting

As part of its regular business meeting held on June 17, 2021, from Harrisburg, PA, the Susquehanna River Basin Commission (Commission) approved the applications of certain water resources projects, and took additional actions, as set forth in the Supplementary Information as follows.

The business meeting was held on June 17, 2021.

For further information contact Jason E. Oyler, General Counsel and Secretary, (717) 238-0423, Ext. 1312, fax (717) 238-2436, joyler@srbc.net. Regular mail inquiries may be sent to the Susquehanna River Basin Commission, 4423 North Front Street, Harrisburg, PA 17110-1788. Also see the Commission web site at www.srbc.net.

Supplementary Information

In addition to the actions taken on projects identified in the summary previously specified and the listings as follows, the following items were also presented or acted upon at the business meeting: (1) election of Commission officers for Fiscal Year (FY) 2022; (2) reconciliation of the budget for FY 2022; (3) ratification of two grant amendments; (4) adoption of a newly revised Comprehensive Plan for the Water Resources of the Susquehanna River Basin for 2021 through 2041; (5) adoption of the 2022—2024 Water Resources Program; and (6) adoption of a resolution regarding environmental justice.

Project Applications Approved

1. Project Sponsor and Facility: ARD Operating, LLC (West Branch Susquehanna River), Piatt Township, Lycoming County, PA. Modification to update flow protection rates to be in accordance with current Low Flow Protection Policy No. 2012-01 (Docket No. 20120601).

2. Project Sponsor: CAN DO, Inc. Project Facility: Humbolt Industrial Park, Hazle Township, Luzerne County, PA. Applications for renewal of groundwater withdrawals (30-day averages) of up to 0.187 mgd from Humbolt Well 1, up to 0.187 mgd from Humbolt Well 3, up to 0.230 mgd from Humbolt Well 7, up to 0.144 mgd from Humbolt Well 8, and up to 0.230 mgd from Humbolt Well 9 (Docket No. 19960501).

3. Project Sponsor and Facility: Geneva Farm Golf Course, Inc., Dublin District, Harford County, MD. Application for renewal of consumptive use of up to 0.099 mgd (30-day average) (Docket No. 199110104).

4. Project Sponsor and Facility: Greenfield Township Municipal Authority, Greenfield Township, Blair County, PA. Application for groundwater withdrawal of up to 0.499 mgd (30-day average) from Well PW-4.

5. Project Sponsor and Facility: PPG Operations, LLC (West Branch Susquehanna River), Goshen Township, Clearfield County, PA. Application for surface water withdrawal of up to 3.000 mgd (peak day).

6. Project Sponsor and Facility: Quarryville Borough Authority, Quarryville Borough, Lancaster County, PA. Application for renewal of groundwater withdrawal of up to 0.250 mgd (30-day average) from Well 2 (Docket No. 19931102).

7. Project Sponsor and Facility: SUEZ Water Owego-Nichols, Inc., Village of Owego and Town of Owego, Tioga County, NY. Applications for groundwater withdrawals (30-day averages) of up to 0.880 mgd from Well 1, up to 1.115 mgd from Well 3, and up to 0.710 mgd from Well 4.

8. Project Sponsor: Weaverland Valley Authority. Project Facility: Blue Ball Water System, East Earl Township, Lancaster County, PA. Application for groundwater withdrawal of up to 0.144 mgd (30-day average) from Well 4 as well as recognizing historic withdrawals from Wells 1—3.

Commission-Initiated Project Approval Modifications

9. Project Sponsor and Facility: Municipal Authority of the Borough of Mansfield, Richmond Township, Tioga County, PA. Conforming the grandfathered amount with the forthcoming determination for a withdrawal from Webster Reservoir up to 0.311 mgd (30-day average) (Docket No. 20130609).

10. Project Sponsor and Facility: Williamsport Municipal Water Authority, Williamsport City, Lycoming County, PA. Conforming the grandfathered amounts with the forthcoming determination for withdrawals (30-day averages) from Well 3 up to 0.940 mgd, from Well 4 up to 0.940 mgd, from Well 5 up to 2.141 mgd, from Well 6 up to 0.687 mgd, from Well 7 up to 2.254 mgd, from Well 8 up to 0.987 mgd, from Well 9 up to 0.800 mgd, from Mosquito Creek up to 6.833 mgd, and from Hagermans Run up to 4.926 mgd (Docket No. 20110628).

Project Approval Tabled

11. Project Sponsor and Facility: Pennsylvania State University, College Township, Centre County, PA. Applications for renewal of groundwater withdrawal of up to 0.960 mgd (30-day average) from Well UN-37 and consumptive use of up to 0.960 mgd (peak day) (Docket No. 19890106-1).

Project Withdrawn

12. Project Sponsor and Facility: Beech Resources, LLC (Lycoming Creek), Lycoming Township, Lycoming County, PA. Application for surface water withdrawal of up to 1.500 mgd (peak day).

Project Terminated

13. Project Sponsor and Facility: City of Aberdeen, Harford County, MD. Modifications to extend the approval term of the consumptive use, surface water withdrawal, and out-of-basin diversion approval (Docket No. 20021210) to allow additional time for evaluation of the continued use of the source for the Aberdeen Proving Ground-Aberdeen Area.

Authority: Pub.L. No. 91-575, 84 Stat. 1509 et seq., 18 CFR Parts 806—808
