READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND THE PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published weekly. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. It is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations, Statewide court rules, and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, rescission, repeal or emergency action, must be published in the *Pennsylvania Bulletin*.

The following documents are published in the *Pennsylvania Bulletin*: Governor's Executive Orders; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or rescind regulations must first publish in the *Pennsylvania Bulletin* a Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. A Final Rulemaking must be published in the *Pennsylvania Bulletin* before the changes can take effect. If the agency wishes to adopt changes to the Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies, Statewide court rules and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes when they are adopted. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code* § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government.

How to Find Rules and Regulations

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacodeandbulletin.gov.

Source Notes give the history of regulations. To see if there have been recent changes not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm.

A quarterly List of *Pennsylvania Code* Sections Affected lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires the Governor's Budget Office to prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions and authorities receiving money from the State Treasury. The fiscal note states whether the action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions. The fiscal note is required to be published in the *Pennsylvania Bulletin* at the same time as the change is advertised.

A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; and (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years. In item (8) the recommendation, if any, made by the Secretary of the Budget is published with the fiscal note. "No fiscal impact" means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended. See 4 Pa. Code Chapter 7, Subchapter R (relating to fiscal notes).

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish information except as provided by 1 Pa. Code § 3.44:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the [Legislative Reference] Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

Annex A

TITLE 231. RULES OF CIVIL PROCEDURE

PART I. GENERAL

CHAPTER 1000. ACTIONS

Subchapter A. CIVIL ACTION

PLEADINGS

Rule 1033. Amendment.

(a) ***General Rule.*** A party, either by filed consent of the adverse party or by leave of court, may at any time change the form of action, add a person as a party, correct the name of a party, or otherwise amend the pleading. The amended pleading may aver transactions or occurrences which have happened before or after the filing of the original pleading, even though they give rise to a new cause of action or defense. An amendment may be made to conform the pleading to the evidence offered or admitted.

(b) ***Relation Back.*** An amendment correcting the name of a party against whom a claim has been asserted in the original pleading relates back to the date of the commencement of the action if, within 90 days after the period provided by law for commencing the action, the party received notice of the institution of the action such that it will not be prejudiced in maintaining a defense on the merits and the party knew or should have known that the action would have been brought against the party but for a mistake concerning the identity of the proper party.

(c) ***John Doe Defendants.*** An amendment substituting the actual name of a defendant for a Doe designation as provided in Rule 2005 relates back to the date of the commencement of the action if, within the time provided by Rule 401 for service, the defendant named by the amendment has received actual or constructive notice of the commencement of the action such that it will not be prejudiced in maintaining a defense on the merits and the defendant knew or should have known that the action would have been brought against it but for lack of knowledge of the defendant's actual name.

(d) *Highlighting of Amendments.* A party filing a motion to amend a pleading shall attach a copy of the proposed amended pleading, which shows by striking through or enclosing in brackets the material to be deleted and by underlining or setting forth in bold-face type the material to be added.

SUPREME COURT OF PENNSYLVANIA CIVIL PROCEDURAL RULES COMMITTEE

PUBLICATION REPORT

Proposed Amendment of Pa.R.Civ.P. 1033

The Civil Procedural Rules Committee is considering proposing to the Supreme Court the amendment of Pennsylvania Rule of Civil Procedure 1033 governing the amendment of pleadings to require the attachment of the proposed amended pleading to the motion to amend and for the attachment to indicate the amendments through textual indicators.

The Committee received a request to consider amending Pa.R.Civ.P. 1033 to require the attachment of a proposed amended pleading to a motion to amend. The requester suggested such a requirement would curb a problem encountered with opposing counsel, who had asked for the requester's consent to an amendment of a complaint, but refused to provide any substantive information about the amendment. In turn, the attorney seeking amendment filed a motion to amend that likewise did not provide any information on the specific amendment nor was the proposed amended pleading attached to the motion on the basis that Pa.R.Civ.P. 1033 does not expressly so require.

The Committee initially observed that Pa.R.Civ.P. 1033 does not expressly provide for the content for a motion to amend a pleading. Pa.R.Civ.P. 208.2 generally governs the content of motions, but does not specifically require the attachment of documents that may support the motion.

Noting the silence of requirements in the Rules of Civil Procedure, the Committee then examined local rules addressing the amendment of pleadings. Research revealed a handful of local rules governing amendments. These rules focused on the filing of amended pleadings, rather than the content of the motion to amend. McKean County Local Rule 1033 and Potter County Local Rule

1033 both require “[t]he amendment pleading [to] clearly indicate that it is an amended pleading, the paragraphs [to] be renumbered, and the new portion [to] be underlined.” Clarion County Local Rule 1033, Franklin/Fulton Counties Local Rule 39-1033.1, Jefferson County Local Rule 1033, Mercer County Local Rule 1033, and Schuylkill County Local Rule 1033 are similar to the McKean and Potter County Local Rules except they do not require the underlining of the new portion of the pleading.

The Committee also examined procedural rules from other jurisdictions. Research revealed a relative dearth of procedural rules governing the requirements for the content of a motion to amend. New Jersey, Utah, and Puerto Rico all require the proposed amended pleading to be attached to the motion to amend. *See* N.J.R. 4:9-1 (“A motion for leave to amend shall have annexed thereto a copy of the proposed amended pleading.”); U.R.C.P. Rule 15(a)(2) (“The party must attach its proposed amended pleading to the motion to permit an amended pleading.”); P.R.R.C.P. 13.1 (“The entire amended pleading shall be attached to the motion for leave to amend the pleadings.”). New York is the most comprehensive in that it requires the proposed amended pleading to accompany the motion to amend and to show the changes to be made to the pleading. *See* N.Y.C.P.L.R. 3025(b) (“Any motion to amend. . . pleadings shall be accompanied by the proposed amended. . . pleading clearly showing the changes or additions to be made to the pleading.”)

The Committee also examined rules from Delaware and Maryland. Del. Sup. Ct. R. 15(aa) is similar to the McKean and Potter County Local Rules described above in that it applies to the filing of amended pleadings and requires the amended pleading to indicate how it differs from the original pleading. Md.R.C.P. 2-341(e) also applies to the filing of amended pleadings and requires the filing of the amended pleading together with a comparison copy showing through specified textual indicators the text to be deleted and the text to be added.

In developing the proposed amendment to Rule 1033, the Committee favored the approach taken by New York to require the attachment of the proposed amended pleading the motion to amend and for the proposed amended pleading to explicitly show the changes to be made. This will ensure that both parties and the court will be certain of the exact text being amended in a pleading. In addition, the Committee modified this language slightly to include explicit provisions, as found in the Maryland Rule, to specify that the proposed amended pleading show through textual indicators, either by striking through or bracketing deletions, or by underlining or bolding additions, the text to be amended.

Relatedly, the Committee also considered whether pleadings amended by consent should be required to show the changes in the amended pleading, and concluded it was not necessary to expand the rule in this circumstance. It is highly unlikely an attorney would agree to an amendment without first reviewing the proposed amendment. In addition, the party seeking the amendment would then have to file a motion. The rule, as amended, would require the attachment of the proposed amended pleading and thus automatically disclose the nature of the amendment. The Committee concluded that it did not seem necessary to include a provision in the rule to police this conduct, and that the operation of the rule itself would resolve any gamesmanship.

The Committee invites all comments, concerns, and suggestions.

ORPHANS' COURT PROCEDURAL RULES

PUBLICATION REPORT

Proposed Amendment of Pa.R.O.C.P. 14.8

The Orphans' Court Procedural Rules Committee ("Committee") is considering proposing to the Supreme Court of Pennsylvania the amendment of Pa.R.O.C.P. 14.8 governing guardianship reporting. This proposal would create a mechanism for a court to enter an order relating to a delinquent annual or final report when the court has determined through enforcement procedures that the responsible guardian cannot be compelled to comply with any filing requirements.

Background

Pa.R.O.C.P. 14.8, relating to guardianship reporting, monitoring, review, and compliance, reflects the statutory requirements of 20 Pa.C.S. §§ 5142, 5521, and 5921. These requirements include: (1) the filing of an annual report by the guardian of the estate and the guardian of the person one year after appointment and annually thereafter; and (2) a final report by the guardian of the estate and the guardian of the person following certain events. See 20 Pa.C.S. § 5521(c); Pa.R.O.C.P. 14.8(a).

The clerk of the orphans' court, or the court's designee, is required to monitor the guardianship docket to ensure compliance with reporting requirements for annual and final reports. See 20 Pa.C.S. § 5521(c)(1)-(2); Pa.R.O.C.P. 14.8(d). If a report is deficient or not timely filed, the guardian receives notice to comply with the reporting requirements. See Pa.R.O.C.P. 14.8(f)(1). If the guardian continues to fail to comply, a notice of deficiency is transmitted to the judge. See 20 Pa.C.S. § 5521(c)(3); Pa.R.O.C.P. 14.8(f)(2). "The court may thereafter take such enforcement procedures as are necessary to ensure compliance." Pa.R.O.C.P. 14.8(f)(3) (emphasis added), compare 20 Pa.C.S. § 5521(c)(3) ("The court shall take appro-

ropriate enforcement action against such guardians.”) (emphasis added). Such actions could include, in the court’s discretion, ordering further documentation, conducting a review hearing, removing the guardian, or initiating contempt proceedings. Pa.R.O.C.P. 14.8, Comment.

Proposal

The Committee received a request from the Advisory Council on Elder Justice in the Courts (“Council”) relating to delinquent annual or final reports and available compliance measures under Pa.R.O.C.P. 14.8(f). Specifically, the Council observed there are situations when enforcement actions are unable to compel a guardian responsible for filing a report to comply with that requirement or enforcement actions are unsuccessful. For example, the guardian may be deceased, incapacitated, beyond the court’s jurisdiction, or otherwise unavailable. There also may be circumstances when the guardian is unwilling to comply despite the imposition of the court’s contempt power. With this latter illustration, the guardian may be family member of the incapacitated person and escalating or extending sanctions against the guardian may not be in the best interest of the incapacitated person. Please note that, notwithstanding the absence of a report, a recalcitrant guardian may still be subject to criminal prosecution or surcharge through other proceedings.

When the court appoints a successor guardian, the successor may be unable to complete and verify the required report because of incomplete record keeping by the prior guardian. However, the successor guardian of an estate would be required to file an inventory within 90 days of appointment so there is assurance that the status of current estate will be known and subject to comparison with prior reports.

Current subdivision (f) is silent on what is to occur if a required report cannot be filed for the covered period. The Council offered revised rule text to add subdivision (f)(4) to authorize the court to enter an order citing the reasons a guardian or former guardian cannot be compelled to comply with any filing requirements and either directing a successor guardian or designee of the court to file the report or entering the order in lieu of the delinquent report.

The Committee observes the statutory reporting requirements, as reflected in Pa.R.O.C.P. 14.8(a), are mandatory. Yet, 20 Pa.C.S. § 5521, which requires the court “to take appropriate enforcement action” obviously contemplates non-compliance with those requirements. What neither the statute nor the rules contemplate is when enforcement action does not yield compliance due to inability or unwillingness of the recalcitrant guardian. The Council’s proposed subdivision (f)(4) attempts to address this void.

The Committee anticipates that the subdivision (f)(4)’s “order in lieu of report” will be used sparingly given efforts to appoint qualified guardians and to educate guardians as to their responsibilities. The Committee is receptive to other procedural proposals to attempt to detect recalcitrant guardians and facilitate substitution earlier in the guardianship.

The Committee invites all comments, concerns, and suggestions regarding this proposal.

Title 25—LOCAL COURT RULES

DAUPHIN COUNTY

Promulgation of Local Rules; No. 1793 S 1989

Order

And Now, this 5th day of July 2022, Dauphin County Local Rule of Criminal Procedure 301 is amended as follows:

Rule 301. Accelerated Rehabilitative Disposition in Summary Cases.

[(a) **Eligibility:** Pursuant to the District Attorney's designation filed under Pa.R.Crim.P. 300B(2), all summary first offenders and summary juvenile offenders may apply for admission to the program with the following exceptions:

(i) Any offense which is excluded by statute.

(ii) Any offense under Title 75 (Vehicles).

(iii) Any offense charged by local ordinance, with the exception of local ordinances prohibiting the public display of open containers of alcoholic beverages.

(iv) Any offense which is the result of an original charge classified as a misdemeanor three or above, which is subsequently reduced.

(v) Any offense which is joined with a court case which is held or waived for trial at a preliminary hearing.

(b) **Program Costs:** The costs taxable under each docket number shall be \$50 (fifty dollars), in addition to restitution, if any, both of which shall be payable no later than the day of admission to the program. The Magisterial District Judge may, in appropriate cases, waive or defer payment of the ARD fee. Restitution may not be waived. The defendant shall further agree, as a condition of the ARD program, to pay the costs of any recommended treatment and/or community service program, and further pay any assessed probation supervision fees.

(c) *Application*: Eligible offenders may apply for ARD by completing an application, waivers of Rule 600 and applicable statutes of limitations, and submitting them to the Dauphin County District Attorney for preliminary investigation. The District Attorney shall have full authority to conduct a criminal and social background check and shall have access to any available records to confirm application information. The District Attorney shall further consider input from the victim, if any, and recommend restitution when appropriate. The District Attorney may then move for the defendant's inclusion in ARD.

(d) *Program Conditions*: An offender admitted to ARD shall comply with the following:

(i) Obey all federal, state and local penal laws, and all rules of probation.

Complete a minimum of 20 hours of community service.

(ii) Undergo a drug and alcohol evaluation, if required by the Magisterial District Judge, and complete any recommended treatment.

(iii) Complete any other adjudication alternative program as directed by the Magisterial District Judge.

(e) *Program Admission and Completion*: An eligible offender may be admitted to ARD by the Magisterial District Judge upon the motion of the District Attorney. Bail, security or other collateral shall terminate upon entry. Admission to ARD shall not affect any period of license suspension/revocation directed by statute. Upon satisfactory completion of the program, the charges against the defendant shall be dismissed. The record of arrest shall not be affected by the operation of this local rule, however upon successful completion of the program, the case record shall be sealed by the Magisterial District Judge.

The Magisterial District Judge, in all cases where he/she finds the defendant guilty through trial and therefore ineligible for ARD, may refer the defendant to the program as part of a post-dispositional order. In all such cases the issuing authority shall consider imposing a fine with the provision that the fine be vacated or reduced if the defendant successfully completes the program. Restitution may not be reduced under this provision.

(f) *Program Monitoring*: The Dauphin County Adult and Juvenile Probation departments, or representatives from an adjudication alternative program, or Pre-Trial Services, are hereby authorized to monitor and supervise a defendant's progress in the summary ARD program. Further such organizations shall inform the Magisterial District Judge of either the offender's successful completion, or the failure to complete, and in the latter case may testify as to the reasons thereof in program revocation proceedings. An allegation that the defendant has violated a condition of ARD must be brought during the term of the program, or if filed thereafter, within a reasonable time after the alleged violation was committed.

(g) *Revocation*: Should a defendant fail to comply with any condition of the ARD program, he or she may be revoked from the program by order of the Magisterial District Judge at a revocation hearing

where the defendant will be afforded an opportunity to be heard. The Magisterial District Judge may issue such process as is necessary to bring the defendant before the Court. Should the defendant fail to appear after receiving notice of a revocation hearing, the Magisterial District Judge may issue a warrant pursuant to Pa.R.Crim.P. 430. No appeal shall be allowed from a revocation order.

Upon revocation from the summary ARD program, or if a defendant declines to accept the program, the case shall thereafter be scheduled for trial pursuant to Chapter 4 of the Pennsylvania Rules of Criminal Procedure.

(h) *Monthly Report*: Magisterial District Judges shall submit a monthly report on the disposition of all cases which have applied for entry to ARD to the District Attorney. Should admission to ARD be denied, the reasons for such denial shall be included.]

1. Pursuant to the election of the district attorney, in addition to those statutorily excluded, the following offenses and offenders shall not be considered for summary ARD:

NOTICES

DEPARTMENT OF AGRICULTURE

Program Requirements for the 2022-2023 Agriculture and Youth Organization Grant Program

The Department of Agriculture (Department) hereby provides notice of the standards and requirements for the Agriculture and Youth Organization Grant Program (Program).

The Program is established under the authority of 3 Pa.C.S. §§ 10301—10307 (relating to agriculture and youth development) as amended by the act of July 7, 2022 (P.L. 504, No. 52), referred to as the Agriculture and Youth Development Grant Program Act (act). The Program allows the Department to award direct grants and matching grants to help fund eligible projects, programs and equipment purchases conducted or made by an organization composed mainly of youth, or an organization with programs that benefit youth, and organized to promote development in the areas of agriculture, community leadership, vocational training and peer fellowship.

This notice establishes the policy guidelines for the Program. It establishes the process by which grant applications will be solicited, reviewed and awarded for Fiscal Year (FY) 2022-2023. The amount appropriated for grants in FY 2022-2023 will be no less than \$500,000.

For the FY 2022-2023 Program, the Department will consider an eligible applicant to be any organization composed mainly of youth or an organization with programs that benefit youth and organized to promote development in the areas of agriculture, community leadership, vocational training and peer fellowship. The term includes a school district. This will include but is not limited to applications from schools or school districts to help fund eligible projects conducted by or for the benefit of agriculture and youth organizations operated under the applicant school or school district. The Department may revise these policy guidelines in subsequent years, as the Department gains experience in administering the Program.

This document has been developed in consultation with the State Agriculture and Youth Development Board (Board).

1. *Program objective.* The Program's objective is to provide grants to eligible agriculture and youth organizations to help fund projects such as educational programs, work force development programs, eligible seminars and field trips, agricultural safety training programs, capital projects, equipment purchases and special projects, as approved by the Board.

A school or school district may apply to receive grant funds for an eligible project conducted by or for the benefit of an agriculture and youth organization that is operated under that school or school district.

4. *Annual allocation limit for FY 2022-2023.* The annual allocation limits for grant funds under the Program shall be as presented in section 5, on a funds-available basis.

5. *Grant types.* There are two different types of grants that can be awarded under the Program:

- a. Direct, non-matching reimbursement grants of up to \$7,500 to defray the costs of an eligible project, other than a capital project; and
- b. Matching reimbursement grants of up to \$25,000 to defray the costs of an eligible capital project or equipment purchase, where the grant comprises no more than 50% of the project costs.

6. *Limitations on grants.* The following shall apply:

- a. The amount of reimbursement is based on actual eligible costs submitted by an approved applicant for an approved project during any fiscal year in which grants are offered.

v. An attestation signed by the applicant, verifying the accuracy of the information presented on the application.

8. *Disposition and review of grant applications.*

a. The Department will review each application, and supporting documentation submitted therewith, for completeness and accuracy, and shall determine whether the application is eligible for consideration by the Board.

b. If an application is found to be incomplete or inaccurate, the Department may request additional documentation and may discontinue further processing of the application until the requested information is received.

c. If the Department determines an application is complete, accurate and eligible for consideration by the Board, it shall submit that application for consideration by the Board at its next scheduled meeting. The Board shall consider the project, capital project or equipment

purchase that is the subject of the application and shall vote to recommend approval or disapproval of the application by the Department.

d. The Department will consider the Board's recommendation and make the decision as to approval or disapproval of an application upon the recommendation of the Board.

9. *Notice of disposition of application.* The Department will provide the applicant e-mail notice of the disposition (approval or disapproval) of the application.

10. *Agreement Required.* If the Department approves a grant application, and as a precondition to the Department's release of grant moneys to a successful applicant, the Department and the applicant shall execute a Grant Agreement, a copy of which is attached hereto as Addendum 1 and incorporated by reference, which describes the terms and conditions subject to which the grant is made. This Grant Agreement may be done electronically, through the Pennsylvania Single Application for Assistance.

11. *Distribution of grant money.* As Program grants are reimbursement grants, the Department will not issue grant money until the successful applicant delivers the following to the Department immediately following project completion, but no later than June 30, 2023:

Attachment 1-B**NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE**

The Grantee agrees:

1. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the grant agreement or any subgrant agreement, contract, or subcontract, the Grantee, a subgrantee, a contractor, a subcontractor, or any person acting on behalf of the Grantee shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the Pennsylvania Human Relations Act (PHRA) and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
2. The Grantee, any subgrantee, contractor or any subcontractor or any person on their behalf shall not in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any of its employees.
3. Neither the Grantee nor any subgrantee nor any contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under the grant agreement, subgrant agreement, contract or subcontract.
4. Neither the Grantee nor any subgrantee nor any contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the Public Employee Relations Act, Pennsylvania Labor Relations Act or National Labor Relations Act, as applicable and to the extent determined by entities charged with such Acts' enforcement, and shall comply with any provision of law establishing organizations as employees' exclusive representatives.
5. The Grantee, any subgrantee, contractor or any subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees in writing of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the grant services are performed shall satisfy this requirement for employees with an established work site.
6. The Grantee, any subgrantee, contractor or any subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against any subgrantee, contractor, subcontractor or supplier who is qualified to perform the work to which the grant relates.
7. The Grantee and each subgrantee, contractor and subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws and regulations relating to nondiscrimination and sexual harassment. The Grantee and each subgrantee, contractor and subcontractor further represents that it has filed a Standard Form 100 Employer Information Report ("EEO-1") with the U.S. Equal Employment Opportunity Commission ("EEOC") and shall file an annual EEO-1 report with the EEOC as required for employers' subject to Title VII of the Civil Rights Act of 1964, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Grantee, any subgrantee, any contractor or any subcontractor shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the granting agency and the Bureau of Diversity, Inclusion and Small Business Opportunities for the purpose of ascertaining compliance with the provisions of this Nondiscrimination/Sexual Harassment Clause.
8. The Grantee, any subgrantee, contractor or any subcontractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subgrant agreement, contract or subcontract so that those provisions applicable to subgrantees, contractors or subcontractors will be binding upon each subgrantee, contractor or subcontractor.
9. The Granter's and each subgrantee's, contractor's and subcontractor's obligations pursuant to these provisions are ongoing from and after the effective date of the grant agreement through the termination date thereof. Accordingly, the Grantee and each subgrantee, contractor and subcontractor shall have an obligation to inform the Commonwealth if, at any time during the term of the grant agreement, it becomes aware of any actions or occurrences that would result in violation of these provisions.
10. The Commonwealth may cancel or terminate the grant agreement and all money due or to become due under the grant agreement may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the granting agency may proceed with debarment or suspension and may place the Grantee, subgrantee, contractor, or subcontractor in the Contractor Responsibility File.

Attachment 1-C**CONTRACTOR INTEGRITY PROVISIONS**

It is essential that those who seek to contract with the Commonwealth of Pennsylvania ("Commonwealth") observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth contracting and procurement process.

1. *Definitions.* For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:
 - a. "Affiliate" means two or more entities where (a) a parent entity owns more than fifty percent of the voting stock of each of the entities; or (b) a common shareholder or group of shareholders owns more than fifty percent of the voting stock of each of the entities; or (c) the entities have a common proprietor or general partner.

b. "Consent" means written permission signed by a duly authorized officer or employee of the Commonwealth, provided that where the material facts have been disclosed, in writing, by prequalification, bid, proposal, or contractual terms, the Commonwealth shall be deemed to have consented by virtue of the execution of this contract.

c. "Contractor" means the individual or entity, that has entered into this contract with the Commonwealth.

d. "Contractor Related Parties" means any affiliates of the Contractor and the Contractor's executive officers, Pennsylvania officers and directors, or owners of 5 percent or more interest in the Contractor.

e. "Financial Interest" means either:

(1) Ownership of more than a five percent interest in any business; or

(2) Holding a position as an officer, director, trustee, partner, employee, or holding any position of management.

f. "Gratuity" means tendering, giving, or providing anything of more than nominal monetary value including, but not limited to, cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. The exceptions set forth in the Governor's Code of Conduct, Executive Order 1980-18, the 4 Pa. Code § 7.153(b), shall apply.

g. "Non-bid Basis" means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.

2. In furtherance of this policy, Contractor agrees to the following:

a. Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.

b. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.

c. Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.

d. Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.

e. Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:

(1) been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;

(2) been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;

(3) had any business license or professional license suspended or revoked;

(4) had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and

(5) been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

f. Contractor shall comply with the requirements of the Lobbying Disclosure Act (65 Pa.C.S. § 13A01 et seq.) regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the Section 1641 of the Pennsylvania Election Code (25 P.S. § 3260a).

g. When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.

h. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these

Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

i. Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.

j. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

Attachment 1-D

PROVISIONS CONCERNING THE AMERICANS WITH DISABILITIES ACT

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, supplier, or grantee, who will furnish or perform or seeks to furnish or perform, goods, supplies, services, construction or other activity, under a purchase order, contract, or grant with the Commonwealth of Pennsylvania (Commonwealth).

During the term of this agreement, the contractor agrees as follows:

1. Pursuant to federal regulations promulgated under the authority of the Americans with Disabilities Act, 28 C.F.R. § 35.101 et seq., the contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this agreement or from activities provided for under this agreement. As a condition of accepting and executing this agreement, the contractor agrees to comply with the "General Prohibitions Against Discrimination," 28 C.F.R. § 35.130, and all other regulations promulgated under Title II of the Americans with Disabilities Act which are applicable to the benefits, services, programs, and activities provided by the Commonwealth through contracts with outside contractors.
2. For the purpose of these provisions, the term "the Commonwealth" shall refer to the granting Commonwealth agency.

b. If the Commonwealth needs the Grantee's or Subgrantee's assistance in any matter arising out of the RTKL related to this Grant Agreement, it shall notify the Grantee or Subgrantee using the legal contact information provided in the Grant Agreement. The Grantee or Subgrantee, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.

c. Upon written notification from the Commonwealth that it requires Grantee's or Subgrantee's assistance in responding to a request under the RTKL for information related to this Grant Agreement that may be in Grantee's or Subgrantee's possession, constituting, or alleged to constitute, a public record in accordance with the RTKL ("Requested Information"), Grantee or Subgrantee shall:

Should the commonwealth determine that the Requested Information is clearly not exempt from disclosure, Grantee or Subgrantee shall provide the Requested Information within five (5) business days of receipt of written notice of the Commonwealth's determination.
- f. - g. The Commonwealth will reimburse Grantee or Subgrantee for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.
- h. Grantee or Subgrantee may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, Grantee or Subgrantee shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of Grantee's or Subgrantee's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, Grantee or Subgrantee agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.
- i. The Grantee's or Subgrantee's duties relating to the RTKL are continuing duties that survive the expiration of this Grant Agreement and shall continue as long as the Grantee or Subgrantee has Requested Information in its possession.

Such notification shall be made within 15 days of the date of suspension or debarment.
4. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
5. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT

Draft HOME-ARP Allocation Plan and Amendment to the 2019 Annual Action Plan; Public Hearing

Public Hearing for the HOME-American Rescue Plan (ARP) Program

ARP provides \$5 billion to assist households who are homeless, at risk of homelessness and other vulnerable populations by providing housing, rental assistance, supportive services and noncongregate shelter, to reduce homelessness, and increase housing stability. Funds were appropriated under Title II of Cranston-Gonzalez National Affordable Housing Act of 1990—HOME Program Statute and allocated by means of HOME Program formula to jurisdictions that qualified for a HOME allocation in Fiscal Year (FY) 2021. As a participating jurisdiction, the Department of Community and Economic Development (Department) received \$73,094,403 in HOME-ARP funds from the United States Department of Housing and Urban Development (HUD).

HOME-ARP funds can be used for the following eligible activities:

1. Acquire, rehabilitate or construct affordable rental housing.
2. Tenant-based rental assistance.
3. Supportive services.

4. Acquisition and development of noncongregate shelter.
5. Nonprofit operating and capacity building assistance.
6. Administration and planning.

Under the program requirements, an allocation plan must be developed and submitted to HUD for approval. The Commonwealth's draft allocation plan may be viewed at <https://dced.pa.gov/housing-and-development/consolidated-plan-annual-plans-reports/>. Public comment will be accepted from August 20, 2022, through September 6, 2022. Comments may be sent to David Grey, Chief of Compliance and Technical Services, at dgrey@pa.gov.

The public hearing for the Commonwealth's allocation plan will be held on Thursday, September 1, 2022, at 10 a.m. by means of Microsoft Teams. The phone number to join the public hearing is (267) 332-8737, with a conference ID/passcode of 564 188 310#.

Persons with a disability or limited English proficiency who wish to participate in the public hearing should contact Megan L. Sieber at (717) 787-5327 or TDD at (717) 346-0308 to discuss how the Department can accommodate their requests.

The hearing will be shortened if there is no one to testify or there is minimal response.

Notice of Amendment to FY 2019 Annual Action Plan

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) (Pub.L. No. 116-136) was signed into law to respond to the growing effects of the novel coronavirus (COVID-19) public health crisis.

The CARES Act provided special allocations to the Commonwealth under the Community Development Block Grant, Emergency Solutions Grant and Housing Opportunities for People with Aids Grant programs to be used to prevent, prepare for and respond to COVID-19. Under the ESG-CV program, the purpose of these funds was to assist homeless providers and communities to prepare for, prevent the spread of and respond to COVID-19.

Under HUD Notice CPD-22-06: Waivers and Alternative Requirements for the Emergency Solutions Grants Program under the CARES Act (ESG-CV); Amendments and Clarifications, HUD may recapture up to the difference between 50% of the total amount the recipient received in HUD's first and second allocations of ESG-CV funds, adjusted by any recaptured amounts, if applicable, and the amount of ESG-CV funds a recipient has drawn from the Integrated Disbursement and Information System (IDIS) by June 16, 2022.

HUD determined compliance with this requirement based on IDIS draw data, crediting recipients for draws that were initiated by June 16, 2022, and approved as of June 23, 2022, to account for any processing delays beyond the recipient's control. Based on this review, HUD recaptured \$251,269.76 from the Commonwealth's ESG-CV grant.

Notice is hereby given that the Federal FY 2019 Annual Action Plan will be amended to reduce by \$251,269.76 to account for the recapture. The updated plan will be posted on the Department's web site at <https://dced.pa.gov/download/final-2019-2023-consolidated-plan-2019-annual-action-plan/?wpdmdl=113684> and will be available for review on August 20, 2022.

More information on the types of NPDES and WQM permits that are available can be found on DEP's website (visit www.dep.pa.gov and select Businesses, Water, Bureau of Clean Water, Wastewater Management, and NPDES and WQM Permitting Programs).

<i>Section</i>	<i>Category</i>
I	Individual and General WQM Permit Applications/NOIs Received, General NPDES Permit NOIs Received, and All Transfer and Minor Amendment Applications/NOIs Received
II	Individual NPDES Permits—New, Renewal, and Major Amendment Applications and Draft Permits for Discharges Relating to Sewage, Industrial Waste, Industrial Stormwater, MS4s, Pesticides and CAFOs
III	Individual NPDES Permit Applications for Discharges of Stormwater Associated with Construction Activity

Section I identifies the following applications and NOIs that have been received by DEP:

- Individual and General WQM Permit Applications Received—DEP provides a 15-day public comment period for Individual WQM Permit Applications for new and reissued permits. There is no public comment period for General WQM Permit NOIs.
- General Chapter 92a NPDES Permit NOIs Received—There is no public comment period for General NPDES NOIs received.
- All Transfer and Minor Amendment Applications/NOIs Received—Transfer and Minor Amendment Applications/NOIs received for Individual and General WQM Permits and Individual and General NPDES Permits, excluding PAG-01 and PAG-02, are identified but do not have public comment periods. DEP provides a 15-day public comment period for Individual WQM Permit Applications for amendments.

Additional information on these applications and NOIs may be reviewed by generating the “Applications and NOIs without Comment Periods Report” or, for Individual WQM Permit Applications, the “Applications Received with Comment Periods Report” on DEP's website at www.dep.pa.gov/CWPublicNotice.

Section II identifies individual NPDES permit applications received and draft permits indicating DEP's tentative determination relating to sewage, industrial waste, industrial stormwater, MS4s, pesticides and CAFOs. A 30-day public comment period applies to these applications and draft permits, except when a site-specific water quality criterion is used to establish effluent limitations, in which case a 45-day public comment period applies. The period for comment may be extended at the discretion of DEP for one additional 15-day period. Additional information, including links to draft permits and fact sheets that explain the basis for DEP's tentative determinations may be reviewed by generating the “Applications Received with Comment Periods Report” on DEP's website at www.dep.pa.gov/CWPublicNotice. Notification of 15-day extensions for comment will be provided in the “Applications Received with Comment Periods Report” (Comments column).

Section III provides notice of applications and draft individual permits for stormwater discharges associated with construction activities. Where indicated, DEP has made tentative determinations, based on preliminary review, to issue permits subject to proposed effluent limitations consisting of best management practices identified in the erosion and sediment control (E&S) plans and post-construction stormwater management (PCSM) plans submitted with the applications, as well as other terms and conditions based on the permit applications. A 30-day public comment period applies to these applications.

Applications, NOIs and draft permits, where applicable, may be reviewed at the DEP office that received the application or NOI. Members of the public are encouraged to use DEP's website to obtain additional information as discussed previously.

Comments received within the appropriate comment periods for WQM and NPDES permit applications will be retained by DEP and considered in the final determinations regarding the applications. A comment submittal should include the name, address and telephone number of the writer and a concise statement to inform DEP of the exact basis of a comment and the relevant facts upon which it is based.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 1

Acknowledgment of Notice(s) of Intent to Remediate Submitted Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (Act) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent (NOI) to Remediate. An acknowledgment of the receipt of a NOI to Remediate is used to identify a site where an individual proposes to, or has been required to, respond to a release of a regulated substance at a site. Individuals intending to use the background standard, Statewide health standard, the site-specific standard, or who intend to remediate a site as a special industrial area, must file a NOI to Remediate with DEP. A NOI to Remediate filed with DEP provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site, and a description of the intended future use of the site. An individual who demonstrates attainment of one, or a combination of the cleanup standards, or who receives approval of a special industrial area remediation identified under the Act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by DEP. Furthermore, an individual shall not be subject to citizen suits or other contribution actions brought by responsible individuals not participating in the remediation.

Under Sections 304(n)(1)(ii) and 305(c)(2) of the Act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the NOI to Remediate is published in a newspaper of general circulation in the area of the site. For the following identified site(s), proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30-days of the following specified date. During this comment period the municipality may request that the following identified individual, as the remediator of the site, develop and implement a public involvement plan. PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

The Department of Environmental Protection (DEP) has developed an integrated plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for DEP, the regulated community and the general public. This approach allows the owner or operator of a facility to submit permitting documents relevant to its application for all sources related to a facility or a proposed project, affords an opportunity for public input, and provides for a decision on the issuance of the necessary permits.

The DEP received applications for Plan Approvals or Operating Permits from the following facilities. Copies of the application, DEP's analysis, all pertinent documents used in the evaluation of the application and subsequently prepared proposed plan approvals/operating permits are available for public review during normal business hours at the appropriate DEP Regional Office. Appointments for scheduling a review must be made by calling the appropriate DEP Regional Office. The address and telephone number of the Regional Office is listed before the application notices.

Individuals wishing to file a written protest or provide comments or additional information, which they believe should be considered prior to the issuance of a permit, may submit the information to the DEP's Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments, protests and information. Each submission must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Plan Approval/Operating Permit including the permit number and a concise statement regarding the relevancy of the information or objections to issuance of the permit.

Any individual wishing to request a hearing may do so during the 30-day comment period. A public hearing may be held, if DEP, in its discretion, decides that a hearing is warranted based on the information received. Persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper, the *Pennsylvania Bulletin* or by telephone, when DEP determines this type of notification is sufficient. Requests for a public hearing and any relevant information should be directed to the appropriate DEP Regional Office.

Permits issued to the owners or operators of sources subject to 25 Pa. Code Chapter 127, Subchapter D or E, or located within a Title V facility or subject to 25 Pa. Code § 129.51(a) or permits issued for sources with limitations on their potential to emit used to avoid otherwise applicable Federal requirements may be submitted to the United States Environmental Protection Agency for review and approval as a revision to the State

Implementation Plan. Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the sources are constructed and operating in compliance with applicable requirements in the Air Pollution Control Act (35 P.S. §§ 4001—4015), 25 Pa. Code Chapters 121—145, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

The limits will be revised from 1.42 lb/hr & 6.2 tpy VOC, as hexane, to 11.94 lb/hr & 52.28 tpy VOC, as hexane. The facility's site-wide emissions limits (116.9 tpy PM, 30.7 tpy PM₁₀, 8.1 tpy PM_{2.5}, 208.1 tpy VOC, & 104.0 tpy n-hexane) established during PA No. 36-05158A are not changing. DEP's review of the information submitted by the applicant indicates that the air contamination sources as constructed or modified will comply with all regulatory requirements pertaining to air contamination sources and the emission of air contaminants including the best available technology requirement (BAT) of 25 Pa. Code §§ 127.1 and 127.12. Based on these findings, the Department proposes to issue a plan approval for the proposed modification. Application received: February 16, 2022.

Code §§ 127.1 and 127.12. Based on these findings, the DEP proposes to issue a plan approval for the operation of these sources. If DEP determines that the sources are operating in compliance with the plan approval conditions and the specification of the application for plan approval, the requirements established in the plan approval will be incorporated into an initial State-Only Operating Permit in accordance with 25 Pa. Code § 127.411. Application received: April 7, 2022.

54-00096B, Blythe Recycling and Demolition Site Holdings, Inc., 1061 Burma Road, Saint Clair, PA 17970, Blythe Township, **Schuylkill County**. Plan Approval application received for installation and operation of a landfill gas (LFG) Treatment System at the Blythe Recycling and Demolition Site. Application received: July 25, 2022.

Notice is hereby given in accordance with 25 Pa. Code §§ 127.44(a) and 127.45(a), that the Department of Environmental Protection (DEP) has received and intends to issue a Plan Approval to Blythe Recycling and Demolition Site Holdings, Inc. (1061 Burma Road, P.O. Box 335, Saint Clair, PA 17970) for their facility located in Blythe Township, Schuylkill County. This Plan Approval No. 54-00096B will be converted into a natural Minor Permit through an administrative amendment at a later date.

Plan Approval No. 54-00096B is for the installation and operation of a landfill gas (LFG) Treatment System at the Blythe Recycling and Demolition Site. The facility is a construction and demolition (C&D) landfill which began accepting waste in 2019. Landfill identified the presence of landfill gas (LFG) and odors in a temporary leachate sump. The landfill has proposed to install and operate a solid scavenger media treatment system and a utility flare to control H₂S odor emissions. During periods when the LFG methane content is insufficient to operate the flare and/or during periods of extended flare downtime (e.g., for flare maintenance), the H₂S treatment system will operate and treated LFG will be directed to a flare by-pass stack. When the LFG methane content is sufficient to operate the utility flare, the flare will combust LFG and the treatment system will be operated, as necessary, to reduce the H₂S concentration in the LFG accordingly such that flare SO₂ emissions. The system will reduce H₂S emissions from the facility to less than 0.18 TPY. The company shall be subject to and comply with 25 Pa. Code § 123.31 for malodorous emissions. The Plan Approval and Operating permit will contain additional recordkeeping and operating restrictions designed to keep the facility operating within all applicable air quality requirements.

Copies of the application, DEP's analysis and other documents used in the evaluation of the application are available for public review during normal business hours at Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18701.

Any person(s) wishing to provide DEP with additional information, which they believe should be considered prior to the issuance of this permit, may submit the information to the address shown in the preceding paragraph. Each written comment must contain the name, address and telephone number of the person submitting

the comments, identification of the proposed permit No. 54-00096B and a concise statement regarding the relevancy of the information or objections to the issuance of the permit.

A public hearing may be held, if the Department of Environmental Protection, in its discretion, decides that such a hearing is warranted based on the comments received. All persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper or the *Pennsylvania Bulletin* or by telephone, where DEP determines such notification is sufficient. Written comments or requests for a public hearing should be directed to Ray Kempa, EEM, Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18701-1915, Phone 570-826-2511 within 30 days after publication date.

MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed National Pollutant Discharge Elimination System (NPDES) permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (DEP) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH must always be greater than 6.0; less than 9.0.			
Alkalinity must always be greater than acidity.			

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The limits for noncoal mining activities as provided in 25 Pa. Code § 77.522 are pH 6 to 9 and other parameters DEP may require.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

PA DOT Engineering District 3-0 proposes a bridge replacement project on SR 1013. The project includes replacing a Single Span Concrete Slab Bridge with a Single Cell Precast Concrete Box Culvert. The existing structure has a span of 12 Ft., a skew of 90° 41' 55" 22"s, an underclearance of 1.82 Ft., and a low chord of 1,541.47 Ft. and a hydraulic opening of 21.8 Ft². The proposed single cell box culvert has a span of 15 Ft., a skew of 80° 41' 55" 22"s, an underclearance of 2.09 Ft., and a low chord of 1,541.98 Ft. and a hydraulic opening of 31.3 Ft². The proposed slope is 1.85%. The structure will be depressed 2.91 Ft. and include full width baffles to aid in aquatic passage. The project will utilize R-8 Rip Rap Scour Protection at the inlet and outlet. The project has been designed to create a consistent slope throughout the stream reach. The project will utilize a sandbag diversion and temporary channel to convey the stream during construction. The project will utilize a detour to convey traffic during construction. The project will realign approximately 33 LF of stream at the inlet to better align the stream and the structure. The project will not impact any jurisdictional wetlands. The Unnamed Tributary to Hammond Creek is classified as a Cold Water Fishery by Title 25, Chapter 93 Water Quality Standards and listed as a Wild Trout Stream by PA Fish and Boat Commission. Latitude: 41° 55' 22", Longitude: -76° 59' 01".

PA DOT propose to replace a Single Span Masonry Arch with a Single Span Pre-Stressed Concrete Bulb T-Beam Bridge on Integral Concrete Abutments. The existing bridge has a span of 30 Ft., a skew of 90° 41' 28' 39"s, an underclearance of 8.7 Ft., and a low chord of 1,815.31 Ft. and a hydraulic opening of 390 Ft². The proposed bridge has a span of 82 Ft., a skew of 90° 41' 28' 39"s, an underclearance of 14.0 Ft., and a low chord of 1,813.20 Ft. and a hydraulic opening of 727 Ft². R-8 Rip Rap Scour Protection will be utilized along the Integral Abutments. The project will utilize a phased cofferdam system with a 21 Ft, clear channel width to convey the stream during construction. The project will utilize a temporary roadway and bridge, located approximately 45 Ft. downstream to convey traffic during construction. The project will remove an abandoned building and masonry wall located at the downstream left streambank. The streambank will be graded and stabilized with approximately 112 Ft. of R-8 Rip Rap, choked with R-4 Rip Rap. The project will temporarily impact 0.03 acre of Jurisdictional Wetlands. The wetland impact is considered De Minimis and does not require mitigation. EROSION AND SEDIMENT CONTROL

The following parties have applied for an Erosion and Sediment Control Permit (ESCP) for an earth disturbance activity associated with either a road maintenance or timber harvesting operation.

Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (DEP) proposes to issue a permit to discharge, subject to certain limitations set forth in the permit conditions. These proposed determinations are tentative. Limitations are provided as erosion and sediment control best management practices (BMPs) which restrict the rate and quantity of sediment discharged.

Individuals wishing to comment on the proposed permit are invited to submit a statement to the appropriate DEP Regional Office listed above the application within 30-days of this public notice. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address, and telephone number of the writer and a concise statement to inform DEP of the exact basis of a comment and relevant facts upon which it is based. A public hearing may be held after consideration of comments received by the appropriate DEP Regional Office during the 30-day public comment period.

Following the 30-day comment period, the appropriate Regional Office Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, including the erosion and sediment control plan for the earth disturbance activity are on file and may be inspected at the office identified in this notice.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION**UNDER ACT 2, 1995
PREAMBLE 2****The Following Plans and Reports Were Submitted Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).**

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.301—6026.308) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of

plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

UNDER ACT 2, 1995 PREAMBLE 3

The Department Has Taken Action on the Following Plans and Reports Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907).

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or non-residential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by the act for compliance with selection of a special industrial area remediation. The

baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The DEP may approve or disapprove plans and reports submitted. This notice provides DEP's decision and, if relevant, the basis for disapproval.

The Department of Environmental Protection has issued a Chapter 105 water obstruction and encroachment permit for the proposed dredging of approximately 72,000 cubic yards of accumulated silts and sediments from 11 coves and inlets on Treasure Lake to maintain safe boating lanes and give lakefront residents access to their docks. In addition, a roadbed that was constructed at the time the dam was built will be removed. This roadbed is approximately 2.5 feet below the surface at normal pool, and in low water conditions causes a dangerous hazard for boaters and aquatic life if a petroleum leak should be caused by the shallow bed. The roadbed area is approximately 1.33 acres and the cove and inlet dredging is approximately 14.77 acres. The dredged material will be disposed of at an approved off-site disposal area. There are no anticipated significant adverse impacts to waters of the U.S. or aquatic resources from this project. Treasure lake is listed in the Pa. Code Chapter 93 designation as a Warm Water Fishery (WWF) and the receiving stream Wolf Run is listed as a Cold Water Fishery (CWF). Latitude: 41° 9' 54.65", Longitude: -78° 43' 12.48". No application requesting more than \$350,000 in grant funding will be accepted.

Applicants are required to complete the Sustainability Plan portion of the application that includes definitive actions and strategies for optimizing program self-sufficiency. The plan shall include, at a minimum, strategies for reducing costs and generating revenues, provisions for establishing incentives associated with waste reduction and recycling, mechanisms for public outreach and stakeholder input, and tracking mechanisms to document progress toward sustainability milestones until optimum sustainability is realized. The Department's technical report on Building Financially Sustainable Recycling Programs can provide assistance in developing methods and strategies. The technical report can be found on the Department's web site at http://files.dep.state.pa.us/Waste/Recycling/RecyclingPortalFiles/Documents/fin_sust_rec.pdf. Applicants that fail to complete the Sustainability Plan portion of the application will not be considered for funding.

The following elements will receive priority for funding:

- Newly mandated municipalities based on the 2020 decennial census by the Bureau of the Census of the United States Department of Commerce.
- Development and implementation of incentive-based pricing and collection programs designed to increase the quantities and types of recyclable materials and reduce the quantity of waste collected.
- Development and implementation of an organics collection or management program, or both.
- Development and implementation of multimunicipal collection, processing or a materials marketing program, or both, where capital costs are reduced or recycling marketability is enhanced, or both, due to intergovernmental cooperation.
- Municipal recycling programs that will develop and implement methods of collection and processing of recyclable materials through source-separation, dual-stream or commingled practices. The applicant must demonstrate that these recyclable materials have value and greater marketability.
- New and innovative recycling educational programs that support the applicants' recycling collection efforts.

In addition, communities whose existing recycling programs contain the following components will receive additional consideration:

- Publicly provided or municipally contracted waste and recycling services.
- The collection of six or more of the following materials: newsprint, office paper, corrugated paper, other marketable grades of paper, aluminum cans, steel or bimetallic cans, colored glass containers, clear glass containers and plastics.
- Municipal recycling programs that are currently collecting and processing recyclable materials through source-separation, dual-stream or commingled practices. The applicant must demonstrate that these recyclable materials have value and greater marketability.
- Incentive-based pricing and collection programs designed to increase the quantities and types of recyclable materials and reduce the quantity of waste collected.

Special consideration will be given to those applicants identified in Environmental Justice (EJ) Areas:

- The Department identifies an EJ area where 20% or more individuals live at or below the Federal poverty line, or 30% or more of the population identify as non-white minority, or both, based on data from the United States Census Bureau and the Federal guidelines for poverty.

Eligibility Requirements

Only those projects involving municipalities that have a mandatory trash collection program or projects seeking support for a residential recycling program that have a corresponding commercial recycling program will be considered for funding. Applicants seeking funds to replace curbside collection containers or collection vehicles, or both, will need to demonstrate that the new equipment will increase collection efficiencies and tonnage of materials.

Eligibility Costs

Eligible recycling program development costs include: recycling program design costs; recycling market investigations; development of recycling market commitments; development of recycling program ordinances; development of recycling public education programs; and the costs of developing contracts for procuring equipment or services necessary for the operation of the recycling program.

Eligible recycling program implementation costs include: purchasing or leasing vehicles used to collect recyclables, transporting recyclables to processing facilities or markets, and vehicles used in the operation of a materials recovery facility; reusable containers for the collection or storage of recyclable materials; acquiring or renovating buildings, or both, for the processing or storage of recovered materials; equipment used to process or manufacture recyclable materials into usable products; improvements to land needed to operate a recycling facility or yard waste composting facility authorized under 25 Pa. Code § 271.103(h) (relating to permit-by-rule for municipal waste processing facilities other than for regulated medical or chemotherapeutic waste; qualifying facilities; general requirements); and the costs associated with educating the public on recycling program requirements.

Under this grant solicitation, the following will not be eligible for funding: promotional items; glass crushing equipment (unless specific marketing arrangements have been identified); vehicles equipped with compaction units (except for the sole collection of yard waste or paper fiber); and backyard composting units and public recycling containers for parks and streetscapes.

Other eligible and noneligible costs are listed in the grant application packet. Composting projects and programs will be considered to be recycling projects or programs accordingly.

A municipality must retain sole ownership of equipment or facilities funded by the grant. Funding for equipment or facilities purchased for the recycling program used for recycling and other purposes will be prorated according to its recycling use (no equipment used for recycling less than 50% of the time will be eligible for funding). Funding for certain leaf and yard waste collection equipment may be limited according to its seasonal use. Funding for wood chipping equipment will be approved only when the equipment is part of an approved yard waste composting facility operating under the Department's guidelines and where the material is

collected curbside from residents. Funding of street sweepers for the purpose of leaf collection will not be considered.

Funding may be restricted in situations where equipment or services requested through a grant application may be available from the public or private sector within the county of the applicant. Public notices may be required before the grant application may be submitted depending upon the nature of the funding request. When the municipality submits the recycling grant application to the Department, it must include proof of compliance with the notification requirements, a description of any responses received to the notice and an explanation of why the municipality has concluded that the mechanical processing equipment is not available to the program from the private sector.

Requirement for Preapplication Conference

Potential applicants must contact the appropriate Department regional planning and recycling coordinator to schedule a preapplication conference to discuss application requirements and program particulars. A list of these individuals is included at the end of this notice. Applications will be returned to municipalities that fail to schedule a preapplication conference. Grant preapplication forms are available from the Department's web site at www.dep.pa.gov (search term "Recycling Grants Financial Assistance").

Application Deadline

Grant applications must be submitted online through the Commonwealth's Electronic Single Application web site, eGrants, at www.esa.dced.state.pa.us. Applications must be received by 3 p.m. on Friday, October 28, 2022, to be eligible for funding. Applications will not be accepted after the deadline. Grant awards are predicated on the receipt of recycling fees required by sections 701 and 702 of Act 101 (53 P.S. §§ 4000.701 and 4000.702) and the availability of moneys in the Recycling Fund.

Public Notice of Draft National Pollutant Discharge Elimination System General Permit for Discharges of Stormwater Associated with Industrial Activity (PAG-03)

The Department of Environmental Protection (Department) is announcing the availability of a draft National Pollutant Discharge Elimination System (NPDES) General Permit for Discharges of Stormwater Associated with Industrial Activity (PAG-03). The draft General Permit and related documents are available on the Department's eLibrary at www.depgreenport.state.pa.us/elibrary/ (select "Permit and Authorization Packages," then "Clean Water," then "Draft—PAG-03 NPDES General Permit for Discharges of Stormwater Associated with Industrial Activity").

The PAG-03 General Permit is intended to provide NPDES permit coverage to existing or proposed industrial facilities that discharge stormwater associated with industrial activity to surface waters of this Commonwealth. The General Permit may not be used to cover facilities that discharge industrial wastewater.

A draft PAG-03 General Permit was published at 52 Pa.B. 500 (January 22, 2022) for a 30-day public comment period. The Department received an objection to the issuance of a final PAG-03 General Permit from the United States Environmental Protection Agency (EPA) on February 22, 2022. Based on changes made in response to public comments and the EPA's objection, the Department

decided to re-draft the PAG-03 General Permit for an additional public comment period. Upon final issuance of the General Permit, the Department will provide responses to all public comments received on the initial draft General Permit and the re-drafted General Permit. Compared with the initial draft General Permit, the changes the Department is proposing in the re-drafted permit can be found in the Addendum to the Fact Sheet (3800-PM-BCW0083j).

Written Comments

Interested persons are invited to submit written comments regarding the re-drafted draft PAG-03 General Permit and associated documents through Monday, September 19, 2022. Commentators are encouraged to submit comments using the Department's online eComment tool at www.ahs.dep.pa.gov/eComment. Written comments can be submitted by e-mail to ecomment@pa.gov or by mail to the Department of Environmental Protection, Policy Office, Rachel Carson State Office Building, P.O. Box 2063, Harrisburg, PA 17105-2063. Comments, including comments submitted by e-mail, must include the commentator's name and address. Comments submitted by facsimile will not be accepted.

Written comments submitted during the 30-day comment period will be retained by the Department and considered when finalizing the General Permit. The Department will provide an opportunity for any interested person or group of persons, any affected state, any affected interstate agency, the EPA or any interested agency to request or petition for a public hearing with respect to the proposed General Permit. The request or petition for public hearing, which must be filed within the 30-day period allowed for filing of written comments, must indicate the interest of the party filing the request and the reasons why a hearing is warranted. A hearing will be held if there is significant public interest.

Questions regarding the draft PAG-03 General Permit can be directed to Sean Furjanic at sefurjanic@pa.gov or (717) 787-2137.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Suspension of Enforcement of a Requirement of the Vapor Leak Monitoring Procedures and Other Requirements for Small Gasoline Storage Tank Emission Control Program in the Philadelphia and Pittsburgh-Beaver Valley Areas (25 Pa. Code § 129.61a)

The Department of Environmental Protection (Department) announces that effective August 20, 2022, the Department suspends enforcement of a specific monitoring requirement in 25 Pa. Code § 129.61a (relating to vapor leak monitoring procedures and other requirements for small gasoline storage tank emission control) at gasoline dispensing facilities with Stage I vapor recovery systems.

Section 129.61a was published as a final-form regulation at 52 Pa.B. 1875 (March 26, 2022). Beginning March 26, 2022, the requirements of § 129.61a apply to the owner and operator of certain gasoline storage tanks subject to 25 Pa. Code § 129.61 (relating to small gasoline storage tank control (Stage I control)). Specifically, the Department is suspending enforcement of the requirement in § 129.61a(g)(1)(iii) with regard to the inspection of the gasoline storage tank automatic tank gauge cap.

Section 129.61a requires the owner or operator of certain gasoline storage tanks located at gasoline dispensing facilities in Allegheny, Armstrong, Beaver, Bucks, Butler, Chester, Delaware, Fayette, Montgomery, Philadelphia, Washington and Westmoreland Counties to perform specified vapor leak monitoring procedures for Stage I vapor recovery system components and other gasoline

dispensing components. Section 129.61a(g)(1)(iii) requires the owner or operator of a subject gasoline dispensing facility to monitor the condition of the gasoline storage tank automatic tank gauge cap by performing an inspection after each gasoline tank truck delivery to verify that the automatic tank gauge cap is tightly sealed. The intended purpose of the requirement specified in § 129.61a(g)(1)(iii) is to ensure that the automatic tank gauge cap has not been compromised during a gasoline tank truck delivery. The automatic tank gauge cap, if not closed and tightly sealed, prevents proper operation and vapor capture by the Stage I vapor recovery system.

Subsequent to the publication of § 129.61a as a final-form regulation at 52 Pa.B. 1875, and after review of these requirements and discussion with the Department's Bureau of Environmental Cleanup, Storage Tanks Division, the Department has determined that the likelihood that the automatic tank gauge would be compromised during a gasoline tank truck delivery is low. Verifying the status of the automatic tank gauge cap after each gasoline tank truck delivery is problematic. Many of these gauges are only accessible beneath a heavy sump lid, some of which require special tools to open, or can be otherwise difficult to access. A Federal requirement to check this equipment annually is found at 40 CFR 280.36 (relating to periodic operation and maintenance walk-through inspections) and the corresponding Commonwealth annual inspection requirement is found in 25 Pa. Code § 245.438 (relating to periodic operation and maintenance walkthrough inspections). This exercise of enforcement discretion does not affect owner or operator compliance with other existing requirements.

The Department's exercise of enforcement discretion of § 129.61a(g)(1)(iii) does not protect an owner or operator of a subject gasoline dispensing facility from the possibility of legal challenge by third persons under § 129.61a.

For more information or questions concerning Stage I requirements, contact Susan Foster, Division of Compliance and Enforcement, Bureau of Air Quality, at sufoster@pa.gov or (717) 772-3369.
