READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND THE PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published weekly. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. It is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations, Statewide court rules, and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, rescission, repeal or emergency action, must be published in the *Pennsylvania Bulletin*.

The following documents are published in the *Pennsylvania Bulletin*: Governor's Executive Orders; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or rescind regulations must first publish in the *Pennsylvania Bulletin* a Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. A Final Rulemaking must be published in the *Pennsylvania Bulletin* before the changes can take effect. If the agency wishes to adopt changes to the Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies, Statewide court rules and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes when they are adopted. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code* § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government.

How to Find Rules and Regulations

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacodeandbulletin.gov.

Source Notes give the history of regulations. To see if there have been recent changes not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm.

A quarterly List of *Pennsylvania Code* Sections Affected lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

The *Pennsylvania Bulletin* is available at www.pacodeandbulletin.gov.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires the Governor's Budget Office to prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions and authorities receiving money from the State Treasury. The fiscal note states whether the action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions. The fiscal note is required to be published in the *Pennsylvania Bulletin* at the same time as the change is advertised.

A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; and (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years. In item (8) the recommendation, if any, made by the Secretary of the Budget is published with the fiscal note. "No fiscal impact" means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended. See 4 Pa. Code Chapter 7, Subchapter R (relating to fiscal notes).

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish information except as provided by 1 Pa. Code § 3.44:

§ 3.44. General permission to reproduce content of *Code* and *Bulletin*.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the [Legislative Reference] Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

THE GOVERNOR

GOVERNOR'S OFFICE

Proclamation; Senate Bill No. 736, Printer's No. 1938

I, Tom Wolf, Governor of the Commonwealth of Pennsylvania, have caused this Proclamation to issue and, in compliance with the provisions of Section 15 of Article IV of the Constitution of Pennsylvania, do hereby give notice that I have filed in the Office of the Secretary of the Commonwealth, with my objections thereto, the following bill passed by both houses of the General Assembly at the Regular Session of 2021-2022:

Senate Bill No. 736, Printer's No. 1938, entitled "An act [a]mending Title 75 (Vehicles) of the *Pennsylvania Consolidated Statutes*, in general provisions, further providing for definitions; in registration of vehicles, further providing for use of farm vehicle plates; consolidating the act of February 11, 1998 (P.L. 58, No. 15), known as the Combustible and Flammable Liquids Act, further providing for regulations and for emergency controls and electrical disconnects; and making a related repeal."

Given under my hand and the Great Seal of the Commonwealth, at the County of Dauphin, this third day of November, in the year of our Lord two thousand and twenty-two, and of the Commonwealth two hundred and forty-seven.

Governor

Attest:

LEIGH M. CHAPMAN,
Acting Secretary

GOVERNOR'S OFFICE

Notice of Veto; Senate Bill No. 736, Printer's No. 1938

November 3, 2022

To the Honorable Senate of the
Commonwealth of Pennsylvania

Pursuant to Article IV, Section 15 of the Pennsylvania Constitution, I am returning herewith, without my approval, Senate Bill 736, Printer's Number 1938.

I am vetoing this legislation based on safety concerns. This legislation adds passenger cars to the definition of farm vehicles, which would exempt them from registration, insurance, and safety inspection requirements. This would allow unregistered, uninsured, and uninspected vehicles carrying up to 15 passengers to be used on highways up to 50 miles from the farm. Other farm vehicles are intended to be used to transport crops and materials and not a large number of passengers. By allowing these passenger vehicles to be exempt from yearly safety inspections, including

inspection of the brakes, tires, or suspension systems, the bill creates a dangerous situation for passengers in these farm vehicles as well as passengers in other vehicles sharing the roadway.

For the reasons set forth above, I must withhold my signature from Senate Bill 736, Printer's Number 1938.

Sincerely,

A handwritten signature in black ink that reads "Tom Wolf". The signature is written in a cursive style with a large, sweeping initial "T".

Governor

PROPOSED RULEMAKING

BUREAU OF PROFESSIONAL AND OCCUPATIONAL AFFAIRS

[49 PA. CODE CH. 43b]

Consideration of Criminal Convictions

The Acting Commissioner of Professional and Occupational Affairs (Acting Commissioner) proposes to amend § 43b.201 (relating to fees for services) and add Subchapter E (relating to consideration of criminal convictions) to read as set forth in Annex A.

Effective Date

The amendments will be effective upon notice or publication of the final-form rulemaking in the *Pennsylvania Bulletin*.

Statutory Authority

The Commissioner is required under 63 Pa.C.S. § 3117 (relating to list of criminal offenses) to promulgate regulations setting forth a schedule of criminal convictions that may constitute grounds to refuse to issue, suspend or revoke a license, certificate, registration or permit for each occupation or profession regulated by a licensing board or commission under their respective practice acts. The general rulemaking authority of the Department of State (Department) and the various departmental administrative boards and commissions is set forth in section 506 of The Administrative Code of 1929 (71 P.S. § 186). The Commissioner's authority to fix the fees to be charged by the several professional and occupational licensing boards within the Department and to coordinate the activities of the various boards and commissions is set forth in section 810(a)(7) and (8) of The Administrative Code of 1929 (71 P.S. § 279.1(a)(7) and (8)).

Background and Need for the Amendments

The act of July 1, 2020 (P.L. 545, No. 53) (Act 53 of 2020) set forth a new paradigm for the various professional and occupational licensing boards and commissions within the Bureau of Professional and Occupational Affairs (Bureau) in considering the impact of criminal convictions on a board or commission's decision whether to refuse to issue or renew, suspend, revoke or otherwise limit a license, certificate, registration or permit. The relevant provisions of Act 53 of 2020 are codified at 63 Pa.C.S. §§ 3112–3118. This proposed rulemaking is intended to provide transparency to applicants with criminal histories relating to the types of crimes that may be an impediment to licensure and the factors that the boards and commissions will consider in determining whether an applicant with a criminal conviction may be granted a license. This proposed rulemaking accomplishes these ends by promulgating schedules of criminal convictions that may constitute grounds to refuse to issue, suspend or revoke a license, certificate, registration or permit for each of the 29 professional and occupational licensing boards/commissions as required under 63 Pa.C.S. § 3117. As required under 63 Pa.C.S. § 3117, the Acting Commissioner consulted with each of the professional and occupational licensing boards, as well as representatives of the business community with knowledge of the respective professions and occupations in developing these schedules. A draft of the applicable schedule was released to each board or commission's list of interested parties and stakeholders with an invitation

to submit written comments to the Acting Commissioner or attend a public meeting of the relevant board or commission at which time the proposed schedule was discussed, or both. The Acting Commissioner or his designee attended each scheduled meeting.

The Acting Commissioner's proposed rulemaking also clarifies the effect of a particular crime being designated as "directly related" to a particular profession or occupation and the process by which the various boards and commissions will conduct the "individualized assessments" required under 63 Pa.C.S. § 3113 (relating to consideration of criminal convictions). This proposed rulemaking would also set forth a uniform fee for the processing of preliminary determinations under 63 Pa.C.S. § 3115 (relating to preliminary determinations by licensing boards and licensing commissions). Finally, this proposed rulemaking clarifies the standards for "restricted licenses" for barbers and cosmetologists as set forth in 63 Pa.C.S. § 3112 (relating to restricted licenses for barbers and cosmetologists).

The Acting Commissioner elected not to propose regulations implementing 63 Pa.C.S. § 3112.1 (relating to restricted licenses for other occupations) at this time. This provision would apply if a county correctional facility or the Department of Corrections offers training in an occupation, other than barbering and cosmetology, that requires the issuance of a license, certificate, registration or permit by a board or commission within the Bureau. Currently, there are no other applicable training programs. Should a program be implemented in the future, regulations relating to restricted licenses for the relevant occupation would be drafted with input from the applicable board or commission.

Description of the Proposed Amendments

The Acting Commissioner proposes to amend § 43b.201 to codify the \$45 fee provided in 63 Pa.C.S. § 3115(3). This fee is charged to each individual petitioning for a preliminary determination as to whether the individual's criminal history could be grounds for a particular board or commission to deny licensure. The Acting Commissioner and the boards/commissions have found this fee to be adequate to cover the average costs related to processing a petition for a preliminary determination.

The Acting Commissioner also proposes to add Subchapter E. First, the Acting Commissioner proposes to add § 43b.401 (relating to scope) to make it clear that this subchapter applies to all licensing boards and licensing commissions within the Bureau. Next, the Acting Commissioner proposes to add § 43b.402 (relating to definitions) to set forth definitions for terms utilized in the proposed regulations to aid in understanding. In this section, the terms "Bureau," "directly relates," "drug trafficking offense," "healing arts," "health care practitioner" and "preliminary determination" would be defined. The term "Bureau" is defined as set forth at 63 Pa.C.S. § 3102 (relating to definitions). The definition of the term "directly relates" in this proposed rulemaking is slightly different than defined in 63 Pa.C.S. § 3102. In 63 Pa.C.S. § 3102, the definition refers to the "profession, trade or occupation for which the individual seeks licensure." However, in this proposed rulemaking, the definition refers to "the profession or occupation for which the individual seeks a license, certificate, registration or permit." This change was necessary to make it clear that

the provisions of Act 53 of 2020 relating to the consideration of criminal convictions apply to licensing boards and commissions “in determining whether an individual qualifies for a license, certificate, registration or permit,” and not just for licenses. See 63 Pa.C.S. § 3113(a.1). In addition, the term “licensee” in 63 Pa.C.S. § 3102 is defined to include “a person holding a license, registration, certificate or permit with a licensing board or commission.” Thus, an individual seeking “licensure” (or to become a “licensee”) may be seeking a license, registration, certificate or permit.

The terms “drug trafficking offense,” “healing arts” and “health care practitioner” are defined in a manner consistent with the definitions set forth at 63 Pa.C.S. § 3113(i), with edits to either simplify the definition, provide a relevant cross-reference or aid clarity. The Acting Commissioner determined that a definition of the term “preliminary determination” would also aid clarity in that 63 Pa.C.S. § 3115 uses the terms “preliminary determination,” “preliminary review” and “preliminary decision” interchangeably.

Next, the Acting Commissioner proposes to add § 43b.403 (relating to preliminary determinations) to set forth the process to request a preliminary determination under 63 Pa.C.S. § 3115. A preliminary determination is an evaluation of an individual’s criminal history information submitted to a professional or occupational licensing board or commission to determine whether the individual’s criminal conviction or convictions would be an impediment to licensure. As set forth in 63 Pa.C.S. § 3115, the preliminary determination is limited to a declaration of whether a conviction on the petitioner’s criminal history record falls within the set of convictions that the licensing board or commission has previously determined may be directly related to the profession or occupation over which the licensing board or licensing commission has authority. Further, where appropriate, the notice will inform the petitioner that a sexual offense, crime of violence or drug trafficking offense may prevent licensure in accordance with 63 Pa.C.S. § 3113(d), (e) or (f).

To assist all 29 boards in implementing the requirements of 63 Pa.C.S. § 3115, an application for a preliminary determination has been added to the Pennsylvania Licensing System (PALS). In addition to the “Act 53 of 2020 Best Practices Guide” required by 63 Pa.C.S. § 3116 (relating to best practices guide), there is also a user guide available on the Bureau’s web site to assist individuals with submitting the preliminary determination application. The proposed regulations would require applicants to file this application and provide all relevant information relating to the individual’s criminal conviction or convictions for which a preliminary determination is sought.

Section 43b.403 also requires the payment of the preliminary determination application fee unless the applicant qualifies for a fee waiver by establishing in forma pauperis status as provided for at 63 Pa.C.S. § 3115(3) for those petitioners who are indigent or otherwise do not have the financial resources to pay the \$45 fee. To implement this provision, when a petitioner indicates that they are requesting a waiver of the fee due to inability to pay, the online preliminary determination application presents a series of questions relating to the petitioner’s financial status, including questions about sources of income, assets, expenses and liabilities, which are verified by the petitioner as true and correct, subject to penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities). When a petitioner demonstrates that the petitioner is without sufficient resources to pay the fee,

the fee will be waived, and the preliminary determination issued. If, however, the petitioner appears to have sufficient resources to pay the fee, the petitioner will be notified of the need to either pay the fee or present additional evidence in support of the petitioner’s claim of inability to pay. The licensing boards and licensing commissions will not unreasonably deny in forma pauperis status. Finally, as required by 63 Pa.C.S. § 3115(1), subsection (b) provides that the applicable licensing board or commission will issue the preliminary determination within 45 days of submission of the application.

The Acting Commissioner is also proposing to add § 43b.404 (relating to consideration of criminal convictions) to set forth and to clarify, where needed, the process that the licensing boards and commissions will follow in considering whether an individual with a criminal conviction qualifies for a license, certificate, permit or registration, consistent with 63 Pa.C.S. § 3113. Subsection (a) provides the general rule which requires a two-stage analysis of an applicant’s criminal conviction or convictions. During the first stage of the analysis, the licensing board or commission will determine whether the individual’s criminal conviction directly relates to the profession or occupation for which the individual seeks licensure by reviewing the applicable board’s schedule in proposed §§ 43b.423–43b.451, pertaining to schedules of criminal convictions. If the individual’s conviction is found to be directly related to the profession or occupation for which the individual is seeking a license, certificate, registration or permit, the board or commission will move to the second stage of the analysis. During the second stage of the analysis, the licensing board or commission will conduct an individualized assessment to determine whether licensure of the individual would pose a substantial risk to the health and safety of the individual’s patients or clients or the public or a substantial risk of further criminal convictions. The factors used in conducting the individualized assessment are set forth in paragraph (3) and are consistent with the factors set forth in 63 Pa.C.S. § 3113(c).

If, however, the individual’s criminal conviction is not found to be directly related to the relevant profession or occupation, the licensing board or commission next determines whether, due to the nature of the criminal conviction, licensure of the individual would pose a significant risk to the health and safety of the individual’s patients or clients or the public or a substantial risk of further criminal convictions. If so, the licensing board or commission will conduct the individualized assessment to determine whether the individual may be granted a license notwithstanding the criminal conviction. The individual may rebut the determination that licensure of the individual would pose a significant risk by showing evidence of rehabilitation using the factors set forth in paragraph (3).

Subsection (b) makes it clear that under 63 Pa.C.S. § 3113(d), the various health-related licensing boards are prohibited from issuing a license, certificate, permit or registration, or otherwise allowing an individual to practice as a health care practitioner if the individual has been convicted of a sexual offense. The term “sexual offense” is defined in 63 Pa.C.S. § 3113(i), however, to aid clarity, the Acting Commissioner proposes to provide a schedule of sexual offenses in § 43b.421 (relating to schedule of sexual offenses) which is based on that definition.

Subsection (c) sets forth the criteria for any licensing board or commission to grant a license, certificate, permit or registration to an individual convicted of a crime of

violence consistent with 63 Pa.C.S. § 3113(e), which precludes the issuance of a license to an individual convicted of a crime of violence for at least 3 years since release from incarceration, or if not subject to a period of confinement in a State or county correctional facility, at least 3 years since imposition of sentence. This subsection provides that a licensing board or commission may grant a license to an individual convicted of a crime of violence provided the individual has remained conviction-free during the relevant 3-year period, demonstrates significant rehabilitation since the criminal conviction, and the licensing board or commission determines by conducting an individualized assessment that the licensure of the individual does not pose a substantial risk to the health and safety of the individual's patients or clients or the public or a substantial risk of further criminal convictions. The definition of "crime of violence" provided by 63 Pa.C.S. § 3113(e) is that which is defined in 42 Pa.C.S. § 9714 (relating to sentences for second and subsequent offenses). To aid clarity to this proposed rulemaking, the Acting Commissioner proposes to provide a schedule of crimes of violence in proposed § 43b.422 (relating to schedule of crimes of violence).

In subsection (d), the Acting Commissioner clarifies the effect of 63 Pa.C.S. § 3113(f), pertaining to drug trafficking. Section 3113(f) of 63 Pa.C.S. provides that the provisions of the respective practice acts relating to felony drug convictions under The Controlled Substance, Drug, Device and Cosmetic Act (Drug Act) (35 P.S. §§ 780-101—780-144), or convictions for an offense under the laws of another jurisdiction which, if committed in this Commonwealth, would be a felony under the Drug Act, shall only apply to an individual who has been convicted of a "drug trafficking offense," as defined in 63 Pa.C.S. § 3113(i). The effect of this provision is to limit the provisions in the various practice acts that provide for a 10-year bar to licensure for individuals with felony Drug Act convictions to only those individuals convicted of offenses that are considered "drug trafficking offenses." This proposed rulemaking provides a cross reference to each licensing board's relevant statutory provision to assist applicants in determining whether this restriction may apply to a profession or occupation for which they are seeking or intend to seek licensure. The Acting Commissioner notes that some of the affected boards have determined that convictions for other violations of the Drug Act that are not considered "drug trafficking offenses" may still constitute grounds to refuse to issue, suspend or revoke a license, certificate, registration or permit and are included in the schedules of criminal offenses that are directly related to the applicable profession. These additional offenses are not subject to the 10-year bar and instead will be evaluated utilizing the two-stage analysis with consideration given to the factors in subsection (a)(3).

Next, the Acting Commissioner proposes to add § 43b.405 (relating to restricted licenses) to implement and clarify 63 Pa.C.S. § 3112 which permits the State Board of Barber Examiners and the State Board of Cosmetology (Boards) to issue restricted licenses as an alternative to refusing to issue, suspending, revoking or otherwise limiting a license as a result of a criminal conviction. This provision becomes especially relevant when an applicant for a barber or cosmetology license has been convicted of a crime of violence, and the Boards would normally be precluded from issuing a license for at least 3 years under 63 Pa.C.S. § 3113(e) and § 43b.404(c). Instead, the Boards are authorized to issue a restricted license to an applicant who meets certain

criteria set forth in § 43b.405(a)(1)—(4). The restricted license will be issued for a term of between 1 year and 2 years and will be subject to certain terms and conditions imposed by the applicable Board. The Acting Commissioner proposes to include in § 43b.405(a)(4) examples of the type of information an applicant may provide to demonstrate a commitment to living a law-abiding life as required by 63 Pa.C.S. § 3112(b)(4). Under 63 Pa.C.S. § 3112(c)(2), a Board may require the restricted license holder be "reasonably supervised" during business hours. In subsection (c)(3), the Acting Commissioner proposes to clarify that the term "reasonably supervised" means that the individual is subject to direct, on-premises supervision during regular business hours, excluding breaks. In addition, under 63 Pa.C.S. § 3112(c)(3), a Board may require that the restricted license holder notify the applicable Board of a change in supervisor "as soon as practicable." This proposed rulemaking clarifies that this notification shall be made within 10 business days to provide an objective and enforceable standard for timely notification of changes in supervision.

Subsection (d) sets forth the process for a restricted license holder to petition for termination of the period of restriction and the issuance of an unrestricted license. It clarifies that the restricted license holder must certify compliance with all conditions imposed by the applicable Board and that if a restricted license holder is subject to supervision, the restricted license holder's supervisor shall submit a letter to the applicable Board providing notice of whether the restricted license holder complied with all conditions imposed by that Board. Subsection (e) clarifies that a restricted license holder is subject to disciplinary action for violations of the applicable Board's statute or regulations and sets forth the process that is proposed to be used to implement 63 Pa.C.S. § 3112(d), pertaining to the immediate revocation of a restricted license if the restricted license holder is convicted of another offense or fails to comply with a condition imposed on the restricted license.

Finally, in addition to the schedule of sexual offenses in proposed § 43b.421 and the schedule of crimes of violence in proposed § 43b.422, the Acting Commissioner is proposing a schedule of criminal convictions that may constitute ground to refuse to issue, suspend or revoke a license, certificate, registration or permit for each of the 29 professional and occupational licensing boards and commissions in proposed §§ 43b.423—43b.451, as required by 63 Pa.C.S. § 3117. Each schedule indicates which offenses are those that the applicable licensing board or commission deems as directly related to the occupations or professions regulated by that board or commission, that is, those offenses where the nature of the criminal conduct for which the person was convicted has a direct bearing on the fitness or ability to perform one or more of the duties or responsibilities necessarily related to the profession or occupation for which the individual seeks a license, registration, certificate or permit.

Fiscal Impact and Paperwork Requirements

The only costs and additional paperwork associated with this proposed rulemaking are related to the application for a preliminary determination. The fee to apply for a preliminary determination is \$45. Individuals seeking a preliminary determination must file an application through PALS and pay the fee, or request in forma pauperis status by demonstrating that the individual is indigent or otherwise financially incapable of paying the fee. Based on data over the initial year since implementation, where 379 applications for preliminary determina-

tion were filed, the Acting Commissioner estimates these costs to be approximately \$17,055.

Sunset Date

The Acting Commissioner continuously monitors the effectiveness of the Commission's regulations. Therefore, no sunset date has been assigned.

§ 43b.403. Preliminary determinations.

(a) An individual who, based on a review of the "best practices guide" published on the Department's web site at www.dos.pa.gov and the schedules of criminal convictions at §§ 43b.421—43b.451 (relating to schedules of criminal convictions), is unable to determine whether the individual's criminal history would be grounds to deny the issuance of a license, certificate, permit or registration may request a preliminary determination by:

(1) Filing an application for a preliminary determination in the format and manner prescribed by the Commissioner.

(b) The applicable licensing board or commission will issue the preliminary determination within 45 days of submission of the application.

§ 43b.404. Consideration of criminal convictions.

(a) *General rule.* Except as provided in subsections (b), (c) or (d), when determining whether an individual with a criminal conviction qualifies for a license, certificate, permit or registration, a licensing board or commission within the Bureau will engage in a two-stage analysis of an applicant's criminal conviction, as follows:

(1) *First stage.* The applicable board or commission will determine whether the individual's criminal conviction directly relates to the profession or occupation for which the individual seeks licensure by reviewing the schedules in §§ 43b.421—43b.451 (relating to schedules of criminal convictions).

(2) *Second stage—individualized assessment.* The following apply:

(i) If the individual's criminal conviction is on the applicable board's or commission's schedule, the board or commission will then determine whether licensure of the individual would pose a substantial risk to the health and safety of the individual's patients or clients or the public or a substantial risk of further criminal convictions by conducting an individualized assessment using the factors set forth in paragraph (3). If the individual was convicted of a crime that is on the applicable schedule, there shall be a rebuttable presumption that licensure of the individual would pose a risk, which may be rebutted by the individual using the factors in paragraph (3).

(ii) If the individual's criminal conviction is not on the applicable board's or commission's schedule, the board or commission will then determine whether, due to the nature of the criminal conviction, licensure of the indi-

vidual would pose a substantial risk to the health and safety of the individual's patients or clients or the public or a substantial risk of further criminal convictions. If so, the board or commission will conduct an individualized assessment using the factors set forth in paragraph (3). The individual may rebut the determination by showing evidence of rehabilitation as specified in the factors in paragraph (3).

(3) *Assessment factors.* A board or commission within the Bureau will consider the following factors in determining whether an individual with a criminal conviction qualifies for issuance of a license, certificate, permit or registration:

(i) Whether the criminal conduct for which the individual was convicted involved an act or threat of harm against the individual, including harm to the victim, the personal property of the victim or the reputation of the victim.

(ii) The facts and circumstances surrounding the criminal conviction.

(iii) The number of criminal convictions.

(iv) An increase in age or maturity of the individual since the date of the criminal conviction.

(v) The individual's criminal history, or lack of criminal history, after the date of the conviction.

(vi) Evidence of successful completion of education and training activities, including those in a county correctional facility, a facility under the Department of Corrections or a comparable facility in another jurisdiction.

(vii) References from employers or others, including personnel of the county correctional facility, a facility under the Department of Corrections or a comparable facility in another jurisdiction.

(viii) Evidence of progress in personal rehabilitation since the conviction.

(ix) Whether the individual meets all other licensing qualifications of the applicable practice act, including any examination requirements.

(x) The individual's criminal history, or lack of criminal history, after the date of the criminal conviction while engaged in the same or similar profession or occupation.

(xi) Other relevant factors regarding the fitness of the individual for licensure.

(b) *Sexual offenses.* Under 63 Pa.C.S. § 3113(d) (relating to consideration of criminal convictions), a licensing board within the Bureau may not issue a license, certificate, permit or registration or otherwise allow an individual to practice as a health care practitioner if the individual has been convicted of a sexual offense as set forth in § 43b.421 (relating to schedule of sexual offenses).

(c) *Crimes of violence.* Under 63 Pa.C.S. § 3113(e), an individual convicted of a crime of violence set forth in § 43b.422 (relating to schedule of crimes of violence) may be granted a license, certificate, permit or registration by a licensing board or commission within the Bureau if all of the following apply:

(1) If the individual was incarcerated, at least 3 years have elapsed since release from incarceration. This 3-year period will be tolled for a violation of parole.

(2) If the individual is serving or has served a sentence other than a period of confinement in a State or country correctional facility, at least 3 years have elapsed since imposition of sentence.

(3) The individual has remained conviction-free during the relevant 3-year period specified in paragraph (1) or (2), as applicable.

(4) The individual demonstrates significant rehabilitation since the criminal conviction.

(5) The licensing board or commission determines, using the factors in subsection (a)(3), except (a)(3)(viii), that licensure of the individual does not pose a substantial risk to the health and safety of the individual's patients or clients or the public or a substantial risk of further criminal convictions.

(d) *Drug trafficking offenses.*

(1) The boards listed in paragraph (2) may not grant a license, certificate, permit or registration to an individual convicted of a drug trafficking offense unless:

(i) At least 10 years have elapsed from the date of conviction.

(ii) The individual satisfactorily demonstrates to the applicable board, utilizing the factors in subsection (a)(3), that the individual has made significant progress in personal rehabilitation since the conviction such that issuance of a license, certificate, permit or registration to the individual should not be expected to create a substantial risk to the health and safety of the individual's clients or patients or the public or a substantial risk of further criminal convictions.

(iii) The individual otherwise satisfies the qualifications for the license, certificate, permit or registration sought.

(2) This subsection applies to the following licensing boards within the Bureau:

§ 43b.405. Restricted licenses for barbers and cosmetologists.

(a) As an alternative to refusing to issue or renew, suspending, revoking or limiting a license to practice barbering or cosmetology of an applicant who has a criminal conviction that may be an impediment to licensure, the State Board of Barber Examiners and the State Board of Cosmetology may grant a restricted license to an applicant who demonstrates, to the relevant board's satisfaction, the following, as applicable:

(1) While incarcerated, the individual maintained a record of good behavior, including successful completion of any required rehabilitative programming offered by a county correctional facility or the Department of Corrections.

(b) A restricted license will be issued for a term of not less than 1 year and not more than 2 years, at the discretion of the applicable board.

(c) The order granting a restricted license will set forth the conditions imposed by the applicable board, which may include any of the following:

(1) A limitation on the scope of the restricted license holder's practice.

(2) A limitation on the location of the restricted license holder's practice.

(3) A requirement that the restricted license holder be subject to the direct, on-premises supervision of a licensed manager-barber or a licensee designated in charge of the barber shop or a licensed cosmetology teacher, salon owner or designated licensee in charge of the salon, as applicable, during regular business hours, excluding breaks. A restricted license holder who is subject to supervision under this paragraph shall notify the applicable board in writing within 10 business days of a change in supervisor.

(4) Other conditions that the applicable board deems appropriate.

(d) Within 30 days of the conclusion of the term of the restricted license, the restricted license holder shall petition for termination of the period of restriction and issuance of an unrestricted license and shall certify that the restricted license holder has complied with all conditions imposed by the applicable board under subsection (c). If subject to supervision under subsection (c)(3), the restricted license holder's supervisor shall submit, within 30 days of the conclusion of the term of the restricted license, a letter to the applicable board providing notice as to whether the restricted license holder complied with all conditions imposed by the applicable board. If the restricted license holder has more than one supervisor during the period of restriction, each supervisor shall submit a separate letter.

(e) A restricted license is subject to disciplinary action for violations of the applicable board's act or regulations.

(1) In addition, under 63 Pa.C.S. § 3112(d) (relating to restricted licenses for barbers and cosmetologists), a restricted license will be immediately revoked if any of the following occurs:

(i) The restricted license holder is convicted of an offense graded as a misdemeanor or felony in this Commonwealth or a similar or equivalent offense in another jurisdiction after the issuance of the restricted license.

(ii) The restricted license holder fails to comply with any of the conditions imposed by the applicable board under subsection (c).

(2) The restricted license holder will be afforded a post-deprivation hearing before the applicable board or a hearing examiner to challenge the revocation of the restricted license.

(f) As used in this section, "board" means the State Board of Barber Examiners or the State Board of Cosmetology.

DEPARTMENT OF EDUCATION

Title 34—LABOR AND INDUSTRY**DEPARTMENT OF LABOR AND INDUSTRY****[34 PA. CODE CH. 231]****Regulations for Minimum Wage**

The Department of Labor and Industry (Department) deletes the statement of policy set forth in § 231.101.

Statutory Authority

The Department deletes this statement of policy as set forth in Annex A under the authority granted by section 9 of the Minimum Wage Act of 1968 (act) (43 P.S. § 333.109), which authorizes the Secretary of the Department to enforce the act and to draft and revise regulations that are deemed appropriate to carry out the act's provisions.

Purpose

The Department is deleting the statement of policy found in § 231.101 because the Department promulgated a final-form rulemaking that addresses the same subjects. In particular, the statement of policy regarding tipped employees conflicts with the Department's final-form rulemaking regarding the amount an employee must earn before being considered a tipped employee. In addressing the Independent Regulatory Review Commission's comments to the final-form rulemaking published at 52 Pa.B. 2701 (May 7, 2022) (Regulation # 12-114), the Department asserted that it would be deleting the obsolete statement of policy at § 231.101 upon publication of the final-form rulemaking. The Department's final-form regulation was published with an effective date of August 5, 2022. Accordingly, this statement of policy is no longer necessary and is hereby deleted.

Description

Section 231.101(a) sets forth a graduating scale of the minimum wage that employers were required to pay to its employees and the effective date of these minimum wage increases. This statement of policy was an interpretation of subsection 4(a)(6)—(8) and (a.1) of the act (43 P.S. §§ 333.104(a)(6)—(8)) and (a.1).

Section 231.101(b) sets forth the minimum rate that employers were required to pay employees who customarily and regularly performed tipped duties. This statement of policy was an interpretation of section 3 of the act (43 P.S. § 333.103).

Fiscal Impact

The deletion of § 231.101 will have no fiscal impact on the Department, the Commonwealth and the general public.

Effective Date

The deletion of 34 Pa. Code § 231.101 is effective upon publication in the *Pennsylvania Bulletin*.

JENNIFER BERRIER,
Secretary

Fiscal Note: 12-118. No fiscal impact; (8) recommends adoption.

DEPARTMENT OF BANKING AND SECURITIES

Maximum Lawful Rate of Interest for Residential Mortgages for the Month of December 2022

The Department of Banking and Securities (Department), under the authority contained in section 301 of the act of January 30, 1974 (P.L. 13, No. 6) (41 P.S. § 301), determines that the maximum lawful rate of interest for residential mortgages for the month of December 2022, is 6 1/2%.

The interest rate limitations under the Commonwealth's usury statute were pre-empted to a great extent by Federal law, the Depository Institutions Deregulation and Monetary Control Act of 1980 (Pub.L. No. 96-221). Further pre-emption was instituted with the signing of Pub.L. No. 96-399, which overrode State interest rate limitations on any individual who finances the sale or exchange of residential real property which the individual owns and which the individual occupies or has occupied as his principal residence.

Each month the Department is required by State law to compute and announce the ceiling rate on residential mortgages in this Commonwealth. This maximum rate is determined by adding 2.50 percentage points to the yield rate on long-term government bonds as published by the Federal Reserve Board or the United States Treasury, or both. The latest yield rate on long-term government securities is 4.1 to which was added 2.50 percentage points for a total of 6.6 that by law is rounded off to the nearest quarter at 6 1/2%.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 1

Acknowledgment of Notice(s) of Intent to Remediate Submitted Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (Act) require the

Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent (NOI) to Remediate. An acknowledgment of the receipt of a NOI to Remediate is used to identify a site where an individual proposes to, or has been required to, respond to a release of a regulated substance at a site. Individuals intending to use the background standard, Statewide health standard, the site-specific standard, or who intend to remediate a site as a special industrial area, must file a NOI to Remediate with DEP. A NOI to Remediate filed with DEP provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site, and a description of the intended future use of the site. An individual who demonstrates attainment of one, or a combination of the cleanup standards, or who receives approval of a special industrial area remediation identified under the Act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by DEP. Furthermore, an individual shall not be subject to citizen suits or other contribution actions brought by responsible individuals not participating in the remediation.

Under Sections 304(n)(1)(ii) and 305(c)(2) of the Act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the NOI to Remediate is published in a newspaper of general circulation in the area of the site. For the following identified site(s), proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30-days of the following specified date. During this comment period the municipality may request that the following identified individual, as the remediator of the site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of the site.

For further information concerning plans or reports, please contact the Regional Office Program Manager previously listed in the notice.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

A 2021 subsurface investigation identified volatile organic compounds (VOCs; including chlorinated solvents) and metal impacts in soil and groundwater that may be attributed to historical fill soil present at the Site and the industrial operational history of the Site. Prior to 2003, the Site was used for industrial purposes that included manufacturing of glue guns, bulk applicators, skilnet adhesives; distribution of laundry chemicals, supplies, and equipment; servicing and testing laundry equipment; storage, sale, and delivery of detergents, soap, and solvents (including tetrachloroethylene [PCE]); and other operations potentially related to dry cleaning. The intended future use of the Site is industrial warehousing. The Notice of Intent to Remediate was published in *Pittsburgh Post-Gazette* on October 27, 2022. Application received: October 27, 2022.

SE Technologies, LLC, 500 Mosites Way, Pittsburgh, PA 15215 on behalf of Equitrans Midstream, 2200 Energy Drive, Canonsburg, PA 15317, submitted a Notice of Intent to Remediate. On September 13, 2022, SE Technologies, LLC (SET—Environmental Consultant) and Equitrans mobilized to the site to collect confirmatory soil samples. The well pad material was excavated from a 5 ft x 5 ft area to a depth of 27 inches to expose the surface of the underlying fine-grained soil. Eight confirmatory samples were collected from the bottom excavation surface from randomly selected locations for laboratory analysis of EG. Laboratory results of the soil samples showed that EG concentrations were below detection levels. Equitrans will seek Act 2 Liability Protection under the residential Statewide health standard for soil. Future use of the property will continue as a natural gas compressor station into the foreseeable future. The Notice of Intent to Remediate was published in *Observer-Reporter* on October 24, 2022. Application received: November 4, 2022.

Phase 1 and Phase 2 environmental assessments were completed to support a property sale. Soil, groundwater, and sub slab vapor samples were analyzed. Tetrachloroethene and naphthalene were detected in groundwater samples at concentrations greater than the nonresidential used aquifer standards. It is suspected that groundwater impacts are related to an off-property

source. The existing and planned future use of the property is warehousing-related. The Notice of Intent to Remediate was published in *Pittsburgh Post-Gazette* on October 20, 2022. Application received: October 13, 2022.

AIR QUALITY

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

The Department of Environmental Protection (DEP) has developed an integrated plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for DEP, the regulated community and the general public. This approach allows the owner or operator of a facility to submit permitting documents relevant to its application for all sources related to a facility or a proposed project, affords an opportunity for public input, and provides for a decision on the issuance of the necessary permits.

The DEP received applications for Plan Approvals or Operating Permits from the following facilities. Copies of the application, DEP's analysis, all pertinent documents used in the evaluation of the application and subsequently prepared proposed plan approvals/operating permits are available for public review during normal business hours at the appropriate DEP Regional Office. Appointments for scheduling a review must be made by calling the appropriate DEP Regional Office. The address and telephone number of the Regional Office is listed before the application notices.

Individuals wishing to file a written protest or provide comments or additional information, which they believe should be considered prior to the issuance of a permit, may submit the information to the DEP's Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments, protests

and information. Each submission must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Plan Approval/Operating Permit including the permit number and a concise statement regarding the relevancy of the information or objections to issuance of the permit.

Any individual wishing to request a hearing may do so during the 30-day comment period. A public hearing may be held, if DEP, in its discretion, decides that a hearing is warranted based on the information received. Persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper, the *Pennsylvania Bulletin* or by telephone, when DEP determines this type of notification is sufficient. Requests for a public hearing and any relevant information should be directed to the appropriate DEP Regional Office.

Permits issued to the owners or operators of sources subject to 25 Pa. Code Chapter 127, Subchapter D or E, or located within a Title V facility or subject to 25 Pa. Code § 129.51(a) or permits issued for sources with limitations on their potential to emit used to avoid otherwise applicable Federal requirements may be submitted to the United States Environmental Protection Agency for review and approval as a revision to the State Implementation Plan. Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the sources are constructed and operating in compliance with applicable requirements in the Air Pollution Control Act (35 P.S. §§ 4001—4015), 25 Pa. Code Chapters 121—145, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed National Pollutant Discharge Elimination System (NPDES) permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (DEP) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH must always be greater than 6.0; less than 9.0.			
Alkalinity must always be greater than acidity.			

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The limits for noncoal mining activities as provided in 25 Pa. Code § 77.522 are pH 6 to 9 and other parameters DEP may require.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

DEP Regional Permit Coordination Office (RPCO)—400 Market Street, Harrisburg, PA 17105. File Review Coordinator: 717-772-5987. Email: RA-EPREGIONALPERMIT@pa.gov.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act (35 P.S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to Administrative Agency Law).

The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717-787-3483. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board’s rules of practice and procedure may be obtained from the Board. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law. For individuals who wish to challenge an action, the appeal must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board. Individuals who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at 717-787-3483 for more information. The appeal form and the Board’s rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at 717-787-3483. Important legal rights are at stake, however, so individuals should contact a lawyer at once.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

For actions taken on applications for pipelines that are regulated by the Federal Energy Regulatory Commission (FERC).

Any person aggrieved by this action may challenge it in an appropriate legal forum. The State and Federal courts are currently split on whether the proper forum to challenge a Department permit, authorization or approval for a facility or activity subject to the Federal Natural Gas Act, 15 U.S.C.A. § 717 et seq., is the United States Court of Appeals for the Third Circuit or the Pennsylvania Environmental Hearing Board. PUBLIC WATER SUPPLY PERMITS

The Department has taken the following actions on applications received under the Pennsylvania Safe Drinking Water Act (35 P.S. §§ 721.1—721.17) for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717-787-3483. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at 717-787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board.

Individuals in need of accommodations should contact the Environmental Hearing Board through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at 717-787-3483 for more information.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 2

The Following Plans and Reports Were Submitted Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.301—6026.308) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and trans-

port analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, please contact the Regional Office Program Manager previously listed in the notice.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

UNDER ACT 2, 1995 PREAMBLE 3

The Department Has Taken Action on the Following Plans and Reports Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907).

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or non-residential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by the act for compliance with selection of a special industrial area remediation. The

baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The DEP may approve or disapprove plans and reports submitted. This notice provides DEP's decision and, if relevant, the basis for disapproval.

EROSION AND SEDIMENT CONTROL

The following parties have applied for Erosion and Sediment Control Permits for earth disturbance associated with oil and gas exploration, production, processing, or treatment operations or transmission facilities.

Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department proposes to issue a permit to discharge, subject to certain limitations in the permit

conditions. These proposed determinations are tentative. Limitations are provided as erosion and sediment control best management practices which restrict the rate and quantity of sediment discharged.

Applications Received Under Sections 5 and 402 of The Clean Streams Law (35 P.S. §§ 691.5 and 691.402).

Regional Permit Coordination Office: 400 Market Street, Harrisburg, PA 17101, Email: RA-EPREGIONAL PERMIT@pa.gov.

DEPARTMENT OF HEALTH

Laboratories Approved to Determine Analyses of Blood or Serum or Both for Controlled Substances under The Clinical Laboratory Act, the Vehicle Code, the Fish and Boat Code and the Game and Wildlife Code; Corrected Notice

This corrected notice replaces, in its entirety, the notice that was previously published at 52 Pa.B. 5580 (August 27, 2022).

The following laboratories are licensed by the Department of Health (Department) under The Clinical Laboratory Act (35 P.S. §§ 2151—2165) or section 353 of the Federal Clinical Laboratories Improvement Amendments of 1988 (42 U.S.C.A. § 263a), or both, and are currently approved by the Department under 28 Pa. Code § 5.50 (relating to approval to provide special analytical services) to perform analyses of blood or serum, or both, for the determination of controlled substances. This approval is contingent on demonstrated proficiency in periodic tests conducted by the Department's Bureau of Laboratories. These laboratories are also approved and designated for purposes of the Vehicle Code, 75 Pa.C.S. §§ 1547 and 3755(a) (relating to chemical testing to determine amount of alcohol or controlled substance; and reports by emergency room personnel), the Fish and Boat Code, 30 Pa.C.S. § 5125 (relating to chemical testing to determine amount of alcohol or controlled substance) and the Game and Wildlife Code, 34 Pa.C.S. § 2502 (relating to chemical test to determine amount of alcohol), as qualified to perform the types of services which will reflect the presence of controlled substances in blood or serum, or both.

Depending upon their capability and performance in proficiency surveys, laboratories are approved to perform screening or confirmatory analyses, or both, on blood or serum, or both. Screening analyses provide a presumptive indication that a controlled substance is present. Confirmatory testing is used to substantiate screening results.

Persons seeking forensic blood or serum analysis services, or both, from any of the listed laboratories should determine that the laboratory employs techniques and

procedures acceptable for medicolegal purposes. They should also determine that the director of the facility is agreeable to performing analyses for forensic purposes. Persons seeking blood or serum analyses, or both, are responsible for specifying the controlled substances for which testing is being sought. Persons seeking those analyses should first determine the purpose of the analyses, that is, whether they are for medical, legal or other purposes.

The Vehicle Code contains a provision at 75 Pa.C.S. § 1547(c)(3)(ii) that permits test results on blood or urine for alcohol or controlled substances to be introduced into evidence in legal proceedings in this Commonwealth if the laboratory is located in another state and is not licensed and approved by the Department to provide these services. This section states that the test results may be admissible into evidence at summary or criminal proceedings in which the defendant is charged with a violation of 75 Pa.C.S. § 3802 (relating to driving under influence of alcohol or controlled substance) if the laboratory that performed the test is licensed by the state in which the facility is located and licensed under the Clinical Laboratory Improvement Amendments of 1988, (Pub.L. No. 100-578). A similar provision appears in the Fish and Boat Code at 30 Pa.C.S. § 5125(c)(3)(ii).

The name or location of a laboratory, as well as the personnel and testing procedures, can change. When changes of this type occur, the clinical laboratory permit number does not change. If questions arise about the identity of a laboratory due to a name or location change, the clinical laboratory permit number should be used as the primary identifier. To assist in identifying a laboratory that performed a test, the clinical laboratory permit number of the facility at the time the list was prepared is included in the list of approved laboratories before the name of the laboratory.

The list of approved laboratories will be revised approximately semiannually and published in the *Pennsylvania Bulletin*. Questions regarding this list should be directed to Jennifer Okraska, Director, Division of Chemistry and Toxicology, Department of Health, Bureau of Laboratories, P.O. Box 500, Exton, PA 19341-0500, (610) 280-3464.

The symbols SB, SSe, CB and CSe indicate the following:

Laboratories Approved to Determine Blood Alcohol Content under The Clinical Laboratory Act, the Vehicle Code, the Fish and Boat Code and the Game and Wildlife Code; Corrected Notice

This corrected notice replaces, in its entirety, the notice that was previously published at 52 Pa.B. 5581 (August 27, 2022).

The following laboratories are licensed by the Department of Health (Department) under The Clinical Laboratory Act (35 P.S. §§ 2151—2165) and are currently approved by the Department under 28 Pa. Code §§ 5.50 and 5.103 (relating to approval to provide special analytical services; and blood tests for blood alcohol content) to perform alcohol analyses of blood, serum or plasma. This approval is contingent on demonstrated proficiency in periodic tests conducted by the Department's Bureau of Laboratories. These laboratories are also approved and designated under the provisions of the Vehicle Code, 75 Pa.C.S. §§ 1547 and 3755(a) (relating to chemical testing to determine amount of alcohol or controlled substance; and reports by emergency room personnel), the Fish and Boat Code, 30 Pa.C.S. § 5125 (relating to chemical testing to determine amount of alcohol or controlled substance) and the Game and Wildlife Code, 34 Pa.C.S. § 2502 (relating to chemical test to determine amount of alcohol) as qualified to perform the types of specialized services which will reflect the presence of alcohol in blood, serum or plasma.

The Vehicle Code at 75 Pa.C.S. § 1547(c)(3)(ii) also permits test results on blood or urine for alcohol or controlled substances to be introduced into evidence in certain legal proceedings in this Commonwealth if the laboratory is located in another state and is not licensed and approved by the Department to provide forensic blood, serum or plasma analysis services. This section states that the test results will be admissible into evidence at summary or criminal proceedings in which the defendant is charged with a violation of 75 Pa.C.S. § 3802 (relating to driving under influence of alcohol or controlled substance) or any other violation of the Vehicle Code arising out of the same action if the laboratory that performed the test is licensed to conduct the test by the state in which the facility is located and licensed under the Clinical Laboratory Improvement Amendments of 1988, (Pub.L. No. 100-578). A similar provision appears in the Fish and Boat Code at 30 Pa.C.S. § 5125(c)(3)(ii).

Since procedures for determining the alcohol content of serum and plasma are identical and results obtained from serum or plasma derived from a blood sample are the same, laboratories that demonstrate reliability in the determination of alcohol in serum are approved to analyze both serum and plasma for alcohol content.

Persons seeking forensic blood, serum or plasma analysis services from the following designated laboratories should determine that the laboratory employs techniques and procedures acceptable for forensic purposes and that the director of the facility is agreeable to performing determinations for this purpose.

The name or location of a laboratory, as well as the personnel and testing procedures, can change. When changes of this type occur, the clinical laboratory permit number does not change. If questions arise about the identity of a laboratory due to a name or location change, the clinical laboratory permit number should be used as the primary identifier. To assist in identifying a laboratory that performed a test, the clinical laboratory permit number of the facility at the time the list was prepared is included in the list of approved laboratories above the name of the laboratory.

The Department's blood alcohol and serum and plasma alcohol proficiency testing programs are approved by the United States Department of Health and Human Services in accordance with the requirements in section 353 of the Clinical Laboratory Improvement Amendments of 1988 (42 U.S.C.A. § 263a), and implementing regulations at 42

CFR 493.901 and 493.937 (relating to approval of proficiency testing programs; and toxicology), which are administered by the Centers for Medicare & Medicaid Services. Successful participation in the Department's proficiency testing program will satisfy the compliance requirements for both the Department and Centers for Medicare & Medicaid Services.

The list of approved laboratories will be revised approximately semiannually and published in the *Pennsylvania Bulletin*. Questions regarding this list should be directed to Jennifer Okraska, Director, Division of Chemistry and Toxicology, Department of Health, Bureau of Laboratories, P.O. Box 500, Exton, PA 19341-0500, (610) 280-3464.

The symbols S, B and SB indicate the following:

DEPARTMENT OF HUMAN SERVICES

Request for Public Comment on Office of Long-Term Living Heightened Scrutiny Sites

The Department of Human Services (Department) is making available for public review and comment the Office of Long-Term Living's (OLTL) proposed Home and Community-Based Services (HCBS) provider sites qualifying for heightened scrutiny under the requirements set in the Centers for Medicare & Medicaid Services (CMS) HCBS Rule (Rule) at 42 CFR 441.301(c)(6) (relating to contents of request for a waiver).

Background

As of January 16, 2014, CMS established requirements in 42 CFR 441.301 which detail acceptable qualities and characteristics of settings for Medicaid HCBS provided under 1915(c) waivers. On December 28, 2016, the OLTL issued Bulletin # 59-16-14, Home and Community-Based Settings Requirements, which provided guidance to HCBS providers on the requirements they must satisfy to receive payment for HCBS. Among other things, that bulletin included a list of specifically-excluded settings. The settings listed in 42 CFR 441.301(c)(5) specifically exclude the following settings as acceptable HCBS settings:

- (i) A nursing facility;
- (ii) An institution for mental diseases;
- (iii) An intermediate care facility for individuals with intellectual disabilities;
- (iv) A hospital; or
- (v) Other locations that have qualities of an institutional setting as determined by the Secretary of the Federal Department of Health and Human Services. In addition, 42 CFR 441.301(c)(5) further clarifies that any setting that is located in a building that is also a publicly

or privately operated facility that provides inpatient institutional treatment, or in a building on the grounds of, or immediately adjacent to, a public institution, or any other setting that has the effect of isolating individuals receiving Medicaid HCBS from the broader community of individuals not receiving Medicaid HCBS will be presumed to be a setting that has the qualities of an institution. The heightened scrutiny process is applicable to settings presumed to have the qualities of an institution and able to be approved by the Federal government for the provision of HCBS.

The OLTL identified enrolled congregate sites where HCBS is provided and conducted onsite assessments at these sites. Sites whose settings fell into the previously listed categories were evaluated and assisted to correct elements which were able to be corrected to be compliant with requirements of the Rule. Sites who have completed corrections or are currently working on corrections and remain in an unallowable setting are required to be submitted for heightened scrutiny. These sites are available for review and public comment at <https://www.dhs.pa.gov/Services/Assistance/Pages/HCBS-Statewide-Transition-Plan.aspx> or by contacting the Department of Human Services, Office of Long-Term Living at (717) 857-3280.

Further information on the Statewide Transition Plan for compliance with the Rule can be found at <https://www.dhs.pa.gov/Services/Assistance/Pages/HCBS-Statewide-Transition-Plan.aspx>.

Fiscal Impact

There is no fiscal impact associated with this notice.

Public Comment

Interested persons are invited to submit written comments regarding the proposed HCBS Rule provider sites to the Department of Human Services, Office of Long-Term Living, Bureau of Policy Development and Communications Management, Attention: Janice Bickel, P.O. Box 8025, Harrisburg, PA 17105-8025. Comments may also be submitted to the Department at RA-PWHCBSFinalRule@pa.gov. Comments received within 30 days of publication of this notice will be reviewed and considered.

DEPARTMENT OF HUMAN SERVICES

Request for Public Comment on Service Locations Requiring Heightened Scrutiny

The Department of Human Services (Department) is making available for public review and comment the Home and Community-Based Services (HCBS) provider service locations that the Office of Developmental Pro-

grams (ODP) has determined require heightened scrutiny to determine if the setting does not have the qualities of an institution.

Background

On January 16, 2014, the Centers for Medicare & Medicaid Services (CMS) promulgated the HCBS Rule, which established requirements for the qualities and characteristics of settings for Medicaid HCBS provided under a 1915(c) waiver. See 42 CFR 441.301 (relating to contents of request for a waiver). The following settings, which are listed in 42 CFR 441.301(c)(5), are not acceptable HCBS settings:

- (i) A nursing facility;
- (ii) An institution for mental diseases;
- (iii) An intermediate care facility for individuals with intellectual disabilities;
- (iv) A hospital; and
- (v) Other locations that have qualities of an institutional setting as determined by the Secretary of the Federal Department of Health and Human Services.

Section 441.301(c)(5)(v) provides that the following settings will be presumed to have the qualities of an institutional setting unless the Secretary determines through heightened scrutiny, based on information presented by the State or other parties, that the setting does not have the qualities of an institution and that the setting does have the qualities of home and community-based settings:

- A setting that is located in a building that is also a publicly or privately operated facility that provides inpatient institutional treatment,
- A setting in a building on the grounds of, or immediately adjacent to, a public institution, or
- Other settings that have the effect of isolating individuals receiving Medicaid HCBS from the broader community of individuals not receiving Medicaid HCBS.

To determine if a setting where Residential Habilitation, Life Sharing, Community Participation Support or Day Habilitation services are provided is presumed to have institutional characteristics which require a heightened scrutiny, the following was completed:

- ODP staff reviewed all provider self-assessments completed in 2018 to identify service locations that providers indicated had characteristics of an institutional setting.
- ODP staff utilized the following to analyze the service location:
 - Software that maps all provider-owned or provider-operated service locations receiving ODP waiver funding as well as public and private intermediate care facilities for individuals with an intellectual disability,
 - Information and maps available on the Internet,
 - Addresses of skilled nursing facilities, and
 - ODP staff knowledge of the service locations.

After determining which service locations may have institutional characteristics which require heightened scrutiny, ODP staff completed onsite reviews of these service locations in partnership with Temple University's Institute on Disabilities. ODP reviewed all information from the onsite reviews and determined whether the service location met all HCBS Rule requirements, will require remediation to meet all HCBS Rule require-

ments, or will not meet all HCBS Rule requirements. The tools used during the onsite reviews as well as the determinations for each service location, including a summary of how each service location has or will overcome the presumption that it is an institution, is available at <https://www.dhs.pa.gov/contact/DHS-Offices/Pages/ODP-HCBS%20Final%20Rule.aspx>.

A service location that has not overcome the presumption that it is an institution by March 17, 2023, will not be submitted to CMS for a heightened scrutiny review because services provided at the location will no longer be eligible for waiver funding. Providers that own or operate these service locations, as well as all individuals receiving ODP waiver services at these locations, will be notified that the services are no longer eligible for waiver funding. Individuals receiving services at these service locations will be offered an informed choice of alternate services, settings, service locations or providers that are compliant with the HCBS Rule.

Further information on the Statewide Transition Plan for compliance with the HBCS Rule is available at <https://www.dhs.pa.gov/Services/Assistance/Pages/HCBS-Statewide-Transition-Plan.aspx>.

Fiscal Impact

There is no fiscal impact associated with the identification of service locations that require heightened scrutiny.

Public Comment

Interested persons are invited to submit written comments regarding the proposed provider service locations requiring heightened scrutiny. Comments should be addressed to Julie Mochon, Department of Human Services, Office of Developmental Programs, 625 Forster Street, Room 510, Harrisburg, PA 17120. Comments may also be submitted to the Department at RA-PWHCBSFinalRule@pa.gov using subject header "ODP Heightened Scrutiny."

Comments received within 30 days of publication of this notice will be reviewed and considered in making a final determination as to whether a service location overcomes the presumption that it has institutional characteristics.

Persons with a disability who require an auxiliary aid or service may submit comments using the Pennsylvania Hamilton Relay Service by dialing 711 or by using one of the toll-free numbers: (800) 654-5984 (TDD users); (800) 654-5988 (voice users); (844) 308-9292 (Speech-to-Speech); or (844) 308-9291 (Spanish).

FISH AND BOAT COMMISSION

Classification of Wild Trout Streams; Proposed Additions and Revisions; January 2023

Under 58 Pa. Code § 57.11 (relating to listing of wild trout streams), it is the policy of the Fish and Boat Commission (Commission) to accurately identify and classify stream sections supporting naturally reproducing populations of trout as wild trout streams. The Commission's Fisheries Management Division maintains the list of wild trout streams. The Executive Director, with the approval of the Commission, will from time-to-time publish the list of wild trout streams in the *Pennsylvania Bulletin*. The listing of a stream section as a wild trout stream is a biological designation that does not determine how it is managed. The Commission relies upon many factors in determining the appropriate management of streams.

At the next Commission meeting on January 23 and 24, 2023, the Commission will consider changes to its list of wild trout streams. Specifically, the Commission will consider the addition of the following streams or portions of streams to the list:

<i>County of Mouth</i>	<i>Stream Name</i>	<i>Section Limits</i>	<i>Tributary to</i>	<i>Mouth Lat / Lon</i>
Clinton	Morris Run	Headwaters to Mouth	West Branch Susquehanna River	41.237439 77.916725

The Commission also will consider the following revisions to the section limits of streams on the list:

<i>County of Mouth</i>	<i>Stream Name</i>	<i>Current Limits</i>	<i>Revised Limits</i>	<i>Tributary to</i>	<i>Mouth Lat / Lon</i>
Bradford	Little Schrader Creek	Marsh Run to Mouth	Headwaters to Mouth	Schrader Creek	41.619720 76.667778

Luzerne	Little Shickshinny Creek	T-429 to Mouth	Headwaters to Mouth	Shickshinny Creek	41.153839 76.154442

Persons with comments, objections or suggestions concerning the classification of the streams listed may submit them in writing to the Executive Director, Fish and Boat Commission, P.O. Box 67000, Harrisburg, PA 17106-7000, within 30 days after publication of this notice in the *Pennsylvania Bulletin*. Comments submitted by facsimile will not be accepted.

Comments also may be submitted electronically by completing the form at www.fishandboat.com/regcomments. If an acknowledgment of electronic comments is not received by the sender within 2 working days, the comments should be retransmitted to ensure receipt. General Rule Transaction

A-2022-3036589 and A-2022-3036591. Electric Lightwave, LLC, d/b/a Allstream and Zayo Group, LLC. Joint application for approval of: (1) the pro forma consolidations of Electric Lightwave, LLC, d/b/a Allstream and its parent into Zayo Group, LLC; and (2) the cancellation of Electric Lightwave, LLC, d/b/a Allstream's certificate and tariff upon completion of the pro forma consolidations.

The joint application was filed as a pro forma transaction under 52 Pa. Code § 63.325(a) (relating to Commission approval of a pro forma transaction subject to 66 Pa.C.S. §§ 1102(a)(3) and 1103). However, the Pennsylvania Public Utility Commission (Commission) has determined that the intra-company change of ownership results in the transfer of 100% of the membership interests of Electric Lightwave, LLC, d/b/a Allstream into its parent company Zayo Group, LLC. Under the regulations at 52 Pa. Code § 63.324(a) (relating to Commission approval of a general rule transaction subject to 66 Pa.C.S. §§ 1102(a)(3) and 1103), a transaction that results in the

transfer of 20% or more of the assets or of the direct or indirect control of an applicant is a general rule transaction. The Commission therefore reclassifies the application as a general rule transaction per 52 Pa. Code § 63.325(b).

Formal protests and petitions to intervene must be filed in accordance with 52 Pa. Code (relating to public utilities) on or before December 5, 2022. Filings must be made with the Secretary of the Pennsylvania Public Utility Commission, 400 North Street, 2nd Floor, Harrisburg, PA 17120, with a copy served on the applicant.
