READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND THE PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published weekly. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. It is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations, Statewide court rules, and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, rescission, repeal or emergency action, must be published in the *Pennsylvania Bulletin*.

The following documents are published in the *Pennsylvania Bulletin*: Governor's Executive Orders; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or rescind regulations must first publish in the *Pennsylvania Bulletin* a Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. A Final Rulemaking must be published in the *Pennsylvania Bulletin* before the changes can take effect. If the agency wishes to adopt changes to the Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies, Statewide court rules and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes when they are adopted. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code* § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government.

How to Find Rules and Regulations

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacodeandbulletin.gov.

Source Notes give the history of regulations. To see if there have been recent changes not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm.

A quarterly List of *Pennsylvania Code* Sections Affected lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

The *Pennsylvania Bulletin* is available at www.pacodeandbulletin.gov.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires the Governor's Budget Office to prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions and authorities receiving money from the State Treasury. The fiscal note states whether the action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions. The fiscal note is required to be published in the *Pennsylvania Bulletin* at the same time as the change is advertised.

A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; and (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years. In item (8) the recommendation, if any, made by the Secretary of the Budget is published with the fiscal note. "No fiscal impact" means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended. See 4 Pa. Code Chapter 7, Subchapter R (relating to fiscal notes).

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish information except as provided by 1 Pa. Code § 3.44:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the [Legislative Reference] Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

THE COURTS

Title 231—RULES OF CIVIL PROCEDURE

PART II. ORPHANS' COURT RULES

[231 PA. CODE PART II]

Order Rescinding and Replacing Pennsylvania Orphans' Court Forms G-02, G-03, and G-05; No. 929 Supreme Court Rules Docket

Order

Per Curiam

And Now, this 16th day of December, 2022, upon the recommendation of the Orphans' Court Procedural Rules Committee; the proposal having been submitted without publication pursuant to Pa.R.J.A. 103(a)(3):

It is Ordered pursuant to Article V, Section 10 of the Constitution of Pennsylvania that Pennsylvania Orphans' Court Forms G-02, G-03, and G-05 are rescinded and replaced in the attached form. This Order shall be processed in accordance with Pa.R.J.A. 103(b) and shall be effective January 1, 2023.

ORPHANS' COURT PROCEDURAL RULES COMMITTEE ADOPTION REPORT

Rescission and Replacement of Pennsylvania Orphans' Court Forms G-02, G-03, and G-05

On December 16, 2022, the Supreme Court rescinded and replaced Pennsylvania Orphans' Court Forms G-02, G-03, and G-05 (guardianship annual reports and inventory). The Orphans' Court Procedural Rules Committee has prepared this Adoption Report describing the rule-making process as it relates to these form changes. An Adoption Report should not be confused with Comments to the rules. *See* Pa.R.J.A. 103, Comment. The statements contained herein are those of the Committee, not the Court.

By way of background, the Court previously approved a comprehensive rewrite of the procedural rules governing guardianship matters. *See* Order of June 1, 2018, Supreme Court Docket No. 772; Pa.R.O.C.P. 14.1—14.14, *inter alia*. Numerous forms, including guardianship reports, were adopted as part of the rewrite. With the rules and forms now in use for several years, the Guardianship Tracking System (“GTS”) Governance Committee identified ways in which the forms could be improved.¹ It shared proposed changes to Forms G-02, G-03, and G-05 with the Committee, which then made a recommendation to the Court. Changes from the prior version of the forms are as follows:

Report of Guardian of the Estate (Form G-02):

In Part I. (Introduction), Question 3, reasons for filing a Final Report were updated to reflect possible reasons for filing the Final Report.

In Part V. (Assets), Question 2, an instruction was added to assist the guardian in completing the Report accurately.

In Part V. (Assets), Question 4, a parenthetical was added to assist the guardian in completing the Report accurately.

(1) The Court shall appoint one or more persons as Custody Hearing Officers to: (1) conciliate custody cases filed with the Court; (2) recommend to the Court Interim Orders relating to partial custody or supervised physical custody of the child or children following a record hearing. Hearing officers shall not make a recommendation to the Court on matters relating to the award of primary physical custody, shared physical custody or legal custody of the child or children.

(2) At the conclusion of the conference, if an agreement relating to primary physical custody, shared physical custody or legal custody has not been reached, and the Court's calendar does not permit the scheduling of a prompt custody trial, then a brief Evidentiary Hearing shall then be scheduled promptly before a judge addressing the issues of physical custody and/or legal custody of the children. The Court shall then enter an Interim Order pending further Order of Court or trial on the merits in accordance with Pa.R.C.P.1915.4(b)(c) and (d).

All parties must file a Request for a Custody Trial within twenty (20) days of the date of the Interim Order issuing from the Evidentiary Hearing and serve a copy of same upon the judge's chambers and upon all parties. In the event no request is made for a Custody Trial by either party within twenty (20) days, then the Interim Order shall become a Final Order. Any other issues not related to primary physical custody, shared physical custody and/or legal custody, shall be addressed by a Custody Hearing Officer, if necessary.

In the event the Court's calendar allows for the prompt scheduling of a trial on the merits following a Conciliation Conference, then the scheduling of an Evidentiary Hearing shall not be necessary.

(3) All custody matters not specifically reserved to the Court shall be scheduled for a Conciliation Conference before the Custody Hearing Officer. All parties shall attend such conference. Failure of a party to appear at the conference, following service of the pleading, may result in the entry of an Order as non-contested.

(4) To facilitate the conciliation process and encourage settlement exchange between the parties and their respective counsel, settlement proposals shall not be admissible as evidence in Court. The Custody Hearing Officer may not be a witness for any party.

(5) More than one Conciliation Conference or Record Hearing may be scheduled by the Custody Hearing Officer.

(6) In the event that the parties are able to reach an agreement during the Conciliation Conference, the Custody Hearing Officer shall prepare and transmit the agreed upon Order to the Court for adoption.

(7) Counsel or self-represented parties may submit to the Court a signed stipulation and proposed Order within thirty (30) days of any scheduled Conciliation Conference. The executed stipulation must be witnessed by counsel or notarized for self-represented parties. Failure to submit a fully executed or notarized Stipulation and Order to the Court within thirty (30) days shall render the Stipulation null and void.

(8) At the conclusion of the Conciliation Conference, if an agreement relating to partial custody or supervised physical custody has not been reached, the parties shall be given notice of the date, time and place of a Record Hearing before a Custody Hearing Officer, which may be the same day, but in no event shall be more than forty-five (45) days from the date of the conference.

(b) Record Hearing

(1) The hearing shall be conducted by a Custody Hearing Officer who must be a lawyer, and a record shall be made of the testimony. A Hearing Officer who is a lawyer employed by, or under contract with, a judicial district or appointed by the court shall not practice law before a conference officer, hearing officer or any judge of the 11th judicial district.

(2) The Custody Hearing Officer shall receive evidence and hear argument. The hearing officer may recommend to the court that the parties and/or subject child or children submit to an examination and evaluation by experts pursuant to Rule 1915.8.

(3) Within ten (10) days of the conclusion of the hearing, the Custody Hearing Officer shall file with the court a report containing a recommendation with respect to the entry of an order of partial custody or supervised physical custody. The report may be in narrative form stating the reasons for the recommendation and shall include a proposed order, including a specific schedule for partial custody or supervised physical custody.

In the event the proposed Order is approved by the court, an Interim Order may be issued by the court adopting the Master's Report and Recommendation. The court shall serve the Interim Order together with Master's Report and Recommendation upon all parties.

(4) Within twenty (20) days after the date the Interim Order is mailed or received by the parties, whichever occurs first, any party may file exceptions to the Interim Order or any part thereof, to rulings on objections to evidence, to statements or findings of fact, to conclusions of law, or to any other matters occurring during the hearing. Each exception shall set forth a separate objection precisely and without discussion. Matters not covered by exceptions are deemed waived unless, prior to the entry of the final order, leave is granted to file exceptions raising those matters. If exceptions are filed, any other party may file exceptions within twenty (20) days of the date of service of the original exceptions. A brief in support of the Exceptions shall not be required.

(5) Exceptions filed to an Interim Order shall be served upon all opposing counsel or parties, as well as to familycourtmotions@luzernecounty.org.

(6) If no exceptions are filed within the twenty-day (20) period, then the Interim Order shall become a final Order.

(7) If exceptions are filed, the court shall hear argument on the exceptions within forty-five (45) days of the date that the last party filed exceptions, and enter an appropriate final order within fifteen (15) days of argument.

(c) *Service of Pleading Filed Six Months from the date of Court Order*

Service of a Pleading other than original process shall be made upon counsel of record except, if no pleading has been filed within six (6) months of the date of the last Order, any subsequent pleading shall be served on both opposing party and counsel of record.

(d) *Procedure for Scheduling of Trial*

In the event there is a request for trial by a party seeking primary physical custody, shared physical custody and/or legal custody of a child and/or relocation with a child, the party shall advise the hearing officer at the conciliation conference of the same who will then schedule the case for a pre-trial conference and a trial before a judge.

The pre-trial conference may be waived by agreement of counsel or self-represented parties who must advise the court of the waiver in writing within seven (7) days of the pre-trial conference date.

Rule 1915.13. Special Relief.

(a) Unless otherwise directed by the Court, a brief in support of the Petition for Special Relief shall not be required.

(b) A Petition for Special Relief is to be presented with a Rule to Show Cause for a hearing either in Motions Court or via e-mail to familycourtmotions@luzernecounty.org. Once a rule to show cause has been issued and a return date has been assigned, the moving party shall file the executed rule to show cause indicating the assigned return date, the underlying petition, a proposed order, and certificate of service with the Clerk of Judicial Records and shall, within three (3) days, serve a time-stamped copy of the aforementioned upon all opposing parties and deliver a copy to the chamber of the judge who is assigned to the case.

(c) Where the moving party is seeking immediate relief in addition to the issuance of the Rule to Show Cause and/or where the relief requested has the effect of a stay of proceedings pending the resolution of the matter subject to the Rule to Show Cause, a party seeking the same shall present the Rule to Show Cause along with the underlying petition and a proposed order to the Motions Court for consideration. When appropriate in the context of the proceedings, notice shall be given to all other parties.

RULES AND REGULATIONS

Title 58—RECREATION

FISH AND BOAT COMMISSION

[58 PA. CODE CHS. 51, 69, 91 AND 93]

Fishing; General Provisions

The Fish and Boat Commission (Commission) amends Chapters 51, 69, 91 and 93. The Commission is publishing this final-form rulemaking under the authority of 30 Pa.C.S. (relating to Fish and Boat Code) (code). The amendments update the Commission’s regulations pertaining to several categories of boat titles, licenses and permits.

A. Effective Date

This final-form rulemaking will go into effect on January 1, 2023.

B. Contact Person

For further information on this final-form rulemaking, contact Vienna Vasquez, Esq., P.O. Box 67000, Harrisburg, PA 17106-7000, (717) 705-7810. This final-form rulemaking is available on the Commission’s web site at www.fishandboat.com.

C. Statutory Authority

The amendments to §§ 51.61 and 69.19 (relating to permits required for disturbance of waterways or watersheds; and permit for the use of cast nets, throw nets or dip nets by sport anglers), and the addition of §§ 51.131, 91.8 and 93.120 (relating to service charge for uncollectible checks; and fees) are published under the statutory authority of section 322.1 of the code (relating to power to set fees).

D. Purpose and Background

The specific purpose and background of the amendments are described in more detail under the summary of changes.

E. Summary of Changes

The Commission has two legislatively authorized special funds, the Fish Fund and the Boat Fund. These funds receive money mainly from fishing license and permit fees, boat registration fees, fines and penalties, tax refunds of motorboat fuel and Federal funds paid for by anglers and boaters through the User Pays, User Benefits Model.

Commission staff regularly monitors the status and fiscal health of the Fish Fund and the Boat Fund to ensure that adequate funds are available to maintain and support programs designed to meet the expectations of anglers and other users of aquatic resources in this Commonwealth.

An adjustment to the fees for several categories of boat titles, licenses and permits are needed to cope with inflationary pressures, maintain and improve existing programs, address and meet anglers’ and boaters’ needs and bring the price of these items in line with the administrative cost associated with issuing them. Following public comment, the Commission decided to reduce the fee adjustment for several categories as reflected in the final column of the following table.

Fee levels for these items have not changed since the 1980s and 1990s and to maintain adequate funding to sustain these important programs, the Commission is seeking to adjust its fees for boat titles and the license and permit types shown in the following table:

<i>Title, License or Permit Type</i>	<i>Date Fee Established</i>	<i>Current Fee</i>	<i>Proposed Fee</i>	<i>Adjusted Fee Based on Public Input</i>
License for operator of passenger-carrying boat	10/16/80	\$5	\$50	\$25

F. *Paperwork*

This final-form rulemaking will not increase paperwork and will not create new paperwork requirements.

G. *Fiscal Impact*

This final-form rulemaking will have no adverse fiscal impact on the Commonwealth or its political subdivisions. This final-form rulemaking will increase fees for license and permit buyers as outlined in the summary of changes.

H. *Public Comments*

A notice of proposed rulemaking was published at 52 Pa.B. 3982 (July 16, 2022). The Commission received a total of four public comments regarding the proposed rulemaking. Three comments supported the proposed rulemaking and one comment opposed the proposed rulemaking. On July 25, 2022, the Commission held a public hearing on the proposed rulemaking. Title 58—RECREATION**FISH AND BOAT COMMISSION****[58 PA. CODE CH. 63]****Fishing; General Fishing Regulations**

The Fish and Boat Commission (Commission) amends Chapter 63 (relating to general fishing regulations). The Commission is publishing this final-form rulemaking under the authority of 30 Pa.C.S. (relating to Fish and Boat Code) (code). The amendment updates the Commission's regulations pertaining to the fees of fishing licenses, permits and boat registrations.

A. Effective Date

This final-form rulemaking will go into effect upon publication in the *Pennsylvania Bulletin*.

B. Contact Person

For further information on this final-form rulemaking, contact Vienna Vasquez, Esq., P.O. Box 67000, Harrisburg, PA 17106-7000, (717) 705-7810. This final-form rulemaking is available on the Commission's web site at www.fishandboat.com.

C. Statutory Authority

The addition of § 63.57 (relating to license, permit and issuing agent fees) is published under the statutory authority of section 322.1 of the code (relating to power to set fees).

D. Purpose and Background

The specific purpose and background of the addition is described in more detail under the summary of changes.

E. Summary of Changes

This Commonwealth's fishing and boating programs are paid for by anglers and boaters through the User Pays, User Benefits Model, primarily from the sale of fishing licenses, permits and boat registrations. Fee levels for these items have not changed since 2005.

The Commission has two legislatively authorized Special Funds, the Fish Fund and the Boat Fund. These Funds receive money mainly from fishing license and permit fees, boat registration fees, fines and penalties, tax refunds of motorboat fuel and Federal funds.

By far, the largest source of revenue for the Fish Fund is from fishing license and permit fees. Since Fiscal Year (FY) 2005, these fees accounted for more than 67% of Fish Fund revenues.

Over a 16-year period (2005 to 2021), fishing license and permit fee revenues have remained relatively flat at about \$25 million per year on average. While the revenue derived from license and permit fees paid by anglers has remained stagnant, costs have not. Annual Fish Fund expenditures have increased from \$34.5 million in FY 2005 to \$41.6 million in FY 2020.

The Commission regularly monitors the status and fiscal health of the Fish Fund to ensure that adequate funds are available to maintain and support programs designed to meet the expectations of anglers and other users of aquatic resources in this Commonwealth.

An adjustment to the fees for fishing licenses and permits is needed to cope with inflationary pressures, maintain and improve existing programs and address and meet anglers and boaters' desires for:

- Strategic and timely fisheries management to protect, conserve and enhance the aquatic resources of this Commonwealth.
- Critical infrastructure improvements and maintenance efforts for State fish hatcheries, hazardous dams, boat launch access areas and ramps and other Commission-owned facilities to improve and maintain fishing opportunities.
- Aquatic resource field and classroom education and angler information programs.
- Conservation law enforcement.

If new revenues are not in place for the 2023 license year, the Commission will not be able to maintain adequate levels of services to anglers in this Commonwealth, let alone respond to angler desires for expanded efforts in many program areas.

Without additional or new revenues in the Fish Fund, and as forecasted expenditures begin to further outpace existing revenues, the Commission may need to reduce program benefits to anglers.

To maintain adequate funding to sustain these important programs and invest in the future, the Commission is seeking a modest fee increase for all fishing license and permit categories as shown in the following table:

License Category	Fee		
	Current	Change	Proposed
Resident Annual	\$21	\$2.50	\$23.50
Nonresident Annual	\$51	\$4	\$55
Senior Resident Annual	\$10	\$1.25	\$11.25
Senior Resident Lifetime	\$50	\$25	\$75
3-Day Tourist	\$25	\$2.50	\$27.50
7-Day Tourist	\$33	\$2	\$35
1-Day Resident	\$10	\$1.25	\$11.25
1-Day Tourist	\$25	\$2.50	\$27.50
Trout Permit	\$8	\$2.50	\$10.50
Combination Trout/Lake Erie Permit	\$14	\$2.50	\$16.50

F. Paperwork

This final-form rulemaking will not increase paperwork and will not create new paperwork requirements.

G. Fiscal Impact

This final-form rulemaking will have no adverse fiscal impact on the Commonwealth or its political subdivisions. This final-form rulemaking will increase fees for license and permit buyers as outlined in the summary of changes.

H. Public Comments

A notice of proposed rulemaking was published at 52 Pa.B. 3984 (July 16, 2022). The Commission received a total of seven public comments regarding the proposed rulemaking. Six comments supported the proposed rulemaking and one comment opposed the proposed rulemaking. On July 25, 2022, the Commission held a public hearing on the proposed rulemaking. Three presenters provided testimony and all of the presenters supported the proposal.

Findings

The Commission finds that:

(1) Public notice of intention to adopt the amendment adopted by this order has been given under sections 201 and 202 of the act of July 31, 1968 (P.L. 769, No. 240) (45 P.S. §§ 1201 and 1202), referred to as the Commonwealth Documents Law, and the regulations promulgated thereunder, 1 Pa. Code §§ 7.1 and 7.2 (relating to notice of proposed rulemaking required; and adoption of regulations).

(2) A public comment period was provided and a total of seven comments were received. Six comments supported the proposal and one comment opposed the proposal. A public hearing was provided where three additional comments supporting the proposal were received.

(3) The adoption of the amendments of the Commission in the manner provided in this order is necessary and appropriate for administration and enforcement of the authorizing statutes.

Order

The Commission, acting under the authorizing statutes, orders that:

(A) The regulations of the Commission, 58 Pa. Code Chapter 63, are amended by adding § 63.57 to read as set forth in Annex A

(B) The Executive Director will submit this order and Annex A to the Office of Attorney General for approval as to legality and form as required by law.

(C) The Executive Director shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(D) This order shall take effect upon publication in the *Pennsylvania Bulletin*.

A 30-day public comment period applies to these applications and draft permits, except when a site-specific water quality criterion is used to establish effluent limitations, in which case a 45-day public comment period applies. The period for comment may be extended at the discretion of DEP for one additional 15-day period. Additional information, including links to draft permits and fact sheets that explain the basis for DEP’s tentative determinations may be reviewed by generating the “Applications Received with Comment Periods Report” on DEP’s website at www.dep.pa.gov/CWPublicNotice. Notification of 15-day extensions for comment will be provided in the “Applications Received with Comment Periods Report” (Comments column).

Section III provides notice of applications and draft individual permits for stormwater discharges associated with construction activities. Where indicated, DEP has made tentative determinations, based on preliminary review, to issue permits subject to proposed effluent limitations consisting of best management practices identified in the erosion and sediment control (E&S) plans and post-construction stormwater management (PCSM) plans submitted with the applications, as well as other terms and conditions based on the permit applications. A 30-day public comment period applies to these applications.

Applications, NOIs and draft permits, where applicable, may be reviewed at the DEP office that received the application or NOI. Members of the public are encouraged to use DEP’s website to obtain additional information as previously discussed.

Comments received within the appropriate comment periods for WQM and NPDES permit applications will be retained by DEP and considered in the final determinations regarding the applications. A comment submittal should include the name, address and telephone number of the writer and a concise statement to inform DEP of the exact basis of a comment and the relevant facts upon which it is based.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 1

Acknowledgment of Notice(s) of Intent to Remediate Submitted Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (Act) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent (NOI) to Remediate. An acknowledgment of the receipt of a NOI to Remediate is used to identify a site where an individual proposes to, or has been required to, respond to a release of a regulated substance at a site. Individuals intending to use the background standard, Statewide health standard, the site-specific standard, or who intend to remediate a site as a special industrial area, must file a NOI to Remediate with DEP. A NOI to Remediate filed with DEP provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site, and a description of the intended future use of the site. An

individual who demonstrates attainment of one, or a combination of the cleanup standards, or who receives approval of a special industrial area remediation identified under the Act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by DEP. Furthermore, an individual shall not be subject to citizen suits or other contribution actions brought by responsible individuals not participating in the remediation.

Under Sections 304(n)(1)(ii) and 305(c)(2) of the Act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the NOI to Remediate is published in a newspaper of general circulation in the area of the site. For the site(s) identified as follows, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30-days of the date specified as follows. During this comment period the municipality may request that the individual identified as follows, as the remediator of the site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of the site.

For further information concerning plans or reports, please contact the Regional Office Program Manager previously listed in the notice.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Soil samples collected during a Phase II ESAs and subsequent Initial Site Characterization identified soil impacted by arsenic. The identified impact is presumed to be associated with historical use of arsenic-based herbicides and pesticides. The planned future use of the property is warehousing. The Notice of Intent to Remediate was published in *the Pittsburgh Post-Gazette* on December 1, 2022. Application received: December 9, 2022.

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

The Department of Environmental Protection (DEP) has developed an integrated plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for DEP, the regulated community and the general public. This approach allows the owner or operator of a facility to submit permitting documents relevant to its application for all sources related to a facility or a proposed project, affords an opportunity for public input, and provides for a decision on the issuance of the necessary permits.

The DEP received applications for Plan Approvals or Operating Permits from the following facilities. Copies of the application, DEP's analysis, all pertinent documents used in the evaluation of the application and subsequently prepared proposed plan approvals/Operating Permits are available for public review during normal business hours at the appropriate DEP Regional Office. Appointments for scheduling a review must be made by calling the appropriate DEP Regional Office. The address and telephone number of the Regional Office is listed before the application notices.

Individuals wishing to file a written protest or provide comments or additional information, which they believe should be considered prior to the issuance of a permit, may submit the information to the DEP's Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments, protests and information. PA-63-01027A: McKees Rocks Industrial Enterprises Inc., 149 Nichol Avenue, McKees Rocks, PA 15136, Allenport Borough, **Washington County**. In accordance with 25 Pa. Code §§ 127.44 and 127.45, the Pennsylvania Department of Environmental Protection (DEP) is providing notice that it intends to issue an Air Quality Plan Approval (PA-63-01027A) to McKees Rocks Industrial Enterprises Inc. ("MRIE") to authorize the installation and operation of a sand transloading facility located in Mon River Industrial Park located in Allenport Borough, Washington County. The frac sand will be received via barge or railcar and will be loaded onto dump trucks with an excavator or by a conveyor. The dump trucks will be offloaded in a nearby indoor facility where it will be separated into three grades of frac sand. Three (3) grades of sand are typically include 30/50, 40/70 and 100 mesh silica sand or ground silica. Each grade of frac sand is required to be kept dry in a separate pile. The facility will distribute the different grade of frac sand to various customers according to their demand. MRIE's emission estimate is based on an annual transfer throughput of 876,000 tons of frac sand. Most of the time sand will be received via barges; however, the railcar unloading operations will be used as an alternative scenario. The facility-wide emissions (from barge operations) are PM = 16.0 tpy, PM₁₀ = 4.0 tpy, SO_x = 0.10 tpy, NO_x = 7.0 tpy, VOC = 3.50 tpy, CO = 29.0 tpy, and HAPs = 0.10 tpy. This authorization is subject to the best available technology (BAT) and the State regulations including 25 Pa. Code Chapters 123 and 127. Plan approval conditions may include emission limits, operational restrictions, monitoring requirements, work practice standards, associated recordkeeping, and reporting requirements. Once compliance with the Plan Approval is demonstrated to the Department, the appli-

cant will be required to apply for State Only Operating Permit (SOOP), application in accordance with 25 Pa. Code, Subchapter F. Plan Approval application, the Department's Air Quality Review Memorandum, and the Air Quality draft Plan Approval for this project are available for review by any interested party at the Pennsylvania Department of Environmental Protection, Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. To request a review of the Plan Approval Application, to receive an electronic copy of the Department's Air Quality Review Memorandum, or to receive an electronic copy of the Department's proposed Air Quality Plan Approval for this project, a person may contact Jesse S. The Department intends to issue the renewal of the Title V Operating Permit to operate a facility that manufactures truck and bus bodies made of fiberglass reinforced plastics. The sources at the facility include a gel coating booth, resin application booths, surface coating booths, a curing oven, and a parts washer. The facility is a Title V facility because its styrene emission from gel coating and resin application activities exceeds the 10-TPY major source threshold for single HAP. Sources for gel coating and resin application are subject to National Emission Standards for Hazardous Air Pollutants (NESHAP) for reinforced plastic composite production (40 CFR 63, Subpart WWWW). The sources for surface coating are subject to VOC content limits and requirements of 25 Pa. Code § 129.52d, which pertains to control of VOC emissions from surface coating of several materials that include miscellaneous plastic parts. The facility is not major for VOC because of the facility-wide VOC limit of 35.0 TPY in any consecutive 12-month period. The facility is not major for NO_x, CO, SO_x, or PM₁₀/PM_{2.5} emissions.

The permit is comprised of sources from Ellwood National Forge (ENF), Ellwood National Steel (ENS), and Ellwood National Crankshaft (ENC). The combined facility manufactures iron and steel forging products. The facility's major emission sources include natural gas boilers, natural gas space heaters, Vacuum Oxygen Decarburization (VOD), a 45-ton Electric Arc Furnace (EAF), ENS annealing furnaces, ENF heat treat furnaces, ENC heat treat furnaces, crankshaft file and grind process, vacuum degasser, teeming, scrap handling, slag handling, vehicle travel, crankshaft degreasing, ladle furnace, Safety-Kleen degreaser units, pipe mold cleaning machine, nitride furnaces, 9 natural gas fueled emergency generator engines, and 1 diesel fueled fire pump engine. The potential emissions of the pollutants from the facility are 94.6 tons per year (tpy) NO_x, 496 tpy CO, 42 tpy SO_x, 34 tpy VOC, 50 tpy PM₁₀, and 9.98 tpy NH₃. The facility is major for CO emissions. Actual 2021 emissions from the facility were: 27.7 tons NO_x, 141 tons CO, 1.5 tons SO_x, 6.3 tons VOC, 5.0 tons PM-10, and 1.2 tons NH₃. The facility is subject to the Title V Operating Permit requirements adopted in 25 Pa. Code Chapter 127, Subchapter G. The facility is also subject to the Compliance Assurance Monitoring Rule (CAM) found in 40 CFR Part 64. Appropriate permit conditions to address the applicable CAM requirements have been included in the permit. The facility is subject to the following Standards of Performance from 40 CFR Part 60: Subpart Dc for Small Industrial-Commercial-Institutional Steam Generating Units, Subpart AAa for the EAF, and Subpart JJJJ for 6 emergency engines. The facility is also subject to the following National Emissions Standards for Hazardous Air Pollutants of 40 CFR Part 63: Subpart ZZZZ for 3 of the emergency engines and Subpart YYYYYY for EAF Steelmaking Facilities. OP21-000039, Ryder Truck Rental, Inc., 9751 Blue Grass Road, Philadelphia, PA 19114, City of Philadelphia, **Philadelphia County**. Application received: July 12, 2021. The City of Philadelphia, Air Management Services (AMS) intends to issue an initial Natural Minor Operating Permit (NMOP) for the operation of a truck rental and leasing facility. The facility was previously a Synthetic Minor facility and Synthetic Minor Operating Permit (SMOP) was last issued on January 11, 2017. At this time, the facility's potential emissions for Volatile Organic Compound (VOC), combined Hazardous Air Pollutant (HAP) is less than 25 tons per year, and for individual HAP is less than 10 tons per year; therefore, the facility qualifies for a NMOP. The facility's major emission sources include: one 0.3 MMBtu/hr natural gas-fired warm air furnace and one paint spray booth with one paint booth filter. The main emissions from this facility are a VOC and HAP from the paint spray booth facility. The warm air furnace is subject to AMR II Sec. V.2, AMR VIII, and 25 Pa. Code § 123.41. The paint spray booth is subject to VOC Emission limits of AMR Sec. VII, 25 Pa. Code § 129.75, and 40 CFR 63 Subpart HHHHHH. The initial NMOP will contain monitoring, recordkeeping, reporting and work practice standards to keep the facility operating within all applicable air quality requirements. The Operating Permit will be is-

sued under the Pennsylvania Code Title 25, Philadelphia Code Title 3 and Air Management Regulation XIII. Permit copies and other supporting information are available for public inspection at AMS, 321 University Avenue, Philadelphia, PA 19104. For further information, contact Edward Wiener at Edward.Wiener@phila.gov. Persons wishing to file protest, comments, or request a public hearing on the previous Operating Permit must submit the protest, comments, or request for public hearing within 30 days from the date of this notice. Any protests or comments filed with AMS must include a concise statement of the objections to the permit issuance and the relevant facts.

23-00066, PyroPure, d/b/a Pyromet, 5 Commerce Drive, Aston, PA 19014, Chester Township, **Delaware County**. Application received: April 25, 2022. PyroPure dba Pyromet operates a silver recovery and refining facility; silver metal is recovered from raw materials such as photographic and x-ray films, electronics scrap, and other silver-plating industries (SIC Code 3341—Secondary Smelting and Refining of Nonferrous Metals; NAICS Code 331492—Secondary Smelting, Refining, and Applying of Nonferrous Metal (except Copper and Aluminum)). With this renewal permit, the permit type has changed from natural minor to synthetic minor. Facility-wide total potential to emit for particulate matter is less than major source thresholds after the use of add-on control devices (baghouses); therefore, the facility is classified as a synthetic minor. There are no new sources and no new applicable regulations included in the renewal permit at this time. Anyone wishing to request information regarding this action can do so by contacting the Southeast Regional Office through the contact person listed in the previously listed header. Comments on the draft permit can be submitted through the Air Quality resource account at RA-EPSEROAQPUBCOM@pa.gov.

This notice provides information about applications for a new, amended or renewed National Pollutant Discharge Elimination System (NPDES) permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (DEP) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH must always be greater than 6.0; less than 9.0			
Alkalinity must always be greater than acidity			

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The limits for noncoal mining activities as provided in 25 Pa. Code § 77.522 are pH 6 to 9 and other parameters DEP may require.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

Plan Location:

Municipality	Address	County
West Mahoning Township	190 Pennsylvania Avenue	Schuylkill County
Frackville Borough	Shenandoah, PA 17976	

Plan Description:

Frackville Area Municipal Authority—Firemans Road Pump Station Elimination, 2-54968149-3m. This project includes the installation of a new gravity sanitary sewer main that will eliminate Firemans Road Pump Station and associated force main. The existing pump station currently collects flow from sixty-four residential and commercial connections located upstream of the Frackville Area Municipal Authority's (Authority) pump station on Firemans Road in West Mahanoy Township. The proposed gravity, sanitary sewer main will convey flow upstream of the Authority's pump station at Manhole 23 to the Authority's existing collection system located on Starter Drive. The elimination of the Authority's existing pump station will also require the construction of a new, low-pressure collection system to serve two properties located south of Manhole 23 on Firemans Road. The Authority will supply the two properties with new grinder pumps and their associated low-pressure laterals. The wastewater generated from this project will be treated at the Authority's existing wastewater treatment facility. The Plan is approved. Implementation of the Plan will require a Water Quality Management (Part II) Permit for the construction and operation of the proposed sewage facilities. The permit application must be submitted in the name of the Authority.

Plan Location:

Municipality	Address	County
North Union Township	P.O. Box 657	Schuylkill County
East Union Township	Nuremberg, PA 18248	

Plan Description:

Cove Village Community Act 537 Planning, 2-54943037-3. The existing sanitary sewer collection system serving Cove Village Community is owned and

operated by Aqua Pennsylvania Wastewater, Inc. The existing sanitary system is reaching the end-of-useful-life and consequently requires an upgrade and rehabilitation. The proposed project includes the removal of one pump station and upgrades to the remaining four pump stations. The pump station to be removed is an intermediate pump station which does not receive any additional flow from any source other than the pump station located upstream of it. The upgrades to the remaining four pump stations in the system include new wet wells, pumps, valve vaults, process piping/fittings, valves, and flow metering. The new pump stations will be constructed adjacent to the existing pump stations and the existing pump stations will be demolished upon completion of the proposed pump stations. The section of the force main and gravity sewer system, between the pump stations upstream and downstream of the pump station to be removed, will be replaced with a continuous force main. This force main will be about 1,800 linear feet in length and follow a route similar to the existing force main and gravity sewer system. This plan revision is approved. Implementation of this Plan will require a Water Quality Management (Part II) Permit for the construction and operation of the proposed sewage facilities. The permit application must be submitted in the name of Aqua Pennsylvania Wastewater, Inc. Other DEP permits may be required for construction of encroachment to streams or wetlands will result.

Plan Location:

<i>Municipality</i>	<i>Address</i>	<i>County</i>
Blythe Township	P.O. Box 91 Cumbola, PA 17930	Schuylkill County

Plan Description:

Act 537 Sewage Facilities Plan Update—Blythe Township. The proposal is located in Blythe Township and consists of the construction of a pump station and force main. The force main will provide for the connection of the Blythe Recycling and Demolition Site (BRADS) Landfill to the existing Schuylkill Valley Sewer Authority (SVSA) sewer system. The proposed pump station and force main will transport both domestic and industrial waste (landfill leachate) from the BRADS Landfill Site to the SVSA sewer system tie-in point. The proposed force main will run through three privately-owned properties between the BRADS landfill site and Manhole 328 in the existing SVSA sewer system near the Village of Silver Creek in Blythe Township. Wastewater treatment will be provided at the SVSA Wastewater Treatment Facility, located in Cumbola, PA, with ultimate discharge to the Schuylkill River. The plan revision is approved. Implementation of the plan will require a Water Quality Management (Part II) permit for the construction and operation of the proposed sewage facilities. The permit application must be submitted in the name of the municipality or authority, as appropriate.

Plan Location:

<i>Municipality</i>	<i>Address</i>	<i>County</i>
Northampton Borough Allen Township	1401 Laubach Avenue Northampton, PA 18067	North- ampton County

Plan Description:

Joint Act 537 Plan for Northampton Borough and Allen Township, Northampton County. The proposal is located

in Northampton Borough (Borough) and Allen Township (Township). The Plan consists of separate alternatives for the Borough and the Township. The Borough will renovate two pump stations, reduce inflow and infiltration throughout the existing sanitary sewer system, and renovate, upgrade, and expand the existing wastewater treatment plant from 1.50 MGD to 2.00 MGD on an annual average flow basis. The Township will be allocated an additional 320 equivalent dwelling units (EDUs) of wastewater flow in the Borough's treatment plant to use for existing and future development in the Township. The Township will also implement an on-lot sewage management program. The Township will also negotiate with Catasaqua Borough to develop an intermunicipal agreement for the conveyance and treatment of wastewater flow from future developments. The current user rates are not expected to change as the projects in the Borough will be financed through a bond and the projects in the Township will be financed through the purchase of the EDU allocation by developers and remitted to the Borough. The plan revision is approved. Implementation of this plan will require an NPDES (Part I) permit for the proposed increase in the Borough's treated effluent discharge and Water Quality Management (Part II) permit for the construction and operation of the proposed sewage facilities. The permit applications must be submitted in the name of the municipality or authority, as appropriate.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

**UNDER ACT 2, 1995
PREAMBLE 2**

The Following Plans and Reports Were Submitted Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.301—6026.308) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, please contact the Regional Office Program Manager previously listed in the notice.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 3

The Department Has Taken Action on the Following Plans and Reports Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907).

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or non-residential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A reme-

dial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The DEP may approve or disapprove plans and reports submitted. This notice provides DEP's decision and, if relevant, the basis for disapproval.

For further information concerning plans or reports, please contact the Regional Office Program Manager previously listed in the notice.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

To remove historic fill to create a naturalized stormwater detention/slow release system, as well as the construction of two (2) subsurface stormwater detention/slow release systems to provide ecological and stormwater restoration which receives approximately 60 acres of

runoff. Impacts to regulated resources include two (2) temporary wetland crossings (W001, PFO) resulting in 340 square feet (0.008 acre) of temporary wetland impact due to access to construct the stormwater management facilities, 220 square feet (0.005 acre) of permanent wetland impact due to the construction and maintenance of an outfall structure to facilitate discharge from constructed stormwater facilities, and an additional 504 square feet (0.012 acre) of permanent wetland impact due to grading. This activity also includes the construction and maintenance of a 24-inch outfall to an unnamed tributary of Little Darby Creek (CWF, MF) to facilitate discharge of stormwater from a subsurface basin and is considered a waived activity.

This project is located within West Wayne Preserve and Friends of Radnor Trail Park in Radnor Township, Delaware County (USGS PA Valley Forge Quadrangle—Latitude: 40.041549 N, Longitude: 75.397514 W).

DEPARTMENT OF HEALTH

Childhood Blood Lead Test Act

The act of November 3, 2022 (P.L. 2135, No. 150), known as the Childhood Blood Lead Test Act (act), was signed into law on November 3, 2022. The act takes effect on January 2, 2023. The act provides for blood lead assessment and testing of certain children and pregnant women by health care providers; imposes duties on the Department of Health (Department); and requires certain health insurance policies to cover blood lead tests. The purposes of the act are to substantially reduce and eventually eliminate the incidence of childhood lead poisoning in this Commonwealth, to improve public awareness of lead safety issues in housing, to educate property owners and tenants about practices that can reduce the incidences of lead poisoning and to encourage testing of all children in this Commonwealth by 2 years of age so that prompt diagnosis and treatment, as well as prevention of harm, are possible.

The act provides that a health care provider will consider possible lead exposure in patients, including pregnant woman, by evaluating risk factors for lead exposures and perform blood lead testing in accordance with recommendations from the Centers for Disease Control and Prevention (CDC) and American Academy of Pediatrics (AAP) for children 24 months of age or under and the CDC and American College of Obstetricians and Gynecologists (ACOG) guidelines for pregnant women. If a patient has never been tested in accordance with the recommendations from the CDC and the AAP guidelines by 24 months of age, a health care provider will consider possible lead exposure and perform blood lead testing in an individual patient between 24 months of age and 72 months of age. A health care provider will make reasonable efforts to ensure that a patient’s parent or legal guardian understands the risks and benefits of blood lead testing prior to obtaining consent. If a patient’s parent or legal guardian consents to blood lead testing for the patient and the results of a capillary blood lead test indicate an elevated blood lead level, the health care provider will perform confirmatory blood lead test by venipuncture within 12 weeks of the first blood lead test after obtaining consent from the patient’s parent or legal guardian.

A health insurance policy or government program will provide to covered individuals or recipients blood lead tests as identified in accordance with recommendations from the CDC, AAP and ACOG.

DEPARTMENT OF HUMAN SERVICES

Coverage and Prohibition of Copayments for COVID-19 Vaccines, Vaccine Administration, Testing and Treatments

The Department of Human Services (Department) announces that, consistent with the American Rescue Plan Act of 2021 (ARP) (Pub.L. No. 117-2), the Medical Assistance (MA) Program is covering COVID-19 vaccines, vaccine administration, testing and COVID-19-related treatments, including specialized equipment and therapies with no copayment.

Background

The Centers for Medicare & Medicaid Services (CMS), in response to the novel coronavirus (COVID-19) public health emergency (PHE), advised states that they could suspend cost sharing for Medicaid services related to COVID-19 testing and treatment. Section 6004 of the Families First Coronavirus Response Act (FFCRA) of 2020 (Pub.L. No. 116-127) as amended by section 3717 of the Coronavirus Aid, Relief and Economic Security (CARES) Act, required states to provide Medicaid coverage with no cost sharing for COVID-19 diagnostic and testing services. Section 6008 of the CARES Act also provided for an enhanced Federal medical assistance percentage for states that met specified conditions, including covering without imposition of cost sharing, testing services and treatments, including vaccines, specialized equipment and therapies.

In response, the Department submitted a Disaster State Plan Amendment to CMS seeking to suspend cost sharing during the PHE. The Department issued communications, including MA bulletins, notifying providers and beneficiaries that it was covering COVID-19 vaccines, vaccine administration, testing and COVID-19-related treatments, including specialized equipment and therapies, with no copayments. See MA Bulletin 99-20-05 entitled, "COVID-19 Testing and Related Treatment Exempt from MA Copayment Requirements," issued on May 1, 2020.

Section 9811 of the ARP added a new mandatory Medicaid benefit in section 1905(a)(4)(E) of the Social Security Act (act) (42 U.S.C.A. § 1396d(a)(4)(E)). Under this provision, beginning March 11, 2021, State Medicaid programs were required to cover COVID-19 vaccines and vaccine administration. Section 9811 also required State Medicaid programs to cover COVID-19 testing and treatment, including specialized equipment and therapies (including preventive therapies, both pharmacological and non-pharmacological). CMS has interpreted these provisions as requiring states to cover the treatment of a condition that may seriously complicate the treatment of COVID-19, if that treatment is otherwise covered under the Medicaid State Plan, for individuals who are diagnosed with or presumed to have COVID-19 during the period the individual has or is presumed to have COVID-19, and for treatments and therapies for post-COVID conditions, sometimes called "long COVID." See CMS's State Health Official letter #21-006, "Mandatory Medicaid and CHIP Coverage of COVID-19-Related Treatment under the American Rescue Plan Act of 2021," issued October 22, 2021.

Section 9811 also amended sections 1916 and 1916A of the act (42 U.S.C.A. §§ 1396o and 1396o-1) to specify that states cannot impose cost sharing with respect to COVID-19 vaccines, vaccine administration, testing or COVID-19-related treatments that are required under ARP and described in sections 1905(a)(4)(E) and (F) (42 U.S.C.A. §§ 1396d(a)(4)(E) and (F)).

The ARP requirements for coverage and cost-sharing prohibitions end on the last day of the first calendar quarter that begins 1 year after the last day of the COVID-19 emergency period described in section 1135(g)(1)(B) of the act (42 U.S.C.A. § 1320b-5(g)(1)(B)). As required by section 9811 of the ARP, the Department will suspend copayments at least during the period required by the ARP.

Fiscal Impact

The Department does not anticipate any fiscal impact related to the ARP requirement for coverage of COVID-19

vaccines, vaccine administration, testing or treatments provided to MA beneficiaries without copayment because the MA Program has already been covering these services without copayments.

Public Comment

Interested persons are invited to submit written comments to the Department of Human Services, Office of Medical Assistance Programs, c/o Regulations Coordinator, P.O. Box 2675, Harrisburg, PA 17120 or RA-PWMAProgComments@pa.gov. Comments received within 30 days will be reviewed and considered for any subsequent revisions related to coverage of COVID-19 testing and treatment services.

Persons with a disability who require an auxiliary aid or service may submit comments using the Pennsylvania Hamilton Relay Service (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

DEPARTMENT OF HUMAN SERVICES

Medical Assistance Program Fee Schedule Addition; Private Duty Nursing

In accordance with 55 Pa. Code § 1150.61(a) (relating to guidelines for fee schedule changes), the Department of Human Services (Department) announces the addition of the following procedure code to the Medical Assistance (MA) Program Fee Schedule for a second nurse to shadow a nurse providing private duty/shift nursing to MA beneficiaries under 21 years of age, effective with dates of service on and after January 1, 2023.

<i>Procedure Code</i>	<i>Code Description</i>	<i>Unit Limit</i>	<i>MA Fee</i>
S5116	Home care training, nonfamily; per session	34 hours per 90 days	\$50 per hour

Background

Section 9817 of the American Rescue Plan Act of 2021 (ARP) (Pub.L. No. 117-2) provides a temporary 10 % increase to the Federal medical assistance percentage for certain Medicaid expenditures for home and community-based services (HCBS). The funding must be used to enhance, expand or strengthen HCBS. States submitted to the Centers for Medicare & Medicaid Services Spending Plans describing how they would use the funding available under the ARP. The Department included in its HCBS Spending Plan a proposal to pay for a nurse being trained by either the current or supervising nurse to shadow the current nurse assigned to private duty nursing cases. Currently, home health agencies cannot bill for a second nurse. By making payments for a nurse to shadow an assigned nurse while the nurse is trained on the care of the patient, the Department hopes to improve retention and continuity of care.

Fiscal Impact

The addition of this procedure code has a minimal fiscal impact on the MA-Fee-for-Service appropriation.

Public Comment

Interested persons are invited to submit written comments regarding this notice to the Department of Human Services, Office of Medical Assistance Programs, c/o Regulations Coordinator, P.O. Box 2675, Harrisburg, PA 17120 or RA-PWMAProgComments@pa.gov. Comments received within 30 days will be reviewed and considered for any subsequent revisions of the MA Program Fee Schedule.

Persons with a disability who require an auxiliary aid or service may submit comments using the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

DEPARTMENT OF MILITARY AND VETERANS AFFAIRS

Determination of Need; Disabled Veterans' Real Estate Tax Exemption

Under 51 Pa.C.S. § 8904 (relating to duty of commission), the State Veterans' Commission (Commission) fixes uniform and equitable standards for the determination of need for certain disabled veterans and their unmarried surviving spouses to qualify for an exemption from real estate taxes on their principal dwellings. In so doing, the Commission was required by law to apply a rebuttable presumption that an applicant with annual income of \$75,000 or less has a need for the exemption.

Section 8904 of 51 Pa.C.S. further provides that, beginning on January 1, 2009, the Commission will adjust the annual income level qualifying for the rebuttable presumption in an amount equal to the change in the Consumer Price Index for the preceding 2 years. Adjustments were made to the annual income level that became effective on January 1, 2009, 2011, 2013, 2015, 2017, 2019 and 2021.

During the 2-year period from November 1, 2020, until October 31, 2022, the Consumer Price Index (All Urban Consumers/Seasonally Adjusted) increased by a total of 13.4%. Accordingly, beginning January 1, 2023, the Commission will apply a rebuttable presumption that an applicant for the Disabled Veterans' Real Estate Tax Exemption Program with an annual income of \$108,046

or less have need for the exemption. Applicants whose annual income exceeds \$108,046 may attempt to rebut the presumption that they do not have need for the exemption by submitting expense documentation that they believe demonstrates their need.

In applying the \$108,046 presumptive income level, the Office of Veterans Affairs will use the following approach when determining the effective date of the exemption:

Applications pending on December 31, 2022, which are determined to demonstrate need based on eligibility criteria applicable on or before that date, shall be effective based on the date of application in accordance as provided by 43 Pa. Code § 5.25 (relating to effective date of exemption).

Applications pending on December 31, 2022, which did not demonstrate need when applying the prior annual rebuttable presumption income level, but which are eligible under the revised income level applicable on January 1, 2023, shall be effective as of January 1, 2023, unless the presumption is rebutted.

Applications filed with county boards for the assessment and revision of taxes or similar boards for the assessment of taxes on or after January 1, 2023, shall be effective based on the date of application as provided by 43 Pa. Code § 5.25.

Applicants who were denied certificates of need prior to January 1, 2023, but who believe they qualify after that date, may reapply with the effective date based on the date of the new application as provided by 43 Pa. Code § 5.25.

Major General, PAARNG
