READER'S GUIDE TO THE *PENNSYLVANIA BULLETIN* AND THE *PENNSYLVANIA CODE*

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published weekly. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. It is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations, Statewide court rules, and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, rescission, repeal or emergency action, must be published in the *Pennsylvania Bulletin*.

The following documents are published in the *Pennsylvania Bulletin*: Governor's Executive Orders; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or rescind regulations must first publish in the *Pennsylvania Bulletin* a Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. A Final Rulemaking must be published in the *Pennsylvania Bulletin* before the changes can take effect. If the agency wishes to adopt changes to the Proposed Rulemaking to enlarge the scope, it must repropose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies, Statewide court rules and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes when they are adopted. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code* § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government.

How to Find Rules and Regulations

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at www.pacodeandbulletin.gov.

Source Notes give the history of regulations. To see if there have been recent changes not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm.

A quarterly List of *Pennsylvania Code* Sections Affected lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

The *Pennsylvania Bulletin* is available at www.pacodeandbulletin.gov.

Printing Format

Rules, Regulations and Statements of Policy in Titles 1—107 of the Pennsylvania Code

Text proposed to be added is printed in **underscored bold face**. Text proposed to be deleted is enclosed in brackets [] and printed in **bold face**.

Proposed new chapters and sections are printed in regular type to enhance readability. Final rulemakings and statements of policy are printed in regular type.

Ellipses, a series of five asterisks, indicate text that is not amended.

In Proposed Rulemakings and proposed Statements of Policy, existing text corresponds to the official codified text in the *Pennsylvania Code*.

Court Rules in Titles 201—246 of the Pennsylvania Code

Added text in proposed and adopted court rules is printed in **underscored bold face**. Deleted text in proposed and adopted court rules is enclosed in brackets [] and printed in **bold face**.

Proposed new chapters and rules are printed in regular type to enhance readability.

Ellipses, a series of five asterisks, indicate text that is not amended.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires the Governor's Budget Office to prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions and authorities receiving money from the State Treasury. The fiscal note states whether the action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions. The fiscal note is required to be published in the *Pennsylvania Bulletin* at the same time as the change is advertised.

A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; and (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years. In item (8) the recommendation, if any, made by the Secretary of the Budget is published with the fiscal note. "No fiscal impact" means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended. See 4 Pa. Code Chapter 7, Subchapter R (relating to fiscal notes).

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish information except as provided by 1 Pa. Code § 3.44:

§ 3.44. General permission to reproduce content of *Code* and *Bulletin*.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the [Legislative Reference] Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

PART I. GOVERNOR'S OFFICE

[4 PA. CODE CH. 6]

[EXECUTIVE ORDER NO. 2023-22]

Pennsylvania Early Learning Investment Commission

December 13, 2023

Whereas, the early learning, development, and education of young children is of critical importance to Pennsylvania's families, education system, workers, and employers; and

Whereas, the Commonwealth of Pennsylvania continues to increase its investment in early learning, development, and education programs, and has made steady progress to assure that more children receive quality early learning and development services; and

Whereas, the continued development of an effective sustainable system of early care and education is critical to Pennsylvania's future economic and workforce development; and

Whereas, the input, perspective, and support of business leaders is essential to the development of a successful early childhood system; and

Whereas, fostering public and private sector investment in continued economic growth by addressing the needs of and challenges faced by all families with children, especially the Commonwealth's low-income families with children, is essential to assure Pennsylvania's edge in the national and global marketplace; and

Whereas, connecting existing workforce development initiatives with early learning practices is educationally and economically beneficial for all people within Pennsylvania.

Now, Therefore, I, Josh Shapiro, Governor of the Commonwealth of Pennsylvania, by virtue of the authority vested in me by the Constitution of the Commonwealth of Pennsylvania and other laws, do hereby reestablish the Pennsylvania Early Learning Investment Commission (hereafter referred to as the "Commission") and, further, order and direct as follows:

Governor

Fiscal Note: GOV-2023-22. No fiscal impact; recommends adoption.

6.969.	Implementation.
6.970.	Effective date.
6.971.	Termination date.
6.972.	Rescission.

§ 6.961. Definitions.

The following words and terms, when used in this subchapter, have the following meanings, unless the context clearly indicates otherwise:

Commission—Pennsylvania Early Learning Investment Commission.

OCDEL—Office of Child Development and Early Learning.

§ 6.962. Purpose.

The purpose of the commission is to secure support for public and private-sector investment in early learning by focusing on practices that are educationally, economically and scientifically sound.

§ 6.963. Responsibilities.

The commission shall have all of the following responsibilities:

(1) Make strategic recommendations for the Commonwealth to coordinate with business and civic leaders and organizations in early learning to plan and advocate for investment at the State and local level.

(2) Develop and recommend a plan and implementation strategy to:

(i) Stabilize the early childcare workforce and increase access to affordable, available and accessible childcare for all families in this Commonwealth, regardless of income.

(ii) Ensure the availability of universal pre-K for children in this Commonwealth.

(iii) Expand the availability of all-day kindergarten in the public school districts and charter schools in this Commonwealth.

(3) Develop and recommend strategies to increase business, civic and public awareness of the importance of early childhood education.

(4) Make recommendations as to the planning, implementing and hosting of an annual economic summit on early childhood investment. The annual economic summit on early childhood investment shall include outreach to business, civic, educational and governmental leaders.

(5) Make recommendations as to the planning and implementation of an annual meeting for legislators and legislative staff to assist them with understanding the economic, educational and social impact of investing in quality early childhood education.

(6) Develop and recommend updates to a multi-year plan for the expansion of effective early childhood services.

(7) Identify private sector financial support for early learning projects throughout this Commonwealth and match those funding sources with needs identified within the local community.

(8) Identify and advocate for sustainable funding sources and early learning projects within a permanent sustainable network of private-sector and public-sector funding streams.

(9) Consult or engage experts, economists, consultants, advisors or other personnel to assist with the commission's purpose and responsibilities.

(10) Meet at least twice a year and at the call of the chairperson of the commission. Commission members may attend meetings in-person or virtually, or through a combination thereof, at the discretion of the chairperson. In-person or virtual participation shall be considered attendance for purposes of constituting a quorum.

§ 6.964. Composition.

- (8) The Secretary of Health or designee;
- (9) The Deputy Secretary of the OCDEL or designee; and
- (10) High-level business executives, who collectively are diverse and represent the Commonwealth's population and the diversity of economic sectors and regions in this Commonwealth. These members shall be appointed by and serve at the pleasure of the Governor.

(b) *Chairperson of the commission.* The Governor shall designate a chairperson and a vice-chairperson of the commission, or may designate two persons as co-chairpersons, from among the commission members. The chairperson and vice-chairperson, or co-chairpersons, shall serve at the pleasure of the Governor and shall appoint members from the commission to a nominating committee, which nominating committee shall make recommendations to the Governor of the business executives for commission membership.

§ 6.965. Term.

Commission members appointed by the Governor, and not serving by virtue of their official position with the Commonwealth, shall serve for a term of 3 years and may continue to serve until their successor is appointed.

§ 6.966. Compensation.

Members of the commission shall not receive compensation for their service on the commission. Members may receive reimbursement for reasonable travel costs and related expenses incurred while performing commission business in accordance with Commonwealth policy.

§ 6.967. Relationship with other agencies.

Agencies under the Governor's jurisdiction shall cooperate with and provide assistance to the commission, as requested, to carry out the purpose and responsibilities as set forth in this subchapter.

§ 6.968. Relationship with the Team Pennsylvania Foundation.

The commission shall work jointly with the Team Pennsylvania Foundation in furtherance of their common mission, duties and responsibilities to develop and sustain educational opportunities in the Commonwealth, particularly early learning, development and education of young children.

§ 6.969. Implementation.

This subchapter shall be implemented consistent with applicable law. This subchapter is not intended to, and does not create, any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the Commonwealth, its departments, agencies or entities, its officers, employees or agents, or any other persons.

§ 6.970. Effective date.

This subchapter shall take effect immediately.

§ 6.971. Termination date.

This subchapter shall remain in effect until amended or rescinded by the Governor.

§ 6.972. Rescission.

Effective immediately, Executive Order 2017-05, dated December 20, 2017, is hereby rescinded.

(Editor's Note: 4 Pa. Code Chapter 6, Subchapter CCC, §§ 6.651—6.659, which is the codification of Executive Order 2017-05, is reserved as a result of the rescission of Executive Order 2017-05 under § 6.972.)

THE COURTS

Title 255—LOCAL COURT RULES

CENTRE COUNTY

Local Civil Rule 205.4; No: 2021-22-CM

Order

And Now, December 19, 2023, Local Civil Rule 205.4, Paragraph E(1) is amended to read that Upon receipt of the legal paper, the Prothonotary/Clerk of Courts shall provide the filing party with an acknowledgement, which includes the date and time the legal paper was received by the Electronic Filing System. The Prothonotary/Clerk of Courts shall also provide the filing party with notice that the legal paper was accepted for filing. All filing must be received by 3:30 pm to be timestamped for that business day.

This change in time shall be effective February 5, 2024. In all other respects the Local Rule is reaffirmed in its entirety.

By the Court

JONATHAN D. GRINE,
President Judge

Rule 205.4. Electronic Filing.

A. Electronic Filing

1. The Centre County Court of Common Pleas hereby permits the electronic filing of legal papers and the electronic service of such papers under the terms described in this Local Rule. In the context of this rule, “legal papers” which may be filed electronically do not include cases involving Domestic Relations, Protection From Abuse, Orphans’ Court, and Mental Health/Intellectual Disability.

B. Form of Documents Electronically Filed

1. All electronic filings shall be in Portable Document Format (PDF) or any other electronic format, if any, that the Court by local rule designates. A paper presented for filing in a format other than PDF shall be converted to PDF and maintained by the Prothonotary/Clerk of Courts in that format.

2. A legal paper filed electronically shall be deemed the original document. The Prothonotary/Clerk of Courts shall maintain a hard copy of the document filed.

3. Scanned signatures will be accepted as originals. An electronically filed document shall be deemed to have been signed by the filer if it bears a facsimile or typographical signature of the filer, e.g./s/John Doe. The electronic filing of legal paper constitutes a certification by the filing party that a hard copy of the legal paper was properly signed and, where applicable, verified; and a certification as provided by the signature to a legal paper under Pa.R.C.P. 1023.1(c), the violation of which shall be subject to the sanction provided by Pa.R.C.P. 1023.1(d).

4. The filing party shall maintain the signed hard copy of the document filed for two (2) years after the later of: the disposition of the case; the entry of an order resolving the issue raised by the legal paper; or, the disposition by an appellate court of the issue raised by the legal paper.

5. Any other party at any time may serve upon the filing party a notice to produce for inspection the signed hard copy within fourteen (14) days of service of the

notice. The Court upon motion may grant appropriate sanctions for failure to produce the signed hard copy pursuant of the notice.

6. As required by Pa.R.C.P. 205.5, the filing party shall include the statewide cover sheet with the initial filing.

C. Access

1. The Prothonotary/Clerk of Courts shall provide electronic access at all times.

2. All legal papers that are filed electronically shall be filed through the Prothonotary/Clerk of Court’s Electric Filing System which shall be accessible at Prothonotary/ClerkofCourts-orders@centrecountypa.gov.

3. Prothonotary/ClerkofCourts-orders@centrecountypa.gov. shall only be used for filing documents and not for any other purposes.

4. The Prothonotary/Clerk of Courts, Courts or Court Administrator shall not be obligated to print documents that are filed electronically. A fee will be charged for any documents exceeding 25 pages which need to be printed by the Prothonotary/Clerk of Courts, including a hard copy of any pleadings.

D. Filing Fees

1. The Prothonotary/Clerk of Courts will accept for payment of filing fees the following credit and debit cards: American Express, Discover, Master Card and Visa. Any convenience fee charged will be the responsibility of the filer. The prothonotary will not accept advance deposit on account of future filing fees.

E. Time of Filing

1. Upon receipt of the legal paper, the Prothonotary/Clerk of Courts shall provide the filing party with an acknowledgement, which includes the date and time the legal paper was received by the Electronic Filing System. The Prothonotary/Clerk of Courts shall also provide the filing party with notice that the legal paper was accepted for filing. All filings must be received by 3:30 pm to be time stamped for that business day.

2. The Prothonotary/Clerk of Courts shall affix “Filed by Email” near the timestamp.

3. If a legal paper is not accepted upon presentation for filing or is refused for filing by the Electronic Filing System, the Prothonotary/Clerk of Courts shall immediately, or if the office is closed, immediately upon opening, notify the party presenting the legal paper for filing of the date of presentation, the fact the document was not accepted or refused for filing by the system, and the reason it was not accepted or refused.

4. A filing party shall be responsible for any delay, disruption, interruption of the electronic signals and legibility of the document electronically filed, except when caused by the failure of the electronic filing system’s website.

F. Service of Legal Papers

1. Once the electronic filing has been accepted, it shall be the responsibility of the filing party to provide the Sheriff with the proper service fee and the documents for Original Service and Writs.

This amended rule (changing the time for electronic filing to 3:30 pm to be stamped for that business day in Paragraph E(1)) is effective February 5, 2024.

[Pa.B. Doc. No. 24-2. Filed for public inspection January 5, 2024, 9:00 a.m.]

Title 255—LOCAL COURT RULES

CENTRE COUNTY

Local Criminal Rule 117; No: CP-14-MD-690-2006

Order

And Now, December 19, 2023, Local Criminal Rule 117, Paragraph (a) is amended to read that After normal business hours, coverage shall be provided by a Magisterial District Judge, assigned on a rotational schedule, who has county-wide jurisdiction and who operates between the hours of 4:00 p.m. to 8:00 a.m. Monday through Friday. Holidays and weekend coverage shall be provided by an assigned on-call Magisterial District Judge.

This change in time shall be effective February 5, 2024. In all other respects the Local Rule is reaffirmed in its entirety.

By the Court

JONATHAN D. GRINE,
President Judge

Local Rule 117. Providing for Judicial Coverage for the Issuance of, and Presiding Over, Necessary Proceedings: Issuing Warrants, Preliminary Arraignments, Summary Trials, and Setting and Accepting Bail.

a. After normal business hours, coverage shall be provided by a Magisterial District Judge, assigned on a rotational schedule, who has county-wide jurisdiction and who operates between the hours of 4:00 pm to 8:00 am Monday through Friday. Holidays and weekend coverage shall be provided by an assigned on-call Magisterial District Judge.

1. In the event a Magisterial District Judge is needed for after-hours coverage for the issuance of a search or arrest warrant, a preliminary arraignment, a summary trial, a protection from abuse petition, or any other

emergency matter; the “duty” Magisterial District Judge will be contacted through the Centre County 911 Center.

2. The “duty” Magisterial District Judge may conduct essential hearings, such as a preliminary arraignment, pursuant to Pa.R.Crim.P. 516 & 519(A)(1), and summary trials, pursuant to Pa.R.Crim.P. 430(A), 431(B)(3), and 441(C), from any approved advanced communication technology site.

3. (Deleted)

b. Monetary bond may be posed after normal business hours for Magisterial District Judge Court cases at the Centre County Correctional Facility by certified check or money order. Bail bond agents may continue to post bond at the Centre County Correctional Facility.

This Rule, as Amended by Order of Court on December 19, 2023, (changing the times in paragraph “a” and deleting subparagraph 3) shall be effective February 5, 2024.

Title 255—LOCAL COURT RULES

DAUPHIN COUNTY

Promulgation of Local Rules; No. 1793 S 1989

Order

And Now, this 20 day of December, 2023, Dauphin County Local Rule of Civil Procedure 223.2 and Dauphin County Local Rule of Criminal Procedure 609 are rescinded and replaced with Local Rules of Judicial Administration 5102 and 5103 as follows:

Rule 5102. Custody of Exhibits. General Provisions.

(a) During Court Proceedings before Judge.

(1) The Court Reporter shall be designated as the custodian of all documentary exhibits and photographs of non-documentary exhibits accepted or rejected during the court proceedings.

(2) The Court Crier/Clerk shall maintain the Index of Exhibits during the court proceedings. The Court Crier/Clerk shall use the form supplied by Court Administration which shall be in the following format:

Index of Exhibits

No.	Description/Title	Proponent	Admitted	Rejected	Sealed by Court	Confidential Information Sheet (If required)

(3) The proponent shall include a Confidential Information Form or Confidential Document Form for any exhibit offered into evidence that contains confidential information or confidential documents as defined in the Case Records Public Access Policy of the Unified Judicial System of Pennsylvania. These forms shall be given by the proponent to the Court Crier/Clerk at the time the evidence is introduced.

(b) After Court Proceedings before Judge. The Court Reporter shall be designated as the custodian of all

documentary exhibits and photographs of non-documentary exhibits after court proceedings have concluded.

(1) The Court Reporter shall:

(i) retain or take custody of all documentary exhibits, photographs, and photographs of non-documentary exhibits accepted or rejected during the court proceedings.

(ii) file all documentary exhibits, photographs, and photographs of non-documentary exhibits with the re-

cords office within five (5) business days of the conclusion of the court proceedings; and

(iii) secure and maintain all other non-documentary exhibits as directed by the Court or agreed to by the parties.

(2) The Court Reporter shall obtain the Index of Exhibits prepared during the court proceedings from the Court Crier/Clerk and compare the exhibits in the possession of the Court Reporter with the Index of Exhibits. The Court Reporter shall file the Index of Exhibits with the exhibits in the records office.

(c) *Proceedings before Divorce Hearing Officer and Juvenile Hearing Officer.*

(1) In proceedings before the Divorce Hearing Officer and Juvenile Hearing Officer the Hearing Officer shall be the custodian of the documentary exhibits.

(2) The Hearing Officer shall retain all documentary exhibits, photographs, and photographs of non-documentary exhibits accepted or rejected during the court proceedings.

(3) The Hearing Officer shall prepare the Index of Exhibits and file the Index of Exhibits with the exhibits in the records office.

(4) The Hearing Officer shall ensure that a Confidential Information Form or Confidential Document Form for any exhibit offered into evidence that contains confidential information or confidential documents as defined in the Case Records Public Access Policy of the Unified Judicial System of Pennsylvania was completed and filed with the exhibit.

Rule 5103. Custody of Exhibits. Special Provisions.

(a) *Documentary Exhibits: Generally*

(1) If a document is larger than 8-1/2 × 11 inches, the Court Reporter shall be provided with a copy of the same sized 8-1/2 × 11 inches. Items larger than 8-1/2 × 11 may be used for illustration during the court proceedings.

(2) Media depositions presented at trial shall remain in the proponent's possession. The proponent shall simultaneously submit a transcript of the deposition as an exhibit.

(c) *Non-documentary Exhibits: Generally*

(3) If the exhibit is bulky or oversized, either the Court Reporter or the proponent shall maintain custody of the exhibit as directed by the Court.

The previously listed amendments shall be published in the *Pennsylvania Bulletin* and will become effective on April 1, 2024.

Title 25—LOCAL COURT RULES

SNYDER COUNTY

Adoption of Local Rules; No. CP-55-AD-18-2023

Order

And Now, this 18th day of December 2023, it is hereby *Ordered and Decreed*, that effective thirty (30) days after publication in the *Pennsylvania Bulletin*, the Snyder County Court of Common Pleas adopts local rule 576.1 as follows:

C.C.R.P. No. 576.1

Rule 576.1. Electronic Filing in Criminal Dockets.

A. The Snyder County Clerk of Courts Office and the Administrative Office of Pennsylvania Court (AOPC) agreed upon an implementation plan for PACFile in Snyder County for certain criminal filings. Legal papers may be filed electronically using the PACFile electronic filing system pursuant to Pa.R.Crim.P. 576.1. Electronic filing is permissive and not mandatory.

B. As used in this rule, the following words shall have the following meanings:

i. "electronic filing," the electronic submission of legal papers by means other than facsimile transmission and the acceptance of the document by the clerk of courts;

ii. "filing party," an attorney, defendant, plaintiff, or other person who files a legal paper by means of electronic filing;

iii. "legal paper," a pleading or other submission to the court, including motions, answers, notices or other documents, of which filing is required or permitted, including orders, copies of exhibits, and attachments. The following documents are excluded from the definition of "legal paper" and are therefore prohibited from being filed electronically:

(1) applications for search warrants,

(2) applications for arrest warrants,

(3) any grand jury materials, except the indicting grand jury indictment or the investigating grand jury presentment,

(4) submission filed ex parte as authorized by law,

(5) submissions filed or authorized to be filed under seal, and

(6) exhibits offered into evidence, whether or not admitted, in a court proceeding;

iv. "original document," a legal paper filed electronically shall be deemed the original document, but copies of exhibits electronically filed do not constitute the original of the exhibit for evidentiary purposes; and

v. "the system" the PACFile electronic filing system, developed and administered by the Administrative Office of Pennsylvania Courts, is the exclusive system for electronic filing.

C. Attorneys or self-represented parties who file legal papers electronically must establish a PACFile account using the Unified Judicial System of Pennsylvania Web Portal. Pursuant to Pennsylvania Rule of Criminal Procedure 576.1(D)(2), the establishment of the PACFile account constitutes consent to participate in electronic

filing, including acceptance of service electronically of any document filed using PACFile.

D. Applicable filing fees for the electronically filed legal papers shall be paid electronically to the Clerk of Courts simultaneously with the filing.

E. A party who was granted In Forma Pauperis status shall not pay filing fees to the Clerk of Courts.

F. All filings shall comply with the Case Records Public Access Policy of the Unified Judicial System of Pennsylvania.

G. *Service of Legal Papers:*

(a) Attorneys or self-represented parties who are unable and unwilling to participate electronic filing of documents are permitted to file and serve the legal papers in a physical paper format.

(b) Service of legal papers on any attorney or party who has not established an Account as provided in subsection (C) of this rule shall be made in accordance with Pa.R.Crim.P. 576. Specially, the following offices must be served in accordance with Rule 576: Court Administration, Probation, Sheriff and Court Reporter. This applies to the service of court orders and notices. Distribution to those parties not automatically served via PACFile with a court order or notice must be filed with the Clerk of Courts office with a complete distribution ledger listing the names and addresses of all parties required to be served with a paper copy.

(c) Service upon an attorney or defendant participating in the system shall be done electronically.

The District Court Administrator is Ordered and Directed to do the following:

1. File one (1) copy to the Administrative Office of Pennsylvania Courts via email to adminrules@pacourts.us.

2. File two (2) paper copies and one (1) electronic copy in a Microsoft Word format only to bulletin@palrb.us with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*.

3. Incorporation of the local rule into the 17th Judicial District Local Rules and publish on the Snyder County website at www.snydercounty.org. within thirty (30) days after the publication of the local rules in the *Pennsylvania Bulletin*.

4. File one (1) copy of the local rule in the appropriate filing office for public inspection and copying.

Title 255—LOCAL COURT RULES

UNION COUNTY

Adoption of Local Rules; No. CP-60-AD-22-2023

Order

And Now, this 18th day of December 2023, it is hereby Ordered and Decreed, that effective February 12, 2024,

after publication in the *Pennsylvania Bulletin*, the Union County Court of Common Pleas adopts local rule 576.1 as follows:

C.C.R.P. No. 576.1

Rule 576.1. Electronic Filing in Criminal Dockets.

A. The Union County Clerk of Courts Office and the Administrative Office of Pennsylvania Court (AOPC) agreed upon an implementation plan for PACFile in Union County for certain criminal filings. Legal papers may be filed electronically using the PACFile electronic filing system pursuant to Pa.R.Crim.P. 576.1. Electronic filing is permissive and not mandatory.

B. As used in this rule, the following words shall have the following meanings:

i. “electronic filing,” the electronic submission of legal papers by means other than facsimile transmission and the acceptance of the document by the clerk of courts;

ii. “filing party,” an attorney, defendant, plaintiff, or other person who files a legal paper by means of electronic filing;

iii. “legal paper,” a pleading or other submission to the court, including motions, answers, notices or other documents, of which filing is required or permitted, including orders, copies of exhibits, and attachments. The following documents are excluded from the definition of “legal paper” and are therefore prohibited from being filed electronically:

(1) applications for search warrants,

(2) applications for arrest warrants,

(3) any grand jury materials, except the indicting grand jury indictment or the investigating grand jury presentment,

(4) submission filed ex parte as authorized by law,

(5) submissions filed or authorized to be filed under seal, and

(6) exhibits offered into evidence, whether or not admitted, in a court proceeding;

iv. “original document,” a legal paper filed electronically shall be deemed the original document, but copies of exhibits electronically filed do not constitute the original of the exhibit for evidentiary purposes; and

v. “the system” the PACFile electronic filing system, developed and administered by the Administrative Office of Pennsylvania Courts, is the exclusive system for electronic filing.

C. Attorneys or self-represented parties who file legal papers electronically must establish a PACFile account using the Unified Judicial System of Pennsylvania Web Portal. Pursuant to Pennsylvania Rule of Criminal Procedure 576.1(D)(2), the establishment of the PACFile account constitutes consent to participate in electronic filing, including acceptance of service electronically of any document filed using PACFile.

D. Applicable filing fees for the electronically filed legal papers shall be paid electronically to the Clerk of Courts simultaneously with the filing.

E. A party who was granted In Forma Pauperis status shall not pay filing fees to the Clerk of Courts.

F. All filings shall comply with the Case Records Public Access Policy of the Unified Judicial System of Pennsylvania.

G. Service of Legal Papers:

(a) Attorneys or self-represented parties who are unable and unwilling to participate electronic filing of documents are permitted to file and serve the legal papers in a physical paper format.

(b) Service of legal papers on any attorney or party who has not established an Account as provided in subsection (C) of this rule shall be made in accordance with Pa.R.Crim.P. 576. Specially, the following offices must be served in accordance with Rule 576: Court Administration, Probation, Sheriff and Court Reporter. This applies to the service of court orders and notices. Distribution to those parties not automatically served via PACFile with a court order or notice must be filed with the Clerk of Courts office with a complete distribution ledger listing the names and addresses of all parties required to be served with a paper copy.

(c) Service upon an attorney or defendant participating in the system shall be done electronically.

The District Court Administrator is Ordered and Directed to do the following:

1. File one (1) copy to the Administrative Office of Pennsylvania Courts via email to adminrules@pacourts.us.

2. File two (2) paper copies and one (1) electronic copy in a Microsoft Word format only to bulletin@palrb.us with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*.

3. Incorporation of the local rule into the 17th Judicial District Local Rules and publish on the Union County website at www.unioncountypa.org. Within thirty (30) days after the publication of the local rules in the *Pennsylvania Bulletin*.

4. File one (1) copy of the local rule in the appropriate filing office for public inspection and copying.

Applications, Actions and Special Notices

APPLICATIONS

THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

APPLICATIONS FOR NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS AND WATER QUALITY MANAGEMENT (WQM) PERMITS UNDER THE CLEAN STREAMS LAW AND FEDERAL CLEAN WATER ACT

This notice provides information about persons who have applied to the Department of Environmental Protection (DEP) for a new, renewed, or amended NPDES or WQM permit, or a permit waiver for certain stormwater discharges, or have submitted a Notice of Intent (NOI) for coverage under a General Permit. The applications and NOIs concern, but are not limited to, effluent discharges from sewage treatment facilities and industrial facilities to surface waters or groundwater; stormwater discharges associated with industrial activity (industrial stormwater), construction activity (construction stormwater), and municipal separate storm sewer systems (MS4s); the application of pesticides; the operation of Concentrated Animal Feeding Operations (CAFOs); and the construction of sewage, industrial waste, and manure storage, collection and treatment facilities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376). More information on the types of NPDES and WQM permits that are available can be found on DEP's website (visit www.dep.pa.gov and select Businesses, Water, Bureau of Clean Water, Wastewater Management, and NPDES and WQM Permitting Programs).

| I | Individual and General WQM Permit Applications/NOIs Received, General NPDES Permit NOIs Received, and All Transfer and Minor Amendment Applications/NOIs Received |
| II | Individual NPDES Permits—New, Renewal, and Major Amendment Applications and Draft Permits for Discharges Relating to Sewage, Industrial Waste, Industrial Stormwater, MS4s, Pesticides and CAFOs |
| III | Individual NPDES Permit Applications for Discharges of Stormwater Associated with Construction Activity |

Section I identifies the following applications and NOIs that have been received by DEP:

- Individual and General WQM Permit Applications Received—DEP provides a 15-day public comment period for Individual WQM Permit Applications for new and reissued permits. There is no public comment period for General WQM Permit NOIs.
- General Chapter 92a NPDES Permit NOIs Received—There is no public comment period for General NPDES NOIs received.
- All Transfer and Minor Amendment Applications/NOIs Received—Transfer and Minor Amendment Applications/NOIs received for Individual and General WQM Permits and Individual and General NPDES Permits, excluding PAG-01 and PAG-02, are identified but do not have public comment periods. DEP provides a 15-day public comment period for Individual WQM Permit Applications for amendments.

Additional information on these applications and NOIs may be reviewed by generating the “Applications and NOIs without Comment Periods Report” or, for Individual WQM Permit Applications, the “Applications Received with Comment Periods Report” on DEP's website at www.dep.pa.gov/CWPublicNotice.

Section II identifies individual NPDES permit applications received and draft permits indicating DEP's tentative determination relating to sewage, industrial waste, industrial stormwater, MS4s, pesticides and CAFOs. A 30-day public comment period applies to these applications and draft permits, except when a site-specific water quality criterion is used to establish effluent limitations, in which case a 45-day public comment period applies. The period for comment may be

extended at the discretion of DEP for one additional 15-day period. Additional information, including links to draft permits and fact sheets that explain the basis for DEP's tentative determinations may be reviewed by generating the "Applications Received with Comment Periods Report" on DEP's website at www.dep.pa.gov/CWPublicNotice. Notification of 15-day extensions for comment will be provided in the "Applications Received with Comment Periods Report" (Comments column).

Section III identifies individual NPDES permit applications received and draft permits indicating DEP's tentative determination relating to stormwater discharges associated with construction activities. A 30-day public comment period applies to these applications and draft permits. The period for comment may be extended at the discretion of the Department for one additional 15-day period. Additional information may be reviewed by generating the "Applications Received with Comment Periods Report" on DEP's website at www.dep.pa.gov/CWPublicNotice.

Applications, NOIs and draft permits, where applicable, may be reviewed at the DEP office that received the application or NOI. Members of the public are encouraged to use DEP's website to obtain additional information as discussed above.

Comments received within the appropriate comment periods for WQM and NPDES permit applications will be retained by DEP and considered in the final determinations regarding the applications. A comment submittal should include the name, address and telephone number of the writer and a concise statement to inform DEP of the exact basis of a comment and the relevant facts upon which it is based.

DEP office contact information to review applications and NOIs and to submit comments for those applications, when applicable, is as follows:

PROPOSED NUTRIENT MANAGEMENT PLANS RELATED TO APPLICATIONS FOR NPDES PERMITS FOR CAFOs

This notice provides information about agricultural operations that have submitted nutrient management plans (NMPs) for approval under 3 Pa.C.S. Chapter 5 and that have or anticipate submitting applications for new, amended or renewed (National Pollutant Discharge Elimination System) NPDES permits, or Notices of Intent (NOIs) for coverage under a general permit, for CAFOs, under 25 Pa. Code Chapter 92a. This notice is provided in accordance with 25 Pa. Code Chapter 92a and 40 CFR Part 122, implementing The Clean Streams Law and the Federal Clean Water Act.

Based upon preliminary reviews, the State Conservation Commission (SCC) or County Conservation Districts (CCD) working under a delegation agreement with the SCC have completed an administrative review of NMPs described. These NMPs are published as proposed plans for comment prior to taking final actions. The NMPs are available for review at the CCD office for the county where the agricultural operation is located. A list of CCD office locations is available at <http://www.nacdnet.org/about/districts/directory/pa.phtml> or can be obtained from the SCC at the office address listed or by calling 717-787-8821.

Individuals wishing to comment on an NMP are invited to submit a statement outlining their comments on the plan to the CCD, with a copy to the SCC for each NMP, within 30-days from the date of this public notice. Comments received within the respective comment periods will be considered in the final determinations regarding the NMPs. Comments should include the name, address and telephone number of the writer and a concise statement to inform the SCC of the exact basis of the comments and the relevant facts upon which they are based. Comments should be sent to the SCC, Agriculture Building, Room 310, 2301 North Cameron Street, Harrisburg, PA 17110.

Individuals in need of accommodations should contact the SCC through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

PUBLIC WATER SUPPLY PERMITS

Under the Pennsylvania Safe Drinking Water Act (35 P.S. §§ 721.1—721.17), the following parties have applied for Public Water Supply (PWS) permits to construct or substantially modify public water systems.

Individuals wishing to comment on permit applications are invited to submit statements to the office listed before the application within 30-days of this public notice. Comments received within this 30-day comment period will be considered in the formulation of the final determinations regarding an application. A comment should include the name, address and telephone number of the writer and a concise statement to inform the Department of Environmental Protection (DEP) the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held after consideration of comments received during the 30-day public comment period.

Following the comment period, DEP will make a final determination regarding the proposed permit. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The permit application and related documents are on file at the office listed before the application and available for public review. Arrangements for inspection and copying information should be made with the office listed before the application.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

**BIOSOLIDS INDIVIDUAL PERMITS
(PABIG AND PABIS)**

The following parties have applied for either an Individual Site Permit (PABIS) or an Individual Generator Permit (PABIG) for beneficial use of sewage sludge (biosolids) by land application. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (DEP) proposes to issue a permit to land apply biosolids subject to certain requirements in the permit.

Individuals wishing to comment on a proposed permit are invited to submit statements to the responsible DEP

Regional Office noted before the application within 30-days from the date of this public notice. Comments received within this 30-day period will be considered in the formulation of the final determination regarding an application. A response should include the name, address and telephone number of the writer and a concise statement of a comment and the relevant facts upon which it is based. A public hearing may be held if the Regional Office considers the public response significant.

Following the 30-day comment period, the Regional Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, comments received and other information on file and may be inspected and arrangements made for copying at the responsible DEP Regional Office indicated before the application.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 1

Acknowledgment of Notice(s) of Intent to Remediate Submitted Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (Act) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent (NOI) to Remediate. An acknowledgment of the receipt of a NOI to Remediate is used to identify a site where an individual proposes to, or has been required to, respond to a release of a regulated substance at a site. Individuals intending to use the background standard, Statewide health standard, the site-specific standard, or who intend to remediate a site as a special industrial area, must file a NOI to Remediate with DEP. A NOI to Remediate filed with DEP provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site, and a description of the intended future use of the site. An individual who demonstrates attainment of one, or a

combination of the cleanup standards, or who receives approval of a special industrial area remediation identified under the Act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by DEP. Furthermore, an individual shall not be subject to citizen suits or other contribution actions brought by responsible individuals not participating in the remediation.

Under Sections 304(n)(1)(ii) and 305(c)(2) of the Act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the NOI to Remediate is published in a newspaper of general circulation in the area of the site. For the site(s) identified below, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30-days of the date specified below. During this comment period the municipality may request that the individual identified below, as the remediator of the site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of the site.

For further information concerning plans or reports, please contact the Regional Office Program Manager listed above the notice.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

The DEP has received the following Notice(s) of Intent to Remediate.

AIR QUALITY

**PLAN APPROVAL AND OPERATING
PERMIT APPLICATIONS**

The Department of Environmental Protection (DEP) has developed an integrated plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for DEP, the regulated community and the general public. This approach allows the owner or operator of a facility to submit permitting documents relevant to its application for all sources related to a facility or a proposed project, affords an opportunity for public input, and provides for a decision on the issuance of the necessary permits.

The DEP received applications for Plan Approvals or Operating Permits from the following facilities. Copies of the application, DEP's analysis, all pertinent documents used in the evaluation of the application and subsequently prepared proposed plan approvals/operating permits are available for public review during normal business hours at the appropriate DEP Regional Office. Appointments for scheduling a review must be made by calling the appropriate DEP Regional Office. The address and telephone number of the Regional Office is listed before the application notices.

Individuals wishing to file a written protest or provide comments or additional information, which they believe should be considered prior to the issuance of a permit, may submit the information to the DEP's Regional Office. A 30-day comment period from the date of this publication will exist for the submission of comments, protests and information. Each submission must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Plan Approval/Operating Permit including the permit number and a concise statement regarding the relevancy of the information or objections to issuance of the permit.

Any individual wishing to request a hearing may do so during the 30-day comment period. A public hearing may be held, if DEP, in its discretion, decides that a hearing is warranted based on the information received. Persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper, the *Pennsylvania Bulletin* or by telephone, when DEP determines this type of notification is sufficient. Requests for a public hearing and any relevant information should be directed to the appropriate DEP Regional Office.

Permits issued to the owners or operators of sources subject to 25 Pa. Code Chapter 127, Subchapter D or E, or located within a Title V facility or subject to 25 Pa. Code § 129.51(a) or permits issued for sources with limitations on their potential to emit used to avoid otherwise applicable Federal requirements may be submitted to the United States Environmental Protection Agency for review and approval as a revision to the State Implementation Plan. Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the sources are constructed and operating in compliance with applicable requirements in the Air Pollution Control Act (35 P.S. §§ 4001—4015), 25 Pa. Code Chapters 121—145, the Federal Clean Air Act (42 U.S.C.A. §§ 7401—7671q) and regulations adopted under the Federal Clean Air Act.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

PLAN APPROVALS

Notice of Intent to Issue Plan Approval(s) and Notice of Intent to Issue or Amend Operating Permit(s) Under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter B. These Actions May Include the Administrative Amendments of an Associated Operating Permit.

59-00002D: Eastern Gas Transmission & Storage, Inc., 10700 Energy Way, Glen Allen, VA 23060, Farmington Township, **Tioga County**. Application received: January 3, 2023. The Department intends to issue a plan approval for the installation of selective catalytic reduction units on Sources P101 and P102 to comply with RACT III at the Tioga Compressor Station facility. The Department's review of the information submitted indicates that installation of the air cleaning devices will comply with all regulatory requirements pertaining to air contamination sources and the emission of air contaminants. Based on this finding, the Department proposes to issue a plan approval for the proposed installation. The air contaminant emissions from the sources with the proposed air cleaning devices included in this project will not exceed the following: 47.08 tons of nitrogen oxides (NO_x, expressed as NO₂) per year, 170.12 tons of carbon monoxide per year, 41.18 tons of volatile organic compounds per year, 9.68 tons of particulate matter less than 10 microns and less than 2.5 microns, 9.30 tons of hazardous air pollutants, 0.14 ton of sulfur oxides, and 29,514 tpy of carbon dioxide equivalent. The facility is a Title V facility. If the Department determines that the source is constructed and operated in compliance with the plan approval conditions and the specifications of the application for Plan Approval 59-00002D, the requirements established in the plan approval will be incorporated into a Title V operating permit pursuant to 25 Pa. Chapter 127, Subchapter F. All pertinent documents used in the evaluation of the application are available for public review during normal business hours at the Department's Northcentral Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701. Appointments for scheduling a review must be made by calling 570-327-3636.

47-00014E: United States Gypsum Company, 86 PPL Road, Danville, PA 17821, Derry Township, **Montour County**. Application received: June 15, 2023. For a major facility plan approval application that would authorize the use of a new manufacturing process material, natural gypsum rock, at the facility, as feed to the existing wallboard manufacturing, as well as the proposed construction of the new Source ID P301 and P302/Natural Gypsum Preheater/Roller Mills A and B including new fabric collectors (Source IDs C301 and C302) to control the new roller mills, the roller mills' ancillary equipment including feed bins and screw con-

veyors and associated filter vents (Source IDs C303—C306); the proposed modification of Source ID C117/Waste Reclaim Dust Collector system in order to control the proposed natural gypsum crusher operation (Source ID P119A); and the proposed modification for Source ID P122 Gypsum Railcar & Truck Unloading Operations including the installation of dust suppression systems associated with Source C122B to control the new natural gypsum unloading operation. The project location would be within the US Gypsum Washingtonville Plant which is a major Title V facility. The Department's review of the information submitted by United States Gypsum Company indicates that the air contamination sources to be constructed, including the modification to facility, will comply with all regulatory requirements pertaining to air contamination sources and the emission of air contaminants including not limited to the best available technology requirement (BAT) of 25 Pa. Code §§ 127.1 and 127.12, the fugitive emission restrictions of 25 Pa. Code § 123.1, as well as other requirements as applicable pursuant to 25 Pa. Code Chapters 121—145. Moreover, the project plan approval application specifies that the above are subject to applicable Federal standards include the applicable requirements under the National Performance Standards for Stationary Source (NSPS) codified in 40 CFR Part 60 Subpart OOO (Non-metallic mineral processing), as well as Title V and Compliance Assurance Monitoring (CAM) provisions as specified in 25 Pa. Code § 127.511 and 40 CFR Part 64, respectively. Based on this finding, the Department proposes to issue a plan approval for the proposed construction and other changes previously listed. The emission from each proposed new sources and modification included in this project is being permitted to not exceed the following limits: The total combined fugitive particulate matter emissions from the Source P122 gypsum unloading operation including truck traffic as authorized to be modified upon project startup shall not exceed the existing PTEs of 30.49 tons in any twelve consecutive month period, and its total combined allowable fugitive PM₁₀ or PM_{2.5} shall not exceed 5.98 tons in any twelve consecutive month period. In addition, the total combined fugitive particulate matter emissions from Source P119 including truck traffic as authorized to be modified shall not exceed 17.19 tons in any twelve consecutive month period, and its total combined fugitive PM₁₀ or PM_{2.5} shall not exceed 9.09 tons in any twelve consecutive month period. No person may authorize the combined total annual fuel usage including the aggregate for Source IDs P101 and P102 and Source IDs P301 and P302 upon project startup to exceed 613,200 MMBtu/hr in order to maintain facility wide PTE less than 50 tons/yr. Additionally, the particulate emissions including PM filterable and condensable (total) from within the exhaust of new Source ID C301 and C302 for the new Source ID P301 and P302 natural gypsum roller mill/dryer operations shall not be in excess of the following limits: PM (total): 0.009 grain per dry standard cubic foot of effluent gas volume (gr/dscf); PM₁₀: 0.009 gr/dscf; and PM_{2.5}: 0.009 gr/dscf. In addition, the total annual emissions of PM (total), PM₁₀, and PM_{2.5} from each Source ID P301 and P302, including and C301 and C302, shall not exceed 6.75 tons in any twelve consecutive month period. Additionally, the nitrogen oxides (NO_x) emissions, expressed as NO₂, by the Source ID P301/P302 natural gypsum roller mill/dryer operation shall not exceed 0.048 pound per million Btu of heat input (each). In addition, the total annual emissions of NO_x from Source ID 301/P302 shall not exceed 3.57 tons in any twelve consecutive month period (each). Moreover, the carbon monoxide (CO) emissions by each the Source ID P301/P302 natural gypsum

roller mill/dryer operations shall not exceed 0.20 pound per million Btu of heat input. In addition, the total annual emissions of CO from Source ID P301/P302 shall not exceed 14.9 tons in any twelve consecutive month period (each). The volatile organic compound (VOC) emissions, expressed as propane, by each of the Source ID P301/P302 natural gypsum roller mill/dryer operations shall not exceed 0.02 pound per million Btu of heat input. In addition, the total annual emissions of VOC from Source ID P301/P302 shall not exceed 1.50 tons in any twelve consecutive month period (each) and the total annual emissions of HAPs from Source ID P301/P302 shall not exceed 0.2 ton in any twelve consecutive month period (each). Lastly, the permittee shall only use natural gas as fuel to operate the burner associated with Source ID P301/P302 which has a heat input of 17 MMBtu/hr. Additionally, the total particulate emissions from the exhaust of the Source ID C117 collector as modified upon project startup to control the new Source ID P119A crusher operation shall not be in excess of the following limitations: PM (total): 0.009 grain per dry standard cubic foot of effluent gas volume (gr/dscf); PM₁₀: 0.009 gr/dscf; and PM_{2.5}: 0.009 gr/dscf. In addition, the total annual emissions of PM and PM₁₀ from the Source ID C117 collector exhaust shall not exceed 0.56 lb/hr and 2.5 tons in any twelve consecutive month period and the annual total emissions of PM_{2.5} from the Source ID C117 collector exhaust shall not exceed 1.9 tons in any twelve consecutive month period, upon project startup, replacing existing restrictions under Source ID P117 of TVOP 17-00001 upon project startup. In addition, the total annual emissions of PM (total) and PM₁₀ from the Source ID P119A crusher operation shall not exceed 0.23 ton in any twelve consecutive month period, and its annual total emissions of PM_{2.5} shall not exceed 0.17 ton in any twelve consecutive month period. Moreover, no more than 1,100,000 tons of synthetic gypsum and natural gypsum on a combined sum total basis shall be processed at this facility in any 12 consecutive month period upon project startup. In addition, no more than 1,100,000 tons of synthetic and natural gypsum materials shall be delivered to the facility by railcar or truck in any 12 consecutive month period. Any portion of this combined throughput may be delivered by railcar and any portion may be delivered by truck. The limits replace the existing throughput conditions upon project startup and following the cessation of permitted synthetic gypsum materials as delivered by the conveyor. In addition to the above emission and throughput limitations, upon project startup, the following is a brief description of the conditions the Department intends to place in the plan approval in order to ensure compliance with all applicable air quality regulatory requirements. The plan approval includes initial performance testing on the new natural gypsum dryer/roller mills and the upstream crusher, stockpiling and unloading operations associated with project startup; required monitoring including not limited to the bag leak detection monitoring for the new roll mill baghouses and differential pressure for the existing smaller collector for the new crusher; and recordkeeping of the total amounts of all natural gypsum deliveries in addition to synthetic gypsum delivered to the facility, as well as the fuel usages (MMBtu/yr) in order to verify compliance with the respective combined throughput restrictions previously listed; as well as semi-annual reporting of required monitoring, work practices and other additional requirements as necessary to verify compliance in accordance with all applicable regulatory requirements within 25 Pa. Code Chapters 121–145. The facility is a major Title V facility. If the Department determines that the sources are constructed and operated

in compliance with the plan approval conditions and the specification of the application for Plan Approval 47-00014E, the requirements established in the plan approval will be incorporated into Title V Operating Permit (TVOP) 47-00014 pursuant to the administrative amendment provisions of 25 Pa. Code § 127.450. 06-05069AE: East Penn Manufacturing Co., Inc., 102 Deka Rd., Lyon Station, PA 19536, Penn Township, **Berks County.** Application received: August 24, 2023. Plan Approval for the replacement of a 48,000 cfm cartridge collector C81/C81A with one new 120,000 cfm fabric filter dust collector with a HEPA filter at the S-1 Facility. The plan approval also includes the removal one flash dry oven and one pasting line controlled by C89/C89A. DEP's review of the information submitted by the applicant indicates that the air contamination sources as constructed or modified will comply with all regulatory requirements pertaining to air contamination sources and the emission of air contaminants including the best available technology requirement (BAT) of 25 Pa. Code §§ 127.1 and 127.12, and 25 Pa. Code § 123.13 for particulate matter. Based on these findings, the Department proposes to issue a plan approval for the proposed construction. If, after the project has been implemented, the Department determines that the sources are constructed and operated in compliance with the plan approval conditions and the specification of the application for plan approval, the requirements established in the plan approval will be incorporated into an Operating Permit pursuant to the administrative amendment provisions of 25 Pa. Code § 127.450.

30-00258: ECC Windsor, Inc., 1919 14th Street, Suite 700, Boulder, CO 80203, Richhill Township, **Greene County.** Application received: November 22, 2023. In accordance with 25 Pa. Code § 127.465, natural minor operating permit modification for a mine methane flaring project consisting of two (2) John Zink Company, LLC ZTOF6X30 enclosed flares located in Richhill Township, Greene County at coordinates 39.8994276, -80.483075. The facility's potential emissions are estimated to be 13.2 TPY NO_x, 49.5 TPY CO, 2.8 TPY VOC, 4.4 TPY PM, and 34,947 TPY CO_{2e}. This facility is subject to the applicable requirements of 25 Pa. Code Chapters 121–145. The proposed modification is to remove the requirement that the annual gas analysis be analyzed using an ISO 17025 accredited laboratory. The requirement to conduct a gas analysis at a minimum of once per calendar year remains. Those who wish to provide the Department with additional written information that they believe should be considered prior to the modification of the State-Only Operating Permit may submit the information to Tom Joseph, Facilities Permit Chief, Department of Environmental Protection, Southwest Regional Office, 400 Water-

front Drive, Pittsburgh, PA 15222. Written comments must contain the name, address and telephone number of the person submitting the comments, identification of the proposed Operating Permit (30-00258) and concise statements regarding the relevancy of the information or objections to issuance of the Operating Permit. A public hearing may be held, if the Department, in its discretion, decides that such a hearing is warranted based on the information received. All persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper or by the *Pennsylvania Bulletin*, or by telephone, where the Department determines such notification by telephone is sufficient. Written comments or requests for a public hearing should be directed to Tom Joseph, Environmental Engineering Manager, at the previously listed address. All comments must be received prior to the close of business 30 days after the date of this publication. The application, DEP's Review Memorandum, and the proposed permit are available for public review during normal business hours at DEP's Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222. A file review can be scheduled through the DEP's website at <https://www.dep.pa.gov/Citizens/PublicRecords/Pages/Informal-File-Review.aspx> or by contacting Tom Joseph, Facilities Permitting Chief, directly.

OPERATING PERMITS

Notice of Intent to Issue Title V Operating Permit(s) Under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter G.

40-00004, Silgan White Cap Corporation, 1190 Corporate Center Drive, Oconomowoc, WI 53066, Hazle Township, **Luzerne County**. Application received: November 27, 2023. The Department intends to issue a renewal Title V Operating Permit for their facility which manufactures and decorates metal closures for food and beverage packaging located in Hazle Township, Luzerne County. As a major source, the facility is subject to the Title V permitting requirements of the Clean Air Act Amendments as adopted by the Commonwealth under 25 Pa. Code Chapter 127, Subchapter G. The main sources at this facility consist of printing/coating lines, solvent clean-up, coating mix room, and an emergency generator. These sources also include regenerative thermal oxidizers, 4.5 and 9 MMBtu/HR, as control devices. These sources have the potential to emit major quantities of regulated pollutants above Title V emission thresholds. The proposed Title V operating permit contains applicable requirements for emission limitations, work practice standards, testing, monitoring, recordkeeping, and reporting standards used to verify facility compliance with Federal and State air pollution regulations.

41-00054, P-Stone, Inc., P.O. Box 254, Jersey Shore, PA 17740, Limestone Township, **Lycoming County**. Application received: February 21, 2023. To issue a renewal State Only Operating Permit for their stone crushing and agricultural limestone production facility. The facility's main sources include a stone crushing plant with the air contaminants controlled by a wet dust suppression system and a fabric collector and a limestone processing operation with the air contaminants controlled by a fabric collector. This facility has the potential to emit all criteria pollutants below the major emission thresholds. The renewal State Only Operating Permit contains all applicable regulatory requirements including monitoring, recordkeeping and reporting conditions. These operating permit conditions have been derived from the applicable requirements of 25 Pa. Code Chapters 121—145. All pertinent documents used in the evaluation of the application are available for public review during normal business hours at the Department's Northcentral Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701. Actual emissions from the facility in 2022 were estimated at 21.43 tpy VOC, 6.14 tpy of combined HAPs & 3.46 tpy of a single HAP (xylenes). The Operating Permit will include emission limits and work practice standards along with monitoring, recordkeeping and reporting requirements to ensure the facility complies with the applicable air quality regulations. Among other items, the conditions include provisions derived from 25 Pa. Code §§ 129.52 and 129.101—129.107.

67-05140, Bulk Dried Materials, LLC, 900 N. Hartley Street, York, PA 17404, City of York, **York County**. Application received: April 11, 2023. To issue a State Only Operating Permit for their thermal sand drying process. The potential emissions from the facility are estimated at 1.59 tpy of NO_x, 1.34 tpy of CO, 10.56 tpy of PM₁₀, 0.01 tpy of SO_x, 0.09 tpy of VOCs and 0.03 tpy of HAPs. The Operating Permit will include emission limits and work practice standards along with monitoring, recordkeeping and reporting requirements to ensure the facility complies with the applicable air quality regulations.

15-00054, Highway Materials Inc/Malvern Asphalt Plant, 680 Morehall Rd, Frazer, PA 19355, East Whiteland Township, **Chester County**. Application received: July 27, 2023. This action is for the renewal of the State Only Operating Permit for Highway Materials, Inc. Highway Materials, Inc. operates a hot mix batch asphalt plant, consisting of a rotary dryer which primarily burns natural gas, but is also approved to burn propane and various liquid fuels. Air emissions from the asphalt plant are controlled by a knockout box and baghouse dust collector. The permit authorizes the operation of portable aggregate processing equipment powered by diesel-fired engines. The permit will also be amended to incorporate the requirements of plan approval 15-0054D, which revised the emission limits of the asphalt plant in accordance to the facility's most recent stack test. There have been no physical changes or modifications made to the asphalt plant since the permit was last amended in 2021. Highway Materials, Inc. is categorized as a synthetic minor facility because the facility has taken limits to keep the potential to emit below major source thresholds. The permit includes monitoring, recordkeeping and reporting requirements to address all applicable air quality requirements. Anyone wishing to request information regarding this action can do so by contacting the Southeast Regional Office through the contact person in the previously listed header. Comments on the draft permit can be submitted through the Air Quality resource account at RA-EPSEROAQPUBCOM@pa.gov.

COAL & NONCOAL MINING ACTIVITY APPLICATIONS

Applications under the Surface Mining Conservation and Reclamation Act (52 P.S. §§ 1396.1—1396.31); the

Noncoal Surface Mining Conservation and Reclamation Act (52 P.S. §§ 3301—3326); the Clean Streams Law (35 P.S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P.S. §§ 30.51—30.66); the Bituminous Mine Subsidence and Land Conservation Act (52 P.S. §§ 1406.1—1406.21).

Mining activity permits issued in response to such applications are also subject to applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P.S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P.S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P.S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (DEP). A copy of the application is available for inspection at the District Mining Office indicated above each application. Requests for 401 Water Quality Certifications are included in individual application only if noted.

Written comments or objections, or requests for an informal conference, or a public hearing, as applicable, on a mining permit application may be submitted by any person or any officer or head of any Federal, State or Local Government Agency or Authority to DEP at the address of the District Mining Office indicated above each application within 30-days of this publication, or within 30-days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public notices of filing of permit applications, opportunity for comment, and informal conferences). Such comments or objections should contain the name, address and phone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform DEP on the basis of comment or objection and relevant facts upon which it is based.

In addition, requests for an informal conference, or a public hearing, as applicable, on a mining permit application, as provided by 25 Pa. Code § 77.123 (relating to public hearing-informal conferences) or § 86.34 (relating to informal conferences), must also contain a brief summary of the issues to be raised by the requestor at the conference and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

Where a National Pollutant Discharge Elimination System (NPDES) number is listed, the mining activity permit application is associated with an application for an NPDES permit. A separate notice will be provided for the draft NPDES permit.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Effluent Limits—The following range of effluent limits (Table 1) will apply to NPDES permits issued in conjunction with the associated coal mining activity permit. Additional effluent limits will be listed as part of the publication of the draft NPDES permit.

Table 1

Parameter	30-Day Average	Daily Maximum	Instantaneous Maximum
Iron (total)	1.5 to 3.0 mg/l	3.0 to 6.0 mg/l	3.5 to 7.0 mg/l
Manganese (total)	1.0 to 2.0 mg/l	2.0 to 4.0 mg/l	2.5 to 5.0 mg/l
Suspended solids	10 to 35 mg/l	20 to 70 mg/l	25 to 90 mg/l
Aluminum (Total)	0.75 to 2.0 mg/l	1.5 to 4.0 mg/l	2.0 to 5.0 mg/l
pH must always be greater than 6.0; less than 9.0.			
Alkalinity must always be greater than acidity.

MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed National Pollutant Discharge Elimination System (NPDES) permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (DEP) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

Effluent Limits for Coal Mining Activities

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

Parameter	30-Day Average	Daily Maximum	Instantaneous Maximum
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH must always be greater than 6.0; less than 9.0.			
Alkalinity must always be greater than acidity.			

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Effluent Limits for Noncoal Mining Activities

The limits for noncoal mining activities as provided in 25 Pa. Code § 77.522 are pH 6 to 9 and other parameters DEP may require.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The following permit applications, requests for Environmental Assessment approval and requests for 401 Water Quality Certification have been received by the Department of Environmental Protection (DEP). Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341), requires the State to certify that the involved projects will not violate the applicable provisions of Sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317), as well as relevant State requirements. Individuals objecting to approval of a request for certification under Section 401 or to the issuance of a Dam Permit or Water Obstruction and Encroachment Permit, or the approval of an Environmental Assessment must submit any comments, suggestions or objections within 30-days of the date of this notice, as well as any questions to the office noted above the application. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed, and a concise statement of comments, objections or suggestions including the relevant facts upon which they are based.

The DEP may schedule a fact-finding hearing or an informal conference in response to comments if deemed necessary. Maps, drawings and other data pertinent to

the certification request are available for inspection between the hours of 8:00 a.m. and 4:00 p.m. on each working day at the office noted above the application.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

A temporary road crossing using timber mats and a 8-inch diameter natural gas pipeline impacting 6,418 square feet of an exceptional value palustrine scrub shrub (EV-PSS) wetland, 880 square feet of an exceptional value palustrine emergent (EV-PEM) wetland and 69 linear feet of an unnamed tributary to West Branch Stony Fork (EV) (Tiadaghton, PA Quadrangle 41.682442°, -77.4050786°);

2. A temporary road crossing using timber mats and a 8-inch diameter natural gas pipeline impacting 3,250 square feet of an exceptional value palustrine scrub shrub (EV-PSS) wetland, 280 square feet of an exceptional value palustrine emergent (EV-PEM) wetland and 50 linear feet of an unnamed tributary to West Branch Stony Fork (EV) (Tiadaghton, PA Quadrangle 41.680565°, -77.3967999°);

3. A temporary road crossing using timber mats and a 8-inch diameter natural gas pipeline impacting 752 square feet of an exceptional value palustrine scrub shrub (EV-PSS) wetland, 248 square feet of an exceptional value palustrine emergent (EV-PEM) wetland (Tiadaghton, PA Quadrangle 41.680409°, -77.3965706°).

The project will result in 119 linear feet of temporary stream impacts and 11,828 square feet (0.272 acre) of temporary wetland impacts all for the purpose of installing a natural gas pipeline in Delmar and Shippen Township, Tioga County.

ACTIONS

THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

FINAL ACTIONS TAKEN FOR NPDES PERMITS AND WQM PERMITS

The Department of Environmental Protection (DEP) has taken the following actions on previously received applications for new, amended, and renewed National Pollutant Discharge Elimination System (NPDES) and Water Quality Management (WQM) permits, applications for permit waivers, and Notice of Intent (NOIs) for coverage under General Permits, as listed in the following tables. This notice of final action is published in accordance with 25 Pa. Code Chapters 91, 92a, and 102 and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P.S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376). The official file for each listed action can be reviewed at the DEP or delegated County Conservation District (CCD) office identified in the table for the action. DEP/CCD office contact information is listed as follows for Section I and is contained within the table for Section II. Additional information for permits issued under 25 Pa. Code Chapters 91 and 92a and Individual permits under 25 Pa. Code Chapter 102, including links to Individual Chapter 92a NPDES and WQM Permits, may be reviewed by generating the “Final Actions Report” on DEP’s website at www.dep.pa.gov/CWPublicNotice.

DEP office contact information to review official files relating to the final actions in Section I is as follows:

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act (35 P.S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to Administrative Agency Law).

The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717-787-3483. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law. For individuals who wish to challenge an action, the appeal must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board. Individuals who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at 717-787-3483 for more information. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at 717-787-3483. Important legal rights are at stake, however, so individuals should contact a lawyer at once.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

For actions taken on applications for pipelines that are regulated by the Federal Energy Regulatory Commission (FERC).

Any person aggrieved by this action may challenge it in an appropriate legal forum. The State and Federal courts are currently split on whether the proper forum to challenge a Department permit, authorization or approval for a facility or activity subject to the Federal Natural Gas Act, 15 U.S.C.A. §§ 717 et seq., is the United States Court of Appeals for the Third Circuit or the Pennsylvania Environmental Hearing Board. **STATE CONSERVATION COMMISSION
NUTRIENT MANAGEMENT PLANS RELATED TO APPLICATIONS FOR
NPDES PERMITS FOR CAFOs**

The State Conservation Commission has taken the following actions on previously received applications for nutrient management plans under 3 Pa.C.S. Chapter 5, for agricultural operations that have or anticipate submitting applications for new, amended or renewed NPDES permits or NOIs for coverage under a general permit for CAFOs under 25 Pa. Code Chapter 92a. This notice is provided in accordance with 25 Pa. Code Chapter 92a and 40 CFR Part 122, implementing The Clean Streams Law and the Federal Clean Water Act.

Persons aggrieved by an action may appeal under 3 Pa.C.S. § 517, section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704 to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717-787-3483. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin*. Copies of the appeal form and the Board’s rules of practice and procedure may be obtained from the Board. The appeal form and the Board’s rules of practice and procedure are also available in Braille or on audiotape from the Secretary of the Board at 717-787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge actions, appeals must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for pro bono representation. Call the Secretary of the Board at 717-787-3483 for more information.

PUBLIC WATER SUPPLY PERMITS

The Department has taken the following actions on applications received under the Pennsylvania Safe Drinking Water Act (35 P.S. §§ 721.1—721.17) for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717-787-3483. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board’s rules of practice and procedure may be obtained from the Board. The appeal form and the Board’s rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at 717-787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board.

Individuals in need of accommodations should contact the Environmental Hearing Board through the Pennsyl-

vania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at 717-787-3483 for more information.

stations for the conveyance of the sewage. Permits must be obtained by the municipality.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 2

The Following Plans and Reports Were Submitted Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.908).

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P.S. §§ 6026.301—6026.308) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995 PREAMBLE 3

The Department Has Taken Action on the Following Plans and Reports Under the Land Recycling and Environmental Remediation Standards Act (35 P.S. §§ 6026.101—6026.907).

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or non-residential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan,

is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The DEP may approve or disapprove plans and reports submitted. This notice provides DEP's decision and, if relevant, the basis for disapproval.

For further information concerning plans or reports, please contact the Regional Office Program Manager previously listed in the notice.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

10-00303: CUE, Inc., 11 Leonberg Rd, Cranberry Township, PA 16066-3601, Cranberry Township, **Butler County**. The Department issued the renewal State Only Synthetic Minor Operating Permit for the manufacturing facility. The facility's primary emission sources include natural gas combustion sources, casting machines (11), adhesive application, mold cleaning, and a degreasing unit. The potential emissions of the primary pollutants from the facility after permit limitations are as follows: 6.74 TPY NO_x, 1.35 TPY CO, 47.00 TPY VOC, 3.83 TPY HAPs, 0.68 TPY PM₁₀ and PM_{2.5}, and 0.04 TPY SO_x. The facility is a synthetic minor and has taken throughput limits on the processes so as not to exceed 47 tons per year of VOC emissions. Additionally, the adhesive application's throughput limit is limited by its HAP emission restriction of 3.7 tons per year. The adhesive application is subject to 25 Pa. Code 129.77 for control of emissions from the use or application of adhesives, sealants, primers and solvents. The renewal permit contains emission restrictions, recordkeeping, work practices, and additional requirements to ensure compliance with the Clean Air Act and the Air Pollution Control Act. FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The Department of Environmental Protection (DEP) has taken the following actions on previously received permit applications, requests for Environmental Assessment approval, and requests for Water Quality Certification under Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341).

Except as otherwise noted, DEP has granted 401 Water Quality Certification certifying that the construction and operation described will comply with the applicable provisions of Sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317), and that the construction will not violate applicable Federal and State Water Quality Standards.

Individuals aggrieved by these actions may appeal, pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. § 7514, and the Administrative Agency Law, 2 Pa.C.S. Chapter 5A, to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg,

PA 17105-8457, 717-787-3483. Appeals must be filed with the Environmental Hearing Board within 30-days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at 717-787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

If you want to challenge this action, your appeal must reach the Board within 30-days. You do not need a lawyer to file an appeal with the Board.

Individuals in need of accommodations should contact the Environmental Hearing Board through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Important legal rights are at stake, however, so you should show this notice to a lawyer at once. If you cannot afford a lawyer, you may qualify for free pro bono representation. Call the Secretary to the Board 717-787-3483 for more information.

EROSION AND SEDIMENT CONTROL

The following Erosion and Sediment Control permits have been issued.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717-787-3483. Appeals must be filed with the Board within 30-days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the

Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at 717-787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30-days. A lawyer is not needed to file an appeal with the Board.

Individuals in need of accommodations should contact the Environmental Hearing Board through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at 717-787-3483 for more information.

CORRECTIVE ACTION UNDER ACT 32, 1989

PREAMBLE 2

The Following Plan(s) and Report(s) Were Submitted Under the Storage Tank and Spill Prevention Act (35 P.S. §§ 6021.101—6021.2104).

Provisions of 25 Pa. Code Chapter 245, Subchapter D, Administration of the Storage Tank and Spill Prevention Program, require the Department of Environmental Protection (DEP) to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A remedial action plan is submitted to summarize the site characterization, document the design and construction details for the remedial action, and describe how the remedial action will attain the selected remediation standard. The remedial action plan also provides results of studies performed and data collected to support the remedial action and a description of postremediation care requirements. A remedial action completion report is submitted to document

cleanup of a release of a regulated substance at a site to the selected remediation standard. A remedial action completion report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected.

For further information concerning plans or reports, please contact the Regional Office Program Manager previously listed in the notice.

Individuals in need of accommodations should contact DEP through the Pennsylvania Hamilton Relay Service at (800) 654-5984 (TDD users) or (800) 654-5988 (voice users).

Applications for Reimbursement for Certified Host Municipality Inspectors under Act 101 (Section 1102), the Municipal Waste Planning, Recycling and Waste Reduction Act of 1988, and Act 108 (Section 304), the Hazardous Sites Cleanup Act of 1988

The Department of Environmental Protection (Department) announces the submission deadline for the 2023 Host Municipality Inspector Program (Program) reimbursement applications. Reimbursements are available to municipalities under the Municipal Waste Planning, Recycling and Waste Reduction Act (Act 101) (53 P.S. §§ 4000.101—4000.1904) and the Hazardous Sites Cleanup Act (Act 108) (35 P.S. §§ 6020.101—6020.1305). Municipalities include cities, boroughs, incorporated towns, townships and home rule municipalities.

Reimbursements are allocated from the Recycling Fund authorized under Act 101 for municipal waste facilities, or from the Hazardous Sites Cleanup Fund under Act 108 for hazardous waste facilities. Reimbursements are available to any municipality that has a municipal waste landfill, resource recovery facility or commercial hazardous waste storage, treatment and disposal facility located within its geographic borders. Upon application from any host municipality, the Department shall award reimbursements for authorized costs incurred for the salary and expenses of up to two certified Host Municipality Inspectors. The reimbursement shall not exceed 50% of the approved costs of salaries and expenses. Reimbursement is available only for Host Municipality Inspectors trained and certified by the Department.

Questions regarding the Program and the grant application should be directed to Laura Henry, Bureau of Waste Management, at lahenry@pa.gov or (717) 772-5713. Additional information is also available on the Department's web site at www.dep.pa.gov (search term: "Host Municipality Inspector").

Applications must be submitted prior to 11:59 p.m. on March 31, 2024, through the Department of Community and Economic Development's Electronic Single Application for Assistance web site at <https://www.esa.dced.state.pa.us/Login.aspx>. Applications submitted after the deadline or through another delivery method will not be considered.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

County Recycling Coordinator Grant Program under Section 903 of Act 101 (Municipal Waste Planning, Recycling and Waste Reduction Act of 1988)

The Department of Environmental Protection (Department) announces the application period for Calendar Year 2023 under section 903 of the Municipal Waste Planning, Recycling and Waste Reduction Act of 1988 (Act 101) (53 P.S. § 4000.903) will open on January 1, 2024. Only county governments within this Commonwealth are eli-

gible to apply. Documents for this grant can be found on the Department's web site at www.dep.pa.gov (select "Grants" and under "Local and State Governments" select "903 County Recycling Coordinator Grant—for county recycling coordinator positions").

Application Requirements

The following documents are required to complete this grant application. Only the latest version of these forms will be accepted, unless otherwise directed. Do not submit any additional documentation with the application materials unless specifically requested. Documents must be properly completed for an application to be approved.

1. The 903 Application Spreadsheet (an Excel spreadsheet with three tabs—an Activities & Expenses Log, Wages & Benefits Log and County Expenses & Reimbursement Log (Department Use Only)).

2. Application for Reimbursement for a County Recycling Coordinator (Section A—F Form).

3. Expense documentation, such as any receipts/invoices and proof of payments necessary for requested reimbursements. Proof of payment can be in the form of an invoice showing a zero balance, paid receipt, cleared check (both sides) or bank/credit card statement showing that the county paid the fees for the requested reimbursement. Submit all expense documentation as one file. *Note:* Black out any personal/account information, as documentation will be placed in the Department's filing system.

4. The Worker Protection & Investment Certification Form. Properly fill out and have signed by the appropriate official.

5. If the designated County Recycling Coordinator (CRC) is an outside contractor*, the county must include with the grant application submission an agreement or Memorandum of Understanding (MOU) between the county and the person designated as the CRC. If there are multiple documents, submit documentation as one file.

* An outside contractor is any individual who does not work as an employee for the represented county, such as an employee of a private or public organization, an employee of a Solid Waste Authority or a private individual. An organization that contracts with the county must assign one individual to conduct the CRC responsibilities.

The agreement or MOU must also include the following:

a. Name of the organization or person, or both, who will perform the duties of the CRC.

b. Details of the duties of the organization or person, or both.

c. Percentage of salary, benefits, expenses, and the like, the organization or person, or both, incurs that the county will reimburse that organization or person, or both.

d. Detailed expectations (goals) the county has of the organization or person, or both, performing the recycling duties.

e. Must be signed and dated by all parties of the agreement or MOU and include effective dates.

Eligibility Requirements

Applicants must be in compliance with the provisions of Act 101 to receive grant funding reimbursements. Applicants who are not in compliance with Act 101 and Annual Reporting requirements will not be considered.

It is expected the designated CRC will perform duties in addition to completing grant applications. These duties include, but are not limited to, improving collection methods, increasing the tonnages of recyclables collected, educating county residents about recycling, assisting municipalities with recycling, updating and maintaining required surveys in the County Recycling Report Program and Recycling & Compost Facility Directory in Re-TRAC Connect and other recycling related activities. A more detailed list of these responsibilities is found under the "Pennsylvania County Recycling Coordinator Responsibilities" section within the "Pennsylvania County Recycling Coordinator Grant 903 Program Information Instructions" on the Department's web site.

To have training/out-of-State travel reimbursed that is: 1) greater than 300 miles from workplace or residence; or 2) includes expenses totaling \$300 or greater, at least 1 month prior to the actual training/travel event, a current Bureau of Waste Management Travel Request Form, along with an itinerary, must be submitted for approval to the designated Regional Recycling Coordinator and 903 County Recycling Program Grant Coordinator. These requirements are also required for virtual training with a company whose home address is out-of-State. This form is available on the Department's web site.

Eligible/Ineligible Costs

Counties are eligible for 50% reimbursement grants for the approved salary and expenses of employing a CRC. Applicants must specify only one individual to perform the CRC position for the purpose of reimbursement under section 903 of Act 101. Two individuals (for example, county employee and contractor or contractor's employee) cannot share the same position concurrently.

Eligible CRC costs include:

- 50% of salary/wages while conducting CRC recycling duties. For more information, see the "Activities Eligible for Reimbursement for County Recycling Coordinator Grant Applications" section in the "Pennsylvania County Recycling Coordinator Grant 903 Program Information Instructions" document on the Department's web site.

- 50% of CRC's employer costs for social security, workers' compensation, unemployment compensation and other approved benefits.

- 50% of expenses directly related to recycling.

Eligible recycling expenses include (Training/travel costs must follow State guidelines for reimbursement.):

- Training/travel costs directly related to recycling programs that occur within this Commonwealth.

- Pre-approved training/travel costs related to recycling programs that occur outside of this Commonwealth.

- Recycling program registration and membership fees.

Under this grant program, the following will not be eligible for reimbursement:

- Permit application activities not related to recycling.

- Consulting fees for technical consultation on specific permits.

- Clerical activities, including for example, the dropping off or picking up of mail, timesheets, paychecks, bank deposits and the like.

- Office equipment, office maintenance, cell phones and Internet subscription and access fees.

- Office supplies, duplicating and postage.

- Clothing allowances.
- Mileage driven to collect recyclables.
- Mileage driven between county offices employed.
- Other operational expenses (for example, driving vehicles for inspection, repair, and the like).

Further information regarding eligible and ineligible costs are listed in the “Pennsylvania County Recycling Coordinator Grant 903 Program Information Instructions” document on the Department’s web site.

Application Deadline

Grant applications must be submitted online through the Commonwealth’s Electronic Single Application web site, eGrants, at www.esa.dced.state.pa.us. The Department will begin accepting applications on January 1, 2024. Applications must be received on or before April 30, 2024, at 11:59 p.m. for the previous calendar year (January 1, 2023—December 31, 2023), to be eligible for funding. Applications will not be accepted after the deadline. Grant awards are predicated on the receipt of recycling fees required by sections 701 and 702 of Act 101 (52 P.S. §§ 4000.701 and 4000.702) and the availability of moneys in the Recycling Fund.

Contact Information

Inquiries concerning this notice should be directed to John Nantz, 903 Recycling Grants Coordinator, Department of Environmental Protection, Rachel Carson State Office Building, Bureau of Waste Management, Division of Waste Minimization and Planning, P.O. Bureau of Operations; Manual on Uniform Traffic Control Devices

The Department of Transportation (Department), Bureau of Operations, Highway Safety and Traffic Operations Division, under 75 Pa.C.S. § 6103(c) (relating to promulgation of rules and regulations by department), gives notice that:

1) The Manual on Uniform Traffic Control Devices (MUTCD) 11th (2023) Edition Final Rule was published by the Federal Highway Administration (FHWA) at 88 FR 87672 (December 19, 2023). The effective date of the final rule is January 18, 2024.

2) In accordance with 23 CFR 655.603(b)(3) (relating to standards), states or other Federal agencies that have their own MUTCDs or supplements shall revise these MUTCDs or supplements to be in substantial conformance with changes to the National MUTCD within 2 years of the effective date of the final rule for the changes. Substantial conformance of state or other Federal agency MUTCDs or supplements shall be as defined in 23 CFR 655.603(b)(1).

3) Section 212.2(b) of 67 Pa. Code (relating to adoption of Federal standards) provides that, in accordance with 75 Pa.C.S. § 6103(d), if the MUTCD is amended or modified by the FHWA, the amendment will take effect on the effective date specified by the FHWA unless the Department publishes a notice in the *Pennsylvania Bulletin* stating that the amendment or modification will not apply.

4) The Department has determined that the MUTCD 11th (2023) Edition includes a number of changes from the previous MUTCD 10th (2009) Edition that will require review and adjustments to policies and guidelines prior to adoption.

5) To ensure that a comprehensive review of the MUTCD 11th (2023) Edition can be performed without disruption to the regulated community that must comply with 67 Pa. Code Chapter 212 (relating to official traffic-control devices) when installing and maintaining traffic control devices on public streets, highways, bikeways and private roads open to public traffic, the Department gives notice that the amendments and modifications in the MUTCD 11th (2023) Edition will not apply until the time a comprehensive review can be accomplished and further notice in the *Pennsylvania Bulletin* can be given regarding the new amendments and modifications.

6) Until further notice is provided in the *Pennsylvania Bulletin*, the provisions of the MUTCD 10th (2009) Edi-

tion shall continue to provide the standards applicable in this Commonwealth under 67 Pa. Code Chapter 212.

FISH AND BOAT COMMISSION

Temporary Change to Fishing Regulations; 58 Pa. Code § 61.2. Delaware River, West Branch Delaware River and Estuary

The Executive Director of the Fish and Boat Commission (Commission), acting under the authority of 58 Pa. Code § 65.25 (relating to temporary changes to fishing regulations), has taken immediate action to amend 58 Pa. Code § 61.2 (relating to Delaware River, West Branch Delaware River and River Estuary). The Executive Director has amended this section to reduce the maximum legal harvestable length in the striped bass slot limit from less than 35 inches to less than 31 inches from the Commonwealth line upstream to Calhoun Street Bridge (Delaware Estuary) from January 1 through March 31 and June 1 through December 31 and from the Calhoun Street Bridge upstream (Delaware River) year-round. Daily limits, seasons and gear restrictions will remain the same. These actions are being taken to meet the requirements of the Atlantic States Marine Fisheries Commission (ASMFC).

At its May 2023 quarterly meeting, the ASMFC's Atlantic Striped Bass Management Board, which includes the Commonwealth as a member, approved an emergency action to implement a 31-inch maximum size limit for Atlantic striped bass recreational fisheries, effective immediately for no less than 180 days (October 28, 2023). The Executive Director, acting under the authority of 58 Pa. Code § 65.25, took immediate action to amend 58 Pa. Code § 61.2 to comply with this emergency action. These temporary modifications effected under this authority will expire on January 1, 2024. At its August 2023 quarterly meeting, the ASMFC's Atlantic Striped Bass Management Board extended the May emergency action through October 28, 2024, unless sooner replaced by Draft Addendum II to Amendment 7 to the Interstate Fishery Management Plan for Atlantic Striped Bass.

As outlined in the ASMFC's Interstate Fisheries Management Program Charter, a management board can take emergency action to address circumstances under which public health, the conservation of coastal fishery resources or attainment of fishery management objectives has been placed at substantial risk by unanticipated changes in the ecosystem, the stock or the fishery. These actions respond to the unprecedented magnitude of 2022 recreational harvest, which was nearly double that of 2021 and to new stock rebuilding projections which estimate the probability of the rebuilding the spawning

stock to its biomass target by 2029 at less than 15% if the higher 2022 fishing mortality rate continues in subsequent years. Previous projections under the lower 2021 fishing mortality rate estimated the rebuilding probability at 97%. Additionally, the ASMFC implemented the emergency 31-inch maximum size limit through October 28, 2024, to reduce harvest of the strong 2015-year class. Jurisdictions are required to implement the measure so that continuity in regulations are maintained through this time period. The ASMFC may extend the emergency action for one more additional period of up to 1 year at a future meeting. The temporary change to 58 Pa. Code § 61.2 is designed to meet this objective.

To address the coast-wide regulation directed by the ASMFC, the Commission's Executive Director has taken immediate action to make the following modifications to fishing regulation:

§ 61.2. Delaware River, West Branch Delaware River and River Estuary.

* * * * *

(e) The following seasons, sizes and creel limits apply to the Delaware River, West Branch Delaware River and Delaware River tributaries from the mouths of the tributaries upstream to the limit of the tidal influence and the Lehigh River from its mouth upstream to the first dam in Easton, Pennsylvania:

<i>SPECIES</i>	<i>SEASONS</i>	<i>MINIMUM SIZE</i>	<i>DAILY LIMIT</i>
	* * * * *		
STRIPED BASS and HYBRID STRIPED BASS	From Pennsylvania line upstream to Calhoun Street Bridge: January 1 until March 31 and June 1 until December 31.	28 to less than [35] 31 inches	1
	April 1 through May 31	21 to less than 24 inches	2
	From Calhoun Street Bridge upstream: open year-round	28 to less than [35] 31 inches	1
	* * * * *		

The Executive Director will cause these temporary modifications to fishing regulations to be posted in the vicinity of the regulated waters, and the modified regulations will be fully effective and enforceable when so posted. These temporary modifications will remain in effect until January 1 of the following year or 6 months after they are effected, whichever comes later unless the Commission shall by then, by appropriate action, have approved the designation or redesignation of waters or shall have approved the revision to the regulation in question.

Executive Director

Notice of Comments Issued

Section 5(g) of the Regulatory Review Act (71 P.S. § 745.5(g)) provides that the Independent Regulatory Review Commission (Commission) may issue comments within 30 days of the close of the public comment period. The Commission comments are based upon the criteria contained in section 5.2 of the Regulatory Review Act (71 P.S. § 745.5b).

The Commission has issued comments on the following proposed regulation. The agency must consider these comments in preparing the final-form regulation. The final-form regulation must be submitted within 2 years of the close of the public comment period or it will be deemed withdrawn.

7-577	Environmental Quality Board Triennial Review of Water Quality Standards 53 Pa.B. 6170 (October 7, 2023)	11/21/23	12/21/23

**Environmental Quality Board Regulation # 7-577
(IRRC # 3383)**

Triennial Review of Water Quality Standards

December 21, 2023

We submit for your consideration the following comments on the proposed rulemaking published in the October 7, 2023 *Pennsylvania Bulletin*. Our comments are based on criteria in Section 5.2 of the Regulatory Review Act (RRA) (71 P.S. § 745.5b). Section 5.1(a) of the RRA (71 P.S. § 745.5a(a)) directs the Environmental Quality Board (Board) to respond to all comments received from us or any other source.

1. Protection of the public health, safety, and welfare; Reasonableness.

In this proposed regulation, the Board is revising water quality standards for the Commonwealth as part of its triennial review of water quality standards. Commenters have concerns about certain criteria proposed by the Board.

- In Table 5, the Board proposes to add a human health criterion of 0.3 micrograms per liter (mg/l) for 1,4-dioxane. The American Chemistry Council (ACC) asserts that this criterion is based on “the default assumption that there is no dose of the substance that does not present an increased cancer risk—no matter how small the increase.” ACC notes that both Health Canada and the World Health Organization recommend a drinking water level of 50 mg/l. Similarly, the Pennsylvania Chamber of Business and Industry contends that the Board “has not provided sufficient justification for moving the regulation of 1,4-[d]ioxane from what was formerly a stream segment specific standard in Chapter 16, Appendix A, Table 1A to a statewide [Ambient Water Quality Standard] in Chapter 93, Table 5.”

- Three Rivers Waterkeeper, citing multiple articles related to the harmful impacts of certain chemicals, opposes less stringent criteria for metolachlor, formaldehyde, acetone, resorcinol, and chloroform, stating, “Without scientific proof that the less stringent standards will not harm public health and our environment via acute and chronic exposure, standards should not be less stringent.”

We ask the Board to explain the reasonableness of revisions to the above criteria in the final regulation and how the criteria protect the public health, safety, and welfare.

Other commenters ask the Board to consider adopting additional criteria.

- The U.S. Environmental Protection Agency (EPA), Region III, recommends the Board adopt nutrient criteria for the protection of lakes and reservoirs derived using the models found in the 2021 document *Ambient Water Quality Criteria to Address Nutrient Pollution in Lakes and Reservoirs*.

- The EPA encourages the Board to adopt the EPA’s 2001 recommended criterion for methylmercury for the protection of human health.

- The EPA asks the Board to consider revising its aquatic life criteria for aluminum, copper, and selenium to be consistent with the EPA’s recommendations.

- PennFuture asks the Board to protect aquatic life in Pennsylvania’s waters from discharges of chloride, asserting that elevated levels of chloride are toxic to aquatic life in freshwater environments, and that chloride can negatively affect the fish and insect community structure, diversity, and productivity, even at lower levels.

We ask the Board to explain how the final regulation protects public health, safety, and welfare as relates to these criteria.

2. Section 93.7. Specific water quality criteria.

Section 93.8c. Human health and aquatic life criteria for toxic substances.

Section 93.8e. Special criteria for the Great Lakes System.—Implementation.

In Sections 93.7(a), 93.8c(c), and 93.8e(b.1), the Board proposes to add language that clarifies the duration periods for the aquatic life criteria in Table 3, Table 5, and Table 6, respectively. In order to evaluate the impact of implementation of the revised criteria, the EPA requests that the Board provide the following additional information:

- Pennsylvania’s current method for averaging data points when evaluating monitoring data for assessment purposes;

- A rationale for not also proposing to adopt the frequency component of aquatic life criteria in this triennial review;

- Absent the adoption of the frequency component, what the Department will use for a maximum allowable frequency of exceedance of the criterion maximum concentration (CMC) and criterion continuous concentration (CCC); and

- A rationale for having different durations for the CMC and the CCC for the aquatic life water quality criteria for acrylonitrile, chlordane, 4,4-DDT, alpha-endosulfan, and beta-endosulfan.

We will review the Board’s response to the EPA relating to the impact of implementation of the revised criteria as part of our determination of whether the final-form regulation is in the public interest.

INSURANCE DEPARTMENT

Flood Insurance Premium Assistance Task Force; Request for Public Comments; Notice 2024-01

On November 1, 2023, Governor Josh Shapiro signed Act 22 (P.L. 154, No. 22) into law. Section 1.1 of Act 22 establishes the Flood Insurance Premium Assistance Task Force (Task Force) to review and analyze existing statutes, procedures, practices, processes and rules relating to the administration of flood insurance in this Commonwealth. The goal of the Task Force is to provide a report containing recommendations to the Governor and the General Assembly to increase flood insurance awareness, accessibility and affordability. Specifically, the recommendations in the report are to address each of the following areas:

- Potential programs that provide premium discounts.
- Potential programs that create incentives for local governments to undertake or continue flood mitigation efforts.
- The implementation of necessary changes in statutes or practices relating to the administration of flood insurance.
 - How to educate residents about the risk of flooding and ways to mitigate flood occurrences.
 - Steps that should be taken to inform residents about options available when purchasing flood insurance.
 - How to increase the number of people that purchase flood insurance.

Act 22 allows the Task Force to accept and review written comments from both individuals and organizations that will assist the Task Force in forming recommendations to increase awareness and access to affordable flood insurance coverage in this Commonwealth. As such, as Chairperson of the Task Force, the Insurance Commissioner is initiating a public comment period on behalf of the Task Force.

Submit all comments to Caroline Beohm, Director of Policy and Planning, Office of the Insurance Commissioner, 1326 Strawberry Square, Harrisburg, PA 17120. Comments may also be e-mailed to ra-in-policyoffice@pa.gov. Comments are requested by February 5, 2024, and will be forwarded to the Task Force for its consideration.

Tobacco Settlement Agreement Act; Tobacco Product Manufacturer Directory Act—Amendments

The Office of Attorney General has obtained the consent of the participating manufacturers under the Master Settlement Agreement required by Act 9 of 2023 (P.L. 47, No. 9) and Act 11 of 2023 (P.L. 51, No. 11), amending section 3 of the act of June 22, 2000 (P.L. 394, No. 54) and amending sections 102, 301, 303, 304, 305 and 306 and adding sections 312 and 313 to the act of December

30, 2003 (P.L. 441, No. 64). These amendments and additions modify the definition of units sold to apply to all cigarettes and roll-your-own tobacco on which State excise tax is due, not just product on which the tax is paid; make importers jointly and severally liable with nonparticipating manufacturers (NPM) for escrow that is due; require NPMs to post a surety bond upon specified terms, conditions and amount, and set forth the terms and conditions for executing on the bond; further delineate circumstances under which the Commonwealth will exclude an NPM from the tobacco product directory; provide new certification requirements related to identifying importers, posting of surety bonds and an importer declaration and appointment of an agent for service of process; further delineate and extend the scope of permissible disclosure and information sharing; and provide for other definitions and modified terms.

PENNSYLVANIA EMERGENCY MANAGEMENT AGENCY

Publication of Guidelines for the Disaster Recovery Assistance Program

This notice of publication of guidelines is for the Disaster Recovery Assistance Program (DRAP) as required by the act of July 11, 2022 (P.L. 540, No. 54), which added section 1735-F.1(3) of The Fiscal Code (72 P.S. § 1735-F.1(3)), and the act of December 13, 2023 (P.L. , No. 34), which added section 1735-F.3(3) of The Fiscal Code (72 P.S. § 1735-F.3(3)). DRAP is designed to provide disaster relief when other Federal, State, local, nongovernmental or private aid is not available to assist victims of disasters. DRAP is a State grant program that may offer relief to eligible homeowners and renters in this Commonwealth who have suffered certain losses due to a disaster and do not qualify for a Small Business Administration disaster loan or have insurance to cover their losses. DRAP is administered by the Pennsylvania Emergency Management Agency (Agency). The guidelines for activation, eligibility and application instructions are published on the Agency's web site at www.pema.pa.gov.

Disaster Recovery Assistance Program 2023 Guidance

PART I: RECOVERING FROM A DISASTER

Prevention, mitigation, preparedness, response, and recovery are the five phases of Emergency Management. The recovery phase of a disaster consists of those activities that continue beyond the emergency period to return a community to normal or near-normal conditions. Recovery activities include the restoration of basic services and the repair of physical, social, and economic damages. The goal of the recovery phase is to bring the affected area back to some degree of normalcy. After life-safety risks are addressed, some immediate actions you can take to aid the recovery process include:

- Take photos of your damaged home and belongings for your own records
- If you have insurance (such as flood, homeowners, renters, auto or other types of insurance), file a claim with your insurance provider as soon as possible

- Report your property damages to your community's emergency management coordinator

Reporting Damages is Critical to the Recovery Process:

If your home or property is impacted by a disaster, timely reporting of these damages to your community's emergency management coordinator is critical to the disaster recovery process. Reporting your damages as soon as possible enables officials to determine resources that may be available at the local, state, and federal levels to help recover from the disaster. Your action in promptly reporting damages is foundational to your community's recovery from a disaster.

Immediate and Long-Term Disaster Recovery Resources:

Disaster recovery is the cumulative effort of federal, state, county, and local governments in conjunction with non-governmental organizations and private industries pooling financial and personnel resources to assist disaster-impacted communities. Below are examples of potential resources that may be available to assist you with recovering from the impacts of a disaster:

Insurance is the first resource in recovering from a disaster. Contact your insurance agent or company representative to report your losses, review your coverage, and answer any questions. The Pennsylvania Insurance Department provides assistance with insurance related questions or issues and can be reached by calling 1-877-881-6388 or by visiting the Pennsylvania Insurance Department website.

Local programs and services may be available to assist with recovery efforts.

- Voluntary and Nonprofit Organizations are often ready to step in and help take care of immediate needs. These organizations may be able to assist with food and water, clothing, sheltering services, immediate debris clearance, home repair/cleanout, or address other immediate needs. Contact your local municipality or county for additional information. You may also contact relief agencies and local volunteer and faith-based communities directly. Resources can also be found on the Information and Referral line by dialing 2-1-1 or visiting <https://www.pa211.org/>.

- County Assistance Offices, which are part of the Pennsylvania Department of Human Services, may offer assistance and other services to people and families in need.

Federal assistance may be requested if the total amount of damages from the disaster exceeds thresholds established by the Federal Emergency Management Administration (FEMA). Damages that meet those thresholds may result in a federal disaster declaration. The importance of reporting your damages to the local emergency management coordinator as soon as possible cannot be over emphasized. In the absence of federal assistance, residents affected by a disaster may need to rely on personal resources and assistance from local programs and/or voluntary organizations.

U.S. Small Business Administration (SBA) offers low-interest disaster loans to eligible homeowners, renters, businesses of all sizes and certain private nonprofit organizations in areas where a physical disaster is declared by SBA. SBA is most often the primary form of federal assistance that becomes available in Pennsylvania.

- Physical Disaster Loans are for permanent rebuilding and replacement of uninsured or underinsured

disaster-damaged privately-owned real and/or personal property. SBA makes physical disaster loans to qualified homeowners, renters, businesses, and certain private nonprofit organizations.

The Disaster Recovery Assistance Program (DRAP) is designed to provide disaster relief when other local, state, federal, non-governmental, or private aid is not available to assist victims of disasters. DRAP is a state grant program that may offer relief to eligible homeowners and renters in Pennsylvania who have suffered certain losses due to a disaster and do not qualify for an SBA disaster loan or have insurance to cover their losses. DRAP is administered by the Pennsylvania Emergency Management Agency (PEMA).

PART II: 2023 DRAP GUIDELINES

Program Availability:

DRAP is made available when the following three criteria are met:

1. Federal Individual Assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act has not been authorized.
2. The U.S. Small Business Administration issues an administrative agency declaration of a physical disaster authorizing low interest loans to homeowners or renters.
3. The governor determines that the program should be activated.

When DRAP is activated, PEMA will define the disaster event and areas where DRAP is available pursuant to an SBA determination of an administrative agency declaration of a disaster. This information will be published by PEMA on its publicly available website and sent to appropriate local officials and to the public through all appropriate means under the circumstances.

Applicant Eligibility:

DRAP is designed to provide disaster relief when other local, state, federal, non-governmental, or private aid is not available to assist victims of disasters and the losses are not covered by insurance. DRAP funds are limited, and individuals are required to utilize insurance, SBA loans, and other disaster recovery assistance programs prior to seeking DRAP funds. Survivors of a declared disaster may receive a one-time grant of up to \$10,000 per household. To be eligible for DRAP:

1. Applicants must have suffered losses caused directly by the disaster and in the areas defined by PEMA. The applicant’s primary residence must be located:

- In a Pennsylvania county that is identified as a primary or contiguous county in an SBA administrative agency declaration of disaster as requested by the Governor of Pennsylvania; and
- In a municipality that issued a declaration of disaster emergency within two weeks of the disaster event.
- PEMA must have received at least one damage assessment report from the municipality that issued the declaration of disaster emergency.

○ In general, each local governmental entity and county has a process for reporting damages caused by a disaster. Individuals who are impacted by a disaster are encouraged to immediately inform their local emergency management coordinator. The local emergency management coordinator submits a report of the damage to the county emergency management agency. The county aggregates the information and submits the collected data to PEMA.

- PEMA will cross-check applications against damage assessments provided by the affected county’s emergency management office(s) to ensure the applicant’s residence appears on a list of known affected properties. If the applicant’s residence is not on a list of known affected properties, PEMA will work with the appropriate county officials or other stakeholders to determine whether the property was affected by the disaster.

- Businesses and secondary properties, such as vacation homes or investment properties, are not eligible for DRAP.

2. To be eligible for a DRAP grant, the homeowner or renter must first apply for a disaster loan through SBA and be denied because of inability to repay or inadequate credit.

- The SBA denial notification must be submitted with the DRAP application.

3. Eligibility to receive a DRAP grant is also based on annual household income. Households earning below 500% of the most recent National Federal Poverty Guidelines¹ published by the United States Department of Health and Human Services may be eligible to receive DRAP grants:

<ul style="list-style-type: none"> • Households with annual household income that is higher than the amounts in this table are not eligible to apply for DRAP grants. • Households with annual household income that is equal to or less than the amounts in this table must first apply for a disaster loan through SBA and be denied in order to be eligible to apply for a DRAP grant.¹

For purposes of DRAP:

- A household is an individual or group living together at one mailing address.
- Annual household income is the combined gross income of all members of the household in the preceding calendar year.
- Gross income is the total amount of money earned in a year before any taxes, healthcare or payroll or deductions are taken out. Gross income is different from net income. Net income is the money taken home after taxes and any deductions are removed.

DRAP Eligible Expenses

DRAP grants may help pay for losses that were a direct result of the disaster. Covered losses fit in to one of three categories.

1. Category 1—Home Repairs for the primary residence of eligible homeowners:

- For eligible homeowners, DRAP funds may be used to return the home to a safe, healthy, accessible, and weatherproof condition. DRAP grant funds may be eligible for the following home repairs category necessitated by a disaster:
 - Entrance or exit ways from the home to ensure safe access. This does not include improvements to entrance and exit ways.
 - Disaster related debris removal that causes a threat to health, safety, or access to the residence.
 - Structural damage to the home.
 - Windows, doors, floors, walls, ceilings, or cabinetry.
 - Septic or sewage systems.
 - Well or other water systems.
 - Heating, ventilation, or air conditioning systems.
 - Utilities, including electrical, plumbing and gas systems.
 - Blocking, leveling, and anchoring of a mobile home, and reconnecting or resetting its sewer, water, electrical, and fuel lines and tanks.
 - Permitting and inspection.
 - Other projects required to make the home safe, sanitary, and weatherproof.
- Applicants may receive up to \$10,000 for home repairs.
- Applicants must submit at least two quotes from two different contractors registered with the Office of Attorney General under the Home Improvement Consumer Protection Act (73 P.S. §§ 517.1—517.19) for a particular project and meet all other eligibility requirements to recover costs for home repairs. If an applicant has already had work performed, detailed receipts must be submitted.

2. Category 2—Temporary Housing

- For eligible homeowners and renters, DRAP funds may be used for temporary housing if the home is destroyed, uninhabitable, inaccessible, or unavailable due to a disaster.
- DRAP grants may cover up to 60 days lodging at a licensed establishment, such as a hotel or motel, in the Commonwealth of Pennsylvania.
- The maximum amount DRAP may award per room will not exceed 150% of the daily lodging rates established by the U.S. Department of General Services Ad-

ministration for destinations in Pennsylvania. See Appendix A for a schedule of DRAP maximum daily lodging rates per room for various areas in Pennsylvania.

- Meals, incidental costs, and other hotel services are not an eligible use of DRAP funds.
- Rooms must be booked with at least two members of the household staying in each room, whenever possible.
- Applicants may receive up to \$5,000 for temporary housing.

3. Category 3—Essential Personal Property

- For eligible homeowners and renters, DRAP funds may be used to cover the loss of essential personal property destroyed due to the disaster and not covered by insurance. Please see Appendix B for a list of personal property eligible under DRAP and the maximum amount that may be awarded for each item.
- Essential personal property not covered by insurance is eligible under DRAP for reimbursement up to \$5,000.

DRAP Grant Awards & Prioritization of Funding:

Each eligible household may receive a maximum grant of up to \$10,000 in DRAP funding. For example, an applicant may receive \$6,000 for home repairs, \$2,000 for temporary housing, and \$2,000 for essential personal property, where those losses are not covered by insurance or reimbursed from another source. The maximum total award applies even if eligible losses exceed \$10,000.

DRAP has limited financial resources. For disasters that occur after 75% of the annual funds for the program have been exhausted, essential personal property losses will no longer be recoverable until additional funding becomes available.

PEMA maintains discretion to prioritize DRAP funds towards certain cost categories as needed during current or future disasters. If it becomes necessary to prioritize the allocation of awards due to limited funds, the priority shall be:

1. Home repairs
2. Temporary housing
3. Essential personal property

DRAP Application Process and Requirements:

Households earning below 500% of the National Federal Poverty Guidelines must first apply for a disaster loan through SBA and be denied because of inability to repay or inadequate credit. PEMA will coordinate with SBA to identify individuals who were denied an SBA loan. PEMA will work to contact these individuals to provide information about DRAP and application process. Individuals that are income eligible, who were denied an SBA loan, do not have to wait to be contacted by PEMA to submit a DRAP application. Applicants must follow the process, and meet the requirements, specified below. DRAP applications without proof of an SBA Loan Request Denial will not be considered.

1. Applications must be for a primary residence only.
2. One application may be submitted per household.
3. DRAP grant application must be submitted within 90 days of the date DRAP activation is announced for the applicable disaster.

4. When DRAP is made available, eligible households apply for the grant using the Commonwealth online eGrants system.

- To apply using the eGrants system, the applicant needs to register for a Keystone Login. Keystone Login is a username and password that is used to log into any Commonwealth agency online service that participates in Keystone Login. A Keystone Login can be obtained here: <https://keystonelogin.pa.gov/Account/Register>.

- A paper application may be submitted to PEMA if an applicant is unable to submit a grant application electronically using the eGrants system.

5. Applicants will be required to provide the following information on a DRAP grant application:

- Contact information.
- Insurance information including the claim denial (if applicable).
- Household information including whether the applicant owns or rents their home and the total number of adults in the household.
- Income information.
- Description of damages.

6. Applicants will need to submit the following documents to PEMA for the application to be finalized:

- Proof of residency (ex. utility bill, driver's license, lease agreement, mortgage document, or tax records).
- Proof of income (ex. tax records, Medicaid card, or three months of paystubs from the last calendar year for all members of household).
- Photographs of damage claimed.
- Receipts for any reimbursements requested.
- Quotes for remediation or repair work.
- Cancelled check for direct deposit bank account.
- Copies of Home and/or Renter's Insurance Declaration Page.
- Proof of SBA Loan Request Denial.

7. In addition to completing DRAP grant application, applicants will be required to:

- Disclose the receipt of benefits from any other source, including insurance, charitable organizations, and other government organizations related to the loss for which they are seeking benefits.
- Acknowledge that willfully making a false statement or misrepresentation in their application or failing to disclose a material fact regarding their eligibility may subject them to criminal penalties under 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities).

8. Applicants must be willing to permit an inspection of their home by PEMA or another entity designated by PEMA to verify damages.

9. PEMA may, at its discretion, perform any investigation they deem appropriate to corroborate the values placed on personal property items by an applicant.

DRAP Application Review

PEMA is responsible for receiving and managing applications, as well as making recommendations on the disposition of the applications. After review by PEMA personnel, applications will receive one of three dispositions:

1. Approved—The application is complete, and the request is approved in whole.

2. Incomplete—The application is incomplete. The application will be returned to the applicant as soon as possible with feedback identifying the application's deficiencies. If an application is returned as incomplete, the applicant will be able to redress the deficiencies within: a) 30 days from the date they are first notified the application was incomplete, or b) through the completion of the initial 90 days after DRAP was activated, whichever is longer.

3. Denied—The application demonstrates that an applicant is ineligible for the program, the identified losses are not covered by the program, or that other good cause for denial exists.

DRAP Grant Agreement & Payment

DRAP is a state grant program. Individuals awarded DRAP funds will receive an award letter and grant agreement from PEMA. The grant agreement specifies the requirements of the grant program and items that must be completed by the recipient of the funds. The individual applicant should review the grant agreement. If the individual applicant agrees to the terms, the grant agreement must be signed and returned to PEMA utilizing the eGrants portal within 30 calendar days. If the grant agreement is not returned within 30 days, PEMA will make at least three attempts via the applicant's preferred method of communication. PEMA will document each attempt to contact the applicant, with at least one attempt in writing. PEMA may rescind the grant award if the applicant does not make contact within 30 days of their first notification.

Please note that the Commonwealth is unable to process grant payments until the grant agreement is signed by all parties. Once the grant agreement is fully executed, the grant payment will be processed as quickly as possible.

DRAP payments may be made electronically into a grant recipient's bank account. A grant recipient will need to provide banking information to allow for direct deposit. Payments may be made in the form of check if a bank account is not available.

Post Award Requirements & Grant Closeout

1. Grant recipients must use DRAP funds for costs provided on the grant application. If funds remain after these needs are addressed, the grant recipient must either use the remaining funds for eligible DRAP costs or return the funds to the Commonwealth.

- Grant recipients shall not use DRAP funds for any loss that is covered by an insurance policy or any other funding source, including any other governmental or non-profit disaster assistance program.

2. Grant recipients must obtain and retain documentation of all expenditures of awarded funds.

3. Documentation of expenditure of all grant funds must be submitted to PEMA within 60 days after the project is complete or the grant agreement expires, whichever is earlier.

- If a grant recipient does not provide supporting documentation or PEMA determines that DRAP funds were spent on items or activities that are not eligible under the laws, regulations, policies, directives, guidelines, and requirements applicable to DRAP funds, a grant recipient will be required to return those funds to PEMA.

4. Grant recipients must maintain receipts for all purchases made for losses claimed as part of their DRAP application for three years after receiving the award.

DRAP Compliance Reviews

PEMA, through its Bureau of Grants Management, will conduct compliance reviews in accordance with its most recently published “Grant Monitoring Standard Operating Procedure.” If a compliance review or audit reveals inappropriate use of state funds, the matter may be referred to the Office of Attorney General, or other appropriate authority.

Questions about DRAP

- For questions about the program (program availability, due dates, eligibility, etc.):
 - email PADRAP@pa.gov, or
 - call 717-562-5771
- For help desk support when using the Commonwealth online eGrants system, call 833-448-0647 from 8:30 a.m. to 6 p.m. Monday through Friday, or email egrantshelp@pa.gov.

PENNSYLVANIA PUBLIC UTILITY COMMISSION

Electric Generation Supplier License Cancellation of Companies with an Expired Financial Security, Insufficient Financial Security Amount or Language

Public Meeting held
December 21, 2023

Commissioners Present: Stephen M. DeFrank, Chairperson; Kimberly Barrow, Vice Chairperson; Ralph V. Yanora; Kathryn L. Zerfuss; John F. Coleman, Jr.

*Electric Generation Supplier License Cancellation of
Companies with an Expired Financial Security,
Insufficient Financial Security Amount or Language;
M-2023-3037455*

Tentative Order

By the Commission:

The Commission's regulations at 52 Pa. Code § 54.40(a) state that an Electric Generation Supplier (EGS) license will not be issued or remain in force until the licensee furnishes a bond or other security approved by the Commission. In addition, 52 Pa. Code § 54.40(d) states that the maintenance of an EGS license is contingent on the licensee providing proof to the Commission that a

bond or other approved security in the amount directed by the Commission has been obtained.

Each EGS must file an original bond, letter of credit, continuation certificate, amendment, or other approved financial instrument with Rosemary Chiavetta, Secretary, Pennsylvania Public Utility Commission, 400 North Street, Harrisburg, PA, 17120, prior to the EGS's current security expiration date. Each financial instrument must be an original document that displays a "wet" signature or digital signature, preferably in blue ink, and displays a "raised seal" or original notary stamp. The name of the principal on the original financial instrument must match exactly with the name that appears on the EGS's license issued by the Commission.

Failure to file before the financial security's expiration date may cause Commission staff to initiate a formal proceeding that may lead to the following: cancellation of each company's electric supplier license, removal of each company's information from the Commission's website, and notification to all electric distribution companies, in which each company is licensed to do business, of the cancellation of the license.

As of December 12, 2023, each EGS listed in the Supplier Table below has not provided proof to the Commission that it has a bond or other approved security in the amount or language directed by the Commission, to replace a bond which is expired, or which is non-compliant with Commission regulations.

Supplier Table—List of Electric Generation Suppliers

<i>Docket Number</i>	<i>Company Name</i>	<i>Financial Security Expiration Date</i>	<i>Commission Approved Amount or Language</i>
A-2021-3026759	LEGEND ENERGY ADVISORS, LLC	10/29/2023	Yes
A-2009-2084312	NATIONAL UTILITY SERVICE, INC.	11/12/2023	Yes
A-2010-2207860	POWER BROKERS, LLC	7/24/23	Yes
A-2015-2519983	UTILITY ANSWERS, LLC	12/1/2023	Yes

As part of its EGS license validation procedures, the Commission's Bureau of Technical Utility Services sent a 90-day Security Renewal Notice email to each entity in the Supplier Table above stating that original documentation of a bond, or other approved security in the amount or language directed by the Commission, must be filed within 30-days prior to each entity's security expiration date. None of the companies listed in the Supplier Table provided the required documentation.

Based on the above facts, we tentatively conclude that the EGSs listed in the Supplier Table are not in compliance with 52 Pa. Code § 54.40(a) and (d) and therefore it is appropriate to initiate the cancellation process for the EGS license of each company listed in the Supplier Table, without the necessity of a formal complaint, as being in the public interest;

Therefore,

It Is Ordered That:

1. Cancellation of the Electric Generation Supplier License of each company listed in the Supplier Table is hereby tentatively approved as being in the public interest.

2. The Secretary (i) serve a copy of this Tentative Order upon the Office of Consumer Advocate, the Office of Small Business Advocate, the Bureau of Investigation & Enforcement, all electric generation distribution companies, and all of the Electric Generation Suppliers listed in the Supplier Table; (ii) publish a copy of this Tentative Order in the *Pennsylvania Bulletin* with a 30-day comment period; and (iii) file a copy of this Tentative Order at each Electric Generation Supplier's assigned docket number.

3. To the extent any of the Electric Generation Suppliers listed in the Supplier Table challenge the cancellation of their license, they must file comments within thirty (30) days after publication of this Tentative Order in the *Pennsylvania Bulletin*. Written comments referencing Docket No. M-2023-3037455 must be eFiled to the Penn-

sylvania Public Utility Commission through the Commission's eFiling System. You may set up a free eFiling account with the Commission at <https://efiling.puc.pa.gov/> if you do not have one. Filing instructions may be found on the Commission's website at http://www.puc.pa.gov/filing_resources.aspx. Comments containing confidential information should be emailed to Commission Secretary Rosemary Chiavetta at rchiavetta@pa.gov rather than eFiled.

4. Alternatively, Electric Generation Suppliers listed in the Supplier Table may provide the Commission an approved security up to and within thirty (30) days after publication in the *Pennsylvania Bulletin*. The Electric Generation Supplier must file an original bond, letter of credit, continuation certificate, amendment, or other approved financial instrument displaying a "wet" signature or digital signature, preferably in blue ink, and displaying a "raised seal" or original notary stamp with Rosemary Chiavetta, Secretary, Pennsylvania Public Utility Commission, 400 North Street, Harrisburg, PA, 17120.

5. Absent the timely (i) filing of comments challenging the cancellation of the Electric Generation Supplier's license, or (ii) the filing of an approved security within 30-days after publication in the *Pennsylvania Bulletin*, the Bureau of Technical Utility Services, shall prepare a Final Order for entry by the Secretary revoking the license of each Electric Generation Supplier that fails to respond.

6. Upon entry of the Final Order, Electric Generation Suppliers that remain listed as not in compliance with 52 Pa. Code § 54.40(a) and (d) will be stricken from all active utility lists maintained by the Commission's Bureau of Technical Utility Services and the Assessment Section of the Bureau of Administration, removed from the Commission's website, and notifications be sent to all electric distribution companies in which the Electric Generation Suppliers are licensed to do business.

7. Upon entry of the Final Order, Electric Generation Suppliers that fail to respond will be prohibited from

providing electric generation supply services to retail electric customers. That upon entry of the Final Order described in Ordering Paragraph No. 5, each electric distribution company in which the Electric Generation Suppliers are licensed to do business, shall return the customers of the Electric Generation Suppliers to default service.

PENNSYLVANIA PUBLIC UTILITY COMMISSION

PA One Call—Act 50 of 2017; Damage Prevention Committee Appointments

Public Meeting held
December 21, 2023

Commissioners Present: Stephen M. DeFrank, Chairperson; Kimberly M. Barrow, Vice Chairperson; Ralph V. Yanora, Commissioner; Kathryn L. Zerfuss, Commissioner; John F. Coleman, Jr., Commissioner

*PA One Call—Act 50 of 2017; Damage Prevention
Committee Appointments; Docket No. M-2018-3000261*

Order

By the Commission:

Before the Pennsylvania Public Utility Commission (Commission) for consideration are three recommended appointments to the Damage Prevention Committee (DPC) provided for in the Underground Utility Line Protection Law, Act of October 30, 2017, P.L. 806, No. 50 (Act 50). We shall approve the candidates recommended by the Commission's Executive Director; these appointees will serve three-year terms to begin on January 1, 2024. For the reasons set forth herein, the remaining vacancy for the Natural Gas or Petroleum Pipeline industry position will be reposted on the Commission's website and in the *Pennsylvania Bulletin* seeking qualified candidates.

On April 30, 2018, Act 50, the Underground Utility Line Protection Law (One Call Law) became effective assigning certain duties and responsibilities associated with Pennsylvania's One Call system to the Commission. One of the duties and responsibilities assigned to the Commission is to appoint eligible and qualified persons to the DPC. 73 P.S. § 182.8(a).

Section 182.8(a) of the One Call Law, 73 P.S. § 182.8(a), establishes the membership and the criteria of the representatives to serve on the DPC, which consists of 13 appointees with the authority to review, make recommendations, and resolve among aggrieved parties, viola-

tions of the One Call Law. Subsections 182.8(a)(1)(iv), (v), (vii) and (3) provide as follows:

(a) A damage prevention committee shall be established as follows:

(1) The committee shall consist of the following members, appointed by the commission:

* * *

(iv) One representative from each of the following nonmunicipally owned or affiliated facility own industries: electric, natural gas or petroleum pipelines, telephone, water or wastewater and cable television, nominated by facility owners or affiliated organizations.

(v) Three representatives of excavators, nominated by excavators or affiliated organizations.

* * *

(vii) One representative of municipal authorities, nominated by municipal authorities or affiliated organizations

* * *

(3) A nomination under clause (1)(iv), (v), (vi) and (vii) shall be forwarded to the secretary of the commission. The executive director of the commission shall provide recommended candidates to the commission for approval.

By publication in the *Pennsylvania Bulletin*, the Commission requested qualified candidates to submit their resumes to the Secretary of the Commission by the close of business on October 30, 2023. After review of the nominations submitted to the Commission, the Commission is approving the following individuals to serve as members of the DPC for a three-year term beginning on January 1, 2024: William Kukurin, of Kukurin Contracting, Inc., representing the Excavator industry under Section 182.8(a)(1)(v), 73 P.S. § 182.8(a)(1)(v); Thomas C. Ceraso, of the Municipal Authority of Westmoreland County, representing the Municipal Authority industry under Section 182.8(a)(1)(vii), 73 P.S. § 182.8(a)(1)(vii); and Douglas L. Haupt, of PPL Electric Utilities, representing the Electric industry under Section 182.8(a)(1)(iv), 73 P.S. § 182.8(a)(1)(iv).

In addition to the three posted vacancies that we are filling here, the Commission sought nominees from the Natural Gas or Petroleum Pipeline industry under Section 182.8(a)(1)(iv), 73 P.S. § 182.8(a)(1)(iv). We received a single nomination to fill this position. Section 182.8(a)(2) of the One Call Law states, "[a] person appointed to the committee must have expertise within the operation of this act." After reviewing this nominee's application and resume, we cannot conclude that this nominee has sufficient expertise within the operation of the act so as to represent the Natural Gas or Petroleum Pipeline industry. Statistics from the Commission's Damage Prevention Investigator group show that a majority of the cases that come before the DPC involve the natural gas industry (62% in 2022 and 73% in 2023). Therefore, we conclude that this position should be filled by an industry representative with broad ranging and significant experience in the field. The recommended applicant has only two years working for a natural gas distribution company, and as such, we conclude that this applicant does not meet the qualifications for this position on the DPC.

Accordingly, we will republish the vacancy in the *Pennsylvania Bulletin* and on the Commission's website, allowing for an additional thirty (30) days to submit recommendations to the Commission to fill the Natural Gas or Petroleum Pipeline industry vacancy on the DPC. *Therefore,*

It Is Ordered That:

1. William Kukurin, of Kukurin Contracting, Inc., representing the Excavator industry under Section 182.8(a)(1)(v), 73 P.S. § 182.8(a)(1)(v), is hereby appointed as a member to the Damage Prevention Committee to begin serving a three-year term on January 1, 2024.

2. Thomas C. Ceraso, of the Municipal Authority of Westmoreland County, representing the Municipal Authority industry under Section 182.8(a)(1)(vii), is hereby appointed as a member to the Damage Prevention Committee to begin serving a three-year term on January 1, 2024.

3. Douglas L. Haupt, of PPL Electric Utilities, representing the Electric industry under Section 182.8(a)(1)(iv), 73 P.S. § 182.8(a)(1)(iv), is hereby appointed as a member to the Damage Prevention Committee to begin serving a three-year term on January 1, 2024.

4. The remaining DPC vacancy representing the natural gas or petroleum pipeline industry shall be republished in the *Pennsylvania Bulletin* and on the Commission website, allowing for thirty (30) days for submission of qualified applicants.
