Academic term—Semester, trimester or quarter.

Academic year—A period that begins on the first day of classes and ends on the last scheduled day of final examinations and that is a minimum of 30 weeks of instructional time during which, for an undergraduate educational program, a full-time student is expected to complete at least 24 semester or trimester hours or 36 quarter hours at a school which measures program length in credit hours or at least 900 clock hours at a school which measures program length in clock hours.

Agency or PHEAA—The Pennsylvania Higher Education Assistance Agency.

Board—The Board of Directors of the Agency.

Borrower—All endorsers on loans authorized by this chapter.

College entrance examination—A Nationally-recognized standardized test used to assess college readiness chosen at the Agency's sole discretion to rank students who demonstrate the greatest potential to perform at the highest level of academic achievement.

Disposable pay—That part of the borrower's compensation from an employer remaining after the deduction of any amounts required by law to be withheld.

Emergency action—Immediate action undertaken against institutions by the President and Chief Executive Officer in a manner consistent with § 121.31(d) (relating to approved institutions in Federal Stafford Loan and Federal PLUS Loan Programs) to withhold the processing of loan applications of the institution; and in a manner consistent with § 121.191(d) (relating to administrative loan collection review procedures) against a lending institution to withhold the processing of loan applications for students borrowing through the institution.

Full-time basis (except for purposes of the Federal Stafford Loan and Federal PLUS Loan Programs)—The equivalent of 12 semester credits or 450 clock hours of instruction per academic term. If the schedule of a program of study offered on a clock-hour basis does not permit the equivalent of 450 clock hours of instruction per term, full-time enrollment shall be defined as 24 clock hours of instruction per week.

Full-time basis (for purposes of the Federal Stafford Loan and Federal PLUS Loan Programs Only)—To be considered enrolled on a full-time basis, a student shall be carrying a full-time academic work load (other than by correspondence) as determined by the institution under a standard applicable to the students enrolled in a particular educational program. § 121.9. Administrative loan collection review procedures.

(a) This section implements the administrative loan collection review process authorized by the act of April 29, 1982 (P. L. 365, No. 102) (24 P. S. § 5104.3).

(b) Administrative loan collection procedure for those loans which are held by the Agency and which are not reinsured by the United States Secretary of Education is as follows:

(1) A borrower served with a statement of claim shall file a response thereto within 30 days of receipt of the statement of claim. The statement of claim shall inform the borrower of the nature and the amount of the indebtedness, the intention of the Agency to initiate proceedings to collect the debt through garnishment and an explanation of the rights of the borrower under the law. The response shall set forth all defenses and objections which the borrower has to the statement of claim and any objections or defenses not so presented will be deemed to have been waived. The response shall admit or deny all

avertments contained in the statement of claim. An averment in a statement of claim will be deemed to be denied only if proof thereof is demanded and the borrower states either that:

(i) After reasonable investigation, the borrower is without knowledge or information sufficient to form a belief as to the truth of the averment.

(ii) The borrower is without that knowledge or information because the means of proof are within the exclusive control of an adverse party or hostile person.

(2) When a borrower files a response to a statement of claim filed in the records of the Agency, the borrower will be afforded an opportunity to enter into a written agreement with the Agency, under terms agreeable to the head of the Agency or a designee, to establish a repayment schedule. The borrower will be afforded a hearing if he does not want to enter into a repayment schedule.

(3) Hearings will be conducted by a hearing examiner appointed by the Chairperson of the Board of the Agency or, in the event of the unavailability of the Chairperson, by the Vice Chairperson of the Board of the Agency from a list maintained by the President and Chief Executive Officer and will be held at the offices of the Agency in Harrisburg. The time of the hearing will be fixed by the Agency within a reasonable time, as soon as convenient, after the receipt of the borrower's response, allowing at least 15 days' notice to be given to the borrower and the borrower's attorney, if an attorney has entered an appearance on behalf of the borrower. Notice of the hearing will be sent to the borrower by the hearing examiner, specifying the time and place for hearing. If a borrower wishes to request postponement of a hearing, the borrower shall contact the hearing examiner and provide the hearing examiner with valid reasons for the request. The hearing examiner may approve or disapprove the request in the examiner's discretion.

(4) The borrower shall have the following rights during the hearing:

(i) To present testimony and arguments in person.

(ii) To be represented by an attorney.

(iii) To confront and cross-examine adverse witnesses.

(iv) To examine all documents and records used by the Agency at the hearing. Copies of materials from the files of the Agency relevant to the hearing shall be provided at a reasonable time prior to the day of the hearing upon request without charge to the borrower.

(v) To have the Agency prove its claim by a preponderance of the evidence.

(5) A request for a hearing may be dismissed by the hearing examiner when it is withdrawn by a borrower in a writing submitted to the hearing examiner. If a borrower fails to appear at a scheduled hearing without good cause as determined by the hearing examiner, the request for a hearing will be considered abandoned and will be dismissed with prejudice by the hearing examiner.

- (6) The hearing examiner will have the following powers and duties:
- (i) To administer oaths.
 - (ii) To question witnesses presented by the Agency or the borrower.
 - (iii) To hear the evidence submitted, review the documents presented, consider the arguments and prepare a report.
 - (iv) To recommend in the report a proposed adjudication and order, supported by findings of fact and conclusions of law.
 - (v) To provide copies of the report to the President and Chief Executive Officer of the Agency and to the borrower or the borrower's attorney of record within 60 days of the hearing.
- (7) The proceedings of a hearing will be conducted in the following order:
- (i) The hearing examiner will state the purpose of the hearing, the procedure to be followed, and the manner in which the report will be transmitted to the parties.
 - (ii) The Agency will present its case.
 - (iii) The borrower or the borrower's attorney may cross-examine each witness.
 - (iv) The borrower or the borrower's attorney will present the borrower's case.
 - (v) The Agency may cross-examine each witness presented by the borrower.
 - (vi) The hearing examiner may question any witness at any time.
- (8) The borrower and the President and Chief Executive Officer of the Agency shall each have the right to file exceptions to the hearing examiner's report within 15 days after the service of a copy of the report. Failure to file exceptions within the time allowed shall constitute a waiver of all objections to the report.
- (9) Upon consideration of the record, the hearing examiner's report, and any exceptions and briefs filed by the borrower and the President and Chief Executive Officer of the Agency, the Board will enter a final order.
- (10) Any form of written communication to the Agency that may be reasonably construed as exceptions, advising that the borrower is aggrieved and desires a review of the hearing examiner's report, will be deemed exceptions to the proposed report sufficient to initiate and constitute an appeal to the Board.
- (11) When the Board receives notice of an appeal, it will place the appeal on the meeting agenda of the Board at such time in the future as the Board has received a stenographic record of the hearing before the hearing examiner and has had an opportunity to review the record. The Board may delegate to the review committee, comprised of three or more Board members designated by the Chairperson of the Board, the responsibility to review the record and hearing examiner's report to the Board and to make a recommendation for action by the Board. The review committee will provide an opportunity for the bor-

rower and the Agency to present oral argument, when requested, before rendering a recommendation for action by the Board. The Board will make the final order as appears to it just and proper.

(12) Notice of the entry of a final order by the Board will be mailed promptly to the borrower at the borrower's last known post office address. The President and Chief Executive Officer may transfer the record and the order of default to the court of common pleas of the district in which the borrower resides or, when residence within this Commonwealth cannot be ascertained, to the Court of Common Pleas of Dauphin County, to be entered as a judgment.

(13) Within 30 days of the mailing date set forth in the notice of the final order by the Board the borrower who is aggrieved by the final order may appeal the order to the court of common pleas of the district in which the borrower resides or the Court of Common Pleas of Dauphin County. Within 20 days after entry of judgment, the borrower may apply to the court in which the judgment is entered to set aside such judgment.

(14) If no appeal is filed, the Agency may execute upon the wages, salaries or commissions in the hands of an employer or other person including the borrower when self-employed by serving a notice of its intent on the borrower and a notice of execution on the employer. The notice of execution shall include the following:

- (i) The total amount to be collected from the borrower.
- (ii) That the amount to be remitted to the Agency for a given pay period shall be limited to 10% of the borrower's disposable pay, that being any pay remaining after the deduction of any amounts required by law to be withheld.
- (iii) That the employer is not required to vary its normal pay and disbursement cycles in order to comply with paragraph (2).
- (iv) That the employer will be held liable for a civil penalty equivalent to the amount of the notice of execution for wages not properly withheld after receipt of the notice of execution.

(2) The institution shall have executed an Assurance of Compliance with 42 U.S.C.A. § 2000d-1 (1974) and filed it with the United States Secretary of Education.

(3) The institution shall have executed and filed with the Agency an agreement, on a form provided by the Agency, to report to or advise the Agency if the institution has knowledge of the name and address of Commonwealth resident students who are recipients or beneficiaries of Agency-administered aid who have been convicted in any court of record of any criminal offense which under the laws of the United States or of the Commonwealth would constitute a felony committed after October 29, 1969. Institutional knowledge shall be facts contained in the academic, disciplinary or financial student records of the institution and facts known to the dean of students, director of financial aid and president of the institution or persons occupying these positions by titles designated by the institution.

(c) Mailing dates and receipt dates referenced in this section shall be evidenced by United States Postal Service receipts. If an institution refuses or fails to accept a notice mailed as set forth in this section, the Agency shall consider the notice as being received on the date that the institution refuses or fails to accept the notice as noted by the United States Postal Service.

(d) The following provisions deal with emergency action:

(1) The President and Chief Executive Officer may take emergency action as follows against an institution under which the processing of loan applications for students at the institution is withheld if the President and Chief Executive Officer:

(i) Receives information, determined by an Agency official to be reliable, that the institution is violating applicable laws, regulations, special arrangements, agreements or limitations.

(ii) Determines that immediate action is necessary to prevent misuse of funds of the programs authorized by Title IV of the Higher Education Act of 1965 (20 U.S.C.A. §§ 1071—1099c-1).

(iii) Determines that the likelihood of loss outweighs the importance of awaiting completion of procedures set forth for suspension, limitation or termination in subsection (e).

(2) The Agency will begin an emergency action by notifying the institution by certified mail, with return receipt requested, of the emergency action and the basis on which the action is taken. The institution shall have an opportunity to show cause that the emergency action is unwarranted via submission of written documentation to the President and Chief Executive Officer. The effective date of the action shall be the date on which the notice is mailed to the institution.

(3) An emergency action may not exceed 30 calendar days unless a suspension, limitation or termination proceeding is begun under this section before the expiration of that period. In this case, the period may be extended until the completion of that proceeding, including any appeal to the Board of Directors.

(e) The following provisions deal with suspension, limitation or termination:

(1) The President and Chief Executive Officer may suspend the eligibility of an institution to participate in the Federal Stafford Loan and Federal PLUS Loan Programs if the institution violates any applicable laws, regulations, special arrangements or agreements. The suspension may not exceed 60-calendar days unless the institution and the President and Chief Executive Officer agree to an extension if the institution has not requested a hearing or the Agency begins a limitation or termination proceeding under this section.

(i) A designated Agency official will notify the institution by certified mail, with return receipt requested, of the Agency's intent to suspend the institution from the Federal Stafford Loan and Federal PLUS Loan Programs, citing the consequences of that action and identifying the alleged violations on which the proposed action is based. The initially designated beginning date of suspension shall be at least 20-calendar days from the date the letter of intent is mailed.

(ii) The institution subject to the suspension notice may request in writing a hearing before a hearing examiner or submit written material for consideration by the designated Agency official. If the institution submits written material or requests a hearing at least 5-calendar days prior to the effective date of suspension, the designated suspension date shall automatically be delayed until after a final determination is made.

(iii) If the institution does not request a hearing but submits written material, the designated Agency official will review the material and notify the institution that either the proposed suspension is dismissed or the suspension is effective as of a specified date.

(iv) If the institution requests a hearing at least 5-calendar days prior to the effective date of suspension, the date of the hearing will be scheduled at least 15-calendar days after receipt of the request.

(A) A hearing examiner selected by the President and Chief Executive Officer will conduct the hearing at the Agency's principal office, and a written record shall be made.

(B) The hearing examiner will consider the written material presented before the hearing and the evidence presented at the hearing.

(C) The hearing examiner will issue a decision to either uphold the suspension or to dismiss it and inform the President and Chief Executive Officer and institution of this decision in writing within 30-calendar days of the conclusion of the hearing.

(D) The hearing examiner's decision is final unless appealed under subsection (g). If the decision is in favor of suspension, the Agency will send a notice to the institution which sets forth the effective date of the suspension.

(E) If the Agency begins a limitation or termination proceeding before the suspension period ends, the suspension period may be extended until the completion of the new proceeding.

(F) The President and Chief Executive Officer will inform the United States Department of Education of actions taken or decisions made by the Agency in regard to the suspension so the United States Department of Education can take appropriate action.

(v) In accordance with 1 Pa Code §§ 35.111—35.116 (relating to pre-hearing conferences), at any time prior to or during the hearings, the Agency may schedule a conference with the parties.

(2) If the institution violates any applicable laws, regulations, special arrangements or agreements, the President and Chief Executive Officer may limit the number or percentage of borrowers who may receive loan guaranties to attend an institution; may limit, for a stated period of time, the percentage of an institution's total receipts from tuition and fees derived from loan guaranties; may impose a requirement that an institution obtain a bond in a specified amount to assure its ability to meet its financial obligations to borrowers who receive loan guaranties; or may impose other conditions deemed to be reasonable and appropriate.

(i) A designated Agency official will notify the institution by certified mail, with return receipt requested, of the Agency's intent to limit the institution's participation in the Federal Stafford Loan and Federal PLUS Loan Programs, citing the consequences of that action and identifying the alleged violations on which the proposed action is based. The initially designated beginning date of limitation shall be at least 20-calendar days from the date the letter of intent is mailed.

(ii) The institution subject to the limitation notice may request in writing a hearing before a hearing examiner or submit written material for consideration by the designated Agency official. If the institution submits written material or requests a hearing at least 5-calendar days prior to the effective date of the limitation, the designated limitation date shall automatically be delayed until after a final determination is made.

(iii) If the institution does not request a hearing but submits written material, the designated Agency official will review the material and notify the institution that either the proposed limitation is dismissed or the limitation is effective as of a specified date.

(iv) If the institution requests a hearing at least 5-calendar days prior to the effective date of limitation, the date of the hearing shall be at least 15-calendar days after receipt of the request.

(A) A hearing examiner selected by the President and Chief Executive Officer will conduct the hearing at the Agency's principal office, and a written record shall be made.

(B) The hearing examiner will consider the written material presented before the hearing and the evidence presented at the hearing.

(C) The hearing examiner will issue a decision to either uphold the limitation or to dismiss it and inform the President and Chief Executive Officer and the institution of this decision in writing within 30-calendar days of the conclusion of the hearing.

(D) The hearing examiner's decision is final unless appealed under subsection (g). If the decision is in favor of limitation, the Agency will send a notice to the institution which sets forth the effective date of the limitation.

(E) If the Agency begins a termination proceeding before the limitation period ends, the limitation period may be extended until completion of the new proceeding.

(F) The President and Chief Executive Officer will inform the United States Department of Education of actions taken or decisions made by the Agency in regard to the limitation so the United States Department of Education can take appropriate action.

(v) In accordance with 1 Pa. Code §§ 35.111—35.116, at any time prior to or during the hearings, the Agency may schedule a conference with the parties.

(3) The President and Chief Executive Officer may terminate an institution's eligibility to participate in the Federal Stafford Loan and Federal PLUS Loan Programs, if the institution violates any applicable laws, regulations, special arrangements or agreements. Termination prohibits the future guaranty of Federal Stafford Loans and Federal PLUS Loans to borrowers attending the institution.

(i) A designated Agency official will notify the institution by certified mail, with return receipt requested, of the Agency's intent to terminate the institution from the Federal Stafford Loan and Federal PLUS Loan Programs, citing the consequences of that action and identifying the alleged violations on which the proposed action is based. The initially designated beginning date of termination shall be at least 20-calendar days from the date the letter of intent is mailed.

(ii) The institution subject to the termination notice may request in writing a hearing before a hearing examiner or submit written material for consideration by the designated Agency official. If the institution submits written material or requests a hearing no less than 5-calendar days prior to the effective date of termination, the designated termination date shall automatically be delayed until after a final determination is made.

(iii) If the institution does not request a hearing but submits written material, the designated Agency official will review the material and notify the institution that either the proposed termination is dismissed or the termination is effective as of a specified date.

(iv) If the institution requests a hearing at least 5-calendar days prior to the effective date of termination, the date of the hearing shall be at least 15-calendar days after receipt of the request.

(A) A hearing examiner selected by the President and Chief Executive Officer will conduct the hearing at the Agency's principal office, and a written record shall be made.

(B) The hearing examiner will consider the written material presented before the hearing and the evidence presented at the hearing.

(C) The hearing examiner will issue a decision to either uphold the termination or to dismiss it and inform the President and Chief Executive Officer and institution of this decision in writing within 30-calendar days of the conclusion of the hearing.

(D) The hearing examiner's decision is final unless appealed under subsection (g). If the decision is in favor of termination, the Agency will send a notice to the institution which sets forth the effective date of termination.

(E) The President and Chief Executive Officer will inform the United States Department of Education of any actions taken or decisions made by the Agency in regard to the termination so the United States Department of Education can take appropriate action.

(v) In accordance with 1 Pa. Code §§ 35.111—35.116, at any time prior to or during the hearings, the Agency may schedule a conference with the parties.

(f) An institution may lose its eligibility to participate in the Federal Stafford Loan and Federal PLUS Loan Programs through other than emergency action, suspension, limitation or termination. This may occur under one or more of the following conditions:

(1) Change in ownership, administration or directorship of the institution that results in a change of control, in which case the loss of eligibility continues until the institution reestablishes eligibility as determined by the United States Secretary of Education.

(2) Permanent closure of the institution or its termination of approved educational programs.

(3) Action taken by the United States Secretary of Education under applicable Federal regulations to limit, suspend or terminate the institution's eligibility.

(g) The Agency and the institution have the right to appeal the decision of the hearing examiner to the Board of Directors of the Agency within 20-calendar days after the receipt of a copy of the decision, which shall be done by certified mail.

(1) Written notice of appeal and the material submitted in support shall be addressed to the Chairperson of the Board of Directors at the Agency's principal address, with a copy to the other party.

(2) The appealing party has 20-calendar days from the date of the notice of appeal to submit exceptions to the hearing examiner's decision and supporting briefs and statements.

(3) The opposing party has 20-calendar days from receipt of the appealing party's exceptions and brief to respond.

(4) When the Chairperson of the Board receives notice of an appeal, the Chairperson will place the appeal on the meeting agenda of the Board at a time in the future that the Board has received a record of the hearing and the briefs and supporting materials and has had an opportunity to review the record. Before issuing a final order, the Board of Directors will review the record and hearing examiner's decision and may order oral argument.

(5) Notice of a final order by the Board of Directors will be mailed promptly to the institution, the Agency and the United States Department of Education.

(6) The decision of the Board of Directors will become final upon mailing. Within 30-calendar days after the decision of the Board of Directors becomes final, the institution may file an appeal with Commonwealth Court.

(h) An institution whose eligibility to participate was limited may not apply for removal of the limitation before the expiration of 12 months from the effective date of the limitation.

(1) After the minimum limitation period, the institution may request removal of the limitation. The request shall be in writing and be supported by documented evidence that the institution has corrected the violations on which the limitation was based.

(2) Within 60-calendar days after receipt of the request, the President and Chief Executive Officer will respond to the institution by granting the request, denying the request or granting the request subject to other limitation.

(i) An institution whose eligibility to participate has been terminated may file a request of reinstatement 18 months after the effective date of the termination. To be reinstated, an institution shall:

(a) If the President and Chief Executive Officer suspends the processing of student aid request forms for students at an approved institution or ceases disbursement of funds to an approved institution, the institution will be notified in writing of the action and the grounds therefor and will be afforded an opportunity to contend to the Agency that the processing of aid request forms or disbursement of funds should be resumed and to submit relevant data in support of this contention.

(b) If the President and Chief Executive Officer of the Agency determines that an institution is not an eligible institution within the meaning of this chapter for a program administered by the Agency, the institution will be notified in writing of the determination, the grounds therefor and its right to appeal from the decision.

§ 121.42. Submission of applications.

(a) Applications will be considered only if submitted on or prior to the deadline date announced by the Agency for each group specified in § 121.41 (relating to grouping of applicants). Applications will be accepted after the established deadline, funds permitting, when received from applicants in the following categories, except applicants who have been supplied with an application by the Agency in sufficient time to have had a reasonable opportunity to submit the application to the Agency prior to the deadline:

(d) The President and Chief Executive Officer may authorize the setting aside of deadlines for other categories of applicants when in the judgment of the President and Chief Executive Officer the setting aside of the deadline will facilitate administration of the State Higher Education Grant Program in accordance with the policies established by the Board of the Agency and will promote equitable program results. Any determination made by the President and Chief Executive Officer under this subsection will be reduced to writing, which writing will delimit the category and give an estimate of the number of applicants for the particular processing year which is expected to fall within the category. A copy of this writing will be furnished to each member of the Board of the Agency.

(e) Exceptional cases involving applicants who submit an application after the established deadline will be reviewed and appropriate resolution of the ques-

§ 121.44. Required family financial data.

(a) *General.* The applicant, the applicant's parents and stepparents, and the applicant's spouse shall submit financial data that the Agency requests and, further, shall be required to authorize the Director of the State Personal Income Tax Bureau and the District Director of the Internal Revenue Service to release to the Agency, upon request of the Agency, a copy or extract of the State or Federal Income Tax Return filed by the applicant, the applicant's parents and stepparents, and the applicant's spouse for the tax years the Agency designates. The Agency may in addition require the applicant, the applicant's parents and stepparents, and the applicant's spouse to submit a copy of the tax returns directly to the Agency.

(b) *Exceptions.* The Agency may determine the eligibility of the applicant without regard to the parents' financial data, waiving its submission, in the following cases:

(1) If the applicant is a veteran as defined in § 121.1 (relating to definitions).

(2) If the applicant is in compliance with other criteria established by the Agency for the processing of applicants without regard to parental financial data which generally are the United States Department of Education criteria for financial independence for Title IV Federal student aid programs.

(3) Other exceptions may be granted by the Administrative Review Committee or the Committee on Appeals in turn on an individual case basis.

(c) *Severe casualty losses.* If, as a result of fire, storm or other casualty, the family of a higher education grant applicant has suffered severe losses not fully covered by insurance, the post-loss value of assets normally taxed in the eligibility determination may be used in processing the application to reflect the family's reduced ability to finance educational costs. If the family's loss is covered by insurance (whether fully or partially), the Agency, in processing the application, may elect to use either the preloss value of the assets or the insurance benefits received because of the loss. If the loss is not fully covered by insurance, the Agency may also elect to subtract from family income the amount of the casualty losses not covered by insurance, to waive the normal application filing deadline and to afford other special treatment of the application that may be merited.

(a) A student applicant who is under 18 years of age at the time he makes application for a State higher education grant or to renew a higher education grant shall have a supporting parent or guardian who has been a bona fide domiciliary of this Commonwealth for at least 12 months immediately preceding the date of receipt by the Agency of the higher education grant or renewal application.

(c) Any period of time during which an applicant is enrolled as a student in an educational institution may not be counted as a part of the 12-month domicile requirement when the student came into the Commonwealth or remained in the Commonwealth for the purpose of attending a school or college.

(d) For the purposes of determining domicile, a guardian shall be a person or persons appointed by a court or any person or persons other than a parent with whom the applicant has lived and in whose continuous direct care and control the applicant has been for a period of not less than 2 years.

(e) In view of the fact that Commonwealth domiciliaries attending approved institutions of higher learning located outside the Commonwealth may exercise their right of franchise by absentee ballot, a student who registers to vote in a state other than the Commonwealth shall be deemed to have abandoned his domicile in this Commonwealth and shall be ineligible for consideration for a State higher education grant or renewal thereof or any further payments thereon unless and until such student registers to vote in the Commonwealth.

(f) Military status of persons and their dependents who reside in the civilian community rather than on a military installation shall not alone be grounds for determining an applicant ineligible.

(h) If an applicant's parents or guardian moves from this Commonwealth after the date of receipt by the Agency of the applicant's application for a higher education grant or to renew a higher education grant, but prior to the first day of classes of the academic year for which aid is requested, the applicant's higher education grant eligibility shall terminate as of the date the parents or guardian

moved from this Commonwealth. This restriction shall not apply if the applicant is 18 years of age or older on the date the applicant makes application for a higher education grant or to renew a higher education grant, provided that the applicant continues to maintain his domicile in this Commonwealth as determined by the Agency through such tests as it deems proper.

(i) If a higher education grant recipient's parents or guardian move from this Commonwealth during the academic year, the recipient's eligibility for a higher education grant shall terminate at the end of that academic year. This restriction shall not apply if the applicant is 18 years of age or older on the date the application grant, provided that the applicant continues to maintain his domicile in this Commonwealth as determined by the Agency through such tests as it deems proper.

(j) A student receiving, on the ground of residency, the benefit of in-State fees at an institution of higher education located in another state shall for Agency higher education grant purposes be considered a domiciliary of that state.

§ 121.59. Error rate policy.

(a) The staff of the Agency will extract a random sample of all accounts at an institution that is undergoing a review of its program administration. Institutions will then be categorized according to their error rate in administration of State grants as follows:

(1) *Error rate of 4.0% or less.* This is an acceptable rate signifying that the institution is complying with PHEAA grant program guidelines. It will be assumed that the discrepancies found had been caused by a misinterpretation of the guidelines or by a mistake on the part of the financial aid officer or staff of the institution. No further action will be required other than a letter to the institution identifying the discrepancies and requesting a refund of those awards for ineligible higher education grant recipients identified in the sample.

(2) *Error rate of 4.1%—8.9%.* This rate indicates repeated failure to comply with certain program guidelines or that somewhat general discrepancies exist within the internal control of the institution as it applies to financial aid. The Agency will request a refund on behalf of those ineligible higher education grant recipients identified in the sample. A letter will be sent to the institution pointing out the problems and recommending necessary action to be taken by the institution with the stipulation that within 12 to 18 months a followup review will be conducted, at which point in time the calculated error rate is expected to be within the acceptable range. If, at this time, the error rate is not acceptable, a decision will be made regarding whether or not the institution shall continue to receive grant disbursements and as to whether or not a review based on a valid statistical sample is required.

(3) *Error rate of 9% or more.* This rate indicates that serious weaknesses or the possibility of fraud exists within the institution's administration of the program. The Agency will schedule a program followup to be conducted at the earliest possible date. All disbursements to the institution may be withheld pending the results of the follow-up review. The followup review will be based on a valid statistical sample which will be prepared by the Agency. This valid statistical sample will identify the accounts to be evaluated in the follow-up review. The Agency will request a refund for those higher education grant recipients identified as refund cases during the initial and follow-up reviews and make a determination as to the continued eligibility of the institution for PHEAA's programs of student financial assistance.

(b) The Agency may conduct further examinations of student aid and related records as it deems necessary to protect the financial interests of the Agency or its student aid recipients.

§ 121.122. Eligible institutions.

(a) Eligible institution shall mean an independent institution of higher education located in, and chartered by, the Commonwealth, which is neither a State-owned institution, State-related institution nor a community college, which is operated not for profit, which is determined by the Agency not to be a theological seminary or school of theology or a sectarian and denominational institution and which is approved by the Agency for institutional assistance grants under The Institutional Assistance Grants Act (24 P. S. §§ 5181—5189) or this chapter.

(b) In order to determine whether an institution is a theological seminary or school of theology or a sectarian and denominational institution, the Agency shall require information from the institution concerning the purposes, policies and governance of the institution and its faculty, student body, curricula and programs. While each institution may submit whatever information it considers relevant to the question of its eligibility, particular factors which may be considered by the Agency in determining whether an institution is a theological seminary or school of theology or a sectarian and denominational institution are the following:

- (1) The stated purposes of the institution as set forth in its charter or legislative authority and other relevant documents.
- (2) The nature and extent of control or direction of the institution in any areas of the life of the institution by any religious denomination, body, sect or order.
- (3) The nature and extent of financial assistance received by an institution from any religious denomination, body, sect or order, and the proportional relationship which such assistance bears to other sources from which the institution derives funds.
- (4) The policies of the institution with respect of the selection of members of its governing body, its administrative officers, or its faculty, relating to the faith or creed of a candidate.
- (5) The policies of the institution with respect to the admission of students relating to the faith or creed of the applicant.
- (6) The nature and extent of any instruction in denominational tenets or doctrine required by the institution.
- (7) The degree or degrees in the field of religion awarded by the institution and the relationship of such to the total degrees awarded by the institution.
- (8) The nature and extent of religious studies or courses in religion required for any degree awarded by the institution.
- (9) The character and extent of required religious observances or services in the programs of the institution.
- (10) The nature and extent of any real property or facility used by the institution which is owned or leased by any religious denomination, body, sect or

order, or which is owned by the institution and encumbered by mortgages or other security interest given to any religious denomination, body, sect or order.

(11) The provisions governing the distribution of assets in case of dissolution of the institution.

(12) Any other information which the institution or the Agency deems pertinent to a determination of its eligibility by the Agency.

(c) The above factors are illustrative of the criteria which the Agency may consider in exercising its discretion to determine the eligibility of an institution according to the particular circumstances of that institution.

§ 121.123. Determination of institutional assistance grants.

(a) Institutional assistance grants, established by dividing the total funds available for institutional grants in this program by the number of Pennsylvania State grant recipients certified to the Agency by the participating institutions, will be paid to an eligible institution in either a lump sum or in installments at the discretion of the Agency. The institutional assistance grants shall be in a number equal to the number of full-time equivalent students receiving assistance from the Pennsylvania Higher Education Grant Program or the POW/MIA's Education Program certified as enrolled during the academic year except those intra-year transfer students from any other eligible institution. The following are examples:

(1) If a student enrolls in eligible institution A, the institution shall receive an institutional assistance grant by reason of the enrollment if, as of the date of the Eligibility Certification Listing, the student either had been enrolled at least half time for at least one complete semester, trimester or quarter of the academic year or is enrolled at least half time for the current semester, trimester or quarter.

(2) If a student enrolls in eligible institution B during the academic year as a transfer student from an institution other than an eligible institution, institution B shall receive an institutional assistance grant by reason of the enrollment if, as of the date of the Eligibility Certification Listing, the student had been enrolled at least half time for at least one complete semester, trimester or quarter of the academic year or is enrolled at least half time for the current semester, trimester or quarter.

(3) If a student enrolls in eligible institution B during the academic year as a transfer student from eligible institution A, institution B will not receive an institutional assistance grant during the academic year if by reason of the student's enrollment an institutional assistance grant has been paid or will be paid to eligible institution A by reason of the student's previous enrollment in institution A during the same academic year.

(b) For purposes of this section, an Eligibility Certification Listing is defined as a listing created by the Agency for the institution to use in certifying the enrollment of students for the purpose of determining the institution's entitlement to institutional assistance grants.

(a) Each participating institution shall execute through its authorized representative an Agreement with the Agency which shall contain the following:

(1) Assurance that auditable records are maintained.

(2) Assurance against discrimination of any Commonwealth resident applicant for admission because the applicant does not apply or qualify for assistance under the Pennsylvania Higher Education Grant Program or the POW/MIA's Education Program.

(3) Assurance that institutional assistance grant moneys will only be used for, or in connection with, expenses incurred for educational costs other than expenses for sectarian and denominational instruction, the construction or maintenance of sectarian and denominational facilities, or for any other sectarian and denominational purpose or activity.

(b) To be entitled to share in the distribution of the Institutional Assistance Grants Program funds of a particular fiscal year, an institution shall have submitted a properly signed participation agreement to the Agency by August 1 of that same fiscal year. The President and Chief Executive Officer may extend this deadline if an extension would not cause undue interference with the operation of the Institutional Assistance Grants Program, though an institution may not share in the Institutional Assistance Grants Program funds of a particular fiscal year if that institution has not submitted a properly signed participation agreement to the Agency by the time of the first disbursement of the Institutional Assistance Grants Program funds of that particular fiscal year.

Subchapter K. LENDING INSTITUTIONS

Sec.

121.191. Approved lending institutions in Federal Stafford Loan, Federal PLUS Loan and Federal Consolidation Loan Programs.

§ 121.191. Approved lending institutions in Federal Stafford Loan, Federal PLUS Loan and Federal Consolidation Loan Programs.

- (a) To be approved, a lending institution shall comply with the following:
- (1) The lending institution shall be approved by the Agency as an eligible institution for participation in the Federal Stafford Loan, Federal PLUS Loan and Federal Consolidation Loan Programs.
 - (2) The lending institution shall meet the United States Department of Education definition of “eligible lender” contained in section 435(d) of the Higher Education Act of 1965 (20 U.S.C.A. § 1085(d)).
 - (3) The lending institution shall have executed and filed with the Agency an agreement, on a form provided by the Agency, to make the loan program available to eligible students enrolled or accepted for enrollment in an approved educational institution to the extent of its resources available for these loans.
- (b) The lending institution shall comply with the Federal laws and regulations governing the Federal Stafford Loan, Federal PLUS Loan and Federal Consolidation Loan Programs.
- (c) Mailing dates and receipt dates referenced in this section shall be evidenced by United States Postal Service receipts. If a lending institution refuses or

fails to accept a notice mailed as set forth in this section, the Agency will consider the notice as being received on the date that the lending institution refuses or fails to accept the notice as noted by the United States Postal Service.

(d) The following provisions deal with emergency action:

(1) The President and Chief Executive Officer may take emergency action as follows against a lending institution under which the processing of loan applications for students borrowing through the institution is withheld if the President and Chief Executive Officer:

(i) Receives information, determined by an Agency official to be reliable, that the lending institution is in violation of applicable laws, regulations, special arrangements, agreements or limitations.

(ii) Determines that immediate action is necessary to protect the interest of applicants, the United States, the Commonwealth or the Agency.

(iii) Determines that the likelihood of loss outweighs the importance of following the procedures set forth for suspension, limitation or termination in subsection (e).

(2) The Agency will begin an emergency action by notifying the lending institution by certified mail, with return receipt requested, of the emergency action and the basis on which the action is taken. The lending institution shall have an opportunity to show cause that the emergency action is unwarranted by submission of written documentation to the President and Chief Executive Officer. The effective date of the action shall be the date on which the notice is mailed to the lending institution.

(3) An emergency action may not exceed 30-calendar days unless a suspension, limitation or termination proceeding is begun under this section before the expiration of that period. In this case, the period may be extended until the completion of that proceeding, including an appeal to the Board.

(e) The following provisions deal with suspension, limitation or termination:

(1) The President and Chief Executive Officer may suspend the eligibility of a lending institution to participate in the Federal Stafford Loan, Federal PLUS Loan and Federal Consolidation Loan Programs if the lending institution violates applicable laws, regulations, special arrangements or agreements. The suspension may not exceed 60-calendar days unless the lending institution and the President and Chief Executive Officer agree to an extension if the lending institution has not requested a hearing or the Agency begins a limitation or termination proceeding under this section.

(i) A designated Agency official will notify the lending institution by certified mail, with return receipt requested, of the Agency's intent to suspend the participant from the Federal Stafford Loan, Federal PLUS Loan and Federal Consolidation Loan Programs, citing the consequences of that action and identifying the alleged violations on which the proposed action is based. The initially designated beginning date of suspension shall be at least 20-calendar days from the date the letter of intent is mailed.

(ii) The lending institution subject to the suspension notice may request in writing a hearing before a hearing examiner or submit written material for consideration by the designated Agency official. If the lending institution submits written material or requests a hearing at least 5-calendar days prior to the effective date of the suspension, the suspension date shall automatically be delayed until after a final determination is made.

(iii) If the lending institution does not request a hearing but submits written material, the designated Agency official will review the material and notify the lending institution that either the proposed suspension is dismissed or the suspension is effective as of a specified date.

(iv) If the lending institution requests a hearing at least 5-calendar days prior to the effective date of suspension, the date of the hearing shall be at least 15-calendar days after receipt of the request.

(A) A hearing examiner selected by the President and Chief Executive Officer will conduct the hearing at the Agency's principal office, and a written record will be made.

(B) The hearing examiner will consider all written material presented before the hearing and the evidence presented at the hearing.

(C) The hearing examiner will issue a decision to either uphold the suspension or to dismiss it and inform the President and Chief Executive Officer and lending institution of this decision in writing within 30-calendar days of the conclusion of the hearing.

(D) The hearing examiner's decision is final unless appealed under subsection (g). If the decision is in favor of suspension, the Agency will send a notice to the lending institution which sets forth the effective date of the suspension.

(E) If the Agency begins a limitation or termination proceeding before the suspension period ends, the suspension period may be extended until completion of the new proceeding.

(F) The President and Chief Executive Officer will inform the United States Department of Education of actions taken or decisions made by the Agency in regard to the suspension so the United States Department of Education can take appropriate action.

(v) In accordance with 1 Pa. Code §§ 35.111—35.116 (relating to pre-hearing conferences), at any time prior to or during the hearings, the Agency may schedule a conference with the parties.

(2) The President and Chief Executive Officer may limit the number or percentage of borrowers who may receive loan guaranties if the lending institution violates any applicable laws, regulations, special arrangements or agreements.

(i) A designated Agency official will notify the lending institution by certified mail, with return receipt requested, of the Agency's intent to limit the lending institution's participation in the Federal Stafford Loan, Federal

PLUS Loan and Federal Consolidation Loan Programs, citing the consequences of that action and identifying the alleged violations on which the proposed action is based. The initially designated beginning date of limitation shall be at least 20-calendar days from the date the letter of intent is mailed.

(ii) The lending institution subject to the limitation notice may request a hearing before a hearing examiner or submit written material for consideration by the designated Agency official. If the lending institution submits written material or requests a hearing at least 5-calendar days prior to the effective date of the limitation, the designated limitation date shall automatically be delayed until after a final determination is made.

(iii) If the lending institution does not request a hearing but submits written material, the designated Agency official will review that material and notify the lending institution that either the proposed limitation is dismissed or the limitation is effective as of a specified date.

(iv) If the lending institution requests a hearing at least 5-calendar days prior to the effective date of limitation, the date of the hearing shall be at least 15-calendar days after receipt of the request.

(A) A hearing examiner selected by the President and Chief Executive Officer will conduct the hearing at the Agency's principal office, and a written record will be made.

(B) The hearing examiner will consider the written material presented before the hearing and the evidence presented at the hearing.

(C) The hearing examiner will issue a decision to either uphold the limitation or to dismiss it and inform the President and Chief Executive Officer and lending institution of this decision in writing within 30-calendar days of the conclusion of the hearing.

(D) The hearing examiner's decision is final unless appealed under subsection (g). If the decision is in favor of limitation, the Agency will send a notice to the lending institution which sets forth the effective date of the limitation.

(E) If the Agency begins a termination proceeding before the limitation period ends, the limitation period may be extended until completion of the new proceeding.

(F) The President and Chief Executive Officer will inform the United States Department of Education of actions taken or decisions made by the Agency in regard to the limitation so the United States Department of Education can take appropriate action.

(v) In accordance with 1 Pa. Code §§ 35.111—35.116, at any time prior to or during the hearings, the Agency may schedule a conference with the parties.

(3) The President and Chief Executive Officer may terminate a lending institution's eligibility to participate in the Federal Stafford Loan, Federal

PLUS Loan and Federal Consolidation Loan Programs if the lending institution violates applicable laws, regulations, special arrangements or agreements. Termination prohibits the future guaranty of Federal Stafford Loans, Federal PLUS Loans and Federal Consolidation Loans to borrowers applying through the lending institution.

(i) A designated Agency official will notify the lending institution by certified mail, with return receipt requested, of the Agency's intent to terminate the lending institution from the Federal Stafford Loan, Federal PLUS Loan and Federal Consolidation Loan Programs, citing the consequences of that action and identifying the alleged violations on which the proposed action is based. The initially designated beginning date of termination shall be at least 20-calendar days from the date the letter of intent is mailed.

(ii) The lending institution subject to the termination notice may request in writing a hearing before the hearing examiner or submit written material for consideration by the designated Agency official. If the lending institution submits written material or requests a hearing at least 5-calendar days prior to the effective date of termination, the designated termination date shall automatically be delayed until after a final determination is made.

(iii) If the lending institution does not request a hearing but submits written material, the designated Agency official will review the material and notify the lending institution that either the proposed termination is dismissed or the termination is effective as of a specified date.

(iv) If the lending institution requests a hearing at least 5-calendar days prior to the effective date of termination, the date of the hearing shall be at least 15-calendar days after receipt of the request.

(A) A hearing examiner selected by the President and Chief Executive Officer will conduct the hearing at the Agency's principal office, and a written record will be made.

(B) The hearing examiner will consider all written material presented before the hearing and the evidence presented at the hearing.

(C) The hearing examiner will issue a decision to either uphold the termination or to dismiss it and inform the President and Chief Executive Officer and the lending institution of this decision in writing within 30-calendar days of the conclusion of the hearing.

(D) The hearing examiner's decision is final unless appealed under subsection (g). If the decision is in favor of termination, the Agency will send a notice to the lending institution which sets forth the effective date of termination.

(E) The President and Chief Executive Officer will inform the United States Department of Education of actions taken or decisions made by the Agency in regard to the termination so the United States Department of Education can take appropriate action.

- (v) In accordance with 1 Pa. Code §§ 35.111—35.116, at any time prior to or during the hearings, the Agency may schedule a conference with the parties.
- (f) A lending institution may lose its eligibility to participate in the Federal Stafford Loan, Federal PLUS Loan and Federal Consolidation Loan Programs through other than emergency action, suspension, limitation or termination. This may occur under one or more of the following conditions:
- (1) Permanent closure of the lending institution.
 - (2) Action taken by the United States Secretary of Education under applicable Federal regulations to limit, suspend or terminate the lending institution's eligibility.
- (g) The Agency and the lending institution have the right to appeal the decision of the hearing examiner to the Board within 20-calendar days after the receipt or a copy of the decision, which shall be done by certified mail.
- (1) Written notice of appeal and the materials submitted in support shall be addressed to the Chairperson of the Board at the Agency's principal address, with a copy to the other party.
 - (2) The appealing party has 20-calendar days from the date of the notice of appeal to submit exceptions to the hearing examiner's decision and supporting briefs and statements.
 - (3) The opposing party has 20-calendar days from receipt of the appealing party's exceptions and brief to respond.
 - (4) When the Chairperson of the Board receives notice of an appeal, the Chairperson will place the appeal on the meeting agenda of the Board at a time in the future that the Board has received a record of the hearing and the briefs and supporting materials and has had an opportunity to review the record. Before issuing a final order, the Board of Directors will review the record and hearing examiner's decision and may order oral argument.
 - (5) Notice of a final order by the Board of Directors will be mailed promptly to the lending institution, the Agency and the United States Department of Education.
 - (6) The decision of the Board of Directors will become final upon mailing. Within 30-calendar days after the decision of the Board of Directors becomes final, the lending institution may file an appeal with Commonwealth Court.
- (h) A lending institution whose eligibility to participate was limited may not apply for removal of the limitation before the expiration of 12 months from the effective date of the limitation.
- (1) After the minimum limitation period, the lending institution may request removal of the limitation. The request shall be in writing and be supported by documented evidence that the institution has corrected the violations on which the limitation was based.

(2) Within 60-calendar days after receipt of the request, the President and Chief Executive Officer will respond to the lending institution by granting the request, denying the request or granting the request subject to other limitation.

(i) A lending institution whose eligibility to participate has been terminated may file a request for reinstatement 18 months after the effective date of the termination. To be reinstated, a lending institution shall:

(1) Demonstrate to the President and Chief Executive Officer's satisfaction that it has corrected the violations on which termination was based and repaid any funds which it had improperly received.
