READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

Bulletin before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where "no fiscal impact" is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

LOCAL RULES

Rule 1.2.A. Petitions, Motions and Other Applications. [Rule *1.1]

Except for matters required to be filed with the Auditing or Hearing Judge:

(1) *Matters not Requiring Notice.* Petitions for citations and other petitions, motions and applications that do not require notice, or matters wherein consents of all parties in interest are attached, shall be filed with the Clerk, who shall transmit the matter to the Motion Judge or other appropriate Judge of this Division. Counsel shall certify on the backer of the document filed that no notice is required or that consents of all parties in interest are attached.

(2) *Matters Requiring Notice.* Where notice of the presentation of any petition, motion or other application is required to be given to counsel of record or to any party in interest:

(a) The moving party or counsel for the moving party shall give notice of the presentation of the matter. The notice shall state that unless written objections are filed with the Clerk within twenty (20) days of the date of the notice (or any longer period required by the Rule of Court or Act of Assembly), the Court will assume that the matter is uncontested. The date of the notice shall be the date of mailing, publication or service of the notice.

(b) A certification by counsel listing the persons notified and stating the date and manner of service, together with a copy of the notice given, shall be bound with the petition, motion or other application as a separate exhibit.

Probate Section Comment: The Clerk may design a standard printed form to be used as a certification of service of notice in all cases. Neither the notice nor the certification of notice is to be contained in the averments of the petition or motion itself. Service of notice may be

by personal service, regular mail, certified mail or publication depending upon type of petition and the location and identity of the person to be served with notice. See Sup. Ct. O.C. Rules 5.1—5.5.

(c) On the same day as, or the next business day following the date of the notice, the moving party or counsel for the moving party shall file the matter with the Clerk, who shall retain it until the expiration of the notice period.

(d) Objections to a petition, motion or other application shall be filed in writing with the Clerk on or before the last day of the notice period. The party objecting shall send simultaneously a copy of the objections to the moving party or counsel for the moving party.

(e) After the expiration of the notice period, the Clerk shall transmit the petition, motion or other application, together with any objections thereto, to the Motion Judge or other appropriate Judge of this Division, who shall set a time and place for hearing or making such other disposition thereof as the Judge deems proper.

(3) *Motion Judge.* From time to time, the Administrative Judge shall designate a judge of this Division who shall be known as the Motion Judge, to act pursuant to these Rules.

Rule 1.2.B. Argument List. [Rule *1.2]

(1) *When Heard.* The argument list will be heard at 10 a.m. on the third Wednesday of each month except July, August and September.

(2) *Matters Heard.* Exceptions to adjudications, supplemental adjudications, opinions, reports of auditors or masters appointed by other than an Auditing or Hearing Judge, or orders and decrees of a judge hearing a certification of the record; and motions for new trial or for judgment n.o.v. in jury trials shall be heard on the argument list. Preliminary objections will not be heard on the argument list.

(3) *Listing.* All matters shall be placed on an argument list at the time filed, in the manner set forth in Rule 1.2.B.(3)(a) and (b). Counsel for the petitioner or exceptant shall forthwith send notice of the date of the argument list on which such matters have been placed to all counsel of record.

(a) Counsel for the petitioner or exceptant may select a particular argument list at the time of filing by informing the Clerk of the monthly list desired. An argument list may be selected no later than 3 p.m. on the third Wednesday preceding the call of that list. Counsel may not select a list which is later than the third argument list scheduled after the filing date.

(b) If counsel for the petitioner or exceptant does not select a particular argument list at the time of filing, the Clerk shall place the matter on the third argument list therefrom. The Clerk shall forthwith send notice of said placement to said counsel, who shall notify all counsel of record as provided above.

(c) Counsel for any party in interest may request a matter on an earlier argument list by filing a praecipe with the Clerk which designates the particular monthly list desired. Such praecipe may be filed not later than 3 p.m. on the seventh Wednesday preceding the call of the designated list, except that in the case of a praecipe filed by counsel for the petitioner or exceptant, such praecipe may not be filed later than 3 p.m. on the third Wednesday preceding the call of the designated list. If more than one such praecipe is filed, the matter shall be heard on the earliest argument list designated which complies with the time limitations stated above. Counsel for the party requesting a matter to be placed on an earlier argument list shall forthwith send notice to all counsel of record which specifies the date of the earlier list.

(4) *Briefs.*

(a) Four copies of the brief for the petitioner or exceptant shall be filed with the Clerk not later than 3 p.m. on the third Wednesday preceding the call of the list. The briefs shall be typewritten or printed, with pages numbered consecutively, and shall contain, in the following order:

- (i) an index;
- (ii) a statement of the questions involved, as required by the Rules of the Supreme Court, including the manner in which the question was disposed of by the Judge, auditor or master;
- (iii) a copy of the adjudication or opinion of the Hearing Judge, or of the report of the auditor or master to which exceptions have been filed;
- (iv) a copy of the exceptions;
- (v) in cases begun by petition, copies of the pertinent docket entries and of the pleadings;
- (vi) a copy of the will and codicils or trust instrument and any other relevant documents;
- (vii) a history of the case; and
- (viii) the argument.

(b) Other parties in interest shall file four copies of their briefs, with the Clerk no later than 3 p.m. on the Wednesday preceding the call of the list. The brief shall be typewritten or printed with pages numbered consecutively and shall contain an argument, preceded, if desired, by a counter-statement of the questions involved and a counter-history of the case.

(c) Copies of the briefs, filed with the Clerk shall be delivered forthwith to counsel of record for opposing parties.

(d) *Typewriting*—Typewriting shall be legible, and, except for quotations, shall be double spaced.

(e) *Reproduction of Documents*—Reproduction of documents and exhibits will not be accepted by the Court unless clearly legible.

(5) *Absence of Counsel.* The argument list will be called three times. On the third call, whether or not counsel be present, a case may, in the discretion of the Court, be disposed of finally or stricken from the list. A case which has been stricken from the list will not be placed on a subsequent list, except with the express permission of the Administrative Judge.

(6) *Oral Argument.* Oral argument shall not exceed thirty (30) minutes per party except by special leave obtained from the Administrative Judge prior to the argument date.

(3) *Bond Without Surety. Confession of Judgment.* The Court in its discretion may permit a party in interest to execute an individual bond, without surety. When a party in interest is authorized to execute an individual bond, or an individual surety is approved, the Court may direct that the bond to be executed contain a warrant of attorney to confess judgment, with or without default, and that judgment thereon be entered of record in the office of the Prothonotary.

PLEADING AND PRACTICE

Rule 3.2.A. Pleadings. [Rule *32.1]

The pleadings in the Orphans' Court shall be limited to a petition, an answer, new matter, reply, preliminary objections, and an answer to preliminary objections.

(1) *New Matter*. Any defense which is not a denial of the averments of fact in the petition shall be set forth under the heading "New Matter."

(2) *Reply*. A reply shall be required when new matter is set forth in the answer.

(3) *Preliminary Objections*.

(a) Preliminary objections shall be limited to questions of (i) law, (ii) form, or (iii) jurisdiction, may be filed by any party, and shall be accompanied by one original brief prepared in conformity with Rule 1.2.B.(4)(a)(i)-(ii), (v)-(viii), (4)(c) and (4)(d).

(b) An answer to preliminary objections shall be accompanied by one original brief, prepared in conformity with Rule 1.2.B.(4)(b), (4)(c), and (4)(d), and shall be filed within twenty (20) days after service of the preliminary objections and accompanying brief.

(1) *Failure to Answer a Petition*. If the respondent fails to file an answer to a petition, the Court may enter a decree granting the prayer of the petition.¹

(c) *Preliminary Objections which may be disposed of as a matter of law*. If no issues of fact are raised by the preliminary objections and answer, the Assigned Judge shall dispose of the preliminary objections as a matter of law, and shall deem all averments of fact in the pleading to which the preliminary objections have been filed to be admitted for the purpose of ruling on the preliminary objections.

(d) Oral argument on preliminary objections may be scheduled at the discretion of the Assigned Judge.

(4) *Joinder of Issue*. No formal joinder of issue is required.

(a) *Issues of Fact*. Issues of fact will not be heard on the argument list. Except as otherwise provided by Rules 7.1.A. and 10.2.C., when an issue of fact is raised by the pleadings, the Administrative Judge, upon the written request of any party, may refer the matter to a master, to the Auditing Judge if an account is to be filed, or to a Hearing Judge.

(b) *Issues of Law*. Pleadings that are closed shall be disposed of in conformity with Rule 3.2.B.(3)(a), (c) and (d), dealing with disposition of preliminary objections.

¹ If an answer is filed which raises issues of fact, either petitioner's counsel or respondent's counsel should write to the Administrative Judge and request that the pleadings be assigned to a Hearing Judge for disposition.

Rule 3.4.A. Form. Additional Requirements. [Rule *34.1]

(1) *Typing. Endorsement.* Every pleading shall be typewritten, double-spaced, or printed, and shall be endorsed with the name of counsel appearing in court.

(4) *Consents.* The affidavit to the petition shall recite that all necessary consents are attached or shall set forth the names of the persons who do not consent. The Court may direct that notice be given or that a citation be issued, directed to persons who do not consent to show cause why the prayer of the petition shall not be granted.

Counsel shall obtain the citation and copies from the Clerk and shall arrange for service of the copies of the citation and of the petition. Proof of service shall be by return of the sheriff, or by affidavit or the person mailing, publishing, or personally serving the citation, or by written acceptance of service by or on behalf of the person to whom the citation is directed.

(2) Except as pertaining to citations issued pursuant to (a) Chapter 55 of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5511) regarding alleged incapacitated persons and any rules pertaining thereto, and (b) Rule 12.3.B. pertaining to a petition by a surviving spouse to restrain the payment or transfer of property, the original citation with proof of service annexed or endorsed on a form printed on the reverse side shall be filed with the Clerk.

(3) When a person to whom the citation is directed has not filed an answer or preliminary objection, a motion for a default order may be presented to the Court without further notice.

(4) When a party to whom a citation has been awarded fails or is unable to serve the citation and petition within the time provided by law, an alias citation may be requested from the Judge who issued the decree awarding said citation. The alias citation and petition are to be served in the same manner as the original citation. If the party to whom an alias citation has been awarded fails or is unable to serve the alias citation within the time provided by law, a pluries citation may be requested from the Judge who issued the decree awarding said alias

citation. The pluries citation and petition are to be served in the same manner as the original citation.

Probate Section Comment: In selecting the return date when none has been fixed by the Court, counsel should take into consideration the time required to prepare the citation, the time necessary to effect service, the requirements of Section 765 of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 765), and Sup. Ct. O.C. Rule 32. Counsel should be mindful of the method of service required in each case.

- (3) the accountant's understanding of the nature of the claim, interest or objection of the party notified; whether the claim, interest or objection is admitted or contested; if admitted, whether it will be paid in full or in part, and, if contested, that an appearance in person or by counsel must be made at the audit to press any such claim, interest or objection;

Probate Section Comment: Confirmation of the account of a terminated trust, guardianship or agency by annexation is authorized under Section 3501.2 of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 3501.2). of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 7188). Notice of such annexation (or piggybacking) of an account is required for confirmation.

In any case in which an audit has been continued, notice of the rescheduled audit date must be given to parties in interest by the accountant or by such other person as the Court may direct.

Rule 6.4.A. Filing for a Particular Audit. [Rule *64.1]

Subject to the provision of Sup.Ct. O.C. Rule 6.4, an account to appear on a particular audit list must be filed not later than 3 p.m. on the fifth Wednesday preceding the day on which such list will be called.

Rule 6.4.B. When Audit Lists Called. Postponed or Adjourned. [Rule *64.2]

Generally, the audit lists shall be called during the week beginning with the second Monday of September and the weeks beginning with the first Monday of other months. The call of an audit list may be postponed or adjourned at the discretion of the Auditing Judge or the Court. When the first Monday of the month falls on a holiday on which the Courts are closed, the audit list shall be called on the next business day.

Rule 6.6.A. Advertisement of Accounts. Posting. [Rule *66.1]

The Clerk shall give notice of all accounts and of the time and place of the call of the audit list by:

(1) advertising once a week for two (2) successive weeks in *The Legal Intelligencer* and in one Philadelphia daily newspaper of general circulation; and

Probate Section Comment: Those filing accounts are advised to see Rule 6.9.D. for other papers that may be required to be filed at the time that the account is filed.

Rule 6.9.B. Forms. Execution. Verification. [Rule *69.1.1]

Except by leave of the Auditing Judge, forms of the petition for adjudication and statement of proposed distribution authorized by the Court shall be used. The petition for adjudication and statement of proposed distribution shall be signed by each accountant and verified by at least one of them.

Receipts and disbursements subsequent to the date to which the account was stated and to be included in the

adjudication shall be set forth in the petition for adjudication and statement of proposed distribution and in the audit notice.

Probate Section Comment: The Court prefers that claims for counsel fees and fiduciary commissions appear as disbursements in the account. Rule 6.3.A.(4) states that claims for counsel fees and fiduciary commissions which are not included in the account must be included in the audit notice. Such claims should not be set forth on the attorney's appearance slip unless the requirements of Rule 6.3.A. concerning notice have been satisfied. Generally, appearance slips should be used to inform the Court of minor errors or discrepancies in the account, or additional filing fees and other nominal expenses incurred by the accountant since the closing date of the account that are to be included in the adjudication.

Rule 6.9.D. Papers to Be Filed with Accounts. [Rule *69.1.3]

(1) *All Accounts.* At the time of filing of an account, counsel shall file:

In those instances where notice has been given, a copy of said notice, as well as the names and addresses of the parties notified, shall be appended to the petition for adjudication and statement of proposed distribution. In those instances where notice is yet to be given, a copy of said notice, as well as the names and addresses of the parties notified, shall be submitted to the Court at audit, together with a statement executed by the accountant or the accountant's counsel certifying that notice has been given.

(i) has examined the account;

(ii) approves the account and requests that it be confirmed; and

(iii) agrees that the guardian of the estate of the minor shall be discharged upon distribution to the former minor or to the guardian of the estate of the former minor of the balance shown in the account, subject to such additional credits as may be authorized by law and set forth in the adjudication.

(5) *Accounts of Guardians of the Estates of Incapacitated Persons.* In addition to the papers required by Rule 6.9.D.(1), at the time of the filing of an account of a guardian of the estate of an incapacitated person, counsel shall file:

(a) a statement of the manner and date of appointment of the guardian and a copy of the decree by which the guardian was appointed; and

(b) a statement of whether a personal representative has been appointed if the incapacitated person is deceased; and if so, the date and place of grant of letters and a valid certificate of appointment.

(i) the foreign fiduciary is authorized, under the laws of the jurisdiction in which the foreign fiduciary qualified, to receive the fund to be distributed;

(ii) the filing of security has been waived, or the amount of the bond which has been filed and the name of the surety; and

(iii) there are no creditors within the Commonwealth of Pennsylvania of the estate for which the foreign fiduciary has been appointed and no rights of any resident of Pennsylvania will be adversely affected by the requested distribution.

(7) *Submission of Original Documents.* Unless otherwise ordered by the Auditing Judge, original documents, including, but not limited to, letters testamentary and deeds of trust, need not be refiled if they had been filed in connection with a prior proceeding and counsel certifies the date of the prior submission.

Probate Section Comment: Paragraph (5) applies to those who have been adjudged an incapacitated person by the Court, whether under Chapter 55 of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5501 et seq.) or its predecessor.

The requirements of paragraph (6) are based on Chapter 41 of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 4101 et seq.). Particular attention is directed to Section 4111 and its correlation with paragraph (6)(b)(iii) of the Rule. Under Section 4111, the Court has broad discretionary power to refuse distribution of a share of an estate to the domiciliary personal representative of a deceased nonresident creditor or other distributee and to require an ancillary administration in Pennsylvania.

Paragraph (7) describes situations in which original documents need not be filed with the audit papers. Letters testamentary, letters of administration, inheritance tax receipts and deeds of trust which are filed with the audit papers will customarily be returned to counsel once an adjudication is issued.

Counsel for any other party in interest who desires to raise objections or otherwise to be heard (or the accountant or other party in interest appearing pro se) shall also personally appear at the call of the audit list and enter an appearance on the form supplied by the Court.

Rule 6.9.F. Partition, Allotment or Distribution of Proceeds of Real Property. [Rule *69.3]

When an accountant or any party in interest requests a partition, allotment or distribution of proceeds of real property, the Court shall make such orders as are deemed advisable concerning the appointment of appraisers; the furnishing of an information certificate or distribution policy from a title insurance company, drawn in the name of the Commonwealth to the use of all persons interested; provisions for owelty; the giving of notice; and such other requirements as may be necessary under the circumstances to protect the parties.

In the absence of objection, the family allowance may be granted on petition.

(b) *Audit.* Objection to the allowance of the family exemption at the audit shall be presented in such form and shall be disposed of in such manner as the Auditing Judge may deem proper.

(5) *Real Property. Sale or Mortgage.* Objections to a petition for the proposed sale or mortgage of real property shall be filed with the Clerk within twenty (20) days of the filing of such petition. Such objections will be referred to the Auditing Judge for disposition, or, in special circumstances, the petition will be assigned to a judge for hearing and determination. In the absence of objection, a decree may be entered approving the proposed sale or mortgage of real property.

(6) *Proceeding under Section 3102 of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 3102) regarding Small Estates. Estates of Minors or Incapacitated Persons.* Written objections to a petition in a proceeding under Section 3102 of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 3102) regarding small estates, or to any petition filed in connection with the estate of a minor or the estate of an incapacitated person, other than matters properly presented at the audit of an account, shall be filed with the Clerk within twenty (20) days of the filing of such petition. If no objection is made by any party in interest, a decree may be entered ex parte. If objection is made, the petition shall be assigned to a judge for hearing and determination.

(7) *Not Otherwise Covered by Rule.* Objections not otherwise covered by these Rules shall be presented at such time and place, and in such form, as the Court may direct.

(8) *Effect Upon Distribution.* When the matters which are the subject of a schedule of distribution, or the report of an auditor or master, are so separate and distinct that an objection to any one or more, whether sustained or dismissed, cannot affect the remainder, and the accountant will not be prejudiced by the distribution of such remainder, confirmation of the schedule of distribution or report shall not be suspended, except as to those matters to which objections have been taken; distribution may proceed as to the remainder; and any party from whom such distribution has been withheld may petition the Court to order distribution.

Rule 6.10.C. Accounts and Distribution. [Rule *145]

The practice and procedure with respect to the filing and audit of accounts, as well as the distribution of the assets comprising the estate, shall conform with the practice and procedure governing trustees' accounts.

Rule 6.11.A. Schedules of Distribution. [Rule *72]

(1) *Filing.* When directed by the Auditing Judge or at the election of the accountant, a Schedule of Distribution, in the form approved by the Court, shall be filed with the Clerk. The Auditing Judge, in his or her discretion, may direct that only awards of real property or personal property to be distributed in kind need be included in the schedule of distribution.

(2) *Certification.* The attorney for the accountant shall certify that the schedule is correct and in conformity with the adjudication. See (3)(a), (3)(b)(ii) and (6)(b) for additional statements to be included in the certification where appropriate.

(3) *Consent or notice.*

(a) Written consents to the schedule of distribution may be attached thereto. (b) Notice of the filing of the schedule shall be given to all parties in interest affected thereby and to such other parties as the Court may direct, except those parties whose consents are attached. The notice shall state the date of filing, that a copy of the schedule accompanies the notice or will be sent upon request, and that any party who objects to the schedule must file objections within twenty (20) days of the filing of the schedule under penalty that the Court may otherwise assume that there is no objection and may approve the schedule as filed.

(i) Notice shall be given no later than the day of the filing of the schedule, by a letter addressed to the last known address of the party or to his or her attorney of record.

(ii) It shall be sufficient return of notice for the attorney for the accountant to certify on the schedule that due notice of the filing thereof was given as required by this Rule. A copy of the letter of notice and a list of those to whom notice was sent shall be submitted with the schedule.

(4) *Objections.*

(a) Objections may be filed within twenty (20) days of the filing of the schedule, and shall indicate the basis for the objections and in what respect the schedule fails to conform to the adjudication. In no event may objections raise questions which actually were or could have been raised at the audit of the account or which could be raised by exceptions to the adjudication.

(b) Objections shall be filed in duplicate with the Clerk, who shall deliver a copy to the Auditing Judge. The Auditing Judge shall re-examine the subject matter; may hold a hearing or argument thereon, at the Auditing Judge's discretion; and may make such disposition of the objections as the Auditing Judge deems proper in a supplemental adjudication.

(5) *Approval.*

(a) Where the consents of all necessary parties are attached, the Court may approve the schedule immediately upon filing. Where notice was given to any party, the Court may approve the schedule twenty (20) days after the filing thereof.

(b) In the absence of objections, the schedule shall become absolute on the date of approval thereof.

(c) Where objections have been filed, any party may file exceptions to the Auditing Judge's disposition of the objections within twenty (20) days thereof. Where the objections are dismissed and the schedule is approved, the schedule shall become absolute on the twentieth day following approval.

(d) Upon absolute approval of the schedule, the accountant shall have the authority to make necessary assignments and transfers of any property awarded, and the schedule will be attached to and become part of the adjudication.

(6) *Confirmation of Title to Real Property.* Approval of the schedule of distribution shall constitute confirmation of title in the distributees.

(a) *Separate Awards.* A schedule of distribution shall set forth separate awards of real property in separate paragraphs.

(b) *Description. Certification by Counsel.* Real property shall be described in the same detail and with the same particularity as is commonly required to be included in deeds, and, in addition, shall include information pertinent to the derivation of title. Counsel for the accountant shall certify that counsel or counsel's agent has examined the last recorded deed or the record thereof in the public office for recording deeds in the county in which the real estate is located and that the description in the schedule is in conformity therewith.

(c) *Certification by Clerk.* The Clerk shall, upon request, certify excerpts from an approved schedule of distribution for recording in any public office for recording deeds.

(a) the name, date of death and residence of the decedent;

(b) the name and address of the petitioner and petitioner's relationship to the decedent;

(d) whether the decedent died testate or intestate; if letters were granted, where, to whom and when they were granted; and the amount of bond (if any) given by the personal representative;

(e) the names, relationships and a brief description of the interests of all persons entitled to share in the decedent's estate under the will or intestate laws; a statement as to whether any of them is a minor, an incapacitated person or deceased, with the name of his or her fiduciary, if any; and a statement as to whether any of them has received or retained any property of the

decedent under Section 3101 of the Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 3101), or otherwise;

(f) the person or persons, if any, entitled to the family exemption and, if a claim is to be made in the petition, any additional facts necessary to establish the right thereto, as required by Rule 12.1.A.;

EXCEPTIONS**Rule 7.1.A. Exceptions. Rules Governing. [Rule *77.1]**

(1) All challenges to an order, decree, opinion, or adjudication of an account shall be raised by written exceptions. An order, decree, or opinion shall become final, and an adjudication of an account shall be confirmed absolutely as of course, after the expiration of twenty (20) days after the date of such order, decree, opinion, or adjudication, unless written exceptions thereto are filed within said twenty (20) days.

(2) Notwithstanding the provisions of paragraph (1) hereof, the Court will not entertain exceptions to the decree of a Hearing Judge awarding a jury trial or to any other interlocutory order or decree.

(3) Notwithstanding the provisions of provisions of paragraph (1) hereof, exceptions to the disposition of schedules of distribution by the Auditing Judge shall only be filed in accordance with Rule 6.11.A.(5)(c).

- (d) set forth briefly the reason or reasons in support of the exception.

Probate Section Comment: Under this Rule, the filing of timely exceptions is necessary to preserve an issue for appellate review. See *Estate of Volkhardt*, 484 Pa. 52, 398 A.2d 656 (1979). This Rule does not, however, address the issue of whether an order, decree, or opinion is otherwise appealable or final under the appellate rules. See generally Hunter, Pennsylvania Orphans' Court Commonplace Book, Appeals § 6; Pa. R.App.P. §§ 301-342.

Rule 7.1.B. Exceptions. Effect Upon Distribution. [Rule *77.2]

In such event, the auditor shall supplement the report by a full consideration of the objections seriatim, setting forth concisely all reasons for recommending that the Court sustain or dismiss each objection. While this Rule will be employed only in a minimum of instances for the foregoing reason and also because of the availability of Section 3546 of the Probate, Estates and Fiduciaries Code, it,

nevertheless, is considered advisable to preserve it in its altered form as a guide when it is to be employed.

(h) A description of the functional limitations and of the physical and mental condition of the alleged incapacitated person;

(i) The steps taken to find less restrictive alternatives;

(j) The specific areas of incapacity over which the guardian is requested to be assigned authority;

(k) The qualifications of each proposed guardian and the written consent of each proposed guardian to serve;

(m) A copy of the most recent annual report(s), if any has been filed, certified as true and correct by counsel and the date of filing of said report(s);

(n) A statement as to whether the alleged incapacitated person was a member of the United States Armed Forces and whether he or she is currently receiving veterans' benefits;

(4) *Alleged Incapacitated Persons: Resident/Non-resident.*

(a) The Court may determine the incapacity of persons domiciled or residing in the Commonwealth, and appoint guardians of the person and/or estate of the incapacitated person.

(b) The Court may determine the incapacity of persons not domiciled in the Commonwealth, having property in the Commonwealth, and appoint a guardian of the estate of the incapacitated person. The Court shall give preference in its appointment to the foreign guardian of the non-resident incapacitated person, unless such appointment would not be in the best interests of the incapacitated person.

Probate Section Comment: Section 5512.1 of the Pennsylvania Probate, Estates and Fiduciaries Code (20

Pa.C.S. § 5512.1) elaborates the basis upon which the Court shall make a finding of incapacity. The description and the steps taken to find less restrictive alternatives must include sufficient information to satisfy the requirements of § 5518 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5518). Section 5511 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5511) establishes that the Court may adjudicate an individual incapacitated and appoint a guardian only upon petition and hearing and upon the presentation of clear and convincing evidence.

Rule 14.2.B. Practice and Procedure. In General.

(1) *Assignment of Petitions.* Petitions for the appointment of guardians of alleged incapacitated persons will be assigned to the Judges of the Court in rotation.

(2) *Consent of Proposed Guardian.* The written consent of the proposed guardian to act as guardian, containing the information required to be given by a guardian of the estate of a minor, under Rule 12.5.B.(2), shall be attached to the petition.

(3) *Hearing Judge.* The Judge to whom a petition is assigned will be designated "Hearing Judge." Generally, all matters pertaining to the administration of the incapacitated person's estate will be referred to the Hearing Judge.

(4) *Service on Alleged Incapacitated Person and Notice to Interested Parties.*

(a) Personal service on the alleged incapacitated person shall be made by petitioner, or petitioner's representative, no less than twenty (20) days before the hearing. At the time of service, the petition and citation shall be explained to the maximum extent possible in language the alleged incapacitated person will be most likely to understand and the petition and the citation shall be left with him or her. The form of notice provided to the alleged incapacitated person shall be in large type and simple language, indicate the purpose and seriousness of the proceedings and the rights that could be lost as a result of the proceedings. Such notice shall include:

(i) The date, time and place of hearing;

(ii) An explanation of all rights of the alleged incapacitated person (including the right to counsel, to have an independent evaluation, to have the cost of counsel and of such independent evaluation reimbursed by the Commonwealth if the alleged incapacitated person is unable to pay); and

(iii) A statement that if the alleged incapacitated person does not attend the hearing or does not reply to the petition, the Court may assume that there is no objection to the petition and grant the requested relief.

(b) At least twenty (20) days before the hearing, notice consisting of copies of the petition and citation shall be sent by petitioner by certified mail to all persons who are sui juris and entitled to share in the estate of the alleged incapacitated person if he or she died intestate at that time. If there are no known intestate heirs, notice shall be given to the Attorney General at the Eastern Regional Office in Philadelphia. Notice shall also be provided to such person or institution providing residential services to the alleged incapacitated person and to such other parties as the Court may direct, including other service providers.

(c) The petitioner must notify the Court at least seven (7) days prior to the hearing if counsel has not been retained by or on behalf of the alleged incapacitated person.

(5) *Proof of Service and of Notice.*

(a) The following shall be submitted at a hearing for determination of incapacity:

(i) An affidavit of service of the petition and citation on the alleged incapacitated person, attached to or endorsed upon the original citation, reciting that the petition and citation were explained to the maximum extent possible in language likely to be understood by the alleged incapacitated person and that a copy of each was left with him or her; and

(ii) An affidavit reciting the manner of giving notice of the hearing and identifying those persons to whom such notice was given as required in Rule 14.2.B.(4).

(b) For all other petitions, proof of service and of notice shall be in accordance with Rule 1.2.A. or as the Court shall otherwise direct.

(6) *Attendance at Hearing.* The petitioner and the alleged incapacitated person shall be present at the hearing unless:

(a) The Court is satisfied, upon the deposition or testimony of or sworn statement by a physician or licensed psychologist, that the physical or mental condition of the alleged incapacitated person would be harmed by his or her presence; or

(b) It is impossible for the alleged incapacitated person to be present because of his or her absence from the Commonwealth, in which case it shall not be necessary for the alleged incapacitated person to be represented by a guardian ad litem.

The Court may, in its discretion, hold a closed hearing or a hearing without a jury, subject to the right of the alleged incapacitated person or his or her counsel to demand an open hearing, or a hearing with a jury. The hearing may be held at such location as the Court shall direct, including the alleged incapacitated person's residence.

(7) *Emergency Proceedings.*

(a) *Appointment:* The Court, upon petition and hearing at which clear and convincing evidence is shown, may appoint an emergency guardian or guardians of the person and the estate of an alleged incapacitated person, when it appears that the person lacks capacity, is in need of a guardian and a failure to make such appointment would result in irreparable harm to the person or estate of the alleged incapacitated person. The Court may also appoint an emergency guardian of the person pursuant to Chapter 55 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5501 et seq., including § 5513) for an alleged incapacitated person who is present in this Commonwealth but is domiciled outside the Commonwealth, regardless of whether he or she has property in this Commonwealth.

(b) *Applicability of Other Provisions:* The provisions of § 5511 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5511), including those relating to counsel, shall be applicable to such proceedings, except when the Court has found such provisions to be impractical.

(c) *Duration of Emergency Guardianship:*

(i) *Person:* An emergency order appointing an emergency guardian of the person may be in effect for up to seventy-two (72) hours. If the emergency continues, then, upon application to the Hearing Judge, the emergency order may be extended for no more than twenty (20) days from the expiration of the initial emergency order. After

the expiration of the emergency order or any extension, a full guardianship proceeding must be instituted pursuant to § 5511 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5511).

(ii) *Estate:* An emergency order appointing an emergency guardian of the estate shall not exceed thirty (30) days. After thirty (30) days, a full guardianship proceeding must be initiated pursuant to § 5511 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5511).

(d) *Electronic Filing:* By leave of Court, a copy of the petition and preliminary decree may be transmitted electronically to the Hearing Judge, e.g., by facsimile transmission, with the originals to be delivered to the Court on the next business day.

(8) *Evidence of Incapacity.*

(a) *Testimony:* The petitioner must present testimony, whether in person or by deposition, from individuals qualified by training and experience in evaluating incapacities of the type alleged by petitioner, which establishes the nature and extent of the alleged incapacities and disabilities and the person's mental, emotional and physical condition, adaptive behavior and social skills.

(b) *Independent Evaluation:* If, pursuant to § 5511(d) of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5511(d)), the Hearing Judge upon his or her own motion or on petition by the alleged incapacitated person for cause shown, shall order an independent evaluation to meet the requirements of § 5518 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5518): (1) the evaluator shall file a report of findings with the Hearing Judge before the hearing and shall send a copy thereof to each counsel of record and to such other interested parties or persons as the Court may direct; (2) the Hearing Judge shall determine the charges for the independent evaluation and the persons responsible for the payment and shall give due consideration to any evaluator nominated by the alleged incapacitated person.

(9) *Filing of An Inventory.* Within three months of the adjudication of incapacity, every guardian of the estate of an incapacitated person shall file an inventory with the Clerk of the Court in accordance with the provisions of § 5521(b) of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5521(b)) upon forms supplied by the Clerk of the Court.

(10) *Filing of Annual Reports.* Within twelve (12) months of a guardian's appointment, and annually thereafter, the guardian of an incapacitated person shall file a report in accordance with § 5521(c)(1) of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5521(c)(1)) with the Clerk of the Court.

(11) *Testamentary Writings.* A copy of all testamentary writings of the incapacitated person found by the guardian, or in the possession of any other person, certified to be true and correct, shall be submitted by the guardian or such other person to the Hearing Judge for inspection within thirty (30) days of such guardian's appointment, or when such testamentary writing(s) is subsequently discovered.

(12) *Certificates of Appointment.* The Clerk, in addition to issuing certified copies of the decree appointing a guardian, will issue a "Guardian's Certificate" in accordance with the decree when the security, if any, ordered by the Court has been entered.

Probate Section Comment: See Rule 3.5.B. for the citation procedure and required manner of service. Notwithstanding paragraph (4), a shorter time period for service may be permitted in connection with petitions for the appointment of an emergency guardian. If the alleged incapacitated person is in a hospital, nursing home or other institution, service must be made by an attorney or authorized personnel of the institution (in accordance with Rule 5.2.A.) and notice of the hearing should be given to the director or other authorized official of such facility. If the alleged incapacitated person is a veteran, notice of the hearing must be given to the Veterans' Administration. Although paragraph (8)(a) permits testimony by deposition, such evidence may not necessarily be considered adequate to establish incapacity. In relying on such evidence, counsel takes the risk that the petition will be denied or that the hearing will be continued so that a witness may be produced to give "live" testimony.

Note: Pursuant to the Pennsylvania Mental Health Procedures Act, § 109, the Court is required within seven days of finding an individual incapacitated to file a "Notification of Mental Health Commitment" form with the Pennsylvania State Police.

Rule 14.2.C. Practice and Procedure. Small Estates.

If at a hearing the incapacity is established, and it appears that the gross estate does not exceed the statutory limitation, the Court may award the entire estate to the person or institution maintaining the incapacitated person, or make such order as may be appropriate under the circumstances. In such case, a decree in approved form, in lieu of the final decree appointing a guardian, shall be attached to the face of the petition.

Probate Section Comment: Sections 5101 and 5505 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5101 and § 5505) prescribe the statutory limitation for small estates.

Rule 14.2.D. Practice and Procedure. Special Petitions.

(1) *Allowances.*

(a) In General: Expenditures for the maintenance or support of an incapacitated person or for a dependent of the incapacitated person, or for payment of counsel fees, shall be governed by the appropriate provisions of Rule 12.5.E.(1) and (3); but, otherwise, as hereinafter provided.

(b) Presentation of Petition and Decrees: A petition for distribution from the incapacitated person's estate, during incapacity, shall be filed with the Clerk of the Court by the guardian or any interested party. A final decree shall be attached to the face of the petition. When the petitioner is not a guardian, a preliminary decree containing a provision for the time and place for hearing to be fixed by the Court shall also be attached to the face of the petition. Notice shall be given to the guardian and to such other parties as the Court may direct.

(c) Additional Contents of Petition: In addition to the provisions set forth in Rule 14.2.A.(1), the petition shall also set forth:

(i) The name of the guardian, the date of his or her or appointment, the nature of the guardianship of the estate or person (limited or plenary) and the name of the Hearing Judge;

(ii) If the petitioner is not a guardian, his or her relationship to the incapacitated person, and, if not related, the nature of his or her interest;

(iii) A statement of all previous distributions allowed by the Court since the date of the last Court approved accounting, if any;

(iv) An itemized statement of all claims of the incapacitated person's creditors known to petitioner;

(v) A statement of the requested distribution and the reasons therefor; and

(vi) A prayer for the distribution requested. If the allowance requested will involve a matter which will require annual petitions for substantially similar relief, the petitioner may request the Court to make the grant of the allowance applicable to more than one (1) year, but not to exceed three (3) years, unless otherwise permitted by the Court.

(d) Restrictions Governing Allowance:

(i) Except in cases of extreme emergency, requests for allowances will not be approved prior to the filing of the inventory or the last required annual report, as the case may be.

(ii) If any portion of the incapacitated person's estate is received from the United States Veterans' Administration or its successor, or any agency of the Commonwealth, notice of the request for allowance shall be given to such agency.

(2) *Sales.*

(a) Real Property: A petition to sell real property shall comply with the appropriate provisions of the rules governing sale under Rule 12.12.A, as far as practicable.

(b) Personal Property: The Court shall be asked to approve sales of personal property only when the circumstances are unusual or where the nature of the property is such that the incapacitated person may wish to receive it in kind if he or she regains his or her capacity.

(3) *Reserve for Funeral.* In accordance with § 5537 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5537), the Court may authorize a funeral reserve.

(4) *Estate plan.* In accordance with § 5536(b) of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5536 (b)), the Court may substitute its judgment for that of the incapacitated person with respect to the incapacitated person's estate planning and other affairs.

(5) *Other Petitions.* The provisions of Rule 14.2.D. do not preclude the filing of other petitions for special relief. All other petitions shall be filed with the Clerk of the Court by the guardian or any interested party.

Probate Section Comment: Section 5521 of the Pennsylvania Probate, Estates and Fiduciaries Code (20 Pa.C.S. § 5521) gives the guardian authority to sell personal property without court approval. Therefore, for instance, such approval should not be sought for the routine sale of publicly traded securities; however, court approval may be sought for sales of other types of personal property, such as the alleged incapacitated person's personal effects, household furnishings or closely held stocks.

Rule 14.2.E. Practice and Procedure. Modification of Existing Orders and Adjudication of Capacity.

(1) *Petition to Modify An Existing Order.* A petition to modify an existing order shall include a request for the appropriate modification of the existing order in accordance with the evidence as presented of the incapacitated person's capacity or other change in circumstance.

(2) *Petition for Adjudication of Capacity.* A petition for adjudication of capacity shall include a request that the incapacitated person be declared no longer incapacitated, that the guardian be directed to file a final account and that such other action as the circumstances may require be approved.

PART III. GAME COMMISSION

[58 PA. CODE CH. 139]

Corrective Amendment to 58 Pa. Code § 139.16

The Game Commission has discovered a discrepancy between the agency text of 58 Pa. Code § 139.16(a)(1) and (4) (relating to deer damage areas) as deposited with the Legislative Reference Bureau and the official text published at 29 Pa.B. 2576 (May 15, 1999) and which will be codified in the July 1999 *Pennsylvania Code Reporter* (Master Transmittal Sheet No. 296). The text adopted at 29 Pa.B. 2576 did not reflect amendments to the proposed version of § 139.16(a)(1) and (4) made by the Game Commission.

Therefore, under 45 Pa.C.S. § 901: The Game Commission has deposited with the Legislative Reference Bureau a corrective amendment to 58 Pa. Code § 139.16. The corrective amendment to 58 Pa. Code § 139.16 is effective as of May 15, 1999, the date the defective official text appeared in the *Pennsylvania Bulletin*.

The correct version of 58 Pa. Code § 139.16(a)(1) and (4) appears in Annex A, with ellipses referring to the existing text of the regulation.

Title 10—BANKS AND BANKING

DEPARTMENT OF BANKING

[10 PA. CODE CH. 21]

Insurance and Annuities Statement of Policy

On December 13, 1996, the Department of Banking (Department) adopted the Insurance and Annuities Statement of Policy which was codified in 10 Pa. Code § 21.61. The Department's Insurance and Annuities Statement of Policy was published at 26 Pa.B. 5991 (December 14, 1996). The Insurance and Annuities Statement of Policy advised the banking industry of the Department's position that Pennsylvania State-chartered banks, bank and trust companies and savings banks may act as agents in the sale of insurance and annuities. Subsequently, Act 40 of 1997 was enacted on June 25, 1997. Act 40 of 1997 provides statutory authority for financial institutions to become licensed by the Insurance Department to sell insurance and annuity products in this Commonwealth. Consequently, the Department's Statement of Policy has been superseded by the Pennsylvania General Assembly through the enactment of Act 40 of 1997. The Department

has determined to delete its Insurance and Annuities Statement of Policy to alleviate confusion within the banking industry.

Effectiveness/Sunset Date

This deletion is effective immediately.

Secretary

(Editor's Note: The regulations of the Department, 10 Pa. Code Chapter 21, are amended by deleting the statement of policy in § 21.61.)

Ruth Family Farms, L.P. has submitted an application for an individual NPDES permit for an existing concentrated animal feeding operation (CAFO) known as Perry Meadows Farm located on the north side of SR 3004, 2.7 miles west of SR 3006 in Jackson Township, **Perry County**. The CAFO is situated near an unnamed tributary to Sherman Creek, which is classified as High Quality-Cold Water Fish. Construction of new manure storage facilities is not proposed. The CAFO is designed to handle 1,277 animal equivalent units containing 2,800 sows, 3,500 piglets and 54 boars.

The existing manure storage facilities consist of two lined impoundments having a total capacity of 4 million gallons with a leak detection system meeting the requirements of the Department's Final Strategy for Meeting Federal Requirements for Controlling the Water Quality Impacts of Concentrated Animal Feeding Operations, 29 Pa.B. 1439 (March 13, 1999) (Final CAFO Strategy). There will be no release or discharge to waters of this Commonwealth under normal operating conditions. Normal operating conditions are defined as conditions below a 25-year, 24-hour storm event.

The Department has conducted administrative and technical reviews of the application. Based on the preliminary review and application of lawful standards and regulations and the Final CAFO Strategy, the Department has made a tentative determination to issue an individual NPDES permit (Document No. 3620-PM-WQ00514) for the operation subject to the terms and conditions, effluent limitations, monitoring and reporting requirements specified in the draft permit.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 1

Acknowledgment of Notices of Intent to Remediate submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 302, 303, 304 and 305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the background standard, Statewide

health standard, the site-specific standard, or who intend to remediate a site as a special industrial area, must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one, or a combination of the cleanup standards, or who receives approval of a special industrial area remediation identified under the act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the sites identified as proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period the municipality may request that the person identified, as the remediator of a site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of a site.

For further information concerning the content of a Notice of Intent to Remediate, contact the Environmental Cleanup Program Manager in the Department's Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

Notice of Plan Approval and Operating Permit Applications

Nonmajor Sources and Modifications

The Department of Environmental Protection (Department) has developed an integrated plan approval, State operating permit and Title V operating permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department has received applications for plan approvals and/or operating permits from the following facilities. Although the sources covered by these applications may be located at a major facility, the sources being installed or modified do not trigger major new source review or prevention of significant deterioration requirements.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the Regional Offices identified in this notice. Persons interested in reviewing the application files should contact the appropriate regional office to schedule an appointment.

Persons wishing to file protests or comments on the proposed plan approval and/or operating permits must submit the protest or comment within 30 days from the date of this notice. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Any comments or protests filed with the Department's Regional Offices must include a concise statement of the objections to the issuance of the plan approval or operating permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior to the date of the hearing.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121-143, the Federal Clean Air Act and regulations adopted under the act.

**Notice of Intent to Issue
Plan Approval No. 18-322-001B**

Jersey Shore Steel Co. (P. O. Box 5055, Jersey Shore, PA 17740), has submitted an application to the Department of Environmental Protection (Department) for approval to construct a steel reheat furnace in Pine Creek Township, Clinton County. The information provided by the applicant and the Department's own analysis indicates that this reheat furnace may potentially result in the emission of 0.7 ton per 12 consecutive month period of non-methane organic compounds, 17.5 tons per 12 consecutive month period of sulfur oxides, 60.4 tons per 12 consecutive month period of nitrogen oxides (expressed as NO₂), and 8.7 tons per 12 consecutive month period of carbon monoxide. A preliminary review of the information submitted by the Jersey Shore Steel Company indicates that the proposed construction will meet all applicable air quality requirements. Based on this finding, the Department intends to approve the application and issue a plan approval to construct the proposed reheat furnace.

To ensure compliance with all applicable standards, the Department proposes to place the following conditions in the respective plan approval:

1. The reheat furnace is to be constructed in accordance with the plans submitted with the application (as approved herein).
2. This plan approval is issued for the construction of a 55,000,000 BTU/hour Bricmont, Inc. walking hearth reheat furnace.
3. Under the best available technology provisions of 25 Pa. Code §§ 127.1 and 127.12, the only fuels to be fired in the reheat furnace shall be:
 - a. Natural gas;
 - b. No. 2 fuel oil with a sulfur content never to exceed 0.1% by weight;

c. Landfill gas generated from the Wayne Township Landfill;

or any combination of these fuels. Additionally, no reclaimed or waste oil or other waste material shall ever be fired in the respective reheat furnace.

4. Under the best available technology provisions of 25 Pa. Code §§ 127.1 and 127.12, during furnace startup no landfill gas shall be combusted in the furnace until the furnace's outlet temperature is at least 1,600°F.

5. Under the best available technology provisions of 25 Pa. Code §§ 127.1 and 127.12, the furnace shall be equipped with a continuous temperature monitoring and recording device that shall accurately monitor and record the furnace's outlet temperature during any time landfill gas is combusted in the furnace.

6. Under the best available technology provisions of 25 Pa. Code §§ 127.1 and 127.12, the furnace's landfill gas feeding system shall be interlocked with the furnace's temperature monitoring and recording system such that the flow of landfill gas shall be automatically shut off should the furnace's outlet temperature drop below 1,600°F. During any time that any amount of landfill gas is being combusted in the furnace, the landfill gas shall be subjected to a furnace outlet temperature of at least 1,600°F.

7. Under the best available technology provisions of 25 Pa. Code §§ 127.1 and 127.12, during any time that the furnace is combusting landfill gas, the furnace shall provide a non-methane organic compound destruction efficiency of at least 98%.

8. Under the best available technology provisions of 25 Pa. Code §§ 127.1 and 127.12, the reheat furnace shall never exceed the following emissions limitations for nitrogen oxides (NO_x, expressed as NO₂), carbon monoxide (CO) and non-methane organic compounds (NMOCs):

Emission Limits for:

<i>NO_x</i>	<i>CO</i>
0.235 lb/mm Btu	35 lbs/mm ft ³
0.243 lb/mm Btu	5 lbs/1,000 gal
0.251 lb/mm Btu	17 lbs mm ft ³

lbs/mm Btu = pounds per million Btu
 lbs/mm ft³ = pounds per million cubic feet of fuel
 lbs/1000 gal = pounds per thousand gallons of fuel

<i>NMOCs</i>	<i>When Firing:</i>
2.8 lbs/mm ft ³	natural gas
0.2 lbs/1000 gal	#2 fuel oil
1.2 lbs/mm ft ³	landfill gas

9. Under the best available technology provisions of 25 Pa. Code §§ 127.1 and 127.12, the reheat furnace shall never exceed the following emissions limitations:

<i>Contaminant</i>	<i>Limit (tons per 12 consecutive month period)</i>
NO _x	60.4
SO _x	17.5
Carbon Monoxide	8.7
Non-methane Organic Compounds	0.7

10. The company shall upon Department request provide fuel analyses or fuel samples of the fuels used in the aforementioned furnace.

11. The company shall maintain comprehensive accurate records of the following:

- a. The volumes of natural gas, no. 2 fuel oil and landfill gas burned in the furnace on a monthly basis.
- b. The furnace outlet temperature including the dates and times the recordings were made.
- c. The dates and times that any landfill gas was burned in the reheat furnace.

12. Within 120 days of startup of the reheat furnace, the company shall perform stack testing upon the reheat furnace's exhaust for nitrogen oxides (NO_x, expressed as NO₂) while being fired on natural gas, no. 2 fuel oil and landfill gas (one set of tests per fuel type) and shall additionally perform non-methane organic compound test-

ing to demonstrate compliance with the destruction efficiency requirement specified in condition 7. All testing shall be performed using reference method test procedures while the respective furnace is operating at the maximum capacity at which it will ever be operated.

13. At least 60 days prior to the performance of any testing required by condition 12 a pretest plan shall be submitted to the Department for evaluation. This test plan shall contain the specific testing and analytical procedures to be used in performing the testing.

14. The Department shall be given at least 14 days advance notice of the specific dates and times for the performance of any testing required by condition 12 so that Department personnel can arrange to be present. The Department is under no obligation to accept the results of any testing performed without adequate advance notice having been given to the Department.

15. Within 60 days of completion of any testing required by condition 12, two copies of the test report shall be submitted to the Department. The report shall contain results of the testing, a description of the testing and analytical procedures actually used, all furnace operating data collected during the tests, a copy of all raw test data and a copy of the calculations generated during the data analysis.

16. Issuance of an operating permit for the aforementioned sources is contingent upon the sources being constructed, maintained and operated as described in the application and supplemental materials submitted for plan approval, as well as in accordance with all conditions contained herein, and upon satisfactory demonstration that any air contaminants emitted from the sources are in compliance with the requirements specified in any condition contained herein as well as in compliance with the requirements specified in, or established under any applicable rule or regulation contained in 25 Pa. Code Article III.

17. The company shall immediately notify the Department of any malfunction of the sources or associated air cleaning devices which results in, or may possibly be resulting in, the emission of air contaminants in excess of the limitations specified in, or established under, any applicable rule or regulation contained in 25 Pa. Code Article III or in excess of the limitations specified in any condition contained herein or which otherwise results in, or may possibly be resulting in, noncompliance with the requirements specified in any condition contained herein.

18. This plan approval authorizes temporary operation of the sources covered by this plan approval provided the following conditions are met.

a. The Department must receive written notice from the owner or operator of the completion of construction and the operator's intent to commence operation at least 5 working days prior to the completion of construction. The notice should state when construction will be completed and when the operator expects to commence operation.

b. Operation is authorized only to facilitate the start-up and shake-down of sources and air cleaning devices, to permit operations pending the issuance of an operating permit or to permit the evaluation of the sources for compliance with all applicable regulations and requirements.

c. This condition authorizes temporary operation of the sources for a period of 180 days from the date of

commencement of operation, provided the Department receives notice from the owner or operator under subpart (a), above.

d. The owner or operator may request an extension if compliance with all applicable regulations and plan approval requirements has not been established. The extension request shall be submitted in writing at least 15 days prior to the end of this period of temporary operation and shall provide a description of the compliance status of the source, a detailed schedule for establishing compliance, and the reasons compliance has not been established.

e. The notice submitted by the owner or operator under subpart (a), above, prior to the expiration of this plan approval, shall modify the plan approval expiration date. The new plan approval expiration date shall be 180 days from the date of commencement of operation.

19. Any notification required as a result of any condition herein should be directed to: John Twardowski, Air Pollution Control Engineer, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448, (570) 321-6523.

MINING

APPLICATIONS TO CONDUCT COAL AND NONCOAL ACTIVITIES

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to the applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District mining office indicated above each application. Where a 401 water quality certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for the certification.

Written comments or objections, or requests for informal conferences on applications, may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. The NPDES permits will contain, at a minimum, technology-based effluent limitations (as described in the Department's regulations—25 Pa. Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52 and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity and pH. In addition to the above, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit when necessary for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the above-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

HAZARDOUS SITES CLEANUP

Under the Act of October 18, 1988

Notice of Settlement Under the Hazardous Sites Cleanup Act

The Department of Environmental Protection (Department) under the authority of the Hazardous Sites Cleanup Act (HSCA) (35 P.S. §§ 6020.101—6020.1305), and the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) (42 U.S.C.A. §§ 9601—9675) has entered into a settlement regarding past and future response costs related to the Strasburg Landfill Superfund Site. The settlement involves a Consent Decree to be lodged in the United States District Court for the Eastern District of Pennsylvania, between the Department, Somerset Strippers of Virginia, Inc., Buckley & Company, Inc., Robert R. Buckley, Sr. and Joseph M. Martosella, Sr.

The Strasburg Landfill Superfund Site (site) is located in Newlin and West Bradford Townships, Chester County, PA. The site encompasses approximately 300 acres and includes the groundwater, soil and other media affected by any release of hazardous substances from the Strasburg Landfill. The Strasburg Landfill accepted waste from February 1979, to May 1983. The Department's predecessor, the Department of Environmental Resources, suspended the Strasburg Landfill operating permit in May 1983, and ordered the landfill closed due to construction flaws and permit violations. The United States Environmental Protection Agency (EPA) placed the site on the National Priorities List on March 31, 1989. The EPA conducted a remedial investigation/feasibility study at the site, during which they determined that hazardous substances and contaminants, including but not limited to, VOCs, benzene, PCE, TCE, toluene, arsenic and chromium, has been released at the site. The EPA designated four operable units at the site, and has selected remedial responses for three of the four. The EPA has initiated implementation of the remedial actions relating to leachate collection and treatment (Operable Unit 1), site access control (Operable Unit 2), and subsurface remediation and construction of a landfill cap (Operable Unit 3). The Department has incurred \$1,907,705.53 in costs associated with the implementation of these remedial actions. The EPA has not yet selected a remedy for groundwater at the site (Operable Unit 4). The Department anticipates it will incur approximately

\$5,092,294 in future costs associated with completion, and operation and maintenance of the remedial actions at the site.

The Department has asserted that Somerset Strippers of Virginia, Inc., Buckley & Company, Inc., Robert R. Buckley, Sr. and Joseph M. Martosella, Sr. all have liability under section 701 of HSCA and section 107 of CERCLA associated with the releases of hazardous substances from the Strasburg Landfill because they were owners, alter egos of the owners or corporate officers of entities owning an interest in the property on which the landfill was located, during the time when releases or threatened releases of hazardous substances occurred.

Under the terms of the Consent Decree, the settling parties shall pay to the Department \$750,000 for their share of the costs incurred and to be incurred by the Department for the Strasburg Landfill site. Upon payment under the Consent Decree, Somerset Strippers of Virginia, Inc., Buckley & Company, Inc., Robert R. Buckley, Sr. and Joseph M. Martosella, Sr. resolve any liability they may have with the Department and are eligible for contribution protection under HSCA and CERCLA regarding matters addressed in the Consent Decree, as provided in HSCA section 705(c)(2), 35 P.S. § 6020.705(c)(2) and CERCLA section 113(f), 42 U.S.C.A. § 9613(f).

This notice is provided under section 1113 of HSCA (35 P.S. § 6020.1113). The Department intends to file the Consent Decree with the United States District Court for the Eastern District of Pennsylvania upon the filing by the Department of its response to the significant written comments. The Consent Decree which contains the specific terms of the settlement is available for public review and comment. The Consent Decree can be examined from 8 a.m. to 4 p.m. at the Department's office at Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428, by contacting Tim Sheehan at (610) 832-6149. A public comment period on the Consent Decree will extend for 60 days from today's date. Persons may submit written comments regarding the Consent Decree to the Department by August 11, 1999, by submitting them to Tim Sheehan at the previous address.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 3

The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908) and Chapter 250 Administration of Land Recycling Program.

Provisions of 25 Pa. Code § 250.8 Administration of Land Recycling Program requires the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the Land Recycling and Environmental Remediation Standards Act (act). Plans and reports required by provisions of the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation, concentration of regulated substances in environmental media, benefits of reuse of the property, and in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. A cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the Environmental Cleanup Program Manager in the Department's Regional Office under which the notice of the plan or report appears. If information concerning a plan or report is required in an alternative form, contact the community relations coordinator at the appropriate regional office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department of Transportation plans to remove and replace the Axemann Bridge on Township Road 423 in Spring Township, Centre County.

The proposed project will have No Adverse Effect on the Axemann Historic District, which has been determined eligible for the National Register of Historic Places. There is no feasible and prudent alternative to the usage of the Axemann Historic District.

No adverse environmental effect is likely to result from the reconstruction of this section of highway.

Finding

Huntingdon County

Pursuant to the provisions of 71 P. S. Section 2002(b), the Secretary of Transportation makes the following written finding:

The Department of Transportation plans to replace the existing bridge carrying SR 22 over Shaffers Run in the Village of Shaffersville, Morris Township, Huntingdon County. This project will require the acquisition of 445 square meters (0.11 acres) of right of way from the Shaffersville Historic District and 283 square meters (0.07 acres) of right of way from the Huntingdon, Cambria, and Indiana Turnpike Remnants Historic District. The effect of this project on the Schaffersville Historic District and the Huntingdon, Cambria and Indiana Turnpike Remnants Historic District will be mitigated by the following mitigation measures:

1. Concrete form liners and stained concrete will be used for the construction of the bridge abutments and wingwalls to give the appearance of stonework.

2. The proposed concrete structure will be tinted to make it less obtrusive.

3. Clearing of vegetation for this project will be minimized.

4. The minimum design criteria for pavement and structure width and for guiderail placement will be used to minimize impacts to the historic districts.

I have considered the environmental, economic, social, and other effects of the proposed project as enumerated in Section 2002 of the Administrative Code, and have concluded that there is no prudent and feasible alternative to the project as designed, and all reasonable steps have been taken to minimize such effect.

No adverse environmental effect is likely to result from the replacement of this bridge.

INDEPENDENT REGULATORY REVIEW COMMISSION

Notice of Comments Issued

Section 5(g) of the Regulatory Review Act (act) (71 P. S. § 745.5(g)) provides that the designated standing committees may issue comments within 20 days of the close of the public comment period, and the Independent Regulatory Review Commission (Commission) may issue comments within 10 days of the close of the committee comment period. The Commission comments are based upon the criteria contained in section 5a(h) and (i) of the act (75 P. S. § 745.5a(h) and (i)).

The Commission has issued comments on the following proposed regulations. The agency must consider these comments in preparing the final-form regulations. The final-form regulations must be submitted by the dates indicated.

State Board of Physical Therapy Regulation No. 16A-655 Fees May 27, 1999

We have reviewed this proposed regulation from the State Board of Physical Therapy (Board) and submit for consideration the following objections and recommendations. Section 5.1(h) and (i) of the Regulatory Review Act (71 P. S. § 745.5a(h) and (i)) specify the criteria the Commission must employ to determine whether a regulation is in the public interest. In applying these criteria, our Comments address issues that relate to fiscal impact, consistency and clarity. We recommend that these Comments be carefully considered as you prepare the final-form regulation.

1. Section 40.5. Fees—Fiscal Impact, Consistency and Clarity.

Administrative overhead costs

In the proposed regulation's fee report forms, there are significant differences in the costs covered by different fees except for "Administrative Overhead" costs. According to staff at the Department of State and its Bureau of Professional and Occupational Affairs (BPOA), the allocated share of overhead cost for each fee category is calculated by dividing total overhead costs by the number of active licensees. This methodology for overhead cost allocation is not unreasonable and has been consistently applied. On the other hand, the staff cost allocations are based on estimates of the actual time BPOA staff spends performing the tasks related to each fee.

For overhead cost allocations, there appears to be no relationship to the services covered by the fees or frequency of fee payments. Therefore, there is no indication that the fees will recover actual or projected overhead costs. In addition, the allocated costs are based on past expenditures rather than estimates or projections of future expenditures. Hence, there is no certainty that the fees' "projected revenues will meet or exceed projected expenditures" under section 8(b) of the Physical Therapy Practice Act (63 P. S. § 1308(b)).

We question the use of a constant overhead cost allocation that appears to be unrelated to the actual costs of activities covered by different fees. Even though this process was used to determine other fees, why should BPOA maintain this approach? The Board and BPOA should specifically identify the overhead costs, or portion of the total overhead, to be recouped by these fees, and review their methodology for allocating these overhead costs. Is it the Board's goal to allocate all overhead costs by category to each fee? If so, we do not believe the current allocation formula gives the desired result.

Board duties for certification and verification

The House Professional Licensure Committee requested additional information from the Board in two areas. First, it questioned the Board's role in the certification of scores, licensure, certification and registration. In addition, it noted that the description of Board staff functions in the fee report forms for certification and verification fees were the same. However, there was a significant difference in the staff time and costs for these fees. Staff time for certification equaled 45 minutes at a cost of \$15.23. Staff time for verification was 4.8 minutes at a cost of \$1.62.

Why does the Board certify scores? What is the difference between certification and verification? How much work is required to provide these services? The Board should explain in detail the answers to these questions when it submits the final-form version of this regulation.

Administrative overhead costs

In the proposed regulation's fee report forms, there are significant differences in the costs covered by different fees except for "Administrative Overhead" costs. According to staff at the Department of State and its Bureau of Professional and Occupational Affairs (BPOA), the allocated share of overhead cost for each fee category is calculated by dividing total overhead costs by the number of active licensees. This methodology for overhead cost allocation is not unreasonable and has been consistently applied. On the other hand, the staff cost allocations are based on estimates of the actual time BPOA staff spends performing the tasks related to each fee.

For overhead cost allocations, there appears to be no relationship to the services covered by the fees or frequency of fee payments. Therefore, there is no indication that the fees will recover actual or projected overhead costs. In addition, the allocated costs are based on past expenditures rather than estimates or projections of future expenditures. Hence, there is no certainty that the fees' "projected revenues will meet or exceed projected expenditures" under section 13.1(a) of the Osteopathic Medical Practice Act (63 P. S. § 271.13a(a)).

We question the use of a constant overhead cost allocation that appears to be unrelated to the actual costs of activities covered by different fees. Even though this process was used to determine other fees, why should BPOA maintain this approach? The Board and BPOA should specifically identify the overhead costs, or portion of the total overhead, to be recouped by these fees, and review their methodology for allocating these overhead costs. Is it the Board's goal to allocate all overhead costs by category to each fee? If so, we do not believe the current allocation formula gives the desired result.

Inconsistency in fee title

In the Regulatory Analysis Form, question eight states that "... certification of any license, grades or hours..." fee will be adjusted. In the Fee Report Form, the same fee is entitled, "Certification of Scores or Hours." And in the proposed rulemaking, the fee is entitled, "Certification of any License, Examination Grades, or Hours." This inconsistency needs to be clarified in the preamble to the Board's final-form rulemaking.

Similarity in tasks

The Board's staff time and administrative costs for the Verification of License or Temporary Permit as outlined in the Fee Report Form are 0.08/hour and \$1.62, respectively. The staff time and administrative costs for the Certification of License, Scores, or Hours outlined in the Fee Report Form are 0.75/hour and \$15.23, respectively. Yet the administrative functions the Board staff performs for both are identical. The Board should explain the cost and time differentials when it submits its final-form rulemaking.

**Environmental Hearing Board Regulation No. 106-4
Practice and Procedure
May 28, 1999**

We have reviewed these proposed regulations from the Environmental Hearing Board (Board) and submit for consideration the following objections and recommenda-

tions. Section 5.1(h) and (i) of the Regulatory Review Act (71 P.S. § 745.5a(h) and (i)) specify the criteria the Commission must employ to determine whether a regulation is in the public interest. In applying these criteria, our Comments address issues that relate to reasonableness and clarity. We recommend that these Comments be carefully considered as you prepare the final-form regulations.

1. Section 1021.31(a). Service by the Board—Clarity.

Subsection (a) provides that service of orders, notices and other documents is to be made, by mail or in person, upon the person designated in the notice of appearance. The Board proposes to have this rule supersede, rather than supplement, the General Rules of Administrative Practice and Procedure, 1 Pa. Code § 33.31, relating to service by the agency. This change leaves unanswered the question of whom to serve if a party has not yet entered an appearance.

The Board advises that this problem arises only in one specific type of case involving a permittee. In that type of case, the permittee's name and address is attached to the complaint. Service may then be made on the permittee, or on the permittee's attorney. To ensure that this process is clear, the Board's rules should continue to supplement, and not supersede, 1 Pa. Code § 33.31. In the alternative, the Board should revise § 1021.31 to indicate that service should be made on a permittee before the permittee enters an appearance.

2. Section 1021.51. Commencement, forms and content—Clarity.

Subsection (f) requires an appellant to prepay a penalty in an appeal from an assessment of a civil penalty. This section should be revised to clearly indicate that the prepayment requirement only applies when required by statute. The following amendment will accomplish this change:

"Where the appeal is from an assessment of a civil penalty [that] for which the statute requires an appellant to prepay the penalty or post a bond, . . ."

3. Section 1021.56. Complaints filed by the Department—Reasonableness and Clarity.

In subsection (b), the Board has replaced notice to plead with notice of right to respond. Given the large number of pro se defendants who appear before the Board, we question whether the change in language will give adequate notice of the consequences of a failure to respond, or the failure to specifically deny factual allegations.

The Board should revise the regulation to provide that complaints will contain a notice advising defendants of these consequences, or explain in its response document how defendants are advised of these consequences through other means (pamphlets, and the like).

4. Section 1021.57. Answers to Complaints filed by the Department—Reasonableness and Clarity.

In § 1021.57, the Board has proposed a new rule pertaining to answers. This rule, which will replace § 1021.66, will apply to all proceedings which must be instituted by complaint. Although § 1021.66 will be deleted, most of its substantive provisions will be incorporated into the new § 1021.57. However, certain differences between the new and deleted provisions have created confusion.

First, § 1021.57(b) combines in one provision the following two distinct directives: (1) all defenses, legal and

factual, should be combined in a single pleading; and (2) answers should be written and complete, should admit or deny specifically each allegation, and should clearly state the facts and legal arguments relied upon. This provision incorporates the substance of Subsections (b) and (d) of § 1021.66. Combining these two provisions into a single provision results in diminished clarity. Therefore, § 1021.57(b) should be divided into two lettered paragraphs, modeled after subsections (b) and (d) of § 1021.66.

Second, § 1021.57 leaves doubt as to whether a party must reply to new matter and preliminary objections. Section 1021.57(b) contains the same requirement as § 1021.66(c), that preliminary objections must be included in answers and may not be filed separately. However, § 1021.66(e), which requires the filing of a reply to new matter and answer to preliminary objections, was not carried over to § 1021.57. This has resulted in confusion as to whether: (1) replies to new matter and answers to preliminary objections are still required; and (2) the same "deemed admitted" rule applies to a failure to file a reply or answer. The regulation should be amended to resolve these questions.

Third, § 1021.57(c) leaves unclear how facts may be deemed admitted against a party. This provision was modeled after § 1021.66(c), with one important difference. Section 1021.66(c) provides that a defendant failing to file an answer within the prescribed time shall be deemed in default and, **upon motion made**, all relevant facts stated in the complaint for civil penalties may be deemed admitted (emphasis ours). Section 1021.57(c) leaves out the phrase "upon motion made." The absence of this language gives rise to the question whether all relevant facts may be deemed admitted against a party even if its opponent does not make a motion to that effect.

Under § 1021.70(h), motions may be made orally during the course of a hearing, and do not have to be preliminarily filed in writing. In the interest of fairness, and given the ease with which a motion may be made, the requirement for a motion should be retained in § 1021.57(c).

5. Section 1020.70. General—Clarity.

The new language proposed to be added to § 1020.70(e) is inconsistent with both §§ 1020.70(f) and 1021.73(b). The new language in subsection (e) would presumably apply to all motions, including motions for summary judgment and motions for partial summary judgment. It would provide that material facts set forth in a motion that are not denied may be deemed admitted for the purposes of deciding the motion. Subsection (f), however, does not apply to motions for summary judgment or motions for partial summary judgment. It provides that, for the purposes of the relief sought, the Board will deem a party's failure to respond to a motion to be an admission of all properly pleaded facts contained in the motion. Section 1021.73(c), which incorporates by reference Pa.R.C.P. Rule 1035.3(d), provides that summary judgment may be entered against a party who does not respond.

This inconsistency gives rise to several questions. First, with respect to motions for summary judgment and motions for partial summary judgment, it is not clear whether failure to respond at all, or failure to specifically deny factual allegations, will result in an order granting summary judgment. Compare the proposed change to § 1020.70(e) with § 1021.73(b) and Pa.R.C.P. Rule 1035.3(d). If a failure to respond at all results in this

penalty, what consequences will result from a failure to specifically deny factual allegations?

Second, with respect to motions that are not dispositive, it is not clear why the Board would differentiate between the purpose of deciding the motion in subsection (e) and the purpose of the relief sought in subsection (f). Presumably, if a motion were decided in the mover's favor, the relief sought would be granted. Third, subsection (e) does not explain whether facts that are not specifically denied will be deemed admitted upon motion of the opposing party or the Board's own motion, or whether the Board may deem facts admitted even if a motion to that effect is not made. The Board should revise the language in subsection (e) to resolve these inconsistencies.

6. Section 1021.80. Consolidation—Clarity.

Section 1021.80 provides that the Board, upon motion made, may consolidate proceedings involving a common question of law or fact. The proposed change to subsection (b) indicates that § 1021.80 will supersede, rather than supplement, the Rules of Administrative Practice and Procedure, 1 Pa. Code § 35.45. This change would seem to prevent the Board from issuing orders necessary to have the proceedings conducted in an efficient manner. Therefore, the Board should retain "supplements" and not replace it with "supersedes."

The Board has explained that this authority is reserved under the newly proposed § 1021.4, which is patterned after the Pa.R.C.P. Rule 126. So that this will be made apparent, the Board should cross-reference § 1021.4 in § 1021.80.

7. Section 1021.104. Transcript—Reasonableness and Clarity.

Section 1021.104 sets forth the requirement for transcripts. In subsection (d), the Board proposes to have this section supersede, rather than supplement, the General Rules of Administrative Practice and Procedure, 1 Pa. Code §§ 35.131–35.133. Superseding 1 Pa. Code § 35.132 will have the effect of eliminating the procedure for correcting errors in transcripts. Therefore, the Board should not replace "supplements" with "supersedes." In the alternative, the Board should revise § 1021.104 to indicate how errors in transcripts can be corrected.

8. Section 1021.125. Sanctions—Clarity.

Section 1021.125 provides that the Board may impose sanctions for failure to abide by a Board order or practice and procedure rule. With respect to the type of sanctions that may be imposed, the Board proposes to delete the phrase "as are permitted in similar situations by Pa.R.C.P. for practice before the court of common pleas," and replace that phrase with "appropriate." By deleting the reference to the Pa.R.C.P., the Board has not provided any means through which a party may be put on notice as to what sanctions the Board may find "appropriate."

The Board has explained that it intends to be guided by Pa.R.C.P. Rule 4019 (relating to production of documents and things; sanctions), and will state its intention in the Preamble to the final-form regulations. However, the Board does not want to include a cross-reference to Rule 4019 in the regulation, because this rule has limited application to discovery practice.

Because the Preamble is not codified, the mention of the Board's intention therein is not sufficient to place parties on notice as to how the Board's discretion will be limited. Therefore, the cross-reference to Rule 4019

should be included, with clarification that it will apply generally to proceedings before the Board. In the alternative, the Board should list in § 1021.125 the sanctions set forth in Rule 4019 that it will apply where circumstances warrant.

9. Miscellaneous—Clarity.

The following revisions will improve the clarity of the regulation:

1. Section 1021.35(a)(2). Insert the word "than" between "other" and "motions."

2. Sections 1021.17, 1021.107 and 1021.161. Do not place substantive provisions in "Note" paragraphs, which are neither numbered nor lettered. To avoid confusion, use the standard format for regulations established by the Joint Committee on Documents, 1 Pa. Code, § 7.6 and Chapter 9.

3. Section 1021.162. Replace "In the event" with "If." Also, divide the first and second sentences into subsections (a) and (b).

STATE TAX EQUALIZATION BOARD

Common Level Ratios

The State Tax Equalization Board (Board) has established a Common Level Ratio for each county in the Commonwealth for the calendar year 1998. The ratios were mandated by Act 267-1982.

The law requires the State Tax Equalization Board to use statistically acceptable techniques, to make the methodology for computing ratios public and to certify, prior to July 1, the ratio to the Chief Assessor of each county each year.

The statistical technique which the Board used for the 1998 Common Level Ratio is to determine the arithmetic mean of the individual sales ratios for every valid sale received from the county for the calendar year 1998.

The methodology used is to include every valid sale with a ratio from 1% to 100% and compute a mean. Using this mean as a base, the State Tax Equalization Board has defined high and low limits by multiplying and dividing this computed mean by 4. Using these computed limits, the State Tax Equalization Board has utilized the valid sales, rejecting those sales, which exceed the limits. The resulting arithmetic mean ratio is the ratio which the State Tax Equalization Board is certifying as the Common Level Ratio for each county for 1998.

There is one exception to this procedure. The original mean ratio for those counties which have a predetermined assessment ratio for 1998 of 100% will utilize valid sales from 1% to 200%.

The Common Level Ratios for 1998 follow.
