**MEMORANDUM OF UNDERSTANDING
BETWEEN**

(Law Enforcement Authority)

and

(School Entity)

(Date)

I. Introduction

A. Parties

The following Law Enforcement Authority or Authorities agree to follow the policies and procedures contained in this Memorandum of Understanding (hereinafter “Memorandum”):

The following School Entity or Entities agree to follow the policies and procedures contained in this Memorandum:

B. This Memorandum establishes procedures to be followed when certain incidents—described in Section II below—occur on school property, at any school sponsored activity, or on a conveyance as described in the Safe Schools Act (such as a school bus) providing transportation to or from a school or school sponsored activity. This Memorandum does not cover incidents that are outside of those school settings and create no substantial disruption to the learning environment.

C. The parties seek to foster a relationship of cooperation and mutual support and to maintain a safe school environment.

D. Legal Authority

1. The parties make this agreement as required by Article XIII-A of the Public School Code of 1949, popularly known as the “Safe Schools Act,” as amended, 24 P.S. §§ 13-1301-A—13-1313-A.

2. In so recognizing this legal authority, the parties acknowledge their respective duties pursuant to the Safe Schools Act and hereby agree to support and cooperate with one another in carrying out their joint and several responsibilities thereunder.

3. Information From Student Records

a. The Law Enforcement Authority shall be governed by the following reporting and information exchange guidelines:

i. Criminal History Record Information Act, 18 Pa.C.S. § 9101 et seq.

ii. The prohibition against disclosures, specified in section IV(C)(5) of this Memorandum.

b. When sharing information and evidence necessary for the Law Enforcement Authority to complete its investigation, the School Entity shall:

i. Comply with the Family Educational Rights and Privacy Act (hereinafter “FERPA”), 20 U.S.C. § 1232g, and its implementing regulations at 34 C.F.R. § 99.1 et seq., and 22 Pa. Code §§ 12.31-12.33, including any amendments thereto.

ii. Comply with the requirements of the Safe Schools Act, 24 P.S. §§ 13-1303-A and 13-1313-A, and any amendments thereto.

c. The School Entity may disclose personally identifiable information from an educational record of a student to the Law Enforcement Authority if a health or safety emergency exists and knowledge of that information is necessary to protect the health or safety of the student or other individuals. In determining whether a health or safety emergency exists, the School Entity may take into account the totality of the circumstances pertaining to a threat to the health or safety of a student or other individuals. If the School Entity determines that there is an articulable and significant threat to the health or safety of a student or other individuals, it may disclose information from education records to the Law Enforcement Authority, if knowledge of that information is necessary for the Law Enforcement Authority to protect the health or safety of the student or other individuals. The School Entity must record the articulable and significant threat to the health or safety of a student or other individuals so that it can demonstrate—to parents, students

and the Family Policy Compliance Office¹—what circumstance led it to determine that a health or safety emergency existed and why the disclosure was justified.

E. Priorities of the Law Enforcement Authority

1. Help the School Entity prevent delinquent acts through preventive measures, including referrals to support services, diversionary programs, restorative practices, school-wide positive behavior supports, education and deterrence.

2. Investigate as appropriate all incidents reported to have occurred on school property, at any school sponsored activity, or on a conveyance as described in the Safe Schools Act (including a school bus) providing transportation to or from a school or school sponsored activity. The investigation of all reported incidents shall be conducted in the manner that the Law Enforcement Authority, in its sole discretion, deems appropriate; but any investigation shall be conducted so as to involve as little disruption to the school environment as is practicable.

3. Identify those responsible for the commission of the reported incident and, where appropriate, apprehend and prosecute those individuals. Identification and apprehension procedures shall involve as little disruption to the school environment as is practicable.

4. Establish and maintain a cooperative relationship with the School Entity in the reporting and resolution of all incidents described in Section II of this document.

F. Priorities of the School Entity

1. Help law enforcement prevent delinquent acts through preventive measures, including referrals to support services, diversionary programs, restorative practices, school-wide positive behavior supports, education and deterrence.

2. In determining whether to file charges, the Law Enforcement Authority is encouraged to consult with the District Attorney. Where appropriate under the law, part of this consultation may include a discussion about the availability or propriety of utilizing a diversionary program as an alternative to filing charges.

D. Notification of the Law Enforcement Authority when incident involves children with disabilities

1. If a child with a disability commits an incident of misconduct, school administrators and the Law Enforcement Authority should take into consideration that the child's behavior may be a manifestation of the disability and there may be no intent to commit an unlawful act. Code §§ 14.133, 15.3 or 711.46.

4. In accordance with 34 CFR 300.535 (relating to referral to and action by law enforcement and judicial authorities), nothing will prohibit the School Entity from reporting an offense committed by a child with a disability to the Law Enforcement Authority, and nothing will prevent State law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal and State law to crimes committed by a child with a disability.

5.
