THE PROGRAM

§ 49.1. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

Act—The Public School Code of 1949 (24 P. S. §§ 1-101—27-2702).

Approved teacher certification program—A sequence of courses and experiences offered by a preparing institution which is reviewed and approved by the Department.

Articulation agreement—A formal agreement between two higher educational institutions, stating specific policies relating to transfer and recognition of academic achievement to facilitate the successful transfer of students without duplication of course work.

Assessment of basic skills—A measurement of a candidate's ability to communicate orally and in writing and to demonstrate proficiency in fundamental computational skills.

Assessment of general knowledge—A measurement of a candidate's knowledge in the fields of literature, mathematics, the sciences and social studies.

Assessment of professional knowledge and practice—A measurement of a candidate's knowledge of educational theory, principles of human growth and development, educational psychology and other subjects directly related to educational practice and their application/demonstration in school settings.

Assessment of subject matter—A measurement of a candidate's knowledge of an academic field or discipline to be taught in the public schools of this Commonwealth.

Candidate—A person seeking certification in any of the areas outlined in this chapter.

Certificate—A document prepared and issued by the Department indicating that the holder has completed an approved professional preparation program and is qualified to perform specific professional duties.

Chief school administrator—The superintendent, intermediate unit executive director, or equivalent private school administrator.

Collegiate studies—Studies pursued at institutions which are entitled to apply to themselves the designation of college or university as defined by 24 Pa.C.S. Chapter 65 (relating to private colleges, universities and seminaries).

Commissioned officer—District superintendents and assistant district superintendents under section 1078 of the act (24 P. S. § 10-1078) regarding commissions and objections to election.

Community provider—A not-for-profit or for-profit organization that operates prekindergarten programs.

Continuing professional education—The formal acquisition of collegiate or in-service credits designed to improve and expand the expertise of professional personnel.

Core academic subject—Includes reading, language arts, mathematics, science, foreign languages, social studies and the arts.

Day-to-day substitute permit—A permit issued for no longer than 20 consecutive days to fill a position due to the absence of professional certified personnel.

Degree-granting institution—A public college or technical institute which provides a 2 year, postsecondary college-parallel, terminal-general, terminal-technical, out-of-school youth or adult education program or a combination of these and which is established and operated under the act.

Diverse learner—A student who because of limited English language proficiency or disabilities may have academic needs that require varied instructional strategies to help the student learn.

Educational specialist—Professional certified personnel whose primary responsibility is to render professional service other than classroom teaching, such as dental hygienist, home and school visitor, instructional technology specialist, social restoration specialist, nutrition service specialist, elementary counselor, secondary counselor, school nurse and school psychologist.

Emergency permit—A permit issued to fill a vacancy resulting from resignation, termination, retirement, death or the creation of a new position.

Exceptional case permit—A permit issued to fill a vacancy due to exceptional conditions.

Inclusive setting—The placement of a diverse learner in a regular classroom setting.

Induction—A process by which a variety of professional support services are provided to newly employed teachers and educational specialists under the guidance of professional personnel to facilitate entry into the education profession.

Induction plan—A description of the induction process developed and submitted by the school entity to the Department for approval which describes how a teacher or educational specialist will be introduced to the teaching profession under this chapter.

Intern certificate—A professional certificate that entitles the holder to fill a full-time professional teaching position.

Invalid certificate—A certificate which no longer enables its holder to perform specific professional duties.

Long-term substitute permit—A permit issued for an indeterminate period to fill a position due to the absence of professional certified personnel.

Occupational competency credential—A document issued by the Occupational Competency Testing Examiners which signifies that the holder possesses knowledge and skill in a technical field at a journeyman level. When the document is presented to a preparing institution or to the Department, it may be registered by the Department on the holder's vocational intern, vocational instructional or instructional certificate, and it enables the holder to teach that occupational specialty.

PSPC—Professional Standards and Practices Commission—A body composed of educators from the fields of basic and higher education, members of the general public and an ex officio member of the Board established by the Professional Educator Discipline Act.

Permit—A document prepared and issued by the Department indicating that the holder is allowed to serve in lieu of a certified professional for a specified period of time.

Prekindergarten—A program operated by an early intervention agency as defined in § 14.101 (relating to definitions), school district or under contract from a school district that is open to children who are 3 years of age and who have completed the program prior to the school district's entry age for kindergarten.

Preparing institution—A college or university that offers a program approved by the Department to prepare professional personnel for employment in the public schools.

Professional certified personnel—Professional employees, excluding school secretaries, as defined in section 1101 of the act (24 P. S. § 11-1101).

Professional duties—A duty the performance of which is restricted to professional personnel by the scope of their certificate.

Professional Educator Discipline Act—24 P. S. §§ 2070.1a—2070.18a.

Satisfactory achievement—An acceptable level of performance as determined by the Secretary in consultation with the Board on the Department-prescribed assessments required in this chapter.

School entity—Public schools, school districts, intermediate units, area vocational-technical schools, charter schools, cyber schools and independent schools.

Term of validity—A period of time as specified in §§ 49.33, 49.34, 49.82, 49.92, 49.102, 49.142 and 49.152 in which the holder of a certificate is entitled to perform the professional duties for which the certificate was issued.

§ 49.11. General.

(a) Certificates and letters of eligibility in force in this Commonwealth on September 25, 1999, shall continue in force, subject to all the terms and conditions under which they were issued and the act until they expire by virtue of their own limitations. For certificates or a letter of eligibility to remain active, every 5 years a professional educator shall satisfactorily complete the following:

- (1) Six credits of collegiate study.
- (2) Six credits of continuing professional education courses.
- (3) One hundred eighty hours of continuing professional education courses, activities or learning experiences or any combination of collegiate studies, continuing professional education courses or other programs equivalent to 180 hours.

(b) State certificates and permits will be issued as provided in this chapter, and teachers and other professional personnel may not perform professional duties or services in the schools of this Commonwealth in any area for which they have not been properly certified or permitted.

(c) This chapter establishes the specific requirements for the certification and permitting of persons serving in the public school entities of this Commonwealth as professional employees, temporary professional employees, substitutes, and commissioned school administrators of the Commonwealth.

§ 49.12. Eligibility.

In accordance with sections 1109, 1202 and 1209 of the act (24 P. S. §§ 11-1109, 12-1202 and 12-1209), every professional employee certified or permitted to serve in the schools of this Commonwealth shall:

- (1) Be of good moral character.

(2) Provide a physician's certificate stating that the applicant, with or without reasonable accommodation, is able to perform successfully the essential functions and duties of an educator. A qualified applicant who has tuberculosis or another communicable disease or a mental disability, will not be deemed to pose a direct threat to the health or safety of others unless a threat to health or safety cannot be eliminated by a reasonable accommodation.

(3) Be at least 18 years of age.

(4) Except in the case of the Resource Specialist Permit, Vocational Instructional Intern Certificate, and Vocational Instructional Certificate, have earned minimally a baccalaureate degree as a general education requirement.

§ 49.13. Policies.

(a) The Board, through the Secretary, will provide standards for the guidance of the preparing institutions in educating professional personnel for the schools of this Commonwealth, all of which are to include accommodations and adaptations for diverse learners.

(b) The Department will have the following responsibilities with respect to certification and permitting of professional personnel in the schools of this Commonwealth:

(1) Provision of advisory services to college and school personnel in matters pertaining to teacher education and certification.

(2) Designation of professional titles for personnel.

(3) Prescription of procedures for issuance of certificates and permits.

(4) Evaluation and approval of teacher education programs leading to the certification and permitting of professional personnel.

(i) The evaluation by the Department will provide assurance that, on or before January 1, 2011, teacher education programs will require at least 9 credits or 270 hours, or an equivalent combination thereof, regarding accommodations and adaptations for students with disabilities in an inclusive setting. Within the content of these 9 credits or 270 hours, instruction in literacy skills development and cognitive skill development for students with disabilities must be included, as determined by the institution. At least 3 credits or 90 additional hours, or an equivalent combination thereof, must address the instructional needs of English language learners. For purposes of this requirement, 1 credit equals 30 hours of coursework. Applicable hours are limited to a combination of seat hours of classroom instruction, field observation experiences, major research assignments, and development and implementation of lesson plans with accommodations and adaptations for diverse learners in an inclusive setting.

- (ii) Program approval reviews shall be conducted by professional educators from basic and higher education.
- (5) Registration of certified and permitted persons.
- (6) Maintenance of records of all certificates and permits.
- (7) Assurance that each professional person is properly certified or permitted for the specific position in which the professional person is employed.
- (8) Review and investigation of alleged violations of this chapter.
- (9) Prescription of procedures approved by the Board for the appraisal and evaluation of education and experience of applicants for any type of professional certification issued by the Department when the applicant has been denied certification and is prepared by institutions outside this Commonwealth or has appealed in accordance with guidelines approved by the Board in § 49.66 (relating to appeal procedure), a decision pertaining to eligibility for certification rendered by a Commonwealth institution having an approved program. The appellant initially shall have appealed to the institution.
- (10) The issuance of administrative agency interpretative policies and directives relating to professional certification and staffing in the schools of this Commonwealth as may be necessary to carry out the intent of this chapter.
- (11) Identification and approval of assessment tools, instruments and procedures to measure basic skills and general knowledge; professional knowledge and practice; and subject matter knowledge.
- (12) Assurance that individual scores or measurements achieved on assessments instituted under § 49.18 (relating to assessment) are not released without the permission of the candidate or pursuant to subpoena or court order. The Department will inform the candidate by means of the candidate's last known address when it has received a subpoena or court order.
- (c) Except for applicants whose certification status is subject to subsection (b)(9) and § 49.171 (relating to general requirements), the Department will require that an applicant for a certificate shall have completed an approved teacher preparation program and shall be recommended by the preparing institution.
- (d) The Department will have the right to review approved programs at any time. Major evaluations shall be conducted at 7-year intervals, by professional educators appointed by the Department in accordance with subsection (b)(4), to review process and content.
- (e) The Department will accept the request of an institution to withdraw from an approved program. The Department will have the right to withdraw the approval of a program from an institution. New students may not be accepted in a program which has lost its approved status after the date of the action.

Notes of Decisions*Redesignation of Position*

Professional employees hired to a position designated as such under provisions of 22 Pa. Code § 49.13 (relating to policies) may not be removed from such position by the mere redesignation of the position as nonprofessional by the school district. *Charleroi Area School v. Secretary of Education*, 334 A.2d 785 (Pa. Cmwlth. 1975). (See also dissenting opinion at 334 A.2d 785 (Pa. Cmwlth. 1975).)

§ 49.14. Approval of institutions.

To be authorized to conduct programs that lead to certificates for professional positions, institutions and any of their off-campus centers engaged in the preparation of teachers shall meet the following requirements:

- (1) Be approved as a baccalaureate or graduate degree granting institution by the Department.
- (2) Be evaluated and approved as a teacher-preparing institution to offer specific programs leading to certification in accordance with procedures established by the Department.
- (3) Report to the Department, for approval, all planned changes in previously approved programs. This report shall be made 90 days prior to the implementation of the planned changes.
- (4) Follow Department prescribed standards developed from the following principles:
 - (i) Institutions develop clear goals and purposes for each program, including attention to professional ethics and responsibilities.
 - (ii) Institutions are able to demonstrate how instructional and clinical activities provide educator candidates with the capacity to enable the achievement of all students, including diverse learners in an inclusive setting.
 - (iii) Institutions are able to demonstrate that educator candidates have participated in instructional activities that enable the candidates to provide instruction to students to meet the provisions of Chapter 4 (relating to academic standards and assessment).
 - (iv) Institutions are able to demonstrate that educator candidates successfully participate in sequential clinical experiences fully integrated within the instructional program.
 - (v) Institutions have clearly expressed standards for admission to, retention in and graduation from approved programs and actively encourage the participation of students from historically underrepresented groups.
 - (vi) Institutions provide ongoing assessment of educator candidates' knowledge, skills, dispositions and performance with which to identify needs for further study, certification assessment assistance or clinical experience or dismissal from the program.
 - (vii) Institutions can demonstrate how information from systematic evaluations of their programs, including students and educator evaluators,

and achievement levels of candidates for certification in the Department-designed assessment program are used for continual program improvement.

(viii) Institutions, in partnership with local education agencies, provide a school-based experience integrating the teacher candidates' knowledge, skills and dispositions in professional practice. This experience shall be fully supported by institutional faculty, including frequent observation, consultation with supervising teachers and opportunities for formative and summative evaluation.

(ix) Institutions provide ongoing support for novice educators in partnership with local education agencies during their induction period, including observation, consultation and assessment.

(x) Institutions provide evidence that an acceptable percentage of candidates applying for certification as determined by the Secretary and Board achieve at a satisfactory level on all assessments appropriate to initial certification in each program for which they are approved.

(5) Institutions may enter into articulation agreements with community colleges that permit students to earn credits toward meeting the requirements of this chapter.

§ 49.15. Approval of experimental programs.

The Department may enter into a written agreement with a preparing institution wishing to conduct an experimental program. The institution shall meet the requirements described in § 49.14 (relating to approval of institutions). Certification shall be given to graduates of an experimental program upon recommendation by the institution if the institution has met all of the following requirements:

(1) Submitted a detailed explanation of the experimental program to the Department for approval.

(2) Planned a thorough procedure conforming to accepted canons of educational research for evaluating results of the experimental program. These results shall be reported to the Department in accordance with a schedule approved at the time of the agreement.

(3) Agreed to terminate the experimental program upon request by the Department when it is judged by a program approval team to be inadequate for preparation of professional personnel.

§ 49.16. Approval of induction plans.

(a) Each school entity shall submit to the Department for approval a plan for the induction experience for first-year teachers (including teachers in prekindergarten programs, when offered), long-term substitutes who are hired for a position for 45 days or more and educational specialists. The induction plan shall be submitted every 6 years as required under § 4.13(b) (relating to strategic plans). The induction plan shall be prepared by teacher or educational specialist representatives, or both, chosen by teachers and educational specialists and administrative representatives chosen by the administrative personnel of the school entity. Newly employed professional personnel with prior school teaching experience may be required by the school entity to participate in an induction program. A school entity shall make its induction plan available for public inspection and comment for a minimum of 28 days prior to approval of the plan by the school entity's governing board and submission of the plan to the Department.

(b) The Department will establish guidelines and will review for approval induction plans submitted by school entities.

(c) The induction plan shall reflect a mentor relationship between the first-year teacher, long-term substitute or educational specialist, teacher educator and the induction team.

(d) Criteria for approval of the induction plans will be established by the Secretary in consultation with the Board and must include induction activities that focus on teaching diverse learners in inclusive settings.

§ 49.17. Continuing professional education.

(a) As required under § 4.13(a) (relating to strategic plans), a school entity shall submit to the Secretary for approval a 3-year professional education plan every 3 years in accordance with the professional education guidelines established by the Secretary and section 1205.1 of the act (24 P.S. § 12-1205.1). A school entity shall make its professional education plan available for public inspection and comment for a minimum of 28 days prior to approval of the plan by the school entity's governing board and submission of the plan to the Secretary.

(1) A school entity shall develop a continuing professional education plan, which includes options for professional development including, but not limited to, activities such as the following:

- (i) Graduate level coursework.
- (ii) Obtaining a professionally related master's degree.
- (iii) Department-approved in-service courses.
- (iv) Curriculum development work.
- (v) Attendance at professional conferences.

(2) The continuing professional education plan must define terms used including, but not limited to, the following:

- (i) Professionally related graduate level coursework.
- (ii) Professionally related master's degree.
- (iii) Curriculum development work.
- (iv) Professional conferences.

(3) The continuing professional education plan shall be developed as specified in section 1205.1 of the act. The plan must describe the persons who developed the plan and how the persons were selected.

(4) The continuing professional education plan submitted to the Secretary shall be approved by both the professional education committee and the board of the school entity.

(5) The Secretary will promulgate guidelines which include a process for amending approved continuing professional education plans in accordance with the requirements for initial preparation of the plans. The guidelines will also outline allowable activities for credit earned under sections 1205.1 and 1205.2 of the act (24 P.S. §§ 12-1205.1 and 1205.2) after July 1, 2006.

(6) The continuing professional education plan must include a section which describes how the professional education needs of the school entity, including those of diverse learners, and its professional employees are to be met through implementation of the plan. The plan must describe how professional development activities will improve language and literacy acquisition for all students and contribute to closing achievement gaps among students.

(7) The continuing professional education plan must include a description of how the school entity will offer all professional employees opportunities to participate in continuing education focused on teaching diverse learners in inclusive settings.

(8) A school district that contracts with a community provider to operate a prekindergarten program shall address in the school district's professional education plan how the school district will offer professional education opportunities to teachers in the community provider's prekindergarten program.

(b) A commissioned officer who obtains a Letter of Eligibility for Superintendent shall present to the Secretary evidence of satisfactory completion of 6 credit hours of continuing professional education courses every 5 years. This subsection will be satisfied by taking collegiate studies or Department-approved in-service courses or a combination thereof.

(c) Professional personnel who fail to comply with the continuing professional education plan under subsection (a) or fail to complete the requirements of sections 1205.1 and 1205.2 of the act will have their certificates or commissions rendered inactive by the Department until the requirement is met. Professional personnel whose certificate or commission is rendered inactive shall have a right to appeal the action to the Secretary.

(d) School districts that employ professional personnel or commissioned officers with inactive certificates or commissions are subject to penalties provided for under section 2518 of the act (24 P.S. § 25-2518).

(e) Certified personnel are responsible for monitoring their own progress toward completing the requirements prescribed by sections 1205.1 and 1205.2 of the act and for notifying the Department of any changes to their home mailing address.

§ 49.18. Assessment.

(a) The Secretary will institute an assessment program for candidates for certification designed to assess their basic skills; professional knowledge and practice; and subject matter knowledge. Candidates for elementary, K-12 instructional, special education and early childhood certificates shall also be assessed in the area of general knowledge. The following principles will guide the Secretary in the development of an assessment program:

(1) The assessment program will be based in the standards developed for each certificate.

(2) The assessment program will measure the candidate's abilities across the domains of basic skills knowledge, professional knowledge and practice, and subject matter knowledge employing a variety of measures at a minimum of three points:

- (i) During the candidate's preparation program.
 - (ii) Upon application for initial certification.
 - (iii) Upon application for Level II, supervisory or administrative certification.
- (3) The assessment program will be developed in consultation with teachers, administrators, teacher educators and educational specialists with relevant certification.
- (4) The assessment program will employ, when appropriate, available assessment tools, instruments and procedures.
- (b) The Secretary, in consultation with the Board, will establish a satisfactory achievement level for the assessments in subsection (a).
- (c) The assessments in basic skills and general knowledge; professional knowledge and practice; and subject matter knowledge will be given, and satisfactory achievement levels shall be reached, prior to the issuance of a certificate.
- (d) A periodic review of the assessment program will be made by the Board every 3 years.
- (e) The Department may issue additional subject areas to holders of Instructional (see §§ 49.82 and 49.83 relating to Instructional I; and Instructional II) or Intern (see § 49.91 (relating to criteria for eligibility)) certification who pass the appropriate subject matter testing components in areas other than Health and Physical Education, Cooperative Education and all Special Education areas. The Department may identify other certification areas to be excluded from eligibility based on criteria established by the Secretary and approved by the Board.

Notes of Decisions

Application

The testing requirements implemented pursuant to this regulation are applicable to a teacher who filed the appropriate paperwork with a preparing institution 2 days prior to the effectiveness of these regulations because the Department of Education did not receive the approval from the preparing institution until several weeks after the effectiveness of the regulation. The date the preparing institution received the application cannot be deemed the date the Department received it. *Logsdon v. Department of Education*, 671 A.2d 302 (Pa. Cmwlth. 1996).

Knowledge

A provisionally certified teacher was charged with the knowledge of the statutes and regulations regarding professional certification, and the teacher cannot rely on the failure of an academic advisor to inform the teacher of the Department of Education's applicable testing requirements for permanent certification as a means to avoid compliance with them. *Logsdon v. Department of Education*, 671 A.2d 302 (Pa. Cmwlth. 1996).

**EMERGENCY, LONG-TERM AND
DAY-TO-DAY SUBSTITUTE PERMITS****§ 49.31. Criteria for eligibility.**

The Department may issue an emergency, Long-Term or Day-to-Day Substitute Permit for service in the public schools, at the request of the employing public school entity, to an applicant who is a graduate of a 4-year college or university to fill a vacant position or to serve as a long-term or day-to-day substitute teacher, when a fully qualified and properly certificated applicant is not available. The permit is issued on the basis of terms and conditions agreed upon between the requesting public school entity and the Department. Each July, the Department will report to the Board the number and nature of emergency, Long-Term and Day-to-Day Substitute Permits issued during that year. A long-term substitute permit may be issued only after the position has been posted a minimum of 10 days on the school entity's website and no qualified candidate has been identified.

§ 49.34. Locally-issued Day-to-Day Substitute Permits.

(a) The chief school administrator of a public school entity is authorized to issue a Day-to-Day Substitute Permit for service as a substitute when the following conditions are met:

- (1) The person for whom the permit is sought holds a valid Pennsylvania certificate or its equivalent from another state.
- (2) An appropriately certified individual is not available to fill the substitute position.
- (3) The person for whom the permit is sought consents to an assignment outside the area of the person's certification.

(b) This permit shall be valid for 20 cumulative school days of service as a day-to-day substitute in each certificate area. If renewal is necessary, the chief school administrator may request, within 30 days of the person's last day of service, issuance of a permit by the Department under §§ 49.31 and 49.32 (relating to criteria for eligibility; and exceptional case permits).

(c) This permit will not qualify the holder to serve in a vacant position which must be filled by a temporary professional employee or professional employee or to serve as a substitute for a regularly appointed professional employee or temporary professional employee on an approved leave of absence. Issuance by the Department is used to qualify persons for this service.

(d) A permit may not be issued or used during a work stoppage.

(e) Emergency permits are available for a total of 3 consecutive years.

§ 49.42. Letter of eligibility.

A letter of eligibility of an administrative commission will be issued in lieu of a certificate by the Department to a candidate who has completed an approved program of preparation in administration and who has been recommended by the preparing institution. Candidates for letters of eligibility shall be able to help students achieve under Chapter 4 (relating to academic standards and assessment). Letters of eligibility will be issued to candidates who present evidence of satisfactory achievement in assessments prescribed by the Department under § 49.18(a) (relating to assessment) and who meet the following standards:

- (1) The administrator demonstrates educational leadership which provides purpose and direction for the achievement of all students.
- (2) The administrator effectively organizes and manages the total educational program of a local education agency with particular attention to the statutory and regulatory environment of education.
- (3) The administrator understands and effectively manages financial and human resources to foster student achievement.
- (4) The administrator effectively communicates with students, faculty, staff, parents and members of the community.
- (5) The administrator, in collaboration with faculty, staff, students and parents, fosters a climate conducive to the achievement of all students.
- (6) The administrator thinks systematically about practice, learns from experience, seeks the advice of others, draws upon educational research and scholarship, and actively seeks opportunities to grow professionally.

§ 49.52. Development of types/categories of certificates and development of their respective standards.

(a) The Secretary, the Board, and the Professional Standards and Practices Commission will receive requests to initiate a new type/category of certificate. Whenever any of these parties receives such a request it will inform the other two parties.

(b) An investigation into a cogent request for a new type/category of certificate will be conducted by the Department. The Professional Standards and Practices Commission on its own initiative may conduct an investigation.

(c) The Department and the Professional Standards and Practices Commission will review the findings of the investigation regarding the need for a type/category of certificate and present their recommendations to the Board.

(d) If the Board does not disapprove or take any other action on the new type/category of certificate within 120 days of receiving an affirmative recommendation, the type/category of certificate will stand approved.

(e) If the proposed type/category is approved by the Board, the Secretary will appoint a committee of professionals to develop standards for preparing professionals in the type/category of certificate. This committee shall include at least two members of the Professional Standards and Practices Commission. Proposed standards shall not stipulate academic degrees, experience, or prerequisite certificates not established by this chapter. After the receipt of the proposed standards, the Secretary and the Professional Standards and Practices Commission will review the proposed standards and make recommendations to the Board. If the Board does not disapprove the new standards within 120 days of receiving an affirmative recommendation, the standards will stand approved.

§ 49.53. Elimination or change of types/categories of certificates.

(a) The Secretary, the Board and the PSPC will receive requests to eliminate/change a type/category of certificate. When any of these parties receives such a request, it will inform the other two parties.

(b) The Department will conduct an investigation into a written request to eliminate/change a type/category of certificate. The PSPC on its own initiative may conduct an investigation.

(c) The Department and the PSPC will review the findings of the investigation regarding the need to eliminate/change a type/category of certificate and present their individual recommendations to the Board.

(d) If the Board does not disapprove or take any other action on the elimination or change of the type/category of certificate within 150 days of submission to the Board of a formal recommendation from either the Department or PSPC, the type/category of certificate will be considered eliminated/changed.

(e) In the case of the elimination of a type/category of certificate, once the elimination is approved by the Board, the Secretary will notify all institutions of higher education offering the programs that effective as of the date of notification no further students are to be accepted into the program. Students currently enrolled in the certification phase of the program will be given an opportunity to complete the program and degree or be provided an opportunity to switch to a different course of study.

§ 49.62. Resource Specialist Permits.

The Department may issue Resource Specialist Permits at the request of an employing public school entity. The permit may be issued in lieu of a certificate to a competent specialist in any area of knowledge to enable the schools of this Commonwealth to use the services of noncertified personnel for supplemental instruction in a course of study directed by a certified teacher. The service must be part-time and may not exceed 400 clock-hours during a school year. When services are provided by professional practitioners in the fine arts or performing arts (for example—music, dance, pottery, painting, sculpture, and the like) in schools designated by its governing board as a creative and performing arts specialty school, the Resource Specialists may be employed for up to 800 hours per year. These Resource Specialists may not supplant certified fine or performing arts teachers. Individuals employed under these provisions are not considered professional staff.

Notes of Decisions

School districts are not required to change previously established educational programs, job descriptions or job qualifications in order to allow a more senior employee to apply for a program specialist certificate. Seniority should not be given preference over a pre-established professional position or educational program. *Dilley v. Slippery Rock Area School District*, 625 A.2d 153 (Pa. Cmwlth. 1993).

§ 49.62a. Program Specialist Certificate.

(a) The Department may issue a Program Specialist Certificate upon verification that the applicant meets the requirements established for that certificate.

(b) Program Specialist Certificates may be issued for a selected area of service when a certificate does not exist for that area. The certificates may be issued only to a person who holds a valid Pennsylvania certificate or its equivalent from another state. Annually, the Department will report to the Board the number and nature of these certificates issued during the year.

(c) Program Specialist Certificates are valid only for the position described in the approved position description and will be annotated on the teaching certificate of the individual. They will be valid throughout this Commonwealth.

§ 49.62b. Program Endorsement Certificate.

Following approval by the Department, baccalaureate or graduate degree granting institutions, alone or in cooperation with other institutions, community colleges or school entities, may offer short programs (12 credits maximum) that lead to the Program Endorsement Certificate. The Program Endorsement Certificate documents knowledge in new and emerging areas where formal certification does not exist. The Program Endorsement Certificate is intended to improve a teacher's skills in dealing with complex classroom settings, including teaching gifted students or diverse learners in areas such as assistive technology curriculum modification, autism spectrum disorders, assessment, gifted education, classroom management, classroom technology and disruptive youth. These endorsements would be added to existing Level I or Level II Certificates but are not required to perform service in these areas.

§ 49.63. Applicants educated in foreign countries.

(a) The Department will issue certificates to applicants who have been educated in a foreign country who meet the established Commonwealth standards for the certificates sought. Applicants shall be required to provide official transcripts of studies completed abroad, and an evaluation of those transcripts by a Department-approved foreign credential evaluation group.

(b) The Department may substitute competency examinations for transcript review in a case involving the loss of credentialing documents in a foreign country providing the applicant submits acceptable evidence that the applicant did, in fact, complete a teacher education program.

(c) The Department and its recommending institutions will insure that applicants educated in foreign countries or who are foreign nationals or resident aliens are proficient in speaking, reading and writing in the English language.

§ 49.64. [Reserved].**Notes of Decisions**

The Secretary's decision to impose experience conditions on the order of reinstatement for teaching and administrative positions was not capricious or an abuse of discretion and in accord with this section. *Homer v. Department of Education*, 458 A.2d 1059 (Pa. Cmwlth. 1983).

§ 49.64a. Authority to annul and reinstate certificates and discipline professional educators.

(a) A professional certificate or letter of eligibility obtained by fraud or mistake shall be considered void "ab initio" and shall be annulled by the Secretary. An annulment will not be effected without prior notice and hearing in accordance with reasonable procedures as the Secretary will prescribe, after review of and comment on the procedures by the Board.

(b) In accordance with the authority vested with the PSPC by the Professional Educator Discipline Act, the Commission may discipline professional educators.

(c) In accordance with the authority vested with the PSPC by section 16 of the Teacher Certification Law (24 P. S. § 2070.16), the Commission may reinstate a professional educator's certificate.

§ 49.65. Out-of-State and Nationally-certified applicants.

(a) The Department will issue the appropriate Commonwealth certificate to applicants who have:

- (1) Graduated from a State approved out-of-State college or university whose teacher education requirements are comparable to those of this Commonwealth.
 - (2) Completed the preparing institution's teacher education program.
 - (3) Received the recommendation of the preparing institution for the subject or area to be taught.
 - (4) Presented evidence of satisfactory achievement in assessments prescribed by the Department under § 49.18(a) (relating to assessment) and the requirements of Chapter 354 (relating to teacher preparation).
- (b) The Department may enter into a reciprocal certification agreement with the appropriate authority of another state to recognize comparable certificates. A temporary teaching permit may be issued to educators prepared outside of this Commonwealth in accordance with the current reciprocity agreement with other states. It will be valid for 1 year to allow the teacher to meet the Commonwealth's requirements as out lined in the reciprocity agreement.
- (c) Candidates certified by the National Board for Professional Teaching Standards will be granted the highest level certificate applicable.
- (d) Candidates successfully completing other National teacher training programs that require a candidate to demonstrate mastery of the subject area to be taught and professional knowledge needed for classroom effectiveness as approved by the Board, will be certified to teach in this Commonwealth, provided the approved program includes 1 year of intensive supervision in an internship program approved by the Secretary and the teacher has satisfied the basic certification requirements of the act (see 24 P. S. §§ 12-1202 and 12-1209), such as having good moral character, being at least 18 years old and having a bachelor's degree.
- (e) Candidates holding a valid and current instructional certificate issued by one of the states party to the Interstate Certification Agreement with Pennsylvania may be eligible for certification if they have taught on the out-of-State certificate for 3 of the past 7 years and have achieved the qualifying score on the appropriate content area test required by the Commonwealth and meet the requirements of § 49.12 (relating to eligibility). The out-of-State certificate must be comparable to the grade level and scope of the Pennsylvania certificate being requested, and the test must have been taken within 5 years of the date of application for the Pennsylvania certificate. In those cases, no other tests will be required.

§ 49.69. Deletion of areas from certificates.

(a) Annually, between October 1 and December 31, a holder of a Commonwealth certificate may request and the Department will grant the removal of any area for which the certificate is endorsed if any of the following conditions are met:

(1) The applicant has not taught in the area for which deletion is sought within the previous 5 years.

(2) The applicant is not a regularly employed full-time teacher.

(b) In all other cases, an applicant requesting the removal of any area for which the certificate is endorsed shall secure the approval of the employing school authority. If the approval is granted, the Department will delete the area from the certificate. If the approval is denied by the employing school authority, the applicant shall have the right to appeal to the Department. In any such appeal, the burden is on the applicant to show lack of current subject matter competency.

(c) A moratorium for requesting certification deletions shall exist from January 1 through September 30 of each year to allow schools the opportunity to plan for the assignment of their certified staffs in ensuing school year.

(d) All action by the Department to delete areas of certification shall be effective on the 30th day of June following receipt of the application to delete.

(e) Any area of certification deleted from a certificate under the provisions of this section shall be restored only after the person becomes eligible by subsequently meeting all laws, regulations, standards, policies, and procedures as are in effect at the time of application for recertification in the area previously deleted.

(a) The Department will issue instructional certificates to persons whose primary responsibility is teaching. Candidates for instructional certificates shall be able to help students achieve under Chapter 4 (relating to academic standards and assessment).

(b) Instructional certificates will be issued to candidates who meet the following standards:

(1) The teacher understands the central concepts, tools of inquiry, and structures of the discipline the teacher teaches and can create learning experiences that make these aspects of subject matter meaningful for all students.

(2) The teacher understands how all children learn and develop, and can provide learning opportunities that support their intellectual, social, career and personal development.

(3) The teacher understands how students differ in their ability and approaches to learning and creates opportunities that foster achievement of diverse learners in the inclusive classroom.

(4) The teacher understands and uses a variety of instructional strategies, including interdisciplinary learning experiences, to encourage students' development of critical thinking, problem solving and performance skills.

(5) The teacher uses an understanding of individual and group motivation and behavior to create a learning environment that encourages positive social interaction, active engagement in learning and self-motivation.

(6) The teacher uses knowledge of effective verbal, nonverbal and media communication techniques supported by appropriate technology to foster active inquiry, collaboration and supportive interaction in the classroom.

(7) The teacher plans instruction based upon knowledge of subject matter, students, the community and curriculum goals.

(8) The teacher understands and uses formal and informal assessment strategies to evaluate and ensure the continuous intellectual, social and physical development of the learner.

(9) The teacher thinks systematically about practice, learns from experience, seeks the advice of others, draws upon educational research and scholarship and actively seeks out opportunities to grow professionally.

(10) The teacher contributes to school effectiveness by collaborating with other professionals and parents, by using community resources, and by working as an advocate to improve opportunities for student learning.

§ 49.85. Limitations.

(a) Instructional certificates issued before January 1, 2013, remain valid for the term of the certificate for the grade spans and age levels outlined in items paragraphs (1)—(6). For instructional certificates issued before January 1, 2013, the grade level limitations shall be the following:

- (1) Early childhood (prekindergarten, kindergarten, grades one through three or ages 3 through 8).
 - (2) Elementary (kindergarten, grades one through six or ages 4 through 11).
 - (3) Middle level (grades six through nine or ages 11 through 15).
 - (4) Secondary (grades seven through twelve or ages 11 through 21).
 - (5) Specialized areas (prekindergarten through grade 12 or up to age 21).
 - (6) Special education (prekindergarten through grade 12 or up to age 21).
- (b) For instructional certificates issued on or after January 1, 2013, the grade level limitations shall be the following:
- (1) Early Childhood (prekindergarten, kindergarten, grades one through four or ages 3 through 9).
 - (2) Elementary/Middle (grades four through eight or ages 9 through 14). Elementary/Middle Certificates permit instruction in any subject in grades four, five and six and in a core academic subject or subjects in grades seven and eight.
 - (3) Secondary (grades seven through twelve or ages 11 through 21).
 - (4) Specialized Areas (prekindergarten through grade twelve or up through age 21).
 - (5) Special education-PK—8 (prekindergarten through grade eight (ages 3 through 14)). Applicants for this certificate shall also obtain certification in one of the following certificates:
 - (i) Early Childhood—in accordance with paragraph (1).
 - (ii) Elementary/Middle—in accordance with paragraph (2).
 - (iii) Reading Specialist—in accordance with paragraph (4).
 - (6) Special Education-7—12 (grades seven through twelve (ages 11 through 21)). Applicants for this certificate shall also obtain certification in one of the following certificates:
 - (i) Secondary—in accordance with paragraph (3).
 - (ii) Reading Specialist—in accordance with paragraph (4).
 - (7) Special Education Hearing Impaired, Visually Impaired and Speech/Language Impaired Certificates (prekindergarten, kindergarten, grades one through twelve or ages 3 through 21).
- (c) The decision about staffing based on age or grade level rests with the school entity.
- (d) The Secretary may grant exceptions to the grade and age level limitations between Early Childhood (subsection (b)(1)), Elementary/Middle (subsection (b)(2)), Special Education-PK—8 (subsection (b)(5)) and Special Education-7—12 (subsection (b)(6)) for individual teachers on a case-by-case basis. The school entity shall submit a written request to the Secretary that provides justification for the exception. The Secretary will set a time limit for each individual exception granted. The Secretary will issue guidelines that outline the circumstances under which exceptions will be granted.

(e) When a school district contracts with a community provider for the provision of prekindergarten services, prekindergarten teachers providing the services shall possess a certificate in early childhood as provided in subsection (a)(1) or subsection (b)(1) within the following time frame:

(1) For contracts in place prior to September 22, 2007, September 24, 2012.

(2) For new contracts, 5 years from the start of services.

(f) The Secretary may grant exceptions in response to shortages of certified personnel that apply Statewide to specific provisions of this section when it is necessary to facilitate transition to the revised provisions scheduled to become effective on January 1, 2013. Exceptions may be granted under the following conditions:

(1) The Secretary will provide a written certification to the Board that includes relevant information and justification of the need for the exception. If the Board does not disapprove the exception within 90 days of receipt of the certification, the exception will stand approved.

(2) The exception will be valid for a limited term not to exceed 3 years.

(3) The Secretary will report annually to the Board on the nature and status of exceptions made under this section.

INTERN CERTIFICATES

§ 49.91. Criteria for eligibility.

(a) The Department may make a one-time issuance of an Intern Certificate for service in a specific area of instruction for use in elementary, middle and secondary schools to applicants who, in addition to meeting the requirements of § 49.12 (relating to eligibility), present evidence of satisfactory achievement on Department-prescribed assessments of basic skills and subject matter tests; are

enrolled in and have completed appropriate professional education courses in an approved intern program, which may include an induction; and are recommended for certificates by the institution holding approval. Candidates for Elementary, K-12 Instructional and Early Childhood Certificates shall also be assessed in the area of general knowledge.

(b) The applicant will be issued an Instructional I Certificate upon completion of the approved intern program and satisfactory achievement on the assessment of professional knowledge and practice.

(c) Intern certificate programs must provide flexible and accelerated pedagogical training to teachers who have demonstrated competency in a subject area, provided that the first year of teaching includes a minimum of one classroom observation each month by an approved college/university in this Commonwealth.

(d) An Intern Certificate is valid for 3 calendar years. This professional certificate may be issued only to an applicant who is a graduate of an accredited 4-year college or university. During the first year, the applicant shall complete all tests, enroll in an authorized program and complete a minimum of nine credits per year. The certificate requires continuing enrollment in a State-approved teacher intern program. This certificate cannot be renewed.

Notes of Decisions*Testing Requirements*

A provisionally certified teacher was charged with the knowledge of the statutes and regulations regarding professional certification, and the teacher cannot rely on the failure of an academic advisor to inform the teacher of the Department of Education's applicable testing requirements for permanent certification as a means to avoid compliance with them. *Logsdon v. Department of Education*, 671 A.2d 302 (Pa. Cmwlth. 1996).

The testing requirements implemented pursuant to this regulation are applicable to a teacher who filed the appropriate paperwork with a preparing institution 2 days prior to the effectiveness of these regulations because the Department of Education did not receive the approval from the preparing institution until several weeks after the effectiveness of the regulation. The date the preparing institution received the application cannot be deemed the date the Department received it. *Logsdon v. Department of Education*, 671 A.2d 302 (Pa. Cmwlth. 1996).

VOCATIONAL INTERN CERTIFICATES

§ 49.151. Eligibility and criteria.

(a) The Department will issue Vocational Intern Certificates for teaching in State approved programs of vocational education in the public schools of this Commonwealth to applicants who have:

- (1) Met all eligibility requirements stipulated in § 49.12 (relating to eligibility) except for the baccalaureate degree requirement in § 49.12(4).

(2) Provided evidence of satisfactory achievement in assessments of subject matter under § 49.18 (relating to assessment) or satisfactory occupational competency by one of the following:

(i) Successfully completing the occupational competency examination of the Department.

(ii) Securing recognition of occupational competency upon the basis of credentials review and adequate work experience beyond the learning period as established by the Department in those competency areas where occupational competency examinations do not exist.

(iii) Receiving State licensure or occupational accreditation by a Board of Examiners recognized by the Commonwealth.

(iv) Receiving certification from another state whose certification criteria are similar to those of this Commonwealth.

(3) Been accepted for enrollment in a State approved vocational teacher preparation program at a Commonwealth college or university.

(4) Been recommended for the certificate by the institution at which they are enrolled or accepted.

(b) The applicant shall be issued a Vocational Instructional I Certificate upon presenting evidence of 2 years wage-earning experience, completion of an approved intern program, and satisfactory achievement on the assessment of basic skills.

§ 49.153. Vocational Day-to-Day Substitute Permit.

(a) The chief school administrator or vocational school administrative director having jurisdiction over any approved Vocational Education program is authorized to issue a special Day-to-Day Substitute Permit to an occupational practitioner when no properly certified teachers are available. The teacher shall function under the supervision of a properly certified supervisor or administrator. Assignments as described in this section shall be made only in case of an emergency and may not exceed 20-consecutive school days. This permit will be valid for 20 days of substitute service and may be renewed for an additional 20 school days upon the approval of the Secretary.

(b) This permit does not qualify the holder to serve as a regularly employed teacher to fill a vacant position or as a long-term substitute. These positions shall be filled by a person holding a valid Vocational Instructional or a State issued Long-term or Day-to-Day Substitute Permit. Reference should be made to § 49.32 (relating to Exceptional Case Permits).

Subchapter D. OUT-OF-STATE APPLICANTS

Sec.

49.171. General requirements.

49.172. Letter of eligibility.

§ 49.171. General requirements.

(a) Applicants recommended by out-of-State institutions shall submit to the Department official transcripts for all professional preparation and related studies and satisfactory evidence of educational and work experience. These records will be evaluated by the Department using the established standards applicable to the comparable approved programs at Commonwealth institutions.

(b) The Department will issue the appropriate certificates to persons whose preparation and experience equate to the established standards. If an evaluation by the Department reveals minor deficiencies, the Department will prescribe the additional educational requirements.

(c) The Department may issue the comparable Pennsylvania Certificate to an applicant who, lacking institutional recommendation:

(1) Has been legally certified by another state at a level comparable to the Pennsylvania certificate sought.

(2) Provides evidence of preparation and experience equating to the established standards for the area of certification sought.

§ 49.172. Letter of eligibility.

(a) The Department will issue the appropriate letter of eligibility for consideration for appointment as a district superintendent or an assistant district superintendent to an applicant who:

(1) Has completed a Pennsylvania approved graduate level program of educational administrative study for the preparation of chief school administrators or been prepared through an out-of-State graduate level program equivalent to those approved in this Commonwealth.

(2) Has received the recommendation of the preparing institution for certification as a chief school, district level, administrator.

(3) Has provided evidence of 6 years of certified service in the basic K-12 schools and, for the superintendent's letter, including at least 3 years of satisfactory certified service in supervisory or administrative positions.

(b) Department evaluation will comply with the following:

(1) The adequacy of preparation will be determined by the Department.

(2) The qualifying educational service to meet experience requirements out-of-State will be determined for all applicants by the Department.

(3) Institutional endorsement of the candidate may be waived by the Department for exceptional reasons such as, but not limited to, nonrecency of graduation, multi-institutional preparation, and institution no longer offering a preparation program for the superintendent.

(c) A commission shall be issued to a person holding a letter of eligibility upon election as a district superintendent or assistant district superintendent by the respective local board of school directors.

§ 49.191. Letters of Equivalency.

A Letter of Equivalency will be issued for salary purposes only, subject to the following terms and conditions:

(1) The Letter of Equivalency for Baccalaureate Degree is issued to holders of Vocational Instructional I, Vocational Instructional II or their equivalents upon the accumulation of 90 college credits. A minimum of 18 credit hours of the final 30 shall be earned at a State-approved baccalaureate degree granting institution. The remaining 12 may be satisfied, in full or in part, through in-service programs approved by the Secretary for meeting baccalaureate equivalency requirements.

(2) The Letter of Equivalency for Master's Degree is issued to persons holding a valid Instructional I, Instructional II, Educational Specialist I, Educational Specialist II certificate, Vocational Instructional I, Vocational Instructional II certificate, or their equivalents, upon the accumulation of 36 hours of graduate level credit. A minimum of 18 academic graduate credits shall be earned in the content area of the applicant's primary teaching assignment at a

college or university approved to offer graduate work. A maximum of 18 of the credit requirement may be satisfied through in-service programs approved by the Secretary for meeting master's equivalency requirements.

(3) A grade of "C" or better is required in college and university courses in which grades are given and a letter of satisfactory completion is required for all in-service courses used toward the attainment of the certificate.
