

NOTICES

DELAWARE RIVER BASIN COMMISSION

Commission Meeting and Public Hearing

The Delaware River Basin Commission (Commission) will hold an informal conference followed by a public hearing on Wednesday, July 17, 2002. The hearing will be part of the Commission's regular business meeting. Both the conference session and business meeting are open to the public and will be held at the Commission offices at 25 State Police Drive, West Trenton, NJ.

The conference among the Commissioners and staff will begin at 10 a.m. Topics of discussion will include an update on the Comprehensive Plan (CP); reports on the PCB TMDL development effort; a report on the development of water quality criteria for toxic pollutants; a report on the Flow Management Technical Advisory Committee meeting of June 25, 2002; and an update on Flood Advisory Committee activities.

The subjects of the public hearing to be held during the 1 p.m. business meeting include, in addition to the following dockets: a resolution amending Docket D-77-20 CP (Revision 5); a resolution amending Docket D-77-110 CP by the addition of a "Designated Unit" to Table A (Revised); and a resolution concerning the declaration of drought emergency issued by the Commission on December 18, 2001.

The dockets scheduled for public hearing are as follows:

1. *Holdover Project: Mercer County Improvement Authority D-99-28 CP*. A project to construct a surface water intake on Assunpink Creek at Mercer Lake to withdraw 2.6 million gallons per day (mgd) of water. The new intake, in addition to an existing intake that can provide 1.3 mgd, will irrigate the applicant's Mercer Oaks II Golf Course located in West Windsor Township, Mercer County, NJ.

2. *Conshohocken Borough Authority D-2001-59 CP*. A project to rerate a 2.3 mgd sewage treatment plant (STP) to treat 2.35 mgd on an average monthly basis and up to 3 mgd as a maximum monthly flow. The STP will continue to provide high quality secondary treatment and discharge to the Schuylkill River through the existing outfall. The project is located at Elm and Jones Streets in Conshohocken Borough, Montgomery County, PA. The plant will continue to serve Conshohocken Borough, plus portions of Whitmarsh and Plymouth Townships, all within Montgomery County.

3. *Newark Country Club D-2002-12*. A groundwater withdrawal project to supply up to 2.1 mg/30 days of water to the applicant's golf course from new Well No.5 in the Christianstead Gneiss Formation, and to increase the existing withdrawal from all wells to 5.0 mg/30 days. The project is located in the Christina River and White Clay Creek watersheds in the City of Newark, New Castle County, DE.

4. *Bidermann Golf Club D-2002-13*. A groundwater withdrawal project to supply up to 0.864 mg/30 days of water to the applicant's golf course from new Well No. 5 in the Wissahickon Formation, and to increase the existing withdrawal from all sources to 15.8 mg/30 days. The project is located in the Brandywine Creek watershed in the City of Wilmington, New Castle County, DE.

5. *Town of Roxbury D-2002-14 CP*. A project to withdraw up to 12.6 mg/30 days from new Well No. 1 and existing Well No. 2, both in the Catskill Formation and to export 0.3 mgd of water, half in the form of raw sewage from failing onlot systems and half as ground water supply, from the Hamlet of Roxbury in the Delaware River Basin to the Hamlet of Grand Gorge in the Mohawk-Hudson River Basin. Both hamlets are located in the Town of Roxbury, Delaware County, NY. The groundwater withdrawal is proposed for use in both the Town of Roxbury and the Town of Grand Forge. The raw sewage will be conveyed by means of force main to the existing NYCDEP Grand Gorge Sewage Treatment Plant located off State Route 23, and following treatment will be discharged to adjacent Bear Creek.

6. *Fifer Orchards, Inc. D-2002-20*. A groundwater withdrawal project to supply up to 51.45 mg/30 days of water to the applicant's orchard from new Wells Nos. 6 and 7, in the Columbia/Choptank and Columbia Formations, respectively, and to limit the existing withdrawal from all sources to 543 mg/30 days. The project is located in the St. Jones River watershed in the City of Wyoming, Kent County, DE.

In addition to the public hearing items, the Commission will address the following at its 1 p.m. business meeting: minutes of the May 31, 2002, business meeting; announcements; a report on Basin hydrologic conditions; a report by the Executive Director; and a report by the Commission's General Counsel, including consideration by the Commission of an agreement reached by the Petitioners in the appeal of Docket No. D-98-11 CP of the Pennsylvania Suburban Water Company (the Cornog Quarry project). The meeting will end with an opportunity for public dialogue.

Documents relating to the dockets and other items may be examined at the Commission's offices. Preliminary dockets are available in single copies upon request. Contact Thomas L. Brand at (609) 883-9500 ext. 221 with any docket-related questions. Persons wishing to testify at this hearing are requested to register in advance with the Commission Secretary at (609) 883-9500 ext. 203.

Individuals in need of an accommodation as provided for in the Americans With Disabilities Act who wish to attend the hearing should contact the Commission Secretary at (609) 883-9500 ext. 203 or through the New Jersey Relay Service at (800) 852-7899 (TTY), to discuss how the Commission may accommodate their needs.

PAMELA M. BUSH,
Secretary

DEPARTMENT OF AGRICULTURE

Dog Control Facility Bill Reimbursement Grant Program

The Department of Agriculture (Department) intends to award up to \$200,000 in grants under its Year 2003 Dog Control Facility Bill Reimbursement Program (Program).

The Program will award bill reimbursement grants of up to \$10,000 per recipient to humane societies or associations for the prevention of cruelty to animals that meet the guidelines and conditions of this Program. The Program will be funded from the Dog Law Restricted Account, from funds which are hereby declared to be "surplus" funds for the limited purposes set forth in the Dog Law (3 P. S. §§ 459-101—459-551).

The proposed guidelines and conditions for the Program are set forth as follows. These proposed guidelines and conditions are substantively identical to the guidelines and conditions for "Year 2002 Dog Control Facility Bill Reimbursement Grant Program," published at 31 Pa.B. 4545 (August 18, 2001), with three exceptions: (1) the total amount of grant funds available has increased to \$200,000 (up from \$175,000 in 2002); (2) the maximum per-recipient grant amount has been raised to \$10,000 (up from \$7,500 in 2002); and (3) the eligibility criteria have been expanded to allow a grant applicant to have a maximum total operating budget of up to \$350,000 (up from \$250,000 in 2002).

In fulfillment in 7 Pa. Code § 23.4 (relating to guidelines and conditions), the Department invites public and legislative review of these proposed guidelines and conditions. Commentators should submit their comments, in writing, so they are received by the Department no later than 30 days from the date the proposed guidelines and conditions are published in the *Pennsylvania Bulletin*. Comments should be directed to Richard Hess, Director, Bureau of Dog Law Enforcement, Department of Agriculture, 2301 North Cameron Street, Harrisburg, PA 17110-9408.

The Department will review and consider all written comments in preparing the final guidelines and conditions for the Program. The final guidelines and conditions for the Program will be published in the *Pennsylvania Bulletin* after the close of the comment period referenced. The Department will invite the submission of grant applications at that time.

Proposed Guidelines and Conditions for the Year 2003 Dog Control Facility Bill Reimbursement Grant Program

1. Definitions.

The following words and terms, when used in these guidelines and conditions, have the following meanings:

Department—The Department of Agriculture.

Dog control—The apprehending, holding and disposing of stray or unwanted dogs, or as otherwise defined in the Dog Law.

Eligible Bill—A document seeking payment for materials, services or utilities from a grant recipient, setting forth the following:

- i. The date the document is issued.
- ii. The name and address of the humane society or association for the prevention of cruelty to animals to which the bill is issued.
- iii. If for materials, a description of the materials and the date of delivery.
- iv. If for services, a description of the nature of the services and the dates upon which the services were rendered.
- v. If for utilities (such as electricity, water, sewer, waste disposal and similar purposes), a statement of the period for which the utility, for which payment is sought, was provided.

vi. The name, address and telephone number of the entity issuing the document.

Humane society or association for the prevention of cruelty to animals—A nonprofit society or association duly incorporated under 15 Pa.C.S. §§ 5301—5311 (relating to incorporation generally) for the purpose of prevention of cruelty to animals, or as otherwise defined in Section 102 of the Dog Law (3 P. S. § 459-102).

Program—The Year 2003 Dog Control Facility Bill Reimbursement Program.

2. Eligibility.

A humane society or association for the prevention of cruelty to animals is eligible to apply to receive a grant under the Program if that humane society or association for the prevention of cruelty to animals:

- a. Has been in operation for at least 1 year immediately preceding the application date.
- b. Has performed dog control functions for at least 1 year immediately preceding the application date.
- c. Has, in the performance of its dog control functions, accepted at least 100 stray or unwanted dogs into its facility within the year immediately preceding the application date.
- d. Is not a party to a contract with the Department under which the Department pays that humane society or association for the prevention of cruelty to animals for dog control activities performed in the year 2003.
- e. Agrees—as a condition of receiving any grant money under the Program—to continue to perform dog control activities through the year 2003.
- f. Has a total operating budget of \$350,000 or less for the 2003 calendar year or, if its budget is on a basis other than calendar year, has a total operating budget of \$350,000 or less for each fiscal year comprising any portion of calendar year 2003.

3. Use of Grant Funds.

The Department will allocate a specific maximum grant amount to a successful grant applicant through a written grant agreement. This maximum grant amount will be specified in the grant agreement and will not exceed \$10,000 with respect to any application. The maximum grant amount will be retained by the Department and used to reimburse the grant recipient for eligible bills the grant recipient has paid with respect to materials, services or utilities provided to the grant recipient from January 1, 2003, through December 31, 2003. The total reimbursement the Department will pay a grant recipient will not exceed the maximum grant amount. Money remaining in a grant allocation beyond the termination date of the grant agreement will lapse into the Dog Law Restricted Account. If a bill covers materials, services or utilities provided, in whole or in part, before January 1, 2003, or after December 31, 2003, that bill is not an eligible bill and will not be reimbursed by the Department under the Program.

4. Application Process.

a. *Application required.* A humane society or association for the prevention of cruelty to animals seeking a grant under the Program must complete a written application form and deliver it to the Department no later than 30 days from the date this notice is published in the *Pennsylvania Bulletin*. Applications received by the Department beyond that date will not be considered.

b. *Obtaining an application form.* The Department will provide grant application forms upon request. Requests for application forms should be directed to Richard Hess, Director, Bureau of Dog Law Enforcement, Department of Agriculture, 2301 North Cameron Street, Harrisburg, PA 17110-9408, (717) 787-4833, fax: (717) 772-4352.

c. *Contents of grant application form.* A grant application form shall require the following information:

- i. The name and address of the applicant.
- ii. Information to verify that the applicant is a humane society or association for the prevention of cruelty to animals and otherwise meets the eligibility requirements set forth in paragraph 2.
- iii. The maximum grant amount sought by the applicant—not to exceed \$10,000.
- iv. A description of the eligible bills for which the grant applicant intends to seek reimbursement, including a description (and copies, if available) of bills received by the applicant in 2002 for the same type of materials, services or utilities for which reimbursement will be sought under the grant agreement.
- v. Other information as the Department might reasonably require.

5. *Review and approval of grant application.*

a. *Review and notification.* The Department will review each timely grant application and provide the applicant written notification of whether the Department awards the grant, denies the grant or awards a grant in some amount less than the applicant sought. This written notification will be mailed no later than 60 days from the date this notice is published in the *Pennsylvania Bulletin*, to the address provided by the applicant on the grant application form. If an application is incomplete or the Department requires additional information or documentation in order to evaluate the grant request, it will so advise the applicant.

b. *Review criteria.* The Department will consider the following, among other factors, in determining whether to award a grant application:

- i. The number of applications received and the availability of funds for the grants sought.
- ii. The relative contribution of the applicant to dog control activities in the area it serves.
- iii. The relative contribution of the applicant to dog control as compared to the relative contribution of other applicants.
- iv. The relative importance of the grant to the continued operation of the applicant's dog control facility.

v. The expense or logistical difficulty the Department would encounter if the applicant's dog control facility was no longer in operation.

6. *Grant agreement.*

a. *Grant agreement required.* A successful grant applicant must execute a grant agreement with the Department, setting forth the terms and conditions under which the grant money will be used by the Department to reimburse the grant recipient for payment of eligible bills.

b. *Reimbursement requests.* The grant agreement will set forth the exact procedure by which a grant recipient shall seek reimbursement from the Department for payment of eligible bills. The basic reimbursement request procedure will be as follows:

By May 15, 2003, the grant recipient will: (1) deliver copies of the eligible bills it has paid between January 1, 2003, and April 30, 2003; (2) verify that these bills have been paid and are eligible for reimbursement; and (3) provide a detailed report of the dog control activities performed by the successful applicant during the referenced 4-month period.

By September 15, 2003, the grant recipient will: (1) deliver copies of the eligible bills it has paid between May 1, 2003, and August 31, 2003; (2) verify that these bills have been paid and are eligible for reimbursement; and (3) provide a detailed report of the dog control activities performed by the successful applicant during the referenced 4-month period.

By January 15, 2004, the grant recipient will: (1) deliver copies of the eligible bills it has paid between September 1, 2003, and December 31, 2003; (2) verify that these bills have been paid and are eligible for reimbursement; and (3) provide a detailed report of the dog control activities performed by the successful applicant during the referenced 4-month period.

c. *Payment by the Department.* The Department will reimburse a grant recipient for eligible bills within 60 days of receiving a complete and timely reimbursement request.

d. *Termination.* The Department may terminate a grant agreement at any time by providing the grant recipient written notice of termination at the address set forth on the grant application.

SAMUEL E. HAYES, Jr.,
Secretary

DEPARTMENT OF CONSERVATION AND NATURAL RESOURCES

Community Conservation Partnerships Program

The Department of Conservation and Natural Resources (Department) announces an open application period beginning July 15, 2002, for funding of planning, acquisition, development and technical assistance projects for the Community Conservation Partnerships Program (Program).

In response to survey recommendations received from our grant applicants and workshop participants, the Department scheduled preapplication workshops earlier this year. To better serve their needs, the Department has increased the number of workshops from six to nine to provide a greater number of venues which will decrease the travel time required to attend the workshops. The Department has also completed the manual and placed it on the Department's website with the necessary application forms. These actions will allow prospective applicants the necessary time to work with our regional advisors to develop a complete and competitive application.

The Program will continue to combine several funding sources currently administered by the Bureau of Recre-

ation and Conservation; these funding sources include the Keystone Recreation, Park and Conservation Fund, the Environmental Stewardship and Watershed Protection Act (Growing Greener), the Pennsylvania Recreational Trails Program (Federal TEA-21 moneys), Snowmobile/ATV Funds and the Land and Water Conservation Fund. The grant program components funded by these sources are: Community Recreation, Land Trusts, Rails-to-Trails, Rivers Conservation, Pennsylvania Recreational Trails, Snowmobile/ATV and Land and Water Conservation. These projects have been combined into one application cycle and a single application format to streamline the process.

Information on the preapplication workshops and order form to obtain a hard copy of the manual, including application forms, have been sent to Commonwealth municipalities, municipal agencies, appropriate/authorized organizations and prequalified land trust organizations. The Grant Application Manual for fiscal year 2002-2003, as well as forms and additional information, may be obtained by contacting the Department of Conservation and Natural Resources, Bureau of Recreation and Conservation, 6th Floor, Rachel Carson State Office Building, P. O. Box 8475, Harrisburg, PA 17105-8475, (717) 783-4734, e-mail: rec&con@state.pa.us or the Department's website: www.dcnr.state.pa.us/grants. Completed grant applications should be mailed to the postal address previously noted and must be postmarked no later than October 16, 2002. Grant applications hand

carried to the address noted above must be received by 5 p.m. on October 16, 2002. Applications will not be accepted via fax or e-mail.

Persons with a disability who wish to submit an application and require assistance should contact Darrel Siesholtz at the previous phone number to discuss how the Department may best accommodate their needs. Voice/TTY users call (800) 654-5984.

JOHN C. OLIVER,
Secretary

[Pa.B. Doc. No. 02-1205. Filed for public inspection July 12, 2002, 9:00 a.m.]

Conservation and Natural Resources Advisory Council Meeting

The Conservation and Natural Resources Advisory Council to the Department of Conservation and Natural

Resources (Department) will hold a meeting on Tuesday, July 23, 2002, at 9 a.m. in the Terrace Room, Radisson Hotel Bethlehem, 437 Main Street, Bethlehem, PA.

Questions concerning this meeting or agenda items should be directed to Kurt Leitholf at (717) 705-0031.

Persons in need of accommodations as provided for in the Americans With Disabilities Act of 1990 should contact Claire Guisewite at (717) 705-0031 or through the Pennsylvania AT&T Relay Service at (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Applications, Actions and Special Notices

APPLICATIONS

NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS

NPDES APPLICATIONS

PART I PERMITS

Under the Federal Clean Water Act and The Clean Streams Law, the following parties have applied for an NPDES permit or to renew their current permit to discharge controlled wastewaters into the waters of this Commonwealth or to conduct other activities required by the NPDES permit. For renewal applications listed in Section I, the Department of Environmental Protection (Department) has made a tentative determination to reissue these permits for 5 years subject to effluent limitations and monitoring and reporting requirements in their current permits, with appropriate and necessary updated requirements to reflect new and changed regulations and other requirements. For all new permit applications, renewal application with major changes or applications for permits not waived by the EPA, the Department, based upon preliminary reviews, also made a tentative determination of proposed effluent limitations and other terms and conditions for the permit applications listed in Section II. These determinations are published as proposed actions for comments prior to taking final actions.

Unless indicated otherwise, the EPA Region III Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement, to the office noted before the application within 30 days from the date of this public notice. Comments received within this 30-day comment period will be considered in the formulation of the final determinations regarding this application. The comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant. Following the comment period, the Department's Water Management Program Manager will make a final determination regarding these applications. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The renewal application, including proposed effluent limitations and special conditions, is available on file. For new permit applications, information submitted with the applications is available on file. The information may be inspected and arrangements made for copying at the office indicated before the application.

Persons with a disability, who require an auxiliary aid, service, including TDD users or other accommodations to seek additional information, should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

I. NPDES Renewal Applications

Northwest Region: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

PA0000345, Amendment No. 1, Industrial Waste, Pennsylvania-American Water Company, Clarion Filter Plant, Water Company Road, Clarion, PA 16214. This proposed facility is located in Clarion Township, **Clarion County**.

Description of Proposed Activity: treated discharge of industrial wastewater and stormwater at a potable water treatment facility.

For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply (stream and public water supplier) considered during the evaluation is Pennsylvania-American Water Company—Clarion District and the Clarion River located at Clarion, 0.04 mile below point of discharge.

The receiving stream, Clarion River and an unnamed tributary to the Clarion River, is in watershed 17B and classified for: CWF, aquatic life, water supply and recreation.

The proposed effluent limits for Outfall 001 (Interim) based on a design flow of 0.138 MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Instantaneous Maximum (mg/l)</i> |
|-------------------------|--|----------------------------------|---|
| Flow | XX | | |
| Total Suspended Solids | 30.0 | 60.0 | 75.0 |
| Total Aluminum | 4.0 | 8.0 | 10.0 |
| Total Iron | 2.0 | 4.0 | 5.0 |
| Total Manganese | 1.0 | 2.0 | 2.5 |
| Total Residual Chlorine | 0.5 | | 1.2 |
| pH | 6.0 to 9.0 standard units at all times | | |

The proposed effluent limits for Outfall 001 (Final) based on a design flow of 0.6125 MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Instantaneous Maximum (mg/l)</i> |
|-------------------------|--|----------------------------------|---|
| Flow | XX | | |
| Total Suspended Solids | 30.0 | 60.0 | 75.0 |
| Total Aluminum | 0.56 | 1.2 | 1.4 |
| Total Iron | 2.0 | 4.0 | 5.0 |
| Total Manganese | 1.0 | 2.0 | 2.5 |
| Total Residual Chlorine | 0.5 | | 1.2 |
| pH | 6.0 to 9.0 standard units at all times | | |

The proposed effluent limits for Outfall 002 (interim) based on a design flow of n/a MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Instantaneous Maximum (mg/l)</i> |
|------------------|-----------------------------------|----------------------------------|---|
| | See Part C Condition No. 4 | | |

The proposed effluent limits for Outfall 002 (final) based on a design flow of n/a MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Instantaneous Maximum (mg/l)</i> |
|-------------------------|-----------------------------------|----------------------------------|---|
| Flow | XX | | |
| Total Residual Chlorine | XX | | |

The proposed effluent limits for Outfall 003 (interim and final) and Outfalls 004—006 based on a design flow of n/a MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Instantaneous Maximum (mg/l)</i> |
|------------------|-----------------------------------|----------------------------------|---|
| | See Part C Condition No. 4 | | |

The EPA Waiver is in effect.

PA0014427, Industrial Waste, **United States Fish and Wildlife Service—Allegheny National Fish Hatchery**, R. D. 1 Box 1050, Warren, PA 16365. This proposed facility is located in Glade Township, **Warren County**.

Description of Proposed Activity: discharge of treated and untreated industrial waste and stormwater from a fish hatchery.

For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply (stream and public water supplier) considered during the evaluation is the Emlenton Water Company and the Allegheny River located at River Mile 90, 104 miles below point of discharge.

The receiving stream, the Allegheny River, is in watershed 16-B and classified for: WWF, aquatic life, water supply and recreation.

The proposed effluent limits for Outfall 001 based on a design flow of 0.76 MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Instantaneous Maximum (mg/l)</i> |
|------------------------|--|----------------------------------|---|
| Flow | Monitor and Report | | |
| CBOD ₅ | 10 | | 25 |
| Total Suspended Solids | 10 | | 25 |
| pH | 6.0 to 9.0 standard units at all times | | |

The proposed effluent limits for Outfall 002 based on a design flow of 4.75 MGD.

| Parameter | Average | Average | Instantaneous |
|------------------------|--|---------------|----------------|
| | Monthly (mg/l) | Weekly (mg/l) | Maximum (mg/l) |
| Flow | Monitor and Report | | |
| CBOD ₅ | 10 | | 25 |
| Total Suspended Solids | 10 | | 25 |
| pH | 6.0 to 9.0 standard units at all times | | |

The EPA Waiver is in effect.

PA0035718, Industrial Waste, **John Koller, & Sons t/a Fairview Swiss Cheese**, 1734 Perry Highway, Fredonia, PA 16124. This proposed facility is located in Fairview Township, **Mercer County**.

Upon comments received, the limitations published at 32 Pa.B. 1547 (March 23, 2002) for John Koller & Sons t/a Fairview Swiss Cheese for a discharge in Fairview Township, Mercer County was revised as follows.

Description of discharge: This is a minor discharge of commercial wastes in watershed 20-A which is classified for: TSF, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Beaver Falls Municipal Authority on the Beaver River located at River Mile 3.8, approximately 56.4 miles below point of discharge.

The proposed effluent limits for Outfall 001 are based on a design flow of 0.05 MGD.

| Parameter | Mass (lb/day) | | Concentration (mg/l) | | |
|--------------------|--|---------------|----------------------|---------------|-----------------------|
| | Average Monthly | Maximum Daily | Average Monthly | Maximum Daily | Instantaneous Maximum |
| Flow | XX | | | | |
| BOD ₅ | 39 | 90 | XX | XX | 143 |
| TSS | 58 | 135 | XX | XX | 218 |
| NH ₃ -N | | | | | |
| (5-1 to 10-31) | 1.3 | 2.7 | 3.0 | 6.5 | 7.0 |
| (11-1 to 4-30) | 3.5 | 7.9 | 9.0 | 19 | 21 |
| Fecal Coliform | | | | | |
| TRC | | | 0.5 | | 1.2 |
| pH | Within limits of 6.0 to 9.0 standard units at all times. | | | | |

XX—Monitor and report.

The EPA Waiver is in effect.

II. Applications for New or Expanded Facility Permits, Renewal of Major Permits and EPA Nonwaived Permit Applications

Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

PA0041009, Industrial, **Pipeline Petroleum, Inc.**, Shippers Road, Macungie, PA 18067. This proposed facility is located in Lower Macungie Township, **Lehigh County**.

Description of Proposed Activity: Renewal of NPDES permit to discharge treated process water.

The receiving stream, unnamed tributary to Little Lehigh Creek, is in the State Water Plan watershed #2C and is classified for: HQ-CWF, aquatic life, water supply and recreation. The nearest downstream public water supply intake for City of Allentown is located on Little Lehigh River approximately 6 miles below the point of discharge.

The proposed effluent limits for Outfall 001 and 002 based on a design flow of N/A.

| Parameter | Concentration (mg/l) | |
|-------------------------------|----------------------|-----------------------|
| | Average Monthly | Maximum Instantaneous |
| Outfall 001 | | Monitor and Report |
| Total Recoverable Hydrocarbon | | |
| Outfall 002 | | Monitor and Report |
| Total Recoverable Hydrocarbon | | |

PA0063592, Sewage, **Borough of Gilberton**, Main Street, Gilberton, PA 17934. This proposed facility is located in Gilberton Borough, **Schuylkill County**.

Description of Proposed Activity: Renewal of NPDES permit to discharge treated sewage.

The receiving stream, Mahanoy Creek, is in the State Water Plan watershed #6B and is classified for: CWF, aquatic life, water supply and recreation. The nearest downstream public water supply intake for Dauphin Consolidated Water Company is located on the Susquehanna River, 90 miles below the point of discharge.

The proposed effluent limits for Outfall 001 based on a design flow of .100 MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Instantaneous Maximum (mg/l)</i> |
|---------------------------------|---|----------------------------------|---|
| CBOD ₅ | 25 | 40 | 50 |
| Total Suspended Solids | 30 | 45 | 60 |
| Dissolved Oxygen | A minimum of 5 mg/l at all times. | | |
| Fecal Coliform (5-1 to 9-30) | 200/100 ml as a geometric mean | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | |
| pH | 6.0 to 9.0 standard units at all times. | | |
| Total Residual Chlorine | 1 | | 2 |

PA0060186, Sewage, **Elk Meadows Homeowner Association**, R. R. 1, Uniondale, PA 18470. This proposed facility is located in Herrick Township, **Susquehanna County**.

Description of Proposed Activity: Renewal of NPDES permit to discharge treated sewage.

The receiving stream, unnamed tributary of Tunkhannock Creek, is in the State Water Plan watershed #4F and is classified for: CWF, aquatic life, water supply and recreation. The nearest downstream public water supply intake for the Danville Water Authority is located on the Susquehanna River approximately 100 miles below the point of discharge.

The proposed effluent limits for Outfall 001 based on a design flow of .023 MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Maximum Daily (mg/l)</i> |
|--------------------------------------|---|----------------------------------|---------------------------------|
| CBOD ₅ | 25 | | 50 |
| Total Suspended Solids | 30 | | 60 |
| NH ₃ -N (5-1 to 10-31) | 4 | | 8 |
| (11-1 to 4-30) | 12 | | 24 |
| Dissolved Oxygen | A minimum of 5 mg/l at all times. | | |
| Fecal Coliform (5-1 to 9-30) | 200/100 ml as a geometric mean | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | |
| pH | 6.0 to 9.0 standard units at all times. | | |
| Total Residual Chlorine | .3 | | .7 |

PA0064173, Sewage, **Heisler's Cloverleaf Dairy, Inc.**, R. R. 1, Box 1169, Tamaqua, PA 18252. This proposed facility is located in Walker Township, **Schuylkill County**.

Description of Proposed Activity: Application for NPDES Permit to discharge treated sewage.

The receiving stream, Beaver Creek, is in the State Water Plan watershed #3A and is classified for: CWF. The nearest downstream public water supply intake for Pottstown Borough Water Authority is located on Beaver Creek approximately 45 miles below the point of discharge.

The proposed effluent limits for Outfall 001 based on a design flow of .0056 MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Instantaneous Maximum (mg/l)</i> |
|--|---|----------------------------------|---|
| CBOD ₅ | 25 | | 50 |
| Total Suspended Solids | 30 | | 60 |
| Fecal Coliform (5-1 to 9-30) | 200/100 ml as a geometric mean | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | |
| pH | 6.0 to 9.0 standard units at all times. | | |
| Total Residual Chlorine (1st Month to 24th Month) | Monitor and Report | | Monitor and Report |
| (25th Month to Expiration) | 1.2 | | 2.8 |
| Oil and Grease | 15 | | 30 |

PA0034029, Sewage, **Sand Spring Water and Sewer Co., Inc.**, 4101 Sand Spring Road, Schnecksville, PA 18078. This proposed facility is located in North Whitehall Township, **Lehigh County**.

Description of Proposed Activity: Renewal of NPDES to discharge treated sewage.

The receiving stream, unnamed tributary to Coplay Creek, is in the State Water Plan watershed #2C and is classified for: CWF, water supply, aquatic life and recreation. The nearest downstream public water supply intake for City of Allentown is located on Lehigh River approximately 8 miles below the point of discharge.

The proposed effluent limits for Outfall 001 based on a design flow of .035 MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Maximum Instantaneous (mg/l)</i> |
|-------------------------------------|-----------------------------------|----------------------------------|---|
| CBOD ₅ (5-1 to 10-31) | 10 | | 20 |
| (11-1 to 4-30) | 20 | | 40 |

NOTICES

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Maximum Instantaneous (mg/l)</i> |
|----------------------------|---|----------------------------------|---|
| Total Suspended Solids | 10 | | 20 |
| NH ₃ -N | | | |
| (5-1 to 10-31) | 3 | | 6 |
| (11-1 to 4-30) | 9 | | 18 |
| Dissolved Oxygen | A minimum of 2 mg/l at all times. | | |
| Fecal Coliform | | | |
| (5-1 to 9-30) | 200/100 ml as a geometric mean | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | |
| pH | 6.0 to 9.0 standard units at all times. | | |
| Total Residual Chlorine | | | |
| (1st Month to 24th Month) | Monitor and Report | | Monitor and Report |
| (25th Month to Expiration) | 1.2 | | 2.8 |

PA0063584, Sewage, **Progressive Labels**, P. O. Box 347, Tannersville, PA 18372. This proposed facility is located in Pocono Township, **Monroe County**.

The receiving stream, Scot Run, is in the State Water Plan watershed #1E and is classified for: HQ-CWF, aquatic life, water supply and recreation. The nearest downstream public water supply intake for Stroudsburg Emergency Intake is located on McMichael Creek approximately 10 miles below the point of discharge.

The proposed effluent limits for Outfall 001 based on a design flow of .00075 MGD.

| <i>Parameter</i> | <i>Average Monthly (mg/l)</i> | <i>Average Weekly (mg/l)</i> | <i>Maximum Instantaneous (mg/l)</i> |
|-------------------------|---|----------------------------------|---|
| CBOD ₅ | 10 | | 20 |
| Total Suspended Solids | 20 | | 40 |
| Fecal Coliform | 200/100 ml as a geometric mean | | |
| pH | 6.0 to 9.0 standard units at all times. | | |
| Total Residual Chlorine | Monitor and Report | | |

Southcentral Region: Water Management Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110, (717) 705-4707.

Application No. PA0246620, Industrial Waste 4011, **Norfolk Southern Railway Company (Rutherford Internal)**, 110 Franklin Road, S.E., Roanoke, VA 24042. This facility is located in Swatara Township, **Dauphin County**.

Description of activity: The application is for issuance of an NPDES permit for an existing discharge of treated industrial waste.

The receiving stream, unnamed tributary of Spring Creek via storm sewer, is in Watershed 7-C and classified for WWF, water supply and recreation and fish consumption. The nearest downstream public water supply intake for Steelton Municipal Water Works is located on the Susquehanna River, approximately 3 miles downstream. The discharge is not expected to affect the water supply.

The proposed effluent limits for Outfall 001 are:

| <i>Parameter</i> | <i>Concentration (mg/l)</i> | | |
|-------------------------|-----------------------------|---------------------------|----------------------------------|
| | <i>Average Monthly</i> | <i>Maximum Daily</i> | <i>Instantaneous Maximum</i> |
| pH | | From 6.0 to 9.0 inclusive | |
| Total Suspended Solids | 30 | 60 | 75 |
| Oil and Grease | | 15 | 30 |
| CBOD ₅ | | Monitor and Report | |
| Chemical Oxygen Demand | | Monitor and Report | |
| Total Kjeldahl Nitrogen | | Monitor and Report | |
| Total Phosphorus | | Monitor and Report | |
| Total Iron | | Monitor and Report | |

In addition to the effluent limits, the permit contains the following major special condition:

Requirements for stormwater discharges.

Individuals may make an appointment to review the Department files on this case by calling the File Review Coordinator at (717) 705-4732.

The EPA waiver is in effect.

Application No. PA 0021890, Sewage, **New Holland Borough**, 436 East Main Street, New Holland, PA 17557. This facility is located in Earl Township, **Lancaster County**.

Description of activity: The application is for renewal of an NPDES permit for an existing discharge of treated sewage.

The receiving stream, Mill Creek, is in Watershed 7-J and classified for WWF, water supply and recreation and fish consumption. The nearest downstream public water supply intake for Holtwood Power Plant is located on the Susquehanna River, approximately 60 miles downstream. The discharge is not expected to affect the water supply.

The proposed effluent limits for Outfall 001 for a design flow of 1.34 MGD are:

| Parameter | Average Monthly (mg/l) | Average Weekly (mg/l) | Instantaneous Maximum (mg/l) |
|-------------------------|-------------------------------------|-----------------------|------------------------------|
| CBOD ₅ | 25 | 40 | 50 |
| Suspended Solids | 30 | 45 | 60 |
| NH ₃ -N | | | |
| (5-1 to 10-31) | 1.8 | | 3.6 |
| (11-1 to 4-30) | 5.4 | | 10.8 |
| Total Phosphorus | 2 | | 4 |
| Total Residual Chlorine | 0.5 | | 1.1 |
| Dissolved Oxygen | Minimum of 5.0 at all times | | |
| pH | From 6.0 to 9.0 inclusive | | |
| Fecal Coliform | | | |
| (5-1 to 9-30) | 200/100 ml as a geometric average | | |
| (10-1 to 4-30) | 2,700/100 ml as a geometric average | | |

Individuals may make an appointment to review the Department files on this case by calling the File Review Coordinator at (717) 705-4732.

The EPA waiver is not in effect.

Northcentral Region: Water Management Program Manager, 208 West Third Street, Williamsport, PA 17701, (570) 327 3666.

PA0028681, Sewerage SIC, 4952, **Kelly Township Municipal Authority**, 299 River Road, Lewisburg, PA 17837-9703. This existing facility is located in Kelly Township, **Union County**.

Description of Proposed Activity: This proposed action is for renewal of an NPDES permit for an existing discharge of treated sewage wastewater.

The receiving stream, West Branch Susquehanna River, is in the State Water Plan watershed 10C and classified for: WWF. The nearest downstream public water supply intake for Sunbury Municipal Authority is located on the Susquehanna River 10 miles below the point of discharge.

The proposed effluent limits for Outfall 001 based on a design flow of 3.75 MGD.

| Parameter | Average Monthly (mg/l) | Average Weekly (mg/l) | Daily Maximum (mg/l) | Instantaneous Maximum (mg/l) |
|--------------------------------|--------------------------------------|-----------------------|----------------------|------------------------------|
| CBOD ₅ | 25 | 40 | | 50 |
| TSS | 30 | 45 | | 60 |
| Copper | | | Report | |
| Total Cl ₂ Residual | 0.50 | | | 1.6 |
| Fecal Coliforms: | | | | |
| (5-1 to 9-30) | 200 col/100 ml as a geometric mean | | | |
| (10-1 to 4-30) | 2,000 col/100 ml as a geometric mean | | | |
| pH | 6.0 to 9.0 at all times | | | |

Southwest Regional Office: Regional Manager, Water Management, 400 Waterfront Drive, Pittsburgh, PA 15222-4745; (412) 442-4000.

PA0219053, Industrial Waste, SIC, 4212, **Terminal Leasing, Inc.**, 9 Industry Drive, Washington, PA 15301. This application is for issuance of an NPDES permit to discharge treated stormwater from the Washington Terminal in North Strabane Township, **Washington County**.

The following effluent limitations are proposed for discharge to the receiving waters, unnamed tributary of Little Chartiers Creek, classified as a HQ-WWF with existing and/or potential uses for aquatic life, water supply and recreation. The first existing/proposed downstream potable water supply is the West View Municipal Water Authority, 41.17 miles below the discharge point.

Outfall 001: new discharge, design flow of 4.6 mgd.

| Parameter | Mass (lb/day) | | Concentration (mg/l) | | |
|------------------|--------------------|---------------|----------------------|---------------|-----------------------|
| | Average Monthly | Maximum Daily | Average Monthly | Maximum Daily | Instantaneous Maximum |
| Flow | Monitor and Report | | | | |
| Suspended Solids | Monitor and Report | | | | |
| Oil and Grease | | | 15 | | 30 |

The EPA waiver is in effect.

PA0021407, Sewage, **Point Marion Municipal Authority**, 426 Morgantown Street, Point Marion, PA 15474. This application is for renewal of an NPDES permit to discharge treated sewage from Point Marion Wastewater Treatment Plant in the Borough of Point Marion, **Fayette County**.

The following effluent limitations are proposed for discharge to the receiving waters, known as Monongahela River, which are classified as a WWF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the East Dunkard Water Association.

Outfall 001: existing discharge, design flow of 0.3 mgd.

| <i>Parameter</i> | <i>Concentration (mg/l)</i> | | | |
|-------------------------|--|-----------------------|----------------------|------------------------------|
| | <i>Average Monthly</i> | <i>Average Weekly</i> | <i>Maximum Daily</i> | <i>Instantaneous Maximum</i> |
| CBOD | 25 | 38 | | 50 |
| Suspended Solids | 30 | 45 | | 60 |
| Fecal Coliform | | | | |
| (5-1 to 9-30) | 200/100 ml as a geometric mean | | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | | |
| Total Residual Chlorine | 1.0 | | | 3.3 |
| pH | not less than 6.0 nor greater than 9.0 | | | |

Other Conditions: Outfalls 002—007 will serve as combined sewer overflows.

The EPA waiver is in effect.

PA0024490, Sewage, **Rockwood Borough**, 358 Market Street, Rockwood, PA 15557. This application is for renewal of an NPDES permit to discharge treated sewage from Rockwood Borough STP in Black Township, **Somerset County**.

The following effluent limitations are proposed for discharge to the receiving waters, known as Casselman River, which are classified as a WWF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the Ohiopyle Municipal Water Works.

Outfall 001: existing discharge, design flow of 0.3 mgd.

| <i>Parameter</i> | <i>Concentration (mg/l)</i> | | | |
|-------------------------|--|-----------------------|----------------------|------------------------------|
| | <i>Average Monthly</i> | <i>Average Weekly</i> | <i>Maximum Daily</i> | <i>Instantaneous Maximum</i> |
| CBOD ₅ | 25 | 38 | | 50 |
| Suspended Solids | 30 | 45 | | 60 |
| Fecal Coliform | | | | |
| (5-1 to 9-30) | 200/100 ml as a geometric mean | | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | | |
| Total Residual Chlorine | 1.0 | | | 3.3 |
| pH | not less than 6.0 nor greater than 9.0 | | | |

Other Conditions: Outfalls 002, 004—007 will serve as combined sewer overflows.

The EPA waiver is in effect.

PA0039721, Sewage, **Rostraver Township Sewage Authority**, 202 Port Royal Road, P. O. Box 976 Municipal Building, Belle Vernon, PA 15102. This application is for renewal of an NPDES permit to discharge treated sewage from Rehoboth Valley Industrial District STP in Rostraver Township, **Westmoreland County**.

The following effluent limitations are proposed for discharge to the receiving waters, known as unnamed tributary of Speers Run, which are classified as a WWF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the Charleroi Borough Authority located on the Monongahela River.

Outfall 001: existing discharge, design flow of 0.075 mgd.

| <i>Parameter</i> | <i>Concentration (mg/l)</i> | | | |
|-------------------------|--|-----------------------|----------------------|------------------------------|
| | <i>Average Monthly</i> | <i>Average Weekly</i> | <i>Maximum Daily</i> | <i>Instantaneous Maximum</i> |
| CBOD ₅ | 25 | | | 50 |
| Suspended Solids | 30 | | | 60 |
| Ammonia Nitrogen | | | | |
| (5-1 to 10-31) | 2.2 | | | 4.4 |
| (11-1 to 4-30) | 4.5 | | | 9.0 |
| Fecal Coliform | | | | |
| (5-1 to 9-30) | 200/100 ml as a geometric mean | | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | | |
| Total Residual Chlorine | .17 | | | .4 |
| Dissolved Oxygen | not less than 5 mg/l | | | |
| pH | not less than 6.0 nor greater than 9.0 | | | |

The EPA waiver is in effect.

PA0097942, Sewage, **Dunlap, Inc.**, 1310 Pittsburgh Road, P. O. Box 2092, Uniontown, PA 15401. This application is for renewal of an NPDES permit to discharge treated sewage from Arctic Cove Restaurant Site STP in North Union Township, **Fayette County**.

The following effluent limitations are proposed for discharge to the receiving waters, known as Redstone Creek, which are classified as a WWF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the Washington Township Municipal Authority.

Outfall 001: existing discharge, design flow of 0.001475 mgd.

| Parameter | Concentration (mg/l) | | | |
|-------------------------|--|----------------|---------------|-----------------------|
| | Average Monthly | Average Weekly | Maximum Daily | Instantaneous Maximum |
| CBOD ₅ | 25 | | | 50 |
| Suspended Solids | 30 | | | 60 |
| Fecal Coliform | | | | |
| (5-1 to 9-30) | 200/100 ml as a geometric mean | | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | | |
| Total Residual Chlorine | Monitor and Report | | | |
| pH | not less than 6.0 nor greater than 9.0 | | | |

The EPA waiver is in effect.

PA011597, Sewage, **Westmont Hilltop Recreation Commission**, 1000 Edgehill Drive, Johnstown, PA 15905. This application is for renewal of an NPDES permit to discharge treated sewage from Westmont Hilltop Recreation Commission STP in Upper Yoder Township, **Cambria County**.

The following effluent limitations are proposed for discharge to the receiving waters, known as unnamed tributary to Allwine Creek, which are classified as a HQ-CWF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the North Fork Reservoir.

Outfall 001: existing discharge, design flow of 0.003 mgd.

| Parameter | Concentration (mg/l) | | | |
|-------------------------|--|----------------|---------------|-----------------------|
| | Average Monthly | Average Weekly | Maximum Daily | Instantaneous Maximum |
| CBOD ₅ | 10 | | | 20 |
| Suspended Solids | 10 | | | 20 |
| Ammonia Nitrogen | | | | |
| (5-1 to 10-31) | 3.0 | | | |
| (11-1 to 4-30) | 9.0 | | | |
| Phosphorus | 1 | | | |
| Fecal Coliform | | | | |
| (5-1 to 9-30) | 200/100 ml as a geometric mean | | | |
| (10-1 to 4-30) | 2,000/100 ml as a geometric mean | | | |
| Total Residual Chlorine | .5 | | | |
| Dissolved Oxygen | not less than 7 mg/l | | | |
| pH | not less than 6.0 nor greater than 9.0 | | | |

The EPA waiver is in effect.

PA0205087, Sewage, **Rockwood Real Estate, Inc.**, R. D. 2, Box 208, Rockwood, PA 15557. This application is for renewal of an NPDES permit to discharge treated sewage from Scottyland Camping Resort STP in Middle Creek Township, **Somerset County**.

The following effluent limitations are proposed for discharge to the receiving waters, known as Lost Creek, which are classified as a HQ-CWF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the Ohiopyle Municipal Water Works.

Outfall 001: existing discharge, design flow of 0.0102 mgd.

| Parameter | Concentration (mg/l) | | | |
|-------------------------|--|----------------|---------------|-----------------------|
| | Average Monthly | Average Weekly | Maximum Daily | Instantaneous Maximum |
| CBOD ₅ | 25 | | | 50 |
| Suspended Solids | 30 | | | 60 |
| Fecal Coliform | | | | |
| (5-1 to 9-30) | 200/100 ml as a geometric mean | | | |
| (10-1 to 4-30) | 20,000/100 ml as a geometric mean | | | |
| Total Residual Chlorine | 1.4 | | | |
| pH | not less than 6.0 nor greater than 9.0 | | | |

The EPA waiver is in effect.

PA0205516, Amendment No. 1, Sewage, **Westmoreland County Industrial Park Authority**, 601 Courthouse Square, Greensburg, PA 15601. This application is for amendment of an NPDES permit to discharge treated sewage from Westmoreland Business and Research Park in Upper Burrell Township, **Westmoreland County**.

The following effluent limitations changes are proposed for discharge to the receiving waters, known as a tributary of Pucketa Creek, which are classified as a TSF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the Oakmont Water Authority.

Outfall 001: existing discharge location, design flow of .05 mgd.

| <i>Parameter</i> | <i>Concentration (mg/l)</i> | | | |
|---|-----------------------------|-----------------------|----------------------|------------------------------|
| | <i>Average Monthly</i> | <i>Average Weekly</i> | <i>Maximum Daily</i> | <i>Instantaneous Maximum</i> |
| Copper (1st Month to 36th Month) (37th Month to Expiration) | .018 | | Monitor and Report | .045 |
| Zinc (1st Month to 36th Month) (37th Month to Expiration) | .150 | | Monitor and Report | .375 |
| Dichlorobromomethane (1st Month to 36th Month) (37th Month to Expiration) | .0011 | Monitor and Report | | .0027 |

Outfall 001: expanded discharge, design flow of .10 mgd.

| <i>Parameter</i> | <i>Concentration (mg/l)</i> | | | |
|----------------------|-----------------------------|-----------------------|----------------------|------------------------------|
| | <i>Average Monthly</i> | <i>Average Weekly</i> | <i>Maximum Daily</i> | <i>Instantaneous Maximum</i> |
| Copper | .018 | | | .045 |
| Lead | .008 | | | .020 |
| Zinc | .145 | | | .362 |
| Chloroform | .008 | | | .020 |
| Dichlorobromomethane | .0008 | | | .002 |

The permittee proposes to extend the treatment plant outfall sewer approximately 13,000 feet to discharge treated effluent into Pucketa Creek. The following effluent limitations are proposed for discharge to the receiving waters, known as Pucketa Creek, which are classified as a TSF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the Oakmont Water Authority.

Outfall 001: existing discharge, design flow of .05 mgd, outfall extended to Pucketa Creek.

| <i>Parameter</i> | <i>Concentration (mg/l)</i> | | | |
|---|--|-----------------------|----------------------|------------------------------|
| | <i>Average Monthly</i> | <i>Average Weekly</i> | <i>Maximum Daily</i> | <i>Instantaneous Maximum</i> |
| CBOD ₅ | 25 | | | 50 |
| Suspended Solids | 30 | | | 60 |
| Ammonia Nitrogen (5-1 to 10-31) (11-1 to 4-30) | 4 12 | | | 8 24 |
| Fecal Coliform (5-1 to 9-30) (10-1 to 4-30) | 200/100 ml as a geometric mean 2,000/100 ml as a geometric mean | | | |
| Total Residual Chlorine | .35 | | | .8 |
| Dissolved Oxygen | not less than 4 mg/l | | | |
| pH | not less than 6.0 nor greater than 9.0 | | | |
| Copper (1st Month to 36th Month) (37th Month to Expiration) | .038 | | Monitor and Report | .095 |
| Zinc (1st Month to 36th Month) (37th Month to Expiration) | .330 | | Monitor and Report | .825 |

Outfall 001: expanded discharge, design flow of .10 mgd, outfall extended to Pucketa Creek.

| <i>Parameter</i> | <i>Concentration (mg/l)</i> | | | |
|--|--|-----------------------|----------------------|------------------------------|
| | <i>Average Monthly</i> | <i>Average Weekly</i> | <i>Maximum Daily</i> | <i>Instantaneous Maximum</i> |
| CBOD ₅ | 25 | | | 50 |
| Suspended Solids | 30 | | | 60 |
| Ammonia Nitrogen (5-1 to 10-31) (11-1 to 4-30) | 4 12 | | | 8 24 |
| Fecal Coliform (5-1 to 9-30) (10-1 to 4-30) | 200/100 ml as a geometric mean 2,000/100 ml as a geometric mean | | | |

| Parameter | Concentration (mg/l) | | | |
|-------------------------|--|----------------|---------------|-----------------------|
| | Average Monthly | Average Weekly | Maximum Daily | Instantaneous Maximum |
| Total Residual Chlorine | .35 | | | .8 |
| Dissolved Oxygen | not less than 4 mg/l | | | |
| pH | not less than 6.0 nor greater than 9.0 | | | |
| Copper | .024 | | | .060 |
| Lead | .008 | | | .020 |
| Zinc | .200 | | | .500 |
| Chlorodibromomethane | .0006 | | | .0015 |
| Chloroform | .088 | | | .220 |
| Dichlorobromomethane | .009 | | | .022 |

The EPA waiver is in effect.

PA0205966, Sewage, **Economy Borough Municipal Authority**, 2860 Conway Wallrose Road, Baden, PA 15005. This application is for renewal of an NPDES permit to discharge treated sewage from Chestnut Ridge STP in Economy Borough, **Beaver County**.

The following effluent limitations are proposed for discharge to the receiving waters, known as Cooney Hollow—tributary to Big Sewickley Creek, which are classified as a TSF with existing and/or potential uses for aquatic life, water supply and recreation. The first downstream potable water supply intake from this facility is the ARCO Chemical Company BV Plant.

Outfall 001: existing discharge, design flow of 0.0165 mgd.

| Parameter | Concentration (mg/l) | | | |

The EPA waiver is in effect.

WATER QUALITY MANAGEMENT PERMITS

CONTROLLED INDUSTRIAL WASTE AND SEWAGE WASTEWATER APPLICATIONS UNDER THE CLEAN STREAMS LAW

PART II PERMITS

The following permit applications or requests for plan approval have been received by the Department of Environmental Protection (Department).

Persons wishing to comment on any of the applications are invited to submit a statement to the office noted before the application within 15 days from the date of this public notice. Comments received within this 15-day comment period will be considered in making the final decision regarding the application. The comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department reserves the right to hold a public hearing if the responsible office considers the public response significant. If a hearing is scheduled, a notice of the hearing will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation of the area. If no hearing is held, the Department's Water Management

Program Manager will make a final determination regarding the applications after a complete review. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

A copy of the permit application or proposed plan is on file in the office indicated and is open to public inspection. Appointments to review the application may be made by contacting Records Management at the indicated telephone number.

I. Industrial Waste and Sewerage Applications under The Clean Streams Law (35 P. S. §§ 691.1—691.1001).

Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

WQM Permit No. 5202403, Westfall Township Municipal Authority, P. O. Box 235, Matamoras, PA 18336. This proposed facility is located in Westfall Township, **Pike County**.

Description of Proposed Action/Activity: This project consists of the upgrade and expansion of the Westfall Township Municipal Authority's Wastewater Treatment Plant to 300,000 GPD.

Northcentral Region: Water Management Program Manager, 208 West Third Street, Williamsport, PA 17701.

WQM Permit No. 5902405, Sewerage 4952, **EMC Mortgage, Inc.**, P. O. Box 141358, Irving, TX 75014. This proposed facility is located in Osceola Township, **Tioga County**.

Description of Proposed Action/Activity: This is an application for a SFTF serving a residence.

Southwest Region: Water Management Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

Application No. 0202408, Sewerage, **Aleppo Township Authority**, 100 North Drive, Sewickley, PA 15143. Application for the construction and operation of the I-79 North Wastewater Treatment Plant to serve the Masonic Village at Sewickley located in Aleppo Township, **Allegheny County**.

Northwest Region: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

WQM Permit No 6202405, Sewerage, **Joseph A. Moski**, 3726 Melrose Avenue, Erie, PA 16508-2322. This proposed facility is located in Glade Township, **Warren County**.

Description of Proposed Action/Activity: This project is for a single residence sewage treatment plant.

NPDES Stormwater Individual Permit

The following parties have applied for an NPDES permit to discharge stormwater associated with a construction activity into waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain limitations set forth in the permit conditions. These proposed determinations are tentative. Limitations are provided as erosion and sediment control best man-

agement practices which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA Region III Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the appropriate Department Regional Office noted before the application within 30 days from the date of this public notice. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and relevant facts upon which it is based. A public hearing may be held after consideration of comments received by the appropriate Department Regional Office during the 30-day public comment period.

Following the 30-day comment period, the appropriate Regional Office Water Management Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, including the erosion and sediment control plan for the earth disturbance activity, are on file and may be inspected at the office identified in this notice.

Persons with a disability that require an auxiliary aid, service or other accommodation to participate during the 30-day public comment period should contact the specified Regional Office. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

Lehigh County Conservation District: Lehigh Ag. Ctr., Suite 102, 4184 Dorney Park Road, Allentown, PA 18104, (610) 391-9583.

**PUBLIC WATER SUPPLY (PWS)
PERMIT**

Under the Pennsylvania Safe Drinking Water Act, the following parties have applied for a PWS permit to construct or substantially modify a public water system.

Persons wishing to comment on the permit application are invited to submit a statement to the office listed before the application within 30 days of this public notice. Comments received within this 30-day comment period will be considered in the formulation of the final determinations regarding this application. Comment responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held after consideration of comments received during the 30-day public comment period.

Following the comment period, the Department will make a final determination regarding the proposed permit. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The permit application and any related documents are on file at the office listed before the application and available for public review. Arrangements for inspection and copying information should be made with the office listed before the application.

Persons with a disability that require an auxiliary aid, service or other accommodations to participate during the 30-day public comment period should contact the office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

SAFE DRINKING WATER

Applications Received under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17).

Zelienople Borough, **Butler County**. Application for
modification to existing water allocation permit request-
ing the right to improve the raw water intake located at
Scholars Run Dam, Jackson Township, Butler County.
The quality of treated water generated by Zelienople
Borough will not change as a result of this project. There
is no request for a modification in existing allocation
amount.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 1

Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Envi- ronmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908)

Sections 302—305 of the Land Recycling and Environ-
mental Remediation Standards Act (Act) require the
Department of Environmental Protection (Department) to
publish in the *Pennsylvania Bulletin* an acknowledgment
noting receipt of any Notices of Intent to Remediate. An
acknowledgment of the receipt of a Notice of Intent to
Remediate is used to identify a site where a person
proposes to, or has been required to, respond to a release
of a regulated substance at a site. Persons intending to
use the background standard, Statewide health standard,
the site-specific standard, or who intend to remediate a
site as a special industrial area, must file a Notice of
Intent to Remediate with the Department. A Notice of
Intent to Remediate filed with the Department provides a
brief description of the location of the site, a list of known
or suspected contaminants at the site, the proposed
remediation measures for the site and a description of the
intended future use of the site. A person who demon-
strates attainment of one, or a combination of the cleanup
standards, or who receives approval of a special industrial
area remediation identified under the Act, will be relieved
of further liability for the remediation of the site for any

contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the Act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the sites identified, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period the municipality may request that the person identified, as the remediator of the site, develop and implement a public involvement plan. Requests to be involved and comments, should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the Environmental Cleanup Program Manager in the Department Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

Southcentral Region: Environmental Cleanup Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

Horner Residence, Conewago Township, **Adams County**. Alliance Environmental Services, Inc., 1414 North Cameron Street, Suite B, Harrisburg, PA 17103, on behalf of Ruba Horner, 4738 East Flower Circle, Mesa, AZ 85206 and Dan Wisotzkey, 3311 Honey Run Drive, York, PA 17404-9443, submitted a Notice of Intent to Remediate site soils and groundwater contaminated with No. 2 fuel oil. The applicant proposes to remediate the site to meet a combination of the requirements for the Statewide Health and Site-Specific standards. A summary of the Notice of Intent to Remediate was reported to have been published in the *Hanover Evening Sun* on June 8, 2002.

HAZARDOUS WASTE TREATMENT, STORAGE AND DISPOSAL FACILITIES

Application received, under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003) and Regulations to Operate a Hazardous Waste Treatment, Storage or Disposal Facility.

Southeast Region: Regional Solid Waste Manager; Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

PAD002375376, US Steel Corporation, 600 Grant St., Pittsburgh, PA 15219-2702, Falls Township, **Bucks County**. Application received on June 24, 2002.

OPERATE WASTE PROCESSING OR DISPOSAL AREA OR SITE

Applications Received under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003), the

Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904) and Regulations to Operate Solid Waste Processing or Disposal Area or Site.

Northcentral Region: Regional Solid Waste Manager, 208 West Third Street, Williamsport, PA 17701.

Permit Application No. 101546. Potter County Solid Waste Authority, R. R. 1 Box 234A, Ulysses, PA 16948-0234, for the Potter County Transfer Station located in Ulysses Township, **Potter County**. Action plan for radiation monitoring. The application was received by the Williamsport Regional Office on June 20, 2002.

Permit Application No. 301292. CraftMaster Manufacturing, Inc., P. O. Box 311, Towanda, PA 18848, for Towanda Mill located in Wysox Township, **Bradford County**. Application for reissuance of spray field permit. The application was accepted as complete by the Williamsport Regional Office on June 20, 2002.

Permit Application No. 300610. CraftMaster Manufacturing Inc., P. O. Box 311, Towanda, PA 18848, for Towanda Mill located in Wysox Township, **Bradford County**. Application for reissuance of landfill permit. The application was accepted as complete by the Williamsport Regional Office on June 20, 2002.

Comments concerning the previous applications should be directed to John C. Hamilton, P. E., Facilities Manager, Williamsport Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701. Persons interested in obtaining more information about the general permit application may contact the Williamsport Regional Office, (570) 327-3653. TDD users may contact the Department through the Pennsylvania Relay Service, (800) 654-5984. Public comments must be submitted within 60 days of this notice and may recommend revisions to and approval or denial of the application.

AIR QUALITY

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

NEW SOURCES AND MODIFICATIONS

The Department of Environmental Protection (Department) has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department has received applications for plan approvals and/or operating permits from the following facilities.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the Regional Office identified in this notice. Persons interested in reviewing the application files should contact the appropriate Regional Office to schedule an appointment.

Persons wishing to receive a copy of the proposed Plan Approval or Operating Permit must indicate their interest to the Department Regional Office within 30 days of the date of this notice and must file protests or comments on a Proposed Plan Approval or Operating Permit within 30 days of the Department providing a copy of the proposed

document to that person or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Comments or protests filed with the Department Regional Offices must include a concise statement of the objections to the issuance of the plan approval or operating permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior to the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the Regional Office identified. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121–143, the Federal Clean Air Act and regulations adopted under the Act.

PLAN APPROVALS

Plan Approval Applications Received under the Air Pollution Control Act (35 P. S. §§ 4001–4015) and 25 Pa. Code Chapter 127, Subchapter B that may have special public interest. These applications are in review and no decision on disposition has been reached.

Northeast Region: Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711-0790; Contact: Mark Wejkszner, Acting New Source Review Chief, (570) 826-2531.

40-320-017: Bemis Co., Inc. (Valmont Industrial Park, 20 Jaycee Drive, West Hazleton, PA 18202-1142) for installation of an air cleaning device as a replacement on presses 9 and 10 in West Hazleton Borough, **Luzerne County**.

39-318-111: Gateway Industrial Services (805 Harrison Street, Allentown, PA 18103) for construction of two paint spray booths and associated air cleaning devices in Allentown, **Lehigh County**.

Northcentral Region: Air Quality Program, 208 West Third Street, Williamsport, PA 17701; Contact: David Aldenderfer, Program Manager, (570) 327-3637.

19-320-005: Press Enterprise, Inc. (3185 Lackawanna Avenue, Bloomsburg, PA 17815) for construction of a heatset web lithographic printing press in Scott Township, **Columbia County**.

Intent to Issue Plan Approvals and Intent to Issue or Amend Operating Permits under the Air Pollution Control Act (35 P. S. §§ 4001–4015) and 25 Pa. Code Chapter 127, Subchapter B. These actions may include the administrative amendments of an associated operating permit.

Southeast Region: Air Quality Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428; Contact: Thomas McGinley, New Source Review Chief, (610) 832-6242.

09-0061A: Donaldson Co., Inc. (85 Railroad Drive, Ivyland, PA 18974) for installation of polytetra fluoroethylene extrusion line in Northampton Township, **Bucks County**. This facility is a minor facility. Total emissions

from this source are 9.0 tons of VOCs per year. The plan approval will contain recordkeeping and operating restrictions to keep the facility operating within the allowable emissions and all applicable air quality requirements.

23-0094: Steinbeis Packaging, LLC (1515 Garnet Mine Road, Boothwyn, PA 19061) for installation of two rotogravure printing presses controlled by a thermal oxidizer in Bethel Township, **Delaware County**. This facility is a minor facility. Total emissions from this source are 5.5 tons of VOCs per year. The Plan approval will contain recordkeeping and operating restrictions to keep the facility operating within the allowable emissions and all applicable air quality requirements.

46-0229: Global Rubber, Inc. (451 Yerkes Road, King of Prussia, PA 19406) for installation of a carbon adsorption system to control odors from a rubber mat manufacturing facility in Upper Merion Township, **Montgomery County**. The plan approval will subsequently be incorporated into a State only operating permit through an administrative amendment in accordance with 25 Pa. Code § 127.450.

To assure compliance with the applicable standards, the Department has placed the following conditions in the proposed Plan Approval:

1. Operational Limitations

A. The company shall operate the carbon adsorption system whenever the rubber mat press is operating.

B. The maximum pressure drop across the carbon bed shall be determined prior to the issuance of an operating permit.

C. The company shall install equipment (a differential manometer or equivalent, as approved by the Department) so that the pressure drop across the carbon bed can be measured.

D. The company shall install, operate and maintain the carbon adsorption system in accordance with the manufacturer's specifications as well as good air pollution control practices.

E. The company shall restrict the natural draft openings to 240 square feet, or less, around the rubber mat press.

F. The minimum flow rate into the carbon adsorber shall be 12,000 cfm.

2. Emission Limitations

A. The company shall comply with 25 Pa. Code § 123.31.

3. Monitoring Requirements

A. The company shall monitor the pressure drop across the carbon bed at least once per shift.

B. The company shall monitor, once per operating day, for odors which the Department may determine to be objectionable.

C. The company shall notify the Department at (610) 832-6241 within 1 hour of occurrence of a malfunction of the carbon adsorber system or a bypass of the carbon adsorber system which results in an odor which the Department may determine to be objectionable or an increase in emissions above any allowable emission rate contained in the Department's rules and regulations or any condition of this plan approval. The malfunction shall be corrected as expeditiously as possible. In addition, the Department shall be notified, in writing, no later than 5

days following the malfunction of the nature of the malfunction and the actions taken to correct the malfunction.

D. After 6 months of daily monitoring, the company may apply to the Department to reduce the frequency of the monitoring.

4. Recordkeeping and Reporting Requirements

Sufficient data shall be recorded so that compliance with the conditions in the plan approval can be determined. Records shall be kept for a minimum of 5 years and shall be made available to the Department upon request.

A. The company shall maintain a copy of the manufacturer's specifications for the carbon adsorption system.

B. The company shall keep a record of the daily monitoring required by Condition 3.B.

C. The company shall keep a record of the pressure drop across the carbon bed to demonstrate compliance with Condition 1.B.

D. The company shall keep a record of any malfunction or bypass of the carbon adsorption system that occurs as well as the actions taken to correct the malfunction or bypass.

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110; Contact: Ronald Davis, New Source Review Chief, (717) 705-4702.

06-05093: Industrial Power Generating Corp. (2250 Dabney Road, Richmond, VA 23230) for construction of an electric generating facility controlled by combustion controls in Exeter Township, **Berks County**. The facility is non-Title V (State only) facility. The facility will fire commercial fuel oil, waste derived liquid fuels and landfill gas. The applicant has requested emission limits below the Title V thresholds. The potential emission limits are 3.5 tons per year of particulate, 99 tons per year of NO_x, 99 tons per year of CO, 8.7 tons per year of SO_x, 4.2 tons per year of VOC, 10 tons per year of any single HAP and 25 tons per year of all HAPS. The applicant will be required to maintain records of the emissions and contaminants in the noncommercial fuels. Limits will be placed on the contaminants. The approval will include other record keeping, reporting, monitoring and work practice requirements designed to keep the source operating within all applicable air quality requirements.

06-05078C: FR and S, Inc. d/b/a Pioneer Crossing Landfill (727 Red Lane Road, Birdsboro, PA 19508) for modification of the municipal solid waste landfill controlled by a gas collection system, temporary flares and a permanent flare in Exeter Township, **Berks County**. The modification will permit the landfill to divert all or parts of the collected gases to an electrical generation facility for use as a fuel. The modification will result in no changes in the emissions from the landfill. The source is subject to 40 CFR Part 60, Subpart WWW—Standards of Performance for Municipal Solid Waste Landfills. The plan approval will include monitoring, record keeping, work practices and reporting requirements designed to keep the source operating within all applicable air quality requirements. The facility is presently covered by Title V Operating Permit 06-05078. The plan approval will be incorporated into this permit in accordance with 25 Pa. Code § 127.450.

Northcentral Region: Air Quality Program, 208 West Third Street, Williamsport, PA 17701; Contact: David Aldenderfer, Program Manager, (570) 327-3637.

49-00019C: Sunoco Partners Marketing and Terminals L.P. (1801 Market Street, Philadelphia, PA 19103-1699) for installation of an air cleaning device, a vapor combustion unit, on two existing tank truck fuel loading racks at the Northumberland Terminal in Point Township, **Northumberland County**. The application also requests approval to construct a combined total of two gasoline loading arms and one distillate fuel loading arm on the respective loading racks.

The Northumberland Terminal is a major facility for which a Title V Operating Permit (No. 49-00019) has been issued. The installation of the vapor combustion unit will replace two existing vapor recovery units. Up to 49.26, 11.21, 7.94 and 4.46 tons of VOCs, carbon monoxide, hazardous air pollutants and nitrogen oxides, respectively, will be emitted in any 12 consecutive month period as a result of loading gasoline.

The Department's review of the information contained in the application indicates that the proposed construction of additional loading arms and installation of the vapor combustion unit on the two existing loading racks will meet all applicable air quality requirements including the VOC emission limitation of 25 Pa. Code § 129.59 and the best available technology requirements of 25 Pa. Code §§ 127.1 and 127.12 (which have applicability because the vapor combustion unit constitutes an "air contamination source" in addition to being an "air cleaning device"). Based on this finding, the Department intends to approve the application and issue a plan approval to construct the additional loading arms and install the proposed vapor combustion unit on the respective loading racks.

The following is a summary of the conditions the Department proposes to place in the plan approval to ensure compliance with all applicable air quality regulatory requirements:

1. At no time shall the operation of the loading racks result in the emission of 0.0668 pound (30.3 grams) of gasoline (measured as propane) for every 100 gallons of gasoline loaded.

2. Within 90 days of the completion of installation of the vapor combustion unit, VOC stack testing shall be performed which demonstrates compliance with 25 Pa. Code § 129.59.

3. At no time shall any gasoline loading occur without the simultaneous operation of the vapor combustion unit.

4. The nitrogen oxides and carbon monoxide emissions from the respective vapor combustion unit shall not exceed 4 or 10 milligrams per liter of product loaded, respectively, nor shall the emissions of nitrogen oxides and carbon monoxide exceed 4.46 and 11.21 tons, respectively, in any 12 consecutive month period.

5. The amount of gasoline and distillate fuels loaded using the two loading racks shall not exceed 270, 023 and 260 million gallons, respectively, per 12 consecutive month period.

OPERATING PERMITS

Intent to Issue Title V Operating Permits under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter G.

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110; Contact: Yasmin Neidlinger, Facilities Permitting Chief, (717) 705-4702.

05-05006: Columbia Gas Transmission Corp. (1700 MacCorkle Avenue S.E., Charleston, WV 25325-1273) for operation of a natural gas compressor station at its Artemas Compressor Station in Mann Township, **Bedford County**. The facility's major sources of emissions include three gas turbine driven compressors and two engine driven compressors that primarily emit NOx. The Title V Operating Permit contains monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality

28-05003: Columbia Gas Transmission Corp. (1700 MacCorkle Avenue S.E., Charleston, WV 25325-1273) for operation of a natural gas compressor station at its Greencastle Compressor Station in Montgomery Township, **Franklin County**. The facility's major sources of emissions include four gas turbine driven compressors that primarily emit NOx. The Title V Operating Permit contains monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

36-05046: Columbia Gas Transmission Corp. (1700 MacCorkle Avenue S.E., Charleston, WV 25325-1273) for operation of a natural gas compressor station at its Marietta Compressor Station in East Donegal Township, **Lancaster County**. The facility's major sources of emissions include three gas turbine driven compressors that primarily emit NOx. The Title V Operating Permit contains monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

Intent to Issue Operating Permits under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter F.

Southeast Region: Air Quality Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428; Contact: Edward Brown, Facilities Permitting Chief, (610) 832-6242.

46-00149: Armstrong-Americas-I, LLC (250 Hansen Access Road, King of Prussia, PA 19406) for operation of two boilers in Upper Merion Township, **Montgomery County**. The permit is for a non-Title V (State only) facility. The permit will include monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

23-00068: Cremation Specialists (301 Chester Pike, Norwood, PA 19074) for the human crematory in Media Borough, **Delaware County**. The permit is for a non-Title V (State only) facility. The permit will include monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

15-00009: ASAHI Glass Fluoropolymers, USA (255 South Bailey Road, Downingtown, PA 19335) for operation of the plastics compounding plant located in Caln Township, **Chester County**. The permit is for a non-Title V (State only) facility. The facility has the potential to emit 15 tons per year of VOCs. The permit will include monitoring, recordkeeping and reporting requirements designed to keep the plant operating within all applicable air quality requirements.

Northeast Region: Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711-0790; Contact: Michael Saffo, Facilities Permitting Chief, (570) 826-2531.

35-318-085: Gentex Optics, Inc. (P. O. Box 336, Carbondale, PA 18407) for operation of a lens coating line

(Fastrack Line) and inclusion of this operation into the facility's Title V Operating Permit in Fell Township, **Lackawanna County**.

48-399-045: Spray-tek LLC (344 Cedar Avenue, Middlesex, NJ 08846) for operation of a spray drying system and associated air cleaning device at 3010 Avenue B, Bethlehem, **Northampton County**.

Southcentral Region: Air Quality Program, 909 Elmerston Avenue, Harrisburg, PA 17110; Contact: Yasmin Neidlinger, Facilities Permitting Chief, (717) 705-4702.

06-05023: Stroehmann Bakeries LC (640 Park Avenue, Reading, PA 19611) for operation of a bread baking facility controlled by a thermal oxidizer in the City of Reading, **Berks County**. The facility is a non-Title V (State only) facility. The VOC emissions will be limited to less than 50 tons per year. The bread oven will have a VOC emission limit and be required to operate only with the oxidizer functioning. The permit will include monitoring, record keeping, work practices and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

67-03009: The Relizon Co. (Connely and Buser Roads, Emigsville, PA 17318-0128) for operation of lithographic printing presses in Manchester Township, **York County**. The annual emissions of VOCs from each press are less than 1 ton per year and the facility emissions of VOCs are approximately 9 tons per year. The Natural Minor Operating Permit will contain recordkeeping and operating restrictions designed to keep the facility operating within all applicable air quality requirements.

Southwest Region: Air Quality Program, 400 Waterfront Drive, Pittsburgh, PA 15222-4745; Contact: Mark Wayner, Facilities Permitting Chief, (412) 442-4174.

65-00898: Equitrans, LP (100 Allegheny Center Mall, Pittsburgh, PA 15222) for renewal of a natural gas compressor at the Sleepy Hollow Compressor Station in Salem Township, **Westmoreland County**.

32-00316: Equitrans, LP (100 Allegheny Center Mall, Pittsburgh, PA 15222) for renewal of a natural gas compressor at the Pennview Compressor Station in West Wheatfield Township, **Indiana County**.

26-00451: CONSOL Docks, Inc. (1800 Washington Road, Pittsburgh, PA 15241) for a coal transfer facility in Luzerne Township, **Fayette County**.

MINING ACTIVITY APPLICATIONS

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to the applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District Mining Office indicated before each application. Where a 401 Water Quality Certification is needed for any aspect of a

particular proposed mining activity, the submittal of the permit application will serve as the request for certification.

Written comments, objections or requests for informal conferences on applications may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public notices of filing of permit applications, opportunity for comment and informal conferences).

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. NPDES permits will contain, at a minimum, technology-based effluent limitations (as described in the Department's regulations—25 Pa. Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52 and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity and pH. In addition to the previous, more restrictive effluent limitations, restrictions on discharge volume, or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit, when necessary, for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the previously-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

Coal Applications Received

Hawk Run District Mining Office: Empire Road, P. O. Box 209, Hawk Run, PA 16840-0209, (814) 342-8200.

17020901 and NPDES No. PA 0243256. Johnson Brothers Coal Company, R. D. 1, Box 580, Mahaffey, PA 15757. Commencement, operation and restoration of an incidental coal extraction surface mining permit in Penn Township, **Clearfield County** affecting 15.4 acres. Receiving streams: Kratzer Run, tributary to Anderson Creek, classified for the following use: CWF. Application received May 24, 2002.

Cambria District Mining Office: 286 Industrial Park Road, Ebensburg, PA 15931, (814) 472-1900.

32020105. Kraynak Coal Company, 3124 Firetower Road, Mahaffey, PA 15757, commencement, operation and restoration of a bituminous surface and auger mine in Grant and Green Townships, **Indiana County**, affecting 126.0 acres. Receiving streams: Little Mahoning Creek and tributaries to Little Mahoning Creek classified for the following uses: HQ-CWF. There are no potable water supply intakes within 10 miles downstream. Application received June 17, 2002.

56920105 and NPDES Permit No. PA0599476. Saner Energies, Inc., 1179 Rockdale Road, Rockwood, PA 15557-6409, permit renewal for continued operation of a bituminous surface and auger mine and for discharge of treated mine drainage in Southampton Township, **Somerset County**, affecting 100.2 acres. Receiving streams: unnamed tributaries to North Branch of Jennings Run classified for the following uses: CWF. There are no potable water supply intakes within 10 miles downstream. Application received June 20, 2002.

Knox District Mining Office: White Memorial Building, P. O. Box 669, Knox, PA 16232-0669, (814) 797-1191.

10000103 and NPDES Permit No. PA 0241776. Seneca Landfill, Inc. (P. O. Box 1080, Mars, PA 16046). Revision to an existing bituminous surface strip operation in Jackson and Lancaster Townships, **Butler County** affecting 277.0 acres. Receiving streams: unnamed tributary to Connoquenessing Creek, classified for the following uses: WWF. The first downstream potable water supply intake from the point of discharge is Borough of Zelienople. Revision for an incidental boundary correction. Application received June 25, 2002.

6433-10000103-E-3. Seneca Landfill, Inc. (P. O. Box 1080, Mars, PA 16046). Stream encroachment application for support activities within the 100 foot stream barrier of unnamed tributary UT-B to Connoquenessing Creek in Jackson Township, **Butler County**. Receiving streams: Connoquenessing Creek. Application received June 25, 2002.

Noncoal Applications Received

Greensburg District Mining Office: Armbrust Building, R. R. 2 Box 603-C, Greensburg, PA 15601-0982, (724) 925-5500.

65930401. Better Materials Corporation (2200 Springfield Pike, Connellsville, PA 15425-9503). Application received for transfer of permit currently issued to Latrobe Construction Company for continued operation and reclamation of a noncoal surface mining site located in Ligonier and Derry Townships, **Westmoreland County**, affecting 172.6 acres. Receiving streams: unnamed tributaries to Loyalhanna Creek and Loyalhanna Creek, classified for the following uses: CWF and TSF. The first downstream potable water supply intake from the point of discharge is the Latrobe Municipal Authority. Transfer application received June 14, 2002.

PROJECTS UNDER THE ENVIRONMENTAL GOOD SAMARITAN ACT

The Environmental Good Samaritan Act (27 Pa.C.S. §§ 8001—8114) provides certain protections and immunities from civil liability for landowners and persons who voluntarily undertake reclamation and abatement projects to address land and water adversely affected by mining or oil or gas extraction or exploration for natural resources and left in an unreclaimed condition or left discharging water pollution. For landowners and persons to qualify for immunity, the projects must be approved by the Department of Environmental Protection (Department).

The following project proposals have been received by the Department. A copy of the proposals is available for inspection at the office indicated before each proposal.

Written comments or objections may be submitted by any person or any office or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication.

Written comments or objections should contain the name, address and telephone number of the person submitting comments or objections; the proposal identification number; and a statement of sufficient detail to inform the Department of the basis of the comment or objection and the relevant facts upon which it is based.

Special Project Proposals Received

Greensburg District Mining Office: Armbrust Building, R. R. 2 Box 603-C, Greensburg, PA 15601-0982, (724) 925-5500.

EGS Turtle Creek Watershed Association, Inc., 325 Commerce Street, Suite 204, Wilmerding, PA 15148. A project to abate mine drainage pollution in Murraysville Borough, **Westmoreland County**, affecting approximately 3 acres Receiving stream: Turtle Creek. Project proposal received June 12, 2002.

FEDERAL WATER POLLUTION CONTROL ACT, SECTION 401

The following permit applications and requests for Environmental Assessment approval and requests for Water Quality Certification have been received by the Department of Environmental Protection (Department). Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341(a)) requires the State to certify that the involved projects will not violate the applicable provisions of sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) as well as relevant State requirements. Initial requests for 401 Water Quality Certification will be published concurrently with the permit application. Persons objecting to approval of a request for certification under section 401 or to the issuance of a Dam Permit or Water Obstruction and Encroachment Permit or the approval of an Environmental Assessment must submit any comments, suggestions or objections within 30 days of the date of this notice as well as any questions to the office noted before the application. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed and a concise statement of comments, objections or suggestions including the relevant facts upon which they are based.

The Department may conduct a fact-finding hearing or an informal conference in response to comments if deemed necessary. Each individual will be notified, in writing, of the time and place of a scheduled hearing or conference concerning the certification request to which the comment, objection or suggestion relates. Maps, drawings and other data pertinent to the certification request are available for inspection between the hours of 8 a.m. and 4 p.m. on each working day at the office noted before the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Applications Received under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and Requests for Certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).

WATER OBSTRUCTIONS AND ENCROACHMENTS

Southeast Region: Water Management Program Manager, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

E15-689. Raymour & Flanigan Furniture, 7248 Morgan Road, Liverpool, NY 13088, West Whiteland Township, **Chester County**, ACOE Philadelphia District.

To place and maintain fill within 0.11 acre of wetland (PEM) and along 290 linear feet unnamed tributary to West Valley Creek (CWF-MF) to facilitate the construction of an access road, parking area and associated stormwater facilities for a proposed Raymour & Flanigan Furniture store. This site is located on the southeast corner of Route 100 and Route 30 (Downingtown, PA Quadrangle N: 5.0 inches; W: 0.2 inch).

E46-917. Lower Merion Township Board of Commissioners, 75 East Lancaster Avenue, Ardmore, PA 19003, Lower Merion Township, **Montgomery County**, ACOE, Philadelphia District.

To replace and maintain the River Road Bridge across approximately 50 feet of Mill Creek (TSF) and to perform associated roadway improvements. The existing structure is a concrete bridge consisting of twin 12-meter (39.37-foot) spans with a skew of 81 degrees. The proposed structure is a prestressed concrete spread box beam bridge with a single clear span of approximately 25.31 meters (83.04 feet) and an underclearance of approximately 1.24 meters (4.07 feet). The crossing is located along Mill Creek at River Road approximately 150 downstream from the Schuylkill Expressway (I-76) Crossing (Norristown, PA Quadrangle N: 8.2 inches; W: 0.9 inch).

E46-918. Horsham Fire Company No. 1, 315 Meeting House Road, Horsham, PA 19044, Horsham Township, **Montgomery County**, ACOE Philadelphia District.

To remove an existing 65-inch CMP stream enclosure located just downstream of the Meetinghouse Road crossing and to construct and maintain 195 linear feet of 5-foot by 9-foot stream enclosure in and along an unnamed tributary to Pennypack Creek (TSF, MF) to facilitate the construction of the Horsham Fire Company Battalion 1 Building. The site is located approximately 250 feet northeast of the intersection of Easton Road (SR 611) and Meetinghouse Road (Ambler, PA USGS Quadrangle, N: 10.4 inches; W: 1.0 inch). This project is also associated with the Meetinghouse Road widening project consisting of a proposed stream enclosure extension on the upstream end (Application No. E46-911).

Northwest Region: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

E25-655. Westminster Place Partnership, 2601 West 26th Street, Erie, PA 16506. Westminster Opportunity Park, in Fairview Township, **Erie County**, ACOE Pittsburgh District (Swanville, PA Quadrangle N: 1.0 inch; W: 16.0 inches).

To fill a total of 0.70 acre of nonexceptional value wetlands and 0.06 acre of exceptional value wetlands for lot development adjacent to and northwest of the intersection of I-90 and SR 98. The project includes creation of 0.88 acre of onsite replacement wetlands.

E33-208. Clearfield Jefferson Counties Regional Airport Authority, P. O. Box 299, Falls Creek, PA 15840. DuBois-Jefferson County Airport Runway 25 End Safety Area Improvements, in Washington Township, **Jefferson County**, ACOE Pittsburgh District (Hazen, PA Quadrangle N: 10.1 inches; W: 2.3 inches).

To fill a total of 0.21 acre of wetlands to extend Runway 7-25 a length of 300 feet to meet Federal Aviation Administration Safety Standards. The project is located approximately 1.7 miles southeast of the intersection of SR 310 and SR 830. Wetlands to be impacted by this project are upslope and to the east of the existing Runway 7-25 and west of the headwaters of Kyle Run (HQ-CWF). The project includes creation of 0.21 acre of replacement wetlands approximately 900 feet south of the existing wetlands and to construct and maintain two 40-foot long, 2-foot diameter corrugated polyethylene pipe culverts in Kyle Run to create a stream crossing to access the wetland replacement area.

WATER QUALITY CERTIFICATIONS

Northwest Region: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

Certification Request initiated by **Reliant Energy Mid-Atlantic Power Holdings, LLC (REMA)**, 1001 Broad Street, P. O. Box 1050, Johnstown, PA 15907-1050. Piney Hydroelectric Project (FERC Project No. 309-PA), in Piney Township, **Clarion County**, ACOE Pittsburgh District (Clarion, PA Quadrangle N: 12.125 inches; W: 8.125 inches).

Project description: REMA has requested a Section 401 State Water Quality Certification for the operation of the Piney Hydroelectric Project (Project) near the Borough of Clarion in Clarion County. This request supercedes a previous Certification Request published at 31 Pa.B. 1406 (March 10, 2001). The Project currently operates as a peaking/load-regulating dam with restrictions on the summer and winter impoundment drawdown levels and minimum conservation releases. Under the current mode of operation, water is released from the Project during periods of power generation and when the storage capacity of the reservoir is exceeded. Minimum conservation releases of 100 cfs from May 1 to October 31 and two 4-hour blocks of 500 cfs from November 1 to April 30 are also provided during periods of nongeneration. REMA proposes modifying the current mode of Project operation by operating in a run-of-river (ROR) mode from April 1 to June 20 annually. Under ROR operation, reservoir levels would be held constant and Project releases would approximately equal Project inflow at all times with no peaking or pulsing. Conservation releases would be increased to 158 cfs from June 21 to October 31 and certain additional water releases would be provided to enhance summer drift-boating opportunities. REMA also requests authorization to lower reservoir pool levels by 1 additional foot in the summer to enhance electricity generation capabilities. Project operation would remain essentially unchanged during the rest of the year.

ACTIONS

FINAL ACTIONS TAKEN UNDER THE CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT—NPDES AND WQM PART II PERMITS INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

The Department of Environmental Protection has taken the following actions on previously received permit applications and requests for plan approval.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35

P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

I. Municipal and Industrial Permit Actions under The Clean Streams Law Act (35 P. S. §§ 691.1— 691.1001).

Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

NPDES Permit No. PA0062863, Sewage, **Pike County Commissioners**, 506 Broad Street, Milford, PA 18337. This proposed facility is located in Blooming Grove Township, **Pike County**.

Description of Proposed Action: Renewal of NPDES Permit.

NPDES Permit No. PA0063517, Sewage, **Bonham's Nursing Center**, R. R. 1, Box 64, Stillwater, PA 17878. This proposed facility is located in Huntington Township, **Luzerne County**.

Description of Proposed Action: Renewal of NPDES Permit.

NPDES Permit No. PA0061875, Sewage, **Foster Township**, 1000 Wyoming Avenue, Freeland, PA 18224. This proposed facility is located in Foster Township, **Luzerne County** and discharges to Pond Creek.

Description of Proposed Action/Activity: Renewal of NPDES Permit.

Southcentral Region: Water Management Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110, (717) 705-4707.

NPDES Permit No. PA0084051, Sewage, **Charles Lupfer**, 280 Airy View Road, Shermansdale, PA 17090-9523. This proposed facility is located in Carroll Township, **Perry County**.

Description of Proposed Action/Activity: Authorization to discharge to Sherman Creek in Watershed 7-A.

NPDES Permit No. PA0082996, Sewage, **Mount Zion School of Ministry**, R. R. 1, Box 7380, Grantville, PA 17028. This proposed facility is located in East Hanover Township, **Lebanon County**.

Description of Proposed Action/Activity: Authorization to discharge to UNT of Indiantown River (via ditch) in Watershed 7-D.

NPDES Permit No. PA0031631, Twin Valley School District, 4851 North Twin Valley Road, Elverson, PA 19520. This proposed facility is located in Caernarvon Township, **Berks County**.

Description of Proposed Action/Activity: Authorization to discharge to East Branch of the Conestoga River in Watershed 7-J.

WQM Permit No. 3602410, Sewerage, Ephrata Township Sewer Authority, Goodling Sewer, 265 Akron Road, Ephrata, PA 17522. This proposed facility is located in Ephrata Township, **Lancaster County**.

Description of Proposed Action/Activity: Authorization for construction/operation of Goodling Interceptor and Sapon.

WQM Permit No. 0602403, Sewerage, Rajah Shrine, P. O. Box 40, Blandon, PA 19510. This proposed facility is located in Maiden creek and Ontelaunee Township, **Berks County**.

Description of Proposed Action/Activity: An experimental permit for authorization for construction/operation of sewage treatment system.

NPDES Permit No. PA0013129, Industrial Waste, Carpenter Technology Corporation, P. O. Box 14662, Reading, PA 19612. This proposed facility is located in Reading City, **Berks County**.

Description of Proposed Action/Activity: Authorization to discharge to Schuylkill River in Watershed 3-C.

NPDES Permit No. PA0246638, CAFO, James Breneman, Franklin-View Farms, 2232 Franklin Road, Columbia, PA 17512. This proposed facility is located in Manor Township, **Lancaster County**.

Description of Proposed Action/Activity: Authorization to operate a 1,073.4-AEU dairy cows and broilers CAFO in Watershed 7-G.

Northcentral Region: Water Management Program Manager, 208 West Third Street, Williamsport, PA 17701, (570) 327 3666.

WQM Permit No. 1702201, Industrial Waste SIC 3111, Howes Leather Corporation, 50 Cooper Road, Curwensville, PA 16833. This existing facility is located in Curwensville Borough, **Clearfield County**.

Description of Proposed Action/Activity: Modification to industrial waste—process water treatment plant.

WQM Permit No. 5902407, Sewerage SIC 4952, Robert Friedman and Deborah Oswald, 673 Sugartown Road, Malvern, PA 19355. This proposed facility is located in Farmington Township, **Tioga County**.

Description of Proposed Action/Activity: Issuance of a new water quality management permit for a residential sewage plant.

Southwest Region: Water Management Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

NPDES Permit No. PA0022292, Sewerage, Municipal Authority of the Borough of Ebensburg, 300 West High Street, Ebensburg, PA 15931 is authorized to discharge from a facility located at Ebensburg Wastewater Treatment Plant, Cambria Township, **Cambria County** to receiving waters named Howells Run.

NPDES Permit No. PA0026026, Sewerage, New Brighton Borough Sanitary Authority, 610 Third Street, New Brighton, PA 15066 is authorized to discharge from a facility located at the New Brighton Borough Sanitary Authority Sewage Treatment Plant, New Brighton Borough, **Beaver County** to receiving waters named Beaver River.

NPDES Permit No. PA0027391, Sewerage, Upper Allegheny Joint Sanitary Authority, 320 Fourth Avenue, Tarentum, PA 15084 is authorized to discharge from a facility located at the Upper Allegheny Joint Sanitary Authority STP, East Deer Township, **Allegheny County** to receiving waters named Allegheny River.

NPDES Permit No. PA0032671, Sewerage, Meredith H. Miller, 2313 Country Place, Export, PA 15632 is authorized to discharge from a facility located at Meadows Mobile Home Part STP, Washington Township, **Westmoreland County** to receiving waters named Pine Run.

NPDES Permit No. PA0037044, Sewerage, Ford City Borough Municipal Sewage Disposal Authority, P. O. Box 66, Ford City, PA 16226 is authorized to discharge from a facility located at the Ford City Wastewater Treatment Plant, Ford City Borough, **Armstrong County** to receiving waters named Allegheny River.

NPDES Permit No. PA0091782, Sewerage, West Hills Area Water Pollution Control Authority, Linde Road, R. D. 7, Box 3, Kittanning, PA 16201 is authorized to discharge from a facility located at West Hills Area Sewage Treatment Plant, North Buffalo Township, **Armstrong County** to receiving waters named Allegheny River.

NPDES Permit No. PA0094064, Sewerage, Gary Ritchey and Jay Ritchey, P. O. Box 277, Ebensburg, PA 15931 is authorized to discharge from a facility located at Keystone Restaurant and Truck Stop STP, Munster Township, **Cambria County** to receiving waters named Noels Creek.

NPDES Permit No. PA0094757, Sewerage, E. J. Holtz Sewage Plant, Inc., 633 Logan Boulevard, Altoona, PA 16602 is authorized to discharge from a facility located at Lake Cresson Manor STP, Allegheny Township, **Cambria County** to receiving waters named Clearfield Creek.

NPDES Permit No. PA0218804, Amendment No. 1, Sewerage, James Yeager, 105 Yeager Road, Hastings, PA 16646 is authorized to discharge from a facility located at James Yeager Small Flow Sewage Treatment Facility, Elder Township, **Cambria County** to receiving waters named unnamed tributary of Brubaker Run.

NPDES Permit No. PA0219207, Sewerage, Lincoln Township Municipal Authority, P. O. Box 162, Sipesville, PA 15561 is authorized to discharge from a facility located at Sipesville-Queecreek Area Wastewater Treatment Plant, Lincoln Township, **Somerset County** to receiving waters named Quemahoning Creek.

Permit No. 3202402, Sewerage, John Gnibus, 19 Chestnut Street, P. O. Box 117, Coral, PA 15731. Construction of SFSTF Single Residence located in Center Township, **Indiana County** to serve Gnibus property.

Permit No. 5602401, Sewerage, Christopher T. and Carol A. Lasky, 130 Point Park Lane, Friedens, PA 15541. Construction of a small flow sewage treatment facility at 400 gallons per day located in Jenner Township, **Somerset County** to serve Lasky small flow sewage treatment facility.

Permit No. 6301404, Sewerage, McGuffey School District, P. O. Box 431, Claysville, PA 15323. Construction of

sewage treatment plant replacement located in Buffalo Township, **Washington County** to serve McGuffey Middle/High School STP.

Permit No. 6594403-T1-A2, Sewerage, **Charles H. Allen, III**, P. O. Box 815, Ligonier, PA 15658. Construction of a single residence sewage treatment plant located in Cook Township, **Westmoreland County** to serve the Allen single residence STP.

Northwest Region: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

NPDES Permit No. PA0210196, Industrial Waste, **Seneca Landfill, Inc.**, P. O. Box 1080, Mars, PA 16046. This proposed facility is located in Jackson Township, **Butler County**.

Description of Proposed Action/Activity: This facility is authorized to discharge to Connoquenessing Creek.

NPDES Permit No. PA0035718, Industrial Waste, **John Koller and Sons, Inc., Fairview Swiss Cheese**, 1734 Perry Highway, Fredonia, PA 16124. This proposed facility is located in Fairview Township, **Mercer County**.

Description of Proposed Action/Activity: This facility is authorized to discharge to an unnamed tributary to Otter Creek.

NPDES Permit No. PA0238694, Sewage, **Christopher N. Miller**, 12536 East Lake Road, North East, PA 14628. This proposed facility is located in North East Township, **Erie County**.

Description of Proposed Action/Activity: This facility is authorized to discharge to an unnamed tributary to Lake Erie.

WQM Permit No. 4301202, Industrial Waste, **John Koller and Sons, Inc., Fairview Swiss Cheese**, 1734 Perry Highway, Fredonia, PA 16124. This proposed facility is located in Fairview Township, **Mercer County**.

Description of Proposed Action/Activity: This project is for the construction of a second SBR and to provide for sludge dewatering.

WQM Permit No. 4389413-A1, Sewerage Amendment, **Eckstrom Mobile Home Park**, 1050 Garfield Street, Wadsworth, OH 44281. This proposed facility is located in Hempfield Township, **Mercer County**.

Description of Proposed Action/Activity: This project is for the addition of a 10,000 gallon flow equalization tank to an existing sewage treatment plant.

Northwest Region: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

WQM Permit No. 2002401, Sewerage, **Jimmie A. Smith**, 9 Mimosa Trail, Ormond Beach, FL 32174. This proposed facility is located in Vernon Township, **Crawford County**.

Description of Proposed Action/Activity: This project is for a single residence ground infiltration bed.

WQM Permit No. 1602403, Sewerage, **Bryce C. and Betty J. Gray**, 641 Kiser Wagner Road, Shippenville, PA 16254. This proposed facility is located in Paint Township, **Clarion County**.

Description of Proposed Action/Activity: This project is for a single residence groundwater infiltration.

WQM Permit No. 4302404, Sewerage, **Ronald E. Greenawalt**, 234 Reiber Road, Hermitage, PA 16148. This proposed facility is located in Lackawannock Township, **Mercer County**.

Description of Proposed Action/Activity: This project is for a single residence discharging to unnamed tributary to West Branch Little Neshannock Creek.

NPDES STORMWATER INDIVIDUAL PERMITS—(PAS)

The following NPDES Individual Permits for Discharges of Stormwater Associated with Construction Activities have been issued.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

APPROVALS TO USE NPDES AND/OR OTHER GENERAL PERMITS

The following parties have submitted: (1) Notices of Intent for Coverage under (1) General NPDES Permits to Discharge Wastewater into the Waters of the Commonwealth. The approval for coverage under these general NPDES permits is subject to applicable effluent limitations, monitoring, reporting requirements and other conditions set forth in the general permit; (2) General Permits for Beneficial Use of Sewage Sludge or Residential Septage by Land Application in this Commonwealth; (3) General NPDES Permit Authorizing the Discharge of Stormwater Associated with Construction Activities to Waters of the Commonwealth; (4) Notification for First Use Application of Sewage Sludge.

The approval of coverage for land application of sewage sludge or residential septage under these general permits is subject to pollutant limitations, pathogen and vector attraction reduction requirements, operational standards, general requirements, management practices and other conditions set forth in the respective permit. The Department of Environmental Protection approves the following coverage under the specific General Permit.

The EPA Region III Administrator has waived the right to review or object to this permit action under the waiver provision 40 CFR 123.23(d).

The application and related documents, effluent limitations, permitting requirements and other information are on file and may be inspected and arrangements made for copying at the contact office noted.

PUBLIC WATER SUPPLY PERMITS

The Department of Environmental Protection has taken the following actions on applications received under the Safe Drinking Water Act for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

SAFE DRINKING WATER

Actions taken under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17).

Southeast Region: Water Supply Management Program Manager; Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

Northwest Region: Water Supply Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

Operations Permit issued to **Erie City Water Authority**, 340 West Bayfront Parkway, Erie, PA 16507, PWS ID 6250028, City of Erie, **Erie County** on June 25, 2002, for the operation of facilities approved under Construction Permit 7223-T1-MA3.

SEWAGE FACILITIES ACT PLAN DISAPPROVAL

Plan Disapproval Granted under the Pennsylvania Sewage Facilities Act (35 P. S. §§ 750.1—750.20).

Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

Plan Location:

| | | |
|----------------------------|-------------------------------------|---------------|
| <i>Borough or Township</i> | <i>Borough or Township Address</i> | <i>County</i> |
| Borough of Duryea | 315 Main Street Duryea, PA 18642 | Luzerne |

Plan Description: The Department has reviewed the Official Sewage Facilities Plan Update Revision (Plan Update Revision) dated January 2000 (received by the Department on October 26, 2001), with additional documentation dated November 9, 2001 (received by the Department on November 13, 2001), December 17, 2001 (received by the Department on December 18, 2001) and June, 4, 2002 (received by the Department on June 4, 2002) as submitted by David D. Klepadlo & Associates, on behalf of the Borough of Duryea (Borough) and the Duryea Borough Sewer Authority (Authority).

During the review of the Plan Update Revision, the Department must ensure that various, relevant issues are addressed in an adequate and comprehensive manner. The Borough and the Authority have failed to properly address all relevant issues. The reasons for the disapproval are described in the Department's letter addressed to the Borough and Authority dated June 13, 2002.

The Borough and the Authority have a continuing obligation, under section 5 of the Pennsylvania Sewage Facilities Act and the regulations promulgated thereunder, to revise the Official Sewage Facilities Plan of the Borough to address existing and future sewage disposal needs within the planning area outlined in the Plan Update Revision and provide for adequate sewage disposal facilities. The Department requests that the Borough and the Authority immediately take all actions necessary to revise the Borough's Official Sewage Facilities Plan.

HAZARDOUS WASTE TRANSPORTER LICENSE**Actions on applications for Hazardous Waste Transporter License received under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003) and regulations to transport hazardous waste.**

Central Office: Bureau of Land Recycling and Waste Management, Division of Hazardous Waste Management, P. O. Box 8471, Harrisburg, PA 17105-8471.

Hazardous Waste Transporter License Renewed

Nuway Industrial Services, Inc., 1741 Calks Ferry Road, Lexington, SC 29073. License No. **PA-AH 0666**. Effective June 26, 2002.

Delvecchio Transport and Materials Handling, Inc., P. O. Box 480, Dunmore, PA 18512-0480. License No. **PA-AH 0333**. Effective June 26, 2002.

Berner Trucking, Inc., P. O. Box 660, Dover, OH 44622-0660. License No. **PA-AH 0382**. Effective June 25, 2002.

HAZARDOUS WASTE TREATMENT, STORAGE AND DISPOSAL FACILITIES**Draft permits issued under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003) and Regulations to Operate a Hazardous Waste Treatment, Storage or Disposal Facility.**

Southeast Region: Regional Solid Waste Manager; Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

PAD085690592. Republic Environmental Systems (PA) Inc., 2869 Sandstone Dr., Hatfield, PA 19440, Hatfield Township, **Montgomery County**. Draft permit for modifications to the generic waste acceptance procedures under 25 Pa. Code § 264a.13 issued on June 27, 2002.

MUNICIPAL WASTE GENERAL PERMITS**Permits Issued under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003); the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904); and Municipal Waste Regulations for a General Permit to Operate Municipal Waste Processing Facilities and the Beneficial Use of Municipal Waste.**

Central Office: Division of Municipal and Residual Waste, Rachel Carson State Office Building, 14th Floor, 400 Market Street, Harrisburg, PA 17105-8472.

General Permit No. WMGM010. Moyer Packing Company, P. O. Box 395, Souderton, PA 18964-0395. Beneficial use of restaurant oil and animal fat, generated at its facility located in Franconia Township, **Montgomery County**, as a dust suppressant. The general permit was issued by Central Office on June 18, 2002.

OPERATE WASTE PROCESSING OR DISPOSAL AREA OR SITE**Permits Issued under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003), the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904) and Regulations to Operate Solid Waste Processing or Disposal Area or Site.**

Southeast Region: Regional Solid Waste Manager; Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

Permit No. 101470. US Recycling Inc., 6101 Tacony St., Philadelphia, PA 19135-2998, **Philadelphia County**. Permit amendment to authorize phased changes to reconfigure currently authorized waste management activities at the municipal waste transfer facility. The permit was issued by the Southeast Regional Office on June 25, 2002.

Northcentral Region: Regional Solid Waste Manager; 208 West Third Street, Williamsport, PA 17701.

Permit No. 400468. Geisinger Health System, 100 North Academy Avenue, Danville, PA 17822-2900, located in Mahoning Township, **Montour County**. Permit modification issued for action plan for radiation monitoring. The permit modification was issued by the Williamsport Regional Office on June 17, 2002.

Permit No. 301315. PPL Electric Utilities Corp., 2 N. 9th St., Allentown, PA 18101-1179, Ash Basin No. 1 located Derry Township, **Montour County**. Permit reissuance by the Williamsport Regional Office on June 5, 2002.

Permit No. 300987. PPL Electric Utilities Corp., 2 N. 9th St., Allentown, PA 18101-1179, Ash Area No. 3 located in Derry Township, **Montour County**. Permit reissuance by the Williamsport Regional Office on June 5, 2002.

Permit No. 400684. Osram Sylvania Products Inc., Hawes Street, Towanda, PA 18848, for Osram Sylvania Processing Facility located in North Towanda Township, **Bradford County**. Permit modification for action plan

for radiation monitoring issued by the Williamsport Regional Office on May 28, 2002.

Persons interested in reviewing a permit may contact John C. Hamilton, P. E., Facilities Manager, Williamsport Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701, (570) 327-3653. TDD users may contact the Department through the Pennsylvania Relay Service, (800) 654-5984.

Permits Renewed under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003), the Municipal Waste Planning, Recycling and Waste Reduction Act (53 P. S. §§ 4000.101—4000.1904) and Regulations to Operate Solid Waste Processing or Disposal Area or Site.

Southcentral Region: Regional Solid Waste Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

Permit No. 101443. Waste Management of Pennsylvania, Inc., R. D. 7, Box 925-A, Altoona, PA 16607, Altoona City, **Blair County.** The permit renewal is for the Altoona Transfer Station. The permit was determined to be administratively complete by the Southcentral Regional Office on June 14, 2002.

Persons interested in reviewing the general permit may contact John Krueger, Program Manager, Waste Management Program, 909 Elmerton Avenue, Harrisburg, PA 17110, (717) 705-4706. TDD users may contact the Department through the Pennsylvania Relay Service, (800) 654-5984.

Permit No. 602972. Groff's Septic Service, 99 Ickes Lane, Newville, PA 17241, Upper Mifflin Township, **Cumberland County.** This permit has been revoked at the request of the permittee for a site in Upper Mifflin Township. The permit was revoked by Southcentral Regional Office on June 17, 2002.

AIR QUALITY

General Plan Approval and Operating Permit Usage Authorized under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127 to construct, modify, reactivate or operate air contamination sources and associated air cleaning devices.

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110; Contact: Ronald Davis, New Source Review Chief, (717) 705-4702.

GP3-28-03041: Independence Recycling (5531 Canal Road, Valley View, OH 44125) on June 20, 2002, for operation of a portable nonmetallic mineral processing plant under GP3 in Southampton Township, **Franklin County.**

Plan Approvals Issued under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and regulations in 25 Pa. Code Chapter 127, Subchapter B relating to construction, modification and reactivation of air contamination sources and associated air cleaning devices.

Northeast Region: Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711-0790; Contact: Mark Wejkszner, Acting New Source Review Chief, (570) 826-2531.

40-303-011A: Slusser Brothers Trucking and Excavating Co. (Evans Asphalt, 125 North Warren Street, West Hazleton, PA 18201) on May 16, 2002, for modifica-

tion of a batch asphalt plant to utilize waste derived liquid fuel (WDLF/recycled oil) in Hanover Township, **Luzerne County.**

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110; Contact: Ronald Davis, New Source Review Chief, (717) 705-4702.

01-03024: Tucker Industrial Liquid Coatings, Inc. (407 North Avenue, East Berlin, PA 17316) on June 26, 2002, for construction of three spray paint booths each controlled by a dry panel filter in East Berlin Borough, **Adams County.**

ER-22-05012: Bethlehem Steel Corp. (215 South Front Street, Steelton, PA 17113) on June 25, 2002, for emission reduction credits for rail mill heat treatment in Steelton Borough, **Dauphin County.**

31-05003A: Texas Eastern Transmission, L.P. (P. O. Box 1642, Houston, TX 77251-1642) on June 25, 2002, for modification to its existing turbine compressor facility known as the Enriken Compressor Station in Todd Township, **Huntingdon County.** This facility is subject to 40 CFR Part 60, Subpart GG—Standards of Performance for Stationary Gas Turbines.

Southwest Region: Air Quality Program, 400 Waterfront Drive, Pittsburgh, PA 15222-4745; Contact: William Charlton, New Source Review Chief, (412) 442-4174.

63-00914A: Bolsan Co., Inc. (163 Linnwood Road, Eighty-Four, PA 15330) on June 19, 2002, for installation of an adhesive drying system at the Eighty-Four Industrial Park facility in North Strabane Township, **Washington County.**

Plan Approval Revisions Issued including Extensions, Minor Modifications and Transfers of Ownership under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code §§ 127.13, 127.13a and 127.32.

Southeast Region: Air Quality Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428; Contact: Thomas McGinley, New Source Review Chief, (610) 832-6242.

23-0082: Liberty Electric Power, LLC (Route 291 and Amtrak/Septa, Eddystone, PA 19022) on June 20, 2002, for operation of a power plant—500 mw in Eddystone Borough, **Delaware County.**

15-0021: Glasgow, Inc. (660 Morehall Road, Frazer, PA 19335) on June 24, 2002, for operation of an asphalt plant and quarry in East Whiteland Township, **Chester County.**

46-0043: Glasgow, Inc. (Conshohocken Road, Conshohocken, PA 19428) on June 24, 2002, for operation of an asphalt plant and quarry in Plymouth Township, **Montgomery County.**

23-0001E: Sunoco, Inc. (R and M) (Delaware Avenue and Green Street, Marcus Hook, PA 19061) on June 26, 2002, for operation of a storage tank in Marcus Hook Borough, **Delaware County.**

15-301-086: Pet Memorial Services Corp. (319 Westtown Road, Suite Q, West Goshen, PA 19380) on June 26, 2002, for operation of a cremator for animal remains in West Goshen Township, **Chester County.**

09-0015A: Rohm and Haas Co. (Route 413 and State Road, Bristol, PA 19007) on June 27, 2002, for operation of a 1.7 mw/hr emergency generator in Bristol Township, **Bucks County.**

09-0028C: Fibermark, Inc. (45 North Fourth Street, Quakertown, PA 18951) on June 27, 2002, for operation of Surface Coater No. 11 in Quakertown Borough, **Bucks County**.

46-0161: Reading Materials, Inc. (394 Sanatoga Road, Pottstown, PA 19464) on June 27, 2002, for operation of a batch asphalt plant in Lower Pottsgrove Township, **Montgomery County**.

Southcentral Region: Air Quality Program, 909 Elmerston Avenue, Harrisburg, PA 17110; Contact: Ronald Davis, New Source Review Chief, (717) 705-4702.

38-05025: Lancaster Aluminum Co., Inc. (24 Keystone Drive, Lebanon, PA 17042) on June 1, 2002, for construction of a secondary aluminum production facility in South Lebanon Township, **Lebanon County**. This source is subject to 40 CFR Part 63, Subpart RRR—Standards of Performance for Hazardous Air Pollutants for Secondary Aluminum Production. This plan approval was extended.

Northcentral Region: Air Quality Program, 208 West Third Street, Williamsport, PA 17701; Contact: David Aldenderfer, Program Manager, (570) 327-3637.

49-317-002: Sensenig Milling Services, Inc. (R. R. 2, Box 68A, Watsontown, PA 17777) on June 20, 2002, for operation of a rotary bakery waste dryer and associated air cleaning devices (a cyclone collector and a fabric collector operating in series) on a temporary basis until October 18, 2002, and to establish an automatic dryer temperature control system requirement in Lewis Township, **Northumberland County**. This plan approval was extended.

41-303-009: HRI, Inc. (1750 West College Avenue, State College, PA 16804) on June 25, 2002, for operation of a batch asphalt plant and associated air cleaning devices (a knockout box and a fabric collector operating in series) to process recycled asphalt pavement (RAP) provided the RAP is not processed through the plant's aggregate dryer and provided the pugmill is controlled by the plant's fabric collector whenever RAP is being processed in the City of Williamsport, **Lycoming County**. This plant is subject to Subpart I of the Federal Standards of Performance for New Stationary Sources.

Title V Operating Permits Issued under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter G.

Department of Public Health, Air Management Services: 321 University Avenue, Philadelphia, PA 19104; Contact: Edward Braun, Chief, (215) 685-9476.

95-029: Naval Surface Warfare Center Carderock Division, Ship Systems Engineering Station (5001 South Broad Street, Code 02, Philadelphia, PA 19112-5083) June 28, 2002, for operation of a facility in which activities include the research, development, testing, evaluation, fleet support and inservice engineering for surface and undersea naval ships. The Title V facility's air emission sources include four wall-fired ship boilers each with a heat input between 200 and 385 mmBtu/hr, six boilers each with a heat input less than 10 mmBtu/hr, ten heaters each with a heat input less than 3 mmBtu/hr, five emergency generators, three engine test cells, six diesel engines, ten gas turbines, a paint spray booth, aerosol testing and wood working. The facility's air emissions control devices include a wood working baghouse.

Operating Permits for Non-Title V Facilities Issued under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter F.

Southcentral Region: Air Quality Program, 909 Elmerston Avenue, Harrisburg, PA 17110; Contact: Yasmin Neidlinger, Facilities Permitting Chief, (717) 705-4702.

06-03055: Oley Valley Animal Clinic, LTD (Route 73, Box 109, Oley, PA 19547) on June 24, 2002, for operation of an animal crematory in Oley Township, **Berks County**.

06-03094: K and L Woodworking, Inc. (440 North 4th Street, Reading, PA 19601) on June 26, 2002, for operation of a wooden cabinet manufacturing facility in the City of Reading, **Berks County**.

28-03027: Kurdziel Industries, Inc. (9473 Lincoln Way West, St. Thomas, PA 17252) on June 26, 2002, for operation of its gray iron casting finishing facility in St. Thomas Township, **Franklin County**.

67-03041: County Line Quarry (740 South Front Street, Wrightsville, PA 17368) on June 24, 2002, for operation of a crusher and screening plant at its Wrightsville facility in Hellam Township, **York County**.

Operating Permit Revisions Issued including Administrative Amendments, Minor Modifications or Transfers of Ownership under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code §§ 127.412, 127.450, 127.462 and 127.464.

Southeast Region: Air Quality Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428; Contact: Edward Brown, Facilities Permitting Chief, (610) 832-6242.

46-00173: New Hanover Incineration, Inc. (3645 Church Road, Perkiomenville, PA 18074) revoked on June 26, 2002, for Natural Minor Operating Permit in New Hanover Township, **Montgomery County**.

Department of Public Health, Air Management Services: 321 University Avenue, Philadelphia, PA 19104; Contact: Edward Braun, Chief, (215) 685-9476.

95-025: Sea Gull Lighting Products, Inc. (25th and Wharton Streets, Philadelphia, PA 19145) administratively amended on June 24, 2002, to correctly reference Appendix A for the Test of Solvent Cleaning Procedures for 40 CFR 63 Subpart T.

ACTIONS ON COAL AND NONCOAL MINING ACTIVITY APPLICATIONS

Actions on applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). The final action on each application also constitutes action on the request for 401 Water Quality Certification and the NPDES permit application. Mining activity permits issued in response to the applications will also address the application permitting requirements of the following statutes; the Air Quality Control Act (35 P. S. §§ 4001—4015); the Dam

Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

Coal Permits Actions

Pottsville District Mining Office: 5 West Laurel Boulevard, Pottsville, PA 17901-2454, (570) 621-3118.

40930102T2. Mammoth Anthracite, LLC (P. O. Box 108, Beaver Meadows, PA 18216), transfer of an existing anthracite surface mine operation in Hazle Township, **Luzerne County** affecting 409.0 acres. Receiving stream: none. Application received May 15, 2000. Transfer issued June 25, 2002.

Cambria District Mining Office: 286 Industrial Park Road, Ebensburg, PA 15931, (814) 472-1900.

56703107 and NPDES Permit No. PA0605956. Hoffman Mining, Inc., P. O. Box 130, 118 Runway Road, Friedens, PA 15541, permit revision to conduct mining activities within 100 feet of SR 601 in Paint Township, **Somerset County**, affecting 863.0 acres. Receiving streams: unnamed tributary to Paint Creek; to Kaufman Run; to unnamed tributaries to Kaufman Run; to Stony Creek; and to Shade Creek classified for the following uses: CWF. The first downstream potable water supply intake from the point of discharge is Cambria/Somerset Water Authority Border Dam. Application received April 19, 2002. Permit issued June 24, 2002.

11970103 and NPDES Permit No. PA0234450. T. J. Mining, Inc., P. O. Box 370, Carrolltown, PA 15722, permit renewal for reclamation only and for continued restoration of a bituminous surface mine in Cresson Township, **Cambria County**, affecting 35.5 acres. Receiving streams: Burgoon Run classified for the following uses: CWF. There are no potable water supply intakes within 10 miles downstream. Application received June 6, 2002. Permit issued June 24, 2002.

11840112 and NPDES Permit No. PA0607380. C & K Coal Company, P. O. Box 69, Clarion, PA 16214, permit renewal for reclamation only and for continued restoration of a bituminous surface mine in Reade Township, **Cambria County**, affecting 143.0 acres. Receiving streams: Muddy Run to Clearfield Creek to West Branch of the Susquehanna classified for the following uses: WWF. There are no potable water supply intakes within 10 miles downstream. Application received June 7, 2002. Permit issued June 24, 2002.

56870103 and NPDES Permit No. PA0597953, PBS Coals, Inc., P. O. Box 260, Friedens, PA 15541 permit renewal for continued operation of a bituminous surface, auger and clay removal mine and for discharge of treated mine drainage in Brothersvalley and Somerset Townships, **Somerset County**, affecting 228.0 acres. Receiving streams: unnamed tributaries to Kimberly Run to Coxes Creek; and unnamed tributaries to Glades Creek; and unnamed tributary to Millers Run to Buffalo Creek classified for the following uses: CWF and WWF. There are no potable water supply intakes within 10 miles downstream. Application received April 26, 2002. Permit issued June 25, 2002.

56010103 and NPDES Permit No. PA0248789, Hoffman Mining, Inc., P. O. Box 130, 118 Runway Road, Friedens, PA 15541, commencement, operation of a bituminous surface and auger mine and for discharge of treated mine drainage in Shade Township, **Somerset County**, affecting 95.5 acres. Receiving streams: Oven Run and unnamed tributaries to Oven Run classified for the following uses: CWF. The first downstream potable

water supply intake from the point of discharge is Hooversville Water Company. Application received February 22, 2001. Permit issued June 25, 2002.

32980115 and NPDES Permit No. PA0234982. Amerikohl Mining, Inc., 202 Sunset Drive, Butler, PA 16001. Permit Revision to add 6.5 acres to the permit area with 2.7 acres extracting coal and for existing discharge of treated mine drainage in Rayne Township and Ernest Borough, **Indiana County**. Total SMP acres goes from 27.5 to 34.0. Receiving streams: McKee Run classified for the following uses: CWF. There are no potable water supply intakes within 10 miles downstream. Application received December 17, 2001. Permit issued June 25, 2002.

32010102, TLH Coal Company, 4401 Pollock Road, Marion Center, PA 15959, commencement, operation and restoration of a bituminous surface mine in East Mahoning Township, **Indiana County**, affecting 83.9 acres. Receiving streams: N/A. This operation will utilize nondischarge alternatives. There are no potable water supply intakes within 10 miles downstream. Application received February 20, 2001. Permit issued June 25, 2002.

Noncoal Permits Actions

Pottsville District Mining Office: 5 West Laurel Boulevard, Pottsville, PA 17901-2454, (570) 621-3118.

01740601A1C6. Valley Quarries, Inc. (P. O. Box J, Chambersburg, PA 17201-0809), correction to an existing quarry operation in Cumberland and Mt. Joy Townships, **Adams County** affecting 113.1 acres. Receiving stream: Rock Creek. Application received March 18, 2002. Correction issued June 25, 2002.

Hawk Run District Mining Office: Empire Road, P. O. Box 209, Hawk Run, PA 16840-0209, (814) 342-8200.

18022801. Clinton County Solid Waste Authority, P. O. Box 209, McElhattan, PA 17748-0209. Commencement, operation and restoration of a small industrial minerals (soil overburden, river gravels, topsoil piles) permit located in Wayne Township, **Clinton County** affecting 5 acres. Receiving streams: West Branch Susquehanna River, tributary to Susquehanna River. Application received January 8, 2002. Permit issued June 24, 2002.

ACTIONS ON BLASTING ACTIVITY APPLICATIONS

Actions on applications under the Explosives Acts of 1937 and 1957 (43 P.S. §§ 151—161); and 25 Pa. Code § 211.124 (relating to blasting activity permits). Blasting activity performed as part of a coal or noncoal mining activity will be regulated by the mining permit for that coal or noncoal mining activity.

Blasting Permits Actions

Pottsville District Mining Office: 5 West Laurel Boulevard, Pottsville, PA 17901-2454, (570) 621-3118.

23024007. Explo-Service, Inc. (P. O. Box 164, 1315 Sheep Hill Road, East Earl, PA 17519), construction blasting in Thornbury Township, **Delaware County** with an expiration date of May 10, 2003. Permit issued June 24, 2002.

45024037. Rick Rufe Drilling & Blasting (R. R. 6 Box 63608, Saylorsburg, PA 18353), construction blasting in Hamilton Township, **Monroe County** with an expiration date of August 11, 2002. Permit issued June 24, 2002.

64024006. Explosive Services, Inc. (7 Pine Street, Bethany, PA 18431), construction blasting in Damascus Township, **Wayne County** with an expiration date of May 30, 2003. Permit issued June 24, 2002.

36024061. Keystone Blasting Service (381 Reifsnnyder Road, Lititz, PA 17543), construction blasting in Clay Township, **Lancaster County** with an expiration date of January 15, 2003. Permit issued June 24, 2002.

36024062. Warren's Excavating & Drilling, Inc. (P. O. Box 189, Bowmansville, PA 17507-0189), construction blasting in Mt. Joy Township, **Lancaster County** with an expiration date of July 15, 2007. Permit issued June 24, 2002.

48024010. Labrador Construction (P. O. Box 1379, Marshalls Creek, PA 18335), construction blasting in Bushkill Township and Sams Eddy, **Northampton County** with an expiration date of January 1, 2003. Permit issued June 25, 2002.

46024034. Labrador Construction (P. O. Box 1379, Marshalls Creek, PA 18335), construction blasting in North Coventry Township, **Montgomery County** with an expiration date of June 10, 2003. Permit issued June 25, 2002.

46024033. Labrador Construction (P. O. Box 1379, Marshalls Creek, PA 18335), construction blasting in Skippack Township, **Montgomery County** with an expiration date of July 1, 2003. Permit issued June 25, 2002.

48024012. AMROC (7531 Chestnut Street, Zionsville, PA 18092), construction blasting in Washington Township, **Northampton County** with an expiration date of July 16, 2003. Permit issued June 25, 2002.

48024011. Muschlitz Excavating (750 Creamery Road, Nazareth, PA 18064) and **Explo-Tech/AEEI** (401 West High Street, Pottstown, PA 19518), construction blasting in Stockertown Borough, **Northampton County** with an expiration date of September 16, 2002. Permit issued June 25, 2002.

40024012. Doli Construction Corp. (120 Independence Lane, Chalfont, PA 18914), construction blasting in Hazle Township, **Luzerne County** with an expiration date of June 30, 2003. Permit issued June 25, 2002.

40024013. Mericle Construction, Inc. (East Mountain Corp., 100 Baltimore Pike, Wilkes-Barre, PA 18702) and **Keystone Drilling & Blasting Specialist, Inc.** (27 Independence Road, Mountaintop, PA 18707), construction blasting in Hazle Township, **Luzerne County** with an expiration date of August 31, 2002. Permit issued June 25, 2002.

67024018. Gerlach's Drilling & Blasting, Inc. (172 Bender Mill Road, Lancaster, PA 17603), construction blasting in Dover Township, **York County** with an expiration date of January 30, 2003. Permit issued June 26, 2002.

36024063. Gerlach's Drilling & Blasting, Inc. (172 Bender Mill Road, Lancaster, PA 17603), construction blasting in Manor Township, **Lancaster County** with an expiration date of January 30, 2003. Permit issued June 26, 2002.

36024064. Gerlach's Drilling & Blasting, Inc. (172 Bender Mill Road, Lancaster, PA 17603), construction blasting in the City of Lancaster, **Lancaster County** with an expiration date of July 31, 2002. Permit issued June 26, 2002.

36024065. Gerlach's Drilling & Blasting, Inc. (172 Bender Mill Road, Lancaster, PA 17603), construction

blasting in Pequea Township, **Lancaster County** with an expiration date of January 30, 2003. Permit issued June 26, 2002.

52024015. Holbert Explosives, Inc. (237 Masthope Plank Road, Suite A, Lackawaxen, PA 18435), construction blasting in Dingmans Township, **Pike County** with an expiration date of June 16, 2007. Permit issued June 26, 2002.

45024038. Explosive Services, Inc. (7 Pine Street, Bethany, PA 18431), construction blasting in Middle Smithfield Township, **Monroe County** with an expiration date of June 3, 2003. Permit issued June 26, 2002.

38024016. Keystone Blasting Service (381 Reifsnnyder Road, Lititz, PA 17543), construction blasting in South Londonderry Township, **Lebanon County** with an expiration date of July 15, 2005. Permit issued June 27, 2002.

45024039. Hayduk Enterprises (P. O. Box 554, Dalton, PA 18414), construction blasting in Hamilton Township, **Monroe County** with an expiration date of June 30, 2006. Permit issued June 27, 2002.

06024032. J. Roy's, Inc. (Box 125, Bowmansville, PA 17507), construction blasting in Heidelberg Township, **Berks County** with an expiration date of December 31, 2003. Permit issued June 27, 2002.

67024019. J. Roy's, Inc. (Box 125, Bowmansville, PA 17507), construction blasting in Manchester Township, **York County** with an expiration date of December 31, 2003. Permit issued June 27, 2002.

48024013. Rock Work, Inc. (1257 DeKalb Pike, R. D. 2, Blue Bell, PA 19422), construction blasting in Forks Township, **Northampton County** with an expiration date of February 28, 2003. Permit issued June 27, 2002.

39024011. Schlouch Inc. (Excelsior Industrial Park, P. O. Box 69, Blandon, PA 19510), construction blasting in Lower Macungie Township, **Lehigh County** with an expiration date of July 19, 2003. Permit issued June 27, 2002.

46024035. Labrador Construction (P. O. Box 1379, Marshalls Creek, PA 18335), construction blasting in Montgomery Township, **Montgomery County** with an expiration date of November 2, 2002. Permit issued June 27, 2002.

45024040. Locust Ridge (HC 88 Box 282, Pocono Lake, PA 183437), construction blasting in Pocono Township, **Monroe County** with an expiration date of December 26, 2002. Permit issued June 27, 2002.

35024015. Explosive Services, Inc. (7 Pine Street, Bethany, PA 18431), construction blasting in Jefferson Township, **Lackawanna County** with an expiration date of June 9, 2003. Permit issued June 27, 2002.

45024041. Explosive Services, Inc. (7 Pine Street, Bethany, PA 18431), construction blasting in Smithfield Township, **Monroe County** with an expiration date of June 10, 2003. Permit issued June 27, 2002.

45024042. Explosives Services, Inc. (7 Pine Street, Bethany, PA 18431), construction blasting in Smithfield Township, **Monroe County** with an expiration date of June 10, 2003. Permit issued June 27, 2002.

48024014. Rick Rufe Drilling & Blasting (R. R. 6 Box 63608, Saylorsburg, PA 18353), construction blasting in Washington Township, **Northampton County** with an expiration date of September 5, 2002. Permit issued June 27, 2002.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P.S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications, requests for Environmental Assessment approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341(a)).

Except as otherwise noted, the Department certifies that the construction and operation herein described will comply with the applicable provisions of sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) and that the construction will not violate applicable Federal and State Water Quality Standards.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P.S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Actions on applications for the following activities filed under the Dam Safety and Encroachments Act (32 P.S. §§ 693.1—693.27), section 302 of the Flood Plain Management Act (32 P.S. § 679.302) and The Clean Streams Law (35 P.S. §§ 691.1—691.702) and Notice of Final Action for Certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)). (Note: Water Obstruction and Encroachment Permits issued for Small Projects do not include 401 Certification, unless specifically stated in the description.)

Permits Issued and Actions on 401 Certifications:

WATER OBSTRUCTIONS AND ENCROACHMENTS

Southeast Region: Water Management Program Manager; Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

E46-910. L.A.D. Developers, Inc., P. O. Box 915, Blue Bell, PA 19422, Lower Providence Township, **Montgomery County**, ACOE Philadelphia District.

To place and maintain fill within 0.04 acre of isolated wetland within the Perkiomen Creek Watershed (WWF-MF) to facilitate the construction of a yard and dwelling on Lot 20 of the Warlyga Tract. The site is located approximately 100 feet north of the intersection of Eagleville Road and Highley Road (Collegeville, PA Quadrangle N: 4.00 inches; and W: 7.4 inches).

E09-832. The Home Depot, 3096 Hamilton Boulevard, South Plainfield, NJ 07080, Hilltown Township, **Bucks County**, ACOE Philadelphia District.

To perform the following activities associated with the proposed construction of The Home Depot and other various retail outlets. The site is bounded by Central Avenue to the north, Souderton Road to the south, SR 309 to the east and Bethlehem Pike to the west (Telford, PA Quadrangle N: 13.0 inches; W: 7.9 inches) in Hilltown Township, Bucks County.

1. To place and maintain fill in 1,173 linear feet of an intermittent unnamed tributary of Mill Creek (TSF) and 0.17 acre of adjacent wetland. The flows will be routed through 985 linear feet of 60-inch RCP stream enclosure. The relocated channel will rejoin Mill Creek approximately 650 feet upstream from its original confluence.

2. To construct and maintain 58 linear feet of 8-foot by 8-foot box culvert and associated wing walls serving as a road crossing of Mill Creek.

3. To place and maintain 70 linear feet of 36-inch RCP culvert and associated fill material serving as a road crossing of an unnamed, intermittent tributary of Mill Creek to provide access from Central Avenue.

4. To install and maintain an 8-inch sanitary sewer line and a 12-inch DIP water line crossing Mill Creek.

5. To install and maintain a stormwater outfall in an unnamed tributary of Mill Creek.

The permittee proposes to replace 0.17 acre of wetland in accordance with submitted plans.

E15-682. Philadelphia Suburban Water Company, 762 Lancaster Avenue, Bryn Mawr, PA 19010-3489, East Whiteland Township, **Chester County**, ACOE Philadelphia District.

To construct and maintain a 16-inch high-density polyethylene water main pipe by directionally drilling the utility line under an unnamed tributary of the Valley Creek (EV) and the existing Church Road culvert. The project site is located along Church Road approximately 1,400 feet south of the Conestoga Road (SR 0401) (Malvern, PA Quadrangle N: 8.55 inches; W: 8.9 inches).

E09-836. Quakertown Community School District, 600 Park Avenue, Quakertown, PA 18951, Richland Township, **Bucks County**, ACOE Philadelphia District.

To construct and maintain an access road, parking facilities, athletic facilities and stormwater management facilities associated with the construction of the proposed Quakertown Middle School within the 100-year floodplain of Morgan Creek (TSF) and adjacent wetlands (PFO/EM/SS). This permit also includes an Environmental Assessment Approval for impacts associated with activities to construct, operate and maintain a nonjurisdictional dam in and along a wetland adjacent to Morgan Creek. The project will include 0.90 acre of wetland replacement for 0.89 acre of total impact. The site is located just south of the intersection of Fairview Roads and Fairview Avenue (Quakertown, PA USGS Quadrangle N: 11.2 inches, W: 10.0 inches).

Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

E40-569. City of Nanticoke, 15 East Ridge Street, Nanticoke, PA 18634. City of Nanticoke, **Luzerne County**, Army Corps of Engineers Baltimore District.

To remove the existing structure and to construct and maintain a road crossing of South Branch Newport Creek (locally known as Forge Creek), consisting of a 24.0-foot by 6.0-foot reinforced concrete box culvert with its invert depressed 2.5 feet below stream bed elevation. The project is located along West Union Street, approximately 850 feet upstream of Main Street (SR 3001) (Nanticoke, PA Quadrangle N: 12.6 inches; W: 1.5 inches).

E40-588. James Kozemchak, R. R. 3, Box 120, Harveys Lake, PA 18618. Harveys Lake Borough, **Luzerne County**, Army Corps of Engineers Baltimore District.

To modify and maintain an existing dock and attached boathouse in Harveys Lake with work consisting of eliminating an existing 16-foot by 25-foot open area in the dock to restore it to its previous condition. The overall structure extends approximately 48 feet from the shoreline and has a width of approximately 48 feet, with an area coverage of approximately 1,800 square feet. The project is located at Pole No. 258 (Harveys Lake, PA Quadrangle N: 19.1 inches; W: 5.8 inches).

E39-408. Upper Macungie Township Board of Supervisors, 8330 Schantz Road, Breinigsville, PA 18031. Upper Macungie Township, **Lehigh County**, Army Corps of Engineers Philadelphia District.

To remove an existing pedestrian bridge; to construct and to maintain an open-bottom concrete culvert, having a span of 14.0 feet and an underclearance of 3.5 feet across Breinig Run; to construct and maintain two prefabricated laminated wooden pedestrian bridges, having spans of 23.67 feet and underclearance of 3.5 feet across Breinig Run; and to construct and maintain a 24-inch reinforced concrete pipe outfall structure in the floodway of Breinig Run. The project is located immediately north of the Breinigsville Road (T858) and Butz Road (SR 3007) intersection (Topton, PA Quadrangle N: 7.0 inches; W: 1.0 inch).

Northwest Region: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

E10-349, Ridge Development, L.P., 3468 Broadhead Road, Monaca, PA 15061. Reilly Site Development, in Adams Township, **Butler County**, ACOE Pittsburgh District (Mars, PA Quadrangle N: 12.0 inches; W: 7.5 inches).

To fill a total of 0.16 acre of 5 wetland areas (PFO) for the development of a retail/commercial development along the north side of SR 228 approximately 2.3 miles east of I-79 known as the Reilly Site. Project includes creation of 0.32 acre of replacement wetland onsite.

E25-404A, Erie-Western Pennsylvania Port Authority, 100 State Street, Suite 205, Erie, PA 16507. Maintenance dredging in Presque Isle Bay and Lake Erie, in the City of Erie, **Erie County**, ACOE Pittsburgh District.

To perform maintenance dredging at facilities owned by the Erie-Western Pennsylvania Port Authority in and along Presque Isle Bay and Lake Erie as listed in the attached "Facility Inventory" in the City of Erie, Erie County. The "Facility Inventory" as of April 4, 2002, is as follows:

1. Chestnut Street launch ramp (Erie North, PA Quadrangle N: 1.25 inches; W: 13.25 inches).
2. West Canal Basin (Erie North, PA Quadrangle N: 2.0 inches; W: 12.2 inches).
3. East Canal Basin (Erie North, PA Quadrangle N: 2.4 inches; W: 12.3 inches).
4. Erie Marine, Inc. dock (Erie North, PA Quadrangle N: 2.5 inches; W: 11.7 inches).
5. The "ore dock" (Erie North, PA Quadrangle N: 2.6 inches; W: 11.3 inches).
6. Erie International Marine Terminal (Erie North, PA Quadrangle N: 4.5 inches; W: 11.0 inches).
7. Captain John E. Lampe Marina (Erie North, PA Quadrangle N: 4.2 inches; W: 10.0 inches).
8. East Avenue launch ramp (Erie North, PA Quadrangle N: 3.6 inches; W: 8.9 inches).
9. Perry's Landing Marina between Piers I and II (Erie North, PA Quadrangle N: 0.7 inch; W: 15.0 inches) and between Piers II and III (Erie North, PA Quadrangle N: 0.7 inch; W: 14.7 inches) totaling approximately 10 acres.
10. Bay Harbour Marina (Erie North, PA Quadrangle N: 1.0 inch; W: 14.4 inches) approximately 6 acres.
11. Commodore Perry Yacht Club (Erie North, PA Quadrangle N: 1.1 inches; W: 14.1 inches) approximately 14 acres.
12. Cherry Street Marina (Erie North, PA Quadrangle N: 1.1 inches; W: 13.9 inches) approximately 9 acres.
13. Walnut Street Marina (Erie North, PA Quadrangle N: 1.3 inches; W: 13.7 inches) approximately 7 acres.
14. Jolly Rodgers Marina (Erie North, PA Quadrangle N: 1.4 inches; W: 13.5 inches) approximately 14 acres.
15. Chestnut Street Marina (Erie North, PA Quadrangle N: 1.6 inches; W: 13.3 inches) approximately 4 acres.
16. Sassafras Street Pier, two locations (Erie North, PA Quadrangle N: 1.9 inches; W: 13.0 inches) and (Erie North, PA Quadrangle N: 2.3 inches; W: 12.9 inches) totaling approximately 6 acres.

17. Holland Street Pier (Erie North, PA Quadrangle N: 2.2 inches; W: 11.9 inches) approximately 3 acres.

18. Grain Elevator Slip (Erie North, PA Quadrangle N: 2.6 inches; W: 11.7 inches) approximately 5 acres.

19. Graving Dock Slip (Dry Dock) (Erie North, PA Quadrangle N: 2.7 inches; W: 11.5 inches) approximately 3 acres.

20. Access area to Grain Elevator Slip, Graving Dock (Dry Dock) Slip and Coal Ore Dock Slip (Erie North, PA Quadrangle N: 3.1 inches; W: 11.6 inches) approximately 10 acres.

E27-067, Pennsylvania Suburban Water Company—Shenango Valley Division, 665 South Dock Street, Sharon, PA 16146. Jenks Township Water System—Water Transmission Line, in Jenks Township, **Forest County**, ACOE Pittsburgh District (Marienville East, PA Quadrangle N: 19.2 inches; W: 14.5 inches).

Construct and maintain an 8-inch diameter water transmission line across approximately 250 linear feet of wetland and to tributaries to Scott Run to serve as a water supply to the State Correctional Institution at Forest County and other user along SR 66 northeast of Marienville.

E42-287, Bradford Township, 136 Hemlock Street, Bradford, PA 16701. Race Buick Stream Enclosure in Bradford Township, **McKean County**. ACOE Pittsburgh District (Bradford, PA Quadrangle N: 10.0 inches; W: 3.9 inches).

To remove the existing structure and to construct and maintain a 552-foot long stream enclosure consisting of approximately 237 feet of 84-inch diameter reinforced concrete pipe culvert with concrete headwall and earth berm inlet and 315 feet of 8-foot wide by 6-foot high reinforced concrete box culvert in a tributary to East Branch Tunungwant Creek extending upstream from South Avenue at Race Buick.

E42-288, University of Pittsburgh Bradford, 300 Campus Drive, Bradford, PA 16701. Blaisdell Hall Building in Bradford Township, **McKean County**. ACOE Pittsburgh District (Bradford, PA-NY Quadrangle N: 12.8 inches; W: 6.1 inches).

To grade and fill within the 100-year floodplain of West Branch Tunungwant Creek extending upstream from Dorothy Lane a total distance of approximately 300 feet associated with construction of a stormwater detention basin, sidewalks, parking lot and landscaping for Blaisdell Hall fine arts academic and theater building southeast of the intersection of Campus Drive and Dorothy Lane.

SPECIAL NOTICES

BUREAU OF DEEP MINE SAFETY

Approval of Request for Variance

The Department of Environmental Protection (Department), Bureau of Deep Mine Safety (Bureau) has approved Genesis, Inc.'s request for a variance from the requirements of section 242(c) of the Pennsylvania Bituminous Coal Mine Act (act) at the Genesis No. 17 Mine. This notification contains a summary of this request and the basis for the Department's approval. A complete copy of the variance request may be obtained from Allison Gaida at (724) 439-7469 or from the Bureau's website at <http://www.dep.state.pa.us/dep/deputate/minres/dms/dms.htm>.

Summary of the Request: Genesis, Inc. requested a variance from section 242(c) of the act to allow for the common ventilation of belt conveyor entry with other entries at the Genesis No. 17 Mine. The proposal accords protections to persons and property substantially equal to or greater than the requirements set forth in the act.

The basis for the Bureau's approval is summarized as follows:

1. The plan provides for an advanced fire detection and control system consisting of CO monitors and a fire suppression system.
2. The plan provides a separate intake escapeway that will be isolated from the belt conveyor entries. The isolated intake escapeway will be maintained at a higher ventilation pressure than the belt and common entries.
3. The plan provides for the belt and common entries to serve as an alternate intake escapeway.
4. There are significant health and safety benefits associated with allowing entries in common with the belt entry. Safer access is provided to workers performing repair and maintenance work in the belt entry. Improved visual safety inspections are facilitated by open crosscuts.

This approval is limited to a variance from the requirements in section 242(c) of the act requiring that the belt entry is isolated from other entries. All other terms and requirements of section 242(c) of the act shall remain in effect. This approval applies to all areas developed after May 20, 1998. Continued authorization for operation under the approval is contingent upon compliance with the measures described in the plan and the following conditions:

1. Operation, maintenance and calibration of the Pyott-Boone's CO Monitor System shall comply with the manufacturer's recommendation and the Department equipment approval number BOTE 1070-89.
2. The mine operator shall comply with the Mine Safety and Health Administration's approved Fire Fighting and Evacuation Plan.
3. The mine foreman shall notify the Department District Mine Inspector when the point CO monitor system has been installed.
4. The designated surface person responsible for responding to alarms from the CO monitor system should be task trained in the procedures utilized for notifying all affected mine personnel should an alarm occur.
5. The investigating committee shall confirm that the intake escapeway is maintained at a higher pressure than the belt conveyor entry and commons entries.
6. A test button should be installed to allow a daily function check of the pole-mounted alarm system.
7. The pole-mounted visual warning device located on the surface should be a revolving strobe that is clearly visible to the loader operator under all conditions.
8. The pole-mounted audio alarm located on the surface should be noticeably different from back up alarms currently in use on the property and clearly noticeable to the loader operator.
9. Verification by the Department District Mine Inspector that the plan is implemented according to the mine operator's submitted plan and this approval.

Plan Revision Approval under the Municipal Waste Planning Recycling and Waste Reduction Act

Northcentral Region: Waste Management Program Manager, 208 West Third Street, Williamsport, PA 17701.

The Department of Environmental Protection (Department) approved a revision to the Potter County Municipal Waste Management Plan on June 7, 2002.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P.S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge this action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

The plan revision is a public document and may be viewed at the Department Regional Office previously noted.

Questions concerning this approval should be directed to Sally Lohman, Chief, Waste Planning Section, Department of Environmental Protection, Bureau of Land Recycling and Waste Management, Division of Waste Minimization and Planning, P.O. Box 8472, Harrisburg, PA 17105-8472; or to Ron Sommers, Regional Planning and Recycling Coordinator, Bureau of Land Recycling and Waste Management at the Regional Office previously noted.

Application Announcement for the Compost Infrastructure Development Grant Program

Applications for the 2002 Compost Infrastructure Development Grant Program (Program) are now available

from the Department of Environmental Protection (Department). Under the program, qualified existing and operating for-profit business entities and nonprofit organizations in this Commonwealth will be awarded grants to increase the quantity of yard waste and/or food wastes collected in this Commonwealth. The goal of this program is to increase the quantity of organic materials collected and composted to further increase this Commonwealth's recycling rate. Applications for the grant program will be accepted by the Department until 4 p.m. on October 11, 2002.

The municipal waste stream consists of over 30% organic materials that could be recycled and diverted from the waste stream and managed by composting. These organic waste streams such as yard and food wastes can become a resource to compost facilities that use these materials as feedstocks. Composting of organic wastes helps to lessen the burden on landfill capacity and creates a beneficial soil conditioner that can be marketed.

Applications for the 2002 Program may be obtained by contacting Diana Welker of the Bureau of Land Recycling and Waste Management at (717) 787-7382 or by e-mail at Diwelker@state.pa.us. Applications are also available electronically on the Department's website at <http://www.dep.state.pa.us> (directLINK "Compost").

Availability of Technical Guidance

Technical guidance documents are on the Department of Environmental Protection's (Department) website (www.dep.state.pa.us) at the Public Participation Center page. The "June 2002 Inventory" heading is the Governor's list of nonregulatory guidance documents. The "Final Documents" heading is the link to a menu of the various Department bureaus and from there to each bureau's final technical guidance documents. The "Draft Technical Guidance" heading is the link to the Department's draft technical guidance documents.

The Department will continue to revise its nonregulatory documents, as necessary, throughout 2002.

Ordering Paper Copies of Department Technical Guidance

The Department encourages the use of the Internet to view guidance documents. When this option is not available, persons can order a bound paper copy of the latest inventory or an unbound paper copy of any of the final documents listed on the inventory by calling the Department at (717) 783-8727.

In addition, bound copies of some of the Department's documents are available as Department publications. Check with the appropriate bureau for more information about the availability of a particular document as a publication.

Changes to Technical Guidance Documents

Following is the current list of recent changes. Persons who have any questions or comments about a particular document should call the contact person whose name and phone number is listed with each document.

Final Technical Guidance

DEP ID: 271-5000-002. Title: Interstate Ozone Transport Reduction Subchapter A. NOx Budget Trading Pro-

gram. Description: This document provides an explanation of nitrogen oxides monitoring and allowance trading requirements for major sources subject to 25 Pa. Code Chapter 145, Subchapter A. Effective Date: July 13, 2002. Contact: Dean Van Orden at (717) 787-9495 or e-mail: dvanorden@state.pa.us.

DEP ID: 383-5500-613. Title: Small Water Systems Consolidation Construction Grant Program. Description: This guidance applies to any public water systems applying for Consolidation Construction Program Grants. Effective Date: July 13, 2002. Contact: Trudy Troutman at (717) 783-3795 or e-mail: trutroutma@state.pa.us.

DEP ID: 383-2300-002. Title: Training Provider Manual for the PA Water and Wastewater System Operator Training Program. Description: This guidance applies to all operators of regulated water and wastewater systems, the State Board of Certification of Water and Wastewater System Operators and the Department. Secretary

[Pa.B. Doc. No. 02-1210. Filed for public inspection July 12, 2002, 9:00 a.m.]

Public Notice of Proposed Pennsylvania NPDES General Permit for Stormwater Discharges from Municipal Separate Storm Sewer Systems (PAG-13) (MS4s)

The Clean Streams Law (35 P. S. §§ 691.1—691.101), sections 1905-A, 1917-A and 1920-A of The Administrative Code of 1929 (71 P. S. §§ 510-5, 510-17 and 510-20), the Department of Environmental Protection (Department) seeks public comments on the Commonwealth's proposed NPDES General Permit for Stormwater Discharges from Municipal Separate Storm Sewer Systems (PAG-13) (MS4s) and related documents (the Notice of Intent (NOI) and the NOI Instructions and other permit compliance materials). The Environmental Protection Agency's Phase II Stormwater Permitting regulation at 40 CFR 122 requires permitting small MS4s. The proposed general permit documents are consistent with Federal and State regulations. The proposed general permit will not be applicable to municipalities that discharge stormwater to

waters designated as "special protection" waters under 25 Pa. Code Chapter 93 (relating to water quality standards). MS4s will need to apply for and comply with an Individual NPDES Permit.

The Department's proposed general permit documents rely upon the Federal regulation and available guidance and are designed to reduce impact of stormwater discharges to the maximum extent practicable. The general permit requires regulated MS4s to develop a stormwater management plan that meets the six minimum control measures: (1) public education and outreach; (2) public participation and involvement; (3) illicit discharge detection and elimination; (4) construction site stormwater runoff control; (5) post-construction stormwater management in new development and redevelopment; and (6) pollution prevention and good housekeeping for municipal operations and maintenance. In developing the documents, the Department's strategy is to streamline the permit process and use a more practical approach that minimizes impacts on the regulated MS4s as well as the Department.

The proposed permit document package is available from the Department's Bureau of Water Supply and Wastewater Management, P. O. Box 8467, Harrisburg, PA 17105-8467, (717) 783-3795, e-mail address: trutroutma@state.pa.us and on the Department's website at www.dep.state.pa.us directLINK "participate"; scroll down to "Proposals Open for Comment"; then choose "Other Proposals."

By this announcement, the Department provides the general public, all regulated municipalities and other interested parties with a notice of availability of draft permit and related documents and is seeking public comments on these documents. Copy of this notice and a set of proposed permit documents are being sent to all regulated municipalities in this Commonwealth and the Department encourages these municipalities to review and provide written comment. The Department will consider all input received in making the final permit documents.

Comments must be submitted within 30 days from the date of the publication of this notice in the *Pennsylvania Bulletin*. If there is significant public interest in the general permit or if requested, the comment period may be extended at the discretion of the Department for an additional 15-day period. Only the comments received within the specified period will be considered in the formulation of the final documents for this general permit. Persons wishing to comment should include their name, address and telephone number and a concise comment statement to inform the Department of the exact basis of the comment and the relevant facts upon which it is based. If significant issues of public interest are raised, the Department may schedule a public meeting or hearing. Written comments should be submitted at the previous address. Comments will also be accepted by e-mail and should be sent to [Goffrey Maduka](mailto:gmaduka@state.pa.us) at gmaduka@state.pa.us by the applicable deadline. Comments will not be accepted by facsimile or voice mail.

Persons with a disability may use the AT&T Relay Service, (800) 654-5984 (TDD users) or (800) 654-5988 (voice users). Following the specified comment period, the Department will review all submitted comments, prepare a written comments and response document and prepare a final documents package for this permit. An availability notice of the final permit documents will be announced in the *Pennsylvania Bulletin*. Anyone wishing to also receive

a copy of the final documents may request them by contacting the previous addresses or telephone numbers.

DEPARTMENT OF GENERAL SERVICES

State Surplus Property

The Department of General Services, State Surplus Property Division is offering off-road equipment and dump trucks for sale at public auction on August 10, 2002, at 9 a.m. at the Department of Transportation in McConnellburg, Fulton County.

Approximately 60 trucks will be for sale. Other equipment will consist of loaders and dump trucks. The Commonwealth reserves the right to withdraw any or all items from this sale.

For more information, call (717) 787-4085.

KELLY POWELL LOGAN,
Secretary

[Pa.B. Doc. No. 02-1212. Filed for public inspection July 12, 2002, 9:00 a.m.]

DEPARTMENT OF PUBLIC WELFARE

Services for Children with Autism-Related Disorders Meetings

The Department of Public Welfare (Department) has identified a need to develop a new Behavioral Health Rehabilitation Service designed to meet the needs of young children with autism-related disorders. The autism intervention literature often refers to these services as Early Intensive Behavioral Interventions (EIBI) and the Department has elected to adopt this term to describe this service.

To provide interested parties the opportunity to participate in the development of this new service, the Department will hold four public meetings to seek input on the components of EIBI as well as the best way to make EIBI available consistent with sound public policy. The meetings will focus on addressing the needs that exist for young children with autism-related disorders when defining the service, establishing staff qualifications for persons providing EIBI and developing requirements and conditions for coverage and payment. The four meetings will be held from 9:30 a.m. to 1 p.m. at the following locations:

July 22, 2002 Auditorium
 State Game Commission
 2001 Elmerton Avenue
 Harrisburg, PA

July 26, 2002 Multi-Purpose Room
 Building #33
 Norristown State Hospital
 1001 Sterigere Street
 Norristown, PA

August 6, 2002 Regional Conference Center
 Mayview State Hospital
 1601 Mayview Road
 Bridgeville, PA

August 9, 2002 Learning Resource Center
 Multi-Media Room
 Marywood University
 Adams Avenue
 Scranton, PA

These are open meetings and everyone is invited to attend. To accommodate all persons wishing to participate in the meetings, individuals who wish to attend one of the meetings should inform the Department by calling (717) 772-6512. Persons with a disability may use the AT&T Relay Service by calling (800) 654-5984 (TDD users) or (800) 654-5988 (voice users). Based upon the number of persons attending, the Department may have to limit the time allotted for comments. Therefore, when calling to the Department, persons should also indicate whether they intend to provide comments and have a time preference. Persons who intend to comment at the meeting should bring a written copy of formal comments to the meeting.

Persons who are not able to attend the public meetings may submit their comments in writing to DPW-OMAP, Bureau of Policy Budget and Planning, P. O. Box 8046, Harrisburg, PA 17105. Written comments will be accepted until 4 p.m. on August 9, 2002.

FEATHER O. HOUSTOUN,
Secretary

[Pa.B. Doc. No. 02-1213. Filed for public inspection July 12, 2002, 9:00 a.m.]

DEPARTMENT OF REVENUE

Adjustment of Program Services Revenue Amounts

Under with section 6(a)(5) of the Institutions of Purely Public Charity Act (act) (10 P. S. § 376(a)(5)), the Department of Revenue is required to adjust the annual program service revenue amount used as a benchmark in section 6(a)(1) and (2) of the act for the purpose of asserting a rebuttable presumption.

The annual program service revenue amounts referred to in section 6(a)(1) and (2) of the act shall be increased by 1% as follows:

(1) Effective July 1, 1999—Program Service Revenues—\$10,100,000.

(2) Effective July 1, 2000—Program Service Revenues—\$10,201,000.

(3) Effective July 1, 2001—Program Service Revenues—\$10,303,010.

(4) Effective July 1, 2002—Program Services Revenues—\$10,406,040.

LARRY P. WILLIAMS,
Secretary

ENVIRONMENTAL HEARING BOARD

Citizens for Pennsylvania's Future (PennFuture) v. DEP and Graymont (PA), Inc., Permittee; EHB Doc. No. 2002-149-C

Citizens for Pennsylvania's Future (Penn Future) has appealed the issuance by the Department of Environmental Protection of an NPDES permit to Graymont (PA), Inc., for a facility in Benner and Patton Townships, Centre County.

A date for the hearing on the appeal has not yet been scheduled.

The appeal is filed with the Environmental Hearing Board (Board) at its office on the Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, and may be reviewed by any interested party on request during normal business hours. If information concerning this notice is required in an alternative form, contact the Secretary to the Board at (717) 787-3483. TDD users may telephone the Board through the AT&T Pennsylvania Relay Center at (800) 654-5984.

Petitions to intervene in the appeal may be filed with the Board by interested parties under 25 Pa. Code § 1021.62 (relating to intervention). Copies of the Board's rules of practice and procedure are available upon request from the Board.

GEORGE J. MILLER,
Chairperson

[Pa.B. Doc. No. 02-1215. Filed for public inspection July 12, 2002, 9:00 a.m.]

FISH AND BOAT COMMISSION

Consideration of Changes to Special Regulation Designations

The Fish and Boat Commission (Commission) has approved guidelines with regard to encouraging public participation on possible changes to the designation of stream sections or lakes for special regulation programs. Under 58 Pa. Code Chapter 65 (relating to special fishing regulations), the Commission designates certain streams, stream sections and lakes as being subject to special fishing regulations. These designations are effective after Commission approval when they are posted at the site and a notice is published in the *Pennsylvania Bulletin*. Under the Commission's guidelines, a notice concerning the proposed designation or redesignation of a stream section or lake under special regulations ordinarily will be

published in the *Pennsylvania Bulletin* before the matter is reviewed by the Commissioners.

At the next Commission meeting on July 26 and 27, 2002, the Commission will consider designating the following stream sections as waters subject to special fishing regulations under 58 Pa. Code Chapter 65, effective January 1, 2003.

58 Pa. Code § 65.2. Delayed Harvest Fly-fishing Only (DHFFO) Areas

The Commission will consider revising the limits of the DHFFO Area on Octoraro Creek, West Branch, Lancaster County, by extending the upstream limit of the existing area approximately 190 yards. If approved, the revised section will be as follows: From a point 30 yards downstream of the SR 0472 Bridge downstream 2.1 miles to near the confluence with the second unnamed tributary below SR 2010, a distance of 2.1 miles.

58 Pa. Code § 65.6. Delayed Harvest Artificial Lures Only (DHALO) Areas

The Commission will consider adding the following stream section to the list of DHALO Areas:

| County | Water on which located | Description |
|--------|------------------------|---|
| Adams | Bermudian Creek | From the SR 1009 (Wierman Mill) Bridge downstream to T-619 Greenbrier Lane, a distance of 1.0 mile. |

At this time, the Commission is soliciting public input concerning the previous designations. Persons with comments, objections or suggestions concerning the designations are invited to submit comments to Executive Director, Fish and Boat Commission, P. O. Box 67000, Harrisburg, PA 17106-7000, by no later than 4 p.m. on July 25, 2002. Comments submitted by facsimile will not be accepted.

Comments also may be submitted electronically at ra-pfbcregs@state.pa.us. A subject heading of the proposal and a return name and address must be included in each transmission. In addition, all electronic comments must be contained in the text of the transmission, not in an attachment. If an acknowledgment of electronic comments is not received by the sender within 2 working days, the comments should be retransmitted to ensure receipt.

PETER A. COLANGELO,
Executive Director

[Pa.B. Doc. No. 02-1216. Filed for public inspection July 12, 2002, 9:00 a.m.]

HOUSING FINANCE AGENCY

Housing Coordinator Program; Invitation to Submit Proposals

The Housing Finance Agency (HFA) invites proposals from entities or individuals seeking funding to create a Housing Coordinator Program (Program). The purpose of the Program is to create a bridge between the Medicaid home and community-based programs (Waiver Programs) and the housing sector within this Commonwealth.

The HFA administers an array of housing funding programs for homeownership, rental housing, emergency

mortgage assistance and related supportive housing programs. A complete list of existing HFA programs, application deadlines and contact information is available at www.phfa.org. The HFA is authorized, among other things, to cooperate with and assist other agencies of State government in carrying out the powers and duties vested in it, to accept money from and enter into agreements with these agencies and to provide housing options and opportunities for persons with disabilities or other special needs.

The General Appropriations Act of 2001 provided funding authority to the Department of Public Welfare (DPW), along with matching Federal funds, for the coordination of the availability of local housing opportunities for persons participating in Waiver Programs.

The DPW and the HFA have identified the need to coordinate the Waiver Programs provided by the DPW with the expertise in housing and housing related issues of the HFA to develop a Program to assist persons with disabilities, who are eligible for one or more of the DPW's Waiver Programs, find safe, accessible and affordable housing.

The DPW has agreed to make available to the HFA the sum of up to \$600,000 for this Program over a 3-year period.

Program Objectives

The HFA is inviting submission of proposals from individuals and/or profit or nonprofit groups seeking funding for the Program. The HFA will fund one of the proposals submitted and reserves the right to not select any of the proposals submitted. The proposals submitted will be reviewed by staff of the DPW and the HFA and the review may take into consideration factors such as the HFA and the DPW in their discretion deem appropriate. The entity eventually selected will work directly with the DPW or one or more of its designated service providers to assist eligible individuals find housing.

Program Criteria

Proposals submitted should provide a narrative description, which clearly and concisely:

- Identifies the targeted need and population to be served.
- Offers a detailed explanation of how the needs of the identified population will be served (offices, staff and networks of entities in local communities with whom they will work).
- Sets forth a multiyear budget (3 years) for the Program.
- Outlines specific benchmarks and timeframes for performing and accomplishing the goals of the proposal.
- Specifies the amount of funding requested and explains how the funds will be used to create a viable strategy for fulfilling the identified housing needs on a Statewide basis. (Note: These funds may not be used for bricks and mortar, housing development or directly related expenditures to provide housing, such as land acquisition, housing construction or purchase, provision of mortgages, and the like.)
- Identifies who the participants in the Program will be and describes their expertise in providing the services anticipated by the Initiative.

Proposals should delineate and describe the categories of persons being targeted through the Program and the

duration of the funded program. As much detail as possible should be provided regarding the expectations and outcomes of the program and the expected dates for accomplishing the outcomes. A proposal that displays the ability to provide services quickly will be preferred over one that requires a longer "startup" period. The HFA encourages submission of Proposals with participation of entities designated as minority business enterprises, woman business enterprises or disabled business enterprises and which affirmatively further fair housing.

At a minimum, the entity selected must:

- Have a Statewide presence and be capable of providing services, either directly or through affiliated organizations, throughout this Commonwealth.
- Have direct experience in working with local and State housing authorities and other housing providers and programs throughout this Commonwealth.
- Have an understanding of and experience in dealing with local, State and Federal programs that provide assistance for housing, in particular housing programs for persons with disabilities.
- Have an understanding of and experience in dealing with local, State and Federal resources to assist individuals with disabilities to live independently in the community.
- Demonstrate a commitment to individuals with disabilities throughout its organizational structure.
- Have had direct experience and positive results in assisting persons with disabilities find safe, accessible and affordable housing of their choice.
- Have an understanding of all aspects of the DPW Waiver Programs.

The entity selected will be required, among other things, to:

- Designate a full-time person to coordinate the initiative.
- Develop a plan for the coordination of activities throughout this Commonwealth and for the allocation of available funds to local areas.
- Work with the DPW and its service providers in the process of assisting persons with disabilities find housing.
- Meet all reporting requirements established by the DPW and/or the HFA.
- Work with local agencies, private and public organizations and others to develop housing options and opportunities for persons with disabilities.
- Limit the use of funds to assisting individuals find or apply for housing.

All HFA funding is subject to the availability of funding, ongoing program requirements, the housing finance agency law and all other applicable Federal, State and local laws and regulations.

It is expected that one applicant will be selected to provide services and that a contract for services in the form and manner selected by the HFA and the DPW will be entered into to govern the administration of the contract. The selected applicant must comply with all applicable State and Federal laws regarding employment and nondiscrimination and contractor integrity. Evidence of substantial ongoing progress will be required throughout the contract period. The HFA may recapture funds or terminate any commitment or funding reservation in the

event of material deviations from the projected timeframes or if benchmarks are not met.

Application Process

Applicants should submit four complete copies of the Housing Coordinator Proposal to Lisa J. Yaffe, Director, Housing Services Division, Housing Finance Agency, 2101 North Front Street, P. O. Box 8029, Harrisburg, PA 17105-8029.

Proposals must be received by the HFA no later than 2 p.m. Friday, August 16, 2002.

The proposal/application material will become the property of the HFA. The HFA reserves the right to change, modify, amend or withdraw this request for proposal at any time, without notice, and to amend or modify this program at any time and may determine to discontinue this program at any time. Costs associated with this proposal/application will be the responsibility of the applicant. Questions regarding the program may be submitted to Theresa Yaffe in writing, by means of mail, fax (717) 780-3867 or e-mail at lyaffe@phfa.org. Additional information about the program may be made available from time to time at the HFA's website at www.phfa.org.

Information regarding funding decisions is expected to be available in September 2002.

INSURANCE DEPARTMENT

Medical Professional Liability Catastrophe Loss Fund; Changes to the C-416 Claim Reporting Form; Bulletin No. 76

The purpose of this Bulletin is to notify primary carriers and self-insured providers of two changes to the

C-416 Claim Reporting Form that these entities must submit to the Medical Professional Liability Catastrophe Loss Fund (Fund) for Excess, Section 605, Drop Down claims and any other coverage requests.

The C-416 Claim Reporting Form has been revised to include Block "4b." Section 308(b) of the Medical Care Availability and Reduction of Error Act of March 20, 2002 requires a medical facility to provide written notification to a patient affected by a serious event or, with the consent of the patient, to an available family member or designee, within 7 days of the occurrence or discovery of a serious event. The date of notification should be entered in Block "4b" of the C-416 Claim Reporting Form.

The C-416 Claim Reporting Form has also been revised to include Block "6a," which will now require the primary carrier or self-insured provider to indicate the "Severity of the Injury" based upon the following codes:

0—Unknown

1—Emotional Injury Only (upset, fright)

2—Insignificant Injury (small cuts, lacerations, contusions, minor scars, rash, and the like)

3—Minor Temporary Injury (infections, fractures, minor burns, missed or delayed diagnosis and/or recovery without complications)

4—Major Temporary Injury (retained foreign object, other burns, side effects from medication or treatment, brain damage that resolves, infection after surgery, and the like)

5—Minor Permanent Injury (loss of fingers, loss or damage to organs, heart damage with recovery, removal of bowel, loss of one testicle or ovary, and the like)

6—Significant Permanent Injury (deafness, complete or partial loss of limb, eye, one kidney or lung, brachial plexus injury, reflex sympathetic dystrophy which is disabling, and the like)

7—Major Permanent Injury (paraplegia, blindness, loss of two limbs, brain damage, severe and visible disfigurement, permanent colostomy or aseptic necrosis of a joint, a central nervous system injury which is not totally disabling, and the like)

8—Grave Permanent Injury (quadriplegia, severe brain damage, lifelong care or fatal prognosis, cerebral palsy, persistent coma, and the like)

9—Death

If more than one severity code applies to the injuries sustained, all applicable codes should be noted in Block "6a." If no severity code is listed in Block "6a" on the C-416 Claim Reporting Form, the form will be returned to the primary carrier for completion.

Because of the many changes occurring as a result of Act 13 of 2002, the C-416 Claim Reporting Form may be further modified. Copies of the current revised C-416 Claim Reporting Form reflecting the changes noted may be obtained at www.pamedcat.state.pa.us or by directly contacting the Fund.

This Bulletin is effective immediately.

Opinion and Order

Public Meeting held
May 9, 2002

Commissioners Present: Glen R. Thomas, Chairman; Robert K. Bloom, Vice Chairman; Aaron Wilson, Jr.; Terrence J. Fitzpatrick; and Kim Pizzingrilli

Application of Penny Saver Direct, Inc. t/d/b/a Two Guys & A Truck, for the right to begin to transport, as a common carrier, by motor vehicle, household goods in use, between points in the Counties of Erie and Crawford, and from points in said counties, to points in Pennsylvania, and vice versa; A-00116710

Opinion and Order

By the Commission:

Before the Commission for consideration is the Petition for Declaratory Order (Petition) filed on January 14, 2002, by Penny Saver Direct, Inc., t/d/b/a Two Guys & A Truck (Petitioner). The Petitioner requests that we issue an Order finding that its current operations do not constitute a public utility service subject to the Commission's jurisdiction.

By Secretarial Letter dated February 8, 2002, the Petitioner was directed to serve a copy of its Petition on the interested Parties. The Petition was thereafter served on the parties on February 14, 2002, in accordance with 52 Pa. Code § 5.45(b). B.F. Fields Moving & Storage, J.H. Bennett Storage & Carting, Inc., and Piper Moving Systems, Inc., (Protestants) filed a response to the Petition and New Matter on March 5, 2002. On March 20, 2002, the Petitioner filed an Answer to the Protestants' New Matter.

History of Proceeding

On March 20, 2000, the Petitioner filed an Application for a Certificate of Public Convenience requesting authority to transport household goods in use. An evidentiary hearing was held on September 8, 2000, culminating in the issuance of an Initial Decision on March 15, 2001, denying the Application. The Petitioner filed Exceptions to the Initial Decision on April 2, 2001. The Protestants and Ryan Moving & Storage, Inc., filed Reply Exceptions on April 16, 2001.

By Opinion and Order entered September 7, 2001, we denied the Petitioner's Exceptions. In that Order, we concluded, *inter alia*, that the Petitioner had a propensity to operate illegally, as evidenced by the fact that it had engaged in the intrastate transportation of household goods in use without Commission authorization.

The Protestants note that the Petitioner has a prior history of attempting to deceive this Commission. They maintain that the averments contained in the Petition should be considered suspect and that we should deny the Petition. In the alternative, they request that hearings be held to determine the accuracy of the facts set forth in the Petition.

Discussion

The Petitioner avers that the reformation of its business operations, following our denial of its Application, has removed its operations from our jurisdiction. The Petitioner requests that we entertain its Petition to resolve the uncertainty of whether its modifications, in fact, did so. Pursuant to Section 331(f) of the Public Utility Code, 66 Pa.C.S. § 331(f), the issuance of a declaratory order is a matter within the Commission's discretion.

Section 102 of the Code, 66 Pa.C.S. § 102, defines "public utilities" as including "[a]ny person or corporations now or hereafter owning or operating in this Commonwealth equipment or facilities for . . . [t]ransporting . . . property as a common carrier . . ." A "common carrier" is defined as "[a]ny and all persons or corporations holding out, offering, or undertaking, directly or indirectly, service for compensation to the public for the transportation of . . . property . . . between points within this Commonwealth. . . ." (*Id.*). Additionally, a "common carrier by motor vehicle" is defined as:

Any common carrier who or which holds out or undertakes the transportation of . . . property . . . between points within this Commonwealth by motor vehicle for compensation, whether or not the owner or operator of such motor vehicle, or who or which provides or furnishes any motor vehicle, with or without driver, for transportation or for use in transportation of . . . property as aforesaid . . .

(*Id.*).

The Petitioner avers that its intrastate household goods operations consist only of packing, loading, and unloading household goods. Further, the Petitioner contends that since the Commission's Opinion and Order entered September 7, 2001, it has substantially changed its advertisements, its service contract, and its involvement in obtaining transportation for its customers. Therefore, the Petitioner contends that its intrastate household goods operations do not render it a "public utility," as defined in Section 102.

Based solely on the averments contained in the Petition, we cannot conclude that any substantial changes have occurred in these areas. While the Petitioner's activities may no longer require Commission authority, various issues need to be further explored before we can reach such a determination.

First, we note that the Petitioner admits that it continues to advertise its services in local telephone directories under the listing "Movers," without indicating that it only provides labor services in connection with intrastate moves. While the Petitioner indicates that it intends to modify these advertisements in the future, it does not specify what modifications it plans to undertake.

Moreover, the Petitioner contends that because it now holds interstate authority to transport household goods in use¹ and intrastate authority to transport property, excluding household goods in use,² its advertisements are not objectionable, and, therefore, do not need modification.

The fact that Petitioner may hold other forms of authority does not entitle it to advertise in a manner that leads the public to believe that it also holds the intrastate authority to transport household goods in use. Further, specific information regarding the modifications that the Petitioner will implement is required in order for us to determine whether its advertisements are misleading to the public.

Next, we note that, although the Petitioner maintains that it has modified its service contract to include only labor services, the Petitioner admits that the service contract, (Petitioner's Exhibit B), and labor agreement, (Petitioner's Exhibit A), contain provisions relating to transportation services. The Petitioner contends that those provisions apply only to the Petitioner's interstate transportation of household goods and should, therefore, be disregarded by us. Due to the Petitioner's commingling of its interstate transportation services with its intrastate services, we are unable to conclude, based solely on the language contained in the service contract and labor agreement, that the Petitioner has substantially changed its operations.

Finally, we find that the Petitioner's averments regarding its involvement in the intrastate transportation of its customers' household goods are also deficient. According to the Petitioner, it now advises its customers that they are solely responsible for securing a vehicle and arranging for a driver to transport their household goods. Further, the Petitioner states that it no longer involves itself in its customers' selection process and does not arrange to pay for vehicles or drivers on their behalf. However, we are troubled by the Petitioner's failure to include any information regarding where its customers obtain their vehicles and drivers. The Petitioner's averments regarding its non-involvement in its customers' selection process do not foreclose the possibility that the Petitioner, or an entity related to the Petitioner, may, in fact, be supplying vehicles and drivers to the Petitioner's customers.

Based on our review of this matter, we conclude that the Petition contains disputed facts and an issue of law on the Commission's jurisdiction. The jurisdictional issue could also have wider ramifications than this proceeding. Consequently, we will hold the Petition for Declaratory Order in abeyance and refer the matter to the Office of Administrative Law Judge for hearings and the issuance of a Recommended Decision; *Therefore*,

It Is Ordered:

1. That the Petition for Declaratory Order of Penny Saver Direct, Inc., t/d/b/a Two Guys & A Truck be held in abeyance.
2. That the matter be referred to the Office of Administrative Law Judge for the purpose of conducting hearings and the issuance of a Recommended Decision.

¹ The Petitioner states that it obtained a permit from the Federal Motor Carrier Safety Administration at Docket No. MC-415301-P, that authorizes the Petitioner to engage in the transportation of household goods by motor vehicle in interstate or foreign commerce.

² The Petitioner received such authority by Certificate of Public Convenience issued on December 4, 2001, at Docket No. A-00116710F0003.

3. That the Secretary's Bureau publish notice of the hearing, including this Opinion and Order, in the *Pennsylvania Bulletin*.

JAMES J. MCNULTY,
Secretary

Hearing Notice

This is to inform you that a hearing on the above-captioned case will be held as follows:

Type: Initial Hearing on Remand
Date: Thursday, August 15, 2002
Time: 10 a.m.
Location: 11th Floor Hearing Room
Pittsburgh State Office Building
300 Liberty Avenue
Pittsburgh, Pennsylvania
Presiding: Administrative Law Judge James D. Porterfield
1103 Pittsburgh State Office Building
300 Liberty Avenue
Pittsburgh, PA 15222
Telephone: (412) 565-3550
Fax: (412) 565-5692

Attention: You may lose the case if you do not come to this hearing and present facts on the issues raised.

If you intend to file exhibits, 2 copies of all hearing exhibits to be presented into evidence must be submitted to the reporter. An additional copy must be furnished to the Presiding Officer. A copy must also be provided to each party of record.

Except for those individuals representing themselves, the Commission's rules require that all parties have an attorney; therefore, you should have an attorney of your choice file an entry of appearance before the scheduled hearing.

If you are a person with a disability, and you wish to attend the hearing, we may be able to make arrangements for your special needs. Please call the scheduling office at the Pennsylvania Public Utility Commission:

- Scheduling Office: (717) 787-1399.
- AT&T Relay Service number for persons who are deaf or hearing-impaired: (800) 654-5988.

Complaint

Pennsylvania Public Utility Commission, Bureau of Transportation and Safety v. Tommy P. B. Wizard Corp.;
Doc. No. A-00102397C02; A-00102397, F. 3

Complaint

The Pennsylvania Public Utility Commission (Commission) is a duly constituted agency of the Commonwealth of Pennsylvania empowered to regulate public utilities within the Commonwealth. The Commission has delegated its authority to initiate proceedings which are prosecutory in nature to the Bureau of Transportation and Safety and other bureaus with enforcement responsibilities. Pursuant to that delegated authority and Section 701 of the Public Utility Code, the Bureau of Transportation and Safety Prosecutory Staff hereby represents as follows:

1. That Tommy P. B. Wizard Corp., respondent, maintains its principal place of business at 5201 Media Street, Philadelphia, PA 19131.
2. That respondent was issued a certificate of public convenience by this Commission on October 31, 1988 at Application Docket No. A-00102397, F. 3.
3. That respondent abandoned or discontinued service without having first filed an application with this Commission for abandonment or discontinuance of service. Respondent has not reported intrastate revenue for the years 1999, 2000 and 2001.
4. That respondent, by failing to file an application with this Commission prior to abandoning or discontinuing service, violated 52 Pa. Code § 3.381(a)(1)(v) and 66

Pa.C.S. § 1102(a)(2) and, by failing to maintain adequate, efficient and safe service and facilities, violated 66 Pa.C.S. § 1501.

WHEREFORE, the Bureau of Transportation and Safety Prosecutory Staff hereby requests that the Commission revoke Tommy P. B. Wizard Corp.'s Certificate of Public Convenience at A-00102397, F. 3.

Respectfully submitted,

Michael E. Hoffman, Director
Bureau of Transportation and Safety
P. O. Box 3265
Harrisburg, PA 17105-3265

Verification

I, Michael E. Hoffman, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief and that I expect to be able to prove the same at any hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 relating to unsworn falsification to authorities.

Date: _____
Michael E. Hoffman

Notice

A. You must file an answer within twenty days of the date of service of this Complaint. The date of service is the mailing date, as indicated at the top of the Secretarial Cover Letter for this Complaint and Notice, 52 Pa. Code § 1.56(a). An answer is a written explanation of circumstances wished to be considered in determining the outcome. The answer shall raise all factual and legal arguments that you wish to claim in your defense and must include the reference number of this Complaint. Your answer must be verified and the original and three copies sent to:

James J. McNulty, Secretary
Pennsylvania Public Utility Commission
P. O. Box 3265
Harrisburg, PA 17105-3265

B. If you fail to answer this Complaint within twenty days, the Bureau of Transportation and Safety will request that the Commission issue a Secretarial Letter imposing a penalty, which will include the revocation of your Certificate of Public Convenience.

C. If you file an answer which admits or fails to deny the allegations of the Complaint, the Bureau of Transportation and Safety will request that the Commission issue a Secretarial Letter imposing a penalty, which may include the revocation of your Certificate of Public Convenience.

D. If you file an answer which contests the Complaint, the matter will be assigned to an Administrative Law Judge for hearing and decision.

E. Alternative formats of this material are available, for persons with disabilities, by contacting the Compliance Office at 717-787-1168.

Complaint

*Pennsylvania Public Utility Commission, Bureau of
Transportation and Safety v. Barclay Hotel Associates;
Doc. No. A-00103186C02; A-00103186*

Complaint

The Pennsylvania Public Utility Commission (Commission) is a duly constituted agency of the Commonwealth

of Pennsylvania empowered to regulate public utilities within the Commonwealth. The Commission has delegated its authority to initiate proceedings which are prosecutory in nature to the Bureau of Transportation and Safety and other bureaus with enforcement responsibilities. Pursuant to that delegated authority and Section 701 of the Public Utility Code, the Bureau of Transportation and Safety Prosecutory Staff hereby represents as follows:

1. That Barclay Hotel Associates, respondent, maintains its principal place of business at 1315 Walnut Street, Suite 1024, Philadelphia, PA 19107.

2. That respondent was issued a certificate of public convenience by this Commission on September 18, 1981 at Application Docket No. A-00103186.

3. That respondent abandoned or discontinued service without having first filed an application with this Commission for abandonment or discontinuance of service. Respondent has not reported intrastate revenue for the years 1999, 2000 and 2001.

4. That respondent, by failing to file an application with this Commission prior to abandoning or discontinuing service, violated 52 Pa. Code § 3.381(a)(1)(v) and 66 Pa.C.S. § 1102(a)(2) and, by failing to maintain adequate, efficient and safe service and facilities, violated 66 Pa.C.S. § 1501.

WHEREFORE, the Bureau of Transportation and Safety Prosecutory Staff hereby requests that the Commission revoke Barclay Hotel Associates' Certificate of Public Convenience at A-00103186.

Respectfully submitted,

Michael E. Hoffman, Director
Bureau of Transportation and Safety
P. O. Box 3265
Harrisburg, PA 17105-3265

Verification

I, Michael E. Hoffman, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief and that I expect to be able to prove the same at any hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 relating to unsworn falsification to authorities.

Date: _____
Michael E. Hoffman

Notice

E. You must file an answer within twenty days of the date of service of this Complaint. The date of service is the mailing date, as indicated at the top of the Secretarial Cover Letter for this Complaint and Notice, 52 Pa. Code § 1.56(a). An answer is a written explanation of circumstances wished to be considered in determining the outcome. The answer shall raise all factual and legal arguments that you wish to claim in your defense and must include the reference number of this Complaint. Your answer must be verified and the original and three copies sent to:

James J. McNulty, Secretary
Pennsylvania Public Utility Commission
P. O. Box 3265
Harrisburg, PA 17105-3265

F. If you fail to answer this Complaint within twenty days, the Bureau of Transportation and Safety will

request that the Commission issue a Secretarial Letter imposing a penalty, which will include the revocation of your Certificate of Public Convenience.

G. If you file an answer which admits or fails to deny the allegations of the Complaint, the Bureau of Transportation and Safety will request that the Commission issue a Secretarial Letter imposing a penalty, which may include the revocation of your Certificate of Public Convenience.

H. If you file an answer which contests the Complaint, the matter will be assigned to an Administrative Law Judge for hearing and decision.

E. Alternative formats of this material are available, for persons with disabilities, by contacting the Compliance Office at 717-787-1168.

JAMES J. MCNULTY,
Secretary

STATE TAX EQUALIZATION BOARD

Common Level Ratios

The State Tax Equalization Board (Board) has established a Common Level Ratio for each county in this Commonwealth for the calendar year 2001. The ratios were mandated by Act 267-1982.

The law requires the Board to use statistically acceptable techniques, to make the methodology for computing

ratios public and to certify, prior to July 1, the ratio to the Chief Assessor of each county each year.

The statistical technique which the Board used for the 2001 Common Level Ratio is to determine the arithmetic mean of the individual sales ratios for every valid sale received from the county for the calendar year 2001.

The methodology used is to include every valid sale with a ratio from 1% to 100% and compute a mean. Using this mean as a base, the Board has defined high and low limits by multiplying and dividing this computed mean by four. Using these computed limits, the Board has utilized the valid sales, rejecting those sales which exceed the limits. The resulting arithmetic mean ratio is the ratio which the Board is certifying as the Common Level Ratio for each county for 2001.

There is one exception to this procedure. The original mean ratio for those counties which have a predetermined assessment ratio for 2001 of 100% will utilize valid sales from 1% to 200%.
