READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

Bulletin before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

Effective Dates of Statutes

The effective dates specified above for laws and appropriation acts were contained in the applicable law or appropriation act. Where no date is specified or where the effective date specified is prior to the date of enactment, the effective date is 60 days after final enactment except for statutes making appropriations or affecting budgets of political subdivisions. See 1 Pa.C.S. §§ 1701—1704 (relating to effective dates of statutes).

Advance Copies of Statutes

Section 1106 of Title 1 of the *Pennsylvania Consolidated Statutes* provides that the prothonotaries of each county shall file advance copies of statutes in their offices for public inspection until the Laws of Pennsylvania are generally available. Section 2406(h) of The Administrative Code of 1929 provides that the Department of General Services shall distribute advance sheets of the Laws of Pennsylvania to each law judge of the courts, to every county and public library of this Commonwealth and to each member of the General Assembly. These copies shall be furnished without charge. The Department shall also mail one copy of each law enacted during any legislative session to any person who pays to it the sum of \$20.

Requests for annual subscriptions for advance copies of statutes should be sent to the State Bookstore—PHMC, Commonwealth Keystone Building, 400 North Street, Harrisburg, PA 17120-0053, accompanied by a check or money order in the sum of \$20, payable to the "Commonwealth of Pennsylvania."

Title 231—RULES OF CIVIL PROCEDURE

PART I. GENERAL

[231 PA. CODE CHS. 200, 1000 AND 4000]

Promulgation of Rules of Civil Procedure Governing Motion Practice; No. 401 Civil Procedural Rules; Doc. No. 5

Order

Per Curiam:

And Now, 24th day of October, 2003, the Pennsylvania Rules of Civil Procedure are amended as follows:

(1) Rules 205.2, 206.1, 206.4, 206.5, 210, 239, 1028, 1034, 1035.2, 4012 and 4019 are amended to read as follows, and

(2) New Rules 208.1 through 208.4 and 239.1 through 239.8 are promulgated to read as follows.

Whereas prior distribution and publication of these rules and amendments would otherwise be required, it has been determined that immediate promulgation is required in the interest of justice and efficient administration.

This order shall be processed in accordance with Pa.R.J.A. 103(b) and shall be effective nine months after the date this Order was promulgated.

Annex A

TITLE 231. RULES OF CIVIL PROCEDURE

PART I. GENERAL

CHAPTER 200. BUSINESS OF COURTS

Rule 205.2. Filing Legal Papers with the Prothonotary.

No pleading or other legal paper that complies with the Pennsylvania Rules of Civil Procedure shall be refused for filing by the prothonotary based on a requirement of a local rule of civil procedure or judicial administration, including local Rules 205.2(a) and 205.2(b).

Official Note: Rule 239.1(a) authorizes each court of common pleas to impose requirements governing the physical characteristics of pleadings and other legal papers. Rule 239.1(a) requires each court which has imposed requirements to promulgate a local rule, numbered Local Rule 205.2(a), listing the requirements.

Similarly, Rule 239.1(b) also authorizes each court to require pleadings and other legal papers to be accompanied by a cover sheet. Rule 239.1(b) requires each court which has imposed the requirement to promulgate a local rule, numbered Local Rule 205.2(b), stating the requirement and setting forth the form of the cover sheet.

Any local rule which has been promulgated must be published on the web site of the Administrative Office of Pennsylvania Courts (www.aopc.org).

Rule 206.1. Petition. Definition. Content. Form.

(a) As used in this chapter, "petition" means

(1) an application to open a default judgment or a judgment of non pros, and

(2) any other application which is designated by local rule, numbered Local Rule 206.1(a), to be governed by Rule 206.1 et seq.

Official Note: A petition for relief from a judgment by confession is governed by Rule 2959.

Motions are governed by Rule 208.1 et seq.

Rule 206.1(a)(2) authorizes each court of common pleas to designate applications which are to proceed in the manner of a petition under Rule 206.1 et seq. Rule 239.2(a) requires each court which has made that designation to promulgate a local rule, numbered Local Rule 206.1(a), listing the applications to be determined pursuant to Rule 206.1 et seq. Any local rule which has been promulgated must be published on the web site of the Administrative Office of Pennsylvania Courts (www.aopc.org).

(b) A petition shall specify the relief sought and state the material facts which constitute the grounds therefor.

[(b)](c) * * *

Official Note: Petitions are subject to Rule 440 governing service of legal papers other than original process, Rule 1023.1 governing the signing of documents, and Rule 1025 governing the endorsement of legal papers. Any requirements of a court relating to the format of a petition and cover sheet must be set forth in local rules numbered Local Rule 205.2(a) and Local Rule 205.2(b).

Rule 206.4. Rule to Show Cause. Alternative Procedures.

* * * * *

(b) The procedure following issuance of the rule to show cause shall be in accordance with Rule 206.7.

Official Note: Subdivisions (b) through (e) of Rule 239.2 require every court to promulgate Local Rule 206.4(c) describing the court's procedures for the issuance of a rule to show cause. Local Rule 206.4(c) shall be published on the web site of the Administrative Office of Pennsylvania Courts (www.aopc.org).

Rule 206.5. Rule to Show Cause. Discretionary Issuance. Stay. Form of Order.

(a) [The rule to show cause procedure prescribed by this rule shall apply if

(1) the relief sought by the petition is the opening of a default judgment or a judgment of non pros, or

(2) the petition is of a type authorized by local rule to be determined pursuant to a rule to show cause, or

(3) the court, upon its own motion or the request of a party, has determined that the issuance of a rule to show cause as to the particular petition will serve the interests of justice.] Rescinded.

* * * * *

Official Note:

* * * * *

The court may provide in the order for the filing of briefs.

(*Editor's Note:* Rules 208.1—208.4 are new. They are printed in regular type to enhance readability.)

Rule 208.1. Motion. Definition. Scope.

(a) As used in this chapter, "motion" means any application to the court for an order made in any civil action or proceeding except as provided by subdivision (b)(1) and (2).

(b)(1) The rules of this chapter shall not apply to the following matters:

- (i) preliminary objections (Rule 1028),
- (ii) motions for judgment on the pleadings (Rule 1034) and for summary judgment (Rule 1035.1 et seq.),
- (iii) requests for special relief, including preliminary injunctions,
- (iv) motions relating to the conduct of the trial, including motions for nonsuit pursuant to Rule 218, motions relating to jury selection, motions to exclude expert testimony pursuant to Rule 207.1, motions in limine, and motions made during the course of the trial,
- (v) motions for post-trial relief (Rule 227.1),
- (vi) motions for delay damages (Rule 238),
- (vii) petitions (Rule 206.1), and
- (viii) petitions for relief from a judgment by confession (Rule 2959).

(2) The rules of this chapter shall not apply to motions arising in the following actions or proceedings:

- (i) asbestos litigation and cases otherwise designated by the court for special management (Rules 1041.1 and 1041.2),
- (ii) actions in replevin (Rule 1071 et seq.),
- (iii) class actions (Rule 1701 et seq.),
- (iv) family law actions (Rules 1901 through 1940.9), and
- (v) proceedings in Orphans' Court.

(c) The rules of this chapter shall not modify the provisions of any other general rule governing a particular motion.

Rule 208.2. Motion. Form. Content.

- (a) A motion shall
 - (1) contain a caption setting forth the name of the court, the number of the action, the name of the motion, and the name of the moving party,
 - (2) be divided into paragraphs numbered consecutively,
 - (3) set forth material facts constituting grounds for the relief sought, specify the relief sought and include a proposed order,
 - (4) include a certificate of service which sets forth the manner of service including the name of an attorney of record for each party that is represented by counsel, the party whom the attorney represents, a "pro se" designation for each party that is unrepresented, and the address at which service was made, and
 - (5) be signed and endorsed.

Official Note: Motions are subject to Rule 440 governing service of legal papers other than original process, Rule 1023.1 governing the signing of documents, and Rule 1025 governing the endorsement of legal papers. Any

requirements of a court relating to the format of a motion and cover sheet must be set forth in local rules numbered Local Rule 205.2(a) and Local Rule 205.2(b).

(b) A motion need not be verified unless verification is required by general rule governing the particular motion or by order of court.

Official Note: Rule 239.3(a) authorizes a court to require that a motion include a brief statement of the applicable authority. Rule 239.3(a) requires each court which has imposed this requirement to promulgate a local rule, numbered Local Rule 208.2(c), stating the requirement.

Rule 239.3(b) also authorizes each court to provide a certification requirement for a motion as uncontested. Rule 239.3(b) requires each court which has imposed this requirement to promulgate a local rule, numbered Local Rule 208.2(d), stating the requirement.

Similarly, Rule 239.3(c) authorizes each court of common pleas to require the moving party in any motion relating to discovery to certify that counsel has conferred or attempted to confer with all interested parties in order to resolve the matter without court action. Rule 239.3(c) requires each court which has imposed this requirement to promulgate a local rule, numbered Local Rule 208.2(e), stating the requirement.

Any local rule which has been promulgated must be published on the web site of the Administrative Office of Pennsylvania Courts (www.aopc.org).

Rule 208.3. Alternative Procedures.

(a) Except as otherwise provided by subdivision (b), the court shall initially consider a motion without written responses or briefs. For a motion governed by this subdivision, the court may not enter an order that grants relief to the moving party unless the motion is presented as uncontested or the other parties to the proceeding are given an opportunity for an argument.

Official Note: Rule 208.3(a) does not prevent a court from denying the moving party's request for relief without the opportunity for an argument where the motion is procedurally defective, is untimely filed or fails to set forth adequate grounds for relief.

Parties may choose to submit responses and briefs at the time of the presentation, provided that copies have been served on every other party. However, parties are not required to do so.

Rule 239.3(d) requires every court to promulgate Local Rule 208.3(a) describing the local court procedure governing motions under this rule. Local Rule 208.3(a) shall be published on the web site of the Administrative Office of Pennsylvania Courts (www.aopc.org).

(b) A court, by local rule, numbered Local Rule 208.3(b), may impose requirements with respect to motions listed in the rule for the filing of a response, a brief or both. Where a response is required, any party opposing a motion governed by Local Rule 208.3(b) shall file the response within twenty days after service of the motion, unless the time for filing the response is modified by court order or enlarged by local rule.

Official Note: Motions are governed by the procedure in subdivision (a) unless the court by local rule designates particular types of motions to be governed by the procedure in subdivision (b).

The twenty-day response period may be extended or reduced by special order of court. A local rule may only extend the time period.

A response shall be filed by any party opposing a motion governed by subdivision (b) even if there are no contested issues of fact because the response is the opposing party's method of indicating its opposition.

Rule 208.3(b) authorizes each court of common pleas to impose requirements of responses and briefs with respect to designated motions. Rule 239.3(e) requires each court which has imposed such requirements to promulgate a local rule, numbered Local Rule 208.3(b), listing the motions and the requirements.

Rule 239.3(e) also provides that Local Rule 208.3(b) must describe the local court procedure governing motions under subdivision (b) and may allow the court to treat the motion as uncontested if a response is not filed.

Any local rule promulgated must be published on the web site of the Administrative Office of Pennsylvania Courts (www.aopc.org).

Rule 208.4. Initial Consideration of Motion. Court Orders. Issues of Disputed Fact.

(a) At the initial consideration of a motion, the court may enter an order that

- (1) disposes of the motion, or
- (2) sets forth the procedures the court will use for deciding the motion which may include one or more of the following:
 - (i) the filing of initial or supplemental responses,
 - (ii) the filing of initial or supplemental briefs,
 - (iii) the filing of affidavits, depositions and the like,
 - (iv) the issuance of a rule to show cause pursuant to subdivision (b) of this rule,
 - (v) the holding of an evidentiary hearing, and
 - (vi) the entry of an order providing for any other procedure for developing the record.

(b)(1) If the moving party seeks relief based on disputed facts for which a record must be developed, the court, upon its own motion or the request of any party including the moving party, may enter an order in the form set forth in paragraph (2) providing for the issuance of a rule to show cause. The procedure following issuance of the rule to show cause shall be in accordance with Rule 206.7.

Official Note: A court will not necessarily utilize the rule to show cause procedure of subdivision (b) because other methods for developing the record, such as the filing of affidavits, may be the most efficient and appropriate manner for developing a record.

(2) The order required by paragraph (1) shall be substantially in the following form:

(Caption)
ORDER

AND NOW, _____, upon consideration of the foregoing motion, it is hereby ordered that

- (1) a rule is issued upon the respondent to show cause why the moving party is not entitled to the relief requested;
- (2) the respondent shall file an answer to the motion within _____ days of this date;
- (3) the motion shall be decided under Pa.R.C.P. No. 206.7;

(4) depositions shall be completed within ___ days of this date;

(5) argument shall be held on _____ in Courtroom _____ of the _____ County Courthouse; and

(6) notice of the entry of this order shall be provided to all parties by the moving party.

By the Court

J.

Official Note: In counties in which an evidentiary hearing is held, the order should be modified by deleting paragraphs (4) and (5) and substituting new paragraph (4) to read as follows:

(4) an evidentiary hearing on disputed issue of material fact shall be held on _____ in Courtroom ___ of the _____ County Courthouse.

The court may provide in the order for disposition upon briefs rather than oral argument.

The court has inherent power to permit forms of discovery other than depositions.

The court may provide in the order for the filing of briefs.

Rule 210. Form of Briefs.

[If briefs are filed they] Briefs shall be typewritten, printed, or otherwise duplicated and endorsed with the name of the case, the court and number and the name **[and]**, address **and telephone number** of the attorney or the party if not represented by an attorney.

Official Note: Rule 239.4 authorizes each court of common pleas to impose additional requirements governing the form and content of a brief. Rule 239.4 requires each court which has imposed such requirements to promulgate a local rule, numbered Local Rule 210, listing the requirements. Any local rule which has been promulgated must be published on the web site of the Administrative Office of Pennsylvania Courts (www.aopc.org).

Rule 239. Local Rules.

* * * * *

(c) To be effective and enforceable:

* * * * *

(7) Any local rules promulgated pursuant to Pennsylvania Rules of Civil Procedure Nos. 239.1 through 239.7 must be numbered in accordance with the requirements of those rules and published on the web site of the Administrative Office of Pennsylvania Courts.

* * * * *

(Editor's Note: Rules 239.1—239.8 are new. They are printed in regular type to enhance readability.)

Rule 239.1. Pleadings and Legal Papers. Local Rules 205.2(a) and 205.2(b).

(a) A court may impose requirements governing the physical characteristics of pleadings and other legal papers. A court which imposes such requirements must promulgate a local rule, numbered Local Rule 205.2(a), listing those requirements.

(b) A court may require pleadings and other legal papers to be accompanied by a cover sheet in the form set forth in the local rule. A court which imposes such requirements must promulgate a local rule, numbered Local Rule 205.2(b), stating the requirements and setting forth the form of the cover sheet.

Rule 239.2. Petitions. Rule to Show Cause. Local Rules 206.1(a) and 206.4(c).

(a) If, pursuant to Rule 206.1(a)(2), a court has designated applications which are to proceed under Rule 206.1 et seq., the court must promulgate a local rule, numbered Local Rule 206.1(a), listing those applications.

(b) Every court shall promulgate a local rule, numbered Local Rule 206.4(c), which describes the court's procedures for the issuance of a rule to show cause.

(c)(1) If a court has by local rule adopted the procedure of Rule 206.6 providing for the issuance of a rule to show cause as of course, Local Rule 206.4(c) shall expressly

(i) state that the rule shall issue as a matter of course pursuant to Rule 206.6, and

(ii) describe the steps that the moving party must take for the rule to issue.

(2) Local Rule 206.4(c) shall also describe the manner by which the court considers a petitioner's request for a stay of execution pending disposition of a petition to open a default judgment.

(d) If a court follows the procedure of Rule 206.5 under which the issuance of a rule to show cause is discretionary, Local Rule 206.4(c)

(1) shall describe the manner in which the request for the issuance of the rule is scheduled, argued, and decided, and

(2) may impose requirements for the filing of briefs addressing whether a rule to show cause should issue.

(e) In addition to the matters set forth in subdivision (b) or (c), Local Rule 206.4(c) may impose requirements upon the moving party to

(1) transmit the original and/or copies of the petition and related legal papers to a judge or other court personnel, and

(2) notify other parties of the date, time and location of a court proceeding.

Official Note: Local Rule 206.4(c) shall not modify the provisions of Rules. 206.1 through 206.2 governing the contents of a petition or answer, Rule 206.3 governing verification, or Rule 206.7 governing the procedure after issuance of a rule to show cause.

Local Rule 206.4(c) shall not alter the form of the order of court required by Rule 206.5(d), which sets forth the dates by which an answer shall be filed and depositions shall be completed, and the date of the final argument. Pursuant to the Note to Rule 206.5(d), the form of the order may be modified to provide for an evidentiary hearing on disputed issue of fact, the use of forms of discovery other than depositions, the filing of briefs, and disposition without oral argument.

Rule 239.3. Motions. Local Rules 208.2(c), 208.2(d), 208.2(e), 208.3(a) and 208.3(b).

(a) A court may impose a requirement that a motion include a brief statement of the applicable authority. A court which has imposed this requirement must promulgate a local rule, numbered Local Rule 208.2(c), stating the requirement.

(b) A court may impose a certification requirement for motions that are presented as uncontested. A court which imposes such a certification requirement must promulgate a local rule, numbered Local Rule 208.2(d), stating the requirement.

(c) A court may require any motion relating to discovery to include a certification signed by counsel for the moving party certifying that counsel has conferred or attempted to confer with all interested parties in order to resolve the matter without court action. A court which requires such a certification must promulgate a local rule, numbered Local Rule 208.2(e), stating the requirement.

(d) Every court shall promulgate a local rule, numbered Local Rule 208.3(a), which describe the court's motion procedure under Rule 208.3(a). Local Rule 208.3(a)

(1) shall describe the manner in which

(i) motions are scheduled, argued and decided and

(ii) emergency motions are scheduled, argued, and decided if they are governed by a different procedure, and

(2) may impose requirements upon a party to

(i) transmit the original and/or copies of the motion and related legal papers to a judge or other court personnel; and

(ii) notify other parties of the time, date and location of a court proceeding.

(e) If, pursuant to Rule 208.3(b), a court has imposed requirements for the filing of a response, a brief or both with respect to designated motions, the court shall promulgate a local rule, numbered Local Rule 208.3(b), which lists those motions and requirements and which describes the court's motion practice under Rule 208.3(b). Local Rule 208.3(b) shall conform to the requirements of subdivision (d) of this rule and may provide that the motion shall be treated as uncontested if a response is not filed.

Rule 239.4. Briefs. Local Rule 210.

A court may impose requirements governing the form and content of a brief. A court which imposes such requirements must promulgate a local rule, numbered Local Rule 210, listing those requirements.

Rule 239.5. Preliminary Objections. Local Rule 1028(c).

(a) Every court shall promulgate a local rule, numbered Local Rule 1028(c), which describes the court's procedures for the disposition of preliminary objections and which

(1) shall set forth the manner in which preliminary objections are scheduled, argued and decided, and

(2) may impose requirements upon a party to

(i) transmit the original and/or copies of the preliminary objections and related legal papers to a judge or other court personnel,

(ii) notify other parties of the date, time and location of a court proceeding, and

(iii) file briefs.

Official Note: Under Rules. 1026 and 1029, an answer to preliminary objections shall be filed within twenty days after service of the preliminary objection whenever preliminary objections raise issues of fact and are endorsed with a notice to plead. This requirement shall not be altered by a local rule.

(b) This rule shall not apply to family law actions governed by Rules 1901 through 1940.9 or actions pursuant to the Eminent Domain Code of 1964.

Rule 239.6. Motion for Judgment on the Pleadings. Local Rule 1034(a).

Every court shall promulgate a local rule, numbered Local Rule 1034(a), which describes the court's procedures for the disposition of a motion for judgment on the pleadings and which

- (1) shall set forth the manner in which motions for judgment on the pleadings are scheduled, argued and decided, and
- (2) may impose requirements upon a party to
 - (i) transmit the original and/or copies of the motion and related legal papers to a judge or other court personnel,
 - (ii) notify other parties of the date, time and location of a court proceeding,
 - (iii) file a response within twenty days after service of the motion, and
 - (iv) file briefs.

Rule 239.7. Motion for Summary Judgment. Local Rule 1035.2(a).

Every court shall promulgate a local rule, numbered Local Rule 1035.2(a), which describes the court's procedures for the disposition of motions for summary judgment and which

- (1) shall set forth the manner in which motions for summary judgment are scheduled, argued and decided, and
- (2) may impose requirements upon a party to
 - (i) transmit the original and/or copies of the motion and related legal papers to a judge or other court personnel,
 - (ii) notify other parties of the date, time and location of a court proceeding, and
 - (iii) file briefs.

Official Note: The procedural requirements of Rule 1035.1 et seq., including the thirty-day period of Rule 1035.3(a) in which to file a response to the motion, shall not be altered by a local rule.

Rule 239.8. Local Rules. Effective Date.

Local rules required by Rules 239.2, 239.3, 239.5, 239.6 and 239.7 shall be promulgated not later than nine months following the date of the Order of the Supreme Court promulgating this rule.

Official Note: The date of the Order promulgating Rule 239.8 was October 24, 2003.

Local requirements under Rules 239.1 through 239.7 are not effective and enforceable unless local rules are published on the web site of the Administrative Office of Pennsylvania Courts. See Rule 239(c)(7).

Official Note:

* * * * *

Rule 239.7 requires every court to promulgate Local Rule 1035.2(a) describing the local court procedure governing motions for summary judgment. Local Rule 1035.2(a) shall be published on the web site of the Administrative Office of Pennsylvania Courts (www.aopc.org).

CHAPTER 4000. DEPOSITIONS AND DISCOVERY ENTRY UPON PROPERTY FOR INSPECTION AND OTHER ACTIVITIES

Rule 4012. Protective Orders.

(a) Upon motion by a party or by the person from whom discovery or deposition is sought, and for good cause shown, the court may make any order which justice requires to protect a party or person from unreasonable annoyance, embarrassment, oppression, burden or expense, including one or more of the following:

* * * * *

If the motion for a protective order is denied in whole or in part, the court may, on such terms and conditions as are just, order that any party or person provide or permit discovery.

Official Note: Motions for a protective order are governed by the motion rules, Rule 208.1 et seq. A court of common pleas, by local rule numbered Local Rule 208.2(e), may require that the motion contain a certification that counsel has conferred

or attempted to confer with all interested parties in order to resolve the matter without court action.

* * * * *

Rule 4019. Sanctions.

(a)(1) The court may, on motion, make an appropriate order if

* * * * *

(2) A failure to act described in subdivision (a)(1) may not be excused on the ground that the discovery sought is objectionable unless the party failing to act has filed an appropriate objection or has applied for a protective order.

Official Note: Motions for sanctions are governed by the motion rules, Rule 208.1 et seq. A court of common pleas, by local rule numbered Local Rule 208.2(e), may require that the motion contain a certification that counsel has conferred or attempted to confer with all interested parties in order to resolve the matter without court action.

Explanatory Comment

- I. Statewide Practice of Law
- II. Preliminary Objections, Motions for Judgment on the Pleadings and Motions for Summary Judgment
- III. Petitions
- IV. Motions
- V. Additional Provisions
- VI. Effective Date

I. Statewide Practice of Law

The primary obstacle to the statewide practice of law has been the inability of lawyers to learn how each court of common pleas actually operates, particularly with respect to pre-trial applications. New Rules 239.1 through 239.8 and the amendment to Rule 239 adding new subdivision (c)(7) will eliminate this obstacle through three requirements: (1) the promulgation of local rules which describe the steps that litigants must take to have pre-trial matters decided, (2) the use of a standardized numbering system for the local rules, and (3) the publication of the local rules on the web site of the Administrative Office of Pennsylvania Courts (AOPC).

The new rules enable a litigant to obtain the details of a local practice from the AOPC web site by referring to the particular county and the number of the local rule for a specific procedure. For example, new Rule 239.3(c) provides that a court may require any motion relating to discovery to include a certification that counsel has conferred with all interested parties in order to resolve the matter without court action. A common pleas court, which requires such certification, must promulgate a local rule, numbered Local Rule 208.2(e), describing its requirement. Consequently, a litigant can learn from the AOPC web site whether a particular court has promulgated Local Rule 208.2(e) and, if so, the requirements of that rule.

These new rules of civil procedure do not change the practice and procedure relating to pre-trial applications. They are directed to the courts of common pleas which are required to promulgate local rules describing their local practices.

II. Preliminary Objections, Motions for Judgment on the Pleadings and Motions for Summary Judgment

New Rules 239.5, 239.6 and 239.7 impose identical requirements upon every court of common pleas to promulgate local rules which describe the court's procedures for the disposition of preliminary objections (Local Rule 1028(c)), motions for judgment on the pleadings (Local Rule 1034(a)) and motions for summary judgment (Local Rule 1035.2(a)). These local rules must set forth the manner in which preliminary objections and motions for judgment on the pleadings and summary judgment are scheduled, argued and decided. They may impose various requirements including the filing of briefs.

Practice and procedure under the rules of civil procedure governing preliminary objections and motions for judgment on the pleadings or summary judgment remain unchanged.

III. Petitions

Petitions continue to be governed by Pa.R.C.P. 206.1 et seq. Amendments to these rules affect two aspects of petition practice.

First, the scope of the petition rules is set forth in new subdivision (a) of Rule 206.1 which defines the term "petition." As used in these rules governing petition and motion practice, "petition" means an application to open a default judgment or a judgment of non pros and any other application to the court which is designated by local rule, numbered Local Rule 206.1(a), to be governed by the petition rules, Pa.R.C.P. No. 206.1 et seq.

Second, petitions proceed pursuant to a rule to show cause. New Rule 239.2(b) requires every court to promulgate a local rule, numbered Local Rule 206.4(c), which describes the court's procedures for the issuance of a rule to show cause.

IV. Motions

a. Scope and form

New Rule 208.1(a) provides that a motion is any application to the court for an order sought in a civil action or proceeding other than those matters described in Rule 208.1(b)(1) and (2). Examples of excluded matters include preliminary objections, motions for judgment on the pleadings and summary judgment, petitions, motions for special relief and motions for post-trial relief. In addition, the following actions or proceedings are also excluded from operation of the new motion rules: asbestos litigation, actions in replevin, class actions, family law actions and Orphans' Court proceedings.

New Rule 208.2 sets forth very basic form and content requirements for motions. In addition, new Rule 239.3 authorizes the local courts to impose three specific requirements:

1. New Rule 239.3(a) permits a court to promulgate a local rule, numbered Local Rule 208.2(c), requiring that the motion set forth the applicable authority.
2. New Rule 239.3(b) permits a court to promulgate a local rule, numbered Local Rule 208.2(d), imposing a certification requirement for motions that are presented as uncontested.
3. New Rule 239.3(c) permits a court to promulgate a local rule, numbered Local Rule 208.2(e), setting forth a requirement that any motion relating to discovery include a certification that counsel has conferred with all interested parties in order to resolve the matter without court action.

b. *Alternative procedures*

New Rule 208.3 provides two approaches to the disposition of a motion. First, subdivision (a) states that, except as provided by subdivision (b), a motion shall be considered initially by the court without written responses or briefs. New Rule 239.3(d) requires every court to promulgate a local rule, numbered Local Rule 208.3(a), describing the local court procedure governing motions under Rule 208.3(a).

Second, subdivision (b) of Rule 208.3 provides that a court by local rule, numbered Local Rule 208.3(b), may require that a response be filed to the types of motions identified in the local rule and impose briefing requirements. In other words, motions are governed by the simplified procedure of Rule 208.3(a) except for those types of motions which the common pleas court has designated by local rule to be governed by the procedure of Rule 208.3(b) in which responses and briefs may be required.

c. *Disposition of motions*

New Rule 208.4 governs motions filed pursuant to either Rule 208.3(a) or Rule 208.3(b). It provides that at the initial consideration of the motion, the court may enter an order that disposes of the motion or an order that "sets forth the procedures the court will use for deciding the motion". While not intending to limit the procedural options that a court might employ, Rule 208.4(a)(2) catalogs six procedures for use in deciding the motion which might be included in the court's order.

A court may decide that a particular motion is best resolved through a rule to show cause procedure. Subparagraph (iv) of Rule 208.4(a)(2) provides for this option and Rule 208.4(b) sets forth the procedure.

V. Additional Provisions

The following new rules of civil procedure address the obligation of the courts of common pleas to promulgate specific local rules.

a. *Pleadings and other legal papers*

New Rule 239.1(a) allows a court to promulgate a local rule, numbered Local Rule 205.2(a), which imposes requirements governing the physical characteristics of pleadings and other legal papers. Subdivision (b) of the rule allows a court to promulgate a local rule, numbered Local Rule 205.2(b), which requires pleadings and other legal papers to be accompanied by a cover sheet in the form set forth in the local rule.

b. *Briefs*

New Rule 239.4 permits a court to promulgate a local rule numbered Local rule 210, imposing requirements governing the form and content of a brief.

VI. Effective Date

New Rule 239.8 states that the local rules required by Rules 239.2, 239.3, 249.5, 239.6, and 239.7 shall be promulgated not later than nine months following the date of the Order of the Supreme Court promulgating the rule.

Procedure Concerning Providing Court-Appointed Counsel in Summary Offenses; No. 121 MI 03

Administrative Order No. 17-2003

And Now, this 24th day of October, 2003, in order to clarify various issues involving the appointment of counsel in summary offenses, it is hereby

Ordered and Decreed that the following is a clarification of procedures:

1. *Right to Counsel.* In any summary trial or hearing before a District Justice in which the District Justice has determined there is a likelihood of imprisonment, the Defendant shall be advised that he/she has the right to retain counsel and that if he/she does not have the financial ability to retain counsel, counsel will be appointed by the Court. Defendants seeking court-appointed counsel will be directed to report to the Public Defender's Office to determine eligibility. Failure to report as directed may result in the denial of court-appointed counsel. Upon establishment of financial eligibility, counsel will be appointed for the District Justice's summary trial or contempt hearing. Counsel's appointment will terminate at the conclusion of the summary hearing or contempt hearing, unless the District Justice sentences the Defendant to a period of incarceration and an appeal is timely taken.

2. *Notice of Appeal.* In any case in which a District Justice has imposed a sentence of imprisonment and an appeal has been filed to the Court of Common Pleas, Defendant may file the Notice of Appeal without the payment of the Appeal costs if court-appointed counsel was provided at the District Justice level. If court-appointed counsel was not provided at the District Justice level, Defendant must pay the requisite Appeal fees unless a Petition to Proceed in Forma Pauperis is filed concurrently with the Notice of Appeal. The Judge to whom the underlying Appeal is assigned will determine whether Defendant must ultimately pay Appeal costs.

It Is Further Ordered and Decreed that the Carbon County District Court Administrator is *Ordered and Directed* to do the following:

- 1. File seven (7) certified copies of this Administrative Order with the Administrative Office of Pennsylvania Courts.
- 2. File two (2) certified copies and one (1) diskette with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*.
- 3. File one (1) certified copy with the Pennsylvania Criminal Procedural Rules Committee.
- 4. Forward one (1) copy for publication in the *Carbon County Law Journal*.
- 5. Forward one (1) copy to the Carbon County Law Library.

Revision of Adult Probation/Parole Department
Firearms Policy; No. 74 MI 99

Administrative Order No. 20-2003

And Now, this 24th day of October, 2003, it is hereby

Ordered and Decreed that, effective thirty (30) days after publication in the *Pennsylvania Bulletin*, that the Carbon County Court of Common Pleas hereby Revises the Adult Probation/Parole Department Firearms Policy applicable to all members of the Carbon County Adult Probation Department since its inception on December 13, 1999. This revised policy incorporates the Use of Force Policy originally filed to 083 MI 96.

The Carbon County District Court Administrator is Ordered and Directed to do the following:

1. File seven (7) certified copies of this Administrative Order with the Administrative Office of Pennsylvania Courts.

2. File two (2) certified copies and one (1) diskette with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*.

3. File one (1) certified copy with the Pennsylvania Criminal Procedural Rules Committee.

4. Forward one (1) copy for publication in the *Carbon County Law Journal*.

5. Forward one (1) copy to the Carbon County Law Library.

6. Keep continuously available for public inspection copies of the Order and Rule in the Clerk of Court's Office.

By the Court

RICHARD W. WEBB,
President Judge

Purpose

To establish policy and procedure governing the administration of the Carbon County Adult Probation/Parole Department's firearms program.

Applicability

To the Chief Adult Probation/Parole Officer, the Deputy Chief Adult Probation/Parole Officer and all Adult Probation/Parole Officers.

Definitions

As utilized in this document, the following definitions shall apply:

1. *Arrest*: The physical taking of a person into custody and restraining them until they can be brought before the court to answer the violations alleged against them.

2. *Attack Management*: Shielding, distance and movement.

3. *Attack Potential*: The immediate and simultaneous existence of intent, weapon, delivery system and target.

4. *Center of Mass*: The center of the three largest vital areas available, upper torso, brain and pelvic girdle.

5. *Certification*: The assignment of a certification number to a probation/parole officer after successful completion of a mandatory basic training course from the County Probation and Parole Officers' Firearm Education and Training Commission.

6. *Deadly Force*: As defined in Pennsylvania Crimes Code, 18 P. S. § 501, which states: "Force, which, under circumstances in which it is used, is readily capable of causing death or serious bodily injury."

7. *Debriefing*: A concise review of an event, conducted by all participating departments and ancillary agencies. It is the process of reviewing all aspects of an event, by all participants, to assess strengths, weaknesses, problems or concerns relevant to the actions employed in correlation to anticipated and actual outcomes.

8. *Defense of Life Rule*: The use of deadly force only in those circumstances in which a person cannot safely disengage and where deadly force is required to stop and render a person incapable of continuing life threatening actions.

9. *Delivery System*: The opportunity to place someone in jeopardy.

10. *Displaying a Firearm*: The clearing from a holster (unholstering) a firearm or brandishing a holstered weapon in a manner in which a reasonable person could perceive a use of force threat.

11. *Excessive Force*: Force, which is unreasonable in the performance of an act otherwise lawful; or, force used in making an arrest in excess of the force reasonably necessary to effect control of a subject.

12. *Firearm*: Any pistol or revolver with a barrel less than twelve inches, any shotgun with a barrel less than twenty-four inches, or any rifle with a barrel less than fifteen inches (See 18 Pa.C.S. § 6102).

13. *Force*: The impetus of power; physical power of strength, exerted against a person and employed without their consent for the purpose of controlling the person while maintaining a position of advantage.

14. *Handgun*: A revolver or pistol designed to be fired with one hand.

15. *Impairment*: A condition, which can affect judgment, reaction time or motor skills as it may affect the ability to handle a firearm safely.

16. *Intent*: The means to place someone in jeopardy.

17. *Magazine*: A receptacle where rounds are stored for use in a pistol.

18. *Peace Officer*: Any person who by virtue of his office or public employment is vested by law with a duty to maintain public order or to make arrests for offenses, whether that duty extends to all offenses or is limited to specific offenses, or any person on active State duty pursuant to section 311, of the Act of May 27, 1949 (P. L. 1903, No. 568), also known as "The Military Code of 1949." Also, see 18 Pa.C.S. § 501 as applied to probation officers in 61 Pa.C.S. § 309.1.

19. *Pistol*: A semi-automatic handgun.

20. *Preclusion*: Fast assessment to determine if a lower level of force would be inappropriate, ineffective and to disengage is not possible.

21. *Self-Defense*: That action taken to nullify an attack when based on a reasonably founded belief that either death, serious bodily injury or other injury will occur because of the existence of a clear and present danger. Self-defense may be personal or instituted for the protection of another person.

22. *Serious Bodily Injury*: As defined in the Pennsylvania Crimes Code, 18 P. S. § 2301, which states: "Bodily injury which creates a substantial risk of death or which

causes serious, permanent disfigurement, or protracted loss or impairment of the function of any bodily member or organ.”

23. *Striation*: A thin narrow, groove or channel caused by constant friction.

24. *Target*: A person or thing at which force may be directed or used.

25. *Target Identification*: An empirical verification of a person or thing at which force may be directed or used.

26. *Target Isolation*: The ability to segregate a target from surrounding people or objects.

27. *Use of Force*: As defined by the Pennsylvania Crimes Code, 18 P.S. § 508, Use of Force in Law Enforcement, which states:

(a) Peace Officer's Use of Force in Making Arrest:

(1) A peace officer, or any person whom he has summoned or directed to assist him, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. He is justified in the use of any force, which he believes to be necessary to effect the arrest, and of any force, which he believes to be necessary to defend himself or another from bodily harm while making the arrest. However, he is justified in using deadly force only when he believes that such force is necessary to prevent death or serious bodily injury to himself or such other person, or when he believes both that:

(i) such force is necessary to prevent the arrest from being defeated by resistance or escape; and

(ii) the person to be arrested has committed or attempted a forcible felony or is attempting to escape and possesses a deadly weapon, or otherwise indicates that he will endanger human life or inflict serious bodily injury unless arrested without delay.

(2) A peace officer making an arrest pursuant to an invalid warrant is justified in the use of any force which he would be justified in using if the warrant were valid, unless he knows that the warrant is invalid.”

28. *Use of Force Model*: The Use of Force Paradigm for Enforcement and Corrections as developed and defined by John Desmedt of the Protective Safety System.

29. *Weapon*: Includes handguns and firearms. It also includes any other instruments of offensive or defensive combat use or designated as being capable of causing injury to another person.

30. *Weapon-Carrying Officer*: A county probation/parole officer who is authorized to carry a weapon in connection with performance of the duties of his employment.

Authority and Policy Statement

Authority: This policy statement has been developed pursuant to and in accordance with statutory requirements, local rules established by the Carbon County Adult Probation/Parole Department and through the formal adoption by the Carbon County Court of Common Pleas through administrative court order.

Policy Statement: The Carbon County Adult Probation/Parole Department and Carbon County Court of Common Pleas recognizes that an element of danger does exist in dealing with criminal offenders and will provide adult probation/parole officers with the opportunity to carry a firearm in order to protect themselves from serious bodily

injury or deadly force. The consideration in the use of force is for the preservation of life and physical safety of the officer, the public and the offender.

Statutory Authority of Adult Probation Officers

Authority of Probation and Parole Officers: Probation and Parole Officers employed by the Court of Common Pleas enjoy police powers over the offenders under their supervision. Section I of Act 277 of 1963 and amended Act 117 (61 P.S. § 309.1) vests probation officers with such police powers. The Act states:

“Probation Officers heretofore or hereafter appointed by any Court of record of this Commonwealth are hereby declared to be peace officers, and shall have police powers and authority throughout the Commonwealth to arrest with or without warrant, writ, rule of process, any person on probation, intermediate punishment or parole under the supervision of said Court for failing to report as required by the terms of his/her probation, intermediate punishment or parole or for any other violation of his/her probation, intermediate punishment or parole.”

Peace Officer: In 1973, with the adoption of the Pennsylvania Crimes Code, a peace officer was defined in 18 P.S. § 501 as:

“. . . any person who by virtue of his public office or public employment is vested by law to make arrests for offenses whether that duty extends to all offenses or is limited to specific offenses. . . .”

The police powers granted to probation and parole officers are limited. Those powers extend only to persons subject to the jurisdiction of the sentencing common pleas court or as may be granted by another jurisdiction through an Interstate Compact Agreement (61 P.S. § 321 et seq.) or Intercounty Compact Agreement. Therefore, the police power of probation and parole officers differs in scope from that of the police officer.

Arrest Authority: Adult probation/parole officers are empowered to make arrests; however, those powers extend only to offenders under the jurisdiction of the department placed on probation, parole or intermediate punishment (See 61 P.S. § 309.1).

Use of Force Policy

Jurisdiction to Act: The use of any force by adult probation/parole officers will be justified only when the department has jurisdiction. The jurisdiction to act as an authorized adult probation/parole officer is limited to those situations involving offenders under the direct supervision of the department and/or those individuals that are encountered by officers as a direct result of the supervision of the offender.

Purpose of Force: The objective of the use of force by adult probation/parole officers is to establish and maintain lawful control in a timely manner, to minimize the potential for injury to parties directly involved, as well as others. The degree of force authorized is that degree necessary to establish lawful control in a timely manner. This degree of force depends upon the degree of danger or resistance perceived by the officer.

Use of Force Model: The department formally adopts, subscribes and employs The Use of Force Paradigm for Enforcement and Corrections as developed and defined by John Desmedt of The Protective Safety Systems.

Timeliness: Timely means on time and not late. Officers need not wait for injury to occur to themselves or others before taking appropriate action to prevent injury.

Control of the Subject: Control of the subject must be established for the safety of the officer and others in response to perceived danger and when necessary to accomplish duties authorized by law.

Use of Physical Force: Physical force is to be used only in circumstances of justifiable self-protection or the protection of other persons. Adult probation/parole officers should use their discretion in using physical force. When possible, officers should consider withdrawing from the situation and securing assistance. If physical force is used, the officer shall only use the minimum force necessary to control the situation.

Officer Identification: If circumstances permit, the officer must make their identity as an adult probation/parole officer known.

Verbal Warning: Whenever possible, the officer must exercise persuasion, advice and warning before using physical force. If such verbal control would be (or is found to be) ineffective, the officer may use physical force to accomplish a lawful purpose.

Use of Force Considerations: Officers shall consider the following when employing force:

1. Subject's immediate threat to safety.
2. Subject's active resistance or attempt to escape.
3. Severity of the crime involved.
4. An officer's ability to disengage.
5. The circumstances existing at the moment force is used.
6. The tactics employed by an officer that may have caused a use of force decision to become necessary.

Reasonable Control Guidelines: When using force, officers must:

1. Match force to the subject's resistance.
2. Correctly apply techniques and equipment appropriate to that force level.
3. Apply alternative options if tactics fail to establish control.

Use of Excessive Force: The use of excessive force is prohibited by Federal and State laws. Violation of these laws can carry both civil and criminal penalties. Officers will be held accountable for the use of force.

Administration of First Aid: When an officer uses force on an offender and injuries result, the officer shall:

1. Contact the Carbon County Communications Center for assistance from medical and law enforcement personnel.
2. Contact the Chief Adult Probation/Parole Officer or immediate supervisor.
3. Render first aid to the injured subject. Officers must remember that they are responsible for administering first aid treatment to an injured subject.

Use of Force Test: The use of force is based upon determining what force a reasonable officer at the scene would have used under the circumstances (See *Graham v. Conner*, 109 S.Ct. 1865, 1989).

Immunity of Adult Probation/Parole Officers

Assistance of Law Enforcement Personnel: In accordance with 42 Pa.C.S. § 8332.8(A), the Carbon County Court of Common Pleas hereby authorizes the Chief Adult Probation/Parole Officer and/or the Deputy Chief Adult Probation/Parole Officer to grant permission to any Car-

bon County Adult Probation/Parole Officer requesting to assist state or local police departments or any other county probation officers in the lawful performance of their duties. Such assistance shall be considered to be acting within the scope of his official duty for all purposes of law and shall enjoy any benefit or immunity conferred upon an employee of Carbon County. Adult Probation/Parole Officers must obtain prior permission from the Chief or Deputy Chief before assisting any law enforcement agency or other county probation department.

Assistance of Criminal Victims: In accordance with 42 Pa.C.S. § 8332.8(B), all Carbon County Adult Probation/Parole Officers appointed by the Carbon County Court of Common Pleas are entitled to immunity under 42 Pa.C.S. § 8331.3 (relating to criminal victim aid good Samaritan civil immunity) as a result of providing assistance to a victim of a crime, shall be considered to be acting within the scope of his official duty while providing assistance to the victim for all purposes of law and shall enjoy any benefit or immunity conferred upon an employee of Carbon County.

1. *Criminal Victim Aid Good Samaritan Civil Immunity:* Pursuant to 42 Pa.C.S. § 8331.3, any person who provides or obtains or attempts to provide or obtain assistance for a victim of a crime involving death, serious physical injury, robbery, burglary, kidnapping, rape, statutory sexual assault, involuntary deviate sexual intercourse, sexual assault, aggravated indecent assault or indecent assault at the scene of the criminal act or attempted criminal act shall not be liable for any civil damages as a result of any acts or omissions in providing or obtaining or attempting to provide or obtain assistance, except any acts or omissions designed to harm or any acts or omissions that constitute gross negligence or willful, wanton or reckless conduct. Any Carbon County Adult Probation/Parole Officers witnessing any of the above mentioned criminal acts do not need to obtain prior permission from the Chief or Deputy Chief to assist victims of these criminal acts.

Deadly Force Policy

Serious Bodily Injury: The operational definition of serious bodily injury, as defined by the Use of Force Model is:

1. An open gash or wound;
2. Major broken bones; and/or
3. Damage to internal organs.

Use of Deadly Force: The use of deadly force by officers shall be strictly limited to defensive situations. If appropriate, officers shall exhaust all other types of force before resorting to the utilization of deadly force. However, officers may employ deadly force as a last resort, when they perceive an immediate danger of loss of life or serious bodily injury.

Justifiable Use of Deadly Force: When the use of deadly force is justified, officers discharging weapons shall not shoot to kill nor shoot to wound, but rather to stop the action by causing the instant incapacitation of the subject. For maximum stopping effectiveness and to minimize the danger to innocent bystanders, officers should shoot at center body mass.

Offensive Posture: Officers shall not utilize deadly force in an offensive posture to effect the apprehension of those persons who commit violations of probation, parole or intermediate punishment, or any other law amounting to summary, misdemeanor or felony offenses, which do not present the threat of death or serious bodily injury.

Nothing contained in this policy statement shall preclude the use of deadly force for self-defense, when warranted.

Verbal Warning: When practical, and if the time and opportunity exists in a deadly force situation, officers shall identify themselves as adult probation/parole officers and give some type of warning prior to the use of deadly force.

Requirements for Righteous Deadly Force: Officers shall consider the following:

1. Accurately assessing a subject's imminent potential for attacking in a life-threatening manner (attack potential); the immediate and simultaneous existence of intent, weapon, delivery system and target.

2. Articulating why an officer feared for their life or someone else's when deadly force action was taken.

3. Explaining why a lower level of force was inappropriate, ineffective and disengagement was not possible.

Target Identification and Isolation: Officers shall consider the following factors when making a decision to use deadly force:

1. Officers facing a decision to use deadly force must be aware of any innocent third parties that may be present in or near the line of fire.

2. Officers are prohibited from discharging their firearms when they cannot identify their target and it appears reasonably and likely that an innocent person(s) may be injured, unless the prohibition in discharging the firearm is likely to result in the immediate death or serious bodily injury of the officer or another person.

3. Officers shall establish target identification and target isolation.

Use of Excessive Force: See Page 5 of this policy statement.

Administration of First Aid: See Page 5 of this policy statement.

Disengagement: Whenever possible, and if the time and opportunity exists, officers shall utilize shielding, distance and movement (attack management) to disengage from a situation before resorting to deadly force.

Warning Shots: Warning shots are strictly prohibited under all circumstances.

Rescue Shots: Officers may use a rescue shot for the purpose of identifying location and/or acquiring appropriate assistance.

Critical Incident Report

Subject Control Report: A Subject Control Report shall be completed whenever an officer is compelled to use force on a subject who, under the "Use of Force Model," is considered a resister or assailant or upon the request of an immediate supervisor. Also, when practical, this report shall be completed within twenty-four hours of occurrence of the incident. If circumstances do not permit the report to be completed within the established time frame, then the report should be completed as soon as circumstances permit (See page 23 of this policy statement). Also, the following shall apply to subject control reports:

1. Acknowledging that an event or incident shall be reported based upon the perceptions, interpretations, stress- levels and state-of-mind of each individual involved. A subject control report shall be regarded as one source of information subject to review.

2. A subject control report should be written as factual as possible within an atmosphere of tolerance and understanding for possible gaps in memory.

3. All subject control reports are the property of the department and shall not be filed in the employee personnel file.

4. All subject control reports shall be considered confidential, and not of public record.

Garrity Right: When a supervisor requests that an officer complete a subject control report, then the officer must complete the report within the established time constraints of this policy statement. Failure by the officer to complete a subject control report will expose the officer to disciplinary action, up to and including termination [See *Garrity v. New Jersey*, 385 U.S. 493 (1967)]. However, if a criminal investigation is pending against the officer, then a subject control report will not be required. All reports of the investigating police officer will be obtained by the Chief and substituted for the subject control report.

Debriefing

Necessity and Timing of Meeting: A debriefing shall be convened whenever an officer is compelled to use force on a subject who, under the "Use of Force Model," is considered a resister or assailant or upon the request of an immediate supervisor or officer involved with the incident. Also, when practical, this meeting shall be held within twenty-four hours of occurrence of the incident. If circumstances do not permit the meeting to be held within the established time frame, then the meeting shall be held as soon as circumstances permit. This structured meeting can either be in a one on one situation or in a small group with a supervisor [Chief or Deputy Chief] present. The performance of the officer(s) should be evaluated, with appropriate recommendations for corrective action being referred to the Chief Adult Probation/Parole Officer, if necessary.

Authorization to Carry Firearms

Authorization to Carry a Firearm: All adult probation/parole officers with peace officer status can request authorization to become a weapon-carrying officer (See Page 19 of this policy statement).

Requirements to Carry a Firearm: The department shall authorize officers to carry firearms for defensive purposes when the following criteria is met:

1. Successful completion of a criminal background investigation.
2. Successful completion of a psychological examination.
3. Successful completion of the Basic Orientation Academy for Probation/Parole Officers.
4. A written request from the Adult Probation/Parole Officer to the Chief Adult Probation/Parole Officer to carry a firearm.
5. Successful completion of a first aid and CPR course.
6. Successful completion of a defensive tactics and Use of Force course.
7. Successful completion and certification from the County Probation and Parole Officers' Firearm Education and Training Commission.
8. Ability to demonstrate a proficiency in the knowledge, handling, and safety of firearms.

Issuance of Authority to Carry a Firearm: The process of requesting authorization to carry a firearm shall be reviewed by the Chief Adult Probation/Parole Officer who shall consider the following:

1. Demonstrated need to carry a firearm in the performance of their official duties.
2. Physical and emotional condition of the officer.
3. Presence of alcohol-related problems.
4. Signs of emotional instability.
5. Officer under the care of a psychologist or psychiatrist.
6. Current or past disciplinary problems with the officer.
7. Completion of all requirements as outlined on page 7 of this policy statement.

Final Approval: The Chief Adult Probation/Parole Officer will make the final decision. The refusal of a request for authorization to carry a firearm is not appealable. Unless otherwise instructed, an officer may reapply for authorization every six months (See Page 20 of this policy statement).

Officers Not Requesting Authorization To Carry: All officers that were hired prior to the implementation date of this policy statement will have the option to carry a firearm. If an officer decides not to carry a firearm, then he/she must complete the Request Not To Carry a Firearm form and return it to the Chief Adult Probation/Parole Officer. Nothing in this policy statement shall prohibit an officer from requesting authorization to carry at a later time (See Page 21 of this policy statement).

Relinquishing Authorization: Once an officer is authorized to carry a firearm, that officer cannot request relinquishment of that authorization. The decision to carry a firearm is a difficult and moral decision that must be considered carefully by the officer before requesting authorization.

Condition of Employment: All new employees will be required to carry a firearm in the performance of their official duties.

Issuance of the Firearm: Once the officer has completed all training and fulfilled all agency requirements, the Chief Adult Probation Officer shall issue a firearm to the officer and execute the firearm issuance form (See Page 22 of this policy statement).

Firearms Not To Be Carried Without a License: Since adult parole/probation officers are declared peace officers with police powers to arrest offenders in violation of probation, parole or intermediate punishment, a license to carry a firearm during the performance of their official duties is not required. However, the department recommends that all weapon-carrying officers obtain a license to carry a weapon. The officer shall absorb the costs of the permit. Also, according to 18 Pa.C.S. § 6106, states, no person shall carry a firearm in any vehicle or concealed on or about his person, except in his place of abode or fixed place of business, without a license, except, constables, sheriffs, prison or jail wardens, or their deputies, policemen of this Commonwealth or its political subdivisions, or other law-enforcement officers.

Conditions for Carrying a Firearm

Conditions for Carrying Firearms: All weapon-carrying officers shall carry their firearm concealed and under the following circumstances:

1. During an arrest situation.
2. During a search and seizure situation.
3. While conducting field contacts, including after-hour supervision or investigations by assigned on-call personnel.
4. Range qualification and related training, including practice shooting.
5. To and from employment.
6. During the performance of their official duties as an adult probation/parole officer.

Office Setting: While in the office, all weapon-carrying officers shall secure their firearm in the gun security cabinet within the adult probation office. Officers shall be prohibited from carrying their firearm while in the office, unless entering or exiting the building to conduct fieldwork.

Courthouse Setting: While in the Courthouse or Courthouse Annex Building, all weapon-carrying officers shall secure their firearm in the gun security cabinet within the adult probation office. Officers shall be prohibited from carrying their firearm in the courthouse or courthouse annex building, unless entering or exiting the building to conduct fieldwork.

Concealment of Firearm: Firearms are to be carried in a concealed manner on the officer, under an article of clothing. The following exception will apply:

1. When participating in an arrest situation, the officer may position the weapon in an unconcealed manner to enhance accessibility.
2. When participating in range qualification and related training, including practice shooting.

Displaying a Firearm

Displaying a Firearm: Firearms shall not be displayed or drawn for any other reason than described below:

1. During an arrest situation.
2. Justifiable self-protection, the protection of others, assisting law enforcement and/or victims of crime.
3. When the officer perceives an immediate threat of death or serious bodily injury, which may include an attacking animal.
4. Cleaning the firearm, storage and inspection.
5. Range qualification or practice shooting.
6. Storage at a correctional facility, courthouse or other secure facility.

Handling of Firearms

Handling of a Firearm: The continued authorization to carry a firearm will depend on the following:

1. The officer's compliance with agency policy and procedure.
2. The officer's ability to handle the firearm in a safe manner.
3. The officer's ability to conduct themselves in a safe and proper manner while in possession of the firearm.
4. Except for general maintenance, storage or authorized training, officers shall not draw or exhibit their firearms unless circumstances create strong reasonable belief that it may be necessary to lawfully use the weapon.

5. In those situations, the officer shall exercise a reasonable standard of care with the drawn weapon. Reasonable care includes: pointing the muzzle in a safe direction; keeping the trigger finger outside the trigger guard; and under no circumstances shall a weapon capable of double action be cocked for single action use.

6. The use or handling of a firearm by an officer, on or off-duty, in a careless or imprudent manner or the unjustified endangering of human life by a firearm in violation of this policy statement is strictly forbidden and shall result in a disciplinary investigation and may result in the revocation of authorization to carry a firearm.

7. The department does not authorize or recognize the carrying of an agency issued firearm during off-duty hours.

Firearm Safety Considerations: The following regulations apply to all firearms and situations, whether on or off the range, at home or conducting probation/parole activities:

1. Always consider all firearms to be loaded.
2. Never point the muzzle of the firearm across anything, which you are unwilling to shoot.
3. Keep your finger outside the trigger guard until you are ready to shoot.
4. Be certain of your target, target identification and target isolation.
5. When you take a gun from its holster or storage for any other purpose than necessary use, unload it and check to see that it is unloaded three times.
6. A gun is not a toy, do not play with it.
7. Do not use or possess a firearm when drinking or using other substances that alter perception or disposition.
8. Resist the temptation to show off your firearm.
9. Do not loan your firearm to anyone else.
10. When passing a pistol to another individual, make sure the weapon is unloaded, magazine removed, action open, handing it gun grip first.

Storage of Firearms and Ammunition

Storing the Firearm: All weapon-carrying officers shall store their firearm as follows:

1. *In the Field:* When performing fieldwork, firearms are to be concealed on the officer.
2. *In an Automobile:* Firearms shall not be left in a vehicle, trunk, glove compartment, briefcase or other areas of storage, except under the following circumstances.
 - a. When the officer is entering an institution in which a firearms locker is not available.
 - b. When the officer must appear in court in which the courthouse does not allow entrance of an armed officer and there is no firearms locker available.
 - c. Should circumstances arise requiring the emergency or brief storage of a weapon, the containment area must be stationary, locked and be inaccessible to all except the officer.
3. *In the Office:* For purposes of office security and safety, officers are not permitted to carry their firearm in the office, unless entering and exiting to conduct fieldwork. When weapon-carrying officers are assigned to the office for duty days, the firearm must be stored in the gun

security cabinet unloaded, with the key being secured by the officer. Under no circumstances are firearms to be stored in desks or any other location in the office. If weapon-carrying officers do not take their firearms home after normal business hours, then the weapon must be secured in the gun security cabinet, unloaded.

4. *In the Courthouse/Annex Building:* For purposes of courthouse security and safety, officers shall secure their firearm in the gun security cabinet within the adult probation office unloaded. Officers shall be prohibited from carrying their firearm in the courthouse or annex building, unless entering or exiting the building to conduct fieldwork.

5. *Correctional Facilities/Other Courthouses:* When officers enter correctional facilities, other courthouses or any other secure facility, the officer shall secure their weapon in accordance with the facility's regulations.

6. *At Home:* See Page 11 of this policy statement.

7. *Interstate Travel:* When traveling outside the Commonwealth of Pennsylvania, officers are not permitted to carry their firearm into the neighboring state.

8. *In a Public Rest Room:* The officer shall remove his/her duty belt with the firearm in the holster and place the duty belt around the officer's neck. This procedure will ensure that the officer's equipment will not be stolen or forgotten.

Storage of Ammunition: When in the office, the firearm will be unloaded and the ammunition secured separately from the firearm in the gun security cabinet, accessible only to authorized personnel. When at home, the ammunition shall be removed from the firearm and stored in a separate location.

Unattended Firearm: Under no circumstances shall the officer leave his duty weapon unattended while in the office, field, home or any other unsecured locations.

Home Safety

Firearm at Home: All weapon-carrying officers may take their firearms home after normal business hours.

Home Safety: It is essential that the officer assigned to carry a firearm instruct their family members in the proper use and handling of the firearm. It should be made perfectly clear that the firearm is not to be handled by anyone other than the officer or a mature adult. The officer is responsible to educate his family members on the safety and proper handling of the firearm. All firearms should be kept out of the reach of children and immature or irresponsible adults and stored in a secure area. Older children may be given gun instruction with the extent of the training being dependent on the child's maturity and judgment of the parents.

Storage at Home: Immediately upon entering the residence, the firearm should be unloaded, the magazine removed and the firearm and equipment stored in a secure area. Officers are encouraged to store the ammunition, magazines and the firearm in different locations. The firearm must not be left unattended and accessible while in the residence. It shall be the responsibility of the officer to ensure that the firearm is properly secured in a locked cabinet or drawer. The firearm should be kept beyond the reach of small children.

Loaded Firearm: Firearms shall not remain loaded while in the residence. The officer shall immediately unload the weapon when they enter the residence and all ammunition should be kept in a safe location away from

the weapon. All ammunition should be stored in a cool, dry place to prevent deterioration.

Trigger Guards: As a suggestion, a trigger guard lock will secure the firearm from accidental discharge. The key to the trigger guard should be kept on the officer's person at all times.

Unattended Weapon at Home: The officer shall not leave his duty weapon unattended while in their residence. The firearm must be secured at all times.

Loading and Unloading Firearms

Loading Firearms in the Office: The agency has provided all weapon-carrying officers with a gun barrel to load and unload their weapons. When officers are preparing for fieldwork, the officer shall load his firearm in the gun barrel located within the agency as follows:

1. The officer shall notify all agency personnel that he will be loading his weapon.
2. Before loading the weapon, the officer shall clear the entire room of other agency personnel.
3. The officer shall point the barrel of the weapon into the center of the gun barrel and load the weapon.
4. No other agency personnel shall be permitted in the area until the weapon is loaded and secured in the officer's holster.

Unloading Firearms in the Office: When officers return from the field, they shall unload their weapon as outlined above.

Discharge of Firearms

Discharge of a Firearm: The discharge of a firearm is permitted only when an officer reasonably believes that he/she or another person is at risk for serious bodily injury or death and that the deadly force employed by the officer is reasonable and necessary and not excessive by comparison to the type of resistance offered by the offender.

Unholstering: See Page 9 of this policy statement (Displaying a Firearm).

A Discharged Weapon: Any unholstering, discharge or firing of a weapon, other than in a training program, qualification or off-duty practice, must be reported immediately to a supervisor by the officer who discharged the weapon.

Involved Officer(s) Responsibilities: Any time an officer is engaged in an incident, which involves the discharge of a firearm, whether by an agency officer or another person, the following procedure shall apply:

1. Immediately following the incident, secure the scene and make every effort to preserve potentially pertinent evidence.
2. Contact the Carbon County Communications Center for the police department that has jurisdiction and medical personnel, if injuries resulted to any persons at the scene.
3. Notify the Chief Adult Probation/Parole Officer or his designee, if unavailable.

Written Incident Report: The officer must file a written incident report immediately after the discharge to their immediate supervisor. The officer shall provide the exact location and time of the incident; a detailed description of the incident; names and addresses of witnesses; reasons for discharging the weapon; names of any investigating police officers; and any other information that may be

necessary in understanding and investigating the incident. However, if a police investigation has been initiated, the officer(s) involved with the incident will not need to file a written report at this time. The Chief Adult Probation/Parole Officer will obtain a copy of the police report (See page 23 of this policy statement).

Surrendering the Weapon: The officer shall surrender the weapon involved to their immediate supervisor or a requesting police officer involved in the investigation. The officer's weapon shall be confiscated and temporarily suspended until the investigation is completed.

Incidents and Allegations: It is the responsibility of the officer carrying a firearm to report immediately to a supervisor any incidents or situations that may result in allegations being made or complaints filed regarding the use or displaying of a firearm. Other staff that observes an unusual situation involving a firearm must verbally report to an immediate supervisor. The Chief Adult Probation/Parole Officer may request a written report.

Departmental Investigation: The Chief Adult Probation Officer shall receive prompt notification of the incident so that an investigation can be initiated to verify the factual basis surrounding the situation.

Shooting At Moving Vehicles

Shooting at Moving Vehicle Guidelines: Officers shall not discharge a firearm at or from a moving vehicle except under the following circumstances:

1. As a last resort measure of self-defense when the subject is using deadly force by means of other than the vehicle.
2. As a last resort measure of self-defense when a vehicle is being driven in a manner deliberately intended to kill or injure an officer or other party.

Limitations and Consequences Shooting at a Moving Vehicle: In deciding to shoot at a moving vehicle, officers must take into account the following limitations and consequences:

1. The difficulty of hitting a moving target.
2. The possibility of ricochets striking unintended targets.
3. Population densities.
4. The difficulty in penetrating the automobile body and/or steel belted radial tires.
5. The inability to stop a vehicle's momentum even when the target actor is hit.
6. The possibility of damage or injury, which might result from causing the vehicle to go out of control.

Damaged, Lost or Stolen Firearms

Damaged Firearm: Any officer who suspects that his/her issued firearm is damaged shall immediately notify the Chief Adult Probation/Parole Officer. A potentially damaged firearm shall not be carried. The firearm shall be secured and sent to a certified armorer for repairs. During this time, the officer will not carry a firearm until the firearm can be repaired.

Lost or Stolen Firearm: The loss or theft of a firearm shall be immediately reported to the Chief Adult Probation/Parole Officer. This report must be made within twenty-four (24) hours of occurrence, either by telephone or in person. The initial notification will be followed immediately by a written report describing the circumstances surrounding the loss or theft of the firearm. The employee must take immediate and reasonable action to

recover the firearm and obtain all information available to aid in the investigation and recovery of the firearm. Employees must seek assistance from the appropriate law enforcement agency as soon as possible.

Security and Accountability: Officers are directly responsible for the safety and security of authorized firearms. Officers may be required to reimburse the County for the costs of lost, stolen or damaged firearms if:

1. An official investigation establishes that the officer is negligent or otherwise at fault,
2. It is administratively decided that reimbursement is to be made.

Disciplinary Action: Failure to safeguard or otherwise secure firearms may result in disciplinary action. Furthermore, the officer's authorization to carry may be suspended and he/she referred for appropriate levels of training.

Requirement to Notify the Department of Physical and Pharmacological Conditions Affecting the Ability to a Carry Firearm

Impairment: It shall be the responsibility of the weapon-carrying officer to notify their immediate supervisor of any physical or pharmacological conditions causing physical and/or emotional impairment.

Prescriptive Medication: In those instances when an officer is prescribed a medication for an illness or medical condition, it shall be the responsibility of the weapon-carrying officer to notify their immediate supervisor. When an officer believes and/or medical personnel indicate that a medication may affect judgment and/or reaction time, authorization to carry a firearm shall be suspended. Authorization shall be reinstated upon the cessation of the medication and its effects or with a physician's ruling that the medication's potential contraindications would be aversive to handling a firearm safely and proficiently.

Employee Drug Testing Program: All employees of the adult probation/parole officer shall be subject to random drug screens (See Article 56: Carbon County Court System Drug-Free Work Place Policy and Testing Guidelines in the Personnel Policy and Procedure Manual for Court Employees).

Prohibited Use of Officially Issued Firearm

Use of Agency Issued Firearm: Agency issued firearms may only be used for official purposes, in the performance of the officer's official duties. In accordance with this policy statement, weapon-carrying officers, who use agency issued firearms for other than official authorized purposes, shall be subject to disciplinary action, up to and including termination.

Temporary Suspension of Authorization to Carry

Incidents and Allegations: See Page 15 and 16 of this policy statement.

Departmental Investigation: See Page 15 and 16 of this policy statement.

Temporary Suspension of Authorization to Carry: If circumstances arise where an officer's ability to properly handle a firearm is called into question, the Chief Adult Probation/Parole Officer has the duty and authority to immediately remove the officer's agency issued firearm in an effort to provide for the safety of the officer, as well as that of the community. Reasons for a temporary suspension may include, but are not limited to the following:

1. Physical limitation or injury
2. Mental, emotional, or behavioral impairment
3. Allegations of misconduct, negligence, or carelessness
4. Induced impairment due to drugs (illicit or legal), and/or alcohol
5. Unsafe situational tactics
6. Violation of agency policy or procedure
7. Actions which may indicate a staff member's judgment is impaired
8. Violation of the Protection From Abuse Act, 35 P. S. § 10181, as amended, when the Court directs that all weapons be forfeited.

Period of Temporary Suspension: The Chief Adult Probation/Parole Officer shall conduct an investigation into the allegation of improper handling of a firearm. Within thirty (30) days of the alleged allegation, a decision shall be made to:

1. Remove authorization
2. Continue temporary suspension
3. Return firearm

Continued Temporary Suspension: If after thirty (30) days, the Chief Adult Probation/Parole Officer has not completed the investigation, then the temporary suspension may be extended for an additional thirty (30) days.

Removal of Authorization: After completion of the investigation, the Chief Adult Probation/Parole Officer may remove authorization from the officer until he/she can demonstrate an ability to properly handle the firearm in a safe manner and/or has completed training necessary to demonstrate the safe and proper handling of a firearm. This administrative decision is not considered disciplinary action and is for the safety of the officer and the community.

Appeal of Decision: The decision of the Chief Adult Probation/Parole Officer shall be final.

Allegations Involving the Chief Adult Probation/Parole Officer: When any allegations are lodged against the Chief Adult Probation/Parole Officer for violations of this firearm policy, then the Deputy Chief Adult Probation/Parole Officer shall remove the firearm from the Chief and conduct an investigation into the allegation in accordance with this policy statement.

Performance of Official Duties During Suspension: An officer whose authorization to carry a firearm has been suspended shall continue to perform their official duties and functions as an adult probation/parole officer with no interruption in services.

Reinstatement Process: An officer who had authorization removed may reapply for reinstatement every six months.

Firearms Training Requirements

Firearm Familiarization Training: Prior to issuance of the firearm, the officer must view a familiarization video provided by the manufacturer, Glock.

Basic Firearms Academy: All officers carrying firearms must attend the initial firearms training course offered by the County Probation and Parole Officers' Firearm Education and Training Commission (See 61 Pa.C.S. § 332.1 through 61 Pa.C.S. § 332.9). The training course shall consist of a period of classroom instruction and range qualification.

Requalification: All officers who receive certification by the Commission, must requalify annually and during the time period established by the Commission. The department shall make arrangements with neighboring counties, who have a certified Commission firearms' instructor, to conduct requalification training.

Mandatory In-Service Training: In order to maintain state certification, any in-service training mandated by the established County Probation and Parole Officers' Firearm Education and Training Commission, shall be attended by all weapon-carrying officers.

Failure to Qualify at the Initial Training: If an officer fails to qualify, he/she shall be given a second opportunity to participate in the next available training course. Any officer requesting a third opportunity must receive authorization from the Chief Adult Probation/Parole Officer.

Failure to Requalify: If an officer fails to requalify, he/she shall be given a second opportunity to participate in the next available training course. Any officer requesting a third opportunity must receive authorization from the Chief Adult Probation/Parole Officer. Failure to requalify will result in the temporary suspension of authorization to carry a firearm. When an officer fails to requalify, then he/she must attend the initial firearms academy.

Failure to Qualify By New Employee: An officer hired after the adoption of this policy statement and fails to qualify/requalify as set forth in this policy statement, will be offered additional training. Failure to qualify thereafter will result in a departmental inquiry as to the reasons an officer failed to qualify. A recommendation will be made to the court concerning the employment status of the officer.

Independent Firearms Practice: Officers authorized to carry a firearm may practice with their issued firearm on the employee's own time. The practice must occur only at a firing range, public or private. The department will only issue 200 rounds of practice ammunition to an officer attending the initial firearms training academy and requalification. The officer must purchase all other practice ammunition.

Training Ammunition: The department shall issue the appropriate number of rounds required for initial qualification and requalification. Approved training ammunition is new, factory-loaded, 124 grain, 9 mm rounds. The department will only issue ammunition to the officer for two attempts at qualification. Any other authorized attempts to qualify will require the officer to purchase the ammunition approved by the department.

Familiarization Training: All adult probation/parole officers will be required to complete a firearms familiarization course, when available.

Authorized Equipment

Authorized Firearm: The department shall issue a Glock Model 26 (9 mm) pistol to each officer authorized to carry a firearm. Personal firearms are prohibited. Only the firearm issued by the department to the officer can be carried and used in the performance of official duties, including all trainings at the firearms academy and other commission-sponsored trainings.

Authorized Duty Ammunition: The department shall issue thirty (30) rounds of duty ammunition, which is new, factory-loaded, 124-grain hydra-shok, jacketed hollow point. Any other ammunition is prohibited.

Holsters: The department shall issue a DeSantis Thumb Break Scabbard for each officer authorized to

carry a firearm. The holster shall be worn on the officer's duty belt, on the officer's strong side. Cross-draw positioning of a firearm is prohibited. All other holsters including shoulder holsters and weapons are prohibited.

Magazines and Extensions: Each weapon-carrying officer will be issued two additional ten round magazines fitted with grip extensions.

Double Magazine Pouches: Each weapon-carrying officer will be issued a nylon double magazine pouch.

Modifications to Equipment: All equipment issued by the department is standard and under no circumstances will any modifications be permitted. Officers altering or modifying their equipment will be subject to disciplinary action, including suspension of authorization to carry a firearm.

Cleaning and Maintenance of Firearms

Cleaning of Firearms: Weapon-carrying officers are responsible for the cleaning and lubrication of their issued firearm after each use, whenever the handgun has been subjected to moisture or dirt or every three months. Cleaning kits will be available in the department and the officer must keep a record of when the handgun was cleaned. Since the department has no designated areas for cleaning, officers will be expected to clean their firearm at their desk or at home. Failure to maintain proper maintenance and cleaning of the firearm may result in the temporary suspension of authorization to carry.

Safety Considerations: Before cleaning your firearm, make absolutely sure that it is unloaded. All ammunition should be stored away from the cleaning area, with the gun's action open during the cleaning process.

Damaged Firearms: See Page 14 of this policy statement.

Inspection: The department shall forward all firearms to a certified Glock armorer for inspection every six months.

Mechanical Problems: Firearms with mechanical problems that cannot be corrected by routine cleaning shall be taken out of service and sent to a qualified armorer for repair.

Maintenance of Magazine and Ammunition

Ammunition: Ammunition should be removed from the magazine and rotated daily. This will ensure that striation will not occur on the tip of the bullet located at the open end of the magazine. Failure to rotate ammunition may result in the destruction of the integrity of the bullet and possibly cause damage or injury when discharged.

Magazine: Ammunition should not be stored in a magazine for any prolonged period of time. Prolonged storage of ammunition in a magazine could destroy the spring mechanism. Therefore, at the end of every shift, the officer shall empty the magazine and store the ammunition in accordance with agency policy (See page 10 of this policy statement).

Body Armor

Issuance of Body Armor: The department shall provide and issue all adult probation/parole officers a bulletproof vest. It shall be mandatory that all probation officers wear body armor when performing field activities. There shall be no exceptions to this policy statement. Body armor shall be replaced in accordance with manufacturer specifications.

Violations of Use of Force and Firearms Policy

Disciplinary Procedure: Any employee in violation of this policy statement shall be subject to disciplinary action, up to and including termination (See Article 41: Carbon County Court System Disciplinary Procedure in the Personnel Policy and Procedure Manual for Court Employees).

Firearm Authorization Request

I, _____, an adult probation/parole officer for the Carbon County Adult Probation/Parole Department, a division of the Court of Common Pleas, Fifty-Sixth Judicial District, do hereby request authorization to carry a firearm in the performance of my duties.

In making the aforementioned request, I acknowledge and certify the following:

- 1. I am a tenured employee and not on a probationary status.
- 2. I am not pending any disciplinary action nor am I involved in or have knowledge of any departmental, criminal or civil investigation or litigation against me.
- 3. I do not have a problem with drugs or alcohol. I am not presently using any drugs, except as authorized by a medical physician. I have verified with my physician that the medication prescribed will not have any effect on my judgment or impair my ability to carry a firearm in the performance of my duties.
- 4. I have completed psychological testing and have been approved mentally sound by a licensed psychologist to carry a firearm.
- 5. I am medically and physically sound to carry out my assigned duties as a probation/parole officer.
- 6. I have completed classroom instruction on firearms and have successfully passed a written examination (County Probation/Parole Officers' Firearm Education and Training Commission).
- 7. I have completed range instruction and have qualified in the practical phase of shooting (County Probation/Parole Officers' Firearm Education and Training Commission).
- 8. I will only use my firearm for defensive purposes only, where retreat is not possible and serious injury or death is imminent.
- 9. I have successfully completed training in chemical agents and impact weapons and have received certification.
- 10. I have successfully completed training in control tactics, defensive tactics and Use of Force Instruction and have received certification.

I hereby affirm that the aforementioned information is true. Also, I understand that the falsification of any of the aforementioned information shall result in appropriate disciplinary action.

Request Not to Carry a Firearm

I, _____, an adult probation/parole officer for the Carbon County Adult Probation/Parole Department, a division of the Court of Common Pleas, Fifty-Sixth Judicial District, composed of Carbon County, do hereby exercise my option not to carry a firearm in the performance of my duties, at this time.

I acknowledge that if circumstances do change, that I may request authorization to carry a firearm during the performance of my official duties.

In making the aforementioned request, I acknowledge and certify the following:

- 1. I am a tenured employee and not on a probationary status.
- 2. I am not pending any disciplinary action nor am I involved in or have knowledge of any departmental, criminal or civil investigation or litigation against me.
- 3. I have been offered the opportunity to attend the Basic Firearms' Academy and to carry a firearm during the performance of my official duties, but declined.
- 4. I have been hired prior to the implementation of the Carbon County Adult Probation/Parole Department's firearm program and am exercising my option not to carry a firearm.
- 5. Even though I will not carry a firearm during the performance of my official duties, I fully understand that I must perform the same duties and responsibilities as an adult probation/parole officer who carries a firearm.

I hereby affirm that the aforementioned information is true. Also, I understand that the falsification of any of the aforementioned information shall result in appropriate disciplinary action.

SNYDER COUNTY

Amendment of Local Rules; No. MC-55-2003

Order

And Now, this 16th day of October, 2003, it is hereby *Ordered*:

1. That local rule 17OC006.11 is amended to read as follows:

17OC006.11 Confirmation of Accounts

A. Provided that proper notice has been given and no objection is filed timely, all accounts and statements of proposed distribution which are filed on or before the first Thursday of each month shall be confirmed nisi by the Court on the fourth Thursday of the month, unless that day is a holiday, in which event, confirmation shall be made the next business day. Prior to the date of confirmation a proposed decree of distribution shall be filed by the accountant. The proposed decree shall contain space for signature by a member of the Orphans' Court.

B. If no exceptions are filed to the confirmation nisi, the Court shall confirm said accounts absolutely ten (10) days after entry of the confirmation nisi, which confirmation absolute shall constitute a final adjudication of such accounts, and a final decree approving absolutely the statement of proposed distribution and directing distribution in accordance therewith shall thereupon be made and entered by the Court.

2. That in recognition of the provisions of Pa.R.C.P. No. 230.2, local rule 17CV0001 ANNUAL CALL is rescinded.

3. That the local rules of the 17th Judicial District of Pennsylvania are amended by the addition of the following local rules:

17CV1023.1 Motions—Representations to the Court

All motions filed with the Court must be written, shall contain a certification by counsel for the movant, or by the movant if not represented by counsel, that he or she has sought concurrence in the motion from each party, and that it has been either given, denied, or not received. No motion shall be filed without the said certification. Every motion which has been concurred with by all parties shall be accompanied by a form of order which, if approved by the Court, would grant the relief sought in the motion. Every motion that is not concurred with by all parties shall be accompanied by a form of order which includes alternative provisions for either a rule returnable for answer only or to schedule a date for hearing and argument before the court.

17CR0574 Motions—Representations to the Court

All motions filed with the Court must be written, shall contain a certification by counsel for the movant, or by the movant if not represented by counsel, that he or she has sought concurrence in the motion from each party, and that it has been either given, denied, or not received. No motion shall be filed without the said certification. Every motion which has been concurred with by all parties shall be accompanied by a form of order which, if approved by the Court, would grant the relief sought in the motion. Every motion that is not concurred with by all parties shall be accompanied by a form of order which includes alternative provisions for either a rule returnable for answer only or to schedule a date for hearing and argument before the court.

4. The Court Administrator is directed to serve: seven (7) certified copies of this Order on the Administrative Office of Pennsylvania Courts; two (2) certified copies on the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*, and to provide a copy of this Order to the Legislative Reference Bureau on computer diskette in Word, the diskette to be labeled with this Court's name and address, and with the local rule's computer file name; one (1) certified copy on the Civil Procedural Rules Committee.

5. These local rules shall become effective thirty (30) days after publication in the *Pennsylvania Bulletin*.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Applications, Actions and Special Notices

APPLICATIONS

THE CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT APPLICATIONS FOR NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS AND WATER QUALITY MANAGEMENT (WQM) PERMITS

This notice provides information about persons who have applied for a new, amended or renewed NPDES or WQM permit, a permit waiver for certain stormwater discharges or submitted a Notice of Intent (NOI) for coverage under a General Permit. The applications concern, but are not limited to, discharges related to industrial, animal or sewage waste, discharges to groundwater, discharges associated with municipal separate storm sewer systems (MS4), stormwater associated with construction activities or concentrated animal feeding operations (CAFOs). This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92 and 40 CFR Part 122, implementing The Clean Streams Law (35 P. S. §§ 691.1—691.1001) and the Federal Clean Water Act.

<i>Location</i>	<i>Permit Authority</i>	<i>Application Type or Category</i>
Section I	NPDES	Renewals
Section II	NPDES	New or amendment
Section III	WQM	Industrial, sewage or animal waste; discharge into groundwater
Section IV	NPDES	MS4 individual permit
Section V	NPDES	MS4 permit waiver
Section VI	NPDES	Individual permit stormwater construction
Section VII	NPDES	NOI for coverage under NPDES general permits

For NPDES renewal applications in Section I, the Department of Environmental Protection (Department) has made a tentative determination to reissue these permits for 5 years subject to effluent limitations and monitoring and reporting requirements in their current permits, with appropriate and necessary updated requirements to reflect new and changed regulations and other requirements.

For applications for new NPDES permits and renewal applications with major changes in Section II, as well as applications for MS4 individual permits and individual stormwater construction permits in Sections IV and VI, the Department, based upon preliminary reviews, has made a tentative determination of proposed effluent limitations and other terms and conditions for the permit applications. These determinations are published as proposed actions for comments prior to taking final actions.

Unless indicated otherwise, the EPA Region III Administrator has waived the right to review or object to proposed NPDES permit actions under the waiver provision in 40 CFR 123.24(d).

Persons wishing to comment on an NPDES application are invited to submit a statement to the contact office noted before the application within 30 days from the date of this public notice. Persons wishing to comment on a WQM permit application are invited to submit a statement to the office noted before the application within 15 days from the date of this public notice. Comments received within the respective comment periods will be considered in the final

determinations regarding the applications. Comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests for a public hearing on applications. A public hearing may be held if the responsible office considers the public response significant. If a hearing is scheduled, a notice of the hearing will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. The Department will postpone its final determination until after any public hearings are held.

Persons with a disability who require an auxiliary aid, service, including TDD users, or other accommodations to seek additional information should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

PUBLIC WATER SUPPLY (PWS) PERMIT

Under the Pennsylvania Safe Drinking Water Act, the following parties have applied for a PWS permit to construct or substantially modify a public water system.

Persons wishing to comment on a permit application are invited to submit a statement to the office listed before the application within 30 days of this public notice. Comments received within the 30-day comment period will be considered in the formulation of the final determinations regarding the application. Comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of Environmental Protection (Department) of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held after consideration of comments received during the 30-day public comment period.

Following the comment period, the Department will make a final determination regarding the proposed permit. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The permit application and any related documents are on file at the office listed before the application and are available for public review. Arrangements for inspection and copying information should be made with the office listed before the application.

Persons with a disability who require an auxiliary aid, service or other accommodations to participate during the 30-day public comment period should contact the office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 1

Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the Background Standard, Statewide Health Standard, the Site-Specific Standard or who intend to remediate a site as a special industrial area must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one, a combination of the cleanup standards or who receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a Site-Specific Standard, in whole or in part and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the sites identified, proposed for remediation to a Site-Specific Standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period, the municipality may request that the person identified, as the remediator of the site, develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office after which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

Messina, Project Manager, 1900 E. Linden Avenue, P. O. Box 728, Linden, NJ 07036-0728) concerning the characterization and remediation of unleaded gasoline constituents in soil and groundwater. The applicant proposes to meet a combination of the Statewide Health and Site-Specific Standards. A summary of the submission was reported to have been published in the *Times News* on October 8, 2003.

RESIDUAL WASTE GENERAL PERMIT

Permit Proposed under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003) and the residual waste regulations for a general permit to beneficially use residual waste.

Central Office: Division of Municipal and Residual Waste, Rachel Carson State Office Building, 14th Floor, 400 Market Street, Harrisburg, PA 17105-8472.

General Permit Application No. WMGR096. The Department of Environmental Protection (Department), Bureau of Land Recycling and Waste Management, proposes to authorize, under General Permit WMGR096, the beneficial use of regulated fill as construction material to bring an area to grade, control runoff and to limit infiltration. "Regulated fill" is contaminated soil, contaminated dredged material, contaminated used asphalt, historic fill and contaminated brick, block or concrete from construction and demolition activities that is separate from other waste and recognizable as such. The proposed general permit includes maximum concentration limits, sampling and analysis requirements, siting limitations, deed notice requirements, recordkeeping requirements and provisions for ecological protection. This will be a Statewide residual waste general permit.

The Department is authorized under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003) and 25 Pa. Code § 287.611 to issue general permits for any category of beneficial use or processing that results in beneficial use of residual and municipal waste on a Statewide basis when the Department determines that the use does not harm or present a threat of harm to the health, safety or welfare of the public or the environment and the activity can be adequately regulated using standard conditions. The Department has determined that regulated fill as construction material can be adequately regulated using standard conditions.

Persons requesting approval to operate under the terms of the general permit will be required to register with the Department's Bureau of Land Recycling and Waste Management, Division of Municipal and Residual Waste, P. O. Box 8472, Harrisburg, PA 17105-8472. The following minimum information will be required to obtain registration:

- a. Name and street address of the registrant.
- b. Name of the generator of the regulated fill and locations of the regulated fill generating sites.
- c. Name, location, area and ownership of the location of beneficial use.
- d. Documentation that the regulated fill meets the conditions of the general permit and that the beneficial use activities will be consistent with the permit.
- e. A signed and notarized statement by the registrant that the registrant accepts all the terms and condition included in the general permit.
- f. Proof that the applicant has legal right to enter the land and perform the activities in the general permit.
- g. An irrevocable written consent from the landowner giving the Department permission to enter upon land where the applicant will be conducting waste management activities.
- h. Information that identifies the applicant (that is, individual, corporation, partnership, government agency, association, and the like), including the names and addresses of every officer that has a beneficial interest in or otherwise controls the operation of the company.
- i. A list of all previous permits or licenses issued to the applicant or any related parties by the Department or Federal government under the environmental protection acts and compliance history concerning those acts.
- j. Proof that any independent contractors retained by the applicant to perform activities authorized under this permit are in compliance with State and Federal laws and regulations relating to environmental protection.
- k. A \$250 registration application fee as specified in the residual waste management regulations payable to the "Commonwealth of Pennsylvania."
- l. Additional information the Department believes is necessary to make a decision.

Comments concerning the application should be directed to William F. Pounds, Chief, Division of Municipal and Residual Waste, Bureau of Land Recycling and Waste Management, Rachel Carson State Office Building, P. O. Box 8472, Harrisburg, PA 17105-8472, (717) 787-7381. Persons interested in obtaining more information or obtaining copies of the proposed general permit should contact the Division of Municipal and Residual Waste at the previous phone number. TDD users may contact the Department through the Pennsylvania Relay Service, (800) 654-5984. Public comments must be submitted within 60 days of this notice and may recommend additional conditions or revisions to or approval or denial of the proposed general permit.

AIR QUALITY

PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

NEW SOURCES AND MODIFICATIONS

The Department of Environmental Protection (Department) has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department has received applications for plan approvals and/or operating permits from the following facilities.

Copies of the applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the regional office identified in this notice. Persons interested in reviewing the application files should contact the appropriate regional office to schedule an appointment.

Persons wishing to receive a copy of a proposed plan approval or operating permit must indicate their interest to the Department regional office within 30 days of the date of this notice and must file protests or comments on a proposed plan approval or operating permit within 30 days of the Department providing a copy of the proposed document to that person or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Comments or protests filed with the Department regional offices must include a concise statement of the objections to the issuance of the Plan approval or operating permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the regional office identified

before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121—143, the Federal Clean Air Act (act) and regulations adopted under the act.

PLAN APPROVALS

Plan Approval Applications Received under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter B that may have special public interest. These applications are in review and no decision on disposition has been reached.

15-0066A: Nutra-Soils, Inc. (P. O. Box 485, 181 Willow Street, Toughkenamon, PA 19374) for modification of mushroom compost dryer (dryer) at the Nutra-Soils Composting Facility, 324 East Baltimore Pike, West Grove, PA 19390, London Grove Township, **Chester County**. The modification of the dryer will result in the emissions of 4.99 tons per year of NO_x, 23.87 tons per year of CO, 1.39 tons per year of VOC, 0.35 ton per year of SO_x and 2.18 tons per year of PM. The Plan Approval and Operating Permit will contain additional recordkeeping and operating restrictions designed to keep the facility operating within all applicable air quality requirements.

46-0091: Sunoco Partners Marketing and Terminals, LP (1801 Market Street, Philadelphia, PA 19103-1699) for the company's Willow Grove Terminal, 3290 Sunset Lane, Upper Moreland Township, **Montgomery County** to install a replacement gasoline vapor control device, as described in the applicant's application of September 5, 2003. The Plan Approval will subsequently be incorporated into the company's Title V Operating Permit through an administrative amendment in accordance with 25 Pa. Code § 127.450.

Plan Approval PA-46-0091 is for the installation of an enclosed vapor combustion system. The installation of the enclosed vapor combustion system will result in the emissions of 47.9 tons per year of VOCs (35 milligrams of VOC per liter of gasoline loaded), 4.4 tons per year of NO_x and 10.9 tons per year of CO. The Plan Approval and Operating Permit will contain requirements to keep the facility operating within all applicable air quality requirements. Further details on the conditions and reasons for their inclusion are available upon request.

The Plan Approval and Operating Permit will contain additional recordkeeping and operating restrictions designed to keep the facility operating within all applicable air quality requirements.

Copies of the application, the Department's analysis and other documents used in the evaluation are available for public inspection between 8 a.m. and 4 p.m., weekdays. To make an appointment, contact Records Management at (610) 832-6268.

67-05043B: Crown Cork and Seal Co. (1650 Broadway, Hanover, PA 17331) for construction of a seam welder on one of the facility's can assembly lines in Penn Township, **York County**. The food can manufacturing plant is designated as a Title V facility. The proposed construction will increase the facility's potential emission

of VOCs by about 2.8 tons per year. Conditions in the plan approval and operating permit will limit the VOC content of the coatings in accordance with 25 Pa. Code § 129.52, with yearly emissions limited to 49 tons per year. The plan approval and operating permit will include emission limits, monitoring, work practice standards, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

Northcentral Region: Air Quality Program, 208 West Third Street, Williamsport, PA 17701; Contact: David Aldenderfer, Program Manager, (570) 327-3637.

12-399-015D: GE Transportation Systems (55 Pine Street, Emporium, PA 15834) for modification of an armature and motor frame vacuum pressure impregnation (VPI) and surface coating operation in Emporium Borough, **Cameron County**.

The respective operation incorporates a vacuum pressure impregnator and a spray booth. The proposed modification is an increase in the allowable throughput, allowable VOC emission rates and allowable volatile HAP emission rates. GE Transportation Systems has requested an increase in the allowable throughput from the current limit of 624 armatures and 624 motor frames per 12 consecutive month period to 1,248 armatures and 1,248 motor frames per 12 consecutive month period. They have also requested an increase in the allowable VOC and allowable volatile HAP emission rates from the current limits of 4.24 tons and .05 ton, respectively, per 12 consecutive month period to 8.67 tons and .09 ton, respectively, per 12 consecutive month period.

The Department has determined that the modified VPI and surface coating operation will comply with all applicable regulatory requirements pertaining to air contamination sources and the emission of air contaminants including the best available technology requirements of 25 Pa. Code §§ 127.1 and 127.12. The Department consequently intends to issue plan approval for the modification of the respective VPI and surface coating operation.

The following is a summary of the conditions the Department proposes to place in the plan approval to be issued to ensure compliance with all applicable regulatory requirements:

1. All conditions contained in Plan Approval 12-399-015C remain in effect unless amended or superseded by a condition contained herein.
2. No more than 1,248 armatures and 1,248 motor frames shall be processed in any 12 consecutive month period.
3. No more than 1.0 gallon of resin and .1 gallon of resin diluent shall be used per armature or motor frame processed (averaged over any 12 consecutive month period). Additionally, no more than a total of 2,496 gallons of resin and 249.6 gallons of resin diluent shall be used in any 12 consecutive month period.
4. All resin used shall be a catalyzed polyester insulating varnish (or a material determined by the Department to be equivalent with respect to VOC emission potential). Additionally, neither the resin nor the resin diluent shall contain any volatile substance designated as an HAP by the EPA.
5. No more than 124.8 gallons of red coating and no more than 124.8 gallons of black coating shall be used in any 12 consecutive month period. Additionally, the VOC and volatile HAP content of the red coating shall not exceed 3.04 pounds and 0 pound per gallon, respectively,

and the VOC and volatile HAP content of the black coating shall not exceed 2.41 pounds and 1.11 pounds per gallon, respectively.

6. The only other coating which shall be used shall be a gray primer with a VOC content of no greater than 3.35 pounds per gallon and a volatile HAP content of no greater than .36 pound per gallon. Additionally, no more than 104 gallons of gray primer shall be used in any 12 consecutive month period.

7. All coatings applied in the spray booth shall be applied with a brush or by using high volume low pressure spray technology.

8. Following the modification, the total combined VOC emissions shall not exceed 8.67 tons in any 12 consecutive month period and the total combined volatile HAP emissions shall not exceed .09 ton in any 12 consecutive month period.

Northwest Region: Air Quality Program, 230 Chestnut Street, Meadville, PA 16335-3481; Contact: Eric Gustafson, Facilities Permitting Chief, (814) 332-6940.

61-205A: IA Construction (SR 3003, Harrisville, PA 16038) for modifications made to an existing portable plant that has been operating at this facility under General Permit No. GP-42-199 at their Ben Hal Nectarine Mine, Irwin Township, **Venango County**. In accordance with 25 Pa. Code §§ 127.44(b) and 127.424(b), the Department intends to issue a plan approval which will, in accordance with 25 Pa. Code § 127.450, be incorporated into a State-only operating permit at a later date.

Issuance of the plan approval is recommended with the appropriate conditions in the plan approval:

1. The source shall comply with 25 Pa. Code § 123.1. All reasonable actions shall be taken to prevent particulate matter from becoming airborne. These actions include, but are not limited to, the following:

Water spray dust suppression systems on portable nonmetallic mineral processing plants shall be operated on any and all occasions that the respective plant is operated. Operation without simultaneous operation of the water spray dust suppression system can take place only in those unusual instances where processed materials contain sufficient moisture so as not to create air contaminant emissions in excess of the limitations and standards of this permit. If, however, the water spray dust suppression system is incapable of operation due to weather conditions or any other reason, the permittee may not operate the plant.

- a) Wetting the stock piled material as necessary.
- b) Application of asphalt, water or suitable chemicals on dirt roads, material stockpiles and other surfaces which may give rise to airborne dust.
- c) Maintain all roads to keep fugitive emissions to the minimum.

2. The permittee shall ensure prompt removal of earth or other material from paved streets onto which earth or other material has been transported by trucking or earth moving equipment, erosions by water or other means.

- 3. The company shall maintain a log of the following:
 - i. Date and time dust suppressant was applied.
 - ii. Date and time entrance road was swept.
 - iii. The log shall be maintained onsite and made available to Department personnel upon request. At least 5 years of records shall be maintained in the log.

4. The permittee shall keep on-hand equipment and materials as are necessary to take reasonable action (including, but not limited to, the application of water, oil or chemicals) to prevent fugitive particulate matter resulting from the use of any roadways and/or material stockpiling operations associated with the plant from becoming airborne and shall be used, as necessary, to prevent fugitive particulate matter from becoming airborne.

5. The rock crushing operation will operate a maximum of 12 hours per day, 6 days a week for a total of 2,760 hours during any 12 consecutive months.

6. Hours of operation shall be recorded daily and a rolling 12-month total determined monthly. The records shall be kept on file for 5 years and made available to the Department personnel upon request.

7. The crushing operation shall not exceed 250 tons of material per hour. The company shall maintain records of hourly production rates. The records shall be kept on file for 5 years and shall be made available to the Department personnel upon request.

8. There will be no crushing and/or screening performed during subfreezing temperatures, unless an anti-freeze product approved by the Department is used.

9. The company shall perform upwind and downwind dustfall monitoring if so requested by the Department. Monitoring shall start within 30 days of at the maximum rated capacity as stated on the application.

10. This facility shall comply with Federal NSPS regulations, 40 CFR Part 60, Subpart OOO—Standards of Performance for Nonmetallic Mineral Processing Plant.

11. 40 CFR 60.4 requires submission of copies of all requests, reports, applications, submittals and other communications to both the EPA and the Department. The EPA copies shall be forwarded to Director, Air, Toxics and Radiation Division, US EPA, Region III, 1650 Arch St., Philadelphia, PA 19103-2029.

12. Air pollutant emissions from the diesel engine (Caterpillar, Model 3406 DI) shall not exceed the following limitations (based on full load and the rated horsepower of the engine):

<i>Criteria Pollutants</i>	<i>Emission Limit (grams/hp-hr)</i>	<i>Emissions (tons/year 12-month rolling total)</i>
PM	0.4	0.546
CO	2.0	2.73
NOx	6.9	9.42
Total Hydrocarbons	0.1	0.136

13. The Department reserves the right to require verification of emission rates which may include source testing in accordance with applicable provisions of 25 Pa. Code Chapter 139 or portable exhaust gas analyzers approved by the Department.

14. The amount of fuel used for the diesel engine shall be recorded and the records shall be kept on file for 5 years and shall be made available to the Department personnel upon request.

15. The maximum sulfur content of no. 2 diesel fuel oil shall be 0.3% by weight.

16. Particulate emissions from the diesel engine shall not exceed 0.04 grain/dscf.

17. The diesel engine shall comply with 25 Pa. Code §§ 123.31 and 123.41.

OPERATING PERMITS

Intent to Issue Title V Operating Permits under the Air Pollution Control Act and 25 Pa. Code Chapter 127, Subchapter G.

Northeast Region: Air Quality Program, 2 Public Square, Wilkes-Barre, PA 18711-0790; Contact: Mark J. Wejkszner, New Source Review Chief, (570) 826-2531.

13-00003: Panther Creek Partner (1001 Industrial Road, Nesquehoning, PA 18240-2244) for an electric generating plant and various materials handling processes in the Nesquehoning Borough, **Carbon County**. This action is a renewal of the Title V Operating Permit issued in 1998.

Northcentral Region: Air Quality Program, 208 West Third Street, Williamsport, PA 17701; Contact: Muhammad Zaman, Program Manager, (570) 327-0512.

53-00006: Dominion Transmission Inc. (625 Liberty Avenue, Pittsburgh, PA 15222) for renewal of the Title V operating permit for their Ellisburg natural gas storage and transmission facility in Genesee Township, **Potter County**. The facility is currently operating under Title V Operating Permit 53-00006, issued December 22, 1998. The facility's main sources include two 1,100-horsepower natural gas fired internal combustion gas transmission engines, three 2,000-horsepower natural gas fired internal combustion gas transmission engines, three 3,400-horsepower natural gas fired internal combustion gas transmission engines and four 24.5 mmBtu/hr natural gas fired heaters which have the potential to emit major quantities of NO_x, VOCs, formaldehyde (HAP) and CO. The facility has the potential to emit PM₁₀ and SO_x below the major emission thresholds. The proposed Title V operating permit contains all applicable regulatory requirements including monitoring, recordkeeping and reporting conditions.

Intent to Issue Operating Permits under the Air Pollution Control Act and 25 Pa. Code Chapter 127, Subchapter F.

Southeast Region: Air Quality Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428; Contact: Edward Brown, Facilities Permitting Chief, (610) 832-6242.

09-00084: Grandview Hospital (700 Lawn Ave., Sellersville, PA 18960) for a non-Title V Facility, State-only, Synthetic Minor Operating Permit in West Rockhill Township, **Bucks County**. The permit is for the operation of four dual fuel (that is, natural gas and no. 2 fuel oil) boilers and four diesel-fired emergency generators. The permit will include monitoring, recordkeeping, reporting and work practice standards designed to keep the facility operating within all applicable air quality requirements.

15-00061: Phoenixville Hospital (140 Nutt Road, Phoenixville, PA 19460) for operation of boilers and emergency generators at their hospital in Phoenixville Borough, **Chester County**. The permit is for a non-Title V (State-only) facility. The facility has elected to cap their NO_x and SO_x emissions to Minor Source threshold levels to remain a Synthetic Minor. The permit will include monitoring, recordkeeping and reporting requirements designed to keep the hospital operating within all applicable air quality requirements.

09-00080: Milford Enterprises, Inc. (450 Commerce Drive, Quakertown, PA 18951) for a non-Title V, State-

only, Synthetic Minor Operating Permit in Milford Township, **Bucks County**. Milford Enterprises, Inc. manufactures display cases that are used for commercial, architectural and other professional applications. Sources include space heaters, spray booths, adhesive applications, a silk screening process and clean-up operations. VOCs are the main emissions from this facility. The facility-wide limit on VOCs is 24.5 tons per year. Testing, monitoring and recordkeeping requirements have been added to the permit to address applicable limitations.

15-00007: Wyeth-Ayerst Laboratories, Inc. (611 East Niels Street, West Chester, PA 19382) for a non-Title V, State-only, Synthetic Minor Operating Permit in West Chester Borough, **Chester County**. Wyeth-Ayerst Laboratories, Inc. packages products for medical applications. Sources include two boilers, four emergency generators, medical product processing line, crystalline drying process, acid storage tank, packaging line and a wastewater treatment plant. The facility has the potential to produce 21 tons of NO_x per year, 22 tons of CO per year, 8 tons of VOCs per year and 4 tons of HAPs per year. Testing, monitoring and recordkeeping requirements have been added to the permit at the site level and source level to address applicable limitations.

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110; Contact: Yasmin Neidlinger, Facilities Permitting Chief, (717) 705-4702.

06-05046: Double H Boot Co. (P. O. Box 68, Womelsdorf, PA 19567-0068) for a leather boot manufacturing facility controlled by a fabric collector in the Borough of Womelsdorf, **Berks County**. The facility is a non-Title V (State-only) facility. The facility will be required to limit the limitations to less than 100 tons for particulate, SO_x, NO_x and CO, 50 tons for VOCs and 10/25 tons for HAPs, during any consecutive 12-month period. Limits will be placed on the sulfur content of the fuel oils used. Records of the emissions will be required monthly and on a 12-month rolling total. The permit will include monitoring, work practices, recordkeeping and reporting to keep the facility operating within all applicable air quality requirements.

07-03040: Pennfield Corp. (711 Rohrerstown Road, Lancaster, PA 17603) for operation of a feed mill in Martinsburg Borough, **Blair County**. The facility has the maximum potential to emit 11 tons/yr of PM₁₀. The State-only operating permit will include monitoring, recordkeeping, reporting requirements, emission restrictions and work practice standards designed to keep the facility operating within all applicable air quality requirements.

21-03029: Pennsy Supply, Inc. (P. O. Box 3331, Harrisburg, PA 17105) for operation of their crushing operation at the Mount Holly Springs Quarry in Dickinson Township, **Cumberland County**. This is a non-Title V (State-only) facility. The permit will include appropriate conditions designed to keep the facility operating below Title V thresholds for criteria pollutants and within all other applicable air quality requirements.

22-05023: Pittsburgh Terminals Corp. (P. O. Box 2621, Harrisburg, PA 17105) for the administrative amendment to incorporate the ownership change in State-only Operating Permit No. 22-05023 of Harrisburg Terminal in Swatara Township, **Dauphin County**. This facility was formerly owned by ExxonMobil Oil Corporation. The facility's major sources of emissions includes a petroleum product loading rack which primarily emits VOCs.

38-03015: Pennsy Supply, Inc. (P. O. Box 3331, Harrisburg, PA 17105) for operation of its crushing operation

at the Fontana Quarry in South Annville Township, **Lebanon County**. This is a non-Title V (State-only) facility. The permit will include appropriate conditions designed to keep the facility operating below Title V thresholds for criteria pollutants and within all other applicable air quality requirements.

38-03024: Polyone Engineered Films, Inc. (1507 Willow Street, Lebanon, PA 17046) for operation of a flexible vinyl sheet manufacturing plant in the City of Lebanon, **Lebanon County**. This facility's PM emissions are controlled by four fabric collectors and a settling chamber. The State-only Operating Permit will include conditions designed to keep the facility operating within all applicable air quality standards.

38-05018: Department of Veterans Affairs (1700 South Lincoln Avenue, Lebanon, PA 17042) for operation of their Lebanon VA Medical Center in South Lebanon Township, **Lebanon County**. The State-only operating permit will limit SOx emissions to less than 100 tons per year. The permit shall contain testing, monitoring, recordkeeping and reporting requirements, emission restrictions and work practice standards designed to keep the facility operating within all applicable air quality requirements.

44-05013: Eastern Industries, Inc. (P. O. Box 177, Winfield, PA 17889) for operation of their Naginey Stone and Blacktop Plant in Armagh Township, **Mifflin County**. A wet suppression system controls the limestone crushing operation and the blacktop plant is controlled by a knockout box, in series with a fabric collector. Actual emissions for criteria pollutants will be held below Title V thresholds by limiting the annual production of hot mix asphalt. The operating permit will contain appropriate conditions designed to keep the facility operating within all other applicable air quality requirements.

Northcentral Region: Air Quality Program, 208 West Third Street, Williamsport, PA 17701; Contact: Muhammad Zaman, Facilities Permitting Chief, (570) 327-0512.

19-00010: Wise Foods, Inc. (228 Raseley Street, Berwick, PA 18603), for their Wise Foods Berwick plant in Berwick Borough, **Columbia County**. The facility's main sources include 3 potato chip manufacturing lines, 6 related snack food manufacturing lines, 71 combustion units and 6 process ovens. The facility has the potential to emit major quantities of SOx. The facility has taken a synthetic minor restriction to limit its usage of no. 2 fuel oil to keep its SOx emissions below the major emission thresholds. The facility has the potential to emit NOx, CO, PM (PM10), VOCs and HAPs below the major emission thresholds. The proposed operating permit contains all applicable regulatory requirements including monitoring, recordkeeping and reporting conditions.

18-00014: Jersey Shore Steel Co. (P. O. Box 5055, Jersey Shore, PA 17740), for their steel rolling mill in Pine Creek Township, **Clinton County**. The facility's main sources include 1 steel reheat furnace, 3 scarfing booths and 46 other combustion units. The facility has the potential to emit major quantities of SOx. The facility has taken a synthetic minor restriction to limit its SOx emissions below the major emission thresholds. The facility has the potential to emit NOx, CO, PM (PM10), VOCs and HAPs below the major emission thresholds. The proposed operating permit contains all applicable regulatory requirements including monitoring, recordkeeping and reporting conditions.

COAL AND NONCOAL MINING ACTIVITY APPLICATIONS

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); and The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); and The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to the applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District Mining Office indicated before an application. Where a 401 Water Quality Certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for certification.

Written comments, objections or requests for informal conferences on applications may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34.

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. NPDES permits will contain, at a minimum, technology-based effluent limitations as identified in this notice for the respective coal and noncoal applications. In addition to the previous, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit, when necessary, for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies who have requested review of the NPDES permit requirements for a particular mining activity within the previously mentioned public comment period will be provided with a 30 day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of the person submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor wishes to have the conference conducted in the locality of the proposed mining activities.

Coal Applications Received

Effluent Limits—The following coal mining applications that include an NPDES permit application will be subject to, at a minimum, the following technology-based effluent limitations for discharges of wastewater to streams:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH*		greater than 6.0; less than 9.0	
Alkalinity greater than acidity*			

* The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applied to: (1) surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas, active areas disturbed by coal refuse disposal activities and mined areas backfilled and revegetated; and (2) drainage (resulting from a precipitation event of less than or equal to a 1-year 24-hour event) from coal refuse disposal piles.

California District Mining Office: 25 Technology Drive, California Technology Park, Coal Center, PA 15423, (724) 769-1100.

32921601. NPDES Permit No. PA0095117, Sprinkle Mills Tipple (P. O. Box 343, Punxsutawney, PA 15767-0343), to renew the permit for the Valier Coal Yard in North Mahoning and Perry Townships, **Indiana and Jefferson Counties** and related NPDES permit, no additional discharges. Application received August 21, 2003.

03921602. NPDES Permit No. PA0214388, Glacial Sand & Gravel Company (P. O. Box 1022, Kittanning, PA 16201), to renew the permit for the Glacial Coal Tipple in East Franklin Township, **Armstrong County** and related NPDES permit, no additional discharges. Application received September 17, 2003.

Cambria District Mining Office: 286 Industrial Park Road, Ebensburg, PA 15931, (814) 472-1900.

56010106 and NPDES Permit No. PA0249076. PBS Coals, Inc., P. O. Box 260, Friedens, PA 15541, permit transfer from Heritage Mining Company, P. O. Box 126, Cresson, PA 16630, for continued operation of a bituminous surface and auger mine in Shade Township, **Somerset County**, affecting 317.1 acres. Receiving streams: Dixie Run and Fallen Timber Run (CWF). The first downstream potable water supply intake from the point of discharge is Cambria Somerset Authority Stonycreek Surface Water Withdrawal. Application received October 7, 2003.

56950110 and NPDES Permit No. PA0213217. Ritchie Trucking and Excavating, Inc., 19709 Winner View Terrace, Frostburg, MD 21532, permit transfer from Hardrock Coal Company, 19709 Winner View Terrace, Frostburg, MD 21532, for continued operation of a bituminous surface mine in Elk Lick Township, **Somerset County**, affecting 166.8 acres. Receiving streams: unnamed tributary to/and Flag Run, unnamed tributary to/and Casselman River (CWF). There are no potable water supply intakes within 10 miles downstream. Application received October 14, 2003.

Greensburg District Mining Office: Armbrust Building, R. R. 2 Box 603-C, Greensburg, PA 15601-0982, (724) 925-5500.

65980106 and NPDES Permit No. PA0202380. Gary Gioia Coal Company (319 Karen Drive, Elizabeth, PA 15037). Renewal application for continuation of operation and reclamation of an existing bituminous surface mine

in South Huntingdon Township, **Westmoreland County**, affecting 40 acres. Receiving stream: unnamed tributary to Sewickley Creek (WWF). The first potable water supply intake within 10 miles downstream from the point of discharge is Municipal Authority of Westmoreland County. Renewal application received October 22, 2003.

Hawk Run District Mining Office: Empire Road, P. O. Box 209, Hawk Run, PA 16840-0209, (814) 342-8200.

17980110 and NPDES Permit No. PA0238023. Junior Coal Contracting, Inc., 2330 Six Mile Road, Philipsburg, PA 16866. Renewal of an existing bituminous surface mine permit in Decatur Township, **Clearfield County** affecting 73.6 acres. Receiving streams: Albert Run to Little Laurel Run to Laurel Run to Moshannon Creek to West Branch Susquehanna River. Application received September 22, 2003.

17820104 and NPDES Permit No. PA0609218. Sky Haven Coal, Inc., 5510 State Park Road, Penfield, PA 15849. Renewal of an existing bituminous surface mine-coal ash disposal permit in Boggs and Bradford Townships, **Clearfield County**, affecting 479.5 acres. Receiving streams: Long Run and an unnamed tributary to Clearfield Creek to West Branch Susquehanna River. Application received September 30, 2003.

17910127 and NPDES Permit No. PA0206750. Fred Kitko, R. D., Coalport, PA 16627. Renewal, for reclamation only, of an existing bituminous surface mine permit in Beccaria Township, **Clearfield County** affecting 136 acres. Receiving streams: Banian Run. Application received October 14, 2003.

17860104 and NPDES Permit No. PA0611077. Sky Haven Coal, Inc., R. D. 1, Box 180, Penfield, PA 15849. Revision to an existing bituminous surface mine-auger permit, for a change in permit acres from 255 to 267.8 acres. The permit is in Girard Township, **Clearfield County**. Receiving streams: Deer Creek, Buck Run (CWF). Application received October 14, 2003.

17930128 and NPDES Permit No. PA0219720. Moravian Run Reclamation Co., Inc., 605 Sheridan Drive, Clearfield, PA 16830. Renewal of an existing bituminous surface mine-auger permit in Penn Township, **Clearfield County** affecting 106.2 acres. Receiving streams: unnamed tributaries to Bell Run to West Branch Susquehanna River. Application received October 20, 2003.

Coal Applications Returned

Receiving streams: unnamed tributary to Taylor Run and Taylor Run (CWF). There are no potable surface water supply intakes within 10 miles downstream. NPDES renewal application received October 23, 2003.

10980302 and NPDES Permit No. PA0227641. IA Construction Corporation (2100 Garden Drive, Seven Fields, PA 16046). Transfer of an existing limestone operation in Cherry and Slippery Rock Townships, **Butler County** affecting 119.9 acres. Receiving streams: Slippery Rock Creek, McMurray Run and unnamed tributaries to McMurray Run (CWF). There are no potable surface water supply intakes within 10 miles downstream. Transfer from Ben Hal Mining Company. Application received October 23, 2003.

Hawk Run District Mining Office: Empire Road, P. O. Box 209, Hawk Run, PA 16840-0209, (814) 342-8200.

1479401 and NPDES Permit No. PA0118001. Graymont (PA) Inc., P. O. Box 448, Bellefonte, PA 16823. Renewal of an existing Large Industrial Minerals NPDES Permit in Spring Township, **Centre County** affecting 250 acres. Receiving streams: Logan Branch and Spring Creek. Application received October 20, 2003.

FEDERAL WATER POLLUTION CONTROL ACT, SECTION 401

The following permit applications, requests for Environmental Assessment approval and requests for 401 Water Quality Certification have been received by the Department of Environmental Protection (Department). Section 401 of the Federal Water Pollution Control Act (FWPCA)

borehole, no additional discharges. Application returned October 2, 2003.

Noncoal Applications Received

Effluent Limits—The following noncoal mining applications that include an NPDES permit application will be subject to, at a minimum, the following technology-based effluent limitations for discharges of wastewater to streams:

(33 U.S.C.A. § 1341) requires the State to certify that the involved projects will not violate the applicable provisions of sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) as well as relevant State requirements. Persons objecting to approval of a request for certification under section 401 of the FWPCA or to the issuance of a Dam Permit, Water Obstruction and Encroachment Permit or the approval of an Environmental Assessment must submit comments, suggestions or objections within 30 days of the date of this notice, as well as questions, to the office noted before the application. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed and a concise statement of comments, objections or suggestions including the relevant facts upon which they are based.

The Department may conduct a fact-finding hearing or an informal conference in response to comments if deemed necessary. Individuals will be notified, in writing, of the time and place of a scheduled hearing or conference concerning the certification request to which the comment, objection or suggestion relates. Maps, drawings and other data pertinent to the certification request are available for inspection between 8 a.m. and 4 p.m. on each working day at the office noted before the application.

Persons with a disability who wish to attend a hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Applications received under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and requests for certification under section 401 of the FWPCA (33 U.S.C.A. § 1341(a)).

WATER OBSTRUCTIONS AND ENCROACHMENTS

Southeast Region: Water Management Program Manager, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

E23-439. The Henderson Group, 112 Chelsey Drive, Suite 200, Media, PA 19063-1762, Middletown Township, **Delaware County**, ACOE Philadelphia District.

To perform the following activities associated with the proposed Henderson Elwyn office campus:

(1) To place and maintain fill in 0.08 acre of wetlands (PFO).

(2) To place fill in approximately 1,500 linear feet of unnamed tributary to Ridley Creek (HQ-TSF).

(3) To construct and maintain an outfall structure along an unnamed tributary of Ridley Creek (HQ-TSF).

The project proposes to directly impact a total of 0.47 acre of intermittent watercourse and 0.08 acre of wetlands. The site is just east of the intersection of Baltimore Pike and Media Bypass (SR 0001) (Media, PA USGS Quadrangle N: 7.5 inches; W: 5.5 inches).

E09-866. Department of Transportation, District 6, 7000 Geerdes Boulevard, King of Prussia, PA 19406-1525, Newtown Township, **Chester County**, ACOE Philadelphia District.

To remove the existing four-span bridge structure that carries SR 0332 (Richboro Road Bridge) over the Neshaminy Creek (WWF, MF) and to construct and maintain a 280-foot long 17.8-foot underclearance with a three-span prestressed concrete bridge at the same location. The removal and construction of the bridge will require three temporary causeways across the Neshaminy Creek impacting 264 linear feet of stream. The project also includes the relocation of an unnamed intermittent channel along the north side of the western and southern causeways and construction of the bridge to facilitate access during demolition and construction of the bridge noted previously and to facilitate a proposed bike path and pedestrian walkway. The site is approximately 1 mile west of the intersection of Newtown bypass/PA 413 and Richboro Road (Langhorne, PA Quadrangle N: 18 inches; W: 12.5 inches).

E46-948. Upper Dublin Township, 801 Loch Alsh Avenue, Fort Washington, PA 19034, Upper Dublin Township, **Montgomery County**, ACOE Philadelphia District.

To construct and maintain the following activities in and along unnamed tributaries to Wissahickon Creek (TSF) to reduce a flooding problem:

1. To remove approximately 550 linear feet of an existing 54-inch by 36-inch CMP.

2. To construct and maintain 550 linear feet of dual 2—48-inch RCP stream enclosures which run parallel in the approximate location of the existing 54-inch by 3-inch CMP that extends from Highland Avenue to Inverness Avenue.

3. To install and maintain inlets, headwalls, endwalls and a 2-foot by 6-foot catch basin.

The site extends from the intersection of Highland Avenue and Farm Lane and terminates at Inverness Avenue (Ambler, PA Quadrangle N: 4.5 inches; W: 11.78 inches).

Southcentral Region: Water Management Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

E05-314: James A. and Kristie M. Schwartz, 3773 Evitts Creek Road, Bedford, PA 15522 in Cumberland Valley Township, **Bedford County**, ACOE Baltimore District.

To install and maintain a 20-foot long, 48-inch diameter culvert pipe crossing an unnamed tributary to Evitts Creek, within Cumberland Valley Township, Bedford County (Beans Cove, PA Quadrangle N: 14.4 inches; W: 16.65 inches).

E07-378: County of Blair, 423 Allegheny Street, Holidaysburg, PA 16648 in Tyrone Township, **Blair County**, ACOE Baltimore District.

To maintain Blair County Bridge No. 48 spanning the Little Juniata River within Tyrone Township, Blair County (Tyrone, PA Quadrangle N: 4.4 inches; W: 10.3 inches). The proposed work includes the replacement of fascia stringers with steel I-beams and the replacement of the wood decking.

E36-772: Department of Transportation, District 8-0, 2140 Herr Street, Harrisburg, PA 17103 in Warwick Township, **Lancaster County**, ACOE Philadelphia District.

To remove the existing culvert and then to construct and maintain a new 16-foot concrete box culvert at the channel of New Haven Run (WWF) on SR 1031, Section 003, Segment 0030, Offset 0475 (Creek Road) about 1/2 mile south of Millport Village (Lititz, PA Quadrangle N: 0.25 inch; W: 1.25 inches) in Warwick Township, Lancaster County.

E21-353: Orchard Development Group, LLC, 2000 Technology Parkway, Suite 200, Mechanicsburg, PA 17050.

To install and maintain: (1) a 25-foot 2-inch by 8-foot 5-inch long span arch 137 feet in length and relocation of 110 feet of stream channel; (2) a 27-foot 3-inch by 10-foot long span arch 98 feet in length; (3) a 28-foot 1-inch by 9-foot 6-inch long span arch 54 feet in length; (4) a 28-foot 1-inch by 9-foot 6-inch long span arch 70 feet in length; (5) permanent wetland fill of 0.82 acre; and (6) four utility line crossings, all to cross an unnamed tributary to the Yellow Breeches Creek (CWF) and associated wetlands, for the purpose of constructing the Glaize Orchard Planned Residential Development directly east of the Winding Hill Road Park and Ride Lot on US Route 15 south of the Turnpike (I-76) (Lemoyne, PA Quadrangle N: 11.5 inches; W: 12.0 inches) in Upper Allen Township, **Cumberland County**.

E67-752: Crosswinds Associates Development Co., Inc., 336 West King Street, Lancaster, PA 17603.

To construct and maintain a 5-foot by 50-foot concrete box culvert and two 18-inch outfall pipes across and along Billion Run (TSF), a 30-inch 306-foot stream enclosure, a 30-inch 98-foot stream crossing and an 18-inch 75-foot stream crossing all in unnamed tributaries to Billion Run (TSF) and a permanent wetland impact of 0.20 acre of emergent wetlands. The amount of wetland impact will require mitigation and the applicant has proposed 0.22 acre of replacement. The sanitary sewer, water cable, gas and electric lines will pass over or under each of the stream crossings listed previously. The project is near the intersection of Route 83 and Route 295 (Dover, PA Quadrangle N: 11.8 inches; W: 2.8 inches) in Conewago Township, **York County**.

Northcentral Region: Water Management Program Manager, 208 West Third Street, Williamsport, PA 17701, (570) 327-3636.

E14-417A5. Penns Valley Conservation Association, 249 Madisonburg Pike, Madisonburg, PA 16852, Futhey Farm in Haines Township, **Centre County**, ACOE Baltimore District (Millheim, PA Quadrangle N: 3.0 inches; W: 2.5 inches).

To construct and maintain: (1) two 60-foot by 14-foot rock cattle crossing through existing streambank fencing; (2) two waterline crossing next to one of the cattle crossings; and (3) one outfall for roof runoff spouting to

get the runoff out of the cow path area, in or over an unnamed tributary to Pine Creek, 1 mile south of Fiedler Road. This project proposes to impact 25 linear feet of Pine Creek (EV watershed).

E17-386. Department of Transportation, Engineering District 2-0, P. O. Box 342, Clearfield, PA 16830, SR 0219, Section 229 Bridge Replacement in the City of DuBois and Sandy Township, **Clearfield County**, ACOE Pittsburgh District (Falls Creek, PA Quadrangle N: 0.9 inch; W: 4.8 inches).

To realign 66 feet of Clear Run channel, remove two existing bridges and construct, operate and maintain a single span concrete adjacent box beam bridge to carry SR 0219, Section 229 across Clear Run (CWF) to improve public highway safety. The prestressed concrete bridge shall be constructed with a minimum normal span of 32.8 feet, underclearance of 4.4 feet, skew of 83 degrees. The bridge replacement project will not impact wetlands while impacting 136 feet of waterway on SR 0219, approximately 1.1 mile east of SR 0830 and SR 0219 intersection.

E53-394. National Fuel Gas Supply Corporation, 1100 State Street, Erie, PA 16501, Y-M2 24-inch natural gas pipeline replacement in Hebron, **Potter County**, ACOE Pittsburgh District (Sweden Valley, PA Quadrangle N: 22.4 inches; W: 15.4 inches).

To replace, operate and maintain a 24-inch diameter gas transmission pipeline beneath an unnamed tributary to South Branch Oswayo Creek (EV). Replacement of the 24-inch gas transmission line will be limited to a maximum stream impact of 5 feet. Replacement of the 24-inch pipeline shall be conducted in dry work conditions by dam and pumping or fluming stream flow around the work area. Since the South Branch Oswayo Creek is protected as a wild trout fishery, no replacement or future maintenance shall be conducted in or along the stream channel between October 31 and April 1 without prior written approval from the Fish and Boat Commission. The gas pipeline right-of-way is along the northern and southern right-of-way of SR 4008 approximately 600 feet east of T-356 and SR 4008 intersection. This permit does not authorize any temporary or permanent impact to wetlands that may be along the gas pipeline right-of-way.

ENVIRONMENTAL ASSESSMENTS

Northwest Region: Water Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

EA24-06-007, John Kosco c/o William E. McCafferty, Professional Forester, Woodland Management and Services, 956 Fern Road, St. Marys, PA 15857. John Kosco private driveway across Spring Run in Jay Township, **Elk County**, ACOE Pittsburgh District (Weedville, PA Quadrangle N: 14.35 inches; W: 16.1 inches).

Request for approval of a waiver of permit requirements under section 105.12(a)(11) for the removal of a deteriorated concrete stream crossing and for approval of a waiver of permit requirements under section 105.12(a)(9) to construct and maintain a ford crossing for individual private personal use. The project is approximately 0.4 mile north of T-417 (Spring Run Road), 0.8 mile east of SR 255.

EA61-06-003, Pennzoil-Quaker State Company c/o TolTest, Inc., Parkway Building East, 339 Haymaker Road, Suite 1101, Monroeville, PA 15146-1435. Rouseville Refinery Plant 2 Oil Creek Pipeline Abandonment in Cornplanter Township, **Venango County**, ACOE Pittsburgh District (Oil City, PA Quadrangle N: 14.0 inches; W: 8.6 inches).

To permanently close and abandon in place 11 pipelines across Oil Creek at the former Pennzoil-Quaker State Company Rouseville Refinery Plant 2 facility approximately 1.9 miles upstream of the Allegheny River. These pipelines were authorized by Permit No. 6177703, as amended. Closure involves excavation and sectioning of the pip stubs below grade and filling the lines with an inert, solit, nonshrinking material (cement grout).

ACTIONS

THE CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

FINAL ACTIONS TAKEN FOR NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS AND WATER QUALITY MANAGEMENT (WQM) PERMITS

The Department of Environmental Protection (Department) has taken the following actions on previously received applications for new, amended and renewed NPDES and WQM permits, applications for permit waivers and Notices of Intent for coverage under General Permits. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92 and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P. S. §§ 691.1—691.1001) and the Federal Clean Water Act.

<i>Location</i>	<i>Permit Authority</i>	<i>Application Type or Category</i>
Section I	NPDES	Renewals
Section II	NPDES	New or amendment
Section III	WQM	Industrial, sewage or animal wastes; discharges to groundwater
Section IV	NPDES	MS4 individual permit
Section V	NPDES	MS4 permit waiver
Section VI	NPDES	Individual permit stormwater construction
Section VII	NPDES	NOI for coverage under NPDES general permits

Sections I—VI contain actions related to industrial, animal or sewage wastes discharges, discharges to groundwater and discharges associated with municipal separate storm sewer systems (MS4), stormwater associated with construction activities and concentrated animal feeding operations (CAFOs). Section VII contains notices for parties who have submitted Notices of Intent (NOI) for coverage under General NPDES Permits. The approval for coverage under these General NPDES Permits is subject to applicable effluent limitations, monitoring, reporting requirements and other conditions set forth in each general permit. The approval of coverage for land application of sewage sludge or residential septage under applicable general permit is subject to pollutant limitations, pathogen and vector attraction reduction requirements, operational standards, general requirements, management practices and other conditions set forth in the respective permit. The permits and related documents, effluent limitations, permitting requirements and other information are on file and may be inspected and arrangements made for copying at the contact office noted before the action.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may

be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

PUBLIC WATER SUPPLY (PWS) PERMITS

The Department of Environmental Protection has taken the following actions on applications received under the Safe Drinking Water Act for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 2

The following final reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Provisions of Chapter 3 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of submission of final reports. A final report is submitted to document cleanup of a release of a regulated substance at a site where one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected.

For further information concerning a final report, contact the environmental cleanup program manager in the Department regional office after which the notice of receipt of a final report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following final reports:

The reports are intended to document remediation of the site to meet the Site-Specific and Statewide Health Standards.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 3

The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Provisions of 25 Pa. Code § 250.8 and the administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by provisions of the act for compliance with selection of remediation to a Site-Specific Standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site inves-

tigation, concentration of regulated substances in environmental media, benefits of refuse of the property and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by provisions of the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the environmental cleanup program manager in the Department regional office after which the notice of the plan or report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following plans and reports:

46-00005: Merck and Co., Inc. (770 Sumneytown Pike, West Point, PA 19486-0004) for its facility in Upper Gwynedd Township, **Montgomery County**. The facility is primary for research and development and pharmaceutical preparations. The major facility emissions are VOCs. The following is a summary of the approved de minimis emission increases for the Title V facility for 2003:

Bldg. 46	HAP—less than 0.01 ton per year
Bldg. 46	VOC—0.1 ton per year
Bldg. 44E	VOC—0.01 ton per year
Bldg. 44E	VOC—0.9 ton per year
Bldg. 44E	NOx—0.64 ton per year
Bldg. 17	VOC—0.1 ton per year
Bldg. 60A	VOC—0.4 ton per year
Bldg. 60A	NOx—0.07 ton per year
Bldg. 60A	VOC—0.02 ton per year
Total increases this year:	VOC—0.36 ton per year NOx—0.71 ton per year HAP—less than 0.01 per year
Total increases this permit:	VOC—0.36 ton per year NOx—0.71 ton per year HAP—less than 0.01 per year

The permit, when reissued, will include the de minimis increases and include monitoring, recordkeeping and reporting requirements designed to keep the facility within all applicable air quality requirements.

ACTIONS ON COAL AND NONCOAL MINING ACTIVITY APPLICATIONS

Actions on applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); and The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). The final action on each application also constitutes action on the request for 401 Water Quality Certification and the NPDES permit application. Mining activity permits issued in response to the applications will also address the application permitting requirements of the following statutes: the Air Quality Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications, requests for Environmental Assessment approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341).

Except as otherwise noted, the Department has granted 401 Water Quality Certification certifying that the construction and operation described will comply with the applicable provisions of sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) and that the construction will not violate applicable Federal and State water quality standards.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and

of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Actions on applications for the following activities filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27), section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and The Clean Streams Law (35 P. S. §§ 691.1—691.702) and Notice of Final Action for Certification under section 401 of the FWPCA (33 U.S.C.A. § 1341).

Permits, Environmental Assessments and 401 Water Quality Certifications Issued

WATER OBSTRUCTIONS AND ENCROACHMENTS

Northeast Region: Water Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

E35-359. Lackawanna County, 200 Adams Avenue, Scranton, PA 18503. Archbald Borough, **Lackawanna County**, Army Corps of Engineers Baltimore District.

To remove the existing structure and to construct and maintain a 44-foot wide single-span concrete box-beam bridge, having a span of 70 feet and an underclearance of 12 feet across the Lackawanna River and to construct and maintain three stormwater outfalls penetrating through the concrete wingwalls within the floodway of the Lackawanna River. The project is on Gilmartin Street at its intersection with the Lackawanna River (HQ-CWF) (Olyphant, PA Quadrangle N: 22.4 inches; W: 5.5 inches) (Subbasin 05A).

E52-181. Department of Transportation, Engineering District 4-0, P. O. Box 111, Scranton, PA 18501. Shohola Township, **Pike County**, Army Corps of Engineers Philadelphia District.

To remove the existing structure and to construct and maintain the Commonwealth portion of a six-span prestressed concrete I-beam bridge across the Delaware River (WWF, MF). The structure will have clear, normal spans of approximately 126 feet each, a maximum underclearance of approximately 50 feet and a width of 52 feet. The project includes an 18-inch stormwater outfall along the right bank, immediately upstream of the bridge. The project also includes 0.03 acre of temporary impact to an EV POW/PEM wetland for an access road, approximately 0.28 acre of permanent impact to the Delaware River for piers and 0.51 acre of temporary impact to the Delaware River for causeways. The project is along SR 0434, Section 470, between Shohola Township, Pike County and the Village of Barryville, Sullivan County, NY, approximately 1,000 feet upstream of the confluence of Shohola Creek and the Delaware River (Shohola, PA-NY Quadrangle N: 18.3 inches; W: 5.2 inches) (Subbasin 01D).

E45-446. Tobyhanna Township, HC 89, Box 289, Pocono Pines, PA 18350. Tobyhanna Township, **Monroe County**, Army Corps of Engineers Philadelphia District.

To place fill in 0.13 acre of PSS wetlands within the Tobyhanna Creek watershed for the purpose of construct-

ing the Mackes Street Extension Project. The permittee is required to provide for 0.13 acre of replacement wetlands by participating in the Pennsylvania Wetland Replacement Project. The project is 0.3 mile northwest of the intersection of SR 0115 and SR 0940 (Blakeslee, PA Quadrangle N: 17.0 inches; W: 13.5 inches) in Tobyhanna Township, Monroe County (Subbasin 2A).

Southcentral Region: Water Management Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

E06-579: Department of Transportation, District 5-0, 1713 Lehigh Street, Allentown, PA 18103 in Hamburg Borough and Windsor Township, **Berks County**, ACOE Philadelphia District.

To: (1) rehabilitate and maintain the bridge over the Schuylkill River (WWF) on SR 0078 Section 17M and to relocate, regrade and maintain an unnamed tributary to Schuylkill River having an overall length of 840 feet; and (2) construct and maintain a 60-inch diameter culvert and several 18-inch diameter culverts by General Permit No. 7, all for the purpose of improving SR 0078. The improvement starts from the bridge and extends to about 3 miles towards the east (Hamburg, PA Quadrangle N: 11.0 inches; W: 15.9 inches, N: 12.9 inches; W: 15.6 inches, N: 14.0 inches; W: 13.5 inches, respectively) in Hamburg Borough and Windsor Township, Berks County.

E36-760: Earl Township, 517 N. Railroad Avenue, New Holland, PA 17557 in Earl Township, **Lancaster County**, ACOE Baltimore District.

To remove two existing 30-inch by 42-inch corrugated metal pipe arches and to construct and maintain a 12-foot by 3.5-foot precast concrete box culvert carrying Grist Mill Road (T-600) over a UNT to the Conestoga River (WWF) at a point approximately 1,800 feet west of SR 322 (Terre Hill, PA Quadrangle N: 2.0 inches; W: 15.0 inches) in Earl Township, Lancaster County.

E36-762: Earl G. Martin, 250 Royer Road, Ephrata, PA 17522 in Manheim Borough, **Lancaster County**, ACOE Baltimore District.

To construct and maintain a stream crossing consisting of a 20-foot long 48-inch diameter RCP with associated fill and a 25-foot long by 20-foot wide by 8-inch thick concrete slab/deck within Meadow Run (WWF) at a point approximately 850 feet north of the Royer Road Bridge (Ephrata, PA Quadrangle N: 9.0 inches; W: 13.2 inches) in Ephrata Township, Lancaster County.

E22-463: Hershey Entertainment and Resorts Company, 100 West Hersheypark Drive, Hershey, PA 17033 in Derry Township, **Dauphin County**, ACOE Baltimore District.

To install and maintain 23 36-inch diameter columns/piers, to remove the north and south pedestrian bridges and to remove existing asphalt pavement, all within the floodway of Spring Creek (WWF) for the purpose of constructing a new attraction at Hersheypark, west of Park Avenue and just south of the existing Sidewinder ride (Hershey, PA Quadrangle N: 7.1 inches; W: 4.0 inches) in Derry Township, Dauphin County.

Northcentral Region: Water Management Program Manager, 208 West Third Street, Williamsport, PA 17701.

E14-440. Department of Transportation, 1924-30 Daisy Street, Clearfield, PA 16830. US Route 220, Section G10 Stream Mitigation in Worth Township, Taylor Township and the Borough of Port Matilda, **Centre County**, ACOE Baltimore District (Port Matilda, PA Quadrangle N: 8.6 inches; W: 7.5 inches).

To construct and maintain 22,069 linear feet of stream restoration/enhancement within Bald Eagle Creek (north) (12,381 linear feet), Bell Hollow Run (800 linear feet), Reese Hollow Run (3,759 linear feet) and Williams Hollow Run (4,069 linear feet) using a natural stream channel design approach including the installation of in-stream structures (5 rock vanes, 6 cross vanes, 20 J-hooks, 2 flow deflector vanes, 2 imbricated stone banks, 28 boulders, 15 areas of stone toe protection, 16 streambank soil lift areas and 1 root wad area), channel relocation, stream and floodway excavation and filling, 8 stone channel crossings, 8 hog slat channel crossings, 20,601 linear feet of stream bank fencing and riparian plantings. The project is being constructed to provide mitigation for stream impacts associated with the U. S. Route 220 (I-99) project, construction sections C10, A11, C11, A12, B12 and C12. Mitigation is being performed in accordance with the procedures and environmental commitments of the U. S. Route 220 Natural Resource Compensation Plan and as required by DEP Permits E14-420 (C10), E14-402 (A11), E14-367 (C11), E14-403 (A12), E14-349 (B12) and E14-371 (C12).

Stream restoration/enhancement activities will be performed on four reaches of Bald Eagle Creek: Reach 1 (Beckwith and Bell Hollow Run Site: begin lat. 40° 46' 02" long. 78° 05' 51" end lat. 40° 46' 26" long. 78° 05' 14"); Reach 2 (Liner Site: begin lat. 40° 46' 31" long. 78° 05' 12" end lat. 40° 46' 49" long. 78° 04' 48"); Reach 3 (Port Matilda Borough Site: begin lat. 40° 47' 40" long. 78° 03' 29" end lat. 40° 47' 56" long. 78° 03' 00"); Reach 4 (Valley Homes Site: begin lat. 40° 48' 58" long. 78° 01' 56" end lat. 40° 49' 02" long. 78° 01' 49"), tributaries to Bald Eagle Creek (Reese Hollow No. 1: begin lat. 40° 47' 59" long. 78° 05' 49" end lat. 40° 47' 46" long. 78° 05' 37", Reese Hollow No. 2: begin lat. 40° 47' 33" long. 78° 05' 20" end lat. 40° 47' 24" long. 78° 04' 58" and Williams Hollow: begin lat. 40° 50' 03" long. 78° 02' 00" end lat. 40° 49' 29" long. 78° 01' 12").

The stream mitigation project will impact 1.16 acres of riparian palustrine emergent wetlands. Wetland impacts are associated with placement of fill, streambank grading and construction of at-grade crossings for the purpose of limiting stream access points for property owners and livestock. The stream improvements will involve minor grading within the floodplain of the northern Bald Eagle Creek and its tributaries. The grading will involve 15,794 cubic yards of excavation (cut) and 11,728 cubic yards of fill in the floodplain, which corresponds to the construction activities resulting in a net excavation of 4,066 cubic yards for the project. The project improvements will provide opportunity for wetlands to reestablish along the stream floodplains.

E18-367. Gary L. Leitch, 110 Mann Avenue, Mill Hall, PA 17751-1112. Gentzel-Leitch River Lot in Woodward Township, **Clinton County**, ACOE Baltimore District (Lock Haven, PA Quadrangle N: 6.25 inches; W: 13.25 inches).

To construct and maintain: (1) an 8-foot by 12-foot wooden shed that has two 4-inch by 4-inch skids and will be tethered to a nearby tree with three 3/16-inch cables; and (2) an 18-foot by 24-foot open sided pole pavilion and its associated concrete pad in the left 100-year floodway of the West Branch Susquehanna River on Lot No. 1 of the Conklin Subdivision that is immediately upstream of the Eden Lane and Water Valley Road intersection in Woodward Township, Clinton County. This permit was issued under section 105.13(e) "Small Projects."

E19-237. L. Lorraine and Paul Sevinson, 246 Ringtown Mountain Road, Catawissa, PA 17820. Bridge removal—culvert construction in Locust Township, **Columbia County**, ACOE Baltimore District (Catawissa, PA Quadrangle N: 1.81 inches; W: 1.10 inches).

To remove the existing deteriorated wooden bridge which is approximately 30 feet long and 10 feet wide and has a waterway opening of approximately 100 square feet and to construct and maintain an arch culvert 9.25 feet by 6.5 feet by 20 feet long in Lick Run (HQ-CWF) in a private driveway off Ringtown Mountain Road (SR 2010) approximately 1.1 miles east of Numidia in Locust Township, Columbia County. Approximately 0.1 acre of earth will be disturbed. The project will not impact wetlands while impacting approximately 30 feet of waterway. This permit was issued under section 105.13(e) "Small Projects." This permit also includes 401 Water Quality Certification.

E55-192. Scott B. Dutrow, R. R. 1, Box 11, Beaver Springs, PA 17812-0011. Water Obstruction and Encroachment Permit in Spring Township, **Snyder County**, ACOE Susquehanna River Basin District (Beaver-A, PA Quadrangle N: 1.1 inches; W: 11.5 inches).

To construct and maintain a 35-foot long by 6-foot wide wooden bridge over Beaver Creek. The project is along the eastern right-of-way, 1.0 mile north on SR 0235 in Spring Township, Snyder County. This permit was issued under section 105.13(e) "Small Projects."

E55-194. Kline Reality, Inc., P. O. Box 337, Middleburg, PA 17842-0337. Water Obstruction and Encroachment Permit in Franklin Township, **Snyder County**, ACOE Susquehanna River Basin District (Middleburg, PA Quadrangle N: 5.31 inches; W: 13.78 inches).

To remove sand from the streambed in an unnamed tributary to Middle Creek, where the limits of work are not to exceed 385 feet. The project is along the northern right-of-way of Paxtonville Road, 2.0 miles west of the intersection of SR 0104 and Paxtonville Road. This project proposes to have a minimal impact on 385 linear feet in an unnamed tributary to Middle Creek (CWF). The removal of the sand is being performed under a Consent Order and Agreement with Beavertown Block Company, Inc. This permit was issued under section 105.13(e) "Small Projects." This permit also includes 401 Water Quality Certification.

SPECIAL NOTICES

BUREAU OF DEEP MINE SAFETY REQUEST FOR VARIANCE

The Department of Environmental Protection (Department), Bureau of Deep Mine Safety (Bureau), has received a request for variance from Rosebud Mining Company. The following notification contains a summary of this request. A complete copy of the variance request may be obtained from Allison Gaida, (724) 439-7469 or from the Bureau website at www.dep.state.pa.us/dep/deputate/minres/dms/dms.htm.

The Department is publishing a summary of the request to solicit comments from affected parties on the proposed variance request. Comments may be used by the Bureau to assist in its investigation of the variance request. Comments will be accepted for 30 days following the publication of this notice. Comments should be addressed to Joseph A. Scaffoni, Director, Bureau of Deep Mine Safety, Fayette County Health Center, 100 New Salem Road, Room 167, Uniontown, PA 15401.

Section 702 of the Pennsylvania Bituminous Coal Mine Act (act) provides a mechanism for operators to obtain variances from specific requirements of the act to accommodate the adoption of new machinery, equipment, tools, supplies, methods or processes.

Section 290(d) of the act states that every gassy mine shall have at least four main entries, two of which shall lead from the main opening and two from the second opening into the body of the mine.

Summary of the Request: Rosebud Mining Company requests a variance to reduce the number of main entries in the 1 Southeast Section at the Dutch Run Mine.

Technical guidance documents are on the Department of Environmental Protection's (Department) website (www.dep.state.pa.us) at the Public Participation Center page. The "Current Inventory" heading is the Governor's list of the Department's nonregulatory guidance documents. The "Final Documents" heading is the link to a menu of the various Department bureaus and from there to each bureau's final technical guidance documents. The "Draft Technical Guidance" heading is the link to the Department's draft technical guidance documents.

Ordering Paper Copies of Department Technical Guidance

The Department encourages the use of the Internet to view guidance documents. When this option is not available, persons can order a bound paper copy of the latest inventory or an unbound paper copy of any of the final documents listed on the inventory by calling the Department at (717) 783-8727.

In addition, bound copies of some of the Department's documents are available as Department publications. Check with the appropriate bureau for more information about the availability of a particular document as a publication.

Changes to Technical Guidance Documents

Following is the current list of recent changes. Persons who have any questions or comments about a particular document should call the contact person whose name and phone number is listed with each document.

Draft Technical Guidance

DEP ID: 383-2125-001. Title: Proposals to Add or Remove Fluoridation Treatment by a Community Water System. Description: The purpose of this guidance is to clarify existing regulatory requirements regarding the addition or removal of water fluoridation treatment. This guidance applies to community water systems and will be used by Department staff to direct and support the implementation of related required activities. Comment Period Ends: December 8, 2003. Contact: Jeff Gordon, (717) 772-4018, jegordon@state.pa.us.

Draft Technical Guidance—Substantive Revision

DEP ID: 258-2182-773. Title: Clean Fill Policy. Description: This policy replaces the Department's "Policy and Procedure Establishing Criteria for Use of Uncontaminated Soils, Rock, Stone, Unused Brick and Block, Con-

crete and Used Asphalt as Clean Fill" which became effective February 29, 1996. This document is designed to assist Department staff in determining whether material should be managed as clean fill or regulated fill.

Background

In 1996, guidelines for the management of clean fill were established by Departmental policy in technical guidance document no. 258-2182-773. Subsequent revisions were proposed to the policy in March 2000, which were advertised for public comment and review. During the public comment period on the policy revisions, several commentators recommended, and the Department concurred, that the Department regulate fill by regulation, rather than by policy. Additional recommendations were also received during the public comment period on the revised policy, which were considered and incorporated by the Department into a newly proposed safe fill regulatory package, which was published at 32 Pa.B. 564 (February 2, 2002) with a 60-day public comment period that concluded on April 3, 2002. Additional detail on the earlier history is available at 32 Pa.B. 564 and 565.

In response to comments received during the public comment period on the proposed regulatory package for safe fill, as well as the Department's review of other related information, the Department prepared a draft final rulemaking for public comment. To solicit comments on this draft final rulemaking, the Department published an Advance Notice of Final Rulemaking (ANFR) at 33 Pa.B. 2880 (June 21, 2003). A 45-day public comment period, which concluded on August 5, 2003, was provided for the ANFR. Comments received on the ANFR included comments that the proposed standards, as they had evolved over several years, were too complicated and difficult to implement. In response, the Department decided to request that the Environmental Quality Board withdraw the rulemaking. In addition, the Department has developed a new clean fill policy (policy) and is requesting public comment on the policy through this notice.

Substantive Revisions

The new, simplified policy specifically defines what materials are acceptable as uncontaminated clean fill, removes restrictions on the use of those materials and eliminates the complicated standards for chemical constituents used to define clean fill in the past. Under the policy, fill is contaminated if it has been subject to any release of regulated substances. If fill material is determined not to be contaminated based on due diligence, unrestricted movement of the fill is allowed under this policy.

This proposed policy also introduces a new classification of fill as "regulated fill," which will be available for beneficial use under a proposed General Permit for Use of Regulated Fill as a construction material (see 33 Pa.B. 5573 (November 8, 2003)). The general permit lists acceptable chemical concentration levels for regulated fill and allows the material to be used as a construction material to grade areas, control runoff and limit water infiltration. The general permit also sets standards for use of regulated in a residential setting under the Commonwealth's Residential Statewide Health Standards and the use of regulated fill in industrial settings under the Nonresidential Statewide Health Standards. The

Department will accept comments on the General Permit for Use of Regulated Fill, published at 33 Pa.B. 5573 (November 8, 2003). Comments on the general permit must be provided to the Department by January 9, 2004.

Written Comments

Interested persons may submit written comments on the draft substantive revisions to technical guidance document no. 258-2182-773 by January 9, 2004. Comments submitted by facsimile will not be accepted; however, the Department will accept comments submitted by e-mail. A return name and address must be included in each e-mail transmission.

Written comments may be submitted to Khatija Satyaswaroop, Bureau of Land Recycling and Waste Management, Division of Municipal and Residual Waste, 14th Floor, Rachel Carson State Office Building, P. O. Box 8471, Harrisburg, PA 17105-8471, ksatyaswar@state.pa.us.

During the public comment period for technical guidance document no. 258-2182-773, the Department will continue to enforce the 1996 Clean Fill Policy, along with the February 2, 2002, proposed safe fill numeric standards, on a case-by-case basis.

Availability of the Proposals

Copies of draft technical guidance document no. 258-2182-773, as well as the General Permit for Use of Regulated Fill, are available by contacting Khatija Satyaswaroop. The proposals are also available on the Department website at www.dep.state.pa.us (DEP Keyword: Participate; scroll down to "Proposals Open for Comment").

Laboratory Accreditation Advisory Committee and Certification Program Advisory Committee Joint Meeting

The Laboratory Accreditation Advisory Committee meeting scheduled for Friday, December 5, 2003, at 10 a.m. has been changed to a joint meeting with the Certification Program Advisory Committee on the same date. The location of the meeting has also been changed to the Susquehanna Conference Rooms A and B, South Central Regional Office, 909 Elmerton Avenue, Harrisburg, PA 17110-8200. The purpose of the meeting is to discuss possible concepts for the qualifications of a laboratory supervisor, accreditation-by-rule parameters and a fee structure for potential inclusion in the environmental laboratory accreditation regulations.

Questions concerning this meeting should be directed to Richard Sheibley, (717) 705-2425, rsheibley@state.pa.us. The agenda and meeting materials will be available through the Public Participation Center on the Department of Environmental Protection's (Department) website at www.dep.state.pa.us.

Persons with a disability who require accommodations to attend this meeting should contact the Department at (717) 705-2425 or through the Pennsylvania AT&T Relay Services at (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs.

Proposed General Permit WMGR096 to Beneficially Use Residual Waste

The Department of Environmental Protection (Department) proposes to authorize, under General Permit WMGR096, the beneficial use of regulated fill as construction material for the following activities: to bring an area to grade; to control runoff; and to limit infiltration. "Regulated fill" is contaminated soil, contaminated dredged material, contaminated used asphalt, historic fill and contaminated brick, block or concrete from construction and demolition activities that is separate from other waste and recognizable as such. The proposed general permit includes maximum concentration limits, sampling and analysis requirements, siting limitations, deed notice requirements, recordkeeping requirements and provisions for ecological protection. This will be a Statewide residual waste general permit.

The Department is authorized under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003) and 25 Pa. Code § 287.611 (relating to authorization for general permit) to issue general permits for any category of beneficial use or processing that results in beneficial use of residual and municipal waste on a Statewide basis when the Department determines that the use does not harm or present a threat of harm to the health, safety or welfare of the public or the environment and the activity can be adequately regulated using standard conditions. The Department has determined that regulated fill as construction material can be adequately regulated using standard conditions. The proposed general permit does not apply to clean fill as defined in draft technical guidance for clean fill, DEP ID No. 258-2182-773 (33 Pa.B. 5572 (November 8, 2003)).

Persons requesting approval to operate under the terms of the general permit will be required to register with the Department's Bureau of Land Recycling and Waste Management, Division of Municipal and Residual Waste, P. O. Box 8472, Harrisburg, PA 17105-8472. The following minimum information will be required to obtain the registration:

- a. Name and street address of the registrant.
- b. Name of the generator of the regulated fill and locations of the regulated fill generating sites.
- c. Name, location, area and ownership of the location of beneficial use.
- d. Documentation that the regulated fill meets the conditions of the general permit and that the beneficial use activities will be consistent with the permit.
- e. A signed and notarized statement by the registrant that the registrant accepts all the terms and condition included in the general permit.
- f. Proof that the applicant has legal right to enter the land and perform the activities in the general permit and

an irrevocable written consent from the landowner giving the Department permission to enter upon land where the applicant will be conducting waste management activities.

g. Information that identifies the applicant (that is, individual, corporation, partnership, government agency, association, and the like), including the names and addresses of every officer that has a beneficial interest in or otherwise controls the operation of the company.

h. A list of all previous permits or licenses issued to the applicant or any related parties by the Department or Federal government under the environmental protection acts and compliance history concerning those acts.

i. Proof that any independent contractors retained by the applicant to perform activities authorized under this permit are in compliance with State and Federal laws and regulations relating to environmental protection.

j. A \$250 registration application fee as specified in the residual waste management regulations payable to the "Commonwealth of Pennsylvania."

Comments concerning the proposed general permit application should be directed to William F. Pounds, Chief, Division of Municipal and Residual Waste, 14th Floor, RCSOB, Bureau of Land Recycling and Waste Management, 400 Market Street, Harrisburg, PA 17105-8472, (717) 787-7381, wpounds@state.pa.us or through the Pennsylvania AT&T Relay Service at (800) 654-5984 (TDD). Comments must be submitted in writing and contain the name, address and telephone number of the person commenting and a concise statement of comments, objections or suggestions on this proposal. Comments submitted by facsimile will not be accepted. Public comments must be submitted on the proposed general permit application by January 9, 2004, and may recommend additional conditions or revisions to or approval or denial of the proposed general permit.

Persons interested in obtaining more information or copies of the proposed general permit may contact the Division of Municipal and Residual Waste at the previous phone number or through the AT&T Relay Service. The proposal is also available on the Department's website at <http://www.dep.state.pa.us> (DEP Keyword: Participate; scroll down to "Proposals Open for Comment").

Proposed State Implementation Plan Revision; Vehicle Emissions Inspection/Maintenance Program; Changes for the Philadelphia and Pittsburgh Regions; Public Hearings

The Commonwealth currently has in place an enhanced vehicle inspection and maintenance (I/M) tailpipe emissions testing program (program) for on-road light-duty cars and trucks in Bucks, Chester, Delaware, Montgomery and Philadelphia Counties (Philadelphia region) and Allegheny, Beaver, Washington and Westmoreland Counties (Pittsburgh region). This testing is required by the Federal Clean Air Act (CAA). Under the CAA, states, including the Commonwealth, required to implement I/M programs are further required to incorporate a check of

the on-board diagnostic (OBD) system for model year (MY) 1996 and newer vehicles as part of the program.

These public hearings concern a proposed revision to the Commonwealth's State Implementation Plan (SIP) to incorporate OBD testing for MY 1996 and newer light duty cars and trucks into the existing I/M program in the Philadelphia and Pittsburgh regions. The proposed revision will add provisions to provide the Commonwealth with the ability, under specific circumstances, to institute biennial tailpipe testing and ultimately to phase out tailpipe testing in the Philadelphia and Pittsburgh regions.

This proposed SIP revision is available on the Department of Environmental Protection's (Department) website at www.dep.state.pa.us (DEP Keyword: Clean Air Plans) or through the following contact person.

The Department will hold two public hearings to receive comments on the SIP revision.

- December 10, 2003, at 1 p.m. at the Southeast Regional Office, Hearing Room, Lee Park, 555 North Lane, Suite 6010, Conshohocken, PA.

- December 10, 2003, at 1 p.m. at the Southwest Regional Office, Waterfront Rooms A and B, 500 Waterfront Drive, Pittsburgh, PA.

Persons wishing to present testimony at a hearing should reserve a time by contacting Susan Ferree, P. O. Box 8468, Harrisburg, PA 17105, (717) 787-9495, sferree@state.pa.us. Individuals who do not reserve a time will be able to testify after pre-registrants. Witnesses should keep testimony to 10 minutes and should provide two written copies of their testimony at the hearing. Persons with a disability who wish to attend a hearing and require an auxiliary aid, service or other accommodation to participate in the proceeding should contact Susan Ferree. TDD users may contact the AT&T Relay Service at (800) 654-5984 to discuss how the Department can accommodate their needs.

Written comments should be sent by the close of business on December 12, 2003, to Brian Trowbridge, Division of Air Resource Management, Bureau of Air Quality, P. O. Box 8468, Harrisburg, PA 17105-8468.

DEPARTMENT OF TRANSPORTATION

Finding

Bradford County

Under section 2002(b) of The Administrative Code of 1929 (71 P. S. § 512(b)), the Secretary of Transportation makes the following written finding:

The Department of Transportation (Department) plans to replace the existing truss bridge carrying State Route 1022 over the North Branch of the Susquehanna River, Bradford County. As part of the project, the Department has proposed replacing the Ulster Bridge, which is eligible for the National Register of Historic Places.

Information describing the project together with the associated environmental analysis is contained in the Environmental Documentation Evaluation/Section 2002 Evaluation that was prepared for this project.

The Categorical Exclusion Evaluation/Programmatic Section 2002 Evaluation satisfies all State environmental evaluation requirements as published in section 2002 of Pennsylvania Act 120.

Based upon studies, there is no prudent and feasible alternative to the use of this National Register eligible resource. The effect of this project on the Ulster Bridge will be mitigated by measures outlined in the memorandum of agreement, which include:

1. The Department shall prepare a revised Phase I and Phase II archaeological report. The report shall be submitted to the Federal Highway Administration (FHWA) and the State Historic Preservation Officer (SHPO) for comment.

2. Within 3 months of acceptance of the final archaeological report by the FHWA and the SHPO, the Department shall submit all field notes, maps and records to the State Museum for permanent curation. Artifacts from Site 36Br39 will be returned to the property owner per their request. Prior to returning the artifacts, the Department shall follow the Pennsylvania Historical and Museum Commission's April 2002 curation guidelines and provide additional documentation on these artifacts.

3. The Department shall ensure that protective fencing is installed along the edge of the Area of Potential Effect.

4. The Department, in consultation with the SHPO, shall ensure that an interpretive wayside marker is fabricated and erected adjacent to the bridge that details the history of the bridge.

5. The Department will investigate the reuse and interpretation of the existing bridge plaques. If duplicate plaques exist, one will be offered to the Bradford County Historical Society.

6. The Department will prepare select large format 8" x 10" black and white reproductions of the existing photographs contained in previously completed PHRS documentation. Archival quality copies of all photographs will be provided to the SHPO and the Bradford County Historical Society.

The Secretary has considered the environmental, economic, social and other effects of the proposed project as enumerated in section 2002 of The Administrative Code of 1929 and has concluded that there is no feasible and prudent alternative to the project as designed, and all reasonable steps have been taken to minimize the effect.

GAME COMMISSION

Environmental Assessment

The Game Commission (Commission) currently owns property associated with State Game Land (SGL) 176 located in Patton Township, Centre County. The Pennsylvania State University has requested a land exchange involving a 947.9 acre tract of SGL 176 for the exchange of suitable lands as yet to be determined based on the appraised value of this SGL parcel. The majority of the land requested for exchange is currently utilized by The Pennsylvania State University as research land and for an ongoing wastewater effluent spray field disposal project. The land exchange was approved unanimously by the Commission at the October 8, 2002, board meeting.

An Environmental Assessment has been prepared regarding this action and is available for review at the Commission headquarters, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797. Copies will be provided upon request for a fee by contacting Gary Camus, Chief, Division of Federal Aid and Public Access, (717) 787-6400. Comments will be accepted until December 8, 2003.

INDEPENDENT REGULATORY REVIEW COMMISSION

Actions Taken by the Commission

The Independent Regulatory Review Commission met publicly at 10:30 a.m., Thursday, October 23, 2003, and announced the following:

Regulations Deemed Approved under section 5(g) of the Regulatory Review Act—Effective October 22, 2003

Pennsylvania Public Utility Commission #57-227: Electric and Gas Utility Record Retention (amends 52 Pa. Code §§ 57.45 and 59.45)

Regulations Approved

Pennsylvania Public Utility Commission #57-224: Generic Competitive Safeguards (adds 52 Pa. Code Chapter 63, Subchapter K)

Department of Agriculture #2-137: Food Code (adds Pa. Code Chapter 46 and deletes 7 Pa. Code Chapters 31, 35, 41, 43, 45, 47, 49, 53, 55, 61, 63, 78, 79, 80 and 81)

State Board of Podiatry #16A-446: Continuing Education (amends 49 Pa. Code Chapter 29)

Approval Order

Pennsylvania Public Utility Commission—Generic Competitive Safeguards; Regulation No. 57-224

On April 8, 2002, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Public Utility Commission (PUC). This rulemaking adds 52 Pa. Code Chapter 63, Subchapter K. The proposed regulation was published in the April 20, 2002, *Pennsylvania Bulletin* with a 45-day public comment period. The final-form regulation was submitted to the Commission on June 23, 2003. On July 22, 2003, the PUC withdrew the final-form regulation. On September 19, 2003, the PUC resubmitted the final-form regulation.

The final-form regulation establishes a Code of Conduct applicable to incumbent local exchange carriers (ILECs) and competitive local exchange carriers (CLECs). The regulation is intended to prevent discriminatory access to an ILEC's services and facilities; unlawful cross-subsidization of competitive services from noncompetitive services by ILECs; and unfair competition among ILECs and CLECs.

We have determined this regulation is consistent with the statutory authority of the PUC (66 Pa.C.S. § 3005(b)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

By Order of the Commission:

This regulation is approved.

Department of Agriculture—Food Code; Regulation No. 2-137

On February 8, 2002, the Independent Regulatory Review Commission (Commission) received this proposed

regulation from the Department of Agriculture (Department). This rulemaking is revising 7 Pa. Code by adding Chapter 46 and deleting Chapters 31, 35, 41, 43, 45, 47, 49, 53, 55, 61, 63, 78, 79, 80 and 81. The proposed regulation was published in the February 23, 2002, *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on September 17, 2003.

This regulation deletes a number of existing chapters and establishes a new comprehensive food code for this Commonwealth. The rulemaking sets food safety standards and procedures for food establishments and public drinking and eating places. It applies to restaurants, grocery stores and any enterprise that processes, prepares and packages food for public consumption. The primary purpose for this rulemaking is to reduce foodborne illness, while bringing Pennsylvania regulations into conformity with National food standards.

We have determined this regulation is consistent with the statutory authority of the Department (31 P. S. § 20.13(a), 35 P. S. § 655.6(a) and 71 P. S. § 445(d)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

By Order of the Commission:

This regulation is approved.

State Board of Podiatry—Continuing Education; Regulation No. 16A-446

On November 7, 2002, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Board of Podiatry (Board). This rulemaking amends 49 Pa. Code Chapter 29. The pro-

posed regulation was published in the November 23, 2002, *Pennsylvania Bulletin* with a 30-day public comment period. Under section 5(e) of the Regulatory Review Act (71 P. S. § 745.5(e)), the Department resubmitted the proposed regulation on January 29, 2003. The final-form regulation was submitted to the Commission on September 16, 2003.

This regulation establishes the Council on Podiatric Medical Education as a preapproved continuing education course provider. It also adds two fees, revises continuing education requirements, authorizes disciplinary action and allows for waivers of continuing education requirements for serious illness or hardship.

We have determined this regulation is consistent with the statutory authority of the Board (63 P. S. §§ 42.9 and 42.15) and the intention of the General Assembly. Having considered all the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

By Order of the Commission:

This regulation is approved.

Notice of Comments Issued

Section 5(g) of the Regulatory Review Act (71 P. S. § 745.5(g)) provides that the Independent Regulatory Review Commission (Commission) may issue comments within 30 days of the close of the Committee comment period. The Commission comments are based upon the criteria contained in section 5.2 of the Regulatory Review Act (71 P. S. § 745.5b).

The Commission has issued comments on the following proposed regulations. The agency must consider these comments in preparing the final-form regulation. The final-form regulation must be submitted within 2 years of the close of the public comment period or it will be deemed withdrawn.

<i>Reg. No.</i>	<i>Agency/Title</i>	<i>Close of the Public Comment Period</i>	<i>IRRC Comments Issued</i>

Environmental Quality Board Regulation No. 7-387

Radiological Health

October 29, 2003

We submit for consideration the following comments that include references to the criteria in the Regulatory Review Act (71 P. S. § 745.5b) which have not been met. The Environmental Quality Board must respond to these comments when it submits the final-form regulation. The public comment period for this regulation closed on September 29, 2003. If the final-form regulation is not delivered within 2 years of the close of the public comment period, the regulation will be deemed withdrawn.

Section 215.24. Human use.—Reasonableness; Consistency with other regulations; Clarity.

Subsection (b) states:

Only auxiliary personnel who have met the applicable radiologic requirements of 49 Pa. Code, Part I, *Subpart A* (relating to professional and occupational affairs) may use radiation sources in the healing arts when employed by a licensed practitioner of the healing arts. . . ." (Emphasis added.)

Subpart A of 49 Pa. Code contains over 30 chapters for various professions, including accountancy, landscape architecture, physical therapy and veterinary medicine. The existing definition of a "licensed practitioner of the healing arts" in 25 Pa. Code § 215.2 covers only six professional areas: "medicine, surgery, dentistry, osteopathy, podiatry and chiropractic." Rather than refer the reader to Subpart A in its entirety, § 215.24(b) should reference the specific chapters that set forth the procedures and requirements for auxiliary personnel.

State Board of Education Regulation No. 6-279

Pupil Attendance

October 29, 2003

We submit for consideration the following comments that include references to the criteria in the Regulatory Review Act (71 P. S. § 745.5b) which have not been met. The State Board of Education (Board) must respond to these comments when it submits the final-form regulation. The public comment period for this regulation closed on September 29, 2003. If the final-form regulation is not delivered within 2 years of the close of the public comment period, the regulation will be deemed withdrawn.

1. Section 11.1. School term.—Clarity.

This section refers to "meritorious educational programs." The Board should define this term in the final-form regulation.

2. Section 11.2. School day.—Clarity.

The existing text of this section refers to "instructional activities." Clarity would be improved by defining this term in the final-form regulation.

3. Section 11.5. Part-time attendance for potential graduates.—Clarity.

This section addresses student attendance at a "postsecondary institution." Clarity would be improved by defining this term.

4. Section 11.11. Entitlement of resident children to attend public schools.—Reasonableness; Clarity.

Subsection (b) refers to "any other documentation specifically required by law." Based on our discussion with the Board, this phrase is intended to reference information requirements contained in 24 P. S. § 13-1302(2). Section 13-1302(2) of 24 P. S. addresses nonresident children living with a district resident and states, in part, "The school board, pursuant to guidelines issued by the Department of Education, may require other reasonable information to be submitted by the resident to substantiate the sworn statement."

The Department of Education (Department) has established guidelines for "other reasonable information" in the Basic Education Circular (BEC) entitled "Education of Children Residing With an Adult Other Than Natural Parent." The BEC specifically lists supplemental information that is required to establish residency in a school district.

There are two issues. First, how is this BEC relevant to § 11.11? The BEC addresses nonresident children, but § 11.11 pertains to resident children. Section 11.19 of the proposed regulation addresses nonresident children. Since it appears that the BEC and 24 P. S. § 13-1302(2) would apply to § 11.19 and not § 11.11, this language should be deleted from § 11.11 in the final-form regulation.

Second, if the Board can explain why nonresident children should be addressed in this section, we recommend that subsection (b) be revised by deleting "any other documentation specifically required by law" and inserting the supplemental information listed in the BEC.

5. Section 11.19. Nonresident child living with a district resident.—Reasonableness; Clarity.

The last sentence of this section states "The school board may require other reasonable information to be submitted by the resident to substantiate the sworn statement in accordance with the guidelines established by the Department of Education." The Board has explained that "other reasonable information" refers to the information requirements contained in the BEC entitled "Education of Children Residing With an Adult Other Than Natural Parent." Consistent with our recommendation in Issue 4 regarding § 11.11, the Board should delete the last sentence and replace it with the list of information requirements in the BEC.

Also, while this section establishes the entitlement for certain nonresident children living with district residents to attend the district's public schools, it contains no timeframe for enrollment. Section 11.11 contains a time frame for enrollment. Why isn't the same time frame included in § 11.19?

6. Section 11.25. Temporary excusals due to illness or other urgent reasons.—Clarity.

Subsection (b) states, in part, "Department of Education approval is required to extend the provision of homebound instruction and shall be reevaluated every 3 months." The final-form regulation should clarify that the school district, not the parent or guardian, is responsible for seeking Department approval to extend the provision of homebound instruction.

7. Section 11.27. Graduation.—Clarity.

Paragraph (4) states "School districts, AVTSs and charter schools may include in their average daily membership count students with disabilities identified under Chapter 14 (relating to special education services and

programs) who choose to participate in graduation ceremonies with their graduating class and continue to receive education services but are not awarded a diploma." The Pennsylvania School Boards Association (PSBA) believes this language suggests that a student with disabilities has an entitlement to participate in graduation ceremonies.

The Board has informed us that this provision was not intended to deny the school districts discretion to determine when students with disabilities may participate in graduation ceremonies. Rather, the school districts will retain the option to permit students with disabilities to participate in graduation ceremonies. We suggest that the final-form regulation be amended to reflect the fact that the choice to allow students with disabilities to participate in graduation ceremonies rests with the school district, not the parent or the student.

8. Section 11.28. Out-of-school programs and part-time employment.—Clarity.

Subsection (a) states that students engaged part-time in an "out-of-school program" shall be counted for reimbursement purposes. The final-form regulation should either define "out-of-school program" or provide examples of these programs in this section.

9. Section 11.31. Students not enrolled in public schools due to private tutoring.—Clarity.

The existing text of subsection (b) states that superintendents may "require evidence deemed necessary to demonstrate that the student is making satisfactory progress." Under what circumstances would additional evidence be required? What type of evidence would be required?

10. Section 11.31a. Students not enrolled in public schools due to participation in a home education program.—Clarity.

In its comments, PSBA suggests that this section be amended to include a reference to section 1327(d) of the Public School Code of 1949 to recognize the needs of students who are eligible for special education services. We agree and suggest the Board add this reference.

11. Miscellaneous clarity issues.

- The title of Chapter 11 is "pupil attendance," but in the body of the regulation, all references to "pupil" are being changed to "student." In the final-form regulation, the title of the chapter should be changed to "student attendance."

- In § 11.12, the language "occurs first" is being changed to "should first occur." The same language change is proposed in § 11.13 and a similar language change is proposed in § 11.24 ("occurs" is being changed to "should occur"). The existing language in each of these sections is clearer than the proposed revisions. The Board should retain the original language.

State Board of Education Regulation No. 6-287

Special Education Services and Programs

October 29, 2003

We submit for consideration the following comments that include references to the criteria in the Regulatory Review Act (71 P. S. § 745.5b) which have not been met. The State Board of Education (Board) must respond to these comments when it submits the final-form regulation. The public comment period for this regulation closed

on September 29, 2003. If the final-form regulation is not delivered within 2 years of the close of the public comment period, the regulation will be deemed withdrawn.

General.—Reasonableness and need.

This proposed regulation removes the provision which allows a local education agency to begin due process proceedings when a parent objects to initial special education services. The Board is making this change so § 14.62(c) will be consistent with requirements of the Federal Department of Education's Office of Special Education Programs (OSEP). The House Education Committee and the Pennsylvania School Boards Association request that the Board formally challenge OSEP's interpretation before promulgating this rulemaking. The Board has stated that challenging OSEP's interpretation is not a viable option.

To justify its position, the Board has provided us with correspondence that includes: an e-mail requesting the Board change its regulations to conform with OSEP's interpretation; another e-mail conditioning further funding on the Board's revision of this regulation per OSEP's interpretation; and OSEP's approval of the Board's amendment. This correspondence is important in establishing the necessity of this rulemaking, as well as validating its position not to challenge OSEP's interpretation. Therefore, the Board should include the substance of the previously mentioned directives in the preamble to the final-form regulation.

GE Life and Annuity Assurance Company; Request for Authority to Increase Rates for Individual Standardized Medicare Supplement Plans; Rate Filing

GE Life and Annuity Assurance Company has filed for approval to increase rates for its individual standardized Medicare supplement plans A—D, H and J. The filing requests an average increase of 14.4%, varying by standardized plan. The rate increases will impact about 7,014 policyholders in this Commonwealth and produce additional annual Commonwealth premium income of approximately \$1.5 million. The requested effective date of the increase is March 1, 2004.

The proposed rate increase percentages by plan for all ages and areas are as follows:

Form	Plan	Percentage
MSP-1992A and HMSPA96	A	8%
MSP-1992B and HMSPB96	B	25%
MSP-1992C and HMSPC96	C	20%

Review Procedure Hearings; Cancellation or Refusal of Insurance

The following insureds have requested a hearing as authorized by the act of June 17, 1998 (P. L. 464, No. 68), in connection with the termination of the insureds' automobile policy. The hearing will be held in accordance with the requirements of the act; 1 Pa. Code Part II (relating to the General Rules of Administrative Practice and Procedure); and 31 Pa. Code §§ 56.1—56.3 (relating to Special Rules of Administrative Practice and Procedure). The administrative hearing will be held in the Insurance Department's regional office in Harrisburg, PA. Failure by an appellant to appear at a scheduled hearing may result in dismissal with prejudice.

The following hearing will be held in the Administrative Hearings Office, Capitol Associates Building, Room 200, 901 N. Seventh Street, Harrisburg, PA 17102.

Appeal of William and Laurice Dunning; file no. 03-182-09019; Erie Insurance Company; doc. no. P03-10-033; November 26, 2003, 2 p.m.

Parties may appear with or without counsel and offer relevant testimony or evidence. Each party must bring documents, photographs, drawings, claims files, witnesses, and the like, necessary to support the party's case. A party intending to offer documents or photographs into evidence shall bring enough copies for the record and for each opposing party.

In some cases, the Insurance Commissioner (Commissioner) may order that the company reimburse an insured for the higher cost of replacement insurance coverage obtained while the appeal is pending. Reimbursement is available only when the insured is successful on appeal, and may not be ordered in all instances. If an insured wishes to seek reimbursement for the higher cost of replacement insurance, the insured must produce documentation at the hearing which will allow comparison of coverages and costs between the original policy and the replacement policy.

Following the hearing and receipt of the stenographic transcript, the Commissioner will issue a written order resolving the factual issues presented at the hearing and stating what remedial action, if any, is required. The Commissioner's Order will be sent to those persons participating in the hearing or their designated represen-

tatives. The Order of the Commissioner may be subject to judicial review by the Commonwealth Court.

Persons with a disability who wish to attend an administrative hearing and require an auxiliary aid, service or other accommodation to participate in the hearing should contact Tracey Pontius, Agency Coordinator, (717) 787-4298.

STATE CONTRACTS INFORMATION

DEPARTMENT OF GENERAL SERVICES

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". The penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter.

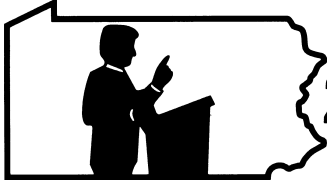

Act 1984-196 redefined a "qualified small business concern" as any independently owned and operated, for-profit business concern employing 100 or fewer employees. See 4 Pa. Code § 2.32. The business must include the following statement on every invoice submitted to the Commonwealth: "(name of business) is a qualified small business concern as defined in 4 Pa. Code 2.32."

A business is eligible for payments when the required payment is the latest of:
 The payment date specified in the contract.
 30 days after the later of the receipt of a proper invoice or receipt of goods or services.
 The net payment date stated on the business' invoice.

A 15-day grace period after the required payment date is provided to the Commonwealth by the Act.
