READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

Bulletin before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

PART VII. ADMINISTRATIVE OFFICE OF PENNSYLVANIA COURTS

[204 PA. CODE CH. 211]

Judicial Salaries

Annex A

TITLE 204. JUDICIAL SYSTEM PROVISIONS

PART VII. ADMINISTRATIVE OFFICE OF PENNSYLVANIA COURTS

CHAPTER 211. CONSUMER PRICE INDEX

The Court Administrator of Pennsylvania has computed the annual judicial salaries effective January 1, 2008 for publication in the *Pennsylvania Bulletin*.

The Act of July 13, 2007, P. L. 92, No. 30 ("Act 30") provided for judicial cost-of-living adjustments in Section 1741(B).¹

In *Stilp v. Commonwealth*, 588 Pa. 539, 905 A.2d 918 (2006), the Supreme Court of Pennsylvania enjoined Act 72 insofar as it repealed Sections 1801-09 of Act 44. However, the Supreme Court declined to address the constitutional argument concerning the adjustment provisions of Act 44's formula for future judicial compensation as set forth in Section 1810. ("We make no determination because the issue is not properly before us, the parties were not asked to brief it, and it is speculative whether such an issue will ripen." 905 A.2d at 981.)

The Court Administrator of Pennsylvania reports that the percentage increase in the Philadelphia-Wilmington-Atlantic City, PA-NJ-DE-MD, Consumer Price Index for All Urban Consumers (CPI-U), for the 12-month period ending October 2007, was 3.5 percent. (See U. S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index, October 2007, published Thursday, November 16, 2007).

The Court Administrator of Pennsylvania hereby reports that the following judicial salaries are effective January 1, 2008.

§ 211.2. Judicial salaries effective January 1, 2008.

(a) *Supreme Court.*

(1) The annual salary of a justice of the Supreme Court shall be \$181,371.

(2) The annual salary of the Chief Justice of the Supreme Court shall be \$186,649.

(b) *Superior Court.*

(1) The annual salary of a judge of the Superior Court shall be \$171,131.

(2) The annual salary of the President Judge of the Superior Court shall be \$176,409.

(c) *Commonwealth Court.*

(1) The annual salary of a judge of the Commonwealth Court shall be \$171,131.

(2) The annual salary of the President Judge of the Commonwealth Court shall be \$176,409.

(d) *Courts of common pleas.*

(1) The annual salary of a judge of the court of common pleas shall be \$157,441.

(2) The annual salary of the President Judges of the Court of Common Pleas shall be in accordance with the following schedule:

(i) Allegheny County, \$160,080.

(ii) Philadelphia County, \$160,608.

(iii) Judicial districts having six or more judges, \$158,813.

(iv) Judicial districts having one to five judges, \$158,127.

(v) Administrative judges of the divisions of the Court of Common Pleas of Philadelphia County with divisions of six or more judges, \$158,813.

(vi) Administrative judges of the divisions of the Court of Common Pleas of Philadelphia County with divisions of five or less judges, \$158,127

(vii) Administrative judges of the divisions of the Court of Common Pleas of Allegheny County with divisions of six or more judges, \$158,813.

(viii) Administrative judges of the divisions of the Court of Common Pleas of Allegheny County with divisions of five or less judges, \$158,127.

(e) *Philadelphia Municipal Court.*

(1) The annual salary of a judge of the Philadelphia Municipal Court shall be \$153,798.

(2) The annual salary of the President Judge of the Philadelphia Municipal Court shall be \$156,174.

(f) *Philadelphia Traffic Court.*

(1) The annual salary of a judge of the Philadelphia Traffic Court shall be \$82,733.

(2) The annual salary of the President Judge of the Philadelphia Traffic Court shall be \$83,419.

(g) *Magisterial district judge.* The annual salary of a magisterial district judge shall be \$78,722.

(h) *Senior judges.*

(1) The compensation payable to a senior judge of a court of common pleas, a senior Commonwealth Court judge, a senior Superior Court judge and a senior Supreme Court justice, assigned pursuant to 42 Pa.C.S. § 4121 (relating to assignment of judges) and a senior Philadelphia Municipal Court judge assigned pursuant to 42 Pa.C.S. § 4124 (relating to assignment of senior Philadelphia Municipal Court judges) shall be \$483 per day. In any calendar year the amount of compensation which a senior judge shall be permitted to earn as a senior judge shall not, when added to retirement income paid by the Commonwealth, for the senior judge, exceed the annual salary payable by the Commonwealth to a judge then in regular active service on the court from which the senior judge retired.

¹ As was stated in last year's notice (36 Pa.B. 7955), the Act of November 16, 2005, P. L. 385, No. 72 ("Act 72") presumptively repealed Section 1810 of the Act of July 7, 2005, P. L. 201, No. 44 ("Act 44") relating to the judicial COLA and reenacted Section 2.1(i) of the Public Official Compensation Law, Act of September 30, 1983, P. L. 160, No. 39, added by the Act of October 19, 1995, P. L. 324, No. 51 ("Act 51"), 65 P. S. § 366.1, et seq.

(2) In any calendar year, the amount of compensation which a senior judge assigned to serve on a court referred to in 42 Pa.C.S. § 1806 (relating to Philadelphia Municipal Court), 42 Pa.C.S. § 1807 (relating to Philadelphia Traffic Court) or 42 Pa.C.S. § 1808 (relating to magisterial district judges) shall be permitted to earn as a senior judge shall not, when added to retirement income paid by the Commonwealth to that senior judge, exceed the compensation payable by the Commonwealth to a judge then in regular active service on the court from which that senior judge retired.

(3) A senior judge who so elects may serve without being paid all or any portion of the compensation permitted.

EXPLANATORY REPORT DECEMBER 2007

Introduction

The Supreme Court of Pennsylvania has adopted the proposed changes to Rules 210 and 232. The changes are effective December 3, 2007.

Rule 210—Arrest Warrant

The first modification is in the Comment to Rule 210. The Court's web-page and reference to the Magisterial District Judge System (MDJS) or the Common Pleas Criminal Court Case Management System (CPCMS) has been added to the Comment to guide the judge or practitioner where a written allegation form or arrest warrant form may be found.

Rule 232—Contents of Written Allegation

The second modification is in the Comment to Rule 232. A cite to the Court's web-page has been added to this Rule to reference where the allegation form may be found.

Title 246—MINOR COURT CIVIL RULES

PART I. GENERAL

[246 PA. CODE CH. 100]

Proposed Amendments to Rule 110 of the Rules of Conduct, Office Standards and Civil Procedure for Magisterial District Judges

The Minor Court Rules Committee is planning to recommend that the Supreme Court of Pennsylvania amend Rule 110 of the Rules of Conduct, Office Standards and Civil Procedure for Magisterial District Judges to require bonds for senior magisterial district judges. The Committee has not yet submitted this proposal for review by the Supreme Court of Pennsylvania.

The following explanatory *Report* highlights the Committee's considerations in formulating this proposal. The Committee's *Report* should not be confused with the Committee's Official Notes to the rules. The Supreme Court does not adopt the Committee's Official Notes or the contents of the explanatory reports.

The text of the proposed changes precedes the *Report*. Additions are shown in bold; deletions are in bold and brackets.

We request that interested persons submit written suggestions, comments, or objections concerning this proposal to the Committee through counsel,

TITLE 246. MINOR COURT CIVIL RULES

PART I. GENERAL

CHAPTER 100. RULES AND STANDARDS WITH RESPECT TO OFFICES OF MAGISTERIAL DISTRICT JUDGES

Rule 110. Bonds of Magisterial District Judges and Appointed Senior Magisterial District Judges.

(a) Each magisterial district judge is required to give bond in such sum, not less than \$25,000, as shall be directed by the president judge of the court of common pleas of the judicial district in which is located the

magisterial district of the magisterial district judge, with one or more sufficient sureties. The bond shall be lodged with the prothonotary of the court of common pleas, be conditioned on the faithful application of all moneys that come into the hands of the magisterial district judge as an officer, and be for the benefit of the Commonwealth and its political subdivisions and all persons who may sustain injury from the magisterial district judge in his or her official capacity.

(b) Each appointed senior magisterial district judge is required to give a bond not less than \$25,000. Payment of the appointed senior magisterial district judge bond shall be administered by the Administrative Office of the Pennsylvania Courts. The bond shall be lodged with the prothonotary of the Commonwealth Court, and be conditioned upon faithful application of all moneys that come into the hands of the appointed senior magisterial district judge as an officer, and be for the benefit of the Commonwealth, its political subdivisions and all persons who may sustain injury from the appointed senior magisterial district judge in his or her official capacity.

Official Note: This rule sets forth only the minimum bond amount for each magisterial district judge. The amount of money collected by the district courts varies greatly however, and the president judge is free to require higher bond amounts for some or all of the courts in the judicial district.

See Pa.R.J.A. No. 701(A) for necessary conditions to become a senior magisterial district judge and Pa.R.J.A. No. 701(C) for information about assignment of senior magisterial district judges. Pursuant to Pa.R.J.A. 701(C), senior magisterial district judges are assigned by the Administrative Office of Pennsylvania Courts.

REPORT

Proposed Amendment to the Note to Rule 110 of the Rules of Conduct, Office Standards and Civil Procedure for Magisterial District Judges

Including Senior Magisterial District Judges in the Bond Requirement of Rule 110

I. Introduction

The Minor Court Rules Committee ("Committee") began reviewing Rule 110 ("Bonds of Magisterial District Judges") in 2006 following an inquiry from a county court administrator. During an audit, a question arose about who bore the responsibility for paying senior magisterial district judges' bonds—the county or state?

The last change to Rule 110 occurred in Jan. 2006, when the Rule changed to reflect an increase in the minimum bond from \$2,500 to \$25,000. A subcommittee of the Supreme Court of Pennsylvania's Intergovernmental Task Force to Study the District Justice System recommended the increase.

II. Discussion and Proposed Change to Rule 110

The Committee invested significant time researching the question of senior MDJ bond payment before arriving at any conclusions. With the assistance of the Committee's Pennsylvania Association of Court Management (PACM) liaison, the Committee surveyed counties throughout the Commonwealth. The responses from a diverse cross-section of counties showed that there was no uniformity in the manner in which senior MDJs were being bonded (if at all). However, one element of this

issue remained fairly constant from all parts of the state—most court administrators strongly felt that their counties should not be required to bear the cost of paying for senior MDJ bonds when the counties themselves have no authority over senior MDJs.

Pursuant to the Rules of Judicial Administration, the statewide Administrative Office of Pennsylvania Courts (“AOPC”) oversees the process of certifying and assigning judges. See Pa.R.J.A. No. 701(B) and (C). Individual county president judges must apply to the AOPC to fill vacancies in their districts. See Pa.R.J.A. No. 701(C)(1). Only senior magisterial district judges who have completed the appropriate AOPC forms and meet eligibility guidelines are considered for assignment in vacant districts. See generally Pa.R.J.A. 701(A) and (B). In addition to overseeing certification and assignments, the AOPC also pays for assigned judges’ expenses. See Pa.R.J.A. No. 701(C)(5). In considering the practical implications of this protocol, the Committee noted that in a relatively short period of time—perhaps a few months—a senior MDJ could be assigned to a number of contiguous counties. In such an instance, it would be unfair for a county to pay a senior MDJ’s bond if he or she were simply going to be transferred by the AOPC the next week to a different county.

In summary, the Committee decided that including senior MDJs in Rule 110 and requiring that the AOPC pay their bonds would be in the interest of judicial economy and centralization. The Committee settled upon the language “appointed senior magisterial district judges” to differentiate from senior MDJs in general. The Committee felt that only those senior MDJs who had actually been appointed to a particular judicial vacancy should be bonded, not all senior MDJs.

Proposed Amendments to Rules 341 and 342 of the Rules of Conduct, Office Standards and Civil Procedure for Magisterial District Judges

The Minor Court Rules Committee is planning to recommend that the Supreme Court of Pennsylvania amend the Notes to Rules 341 and 342 of the Rules of Conduct, Office Standards and Civil Procedure for Magisterial District Judges to clarify payment of costs when entry of satisfaction is requested. The Committee has not yet submitted this proposal for review by the Supreme Court of Pennsylvania.

The following explanatory *Report* highlights the Committee’s considerations in formulating this proposal. Annex A

TITLE 246. MINOR COURT CIVIL RULES

PART I. GENERAL

CHAPTER 300. CIVIL ACTION

SATISFACTION OF MONEY JUGDMENTS

Rule 341. Request for Entry of Satisfaction; Service; Entry of Satisfaction.

* * * * *

C. Within 90 days from the date of service of the request for entry of satisfaction, the judgment creditor shall enter satisfaction in the office of the magisterial district judge in which the request for entry of satisfaction was filed.

Official Note: Subdivision A provides a mechanism for a judgment debtor, or anyone interested in the judgment, to file a written request for entry of satisfaction in the office of the magisterial district judge who rendered the judgment. See Section 8104(a) of the Judicial Code, Pa.C.S. § 8104(a).

Subdivision B is intended to provide a number of alternative methods of service. See Rules 307, 308, 309, 310, 311, 312 and 313. When permitted, service by mail should be at the option of the person filing the request for entry of satisfaction. **The requester shall be required to pay for all costs associated with initiating entry of satisfaction.**

* * * * *

Rule 342. Failure of Judgment Creditor to Enter Satisfaction; Supplementary Action.

* * * * *

B. (1) Except as provided in subparagraph B(2), upon the filing of a complaint as provided in subdivision A, the action shall proceed as a civil action in accordance with the rules of the 300 Series.

(2) No claim under Rule 315 will be permitted in a supplementary action filed pursuant to this Rule.

Official Note: A judgment debtor may seek damages pursuant to Section 8104(b) of the Judicial Code, 42 Pa.C.S. § 8104(b). The action commenced under subdivision A of this Rule is a supplementary proceeding in the matter in which the judgment was entered. As such, it must be filed in the office of the magisterial district judge in which the request for entry of satisfaction was filed. Also, it must be indexed to the same docket number as, and made a part of the record of, the underlying action. See Rule 306 and Note. Because the supplementary action is merely a continuation of the underlying action, there are no filing costs for it, however there may be costs for service of the action. **The requester shall be required to pay for all costs associated with initiating entry of satisfaction.**

* * * * *

REPORT**Proposed Amendment to the Notes to Rules 341 and 342 of the Rules of Conduct, Office Standards and Civil Procedure for Magisterial District Judges****Payment of Costs When Entry of Satisfaction Is Requested****I. Background**

The Minor Court Rules Committee (the Committee) undertook a review of Rules 341 and 342 following an inquiry from a District Court administrator. The administrator pointed out that MDJ Rule 341 does not address *who* is required to pay for service of a request for entry of satisfaction. Instead, Rule 341 simply requires service "in accordance with the rules in the 300 Series regarding service of the complaint." See MDJ Rule 341B.

II. Discussion and Proposed Rule Changes

After reviewing the administrator's inquiry, the Committee agreed that the lack of direction in MDJ 341, with regard to payment of service costs, was problematic. In attempting to fashion a solution, the Committee members settled upon adding language to the Notes of both Rules 341 and 342. The additional language makes it clear that the person who is requesting entry of satisfaction is the individual responsible for payment of any costs associated with his or her request.

Order

And Now, this 30th day of November, 2007, and effective November 30, 2007, or thirty (30) days after publication in the *Pennsylvania Bulletin*, the Cumberland County Local Rules of Court are amended as follows:

1. Cumberland County Local Rule of Court 1915.3-4, requiring that the parties provide certain information to the Custody Conciliator, as of course, prior to the Conciliation Conference is *Rescinded*.

2. Cumberland County Local Rule of Court 1915.3-8(b), providing for the submission of the Conciliator's Conference Summary Report and a proposed order of court is *Amended* to add a final sentence reading: "The proposed recommended order may contain a requirement that the parties file a pretrial memorandum with the Judge to whom the matter has been assigned."

3. Rule 1915.15, setting out the form of the notice for the Conciliation Conference, is amended to *Delete* the sentence which reads: "All children age five or older may also be present at the conference."

Pursuant to Pa.R.C.P. 239, the Court Administrator is directed to forward seven (7) certified copies of this order to the Administrative Office of Pennsylvania Courts, two (2) certified copies to the Legislative Reference Bureau for

publication in the *Pennsylvania Bulletin*, together with a diskette, formatted in Microsoft Word for Windows reflecting the text in hard copy version, one (1) copy to the Supreme Court Civil Procedural Rules Committee and/or the Supreme Court Domestic Relations Committee, and one (1) copy to the *Cumberland Law Journal*.

WESTMORELAND COUNTY

Rescinding and Adopting Rule W609; No. 3 of 2007

And Now, this 3rd day of December, 2007, it is *Hereby Ordered* that Westmoreland County Rule of Civil Procedure W609 is rescinded and new Rule W609 is adopted.

By the Court:

JOHN E. BLAHOVEC,
Acting President Judge

RULE W609 Bill of Costs

(a) A bill of costs listing those items sought to be recovered as record costs must be filed with the Prothonotary, within 10 days of:

- (1) the entry of a jury verdict;
- (2) a final order, decree, or verdict of a judge sitting without a jury; or
- (3) the day on which the Prothonotary makes the notation on the docket, pursuant to Pa.R.C.P. 1307(a)(3), that Notice of any Award including record costs has been mailed.

(b) A certificate that a copy of the bill of costs has been served on the opposing party or that party's counsel of record shall be filed with the bill of costs.

(c) Objections to items or amounts listed in the bill of costs must be filed by the opposing party or that party's counsel of record within 10 days of receipt of a copy of the bill of costs, in which event the trial judge, or judge assigned by the court administrator, shall enter an order specifying which costs are allowable.

COMMENT: See: *Zelenak v. Mikula*, 911 A. 2d. 542 (Pa. Super. 2006) as to what is included in record costs.

Absent an agreement between counsel regarding the payment of record costs, the court has no authority to award costs to either party upon settlement. *Mancine v. Bilesimo, Jr.*, 69 W.L.J. 145, 146 n.1 (1987).

RULES AND REGULATIONS

Title 58—RECREATION

GAME COMMISSION [58 PA. CODE CH. 133] Wildlife Classification

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission), at its October 2, 2007, meeting, adopted § 133.41 (relating to classification of mammals) to update Pennsylvania's list of native endangered and threatened species with current recommendations provided by scientific technical committees of the Pennsylvania Biological Survey by adding the northern flying squirrel to the endangered species list.

The final-form rulemaking will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for the final-form rulemaking is 34 Pa.C.S. (relating to Game and Wildlife Code) (code).

Notice of proposed rulemaking was published at 37 Pa.B. 5164 (September 22, 2007).

1. Purpose and Authority

To effectively protect and manage the wildlife resources of this Commonwealth, section 2167 of the code (relating to endangered or threatened species) empowers the Commission to make changes to the Pennsylvania list of native endangered and threatened species. Chapter 133 (relating to wildlife classification) lists native birds and mammals determined by the Commission to be endangered or threatened. This chapter was last modified in October 2005. Commission staff has met with and received recommendations from the scientific technical committees of the Pennsylvania Biological Survey on species classification changes. No classifications were proposed for birds, however, the Mammal Technical Committee recommended one change to the list of threatened and endangered mammals. The amendment to § 133.41 represents the addition of the northern flying squirrel to the endangered species list.

The northern flying squirrel is not a game species, and it is the larger and rarer of the two flying squirrel species in this Commonwealth. Surveys by both Commission personnel and independent researchers demonstrate population declines in this species. Historical records indicate this species once was distributed across northern Pennsylvania; however, recent surveys suggest it is now found only in small island populations in the northeast Pocono region and at one site in Warren County. The primary cause for the decline of this species is the loss and fragmentation of older-growth coniferous forests in this Commonwealth.

Section 322(c)(8) of the code (relating to powers and duties of the commission) specifically empowers the Commission to "Add to or change the classification of any wild bird or wild animal." Section 2102(a) of the code (relating to regulations) provides that "The commission shall promulgate such regulations as it deems necessary and appropriate concerning game or wildlife and hunting or furtaking in this Commonwealth, including regulations relating to the protection, preservation and management of game or wildlife and game or wildlife habitat . . . in this Commonwealth." The amendment to § 133.41 was adopted pursuant to this authority.

2. Regulatory Requirements

The final rulemaking updated Pennsylvania's list of native endangered and threatened species found in § 133.41 with current recommendations provided by scientific technical committees of the Pennsylvania Biological Survey by adding the northern flying squirrel to the endangered species list.

3. Persons Affected

Persons wishing to hunt, trap or otherwise affect certain wildlife (or their habitat) within this Commonwealth may be affected by the final rulemaking.

4. Comment and Response Summary

The Commission received one comment respecting this final-form rulemaking, however, the substance of the comment was limited to the short duration of the comment period associated with the proposal rather than the actual substance of the amendment.

5. Cost and Paperwork Requirements

The final-form rulemaking should not result in any additional cost or paperwork.

6. Effective Date

The final-form rulemaking will be effective upon final publication in the *Pennsylvania Bulletin* and will remain in effect until changed by the Commission.

7. Contact Person

For further information regarding the final rulemaking, contact Richard R. Palmer, Director, Bureau of Wildlife Protection, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, (717) 783-6526.

Findings

The Commission finds that:

(1) Public notice of intention to adopt the administrative amendment adopted by this order has been given under sections 201 and 202 of the act of July 31, 1968 (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202) and the regulations thereunder, 1 Pa. Code §§ 7.1 and 7.2.

(2) The adoption of this amendment of the Commission in the manner provided in this order is necessary and appropriate for the administration and enforcement of the authorizing statute.

Order

The Commission, acting under authorizing statute, order that:

(a) The regulations of the Commission, 58 Pa. Code Chapter 133, are amended by amending § 133.41 to read as set forth 37 Pa.B. 5164.

(b) The Executive Director of the Commission shall certify this order and 37 Pa.B. 5164 and deposit them with the Legislative Reference Bureau as required by law.

(c) This order shall become effective upon final-form publication in the *Pennsylvania Bulletin*.

CARL G. ROE,
Executive Director

Fiscal Note: Fiscal Note 48-255 remains valid for the final adoption of the subject regulation.

PROPOSED RULEMAKING

GAME COMMISSION

[58 PA. CODE CH. 143]

Hunting and Furtaking Licenses

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission), at its October 2, 2007, meeting, proposed to amend § 143.12 (relating to fee for replacement hunter education training certificate) to permit the Commission to waive hunter education course registration fees for its staff and volunteer instructors.

The proposed rulemaking will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for the proposed rulemaking is 34 Pa.C.S. (relating to Game and Wildlife Code) (code).

The proposed rulemaking was made public at the October 2, 2007, meeting of the Commission. Comments can be sent to the Director, Information and Education, Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, until January 25, 2008.

1. Purpose and Authority

The Commission's hunter education program has grown in recent years to include not only the basic Hunter-Trapper Education curriculum for all first-time license buyers, but also a mandatory Remedial Hunter Education training program and a Cable Restraint Certification curriculum required for certain trapping activities. A voluntary advanced training program titled "Successful Bowhunting" was also developed to improve bowhunters knowledge, skills and abilities. Future curriculum expansion is envisioned with additional species-specific and discipline specific advanced training programs.

With this growth, many staff and volunteer instructors have benefited from these training programs, resulting in an improvement in their knowledge and skills. This regulation will formalize the ability for the agency to waive course registration fees associated with certain hunter education programs, thereby allowing staff and volunteer instructors to participate in these and future training programs without being charged a fee. This waiver would be further defined by formal, written hunter education policy and would be subject to review and approval by the Director. Therefore, the Commission is proposing to amend § 143.12 to permit the Commission to waive hunter education course registration fees for its staff and volunteer instructors.

Section 2722(g)(2) of the code (relating to authorized license-issuing agents) directs the Commission to adopt regulations for the administration, control and performance of activities related to license issuing. Section 2102(a) of the code (relating to regulations) provides that "The commission shall promulgate such regulations as it deems necessary and appropriate concerning game or wildlife and hunting or furtaking in this Commonwealth, including regulations relating to the protection, preservation and management of game or wildlife and game or wildlife habitat, permitting or prohibiting hunting or furtaking, the ways, manner, methods and means of hunting or furtaking, and the health and safety of persons who hunt or take wildlife or may be in the vicinity of persons who hunt or take game or wildlife in this Commonwealth." The amendments to § 143.12 were proposed under this authority.

2. Regulatory Requirements

The proposed rulemaking will amend § 143.12 to permit the Commission to waive hunter education course registration fees for its staff and volunteer instructors.

3. Persons Affected

Staff and volunteer instructors of the Commission participating in any of the Commission's hunter education training courses may be affected by the proposed rulemaking.

4. Cost and Paperwork Requirements

The proposed rulemaking may result in a nominal increase in additional cost (income avoidance) and paperwork to the Commission in implementing this fee waiver authority, however, such an increase should be absorbed by the Commission's current budget staffing, or both.

5. Effective Date

The proposed rulemaking will be effective upon final-form publication in the *Pennsylvania Bulletin* and will remain in effect until changed by the Commission.

6. Contact Person

For further information regarding the proposed rulemaking, contact Richard R. Palmer, Director, Bureau of Wildlife Protection, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, (717) 783-6526.

CARL G. ROE,
Executive Director

Fiscal Note: 48-257. No fiscal impact; (8) recommends adoption. This proposed rulemaking permits the Game Commission to waive hunter education course registration fees for its staff and volunteer instructors.

CHAPTER 143. HUNTING AND FURTKAKER LICENSES

Subchapter A. GENERAL

§ 143.12. [**Fee for replacement hunter education training certificate**] Hunter education training.

[**A \$10 fee shall be remitted by any person requesting a replacement Hunter Education Training Certificate.**]

(a) **Course registration fees.** Upon application for enrollment in each fee-based hunter education course, a student shall remit the associated, nonrefundable course registration fee in the form of cash, credit card, check or money order. Checks or money orders must be made payable to the "Pennsylvania Game Commission."

(b) **Training certificate.** The Commission will issue an appropriate certificate of training to each student who successfully completes an approved hunter education course. The Commission will issue a replacement hunter education training certificate to a person who provides sufficient affirmation or evidence of successful completion of that course of instruction. A \$10 fee shall be remitted by any person requesting a replacement hunter education training certificate.

(c) Waiver. The Director may waive any course registration fee required by this section when the waiver is determined to be consistent with the Commission's hunter education training program or the intent of the act.

[58 PA. CODE CH. 143]
Hunting and Furtaking Licenses

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission), at its October 2, 2007, meeting, proposed to amend § 143.52 (relating to procedure for unlimited antlerless licenses) to change the over-the-counter sales date from the third Monday in September to the second Monday in September to permit county treasurers to begin accepting and processing antlerless deer applications prior to the opening day of the new archery season in Wildlife Management Units (WMUs) 2B, 5C and 5D.

The proposed rulemaking will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for the proposed rulemaking is 34 Pa.C.S. (relating to Game and Wildlife Code) (code).

The proposed rulemaking was made public at the October 2, 2007, meeting of the Commission. Comments can be sent to the Director, Information and Education, Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, until January 25, 2008.

1. *Purpose and Authority*

Currently, § 143.52 permits county treasurers who issue antlerless deer licenses for WMUs 2B, 5C and 5D to begin accepting applications over-the-counter on the third Monday in September. This date fell on September 17, 2007, this year, which happened to be 2 days after the new opening date for archery deer season within those same WMUs. The relationship of these dates unintentionally precluded some hunters wishing to hunt antlerless deer in WMUs 2B, 5C and 5D from being able to purchase the necessary antlerless deer licenses over-the-counter at county treasurers' offices. In an effort to prevent this unintended result from occurring next year, the Commission is proposing to change the over-the-counter sales date from the third Monday in September to the second Monday in September to permit county treasurers to begin accepting and processing antlerless deer applications prior to the opening day of the new archery season in WMUs 2B, 5C and 5D.

Section 2722(g) of the code directs the Commission to adopt regulations for the administration, control and performance of license issuing activities. Section 2102(a) of the code (relating to regulations) provides that "The commission shall promulgate such regulations as it deems necessary and appropriate concerning game or wildlife and hunting or furtaking in this Commonwealth, including regulations relating to the protection, preservation and management of game or wildlife and game or wildlife habitat, permitting or prohibiting hunting or furtaking, the ways, manner, methods and means of hunting or furtaking, and the health and safety of persons who hunt or take wildlife or may be in the vicinity of persons who hunt or take game or wildlife in this Commonwealth." The amendment to § 143.52 was proposed under this authority.

2. *Regulatory Requirements*

The proposed rulemaking will amend § 143.52 to change the over-the-counter sales date from the third Monday in September to the second Monday in September to permit county treasurers to begin accepting and processing antlerless deer applications prior to the opening day of the new archery season in WMU's 2B, 5C and 5D.

3. *Persons Affected*

Certain county treasurers and persons wishing to hunt antlerless deer during the early days of the archery season in WMU's 2B, 5C and 5D may be affected by the proposed rulemaking.

4. *Cost and Paperwork Requirements*

The proposed rulemaking should not result in additional cost or paperwork.

5. *Effective Date*

The proposed rulemaking will be effective upon final-form publication in the *Pennsylvania Bulletin* and will remain in effect until changed by the Commission.

6. *Contact Person*

For further information regarding the proposed rulemaking, contact Richard R. Palmer, Director, Bureau of Wildlife Protection, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, (717) 783-6526.

[58 PA. CODE CH. 141]
Hunting and Trapping

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission), at its October 2, 2007, meeting, proposed to amend § 141.20

(relating to protective material required) to eliminate the protective material requirement for the spring turkey season.

The proposed rulemaking will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for the proposed rulemaking is 34 Pa.C.S. (relating to Game and Wildlife Code) (code).

The proposed rulemaking was made public at the October 2, 2007, meeting of the Commission. Comments can be sent to the Director, Information and Education, Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, until January 25, 2008.

1. Purpose and Authority

Various hunters and sporting organizations have requested the Commission to review or reconsider, or both, the current regulatory mandate that turkey hunters wear at least 100 square inches of solid fluorescent orange-colored material on the head while moving about or relocating during the spring turkey season. Safety of hunters afield is without a doubt one of the paramount concerns of the Commission, especially as it relates to hunters shooting other hunters in mistake for game. However, notwithstanding anecdotal indications that the protective material requirement does in fact prevent some accidents, the available statistical data relating to hunting related shooting incidents (HRSIs) during the spring turkey season is devoid of clear evidence that the protective material requirement has made any appreciable reduction in the occurrence of HRSIs since its inception. After thorough discussion and review, the Commission has determined that it is prepared to eliminate the protective material requirement for the spring turkey season, however, it will remain attentive to the effect the removal has on the occurrence of HRSIs. Therefore the Commission is proposing to amend § 141.20 to eliminate the protective material requirement for the spring turkey season. Despite this proposal, the Commission strongly recommends that hunters continue to wear fluorescent orange during the spring turkey season.

Section 2102(a) of the code (relating to regulations) provides that "The commission shall promulgate such regulations as it deems necessary and appropriate concerning game or wildlife and hunting or furtaking in this Commonwealth, including regulations relating to the protection, preservation and management of game or wildlife and game or wildlife habitat, permitting or prohibiting hunting or furtaking, the ways, manner, methods and means of hunting or furtaking, and the health and safety of persons who hunt or take wildlife or may be in the vicinity of persons who hunt or take game or wildlife in this Commonwealth." The amendment to § 141.20 was proposed under this authority.

2. Regulatory Requirements

The proposed rulemaking will amend § 141.20 to eliminate the protective material requirement for the spring turkey season.

3. Persons Affected

Persons wishing to hunt turkey during the spring turkey season within this Commonwealth will be affected by the proposed rulemaking.

4. Cost and Paperwork Requirements

The proposed rulemaking should not result in additional cost or paperwork.

5. Effective Date

[58 PA. CODE CHS. 141 AND 147]
Hunting and Trapping and Special Permits

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission), at its October 2, 2007, meeting, proposed to amend § 141.4 (relating to hunting hours) and create Chapter 147, Subchapter W (relating to snow goose conservation hunt permit) to define and create the regulatory structure necessary to implement the new snow goose conservation hunt program within this Commonwealth.

The proposed rulemaking will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for the proposed rulemaking is 34 Pa.C.S. (relating to Game and Wildlife Code) (Code).

The proposed rulemaking was made public at the October 2, 2007, meeting of the Commission. Comments can be sent to the Director, Information and Education, Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, until January 25, 2008.

1. Purpose and Authority

In recent years, continental snow goose populations have experienced a rapid growth in their population. This dramatic increase in population size has in turn resulted in extensive, possibly irreversible, damage to arctic and subarctic breeding habitats of the continental snow goose, as well as other bird populations dependant on these habitats. The Federal government has proposed, by means of a Light Goose Management Final Environmental Impact Statement, to reduce and stabilize snow goose populations primarily by allowing additional hunting methods and days. The United States Fish and Wildlife Service intends to establish a conservation order that will authorize states, beginning in 2008, to use hunters to harvest snow geese during the period when all waterfowl seasons, excluding falconry, are closed inside or outside the migratory bird hunting season framework. Participating states are required to monitor and assess hunting activity and harvest conducted under this conservation order and annually report to the United States Fish and Wildlife Service each September. To this end, the Commission is proposing to amend § 141.4 and create Chapter 147, Subchapter W to define and create the regulatory structure necessary to implement the new snow goose conservation hunt program within this Commonwealth.

Section 2901(b) of the code (relating to authority to issue permits) provides "the commission may, as deemed necessary to properly manage the game or wildlife resources, promulgate regulations for the issuance of any permit and promulgate regulations to control the activities which may be performed under authority of any permit issued." Section 2102(a) of the code (relating to regulations) provides that "The commission shall promulgate such regulations as it deems necessary and appropriate concerning game or wildlife and hunting or furtaking in this Commonwealth, including regulations relating to the protection, preservation and management of game or wildlife and game or wildlife habitat, permitting or prohibiting hunting or furtaking, the ways, manner, methods and means of hunting or furtaking, and the health and safety of persons who hunt or take wildlife or may be in the vicinity of persons who hunt or take game or wildlife in this Commonwealth." The amendments to § 141.4 and creation of Chapter 147, Subchapter W were proposed under this authority.

2. Regulatory Requirements

The proposed rulemaking will amend § 141.4 and create Subchapter W to define and create the regulatory structure necessary to implement the new snow goose conservation hunt program within this Commonwealth.

3. Persons Affected

Persons wishing for additional opportunities to hunt snow geese within this Commonwealth may be affected by the proposed rulemaking.

4. Cost and Paperwork Requirements

The proposed rulemaking may result in a nominal increase in additional cost and paperwork to the Commission in implementing this new program, however, such an increase should be absorbed by the Commission's current budget or staffing, or both.

5. Effective Date

The proposed rulemaking will be effective upon final publication in the *Pennsylvania Bulletin* and will remain in effect until changed by the Commission.

6. Contact Person

§ 147.781. Purpose and scope.

The purpose of this subchapter is to provide for snow goose conservation hunt permits to be issued to licensed migratory bird hunters. This permit will authorize migratory bird hunters to harvest snow geese during a time specified by the Director when all waterfowl seasons are closed and require hunter activity and harvest reporting carried out under the permit.

§ 147.782. Application.

(a) A permit will only be issued to persons who possess a valid hunting license, a valid migratory game bird license and, if the applicant is 16 years of age or older, a valid Federal duck stamp.

(b) Applications for snow goose conservation hunt permits issued under this subchapter shall be made on the form and in a manner provided by the Commission.

(c) Applications must include the name and contact information of the permit applicant.

§ 147.783. Permit.

(a) A snow goose conservation hunt permit issued under this subchapter authorizes the permittee to harvest snow geese within this Commonwealth during a period of time when all waterfowl seasons are closed.

(b) The permittee is required to maintain records specifying hunting activity and harvest by day, time of day, and any other detail required by the Commission. An annual report of this hunting record shall be submitted in a manner specified by the Commission within 30 days of the last hunting day of the conservation hunt period.

(c) The permittee shall comply with the arms, ammunition, hunting hours and hunting regulations for migratory game birds adopted by the United States Secretary of the Interior as published in the *Federal Register* each year.

§ 147.784. Violations.

The Director may deny permit applications received from persons who failed to complete and submit harvest reports and survey information from the prior season.

Special Permits**

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission), at its October 2, 2007, meeting, proposed to add Chapter 147, Subchapter V (relating to agricultural damage depredation permit) to define and create the regulatory structure necessary to implement the new agricultural damage depredation permit program within this Commonwealth.

The proposed rulemaking will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for the proposed rulemaking is 34 Pa.C.S. (relating to Game and Wildlife Code) (code).

The proposed rulemaking was made public at the October 2, 2007, meeting of the Commission. Comments can be sent to the Director, Information and Education, Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, until January 25, 2008.

1. Purpose and Authority

On July 3, 2007, Governor Rendell signed into law House Bill 881, which, in relevant part, amended section 2121 of the code (relating to killing game or wildlife to protect property) to permit the Commission to authorize other individuals to assist eligible landowners in the destruction of wildlife causing agricultural damage on their property. This bill became effective September 1, 2007, however, before the Commission can begin the issuance of any permits to authorize this activity, the Commission must define and create the regulatory structure to implement this new program. To that end the Commission is proposing to create Subchapter V to define and create the regulatory structure necessary to implement the new agricultural damage depredation permit program within this Commonwealth.

Section 2901(b) of the code (relating to authority to issue permits) provides “the commission may, as deemed necessary to properly manage the game or wildlife resources, promulgate regulations for the issuance of any permit and promulgate regulations to control the activities which may be performed under authority of any permit issued.” Section 2102(a) of the code (relating to regulations) provides that “The commission shall promulgate such regulations as it deems necessary and appropriate concerning game or wildlife and hunting or furtaking in this Commonwealth, including regulations relating to

the protection, preservation and management of game or wildlife and game or wildlife habitat, permitting or prohibiting hunting or furtaking, the ways, manner, methods and means of hunting or furtaking, and the health and safety of persons who hunt or take wildlife or may be in the vicinity of persons who hunt or take game or wildlife in this Commonwealth.” The creation of Subchapter V was proposed pursuant to this authority.

2. Regulatory Requirements

The proposed rulemaking will create Subchapter V to define and create the regulatory structure necessary to implement the new agricultural damage depredation permit program within this Commonwealth.

3. Persons Affected

Eligible landowners and persons wishing to assist eligible landowners with the destruction of wildlife causing agricultural damage on their property within this Commonwealth may be affected by the proposed rulemaking.

4. Cost and Paperwork Requirements

The proposed rulemaking may result in a nominal increase in additional cost and paperwork to the Commission in implementing this new program, however, such an increase should be absorbed by the Commission’s current budget or staffing, or both.

5. Effective Date

The proposed rulemaking will be effective upon final publication in the *Pennsylvania Bulletin* and will remain in effect until changed by the Commission.

6. Contact Person

For further information regarding the proposed rulemaking, contact Richard R. Palmer, Director, Bureau of Wildlife Protection, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797, (717) 783-6526.

**Annex A
TITLE 58. RECREATION
PART III. GAME COMMISSION
CHAPTER 147. SPECIAL PERMITS
Subchapter V. AGRICULTURAL DAMAGE
DEPREDATION PERMIT**

- Sec.
- 147.761. Purpose and scope.
- 147.762. Application.
- 147.763. Permit.
- 147.764. Subpermittee.
- 147.765. Violations.

§ 147.761. Purpose and scope.

The purpose of this subchapter is to provide for depredation permits to be issued to qualified agricultural landowners to authorize them to secure the assistance of subpermittees, not otherwise individually qualified by section 2121 of the act (relating to killing game or wildlife to protect property) themselves, to destroy game or wildlife causing agricultural damage on lands owned, leased or otherwise controlled by the agricultural landowners.

§ 147.762. Application.

(a) Applications for depredation permits issued under this subchapter shall be made through the district wildlife conservation officer on the appropriate form provided by the Commission.

(b) Applications must identify the name and contact information of the permit applicant, the names and contact information of the subpermittees, the specific location of the subject property owned, leased or otherwise controlled by the applicant, the species of game or wildlife causing damage, the specific nature and extent of the damage caused by the game or wildlife and any additional information the Commission may require.

(c) Applications will only be accepted from persons meeting the following criteria:

(1) The permit applicant meets the definition of a qualified "person," as defined in section 2121(c) of the act (relating to killing game or wildlife to protect property).

(2) Except in Wildlife Management Units 5C and 5D, the permit applicant is currently enrolled in one of the Commission public access programs (Farm Game or Safety Zone) for a minimum of 2 years.

(3) The permit applicant possesses a valid agriculture deer control permit if the species sought to be destroyed is white-tailed deer.

(d) Applications shall be accompanied by a copy of the deed, lease or other legal document evidencing the permit applicant to be the owner, lessor or the person in control of the lands to be permitted, including the hunting rights thereon.

§ 147.763. Permit.

A depredation permit issued under this subchapter authorizes the permittee to enlist the aid of a limited number of subpermittees for the purpose of destroying game or wildlife causing agricultural damage on lands owned, leased or otherwise controlled by the permittee.

(1) The maximum number of subpermittees listed may not exceed two per permit, unless the district wildlife conservation officer recommends an increase due to warranted circumstances.

(2) A depredation permit issued under this subchapter is valid at any hour, day or night, but only for the duration of the current permit year.

(3) An annual report shall be submitted on forms supplied by the Commission by July 31 of each permit year.

§ 147.764. Subpermittees.

A depredation permit issued under this subchapter authorizes a limited number of subpermittees, selected by the permittee, to act on behalf of the permittee by

destroying game or wildlife causing agricultural damage on lands owned, leased or otherwise controlled by the permittee.

(1) *Qualifications.* A subpermittee shall be a resident of this Commonwealth, possess a valid resident hunting license or qualify for license and fee exemptions under section 2706 of the act (relating to resident license and fee exemptions) and have no prior record of violations of the act or related license revocations within the previous 10 years.

(2) *Eligibility.* A subpermittee may destroy game or wildlife upon lands owned, leased or otherwise controlled by the permittee only when the game or wildlife is either actually engaged in the material destruction of cultivated crops, fruit trees, vegetables, livestock, poultry or beehives, immediately following the destruction or when there is just cause for reasonable apprehension of additional imminent destruction.

(3) *Lawful devices and methods.* A subpermittee shall comply with the arms, ammunition and method restrictions located in section 2126 of the act (relating to unlawful activities) and § 141.19 (relating to killing game or wildlife to protect property). A permittee may further restrict or limit the usage of specific arms, ammunition or methods of destruction as deemed appropriate.

(4) *Reporting.* A subpermittee shall report all wildlife destroyed within 24 hours to the Commission in the manner required by section 2122 of the act (relating to report to commission officer).

(5) *Surrender of carcass.* The allowances of section 2124 of the act (relating to retention of edible carcass for food) do not extend to subpermittees. A subpermittee shall surrender the entire carcass, including the head and hide, of all game or wildlife destroyed under this subchapter to the Commission in the manner provided by sections 2123 and 2125 of the act (relating to safekeeping edible carcass pending disposition; and surrender of carcass to commission officer). A subpermittee who surrenders the entire carcass of any game or wildlife destroyed under this subchapter to a food bank or a butcher operating on behalf of a food bank, at the express direction of the district wildlife conservation officer, shall be deemed to have met the surrender requirement.

§ 147.765. Violations.

The Director may deny, revoke or suspend any permit for any violation of this subchapter, specifically including violations of the conditions of the permit or reporting requirements, upon written notice to the permittee.

Title 52—PUBLIC UTILITIES

PENNSYLVANIA PUBLIC UTILITY COMMISSION

[52 PA. CODE CH. 69]

Litigated and Settled Proceedings Involving Violations of the Public Utility Code and Commission Regulation

Public Meeting held

Final Policy Statement for Litigated and Settled Proceedings Involving Violations of the Public Utility Code and Commission Regulations; Doc. No. M-00051875

Order

By the Commission:

Background

The Commission is establishing this policy statement in order to address the factors and standards for determining the appropriate amount of fines for violations of the Public Utility Code (Code) and Commission regulations in litigated and settled cases. The Commission currently evaluates both litigated and settled cases involving such violations according to the standards established in *Rosi v. Bell Atlantic-Pennsylvania, Inc. and Sprint Communications Company, L.P.*, C-00992409 (Order entered March 16, 2000). The Commission initially adopted the standards in *Rosi* in order to determine the amount of civil penalties to be assessed in slamming cases, as well as to evaluate settlement agreements in slamming cases. See *Pennsylvania Pub. Util. Comm'n v. PEPCO Energy Serv.*, M-00001432 (Order entered Nov. 9, 2000).

Rosi was a litigated case, in which a hearing was held before an Administrative Law Judge (ALJ) and evidence was placed in the record regarding the alleged violations. Based on that record, the ALJ then determined that the alleged violations had been committed and that Sprint Communications Company (Sprint) should pay a civil fine of \$64,000 for slamming. Sprint appealed as to the amount of the fine, and in resolving the fine amount issue, the Commission set forth the following standards the Commission would apply when determining the amount of a civil penalty in slamming cases:

1. Whether the violation was intentional or negligent. If the violation is intentional, the Commission should start with the presumption that the penalty will be in the range of \$500 to \$1,000 per day. If the violation is negligent, the Commission should start with the presumption that the penalty will be in the range of zero dollars to \$500 per day. The precise penalty amount per day will be arrived at by applying the following additional standards, while recognizing that the Commission retains broad discretion in determining a total civil penalty amount that is reasonable on an individual case basis.
2. Whether the regulated entity promptly and voluntarily took steps to return the customer to the appropriate carrier and credited the customer's account.

3. Whether the regulated entity initiated procedures to prevent future slamming.
4. The number of customers affected and the duration of the violation.
5. Whether the penalty arises from a settlement or a litigated proceeding.
6. The compliance history of the regulated entity which committed the violation.
7. Whether the regulated entity cooperated with the Commission.
8. The amount necessary to deter future violations.
9. Past Commission decisions in similar situations.
10. Other relevant factors.

Subsequently, the Commission determined that all violations of the Code and the Commission's regulations would be subject to review under the standards set forth in *Rosi. Pennsylvania Pub. Util. Comm'n v. NCIC Operator Serv.*, M-00001440 (Order entered Dec. 21, 2000). In reference to the Commission's review under the *Rosi* standards, the *NCIC Operator Services* case states the following:

This review is conducted with the purpose of developing or, in cases of settlement agreements, reviewing the appropriate penalty to be applied for all types of violations for all categories of public utilities. Clearly, the factors we consider pursuant to our decision in *Rosi* are generic in nature and can be applied in all cases. The nature of the violation (intentional or negligent), impact (customers affected and duration), extent of cooperation by the regulated entity, and compliance history are, inter alia, examples of factors that can be reviewed for all types of violations for all types of utilities.

These factors, particularly the extent of cooperation by the regulated entity and measures taken to improve compliance, have been viewed as key mitigating factors under *Rosi*, and the Commission has examined such factors to determine whether settlement agreements are in the public interest.

On August 11, 2005, the Commission adopted a proposed policy statement at this docket to address the factors and standards for evaluating litigated and settled proceedings involving violations of the Code and Commission regulations. In litigated cases, the parties have typically developed an evidentiary record regarding the alleged violation that can be evaluated by the presiding ALJ to determine the appropriate remedy. In settled cases, however, there may not be an evidentiary hearing, and the settlement may be the result of a compromise of positions and an agreement to resolve the matter without admitting culpability. Since the Commission's adoption of the proposed policy statement, parties have been citing to the policy statement and implementing the factors and standards set forth therein. In observing the parties' use of the proposed policy statement since its adoption, the Commission has found that the factors and standards as proposed work well in practice.

The proposed policy statement was published for comment in the 35 Pa.B. 5272 (September 24, 2005). The Office of Consumer Advocate (OCA), the Energy Association of Pennsylvania (EAPA), and the Peoples Natural Gas Company, d/b/a Dominion Peoples (Dominion

Peoples)¹ filed comments concerning the proposed policy statement. A summary of the comments, the Commission's resolution of the comments, and the language of the final policy statement are discussed below. The final policy statement is set forth in Annex A.

DISCUSSION

A. Introduction

The Commission finds that many of the *Rosi* standards work well in evaluating some of the litigated and settled cases involving violations of the Code and the Commission's regulations. However, all of the *Rosi* standards do not apply equally well to all utility cases, particularly those that do not deal with slamming issues. This is due to the wide variety of matters that come before the Commission, including the Commission's Bureau of Consumer Services matters, Gas Safety Division matters, the Bureau of Transportation and Safety matters, and other complaint matters before the Commission. Moreover, strict compliance with the *Rosi* standards does not allow parties adequate flexibility in reaching settlements. Thus, this policy statement will set forth new factors/standards for evaluating litigated and settled cases involving violations of the Code and the Commission's regulations. These factors may be considered by the Commission in determining if a fine or civil penalty for violating a Commission order, regulation, or statute is appropriate and if a proposed settlement for a violation is reasonable and approval of the settlement agreement is in the public interest.

Though many of the same factors may be applied in both litigated and settled proceedings, parties in settled cases should be afforded more flexibility in determining the amount of a fine, penalty, or other resolution. We encourage settlements and intend to allow the parties flexibility in reaching amicable resolutions to complaints and other matters before us so long as the settlement is in the public interest. To this end the parties to a settlement should include in the settlement agreement a statement in support of settlement explaining how and why the settlement is in the public interest. The statement may be filed jointly by the parties or separately by each individual party. Accordingly, while the standards for settlements may reflect some of those standards to be applied in litigated cases, parties will be free to propose innovative provisions that address the issues at hand but which may not strictly adhere to specific guidelines. As always, our overriding concern in these matters is that any proposed agreement reflects the public interest.

B. General Comments

1. Separate Standards for Litigated and Settled Proceedings

In its comments, the OCA recommends that the Commission adopt one set of standards for evaluating an appropriate civil penalty, whether assessed through the litigation process or agreed to through a settlement. The OCA submits that having two similar sets of standards for litigation and settlements does not serve a useful purpose, and the OCA has not found any precedent that supports such a dual standard. The OCA further states that the standards set forth in the proposed policy statement apply to some degree in any procedural context

¹ By order, entered April 13, 2007 at Docket No. A-122250F5000, the Commission approved the Joint Application of Equitable Resources, Inc., and The Peoples Natural Gas Company, d/b/a Dominion Peoples, for the transfer of all stock and rights of Dominion Peoples to Equitable Resources, Inc., and for the approval of the transfer of all stock of Hope Gas, Inc., d/b/a Dominion Hope, to Equitable Resources, Inc.

and, thus, it would be less confusing to have one set of standards to apply in the penalty phase of any case, whether litigated or settled.

Dominion Peoples and the EAPA support standards that distinguish between assessing penalties in a fully litigated case and approving a settlement in a case that was not litigated when evaluating proceedings for violations of the Code or Commission regulations. Dominion Peoples comments that strict standards are appropriate when arriving at a penalty in a case where a hearing was held, evidence was evaluated, and a final decision was issued. Dominion Peoples states that when parties are negotiating a settlement, a finding of intentional or negligent conduct is unnecessary because neither side has had the opportunity to present or cross-examine witnesses and to persuade the administrative law judge of the validity of their position. Flexible standards for evaluating whether a settlement is in the public interest will promote settlements and preserve administrative economy.

The EAPA comments that with respect to litigated cases, the proposed policy statement will increase the predictability of outcomes in relevant cases. With respect to settled cases, the proposed policy statement will provide parties with a definitive framework for structuring an agreement that is acceptable to the Commission. The EAPA believes that this would facilitate the Commission's policy of encouraging parties to reach settlements.

The Commission appreciates the commentators' thorough consideration of this issue. Based on our experience with proceedings involving violations of the Code and Commission regulations and the parties' current use of the proposed policy statement, we agree with the OCA and find that one set of standards is practical, straightforward, and easy to apply. For this reason, we have created one set of standards for both litigated and settled cases within the final policy statement. We emphasize, however, that as in the proposed policy statement, the factor regarding intentional or negligent conduct will still, in most cases, apply only in litigated proceedings and that parties to a settlement retain flexibility in applying all of the factors so that they can reach an equitable agreement that is in the public interest.

2. Preservation of Agency Authority

The OCA comments that every case should be evaluated by the Commission with some consideration of whether the outcome preserves the Commission's authority. The OCA believes that the Commission currently considers this factor in making its decisions. Nevertheless, the OCA suggests that the Commission include this factor in the final policy statement to inform parties that certain fact patterns may warrant a higher penalty or resource commitment as an exercise of Commission authority. While we agree with the OCA that agency authority is an appropriate and important consideration in Commission decisions, we will not incorporate this factor into the final policy statement. We find that the provisions of the Code and the Commission's regulations clearly set forth the Commission's regulatory authority. Enforcing these provisions by imposing penalties and fines for violations of the Code and the regulations is sufficient to emphasize and preserve Commission authority.

3. Commission Resources Expended

In its comments, the OCA presents an overview of public policy concerns it believes the Commission should consider. The OCA states that the Commission should

consider the degree of harm to the public. The OCA avers that every violation that comes before the Commission taxes the Commission's resources to some extent. The OCA reasons that administrative resources used to investigate, document, mediate, or adjudicate matters depletes the pool of resources available to the Commission and that numerous factors, such as the length and breadth of the investigation and the ability to get information from parties, affect the amount of resources that will be consumed. As such, the OCA submits that this factor should be examined on a case-by-case basis in determining the appropriateness of a penalty or settlement.

The Commission appreciates OCA's comments on this issue. We acknowledge that in certain cases a considerable amount of costs may be incurred for prosecuting and investigating utilities, including for time spent in hearings and depositions and travel time for a case. However, we decline to expressly consider such costs as a factor within the policy statement at this time.

C. Factors and Standards for Litigated and Settled Cases

1. Nature of the Violation—§ 69.1201(c)(1) and (2)

The OCA avers that the seriousness of the violation is the logical starting point for evaluating whether the amount of the penalty or settlement is appropriate based on the facts presented. The OCA agrees that whether the utility's conduct is intentional or negligent is also important, but points out that a technical or administrative error that negligently results in a customer's heat-related service being terminated in the winter, a matter of life or death in some instances, is a very serious violation regardless of whether it is intentional or negligent.

In evaluating the appropriateness of a penalty or the contents of a settlement, the OCA states that the Commission should assess whether there is a reasonable relationship between the punishment and the seriousness of the violation. The OCA reasons that because civil penalties in this context are deterrent in nature, the standards to evaluate the appropriateness of penalties are analogous to those used by the courts when evaluating a punitive damages award. As such, the OCA states that the Commission may look at the violation itself and the potential for harm, not just the actual harm sustained.²

The EAPA and Dominion Peoples submitted similar comments regarding the severity of the conduct at issue as set forth in proposed § 69.1201(1)(ii) and (2)(i). The commentators agree that the severity of the conduct should be considered when determining whether a civil penalty, fine, or other action is appropriate. However, they state that the language in the subsections is unclear because it mixes the two concepts of the severity of the conduct at issue and the seriousness of the resulting consequences. Serious conduct is defined based on the harm the conduct allegedly causes. The commentators suggest that to the extent the Commission desires that the results of the utility's conduct should be a factor in evaluating alleged violations, it would be clearer if the conduct and the results of the conduct were listed as separate factors within the policy statement. They recommend that when reviewing a decision or settlement, the Commission should examine the facts to determine whether there is a sufficient nexus between the conduct and the resulting consequences so as to warrant imposition of a higher fine or penalty.

Based on our review of these comments, we find that a logical starting point for evaluating cases includes an

examination of (1) whether the conduct at issue was of a serious nature and (2) whether the resulting consequences were of a serious nature.³ While the conduct and the consequences are listed as separate factors within the policy statement, they should be analyzed together. The Commission will consider the facts of the case in determining if there is a sufficient nexus between the conduct and the resulting consequences.

In examining the conduct at issue, conduct such as willful fraud and misrepresentation are considered more serious in nature and, thus, may warrant a higher, more significant penalty, whereas administrative filing and technical errors are less egregious and may warrant a lower, less significant penalty. In examining the resulting consequences, when consequences are serious in nature, such as personal injury or property damage, this may result in a higher, more significant penalty. The Commission will evaluate the actual harm sustained rather than engaging in any amount of speculation about the potential for harm.

2. Intentional or Negligent Conduct in Litigated Cases—§ 69.1201(c)(3)

The OCA agrees that intentional violations deserve harsher treatment than those resulting from the negligence of a utility employee or contractor. The OCA states that when facts are present that support crime or fraud, the conduct should be considered intentional.

The Commission will retain considerations regarding intentional or negligent conduct only for litigated cases due to the distinctions between litigated and settled proceedings. We emphasize that in litigated cases, parties typically have the opportunity to develop an evidentiary record regarding the conduct at issue that can be evaluated by the presiding ALJ to determine culpability and an appropriate remedy. However, in settled cases, there may not be an evidentiary hearing, and the settlement may be based on a compromise of positions and an agreement to resolve the matter without admitting culpability with regard to the alleged violation. We decline to include express language stating that when facts are present that support a finding of crime or fraud, the conduct should be considered intentional. Such facts will be included in the record evidence of the case, and the presiding ALJ has the discretion to consider those facts in determining whether an act was intentional.

3. Remediation Efforts—§ 69.1201(c)(4)

The OCA suggests that some facts to consider in addressing the utility's remedial actions include whether the utility recognized the situation and actively sought to correct its procedures so similar incidents would not occur. The Commission may also consider how quickly the utility took action once it recognized the situation. The OCA states that the involvement of top-level management in reporting and correcting the situation may also be considered in analyzing whether the utility's efforts were proactive or reactive. The OCA summarizes that a decisive, speedy correction plan may be a mitigating factor while a forced, haphazard response should be an aggravating factor in evaluating appropriate penalties or responsibilities for violations.

The Commission will retain consideration of the utility's efforts to modify its internal practices and procedures in order to address the conduct at issue and to prevent similar future conduct. We concur with the OCA's com-

² In support of this statement, the OCA cites to *Pacific Mutual Life Ins. Co. v. Haslip*, 499 U. S. 1, 21-22 (1991) and *Kirkbride v. Lisbon Contractors, Inc.*, 555 A.2d 800 (Pa. 1989).

³ We emphasize that the factors set forth in the policy statement are not listed in order of importance and that each factor should be considered and weighed as appropriate based on the particular facts of a case.

ment that the speed with which the utility acted to correct the situation once it was discovered and the involvement of top-level management should be considered in evaluating whether the utility's remediation efforts were proactive or reactive. These considerations must still be analyzed within the specific fact situation of each case, and it must be recognized that certain remedial actions, such as training and improvements to internal procedures, even if started immediately, may take some time to fully implement.

4. Number of Customers Affected and Duration of the Violation—§ 69.1201(c)(5)

The OCA comments that the Commission can evaluate the facts presented regarding the number of customers involved, the duration of the violations, and the possible impact of a violation on third parties. The OCA states that aggravating factors would be present when a violation involves a large number of customers or lasts a lengthy period and, thus, a larger penalty may be appropriate. Equally significant, a violation that could potentially cause financial or other harm to innocent third parties may result in the imposition of higher fines.

Consistent with OCA's comments, the Commission will continue to consider the number of customers affected and the duration of the violation as enumerated in *Rosi*. Taking into consideration the specific facts of a case and the nature of the violation, we agree that a violation that involves a large amount of customers and that lasts a long period of time may warrant a larger penalty. The Commission, however, declines to speculate about the possibility of potential, and not actual harm, to third parties.

5. Compliance History—§ 69.1201(c)(6) and (7)

The OCA agrees that the overall actions of the utility should be evaluated with regard to its level of cooperation with the Commission and its willingness to work with other parties toward resolving the violation. Additionally, an isolated incident from an otherwise responsible utility should be a mitigating factor, while a utility that is a recurring or frequent violator should be subject to greater penalties. On the other hand, the OCA states that facts establishing bad faith support an increased penalty, and evidence of active concealment of violations or attempts to derail Commission investigations should be aggravating factors. The Commission agrees with OCA's comments regarding the utility's compliance history and the utility's level of cooperation with the Commission, and we will incorporate some of these considerations into the final policy statement.

6. Deterrence Level—§ 69.1201(c)(8)

The OCA submits that in determining whether a penalty will have a sufficient deterrent effect, review of the size of the utility, as measured by the utility's annual revenues, may be relevant. A fine that may seem like a rounding error for a major electric or telecommunications company may be significant enough to deter a small water or sewer company. Therefore, some consideration of the impact of a penalty based on the size of the utility should be examined. We concur with the OCA's comments and will incorporate this idea into the policy statement.

7. Commission Precedent—§ 69.1201(c)(9)

The OCA states that the value of Commission precedent in similar factual situations provides guidance and stability to the regulated community. While the OCA believes that parties to settlement proceedings should have the flexibility to develop new solutions that benefit

all stakeholders, precedent should always factor into any case involving violations of the Code or Commission regulations. We agree with the OCA's comments on this issue and will reflect these comments in the final policy statement. Commission precedent may be considered in both litigated and settled cases; however, parties in settled cases will have flexibility in determining whether and how this factor should be applied within the specific facts of the case in order to develop innovative solutions and to reach an equitable agreement.

8. Other Relevant Factors—§ 69.1201(c)(11)

The OCA supports this "catch-all" category to include broad-ranging factors that may be necessary in particular cases to effectively craft a penalty or assess the appropriateness of a settlement that includes a penalty. The OCA reasons that this broad category will work well when the Commission encounters factual situations that do not fit into a prescribed mold, such as natural disasters, national or political unrest, macroeconomic conditions, and other events that are external to the regulatory process. The Commission appreciates OCA's statements in support of this factor and will retain consideration of this factor in the final policy statement.

Accordingly, pursuant to section 501 of the Public Utility Code, 66 Pa.C.S. § 501, and the Commonwealth Documents Law, 45 P.S. §§ 1201 *et seq.*, and regulations promulgated thereunder in 1 Pa. Code §§ 7.1—7.4, we add a statement of policy in 52 Pa. Code Chapter 69, § 69.1201, as noted above and as set forth in Annex A; *Therefore,*

It Is Ordered That:

1. The regulations of the Commission, 52 Pa. Code Chapter 69, are amended by adding a statement of policy in § 69.1201 to read as set forth in Annex A.
2. The Secretary shall submit this order and Annex A to the Governor's Budget Office for review of fiscal impact.
3. The Secretary shall certify this order and Annex A and deposit them with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*.
4. A copy of this order and Annex A shall be posted on the Commission's website.
5. This policy statement shall become effective upon publication in the *Pennsylvania Bulletin*.

TITLE 52. PUBLIC UTILITIES
PART I. PUBLIC UTILITY COMMISSION
Subpart C. FIXED SERVICE UTILITIES
CHAPTER 69. GENERAL ORDERS, POLICY
STATEMENTS AND GUIDELINES ON FIXED
UTILITIES
FACTORS AND STANDARDS FOR EVALUATING
LITIGATED AND SETTLED PROCEEDINGS

§ 69.1201. Factors and standards for evaluating litigated and settled proceedings involving violations of the Public Utility Code and Commission regulations.

(a) The Commission will consider specific factors and standards in evaluating litigated and settled cases involving violations of 66 Pa.C.S. (relating to Public Utility Code) and this title. These factors and standards will be utilized by the Commission in determining if a fine for violating a Commission order, regulation or statute is appropriate, as well as if a proposed settlement for a violation is reasonable and approval of the settlement agreement is in the public interest.

(b) Many of the same factors and standards may be considered in the evaluation of both litigated and settled cases. When applied in settled cases, these factors and standards will not be applied in as strict a fashion as in a litigated proceeding. The parties in settled cases will be afforded flexibility in reaching amicable resolutions to complaints and other matters so long as the settlement is in the public interest. The parties to a settlement should include in the settlement agreement a statement in support of settlement explaining how and why the settlement is in the public interest. The statement may be filed jointly by the parties or separately by each individual party.

(c) The factors and standards that will be considered by the Commission include the following:

(1) Whether the conduct at issue was of a serious nature. When conduct of a serious nature is involved, such as willful fraud or misrepresentation, the conduct may warrant a higher penalty. When the conduct is less egregious, such as administrative filing or technical errors, it may warrant a lower penalty.

(2) Whether the resulting consequences of the conduct at issue were of a serious nature. When consequences of a

serious nature are involved, such as personal injury or property damage, the consequences may warrant a higher penalty.

(3) Whether the conduct at issue was deemed intentional or negligent. This factor may only be considered in evaluating litigated cases. When conduct has been deemed intentional, the conduct may result in a higher penalty.

(4) Whether the regulated entity made efforts to modify internal practices and procedures to address the conduct at issue and prevent similar conduct in the future. These modifications may include activities such as training and improving company techniques and supervision. The amount of time it took the utility to correct the conduct once it was discovered and the involvement of top-level management in correcting the conduct may be considered.

(5) The number of customers affected and the duration of the violation.

(6) The compliance history of the regulated entity which committed the violation. An isolated incident from an otherwise compliant utility may result in a lower penalty, whereas frequent, recurrent violations by a utility may result in a higher penalty.

(7) Whether the regulated entity cooperated with the Commission's investigation. Facts establishing bad faith, active concealment of violations, or attempts to interfere with Commission investigations may result in a higher penalty.

(8) The amount of the civil penalty or fine necessary to deter future violations. The size of the utility may be considered to determine an appropriate penalty amount.

(9) Past Commission decisions in similar situations.

(10) Other relevant factors.

DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT

Educational Improvement Tax Credit Program; List of Qualified Scholarship Organizations, Educational Improvement Organizations and Pre-kindergarten Scholarship Organizations

The Department of Community and Economic Development (Department) gives notice of the continuation of the Educational Improvement Tax Credit Program (Program) which authorizes the award of tax credits to businesses that make contributions to qualified scholarship organizations, educational improvement organizations and prekindergarten scholarship organizations determined by the Department to meet the requirements of Act 4 of 2001. The current list of qualified scholarship organizations, educational improvement organizations and prekindergarten scholarship organizations follows and can be found on the Department's website at www.inventpa.com. Program guidelines, which establish the process whereby a qualified scholarship organization, an educational improvement organization or a prekindergarten

scholarship organization may be included on the list of organizations published by the Department, are available by contacting the Department's Center for Business Financing Tax Credit Division or by accessing the Department's website.

Program inquiries and applications should be directed to the Educational Improvement Tax Credit Program, Center for Business Financing Tax Credit Division, Department of Community and Economic Development, 4th Floor, Commonwealth Keystone Building, 400 North Street, Harrisburg, PA 17120-0225, (717) 787-7120, tknorr@state.pa.us.

Manufactured Housing Installation Program; Approved Training Curriculum for Installers

Under 12 Pa. Code § 149.4(a)(4) (relating to installer training and certification), the Department of Community and Economic Development (Department) publishes the list of approved training curriculum for those persons seeking certification as installers of manufactured homes. Persons that have successfully completed the training curriculum listed will be eligible to apply for certification as an installer as defined in section 3 the Manufacturing Housing Improvement Act (35 P. S. § 1658.3).

- *Spec 101: Pennsylvania Manufactured Housing Installer Certification Course*, administered by the Pennsylvania Construction Codes Academy.

Persons already certified as installers are required to complete a specified training curriculum every 3 years as provided for in 12 Pa. Code § 149.4(b)(iii). The following training curriculum is approved for those installers:

- *Spec 104: Manufactured Housing Installers Update Course*, administered by the Pennsylvania Construction Codes Academy.
- *Spec 101: Pennsylvania Manufactured Housing Installer Certification Course*, administered by the Pennsylvania Construction Codes Academy.

Program inquiries should be directed to Mark A. Conte, Chief, Housing Standards Division, Department of Community and Economic Development, 4th Floor, Commonwealth Keystone Building, 400 North Street, Harrisburg, PA 17120-0225, (717) 720-7416, mconte@state.pa.us.

DEPARTMENT OF EDUCATION

Application of Pennsylvania College of Optometry for Approval of Change to University Status, Name Change and Amendment and Restatement of its Articles of Incorporation

Notice of Opportunity for Hearing and Invitation to Protest

Under 24 Pa.C.S. § 6503(e) (relating to certification of institutions), the Department of Education (Department)

will consider the application of Pennsylvania College of Optometry for a Certificate of Authority approving the institution's change to university status with a corresponding change of name to Salus University. Additionally and in tandem, the Department will consider the request to amend and restate the institution's Articles of Incorporation.

In accordance with 24 Pa.C.S. § 6503(e), the Department will act upon these items without hearing, unless within 30 days after the publication of this notice in the *Pennsylvania Bulletin* a written request for public hearing is filed with the Department, along with a notice of intervention, a petition to intervene or protest in accordance with 1 Pa. Code §§ 35.23 and 35.24 (relating to protests) or 1 Pa. Code §§ 35.27—35.32 (relating to intervention).

Petitions to intervene, protest and request for hearing shall be filed with Carol M. D. Gisselquist, Higher Education Specialist (717) 787-4448, 333 Market Street, Harrisburg, PA 17126-0333 on or before 4 p.m. on the due date prescribed by this notice. Persons wishing to review the application should phone or write to the aforementioned office to schedule a time for an in-office review. Duplicate copies of the application are not available.

Persons with a disability who wish to attend the hearing, if held, and require an auxiliary aid, service or other accommodation to participate should contact Carol Gisselquist at (717) 787-4448 to discuss how the Department may best accommodate their needs.

GERALD L. ZAHORCHAK, D. Ed.,
Secretary

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Applications, Actions and Special Notices

APPLICATIONS

THE CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT APPLICATIONS FOR NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS AND WATER QUALITY MANAGEMENT (WQM) PERMITS

This notice provides information about persons who have applied for a new, amended or renewed NPDES or WQM permit, a permit waiver for certain stormwater discharges or submitted a Notice of Intent (NOI) for coverage under a general permit. The applications concern, but are not limited to, discharges related to industrial, animal or sewage waste, discharges to groundwater, discharges associated with municipal separate storm sewer systems (MS4), stormwater associated with construction activities or concentrated animal feeding operations (CAFOs). This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92 and 40 CFR Part 122, implementing The Clean Streams Law (35 P. S. §§ 691.1—691.1001) and the Federal Clean Water Act.

<i>Location</i>	<i>Permit Authority</i>	<i>Application Type or Category</i>
Section I	NPDES	Renewals
Section II	NPDES	New or amendment
Section III	WQM	Industrial, sewage or animal waste; discharge into groundwater
Section IV	NPDES	MS4 individual permit
Section V	NPDES	MS4 permit waiver
Section VI	NPDES	Individual permit stormwater construction
Section VII	NPDES	NOI for coverage under NPDES general permits

For NPDES renewal applications in Section I, the Department of Environmental Protection (Department) has made a tentative determination to reissue these permits for 5 years subject to effluent limitations and monitoring and reporting requirements in their current permits, with appropriate and necessary updated requirements to reflect new and changed regulations and other requirements.

For applications for new NPDES permits and renewal applications with major changes in Section II, as well as applications for MS4 individual permits and individual stormwater construction permits in Sections IV and VI, the Department, based upon preliminary reviews, has made a tentative determination of proposed effluent limitations and other terms and conditions for the permit applications. These determinations are published as proposed actions for comments prior to taking final actions.

Unless indicated otherwise, the EPA Region III Administrator has waived the right to review or object to proposed NPDES permit actions under the waiver provision in 40 CFR 123.24(d).

Persons wishing to comment on an NPDES application are invited to submit a statement to the regional office noted before an application within 30 days from the date of this public notice. Persons wishing to comment on a WQM permit application are invited to submit a statement to the regional office noted before the application within 15 days from the date of this public notice. Comments received within the respective comment periods will be considered in the final determinations regarding the applications. Comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests for a public hearing on applications. A public hearing may be held if the responsible office considers the public response significant. If a hearing is scheduled, a notice of the hearing will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. The Department will postpone its final determination until after a public hearing is held.

Persons with a disability who require an auxiliary aid, service, including TDD users, or other accommodations to seek additional information should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

PA0026107, Sewage, **Wyoming Valley Sanitation Authority**, P. O. Box 33A, Wilkes-Barre, PA 18703-1333. This proposed facility is located in Hanover Township, **Luzerne County**.

Description of Proposed Activity: Renewal of NPDES Permit.

The receiving stream, North Branch, Susquehanna River, is in the State Water Plan Watershed 5B and is classified for: WWF. The nearest downstream public water supply intake for Danville Borough Water Company is located on North Branch Susquehanna River.

The proposed effluent limits for Outfall 001 based on a design flow of 32.0 mgd.

* This permit contains conditions which authorize the permittee to apply nutrient reduction credits to meet the Net Total Nitrogen and the Net Total Phosphorus effluent mass limits, under the Department of Environmental Protection's (Department) Trading of Nutrients and Sediment Reduction Credits Policy and Guidelines (Document No. 392-0900-001, December 30, 2006). The condition includes the requirement to report the application of these credits in Supplemental Discharge Monitoring Reports (DMRs) submitted to the Department.

* The compliance date for Net Total Nitrogen and Net Total Phosphorus will begin on October 1, 2010. Since these reporting requirements are annual loads, the reporting on compliance with the annual limitations will be required to be reported on the Supplemental DMR—Annual Nutrient Summary by November 28, 2011. This facility is required to monitor and report for Net Total Nitrogen and Net Total Phosphorus from the effective date of the permit until September 30, 2010.

** Total Annual Ammonia Load will be required to be reported on the Supplemental DMR—Annual Nutrient Summary by November 28, 2011.

Permittee has the option to perform an annual inspection of facilities in lieu of annual monitoring for Outfalls 059 and 060.

In addition to the effluent limits, the permit contains the following major special conditions: Point Sources 002—058 (except 014, 027, 041, 047, 048 and 050) serve as combined sewer reliefs necessitated by stormwater entering the sewer system and exceeding the hydraulic capacity of the sewers and/or treatment plant. In accordance with the Department's EPA approved CSO strategy, a special permit requirement is included in Part C of this Permit.

Other Conditions: Sludge disposal, Pretreatment Operating and Reporting Requirements, Combined Sewer Overflows, WETT, the Chesapeake Bay Tributary Nutrient Strategy, and Stormwater.

The EPA waiver is not in effect.

**PUBLIC WATER SUPPLY (PWS)
PERMIT**

Under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17), the following parties have applied for a PWS permit to construct or substantially modify a public water system.

Persons wishing to comment on a permit application are invited to submit a statement to the office listed before the application within 30 days of this public notice. Comments received within the 30-day comment period will be considered in the formulation of the final determinations regarding the application. Comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of Environmental Protection (Department) of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held after consideration of comments received during the 30-day public comment period.

Following the comment period, the Department will make a final determination regarding the proposed permit. Notice of this final determination will be published

in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The permit application and any related documents are on file at the office listed before the application and are available for public review. Arrangements for inspection and copying information should be made with the office listed before the application.

Persons with a disability who require an auxiliary aid, service or other accommodations to participate during the 30-day public comment period should contact the office listed before the application. TDD users should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 1

Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the Background Standard, Statewide Health Standard, the Site-Specific Standard or who intend to remediate a site as a special industrial area must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the

intended future use of the site. A person who demonstrates attainment of one, a combination of the cleanup standards or who receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a Site-Specific Standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the sites identified, proposed for remediation to a Site-Specific Standard or as a special industrial area, the municipality within which the site is located may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period, the municipality may request that the person identified as the remediator of the site develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office before which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

Northeast Region: Ronald S. Brezinski, Environmental Cleanup Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790.

Belyea Company, Inc., Palmer Township, **Northampton County**. Thomas Martinelli, JMT Environmental Technologies, Inc., P. O. Box 22044, Lehigh Valley, PA 18002-2044 has submitted a Notice of Intent to Remediate (on behalf of his client, Belyea Company, Inc., 2200 Northwood Avenue, Easton, PA 18045), concerning the remediation of soils found to have been impacted with diesel fuel as a result of a vehicular accident. The applicant proposes to remediate the site to meet the Residential Statewide Health Standard for soils. The proposed future use of the property will be residential. A summary of the Notice of Intent to Remediate was published in the *Express Times* on October 29, 2007. A Final Report was simultaneously submitted.

Southcentral Region: Environmental Cleanup Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110.

Kunkle Tract, Hampden Township, **Cumberland County**. CMX, 910 Century Drive, Mechanicsburg, PA 17055-4351, on behalf of K Rail, Inc., P. O. Box 3088, Camp Hill, PA 17011-3088, submitted a Notice of Intent to Remediate site soils and groundwater contaminated from petroleum releases from three adjacent bulk fueling terminals. The property was undeveloped due to perceived environmental conditions. Future use is light commercial and residential. The applicant is seeking to remediate to the background standard.

This application is for a determination of applicability under the beneficial use of baghouse fines and/or scrubber pond precipitates, generated by hot-mix asphalt plants as an aggregate in roadway construction, an ingredient or component in cement or asphalt products, a soil additive or a soil conditioner located in Wrightstown Township, Bucks County. The application for determination of applicability was received on November 30, 2007 and accepted as administratively complete by the Southeast Regional Office on December 11, 2007.

AIR QUALITY

**PLAN APPROVAL AND OPERATING PERMIT
APPLICATIONS**

NEW SOURCES AND MODIFICATIONS

The Department of Environmental Protection (Department) has developed an "integrated" plan approval, State

operating permit and Title V operating permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department has received applications for plan approvals and/or operating permits from the following facilities.

Copies of the applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the regional office identified in this notice. Persons interested in reviewing the application files should contact the appropriate regional office to schedule an appointment.

Persons wishing to receive a copy of a proposed plan approval or operating permit must indicate their interest to the Department regional office within 30 days of the date of this notice and must file protests or comments on a proposed plan approval or operating permit within 30 days of the Department providing a copy of the proposed document to that person or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Comments or protests filed with the Department regional offices must include a concise statement of the objections to the issuance of the Plan approval or operating permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the regional office identified before the application. TDD users should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121—143, the Federal Clean Air Act (act) and regulations adopted under the act.

PLAN APPROVALS

Plan Approval Applications Received under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter B that may have special public interest. These applications are in review and no decision on disposition has been reached.

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110, Ronald Davis, New Source Review Chief, (717) 705-4702.

36-05120A: Nesso Ent, LLC, TBA Meridian Products (124 Earland Drive, New Holland, PA 17557) for moving painting operations and adding spray booth capacity at their East Earl Township, Lancaster County facility.

Southwest Region: Air Quality Program, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, William Charlton, New Source Review Chief, (412) 442-4174.

65-00016H: Latrobe Specialty Steel Co. (2626 Ligonier Street, Latrobe, PA 15650) for installation of a new Vacuum Induction Melting Facility behind their existing EAF shop in Latrobe, **Westmoreland County**. This is a Title V facility.

Intent to Issue Plan Approvals and Intent to Issue or Amend Operating Permits under the Air Pollution Control Act (35 P.S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter B. These actions may include the administrative amendments of an associated operating permit.

Southeast Region: Air Quality Program, 2 East Main Street, Norristown, PA 19401, Sachin Shankar, New Source Review Chief, (484) 250-5920.

09-0110D: Riverside Construction Materials, Inc. (7900 North Radcliffe Street, Bristol, PA 19007) for installation of an additional storage dome, to be designated Dome No. 2, which will be used to store dry cement. This facility is a non-Title V facility, in Bristol Township, **Bucks County**. The new dome will utilize an existing air pollution control system for controlling emissions of PM. This Plan Approval will maintain the existing annual throughput limit of dry cement for this facility. Only one dome (or silo) of the cement unloading operation will be filled at a time. Therefore, hourly and annual emissions will not increase as a result of this approval. The Plan Approval will contain monitoring, recordkeeping and operating conditions designed to keep the facility operating within the allowable emissions and all applicable air quality requirements.

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110, Ronald Davis, New Source Review Chief, (717) 705-4702.

05-03019A: Steckman Ridge LP—Quarles 1709 OG Well Compressor Station (890 Winter Street, Waltham, MA 02451) for construction of a natural gas compressor station with two engine compressors controlled by oxidation catalyst and dehydration units controlled by thermal oxidizer, and associated equipment, at Monroe Township, **Bedford County**. The primary emissions from the sources are NOx and VOCs, with the facility potential controlled emissions rates of 69.8 tpy and 48.9 tpy respectively. The plan approval will be rolled into an operating permit. The permit will have work practice, and monitoring, recordkeeping and reporting requirements.

28-03052A: Tactical Cleaning Co., LLC (4755 Technology Avenue, Building 211, Chambersburg, PA 17201-7876) for operation of a railcar cleaning facility in Greene Township, **Franklin County**. VOC emissions are expected to be 10.41 tpy. The plan approval will include emission limits, monitoring, recordkeeping and work practice standards designed to keep the facility operating within all applicable air quality requirements.

67-03143B: ESAB Welding and Cutting Products (1500 Karen Lane, Hanover, PA 17331) for construction of a flux powder mixing operation controlled by two cartridge collectors at their welding equipment manufacturing facility in Hanover Borough, **York County**. The source has the potential to emit 0.1 ton PM10 per year. The plan approval and subsequent State-only operating permit will include emission restrictions, work practice standards, and testing, monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

67-05091B: Metropolitan Edison Co. (P. O. Box 16001, Reading, PA 19612) for construction of nine por-

table 2,000 kW diesel-fired peak electrical generating units at their Yorkana Substation in Lower Windsor Township, **York County**. The facility has the following annual potential emissions based on an annual restriction of 438 operating hours per unit: 58 tons NOx; three tons VOC; two tons CO; one ton SOx; and 0.3 ton PM10. The plan approval and subsequent State-only operating permit will include emission restrictions, work practice standards, and testing, monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

Northwest Region: Air Quality Program, 230 Chestnut Street, Meadville, PA 16335-3481, George Monasky, New Source Review Chief, (814) 332-6940.

24-083M: Carbone of America Ind. Corp. (215 Stackpole Street, St. Marys, PA 15857) for construction of an electric furnace with associated thermal oxidizer in St. Marys City, **Elk County**. This is a Title V facility. The public notice is required for sources required to obtain a Plan Approval at Title V facilities in accordance with 25 Pa. Code § 127.44. This plan approval will, in accordance with 25 Pa. Code § 127.450, be incorporated into the Title V operating permit through an administrative amendment at a later date. The source shall comply with the following conditions, which will satisfy the requirements of 25 Pa. Code § 127.12b (pertaining to plan approval terms and conditions) and will demonstrate BAT for the source:

1. Emissions shall comply with 25 Pa. Code §§ 123.1, 123.31 and 123.41 for fugitive, odor and visible emissions respectively.

2. No person may permit the emission into the outdoor atmosphere of PM in a manner that the concentration of PM in the effluent gas exceeds 0.02 grain per dry standard cubic foot.

3. The source shall not exceed the following emission limitations:

1. VOC—1.73 lbs/hr.

2. SOx—2.6 lbs/hr.

- The permittee shall stack test for SOx, VOC and PM.
- The source is subject to CAM.

- The permittee shall maintain a record of all preventative maintenance inspections of the control device. These records shall, at a minimum, contain the dates of the inspections, any problems or defects, the actions taken to correct the problems or defects, and any routine maintenance performed.

- The permittee shall maintain records of the operational inspections.

- The permittee shall maintain continuous records of the thermal oxidizer exhaust temperature.

- The permittee shall perform a daily operational inspection of the control device.

- The permittee shall maintain and operate the source and control device in accordance with the manufacturer's specifications and in accordance with good air pollution control practices.

- The thermal oxidizer shall be operated at all times the source is in operation.

- The permittee shall maintain a thermocouple or equivalent device to measure the exhaust temperature to the control device. All gauges employed shall have a scale that the expected normal reading shall be no less than

20% of full scale and be accurate within a +/- 2% of full scale reading. Exhaust temperature indicator shall be mounted in accessible areas, and shall be maintained in good operating conditions at all times.

- The thermal oxidizer exhaust temperature shall be not less than 750° C (1,380° F) or the minimum temperature established during compliance testing. This is a CAM indicator parameter.

37-268B: Commercial Asphalt Supply, Inc. (161 Plain Grove Road, Slippery Rock, PA 16057-5923) for modification of a plan approval to burn Reclaimed fuel oil at their bituminous concrete production facility in Scott Township, **Lawrence County**.

In accordance with 25 Pa. Code §§ 127.44(b) and 127.424(b), the Department of Environmental Protection intends to issue a plan approval to: for modification of a plan approval to burn Reclaimed fuel oil at the bituminous concrete production facility in Scott Township, Lawrence County. This plan approval will, in accordance with 25 Pa. Code § 127.450, be incorporated into a State-only operating permit through an administrative amendment at a later date.

61-204D: Franklin Bronze & Alloy Company, Inc. (655 Grant Street, Franklin, PA 16323) to upgrade the dust collection system which includes the installation of a new dust collector to control fumes from various sources in the investment casting process in the City of Franklin, **Venango County**.

In accordance with 25 Pa. Code §§ 127.44(b) and 127.424(b), the Department of Environmental Protection intends to issue a plan approval to upgrade the dust collection system which includes the installation of a new dust collector to control fumes from various sources in the investment casting process in the City of Franklin, Venango County. This plan approval will, in accordance with 25 Pa. Code § 127.450, be incorporated into the State-only operating permit through an administrative amendment at a later date.

Department of Public Health, Air Management Services: 321 University Avenue, Philadelphia, PA 19104, Edward Braun, Chief, (215) 685-9476.

AMS 07163: Sunoco, Inc.—R & M (3144 Passyunk Avenue, Philadelphia, PA 19145) for replacement of the existing No. 6 oil burners on the 137 Crude Unit F-3 Vacuum Heater with four Next Generation Ultra Low NOx Burners that burn fuel gas or natural gas in the City of Philadelphia, **Philadelphia County**. The heater capacity will remain 60 mmBtu/hr. The plan approval will contain operating, testing, monitoring, recordkeeping and reporting requirements to ensure operation within all applicable requirements.

Intent to Issue Operating Permits under the Air Pollution Control Act (35 P. S. §§ 4001—4015) and 25 Pa. Code Chapter 127, Subchapter F.

Southeast Region: Air Quality Program, 2 East Main Street, Norristown, PA 19428, Janine Tulloch-Reid, Facilities Permitting Chief, (484) 250-5920.

09-00046: RJM Manufacturing, Inc.—d/b/a TaraTape (250 Canal Road, Fairless Hills, PA 19030) for a renewal of Title V Operating Permit No. 09-00046, originally issued on January 8, 2001 in Falls Township, **Bucks County**. Based on a facility-wide VOC limit of 24.9 tpy, the permit type has been changed from Title V to State-only (Synthetic Minor). The State-only Operating Permit (SOOP) is for the operation of three coating lines,

two flexographic presses, an extruder and other miscellaneous sources, as well as a catalytic oxidizer that controls VOC emissions from one of the coating lines. The renewed SOOP will include monitoring, recordkeeping, reporting and work practice requirements designed to keep the facility operating within all applicable air quality requirements. In addition to the change in permit type, the following major changes will be addressed in the renewed SOOP:

The phrase “d/b/a TaraTape” has been added to the owner name.

The following sources and emission points, along with corresponding source capacity and throughput listings, permit maps, conditions and emission restrictions, have been removed from Sections A (Site Inventory List), D (Source Level Requirements), and F (Emission Restriction Summary), of the SOOP, as applicable:

<i>Source ID</i>	<i>Source Name</i>
031	Space Heaters (7)
102	North Mix Tank
103	South Mix Tank
104	Hot Melt Boiler
109	Hot Water Heater for Storage Cabinet
S03	North Mix Tank Stack
S04	South Mix Tank Stack
S05	Hot Melt Boiler Stack
S10	Hot Water Heater for Stor(age Cabinet Stack)
Z01	Fugitive Emissions

The following source and emission point, along with corresponding source throughput listing, permit map and conditions, have been added to Sections A (Site Inventory List) and D, of the SOOP, as applicable:

<i>Source ID</i>	<i>Source Name</i>
111	Cold Parts Cleaner
Z11	Cold Parts Cleaner Fugitive Emissions

A fuel material location for natural gas has been added as Source ID FML01.

The requirements of 40 CFR 60, Subpart RR and 25 Pa. Code § 129.52 have been moved from Section C, of the SOOP, to Section D, of the SOOP, where applicable.

The stack testing requirement for the catalytic oxidizer has been modified that the only pollutant required to be tested for is VOCs.

23-00052: Crozer Chester Medical Center (One Medical Center Boulevard, Upland, PA 19013-3995) for operation of a hospital in Upland Borough, **Delaware County**. The permit is for a non-Title V (State-only) facility. The hospital has the potential to emit 24.95 tpy of NOx. A new source has been added as Source 109 (750 kW diesel-fired emergency generator) of the operating permit. The aggregate NOx limit (permits 23-00052 and 23-00007) has been rewritten because the Department of Environmental Protection has revoked permit number 23-00007. The permit will include monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements.

23-00029: Upper Darby High School (601 North Lansdowne Avenue, Drexel Hill, PA 19026) for a renewal of a State-only, Natural Minor Operating Permit in Upper Darby Township, **Delaware County**. The permit is for a non-Title V (State-only) facility. The school's main sources include: three fuel oil and natural gas fired boilers, two natural gas fired chillers, one fuel oil fired emergency

generator and three natural gas fired emergency generators. The permit will include monitoring, record keeping and reporting requirements to address all applicable air quality requirements.

Southcentral Region: Air Quality Program, 909 Elmerton Avenue, Harrisburg, PA 17110, Ronald Davis, New Source Review Chief, (717) 705-4702.

06-03067: Beacon Container Corp. (700 West First Street, Birdsboro, PA 19508) for operation of a corrugated box manufacturing facility in the Borough of Birdsboro, **Berks County**. The facility has the maximum potential to emit 30.7 tpy of SO₂, 21.5 tpy of NO_x, 2 tpy of CO, 0.1 tpy of VOC and 3.9 tpy of PM. This is for renewal of the existing permit. The State-only operating permit includes monitoring, recordkeeping, reporting requirements, emission restrictions and work practice standards designed to keep the facility operating within all applicable air quality requirements.

31-03008: Interforest Lumber Corp. (22510 Croghan Pike, Shade Gap, PA 17255) for operation of hardwood lumber manufacturing facility in Dublin Township, **Huntingdon County**. This is a renewal of the State-only operating permit issued in April 2003.

38-03020: Tech Cast, Inc. (640 South Cherry Street, Myerstown, PA 17067) for operation of two new furnace/afterburner systems in Myerstown Borough, **Lebanon County**. The State-only operating permit will contain emission limits along with monitoring, recordkeeping and additional requirements designed to keep the facility operating within all applicable air quality requirements.

67-05067: Persing Enterprises, Inc. (214 North Franklin Street, Red Lion, PA 17356) for operation of its wood furniture manufacturing facility in Red Lion Borough, **York County**. The State-only operating permit will include emission restrictions, work practice standards and testing, monitoring, recordkeeping and reporting requirements designed to keep the facility operating within all applicable air quality requirements. This is a renewal of the State-only operating permit issued in 2003.

Northcentral Region: Air Quality Program, 208 West Third Street, Williamsport, PA 17701, David Aldenderfer, Program Manager, (570) 327-3637.

08-00020: Calvin C. Cole, Inc. (27321 Route 220, Milan, PA 18831) for renewal of State-only Operating Permit 08-00020 for operation of an asphalt concrete production facility ("asphalt plant") in Athens Township, **Bradford County**.

The facility incorporates a 150 ton per hour natural gas/No. 2 fuel oil-fired drum mix asphalt concrete plant, a .8 mmBtu/hr natural gas-fired asphalt heater, a 443 horsepower diesel fuel-fired electric generator and three aboveground storage tanks (asphalt, No. 2 fuel oil and diesel fuel). The PM emissions from the drum mix asphalt concrete plant are controlled by a fabric collector.

The facility has the potential to emit up to 25.54 tons of SO_x, 16.79 tons of CO, 12.93 tons of VOCs, 12.33 tons of NO_x, 6.62 tons of PM/PM10 and .22 ton of HAPs per year.

The facility is not a major (Title V) facility for any air contaminant.

The Department of Environmental Protection (Department) proposes to renew State-only Operating Permit 08-00020. The Department intends to incorporate into this renewal all conditions currently contained in State-only Operating Permit 08-00020 with these exceptions, additions and changes:

1. A condition limiting the sulfur content of all No. 2 fuel oil and diesel fuel used in the facility to .5% (by weight) has been modified to only apply to No. 2 fuel oil.

2. Conditions concerning the monitoring of No. 2 fuel oil sulfur content and the maintenance of records of this information have been modified to eliminate a monitoring option which the Department has determined does not provide the compliance demonstration originally intended and to require the maintenance of more comprehensive records of No. 2 fuel oil sulfur content.

3. Conditions requiring a weekly inspection of the facility for the presence of visible air contaminant emissions, visible fugitive air contaminant emissions and malodorous air contaminant emissions, and the maintenance of records of this information, have been removed from the permit as the Department does not believe that the performance of inspections at this facility will have any significant impact on the maintenance of compliance with applicable air contaminant emission limitations and requirements.

4. A condition requiring malfunctions to be reported to the Department has been revised to exclude the reporting of malfunctions which do not result in, or potentially result in, air contaminant emissions in excess of an applicable air contaminant emission limitation and/or do not result in, or potentially result in, noncompliance with any operating permit condition.

5. A condition requiring the drum mix asphalt plant fabric collector temperature and pressure differential to be recorded at least once per day has been removed from the permit.

6. A condition requiring the maintenance of records of the "supporting calculations used to verify compliance with the PM and VOC emission limitations" for the drum mix asphalt plant has been removed from the permit as it is not possible to verify compliance with the applicable emission limitations with "calculations."

7. A condition has been added to the permit requiring the performance of PM stack testing on the drum mix asphalt plant sometime between January 1, 2009 and December 31, 2009.

8. A condition prohibiting the storage of any VOC-containing liquid with a vapor pressure greater than 1.5 psi in the asphalt and No. 2 fuel oil storage tanks has been replaced with a condition restricting the tanks to the storage of asphalt and No. 2 fuel oil.

9. A condition requiring the maintenance of records of the vapor pressure of the materials stored in the asphalt and No. 2 fuel oil storage tanks has been replaced with a condition requiring the maintenance of records of the identity of the materials stored in the respective tanks.

Southwest Region: Air Quality Program, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, Barbara Hatch, Facilities Permitting Chief, (412) 442-4174.

65-00932: C-K Composites, Inc. (361 Bridgeport Street, Mount Pleasant, PA 15666) for manufacture of resin-impregnated wood, filament-wound tubes and cast and molded epoxy resin at their facility in Mount Pleasant Township, **Westmoreland County**. This is a State-only Operating Permit Renewal Application.

30-00109: Equitrans (200 Allegheny Center Mall, Pittsburgh, PA 15212) for operation of a natural gas transmission station at their facility in Center Township, **Greene County**. This is a State-only Operating Permit Application.

Northwest Region: Air Quality Program, 230 Chestnut Street, Meadville, PA 16335-3481, Matthew Williams, New Source Review Chief, (814) 332-6940.

25-00092: Noram Seating, Inc. (18 South Market Street, Union City, PA 16438) a Natural Minor Operating Permit for the operation of the facility's air contamination sources consisting of: a 1.7 mmBtu/hr wood-fired boiler, chair tumbler, four paint booths and miscellaneous wood working operations for the manufacturing of hardwood chairs in the Borough of Union City, **Erie County**.

61-00190: Oil City Area School District (10 Lynch Boulevard, Oil City, PA 16301) for re-issuance of a Natural Minor Permit to operate two natural gas boilers, two hot water heaters and one natural gas electric generator located in Oil City, **Venango County**. The facility is natural minor because the emissions of pollutants are less than Title V threshold.

**COAL AND NONCOAL MINING
ACTIVITY APPLICATIONS**

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); and The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of an application is available for inspection at the district mining office indicated before an application. Where a 401 Water Quality Certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for certification.

Written comments, objections or requests for informal conferences on applications may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the district mining office indicated before an application within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34.

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. NPDES permits will contain, at a minimum, technology-based effluent limitations as identified in this notice for the respective coal and noncoal applications. In addition, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit, when necessary, for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies who have requested review of NPDES permit requirements for a particular mining activity within the previously mentioned public comment period will be provided with a 30-day period to review and submit comments on the requirements.

Written comments or objections should contain the name, address and telephone number of the person submitting comments or objections; the application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; the application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor wishes to have the conference conducted in the locality of the proposed mining activities.

Coal Applications Received

Effluent Limits—The following coal mining applications that include an NPDES permit application will be subject to, at a minimum, the following technology-based effluent limitations for discharges of wastewater to streams:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH ¹		greater than 6.0;	less than 9.0
Alkalinity greater than acidity ¹			

¹ The parameter is applicable at all times.

A settleable solids instantaneous maximum limit of 0.5 ml/l applied to: (1) surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse disposal activities; and mined areas backfilled and revegetated; and (2) drainage (resulting from a precipitation event of less than or equal to a 1-year 24-hour event) from coal refuse disposal piles.

FEDERAL WATER POLLUTION CONTROL ACT, SECTION 401

The following permit applications, requests for Environmental Assessment approval and requests for 401 Water Quality Certification have been received by the Department of Environmental Protection (Department). Section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341) requires the State to certify that the

involved projects will not violate the applicable provisions of sections 301—303, 306 and 307 of the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) as well as relevant State requirements. Persons objecting to approval of a request for certification under section 401 of the FWPCA or to the issuance of a Dam Permit, Water Obstruction and Encroachment Permit or the approval of an Environmental Assessment must submit comments, suggestions or objections within 30 days of the date of this notice, as well as questions, to the regional office noted before the application. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed and a concise statement of comments, objections or suggestions including the relevant facts upon which they are based.

The Department may conduct a fact-finding hearing or an informal conference in response to comments if deemed necessary. Individuals will be notified, in writing, of the time and place of a scheduled hearing or conference concerning the certification request to which the comment, objection or suggestion relates. Maps, drawings and other data pertinent to the certification request are available for inspection between 8 a.m. and 4 p.m. on each working day at the regional office noted before the application.

Persons with a disability who wish to attend a hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Applications received under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and requests for certification under section 401(a) of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).

WATER OBSTRUCTIONS AND ENCROACHMENTS

Southeast Region: Water Management Program Manager, 2 East Main Street, Norristown, PA 19401.

E09-919. Valley Square Lifestyle, LP, 232 North 22nd Street, Philadelphia, PA 19102, Warrington Township, **Bucks County**, ACOE Philadelphia District.

To modify and maintain a nonjurisdictional dam associated impoundment and appurtenances. Work will include excavation for expansion of ponds and removal of sediment and debris for the purpose of utilizing the pond as a stormwater management facility.

The project also includes water obstruction and encroachments that were previously authorized by GP 040904303, 050904307, 070904304, 080904301 and WL0904303.

The site located on the Northeast corner of SR 132 (Street Road) and SR 611 (Easton Road), Warrington Township, Bucks County (Ambler, PA Quadrangle N: 16.1 inches; W: 0.9 inch).

E46-1020. Lansdale Borough, 1 Vine Street, Lansdale, PA 19446, Lansdale Borough, **Montgomery County**, ACOE Philadelphia District.

To perform the following water obstruction and encroachment activities associated with the proposed construction of the Wissahickon Creek Infiltration Basin and Riparian Corridor Project within and along the Wissahickon Creek (TSF):

1) To modify, construct and maintain a six-foot wide pedestrian trail within the floodplain. The trail will consist of two types of paving—macadam and boardwalk. Boardwalk will be situated in more environmentally sensitive areas to minimize impacts—particularly on steep slopes. An observation deck will also be constructed at two locations along the trail.

2) To construct and maintain a 7-foot wide by 40-foot long pedestrian bridge across the Wissahickon Creek.

3) To construct and maintain two pedestrian bridges along the pedestrian trail and within the floodway.

4) To construct and maintain two riprap-lined open channel swales and outfalls located along the Wissahickon Creek. Total length of swales will be approximately 265 linear feet.

The project will directly affect approximately 1,250 feet of the Wissahickon Creek floodway on both the easterly and westerly banks. The site is located along Norway Drive between Lakeview Drive and Sycamore Drive (Lansdale, PA Quadrangle N: 19.8 inches; W: 2.2 inches).

E46-1021. Heritage Building Group, Inc., 2500 York Road, Jamison, PA 18929, New Hanover Township, **Montgomery County**, ACOE Philadelphia District.

To construct and maintain a stream enclosure measuring 283 feet in length within and along a UNT to Swamp Creek (TSF, MF). This project is associated with the proposed Steck Wagner Tract residential subdivision. The project is located along Wagner Road (T-347) approximately 1,400 feet from the intersection of Wagner and Faust Roads (Sassamansville, PA Quadrangle N: 4.9 inches; W: 8.1 inches).

Northeast Region: Watershed Management Program Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790, (570) 826-2511.

E48-385. Hercules Cement Co., LP d/b/a Buzzi Unicem USA, P. O. Box 69, Stockertown, PA 18083-0069, in Upper Nazareth, Palmer and Stocker Townships, **Northampton County**, United States Army Corps of Engineers, Philadelphia District.

To authorize the following water obstructions and encroachments associated with the Hercules Cement Company's Northeast Highwall Reclamation Project:

1. To realign approximately 810 linear feet of Bushkill Creek with the new stream channel consisting of a geomembrane liner system, concrete and natural streambed material.

2. To relocate a portion of a tributary to Bushkill Creek (tributary 04642) with the construction of approximately 2,200 feet of new channel consisting of a geomembrane liner system and natural streambed material.

3. To construct and maintain a railroad spur crossing of a tributary to Bushkill Creek (tributary 04642) consisting of twin CMP arches, each having a 6-foot span in a 1.22-foot underclearance.

4. To place fill in the floodway of and along the right bank of Bushkill Creek for the purpose of constructing an access road paralleling the channel. The project is located along SR 0191 approximately 0.3 mile west of SR 0033 (Wind Gap, PA Quadrangle N: 0.4 inch; W: 3.3 inches).

E40-680. Department of Transportation, Engineering District 4-0, 55 Keystone Industrial Park, Dunmore, PA 18512, in Dennison Township, **Luzerne County**, United States Army Corps of Engineers, Baltimore District.

To remove the existing structure and to construct and maintain a road crossing of Creasy Creek (HQ-CWF) consisting of an 18-foot by 6-foot concrete box culvert with its invert depressed 1 foot with fish baffles. The project is located along SR 437, Segment 0080, Offset 0812, Denison Township, Luzerne County (White Haven, PA Quadrangle N: 17.1 inches; W: 9.6 inches).

E40-683. Department of Transportation, Engineering District 4-0, 55 Keystone Industrial Park, Dunmore, PA 18510, in Wyoming Borough and Jenkins Township, **Luzerne County**, United States Army Corps of Engineers, Baltimore District.

To remove the existing structure and to construct and maintain a 10 span prestressed concrete I-beam bridge having a total span of 1,315 feet with a maximum underclearance of 22.5 feet or an alternative design consisting of a 9-span steel girder bridge having a total length of 1,315 feet with a maximum underclearance of 23.1 feet across the Susquehanna River (WWF). The project includes the temporary installation of access roads and R-7 rock riprap causeways to be constructed in separate phases to facilitate the construction of a new bridge and the removal of the existing structure. The project is known as the Eighth Street Bridge replacement project and is located at SR 1021, Section 370 over the Susquehanna River (Pittston, PA Quadrangle N: 10.0 inches; W: 11.0 inches).

Northcentral Region: Water Management Program Manager, 208 West Third Street, Williamsport, PA 17701, (570) 327-3636.

E41-582. Jason Kline, P. O. Box 46, Eagles Mere, PA 17731. Residential subdivision construction in Wolf Township, **Lycoming County**, United States Army Corps of Engineers, Baltimore District (Hughesville, PA Quadrangle N: 20.0 inches; W: 16.8 inches).

As part of the construction of a townhouse development, the permit applicant proposes to permanently impact 0.96 acre of palustrine emergent (PEM) wetlands. To meet the wetland replacement requirement, the applicant proposes to construct 0.96 acre of PEM wetlands in the vicinity of the impacted area.

The site is located in the watershed of a UNT to Muncy Creek, State Water Plan Subdivision 10D, approximately 1.7 miles west of the center of Hughesville and approximately 0.7 mile northwest of the SR 405/SR 2040 intersection.

E59-483. Walter F. Grabowski Partnership, P. O. Box 741, Wellsboro, PA 16901. Water Obstruction and Encroachment Joint Permit Application in Tioga Township, **Tioga County**, United States Army Corps of Engineers, Susquehanna River Basin District (Jackson Summit, PA Quadrangle N: 41° 54' 24"; W: 77° 7' 1.4").

To construct and maintain a culvert crossing on a skew of 90° in Bentley Creek (WWF). The project is located along Park Hill Road, approximately 1.9 miles east of the intersection with SR 0287 in Tioga Township, Tioga County. This project does not propose to impact any jurisdictional wetlands.

Southwest Region: Watershed Management Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745.

E26-345. Joseph A. Hardy Connellsville Airport, 874 Airport Road, Lemont Furnace, PA 15456. To place fill in, construct and maintain channel in Dunbar and North Union Townships, **Fayette County**, United States Army Corps of Engineers, Pittsburgh District

(Uniontown, PA Quadrangle N: 14.9 inches; W: 5.3 inches, Latitude: 39° 57' 25"; Longitude: 79° 39' 47"). The applicant proposes to place fill in 2,767 linear feet of the channel, five UNTs to Redstone Creek and to construct and maintain a channel relocation and to place and maintain fill in 0.81 acre of wetlands for the purpose of construction of an embankment at the south end of Runway 5/23 at the Joseph Hardy Connellsville Airport and to construct wetland and stream mitigation onsite.

Northwest Region: Watershed Management Program Manager, 230 Chestnut Street, Meadville, PA 16335-3481.

E42-337. Tuna Valley Trail Association, 300 Campus Drive, Bradford, PA 16701. South Trail, in Bradford Township, **McKean County**, United States Army Corps of Engineers, Pittsburgh District.

To conduct the following activities associated with the construction of Tuna Valley Trail Association South Trail following approximately 3.4 miles of an existing abandoned railroad grade extending south from Owens Way south of Bradford to the Main Street in Lewis Run Borough:

1. To rehabilitate and maintain the existing Browntown Bridge having a span of 80 feet across East Branch Tunungwant Creek just north of T-331 (Bradford, PA Quadrangle N: 41° 53' 13.5"; W: 78° 39' 14.0").

2. To construct and maintain a steel beam bridge having a clear span of 23 feet, 8 inches and an underclearance of 6.4 feet across Sheppard Run approximately 250 feet north of East Warren Road (Bradford, PA Quadrangle N: 41° 54' 22.7"; W: 78° 39' 0.5").

3. To repair, modify or replace and maintain various cross culverts on smaller tributaries to East Branch Tunungwant Creek along the 3.4 mile trail.

WATER QUALITY CERTIFICATIONS REQUESTS

DEPARTMENT OF ENVIRONMENTAL PROTECTION REQUESTS FOR CERTIFICATION UNDER SECTION 401 OF THE FEDERAL WATER POLLUTION CONTROL ACT

The following requests have been made to the Department of Environmental Protection (Department) for certification under § 401 (a) of the 1972 amendments to the Federal Water Pollution Control Act, 33 U.S.C. § 1341 (a), that there is reasonable assurance that the construction herein described will not violate applicable federal and state water quality standards.

Prior to final approval of the proposed certification, consideration will be given to any comments, suggestions and objections, which are submitted in writing 30 days from the date of this notice. Comments should be submitted to the Department at the address indicated previously each of the following requests for certification. Comments should contain the name, address and telephone number of the person commenting, identification of the certification request to which the comments or objections are addressed, and a concise statement of comments, objections and suggestions in sufficient detail to inform the Department of the exact basis of the proposal and the relevant facts upon which it is based. The Department may conduct a fact-finding hearing or an informal conference in response to any given comments if deemed necessary to resolve conflicts. Each individual will be

notified in writing of the time and place of any scheduled hearing or conference concerning the certification request to which the protest relates. Maps, drawings and other data pertinent to the certification request are available for inspection and review at the address indicated previously each request for certification between 8 a.m. and 4 p.m on each working day.

Southeast Regional Office: Regional Water Management Program Manager, 2 East Main Street, Norristown, PA 19401, (484) 250-5970.

Certification Request Initiated By:	Department of the Navy, Naval Support Activity, Philadelphia, 700 Robbins Avenue, Philadelphia, PA 19111-5098
Project Description/Location:	<i>Project Description/Location:</i> This project involves the discharge of supernatant from the Fort Mifflin dredge disposal area resulting from the emergent dredging of the Naval Support Activity, The Navy Yard, Pier 4. Approximately 130,000 cubic yards of sediment will be removed and placed in the disposal area located at the confluence of the Schuylkill and Delaware Rivers. Sediments will settle out and the supernatant will be returned to the Delaware Estuary.

ACTIONS

THE CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT FINAL ACTIONS TAKEN FOR NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMITS AND WATER QUALITY MANAGEMENT (WQM) PERMITS

The Department of Environmental Protection (Department) has taken the following actions on previously received applications for new, amended and renewed NPDES and WQM permits, applications for permit waivers and Notices of Intent (NOI) for coverage under general permits. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92 and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P. S. §§ 691.1—691.1001) and the Federal Clean Water Act.

<i>Location</i>	<i>Permit Authority</i>	<i>Application Type or Category</i>
Section I	NPDES	Renewals
Section II	NPDES	New or amendment
Section III	WQM	Industrial, sewage or animal wastes; discharges to groundwater
Section IV	NPDES	MS4 individual permit
Section V	NPDES	MS4 permit waiver
Section VI	NPDES	Individual permit stormwater construction
Section VII	NPDES	NOI for coverage under NPDES general permits

Sections I–VI contain actions related to industrial, animal or sewage wastes discharges, discharges to groundwater and discharges associated with municipal separate storm sewer systems (MS4), stormwater associated with construction activities and concentrated animal feeding operations (CAFOs). Section VII contains notices for parties who have submitted NOIs for coverage under general NPDES permits. The approval for coverage under general NPDES permits is subject to applicable effluent limitations, monitoring, reporting requirements and other conditions set forth in each general permit. The approval of coverage for land application of sewage sludge or residential septage under applicable general permit is subject to pollutant limitations, pathogen and vector attraction reduction requirements, operational standards, general requirements, management practices and other conditions set forth in the respective permit. Permits and related documents, effluent limitations, permitting requirements and other information are on file and may be inspected and arrangements made for copying at the contact office noted before the action.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users should contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary of the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

**PUBLIC WATER SUPPLY (PWS)
PERMITS**

The Department of Environmental Protection has taken the following actions on applications received under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17) for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users should contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary of the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Plan Description: The approved plan provides for the replacement of approximately 66,000 feet of clay sewer line and approximately 6,300 feet of sewer laterals with PVC pipe, and construction of approximately 7,000 feet of sewer to serve the remaining unsewered portions of the Borough. The Department of Environmental Protection's review of the sewage facilities update revision has not identified any significant environmental impacts resulting from this proposal. Any required NPDES Permits or WQM Permits must be obtained in the name of the municipality or authority as appropriate.

Plan Location:

<i>Borough or Township</i>	<i>Borough or Township Address</i>	<i>County</i>
Woodward Township	Woodward Township Supervisors 86 Riverside Terrace Lock Haven, PA 17745	Clinton

Plan Description: The approved plan provides for the replacement of pumps and controls at the main sewage pump station, rehabilitation of the existing collection system, including laterals, a new force main under the river to Lock Haven and improvements to a portion of Lock Haven's collection system. This pump station and force main will convey all sewage from Woodward Township to Lock Haven for treatment. In addition, the plan calls for adopting and enforcing an onlot Management Ordinance in the unsewered portions of the Township. The plan also commits Woodward Township to completing an additional Act 537 update by 2012 to address sewage problems in the Swisssdale area. The Department of Environmental Protection's review of the sewage facilities update revision has not identified any significant environmental impacts resulting from this proposal. Any required NPDES Permits or WQM Permits must be obtained in the name of the municipality or authority as appropriate.

Plan Description: The approved plan provides for a proposed sewage treatment plant located northeast of SR 18 in the municipality of Green Hills Borough, Washington County. The proposed treatment facility will service

458 new homes and discharge to a UNT of Chartiers Creek. The Department's review of the sewage facilities update revision has not identified any significant environmental impacts resulting from this proposal.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 2

The following plans and reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Provisions of Chapter 3 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, shall also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a Site-Specific Standard remediation. A remedial investigation report includes conclusions from the site investigation, concentration of regulated substances in environmental media; benefits of refuse of the property and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, contact the Environmental Cleanup Program manager in the Department regional office after which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the Community Relations Coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

PREAMBLE 3

The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Provisions of 25 Pa. Code § 250.8, administration of the Land Recycling and Environmental Remediation Standards Act (act), require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by provisions of the act for compliance with selection of remediation to a Site-Specific Standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation, concentration of regulated substances in environmental media, benefits of reuse of the property and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by provisions of the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The Department may

approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the Environmental Cleanup Program manager in the Department regional office before which the notice of the plan or report appears. If information concerning a final report is required in an alternative form, contact the Community Relations Coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following plans and reports:

FEDERAL WATER POLLUTION CONTROL ACT SECTION 401

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications, requests for Environmental Assessment approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (FWPCA) (33 U.S.C.A. § 1341).

Except as otherwise noted, the Department has granted 401 Water Quality Certification certifying that the construction and operation described will comply with the applicable provisions of sections 301—303, 306 and 307 of

the FWPCA (33 U.S.C.A. §§ 1311—1313, 1316 and 1317) and that the construction will not violate applicable Federal and State water quality standards.

Persons aggrieved by an action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users should contact the Environmental Hearing Board (Board) through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin*, unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary of the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decision law.

For individuals who wish to challenge an action, appeals must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this notice to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

Actions on applications for the following activities filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27), section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and The Clean Streams Law (35 §§ 691.1—691.702) and Notice of Final Action for Certification under section 401 of the FWPCA (33 U.S.C.A. § 1341).

State Board for Certification of Sewage Enforcement Officers; 2008 Precertification Academy and Examination Schedule

The State Board for Certification of Sewage Enforcement Officers (Board) and the Department of Environmental Protection (Department) have scheduled dates for the 2008 Sewage Enforcement Officers (SEO) Precertification Academy and examinations. To qualify to sit for the certification examination, all SEO candidates must complete the Precertification Academy, which consists of 6 days of training over 2 weeks. SEO Certification examinations will be administered the Friday following completion of the Precertification Academy. Examination applications must be received (not postmarked) by the Board, complete and correct by close of business on the deadlines

indicated. Applications received after these dates will not be considered for examination. Applications that do not contain all the necessary required information will be returned and will not be considered eligible for the examination. The 2008 Precertification Academy and examination schedules are as follows:

April 22-24 and
April 29-May 1, 2008
State College
Examination Date: May 1, 2008
(8:30 a.m. to 12:30 p.m.)
Examination Application
Deadline: April 4, 2008

June 10-12 and
June 17-19, 2008
Enola
Examination Date: June 20, 2008
(8:30 a.m. to 12:30 p.m.)
Examination Application
Deadline: May 23, 2008

For information on SEO training, contact the Pennsylvania State Association of Township Supervisors, 4855 Woodland Drive, Enola, PA 17025, (717) 763-0930. SEO certification information is available on the Department's website at www.depweb.state.pa.us (DEP Keyword: Sewage).

The SEO written examination contains 80 multiple-choice questions covering planning requirements, administration and enforcement of the permit program and technical criteria for soils and disposal systems with a 3.5-hour time limit. The passing grade is 50% correct responses in each subject area and an overall minimum of 70 correct answers on the entire examination. This is an open book examination, however, SEO candidates are not permitted to bring their own materials. All necessary reference materials will be provided at the test site. Approximately 2 weeks prior to an examination, applicants will receive an admittance letter from the Board.

To receive an SEO examination application, contact the Department of Environmental Protection, Certification and Licensing Section, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8454, Harrisburg, PA 17105-8454, (717) 787-6045.

Persons with a disability who require accommodation to participate in the SEO Precertification Academy or to take the SEO examination should contact the Board at (717) 787-6045 or through the Pennsylvania AT&T Relay Service at (800) 654-5984 (TDD) to discuss how the Board may accommodate their needs.

Updating the List of Citations to ACIP Recommendations Prescribing Child Immunization Practices and Immunizing Agents and Doses

In accordance with 31 Pa. Code §§ 89.806(a) and 89.807(b) (relating to coverage of child immunizations; and immunizing agents, doses and AWP), the Department of Health, Bureau of Communicable Diseases, Division of Immunization (Department) is updating 31 Pa. Code Chapter 89, Appendices G and H (relating to ACIP recommendations prescribing child immunization practices; and immunizing agents and doses). The Department has primary responsibility for the interpretation and the implementation of 31 Pa. Code §§ 89.806 and 89.807. See 31 Pa. Code § 89.801(b) (relating to authority and purpose; implementation).

Health insurance policies are required by the Childhood Immunization Insurance Act (40 P.S. §§ 3501—3508) (act) and regulations promulgated thereunder, 31 Pa. Code 809, Subchapter L (relating to childhood immunization insurance) to include coverage for certain childhood immunizations, unless the policies are exempted by the act and 31 Pa. Code § 89.809 (relating to exempt policies). The childhood immunizations covered are those that meet ACIP standards in effect on May 21, 1992. See 31 Pa. Code § 89.806(a). A list of the MMWR publications containing ACIP recommendations issued under the ACIP standards in effect on May 21, 1992, appears in 31 Pa. Code §§ 89.801—89.809, Appendix G.

The Department is required to update the list of these MMWR publications appearing in 31 Pa. Code §§ 89.801—89.809, Appendix G. See 31 Pa. Code § 89.806(a). The additions to the list are as follows, the remainder of the list at Appendix G remains in full force and effect:

Notice to Readers: Expansion of Use of Live Attenuated Influenza Vaccine (FluMist®) to Children Aged 2—4 Years and Other FluMist Changes for the 2007-2008 Influenza Season

On October 24, 2007, ACIP recommended that either LAIV or TIV can be used to vaccinate healthy non-pregnant persons aged 2—49 years. For the purposes of this recommendation, healthy persons were defined as persons who do not have an underlying medical condition that predisposes them to influenza complications. ACIP also approved use of FluMist for healthy persons aged 2—18 years under the Federal Vaccines for Children (VFC) program.

October 19, 2007/Vol. 56/No. 41

Update: Prevention of Hepatitis A After Exposure to Hepatitis A Virus and in International Travelers. Updated Recommendations of the Advisory Committee on Immunization Practices (ACIP)

These recommendations replace previous ACIP recommendations for postexposure prophylaxis with immune globulin (IG) incorporating new recommendations for use of single-antigen hepatitis A vaccine and updated recommendations for use of IG postexposure. These recommendations also incorporate and consolidate existing recommendations regarding recommended settings for which postexposure prophylaxis is indicated, including close personal contact with a person with hepatitis A and selected circumstances in which hepatitis A is recognized in a food handler or in a child care center. Also, the updated recommendations leave unchanged the recommendation that postexposure prophylaxis (using vaccine or IG) should be administered as soon as possible. No information exists regarding the efficacy of IG or vaccine if administered > 2 weeks after exposure. The updated recommendations for use of hepatitis A vaccine alone for postexposure prophylaxis do not apply to the combination hepatitis A/hepatitis B vaccine because no data exist regarding the performance of the combination vaccine for prophylaxis after exposure to hepatitis A virus (HAV). The concentration of HAV antigen in the currently available combination vaccine formulation is half that included in the single-antigen vaccine available from the same manufacturer.

October 12, 2007/Vol. 56/No. 40

Notice to Readers: FDA Approval of an Alternate Dosing Schedule for a Combined Hepatitis A and B Vaccine (Twinrix®)

In April 2007, GlaxoSmithKline Vaccine Division (GlaxoSmithKline Biologicals, King of Prussia, Pennsylvania) received approval from the Food and Drug Administration (FDA) for an alternate schedule for Twinrix®, a combined hepatitis A and hepatitis B vaccine. Twinrix was first licensed by FDA in 2001 on a 3-dose schedule (0, 1, and 6 months) for vaccination of persons aged ≥ 18 years (1). Using the newly licensed, alternate 4-dose schedule, Twinrix doses can be administered at 0, 7, and 21—30 days, followed by a dose at 12 months. Thus, the alternate 4-dose schedule can be useful if vaccination with Twinrix has been initiated and travel or other potential exposure is anticipated before the second dose of Twinrix (or monovalent hepatitis B vaccine) is due, according to the standard 3-dose schedule (that is, 1 month after the first dose). Additional information is available from the manufacturer's package insert (4) and GlaxoSmithKline Vaccines, (800) 366-8900.

Influenza Vaccination Coverage Among Children Aged 6—23 Months—United States, 2005-2006 Influenza Season

To assess influenza vaccination coverage among children aged 6—23 months during the 2005-2006 influenza season, data from the 2006 National Immunization Survey (NIS) were analyzed. This report describes the results of that analysis, which indicated that 31.9% of children in this age group received at least 1 dose of influenza vaccine and 20.6% were fully vaccinated according to ACIP recommendations; however, results varied substantially among states. The results underscore the need to continue to monitor influenza vaccination coverage among young children, develop systems to provide childhood influenza vaccination services more efficiently, and increase awareness among health-care providers and caregivers about the effectiveness of influenza vaccination among young children.

Influenza Vaccination Coverage Among Children Aged 6–59 Months—Six Immunization Information System Sentinel Sites, United States, 2006–2007 Influenza Season

In June 2006, the Advisory Committee on Immunization Practices (ACIP) expanded its 2004 recommendation for routine influenza vaccination of children aged 6 through 23 months to include children aged 24–59 months. The 2006 ACIP recommendations also reemphasized that previously unvaccinated children aged < 9 years should receive 2 doses of influenza vaccine administered at least 1 month apart to be fully vaccinated. In 2007, using data from six immunization information system (IIS)* sentinel sites, CDC conducted the first assessment of influenza vaccination coverage among children aged 6–59 months during the 2006–2007 influenza season. The findings demonstrated that, at all six sites, < 30% of children aged 6–23 months and < 20% of children aged 24–59 months were fully vaccinated. Vaccination coverage data from National and State surveys for an influenza season generally are not available until the next influenza season. Rapid assessment of influenza vaccination coverage can help direct activities of state and local public health agencies aimed at increasing the number of children fully vaccinated against influenza.

National, State, and Local Area Vaccination Coverage Among Children Aged 19–35 Months—United States, 2006

The National Immunization Survey (NIS) provides vaccination coverage estimates among children aged 19–35 months for each of the 50 states and selected urban and county areas. This report describes the findings of the 2006 NIS, which indicated increases in national coverage with pneumococcal conjugate vaccine (PCV) and varicella vaccine, (VAR) and a stable coverage level for the 4:3:1:3:3:1 vaccine series (that is, ≥ 4 doses of diphtheria, tetanus toxoid, and any acellular pertussis vaccine [DTaP][†]; ≥ 3 doses of poliovirus vaccine; ≥ 1 dose of measles, mumps, and rubella vaccine [MMR]; ≥ 3 doses of *Haemophilus influenzae* type b [Hib] vaccine; ≥ 3 doses of hepatitis B vaccine [HepB]; and ≥ 1 dose of VAR).

National Vaccination Coverage Among Adolescents Aged 13–17 Years—United States, 2006

This is the first report of national adolescent vaccination-coverage estimates based on provider-reported vaccination histories. The results indicate that in 2006, the *Healthy People 2010* target for adolescents aged 13–15 years had not been met for any of the vaccines. Before development of NIS-Teen, national estimates of adolescent vaccination coverage were determined primarily from data collected from the National Health Interview Survey (NHIS), which is based on parental recall rather than provider records.

Notice to Readers: Revised Recommendations of the Advisory Committee on Immunization Practices to Vaccinate All Persons Aged 11–18 Years with Meningococcal Conjugate Vaccine

In June 2007, ACIP revised its recommendation to include routine vaccination of all persons aged 11–18 years with 1 dose of MCV4 at the earliest opportunity. Persons aged 11 to 12 years should be routinely vaccinated at the 11 to 12 years health-care visit as recommended by ACIP. ACIP continues to recommend routine vaccination for persons aged 19–55 years who are at increased risk for meningococcal disease: college freshmen living in dormitories, microbiologists routinely exposed to isolates of *Neisseria meningitidis*, military recruits, travelers to or residents of countries in which *N. meningitidis* meningitis is hyperendemic or epidemic, persons with terminal complement component deficiencies, and persons with anatomic or functional asplenia.

Hepatitis A Vaccination Coverage Among Children Aged 24–35 Months—United States, 2004–2005

The National Immunization Survey (NIS) provides vaccination coverage estimates among noninstitutionalized children aged 19–35 months for the 50 states and selected cities and counties. To obtain vaccination data, NIS conducts a random-digit-dialed telephone survey of households and a mail survey of the children's vaccination providers.

American Idol™ Trip Prize Packages descriptions:

The Lottery will conduct a Second-Chance Drawing to award 10 American Idol™ Trip Prize Packages, each for two persons, to attend the American Idol™ Final Competition Show on Tuesday, May 20, 2008.

One of the Final Competition Show winners will be randomly selected to also attend Grand Finale Show on Wednesday, May 21, 2008.

American Idol™ show dates subject to change.

American Idol™ prize package winners may opt for the \$6,500 cash value, less required Federal withholding, in lieu of the trip. The odds of winning depend on the number of entries received.

Prizes, including top prizes, are subject to availability at the time of purchase.

10. *Pennsylvania American Idol™ Second-Chance Drawing Requirements:*

(a) To be eligible for the Pennsylvania American Idol™ Second-Chance Drawing, players must mail exactly three nonwinning Pennsylvania American Idol™ instant lottery tickets in an envelope no larger than 4 1/8 inches by 9 1/2 inches addressed to Pennsylvania Lottery—AMERICAN IDOL™ Second-Chance Drawing, P. O. Box 888, Middletown, PA 17057-0888. The player shall affix proper postage to the entry.

(b) Envelopes containing less than or more than three nonwinning Pennsylvania American Idol™ instant lottery tickets shall be disqualified.

(c) Nonwinning Pennsylvania American Idol™ instant lottery tickets received in an envelope larger than 4 1/8 inches by 9 1/2 inches shall be disqualified. The only

exception is for nonwinning Pennsylvania American Idol™ instant lottery tickets received in a United States Post Office "damaged-in-mail-process" envelope.

(d) Winning Pennsylvania American Idol™ instant lottery tickets submitted to the Pennsylvania American Idol™ Second-Chance Drawing address will not be paid or honored. Pennsylvania American Idol™ Second-Chance Drawing entries containing winning Pennsylvania American Idol™ instant lottery tickets will be disqualified.

(e) The back of each nonwinning Pennsylvania American Idol™ instant lottery ticket entered in the Pennsylvania American Idol™ Second-Chance Drawing must be completed by the same player in a legible manner, including the player's name, street address, city, state, zip code, telephone number and signature. Only one claimant per ticket allowed. Claimant must be 18 years of age or older. Incomplete tickets shall be disqualified.

(f) To be eligible for the Pennsylvania American Idol™ Second-Chance Drawing, nonwinning Pennsylvania American Idol™ instant lottery tickets must be received by the Pennsylvania Lottery no later than April 11, 2008.

11. *Second-Chance Drawing Procedures:*

(a) The Pennsylvania American Idol™ Second-Chance Drawing will be held at Lottery headquarters the week of April 14, 2008. The odds of an entry being selected in the Pennsylvania American Idol™ Second-Chance Drawing depend upon the number of entries received.

(b) To be eligible for the Pennsylvania American Idol™ Second-Chance Drawing, a player must have complied with the requirements of section 10.

(1) The Lottery will make a reasonable effort to ensure that each Pennsylvania American Idol™ Second-Chance

Drawing entry is entered into the Pennsylvania American Idol™ Second-Chance Drawing. The Lottery assumes no responsibility for a lost or misplaced entry not entered into the Pennsylvania American Idol™ Second-Chance Drawing.

(2) If a Pennsylvania American Idol™ Second-Chance Drawing entry is rejected during or following the Pennsylvania American Idol™ Second-Chance Drawing, the sole remedy is to select another entry to replace the rejected entry in accordance with Lottery procedure.

(c) Manner of conducting the Second-Chance Drawings.

(1) All entries received at Lottery headquarters on or before April 11, 2008, will be placed in numbered containers, each containing approximately 500 envelopes.

(2) A computer-generated randomizer or mechanical device may be used to select the numbered containers from which the winners will be selected, one from each container. If used, the randomizer will not be programmed to eliminate the possibility of the same container being selected more than once.

(3) One envelope will be randomly drawn from each of the selected numbered containers. As each entry envelope is selected, its contents will be qualified according to the requirements of section 10. If the entry does not meet the requirements of section 10, another entry will be selected from that container; and so on, until a qualified entry has been chosen. Once a qualified entry has been selected, further validation will take place by verifying the status of the tickets contained in the entry envelope drawn by entering the ticket information into the computerized instant ticket database. The first qualified and validated entry from each of the designated containers will entitle its owner to the Pennsylvania American Idol™ Trip Prize Package.

(4) Once the ten winners of the Pennsylvania American Idol™ Trip Prize Package have been determined, the name of each will be assigned a number between one and ten. The number assigned will correspond to the order of their selection in the Pennsylvania American Idol™ Trip Prize Package drawing. The first winner selected will be assigned the number one, the second selected will be assigned the number two and so forth. With the aid of a mechanical device containing ten ping pong balls, numbered one through ten, the Lottery will select one ball. The Pennsylvania American Idol™ Trip Prize Package winner whose assigned number corresponds to the ball number randomly selected will attend the American Idol Grand Finale Show on Wednesday, May 21, 2008.

(5) Determination of winners will be made by the Secretary, whose judgment will be final and binding.

(d) The payment of a prize awarded in the Second-Chance Drawing to a person who dies before receiving the prize shall be paid according to 61 Pa. Code §§ 811.16 (relating to prizes payable after death of a prize winner).

12. *Pennsylvania American Idol™ Trip Prize Package Description:*

(a) Each Pennsylvania American Idol™ Trip Prize Package will have an average value of approximately \$6,500 including a \$1,625 Federal withholding credit. The Pennsylvania American Idol™ Trip Prize Package consists of the following:

(1) Round-trip coach airfare for two (2) persons to a major southern California airport. Departure cities include Harrisburg, Philadelphia, Pittsburgh, Pennsylvania and Baltimore, Maryland.

(2) One (1) double deluxe room for four (4) nights in a first class hotel.

(3) Ground transportation in California from and to airport/hotel and hotel/studio throughout duration of trip.

(4) Two (2) tickets to the American Idol™ Final Competition Show on Tuesday, May 20, 2008.

(5) \$1,000 cash.

(6) The winner of a Pennsylvania American Idol™ Trip Prize Package may opt for a cash prize of \$6,500, less required Federal withholding, in lieu of the trip.

(b) The Pennsylvania American Idol™ Trip Prize Package restrictions:

(1) The Pennsylvania American Idol™ Trip Prize Package winner must be at least 18 years of age.

(2) The Pennsylvania American Idol™ Trip Prize Package is transferable one time. Name changes are not permitted once the trip is booked.

(3) The Pennsylvania American Idol™ Trip Prize Package winner will be responsible for the following expenses: applicable travel expenses to and from the departure airport or any airport parking fees; entertainment including alcoholic beverages; fees (i.e., departure fees, excess baggage fees, etc.); additional gratuities; hotel incidentals (i.e., telephone calls, valet services, laundry, gift shop, etc.); additional transportation in addition to that described herein; travel accident, baggage and trip cancellation insurance and fees, and the like. The winner will be responsible for any additional costs incurred by the following changes to the trip package: change of travel companions; staying additional nights; adding additional travelers; upgrading transportation; upgrading hotel room; upgrading class of airline or any other applicable trip details.

(4) If the Pennsylvania American Idol™ Trip Prize Package winner cancels the trip, the trip package will be void. There will be no extensions and the winner will not receive any reimbursement for the unused trip package. Airline tickets are non-refundable and all airline rules and restrictions apply.

(5) The Pennsylvania American Idol™ Trip Prize Package is valid only for the 2008 American Idol™ Final Competition and Season Finale nights.

(6) Other restrictions may apply.

13. *Retailer Incentive Awards:* The Lottery may conduct a separate Retailer Incentive Game for retailers who sell Pennsylvania American Idol™ instant lottery game tickets. The conduct of the game will be governed by 61 Pa. Code § 819.222 (relating to retailer bonuses and incentive).

14. *Unclaimed Prize Money:* For a period of 1 year from the announced close of Pennsylvania American Idol™, prize money from winning Pennsylvania American Idol™ instant lottery game tickets will be retained by the Secretary for payment to the persons entitled thereto. If no claim is made within 1 year of the announced close of the Pennsylvania American Idol™ instant lottery game, the right of a ticket holder to claim the prize represented by the ticket, if any, will expire and the prize money will be paid into the State Lottery Fund and used for purposes provided for by statute.

15. *Governing Law:* In purchasing a ticket, the customer agrees to comply with and abide by the State Lottery Law (72 P. S. §§ 3761-101–3761-314), 61

Pa. Code Part V (relating to State Lotteries) and the provisions contained in this notice.

16. *Termination of the Game*: The Secretary may announce a termination date, after which no further tickets from this game may be sold. The announcement will be disseminated through media used to advertise or promote Pennsylvania American Idol™ or through normal communications methods.

INDEPENDENT REGULATORY REVIEW COMMISSION

Action Taken by the Commission

The Independent Regulatory Review Commission met publicly at 10:30 a.m., Thursday, December 6, 2007, and announced the following:

Regulations Approved:

State Board of Education #6-302: Foreign Corporation Standards (amends 22 Pa. Code Chapter 36)

Pennsylvania Public Utility Commission #57-239: Regulation of Interexchange Carriers and Services (amends 52 Pa. Code Chapter 63)

Department of Revenue #15-429: Realty Transfer Tax Amendments (amends 61 Pa. Code Chapter 91) [Dissenting Statement of Commission John F. Mizner reads as follows.]

Approval Order

Public Meeting held
December 6, 2007

Commissioners Voting: Arthur Coccodrilli, Chairperson; Alvin C. Bush, Vice Chairperson, by Phone; David J. DeVries, Esq.; John F. Mizner, Esq.

*State Board of Education—
Foreign Corporation Standards;
Regulation No. 6-302 (#2548)*

On June 19, 2006, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Board of Education (Board). This rulemaking amends 22 Pa. Code Chapter 36. The proposed regulation was published in the July 1, 2006 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on October 31, 2007.

This final-form regulation amends standards that govern the operation and approval of postsecondary degree-granting institutions that are operated or owned by a foreign corporation.

We have determined this regulation is consistent with the statutory authority of the Board (24 P.S. § 26-2603-B) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

By Order of the Commission:

This regulation is approved.

*Pennsylvania Public Utility Commission—
Regulation of Interexchange Carriers and Services;
Regulation No. 57-239 (#2512)*

On December 7, 2005, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Public Utility Commission (PUC). This rulemaking amends 52 Pa. Code Chapter 63. The proposed regulation was published in the December 17, 2005 *Pennsylvania Bulletin* with a 45-day public comment period. The final-form regulation was submitted to the Commission on October 18, 2007.

This final-form regulation implements the provisions of Act 183 of 2004 by deleting current regulations dealing with interexchange telecommunications carriers and replacing them with new provisions.

We have determined this regulation is consistent with the statutory authority of the PUC (66 Pa.C.S. §§ 501 and 3018) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

By Order of the Commissioner:

This regulation is approved.

*Department of Revenue—
Realty Transfer Tax Amendments;
Regulation #15-429 (IRRC #2503)*

This matter involves a rulemaking order designed to implement the Realty Transfer Tax Act. For the reasons set forth below, I respectfully dissent.

First, this regulation threatens the economic and fiscal health of the Commonwealth. 71 P. S. § 745.5b(b)(1). Implementation may result in significant costs to the Commonwealth, its political subdivisions and the private sector. I agree with commentators who contend that implementation of this regulation will result in a tax structure that puts Pennsylvania at a disadvantage in comparison to other states competing for investment dollars. Moreover, as evidenced by various interpretations submitted by the Department and commentators, this regulation is confusing and fails to supply sufficient guidance to the regulated community. The foreseeable result of such confusion is increased legal, consulting and accounting costs that will be incurred in the public and private sectors.

Second, this regulation fails to meet the standard of clarity, feasibility and reasonableness required by the Regulatory Review Act. 71 P. S. § 745.5b(b)(3). The definitions of "living trust" and "ordinary trust" conflict with definitions of the same terms in the Realty Transfer Tax Act, 72 P. S. § 8101-C. Additionally, I disagree with Sections 91.153 and 91.168 of the regulation to the extent they allow the Department the latitude to tax like-kind exchanges and sale-leaseback transactions multiple times.

Third, this regulation represents a policy decision of such a substantial nature that it requires legislative

review. 71 P. S. § 745.5b(b)(4). In the preamble to this regulation, the Department indicates it developed Section 91.132 "to address the court decision in *Allebach v. Commonwealth*, 546 Pa. 146, 683 A.2d 625 (1996)." Rather than heed the Pennsylvania Supreme Court's admonition in *Allebach*, the Department chose to violate the General Assembly's dictate that taxing statutes be strictly construed. If indeed there is a problem to be fixed, then that fix must come from the General Assembly because the current statutory framework does not provide the Department with the necessary statutory authority.

Therefore, I respectfully dissent.

John F. Mizner, Commissioner

Review Procedure Hearings; Cancellation or Refusal of Insurance

The following insureds have requested a hearing as authorized by the act of June 17, 1998 (P. L. 464, No. 68) (Act 68) in connection with the termination of the insureds' automobile policies. The hearings will be held in accordance with the requirements of Act 68, 1 Pa. Code Part II (relating to the General Rules of Administrative Practice and Procedure) and 31 Pa. Code §§ 56.1—56.3 (relating to Special Rules of Administrative Practice and Procedure). The administrative hearing will be held in the Insurance Department's regional office in Philadelphia, PA. Failure by an appellant to appear at the scheduled hearing may result in dismissal with prejudice.

The following hearing will be held in the Philadelphia Regional Office, Room 1701, State Office Building, 1400 Spring Garden Street, Philadelphia, PA 19130.

Appeal of Robin Best; file no. 07-265-42501; State Farm Insurance Co.; Doc. No. PH07-11-019; January 10, 2008, 4 p.m.

Parties may appear with or without counsel and offer relevant testimony or other relevant evidence. Each party must bring documents, photographs, drawings, claims files, witnesses, and the like, necessary to support the party's case. A party intending to offer documents or photographs into evidence shall bring enough copies for the record and for each opposing party.

In some cases, the Insurance Commissioner (Commissioner) may order that the company reimburse an insured for the higher cost of replacement insurance coverage obtained while the appeal is pending. Reimbursement is available only when the insured is successful on appeal, and may not be ordered in all instances. If an insured wishes to seek reimbursement for the higher cost of replacement insurance, the insured must produce documentation at the hearing which will allow comparison of coverages and costs between the original policy and the replacement policy.

Following the hearing and receipt of the stenographic transcript, the Commissioner will issue a written order resolving the factual issues presented at the hearing and stating what remedial action, if any, is required. The Commissioner's Order will be sent to those persons participating in the hearing or their designated representatives. The Order of the Commissioner may be subject to judicial review by the Commonwealth Court.

Persons with a disability who wish to attend the previously referenced administrative hearing and require an auxiliary aid, service or other accommodation to

participate in the hearing, contact Kathryn Culbertson, Agency Coordinator at (717) 705-4194.

PATIENT SAFETY AUTHORITY

Reporting Requirements for Health Care Facilities under the Medical Care Availability and Reduction of Error (MCARE) Act

Purpose

The purpose of this announcement is to give health care facilities notice of their reporting requirements to the Patient Safety Authority (Authority) under the Medical Care Availability and Reduction of Error (MCARE) Act, Chapter 4, Health Care-Associated Infections. The reporting requirements presented in this notice were developed in consultation with the Department of Health (Department) and the Patient Safety Authority's Health Care-Associated Infection (HAI) Advisory Panel.

Reporting Requirements for Hospitals

Hospitals are required to report HAIs to the Centers for Disease Control and Prevention (CDC) through its National Healthcare Safety Network (NHSN). The infections that are reportable include all CDC-defined event types and specific events. This is presented at the end of this notice as Exhibit A.

Serious Event Reporting

The occurrence of a CDC-defined HAI in a hospital is deemed to constitute a Serious Event as defined by the MCARE Act, § 302. If an infection meets the criteria for reporting to the NHSN, that infection shall be reported to the Authority as a Serious Event as required by Act 13 and Act 52, subject to the additional requirements as described in this notice.

Health care-associated infections reported through the NHSN are subject to the same patient notification requirements set forth by Act 13 for all Serious Events. For purposes of meeting the 24-hour reporting requirement for Serious Events set forth by Act 13, hospitals must submit reports of HAIs to the NHSN system and to the Authority within 24 hours of their confirmation. If confirmation of an HAI occurs over a weekend or recognized holiday, reports must be submitted by 5 p.m. on the next work day. In addition, Serious Event disclosure letters must be completed for all infections submitted through the NHSN, with the exception of asymptomatic bacteriuria.

Reporting Other Events Related to Infection Control and Prevention

Act 13 requires hospitals to submit not only reports of Serious Events but also Incidents and Infrastructure Failures. Under Act 13, reporting of Incidents and Infrastructure Failures is mandatory, and hospitals must continue reporting other events related to infection control and prevention that can be classified as Incidents or Infrastructure Failures through the Pennsylvania Patient Safety Reporting System (PA-PSRS).

Examples of Incidents might include, but would not be limited to:

- Failure to put an infected patient on the appropriate level of isolation precautions.
- Failure to use maximum barrier precautions when inserting a central line.
- Failure to periodically evaluate a catheterized patient's continued need for a catheter.
- Breach in sterile technique during surgery.

If the previous examples led to CDC-defined infections, they would be reportable in NHSN as Serious Events. If they did not lead to infections, they would be classified as Incidents and reported in PA-PSRS.

Examples of Infrastructure Failures might include, but would not be limited to:

- Contamination of sterile supplies due to a chemical leak that contaminates needed equipment.
- Unavailability of sterile supplies needed to implement isolation precautions on infected patients.
- Screening cultures on high risk patients are prevented due to failure of critical lab equipment.

If the previous examples led to CDC-defined infections, they would be reportable in NHSN as Serious Events. If they did not lead to infections, they would be classified as Infrastructure Failures and reported in PA-PSRS.

Reportable HAIs and Customization Requirements

The Authority would like to avoid duplicate reporting of HAIs as a Serious Event to both PA-PSRS and the NHSN system. HAIs reported through the NHSN will not need to be reported through PA-PSRS as long as a reporting facility customizes the NHSN Data Collection Forms for several types of infections. The required customization is defined as follows. Until a facility customizes NHSN as described herein and answers the additional questions required by the Authority, the facility must continue to report HAIs as Serious Events through PA-PSRS. Please note, not every infection type requires customized questions—only those indicated below. However, once this condition is met, all CDC-defined infections do not need to be entered into PA-PSRS if they are entered timely into NHSN.

Detailed instructions for how to create custom fields for CDC-defined events may be found in the NHSN Online Manual, which can be accessed by clicking “Help” while logged onto NHSN. Once the Online Manual is accessed, go to the table of contents on the left and refer to Patient Safety Component>How to>Custom Options.

For each CDC-defined infection event type, select the appropriate form and modify the custom fields as instructed. For each custom field to be modified, we provide the following information:

- The question to be answered.
- The custom field label before modification, which identifies which field to edit or customize.
- The customized field label, which is the short label that will display on the screen when completing an infection report.
- Response categories, in the format of (“1” [yes]) where the text in quotations (“1”) is the text to be typed when completing an infection report, and where the text in brackets ([yes]) is the meaning of the text to be typed.

Device Associated Module

Form 1: Central Line-Associated Bloodstream Infection (CLABSI) Event

Question 1: Were maximal barrier precautions utilized during insertion of the central line, including hand hygiene, wearing a cap, mask, sterile gown and gloves?

Field Label Before Modification: Alphanumeric, Label 7

Customized Field Label: maximal barrier

Response categories: “1” [yes]; “2” [no]; “3” [unknown]

Question 2: Was chlorhexidine skin asepsis with antiseptic/detergent chlorhexidine 2% in 70% isopropyl alcohol utilized during insertion of the central line?

Field Label Before Modification: Alphanumeric, Label 8

Customized Field Label: skin asepsis

Response categories: “1” [yes]; “2” [no]; “3” [unknown]

Question 3: Was central line necessity evaluated daily and documented during the patient’s hospitalization?

Field Label Before Modification: Alphanumeric, Label 9

Customized Field Label: line necessity

Response categories: “1” [yes]; “2” [no]; “3” [unknown]

Question 4: [Reserved]

Field Label Before Modification: Alphanumeric, Label 10

Customized Field Label: [Reserved—Customization not required at this time]

Response categories: [Reserved—Customization not required at this time]

Form 2: Ventilator-Associated Pneumonia (VAP) Event

Question 1: Was the head of the patient’s bed elevated to between 30° and 45° at all times while the patient was receiving mechanically assisted ventilation?

Field Label Before Modification: Alphanumeric, Label 6

Customized Field Label: hob elevated

Response categories: “1” [yes]; “2” [no]; “3” [unknown]

Question 2: Did the patient receive a daily sedation interruption while the patient was receiving mechanically assisted ventilation?

Field Label Before Modification: Alphanumeric, Label 7

Customized Field Label: sedation interr

Response categories: “1” [yes]; “2” [no]; “3” [unknown]

Question 2a: If the response to Question 2 is “no,” was a daily sedation interruption clinically contraindicated?

Field Label Before Modification: Alphanumeric, Label 8

Customized Field Label: sedation contra

Response categories: “1” [yes]; “2” [no]; “3” [unknown]

Question 3: Was a daily assessment of readiness to extubate performed and documented?

Field Label Before Modification: Alphanumeric, Label 9

Customized Field Label: assess extubate

Response categories: “1” [yes]; “2” [no]; “3” [unknown]

Question 4: [Reserved]

Field Label Before Modification: Alphanumeric, Label 10

Customized Field Label: [Reserved—Customization not required at this time]

Response categories: [Reserved—Customization not required at this time]

Form 3: Catheter-Associated Urinary Tract Infection (CAUTI) Event

Question 1: Was a daily assessment performed and documented of the necessity for continued catheterization?

Field Label Before Modification: Alphanumeric, Label 9

Customized Field Label: cath necessity

Response categories: “1” [yes]; “2” [no]; “3” [unknown]

Question 2: [Reserved]

Field Label Before Modification: Alphanumeric, Label 10

Customized Field Label: [Reserved—Customization not required at this time]

Response categories: [Reserved—Customization not required at this time]

Procedure-Associated Module

Form 4: Surgical Site Infection (SSI) Event

Question 1: Was a prophylactic antibiotic received within 1 hour prior to surgical incision (or within 2 hours of surgical incision if the patient received vancomycin or fluoroquinolone) for a patient who has undergone any of the following procedures:

- CBGB, CBGC, cardiac surgery
- hip arthroplasty
- knee arthroplasty
- abdominal hysterectomy
- colon surgery
- vascular surgery

Field Label Before Modification: Alphanumeric, Label 9

Customized Field Label: antibiotics rec

Response categories: "1" [yes]; "2" [no]; "3" [unknown]; "4" [not applicable because patient did not have one of the listed procedures]

Question 2: [Reserved]

Field Label Before Modification: Alphanumeric, Label 10

Customized Field Label: [Reserved—Customization not required at this time]

Response categories: [Reserved—Customization not required at this time]

Reporting Requirements for Nursing Homes

Nursing homes are required to electronically report patient-specific health care-associated infection data to the Patient Safety Authority and the Department of Health using Nationally recognized standards based on CDC definitions. The time and format is to be determined by the Authority and the Department. The Authority and the Department anticipate that uniform reporting requirements for Nursing Homes will be determined by the summer of 2008.

Public Comment Period

For 30 calendar days from the date of this publication, the Patient Safety Authority is accepting public comment about the uniform reporting requirements established jointly by the Patient Safety Authority and the Department of Health under Chapter 4—Health Care-Associated Infections of the Medical Care Availability and Reduction of Error Act, 40 P. S. § 1303.401, et. seq., (2007).

Submit comments electronically by means of e-mail to the Pennsylvania Patient Safety Authority at patientsafety@state.pa.us.

The Authority will review comments received and publish a Final Notice in the *Pennsylvania Bulletin*. This notice may include updates or changes, based on public comments, to the Authority's reporting requirements.

Persons with a disability who require an alternative format of this notice (for example large print, audio tape or Braille) should contact the PA-PSRS help desk at (866) 316-1070.

*Pennsylvania Public Utility Commission Law Bureau
Prosecutory Staff v. Barkeyville Gas Co. (2006.0295.00);
C-20077707; A-120010*

Default Order

By the Commission:

On April 23, 2007, the Law Bureau Prosecutory Staff filed a Formal Complaint against Barkeyville Gas Co. (the Respondent), a gas utility certificated at A-120010. In the Complaint, Prosecutory Staff alleged that the Commission sent by certified mail prior written notices to the Respondent that pursuant to 66 Pa.C.S. § 504 its 2005 Annual Report was due. The Complaint charged that the Respondent violated 66 Pa.C.S. § 504 by failing to file its 2005 Annual Report. The Complaint requested that the Commission issue an order imposing a civil penalty in the amount of \$1,000 for failure to file its 2005 Annual Report.

According to the U.S. Postal Service return receipt, the Complaint was served on May 17, 2007. To date, more than 20 days later, no answer has been filed to the Complaint and the 2005 Annual Report has not been filed.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other remedy as the Commission may deem appropriate. 66 Pa.C.S. §§ 504, 505, 506, and 3301. Based on Respondent's failure to file an answer to the Complaint or file its 2005 Annual Report, we conclude that a civil penalty in the amount of \$1,000 is in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of further penalties under Section 3301, if Respondent seeks relief from this Default Order; *Therefore,*

It Is Ordered That:

1. The allegations in the Law Bureau Prosecutory Staff's Complaint are deemed admitted and the Complaint is thereby sustained.

2. Barkeyville Gas Co. is hereby directed to file its 2005 Annual Report and pay a civil penalty in the amount of \$1,000 within 30 days of the entry date of this order.

3. The Secretary serve a copy of this Default Order upon the Office of Consumer Advocate, the Office of Small Business Advocate, the Office of Trial Staff, and the Attorney General's Bureau of Consumer Protection, and also cause a copy of this Default Order to be published in the *Pennsylvania Bulletin* with a 20-day comment period.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other remedy as the Commission may deem appropriate. 66 Pa.C.S. §§ 504, 505, 506, and 3301. Based on Respondent's failure to file an answer to the Complaint or file its 2005 Annual Report, we conclude that a civil penalty in the amount of \$1,000 is in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of further penalties under Section 3301, if Respondent seeks relief from this Default Order; *Therefore,*

It Is Ordered That:

1. The allegations in the Law Bureau Prosecutory Staff's Complaint are deemed admitted and the Complaint is thereby sustained.
2. North Heidelberg Water Co. is hereby directed to file its 2005 Annual Report and pay a civil penalty in the amount of \$1,000 within 30 days of the entry date of this order.
3. Prosecutory Staff v. Epixtar Communications Corp.
(2006.0295.00); C-20077665; A-311245*

Default Order

By the Commission:

On April 23, 2007, the Law Bureau Prosecutory Staff filed a Formal Complaint against Epixtar Communications Corp. (the Respondent), a reseller of toll services certificated at A-311245. In the Complaint, Prosecutory Staff alleged that the Commission sent by certified mail prior written notices to the Respondent that pursuant to 66 Pa.C.S. § 504 its 2005 Annual Report was due. The Complaint charged that the Respondent violated 66 Pa.C.S. § 504 by failing to file its 2005 Annual Report. The Complaint requested that the Commission issue an order cancelling the Respondent's certificate of public convenience for failure to file its 2005 Annual Report.

According to the U.S. Postal Service return receipt, the Complaint was served on May 15, 2007. To date, more than 20 days later, no answer has been filed to the Complaint and the 2005 Annual Report has not been filed. In addition, we are not aware that Respondent has any current customers in Pennsylvania, and Respondent was never assigned any NXX codes.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other remedy as the Commission may deem appropriate. 66 Pa.C.S. §§ 504, 505, 506, and 3301. Based on Respondent's failure to file an answer to the Complaint or file its 2005 Annual Report, we conclude that revocation of Epixtar Communications Corp.'s certificate of public convenience is in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of penalties under Section 3301, in lieu of cancellation, if Respondent seeks relief from this Default Order; *Therefore,*

It Is Ordered That:

1. The allegations in the Law Bureau Prosecutory Staff's Complaint are deemed admitted and the Complaint is thereby sustained.

*Pennsylvania Public Utility Commission Law Bureau
Prosecutory Staff v. Motion Telecom, Inc.
(2006.0295.00); C-20077670; A-311270*

Default Order

By the Commission:

On April 23, 2007, the Law Bureau Prosecutory Staff filed a Formal Complaint against Motion Telecom, Inc. (the Respondent), a reseller of toll services certificated at A-311270. In the Complaint, Prosecutory Staff alleged that the Commission sent by certified mail prior written notices to the Respondent that pursuant to 66 Pa.C.S. § 504 its 2005 Annual Report was due. The Complaint charged that the Respondent violated 66 Pa.C.S. § 504 by failing to file its 2005 Annual Report. The Complaint requested that the Commission issue an order cancelling the Respondent's certificate of public convenience for failure to file its 2005 Annual Report.

According to the U.S. Postal Service return receipt, the Complaint was served on May 24, 2007. To date, more than 20 days later, no answer has been filed to the Complaint and the 2005 Annual Report has not been filed. In addition, we are not aware that Respondent has any current customers in Pennsylvania, and Respondent was never assigned any NXX codes.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other

remedy as the Commission may deem appropriate. 66 Pa.C.S. §§ 504, 505, 506, and 3301. Based on Respondent's failure to file an answer to the Complaint or file its 2005 Annual Report, we conclude that revocation of Motion Telecom, Inc.'s certificate of public convenience is in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of penalties under Section 3301, in lieu of cancellation, if Respondent seeks relief from this Default Order; *Therefore,*

It Is Ordered That:

1. The allegations in the Law Bureau Prosecutory Staff's Complaint are deemed admitted and the Complaint is thereby sustained.

2. The Secretary serve a copy of this Default Order upon the Office of Consumer Advocate, the Office of Small Business Advocate, the Office of Trial Staff, and the Attorney General's Bureau of Consumer Protection, and also cause a copy of this Default Order to be published in the *Pennsylvania Bulletin* with a 20-day comment period.

3. Motion Telecom, Inc. immediately cease providing service to any new customers and, within 10 days of the entry date of this order, provide written notice to any existing customers directing each to select an alternative service provider within 30 days of the date of the notice. Such notice must include a statement of the Commission's intent to cancel the company's certificate of public convenience absent adverse public comment within the 20-day time constraint established pursuant to Ordering Paragraph No. 2, above.

4. Absent the filing of adverse public comment, 30 days after publication in the *Pennsylvania Bulletin* and without further action by the Commission, the certificate(s) of public convenience held by Motion Telecom, Inc. at A-311270 shall be cancelled, and the company's name stricken from all active-utility lists maintained by the Tariff and Annual Report Section of the Commission's Bureau of Fixed Utility Services and the Assessment Section of the Bureau of Administrative Services.

*Pennsylvania Public Utility Commission Law Bureau
Prosecutory Staff v. Preferred Carrier Services, Inc.
(2006.0295.00); C-20077696; A-310403*

Default Order

By the Commission:

On April 23, 2007, the Law Bureau Prosecutory Staff filed a Formal Complaint against Preferred Carrier Services, Inc. (the Respondent), a IXC reseller certificated at A-310403. In the Complaint, Prosecutory Staff alleged that the Commission sent by certified mail prior written

notices to the Respondent that pursuant to 66 Pa.C.S. § 504 its 2005 Annual Report was due. The Complaint charged that the Respondent violated 66 Pa.C.S. § 504 by failing to file its 2005 Annual Report. The Complaint requested that the Commission issue an order cancelling the Respondent's certificate of public convenience for failure to file its 2005 Annual Report.

According to the U.S. Postal Service return receipt, the Complaint was not served and a reason was not given by the Post Office. To date, more than 20 days later, no answer has been filed to the Complaint and the 2005 Annual Report has not been filed. In addition, we are not aware that Respondent has any current customers in Pennsylvania, and Respondent was never assigned any NXX codes.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other remedy as the Commission may deem appropriate. 66 Pa.C.S. §§ 504, 505, 506, and 3301. Based on Respondent's failure to file its 2005 Annual Report and upon our inability to serve the Complaint, we conclude that revocation of Preferred Carrier Services, Inc.'s certificate of public convenience is in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of penalties under Section 3301, in lieu of cancellation, if Respondent seeks relief from this Default Order; *Therefore*,

It Is Ordered That:

1. The allegations in the Law Bureau Prosecutory Staff's Complaint are deemed admitted and the Complaint is thereby sustained.

2. The Secretary serve a copy of this Default Order upon the Office of Consumer Advocate, the Office of Small Business Advocate, the Office of Trial Staff, and the Attorney General's Bureau of Consumer Protection, and also cause a copy of this Default Order to be published in the *Pennsylvania Bulletin* with a 20-day comment period.

3. Preferred Carrier Services, Inc. immediately cease providing service to any new customers and, within 10 days of the entry date of this order, provide written notice to any existing customers directing each to select an alternative service provider within 30 days of the date of the notice. Such notice must include a statement of the Commission's intent to cancel the company's certificate of public convenience absent adverse public comment within the 20-day time constraint established pursuant to Ordering Paragraph No. 2, above.

4. Absent the filing of adverse public comment, 30 days after publication in the *Pennsylvania Bulletin* and without further action by the Commission, the certificate(s) of public convenience held by Preferred Carrier Services, Inc. at A-310403 shall be cancelled, and the company's name stricken from all active-utility lists maintained by the Tariff and Annual Report Section of the Commission's Bureau of Fixed Utility Services and the Assessment Section of the Bureau of Administrative Services.

C-20077754; A-311182*

Default Order

By the Commission:

On April 23, 2007, the Law Bureau Prosecutory Staff filed a Formal Complaint against Line 1 Comm. LLC (the Respondent), a reseller of toll services certificated at A-311182. In the Complaint, Prosecutory Staff alleged that the Commission sent by certified mail prior written notices to the Respondent that pursuant to 66 Pa.C.S. § 504 its 2005 Annual Report was due. The Complaint charged that the Respondent violated 66 Pa.C.S. § 504 by failing to file its 2005 Annual Report. The Complaint requested that the Commission issue an order cancelling the Respondent's certificate of public convenience for failure to file its 2005 Annual Report.

According to the U.S. Postal Service return receipt, the Complaint was not served because there was an insufficient address. To date, more than 20 days later, no answer has been filed to the Complaint and the 2005 Annual Report has not been filed. In addition, we are not aware that Respondent has any current customers in Pennsylvania, and Respondent was never assigned any NXX codes.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other remedy as the Commission may deem appropriate. 66 Pa.C.S. §§ 504, 505, 506, and 3301. Based on Respondent's failure to file its 2005 Annual Report and upon our inability to serve the Complaint, we conclude that revocation of Line 1 Comm. LLC's certificate of public convenience is in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of penalties under Section 3301, in lieu of cancellation, if Respondent seeks relief from this Default Order; *Therefore,*

It Is Ordered That:

1. The allegations in the Law Bureau Prosecutory Staff's Complaint are deemed admitted and the Complaint is thereby sustained.

2. The Secretary serve a copy of this Default Order upon the Office of Consumer Advocate, the Office of Small Business Advocate, the Office of Trial Staff, and the Attorney General's Bureau of Consumer Protection, and also cause a copy of this Default Order to be published in the *Pennsylvania Bulletin* with a 20-day comment period.

3. Line 1 Comm. LLC immediately cease providing service to any new customers and, within 10 days of the entry date of this order, provide written notice to any existing customers directing each to select an alternative service provider within 30 days of the date of the notice. Such notice must include a statement of the Commission's intent to cancel the company's certificate of public convenience absent adverse public comment within the 20-day time constraint established pursuant to Ordering Paragraph No. 2, above.

4. Absent the filing of adverse public comment, 30 days after publication in the *Pennsylvania Bulletin* and without further action by the Commission, the certificate(s) of public convenience held by Line 1 Comm. (2006.0295.00); C-20077722; A-310082F0002*

Default Order

By the Commission:

On April 23, 2007, the Law Bureau Prosecutory Staff filed a Formal Complaint against Eastern Telephone Systems, Inc. (the Respondent), a competitive local exchange carrier certificated at A-310082F0002. In the Complaint, Prosecutory Staff alleged that the Commission sent by certified mail prior written notices to the Respondent that pursuant to 66 Pa.C.S. § 504 its 2005 Telecommunications Relay Service (TRS) Annual Access Line Summary Report and Annual Tracking Report (TRS Reports) were due. The Complaint charged that the Respondent violated 66 Pa.C.S. § 504 by failing to file its 2005 TRS Reports. The Complaint requested that the Commission issue an order cancelling the Respondent's certificate of public convenience for failure to file its 2005 TRS Reports.

According to the U.S. Postal Service return receipt, the Complaint was served on May 21, 2007. To date, more than 30 days later, no answer has been filed to the Complaint and the 2005 TRS Reports have not been filed. In addition, we are not aware that Respondent has any current customers in Pennsylvania, and Respondent was never assigned any NXX codes.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other remedy as the Commission may deem appropriate. 66 Pa.C.S. §§ 504, 505, 506, and 3301. Based on Respondent's failure to file an answer to the Complaint or file its 2005 TRS Reports, we conclude that revocation of Eastern Telephone Systems, Inc.'s certificate of public convenience is in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of penalties under Section 3301, in lieu of cancellation, if Respondent seeks relief from this Default Order; *Therefore,*

It Is Ordered That:

1. The allegations in the Law Bureau Prosecutory Staff's Complaint are deemed admitted and the Complaint is thereby sustained.

3. Eastern Telephone Systems, Inc. immediately cease providing service to any new customers and, within 10 days of the entry date of this order, provide written notice to any existing customers directing each to select an alternative service provider within 30 days of the date of the notice. Such notice must include a statement of the Commission's intent to cancel the company's certificate of public convenience absent adverse public comment within the 20-day time constraint established pursuant to Ordering Paragraph No. 2, above.

4. Absent the filing of adverse public comment, 30 days after publication in the *Pennsylvania Bulletin* and without further action by the Commission, the certificate(s) of public convenience held by Eastern Telephone Systems, Inc. at A-310082F0002 shall be cancelled, and the company's name stricken from all active-utility lists maintained by the TRS Report Section of the Commission's Bureau of Fixed Utility Services and the Assessment Section of the Bureau of Administrative Services.

According to the U.S. Postal Service return receipt, the Complaint was served on May 18, 2007. To date, more than 30 days later, no answer has been filed to the Complaint and the 2005 TRS Reports have not been filed. In addition, we are not aware that Respondent has any current customers in Pennsylvania, and Respondent was never assigned any NXX codes.

The Commission puts the industry on notice that we will not hesitate to invoke our authority under the Public Utility Code to ensure timely compliance with our regulations and orders including the ordering of such other remedy as the Commission may deem appropriate. 66 Pa.C.S. §§ 504, 505, 506, and 3301. Based on Respon-

dent's failure to file an answer to the Complaint or file its 2005 TRS Reports, we conclude that revocation of MilleniaNet Corporation's certificate of public convenience is in the public interest. Furthermore, the Commission may take other appropriate action, including the imposition of penalties under Section 3301, in lieu of cancellation, if Respondent seeks relief from this Default Order; *Therefore,*

It Is Ordered That:

1. The allegations in the Law Bureau Prosecutory Staff's Complaint are deemed admitted and the Complaint is thereby sustained.

2. The Secretary serve a copy of this Default Order upon the Office of Consumer Advocate, the Office of Small Business Advocate, the Office of Trial Staff, and the Attorney General's Bureau of Consumer Protection, and also cause a copy of this Default Order to be published in the *Pennsylvania Bulletin* with a 20-day comment period.

3. MilleniaNet Corporation immediately cease providing service to any new customers and, within 10 days of the entry date of this order, provide written notice to any existing customers directing each to select an alternative service provider within 30 days of the date of the notice. Such notice must include a statement of the Commission's intent to cancel the company's certificate of public convenience absent adverse public comment within the 20-day time constraint established pursuant to Ordering Paragraph No. 2, above.

4. Absent the filing of adverse public comment, 30 days after publication in the *Pennsylvania Bulletin* and without further action by the Commission, the certificate(s) of public convenience held by MilleniaNet Corporation at A-311190F0002 shall be cancelled, and the company's name stricken from all active-utility lists maintained by the TRS Report Section of the Commission's Bureau of Fixed Utility Services and the Assessment Section of the Bureau of Administrative Services.

Prosecutory Staff v. Budget Phone, Inc. (2006.0295.00);
C-20077742; A-311159*

Default Order

By the Commission:

On April 23, 2007, the Law Bureau Prosecutory Staff filed a Formal Complaint against Budget Phone, Inc. (the Respondent), a competitive local exchange carrier certificated at A-311159. In the Complaint, Prosecutory Staff alleged that the Commission sent by certified mail prior written notices to the Respondent that pursuant to 66

Pa.C.S. § 504 its 2005 Telecommunications Relay Service (TRS) Annual Access Line Summary Report and Annual Tracking Report (TRS Reports) were due. The Complaint charged that the Respondent violated 66 Pa.C.S. § 504 by failing to file its 2005 TRS Reports. The Complaint requested that the Commission issue an order cancelling the Respondent's certificate of public convenience for failure to file its 2005 TRS Reports.

According to the U.S. Postal Service return receipt, the Complaint was not served because it was unclaimed. To date, more than 20 days later, no answer has been filed to the Complaint and the 2005 TRS Reports have not been filed. In addition, we are not aware that Respondent has any current customers in Pennsylvania, and Respondent was never assigned any NXX codes.
