

PROPOSED RULEMAKING

BUREAU OF PROFESSIONAL AND OCCUPATIONAL AFFAIRS

[49 PA. CODE CH. 43b]

Consideration of Criminal Convictions

The Acting Commissioner of Professional and Occupational Affairs (Acting Commissioner) proposes to amend § 43b.201 (relating to fees for services) and add Subchapter E (relating to consideration of criminal convictions) to read as set forth in Annex A.

Effective Date

The amendments will be effective upon notice or publication of the final-form rulemaking in the *Pennsylvania Bulletin*.

Statutory Authority

The Commissioner is required under 63 Pa.C.S. § 3117 (relating to list of criminal offenses) to promulgate regulations setting forth a schedule of criminal convictions that may constitute grounds to refuse to issue, suspend or revoke a license, certificate, registration or permit for each occupation or profession regulated by a licensing board or commission under their respective practice acts. The general rulemaking authority of the Department of State (Department) and the various departmental administrative boards and commissions is set forth in section 506 of The Administrative Code of 1929 (71 P.S. § 186). The Commissioner's authority to fix the fees to be charged by the several professional and occupational licensing boards within the Department and to coordinate the activities of the various boards and commissions is set forth in section 810(a)(7) and (8) of The Administrative Code of 1929 (71 P.S. § 279.1(a)(7) and (8)).

Background and Need for the Amendments

The act of July 1, 2020 (P.L. 545, No. 53) (Act 53 of 2020) set forth a new paradigm for the various professional and occupational licensing boards and commissions within the Bureau of Professional and Occupational Affairs (Bureau) in considering the impact of criminal convictions on a board or commission's decision whether to refuse to issue or renew, suspend, revoke or otherwise limit a license, certificate, registration or permit. The relevant provisions of Act 53 of 2020 are codified at 63 Pa.C.S. §§ 3112–3118. This proposed rulemaking is intended to provide transparency to applicants with criminal histories relating to the types of crimes that may be an impediment to licensure and the factors that the boards and commissions will consider in determining whether an applicant with a criminal conviction may be granted a license. This proposed rulemaking accomplishes these ends by promulgating schedules of criminal convictions that may constitute grounds to refuse to issue, suspend or revoke a license, certificate, registration or permit for each of the 29 professional and occupational licensing boards/commissions as required under 63 Pa.C.S. § 3117. As required under 63 Pa.C.S. § 3117, the Acting Commissioner consulted with each of the professional and occupational licensing boards, as well as representatives of the business community with knowledge of the respective professions and occupations in developing these schedules. A draft of the applicable schedule was released to each board or commission's list of interested parties and stakeholders with an invitation

to submit written comments to the Acting Commissioner or attend a public meeting of the relevant board or commission at which time the proposed schedule was discussed, or both. The Acting Commissioner or his designee attended each scheduled meeting.

The Acting Commissioner's proposed rulemaking also clarifies the effect of a particular crime being designated as "directly related" to a particular profession or occupation and the process by which the various boards and commissions will conduct the "individualized assessments" required under 63 Pa.C.S. § 3113 (relating to consideration of criminal convictions). This proposed rulemaking would also set forth a uniform fee for the processing of preliminary determinations under 63 Pa.C.S. § 3115 (relating to preliminary determinations by licensing boards and licensing commissions). Finally, this proposed rulemaking clarifies the standards for "restricted licenses" for barbers and cosmetologists as set forth in 63 Pa.C.S. § 3112 (relating to restricted licenses for barbers and cosmetologists).

The Acting Commissioner elected not to propose regulations implementing 63 Pa.C.S. § 3112.1 (relating to restricted licenses for other occupations) at this time. This provision would apply if a county correctional facility or the Department of Corrections offers training in an occupation, other than barbering and cosmetology, that requires the issuance of a license, certificate, registration or permit by a board or commission within the Bureau. Currently, there are no other applicable training programs. Should a program be implemented in the future, regulations relating to restricted licenses for the relevant occupation would be drafted with input from the applicable board or commission.

Description of the Proposed Amendments

The Acting Commissioner proposes to amend § 43b.201 to codify the \$45 fee provided in 63 Pa.C.S. § 3115(3). This fee is charged to each individual petitioning for a preliminary determination as to whether the individual's criminal history could be grounds for a particular board or commission to deny licensure. The Acting Commissioner and the boards/commissions have found this fee to be adequate to cover the average costs related to processing a petition for a preliminary determination.

The Acting Commissioner also proposes to add Subchapter E. First, the Acting Commissioner proposes to add § 43b.401 (relating to scope) to make it clear that this subchapter applies to all licensing boards and licensing commissions within the Bureau. Next, the Acting Commissioner proposes to add § 43b.402 (relating to definitions) to set forth definitions for terms utilized in the proposed regulations to aid in understanding. In this section, the terms "Bureau," "directly relates," "drug trafficking offense," "healing arts," "health care practitioner" and "preliminary determination" would be defined. The term "Bureau" is defined as set forth at 63 Pa.C.S. § 3102 (relating to definitions). The definition of the term "directly relates" in this proposed rulemaking is slightly different than defined in 63 Pa.C.S. § 3102. In 63 Pa.C.S. § 3102, the definition refers to the "profession, trade or occupation for which the individual seeks licensure." However, in this proposed rulemaking, the definition refers to "the profession or occupation for which the individual seeks a license, certificate, registration or permit." This change was necessary to make it clear that

the provisions of Act 53 of 2020 relating to the consideration of criminal convictions apply to licensing boards and commissions “in determining whether an individual qualifies for a license, certificate, registration or permit,” and not just for licenses. See 63 Pa.C.S. § 3113(a.1). In addition, the term “licensee” in 63 Pa.C.S. § 3102 is defined to include “a person holding a license, registration, certificate or permit with a licensing board or commission.” Thus, an individual seeking “licensure” (or to become a “licensee”) may be seeking a license, registration, certificate or permit.

The terms “drug trafficking offense,” “healing arts” and “health care practitioner” are defined in a manner consistent with the definitions set forth at 63 Pa.C.S. § 3113(i), with edits to either simplify the definition, provide a relevant cross-reference or aid clarity. The Acting Commissioner determined that a definition of the term “preliminary determination” would also aid clarity in that 63 Pa.C.S. § 3115 uses the terms “preliminary determination,” “preliminary review” and “preliminary decision” interchangeably.

Next, the Acting Commissioner proposes to add § 43b.403 (relating to preliminary determinations) to set forth the process to request a preliminary determination under 63 Pa.C.S. § 3115. A preliminary determination is an evaluation of an individual’s criminal history information submitted to a professional or occupational licensing board or commission to determine whether the individual’s criminal conviction or convictions would be an impediment to licensure. As set forth in 63 Pa.C.S. § 3115, the preliminary determination is limited to a declaration of whether a conviction on the petitioner’s criminal history record falls within the set of convictions that the licensing board or commission has previously determined may be directly related to the profession or occupation over which the licensing board or licensing commission has authority. Further, where appropriate, the notice will inform the petitioner that a sexual offense, crime of violence or drug trafficking offense may prevent licensure in accordance with 63 Pa.C.S. § 3113(d), (e) or (f).

To assist all 29 boards in implementing the requirements of 63 Pa.C.S. § 3115, an application for a preliminary determination has been added to the Pennsylvania Licensing System (PALS). In addition to the “Act 53 of 2020 Best Practices Guide” required by 63 Pa.C.S. § 3116 (relating to best practices guide), there is also a user guide available on the Bureau’s web site to assist individuals with submitting the preliminary determination application. The proposed regulations would require applicants to file this application and provide all relevant information relating to the individual’s criminal conviction or convictions for which a preliminary determination is sought.

Section 43b.403 also requires the payment of the preliminary determination application fee unless the applicant qualifies for a fee waiver by establishing in forma pauperis status as provided for at 63 Pa.C.S. § 3115(3) for those petitioners who are indigent or otherwise do not have the financial resources to pay the \$45 fee. To implement this provision, when a petitioner indicates that they are requesting a waiver of the fee due to inability to pay, the online preliminary determination application presents a series of questions relating to the petitioner’s financial status, including questions about sources of income, assets, expenses and liabilities, which are verified by the petitioner as true and correct, subject to penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities). When a petitioner demonstrates that the petitioner is without sufficient resources to pay the fee,

the fee will be waived, and the preliminary determination issued. If, however, the petitioner appears to have sufficient resources to pay the fee, the petitioner will be notified of the need to either pay the fee or present additional evidence in support of the petitioner’s claim of inability to pay. The licensing boards and licensing commissions will not unreasonably deny in forma pauperis status. Finally, as required by 63 Pa.C.S. § 3115(1), subsection (b) provides that the applicable licensing board or commission will issue the preliminary determination within 45 days of submission of the application.

The Acting Commissioner is also proposing to add § 43b.404 (relating to consideration of criminal convictions) to set forth and to clarify, where needed, the process that the licensing boards and commissions will follow in considering whether an individual with a criminal conviction qualifies for a license, certificate, permit or registration, consistent with 63 Pa.C.S. § 3113. Subsection (a) provides the general rule which requires a two-stage analysis of an applicant’s criminal conviction or convictions. During the first stage of the analysis, the licensing board or commission will determine whether the individual’s criminal conviction directly relates to the profession or occupation for which the individual seeks licensure by reviewing the applicable board’s schedule in proposed §§ 43b.423—43b.451, pertaining to schedules of criminal convictions. If the individual’s conviction is found to be directly related to the profession or occupation for which the individual is seeking a license, certificate, registration or permit, the board or commission will move to the second stage of the analysis. During the second stage of the analysis, the licensing board or commission will conduct an individualized assessment to determine whether licensure of the individual would pose a substantial risk to the health and safety of the individual’s patients or clients or the public or a substantial risk of further criminal convictions. The factors used in conducting the individualized assessment are set forth in paragraph (3) and are consistent with the factors set forth in 63 Pa.C.S. § 3113(c).

If, however, the individual’s criminal conviction is not found to be directly related to the relevant profession or occupation, the licensing board or commission next determines whether, due to the nature of the criminal conviction, licensure of the individual would pose a significant risk to the health and safety of the individual’s patients or clients or the public or a substantial risk of further criminal convictions. If so, the licensing board or commission will conduct the individualized assessment to determine whether the individual may be granted a license notwithstanding the criminal conviction. The individual may rebut the determination that licensure of the individual would pose a significant risk by showing evidence of rehabilitation using the factors set forth in paragraph (3).

Subsection (b) makes it clear that under 63 Pa.C.S. § 3113(d), the various health-related licensing boards are prohibited from issuing a license, certificate, permit or registration, or otherwise allowing an individual to practice as a health care practitioner if the individual has been convicted of a sexual offense. The term “sexual offense” is defined in 63 Pa.C.S. § 3113(i), however, to aid clarity, the Acting Commissioner proposes to provide a schedule of sexual offenses in § 43b.421 (relating to schedule of sexual offenses) which is based on that definition.

Subsection (c) sets forth the criteria for any licensing board or commission to grant a license, certificate, permit or registration to an individual convicted of a crime of

violence consistent with 63 Pa.C.S. § 3113(e), which precludes the issuance of a license to an individual convicted of a crime of violence for at least 3 years since release from incarceration, or if not subject to a period of confinement in a State or county correctional facility, at least 3 years since imposition of sentence. This subsection provides that a licensing board or commission may grant a license to an individual convicted of a crime of violence provided the individual has remained conviction-free during the relevant 3-year period, demonstrates significant rehabilitation since the criminal conviction, and the licensing board or commission determines by conducting an individualized assessment that the licensure of the individual does not pose a substantial risk to the health and safety of the individual's patients or clients or the public or a substantial risk of further criminal convictions. The definition of "crime of violence" provided by 63 Pa.C.S. § 3113(e) is that which is defined in 42 Pa.C.S. § 9714 (relating to sentences for second and subsequent offenses). To aid clarity to this proposed rulemaking, the Acting Commissioner proposes to provide a schedule of crimes of violence in proposed § 43b.422 (relating to schedule of crimes of violence).

In subsection (d), the Acting Commissioner clarifies the effect of 63 Pa.C.S. § 3113(f), pertaining to drug trafficking. Section 3113(f) of 63 Pa.C.S. provides that the provisions of the respective practice acts relating to felony drug convictions under The Controlled Substance, Drug, Device and Cosmetic Act (Drug Act) (35 P.S. §§ 780-101—780-144), or convictions for an offense under the laws of another jurisdiction which, if committed in this Commonwealth, would be a felony under the Drug Act, shall only apply to an individual who has been convicted of a "drug trafficking offense," as defined in 63 Pa.C.S. § 3113(i). The effect of this provision is to limit the provisions in the various practice acts that provide for a 10-year bar to licensure for individuals with felony Drug Act convictions to only those individuals convicted of offenses that are considered "drug trafficking offenses." This proposed rulemaking provides a cross reference to each licensing board's relevant statutory provision to assist applicants in determining whether this restriction may apply to a profession or occupation for which they are seeking or intend to seek licensure. The Acting Commissioner notes that some of the affected boards have determined that convictions for other violations of the Drug Act that are not considered "drug trafficking offenses" may still constitute grounds to refuse to issue, suspend or revoke a license, certificate, registration or permit and are included in the schedules of criminal offenses that are directly related to the applicable profession. These additional offenses are not subject to the 10-year bar and instead will be evaluated utilizing the two-stage analysis with consideration given to the factors in subsection (a)(3).

Next, the Acting Commissioner proposes to add § 43b.405 (relating to restricted licenses) to implement and clarify 63 Pa.C.S. § 3112 which permits the State Board of Barber Examiners and the State Board of Cosmetology (Boards) to issue restricted licenses as an alternative to refusing to issue, suspending, revoking or otherwise limiting a license as a result of a criminal conviction. This provision becomes especially relevant when an applicant for a barber or cosmetology license has been convicted of a crime of violence, and the Boards would normally be precluded from issuing a license for at least 3 years under 63 Pa.C.S. § 3113(e) and § 43b.404(c). Instead, the Boards are authorized to issue a restricted license to an applicant who meets certain

criteria set forth in § 43b.405(a)(1)—(4). The restricted license will be issued for a term of between 1 year and 2 years and will be subject to certain terms and conditions imposed by the applicable Board. The Acting Commissioner proposes to include in § 43b.405(a)(4) examples of the type of information an applicant may provide to demonstrate a commitment to living a law-abiding life as required by 63 Pa.C.S. § 3112(b)(4). Under 63 Pa.C.S. § 3112(c)(2), a Board may require the restricted license holder be "reasonably supervised" during business hours. In subsection (c)(3), the Acting Commissioner proposes to clarify that the term "reasonably supervised" means that the individual is subject to direct, on-premises supervision during regular business hours, excluding breaks. In addition, under 63 Pa.C.S. § 3112(c)(3), a Board may require that the restricted license holder notify the applicable Board of a change in supervisor "as soon as practicable." This proposed rulemaking clarifies that this notification shall be made within 10 business days to provide an objective and enforceable standard for timely notification of changes in supervision.

Subsection (d) sets forth the process for a restricted license holder to petition for termination of the period of restriction and the issuance of an unrestricted license. It clarifies that the restricted license holder must certify compliance with all conditions imposed by the applicable Board and that if a restricted license holder is subject to supervision, the restricted license holder's supervisor shall submit a letter to the applicable Board providing notice of whether the restricted license holder complied with all conditions imposed by that Board. Subsection (e) clarifies that a restricted license holder is subject to disciplinary action for violations of the applicable Board's statute or regulations and sets forth the process that is proposed to be used to implement 63 Pa.C.S. § 3112(d), pertaining to the immediate revocation of a restricted license if the restricted license holder is convicted of another offense or fails to comply with a condition imposed on the restricted license.

Finally, in addition to the schedule of sexual offenses in proposed § 43b.421 and the schedule of crimes of violence in proposed § 43b.422, the Acting Commissioner is proposing a schedule of criminal convictions that may constitute ground to refuse to issue, suspend or revoke a license, certificate, registration or permit for each of the 29 professional and occupational licensing boards and commissions in proposed §§ 43b.423—43b.451, as required by 63 Pa.C.S. § 3117. Each schedule indicates which offenses are those that the applicable licensing board or commission deems as directly related to the occupations or professions regulated by that board or commission, that is, those offenses where the nature of the criminal conduct for which the person was convicted has a direct bearing on the fitness or ability to perform one or more of the duties or responsibilities necessarily related to the profession or occupation for which the individual seeks a license, registration, certificate or permit.

Fiscal Impact and Paperwork Requirements

The only costs and additional paperwork associated with this proposed rulemaking are related to the application for a preliminary determination. The fee to apply for a preliminary determination is \$45. Individuals seeking a preliminary determination must file an application through PALS and pay the fee, or request in forma pauperis status by demonstrating that the individual is indigent or otherwise financially incapable of paying the fee. Based on data over the initial year since implementation, where 379 applications for preliminary determina-

tion were filed, the Acting Commissioner estimates these costs to be approximately \$17,055.

Sunset Date

The Acting Commissioner continuously monitors the effectiveness of the Commission's regulations. Therefore, no sunset date has been assigned.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P.S. § 745.5(a)), on November 4, 2022, the Commissioner submitted a copy of this proposed rulemaking and a copy of a Regulatory Analysis Form to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the Senate Consumer Protection and Professional Licensure Committee and the House Professional Licensure Committee. § 43b.403. Preliminary determinations.

(a) An individual who, based on a review of the "best practices guide" published on the Department's web site at www.dos.pa.gov and the schedules of criminal convictions at §§ 43b.421—43b.451 (relating to schedules of criminal convictions), is unable to determine whether the individual's criminal history would be grounds to deny the issuance of a license, certificate, permit or registration may request a preliminary determination by:

(1) Filing an application for a preliminary determination in the format and manner prescribed by the Commissioner.

(2) Providing all relevant information relating to the individual's criminal conviction or convictions, including criminal court documents, such as the criminal complaint or information, affidavit of probable cause, sentencing information and docket sheets that evidence the final disposition of the matter.

(b) The applicable licensing board or commission will issue the preliminary determination within 45 days of submission of the application.

§ 43b.404. Consideration of criminal convictions.

(a) *General rule.* Except as provided in subsections (b), (c) or (d), when determining whether an individual with a criminal conviction qualifies for a license, certificate, permit or registration, a licensing board or commission within the Bureau will engage in a two-stage analysis of an applicant's criminal conviction, as follows:

(1) *First stage.* The applicable board or commission will determine whether the individual's criminal conviction directly relates to the profession or occupation for which the individual seeks licensure by reviewing the schedules in §§ 43b.421—43b.451 (relating to schedules of criminal convictions).

(2) *Second stage—individualized assessment.* The following apply:

(i) If the individual's criminal conviction is on the applicable board's or commission's schedule, the board or commission will then determine whether licensure of the individual would pose a substantial risk to the health and safety of the individual's patients or clients or the public or a substantial risk of further criminal convictions by conducting an individualized assessment using the factors set forth in paragraph (3). If the individual was convicted of a crime that is on the applicable schedule, there shall be a rebuttable presumption that licensure of the individual would pose a risk, which may be rebutted by the individual using the factors in paragraph (3).

(ii) If the individual's criminal conviction is not on the applicable board's or commission's schedule, the board or commission will then determine whether, due to the nature of the criminal conviction, licensure of the indi-

vidual would pose a substantial risk to the health and safety of the individual's patients or clients or the public or a substantial risk of further criminal convictions. If so, the board or commission will conduct an individualized assessment using the factors set forth in paragraph (3). The individual may rebut the determination by showing evidence of rehabilitation as specified in the factors in paragraph (3).

(3) *Assessment factors.* A board or commission within the Bureau will consider the following factors in determining whether an individual with a criminal conviction qualifies for issuance of a license, certificate, permit or registration:

(i) Whether the criminal conduct for which the individual was convicted involved an act or threat of harm against the individual, including harm to the victim, the personal property of the victim or the reputation of the victim.

(ii) The facts and circumstances surrounding the criminal conviction.

(iii) The number of criminal convictions.

(iv) An increase in age or maturity of the individual since the date of the criminal conviction.

(v) The individual's criminal history, or lack of criminal history, after the date of the conviction.

(vi) Evidence of successful completion of education and training activities, including those in a county correctional facility, a facility under the Department of Corrections or a comparable facility in another jurisdiction.

(vii) References from employers or others, including personnel of the county correctional facility, a facility under the Department of Corrections or a comparable facility in another jurisdiction.

(viii) Evidence of progress in personal rehabilitation since the conviction.

(ix) Whether the individual meets all other licensing qualifications of the applicable practice act, including any examination requirements.

(x) The individual's criminal history, or lack of criminal history, after the date of the criminal conviction while engaged in the same or similar profession or occupation.

(xi) Other relevant factors regarding the fitness of the individual for licensure.

(b) *Sexual offenses.* Under 63 Pa.C.S. § 3113(d) (relating to consideration of criminal convictions), a licensing board within the Bureau may not issue a license, certificate, permit or registration or otherwise allow an individual to practice as a health care practitioner if the individual has been convicted of a sexual offense as set forth in § 43b.421 (relating to schedule of sexual offenses).

(c) *Crimes of violence.* Under 63 Pa.C.S. § 3113(e), an individual convicted of a crime of violence set forth in § 43b.422 (relating to schedule of crimes of violence) may be granted a license, certificate, permit or registration by a licensing board or commission within the Bureau if all of the following apply:

(1) If the individual was incarcerated, at least 3 years have elapsed since release from incarceration. This 3-year period will be tolled for a violation of parole.

(2) If the individual is serving or has served a sentence other than a period of confinement in a State or country correctional facility, at least 3 years have elapsed since imposition of sentence.

(3) The individual has remained conviction-free during the relevant 3-year period specified in paragraph (1) or (2), as applicable.

(4) The individual demonstrates significant rehabilitation since the criminal conviction.

(5) The licensing board or commission determines, using the factors in subsection (a)(3), except (a)(3)(viii), that licensure of the individual does not pose a substantial risk to the health and safety of the individual's patients or clients or the public or a substantial risk of further criminal convictions.

(d) *Drug trafficking offenses.*

(1) The boards listed in paragraph (2) may not grant a license, certificate, permit or registration to an individual convicted of a drug trafficking offense unless:

(i) At least 10 years have elapsed from the date of conviction.

(ii) The individual satisfactorily demonstrates to the applicable board, utilizing the factors in subsection (a)(3), that the individual has made significant progress in personal rehabilitation since the conviction such that issuance of a license, certificate, permit or registration to the individual should not be expected to create a substantial risk to the health and safety of the individual's clients or patients or the public or a substantial risk of further criminal convictions.

(iii) The individual otherwise satisfies the qualifications for the license, certificate, permit or registration sought.

(2) This subsection applies to the following licensing boards within the Bureau:

(i) The State Board of Chiropractic under section 501(a) of the Chiropractic Practice Act (63 P.S. § 625.501(a)), pertaining to requirements for licensure as a chiropractor.

(ii) The State Board of Crane Operators under section 502(c) of the Crane Operator Licensure Act (63 P.S. § 2400.502(c)), pertaining to qualifications for licensure as a crane operator.

(iii) The State Board of Dentistry under section 3(c) of the Dental Law (63 P.S. § 122(c)), pertaining to qualifications for licensure as a dentist.

(iv) The State Board of Massage Therapy under section 5(a) of the Massage Therapy Law (63 P.S. § 627.5(a)), pertaining to qualifications for licensure as a massage therapist.

(v) The State Board of Medicine under sections 13.5(a)(8) and 22(b) of the Medical Practice Act of 1985 (63 P.S. §§ 422.13e(a)(8) and 422.22(b)), pertaining to qualifications for licensure as a prosthetist, orthotist, pedorthist, orthotic fitter, physician, midwife or physician assistant.

(vi) The State Board of Nursing under section 6(c) of the Professional Nursing Law (63 P.S. § 216(c)), pertaining to qualifications for licensure as a registered nurse or dietitian-nutritionist, and section 5 of the Practical Nurse Law (63 P.S. § 655), pertaining to qualification for licensure as a practical nurse.
