§ 81.8. Penalties.

(a) Failure to comply with this chapter, after an administrative hearing as provided by statute, may subject an agent or broker to penalties provided in section 639 of The Insurance Department Act of one thousand nine hundred and twenty-one (40 P. S. § 279). Failure to comply shall be considered a separate and

distinct violation and may not prevent or be considered in lieu of a proceeding against an agent or broker for violation of section 637 or section 638 of The Insurance Department Act of one thousand nine hundred and twenty-one (40 P. S. § 277 or § 278). Failure to comply may, for purposes of section 639 of The Insurance Department Act of one thousand nine hundred and twenty-one, be considered as conduct that would disqualify an agent or broker from initial issuance of a license under section 603 and 622 of The Insurance Department Act of one thousand nine hundred and twenty-one (40 P. S. §§ 233 and 252).

(b) Failure to comply with this chapter, after an administrative hearing as provided by statute, may subject an insurance company, association or exchange, its members, officers, directors or attorney-in-fact, to penalties provided in section 350 of The Insurance Company Law of 1921 (40 P. S. § 475). Failure to comply shall be considered a separate and distinct violation and may not prevent or be considered in lieu of a proceeding against an insurance company, association or exchange, its members, officers, directors or attorney-in-fact for violation of section 347, 348 or 349 of The Insurance Company Law of 1921 (40 P. S. § 472, § 473 or § 474).

(c) In addition to subsections (a) and (b), failure to make the disclosure outlined in this chapter may be considered a violation of the Unfair Insurance Practices Act (40 P. S. §§ 1171.1—1171.15).

(d) A policyholder has the right to replace an existing policy after indicating on the application that replacement is not by intention. Patterns of replacement by policyholders of the same agent, broker or company shall be considered prima facie evidence of the knowledge of the agent, broker or company that replacement was intended in connection with the transaction. Patterns of replacement shall be considered violations of this chapter.

§ 81.9. [Reserved].

APPENDIX A
NOTICE REGARDING REPLACEMENT OF LIFE
INSURANCE AND ANNUITIES

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest, however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could (contest the policy because of a material misrepresentation or omission concerning the medical information requested in your application, or)* deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have 20 days from the date the new policy is received by you to notify us you are cancelling the policy issued on your application and you will receive back all payments you made to us.

*Use bracketed language only when the application asks health questions.

You are urged not to take action to terminate or alter your existing life insurance or annuity coverage until you have been issued the new policy, examined it and have found it acceptable to you.

**APPENDIX B
NOTICE REGARDING REPLACEMENT OF LIFE
INSURANCE AND ANNUITIES**

Definition: Replacement is any transaction where, in connection with the purchase of new insurance or annuity coverage, you lapse, surrender, convert to paid-up insurance, place on extended term, reduce benefits or term of coverage, reduce cash value or borrow all or part of the policy loan values on an existing insurance policy or annuity.

In connection with the purchase of this coverage, IF YOU HAVE REPLACED OR INTEND TO REPLACE your present life insurance or annuity coverage, you should be certain that you understand all of the relevant factors involved.

You should BE AWARE that you may be required to provide *evidence of insurability* and

(1) If your HEALTH condition has CHANGED since the application was taken on your present policies, you may be required to pay ADDITIONAL PREMIUMS under the NEW POLICY, or be DENIED COVERAGE.

(2) Your present occupation or activities *may not be covered or could require additional premiums.*

(3) The INCONTESTABLE and SUICIDE CLAUSE will begin anew in a new policy. This could RESULT in a CLAIM under the new policy BEING DENIED that would otherwise have been paid.

(4) Current law DOES NOT require your present insurer(s) to REFUND any premiums.

(5) It may be to your advantage to OBTAIN INFORMATION regarding your existing policies *from the insurer or agent from whom you purchased the policy. Your existing company will provide this information to you.*

CAUTION: If after studying the information available to you, you decide to replace your existing life insurance or annuity coverage with our policy, you are urged not to take any action to terminate or alter your existing coverage until after you have been issued the new policy, examined it and found it to be acceptable to you. If you should terminate or otherwise materially alter your existing coverage and fail to qualify for the life insurance or annuity coverage for which you have applied, you may find yourself unable to purchase other life insurance or annuity coverage or be able to purchase it only at substantially higher rates.
