Notes of Decisions*Definition Meets Statutory Requirements*

Department of Public Welfare (DPW) regulation defining personal care home did not impermissibly broaden definition of what constitutes a personal care home as set forth in the authorizing statute; regulation was within DPW's delegated powers, was not in conflict with but supplemented the enabling statute, and was rationally related to the statutory purpose. *Northern Area v. Department of Public Welfare*, 899 A.2d 1182, 1189 (Pa. Cmwlth. 2006).

§ 2600.4a. Statement of Policy—Definition of a Personal Care Home.

- (2) An independent living unit on the campus of a Continuing Care Retirement Community governed by the Continuing-Care Provider Registration and Disclosure Act (40 P.S. §§ 3201—3225), if the residents of the independent living unit receive, or have the legitimate opportunity to receive, personal care services from a home-based and community-based service provider that is not owned or controlled by, or affiliated with, the owner of the independent living unit.

Notes of Decisions*Credentialing Requirements within Scope of Statute*

Even though authorizing statute only requires a demonstration of competency in specified areas, where authorizing statute gave the Department of Public Welfare specific power to promulgate regulations to provide the "standards for knowledge, education or training" necessary to be qualified as a personal care administrator, Department's regulation requiring credentialing did not exceed scope of the authorizing statute. *Northern Area v. Department of Public Welfare*, 899 A.2d 1182, 1190 (Pa. Cmwlth. 2006).

Personal Care Standards Priority

A claim that a regulation causes increased costs that will not be reimbursed by Medicare is not a violation of due process rights or a regulatory taking; the Department of Public Welfare's regulations are promulgated based on the standards that need to be met to insure the welfare of personal care residents, not upon what the federal government decides to reimburse for those services. *Northern Area v. Department of Public Welfare*, 899 A.2d 1182, 1191 (Pa. Cmwlth. 2006).

A letter appealing the penalty shall be submitted with the assessed penalty. This process constitutes an appeal.

(b) If, through an administrative hearing or judicial review of the proposed penalty, it is determined that no violation occurred or that the amount of the penalty shall be reduced, the Secretary will, within 30 days, remit the appropriate amount to the legal entity together with interest accumulated on these funds in the escrow deposit.

(c) Failure to forward payment of the assessed penalty to the Secretary within 30 days will result in a waiver of the right to contest the fact of the violation or the amount of the penalty.

(d) After an administrative hearing decision that is adverse to the legal entity, or a waiver of the administrative hearing, the assessed penalty amount will be made payable to the "Commonwealth of Pennsylvania." It will be collectible in a manner provided by law for the collection of debts.

(e) If a home liable to pay the penalty neglects or refuses to pay the penalty upon demand, the failure to pay will constitute a judgment in favor of the Commonwealth in the amount of the penalty, together with the interest and costs that may accrue on these funds.

§ 2600.264. Use of fines.

(a) Money collected by the Department under this section will be placed in a special restricted receipt account.

(b) Money collected will be used first to defray the expenses incurred by residents relocated under this chapter.

(c) The Department will use money remaining in this account to assist with paying for enforcement of this chapter. Fines collected will not be subject to 42 Pa.C.S. § 3733 (relating to deposits into account).

§ 2600.265. Review of classifications.

(a) The Department will review the determinations of Class I, Class II and Class III violations made by the Department's personal care home regional offices.

(b) Semiannually, the Department will review the standard guidelines for the classification of violations and evaluate the use of these guidelines. This review is to ensure the uniformity and consistency of the classification process.

§ 2600.266. Revocation or nonrenewal of licenses.

(a) The Department will temporarily revoke the license of a home if, without good cause, one or more Class I violations remain uncorrected 24 hours after the home has been cited for the violation.

(b) The Department will temporarily revoke the license of a home if, without good cause, one or more Class II violations remain uncorrected 15 days after the citation.

(c) Upon the revocation of a license in the instances described in subsections (a) and (b), or if the home continues to operate without applying for a license as described in § 2600.262(h) (relating to penalties), residents shall be relocated.

(d) The revocation of a license may terminate upon the Department's determination that its violation is corrected.

(e) If, after 3 months, the Department does not issue a new license for a home, the prior license is revoked under section 1087 of the Public Welfare Code (62 P. S. § 1087).

(1) Revocation or nonrenewal under this section will be for a minimum of 5 years.

(2) A home, which has had a license revoked or not renewed under this section, will not be allowed to operate, staff or hold an interest in a home which applies for a license for 5 years after the revocation or nonrenewal.

(f) If a home has been found to have Class I violations on two or more separate occasions during a 2-year period without justification, the Department will revoke or refuse to renew the license of the home.

(g) The power of the Department to revoke or refuse to renew or issue a license under this section is in addition to the powers and duties of the Department under section 1026 of the Public Welfare Code (62 P. S. § 1026).

§ 2600.267. Relocation of residents.

(a) If the relocation of residents is due to the failure of the home to apply for a license, the Department will offer relocation assistance to the residents. This assistance will include each resident's involvement in planning the relocation, except in the case of an emergency. Each resident shall have the right to choose among the available alternatives after an opportunity to visit the alternative homes. These procedures will occur even if the residents are placed in a temporary living situation.

(b) A resident will not be relocated if the Secretary determines in writing that the relocation is not in the best interest of the resident.

§ 2600.268. Notice of violations.

(a) The administrator shall give each resident and the resident's designated person written notification of a Class I violation within 24 hours of the citation.

(b) The administrator shall give each resident and the resident's designated person oral or written notification of a Class I or Class II violation, as defined in § 2600.261 (relating to classification of violations), which remains uncorrected for 5 days after the date of citation.

(c) If a Class II violation remains uncorrected within 5 days following the citation, the administrator shall give written notice of the violation to each resident and the resident's designated person on the 6th day from the date of the citation.

(d) The Department will provide immediate written notification to the appropriate long-term care ombudsman of Class I violations, and notification of Class II violations which remain uncorrected 5 days after the date of citation.

§ 2600.269. Ban on admissions.

- (a) The Department will ban new admissions to a home:
- (1) That has been found to have a Class I violation.
 - (2) That has been found to have a Class II violation that remains uncorrected without good cause 5 days after being cited for the violation.
 - (3) Whose license has been revoked or nonrenewed.
- (b) The Department may ban new admissions to a home that has been found to have a repeated Class II violation within the past 2 years.
- (c) A ban on admissions will remain in effect until the Department determines that the home has corrected the violation, and after the correction has been made, has maintained regulatory compliance for a period of time sufficient to permit a conclusion that the compliance will be maintained for a prolonged period.

§ 2600.270. Correction of violations.

The correction of a violation cited under section 1086 of the Public Welfare Code (62 P. S. § 1086) does not preclude the Department from issuing a provisional license based upon the same violation.
