(a) A provider may include a waiver request in a petition for relief only if the regulation that is the subject of the waiver request is not a basis for an agency action involving the provider.

(b) If an agency action involving the provider depends, in whole or in part, upon the application of a regulation of the Department, a provider aggrieved by that agency action may only present a waiver request pertaining to that regulation in the context of a request for hearing filed in accordance with § 41.31 (relating to request for hearing).

(c) To the extent that the waiver sought by a provider in a petition for relief has been or could have been included in a request for hearing, the Bureau will dismiss the petition for relief.

(d) Subsections (a)—(c) supersede 1 Pa. Code § 35.18 (relating to petitions for issuance, amendment, waiver or deletion of regulations) to the extent that an appealable agency action is involved.

§ 41.42. Request for declaratory relief.

(a) A provider may include a request for declaratory relief in a petition for relief only if the relief sought by the provider would not modify or alter an agency action involving the provider.

(b) If the requested relief would modify an agency action involving the provider, the provider may only seek the relief in the context of a request for hearing filed in accordance with § 41.31 (relating to request for hearing).

(c) To the extent that a request for declaratory relief sought by a provider in a petition for relief has been or could have been included in a request for hearing, the Bureau will dismiss the petition for relief.

(d) Subsections (a)—(c) supersede 1 Pa. Code § 35.19 (relating to petitions for declaratory orders) to the extent that an appealable agency action is involved.

§ 41.43. Request for issuance, amendment or deletion of regulations.

The sole means by which a provider may formally petition the Department for the issuance, amendment or deletion of a regulation or statement of policy is by filing a petition for relief under 1 Pa. Code § 35.18 (relating to petitions for issuance, amendment, waiver or deletion of regulations).

§ 41.44. Transfer of petition for relief.

(a) If a provider filed a petition for relief prior to the date of an agency action in which it has sought relief in connection with or relating to that agency action, the provider may file a motion to have the petition for relief transferred to the Bureau and deemed a request for hearing. The motion shall be filed within the time allowed for the filing of a request for a hearing specified in § 41.32(a) (relating to timeliness and perfection of requests for hearing).

(b) Subsection (a) supersedes 1 Pa. Code § 35.17 (relating to petitions generally) to the extent that an appealable agency action is involved.

SUPERSEDEAS

§ 41.51. General.

(a) The filing of a request for hearing does not act as an automatic supersedeas. However, a provider who has filed a request for hearing may petition the Bureau to grant a supersedeas of the agency action. The Bureau may, upon good cause shown, grant a provider's petition for supersedeas in accordance with § 41.53 (relating to circumstances affecting grant or denial).

(b) A petition for supersedeas must be set forth in writing and may be filed during a provider appeal.

(c) The Bureau will not issue a supersedeas without first conducting a hearing, but a hearing may be limited under subsection (e). The Bureau, upon motion or sua sponte, may direct that a prehearing conference be held before scheduling or holding a hearing on a supersedeas.

(d) A hearing on a supersedeas, if necessary, will be held expeditiously, if feasible within 2 weeks of the filing of the petition. In scheduling the hearing the Bureau will take into account the availability of the presiding officer and program office staff and the urgency and seriousness of the problem to which the order or action of the Department applies. If good cause is shown, the hearing will be held as soon as possible after the filing of the petition.

(e) If necessary to ensure prompt disposition, and at the discretion of the Bureau, a supersedeas hearing may be limited in time and format, with parties given a fixed amount of time to present their entire case, and with restricted rights of discovery or of cross-examination.

(f) The Bureau may impose costs or other appropriate sanctions on a party that files a petition for supersedeas in bad faith or on frivolous grounds.

§ 41.52. Contents of petition for supersedeas.

(a) A petition for supersedeas must plead facts with particularity and be supported by one of the following:

(1) Affidavits prepared as specified in Pa.R.C.P. Nos. 76 and 1035.4 (relating to definitions; and motion for summary judgment), setting forth facts upon which issuance of the supersedeas may depend.

(2) An explanation of why affidavits have not accompanied the petition if no supporting affidavit is submitted with the petition for supersedeas.

(b) A petition for supersedeas must state with particularity the citations of legal authority the petitioner believes form the basis for the grant of supersedeas.

(c) A petition for supersedeas may be denied upon motion made before a supersedeas hearing or during the proceedings, or sua sponte, without hearing, for one of the following reasons:

(1) Lack of particularity of the facts pleaded.

(2) Lack of particularity or inapplicability of the legal authority cited as the basis for the grant of the supersedeas.

(3) An inadequately explained failure to support factual allegations by affidavit.

(4) A failure to state grounds sufficient for the granting of a supersedeas.

§ 41.53. Circumstances affecting grant or denial.

(a) The Bureau, in granting or denying a supersedeas, will be guided by relevant judicial precedent. Factors to be considered include the following:

(1) Irreparable harm to the provider.

(2) The likelihood of the provider prevailing on the merits.

(3) The likelihood of injury to the public or other parties.

(b) A supersedeas will not be issued if injury to the public health, safety or welfare exists or is threatened during the period when the supersedeas would be in effect. If State law or Federal law or regulation requires that an action take effect prior to the final determination of an appeal, injury to the public health, safety or welfare shall be deemed to exist.

(c) In granting a supersedeas, the Bureau may impose conditions that are warranted by the circumstances, including the filing of a bond or the posting or provision of other security.

INTERVENTION**§ 41.61. Filing of petitions to intervene.**

(a) Petitions to intervene and notices of intervention in a provider appeal may be filed following the filing of a request for hearing but in no event later than 60

days from the filing date on the provider's request for hearing, unless for extraordinary circumstances and for good cause shown, the Bureau authorizes a late filing.

§ 41.71. Answers generally.

(a) An answer to a pleading is not required.

(b) Answers to legal documents, if permitted or required by this chapter, must be filed with the Bureau within 20 days after the date of service of the legal document, unless either of the following occurs:

(1) A different period is specifically required in this chapter.

(2) For cause, the Bureau with or without motion prescribes a different time, but in no case may an answer be required in less than 10 days after the date of service.

(c) Answers must be in writing and conform to the requirements of this chapter. Answers must admit or deny in detail each material fact asserted in the legal document answered and state clearly and concisely the facts and law relied upon.

§ 41.72. Answers to petitions to intervene.

(a) A party may file an answer to a petition to intervene, and in default thereof, may be deemed to have waived an objection to the granting of the petition.

(b) Answers shall be filed within 20 days after the date of service of the petition, unless for cause the Bureau with or without motion prescribes a different time.

(c) Subsections (a) and (b) supersede 1 Pa. Code § 35.36 (relating to answers to petitions to intervene).

CONSOLIDATION, AMENDMENT AND WITHDRAWAL OF APPEALS

§ 41.81. Consolidation of provider appeals.

(a) Each provider that wishes to appeal an agency action shall file an individual request for hearing in its own name, without joining another provider.

(b) The Bureau, on timely motion, may order that a provider appeal be consolidated with one or more other provider appeals if the Bureau determines that the provider appeals in question involve substantially similar or materially related issues of law or fact and that consolidation is otherwise appropriate.

(c) Consolidation is appropriate if it will not prejudice the ability of the non-moving party to perform adequate discovery or to adequately present its claim or defense, and if it will not unduly delay the adjudication of the earlier-filed matter.

(d) A provider appeal will not be consolidated except upon motion filed by one or more parties.

(e) In addition to the general requirements for motions in §§ 41.131—41.136 (relating to motions), a motion for consolidation must include the following:

(1) Identification of the issues of law raised in each provider appeal and the extent to which each is shared or distinct.

(2) Identification of the material facts that serve as a basis for each appeal and the extent to which each of these facts is shared or distinct.

(3) Justification or advantages to support consolidation.

(f) In addition to the general requirements for answers to motions in § 41.72 (relating to answers to petitions to intervene), an answer to a motion for consolidation must explain how consolidation would, if allowed, adversely affect the nonmoving party's ability to conduct and complete discovery, or its ability to present its claims or defenses.

(g) A motion to consolidate will be considered untimely as to a provider appeal if it is filed after the date set for the conclusion of discovery in that provider appeal. An untimely motion to consolidate will only be granted with the consent of the nonmoving parties.

(h) If a provider seeks to consolidate its provider appeal with a provider appeal filed by a different provider, the motion for consolidation shall be deemed to be opposed by the other provider unless an affirmative statement to the contrary is set forth in the motion.

(i) A motion for consolidation and an answer thereto must be served on each person that is a party to the other provider appeals for which consolidation is sought.

(j) If the Bureau grants a provider's motion to consolidate, the discovery available to the providers in the consolidated appeals must, in the aggregate, comply with the limitations specified in § 41.120 (relating to limitations on scope of discovery).

(k) Subsections (a)—(j) supersede 1 Pa. Code §§ 35.45 and 35.122 (relating to consolidation; and consolidation of formal hearings).

§ 41.82. Amendments of requests for hearing.

(a) Amendments to a request for hearing will not be permitted except as specified in §§ 41.32(c) and 41.33(b) (relating to timeliness and perfection of requests for hearing; and appeals nunc pro tunc).

(b) Subsection (a) supersedes 1 Pa. Code §§ 35.48—35.50 (relating to amendments of pleadings generally; amendments to conform to the evidence; and directed amendments).

§ 41.83. Withdrawal of provider appeals.

(a) A provider may withdraw or end its provider appeal prior to adjudication by one of the following:

(1) The provider notifies the Bureau in writing that it is withdrawing its provider appeal.

(2) The parties to a provider appeal sign a written stipulation of settlement in which the provider agrees to withdraw the provider appeal.

(b) When a provider appeal is withdrawn prior to adjudication, the withdrawal shall be with prejudice, except that the appeal may be reopened if, on motion of the provider, the Bureau finds that the withdrawal of the appeal was reasonable and not done for dilatory or vexatious purposes, that the program office will not be prejudiced by the reopening, and that good cause exists for permitting the appeal to be re-opened.

(c) Unless the written notice or stipulation of settlement provides otherwise, a withdrawal of a provider appeal under this section shall be effective on the date the written notice or stipulation of settlement is received by the Bureau.

(d) Subsections (a)—(c) supersede 1 Pa. Code § 35.51 (relating to withdrawal of pleadings).

WAIVER AND EXPEDITED DISPOSITION

§ 41.91. Waiver of hearings.

A hearing need not be held if one of the following occurs:

(1) The provider waives its right to hearing.

(2) The parties stipulate to the material facts or agree to submit direct and rebuttal testimony or documentary evidence in affidavit form (sworn or affirmed on personal knowledge) or by deposition.

(3) The Bureau determines that there are no material facts in dispute.

(4) Subsections (a)—(c) supersede 1 Pa. Code § 35.101 (relating to waiver of hearing).

(b) A request for hearing in a provider appeal subject to this section shall be submitted in writing to the Bureau within the time limits specified in accordance with § 41.32(a) (relating to timeliness and perfection of requests for hearing) and include both of the following:

(1) The information specified in § 41.31(d) (relating to request for hearing).

(2) Relevant supporting documentation.

(c) The provider shall send a copy of its request for hearing to the program office issuing the notice of the agency action at the same time it files its request with the Bureau.

(d) Unless the information has already been exchanged, each party shall give to the other parties a document that it will introduce as an exhibit and a list of the persons, including medical or other experts, which it will call as a witness at the hearing.

(e) The Bureau will promptly schedule a hearing taking into due consideration the availability of expert witnesses. The Bureau will provide at least 3 weeks notice of a hearing from the date of notice.

(13) Section 41.181 (relating to posthearing briefs).

(g) Upon motion of a party, and for good cause shown, the Bureau may order that a provider appeal identified in subsection (a) be exempt from this section or

may order that one or more of the sections identified in subsection (f) apply in whole or in part to the appeal. In the case of a motion seeking an order to apply §§ 41.111—41.121 to a provider appeal identified in subsection (a), in order to show good cause, the moving party shall establish that the disclosures or discovery will not prevent the prompt and efficient adjudication of the appeal and are reasonable and necessary given the facts involved in the appeal.

(h) Upon joint motion of the parties to a provider appeal, the Bureau may order that this section applies to a provider appeal not identified in subsection (a).

(i) A motion to exempt an appeal from this section under subsection (g) and a joint motion to apply this section to an appeal under subsection (h) may be filed with the request for hearing, but shall be filed no later than 30 days from the filing date of the request for hearing in the provider appeal.

(c) The Bureau may issue subsequent prehearing orders incorporating the alternate dates and discovery limitations proposed by the parties or specifying other dates and discovery limitations that the Bureau deems appropriate, except that the Bureau will not establish dates or impose limitations that are more restrictive than the dates or limitations otherwise provided for in this chapter without the agreement of each party to the appeal.

DISCLOSURES AND DISCOVERY**§ 41.111. Disclosures.**

(a) A party to a provider appeal commenced by a request for hearing shall, without awaiting a discovery request, disclose information to each other party as specified in this section.

(b) The program office will disclose the following:

(1) The name, title, business address and telephone number of each staff person directly involved in the agency action, and, if different, the name, title, business address and telephone number of the officials or staff designated to testify on its behalf regarding the agency action and the issues on which the designated individual will testify. In the case of an audit appeal, the program office will, at a minimum, identify every auditor involved in the audit and every audit supervisor and audit manager who reviewed the audit report.

(2) A copy of, or a description by category and location of, the documents, data compilations and tangible things, not privileged or protected from disclosure, that were relied upon in issuing the agency action, or that formed the basis for the agency action.

(c) The provider shall disclose the following:

(2) A copy of, or a description by category and location of, the documents, data compilations and tangible things, not privileged or protected from disclosure, that were relied upon in drafting the request for hearing or petition for supersedeas or that support or form the basis for, the allegations contained

(a) The provider shall file its position paper and required documentation with the Bureau and serve it on the program office within 60 days of the close of discovery or another date as may be specified in the Bureau's prehearing order. should be considered denied unless the Bureau affirmatively grants the extension in writing before the papers are due.

That position paper will conform to § 41.113 (relating to content of provider position paper), except § 41.113(b)(3)—(5). If the program office fails to timely file its initial position paper and required documentation with the Bureau, the Bureau will affirm the provider's appeal as to those issues on which the program office bears the burden of proof, unless the program office shows good cause for its noncompliance. Once that program office's initial position paper has been filed, the provider shall file its position paper, which shall address all issues raised in the provider's request for hearing, including those on which it bears the burden of proof. § 41.120. Limitations on scope of discovery.

(a) In addition to the general limitation on the scope of discovery and deposition in Pa.R.C.P. No. 4011 (relating to limitation of scope of discovery and deposition), the following limitations on discovery apply:

(1) Interrogatories to a party, as a matter of right, may not exceed ten in number. Interrogatories inquiring as to the names and locations of witnesses, or the existence, location and custodian of documents or physical evidence each will be construed as one interrogatory.

(i) Other interrogatories, including subdivisions of one numbered interrogatory, will be construed as separate interrogatories.

(ii) If counsel for a party believes that more than ten interrogatories are necessary, counsel shall consult with opposing counsel promptly and attempt to reach a written stipulation as to a reasonable number of additional interrogatories.

(iii) Counsel are expected to comply with this requirement in good faith. If the parties cannot agree on a written stipulation, the Bureau, upon motion of a party, may permit the party to serve additional interrogatories if the party establishes to the Bureau's satisfaction that additional interrogatories are reasonable and necessary in light of the particular facts involved and that they will not prevent the prompt and efficient adjudication of the provider appeal.

(2) Request for admissions to a party, as a matter of right, will not exceed ten in number.

(i) Requests for admissions, including subdivisions of one numbered request, will be construed as a separate request.

(ii) If counsel for a party believes that more than ten requests for admission are necessary, counsel shall consult with opposing counsel promptly and attempt to reach a written stipulation as to a reasonable number of additional requests.

(iii) Counsel are expected to comply with this requirement in good faith. If the parties cannot agree on a written stipulation, the Bureau, upon motion of a party, may permit the party to serve additional requests for admission if the party establishes to the Bureau's satisfaction that additional requests for admission are reasonable and necessary in light of the particular facts involved and that they will not prevent the prompt and efficient adjudication of the provider appeal.

(3) Depositions, as a matter of right, may not exceed three in number.

(i) A deposition of a person will not be permitted if the person has already been deposed in the appeal.

(ii) If counsel for a party believes that more than three depositions or that the deposition of a person who has already been deposed are necessary, counsel shall consult with opposing counsel promptly and attempt to reach a written stipulation as to a reasonable number of additional depositions.

(iii) Counsel are expected to comply with this requirement in good faith. If the parties cannot agree on a written stipulation, the Bureau, upon motion of a party, may permit the party to take additional depositions if the party establishes to the Bureau's satisfaction that additional depositions are reason-

able and necessary in light of the particular facts involved and that they will not prevent the prompt and efficient adjudication of the provider appeal.

(b) Unless the Secretary has been identified as a witness by the program office, a party may not depose the Secretary.

(c) Unless a senior Department official has been identified as a witness by the program office or agrees to submit to a deposition, a party may not depose a senior Department official regardless of the number of depositions taken, except that the Bureau, upon motion of a party, may permit the party to depose a senior Department official if the party establishes to the Bureau's satisfaction that the following apply:

(1) The senior Department official was personally involved in the disputed agency action.

(2) The deposition of the senior Department official is reasonable and necessary in light of the particular facts involved and will not prevent the prompt and efficient adjudication of the provider appeal.

(d) The Bureau may issue protective orders limiting or precluding discovery in accordance with subsections (a)—(c) or as specified in Pa.R.C.P. No. 4012 (relating to protective orders).

(e) Subsections (a)—(d) supersede 1 Pa. Code §§ 35.145—35.152 as the sections relate to discovery only.

§ 41.121. Timing and sequence of discovery.

Unless the Bureau upon motion, for the convenience of parties and witnesses and in the interest of justice, orders otherwise, methods of discovery may be used regardless of sequence, and the fact that a party is conducting discovery, whether by deposition or otherwise, does not operate to delay another party's discovery.

§ 41.123. Signing of disclosures, discovery requests, responses and objections.

(a) Every disclosure shall be signed by at least one attorney of record in the attorney's individual name, whose address shall be stated. An unrepresented party shall sign the disclosure and state the party's address. The signature of the attorney or party constitutes a certification that to the best of the signer's knowledge, information, and belief, formed after a reasonable inquiry, the disclosure is complete and correct as of the time it is made.

(b) Every discovery request, response or objection made by a party represented by an attorney shall be signed by at least one attorney of record in the attorney's individual name, whose address shall be stated. An unrepresented party shall sign the request, response, or objection and state the signer's address.

(c) The signature of the attorney or party constitutes a certification that to the best of the signer's knowledge, information and belief, formed after a reasonable inquiry, the request, response or objection is:

(1) Consistent with this chapter and warranted by existing law or a good faith argument for the extension, modification or reversal of existing law.

(2) Not interposed for an improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

(3) Not unreasonable or unduly burdensome or expensive, given the needs of the case, the discovery already had in the case, the amount in controversy, and the importance of the issues at stake in the litigation.

(d) If a request, response or objection is not signed, it will be stricken unless it is signed promptly after the omission is called to the attention of the party making the request, response or objection, and a party will not be obligated to take action with respect to it until it is signed.

(e) If without substantial justification a certification is made in violation of this section, the Bureau, upon motion or upon its own initiative, will impose upon the individual who made the certification, the party on whose behalf the disclosure, request, response or objection is made, or both, an appropriate sanction, which may include an order to pay the amount of the reasonable expenses incurred because of the violation, including reasonable attorney fees.

(a) The initial posthearing brief of each party must be as concise as possible and may not exceed 50 pages. An initial posthearing brief must contain proposed findings of fact, with references to the appropriate exhibit or page of the transcript, an argument with citation to supporting legal authority and proposed conclusions of law.

(b) The provider shall file its initial posthearing brief first and within the time specified by the presiding officer, which may not be less than 30 days from the closing of the record unless the provider consents to a shorter period of time. AGENCY ACTION

§ 41.191. Determinations and recommendations by the Bureau.

(a) The Bureau will conduct a de novo review of the factual and legal issues that are timely raised and properly preserved in a provider appeal. Except as provided in subsection (b), the Bureau will issue a determination adjudicating the contested issues of law and fact within its jurisdiction, and issue an appropriate order, decree or decision.

(b) If a request for hearing includes a waiver request, the Bureau will make a written recommendation for consideration by the Secretary proposing that the waiver be either granted or denied and stating the Bureau's reasoning in support of its position. If the request for hearing raises factual and legal issues in addition to the waiver request, the Bureau will issue its written recommendation together with its final determination adjudicating the remaining factual and legal issues, as specified in subsection (c). If the request for hearing does not raise other issues, the Bureau's written recommendation on the waiver request will be issued within the time limits and served on the parties as specified in subsection (c).

(c) The Bureau will issue a determination in a provider appeal within 30 days of the filing of the posthearing briefs, or, if the parties waive the filing of posthearing briefs, within 30 days of the close of the record or receipt of the transcript, whichever is later. The Bureau will serve a copy of its determination on the parties to the proceeding or their representatives.

(d) A party aggrieved by a determination of the Bureau may request the Secretary to review the determination under § 41.212 (relating to review of Bureau determinations). For purposes of this section, a program office will be deemed to be aggrieved if the Bureau determination does one or more of the following:

- (2) Interprets a statute, regulation, statement of policy or bulletin applied by the program office in a manner inconsistent with the interpretation of that office.
- (3) Alters a policy of the program office or purports to impose a new or different rule or policy on the program office.

REOPENING OF RECORD**§ 41.201. Reopening of record prior to adjudication.**

(a) After the conclusion of the hearing on the merits and before the Bureau issues an adjudication, the Bureau, upon its own motion or upon a motion filed by a party, may reopen the record as provided in this section.

(b) The record may be reopened upon the basis of recently discovered evidence when each of the following circumstances are present:

(1) Evidence is discovered that conclusively establishes a material fact of the case or that contradicts a material fact that had been assumed or stipulated by the parties to be true.

(2) Evidence is discovered after the close of the record and could not have been discovered earlier with the exercise of due diligence.

(3) Evidence is not cumulative.

(c) The record may also be reopened to consider evidence that has become material as a result of a change in legal authority occurring after the close of the record. A motion to reopen the record on this basis must specify the change in legal authority and demonstrate that it applies to the matter pending before the Bureau. The motion need not meet the requirements of subsection (d)(2) and (3).

(d) A motion seeking to reopen the record must:

(1) Identify the evidence that the moving party seeks to add to the record.

(2) Describe the efforts that the moving party had made to discover the evidence prior to the close of the record.

(3) Explain how the evidence was discovered after the close of the record.

(e) A motion filed under subsection (b) must be verified and motions to reopen must contain a certification by counsel that the motion is being filed in good faith and not for the purpose of delay. The motion shall be served upon the parties to the proceedings.

(f) Upon written request or motion to the Bureau or sua sponte by the Bureau, the parties will be afforded the opportunity to file amended pleadings and position papers, if the Bureau orders that the record be reopened. The additional pleadings and position papers will be due to the Bureau as ordered by the presiding officer.

(g) Subsections (a)—(f) supersede 1 Pa. Code §§ 35.231 and 35.232 (relating to reopening on application of party; and reopening by presiding officer).

RECONSIDERATION AND REVIEW BY THE SECRETARY**§ 41.211. Reconsideration of interlocutory orders.**

(a) A motion for reconsideration by the Secretary of an interlocutory order or ruling of the Bureau must be filed within 10 days of the order or ruling. The petition must demonstrate that extraordinary circumstances justify immediate consid-

eration of the matter by the Secretary. A party may file a memorandum of law at the time the motion or response is filed.

(b) A copy of the motion shall be served upon the parties. A party wishing to file an answer may do so within 10 days of service or as ordered by the Bureau or the Secretary.

(c) The failure of a party to file a motion under this section will not result in a waiver of an issue.

(d) Subsections (a)—(c) supersede 1 Pa. Code § 35.241 (relating to application for rehearing or reconsideration).

§ 41.212. Review of Bureau determinations.

(a) A determination of the Bureau will be deemed the final adjudication of the Department effective upon expiration of the 30-day time period specified in subsection (b) unless an aggrieved party requests review by the Secretary within that 30-day time period.

(b) A request for review shall be filed within 30 days of the mailing date of the Bureau determination. An untimely request for review will be dismissed as of course unless the filing party can satisfy the requirements of § 41.33 (relating to appeals nunc pro tunc).

(c) A request for review must be in writing, state concisely the alleged errors in the Bureau determination and identify the particular relief sought. If the party requesting review is seeking relief by reason of matters that have arisen since the hearing and Bureau determination, or by reason of a matter that would arise from compliance with the Bureau determination, the party shall specifically identify those matters in its request.

(d) If an aggrieved party timely requests review of a Bureau determination, the Secretary may enter an order granting or denying the request for review within 30 days of receipt of the request. No party has a right to have a Bureau determination reviewed by the Secretary, but only a right to request this review. The decision to grant or deny a request lies within the discretion of the Secretary.

(e) If the Secretary enters an order denying a request for review within 30 days of receipt of the request, the Bureau's determination will be deemed the final adjudication of the Department effective on the date of the order denying the request for review.

(f) If the Secretary fails to act on a request for review within 30 days of receipt of the request, the request for review will be deemed denied. The Bureau's determination will be deemed the final adjudication of the Department effective on the date on which the request for review is deemed denied.

(g) Answers to a request for review will not be considered by the Secretary unless the Secretary has granted review. If, and to the extent the Secretary has

granted review, a response in the nature of an answer may be filed by a party, other than the party requesting review. The response must be confined to the issues upon which the Secretary has granted review.

(h) If the Secretary grants review, the Secretary will enter a final order within 180 days of the date of the order granting review. The final order may affirm, reverse or modify the findings of fact, conclusions of law or the relief set forth in the Bureau's determination, and may, to promote fairness and the proper administration of the MA Program, waive compliance with program requirements.

(i) If the Secretary fails to act within 180 days of the order granting review, the determination of the Bureau will be deemed approved by, and the final order of, the Secretary effective the date it is deemed approved.

(b) A party to the provider appeal in which the Bureau's recommendation was issued may file a brief with the Secretary setting forth its position regarding the recommendation at the same time the party requests review of the Bureau's related determination under § 41.212 (relating to review of Bureau determinations) or, if the party is not seeking review of the Bureau's determination, within 30 days of the date of the mailing date of the Bureau recommendation.

(c) A brief supporting or opposing the Bureau's recommendation must state concisely the reasons for the party's position on the recommendation, set forth proposed findings of fact and conclusions of law for consideration by the Secretary and specify what relief should be granted or denied by the Secretary. (1) If review is granted under § 41.212, the date on which the Secretary issues a final order.

(2) If review is not granted under § 41.212, 180 days from the date of receipt of the written recommendation.

(e) If the Secretary does not issue a final order regarding a recommendation issued under § 41.191(b) within the time frames specified in subsection (d), the recommendation of the Bureau will be deemed adopted by, and the final order of, the Secretary effective the date it is deemed adopted.
