§ 135.41. State game lands.

(a) *Restrictions limited.* The following exceptions to § 135.2 (relating to unlawful actions) pertain to lands and waters designated as State game lands:

- (1) Mushrooms and fruits of berry-producing plants may be picked.
- (2) Small open fires for cooking or warming purposes may be kindled, used and maintained by persons exercising the privileges of a valid hunting, furtaking or fishing license and through hikers within the corridor of the Appalachian Trail as is defined in § 135.42 (relating to Appalachian Trail). This exception to the prohibition on fires in § 135.2(8) is applicable only when the small fires are located at places where adequate precautions are taken to prevent the spread of fire and the small fires are attended at all times and completely extinguished before leaving the sites of the fires. This exception does not apply when the fire index rating used by the Department of Conservation and Natural Resources is high, very high or extreme for that area. A person causing a wildfire, in addition to possible criminal penalty, is liable for all damages, cost of extinguishing and fines.
- (3) Snowmobiles, as defined in 75 Pa.C.S. § 7702 (relating to definitions) may be driven beginning on the third Sunday in January through April 1 on designated areas, roads and trails marked with appropriate signs, so long as

(b) *Closure of game lands.*

(1) When the threat of forest fires exists, the Director has emergency authority to restrict the use of smoking materials on State game lands or to close State game lands to hunting, trapping, fishing, recreational use and other activity which may be or become detrimental to those lands or the flora or fauna thereon until the Director removes the restrictions. Emergency restrictions or closures will be announced to the news media.

(2) The Director has the authority to close State game lands or portions thereof, to recreational or other uses, when the specified uses may be or have become detrimental to those lands or the flora or fauna thereon, or where the uses conflict with legal hunting, furtaking or fishing activities or the Commission's management or administration of State game lands. The closure may be seasonal or year-round and shall remain in effect until the Director removes the restrictions.

(3) It is unlawful to violate restrictions or closure placed on these lands by the Director.

(c) *Additional prohibitions.* In addition to the prohibitions contained in the act pertaining to State game lands and § 135.2, except with the written permission of the Director, it is unlawful to:

- (i) Use may not cause damage to trees.
- (ii) Except as provided in subparagraph (iii), overnight placement of portable hunting blinds or stands may not occur sooner than 2 weeks prior to the opening of the first deer season nor later than 2 weeks after the close of the last deer season within each wildlife management unit.
- (iii) Overnight placement of portable hunting blinds is additionally permitted during the spring turkey season within each wildlife management unit.
- (iv) Portable hunting blinds or stands placed under subparagraph (ii) or (iii) must be conspicuously marked with a durable identification tag that legibly sets forth in the owner's first name, last name and legal home address in English or must bear a number issued by the Commission for this purpose.

The material shall be worn so it is visible in a 360° arc. Persons using shooting ranges are exempted from this requirement.

(22) Shoot clay birds anywhere except areas designated by the Director by signs stating that clay bird shooting is permitted.

(23) Operate, control, retrieve or launch an unmanned aerial vehicle of any size, design or specification on or from lands or waters designated as State game lands. (e) *Unclaimed permits.* If one or more successful applicants cancels or fails to appear for check-in by 1/2 hour prior to open hunting hours on the scheduled date and time for their hunting or trapping opportunity for any controlled hunt that requires in-person check-in, the Commission may void the issued access permits and conduct a random drawing to reassign unclaimed access permits. If the Commission determines that a drawing to reassign unclaimed access permits is necessary, a drawing will be conducted using the same or substantially equivalent random selection process used in the original drawing until all openings are filled. The Commission will conduct unclaimed access permit drawings immediately prior to the opening of lawful hunting hours on the day of the scheduled hunt.

Values for timber or areas not originally assessed but damaged during the construction process, may be assessed at any time and billed to the licensee.

(c) *Multiple assessment*. Both surface damage assessments and timber damage assessments will be charged.

§ 135.225. Annual fees and security requirements.

(a) *License fee.* The Commission will negotiate charges and fees as it deems conditions and circumstances warrant, with an assessed minimum annual license fee consisting of an areal minimum of \$200 per acre or partial acre impacted, prorated for every acre over 1, plus a linear minimum of 5¢ per foot. Rates and fees established may be adjusted annually in accordance with the Consumer Price Index (CPI) of the immediately preceding license year.

(b) *Late fees.* Late fees may be assessed in accordance with Commonwealth or Commission policies, or regulations governing late payments.
