Notes of Decisions

It is unreasonable to arbitrarily set a referee’s fee at intermission of a wrestling match even though the Athletic Commission is empowered to set referee’s fees that are reasonable and equitable in view of the circumstances of the event. *Tattie v. State Athletic Commission*, 521 A.2d 970 (Pa. Cmwlth. 1987).

Although there is no legislative mandate to promulgate regulations setting forth a fee schedule for referees, a regulation requiring fees to be reasonable and equitable in view of the circumstances of the event prohibits the setting of a fee at intermission of a match based on arbitrary reasons, and

Commission may not revoke a promotor's license for failure to pay such an arbitrary fee. *Tattrie v. State Athletic Commission*, 521 A.2d 970 (Pa. Cmwlth. 1987).

The fact that the State wrestling bout regulations are not always followed at professional wrestling matches does not deprive the Commission of jurisdiction over the matches. *Tattrie v. State Athletic Commission*, 521 A.2d 970 (Pa. Cmwlth. 1987).

§ 31.21. Conduct of contests.

(a) Before a professional wrestling contest or exhibition can take place the following requirements shall be met:

(2) An ambulance or paramedical unit shall be present at the event unless the ambulance or paramedical unit is located within 5 miles of the arena and these units have been notified, by the promoter, that an event is taking place.

(3) Adequate security shall be employed to control the public. The size of the security force is at the discretion of the promoter and the owner or operator of the arena.

(b) The following represent prohibited acts:

(1) The owner or operator of an arena where a professional wrestling event takes place may not destroy a ticket or ticket stub until 3 months after the date of the event.
