§ 303a.1. Preliminary provisions.

(a) *Authorization for adoption of guidelines.*

(1) *Adoption of guidelines for sentencing and probation.* As authorized by 42 Pa.C.S. § 2154 (relating to adoption of guidelines for sentencing), the Commission shall adopt guidelines for sentencing within the limits established by law which shall be considered by the sentencing court in determining the appropriate sentence for persons who plead guilty or nolo contendere to, or who were found guilty of, felonies and misdemeanors.

(i) In adopting guidelines, the Commission shall recommend confinement that is consistent with the protection of the public, the gravity of the offense as it relates to the impact on the life of the victim and the community and the rehabilitative needs of the person.

(ii) The guidelines shall address the following retributive factors:

(A) Seriousness of the offense, by specifying the range of sentences applicable to crimes of a given degree of gravity.

(B) Criminal history, by specifying a range of sentences of increased severity or intensity of intervention for persons previously convicted of or adjudicated delinquent for one or more misdemeanor or felony offenses committed prior to the current offense. The Commission may exclude or reduce the valuation of less serious offenses and increase the valuation of offenses committed while under supervision or in a temporal or offense pattern.

(C) Criminal behavior, by specifying a range of sentences of increased severity or intensity of possessed intervention for persons with increased culpability, including those who possessed or used a deadly weapon or inflicted substantial harm during the commission of the current conviction offense.

(D) Aggravated and mitigated ranges, by specifying variations from the range of sentences applicable on account of aggravating or mitigating circumstances.

(E) The impact of any amendments to 42 Pa.C.S. § 9756 (relating to sentence of total confinement).

(iii) The guidelines shall include the following risk-related adjustments:

(A) Incapacitation of serious violent persons.

(B) Modifications to criminal history to reflect risk to reoffend and substantial risk to public safety to adjust the length of total confinement for more serious criminal history.

(iv) The guidelines shall address the use of county intermediate punishment programs as restrictive conditions of probation and the duration of terms of probation.

(v) The guidelines shall include interactive information to support decisions with risk and recidivism information.

(2) *Adoption of guidelines for restrictive conditions and certification of compliance.* As authorized by 42 Pa.C.S. § 2154.1 (relating to adoption of guidelines for restrictive conditions), the Commission shall adopt guidelines to identify persons who would be eligible and appropriate for restrictive conditions of probation. These guidelines shall be considered by the sentencing court in determining whether to impose restrictive conditions pursuant to 42 Pa.C.S. § 9763 (relating to conditions of probation).

(i) The guidelines shall give primary consideration to reducing recidivism for the protection of the public safety.

(ii) The Commission shall certify compliance by each county with guidelines adopted by the Commission for county intermediate punishment or for imposing restrictive conditions of probation, and with related statutory requirements and 42 Pa.C.S. § 9728(g.1) (relating to collection of restitution, reparation, fees, costs, fines and penalties), and report the results to the Pennsylvania Commission on Crime and Delinquency.

(3) *Adoption of guidelines for fines, other economic sanctions, and community service.* As authorized by 42 Pa.C.S. § 2154.3 (relating to adoption of guidelines for fines), the Commission shall adopt guidelines for fines or other lawful economic sanctions, within the limits established by law, which shall be considered by the sentencing court in determining the appropriate sentence for persons who plead guilty or nolo contendere to or who are found guilty of felonies and misdemeanors. The guidelines shall do all of the following:

(i) Specify the range of fines or other lawful economic sanctions, applicable to crimes of a given degree of gravity.

(ii) Specify a range of fines or other lawful economic sanctions of increased amount for persons previously convicted or adjudicated delinquent for one or more misdemeanor or felony offenses committed prior to the current offense. For purposes of this paragraph, the term “previously convicted or adjudicated delinquent” shall include any finding of guilt or adjudication of delinquency whether or not sentence has been imposed or disposition ordered prior to the commission of the current offense.

(iii) Prescribe variations from the range of fines applicable on account of aggravating or mitigating circumstances.

(iv) Prescribe community service alternatives which may be imposed in lieu of all or part of the fines where the sentencing court finds the person lacks the ability to pay all or part of the fine.

(b) *Authorized dispositions.*

(1) The guidelines include recommendations regarding the type of disposition, referred to as sentencing alternatives; the duration of confinement and/or community supervision; the intensity of conditions; and the requirements associated with restitution and other economic sanctions.

(2) *Sentencing alternatives.* As provided in 42 Pa.C.S. Chapter 97 (relating to sentencing), courts shall consider and select one or more of the alternatives authorized by 42 Pa.C.S. § 9721 (relating to sentencing generally) when determining the sentence to impose. For purposes of the guidelines, the Commission has grouped these alternatives into four categories based on the increasing severity of the sanction to promote proportionality in sentencing.

A standard range recommendation represents the typical sentence for the typical circumstance; for sentences imposed in the mitigated or aggravated range, and for departures from the guidelines, courts are required to report reasons for the sentence.

“POG—prior offense group.” Classification of previous adjudication and conviction offenses based on seriousness used to determine the prior record score. There are four groups, POG1 through POG4, with POG1 being the least serious previous offenses and POG4 being the most serious previous offenses.

“PRS—prior record score.” A category in the sentencing guidelines reflecting the seriousness of the criminal history of a person, based on certain previous juvenile adjudications and/or convictions. There are five PRS categories, PRS 0 through PRS 4.

“Prior adjudication.” A previous offense for which the commission of the offense and the adjudication of delinquency for the offense occurred prior to the commission of the current conviction offense.

“Prior conviction.” A previous offense for which the commission of the offense and the conviction for the offense occurred prior to the commission of the current conviction offense.

“RS—restorative sanctions.” Non-confinement and limited supervision sentencing alternatives and penalties, such as determination of guilt without further penalty, restitution, fines, community service and administrative probation.

“SID—state identification number.” A unique number associated with each person based on fingerprints.

“School zone.” Within 250 feet of the real property on which is located a public or private elementary or secondary school.

“Sentencing guidelines.” Sentencing guidelines include offense-specific sentence recommendations, which must be considered by the court, and judicial proceeding considerations, which may be considered by the court. Determination of conformity to the sentencing guidelines, based on whether a sentence is imposed within one of the three ranges (i.e., standard, aggravated, mitigated), or is a departure from the guidelines (i.e., disposition and/or duration outside of the ranges or failing to follow procedures), only applies to the offense-specific recommendation.

“Sentencing guidelines application.” A JNET web-based application developed and operated by the Commission and required to be used for the preparation of sentencing guidelines, sentence risk assessment instruments, and resentencing guidelines, and for the electronic reporting of all required information to the Commission.

“Sentencing levels.” Categories associated with recommended dispositions and durations, based on the combination of the offense gravity score and prior record score. There are eight sentencing levels (Level A—Level H).

“*Serious bodily injury.*” Bodily injury which creates a substantial risk of death, or which causes serious, permanent disfigurement, or protracted loss or impairment of the function of any bodily member or organ.

“*Serious crimes.*” Except for crimes of violence, an adjudication or conviction for any felony of the first degree or felony of the second degree, or an adjudication or conviction for a felony of the third degree or misdemeanor of the first degree as provided in the following: 18 Pa.C.S. Part II, Article B (relating to offenses involving danger to the person), 18 Pa.C.S. Chapter 61-A (relating to Uniform Firearms Act), and 42 Pa.C.S. § 9799.14.

“*Statutory limit.*” The longest minimum term of confinement permitted by law, which is one-half the statutory maximum.

“*Statutory maximum.*” The maximum period of confinement or of probation authorized for the disposition of a person, as provided in 18 Pa.C.S. Chapter 11 (relating to authorized disposition of offenders).

§ 303a.2. Guideline sentencing standards.

(a) *General provisions.*

(1) The court shall consider the sentencing guidelines in determining the appropriate sentence for persons convicted of, or pleading guilty or nolo contendere to, felonies and misdemeanors. Where crimes merge for sentencing purposes, the court shall consider the sentencing guidelines only on the offense assigned the higher offense gravity score.

(2) The sentencing guidelines do not apply to sentences imposed as a result of the following: accelerated rehabilitative disposition; disposition in lieu of trial; direct or indirect contempt of court; violations of protection from abuse orders; revocation of probation, except as provided in 204 Pa. Code Chapters 307 and 307a (relating to resentencing guidelines for 7th edition sentencing guidelines; and resentencing guidelines for 8th edition sentencing guidelines); or revocation of parole, except as provided in Chapter 311 (relating to State parole recommitment ranges).

(3) The sentencing guidelines shall apply to all offenses committed on or after the effective date of the guidelines. Editions or amendments to the sentencing guidelines shall apply to all offenses committed on or after the effective date of the edition or amendment to the guidelines.

(i) The effective date of the initial sentencing guidelines and effective dates of editions and amendments to the sentencing guidelines are provided in § 303a.8 (relating to effective dates of sentencing guidelines editions).

(ii) On October 7, 1987, the Pennsylvania Supreme Court invalidated the sentencing guidelines due to a procedural error that occurred in 1981,

when the General Assembly rejected the initial sentencing guidelines adopted by the Commission. As a result, sentencing guidelines adopted prior to April 25, 1988, were declared by the Court to be of no force.

(iii) For offenses committed on multiple dates, the guidelines shall be applied based on the date of each offense and the effective date of the editions or amendments to the guidelines. If the specific dates of the offenses cannot be determined, the later date shall be used to determine the applicable edition or amendment of the sentencing guidelines.

(4) In every case in which a court of record imposes a sentence for a felony or misdemeanor, the court shall make as a part of the record and disclose in open court at the time of the sentencing a statement of the reason or reasons for the sentence imposed. In every case in which a court of record imposes a sentence or resentence in the aggravated or mitigated range, or imposes a sentence that is a departure from the guidelines, the court shall report the reason or reasons for the deviation from the standard range of the guidelines to the Commission.

(b) *Procedures at sentencing.*

(1) Determine the guideline sentence recommendations for each offense in the judicial proceeding:

(i) Determine the offense gravity score for each conviction offense as described in § 303a.3 (relating to offense gravity score).

(ii) Determine the corresponding prior record score as described in § 303a.4 (relating to prior record score).

(iii) Determine the offense-specific sentence recommendations as described in § 303a.5 (relating to offense-specific sentence recommendations).

(2) Review the offense-specific sentence recommendations and the judicial proceeding considerations prior to the imposition of sentence:

(i) Offense-specific sentence recommendations, as provided in § 303a.5, and aggravating and mitigating circumstances, as provided in § 303a.6 (relating to aggravated and mitigated circumstances), shall be considered by the court for every conviction offense.

(ii) Judicial proceeding considerations, as provided in § 303a.7 (relating to judicial proceeding considerations), addressing the imposition of concurrent or consecutive sentences and the authorization of any sentencing or correctional programs based on the aggregate sentence, may be considered by the court when determining the sentence imposed during the judicial proceeding.

(3) Report the sentence(s) and reasons as required using the Commission's sentencing guidelines application.

(c) *Reporting information to the Commission.*

(1) As authorized by 42 Pa.C.S. § 2153(a)(14) (relating to powers and duties of commission) and as required by 42 Pa.C.S. § 9721(b) (relating to

sentencing generally), a court of record shall submit required guidelines and sentencing information to the Commission for each conviction offense and for the judicial proceeding.

(2) The full submission of data to the Commission, and certification of compliance with guidelines and with the county's intermediate punishment plan for imposing restrictive conditions, is required by the act of December 18, 2019 (P.L. 771, No. 114) and 42 Pa.C.S. § 2154.1(b) (relating to adoption of guidelines for restrictive conditions).

(3) Unless otherwise provided by the Commission, the Commission's JNET-based sentencing guidelines application shall be used at the court's direction to prepare the guideline sentence form for each conviction offense, and the sentence guideline form for any resentencing for a revocation of probation, as provided in Chapters 307 and 307a.

(4) Following imposition of the sentence, a completed guideline sentence form, including the SID, the sentence imposed, reasons for deviation from the standard range of the sentencing guidelines, and all required guidelines and sentencing information for each conviction offense and for the judicial proceeding, shall be made a part of the record, and the information electronically submitted to the Commission using the Commission's sentencing guidelines application no later than 30 days after the date of sentencing.

(5) Following revocation of probation and resentencing, a completed guideline sentence form, including the SID, the resentencing imposed, reasons for deviation from the standard range of the resentencing guidelines, and all required guidelines and resentencing information, including information from the completed sentence guideline form associated with the initial order of probation, shall be made a part of the record, and the information electronically submitted to the Commission using the Commission's sentencing guidelines application no later than 30 days after the date of resentencing.

§ 303a.3. Offense gravity score.

(a) *General provisions.*

(1) The OGS measures the seriousness of the current conviction offense and is the primary determinant of the guideline sentence recommendation. An OGS is assigned to each conviction offense, based on the elements of the offense and the classification of the crime. There are 30 general OGS categories, with another eight OGS categories limited to assignments for murder.

(2) *Subcategorized offenses.* Certain conviction offenses are subcategorized and may be assigned more than one OGS based on the presence of specific sentencing factors determined by the court at sentencing and/or mandatory minimum sentencing provisions. Subcategorized offenses are included in the

offense listings in §§ 303a.9 and 303a.10 (relating to offense listing (OGS/POG assignments); and BUI/DUI offense listing (OGS/POG assignments)) and designated by an asterisk.

(3) Assignments for specific offense categories:

(i) *Inchoate offenses.* Inchoate offenses are scored as follows:

(A) Except as provided for inchoates to murder, convictions for attempt, solicitation or conspiracy to commit a Felony 1 offense receive an OGS of one point less than the offense attempted, solicited, or which was the object of the conspiracy.

(B) Convictions for attempt, solicitation, or conspiracy to commit any offense which is not a Felony 1 offense, receive the OGS of the offense attempted, solicited or which was the object of the conspiracy.

(C) Convictions for attempt, solicitation or conspiracy to commit any offense under The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. §§ 780-101—780-144) receive the OGS of the offense attempted, solicited or which was the object of the conspiracy.

(ii) *Offenses with classifications associated with underlying offenses.*

(A) Convictions for Ethnic Intimidation (18 Pa.C.S. § 2710 (relating to ethnic intimidation)), Terrorism (18 Pa.C.S. § 2717 (relating to terrorism)), Ecoterrorism (18 Pa.C.S. § 3311 (relating to ecoterrorism)), and other offenses for which the grade is classified one degree higher than the underlying offense are assigned an OGS two points higher than the OGS of the underlying offense but cannot exceed OGS 30.

(B) Convictions for Obstruction of Justice (18 Pa.C.S. § 3016 (relating to obstruction of justice)), Unlawful Contact with Minor (18 Pa.C.S. § 6318 (relating to unlawful contact with minor)), and other offenses for which the grade is classified the same as an associated or underlying offense are assigned the same OGS as the associated or underlying offense, unless otherwise provided.

(iii) *Violations of The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. §§ 780-101—780-144).*

(A) If any mixture or compound contains any detectable amount of a controlled substance, the entire amount of the mixture or compound shall be deemed to be composed of the controlled substance. If a mixture or compound contains a detectable amount of more than one controlled substance, the mixture or compound shall be deemed to be composed entirely of the controlled substance with the highest OGS.

(B) *Exception for prescription pills.* For violations of section 13(a)(12), (a)(14) and (a)(30) of The Controlled Substance, Drug, Device and Cosmetic Act involving narcotic prescription pills of Schedule II, when both the weight and the number of pills are known, the higher OGS assignment applies.

(C) *Subcategorization.* OGS assignments for violations of section 13(a)(12), (a)(14) and (a)(30) of The Controlled Substance, Drug, Device and Cosmetic Act are subcategorized based on the type and quantity of the controlled substance, and the statutory maximum of the controlled substance, including the applicability of section 14 or section 15 of The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. § 780-114 or § 780-115).

(4) *Omnibus offense gravity score.* The omnibus OGS, as provided in § 303a.11 (relating to omnibus OGS tables), is assigned based on the grade of the conviction offense and/or a mandatory minimum requirement, and applies to any offense not listed in § 303a.9 or § 303a.10. As provided below, the omnibus OGS may apply to new or amended sections of statute enacted by the General Assembly.

(i) Three omnibus OGS tables are provided in § 303a.11:

(A) 303a.11(a) General omnibus OGS assignments.

(B) 303a.11(b) BUI omnibus OGS assignments, relating to operating watercraft under the influence.

(C) 303a.11(c) DUI omnibus OGS assignments, relating to driving under the influence.

(ii) For an addition of a new subsection of statute:

(A) The lowest OGS assigned within the section based on the grade or statutory maximum of the offense shall apply to the new subsection.

(B) When the grade or statutory maximum of the new subsection is higher than the highest grade or statutory maximum in the section, the highest assigned OGS in the section shall apply to the new subsection, unless the omnibus OGS is higher.

(C) When the grade or statutory maximum of the new subsection is lower than the lowest grade or statutory maximum in the section, the lowest assigned OGS in the section shall apply to the new subsection, unless the omnibus OGS is lower.

(iii) For an amendment to an existing section of statute:

(A) When the definition of an offense listed in § 303a.9 or § 303a.10 is changed, the previously assigned OGS shall apply.

(B) When the grade, mandatory minimum sentence requirement, or statutory maximum of a subsection listed in § 303a.9 or § 303a.10 has increased, the omnibus OGS shall apply, unless the previously assigned OGS is higher.

(C) When the grade, mandatory minimum sentence requirement, or statutory maximum of a subsection listed in § 303a.9 or § 303a.10 has decreased, the omnibus OGS shall apply, unless the previously assigned OGS is lower.

(b) *Enhancements.*

(1) Enhancements, as provided in § 303a.12 (relating to OGS enhancements table), are increases to the initial OGS assignment that apply when a court determines one or more specified sentencing factors were present during the commission of the crime. The application of an enhancement is determined by the court at sentencing, based on a preponderance of the evidence. Sentence enhancements may be mandated by statute or established by the Commission.

(i) General enhancements, as provided in paragraph (5), apply to all offenses unless otherwise provided.

(ii) Offense-specific enhancements, as provided in paragraph (6) relating to Crimes Code enhancements and paragraph (7) relating to Vehicle Code enhancements, are limited to designated offenses.

(2) Enhancements are included in guideline sentence recommendations through two approaches:

(i) Subcategorization, in which one or more sentencing factors identified for enhancement are included in the OGS assignment in §§ 303a.9 and 303a.10; subcategorized offenses are designated with an asterisk.

(ii) Adjustment, in which the OGS assignment in §§ 303a.9 and 303a.10 is increased when it is determined that one or more sentencing factors identified for enhancement were present during the commission of the crime. Offenses subject to an enhancement through adjustment are designated E in the Enhancement column in §§ 303a.9 and 303a.10.

(3) An enhancement shall apply to each conviction offense for which the court determines the sentencing factor is present, unless the sentencing factor is an element of the crime or a sentencing factor considered in the OGS assignment, or the sentencing factor has been applied through another enhancement. The OGS may not exceed OGS 30 based on an enhancement adjustment. Enhancement adjustments do not apply to offenses assigned to Level G or Level H, and the OGS may not exceed OGS 30 based on an enhancement adjustment.

(4) *Omnibus enhancement.* The omnibus enhancement shall apply to a new sentencing enhancement enacted by the General Assembly and not otherwise provided in this section or in § 303a.12. The OGS assignments, as provided in §§ 303a.9, 303a.10 and 303a.11, shall be increased by one point when it is determined by the court that one or more sentencing factors identified in the new sentencing enhancement was present during the commission of the crime.

(5) *Descriptions of general enhancements.*

(i) Deadly weapon enhancement, as provided in 42 Pa.C.S. § 2154(b)(3) (relating to adoption of guidelines for sentencing).

(A) *Deadly weapon possessed.* When the court determines that the person possessed a deadly weapon during the commission of the current conviction offense, the court shall adjust the OGS as provided in

§ 303a.12. The person has possessed a deadly weapon if the deadly weapon was on the person's person or within the person's immediate physical control.

(B) *Deadly weapon used.* When the court determines that the person used a deadly weapon during the commission of the current conviction offense, the court shall adjust the OGS as provided in § 303a.12. The person has used a deadly weapon if a deadly weapon was employed by the person in a way that threatened or injured another person.

Chapters 25, 27, 29, 30, 31 or 49, or an attempt, solicitation, or conspiracy to commit any of these offenses, against a family or household member as defined in 23 Pa.C.S. § 6102, the court shall adjust the OGS as provided in § 303a.12.

(B) When the court further determines that a person knew the crime was witnessed, either through sight or sound, by a minor who is also a family or household member of the person or the victim, the court shall consider ordering the person to pay the costs or fees associated with the assessment and treatment of the minor for exposure to domestic violence.

- (C) *Category C*: violation of 75 Pa.C.S. § 1501 or 75 Pa.C.S. § 1543.

(iii) Accidents involving death enhancement, as provided in 75 Pa.C.S. § 3742(b)(3)(ii) (relating to accidents involving death or personal injury). When the court determines that the person violated 75 Pa.C.S. § 3742 and the victim dies, the court shall consider the enhanced sentence recommendations as provided in § 303a.9.

(iv) Driving under the influence of alcohol or controlled substance enhancement, as required by 75 Pa.C.S. § 3804(c.3) (relating to penalties). When the court determines that the person violated 75 Pa.C.S. § 3802(a)(1) where the person refused testing of breath or chemical testing or 75 Pa.C.S. § 3802(c) or (d) and where the person has four or more prior offenses, the court shall consider the enhanced sentence recommendations as provided in § 303a.10.

(c) *Mandatory sentencing provisions.*

(1) The court has no authority to impose a sentence less than that required by a mandatory minimum provision established in statute. When the guideline range is lower than that required by a mandatory sentencing statute, the mandatory minimum requirement supersedes the sentence recommendation. When the sentence recommendation is higher than that required by a mandatory sentencing statute, the court shall consider the guideline sentence recommendation.

(2) For mandatory sentencing provisions provided for in 30 Pa.C.S. Chapter 55 (relating to operation of boats) and in 75 Pa.C.S. § 1543(b), Chapter 37 Subchapter B (relating to serious traffic offenses), Chapter 37 Subchapter C (relating to accidents and accident reports), and Chapter 38 (relating to driving after imbibing alcohol or utilizing drugs), the court shall consider the OGS assignments as provided in §§ 303a.9 and 303a.10. Offenses subject to mandatory penalties are designated M in the Mandatory/Enhancement column in § 303a.9; all offenses listed in § 303a.10 are subject to mandatory penalties.

(3) Mandatory sentences for which restrictive DUI probation conditions (42 Pa.C.S. § 9763(c) (relating to conditions of probation)) are authorized.

(i) The court shall consider the offense-specific sentence recommendations for a person convicted under 75 Pa.C.S. § 1543(b), former 75 Pa.C.S. § 3731 (relating to driving under the influence of alcohol or controlled substance), or 75 Pa.C.S. § 3804 for a first, second, or third offense under 75 Pa.C.S. Chapter 38.

(ii) The court may use restrictive DUI probation conditions or a combination of confinement and restrictive DUI probation conditions to satisfy the mandatory minimum requirement as provided by law.

§ 303a.4. Prior record score.*(a) General provisions.*

(1) The PRS is a measure of a person's criminal history, reflecting the number and seriousness of certain previous juvenile adjudications and adult convictions. The PRS addresses the greater culpability and risk to reoffend of repeat offenders. There are five PRS categories (PRS 0—PRS 4).

(2) The PRS is determined by identifying the most serious offense for which a person was adjudicated or convicted prior to the commission of the current offense, and then considering the number of previous adjudications or convictions of equal seriousness.

(3) POGs, as provided in § 303a.13(a) (relating to POG/PRS tables), distinguish the seriousness of previous adjudications and convictions as described below.

(i) POG1 includes all misdemeanors, unless designated as serious crimes.

(ii) POG2 includes all felonies of the third degree and all unclassified felonies, unless designated as serious crimes.

(iii) POG3 includes all serious crimes, defined as:

(A) All felonies of the first and second degree, unless designated as crimes of violence.

(B) All felonies of the third degree and misdemeanors of the first degree if:

(I) 18 Pa.C.S. Article B Chapters 25—32.

(II) 18 Pa.C.S. Chapter 61-A (relating to Uniform Firearms Act of 1995).

(III) 42 Pa.C.S. § 9799.14 (relating to sexual offenses)

(iv) POG4 includes all crimes of violence (42 Pa.C.S. § 9714(g)) (relating to sentences for second and subsequent offenses).

(4) Certain previous adjudication and conviction offenses may be removed from consideration in the prior offense groups following prescribed periods of decay or gap, as described in paragraph (c).

(b) Procedure for identifying previous offenses.

(1) Identify prior offenses for which the person was adjudicated delinquent or convicted prior to the date of the current offense. The prosecution has the burden of proof in determining previous adjudications and convictions based on a preponderance of the evidence.

(2) Juvenile adjudications—consider only the most serious offense for which the person was adjudicated delinquent from each prior juvenile disposition hearing that meets the following criteria:

(i) the juvenile offense occurred on or after the person's 14th birthday but prior to the person's 16th birthday and there was an express finding by the juvenile court that the adjudication was for a POG4 offense; or

- (ii) the juvenile offense occurred on or after the person's 16th birthday and there was an express finding by the juvenile court that the adjudication was for a POG2, POG3 or POG4 offense.
- (3) Adult convictions (including juvenile transfers)—consider every offense for which the person was convicted.
- (4) Excluded prior offenses.
 - (i) Exclude prior adjudications or convictions for offenses that contribute to an increase in the grade or maximum penalty of a subsequent adjudication or conviction.
 - (ii) Prior DUI convictions shall not be considered in determining the PRS for any DUI sentence recommendation.
 - (iii) Exclude lapsed previous adjudication and conviction offenses as set forth in paragraph (c).
- (5) Determine the seriousness of previous adjudications and convictions based on the prior offense groups (POG).
- (c) *Lapsing of previous offenses.*
 - (1) Exclude prior adjudications or convictions for offenses as set forth below.
 - (2) *Juvenile adjudications:*
 - (i) At 25 years of age, remove prior adjudications (decay) for POG2 offenses.
 - (ii) Following completion of a 10-year crime-free period since the last adjudication or conviction (gap):
 - (A) remove prior adjudications for POG3 offenses.
 - (B) remove prior adjudications for POG4 offenses by persons 14 years of age or older but less than 16 years of age at the time of the juvenile offense.
 - (iii) Following completion of a 15-year crime-free period since the last adjudication or conviction (gap), remove prior adjudications for POG4 offenses by persons 16 years of age or older at the time of the juvenile offense.
 - (3) *Adult convictions:*
 - (i) Following completion of 10 years since the conviction date of the offense (decay), remove prior convictions for POG1 offenses.
 - (ii) Following completion of a 15-year crime-free period since release from confinement (gap), remove prior convictions for POG2 and POG3 offenses.
 - (iii) Following completion of a 25-year crime-free period since release from confinement (gap), remove prior convictions for POG4 offenses.
- (d) *Procedure for determining the prior record score category.*
 - (1) Based on the offenses identified and excluding those removed through lapsing, select the prior offense group based on the most serious prior adjudication or conviction offense.

- (2) Count the number of prior adjudication or conviction offenses contained in that prior offense group.
- (3) Determine the PRS category based on the number of previous adjudications and convictions in the prior offense group, as provided in § 303a.13:
 - (i) *PRS 4*. The category includes offense-specific sentence recommendations that contain the statutory limit at Level E and higher, with the category defined by two or more previous crimes of violence.
 - (ii) *PRS 3*. The category includes offense-specific sentence recommendations of confinement that are generally no more than double the base recommendation, with the category defined by:
 - (A) One previous crime of violence; or
 - (B) Two or more previous serious crimes; or
 - (C) Three or more previous felonies (excluding crimes of violence and serious crimes).
 - (iii) *PRS 2*. The category is defined by:
 - (A) One previous serious offense; or
 - (B) No more than two previous felonies (excluding crimes of violence and serious crimes); or
 - (C) Three or more previous misdemeanors (excluding serious crimes).
 - (iv) *PRS 1*. The category is defined by:
 - (A) No more than two previous misdemeanors (excluding serious crimes).
 - (v) *PRS 0*. The category includes offense-specific sentence recommendations that serve as the base recommendations, with the category defined by:
 - (A) No previous adjudications or convictions; or
 - (B) Previous adjudications or convictions that have lapsed.
- (e) *Miscellaneous provisions*.
 - (1) *Adequacy of prior record score*. The court may consider at the time of sentencing prior adjudications or convictions not counted in the calculation of the PRS, including lapsed offenses, and other factors deemed appropriate by the court.
 - (2) When a previous adjudication or conviction offense was committed over a range of dates, the later date shall be used to determine if the prior offense meets the criteria in paragraph (b)(1) for determining the PRS.
 - (3) Unless otherwise provided, the classification of a previous adjudication or conviction for an inchoate offense or an offense with classification associated with an associated or underlying offense is used to determine the prior offense group.
 - (4) When a previous adjudication or conviction offense was misclassified, the classification of the current equivalent Pennsylvania offense is used to determine the prior offense group.

(5) *Former Pennsylvania offenses.*

(i) For a previous adjudication or conviction offense under a former Pennsylvania law, the classification of the current equivalent Pennsylvania offense is used to determine the prior offense group.

(ii) Incomplete information.

(A) When there is no current equivalent Pennsylvania offense, the classification of the previous adjudication or conviction offense is used to determine the prior offense group.

(B) When the previous adjudication or conviction offense was a felony, but the grade of the felony is unknown, it shall be treated as a felony of the third degree. When the previous adjudication or conviction offense was for a misdemeanor, but the grade of the misdemeanor is unknown, it shall be treated as a misdemeanor of the third degree.

(C) When the classification of the previous adjudication or conviction offense cannot be determined, it shall be treated as a misdemeanor of the third degree.

(D) When the previous adjudication or conviction is for an offense which includes a summary classification, and the classification of the previous adjudication or conviction offense is unknown, it shall not be included in the PRS.

(6) *Out-of-State, Federal or foreign offenses.*

(i) For a previous adjudication or conviction for an out-of-State, Federal or foreign offense, the classification of the current equivalent Pennsylvania offense is used to determine the prior offense group.

(ii) For a court-martial for a criminal offense under the Uniform Code of Military Justice, which is considered a Federal conviction, the classification of the current equivalent Pennsylvania offense is used to determine the prior offense group.

(iii) Non-judicial punishments or administrative actions (e.g., Article 15, Article 134) which are not convictions shall not be included in the PRS.

(iv) When there is no current equivalent Pennsylvania offense, the classification of the previous adjudication or conviction offense, based on the maximum sentence authorized for the out-of-State, Federal or foreign offense, is used to determine the prior offense group.

(7) *Excluded offenses, charges, and convictions.* The following types of offenses, charges, and convictions shall not be scored in the PRS:

(i) Summary offenses, violations of local ordinances, direct or indirect contempt of court, violation of protection from abuse orders, and dispositions under Pa.R.Crim.P. Rules 234 Pa. Code Chapter 3 (relating to accelerated rehabilitative disposition), section 17 of The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. § 780-117) regarding probation without

verdict or section 18 of The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. § 780-118) regarding disposition in lieu of trial or criminal punishment.

(ii) A charge which is nolle prossed, dismissed, or on which a demurrer is sustained.

§ 303a.5. Offense-specific sentence recommendations.

(a) *General provisions.*

(1) In writing the sentencing guidelines, the Commission strives to provide a framework for the judges of Pennsylvania. The guidelines serve as a common starting point at sentencing, with a standard range of offense-specific sentence recommendations for the typical circumstances, based on the seriousness of the conviction offense and the consideration of relevant criminal history and criminal behavior of the person. As required by statute, aggravated and mitigated ranges are included to support the exercise of discretion when other circumstances are present.

(2) Through the establishment of sentencing levels, the sentencing guidelines are anchored to the purposes of sentencing and to the authorized dispositions provided in statute. Within these levels, an offense-specific sentence recommendation is provided for each conviction offense, based on the combination of OGS and PRS, intended to promote uniformity and proportionality. “The guidelines were designed to bring greater rationality and consistency to sentences and to eliminate unwarranted disparity in sentencing.” *Commonwealth v. Mouzon*, 812 A.2d 617 (Pa., 2002).

(3) While courts are required to consider the offense-specific sentence recommendations, Pennsylvania’s sentencing guidelines are advisory, and courts are required to individualize sentences. “Guidelines serve the laudatory role of aiding and enhancing the judicial exercise of judgement regarding case-specific sentencing. Guidelines may help frame the exercise of judgement by the Court in imposing a sentence. . .they are advisory guideposts that are valuable, may provide an essential starting point, and that must be respected and considered; they recommend, however, rather than require a particular sentence.” *Commonwealth v. Walls* (926 A.2d 957) (Pa., 2007).

(b) *Purposes of sentencing.*

(1) As provided in the Model Penal Code: Sentencing (Model Penal Code § 1.02(2)), the general purposes in decisions affecting the sentencing of persons include:

(i) To render sentences in all cases within a range of severity proportionate to the gravity of offenses, the harm done to victims, and the blameworthiness of persons; and

(ii) When reasonably feasible, to achieve person rehabilitation, general deterrence, incapacitation of dangerous persons, restitution to crimes victims, preservation of families, and reintegration of persons into the law-abiding community, provided these goals are pursued within the boundaries of proportionality.

(2) The sentencing guidelines provide a system with a primary focus on retribution, but one which allows for the fulfillment of other utilitarian sentencing purposes, including person rehabilitation, general deterrence, incapacitation to protect the public, and victim restoration.

(3) While the guidelines provide a retributive framework for sentencing, other factors may impact the sentencing decision and other information may assist the court in determining an appropriate and individualized sentence. These include:

(i) Mandatory minimum sentencing provisions, which when applicable supersede the offense-specific sentence recommendations.

(ii) Diagnostic evaluations of dependency on alcohol and other drugs and clinically prescribed treatment.

(iii) The use of validated assessments of risk, needs and responsivity and related evidence-based practices to guide decisions related to the intensity and duration of community supervision.

(c) *Sentencing levels and offense-specific sentence recommendations.*

(1) Eight sentencing levels are associated with standard range recommendations for dispositions and durations, to allow for more consistent consideration of the authorized sentencing alternatives, and to address mandates related to the adoption of guidelines for probation, the use of restrictive conditions, and fines and community service. This also allows for the consideration of the risk and needs of the person, and for the use of sentencing and correctional programs.

(i) The sentencing levels increase in severity from restorative sanctions (Level A) to total confinement in a State facility (Level D through Level H, depending on the duration of the recommendation).

(ii) Consistent with retribution as the primary purpose of the guidelines, the increases in the severity of the recommendations are proportionate with increases in the seriousness of the offenses and the extent of the criminal history. The sentencing levels provide a rational basis for the consideration of both retributive and utilitarian purposes of sentencing.

(2) *Standard range recommendations*

(i) Standard range recommendations, based on each combination of the OGS, assigned pursuant to § 303a.3 (relating to offense gravity score), and the PRS, determined pursuant to § 303a.4 (relating to prior record score), are

provided in the sentencing matrix, located at § 303a.14 (relating to sentencing matrix). The standard range serves as a common starting point for sentencing and includes offense-specific sentence recommendations that apply to typical circumstances.

(ii) The standard range include specific recommendations, consistent with the sentencing level, that address the disposition and duration of a sentence, as well as the intensity of community supervision and the consideration of sentencing programs and are intended to promote uniformity and proportionality of sentencing.

(iii) When the guideline sentence recommendation exceeds that permitted by 18 Pa.C.S. §§ 1103 and 1104 (relating to sentence of imprisonment for felony; and sentence of imprisonment for misdemeanors), the guideline sentence recommendation is capped at the statutory limit. For the purposes of the guidelines, the statutory limit is the longest legal minimum sentence, which is one-half the maximum period allowed by law.

(iv) Treatment alternatives, including medically assisted treatment and behavioral therapies when clinically appropriate, may be considered to address substance use, behavioral health issues, or developmental disorders or disability. The specialized jurisdiction of problem-solving courts, as authorized by 42 Pa.C.S. § 916 (relating to problem-solving courts), provide an avenue for the use of court-supervised individualized treatment programs and services. Other treatment programs, such as those described in § 303a.1(c) (relating to preliminary provisions), may be considered:

(A) Probation with restrictive conditions, including the use of clinically prescribed treatment, may be considered for eligible persons in lieu of recommendations for confinement in a county facility.

(B) Restrictive DUI probation conditions may be used to satisfy the mandatory minimum sentencing requirements for eligible persons.

(C) Persons committed to the Department may be recommended or made eligible by the court for certain correctional programs, including the State motivational boot camp program and the State drug treatment program.

(3) The sentencing levels and related standard range offense-specific sentence recommendations are described below:

(i) Level A, generally limited to restorative sanctions recommendations.

(A) The guidelines recommend consideration of the use of restorative sanctions, including restitution, fines, community service, or other authorized sanctions not requiring probation or confinement or limited to administrative probation. The use of restorative sanctions at this level, with a focus on reparations and restorative justice, supports the utilitarian purpose of restoration.

(B) Restorative sanctions recommendations include non-confinement and limited supervision alternatives such as:

(I) Guilt without further penalty when the court determines probation would be appropriate but unnecessary.

(II) A fine, within the limits provided by law, or any amount equal to double the pecuniary gain derived from the offense by the person, or the use of community service as a non-monetary alternative, as a restorative sanction may be ordered as a direct sentence or as a condition of administrative probation, subject to the defendant's ability to pay. The fines/community service guidelines, included with each guideline sentence recommendation, provide a range of recommended community service hours; the comparable fine is determined by multiplying the number of hours recommended by the person's hourly wage, or by the current minimum wage.

(III) *Restitution as a mandatory requirement.* The court is required to order the person to compensate the victim for damage or injury sustained because of the offense. Restitution as a restorative sanction may be ordered as a direct sentence, or upon consideration of the defendant's ability to pay, as a condition of administrative probation.

(IV) Administrative probation in limited circumstances as necessary to fulfill court-ordered obligations for a period not to exceed six months.

(ii) Level B, limited to probation recommendations.

(A) The guidelines recommend consideration of the use of probation to provide community supervision with the minimal control necessary to fulfill court-ordered obligations. The use of probation at this level, with consideration of restorative sanctions, supports the utilitarian purposes of rehabilitation and restoration.

(B) Probation recommendations include:

(I) The use of general probation, not to exceed two years and as provided, with general conditions; and the consideration of fines/community service or other restorative sanctions as general conditions of general probation.

(II) The use of probation, not to exceed two years and as designated, with restrictive conditions for a period less than three months and as designated (RC) for persons with greater criminal history, to increase the intensity of supervision and services; and the consideration of fines/community service or other restorative sanctions as general conditions of probation.

(iii) Level C, limited to confinement in a county facility, while providing for the use of probation with restrictive conditions as an alternative when eligible and appropriate.

(A) The guidelines recommend consideration of confinement in a county facility, or an equivalent period of restrictive conditions of probation, with the court retaining jurisdiction of the case. The use of county confinement with the court authorized to consider county programs and county parole, or in the alternative, the court having the discretion to use probation with restrictive conditions to provide community supervision and/or treatment, supports multiple utilitarian purposes including deterrence, rehabilitation, and restoration.

(B) Confinement recommendations include:

(I) The use of confinement consistent with the protection of the public, the gravity of the offense as it relates to the impact on the life of the victim and on the community, and the rehabilitative needs of the person.

(II) The use of confinement in a county facility, with a minimum term less than 12 months and as designated, and a maximum term of less than 24 months; with the court authorized to consider a county reentry program or partial release program as provided in § 303a.1(c), and county parole pursuant to 42 Pa.C.S. § 9776 (relating to judicial power to release inmates).

(III) Unless otherwise designated, the range of months in the standard range refers to the recommended minimum term of confinement.

(C) Probation with restrictive conditions recommendations include:

(I) Consideration of the eligibility requirements, as provided in § 303a.1(c), for the use of county intermediate punishment programs as restrictive conditions of probation.

(II) The use of probation, not to exceed two years and as designated, with restrictive conditions for a period less than 12 months and as designated (RC) for persons with greater criminal history, to increase the intensity of supervision and services; and the consideration of fines/ community service or other restorative sanctions as general conditions of probation.

(III) Unless otherwise designated, the range of months in the standard range refers to the recommended period of restrictive conditions.

(iv) Level D, while recommending confinement in a State facility, provides for confinement in a county facility when authorized by statute or the use of probation with restrictive conditions when eligible and appropriate.

(A) The guidelines recommend consideration of confinement in a State facility with consideration of certain correctional programs; or if authorized by statute, confinement in a county facility, with the court authorized to consider county programs and county parole; or the use of probation with restrictive conditions as an alternative to or in combination with confinement in a county facility to provide community supervision and/or treatment. The use of confinement, with consideration of sentencing and

correctional programs, supports multiple utilitarian purposes including incapacitation, deterrence, rehabilitation, and restoration.

(B) Confinement recommendations include:

(I) The use of confinement consistent with the protection of the public, the gravity of the offense as it relates to the impact on the life of the victim and on the community, and the rehabilitative needs of the person.

(II) The use of confinement in a State facility, with a minimum term of 12 months or more but less than 30 months and as provided in 42 Pa.C.S. § 9762 (relating to sentencing proceeding; place of confinement), and a maximum term of less than 60 months; with the court authorized to determine the eligibility and appropriateness of specified Department programs as provided in § 303a.1(c); and with parole authority under the jurisdiction of the Board pursuant to 61 Pa.C.S. § 6132 (relating to specific powers of board involving offenders).

(III) The use of confinement in a county facility, with a minimum term of 12 months or more but less than 30 months and as provided in 42 Pa.C.S. § 9762, and a maximum term of less than 60 months; with the court authorized to consider a county reentry program or partial release program as provided in § 303a.1(c), and county parole pursuant to 42 Pa.C.S. § 9776.

(IV) Unless otherwise designated, the range of months in the standard range refers to the recommended minimum term of confinement.

(v) Level E, limited to confinement in a State facility.

(A) The guidelines recommend consideration of confinement in a State facility with consideration of certain correctional programs. While rehabilitation and restoration are under consideration at all levels, the primary utilitarian purposes of confinement at Level E are incapacitation and deterrence.

(B) Confinement recommendations include:

(I) The use of confinement consistent with the protection of the public, the gravity of the offense as it relates to the impact on the life of the victim and on the community, and the rehabilitative needs of the person.

(II) The use of confinement in a State facility, with a minimum term of 30 months or more recommended, including consideration of the statutory limit for PRS 4, with the maximum term at least double the minimum term as provided in 42 Pa.C.S. § 9756 (relating to sentence of total confinement); with the court authorized to determine the eligibility and appropriateness of specified Department programs as provided in § 303a.1(c); and with parole authority under the jurisdiction of the Board pursuant to 61 Pa.C.S. § 6132.

(III) Unless otherwise designated, the range of months in the standard range refers to the recommended minimum term of confinement.

(vi) Level F, limited to confinement in a State facility for offenses with a statutory maximum greater than 20 years.

(A) The guidelines recommend consideration of confinement in a State facility with consideration of certain correctional programs. While rehabilitation and restoration are under consideration at all levels, the primary utilitarian purposes of confinement at Level F are incapacitation and deterrence.

(B) Confinement recommendations include:

(I) The use of confinement consistent with the protection of the public, the gravity of the offense as it relates to the impact on the life of the victim and on the community, and the rehabilitative needs of the person.

(II) The use of confinement in a State facility, with a minimum term of 90 months or more recommended, including consideration of the statutory limit for PRS 4, with a maximum term at least double the minimum term as provided in 42 Pa.C.S. § 9756; with the court authorized to determine the eligibility and appropriateness of specified Department programs as provided in § 303a.1(c); and with parole authority under the jurisdiction of the Board pursuant to 61 Pa.C.S. § 6132.

(III) Unless otherwise designated, the range of months in the standard range refers to the recommended minimum term of confinement.

(vii) Level G, limited to confinement in a State facility for the offense of murder of the third degree, which has a statutory maximum of 40 years.

(A) The guidelines recommend consideration of confinement in a State facility with consideration of certain correctional programs. While rehabilitation and restoration are under consideration at all levels, the primary utilitarian purposes of confinement at Level G are incapacitation and deterrence.

(B) Confinement recommendations include:

(I) The use of confinement consistent with the protection of the public, the gravity of the offense as it relates to the impact on the life of the victim and on the community, and the rehabilitative needs of the person.

(II) The use of confinement in a State facility, with a minimum term standard range recommendation of no less than 72 months and including the statutory limit of 240 months; with a maximum term at least double the minimum term as provided in 42 Pa.C.S. § 9756; with the court authorized to determine the eligibility and appropriateness

of specified Department programs as provided in § 303a.1(c); and with parole authority under the jurisdiction of the Board pursuant to 61 Pa.C.S. § 6132.

(III) Because of the wide range of circumstances contributing to convictions for murder of the third degree, the Commission has provided an extraordinarily wide standard range for consideration by the court, with a lower limit of 72 months and an upper limit of 240 months, which is the statutory limit. An enhancement, which increases the lower limit to 90 months, applies when the victim is less than 13 years of age. To refine future guidelines and promote greater proportionality and uniformity in sentencing, the Commission requires the court to report reasons for all sentences imposed for murder of the third degree.

(IV) Unless otherwise designated, the range of months in the standard range refers to the recommended minimum term of confinement.

(viii) Level H, limited to confinement in a State facility for the offenses of murder of the first degree and murder of the second degree.

(A) Level H includes convictions for which the penalty is the same as the penalty for murder of the first degree or murder of the second degree, including but not limited to:

(I) 18 Pa.C.S. § 2507 (relating to criminal homicide of law enforcement officer).

(II) 18 Pa.C.S. § 2604 (relating to murder of unborn child).

(III) 18 Pa.C.S. § 2716 (relating to weapons of mass destruction).

(IV) 18 Pa.C.S. § 3301 (relating to arson and related offenses).

(B) The following three age categories apply:

(I) Persons 18 years of age or older at the time of the offense;

(II) Persons 15 years of age or older but less than 18 years of age at the time of the offense; and

(III) Persons 10 years of age or older but less than 15 years of age at the time of the offense.

(C) If person is under 18 years of age at the time of the offense and the conviction occurred after June 24, 2012, the court shall consider the recommendations provided in Level H. The court has no authority to impose a sentence less than that required by the mandatory minimum provision established in statute and may impose a minimum sentence up to and including life (18 Pa.C.S. § 1102.1 (relating to sentence of persons under the age of 18 for murder, murder of an unborn child and murder of a law enforcement officer)).

(D) The statute requires confinement in a State facility, and the mandatory minimum requirements provide the lower limit of the recommendations in Level H, with recommendations increasing based on criminal his-

tory. While rehabilitation and restoration are under consideration at all levels, the primary utilitarian purposes of confinement at Level H are incapacitation and deterrence.

(E) Confinement recommendations include:

(I) The use of confinement consistent with the protection of the public, the gravity of the offense as it relates to the impact on the life of the victim and on the community, and the rehabilitative needs of the person.

(II) The use of confinement in a State facility, for those under 18 years of age at the time of the offense, considers the mandatory minimum sentencing requirements and criminal history in determining the minimum sentence recommendation. The maximum sentence authorized by statute is life, including life without the possibility of parole (LWOP), but excluding the death penalty. When sentenced to a minimum term of less than LWOP, parole authority is under the jurisdiction of the Board pursuant to 61 Pa.C.S. § 6132.

(III) The use of confinement in a State facility, for those 18 years or age or older at the time of the offense, penalties are limited to LWOP or death.

(F) Unless otherwise designated, the range of months in the standard range refers to the recommended minimum term of confinement.

§ 303a.6. Aggravated and mitigated circumstances.

(a) *Aggravated and mitigated ranges.* As required by 42 Pa.C.S. § 2154(b)(4) (relating to adoption of guidelines for sentencing), the sentencing guidelines provide aggravated and mitigated ranges as variations from the standard range on account of aggravating and mitigating circumstances.

(b) *Conformity to the guidelines.* A sentence imposed in the standard range, aggravated range, or mitigated range is considered a sentence within the guidelines. A sentence imposed with a disposition or duration more severe than the aggravated range recommendation, less severe than the mitigated range recommendation, or without consideration of applicable guideline sentencing standards, is considered a departure from the guidelines.

(c) *Aggravated ranges.* When the court determines that aggravating circumstances are present, the court may consider the aggravated range of the sentencing guidelines. The aggravated range is determined by adding the designated number of months listed on the sentencing matrix (AGG/MIT column), located in § 303a.14 (relating to sentencing matrix), to the top of the standard range recommendation as follows:

(1) At Level A, the aggravated range is determined by adding three months of general probation to the top of the standard range recommendation. When the top of the standard range recommendation is RS, the aggravated range recommendation is any period of general probation up to and including three months of general probation; when the top of the standard range recommendation is six months of general probation, the aggravated range recommendation is any period of general probation greater than six months up to and including nine months of general probation.

(2) At Level B, the aggravated range is determined by adding six months of general probation to the standard range recommendation. When the standard range recommendation is 6 months of general probation, the aggravated range recommendation is a period of general probation greater than 6 months up to and including 12 months of general probation; when the standard range recommendation is 24 months of general probation, the aggravated range recommendation is any period of general probation greater than 24 months up to and including 30 months of general probation. The use of confinement or restrictive conditions, for a period longer than designated in the standard range recommendation, is a procedural departure from the guidelines.

(3) At Level C through Level H, the aggravated range recommendation is determined by adding the number of months of confinement designated below to the top of the standard range recommendations:

- (i) Level C = 3 months.
- (ii) Level D = 6 months.
- (iii) Level E = 9 months.
- (iv) Level F = 12 months.
- (v) Level G = no aggravated range (standard range includes the statutory limit).
- (vi) Level H = 24 months.

(4) As an example, when the top of the standard range recommendation is a minimum term of confinement of four months (Level C), the aggravated range recommendation is a minimum term of confinement of greater than four months up to and including a minimum term of confinement of seven months; when the top of the standard range recommendation is a minimum term of confinement of 60 months (Level E), the aggravated range recommendation is a minimum term of confinement of greater than 60 months up to and including a minimum term of confinement of 69 months.

(5) When the guideline sentence recommendation is higher than the statutory limit, the statutory limit shall be the upper limit of the aggravated range.

(d) *Mitigated ranges.* When the court determines that mitigating circumstances are present, the court may consider the mitigated range of the sentencing guidelines. The mitigated range is determined by subtracting the designated number of months listed on the sentencing matrix (AGG/MIT column), located in § 303a.14, from the bottom of the standard range recommendation as follows:

(1) At Level A, there is no mitigated range, since the bottom of the standard range is restorative sanctions, which excludes general probation.

(2) At Level B, the mitigated range is determined by subtracting six months of general probation from the standard range recommendation. When the standard range recommendation is 6 months of general probation, the mitigated range recommendation is RS or any period of general probation less than 6 months; when the standard range recommendation is 24 months of general probation, the mitigated range recommendation is any period of general probation of 18 months or greater but less than 24 months of general probation. When the standard range recommendation is a minimum of one month restrictive conditions (RC), the mitigated range recommendation of RC is no RC to less than one month RC.

(3) At Level C through Level H, the mitigated range recommendation is determined by subtracting the number of months of confinement designated below from the bottom of the standard range recommendations:

- (i) Level C = 3 months.
- (ii) Level D = 6 months.
- (iii) Level E = 9 months.
- (iv) Level F = 12 months.
- (v) Level G = 12 months.
- (vi) Level H = 24 months.

(4) As an example, when the bottom of the standard range recommendation is a minimum term of confinement of 3 months or less (Level C), the mitigated range recommendation is RS; when the bottom of the standard range recommendation is a minimum term of confinement of 60 months (Level E), the mitigated range recommendation is a minimum term of confinement of 51 months or greater but less than 60 months.

(5) When the guideline sentence recommendation is lower than the sentence required by a mandatory sentencing statute, the mandatory minimum sentence shall be the lower limit of the mitigated range.

(e) *Departures from the guidelines.* Any sentence imposed with a disposition or duration more severe than the aggravated range recommendation is considered a departure above the guidelines. Any sentence imposed with a disposition or duration less severe than the mitigated range recommendation is considered a departure below the guidelines. Any sentence imposed without consideration of applicable guideline sentencing standards, such as completion of a diagnostic assessment for use of certain restrictive conditions of probation, is considered a procedural departure.

(f) *Reasons for sentence.*

(1) When the court imposes a sentence for murder of the third degree, or imposes a sentence in the aggravated or mitigated range, or imposes a sentence that is a departure from the guidelines, the court shall state on the record and

report to the Commission a reason or reasons for the sentence. The court may consider, but is not limited to the following:

- (i) Nature and circumstances of the offense:
 - (A) Neither caused nor threatened serious harm.
 - (B) Conduct substantially influenced by another person.
 - (C) Acted under strong provocation.
 - (D) Substantial grounds to justify conduct.
 - (E) Role in offense.
 - (F) Purity of controlled substance.
 - (G) Abuse of position of trust.
 - (H) Vulnerability of victim.
 - (I) Temporal pattern.
 - (J) Offense pattern.
 - (K) Multiple offenses in a criminal incident.
- (ii) History and character of the person:
 - (A) No history of criminal conduct.
 - (B) Substantial period of law-abiding behavior.
 - (C) Circumstances unlikely to recur.
 - (D) Likely to respond affirmatively to probation.
 - (E) Imprisonment would entail excessive hardship.
 - (F) Accepts responsibility.
 - (G) Provides substantial assistance.
 - (H) Compensated victim or community.
 - (I) Character and attitude.
 - (J) Treatment for substance abuse, behavioral health issues, or developmental disorders or disability.

(2) Unless otherwise prohibited by statute, the consideration of validated assessments of risk, needs and responsivity, or clinical evaluations may be considered to guide decisions related to the intensity of intervention, use of restrictive conditions, and duration of community supervision.

(3) Adequacy of the prior record score. The court may consider at sentencing prior convictions, juvenile adjudications, or dispositions not counted in the calculation of the PRS, in addition to other factors deemed appropriate by the court.

(g) *Reporting of reasons.* When the court imposes a sentence for murder of the third degree, or imposes an aggravated or mitigated sentence, or imposes a sentence that is a departure from the guidelines, the court shall include the reasons on the guideline sentence form, and electronically transmit the information to the Commission in the manner described § 303a.2 (relating to guideline sentencing standards).

§ 303a.7. Judicial proceeding considerations.

(a) *General provisions.* Judicial proceeding considerations are provided to address the imposition of multiple sentences, encouraging practices that promote greater consistency in the use of concurrent or consecutive sentences, and promote consideration of various sentencing and correctional programs.

(b) *Concurrent and consecutive sentences.* As provided in 42 Pa.C.S. § 9721(a) (relating to sentencing generally), the court may impose one or more sentencing alternatives consecutively or concurrently. When a judicial proceeding includes sentences for multiple convictions, the court is encouraged to consider the imposition of concurrent sentences for lesser conviction offenses within the same criminal incident. Exceptions include:

- (1) Sentences for crimes of violence, and for convictions involving sexual assault, domestic violence, and vulnerable victims.
- (2) Consecutive sentences when required by law, including but not limited to:
 - (i) 18 Pa.C.S. § 2703(b) (relating to assault by prisoner).
 - (ii) 42 Pa.C.S. § 9711.1(c) (relating to sentencing for certain murders of infant persons).
 - (iii) 42 Pa.C.S. § 9718.5 (relating to mandatory period of probation for certain sexual offenders).
 - (iv) 61 Pa.C.S. § 6137.2 (relating to reentry supervision).
 - (v) 75 Pa.C.S. § 3735 (relating to homicide by vehicle while driving under influence).
 - (vi) 75 Pa.C.S. § 3804(c.2) and (c.3) (relating to penalties).
- (3) Proceedings in which there are multiple crime victims, or multiple criminal incidents.
- (4) Circumstances for which a longer sentence is warranted to address treatment needs.

(c) *Consecutive sentences of total confinement.* As provided in 42 Pa.C.S. § 9757 (relating to consecutive sentences of total confinement for multiple offenses), when the court determines that a sentence should be imposed consecutive to one being then imposed or one previously imposed, the court shall indicate the minimum sentence to be served for the total of all offenses; the minimum sentence shall not exceed one-half of the maximum sentence imposed. For purposes of the guidelines, the total confinement sentence imposed during the judicial proceeding shall be considered the aggregate confinement sentence.

(d) *Consideration of sentencing and correctional programs.* When the aggregate confinement sentence authorizes the use of a county facility, the court is encouraged to consider a county reentry program or partial release program as provided in § 303a.1(c) (relating to preliminary provisions), and county parole pursuant to 42 Pa.C.S. § 9776 (relating to judicial power to release inmates). When the aggregate confinement sentence authorizes the use of a State facility,

the guidelines encourage the court to determine the eligibility and appropriateness of the specified Department programs provided in § 303a.1(c); parole authority in such cases is under the jurisdiction of the Board pursuant to 61 Pa.C.S. § 6132 (relating to specific powers of board involving offenders).

(e) *Consecutive sentences of probation.* Unless otherwise provided, the court is encouraged to limit the aggregate term of probation imposed during a judicial proceeding to no more than five years; and that the duration of the restrictive conditions of probation, or a combination of confinement without parole, as provided in 42 Pa.C.S. §§ 9755(h) and 9756(c.1) (relating to sentence of partial confinement; and sentence of total confinement), and restrictive conditions of probation, not exceed the aggregate months of confinement recommended in the sentencing guidelines.
