Act—The Health Care Cost Containment Act (35 P. S. §§ 449.1—449.19).

§ 903.3. Affected parties.

This chapter applies to data sources subject to reporting requirements under the act.

§ 903.4. General rule.

A request by a data source for an exception to the Council's reporting requirements or another grievance by a data source against the Council shall follow the procedures set forth in the regulation imposing the reporting requirement or other disputed obligation upon the data source.

§ 903.5. Notice of protest.

A data source wishing to protest an action by the Council, including the denial of a request for an exception or the revocation of an exception, shall initiate its protest by giving notice to the Council of its desire for a hearing on the Council's action. This notice shall be given by certified mail within 30 days of the receipt by the data source of written notice of the Council's action and shall be sent to the Council at the Council's office.

§ 903.6. Reasons for protest.

The data source's notice of protest shall specify the action of the Council complained of and shall set forth the reasons for the protest.

§ 903.7. Informal hearing on protest.

Upon receipt of a notice of protest from a data source, the Council will schedule an informal hearing to be held within 30 days. The Council will notify the data source of the date, time and place of the hearing at least 21 days in advance of the hearing.

§ 903.8. Clarification of issues.

Between the date of receipt by the Council of the notice of protest and the date scheduled for the hearing, Council staff and representatives of the data source shall meet and attempt to narrow and clarify the issues to be determined at the hearing. (a) The hearing will be conducted before the Executive Director of the Council or a member of the Council who has no financial or other relationship with the data source. The data source may be represented by counsel.

The Executive Director of the Council or the Council member conducting the hearing will make a written report to the Council within 14 days after the hearing is completed, together with recommendations for disposition of the protest.
